(3) If the franchisor provided a part or component to the 94377  
franchisee at a reduced cost or no cost to use in performing 94378  
repairs under a recall, campaign service action, or warranty 94379  
repair, the franchisor shall provide to the franchisee an amount 94380  
equal to the retail parts markup for that part or component, 94381

which shall be calculated by multiplying the dealer cost for the 94382  
part or component as listed in the franchisor's price schedule 94383  
by the retail parts markup percentage. 94384

(4) A franchisor shall not assess penalties, surcharges, 94385  
or similar costs to a franchisee, transfer or shift any costs to 94386  
a franchisee, limit allocation of vehicles or parts to a 94387  
franchisee, or otherwise take retaliatory action against a 94388  
franchisee based on any franchisee's exercise of its rights 94389  
under this section. It is the burden of the franchisee to prove 94390  
any claims under division (D) (4) of this section by a 94391  
preponderance of the evidence. Nothing in this section prohibits 94392  
a franchisor from increasing the price of a vehicle or part in 94393  
the normal course of business. 94394

(5) A franchisor shall fully reimburse a franchisee for 94395  
the cost of any rental vehicle provided to a customer when the 94396  
rental is required, offered, advertised as available, or 94397  
otherwise agreed to by the franchisor. The franchisor shall not 94398  
deny or reduce the reimbursement to the franchisee because the 94399  
franchisee is unable to provide a specific type of vehicle, 94400  
including a particular line-make, size, or category of vehicle. 94401

(E) A franchisor shall not require a franchisee to 94402  
establish a retail labor rate or retail parts markup percentage 94403  
using any method that is unduly burdensome or time consuming, or 94404  
require the use of information that is unduly burdensome or time 94405  
consuming to obtain, including part-by-part or transaction-by- 94406  
transaction calculations or utilization of the franchisee's 94407  
financial statement. Further, no franchisor shall unilaterally 94408  
calculate a retail labor rate or retail parts markup percentage 94409  
for a franchisee. 94410

Divisions (A), (C), (D), and (E) of this section do not 94411

apply to franchisors or franchisees who deal in recreational 94412  
vehicles. Division (B) of this section as it pertains to 94413  
diagnostic work does not apply to franchisors or franchisees who 94414  
deal in recreational vehicles. 94415

**Sec. 4517.521.** (A) As used in this section: 94416

(1) "Stop-sale or do-not-drive order" means a notification 94417  
issued by a motor vehicle manufacturer to its franchised motor 94418  
vehicle dealers stating that certain used motor vehicles in 94419  
inventory shall not be sold, either at retail or wholesale, 94420  
leased, or driven due to a federal safety recall or a federal or 94421  
state emissions recall. 94422

(2) "Average trade-in value" means the approximate 94423  
monetary value for a used motor vehicle that is indicated in an 94424  
independent third-party guide, based on the year, make, and 94425  
model of a vehicle. 94426

(B) (1) Pursuant to division (B) (2) of this section, a 94427  
franchisor shall compensate a franchisee of not less than one 94428  
and twenty-five hundredths per cent of the average trade-in 94429  
value for a used motor vehicle that is the subject of a stop- 94430  
sale or do-not-drive order if both of the following apply: 94431

(a) The franchisee is authorized to sell or perform recall 94432  
repairs on motor vehicles that are the same line-make as the 94433  
subject motor vehicle; 94434

(b) The parts or remedy that are necessary to perform the 94435  
recall service or repair on the subject motor vehicle are not 94436  
reasonably available to perform that service or repair within 94437  
thirty days of the franchisor issuing the recall notice and 94438  
associated stop-sale or do-not-drive order. 94439

(2) The compensation described in division (B) (1) of this 94440

section shall be paid per month, or prorated for a portion of 94441  
the month. The compensation shall commence on the thirtieth day 94442  
after the recall notice and stop-sale or do-not-drive order was 94443  
issued. The compensation shall end on the earlier of the 94444  
following dates: 94445

(a) The date that the remedy or repair parts that are 94446  
necessary to resolve the recall notice and stop-sale or do-not- 94447  
drive order are available to the franchisee for the subject 94448  
motor vehicle; 94449

(b) The franchisee sells, trades, or otherwise disposes of 94450  
the subject motor vehicle. 94451

(3) A franchisor is not required to compensate a 94452  
franchisee for more than the total average trade-in value of the 94453  
subject motor vehicle. 94454

(C) Division (B) of this section does not apply to motor 94455  
vehicles purchased by a franchisee after the date the recall 94456  
notice or stop-sale or do-not-drive order was issued or to motor 94457  
vehicles that were purchased outside of the ordinary course of 94458  
business. 94459

(D) A franchisor may compensate a franchisee under a 94460  
national recall compensation program if the compensation under 94461  
that program equals or exceeds the compensation specified in 94462  
division (B) of this section or per any agreement between the 94463  
franchisor and franchisee. 94464

(E) A franchisor shall not attempt to recover all or any 94465  
other portion of its costs for compensating a franchisee in 94466  
accordance with this section either through a reduction in the 94467  
amount due to a franchisee or through a separate charge, 94468  
surcharge, or other imposition related to the costs of recalled 94469

vehicles, parts, diagnostic work, or other services. Nothing in 94470  
division (E) of this section prohibits a franchisor from 94471  
changing its prices in the ordinary course of business or 94472  
prohibits a franchisor from charging back a franchisee for an 94473  
unnecessary or improperly performed repair. 94474

(F) A franchisor may determine the manner and method in 94475  
which a franchisee demonstrates the inventory status of a motor 94476  
vehicle that is eligible for compensation in accordance with 94477  
this section. The manner, method, and type of information 94478  
required shall not be unduly burdensome for the franchisee. 94479

(G) Any remedy provided to a franchisee in accordance with 94480  
this section shall be the exclusive remedy provided to that 94481  
franchisee for compensation related to a used motor vehicle that 94482  
is the subject of a stop-sale or do-not-drive order. A remedy 94483  
provided in accordance with this section shall not be combined 94484  
with any other state or federal recall compensation remedy for 94485  
used motor vehicles subject to a stop-sale or do-not-drive 94486  
order. 94487

(H) This section does not apply to franchisors or 94488  
franchisees who deal in recreational vehicles. 94489

**Sec. 4517.60.** Notwithstanding the terms, conditions, or 94490  
provisions of any franchise, or the date such franchise was 94491  
executed, each franchisor shall indemnify and hold harmless its 94492  
franchisees against any losses, including, but not limited to, 94493  
court costs and attorney fees reasonably incurred, or damages 94494  
arising out of complaints, claims, or suits, whether or not 94495  
meritorious, relating in whole or in part to claims under 94496  
section 1345.72 of the Revised Code, or to the manufacture, 94497  
assembly, or design of motor vehicles, parts, or accessories, to 94498  
damage corrected by the franchisor prior to receipt of a motor 94499

vehicle by the franchisee, or relating to other functions of the 94500  
franchisor beyond the control of the franchisee, including, but 94501  
not limited to, the selection by the franchisor of parts or 94502  
components for the motor vehicle, the franchisor's designation 94503  
of features or equipment as optional, and any damage to 94504  
merchandise occurring in transit to the franchisee where the 94505  
carrier is designated by the franchisor. The franchisee shall 94506  
give notice to the franchisor within twenty-eight days of 94507  
service of summons on the franchisee of pending suits in which 94508  
allegations are made that come within this section and shall 94509  
cooperate with the franchisor in the defense of such suits. 94510

**Sec. 4519.59.** (A) (1) The clerk of a court of common pleas 94511  
shall charge and retain fees as follows: 94512

(a) Fifteen dollars, or twenty dollars if a board of 94513  
county commissioners adopts a resolution authorizing the 94514  
increased fee for that county, for each certificate of title or 94515  
duplicate certificate of title including the issuance of a 94516  
memorandum certificate of title, authorization to print a non- 94517

section, and notation of any lien on a certificate of title that 94521  
is applied for at the same time as the certificate of title. The 94522

noted on the certificate of title, and eleven dollars and fifty 94527  
cents for each duplicate certificate of title. If a board of 94528  
county commissioners adopts a resolution authorizing a twenty- 94529

of that fee.

94531

94547

94548

94549

94550

(3) Two dollars of the amount received by the registrar 94565

**Sec. 4582.024.** After a port authority has been created, 94570  
any municipal corporation, township, or county, acting by 94571  
ordinance, resolution of the township trustees, or resolution of 94572  
the county commissioners, respectively, which is contiguous to 94573  
such port authority, or to any municipal corporation, township, 94574  
or county which proposes to join such port authority at the same 94575  
time and is contiguous to such port authority, or any county 94576  
within which such port authority is situated, may join such port 94577  
authority and thereupon the jurisdiction and territory of such 94578  
port authority shall include such municipal corporation, county, 94579  
or township. If more than one such political subdivision is to 94580  
be joined to the port authority at the same time, then each such 94581  
ordinance or resolution shall designate the political 94582  
subdivisions which are to be so joined. Any territory or 94583  
municipal corporation not included in a port authority and which 94584  
is annexed to a municipal corporation included within the 94585  
jurisdiction and territory of a port authority shall, on such 94586  
annexation and without further proceedings, be annexed to and be 94587  
included in the jurisdiction and territory of such port 94588  
authority. Before such political subdivision or subdivisions are 94589

joined to a port authority, other than by annexation to a 94590  
municipality, the political subdivision or subdivisions 94591  
therefore comprising such port authority shall agree upon the 94592  
terms and conditions pursuant to which such political 94593  
subdivision or subdivisions are to be joined. For all purposes 94594  
of sections 4582.01 to 4582.20, inclusive, of the Revised Code, 94595  
such political subdivision or subdivisions shall be considered 94596  
to have participated in the creation of such port authority, 94597  
except that the initial term of any director of the port 94598  
authority appointed by such a political subdivision shall be 94599  
four years. After each ordinance or resolution proposing joinder 94600  
to the port authority has become effective and the terms and 94601  
conditions of joinder have been agreed to, the board of 94602  
directors of the port authority shall by resolution either 94603  
accept or reject such joinder. Such joinder shall be effective 94604  
on adoption of the resolution accepting such joinder, unless the 94605  
port authority to which a political subdivision or subdivisions 94606  
including a county within which such port authority is located, 94607  
are to be joined has authority under section 4582.14 of the 94608  
Revised Code to levy a tax on property within its jurisdiction, 94609  
then such joinder shall not be effective until approved by the 94610  
affirmative vote of a majority of the electors voting on the 94611  
question of such joinder. If more than one political subdivision 94612  
is to be joined to the port authority, then the electors of such 94613  
subdivision shall vote as a district and the majority 94614  
affirmative vote shall be determined by the vote cast in such 94615  
district as a whole. 94616

If a tax on property is to be levied, the board of 94617  
directors of the port authority and the county auditor shall 94618  
proceed in the same manner as required for a tax levy under 94619  
section 5705.03 of the Revised Code, except that the levy's 94620

annual collections shall be estimated assuming that the 94621  
additional subdivision or subdivisions have joined the port 94622  
authority. 94623

The election shall be called by the board of directors of 94624  
the port authority and shall be held, canvassed, and certified 94625  
in the manner provided for the submission of tax levies under 94626  
section 5705.191 of the Revised Code except that the question 94627  
appearing on the ballot shall read: 94628

"Shall \_\_\_\_\_ 94629

(name or names of political subdivisions to be joined) 94630

be joined to \_\_\_\_\_ (name) port authority and the 94631

existing tax levy (levies) of such port authority, that the 94632

county auditor estimates will collect \$\_\_\_\_\_ annually, at a rate 94633

not exceeding 94634

\_\_\_\_\_ mill(s) for each \$1 of taxable value, which amounts to 94635

\$\_\_\_\_\_ (effective rate) for each \$100,000 of ~~the county~~ 94636

~~auditor's appraised market~~ value, be authorized to be 94637

levied against properties within 94638

\_\_\_\_\_ " 94639

(name or names of political subdivisions to be joined) 94640

If the question is approved such joinder shall be 94641

immediately effective and the port authority shall be authorized 94642

to extend the levy of such tax against all the taxable property 94643

within the political subdivision or political subdivisions which 94644

have been joined. If such question is approved at a general 94645

election then the port authority may amend its budget and 94646

resolution adopted pursuant to section 5705.34 of the Revised 94647

Code and such levy shall be placed on the current tax list and 94648  
duplicate and collected as other taxes are collected from all 94649  
taxable property within the port authority including the 94650  
political subdivision or political subdivisions joined as a 94651  
result of such election. 94652

As used in this section, "~~the county auditor's appraised~~ 94653  
market value" and "effective rate" have the same meanings as in 94654  
section 5705.01 of the Revised Code. 94655

**Sec. 4582.26.** After a port authority has been created, any 94656  
municipal corporation, township, county, or other political 94657  
subdivision, acting by ordinance or resolution, which is 94658  
contiguous to any municipal corporation, township, county, or 94659  
other political subdivision which participated in the creation 94660  
of such port authority or to any municipal corporation, 94661  
township, county, or other political subdivision which proposes 94662  
to join the port authority at the same time and is contiguous to 94663  
any municipal corporation, township, county, or other political 94664  
subdivision which participated in the creation of such port 94665  
authority, may join such port authority, and thereupon the 94666  
jurisdiction and territory of the port authority includes the 94667  
municipal corporation, county, township, or other political 94668  
subdivision so joining. If more than one such political 94669  
subdivision is to be joined to the port authority at the same 94670  
time, then each such ordinance or resolution shall designate the 94671  
political subdivisions which are to be so joined. Any territory 94672  
or municipal corporation not included in a port authority and 94673  
which is annexed to a municipal corporation included within the 94674  
jurisdiction and territory of a port authority shall, on such 94675  
annexation and without further proceedings, be annexed to and be 94676  
included in the jurisdiction and territory of the port 94677  
authority. Before such political subdivision or subdivisions are 94678

joined to a port authority, other than by annexation to a 94679  
municipal corporation, the political subdivision or subdivisions 94680  
theretofore comprising such port authority shall agree upon the 94681  
terms and conditions pursuant to which such political 94682  
subdivision or subdivisions are to be joined. For all purposes 94683  
of sections 4582.21 to 4582.59 of the Revised Code, such 94684  
political subdivision or subdivisions shall be considered to 94685  
have participated in the creation of such port authority, except 94686  
that the initial term of any director of the port authority 94687  
appointed by such a political subdivision shall be four years. 94688  
After each ordinance or resolution proposing joinder to the port 94689  
authority has become effective and the terms and conditions of 94690  
joinder have been agreed to, the board of directors of the port 94691  
authority shall by resolution either accept or reject such 94692  
joinder. Such joinder shall be effective upon adoption of the 94693  
resolution accepting such joinder, unless the port authority to 94694  
which a political subdivision or subdivisions, including a 94695  
county within which such port authority is located, are to be 94696  
joined, has authority under section 4582.40 of the Revised Code 94697  
to levy a tax on property within its jurisdiction, then such 94698  
joinder shall not be effective until approved by the affirmative 94699  
vote of a majority of the electors voting on the question of the 94700  
joinder. If more than one political subdivision is to be joined 94701  
to the port authority, then the electors of such subdivisions 94702  
shall vote as a district and the majority affirmative vote shall 94703  
be determined by the vote cast in such district as a whole. 94704

If a tax on property is to be levied, the board of 94705  
directors of the port authority and the county auditor shall 94706  
proceed in the manner as required for a tax levy under section 94707  
5705.03 of the Revised Code, except that the levy's annual 94708  
collections shall be estimated assuming that the additional 94709

subdivision or subdivisions have joined the port authority. 94710

The election shall be called by the board of directors of 94711  
the port authority and shall be held, canvassed, and certified 94712  
in the manner provided for the submission of tax levies under 94713  
section 5705.191 of the Revised Code except that the question 94714  
appearing on the ballot shall read: 94715

"Shall \_\_\_\_\_ 94716

(Name or names of political subdivisions to be joined) 94717

\_\_\_\_\_ 94718

be joined to \_\_\_\_\_ (Name) port authority 94719

and the existing tax levy (levies) of such port authority, that 94720  
the county auditor estimates will collect \$\_\_\_\_\_ annually, at a 94721  
rate not exceeding \_\_\_\_\_ mill(s) for each \$1 of 94722  
taxable value, which amounts to \$\_\_\_\_\_ (effective rate) for 94723  
each \$100,000 of ~~the county auditor's appraised market~~ value, 94724

be authorized to be levied against properties within 94725

\_\_\_\_\_?" 94726

(Name or names of political subdivisions to be joined) 94727

If the question is approved the joinder becomes 94728  
immediately effective and the port authority is authorized to 94729  
extend the levy of such tax against all the taxable property 94730  
within the political subdivision or political subdivisions which 94731  
have been joined. If such question is approved at a general 94732  
election, then the port authority may amend its budget and 94733  
resolution adopted pursuant to section 5705.34 of the Revised 94734  
Code and such levy shall be placed on the current tax list and 94735  
duplicate and collected as other taxes are collected from all 94736

taxable property within the port authority including the 94737  
political subdivision or political subdivisions joined as a 94738  
result of the election. 94739

As used in this section, "~~the county auditor's appraised~~ 94740  
market value" and "effective rate" have the same meanings as in 94741  
section 5705.01 of the Revised Code. 94742

Sec. 4582.61. (A) As used in this section, "capital 94743  
leaseback agreement" means the sale or transfer of property by a 94744  
port authority to another person contemporaneously followed by 94745  
the leasing of the property to the port authority. 94746

(B) On and after the effective date of this section and 94747  
notwithstanding any other provision in this chapter to the 94748  
contrary, no port authority shall enter into a capital leaseback 94749  
agreement with a non-public entity without approval from the 94750  
board of county commissioners in which the applicable property 94751  
is located or, if the property is located in more than one 94752  
county, from the board of county commissioners of each county in 94753  
which the property is located. 94754

Sec. 4582.72. Notwithstanding any other provision of this 94755  
chapter, no port authority created under section 4582.02 or 94756  
4582.22 of the Revised Code shall enter an agreement providing 94757  
for the construction or renovation of improvements to real 94758  
property to which all of the following applies without first 94759  
obtaining approval from the board of county commissioners in the 94760  
county where the property is located or, if the property is 94761  
located in more than one county, from the board of county 94762  
commissioners of each county in which the property is located: 94763

(A) The agreement is with a non-public entity. 94764

division (A) or (B) of this section. 95577

(E) If a criminal action is brought against a registered nurse, licensed practical nurse, or dialysis technician for an act or crime described in divisions (B) (3) to (7) of this section and the action is dismissed by the trial court other than on the merits, the board shall conduct an adjudication to determine whether the registered nurse, licensed practical nurse, or dialysis technician committed the act on which the action was based. If the board determines on the basis of the adjudication that the registered nurse, licensed practical nurse, or dialysis technician committed the act, or if the registered nurse, licensed practical nurse, or dialysis technician fails to participate in the adjudication, the board may take action as though the registered nurse, licensed practical nurse, or dialysis technician had been convicted of the act.

If the board takes action on the basis of a conviction, plea, or a judicial finding as described in divisions (B) (3) to (7) of this section that is overturned on appeal, the registered nurse, licensed practical nurse, or dialysis technician may, on exhaustion of the appeal process, petition the board for reconsideration of its action. On receipt of the petition and supporting court documents, the board shall temporarily rescind its action. If the board determines that the decision on appeal was a decision on the merits, it shall permanently rescind its action. If the board determines that the decision on appeal was not a decision on the merits, it shall conduct an adjudication to determine whether the registered nurse, licensed practical nurse, or dialysis technician committed the act on which the original conviction, plea, or judicial finding was based. If the board determines on the basis of the adjudication that the registered nurse, licensed practical nurse, or dialysis

technician committed such act, or if the registered nurse, 95609  
licensed practical nurse, or dialysis technician does not 95610  
request an adjudication, the board shall reinstate its action; 95611  
otherwise, the board shall permanently rescind its action. 95612

Notwithstanding the provision of division (D) (2) of 95613  
section 2953.32 or division (F) (1) of section 2953.39 of the 95614  
Revised Code specifying that if records pertaining to a criminal 95615  
case are sealed or expunged under that section the proceedings 95616  
in the case shall be deemed not to have occurred, sealing or 95617  
expungement of the following records on which the board has 95618  
based an action under this section shall have no effect on the 95619  
board's action or any sanction imposed by the board under this 95620  
section: records of any conviction, guilty plea, judicial 95621  
finding of guilt resulting from a plea of no contest, or a 95622  
judicial finding of eligibility for a pretrial diversion program 95623  
or intervention in lieu of conviction. 95624

The board shall not be required to seal, destroy, redact, 95625  
or otherwise modify its records to reflect the court's sealing 95626  
or expungement of conviction records. 95627

(F) The board may investigate an individual's criminal 95628  
background in performing its duties under this section. As part 95629  
of such investigation, the board may order the individual to 95630

this section, the board may compel any registered nurse, 95637  
licensed practical nurse, or dialysis technician or applicant 95638

under this chapter to submit to a mental or physical 95639  
examination, or both, as required by the board and at the 95640  
expense of the individual, if the board finds reason to believe 95641  
that the individual under investigation may have a physical or 95642  
mental impairment that may affect the individual's ability to 95643  
provide safe nursing care. 95644

The board shall not compel an individual who has been 95645  
referred to the safe haven program as described in sections 95646

or physical examination. 95648

Failure of any individual to submit to a mental or 95649  
physical examination when directed constitutes an admission of 95650  
the allegations, unless the failure is due to circumstances 95651  
beyond the individual's control, and a default and final order 95652  
may be entered without the taking of testimony or presentation 95653  
of evidence. 95654

If the board finds that an individual is impaired, the 95655  
board shall require the individual to submit to care, 95656  
counseling, or treatment approved or designated by the board, as 95657  
a condition for initial, continued, reinstated, or renewed 95658

opportunity to demonstrate to the board that the individual can 95660  
begin or resume the individual's occupation in compliance with 95661  
acceptable and prevailing standards of care under the provisions 95662  
of the individual's authority to practice. 95663

For purposes of this division, any registered nurse, 95664  
licensed practical nurse, or dialysis technician or applicant 95665  
under this chapter shall be deemed to have given consent to 95666  
submit to a mental or physical examination when directed to do 95667  
so in writing by the board, and to have waived all objections to 95668

the admissibility of testimony or examination reports that 95669  
constitute a privileged communication. 95670

(H) The board shall investigate evidence that appears to 95671  
show that any person has violated any provision of this chapter 95672  
or any rule of the board. Any person may report to the board any 95673  
information the person may have that appears to show a violation 95674  
of any provision of this chapter or rule of the board. In the 95675  
absence of bad faith, any person who reports such information or 95676  
who testifies before the board in any adjudication conducted 95677  
under Chapter 119. of the Revised Code shall not be liable for 95678

specify that its action is permanent. An individual subject to 95719  
permanent action taken by the board is forever ineligible to 95720  
hold a license or certificate of the type that was refused or 95721  
revoked and the board shall not accept from the individual an 95722  
application for reinstatement of the license or certificate or 95723

by physicians approved or designated by the board, as a 97559  
condition for an initial, continued, reinstated, or renewed 97560  
license. An individual affected under this division shall be 97561  
afforded an opportunity to demonstrate to the board the ability 97562  
to resume practicing in compliance with acceptable and 97563

prevailing standards of care.

97564

(2) For purposes of division (B) (5) of this section, if the board has reason to believe that any individual who holds a license issued under this chapter or any applicant for a license suffers such impairment, the board shall refer the individual to the monitoring organization that conducts the confidential monitoring program established under section 4731.25 of the Revised Code. The board also may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and approved under section 4731.251 of the Revised Code.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for initial, continued, reinstated, or renewed licensure, to submit to treatment.

following: 97594

(a) Certification from a treatment provider approved under 97595  
section 4731.251 of the Revised Code that the individual has 97596  
successfully completed any required inpatient treatment; 97597

(b) Evidence of continuing full compliance with an 97598  
aftercare contract or consent agreement; 97599

(c) Two written reports indicating that the individual's 97600  
ability to practice has been assessed and that the individual 97601  
has been found capable of practicing according to acceptable and 97602  
prevailing standards of care. The reports shall be made by 97603  
individuals or providers approved by the board for making such 97604  
assessments and shall describe the basis for their 97605  
determination. 97606

The board may reinstate a license suspended under this 97607  
division after such demonstration and after the individual has 97608  
entered into a written consent agreement. 97609

When the impaired physician assistant resumes practice or 97610  
prescribing, the board shall require continued monitoring of the 97611  
physician assistant. The monitoring shall include compliance 97612  
with the written consent agreement entered into before 97613  
reinstatement or with conditions imposed by board order after a 97614  
hearing, and, upon termination of the consent agreement, 97615  
submission to the board for at least two years of annual written 97616  
progress reports made under penalty of falsification stating 97617  
whether the physician assistant has maintained sobriety. 97618

(G) (1) If either of the following circumstances occur, the 97619  
secretary and supervising member may recommend that the board 97620  
suspend the individual's license without a prior hearing: 97621

(a) The secretary and supervising member determine that 97622

there is clear and convincing evidence that a physician 97623  
assistant has violated division (B) of this section and that the 97624  
individual's continued practice or prescribing presents a danger 97625  
of immediate and serious harm to the public. 97626

(b) The board receives verifiable information that a 97627  
licensee has been charged in any state or federal court with a 97628  
crime classified as a felony under the charging court's law and 97629  
the conduct charged constitutes a violation of division (B) of 97630  
this section. 97631

(2) If a recommendation is made to suspend without a prior 97632  
hearing pursuant to division (G)(1) of this section, written 97633  
allegations shall be prepared for consideration by the board. 97634

The board, upon review of those allegations and by an 97635  
affirmative vote of not fewer than six of its members, excluding 97636  
the secretary and supervising member, may suspend a license 97637  
without a prior hearing. A telephone conference call may be 97638  
utilized for reviewing the allegations and taking the vote on 97639  
the summary suspension. 97640

The board shall serve a written order of suspension in 97641  
accordance with sections 119.05 and 119.07 of the Revised Code. 97642  
~~The order shall not be subject to suspension by the court during~~ 97643  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 97644  
~~Code.~~ If the physician assistant requests an adjudicatory 97645  
hearing by the board, the date set for the hearing shall be 97646  
within fifteen days, but not earlier than seven days, after the 97647  
physician assistant requests the hearing, unless otherwise 97648  
agreed to by both the board and the license holder. 97649

(3) A summary suspension imposed under ~~this division~~ (G) 97650  
(2) of this section is not a final appealable order and is not 97651

an adjudication that may be appealed under section 119.12 of the Revised Code. The summary suspension shall remain in effect, ~~unless reversed on appeal,~~ until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. Once a final adjudicative order has been issued by the board, any party adversely affected by it may file an appeal in accordance with the requirements of Chapter 119. of the Revised Code. ~~The~~

The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. Failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B) (11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition and supporting court documents, the board shall reinstate the individual's license. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions identified under division (B) of this section.

(I) The license to practice issued to a physician 97682  
assistant and the physician assistant's practice in this state 97683  
are automatically suspended as of the date the physician 97684  
assistant pleads guilty to, is found by a judge or jury to be 97685  
guilty of, or is subject to a judicial finding of eligibility 97686  
for intervention in lieu of conviction in this state or 97687  
treatment or intervention in lieu of conviction in another state 97688  
for any of the following criminal offenses in this state or a 97689  
substantially equivalent criminal offense in another 97690  
jurisdiction: aggravated murder, murder, voluntary manslaughter, 97691  
felonious assault, trafficking in persons, kidnapping, rape, 97692  
sexual battery, gross sexual imposition, aggravated arson, 97693  
aggravated robbery, or aggravated burglary. Continued practice 97694  
after the suspension shall be considered practicing without a 97695  
license. 97696

The board shall notify the individual subject to the 97697  
suspension in accordance with sections 119.05 and 119.07 of the 97698  
Revised Code. If an individual whose license is suspended under 97699  
this division fails to make a timely request for an adjudication 97700  
under Chapter 119. of the Revised Code, the board shall enter a 97701  
final order permanently revoking the individual's license to 97702  
practice. 97703

(J) In any instance in which the board is required by 97704  
Chapter 119. of the Revised Code to give notice of opportunity 97705  
for hearing and the individual subject to the notice does not 97706  
timely request a hearing in accordance with section 119.07 of 97707  
the Revised Code, the board is not required to hold a hearing, 97708  
but may adopt, by an affirmative vote of not fewer than six of 97709  
its members, a final order that contains the board's findings. 97710  
In that final order, the board may order any of the sanctions 97711  
identified under division (A) or (B) of this section. 97712

(K) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the physician assistant's license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue to an applicant a license to practice as a physician assistant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold the license and the board shall not accept an application for reinstatement of the license or for issuance of a new license.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a license surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application made under this chapter for a license may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license in accordance with section 4730.14 of the Revised Code does not remove or limit the board's jurisdiction to take disciplinary

action under this section against the individual. 97742

(4) The placement of an individual's license on retired 97743  
status, as described in section 4730.141 of the Revised Code, 97744  
does not remove or limit the board's jurisdiction to take any 97745  
disciplinary action against the individual with regard to the 97746  
license as it existed before being placed on retired status. 97747

(N) The board shall not refuse to issue a license to an 97748  
applicant because of a conviction, plea of guilty, judicial 97749  
finding of guilt, judicial finding of eligibility for 97750  
intervention in lieu of conviction, or the commission of an act 97751  
that constitutes a criminal offense, unless the refusal is in 97752  
accordance with section 9.79 of the Revised Code. 97753

**Sec. 4730.433.** (A) (1) Subject to division (A) (2) of this 97754

being suspended or revoked shall not be found to have violated 97957  
any provision of a code of ethics of an organization not 97958  
appropriate to the individual's profession. 97959

For purposes of this division, a "provision of a code of 97960  
ethics of a national professional organization" does not include 97961  
any provision that would preclude the making of a report by a 97962  
physician of an employee's use of a drug of abuse, or of a 97963  
condition of an employee other than one involving the use of a 97964  
drug of abuse, to the employer of the employee as described in 97965  
division (B) of section 2305.33 of the Revised Code. Nothing in 97966  
this division affects the immunity from civil liability 97967  
conferred by that section upon a physician who makes either type 97968  
of report in accordance with division (B) of that section. As 97969  
used in this division, "employee," "employer," and "physician" 97970  
have the same meanings as in section 2305.33 of the Revised 97971  
Code. 97972

(19) Inability to practice according to acceptable and 97973  
prevailing standards of care by reason of mental illness or 97974  
physical illness, including, but not limited to, physical 97975  
deterioration that adversely affects cognitive, motor, or 97976

perceptive skills.

97977

In enforcing this division, the board, upon a showing of a possible violation, shall refer any individual who is authorized to practice by this chapter or who has submitted an application pursuant to this chapter to the monitoring organization that conducts the confidential monitoring program established under section 4731.25 of the Revised Code. The board also may compel the individual to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an individual unable to practice because of the reasons set forth in this division, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. An individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's license or certificate. For the purpose of this division, any individual who applies for or receives a license or certificate to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing

by the board, and to have waived all objections to the 98008  
admissibility of testimony or examination reports that 98009  
constitute a privileged communication. 98010

(20) Except as provided in division (F)(1)(b) of section 98011  
4731.282 of the Revised Code or when civil penalties are imposed 98012  
under section 4731.225 of the Revised Code, and subject to 98013  
section 4731.226 of the Revised Code, violating or attempting to 98014  
violate, directly or indirectly, or assisting in or abetting the 98015  
violation of, or conspiring to violate, any provisions of this 98016  
chapter or any rule promulgated by the board. 98017

This division does not apply to a violation or attempted 98018  
violation of, assisting in or abetting the violation of, or a 98019  
conspiracy to violate, any provision of this chapter or any rule 98020  
adopted by the board that would preclude the making of a report 98021  
by a physician of an employee's use of a drug of abuse, or of a 98022  
condition of an employee other than one involving the use of a 98023  
drug of abuse, to the employer of the employee as described in 98024  
division (B) of section 2305.33 of the Revised Code. Nothing in 98025  
this division affects the immunity from civil liability 98026  
conferred by that section upon a physician who makes either type 98027  
of report in accordance with division (B) of that section. As 98028  
used in this division, "employee," "employer," and "physician" 98029  
have the same meanings as in section 2305.33 of the Revised 98030  
Code. 98031

(21) The violation of section 3701.79 of the Revised Code 98032  
or of any abortion rule adopted by the director of health 98033  
pursuant to section 3701.341 of the Revised Code; 98034

(22) Any of the following actions taken by an agency 98035  
responsible for authorizing, certifying, or regulating an 98036  
individual to practice a health care occupation or provide 98037

health care services in this state or another jurisdiction, for 98038  
any reason other than the nonpayment of fees: the limitation, 98039  
revocation, or suspension of an individual's license to 98040  
practice; acceptance of an individual's license surrender; 98041  
denial of a license; refusal to renew or reinstate a license; 98042  
imposition of probation; or issuance of an order of censure or 98043  
other reprimand; 98044

(23) The violation of section 2919.12 of the Revised Code 98045  
or the performance or inducement of an abortion upon a pregnant 98046  
woman with actual knowledge that the conditions specified in 98047  
division (B) of section 2317.56 of the Revised Code have not 98048  
been satisfied or with a heedless indifference as to whether 98049  
those conditions have been satisfied, unless an affirmative 98050  
defense as specified in division (H) (2) of that section would 98051  
apply in a civil action authorized by division (H) (1) of that 98052  
section; 98053

(24) The revocation, suspension, restriction, reduction, 98054  
or termination of clinical privileges by the United States 98055  
department of defense or department of veterans affairs or the 98056  
termination or suspension of a certificate of registration to 98057  
prescribe drugs by the drug enforcement administration of the 98058  
United States department of justice; 98059

(25) Termination or suspension from participation in the 98060  
medicare or medicaid programs by the department of health and 98061  
human services or other responsible agency; 98062

(26) Impairment of ability to practice according to 98063  
acceptable and prevailing standards of care because of substance 98064  
use disorder or excessive use or abuse of drugs, alcohol, or 98065  
other substances that may impair ability to practice. 98066

For the purposes of this division, any individual 98067  
authorized to practice by this chapter accepts the privilege of 98068  
practicing in this state subject to supervision by the board. By 98069  
filing an application for or holding a license or certificate to 98070  
practice under this chapter, an individual shall be deemed to 98071  
have given consent to submit to a mental or physical examination 98072  
when ordered to do so by the board in writing, and to have 98073  
waived all objections to the admissibility of testimony or 98074  
examination reports that constitute privileged communications. 98075

If it has reason to believe that any individual authorized 98076  
to practice by this chapter or any applicant for licensure or 98077  
certification to practice suffers such impairment, the board 98078  
shall refer the individual to the monitoring organization that 98079  
conducts the confidential monitoring program established under 98080  
section 4731.25 of the Revised Code. The board also may compel 98081  
the individual to submit to a mental or physical examination, or 98082  
both. The expense of the examination is the responsibility of 98083  
the individual compelled to be examined. Any mental or physical 98084  
examination required under this division shall be undertaken by 98085  
a treatment provider or physician who is qualified to conduct 98086  
the examination and who is approved under section 4731.251 of 98087  
the Revised Code. 98088

Failure to submit to a mental or physical examination 98089  
ordered by the board constitutes an admission of the allegations 98090  
against the individual unless the failure is due to 98091  
circumstances beyond the individual's control, and a default and 98092  
final order may be entered without the taking of testimony or 98093  
presentation of evidence. If the board determines that the 98094  
individual's ability to practice is impaired, the board shall 98095  
suspend the individual's license or certificate or deny the 98096  
individual's application and shall require the individual, as a 98097

condition for initial, continued, reinstated, or renewed 98098  
licensure or certification to practice, to submit to treatment. 98099

Before being eligible to apply for reinstatement of a 98100  
license or certificate suspended under this division, the 98101  
impaired practitioner shall demonstrate to the board the ability 98102  
to resume practice in compliance with acceptable and prevailing 98103  
standards of care under the provisions of the practitioner's 98104  
license or certificate. The demonstration shall include, but 98105  
shall not be limited to, the following: 98106

(a) Certification from a treatment provider approved under 98107  
section 4731.251 of the Revised Code that the individual has 98108  
successfully completed any required inpatient treatment; 98109

(b) Evidence of continuing full compliance with an 98110  
aftercare contract or consent agreement; 98111

(c) Two written reports indicating that the individual's 98112  
ability to practice has been assessed and that the individual 98113  
has been found capable of practicing according to acceptable and 98114  
prevailing standards of care. The reports shall be made by 98115  
individuals or providers approved by the board for making the 98116  
assessments and shall describe the basis for their 98117  
determination. 98118

The board may reinstate a license or certificate suspended 98119  
under this division after that demonstration and after the 98120  
individual has entered into a written consent agreement. 98121

When the impaired practitioner resumes practice, the board 98122  
shall require continued monitoring of the individual. The 98123  
monitoring shall include, but not be limited to, compliance with 98124  
the written consent agreement entered into before reinstatement 98125  
or with conditions imposed by board order after a hearing, and, 98126

upon termination of the consent agreement, submission to the 98127  
board for at least two years of annual written progress reports 98128  
made under penalty of perjury stating whether the individual has 98129  
maintained sobriety. 98130

(27) A second or subsequent violation of section 4731.66 98131  
or 4731.69 of the Revised Code; 98132

(28) Except as provided in division (N) of this section: 98133

(a) Waiving the payment of all or any part of a deductible 98134  
or copayment that a patient, pursuant to a health insurance or 98135  
health care policy, contract, or plan that covers the 98136  
individual's services, otherwise would be required to pay if the 98137  
waiver is used as an enticement to a patient or group of 98138  
patients to receive health care services from that individual; 98139

(b) Advertising that the individual will waive the payment 98140  
of all or any part of a deductible or copayment that a patient, 98141  
pursuant to a health insurance or health care policy, contract, 98142  
or plan that covers the individual's services, otherwise would 98143  
be required to pay. 98144

(29) Failure to use universal blood and body fluid 98145  
precautions established by rules adopted under section 4731.051 98146  
of the Revised Code; 98147

(30) Failure to provide notice to, and receive 98148  
acknowledgment of the notice from, a patient when required by 98149  
section 4731.143 of the Revised Code prior to providing 98150  
nonemergency professional services, or failure to maintain that 98151  
notice in the patient's medical record; 98152

(31) Failure of a physician supervising a physician 98153  
assistant to maintain supervision in accordance with the 98154  
requirements of Chapter 4730. of the Revised Code and the rules 98155

adopted under that chapter; 98156

(32) Failure of a physician or podiatrist to enter into a 98157  
standard care arrangement with a clinical nurse specialist, 98158  
certified nurse-midwife, or certified nurse practitioner with 98159  
whom the physician or podiatrist is in collaboration pursuant to 98160  
section 4731.27 of the Revised Code or failure to fulfill the 98161  
responsibilities of collaboration after entering into a standard 98162  
care arrangement; 98163

(33) Failure to comply with the terms of a consult 98164  
agreement entered into with a pharmacist pursuant to section 98165  
4729.39 of the Revised Code; 98166

(34) Failure to cooperate in an investigation conducted by 98167  
the board under division (F) of this section, including failure 98168  
to comply with a subpoena or order issued by the board or 98169  
failure to answer truthfully a question presented by the board 98170  
in an investigative interview, an investigative office 98171  
conference, at a deposition, or in written interrogatories, 98172  
except that failure to cooperate with an investigation shall not 98173  
constitute grounds for discipline under this section if a court 98174  
of competent jurisdiction has issued an order that either 98175  
quashes a subpoena or permits the individual to withhold the 98176  
testimony or evidence in issue; 98177

(35) Failure to supervise an anesthesiologist assistant in 98178  
accordance with Chapter 4760. of the Revised Code and the 98179  
board's rules for supervision of an anesthesiologist assistant; 98180

(36) Assisting suicide, as defined in section 3795.01 of 98181  
the Revised Code; 98182

(37) Failure to comply with the requirements of section 98183  
2317.561 of the Revised Code; 98184

(38) Failure to supervise a radiologist assistant in	98185
accordance with Chapter 4774. of the Revised Code and the	98186
board's rules for supervision of radiologist assistants;	98187
(39) Performing or inducing an abortion at an office or	98188
facility with knowledge that the office or facility fails to	98189
post the notice required under section 3701.791 of the Revised	98190
Code;	98191
(40) Failure to comply with the standards and procedures	98192
established in rules under section 4731.054 of the Revised Code	98193
for the operation of or the provision of care at a pain	98194
management clinic;	98195
(41) Failure to comply with the standards and procedures	98196
established in rules under section 4731.054 of the Revised Code	98197
for providing supervision, direction, and control of individuals	98198
at a pain management clinic;	98199
(42) Failure to comply with the requirements of section	98200
4729.79 or 4731.055 of the Revised Code, unless the state board	98201
of pharmacy no longer maintains a drug database pursuant to	98202
section 4729.75 of the Revised Code;	98203
(43) Failure to comply with the requirements of section	98204
2919.171, 2919.202, or 2919.203 of the Revised Code or failure	98205
to submit to the department of health in accordance with a court	98206

2919.202 of the Revised Code;	98208
(44) Practicing at a facility that is subject to licensure	98209
as a category III terminal distributor of dangerous drugs with a	98210
pain management clinic classification unless the person	98211
operating the facility has obtained and maintains the license	98212
with the classification;	98213

- (45) Owning a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the facility is licensed with the classification; 98214  
98215  
98216  
98217
- (46) Failure to comply with any of the requirements regarding making or maintaining medical records or documents described in division (A) of section 2919.192, division (C) of section 2919.193, division (B) of section 2919.195, or division (A) of section 2919.196 of the Revised Code; 98218  
98219  
98220  
98221  
98222
- (47) Failure to comply with the requirements in section 3719.061 of the Revised Code before issuing for a minor a prescription for an opioid analgesic, as defined in section 3719.01 of the Revised Code; 98223

98237  
98238  
98239
- (52) Violation of section 4731.77 of the Revised Code; 98240
- (53) Failure of a physician supervising a certified mental 98241

health assistant to maintain supervision in accordance with the 98242  
requirements of Chapter 4772. of the Revised Code and the rules 98243  
adopted under that chapter; 98244

(54) Failure to comply with the requirements of section 98245  
3705.16 of the Revised Code when certifying a decedent's cause 98246  
of death and completing and signing the medical certificate of 98247  
death. 98248

(C) Disciplinary actions taken by the board under 98249  
divisions (A) and (B) of this section shall be taken pursuant to 98250  
an adjudication under Chapter 119. of the Revised Code, except 98251  
that in lieu of an adjudication, the board may enter into a 98252  
consent agreement with an individual to resolve an allegation of 98253  
a violation of this chapter or any rule adopted under it. A 98254  
consent agreement, when ratified by an affirmative vote of not 98255  
fewer than six members of the board, shall constitute the 98256  
findings and order of the board with respect to the matter 98257  
addressed in the agreement. If the board refuses to ratify a 98258  
consent agreement, the admissions and findings contained in the 98259  
consent agreement shall be of no force or effect. 98260

A telephone conference call may be utilized for 98261  
ratification of a consent agreement that revokes or suspends an 98262  
individual's license or certificate to practice or certificate 98263  
to recommend. The telephone conference call shall be considered 98264  
a special meeting under division (F) of section 121.22 of the 98265  
Revised Code. 98266

If the board takes disciplinary action against an 98267  
individual under division (B) of this section for a second or 98268  
subsequent plea of guilty to, or judicial finding of guilt of, a 98269  
violation of section 2919.123 or 2919.124 of the Revised Code, 98270  
the disciplinary action shall consist of a suspension of the 98271

individual's license or certificate to practice for a period of 98272  
at least one year or, if determined appropriate by the board, a 98273  
more serious sanction involving the individual's license or 98274  
certificate to practice. Any consent agreement entered into 98275  
under this division with an individual that pertains to a second 98276  
or subsequent plea of guilty to, or judicial finding of guilt 98277  
of, a violation of that section shall provide for a suspension 98278  
of the individual's license or certificate to practice for a 98279  
period of at least one year or, if determined appropriate by the 98280  
board, a more serious sanction involving the individual's 98281  
license or certificate to practice. 98282

(D) For purposes of divisions (B) (10), (12), and (14) of 98283  
this section, the commission of the act may be established by a 98284  
finding by the board, pursuant to an adjudication under Chapter 98285  
119. of the Revised Code, that the individual committed the act. 98286  
The board does not have jurisdiction under those divisions if 98287  
the trial court renders a final judgment in the individual's 98288  
favor and that judgment is based upon an adjudication on the 98289  
merits. The board has jurisdiction under those divisions if the 98290  
trial court issues an order of dismissal upon technical or 98291  
procedural grounds. 98292

(E) The sealing or expungement of conviction records by 98293  
any court shall have no effect upon a prior board order entered 98294  
under this section or upon the board's jurisdiction to take 98295  
action under this section if, based upon a plea of guilty, a 98296  
judicial finding of guilt, or a judicial finding of eligibility 98297  
for intervention in lieu of conviction, the board issued a 98298  
notice of opportunity for a hearing prior to the court's order 98299  
to seal or expunge the records. The board shall not be required 98300  
to seal, expunge, destroy, redact, or otherwise modify its 98301  
records to reflect the court's sealing of conviction records. 98302

(F) (1) The board shall investigate evidence that appears 98303  
to show that a person has violated any provision of this chapter 98304  
or any rule adopted under it. Any person may report to the board 98305  
in a signed writing any information that the person may have 98306  
that appears to show a violation of any provision of this 98307  
chapter or any rule adopted under it. In the absence of bad 98308  
faith, any person who reports information of that nature or who 98309  
testifies before the board in any adjudication conducted under 98310  
Chapter 119. of the Revised Code shall not be liable in damages 98311  
in a civil action as a result of the report or testimony. Each 98312  
complaint or allegation of a violation received by the board 98313  
shall be assigned a case number and shall be recorded by the 98314  
board. 98315

(2) Investigations of alleged violations of this chapter 98316  
or any rule adopted under it shall be supervised by the 98317  
supervising member elected by the board in accordance with 98318  
section 4731.02 of the Revised Code and by the secretary as 98319  
provided in section 4731.39 of the Revised Code. The president 98320  
may designate another member of the board to supervise the 98321  
investigation in place of the supervising member. Upon a vote of 98322  
the majority of the board to authorize the addition of a 98323  
consumer member in the supervision of any part of any 98324  
investigation, the president shall designate a consumer member 98325  
for supervision of investigations as determined by the 98326  
president. The authorization of consumer member participation in 98327  
investigation supervision may be rescinded by a majority vote of 98328  
the board. No member of the board who supervises the 98329  
investigation of a case shall participate in further 98330  
adjudication of the case. 98331

(3) In investigating a possible violation of this chapter 98332  
or any rule adopted under this chapter, or in conducting an 98333

inspection under division (E) of section 4731.054 of the Revised 98334  
Code, the board may question witnesses, conduct interviews, 98335  
administer oaths, order the taking of depositions, inspect and 98336  
copy any books, accounts, papers, records, or documents, issue 98337  
subpoenas, and compel the attendance of witnesses and production 98338  
of books, accounts, papers, records, documents, and testimony, 98339  
except that a subpoena for patient record information shall not 98340  
be issued without consultation with the attorney general's 98341  
office and approval of the secretary of the board. 98342

(a) Before issuance of a subpoena for patient record 98343  
information, the secretary shall determine whether there is 98344  
probable cause to believe that the complaint filed alleges a 98345  
violation of this chapter or any rule adopted under it and that 98346  
the records sought are relevant to the alleged violation and 98347  
material to the investigation. The subpoena may apply only to 98348  
records that cover a reasonable period of time surrounding the 98349  
alleged violation. 98350

(b) On failure to comply with any subpoena issued by the 98351  
board and after reasonable notice to the person being 98352  
subpoenaed, the board may move for an order compelling the 98353  
production of persons or records pursuant to the Rules of Civil 98354  
Procedure. 98355

(c) A subpoena issued by the board may be served by a 98356  
sheriff, the sheriff's deputy, or a board employee or agent 98357  
designated by the board. Service of a subpoena issued by the 98358  
board may be made by delivering a copy of the subpoena to the 98359  
person named therein, reading it to the person, or leaving it at 98360  
the person's usual place of residence, usual place of business, 98361  
or address on file with the board. When serving a subpoena to an 98362  
applicant for or the holder of a license or certificate issued 98363

under this chapter, service of the subpoena may be made by 98364  
certified mail, return receipt requested, and the subpoena shall 98365  
be deemed served on the date delivery is made or the date the 98366  
person refuses to accept delivery. If the person being served 98367  
refuses to accept the subpoena or is not located, service may be 98368  
made to an attorney who notifies the board that the attorney is 98369  
representing the person. 98370

(d) A sheriff's deputy who serves a subpoena shall receive 98371  
the same fees as a sheriff. Each witness who appears before the 98372  
board in obedience to a subpoena shall receive the fees and 98373  
mileage provided for under section 119.094 of the Revised Code. 98374

(4) All hearings, investigations, and inspections of the 98375  
board shall be considered civil actions for the purposes of 98376  
section 2305.252 of the Revised Code. 98377

(5) A report required to be submitted to the board under 98378  
this chapter, a complaint, or information received by the board 98379  
pursuant to an investigation or pursuant to an inspection under 98380  
division (E) of section 4731.054 of the Revised Code is 98381  
confidential and not subject to discovery in any civil action. 98382

The board shall conduct all investigations or inspections 98383  
and proceedings in a manner that protects the confidentiality of 98384  
patients and persons who file complaints with the board. The 98385  
board shall not make public the names or any other identifying 98386  
information about patients or complainants unless proper consent 98387  
is given or, in the case of a patient, a waiver of the patient 98388  
privilege exists under division (B) of section 2317.02 of the 98389  
Revised Code, except that consent or a waiver of that nature is 98390  
not required if the board possesses reliable and substantial 98391  
evidence that no bona fide physician-patient relationship 98392  
exists. 98393

The board may share any information it receives pursuant 98394  
to an investigation or inspection, including patient records and 98395  
patient record information, with law enforcement agencies, other 98396  
licensing boards, and other governmental agencies that are 98397  
prosecuting, adjudicating, or investigating alleged violations 98398  
of statutes or administrative rules. An agency or board that 98399  
receives the information shall comply with the same requirements 98400  
regarding confidentiality as those with which the state medical 98401  
board must comply, notwithstanding any conflicting provision of 98402  
the Revised Code or procedure of the agency or board that 98403  
applies when it is dealing with other information in its 98404  
possession. In a judicial proceeding, the information may be 98405  
admitted into evidence only in accordance with the Rules of 98406  
Evidence, but the court shall require that appropriate measures 98407  
are taken to ensure that confidentiality is maintained with 98408  
respect to any part of the information that contains names or 98409  
other identifying information about patients or complainants 98410  
whose confidentiality was protected by the state medical board 98411  
when the information was in the board's possession. Measures to 98412  
ensure confidentiality that may be taken by the court include 98413  
sealing its records or deleting specific information from its 98414  
records. 98415

No person shall knowingly access, use, or disclose 98416  
confidential investigatory information in a manner prohibited by 98417  
law. 98418

(6) On a quarterly basis, the board shall prepare a report 98419  
that documents the disposition of all cases during the preceding 98420  
three months. The report shall contain the following information 98421  
for each case with which the board has completed its activities: 98422

(a) The case number assigned to the complaint or alleged 98423

violation; 98424

(b) The type of license or certificate to practice, if 98425  
any, held by the individual against whom the complaint is 98426  
directed; 98427

(c) A description of the allegations contained in the 98428  
complaint; 98429

(d) Whether witnesses were interviewed; 98430

(e) Whether the individual against whom the complaint is 98431  
directed is the subject of any pending complaints; 98432

(f) The disposition of the case. 98433

The report shall state how many cases are still pending 98434  
and shall be prepared in a manner that protects the identity of 98435  
each person involved in each case. The report shall be a public 98436  
record under section 149.43 of the Revised Code. 98437

(7) The board may provide a status update regarding an 98438  
investigation to a complainant on request if the board verifies 98439  
the complainant's identity. 98440

(G) (1) If either of the following circumstances occur, the 98441  
secretary and supervising member may recommend that the board 98442  
suspend an individual's license or certificate to practice or 98443  
certificate to recommend without a prior hearing: 98444

(a) The secretary and supervising member determine both of 98445  
the following: 98446

(i) That there is clear and convincing evidence that an 98447  
individual has violated division (B) of this section; 98448

(ii) That the individual's continued practice presents a 98449  
danger of immediate and serious harm to the public. 98450

(b) The board receives verifiable information that a 98451  
licensee has been charged in any state or federal court with a 98452  
crime classified as a felony under the charging court's law and 98453  
the conduct constitutes a violation of division (B) of this 98454  
section. 98455

(2) If a recommendation is made to suspend without a prior 98456  
hearing pursuant to division (G)(1) of this section, written 98457  
allegations shall be prepared for consideration by the board. 98458  
The board, upon review of those allegations and by an 98459  
affirmative vote of not fewer than six of its members, excluding 98460  
the secretary and supervising member, may suspend a license or 98461  
certificate without a prior hearing. A telephone conference call 98462  
may be utilized for reviewing the allegations and taking the 98463  
vote on the summary suspension. 98464

The board shall serve a written order of suspension in 98465  
accordance with sections 119.05 and 119.07 of the Revised Code. 98466  
~~The order shall not be subject to suspension by the court during~~ 98467  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 98468  
~~Code.~~ If the individual subject to the summary suspension 98469  
requests an adjudicatory hearing by the board, the date set for 98470  
the hearing shall be within fifteen days, but not earlier than 98471  
seven days, after the individual requests the hearing, unless 98472  
otherwise agreed to by both the board and the individual. 98473

(3) Any summary suspension imposed under ~~this division~~ (G) 98474  
(2) of this section is not a final appealable order and is not 98475  
an adjudication that may be appealed under section 119.12 of the 98476  
Revised Code. The summary suspension shall remain in effect, ~~—~~ 98477  
~~unless reversed on appeal,~~ until a final adjudicative order 98478  
issued by the board pursuant to this section and Chapter 119. of 98479  
the Revised Code becomes effective. Once a final adjudicative 98480

order has been issued by the board, any party adversely affected 98481  
by it may file an appeal in accordance with the requirements of 98482  
Chapter 119. of the Revised Code. ~~The~~ 98483

The board shall issue its final adjudicative order within 98484  
seventy-five days after completion of its hearing. A failure to 98485  
issue the order within seventy-five days shall result in 98486  
dissolution of the summary suspension order but shall not 98487  
invalidate any subsequent, final adjudicative order. 98488

(H) If the board takes action under division (B) (9), (11), 98489  
or (13) of this section and the judicial finding of guilt, 98490  
guilty plea, or judicial finding of eligibility for intervention 98491  
in lieu of conviction is overturned on appeal, upon exhaustion 98492  
of the criminal appeal, a petition for reconsideration of the 98493  
order may be filed with the board along with appropriate court 98494  
documents. Upon receipt of a petition of that nature and 98495  
supporting court documents, the board shall reinstate the 98496  
individual's license or certificate to practice. The board may 98497  
then hold an adjudication under Chapter 119. of the Revised Code 98498  
to determine whether the individual committed the act in 98499  
question. Notice of an opportunity for a hearing shall be given 98500  
in accordance with Chapter 119. of the Revised Code. If the 98501  
board finds, pursuant to an adjudication held under this 98502  
division, that the individual committed the act or if no hearing 98503  
is requested, the board may order any of the sanctions 98504  
identified under division (B) of this section. 98505

(I) The license or certificate to practice issued to an 98506  
individual under this chapter and the individual's practice in 98507  
this state are automatically suspended as of the date of the 98508  
individual's second or subsequent plea of guilty to, or judicial 98509  
finding of guilt of, a violation of section 2919.123 or 2919.124 98510

of the Revised Code. In addition, the license or certificate to 98511  
practice or certificate to recommend issued to an individual 98512  
under this chapter and the individual's practice in this state 98513  
are automatically suspended as of the date the individual pleads 98514  
guilty to, is found by a judge or jury to be guilty of, or is 98515  
subject to a judicial finding of eligibility for intervention in 98516  
lieu of conviction in this state or treatment or intervention in 98517  
lieu of conviction in another jurisdiction for any of the 98518  
following criminal offenses in this state or a substantially 98519  
equivalent criminal offense in another jurisdiction: aggravated 98520  
murder, murder, voluntary manslaughter, felonious assault, 98521  
trafficking in persons, kidnapping, rape, sexual battery, gross 98522  
sexual imposition, aggravated arson, aggravated robbery, or 98523  
aggravated burglary. Continued practice after suspension shall 98524  
be considered practicing without a license or certificate. 98525

The board shall notify the individual subject to the 98526  
suspension in accordance with sections 119.05 and 119.07 of the 98527  
Revised Code. If an individual whose license or certificate is 98528  
automatically suspended under this division fails to make a 98529  
timely request for an adjudication under Chapter 119. of the 98530  
Revised Code, the board shall do whichever of the following is 98531  
applicable: 98532

(1) If the automatic suspension under this division is for 98533  
a second or subsequent plea of guilty to, or judicial finding of 98534  
guilt of, a violation of section 2919.123 or 2919.124 of the 98535  
Revised Code, the board shall enter an order suspending the 98536  
individual's license or certificate to practice for a period of 98537  
at least one year or, if determined appropriate by the board, 98538  
imposing a more serious sanction involving the individual's 98539  
license or certificate to practice. 98540

(2) In all circumstances in which division (I) (1) of this section does not apply, enter a final order permanently revoking the individual's license or certificate to practice.

(J) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for

reinstatement of the license or certificate or for issuance of a 98571  
new license or certificate. 98572

(M) Notwithstanding any other provision of the Revised 98573  
Code, all of the following apply: 98574

(1) The surrender of a license or certificate issued under 98575  
this chapter shall not be effective unless or until accepted by 98576  
the board. A telephone conference call may be utilized for 98577  
acceptance of the surrender of an individual's license or 98578  
certificate to practice. The telephone conference call shall be 98579  
considered a special meeting under division (F) of section 98580  
121.22 of the Revised Code. Reinstatement of a license or 98581  
certificate surrendered to the board requires an affirmative 98582  
vote of not fewer than six members of the board. 98583

(2) An application for a license or certificate made under 98584  
the provisions of this chapter may not be withdrawn without 98585  
approval of the board. 98586

(3) Failure by an individual to renew a license or 98587  
certificate to practice in accordance with this chapter or a 98588  
certificate to recommend in accordance with rules adopted under 98589  
section 4731.301 of the Revised Code does not remove or limit 98590  
the board's jurisdiction to take any disciplinary action under 98591  
this section against the individual. 98592

(4) The placement of an individual's license on retired 98593  
status, as described in section 4731.283 of the Revised Code, 98594  
does not remove or limit the board's jurisdiction to take any 98595  
disciplinary action against the individual with regard to the 98596  
license as it existed before being placed on retired status. 98597

(5) At the request of the board, a license or certificate 98598  
holder shall immediately surrender to the board a license or 98599

certificate that the board has suspended, revoked, or 98600  
permanently revoked. 98601

(N) Sanctions shall not be imposed under division (B) (28) 98602  
of this section against any person who waives deductibles and 98603  
copayments as follows: 98604

(1) In compliance with the health benefit plan that 98605  
expressly allows such a practice. Waiver of the deductibles or 98606  
copayments shall be made only with the full knowledge and 98607  
consent of the plan purchaser, payer, and third-party 98608  
administrator. Documentation of the consent shall be made 98609  
available to the board upon request. 98610

(2) For professional services rendered to any other person 98611  
authorized to practice pursuant to this chapter, to the extent 98612  
allowed by this chapter and rules adopted by the board. 98613

(O) Under the board's investigative duties described in 98614  
this section and subject to division (F) of this section, the 98615  
board shall develop and implement a quality intervention program 98616  
designed to improve through remedial education the clinical and 98617  
communication skills of individuals authorized under this 98618  
chapter to practice medicine and surgery, osteopathic medicine 98619  
and surgery, and podiatric medicine and surgery. In developing 98620  
and implementing the quality intervention program, the board may 98621  
do all of the following: 98622

(1) Offer in appropriate cases as determined by the board 98623  
an educational and assessment program pursuant to an 98624  
investigation the board conducts under this section; 98625

(2) Select providers of educational and assessment 98626  
services, including a quality intervention program panel of case 98627  
reviewers; 98628

(3) Make referrals to educational and assessment service 98629  
providers and approve individual educational programs 98630  
recommended by those providers. The board shall monitor the 98631  
progress of each individual undertaking a recommended individual 98632  
educational program. 98633

(4) Determine what constitutes successful completion of an 98634  
individual educational program and require further monitoring of 98635  
the individual who completed the program or other action that 98636  
the board determines to be appropriate; 98637

(5) Adopt rules in accordance with Chapter 119. of the 98638  
Revised Code to further implement the quality intervention 98639  
program. 98640

An individual who participates in an individual 98641  
educational program pursuant to this division shall pay the 98642  
financial obligations arising from that educational program. 98643

(P) The board shall not refuse to issue a license to an 98644  
applicant because of a conviction, plea of guilty, judicial 98645  
finding of guilt, judicial finding of eligibility for 98646  
intervention in lieu of conviction, or the commission of an act 98647  
that constitutes a criminal offense, unless the refusal is in 98648  
accordance with section 9.79 of the Revised Code. 98649

(Q) A license or certificate to practice or certificate to 98650  
recommend issued to an individual under this chapter and an 98651  
individual's practice under this chapter in this state are 98652  
automatically suspended if the individual's license or 98653  
certificate to practice a health care occupation or provide 98654  
health care services is suspended, revoked, or surrendered or 98655  
relinquished in lieu of discipline by an agency responsible for 98656  
authorizing, certifying, or regulating an individual to practice 98657

a health care occupation or provide health care services in this 98658  
state or another jurisdiction. The automatic suspension begins 98659  
immediately upon entry of the order by the agency and lasts for 98660  
ninety days to permit the board to investigate the basis for the 98661  
action under this chapter. Continued practice during the 98662  
automatic suspension shall be considered practicing without a 98663  
license or certificate. 98664

The board shall notify the individual subject to the 98665  
automatic suspension by certified mail or in person in 98666  
accordance with section 119.07 of the Revised Code. If an 98667  
individual subject to an automatic suspension under this 98668  
division fails to make a timely request for an adjudication 98669  
under Chapter 119. of the Revised Code, the board is not 98670  
required to hold a hearing, but may adopt, by an affirmative 98671  
vote of not fewer than six of its members, a final order that 98672  
contains the board's findings. In that final order, the board 98673  
may order any of the sanctions identified under division (A) or 98674  
(B) of this section. 98675

conditions upon the licensee and assess a late filing fee of not 99799  
more than double the usual renewal fee. An applicant shall 99800

(L) (1) Subject to division (L) (3) of this section, no 99816  
specialty section of the board shall adopt, maintain, renew, or 99817

the specialty section denies an individual a license renewal, 99821  
the reasons for such denial shall be put in writing. 99822

(2) The section may refuse to issue a license to an 99823  
applicant because of a conviction of or plea of guilty to an 99824

Revised Code. 99826

(3) In considering a renewal of an individual's license, 99827  
the section shall not consider any conviction or plea of guilty 99828  
prior to the initial licensing. However, the board may consider 99829  
a conviction or plea of guilty if it occurred after the 99830  
individual was initially licensed, or after the most recent 99831  
license renewal. 99832

(4) The section may grant an individual a conditional 99833  
license that lasts for one year. After the one-year period has 99834

and sections 4740.04 and 4740.05 of the Revised Code, the board 99838  
may establish rules that amend the continuing education 99839

provided in or adopted pursuant to those sections for the 99841  
purpose of establishing a compliance incentive program. These 99842  
rules may include provisions for the creation of the program and 99843

(14) Inability to practice according to acceptable and 102320  
prevailing standards of care by reason of mental illness or 102321  
physical illness, including, physical deterioration that 102322  
adversely affects cognitive, motor, or perceptive skills; 102323

(15) Any of the following actions taken by an agency 102324  
responsible for authorizing, certifying, or regulating an 102325  
individual to practice a health care occupation or provide 102326  
health care services in this state or another jurisdiction, for 102327  
any reason other than the nonpayment of fees: the limitation, 102328  
revocation, or suspension of an individual's license; acceptance 102329  
of an individual's license surrender; denial of a license; 102330  
refusal to renew or reinstate a license; imposition of 102331  
probation; or issuance of an order of censure or other 102332  
reprimand; 102333

(16) The revocation, suspension, restriction, reduction, 102334  
or termination of practice privileges by the United States 102335  
department of defense or department of veterans affairs; 102336

(17) Termination or suspension from participation in the 102337  
medicare or medicaid programs by the department of health and 102338  
human services or other responsible agency for any act or acts 102339  
that also would constitute a violation of division (A) (11), 102340  
(12), or (14) of this section; 102341

(18) Impairment of ability to practice according to 102342

acceptable and prevailing standards of care because of substance 102343  
use disorder or excessive use or abuse of drugs, alcohol, or 102344  
other substances that may impair ability to practice; 102345

(19) Failure to cooperate in an investigation conducted by 102346  
the board under division (B) of section 4759.05 of the Revised 102347  
Code, including failure to comply with a subpoena or order 102348  
issued by the board or failure to answer truthfully a question 102349  
presented by the board in an investigative interview, an 102350  
investigative office conference, at a deposition, or in written 102351  
interrogatories, except that failure to cooperate with an 102352  
investigation shall not constitute grounds for discipline under 102353  
this section if a court of competent jurisdiction has issued an 102354  
order that either quashes a subpoena or permits the individual 102355  
to withhold the testimony or evidence in issue; 102356

(20) Representing with the purpose of obtaining 102357  
compensation or other advantage as personal gain or for any 102358  
other person, that an incurable disease or injury, or other 102359  
incurable condition, can be permanently cured. 102360

(B) The board shall not refuse to issue a license or 102361  
limited permit to an applicant because of a plea of guilty to, a 102362  
judicial finding of guilt of, or a judicial finding of 102363  
eligibility for intervention in lieu of conviction for an 102364  
offense unless the refusal is in accordance with section 9.79 of 102365  
the Revised Code. 102366

(C) Any action taken by the board under division (A) of 102367  
this section resulting in a suspension from practice shall be 102368  
accompanied by a written statement of the conditions under which 102369  
the individual's license or permit may be reinstated. The board 102370  
shall adopt rules governing conditions to be imposed for 102371  
reinstatement. Reinstatement of a license or permit suspended 102372

pursuant to division (A) of this section requires an affirmative 102373  
vote of not fewer than six members of the board. 102374

(D) When the board refuses to grant or issue a license or 102375  
permit to an applicant, revokes an individual's license or 102376  
permit, refuses to renew an individual's license or permit, or 102377  
refuses to reinstate an individual's license or permit, the 102378  
board may specify that its action is permanent. An individual 102379  
subject to a permanent action taken by the board is forever 102380  
thereafter ineligible to hold a license or permit and the board 102381  
shall not accept an application for reinstatement of the license 102382  
or permit or for issuance of a new license or permit. 102383

(E) Disciplinary actions taken by the board under division 102384  
(A) of this section shall be taken pursuant to an adjudication 102385  
under Chapter 119. of the Revised Code, except that in lieu of 102386  
an adjudication, the board may enter into a consent agreement 102387  
with an individual to resolve an allegation of a violation of 102388  
this chapter or any rule adopted under it. A consent agreement, 102389  
when ratified by an affirmative vote of not fewer than six 102390  
members of the board, shall constitute the findings and order of 102391  
the board with respect to the matter addressed in the agreement. 102392  
If the board refuses to ratify a consent agreement, the 102393  
admissions and findings contained in the consent agreement shall 102394  
be of no force or effect. 102395

A telephone conference call may be utilized for 102396  
ratification of a consent agreement that revokes or suspends an 102397  
individual's license or permit. The telephone conference call 102398  
shall be considered a special meeting under division (F) of 102399  
section 121.22 of the Revised Code. 102400

(F) In enforcing division (A)(14) of this section, the 102401  
board, upon a showing of a possible violation, shall refer any 102402

individual authorized to practice by this chapter or who has 102403  
submitted an application pursuant to this chapter to the 102404  
monitoring organization that conducts the confidential 102405  
monitoring program established under section 4731.25 of the 102406  
Revised Code. The board also may compel the individual to submit 102407  
to a mental examination, physical examination, including an HIV 102408  
test, or both a mental and a physical examination. The expense 102409  
of the examination is the responsibility of the individual 102410  
compelled to be examined. Failure to submit to a mental or 102411  
physical examination or consent to an HIV test ordered by the 102412  
board constitutes an admission of the allegations against the 102413  
individual unless the failure is due to circumstances beyond the 102414  
individual's control, and a default and final order may be 102415  
entered without the taking of testimony or presentation of 102416  
evidence. If the board finds an individual unable to practice 102417  
because of the reasons set forth in division (A) (14) of this 102418  
section, the board shall require the individual to submit to 102419  
care, counseling, or treatment by physicians approved or 102420  
designated by the board, as a condition for initial, continued, 102421  
reinstated, or renewed authority to practice. An individual 102422  
affected under this division shall be afforded an opportunity to 102423  
demonstrate to the board the ability to resume practice in 102424  
compliance with acceptable and prevailing standards under the 102425  
provisions of the individual's license or permit. For the 102426  
purpose of division (A) (14) of this section, any individual who 102427  
applies for or receives a license or permit under this chapter 102428  
accepts the privilege of practicing in this state and, by so 102429  
doing, shall be deemed to have given consent to submit to a 102430  
mental or physical examination when directed to do so in writing 102431  
by the board, and to have waived all objections to the 102432  
admissibility of testimony or examination reports that 102433  
constitute a privileged communication. 102434

(G) For the purposes of division (A)(18) of this section, 102435  
any individual authorized to practice by this chapter accepts 102436  
the privilege of practicing in this state subject to supervision 102437  
by the board. By filing an application for or holding a license 102438  
or permit under this chapter, an individual shall be deemed to 102439  
have given consent to submit to a mental or physical examination 102440  
when ordered to do so by the board in writing, and to have 102441  
waived all objections to the admissibility of testimony or 102442  
examination reports that constitute privileged communications. 102443

If it has reason to believe that any individual authorized 102444  
to practice by this chapter or any applicant for a license or 102445  
permit suffers such impairment, the board shall refer the 102446  
individual to the monitoring organization that conducts the 102447  
confidential monitoring program established under section 102448  
4731.25 of the Revised Code. The board also may compel the 102449  
individual to submit to a mental or physical examination, or 102450  
both. The expense of the examination is the responsibility of 102451  
the individual compelled to be examined. Any mental or physical 102452  
examination required under this division shall be undertaken by 102453  
a treatment provider or physician who is qualified to conduct 102454  
the examination and who is approved under section 4731.251 of 102455  
the Revised Code. 102456

Failure to submit to a mental or physical examination 102457  
ordered by the board constitutes an admission of the allegations 102458  
against the individual unless the failure is due to 102459  
circumstances beyond the individual's control, and a default and 102460  
final order may be entered without the taking of testimony or 102461  
presentation of evidence. If the board determines that the 102462  
individual's ability to practice is impaired, the board shall 102463  
suspend the individual's license or permit or deny the 102464  
individual's application and shall require the individual, as a 102465

condition for an initial, continued, reinstated, or renewed 102466  
license or permit, to submit to treatment. 102467

Before being eligible to apply for reinstatement of a 102468  
license or permit suspended under this division, the impaired 102469  
practitioner shall demonstrate to the board the ability to 102470  
resume practice in compliance with acceptable and prevailing 102471  
standards of care under the provisions of the practitioner's 102472  
license or permit. The demonstration shall include, but shall 102473  
not be limited to, the following: 102474

(1) Certification from a treatment provider approved under 102475  
section 4731.251 of the Revised Code that the individual has 102476  
successfully completed any required inpatient treatment; 102477

(2) Evidence of continuing full compliance with an 102478  
aftercare contract or consent agreement; 102479

(3) Two written reports indicating that the individual's 102480  
ability to practice has been assessed and that the individual 102481  
has been found capable of practicing according to acceptable and 102482  
prevailing standards of care. The reports shall be made by 102483  
individuals or providers approved by the board for making the 102484  
assessments and shall describe the basis for their 102485  
determination. 102486

The board may reinstate a license or permit suspended 102487  
under this division after that demonstration and after the 102488  
individual has entered into a written consent agreement. 102489

When the impaired practitioner resumes practice, the board 102490  
shall require continued monitoring of the individual. The 102491  
monitoring shall include, but not be limited to, compliance with 102492  
the written consent agreement entered into before reinstatement 102493  
or with conditions imposed by board order after a hearing, and, 102494

upon termination of the consent agreement, submission to the 102495  
board for at least two years of annual written progress reports 102496  
made under penalty of perjury stating whether the individual has 102497  
maintained sobriety. 102498

(H) (1) If either of the following circumstances occur, the 102499  
secretary and supervising member may recommend that the board 102500  
suspend an individual's license or permit without a prior 102501  
hearing: 102502

(a) The secretary and supervising member determine both of 102503  
the following: 102504

(i) That there is clear and convincing evidence that an 102505  
individual has violated division (A) of this section; 102506

(ii) That the individual's continued practice presents a 102507  
danger of immediate and serious harm to the public. 102508

(b) The board receives verifiable information that a 102509  
licensee has been charged in any state or federal court for a 102510  
crime classified as a felony under the charging court's law and 102511  
the conduct charged constitutes a violation of division (A) of 102512  
this section. 102513

(2) If a recommendation is made to suspend without a prior 102514  
hearing pursuant to division (H) (1) of this section, written 102515  
allegations shall be prepared for consideration by the board. 102516  
The board, upon review of those allegations and by an 102517  
affirmative vote of not fewer than six of its members, excluding 102518  
the secretary and supervising member, may suspend a license or 102519  
permit without a prior hearing. A telephone conference call may 102520  
be utilized for reviewing the allegations and taking the vote on 102521  
the summary suspension. 102522

The board shall serve a written order of suspension in 102523

accordance with sections 119.05 and 119.07 of the Revised Code. 102524  
~~The order shall not be subject to suspension by the court during~~ 102525  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 102526  
~~Code.~~ If the individual subject to the summary suspension 102527  
requests an adjudicatory hearing by the board, the date set for 102528  
the hearing shall be within fifteen days, but not earlier than 102529  
seven days, after the individual requests the hearing, unless 102530  
otherwise agreed to by both the board and the individual. 102531

(3) Any summary suspension imposed under ~~this division~~ (H) 102532  
(2) of this section is not a final appealable order and is not 102533  
an adjudication that may be appealed under section 119.12 of the 102534  
Revised Code. The summary suspension shall remain in effect, 102535  
~~unless reversed on appeal,~~ until a final adjudicative order 102536  
issued by the board pursuant to this section and Chapter 119. of 102537  
the Revised Code becomes effective. Once a final adjudicative 102538  
order has been issued by the board, any party adversely affected 102539  
by it may file an appeal in accordance with the requirements of 102540  
Chapter 119. of the Revised Code. ~~The~~ 102541

The board shall issue its final adjudicative order within 102542  
seventy-five days after completion of its hearing. A failure to 102543  
issue the order within seventy-five days shall result in 102544  
dissolution of the summary suspension order but shall not 102545  
invalidate any subsequent, final adjudicative order. 102546

(I) If the board is required by Chapter 119. of the 102547  
Revised Code to give notice of an opportunity for a hearing and 102548  
if the individual subject to the notice does not timely request 102549  
a hearing in accordance with section 119.07 of the Revised Code, 102550  
the board is not required to hold a hearing, but may adopt, by 102551  
an affirmative vote of not fewer than six of its members, a 102552  
final order that contains the board's findings. In the final 102553

order, the board may order any of the sanctions identified under 102554  
division (A) of this section. 102555

(J) For purposes of divisions (A) (5), (7), and (9) of this 102556  
section, the commission of the act may be established by a 102557  
finding by the board, pursuant to an adjudication under Chapter 102558  
119. of the Revised Code, that the individual committed the act. 102559  
The board does not have jurisdiction under those divisions if 102560  
the trial court renders a final judgment in the individual's 102561  
favor and that judgment is based upon an adjudication on the 102562  
merits. The board has jurisdiction under those divisions if the 102563  
trial court issues an order of dismissal upon technical or 102564  
procedural grounds. 102565

(K) The sealing or expungement of conviction records by 102566  
any court shall have no effect upon a prior board order entered 102567  
under this section or upon the board's jurisdiction to take 102568  
action under this section if, based upon a plea of guilty, a 102569  
judicial finding of guilt, or a judicial finding of eligibility 102570  
for intervention in lieu of conviction, the board issued a 102571  
notice of opportunity for a hearing prior to the court's order 102572  
to seal or expunge the records. The board shall not be required 102573  
to seal, destroy, redact, or otherwise modify its records to 102574  
reflect the court's sealing or expungement of conviction 102575  
records. 102576

(L) If the board takes action under division (A) (4), (6), 102577  
or (8) of this section, and the judicial finding of guilt, 102578  
guilty plea, or judicial finding of eligibility for intervention 102579  
in lieu of conviction is overturned on appeal, upon exhaustion 102580  
of the criminal appeal, a petition for reconsideration of the 102581  
order may be filed with the board along with appropriate court 102582  
documents. Upon receipt of a petition for reconsideration and 102583

supporting court documents, the board shall reinstate the 102584  
individual's license or permit. The board may then hold an 102585  
adjudication under Chapter 119. of the Revised Code to determine 102586  
whether the individual committed the act in question. Notice of 102587  
an opportunity for a hearing shall be given in accordance with 102588  
Chapter 119. of the Revised Code. If the board finds, pursuant 102589  
to an adjudication held under this division, that the individual 102590  
committed the act or if no hearing is requested, the board may 102591  
order any of the sanctions identified under division (A) of this 102592  
section. 102593

(M) The license or permit issued to an individual under 102594  
this chapter and the individual's practice in this state are 102595  
automatically suspended as of the date the individual pleads 102596  
guilty to, is found by a judge or jury to be guilty of, or is 102597  
subject to a judicial finding of eligibility for intervention in 102598  
lieu of conviction in this state or treatment or intervention in 102599  
lieu of conviction in another jurisdiction for any of the 102600  
following criminal offenses in this state or a substantially 102601  
equivalent criminal offense in another jurisdiction: aggravated 102602  
murder, murder, voluntary manslaughter, felonious assault, 102603  
trafficking in persons, kidnapping, rape, sexual battery, gross 102604  
sexual imposition, aggravated arson, aggravated robbery, or 102605  
aggravated burglary. Continued practice after suspension shall 102606  
be considered practicing without a license or permit. 102607

The board shall serve the individual subject to the 102608  
suspension in accordance with sections 119.05 and 119.07 of the 102609  
Revised Code. If an individual whose license or permit is 102610  
automatically suspended under this division fails to make a 102611  
timely request for an adjudication under Chapter 119. of the 102612  
Revised Code, the board shall enter a final order permanently 102613  
revoking the individual's license or permit. 102614

(N) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or permit issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or permit. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or permit surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application for a license or permit made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or permit in accordance with this chapter does not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) The placement of an individual's license on retired status, as described in section 4759.064 of the Revised Code, does not remove or limit the board's jurisdiction to take any disciplinary action against the individual with regard to the license as it existed before being placed on retired status.

(5) At the request of the board, a license or permit holder shall immediately surrender to the board a license or permit that the board has suspended, revoked, or permanently revoked.

**Sec. 4760.13.** (A) The state medical board, by an 102660  
affirmative vote of not fewer than six members, may refuse to 102661  
grant a license to practice as an anesthesiologist assistant to, 102662  
or may revoke the license held by, an individual found by the 102663

that in reasonable probability will cause an ordinarily prudent 102705  
person to misunderstand or be deceived. 102706

(9) The obtaining of, or attempting to obtain, money or a 102707  
thing of value by fraudulent misrepresentations in the course of 102708  
practice; 102709

or a judicial finding of eligibility for intervention in lieu of 102711

(11) Commission of an act that constitutes a felony in 102713  
this state, regardless of the jurisdiction in which the act was 102714

conviction for, a misdemeanor involving moral turpitude; 102722

(14) Commission of an act in the course of practice that 102723  
constitutes a misdemeanor in this state, regardless of the 102724  
jurisdiction in which the act was committed; 102725

(15) Commission of an act involving moral turpitude that 102726  
constitutes a misdemeanor in this state, regardless of the 102727  
jurisdiction in which the act was committed; 102728

(16) A plea of guilty to, a judicial finding of guilt of, 102729

or a judicial finding of eligibility for intervention in lieu of 102730  
conviction for violating any state or federal law regulating the 102731  
possession, distribution, or use of any drug, including 102732  
trafficking in drugs; 102733

(17) Any of the following actions taken by the state 102734  
agency responsible for regulating the practice of 102735  
anesthesiologist assistants in another jurisdiction, for any 102736  
reason other than the nonpayment of fees: the limitation, 102737  
revocation, or suspension of an individual's license to 102738  
practice; acceptance of an individual's license surrender; 102739

the board under section 4760.14 of the Revised Code, including 102749  
failure to comply with a subpoena or order issued by the board 102750  
or failure to answer truthfully a question presented by the 102751  
board at a deposition or in written interrogatories, except that 102752  
failure to cooperate with an investigation shall not constitute 102753  
grounds for discipline under this section if a court of 102754  
competent jurisdiction has issued an order that either quashes a 102755  
subpoena or permits the individual to withhold the testimony or 102756  
evidence in issue; 102757

(21) Failure to comply with any code of ethics established 102758

by the national commission for the certification of 102759

(22) Failure to notify the state medical board of the 102761  
revocation or failure to maintain certification from the 102762  
national commission for certification of anesthesiologist 102763  
assistants. 102764

(C) The board shall not refuse to issue a certificate to 102765  
an applicant because of a plea of guilty to, a judicial finding 102766  
of guilt of, or a judicial finding of eligibility for 102767  
intervention in lieu of conviction for an offense unless the 102768  
refusal is in accordance with section 9.79 of the Revised Code. 102769

(D) Disciplinary actions taken by the board under 102770  
divisions (A) and (B) of this section shall be taken pursuant to 102771  
an adjudication under Chapter 119. of the Revised Code, except 102772  
that in lieu of an adjudication, the board may enter into a 102773  
consent agreement with an anesthesiologist assistant or 102774  
applicant to resolve an allegation of a violation of this 102775  
chapter or any rule adopted under it. A consent agreement, when 102776  
ratified by an affirmative vote of not fewer than six members of 102777  
the board, shall constitute the findings and order of the board 102778  
with respect to the matter addressed in the agreement. If the 102779  
board refuses to ratify a consent agreement, the admissions and 102780  
findings contained in the consent agreement shall be of no force 102781  
or effect. 102782

(E) For purposes of divisions (B) (11), (14), and (15) of 102783  
this section, the commission of the act may be established by a 102784  
finding by the board, pursuant to an adjudication under Chapter 102785  
119. of the Revised Code, that the applicant or license holder 102786  
committed the act in question. The board shall have no 102787  
jurisdiction under these divisions in cases where the trial 102788

court renders a final judgment in the license holder's favor and 102789  
that judgment is based upon an adjudication on the merits. The 102790  
board shall have jurisdiction under these divisions in cases 102791  
where the trial court issues an order of dismissal on technical 102792  
or procedural grounds. 102793

(F) The sealing or expungement of conviction records by 102794  
any court shall have no effect on a prior board order entered 102795  
under the provisions of this section or on the board's 102796  
jurisdiction to take action under the provisions of this section 102797  
if, based upon a plea of guilty, a judicial finding of guilt, or 102798  
a judicial finding of eligibility for intervention in lieu of 102799  
conviction, the board issued a notice of opportunity for a 102800  
hearing prior to the court's order to seal or expunge the 102801  
records. The board shall not be required to seal, destroy, 102802  
redact, or otherwise modify its records to reflect the court's 102803  
sealing or expungement of conviction records. 102804

(G) For purposes of this division, any individual who 102805  
holds a license to practice issued under this chapter, or 102806  
applies for a license to practice, shall be deemed to have given 102807  
consent to submit to a mental or physical examination when 102808  
directed to do so in writing by the board and to have waived all 102809  
objections to the admissibility of testimony or examination 102810  
reports that constitute a privileged communication. 102811

(1) In enforcing division (B)(5) of this section, the 102812  
board, on a showing of a possible violation, shall refer any 102813  
individual who holds, or has applied for, a license issued under 102814  
this chapter to the monitoring organization that conducts the 102815  
confidential monitoring program established under section 102816  
4731.25 of the Revised Code. The board also may compel the 102817  
individual to this chapter to submit to a mental or physical 102818

examination, or both. A physical examination may include an HIV 102819  
test. The expense of the examination is the responsibility of 102820  
the individual compelled to be examined. Failure to submit to a 102821  
mental or physical examination or consent to an HIV test ordered 102822  
by the board constitutes an admission of the allegations against 102823  
the individual unless the failure is due to circumstances beyond 102824  
the individual's control, and a default and final order may be 102825  
entered without the taking of testimony or presentation of 102826  
evidence. If the board finds an anesthesiologist assistant 102827  
unable to practice because of the reasons set forth in division 102828  
(B) (5) of this section, the board shall require the 102829  
anesthesiologist assistant to submit to care, counseling, or 102830  
treatment by physicians approved or designated by the board, as 102831  
a condition for an initial, continued, reinstated, or renewed 102832  
license to practice. An individual affected by this division 102833  
shall be afforded an opportunity to demonstrate to the board the 102834  
ability to resume practicing in compliance with acceptable and 102835  
prevailing standards of care. 102836

(2) For purposes of division (B) (6) of this section, if 102837  
the board has reason to believe that any individual who holds a 102838  
license to practice issued under this chapter or any applicant 102839  
for a license to practice suffers such impairment, the board 102840  
shall report the individual to the monitoring organization that 102841  
conducts the confidential monitoring program established under 102842  
section 4731.25 of the Revised Code. The board also may compel 102843  
the individual to submit to a mental or physical examination, or 102844  
both. The expense of the examination is the responsibility of 102845  
the individual compelled to be examined. Any mental or physical 102846  
examination required under this division shall be undertaken by 102847  
a treatment provider or physician qualified to conduct such 102848  
examination and approved under section 4731.251 of the Revised 102849

Code. 102850

Failure to submit to a mental or physical examination 102851  
ordered by the board constitutes an admission of the allegations 102852  
against the individual unless the failure is due to 102853  
circumstances beyond the individual's control, and a default and 102854  
final order may be entered without the taking of testimony or 102855  
presentation of evidence. If the board determines that the 102856  
individual's ability to practice is impaired, the board shall 102857  
suspend the individual's license or deny the individual's 102858  
application and shall require the individual, as a condition for 102859  
an initial, continued, reinstated, or renewed license to 102860  
practice, to submit to treatment. 102861

Before being eligible to apply for reinstatement of a 102862  
license suspended under this division, the anesthesiologist 102863  
assistant shall demonstrate to the board the ability to resume 102864  
practice in compliance with acceptable and prevailing standards 102865  
of care. The demonstration shall include the following: 102866

(a) Certification from a treatment provider approved under 102867  
section 4731.251 of the Revised Code that the individual has 102868  
successfully completed any required inpatient treatment; 102869

(b) Evidence of continuing full compliance with an 102870  
aftercare contract or consent agreement; 102871

(c) Two written reports indicating that the individual's 102872  
ability to practice has been assessed and that the individual 102873  
has been found capable of practicing according to acceptable and 102874  
prevailing standards of care. The reports shall be made by 102875  
individuals or providers approved by the board for making such 102876  
assessments and shall describe the basis for their 102877  
determination. 102878

The board may reinstate a license suspended under this 102879  
division after such demonstration and after the individual has 102880  
entered into a written consent agreement. 102881

When the impaired anesthesiologist assistant resumes 102882  
practice, the board shall require continued monitoring of the 102883  
anesthesiologist assistant. The monitoring shall include 102884  
monitoring of compliance with the written consent agreement 102885  
entered into before reinstatement or with conditions imposed by 102886  
board order after a hearing, and, on termination of the consent 102887  
agreement, submission to the board for at least two years of 102888  
annual written progress reports made under penalty of 102889  
falsification stating whether the anesthesiologist assistant has 102890  
maintained sobriety. 102891

(H) (1) If either of the following circumstances occur, the 102892  
secretary and supervising member may recommend that the board 102893  
suspend the individual's license without a prior hearing: 102894

(a) The secretary and supervising member determine that 102895  
there is clear and convincing evidence that an anesthesiologist 102896  
assistant has violated division (B) of this section and that the 102897  
individual's continued practice presents a danger of immediate 102898  
and serious harm to the public. 102899

(b) The board receives verifiable information that a 102900  
licensee has been charged in any state or federal court for a 102901  
crime classified as a felony under the charging court's law and 102902  
the conduct charged constitutes a violation of division (B) of 102903  
this section. 102904

(2) If a recommendation is made to suspend without a prior 102905  
hearing pursuant to division (H) (1) of this section, written 102906  
allegations shall be prepared for consideration by the board. 102907

The board, on review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall serve a written order of suspension in accordance with sections 119.05 and 119.07 of the Revised Code. ~~The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code.~~ If the anesthesiologist assistant requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the anesthesiologist assistant requests the hearing, unless otherwise agreed to by both the board and the license holder.

(3) A summary suspension imposed under ~~this division~~ (H) (2) of this section is not a final appealable order and is not an adjudication that may be appealed under section 119.12 of the Revised Code. The summary suspension shall remain in effect, ~~unless reversed on appeal,~~ until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. Once a final adjudicative order has been issued by the board, any party adversely affected by it may file an appeal in accordance with the requirements of Chapter 119. of the Revised Code. The

The board shall issue its final adjudicative order within ~~sixty-seventy-five~~ days after completion of its hearing. Failure to issue the order within ~~sixty-seventy-five~~ days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(I) If the board takes action under division (B) (11), 102938  
(13), or (14) of this section, and the judicial finding of 102939  
guilt, guilty plea, or judicial finding of eligibility for 102940  
intervention in lieu of conviction is overturned on appeal, on 102941  
exhaustion of the criminal appeal, a petition for 102942  
reconsideration of the order may be filed with the board along 102943  
with appropriate court documents. On receipt of a petition and 102944  
supporting court documents, the board shall reinstate the 102945  
license to practice. The board may then hold an adjudication 102946  
under Chapter 119. of the Revised Code to determine whether the 102947  
individual committed the act in question. Notice of opportunity 102948  
for hearing shall be given in accordance with Chapter 119. of 102949  
the Revised Code. If the board finds, pursuant to an 102950  
adjudication held under this division, that the individual 102951  
committed the act, or if no hearing is requested, it may order 102952  
any of the sanctions specified in division (B) of this section. 102953

(J) The license to practice of an anesthesiologist 102954  
assistant and the assistant's practice in this state are 102955  
automatically suspended as of the date the anesthesiologist 102956  
assistant pleads guilty to, is found by a judge or jury to be 102957  
guilty of, or is subject to a judicial finding of eligibility 102958  
for intervention in lieu of conviction in this state or 102959  
treatment or intervention in lieu of conviction in another 102960  
jurisdiction for any of the following criminal offenses in this 102961  
state or a substantially equivalent criminal offense in another 102962  
jurisdiction: aggravated murder, murder, voluntary manslaughter, 102963  
felonious assault, trafficking in persons, kidnapping, rape, 102964  
sexual battery, gross sexual imposition, aggravated arson, 102965  
aggravated robbery, or aggravated burglary. Continued practice 102966  
after the suspension shall be considered practicing without a 102967  
license. 102968

The board shall serve the individual subject to the suspension in accordance with sections 119.05 and 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license to practice.

(K) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the anesthesiologist assistant's license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(M) When the board refuses to grant or issue a license to practice as an anesthesiologist assistant to an applicant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An

individual subject to a permanent action taken by the board is 102999  
forever thereafter ineligible to hold a license to practice as 103000  
an anesthesiologist assistant and the board shall not accept an 103001  
application for reinstatement of the license or for issuance of 103002  
a new license. 103003

(N) Notwithstanding any other provision of the Revised 103004  
Code, all of the following apply: 103005

(1) The surrender of a license to practice issued under 103006  
this chapter is not effective unless or until accepted by the 103007  
board. Reinstatement of a license surrendered to the board 103008  
requires an affirmative vote of not fewer than six members of 103009  
the board. 103010

(2) An application made under this chapter for a license 103011  
to practice may not be withdrawn without approval of the board. 103012

(3) Failure by an individual to renew a license to 103013  
practice in accordance with section 4760.06 of the Revised Code 103014  
does not remove or limit the board's jurisdiction to take 103015  
disciplinary action under this section against the individual. 103016

(4) The placement of an individual's license on retired 103017  
status, as described in section 4760.062 of the Revised Code, 103018  
does not remove or limit the board's jurisdiction to take any 103019  
disciplinary action against the individual with regard to the 103020  
license as it existed before being placed on retired status. 103021

**Sec. 4760.99.** (A) Whoever violates section 4760.02 of the 103022  
Revised Code is guilty of a misdemeanor of the first degree on a 103023  
first offense; on each subsequent offense, the person is guilty 103024  
of a felony of the fourth degree. 103025

(B) (1) Whoever violates division (B) (1), (C) (1), (C) (2), 103026  
(D), or (E) of section 4760.16 of the Revised Code is guilty of 103027

a minor misdemeanor on a first offense; on each subsequent 103028  
offense the person is guilty of a misdemeanor of the fourth 103029  
degree, except that an individual guilty of a subsequent offense 103030  
shall not be subject to imprisonment, but to a fine alone of up 103031  
to one thousand dollars for each offense. 103032

(2) Whoever violates division (B) (2) or (C) (3) of section 103033  
4760.16 of the Revised Code is guilty of ~~failure to report~~ 103034  
~~criminal conduct or sexual misconduct,~~ a misdemeanor of the 103035  
fourth degree. ~~If the offender has previously been convicted of~~ 103036  
~~a violation of this division, the failure to report~~ on a first 103037  
offense; on each subsequent offense, the person is guilty of a 103038  
misdemeanor of the first degree. 103039

(C) Whoever violates division (E) of section 4760.14 of 103040  
the Revised Code is guilty of ~~disclosing confidential~~ 103041  
~~investigatory information,~~ a misdemeanor of the first degree. 103042

**Sec. 4761.09.** (A) The state medical board, by an 103043  
affirmative vote of not fewer than six members, shall, except as 103044  
provided in division (B) of this section, and to the extent 103045  
permitted by law, limit, revoke, or suspend an individual's 103046  
license or limited permit, refuse to issue a license or limited 103047  
permit to an individual, refuse to renew a license or limited 103048  
permit, refuse to reinstate a license or limited permit, or 103049  
reprimand or place on probation the holder of a license or 103050  
limited permit for one or more of the following reasons: 103051

(1) A plea of guilty to, a judicial finding of guilt of, 103052  
or a judicial finding of eligibility for intervention in lieu of 103053  
conviction for, a felony; 103054

(2) Commission of an act that constitutes a felony in this 103055  
state, regardless of the jurisdiction in which the act was 103056

committed; 103057

(3) A plea of guilty to, a judicial finding of guilt of, 103058  
or a judicial finding of eligibility for intervention in lieu of 103059  
conviction for, a misdemeanor committed in the course of 103060  
practice; 103061

(4) Commission of an act in the course of practice that 103062  
constitutes a misdemeanor in this state, regardless of the 103063  
jurisdiction in which the act was committed; 103064

(5) A plea of guilty to, a judicial finding of guilt of, 103065  
or a judicial finding of eligibility for intervention in lieu of 103066  
conviction for, a misdemeanor involving moral turpitude; 103067

(6) Commission of an act involving moral turpitude that 103068  
constitutes a misdemeanor in this state, regardless of the 103069  
jurisdiction in which the act was committed; 103070

(7) Except when civil penalties are imposed under section 103071  
4761.091 of the Revised Code, violating or attempting to 103072  
violate, directly or indirectly, or assisting in or abetting the 103073  
violation of, or conspiring to violate, any provision of this 103074  
chapter or the rules adopted by the board; 103075

(8) Making a false, fraudulent, deceptive, or misleading 103076  
statement in the solicitation of or advertising for patients; in 103077  
relation to the practice of respiratory care; or in securing or 103078  
attempting to secure any license or permit issued by the board 103079  
under this chapter. 103080

As used in division (A) (8) of this section, "false, 103081  
fraudulent, deceptive, or misleading statement" means a 103082  
statement that includes a misrepresentation of fact, is likely 103083  
to mislead or deceive because of a failure to disclose material 103084  
facts, is intended or is likely to create false or unjustified 103085

or implications that in reasonable probability will cause an 103087  
ordinarily prudent person to misunderstand or be deceived. 103088

(9) Committing fraud during the administration of the 103089  
examination for a license to practice or committing fraud, 103090

similar circumstances, whether or not actual injury to a patient 103095  
is established; 103096

(11) Violating the standards of ethical conduct adopted by 103097  
the board, in the practice of respiratory care; 103098

(12) The obtaining of, or attempting to obtain, money or 103099  
anything of value by fraudulent misrepresentations in the course 103100  
of practice; 103101

(13) Violation of the conditions of limitation placed by 103102  
the board upon a license or permit; 103103

(14) Inability to practice according to acceptable and 103104  
prevailing standards of care by reason of mental illness or 103105  
physical illness, including physical deterioration that 103106  
adversely affects cognitive, motor, or perceptive skills; 103107

(15) Any of the following actions taken by an agency 103108  
responsible for authorizing, certifying, or regulating an 103109  
individual to practice a health care occupation or provide 103110  
health care services in this state or another jurisdiction, for 103111  
any reason other than the nonpayment of fees: the limitation, 103112  
revocation, or suspension of an individual's license; acceptance 103113  
of an individual's license surrender; denial of a license; 103114

refusal to renew or reinstate a license; imposition of 103115  
probation; or issuance of an order of censure or other 103116  
reprimand; 103117

(16) The revocation, suspension, restriction, reduction, 103118  
or termination of practice privileges by the United States 103119  
department of defense or department of veterans affairs; 103120

(17) Termination or suspension from participation in the 103121  
medicare or medicaid programs by the department of health and 103122  
human services or other responsible agency for any act or acts 103123  
that also would constitute a violation of division (A) (10), 103124  
(12), or (14) of this section; 103125

(18) Impairment of ability to practice according to 103126  
acceptable and prevailing standards of care because of substance 103127  
use disorder or excessive use or abuse of drugs, alcohol, or 103128  
other substances that may impair ability to practice; 103129

(19) Failure to cooperate in an investigation conducted by 103130  
the board under division (E) of section 4761.03 of the Revised 103131  
Code, including failure to comply with a subpoena or order 103132  
issued by the board or failure to answer truthfully a question 103133  
presented by the board in an investigative interview, an 103134  
investigative office conference, at a deposition, or in written 103135  
interrogatories, except that failure to cooperate with an 103136  
investigation shall not constitute grounds for discipline under 103137  
this section if a court of competent jurisdiction has issued an 103138  
order that either quashes a subpoena or permits the individual 103139  
to withhold the testimony or evidence in issue; 103140

(20) Practicing in an area of respiratory care for which 103141  
the person is clearly untrained or incompetent or practicing in 103142  
a manner that conflicts with section 4761.17 of the Revised 103143

Code; 103144

(21) Employing, directing, or supervising a person who is 103145  
not authorized to practice respiratory care under this chapter 103146  
in the performance of respiratory care procedures; 103147

(22) Misrepresenting educational attainments or authorized 103148  
functions for the purpose of obtaining some benefit related to 103149  
the practice of respiratory care; 103150

(23) Assisting suicide as defined in section 3795.01 of 103151  
the Revised Code; 103152

(24) Representing, with the purpose of obtaining 103153  
compensation or other advantage as personal gain or for any 103154  
other person, that an incurable disease or injury, or other 103155  
incurable condition, can be permanently cured. 103156

Disciplinary actions taken by the board under division (A) 103157  
of this section shall be taken pursuant to an adjudication under 103158  
Chapter 119. of the Revised Code, except that in lieu of an 103159  
adjudication, the board may enter into a consent agreement with 103160  
an individual to resolve an allegation of a violation of this 103161  
chapter or any rule adopted under it. A consent agreement, when 103162  
ratified by an affirmative vote of not fewer than six members of 103163  
the board, shall constitute the findings and order of the board 103164  
with respect to the matter addressed in the agreement. If the 103165  
board refuses to ratify a consent agreement, the admissions and 103166  
findings contained in the consent agreement shall be of no 103167  
effect. 103168

A telephone conference call may be utilized for 103169  
ratification of a consent agreement that revokes or suspends an 103170  
individual's license or permit. The telephone conference call 103171  
shall be considered a special meeting under division (F) of 103172

section 121.22 of the Revised Code. 103173

(B) The board shall not refuse to issue a license or 103174  
limited permit to an applicant because of a plea of guilty to, a 103175  
judicial finding of guilt of, or a judicial finding of 103176  
eligibility for intervention in lieu of conviction for an 103177  
offense unless the refusal is in accordance with section 9.79 of 103178  
the Revised Code. 103179

(C) Any action taken by the board under division (A) of 103180  
this section resulting in a suspension from practice shall be 103181  
accompanied by a written statement of the conditions under which 103182  
the individual's license or permit may be reinstated. The board 103183  
shall adopt rules governing conditions to be imposed for 103184  
reinstatement. Reinstatement of a license or permit suspended 103185  
pursuant to division (A) of this section requires an affirmative 103186  
vote of not fewer than six members of the board. 103187

(D) When the board refuses to grant or issue a license or 103188  
permit to an applicant, revokes an individual's license or 103189  
permit, refuses to renew an individual's license or permit, or 103190  
refuses to reinstate an individual's license or permit, the 103191  
board may specify that its action is permanent. An individual 103192  
subject to a permanent action taken by the board is forever 103193  
thereafter ineligible to hold a license or permit and the board 103194  
shall not accept an application for reinstatement of the license 103195  
or permit or for issuance of a new license or permit. 103196

(E) If the board is required by Chapter 119. of the 103197  
Revised Code to give notice of an opportunity for a hearing and 103198  
if the individual subject to the notice does not timely request 103199  
a hearing in accordance with section 119.07 of the Revised Code, 103200  
the board is not required to hold a hearing, but may adopt, by 103201  
an affirmative vote of not fewer than six of its members, a 103202

final order that contains the board's findings. In the final 103203  
order, the board may order any of the sanctions identified under 103204  
division (A) of this section. 103205

(F) In enforcing division (A)(14) of this section, the 103206  
board, upon a showing of a possible violation, shall refer any 103207  
individual authorized to practice by this chapter or who has 103208  
submitted an application pursuant to this chapter to the 103209  
monitoring organization that conducts the confidential 103210  
monitoring program established under section 4731.25 of the 103211  
Revised Code. The board also may compel the individual to submit 103212  
to a mental examination, physical examination, including an HIV 103213  
test, or both a mental and a physical examination. The expense 103214  
of the examination is the responsibility of the individual 103215  
compelled to be examined. Failure to submit to a mental or 103216  
physical examination or consent to an HIV test ordered by the 103217  
board constitutes an admission of the allegations against the 103218  
individual unless the failure is due to circumstances beyond the 103219  
individual's control, and a default and final order may be 103220  
entered without the taking of testimony or presentation of 103221  
evidence. If the board finds an individual unable to practice 103222  
because of the reasons set forth in division (A)(14) of this 103223  
section, the board shall require the individual to submit to 103224  
care, counseling, or treatment by physicians approved or 103225  
designated by the board, as a condition for initial, continued, 103226  
reinstated, or renewed authority to practice. An individual 103227  
affected under this division shall be afforded an opportunity to 103228  
demonstrate to the board the ability to resume practice in 103229  
compliance with acceptable and prevailing standards under the 103230  
provisions of the individual's license or permit. For the 103231  
purpose of division (A)(14) of this section, any individual who 103232  
applies for or receives a license or permit to practice under 103233

this chapter accepts the privilege of practicing in this state 103234  
and, by so doing, shall be deemed to have given consent to 103235  
submit to a mental or physical examination when directed to do 103236  
so in writing by the board, and to have waived all objections to 103237  
the admissibility of testimony or examination reports that 103238  
constitute a privileged communication. 103239

(G) For the purposes of division (A)(18) of this section, 103240  
any individual authorized to practice by this chapter accepts 103241  
the privilege of practicing in this state subject to supervision 103242  
by the board. By filing an application for or holding a license 103243  
or permit under this chapter, an individual shall be deemed to 103244  
have given consent to submit to a mental or physical examination 103245  
when ordered to do so by the board in writing, and to have 103246  
waived all objections to the admissibility of testimony or 103247  
examination reports that constitute privileged communications. 103248

If it has reason to believe that any individual authorized 103249  
to practice by this chapter or any applicant for a license or 103250  
permit suffers such impairment, the board shall refer the 103251  
individual to the monitoring organization that conducts the 103252  
confidential monitoring program established under section 103253  
4731.25 of the Revised Code. The board also may compel the 103254  
individual to submit to a mental or physical examination, or 103255  
both. The expense of the examination is the responsibility of 103256  
the individual compelled to be examined. Any mental or physical 103257  
examination required under this division shall be undertaken by 103258  
a treatment provider or physician who is qualified to conduct 103259  
the examination and who is approved under section 4731.251 of 103260  
the Revised Code. 103261

Failure to submit to a mental or physical examination 103262  
ordered by the board constitutes an admission of the allegations 103263

against the individual unless the failure is due to 103264  
circumstances beyond the individual's control, and a default and 103265  
final order may be entered without the taking of testimony or 103266  
presentation of evidence. If the board determines that the 103267  
individual's ability to practice is impaired, the board shall 103268  
suspend the individual's license or permit or deny the 103269  
individual's application and shall require the individual, as a 103270  
condition for an initial, continued, reinstated, or renewed 103271  
license or permit, to submit to treatment. 103272

Before being eligible to apply for reinstatement of a 103273  
license or permit suspended under this division, the impaired 103274  
practitioner shall demonstrate to the board the ability to 103275  
resume practice in compliance with acceptable and prevailing 103276  
standards of care under the provisions of the practitioner's 103277  
license or permit. The demonstration shall include, but shall 103278  
not be limited to, the following: 103279

(1) Certification from a treatment provider approved under 103280  
section 4731.251 of the Revised Code that the individual has 103281  
successfully completed any required inpatient treatment; 103282

(2) Evidence of continuing full compliance with an 103283  
aftercare contract or consent agreement; 103284

(3) Two written reports indicating that the individual's 103285  
ability to practice has been assessed and that the individual 103286  
has been found capable of practicing according to acceptable and 103287  
prevailing standards of care. The reports shall be made by 103288  
individuals or providers approved by the board for making the 103289  
assessments and shall describe the basis for their 103290  
determination. 103291

The board may reinstate a license or permit suspended 103292

under this division after that demonstration and after the 103293  
individual has entered into a written consent agreement. 103294

When the impaired practitioner resumes practice, the board 103295  
shall require continued monitoring of the individual. The 103296  
monitoring shall include, but not be limited to, compliance with 103297  
the written consent agreement entered into before reinstatement 103298  
or with conditions imposed by board order after a hearing, and, 103299  
upon termination of the consent agreement, submission to the 103300  
board for at least two years of annual written progress reports 103301  
made under penalty of perjury stating whether the individual has 103302  
maintained sobriety. 103303

(H) (1) If either of the following circumstances occur, the 103304  
secretary and supervising member may recommend that the board 103305  
suspend an individual's license or permit without a prior 103306  
hearing: 103307

(a) The secretary and supervising member determine both of 103308  
the following: 103309

(i) That there is clear and convincing evidence that an 103310  
individual has violated division (A) of this section; 103311

(ii) That the individual's continued practice presents a 103312  
danger of immediate and serious harm to the public. 103313

(b) The board receives verifiable information that a 103314  
licensee has been charged in any state or federal court for a 103315  
crime classified as a felony under the charging court's law and 103316  
the conduct charged constitutes a violation of division (A) of 103317  
this section. 103318

(2) If a recommendation is made to suspend without a prior 103319  
hearing pursuant to division (H) (1) of this section, written 103320  
allegations shall be prepared for consideration by the board. 103321

The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or permit without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall serve a written order of suspension in accordance with sections 119.05 and 119.07 of the Revised Code. ~~The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code.~~ If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

(3) Any summary suspension imposed under ~~this division~~ (H) (2) of this section is not a final appealable order and is not an adjudication that may be appealed under section 119.12 of the Revised Code. The summary suspension shall remain in effect, ~~unless reversed on appeal,~~ until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. Once a final adjudicative order has been issued by the board, any party adversely affected by it may file an appeal in accordance with the requirements of Chapter 119. of the Revised Code. The

The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(I) For purposes of divisions (A) (2), (4), and (6) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(J) The sealing or expungement of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal or expunge the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing or expungement of conviction records.

(K) If the board takes action under division (A) (1), (3), or (5) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition for reconsideration and supporting court documents, the board shall reinstate the individual's license or permit. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine

whether the individual committed the act in question. Notice of 103383  
an opportunity for a hearing shall be given in accordance with 103384  
Chapter 119. of the Revised Code. If the board finds, pursuant 103385  
to an adjudication held under this division, that the individual 103386  
committed the act or if no hearing is requested, the board may 103387  
order any of the sanctions identified under division (A) of this 103388  
section. 103389

(L) The license or permit issued to an individual under 103390  
this chapter and the individual's practice in this state are 103391  
automatically suspended as of the date the individual pleads 103392  
guilty to, is found by a judge or jury to be guilty of, or is 103393  
subject to a judicial finding of eligibility for intervention in 103394  
lieu of conviction in this state or treatment or intervention in 103395  
lieu of conviction in another jurisdiction for any of the 103396  
following criminal offenses in this state or a substantially 103397  
equivalent criminal offense in another jurisdiction: aggravated 103398  
murder, murder, voluntary manslaughter, felonious assault, 103399  
trafficking in persons, kidnapping, rape, sexual battery, gross 103400  
sexual imposition, aggravated arson, aggravated robbery, or 103401  
aggravated burglary. Continued practice after suspension shall 103402  
be considered practicing without a license or permit. 103403

The board shall serve the individual subject to the 103404  
suspension in accordance with sections 119.05 and 119.07 of the 103405  
Revised Code. If an individual whose license or permit is 103406  
automatically suspended under this division fails to make a 103407  
timely request for an adjudication under Chapter 119. of the 103408  
Revised Code, the board shall enter a final order permanently 103409  
revoking the individual's license or permit. 103410

(M) Notwithstanding any other provision of the Revised 103411  
Code, all of the following apply: 103412

(1) The surrender of a license or permit issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or permit. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or permit surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application for a license or permit made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or permit in accordance with this chapter does not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) The placement of an individual's license on retired status, as described in section 4761.062 of the Revised Code, does not remove or limit the board's jurisdiction to take any disciplinary action against the individual with regard to the license as it existed before being placed on retired status.

(5) At the request of the board, a license or permit holder shall immediately surrender to the board a license or permit that the board has suspended, revoked, or permanently revoked.

**Sec. 4761.99.** Whoever violates division (A) of section 4761.10 of the Revised Code is guilty of a minor misdemeanor on a first offense. On a second offense, the person is guilty of a misdemeanor of the fourth degree. On each subsequent offense,

Revised Code is guilty of ~~disclosing confidential investigatory~~ 103451

**Sec. 4762.13.** (A) The state medical board, by an 103453  
affirmative vote of not fewer than six members, may refuse to 103454  
grant a license to practice as an oriental medicine practitioner 103455  
or license to practice as an acupuncturist to, or may revoke the 103456

committed fraud, misrepresentation, or deception in applying for 103458  
or securing the license. 103459

(B) The board, by an affirmative vote of not fewer than 103460  
six members, shall, except as provided in division (C) of this 103461

or a judicial finding of eligibility for intervention in lieu of 103520  
conviction for, a misdemeanor involving moral turpitude; 103521

(15) Commission of an act in the course of practice that 103522  
constitutes a misdemeanor in this state, regardless of the 103523  
jurisdiction in which the act was committed; 103524

(16) Commission of an act involving moral turpitude that 103525  
constitutes a misdemeanor in this state, regardless of the 103526  
jurisdiction in which the act was committed; 103527

(17) A plea of guilty to, a judicial finding of guilt of, 103528  
or a judicial finding of eligibility for intervention in lieu of 103529  
conviction for violating any state or federal law regulating the 103530  
possession, distribution, or use of any drug, including 103531  
trafficking in drugs; 103532

(18) Any of the following actions taken by the state 103533  
agency responsible for regulating the practice of oriental 103534  
medicine or acupuncture in another jurisdiction, for any reason 103535  
other than the nonpayment of fees: the limitation, revocation, 103536  
or suspension of an individual's license to practice; acceptance 103537  
of an individual's license surrender; denial of a license; 103538  
refusal to renew or reinstate a license; imposition of 103539  
probation; or issuance of an order of censure or other 103540  
reprimand; 103541

(19) Violation of the conditions placed by the board on a 103542  
license to practice as an oriental medicine practitioner or 103543  
license to practice as an acupuncturist; 103544

(20) Failure to use universal blood and body fluid 103545  
precautions established by rules adopted under section 4731.051 103546  
of the Revised Code; 103547

(21) Failure to cooperate in an investigation conducted by 103548  
the board under section 4762.14 of the Revised Code, including 103549  
failure to comply with a subpoena or order issued by the board 103550  
or failure to answer truthfully a question presented by the 103551  
board at a deposition or in written interrogatories, except that 103552  
failure to cooperate with an investigation shall not constitute 103553  
grounds for discipline under this section if a court of 103554  
competent jurisdiction has issued an order that either quashes a 103555  
subpoena or permits the individual to withhold the testimony or 103556  
evidence in issue; 103557

(22) Failure to comply with the standards of the national 103558  
certification commission for acupuncture and oriental medicine 103559

(23) Failure to have adequate professional liability 103562  
insurance coverage in accordance with section 4762.22 of the 103563  
Revised Code; 103564

(24) Failure to maintain a current and active designation 103565  
as a diplomate in oriental medicine, diplomate of acupuncture 103566  
and Chinese herbology, or diplomate in acupuncture, as 103567  
applicable, from the national certification commission for 103568  
acupuncture and oriental medicine, including revocation by the 103569  
commission of the individual's designation, failure by the 103570  
individual to meet the commission's requirements for 103571  
redesignation, or failure to notify the board that the 103572  
appropriate designation has not been maintained. 103573

(C) The board shall not refuse to issue a certificate to 103574  
an applicant because of a plea of guilty to, a judicial finding 103575  
of guilt of, or a judicial finding of eligibility for 103576  
intervention in lieu of conviction for an offense unless the 103577  
refusal is in accordance with section 9.79 of the Revised Code. 103578

(D) Disciplinary actions taken by the board under 103579  
divisions (A) and (B) of this section shall be taken pursuant to 103580  
an adjudication under Chapter 119. of the Revised Code, except 103581  
that in lieu of an adjudication, the board may enter into a 103582  
consent agreement with an oriental medicine practitioner or 103583  
acupuncturist or applicant to resolve an allegation of a 103584  
violation of this chapter or any rule adopted under it. A 103585  
consent agreement, when ratified by an affirmative vote of not 103586  
fewer than six members of the board, shall constitute the 103587

findings and order of the board with respect to the matter 103588  
addressed in the agreement. If the board refuses to ratify a 103589  
consent agreement, the admissions and findings contained in the 103590  
consent agreement shall be of no force or effect. 103591

(E) For purposes of divisions (B) (12), (15), and (16) of 103592  
this section, the commission of the act may be established by a 103593  
finding by the board, pursuant to an adjudication under Chapter 103594  
119. of the Revised Code, that the applicant or license holder 103595  
committed the act in question. The board shall have no 103596  
jurisdiction under these divisions in cases where the trial 103597  
court renders a final judgment in the license holder's favor and 103598  
that judgment is based upon an adjudication on the merits. The 103599  
board shall have jurisdiction under these divisions in cases 103600  
where the trial court issues an order of dismissal upon 103601  
technical or procedural grounds. 103602

(F) The sealing or expungement of conviction records by 103603  
any court shall have no effect upon a prior board order entered 103604  
under the provisions of this section or upon the board's 103605  
jurisdiction to take action under the provisions of this section 103606  
if, based upon a plea of guilty, a judicial finding of guilt, or 103607  
a judicial finding of eligibility for intervention in lieu of 103608  
conviction, the board issued a notice of opportunity for a 103609  
hearing or entered into a consent agreement prior to the court's 103610  
order to seal or expunge the records. The board shall not be 103611  
required to seal, destroy, redact, or otherwise modify its 103612  
records to reflect the court's sealing or expungement of 103613  
conviction records. 103614

(G) For purposes of this division, any individual who 103615  
holds a license to practice issued under this chapter, or 103616  
applies for a license to practice, shall be deemed to have given 103617

consent to submit to a mental or physical examination when 103618  
directed to do so in writing by the board and to have waived all 103619  
objections to the admissibility of testimony or examination 103620  
reports that constitute a privileged communication. 103621

(1) In enforcing division (B)(5) of this section, the 103622  
board, upon a showing of a possible violation, shall refer any 103623  
individual who holds, or has applied for, a license under this 103624  
chapter to the monitoring organization that conducts the 103625  
confidential monitoring program established under section 103626  
4731.25 of the Revised Code. The board also may compel the 103627  
individual to submit to a mental examination, physical 103628  
examination, including an HIV test, or both a mental and 103629  
physical examination. The expense of the examination is the 103630  
responsibility of the individual compelled to be examined. 103631  
Failure to submit to a mental or physical examination or consent 103632  
to an HIV test ordered by the board constitutes an admission of 103633  
the allegations against the individual unless the failure is due 103634  
to circumstances beyond the individual's control, and a default 103635  
and final order may be entered without the taking of testimony 103636  
or presentation of evidence. If the board finds an oriental 103637  
medicine practitioner or acupuncturist unable to practice 103638  
because of the reasons set forth in division (B)(5) of this 103639  
section, the board shall require the individual to submit to 103640  
care, counseling, or treatment by physicians approved or 103641  
designated by the board, as a condition for an initial, 103642  
continued, reinstated, or renewed license to practice. An 103643  
individual affected by this division shall be afforded an 103644  
opportunity to demonstrate to the board the ability to resume 103645  
practicing in compliance with acceptable and prevailing 103646  
standards of care. 103647

(2) For purposes of division (B)(6) of this section, if 103648

the board has reason to believe that any individual who holds a 103649  
license to practice issued under this chapter or any applicant 103650  
for a license suffers such impairment, the board shall refer the 103651  
individual to the monitoring organization that conducts the 103652  
confidential monitoring program established under section 103653  
4731.25 of the Revised Code. The board also may compel the 103654  
individual to submit to a mental or physical examination, or 103655  
both. The expense of the examination is the responsibility of 103656  
the individual compelled to be examined. Any mental or physical 103657  
examination required under this division shall be undertaken by 103658  
a treatment provider or physician qualified to conduct such 103659  
examination and approved under section 4731.251 of the Revised 103660  
Code. 103661

Failure to submit to a mental or physical examination 103662  
ordered by the board constitutes an admission of the allegations 103663  
against the individual unless the failure is due to 103664  
circumstances beyond the individual's control, and a default and 103665  
final order may be entered without the taking of testimony or 103666  
presentation of evidence. If the board determines that the 103667  
individual's ability to practice is impaired, the board shall 103668  
suspend the individual's license or deny the individual's 103669  
application and shall require the individual, as a condition for 103670  
an initial, continued, reinstated, or renewed license, to submit 103671  
to treatment. 103672

Before being eligible to apply for reinstatement of a 103673  
license suspended under this division, the oriental medicine 103674  
practitioner or acupuncturist shall demonstrate to the board the 103675  
ability to resume practice in compliance with acceptable and 103676  
prevailing standards of care. The demonstration shall include 103677  
the following: 103678

(a) Certification from a treatment provider approved under 103679  
section 4731.251 of the Revised Code that the individual has 103680  
successfully completed any required inpatient treatment; 103681

(b) Evidence of continuing full compliance with an 103682  
aftercare contract or consent agreement; 103683

(c) Two written reports indicating that the individual's 103684  
ability to practice has been assessed and that the individual 103685  
has been found capable of practicing according to acceptable and 103686  
prevailing standards of care. The reports shall be made by 103687  
individuals or providers approved by the board for making such 103688  
assessments and shall describe the basis for their 103689  
determination. 103690

The board may reinstate a license suspended under this 103691  
division after such demonstration and after the individual has 103692  
entered into a written consent agreement. 103693

When the impaired individual resumes practice, the board 103694  
shall require continued monitoring of the individual. The 103695  
monitoring shall include monitoring of compliance with the 103696  
written consent agreement entered into before reinstatement or 103697  
with conditions imposed by board order after a hearing, and, 103698  
upon termination of the consent agreement, submission to the 103699  
board for at least two years of annual written progress reports 103700  
made under penalty of falsification stating whether the 103701  
individual has maintained sobriety. 103702

(H) (1) If either of the following circumstances occur, the 103703  
secretary and supervising member may recommend that the board 103704  
suspend an individual's license to practice without a prior 103705  
hearing: 103706

(a) The secretary and supervising member determine both of 103707

the following: 103708

(i) That there is clear and convincing evidence that an 103709  
oriental medicine practitioner or acupuncturist has violated 103710  
division (B) of this section; 103711

(ii) That the individual's continued practice presents a 103712  
danger of immediate and serious harm to the public. 103713

(b) The board receives verifiable information that a 103714  
licensee has been charged in any state or federal court for a 103715  
crime classified as a felony under the charging court's law and 103716  
the conduct charged constitutes a violation of division (B) of 103717  
this section. 103718

(2) If a recommendation is made to suspend without a prior 103719  
hearing pursuant to division (H) (1) of this section, written 103720  
allegations shall be prepared for consideration by the board. 103721  
The board, upon review of the allegations and by an affirmative 103722  
vote of not fewer than six of its members, excluding the 103723  
secretary and supervising member, may suspend a license without 103724  
a prior hearing. A telephone conference call may be utilized for 103725  
reviewing the allegations and taking the vote on the summary 103726  
suspension. 103727

The board shall serve a written order of suspension in 103728  
accordance with sections 119.05 and 119.07 of the Revised Code. 103729  
~~The order shall not be subject to suspension by the court during~~ 103730  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 103731  
~~Code.~~ If the oriental medicine practitioner or acupuncturist 103732  
requests an adjudicatory hearing by the board, the date set for 103733  
the hearing shall be within fifteen days, but not earlier than 103734  
seven days, after the hearing is requested, unless otherwise 103735  
agreed to by both the board and the license holder. 103736

(3) A summary suspension imposed under ~~this~~ division (H) 103737  
(2) of this section is not a final appealable order and is not 103738  
an adjudication that may be appealed under section 119.12 of the 103739  
Revised Code. The summary suspension shall remain in effect, ~~—~~ 103740  
~~unless reversed on appeal,~~ until a final adjudicative order 103741  
issued by the board pursuant to this section and Chapter 119. of 103742  
the Revised Code becomes effective. Once a final adjudicative 103743  
order has been issued by the board, any party adversely affected 103744  
by it may file an appeal in accordance with the requirements of 103745  
Chapter 119. of the Revised Code. ~~The~~ 103746

The board shall issue its final adjudicative order within 103747  
~~sixty-seventy-five~~ days after completion of its hearing. Failure 103748  
to issue the order within ~~sixty-seventy-five~~ days shall result 103749  
in dissolution of the summary suspension order, but shall not 103750  
invalidate any subsequent, final adjudicative order. 103751

(I) If the board takes action under division (B) (11), 103752  
(13), or (14) of this section, and the judicial finding of 103753  
guilt, guilty plea, or judicial finding of eligibility for 103754  
intervention in lieu of conviction is overturned on appeal, upon 103755  
exhaustion of the criminal appeal, a petition for 103756  
reconsideration of the order may be filed with the board along 103757  
with appropriate court documents. Upon receipt of a petition and 103758  
supporting court documents, the board shall reinstate the 103759  
license. The board may then hold an adjudication under Chapter 103760  
119. of the Revised Code to determine whether the individual 103761  
committed the act in question. Notice of opportunity for hearing 103762  
shall be given in accordance with Chapter 119. of the Revised 103763  
Code. If the board finds, pursuant to an adjudication held under 103764  
this division, that the individual committed the act, or if no 103765  
hearing is requested, it may order any of the sanctions 103766  
specified in division (B) of this section. 103767

(J) The license to practice of an oriental medicine practitioner or acupuncturist and the practitioner's or acupuncturist's practice in this state are automatically suspended as of the date the practitioner or acupuncturist pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, trafficking in persons, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a license.

The board shall serve the individual subject to the suspension in accordance with sections 119.05 and 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license.

(K) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of  
this section resulting in a suspension shall be accompanied by a  
written statement of the conditions under which the license may  
be reinstated. The board shall adopt rules in accordance with  
Chapter 119. of the Revised Code governing conditions to be  
imposed for reinstatement. Reinstatement of a license suspended  
pursuant to division (B) of this section requires an affirmative  
vote of not fewer than six members of the board.

(M) When the board refuses to grant or issue a license to  
an applicant, revokes an individual's license, refuses to renew  
an individual's license, or refuses to reinstate an individual's  
license, the board may specify that its action is permanent. An  
individual subject to a permanent action taken by the board is  
forever thereafter ineligible to hold a license to practice as  
an oriental medicine practitioner or license to practice as an  
acupuncturist and the board shall not accept an application for  
reinstatement of the license or for issuance of a new license.

(N) Notwithstanding any other provision of the Revised  
Code, all of the following apply:

(1) The surrender of a license to practice as an oriental  
medicine practitioner or license to practice as an acupuncturist  
issued under this chapter is not effective unless or until  
accepted by the board. Reinstatement of a license surrendered to  
the board requires an affirmative vote of not fewer than six  
members of the board.

(2) An application made under this chapter for a license  
may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license in  
accordance with section 4762.06 of the Revised Code does not

remove or limit the board's jurisdiction to take disciplinary 103828  
action under this section against the individual. 103829

(4) The placement of an individual's license on retired 103830  
status, as described in section 4762.062 of the Revised Code, 103831  
does not remove or limit the board's jurisdiction to take any 103832  
disciplinary action against the individual with regard to the 103833  
license as it existed before being placed on retired status. 103834

**Sec. 4762.99.** (A) Whoever violates section 4762.02 of the 103835  
Revised Code is guilty of a misdemeanor of the first degree on a 103836  
first offense; on each subsequent offense, the person is guilty 103837  
of a felony of the fourth degree. 103838

(B) (1) Whoever violates division (B) (1), (C) (1), (C) (2), 103839  
(D), or (E) of section 4762.16 of the Revised Code is guilty of 103840  
a minor misdemeanor on a first offense; on each subsequent 103841  
offense the person is guilty of a misdemeanor of the fourth 103842  
degree, except that an individual guilty of a subsequent offense 103843  
shall not be subject to imprisonment, but to a fine alone of up 103844  
to one thousand dollars for each offense. 103845

(2) Whoever violates division (B) (2) or (C) (3) of section 103846  
4762.16 of the Revised Code is guilty of ~~failure to report~~ 103847  
~~criminal conduct or sexual misconduct,~~ a misdemeanor of the 103848  
fourth degree. ~~If the offender has previously been convicted of~~ 103849  
~~a violation of this division, the failure to report on a first~~ 103850

(C) Whoever violates division (E) of section 4762.14 of 103853  
the Revised Code is guilty of ~~disclosing confidential~~ 103854  
~~investigatory information,~~ a misdemeanor of the first degree. 103855

**Sec. 4767.10.** (A) The division of real estate in the 103856

department of commerce shall use ~~one dollar~~ six dollars of each 103857  
burial permit fee collected pursuant to section 3705.17 of the 103858  
Revised Code and paid into the state treasury to the credit of 103859  
the cemetery registration fund created under section 4767.03 of 103860  
the Revised Code to advance grants to cemeteries registered with 103861  
the division to defray the costs of exceptional cemetery 103862  
maintenance or training cemetery personnel in the maintenance 103863  
and operation of cemeteries. The division may not provide a 103864  
grant to a corporation or association that operates a cemetery 103865  
for profit. Grants provided under this section shall not exceed 103866  
five thousand dollars. An operator of five or more cemeteries 103867  
registered with the division may apply for and receive one grant 103868  
per year. All other operators of cemeteries registered with the 103869  
division may apply for and receive one grant every other year. 103870  
The division shall advance grants from the cemetery registration 103871  
fund in accordance with rules adopted by the Ohio cemetery 103872  
dispute resolution commission under Chapter 119. of the Revised 103873  
Code. 103874

(B) The director of commerce may increase, by rule adopted 103875  
under Chapter 119. of the Revised Code, the amount of total 103876

determines the total amount of funds generated exceeds the 103878  
amount of funds the division needs to carry out its powers and 103879  
duties under this section. If the director determines the 103880  
increased amount depletes the amount of funds the division needs 103881  
to carry out its powers and duties under this section, the 103882  
director may decrease the amount not below the amount specified 103883  
in division (A) of this section. 103884

**Sec. 4772.20.** (A) The state medical board, by an 103885  
affirmative vote of not fewer than six members, may revoke or 103886  
may refuse to grant a license to practice as a certified mental 103887

health assistant to an individual found by the board to have 103888  
committed fraud, misrepresentation, or deception in applying for 103889  
or securing the license. 103890

(B) The board, by an affirmative vote of not fewer than 103891  
six members, shall, except as provided in division (C) of this 103892  
section, and to the extent permitted by law, limit, revoke, or 103893

mental health assistant, refuse to issue a license to an 103895  
applicant, refuse to renew a license, refuse to reinstate a 103896  
license, or reprimand or place on probation the holder of a 103897

another person; 103900

(2) Failure to comply with the requirements of this 103901

by the board; 103903

(3) Violating or attempting to violate, directly or 103904  
indirectly, or assisting in or abetting the violation of, or 103905  
conspiring to violate, any provision of this chapter, Chapter 103906  
4731. of the Revised Code, or the rules adopted by the board; 103907

(4) A departure from, or failure to conform to, minimal 103908  
standards of care of similar practitioners under the same or 103909

patient is established; 103911

(5) Inability to practice according to acceptable and 103912  
prevailing standards of care by reason of mental illness or 103913  
physical illness, including physical deterioration that 103914  
adversely affects cognitive, motor, or perceptive skills; 103915

(6) Impairment of ability to practice according to 103916

acceptable and prevailing standards of care because of habitual 103917  
or excessive use or abuse of drugs, alcohol, or other substances 103918  
that impair ability to practice; 103919

(7) Willfully betraying a professional confidence; 103920

(8) Making a false, fraudulent, deceptive, or misleading 103921  
statement in securing or attempting to secure a license to 103922  
practice as a certified mental health assistant. 103923

As used in this division, "false, fraudulent, deceptive, 103924  
or misleading statement" means a statement that includes a 103925  
misrepresentation of fact, is likely to mislead or deceive 103926  
because of a failure to disclose material facts, is intended or 103927  
is likely to create false or unjustified expectations of 103928  
favorable results, or includes representations or implications 103929  
that in reasonable probability will cause an ordinarily prudent 103930  
person to misunderstand or be deceived. 103931

(9) The obtaining of, or attempting to obtain, money or a 103932  
thing of value by fraudulent misrepresentations in the course of 103933  
practice; 103934

(10) A plea of guilty to, a judicial finding of guilt of, 103935  
or a judicial finding of eligibility for intervention in lieu of 103936  
conviction for, a felony; 103937

(11) Commission of an act that constitutes a felony in 103938  
this state, regardless of the jurisdiction in which the act was 103939  
committed; 103940

(12) A plea of guilty to, a judicial finding of guilt of, 103941  
or a judicial finding of eligibility for intervention in lieu of 103942  
conviction for, a misdemeanor committed in the course of 103943  
practice; 103944

(13) A plea of guilty to, a judicial finding of guilt of, 103945  
or a judicial finding of eligibility for intervention in lieu of 103946  
conviction for, a misdemeanor involving moral turpitude; 103947

(14) Commission of an act in the course of practice that 103948  
constitutes a misdemeanor in this state, regardless of the 103949  
jurisdiction in which the act was committed; 103950

(15) Commission of an act involving moral turpitude that 103951  
constitutes a misdemeanor in this state, regardless of the 103952  
jurisdiction in which the act was committed; 103953

(16) A plea of guilty to, a judicial finding of guilt of, 103954  
or a judicial finding of eligibility for intervention in lieu of 103955  
conviction for violating any state or federal law regulating the 103956  
possession, distribution, or use of any drug, including 103957  
trafficking in drugs; 103958

(17) Any of the following actions taken by the state 103959  
agency responsible for regulating the practice of certified 103960  
mental health assistants in another jurisdiction, for any reason 103961  
other than the nonpayment of fees: the limitation, revocation, 103962  
or suspension of an individual's license to practice; acceptance 103963  
of an individual's license surrender; denial of a license; 103964  
refusal to renew or reinstate a license; imposition of 103965  
probation; or issuance of an order of censure or other 103966  
reprimand; 103967

(18) Violation of the conditions placed by the board on a 103968  
license to practice as a certified mental health assistant; 103969

(19) Failure to use universal blood and body fluid 103970  
precautions established by rules adopted under section 4731.051 103971  
of the Revised Code; 103972

(20) Failure to cooperate in an investigation conducted by 103973

the board under section 4772.21 of the Revised Code, including 103974  
failure to comply with a subpoena or order issued by the board 103975  
or failure to answer truthfully a question presented by the 103976  
board at a deposition or in written interrogatories, except that 103977  
failure to cooperate with an investigation shall not constitute 103978  
grounds for discipline under this section if a court of 103979  
competent jurisdiction has issued an order that either quashes a 103980  
subpoena or permits the individual to withhold the testimony or 103981  
evidence in issue; 103982

(21) Failure to practice in accordance with the 103983  
supervising physician's supervision agreement with the certified 103984  
mental health assistant; 103985

(22) Administering drugs for purposes other than those 103986  
authorized under this chapter; 103987

(23) Failure to comply with section 4772.13 of the Revised 103988  
Code, unless the board no longer maintains a drug database 103989  
pursuant to section 4729.75 of the Revised Code; 103990

(24) Assisting suicide, as defined in section 3795.01 of 103991  
the Revised Code. 103992

(C) The board shall not refuse to issue a license to an 103993  
applicant because of a plea of guilty to, a judicial finding of 103994  
guilt of, or a judicial finding of eligibility for intervention 103995  
in lieu of conviction for an offense unless the refusal is in 103996  
accordance with section 9.79 of the Revised Code. 103997

(D) Disciplinary actions taken by the board under 103998  
divisions (A) and (B) of this section shall be taken pursuant to 103999  
an adjudication under Chapter 119. of the Revised Code, except 104000  
that in lieu of an adjudication, the board may enter into a 104001  
consent agreement with a certified mental health assistant or 104002

applicant to resolve an allegation of a violation of this 104003  
chapter or any rule adopted under it. A consent agreement, when 104004  
ratified by an affirmative vote of not fewer than six members of 104005  
the board, shall constitute the findings and order of the board 104006  
with respect to the matter addressed in the agreement. If the 104007  
board refuses to ratify a consent agreement, the admissions and 104008  
findings contained in the consent agreement shall be of no force 104009  
or effect. 104010

(E) For purposes of divisions (B) (11), (14), and (15) of 104011  
this section, the commission of the act may be established by a 104012  
finding by the board, pursuant to an adjudication under Chapter 104013  
119. of the Revised Code, that the applicant or license holder 104014  
committed the act in question. The board shall have no 104015  
jurisdiction under these divisions in cases where the trial 104016  
court renders a final judgment in the license holder's favor and 104017  
that judgment is based upon an adjudication on the merits. The 104018  
board shall have jurisdiction under these divisions in cases 104019  
where the trial court issues an order of dismissal on technical 104020  
or procedural grounds. 104021

(F) The sealing or expungement of conviction records by 104022  
any court shall have no effect on a prior board order entered 104023  
under the provisions of this section or on the board's 104024  
jurisdiction to take action under the provisions of this section 104025  
if, based upon a plea of guilty, a judicial finding of guilt, or 104026  
a judicial finding of eligibility for intervention in lieu of 104027  
conviction, the board issued a notice of opportunity for a 104028  
hearing prior to the court's order to seal or expunge the 104029  
records. The board shall not be required to seal, destroy, 104030  
redact, or otherwise modify its records to reflect the court's 104031  
sealing or expungement of conviction records. 104032

(G) For purposes of this division, any individual who 104033  
holds a license to practice as a certified mental health 104034  
assistant issued under this chapter, or applies for a license, 104035  
shall be deemed to have given consent to submit to a mental or 104036  
physical examination when directed to do so in writing by the 104037  
board and to have waived all objections to the admissibility of 104038  
testimony or examination reports that constitute a privileged 104039  
communication. 104040

(1) In enforcing division (B)(5) of this section, the 104041  
board, on a showing of a possible violation, may compel any 104042  
individual who holds a license to practice as a certified mental 104043  
health assistant issued under this chapter or who has applied 104044  
for a license to submit to a mental or physical examination, or 104045  
both. A physical examination may include an HIV test. The 104046  
expense of the examination is the responsibility of the 104047  
individual compelled to be examined. Failure to submit to a 104048  
mental or physical examination or consent to an HIV test ordered 104049  
by the board constitutes an admission of the allegations against 104050  
the individual unless the failure is due to circumstances beyond 104051  
the individual's control, and a default and final order may be 104052  
entered without the taking of testimony or presentation of 104053  
evidence. If the board finds a certified mental health assistant 104054  
unable to practice because of the reasons set forth in division 104055  
(B)(5) of this section, the board shall require the certified 104056  
mental health assistant to submit to care, counseling, or 104057  
treatment by physicians approved or designated by the board, as 104058  
a condition for an initial, continued, reinstated, or renewed 104059  
license. An individual affected by this division shall be 104060  
afforded an opportunity to demonstrate to the board the ability 104061  
to resume practicing in compliance with acceptable and 104062  
prevailing standards of care. 104063

(2) For purposes of division (B)(6) of this section, if 104064  
the board has reason to believe that any individual who holds a 104065  
license to practice as a certified mental health assistant 104066  
issued under this chapter or any applicant for a license suffers 104067  
such impairment, the board may compel the individual to submit 104068  
to a mental or physical examination, or both. The expense of the 104069  
examination is the responsibility of the individual compelled to 104070  
be examined. Any mental or physical examination required under 104071  
this division shall be undertaken by a treatment provider or 104072  
physician qualified to conduct such examination and chosen by 104073  
the board. 104074

Failure to submit to a mental or physical examination 104075  
ordered by the board constitutes an admission of the allegations 104076  
against the individual unless the failure is due to 104077  
circumstances beyond the individual's control, and a default and 104078  
final order may be entered without the taking of testimony or 104079  
presentation of evidence. If the board determines that the 104080  
individual's ability to practice is impaired, the board shall 104081  
suspend the individual's license or deny the individual's 104082  
application and shall require the individual, as a condition for 104083  
an initial, continued, reinstated, or renewed license to 104084  
practice, to submit to treatment. 104085

Before being eligible to apply for reinstatement of a 104086  
license suspended under this division, the certified mental 104087  
health assistant shall demonstrate to the board the ability to 104088  
resume practice in compliance with acceptable and prevailing 104089  
standards of care. The demonstration shall include the 104090  
following: 104091

(a) Certification from a treatment provider approved under 104092  
section 4731.25 of the Revised Code that the individual has 104093

successfully completed any required inpatient treatment; 104094

(b) Evidence of continuing full compliance with an 104095  
aftercare contract or consent agreement; 104096

(c) Two written reports indicating that the individual's 104097  
ability to practice has been assessed and that the individual 104098  
has been found capable of practicing according to acceptable and 104099  
prevailing standards of care. The reports shall be made by 104100  
individuals or providers approved by the board for making such 104101  
assessments and shall describe the basis for their 104102  
determination. 104103

The board may reinstate a license suspended under this 104104  
division after such demonstration and after the individual has 104105  
entered into a written consent agreement. 104106

When the impaired certified mental health assistant 104107  
resumes practice, the board shall require continued monitoring 104108  
of the certified mental health assistant. The monitoring shall 104109  
include monitoring of compliance with the written consent 104110  
agreement entered into before reinstatement or with conditions 104111  
imposed by board order after a hearing, and, on termination of 104112  
the consent agreement, submission to the board for at least two 104113  
years of annual written progress reports made under penalty of 104114  
falsification stating whether the certified mental health 104115  
assistant has maintained sobriety. 104116

~~(H)~~ (H) (1) If either of the following circumstances occur, 104117  
the secretary and supervising member ~~determine that may~~ 104118  
recommend that the board suspend the individual's license 104119  
without a prior hearing: 104120

(a) The secretary and supervising member determine both of 104121  
the following: 104122

(i) That there is clear and convincing evidence that a 104123  
certified mental health assistant has violated division (B) of 104124  
this section~~and that;~~ 104125

(ii) That the individual's continued practice presents a 104126  
danger of immediate and serious harm to the public,~~they may~~ 104127  
~~recommend that the board suspend the individual's license to~~ 104128  
~~practice without a prior hearing.~~ 104129

(b) The board receives verifiable information that a 104130  
licensee has been charged in any state or federal court with a 104131  
crime classified as a felony under the charging court's law and 104132  
the conduct charged constitutes a violation of division (B) of 104133  
this section. Written 104134

(2) If a recommendation is made to suspend without a prior 104135  
hearing pursuant to division (H) (1) of this section, written 104136  
allegations shall be prepared for consideration by the board. 104137

The board, on review of the allegations and by an 104138  
affirmative vote of not fewer than six of its members, excluding 104139  
the secretary and supervising member, may suspend a license 104140  
without a prior hearing. A telephone conference call may be 104141  
utilized for reviewing the allegations and taking the vote on 104142  
the summary suspension. 104143

The board shall issue a written order of suspension by 104144  
certified mail or in person in accordance with section 119.07 of 104145  
the Revised Code. ~~The order shall not be subject to suspension~~ 104146  
~~by the court during pendency of any appeal filed under section~~ 104147  
~~119.12 of the Revised Code.~~ If the certified mental health 104148  
assistant requests an adjudicatory hearing by the board, the 104149  
date set for the hearing shall be within fifteen days, but not 104150  
earlier than seven days, after the certified mental health 104151

assistant requests the hearing, unless otherwise agreed to by 104152  
both the board and the license holder. 104153

(3) A summary suspension imposed under this division is 104154  
not a final appealable order and is not an adjudication that may 104155  
be appealed under section 119.12 of the Revised Code. The 104156  
summary suspension shall remain in effect,~~unless reversed on~~ 104157  
~~appeal,~~ until a final adjudicative order issued by the board 104158  
pursuant to this section and Chapter 119. of the Revised Code 104159  
becomes effective. Once a final adjudicative order has been 104160  
issued by the board, any party adversely affected by it may file 104161  
an appeal in accordance with Chapter 119. of the Revised Code. 104162  
~~The~~ 104163

The board shall issue its final adjudicative order within 104164  
~~sixty-seventy-five~~ days after completion of its hearing. Failure 104165  
to issue the order within ~~sixty-seventy-five~~ days shall result 104166  
in dissolution of the summary suspension order, but shall not 104167  
invalidate any subsequent, final adjudicative order. 104168

(I) If the board takes action under division (B) (10), 104169  
(12), or (13) of this section, and the judicial finding of 104170  
guilt, guilty plea, or judicial finding of eligibility for 104171  
intervention in lieu of conviction is overturned on appeal, on 104172  
exhaustion of the criminal appeal, a petition for 104173  
reconsideration of the order may be filed with the board along 104174  
with appropriate court documents. On receipt of a petition and 104175  
supporting court documents, the board shall reinstate the 104176  
license to practice as a certified mental health assistant. The 104177  
board may then hold an adjudication under Chapter 119. of the 104178  
Revised Code to determine whether the individual committed the 104179  
act in question. Notice of opportunity for hearing shall be 104180  
given in accordance with Chapter 119. of the Revised Code. If 104181

the board finds, pursuant to an adjudication held under this 104182  
division, that the individual committed the act, or if no 104183  
hearing is requested, it may order any of the sanctions 104184  
specified in division (B) of this section. 104185

(J) The license to practice of a certified mental health 104186  
assistant and the assistant's practice in this state are 104187  
automatically suspended as of the date the certified mental 104188  
health assistant pleads guilty to, is found by a judge or jury 104189  
to be guilty of, or is subject to a judicial finding of 104190  
eligibility for intervention in lieu of conviction in this state 104191  
or treatment of intervention in lieu of conviction in another 104192  
jurisdiction for any of the following criminal offenses in this 104193  
state or a substantially equivalent criminal offense in another 104194  
jurisdiction: aggravated murder, murder, voluntary manslaughter, 104195  
felonious assault, trafficking in persons, kidnapping, rape, 104196  
sexual battery, gross sexual imposition, aggravated arson, 104197  
aggravated robbery, or aggravated burglary. Continued practice 104198  
after the suspension shall be considered practicing without a 104199  
license. 104200

The board shall notify the individual subject to the 104201  
suspension by certified mail or in person in accordance with 104202  
section 119.07 of the Revised Code. If an individual whose 104203  
license is suspended under this division fails to make a timely 104204  
request for an adjudication under Chapter 119. of the Revised 104205  
Code, the board shall enter a final order permanently revoking 104206  
the individual's license. 104207

(K) In any instance in which the board is required by 104208  
Chapter 119. of the Revised Code to give notice of opportunity 104209  
for hearing and the individual subject to the notice does not 104210  
timely request a hearing in accordance with section 119.07 of 104211

the Revised Code, the board is not required to hold a hearing, 104212  
but may adopt, by an affirmative vote of not fewer than six of 104213  
its members, a final order that contains the board's findings. 104214  
In the final order, the board may order any of the sanctions 104215  
identified under division (A) or (B) of this section. 104216

(L) Any action taken by the board under division (B) of 104217  
this section resulting in a suspension shall be accompanied by a 104218  
written statement of the conditions under which the certified 104219  
mental health assistant's license may be reinstated. The board 104220  
shall adopt rules in accordance with Chapter 119. of the Revised 104221  
Code governing conditions to be imposed for reinstatement. 104222  
Reinstatement of a license suspended pursuant to division (B) of 104223  
this section requires an affirmative vote of not fewer than six 104224  
members of the board. 104225

(M) When the board refuses to grant or issue a license to 104226  
practice as a certified mental health assistant to an applicant, 104227  
revokes an individual's license, refuses to renew an 104228  
individual's license, or refuses to reinstate an individual's 104229  
license, the board may specify that its action is permanent. An 104230  
individual subject to a permanent action taken by the board is 104231  
forever thereafter ineligible to hold a license to practice as a 104232  
certified mental health assistant and the board shall not accept 104233  
an application for reinstatement of the license or for issuance 104234  
of a new license. 104235

(N) Notwithstanding any other provision of the Revised 104236  
Code, all of the following apply: 104237

(1) The surrender of a license to practice as a certified 104238  
mental health assistant issued under this chapter is not 104239  
effective unless or until accepted by the board. Reinstatement 104240  
of a license surrendered to the board requires an affirmative 104241

vote of not fewer than six members of the board. 104242

(2) An application made under this chapter for a license 104243  
to practice may not be withdrawn without approval of the board. 104244

(3) Failure by an individual to renew a license to 104245  
practice in accordance with section 4772.08 of the Revised Code 104246  
shall not remove or limit the board's jurisdiction to take 104247  
disciplinary action under this section against the individual. 104248

**Sec. 4772.21.** (A) The state medical board shall 104249  
investigate evidence that appears to show that any person has 104250  
violated this chapter or the rules adopted under it. Any person 104251  
may report to the board in a signed writing any information the 104252  
person has that appears to show a violation of any provision of 104253  
this chapter or the rules adopted under it. In the absence of 104254  
bad faith, a person who reports such information or testifies 104255  
before the board in an adjudication conducted under Chapter 119. 104256  
of the Revised Code shall not be liable for civil damages as a 104257  
result of reporting the information or providing testimony. Each 104258  
complaint or allegation of a violation received by the board 104259  
shall be assigned a case number and be recorded by the board. 104260

(B) Investigations of alleged violations of this chapter 104261  
or rules adopted under it shall be supervised by the supervising 104262  
member elected by the board in accordance with section 4731.02 104263  
of the Revised Code and by the secretary as provided in section 104264  
4772.24 of the Revised Code. The board's president may designate 104265  
another member of the board to supervise the investigation in 104266  
place of the supervising member. Upon a vote of the majority of 104267  
the board to authorize the addition of a consumer member in the 104268  
supervision of any part of any investigation, the president 104269  
shall designate a consumer member for supervision of 104270  
investigations as determined by the president. The authorization 104271

of consumer member participation in investigation supervision 104272  
may be rescinded by a majority vote of the board. A member of 104273  
the board who supervises the investigation of a case shall not 104274  
participate in further adjudication of the case. 104275

(C) In investigating a possible violation of this chapter 104276  
or the rules adopted under it, the board may administer oaths, 104277  
order the taking of depositions, issue subpoenas, and compel the 104278  
attendance of witnesses and production of books, accounts, 104279  
papers, records, documents, and testimony, except that a 104280  
subpoena for patient record information shall not be issued 104281  
without consultation with the attorney general's office and 104282  
approval of the secretary and supervising member of the board. 104283  
Before issuance of a subpoena for patient record information, 104284  
the secretary and supervising member shall determine whether 104285  
there is probable cause to believe that the complaint filed 104286  
alleges a violation of this chapter or the rules adopted under 104287  
it and that the records sought are relevant to the alleged 104288

surrounding the alleged violation. 104291

On failure to comply with any subpoena issued by the board 104292  
and after reasonable notice to the person being subpoenaed, the 104293  
board may move for an order compelling the production of persons 104294

A subpoena issued by the board may be served by a sheriff, 104296

whose confidentiality was protected by the state medical board 104339  
when the information was in the board's possession. Measures to 104340  
ensure confidentiality that may be taken by the court include 104341  
sealing its records or deleting specific information from its 104342

Chapter 4773. of the Revised Code; 104652

(22) Failure to maintain certification as a registered radiologist assistant from the American registry of radiologic technologists, including revocation by the registry of the assistant's certification or failure by the assistant to meet the registry's requirements for annual registration, or failure to notify the board that the certification as a registered radiologist assistant has not been maintained;

(23) Failure to comply with any of the rules of ethics included in the standards of ethics established by the American registry of radiologic technologists, as those rules apply to an individual who holds the registry's certification as a registered radiologist assistant.

(C) The board shall not refuse to issue a license to an applicant because of a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(D) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with a radiologist assistant or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

(E) For purposes of divisions (B) (11), (14), and (15) of 104683  
this section, the commission of the act may be established by a 104684  
finding by the board, pursuant to an adjudication under Chapter 104685  
119. of the Revised Code, that the applicant or license holder 104686  
committed the act in question. The board shall have no 104687  
jurisdiction under these divisions in cases where the trial 104688  
court renders a final judgment in the license holder's favor and 104689  
that judgment is based upon an adjudication on the merits. The 104690  
board shall have jurisdiction under these divisions in cases 104691  
where the trial court issues an order of dismissal on technical 104692  
or procedural grounds. 104693

(F) The sealing or expungement of conviction records by 104694  
any court shall have no effect on a prior board order entered 104695  
under the provisions of this section or on the board's 104696  
jurisdiction to take action under the provisions of this section 104697  
if, based upon a plea of guilty, a judicial finding of guilt, or 104698  
a judicial finding of eligibility for intervention in lieu of 104699  
conviction, the board issued a notice of opportunity for a 104700  
hearing prior to the court's order to seal or expunge the 104701  
records. The board shall not be required to seal, destroy, 104702  
redact, or otherwise modify its records to reflect the court's 104703  
sealing or expungement of conviction records. 104704

(G) For purposes of this division, any individual who 104705  
holds a license to practice as a radiologist assistant issued 104706  
under this chapter, or applies for a license, shall be deemed to 104707  
have given consent to submit to a mental or physical examination 104708  
when directed to do so in writing by the board and to have 104709  
waived all objections to the admissibility of testimony or 104710  
examination reports that constitute a privileged communication. 104711

(1) In enforcing division (B) (5) of this section, the 104712

board, on a showing of a possible violation, shall refer any 104713  
individual who holds, or has applied for, a license to practice 104714  
as a radiologist assistant issued under this chapter to the 104715  
monitoring organization that conducts the confidential 104716  
monitoring program established under section 4731.25 of the 104717  
Revised Code. The board also may compel the individual to submit 104718  
to a mental or physical examination, or both. A physical 104719  
examination may include an HIV test. The expense of the 104720  
examination is the responsibility of the individual compelled to 104721  
be examined. Failure to submit to a mental or physical 104722  
examination or consent to an HIV test ordered by the board 104723  
constitutes an admission of the allegations against the 104724  
individual unless the failure is due to circumstances beyond the 104725  
individual's control, and a default and final order may be 104726  
entered without the taking of testimony or presentation of 104727  
evidence. If the board finds a radiologist assistant unable to 104728  
practice because of the reasons set forth in division (B)(5) of 104729  
this section, the board shall require the radiologist assistant 104730  
to submit to care, counseling, or treatment by physicians 104731  
approved or designated by the board, as a condition for an 104732  
initial, continued, reinstated, or renewed license. An 104733  
individual affected by this division shall be afforded an 104734  
opportunity to demonstrate to the board the ability to resume 104735  
practicing in compliance with acceptable and prevailing 104736  
standards of care. 104737

(2) For purposes of division (B)(6) of this section, if 104738  
the board has reason to believe that any individual who holds a 104739  
license to practice as a radiologist assistant issued under this 104740  
chapter or any applicant for a license suffers such impairment, 104741  
the board shall refer the individual to the monitoring 104742  
organization that conducts the confidential monitoring program 104743

established under section 4731.25 of the Revised Code. The board 104744  
also may compel the individual to submit to a mental or physical 104745  
examination, or both. The expense of the examination is the 104746  
responsibility of the individual compelled to be examined. Any 104747  
mental or physical examination required under this division 104748  
shall be undertaken by a treatment provider or physician 104749  
qualified to conduct such examination and approved under section 104750  
4731.251 of the Revised Code. 104751

Failure to submit to a mental or physical examination 104752  
ordered by the board constitutes an admission of the allegations 104753  
against the individual unless the failure is due to 104754  
circumstances beyond the individual's control, and a default and 104755  
final order may be entered without the taking of testimony or 104756  
presentation of evidence. If the board determines that the 104757  
individual's ability to practice is impaired, the board shall 104758  
suspend the individual's license or deny the individual's 104759  
application and shall require the individual, as a condition for 104760  
an initial, continued, reinstated, or renewed license to 104761  
practice, to submit to treatment. 104762

Before being eligible to apply for reinstatement of a 104763  
license suspended under this division, the radiologist assistant 104764  
shall demonstrate to the board the ability to resume practice in 104765  
compliance with acceptable and prevailing standards of care. The 104766  
demonstration shall include the following: 104767

(a) Certification from a treatment provider approved under 104768  
section 4731.251 of the Revised Code that the individual has 104769  
successfully completed any required inpatient treatment; 104770

(b) Evidence of continuing full compliance with an 104771  
aftercare contract or consent agreement; 104772

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired radiologist assistant resumes practice, the board shall require continued monitoring of the radiologist assistant. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the radiologist assistant has maintained sobriety.

(H) (1) If either of the following circumstances occur, the secretary and supervising member may recommend that the board suspend the individual's license to practice without a prior hearing:

(a) The secretary and supervising member determine that there is clear and convincing evidence that a radiologist assistant has violated division (B) of this section and that the individual's continued practice presents a danger of immediate and serious harm to the public.

(b) The board receives verifiable information that a

licensee has been charged in any state or federal court for a 104802  
crime classified as a felony under the charging court's law and 104803  
the conduct charged constitutes a violation of division (B) of 104804  
this section. 104805

(2) If a recommendation is made to suspend without a prior 104806  
hearing pursuant to division (H)(1) of this section, written 104807  
allegations shall be prepared for consideration by the board. 104808

The board, on review of the allegations and by an 104809  
affirmative vote of not fewer than six of its members, excluding 104810  
the secretary and supervising member, may suspend a license 104811  
without a prior hearing. A telephone conference call may be 104812  
utilized for reviewing the allegations and taking the vote on 104813  
the summary suspension. 104814

The board shall serve a written order of suspension in 104815  
accordance with sections 119.05 and 119.07 of the Revised Code. 104816  
~~The order shall not be subject to suspension by the court during~~ 104817  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 104818  
~~Code.~~ If the radiologist assistant requests an adjudicatory 104819  
hearing by the board, the date set for the hearing shall be 104820  
within fifteen days, but not earlier than seven days, after the 104821  
radiologist assistant requests the hearing, unless otherwise 104822  
agreed to by both the board and the license holder. 104823

(3) A summary suspension imposed under ~~this division~~ (H) 104824  
(2) of this section is not a final appealable order and is not 104825  
an adjudication that may be appealed under section 119.12 of the 104826  
Revised Code. The summary suspension shall remain in effect, 104827  
~~unless reversed on appeal,~~ until a final adjudicative order 104828  
issued by the board pursuant to this section and Chapter 119. of 104829  
the Revised Code becomes effective. Once a final adjudicative 104830  
order has been issued by the board, any party adversely affected 104831

by it may file an appeal in accordance with the requirements of 104832  
Chapter 119. of the Revised Code. ~~The~~ 104833

The board shall issue its final adjudicative order within 104834  
~~sixty-seventy-five~~ days after completion of its hearing. Failure 104835  
to issue the order within ~~sixty-seventy-five~~ days shall result 104836  
in dissolution of the summary suspension order, but shall not 104837  
invalidate any subsequent, final adjudicative order. 104838

(I) If the board takes action under division (B) (10), 104839  
(12), or (13) of this section, and the judicial finding of 104840  
guilt, guilty plea, or judicial finding of eligibility for 104841  
intervention in lieu of conviction is overturned on appeal, on 104842  
exhaustion of the criminal appeal, a petition for 104843  
reconsideration of the order may be filed with the board along 104844  
with appropriate court documents. On receipt of a petition and 104845  
supporting court documents, the board shall reinstate the 104846  
license to practice as a radiologist assistant. The board may 104847  
then hold an adjudication under Chapter 119. of the Revised Code 104848  
to determine whether the individual committed the act in 104849  
question. Notice of opportunity for hearing shall be given in 104850  
accordance with Chapter 119. of the Revised Code. If the board 104851  
finds, pursuant to an adjudication held under this division, 104852  
that the individual committed the act, or if no hearing is 104853  
requested, it may order any of the sanctions specified in 104854  
division (B) of this section. 104855

(J) The license to practice of a radiologist assistant and 104856  
the assistant's practice in this state are automatically 104857  
suspended as of the date the radiologist assistant pleads guilty 104858  
to, is found by a judge or jury to be guilty of, or is subject 104859  
to a judicial finding of eligibility for intervention in lieu of 104860  
conviction in this state or treatment or intervention in lieu of 104861

conviction in another jurisdiction for any of the following 104862  
criminal offenses in this state or a substantially equivalent 104863  
criminal offense in another jurisdiction: aggravated murder, 104864  
murder, voluntary manslaughter, felonious assault, trafficking 104865  
in persons, kidnapping, rape, sexual battery, gross sexual 104866  
imposition, aggravated arson, aggravated robbery, or aggravated 104867  
burglary. Continued practice after the suspension shall be 104868  
considered practicing without a license. 104869

The board shall serve the individual subject to the 104870  
suspension in accordance with sections 119.05 and 119.07 of the 104871  
Revised Code. If an individual whose license is suspended under 104872  
this division fails to make a timely request for an adjudication 104873  
under Chapter 119. of the Revised Code, the board shall enter a 104874  
final order permanently revoking the individual's license. 104875

(K) In any instance in which the board is required by 104876  
Chapter 119. of the Revised Code to give notice of opportunity 104877  
for hearing and the individual subject to the notice does not 104878  
timely request a hearing in accordance with section 119.07 of 104879  
the Revised Code, the board is not required to hold a hearing, 104880  
but may adopt, by an affirmative vote of not fewer than six of 104881  
its members, a final order that contains the board's findings. 104882  
In the final order, the board may order any of the sanctions 104883  
identified under division (A) or (B) of this section. 104884

(L) Any action taken by the board under division (B) of 104885  
this section resulting in a suspension shall be accompanied by a 104886  
written statement of the conditions under which the radiologist 104887  
assistant's license may be reinstated. The board shall adopt 104888  
rules in accordance with Chapter 119. of the Revised Code 104889  
governing conditions to be imposed for reinstatement. 104890  
Reinstatement of a license suspended pursuant to division (B) of 104891

this section requires an affirmative vote of not fewer than six 104892  
members of the board. 104893

(M) When the board refuses to grant or issue a license to 104894  
practice as a radiologist assistant to an applicant, revokes an 104895  
individual's license, refuses to renew an individual's license, 104896  
or refuses to reinstate an individual's license, the board may 104897  
specify that its action is permanent. An individual subject to a 104898  
permanent action taken by the board is forever thereafter 104899  
ineligible to hold a license to practice as a radiologist 104900  
assistant and the board shall not accept an application for 104901  
reinstatement of the license or for issuance of a new license. 104902

(N) Notwithstanding any other provision of the Revised 104903  
Code, all of the following apply: 104904

(1) The surrender of a license to practice as a 104905  
radiologist assistant issued under this chapter is not effective 104906  
unless or until accepted by the board. Reinstatement of a 104907  
license surrendered to the board requires an affirmative vote of 104908  
not fewer than six members of the board. 104909

(2) An application made under this chapter for a license 104910  
to practice may not be withdrawn without approval of the board. 104911

(3) Failure by an individual to renew a license to 104912  
practice in accordance with section 4774.06 of the Revised Code 104913  
does not remove or limit the board's jurisdiction to take 104914  
disciplinary action under this section against the individual. 104915

(4) The placement of an individual's license on retired 104916  
status, as described in section 4774.062 of the Revised Code, 104917  
does not remove or limit the board's jurisdiction to take any 104918  
disciplinary action against the individual with regard to the 104919  
license as it existed before being placed on retired status. 104920

**Sec. 4774.99.** (A) Whoever violates division (A) (1) or (2) 104921

a minor misdemeanor on a first offense; on each subsequent 104928  
offense the person is guilty of a misdemeanor of the fourth 104929

shall not be subject to imprisonment, but to a fine alone of up 104931  
to one thousand dollars for each offense. 104932

(2) Whoever violates division (B) (2) or (C) (3) of section 104933  
4774.16 of the Revised Code is guilty of ~~failure to report~~ 104934

(B) On a licensee's conviction of, plea of guilty to, 105018  
judicial finding of guilt of, or judicial finding of guilt 105019  
resulting from a plea of no contest to the offense of 105020  
trafficking in persons in violation of section 2905.32 of the 105021  
Revised Code, the prosecutor in the case shall promptly notify 105022  
the licensing agency of the conviction, plea, or finding and 105023  
provide the licensee's name and residential address. On receipt 105024  
of this notification, the licensing agency shall immediately 105025  
suspend the licensee's license. 105026

(C) If there is a conviction of, plea of guilty to, 105027  
judicial finding of guilt of, or judicial finding of guilt 105028  
resulting from a plea of no contest to the offense of 105029  
trafficking in persons in violation of section 2905.32 of the 105030  
Revised Code and all or part of the violation occurred on the 105031  
premises of a facility that is licensed by a licensing agency, 105032  
the prosecutor in the case shall promptly notify the licensing 105033  
agency of the conviction, plea, or finding and provide the 105034  
facility's name and address and the offender's name and 105035  
residential address. On receipt of this notification, the 105036  
licensing agency shall immediately suspend the facility's 105037

license. 105038

(D) Notwithstanding any provision of the Revised Code to 105039  
the contrary, the suspension of a license under division (B) or 105040  
(C) of this section shall be implemented by a licensing agency 105041  
without a prior hearing. After the suspension, the licensing 105042  
agency shall give written notice to the subject of the 105043  
suspension of the right to request a hearing under Chapter 119. 105044  
of the Revised Code. After a hearing is held, the licensing 105045  
agency shall either revoke or permanently revoke the license of 105046  
the subject of the suspension, unless it determines that the 105047  
license holder has not been convicted of, pleaded guilty to, 105048  
been found guilty of, or been found guilty based on a plea of no 105049  
contest to the offense of trafficking in persons in violation of 105050  
section 2905.32 of the Revised Code. 105051

**Sec. 4778.14.** (A) The state medical board, by an 105052  
affirmative vote of not fewer than six members, may refuse to 105053

six members, shall, except as provided in division (C) of this 105059  
section, and to the extent permitted by law, limit, revoke, or 105060  
suspend an individual's license to practice as a genetic 105061  
counselor, refuse to issue a license to an applicant, refuse to 105062  
renew a license, refuse to reinstate a license, or reprimand or 105063  
place on probation the holder of a license for any of the 105064

(1) Permitting the holder's name or license to be used by 105066  
another person; 105067

(2) Failure to comply with the requirements of this 105068  
chapter, Chapter 4731. of the Revised Code, or any rules adopted 105069  
by the board; 105070

(3) Violating or attempting to violate, directly or 105071  
indirectly, or assisting in or abetting the violation of, or 105072

4731. of the Revised Code, or the rules adopted by the board; 105074

(4) A departure from, or failure to conform to, minimal 105075

(5) Inability to practice according to acceptable and 105079  
prevailing standards of care by reason of mental illness or 105080  
physical illness, including physical deterioration that 105081

(6) Impairment of ability to practice according to 105083

As used in this division, "false, fraudulent, deceptive, 105091  
or misleading statement" means a statement that includes a 105092  
misrepresentation of fact, is likely to mislead or deceive 105093  
because of a failure to disclose material facts, is intended or 105094  
is likely to create false or unjustified expectations of 105095  
favorable results, or includes representations or implications 105096

that in reasonable probability will cause an ordinarily prudent 105097  
person to misunderstand or be deceived. 105098

(9) The obtaining of, or attempting to obtain, money or a 105099  
thing of value by fraudulent misrepresentations in the course of 105100  
practice; 105101

(10) A plea of guilty to, a judicial finding of guilt of, 105102

constitutes a misdemeanor in this state, regardless of the 105116  
jurisdiction in which the act was committed; 105117

(15) Commission of an act involving moral turpitude that 105118  
constitutes a misdemeanor in this state, regardless of the 105119  
jurisdiction in which the act was committed; 105120

(16) A plea of guilty to, a judicial finding of guilt of, 105121  
or a judicial finding of eligibility for intervention in lieu of 105122  
conviction for violating any state or federal law regulating the 105123  
possession, distribution, or use of any drug, including 105124

trafficking in drugs; 105125

(17) Any of the following actions taken by an agency 105126  
responsible for authorizing, certifying, or regulating an 105127

other reprimand; 105135

(18) Violation of the conditions placed by the board on a 105136  
license to practice as a genetic counselor; 105137

(19) Failure to cooperate in an investigation conducted by 105138  
the board under section 4778.18 of the Revised Code, including 105139  
failure to comply with a subpoena or order issued by the board 105140  
or failure to answer truthfully a question presented by the 105141  
board at a deposition or in written interrogatories, except that 105142  
failure to cooperate with an investigation shall not constitute 105143  
grounds for discipline under this section if a court of 105144  
competent jurisdiction has issued an order that either quashes a 105145  
subpoena or permits the individual to withhold the testimony or 105146  
evidence in issue; 105147

(20) Failure to maintain the individual's status as a 105148  
certified genetic counselor; 105149

(21) Failure to comply with the code of ethics established 105150

(C) The board shall not refuse to issue a license to an 105152  
applicant because of a plea of guilty to, a judicial finding of 105153

guilt of, or a judicial finding of eligibility for intervention 105154  
in lieu of conviction for an offense unless the refusal is in 105155  
accordance with section 9.79 of the Revised Code. 105156

(D) Disciplinary actions taken by the board under 105157  
divisions (A) and (B) of this section shall be taken pursuant to 105158  
an adjudication under Chapter 119. of the Revised Code, except 105159  
that in lieu of an adjudication, the board may enter into a 105160  
consent agreement with a genetic counselor or applicant to 105161  
resolve an allegation of a violation of this chapter or any rule 105162  
adopted under it. A consent agreement, when ratified by an 105163  
affirmative vote of not fewer than six members of the board, 105164  
shall constitute the findings and order of the board with 105165  
respect to the matter addressed in the agreement. If the board 105166  
refuses to ratify a consent agreement, the admissions and 105167  
findings contained in the consent agreement shall be of no force 105168  
or effect. 105169

A telephone conference call may be utilized for 105170  
ratification of a consent agreement that revokes or suspends an 105171  
individual's license. The telephone conference call shall be 105172  
considered a special meeting under division (F) of section 105173  
121.22 of the Revised Code. 105174

(E) For purposes of divisions (B) (11), (14), and (15) of 105175  
this section, the commission of the act may be established by a 105176  
finding by the board, pursuant to an adjudication under Chapter 105177  
119. of the Revised Code, that the applicant or license holder 105178  
committed the act in question. The board shall have no 105179  
jurisdiction under these divisions in cases where the trial 105180  
court renders a final judgment in the license holder's favor and 105181  
that judgment is based upon an adjudication on the merits. The 105182  
board shall have jurisdiction under these divisions in cases 105183

where the trial court issues an order of dismissal on technical 105184  
or procedural grounds. 105185

(F) The sealing or expungement of conviction records by 105186  
any court shall have no effect on a prior board order entered 105187  
under the provisions of this section or on the board's 105188  
jurisdiction to take action under the provisions of this section 105189  
if, based upon a plea of guilty, a judicial finding of guilt, or 105190  
a judicial finding of eligibility for intervention in lieu of 105191  
conviction, the board issued a notice of opportunity for a 105192  
hearing or took other formal action under Chapter 119. of the 105193  
Revised Code prior to the court's order to seal or expunge the 105194  
records. The board shall not be required to seal, destroy, 105195  
redact, or otherwise modify its records to reflect the court's 105196  
sealing or expungement of conviction records. 105197

(G) For purposes of this division, any individual who 105198  
holds a license to practice as a genetic counselor, or applies 105199  
for a license, shall be deemed to have given consent to submit 105200  
to a mental or physical examination when directed to do so in 105201  
writing by the board and to have waived all objections to the 105202  
admissibility of testimony or examination reports that 105203  
constitute a privileged communication. 105204

(1) In enforcing division (B)(5) of this section, the 105205  
board, on a showing of a possible violation, shall refer any 105206  
individual who holds, or has applied for, a license to practice 105207  
as a genetic counselor to the monitoring organization that 105208  
conducts the confidential monitoring program established under 105209  
section 4731.25 of the Revised Code. The board also may compel 105210  
the individual to submit to a mental or physical examination, or 105211  
both. A physical examination may include an HIV test. The 105212  
expense of the examination is the responsibility of the 105213

individual compelled to be examined. Failure to submit to a 105214  
mental or physical examination or consent to an HIV test ordered 105215  
by the board constitutes an admission of the allegations against 105216  
the individual unless the failure is due to circumstances beyond 105217  
the individual's control, and a default and final order may be 105218  
entered without the taking of testimony or presentation of 105219  
evidence. If the board finds a genetic counselor unable to 105220  
practice because of the reasons set forth in division (B) (5) of 105221  
this section, the board shall require the genetic counselor to 105222  
submit to care, counseling, or treatment by physicians approved 105223  
or designated by the board, as a condition for an initial, 105224  
continued, reinstated, or renewed license to practice. An 105225  
individual affected by this division shall be afforded an 105226  
opportunity to demonstrate to the board the ability to resume 105227  
practicing in compliance with acceptable and prevailing 105228  
standards of care. 105229

(2) For purposes of division (B) (6) of this section, if 105230  
the board has reason to believe that any individual who holds a 105231  
license to practice as a genetic counselor or any applicant for 105232  
a license suffers such impairment, the board shall refer the 105233  
individual to the monitoring organization that conducts the 105234  
confidential monitoring program established under section 105235  
4731.25 of the Revised Code. The board also may compel the 105236  
individual to submit to a mental or physical examination, or 105237  
both. The expense of the examination is the responsibility of 105238  
the individual compelled to be examined. Any mental or physical 105239  
examination required under this division shall be undertaken by 105240  
a treatment provider or physician qualified to conduct such 105241  
examination and approved under section 4731.251 of the Revised 105242  
Code. 105243

Failure to submit to a mental or physical examination 105244

ordered by the board constitutes an admission of the allegations 105245  
against the individual unless the failure is due to 105246  
circumstances beyond the individual's control, and a default and 105247  
final order may be entered without the taking of testimony or 105248  
presentation of evidence. If the board determines that the 105249  
individual's ability to practice is impaired, the board shall 105250  
suspend the individual's license or deny the individual's 105251  
application and shall require the individual, as a condition for 105252  
an initial, continued, reinstated, or renewed license, to submit 105253  
to treatment. 105254

Before being eligible to apply for reinstatement of a 105255  
license suspended under this division, the genetic counselor 105256  
shall demonstrate to the board the ability to resume practice in 105257  
compliance with acceptable and prevailing standards of care. The 105258  
demonstration shall include the following: 105259

(a) Certification from a treatment provider approved under 105260  
section 4731.251 of the Revised Code that the individual has 105261  
successfully completed any required inpatient treatment; 105262

(b) Evidence of continuing full compliance with an 105263  
aftercare contract or consent agreement; 105264

(c) Two written reports indicating that the individual's 105265  
ability to practice has been assessed and that the individual 105266  
has been found capable of practicing according to acceptable and 105267  
prevailing standards of care. The reports shall be made by 105268  
individuals or providers approved by the board for making such 105269  
assessments and shall describe the basis for their 105270  
determination. 105271

The board may reinstate a license suspended under this 105272  
division after such demonstration and after the individual has 105273

entered into a written consent agreement. 105274

When the impaired genetic counselor resumes practice, the 105275  
board shall require continued monitoring of the genetic 105276  
counselor. The monitoring shall include monitoring of compliance 105277  
with the written consent agreement entered into before 105278  
reinstatement or with conditions imposed by board order after a 105279  
hearing, and, on termination of the consent agreement, 105280  
submission to the board for at least two years of annual written 105281  
progress reports made under penalty of falsification stating 105282  
whether the genetic counselor has maintained sobriety. 105283

(H) (1) If either of the following circumstances occur, the 105284  
secretary and supervising member may recommend that the board 105285  
suspend an individual's license to practice without a prior 105286  
hearing: 105287

(a) The secretary and supervising member determine both of 105288  
the following: 105289

(i) That there is clear and convincing evidence that a 105290  
genetic counselor has violated division (B) of this section; 105291

(ii) That the individual's continued practice presents a 105292  
danger of immediate and serious harm to the public. 105293

(b) The board receives verifiable information that a 105294  
licensee has been charged in any state or federal court for a 105295  
crime classified as a felony under the charging court's law and 105296  
the conduct charged constitutes a violation of division (B) of 105297  
this section. 105298

(2) If a recommendation is made to suspend without a prior 105299  
hearing pursuant to division (H) (1) of this section, written 105300  
allegations shall be prepared for consideration by the board. 105301  
The board, on review of the allegations and by an affirmative 105302

vote of not fewer than six of its members, excluding the 105303  
secretary and supervising member, may suspend a license without 105304  
a prior hearing. A telephone conference call may be utilized for 105305  
reviewing the allegations and taking the vote on the summary 105306  
suspension. 105307

The board shall serve a written order of suspension in 105308  
accordance with sections 119.05 and 119.07 of the Revised Code. 105309  
~~The order shall not be subject to suspension by the court during~~ 105310  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 105311  
~~Code.~~ If the genetic counselor requests an adjudicatory hearing 105312  
by the board, the date set for the hearing shall be within 105313  
fifteen days, but not earlier than seven days, after the genetic 105314  
counselor requests the hearing, unless otherwise agreed to by 105315  
both the board and the genetic counselor. 105316

(3) A summary suspension imposed under ~~this division~~ (H) 105317  
(2) of this section is not a final appealable order and is not 105318  
an adjudication that may be appealed under section 119.12 of the 105319  
Revised Code. The summary suspension shall remain in effect, 105320  
~~unless reversed on appeal,~~ until a final adjudicative order 105321  
issued by the board pursuant to this section and Chapter 119. of 105322  
the Revised Code becomes effective. Once a final adjudicative 105323  
order has been issued by the board, any party adversely affected 105324  
by it may file an appeal in accordance with the requirements of 105325  
Chapter 119. of the Revised Code. ~~The~~ 105326

The board shall issue its final adjudicative order within 105327  
~~sixty-seventy-five~~ days after completion of its hearing. Failure 105328  
to issue the order within ~~sixty-seventy-five~~ days shall result 105329  
in dissolution of the summary suspension order, but shall not 105330  
invalidate any subsequent, final adjudicative order. 105331

(I) If the board takes action under division (B) (10), 105332

(12), or (13) of this section, and the judicial finding of 105333  
guilt, guilty plea, or judicial finding of eligibility for 105334  
intervention in lieu of conviction is overturned on appeal, on 105335  
exhaustion of the criminal appeal, a petition for 105336  
reconsideration of the order may be filed with the board along 105337  
with appropriate court documents. On receipt of a petition and 105338  
supporting court documents, the board shall reinstate the 105339  
license to practice as a genetic counselor. The board may then 105340  
hold an adjudication under Chapter 119. of the Revised Code to 105341  
determine whether the individual committed the act in question. 105342  
Notice of opportunity for hearing shall be given in accordance 105343  
with Chapter 119. of the Revised Code. If the board finds, 105344  
pursuant to an adjudication held under this division, that the 105345  
individual committed the act, or if no hearing is requested, it 105346  
may order any of the sanctions specified in division (B) of this 105347  
section. 105348

(J) The license to practice as a genetic counselor and the 105349  
counselor's practice in this state are automatically suspended 105350  
as of the date the genetic counselor pleads guilty to, is found 105351  
by a judge or jury to be guilty of, or is subject to a judicial 105352  
finding of eligibility for intervention in lieu of conviction in 105353  
this state or treatment or intervention in lieu of conviction in 105354  
another jurisdiction for any of the following criminal offenses 105355  
in this state or a substantially equivalent criminal offense in 105356  
another jurisdiction: aggravated murder, murder, voluntary 105357  
manslaughter, felonious assault, trafficking in persons, 105358  
kidnapping, rape, sexual battery, gross sexual imposition, 105359  
aggravated arson, aggravated robbery, or aggravated burglary. 105360  
Continued practice after the suspension shall be considered 105361  
practicing without a license. 105362

The board shall serve the individual subject to the 105363

suspension in accordance with sections 119.05 and 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license to practice.

(K) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the license of the genetic counselor may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(M) When the board refuses to grant or issue a license to practice as a genetic counselor to an applicant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter

ineligible to hold a license to practice as a genetic counselor 105394  
and the board shall not accept an application for reinstatement 105395  
of the license or for issuance of a new license. 105396

(N) Notwithstanding any other provision of the Revised 105397  
Code, all of the following apply: 105398

(1) The surrender of a license to practice as a genetic 105399  
counselor is not effective unless or until accepted by the 105400  
board. A telephone conference call may be utilized for 105401  
acceptance of the surrender of an individual's license. The 105402  
telephone conference call shall be considered a special meeting 105403  
under division (F) of section 121.22 of the Revised Code. 105404  
Reinstatement of a license surrendered to the board requires an 105405

within the department of commerce may renew a license issued 105433  
under section 4785.04 of the Revised Code if the licensee does 105434

evidence that the applicant has completed the continuing 105441  
education coursework described in division (B) of this section; 105442

(4) If the license is an elevator contractor's license, 105443  
submits proof that the applicant is in compliance with the 105444  
insurance requirements prescribed in section 4785.07 of the 105445

(1) Instruct licensees on new and existing rules and 105449  
standards adopted by the division; 105450

(2) Consist of not less than eight hours of instruction; 105451

under this chapter is exempt from the continuing education 105457  
requirement prescribed in division (A) (3) of this section, 105458  
provided that any such applicant was qualified as an instructor 105459  
at any time during the year immediately preceding the scheduled 105460  
date for the license renewal. 105461

(D) (1) A licensee who is unable to complete the continuing 105462  
education coursework required under this section before the 105463  
expiration of the licensee's license due to a temporary 105464  
disability may apply for a temporary continuing education waiver 105465  
from the division. 105466

(2) An application for a temporary continuing education 105467  
waiver shall be made in a form prescribed by the division, which 105468  
shall be signed by the applicant ~~under the penalty of perjury~~ 105469

licensee's license off inactive status and shall issue a waiver 105478  
sticker, valid for ninety days, to the licensee and affix the 105479

sticker to the license. The licensee may then perform the tasks 105480  
the license authorizes the licensee to perform but the licensee 105481

completion, provided, however, that falsifying or knowingly 105492  
allowing another to falsify such attendance records or 105493  
certificates of completion constitutes grounds for suspension or 105494  
revocation of a continuing education provider's division 105495  
approval. 105496

(F) The division shall not renew the license of an 105497  
individual or entity if the individual or entity would be denied 105498  
an initial license for a reason listed in division (E) of 105499  
section 4785.04 of the Revised Code. 105500

**Sec. 4903.10.** After any order has been made by the public 105501  
utilities commission, any party who has entered an appearance in 105502  
person or by counsel in the proceeding may apply for a rehearing 105503  
in respect to any matters determined in the proceeding. Such 105504  
application shall be filed within thirty days after the entry of 105505  
the order upon the journal of the commission. 105506

Notwithstanding the preceding paragraph, in any 105507  
uncontested proceeding or, by leave of the commission first had 105508

in any other proceeding, any affected person, firm, or 105509  
corporation may make an application for a rehearing within 105510  
thirty days after the entry of any final order upon the journal 105511  
of the commission. Leave to file an application for rehearing 105512  
shall not be granted to any person, firm, or corporation who did 105513  
not enter an appearance in the proceeding unless the commission 105514  
first finds: 105515

(A) The applicant's failure to enter an appearance prior 105516  
to the entry upon the journal of the commission of the order 105517  
complained of was due to just cause; and, 105518

(B) The interests of the applicant were not adequately 105519  
considered in the proceeding. 105520

Every applicant for rehearing or for leave to file an 105521  
application for rehearing shall give due notice of the filing of 105522  
such application to all parties who have entered an appearance 105523  
in the proceeding in the manner and form prescribed by the 105524  
commission. 105525

Such application shall be in writing and shall set forth 105526  
specifically the ground or grounds on which the applicant 105527  
considers the order to be unreasonable or unlawful. No party 105528  
shall in any court urge or rely on any ground for reversal, 105529  
vacation, or modification not so set forth in the application. 105530

Where such application for rehearing has been filed before 105531  
the effective date of the order as to which a rehearing is 105532  
sought, the effective date of such order, unless otherwise 105533  
ordered by the commission, shall be postponed or stayed pending 105534  
disposition of the matter by the commission or by operation of 105535  
law. In all other cases the making of such an application shall 105536  
not excuse any person from complying with the order, or operate 105537

to stay or postpone the enforcement thereof, without a special 105538  
order of the commission. 105539

Where such application for rehearing has been filed, the 105540  
commission may grant and hold such rehearing on the matter 105541  
specified in such application, if in its judgment sufficient 105542  
reason therefor is made to appear. Notice of such rehearing 105543  
shall be given by regular mail to all parties who have entered 105544  
an appearance in the proceeding. 105545

If the commission does not grant or deny such application 105546  
for rehearing within thirty days from the date of filing 105547  
thereof, it is denied by operation of law. 105548

If the commission grants such rehearing, it shall specify 105549  
in the notice of such granting the purpose for which it is 105550  
granted. The commission shall also specify the scope of the 105551  
additional evidence, if any, that will be taken, but it shall 105552  
not upon such rehearing take any evidence that, with reasonable 105553  
diligence, could have been offered upon the original hearing. 105554

If, after such rehearing, the commission is of the opinion 105555  
that the original order or any part thereof is in any respect 105556  
unjust or unwarranted, or should be changed, the commission may 105557  
abrogate or modify the same; otherwise such order shall be 105558  
affirmed. An order made after such rehearing, abrogating or 105559  
modifying the original order, shall have the same effect as an 105560  
original order, but shall not affect any right or the 105561  
enforcement of any right arising from or by virtue of the 105562  
original order prior to the receipt of notice by the affected 105563  
party of the filing of the application for rehearing. 105564

If the commission does not affirm, abrogate, or modify the 105565  
original order within ninety days from the date granting such 105566

rehearing, the order is affirmed by operation of law. 105567

No cause of action arising out of any order of the 105568  
commission, other than in support of the order, shall accrue in 105569  
any court to any person, firm, or corporation unless such 105570  
person, firm, or corporation has made a proper application to 105571  
the commission for a rehearing. 105572

the meter electric generation service, provided that an 105578  
application for any behind the meter electric generation 105579  
facilities that the utility intends to use to supply such 105580  
service ~~were~~ was filed with the public utilities commission 105581  
under section 4928.47 of the Revised Code, as that section 105582  
existed prior to its repeal by H.B. 15 of the 136th General 105583  
Assembly, no later than March 31, 2025. 105584

(C) No electric distribution utility shall recover any of 105585  
the following costs through any rate, charge, or recovery from 105586  
retail electric service customers that are not receiving behind 105587  
the meter electric generation service from the utility: 105588

(1) Costs associated with supplying behind the meter 105589

(D) No electric distribution utility shall offer direct, 105597  
associated inducements for contracting with the utility for any 105598  
behind the meter electric generation service. 105599

(E) The public utilities commission shall periodically 105600  
audit all electric distribution utilities that provide any 105601  
behind the meter electric generation service to ensure 105602  
compliance with this section. 105603

**Sec. 4911.18.** (A) For the sole purpose of maintaining and 105604  
administering the office of the consumers' counsel and 105605  
exercising the powers of the consumers' counsel under this 105606  
chapter, an amount equal to the appropriation to the office of 105607  
the consumers' counsel in each fiscal year shall be apportioned 105608  
among and assessed against each public utility within this 105609  
state, as defined in section 4911.01 of the Revised Code, by 105610  
first computing an assessment as though it were to be made in 105611  
proportion to the intrastate gross earnings or receipts of the 105612  
public utility for the calendar year next preceding that in 105613  
which the assessment is made, excluding earnings or receipts 105614  
from sales to other public utilities for resale. The office may 105615  
include in that first computation any amount of a public 105616  
utility's intrastate gross earnings or receipts underreported in 105617  
a prior year. In addition to whatever penalties apply under the 105618  
Revised Code to such underreporting, the office shall assess the 105619  
public utility interest at the rate stated in division (A) of 105620  
section 1343.01 of the Revised Code. The office shall deposit 105621  
any interest so collected into the consumers' counsel operating 105622  
fund. The office may exclude from that first computation any 105623  
such amounts that were over-reported in a prior year. 105624

The final computation of the assessment shall consist of 105625

imposing upon each public utility whose assessment under the 105626  
first computation would have been one hundred dollars or less an 105627  
assessment of one hundred dollars and recomputing the assessment 105628  
of the remaining companies by apportioning an amount equal to 105629  
the appropriation to the office of consumers' counsel in each 105630  
fiscal year less the total amount to be recovered from those 105631  
paying the minimum assessment, in proportion to the intrastate 105632  
gross earnings or receipts of the remaining companies for the 105633  
calendar year next preceding that in which the assessments are 105634  
made, excluding earnings or receipts from sales to other public 105635  
utilities for resale. 105636

In the case of an assessment based on intrastate gross 105637  
receipts under this section against a public utility that is an 105638  
electric utility as defined in section 4928.01 of the Revised 105639  
Code, or an electric services company, electric cooperative, or 105640  
governmental aggregator subject to certification under section 105641  
4928.08 of the Revised Code, such receipts shall be those 105642  
specified in the utility's, company's, cooperative's, or 105643  
aggregator's most recent report of intrastate gross receipts and 105644  
sales of kilowatt hours of electricity, filed with the public 105645  
utilities commission pursuant to division (F) of section 4928.06 105646  
of the Revised Code, and verified by the commission. 105647

In the case of an assessment based on intrastate gross 105648  
receipts under this section against a retail natural gas 105649  
supplier or governmental aggregator subject to certification 105650  
under section 4929.20 of the Revised Code, such receipts shall 105651  
be those specified in the supplier's or aggregator's most recent 105652  
report of intrastate gross receipts and sales of hundred cubic 105653  
feet of natural gas, filed with the commission pursuant to 105654  
division (B) of section 4929.23 of the Revised Code, and 105655  
verified by the commission. However, no such retail natural gas 105656

supplier or such governmental aggregator serving or proposing to 105657  
serve customers of a particular natural gas company, as defined 105658  
in section 4929.01 of the Revised Code, shall be assessed under 105659  
this section until after the commission, pursuant to section 105660  
4905.26 or 4909.18 of the Revised Code, has removed from the 105661  
base rates of the natural gas company the amount of assessment 105662  
under this section that is attributable to the value of 105663  
commodity sales service, as defined in section 4929.01 of the 105664  
Revised Code, in the base rates paid by those customers of the 105665  
company that do not purchase that service from the natural gas 105666  
company. 105667

(B) Through calendar year 2005, on or before the first day 105668  
of October in each year, the office of consumers' counsel shall 105669  
notify each public utility of the sum assessed against it, 105670  
whereupon payment shall be made to the counsel, who shall 105671  
deposit it into the state treasury to the credit of the 105672  
consumers' counsel operating fund, which is hereby created. 105673  
Beginning in calendar year 2006, on or before the fifteenth day 105674  
of May in each year, the consumers' counsel shall notify each 105675  
public utility that had a sum assessed against it for the 105676  
current fiscal year of more than one thousand dollars that fifty 105677  
per cent of that amount shall be paid to the consumers' counsel 105678  
by the twentieth day of June of that year as an initial payment 105679  
of the assessment against the company for the next fiscal year. 105680  
On or before the first day of October in each year, the 105681  
consumers' counsel shall make a final determination of the sum 105682  
of the assessment against each public utility and shall notify 105683  
each public utility of the sum assessed against it. The 105684  
consumers' counsel shall deduct from the assessment for each 105685  
public utility any initial payment received. Payment of the 105686  
assessment shall be made to the consumers' counsel by the first 105687

day of November of that year. The consumers' counsel shall 105688  
deposit the payments received into the state treasury to the 105689  
credit of the consumers' counsel operating fund. Any such 105690  
amounts paid into the fund but not expended by the office shall 105691  
be credited ratably by the office to the public utilities that 105692  
pay more than the minimum assessment, according to the 105693  
respective portions of such sum assessable against them for the 105694  
ensuing fiscal year, after first deducting any deficits 105695  
accumulated from prior years. The assessments for such fiscal 105696  
year shall be reduced correspondingly. 105697

(C) Within five days after the beginning of each fiscal 105698  
year through fiscal year 2006, the director of budget and 105699  
management shall transfer from the general revenue fund to the 105700  
consumers' counsel operating fund an amount sufficient for 105701  
maintaining and administering the office of the consumers' 105702  
counsel and exercising the powers of the consumers' counsel 105703  
under this chapter during the first four months of the fiscal 105704  
year. Not later than the thirty-first day of December of the 105705  
fiscal year, the same amount shall be transferred back to the 105706  
general revenue fund from the consumers' counsel operating fund. 105707

a declaration in the Revised Code, and for the purpose of 106089

Upon such evaluation, the commission periodically shall report 106092  
its findings and any recommendations for legislation to the 106093

~~standing committees shall meet at least biennially to consider~~ 106102

~~to receive reports from the commission, consumers' counsel, and~~ 106104  
~~director of development.~~ 106105

(D) In determining, for purposes of division (B) or (C) of 106106  
this section, whether there is effective competition in the 106107  
provision of a retail electric service or reasonably available 106108  
alternatives for that service, the commission shall consider 106109  
factors including, but not limited to, all of the following: 106110

(1) The number and size of alternative providers of that 106111  
service; 106112

(2) The extent to which the service is available from 106113  
alternative suppliers in the relevant market; 106114

(3) The ability of alternative suppliers to make 106115

functionally equivalent or substitute services readily available 106116  
at competitive prices, terms, and conditions; 106117

(4) Other indicators of market power, which may include 106118  
market share, growth in market share, ease of entry, and the 106119  
affiliation of suppliers of services. 106120

The burden of proof shall be on any entity requesting, 106121  
under division (B) or (C) of this section, a determination by 106122  
the commission of the existence of or a lack of effective 106123  
competition or reasonably available alternatives. 106124

(E) (1) Beginning on the starting date of competitive 106125  
retail electric service, the commission has authority under 106126  
Chapters 4901. to 4909. of the Revised Code, and shall exercise 106127  
that authority, to resolve abuses of market power by any 106128  
electric utility that interfere with effective competition in 106129  
the provision of retail electric service. 106130

(2) In addition to the commission's authority under 106131  
division (E) (1) of this section, the commission, beginning the 106132  
first year after the market development period of a particular 106133  
electric utility and after reasonable notice and opportunity for 106134  
hearing, may take such measures within a transmission 106135  
constrained area in the utility's certified territory as are 106136  
necessary to ensure that retail electric generation service is 106137  
provided at reasonable rates within that area. The commission 106138  
may exercise this authority only upon findings that an electric 106139  
utility is or has engaged in the abuse of market power and that 106140  
that abuse is not adequately mitigated by rules and practices of 106141  
any independent transmission entity controlling the transmission 106142  
facilities. Any such measure shall be taken only to the extent 106143  
necessary to protect customers in the area from the particular 106144  
abuse of market power and to the extent the commission's 106145

authority is not preempted by federal law. The measure shall 106146

certification, as the commission considers necessary to carry 106155  
out this chapter. An electric utility shall provide the 106156  
commission with such information as the commission considers 106157  
necessary to carry out divisions (B) to (E) of this section. The 106158  
commission shall take such measures as it considers necessary to 106159

those retail electric services for which it is subject to 106169  
certification. For the purpose of the reports, sales of kilowatt 106170  
hours of electricity are deemed to occur at the meter of the 106171  
retail customer. 106172

**Sec. 4928.34.** (A) The public utilities commission shall 106173  
not approve or prescribe a transition plan under division (A) or 106174  
(B) of section 4928.33 of the Revised Code unless the commission 106175

first makes all of the following determinations: 106176

(1) The unbundled components for the electric transmission 106177  
component of retail electric service, as specified in the 106178  
utility's rate unbundling plan required by division (A) (1) of 106179  
section 4928.31 of the Revised Code, equal the tariff rates 106180  
determined by the federal energy regulatory commission that are 106181  
in effect on the date of the approval of the transition plan 106182  
under sections 4928.31 to 4928.40 of the Revised Code, as each 106183  
such rate is determined applicable to each particular customer 106184  
class and rate schedule by the commission. The unbundled 106185  
transmission component shall include a sliding scale of charges 106186  
under division (B) of section 4905.31 of the Revised Code to 106187  
ensure that refunds determined or approved by the federal energy 106188  
regulatory commission are flowed through to retail electric 106189  
customers. 106190

(2) The unbundled components for retail electric 106191  
distribution service in the rate unbundling plan equal the 106192  
difference between the costs attributable to the utility's 106193  
transmission and distribution rates and charges under its 106194  
schedule of rates and charges in effect on the effective date of 106195  
this section, based upon the record in the most recent rate 106196  
proceeding of the utility for which the utility's schedule was 106197  
established, and the tariff rates for electric transmission 106198  
service determined by the federal energy regulatory commission 106199  
as described in division (A) (1) of this section. 106200

(3) All other unbundled components required by the 106201  
commission in the rate unbundling plan equal the costs 106202  
attributable to the particular service as reflected in the 106203  
utility's schedule of rates and charges in effect on the 106204  
effective date of this section. 106205

(4) The unbundled components for retail electric 106206  
generation service in the rate unbundling plan equal the 106207  
residual amount remaining after the determination of the 106208  
transmission, distribution, and other unbundled components, and 106209  
after any adjustments necessary to reflect the effects of the 106210  
amendment of section 5727.111 of the Revised Code by Sub. S.B. 106211  
No. 3 of the 123rd general assembly. 106212

(5) All unbundled components in the rate unbundling plan 106213  
have been adjusted to reflect any base rate reductions on file 106214  
with the commission and as scheduled to be in effect by December 106215  
31, 2005, under rate settlements in effect on the effective date 106216  
of this section. However, all earnings obligations, 106217  
restrictions, or caps imposed on an electric utility in a 106218  
commission order prior to the effective date of this section are 106219  
void. 106220

(6) Subject to division (A) (5) of this section, the total 106221  
of all unbundled components in the rate unbundling plan are 106222  
capped and shall equal during the market development period, 106223  
except as specifically provided in this chapter, the total of 106224  
all rates and charges in effect under the applicable bundled 106225  
schedule of the electric utility pursuant to section 4905.30 of 106226  
the Revised Code in effect on the day before the effective date 106227  
of this section, including the transition charge determined 106228  
under section 4928.40 of the Revised Code, adjusted for any 106229  
changes in the taxation of electric utilities and retail 106230  
electric service under Sub. S.B. No. 3 of the 123rd General 106231  
Assembly, and the universal service rider authorized by section 106232  
4928.51 of the Revised Code, ~~and the temporary rider authorized~~ 106233  
~~by section 4928.61 of the Revised Code.~~ For the purpose of this 106234  
division, the rate cap applicable to a customer receiving 106235  
electric service pursuant to an arrangement approved by the 106236

commission under section 4905.31 of the Revised Code is, for the 106237  
term of the arrangement, the total of all rates and charges in 106238  
effect under the arrangement. For any rate schedule filed 106239  
pursuant to section 4905.30 of the Revised Code or any 106240  
arrangement subject to approval pursuant to section 4905.31 of 106241  
the Revised Code, the initial tax-related adjustment to the rate 106242  
cap required by this division shall be equal to the rate of 106243  
taxation specified in section 5727.81 of the Revised Code and 106244  
applicable to the schedule or arrangement. To the extent such 106245  
total annual amount of the tax-related adjustment is greater 106246  
than or less than the comparable amount of the total annual tax 106247  
reduction experienced by the electric utility as a result of the 106248  
provisions of Sub. S.B. No. 3 of the 123rd general assembly, 106249  
such difference shall be addressed by the commission through 106250  
accounting procedures, refunds, or an annual surcharge or credit 106251  
to customers, or through other appropriate means, to avoid 106252  
placing the financial responsibility for the difference upon the 106253  
electric utility or its shareholders. Any adjustments in the 106254  
rate of taxation specified in section 5727.81 of the Revised 106255  
Code shall not occur without a corresponding adjustment to the 106256  
rate cap for each such rate schedule or arrangement. The 106257  
department of taxation shall advise the commission and self- 106258  
assessors under section 5727.81 of the Revised Code prior to the 106259  
effective date of any change in the rate of taxation specified 106260  
under that section, and the commission shall modify the rate cap 106261  
to reflect that adjustment so that the rate cap adjustment is 106262  
effective as of the effective date of the change in the rate of 106263  
taxation. This division shall be applied, to the extent 106264  
possible, to eliminate any increase in the price of electricity 106265  
for customers that otherwise may occur as a result of 106266  
establishing the taxes contemplated in section 5727.81 of the 106267  
Revised Code. 106268

(7) The rate unbundling plan complies with any rules 106269  
adopted by the commission under division (A) of section 4928.06 106270  
of the Revised Code. 106271

(8) The corporate separation plan required by division (A) 106272  
(2) of section 4928.31 of the Revised Code complies with section 106273  
4928.17 of the Revised Code and any rules adopted by the 106274  
commission under division (A) of section 4928.06 of the Revised 106275  
Code. 106276

(9) Any plan or plans the commission requires to address 106277  
operational support systems and any other technical 106278  
implementation issues pertaining to competitive retail electric 106279  
service comply with any rules adopted by the commission under 106280  
division (A) of section 4928.06 of the Revised Code. 106281

(10) The employee assistance plan required by division (A) 106282  
(4) of section 4928.31 of the Revised Code sufficiently provides 106283  
severance, retraining, early retirement, retention, 106284  
outplacement, and other assistance for the utility's employees 106285  
whose employment is affected by electric industry restructuring 106286  
under this chapter. 106287

(11) The consumer education plan required under division 106288  
(A) (5) of section 4928.31 of the Revised Code complies with 106289  
former section 4928.42 of the Revised Code and any rules adopted 106290  
by the commission under division (A) of section 4928.06 of the 106291  
Revised Code. 106292

(12) The transition revenues for which an electric utility 106293  
is authorized a revenue opportunity under sections 4928.31 to 106294  
4928.40 of the Revised Code are the allowable transition costs 106295  
of the utility as such costs are determined by the commission 106296  
pursuant to section 4928.39 of the Revised Code, and the 106297

transition charges for the customer classes and rate schedules 106298  
of the utility are the charges determined pursuant to section 106299  
4928.40 of the Revised Code. 106300

(13) Any independent transmission plan included in the 106301  
transition plan filed under section 4928.31 of the Revised Code 106302  
reasonably complies with section 4928.12 of the Revised Code and 106303  
any rules adopted by the commission under division (A) of 106304  
section 4928.06 of the Revised Code, unless the commission, for 106305  
good cause shown, authorizes the utility to defer compliance 106306  
until an order is issued under division (G) of section 4928.35 106307  
of the Revised Code. 106308

(14) The utility is in compliance with sections 4928.01 to 106309  
4928.11 of the Revised Code and any rules or orders of the 106310  
commission adopted or issued under those sections. 106311

(15) All unbundled components in the rate unbundling plan 106312  
have been adjusted to reflect the elimination of the tax on 106313  
gross receipts imposed by section 5727.30 of the Revised Code. 106314

In addition, a transition plan approved by the commission 106315  
under section 4928.33 of the Revised Code but not containing an 106316  
approved independent transmission plan shall contain the express 106317  
conditions that the utility will comply with an order issued 106318  
under division (G) of section 4928.35 of the Revised Code. 106319

(B) If the commission finds that any part of the 106320  
transition plan would constitute an abandonment under sections 106321  
4905.20 and 4905.21 of the Revised Code, the commission shall 106322  
not approve that part of the transition plan unless it makes the 106323  
finding required for approval of an abandonment application 106324  
under section 4905.21 of the Revised Code. Sections 4905.20 and 106325  
4905.21 of the Revised Code otherwise shall not apply to a 106326

transition plan under sections 4928.31 to 4928.40 of the Revised Code. 106327  
106328

**Sec. 4928.62.** (A) There is hereby created the advanced 106567  
energy program, which shall be administered by the director of 106568  
development. Under the program, the director may authorize the 106569  
use of moneys in the advanced energy fund for financial, 106570  
technical, and related assistance for advanced energy projects 106571  
in this state or for economic development assistance, in 106572  
furtherance of the purposes set forth in section 4928.63 of the 106573  
Revised Code. 106574

(1) To the extent feasible given approved applications for 106575  
assistance, the assistance shall be distributed among the 106576  
certified territories of electric distribution utilities and 106577  
participating electric cooperatives, and among the service areas 106578  
of participating municipal electric utilities, in amounts 106579  
proportionate to the remittances of each utility and cooperative 106580  
under ~~divisions (B)(1) and (3)~~division (B)(2) of section 4928.61 106581  
of the Revised Code. 106582

(2) The funds described in division ~~(B)(6)~~(B)(5) of 106583  
section 4928.61 of the Revised Code shall not be subject to the 106584  
territorial requirements of division (A)(1) of this section. 106585

(3) The director shall not authorize financial assistance 106586  
for an advanced energy project under the program unless the 106587  
director first determines that the project will create new jobs 106588  
or preserve existing jobs in this state or use innovative 106589  
technologies or materials. 106590

(B) In carrying out sections 4928.61 to 4928.63 of the 106591  
Revised Code, the director may do all of the following to 106592  
further the public interest in advanced energy projects and 106593

economic development: 106594

(1) Award grants, contracts, loans, loan participation 106595  
agreements, linked deposits, and energy production incentives; 106596

(2) Acquire in the name of the director any property of 106597  
any kind or character in accordance with this section, by 106598  
purchase, purchase at foreclosure, or exchange, on such terms 106599  
and in such manner as the director considers proper; 106600

(3) Make and enter into all contracts and agreements 106601  
necessary or incidental to the performance of the director's 106602  
duties and the exercise of the director's powers under sections 106603  
4928.61 to 4928.63 of the Revised Code; 106604

(4) Employ or enter into contracts with financial 106605  
consultants, marketing consultants, consulting engineers, 106606  
architects, managers, construction experts, attorneys, technical 106607  
monitors, energy evaluators, or other employees or agents as the 106608  
director considers necessary, and fix their compensation; 106609

(5) Adopt rules prescribing the application procedures for 106610  
financial assistance under the advanced energy program; the 106611  
fees, charges, interest rates, payment schedules, local match 106612  
requirements, and other terms and conditions of any grants, 106613  
contracts, loans, loan participation agreements, linked 106614  
deposits, and energy production incentives; criteria pertaining 106615  
to the eligibility of participating lending institutions; and 106616  
any other matters necessary for the implementation of the 106617  
program; 106618

(6) Do all things necessary and appropriate for the 106619  
operation of the program. 106620

(C) The department of development may hold ownership to 106621  
any unclaimed energy efficiency and renewable energy emission 106622

allowances provided for in Chapter 3745-14 of the Administrative Code or otherwise, that result from advanced energy projects that receive funding from the advanced energy fund, and it may use the allowances to further the public interest in advanced energy projects or for economic development.

(D) Financial statements, financial data, and trade secrets submitted to or received by the director from an applicant or recipient of financial assistance under sections 4928.61 to 4928.63 of the Revised Code, or any information taken from those statements, data, or trade secrets for any purpose, are not public records for the purpose of section 149.43 of the Revised Code.

(E) Nothing in the amendments of sections 4928.61, 4928.62, and 4928.63 of the Revised Code by Sub. H.B. 251 of the 126th general assembly shall affect any pending or effected assistance, pending or effected purchases or exchanges of property made, or pending or effected contracts or agreements entered into pursuant to division (A) or (B) of this section as the section existed prior to the effective date of those amendments, January 4, 2007, or shall affect the exemption provided under division (C) of this section as the section existed prior to that effective date.

(F) Any assistance a school district receives for an advanced energy project, including a geothermal heating, ventilating, and air conditioning system, shall be in addition to any assistance provided under Chapter 3318. of the Revised Code and shall not be included as part of the district or state portion of the basic project cost under that chapter.

**Sec. 4928.63.** The director of development ~~and the public benefits advisory board have~~ has the powers and duties provided

in sections 4928.61 and 4928.62 of the Revised Code, in order to 106653  
promote the welfare of the people of this state; stabilize the 106654  
economy; assist in the improvement and development within this 106655  
state of not-for-profit entity, industrial, commercial, 106656  
distribution, residential, and research buildings and activities 106657  
required for the people of this state; improve the economic 106658  
welfare of the people of this state by reducing energy costs and 106659  
by reducing energy usage in a cost-efficient manner using, as 106660  
determined by the director, both the most appropriate national, 106661  
federal, or other standards for products and the best practices 106662  
for the use of technology, products, or services in the context 106663  
of a total facility or building; and assist in the lowering of 106664  
energy demand to reduce air, water, or thermal pollution. It is 106665  
hereby determined that the accomplishment of those purposes is 106666  
essential so that the people of this state may maintain their 106667  
present high standards in comparison with the people of other 106668  
states and so that opportunities for improving the economic 106669  
welfare of the people of this state, for improving the housing 106670  
of residents of this state, and for favorable markets for the 106671  
products of this state's natural resources, agriculture, and 106672  
manufacturing shall be improved; and that it is necessary for 106673  
this state to establish the program authorized pursuant to 106674  
sections 4928.61 and 4928.62 of the Revised Code. 106675

**Sec. 4928.66.** (A) (1) (a) Beginning in 2009, an electric 106676  
distribution utility shall implement energy efficiency programs 106677  
that achieve energy savings equivalent to at least three-tenths 106678  
of one per cent of the total, annual average, and normalized 106679  
kilowatt-hour sales of the electric distribution utility during 106680  
the preceding three calendar years to customers in this state. 106681  
An energy efficiency program may include a combined heat and 106682  
power system placed into service or retrofitted on or after the 106683

effective date of the amendment of this section by S.B. 315 of 106684  
the 129th general assembly, September 10, 2012, or a waste 106685  
energy recovery system placed into service or retrofitted on or 106686  
after September 10, 2012, except that a waste energy recovery 106687  
system described in division (A)(38)(b) of section 4928.01 of 106688  
the Revised Code may be included only if it was placed into 106689  
service between January 1, 2002, and December 31, 2004. For a 106690  
waste energy recovery or combined heat and power system, the 106691  
savings shall be as estimated by the public utilities 106692  
commission. The savings requirement, using such a three-year 106693  
average, shall increase to an additional five-tenths of one per 106694  
cent in 2010, seven-tenths of one per cent in 2011, eight-tenths 106695  
of one per cent in 2012, nine-tenths of one per cent in 2013, 106696  
and one per cent in 2014. In 2015 and 2016, an electric 106697  
distribution utility shall achieve energy savings equal to the 106698  
result of subtracting the cumulative energy savings achieved 106699  
since 2009 from the product of multiplying the baseline for 106700  
energy savings, described in division (A)(2)(a) of this section, 106701  
by four and two-tenths of one per cent. If the result is zero or 106702  
less for the year for which the calculation is being made, the 106703  
utility shall not be required to achieve additional energy 106704  
savings for that year, but may achieve additional energy savings 106705  
for that year. The annual savings requirements shall be, for 106706  
years 2017, 2018, 2019, and 2020, an additional one per cent of 106707  
the baseline. For purposes of a waste energy recovery or 106708  
combined heat and power system, an electric distribution utility 106709  
shall not apply more than the total annual percentage of the 106710  
electric distribution utility's industrial-customer load, 106711  
relative to the electric distribution utility's total load, to 106712  
the annual energy savings requirement. 106713

(b) Beginning in 2009, an electric distribution utility 106714

shall implement peak demand reduction programs designed to 106715  
achieve a one per cent reduction in peak demand in 2009 and an 106716  
additional seventy-five hundredths of one per cent reduction 106717  
each year through 2014. In 2015 and 2016, an electric 106718  
distribution utility shall achieve a reduction in peak demand 106719  
equal to the result of subtracting the cumulative peak demand 106720  
reductions achieved since 2009 from the product of multiplying 106721  
the baseline for peak demand reduction, described in division 106722  
(A) (2) (a) of this section, by four and seventy-five hundredths 106723  
of one per cent. If the result is zero or less for the year for 106724  
which the calculation is being made, the utility shall not be 106725  
required to achieve an additional reduction in peak demand for 106726  
that year, but may achieve an additional reduction in peak 106727  
demand for that year. In 2017 and each year thereafter through 106728  
2020, the utility shall achieve an additional seventy-five 106729  
hundredths of one per cent reduction in peak demand. 106730

(2) For the purposes of divisions (A) (1) (a) and (b) of 106731  
this section: 106732

(a) The baseline for energy savings under division (A) (1) 106733  
(a) of this section shall be the average of the total kilowatt 106734  
hours the electric distribution utility sold in the preceding 106735  
three calendar years. The baseline for a peak demand reduction 106736  
under division (A) (1) (b) of this section shall be the average 106737  
peak demand on the utility in the preceding three calendar 106738  
years, except that the commission may reduce either baseline to 106739  
adjust for new economic growth in the utility's certified 106740  
territory. Neither baseline shall include the load and usage of 106741  
any of the following customers: 106742

(i) Beginning January 1, 2017, a customer for which a 106743  
reasonable arrangement has been approved under section 4905.31 106744

of the Revised Code; 106745

(ii) A customer that has opted out of the utility's 106746  
portfolio plan under section 4928.6611 of the Revised Code; 106747

(iii) A customer that has opted out of the utility's 106748  
portfolio plan under Section 8 of S.B. 310 of the 130th general 106749  
assembly. 106750

(b) The commission may amend the benchmarks set forth in 106751  
division (A)(1)(a) or (b) of this section if, after application 106752  
by the electric distribution utility, the commission determines 106753  
that the amendment is necessary because the utility cannot 106754  
reasonably achieve the benchmarks due to regulatory, economic, 106755  
or technological reasons beyond its reasonable control. 106756

(c) Compliance with divisions (A)(1)(a) and (b) of this 106757  
section shall be measured by including the effects of all 106758  
demand-response programs for mercantile customers of the subject 106759  
electric distribution utility, all waste energy recovery systems 106760  
and all combined heat and power systems, and all such mercantile 106761  
customer-sited energy efficiency, including waste energy 106762  
recovery and combined heat and power, and peak demand reduction 106763  
programs, adjusted upward by the appropriate loss factors. Any 106764  
mechanism designed to recover the cost of energy efficiency, 106765  
including waste energy recovery and combined heat and power, and 106766  
peak demand reduction programs under divisions (A)(1)(a) and (b) 106767  
of this section may exempt mercantile customers that commit 106768  
their demand-response or other customer-sited capabilities, 106769  
whether existing or new, for integration into the electric 106770  
distribution utility's demand-response, energy efficiency, 106771  
including waste energy recovery and combined heat and power, or 106772  
peak demand reduction programs, if the commission determines 106773  
that that exemption reasonably encourages such customers to 106774

commit those capabilities to those programs. If a mercantile 106775  
customer makes such existing or new demand-response, energy 106776  
efficiency, including waste energy recovery and combined heat 106777  
and power, or peak demand reduction capability available to an 106778  
electric distribution utility pursuant to division (A) (2) (c) of 106779  
this section, the electric utility's baseline under division (A) 106780  
(2) (a) of this section shall be adjusted to exclude the effects 106781  
of all such demand-response, energy efficiency, including waste 106782  
energy recovery and combined heat and power, or peak demand 106783  
reduction programs that may have existed during the period used 106784  
to establish the baseline. The baseline also shall be normalized 106785  
for changes in numbers of customers, sales, weather, peak 106786  
demand, and other appropriate factors so that the compliance 106787  
measurement is not unduly influenced by factors outside the 106788  
control of the electric distribution utility. 106789

(d) (i) Programs implemented by a utility may include the 106790  
following: 106791

(I) Demand-response programs; 106792

(II) Smart grid investment programs, provided that such 106793  
programs are demonstrated to be cost-beneficial; 106794

(III) Customer-sited programs, including waste energy 106795  
recovery and combined heat and power systems; 106796

(IV) Transmission and distribution infrastructure 106797  
improvements that reduce line losses; 106798

(V) Energy efficiency savings and peak demand reduction 106799  
that are achieved, in whole or in part, as a result of funding 106800  
provided from the ~~universal service~~ electric partnership plan 106801  
fund established by section 4928.51 of the Revised Code to 106802  
benefit low-income customers through programs that include, but 106803

are not limited to, energy audits, the installation of energy 106804  
efficiency insulation, appliances, and windows, and other 106805  
weatherization measures. 106806

(ii) No energy efficiency or peak demand reduction 106807  
achieved under divisions (A) (2) (d) (i) (IV) and (V) of this 106808  
section shall qualify for shared savings. 106809

(iii) Division (A) (2) (c) of this section shall be applied 106810  
to include facilitating efforts by a mercantile customer or 106811  
group of those customers to offer customer-sited demand- 106812  
response, energy efficiency, including waste energy recovery and 106813  
combined heat and power, or peak demand reduction capabilities 106814  
to the electric distribution utility as part of a reasonable 106815  
arrangement submitted to the commission pursuant to section 106816  
4905.31 of the Revised Code. 106817

(e) No programs or improvements described in division (A) 106818  
(2) (d) of this section shall conflict with any statewide 106819  
building code adopted by the board of building standards. 106820

(B) In accordance with rules it shall adopt, the public 106821  
utilities commission shall produce and docket at the commission 106822  
an annual report containing the results of its verification of 106823  
the annual levels of energy efficiency and of peak demand 106824  
reductions achieved by each electric distribution utility 106825  
pursuant to division (A) of this section. A copy of the report 106826  
shall be provided to the consumers' counsel. 106827

(C) If the commission determines, after notice and 106828  
opportunity for hearing and based upon its report under division 106829  
(B) of this section, that an electric distribution utility has 106830  
failed to comply with an energy efficiency or peak demand 106831  
reduction requirement of division (A) of this section, the 106832

commission shall assess a forfeiture on the utility as provided 106833  
under sections 4905.55 to 4905.60 and 4905.64 of the Revised 106834  
Code, either in the amount, per day per undercompliance or 106835  
noncompliance, relative to the period of the report, equal to 106836  
that prescribed for noncompliances under section 4905.54 of the 106837  
Revised Code, or in an amount equal to the then existing market 106838  
value of one renewable energy credit per megawatt hour of 106839  
undercompliance or noncompliance. Revenue from any forfeiture 106840  
assessed under this division shall be deposited to the credit of 106841  
the advanced energy fund created under section 4928.61 of the 106842  
Revised Code. 106843

(D) The commission may establish rules regarding the 106844  
content of an application by an electric distribution utility 106845  
for commission approval of a revenue decoupling mechanism under 106846  
this division. Such an application shall not be considered an 106847  
application to increase rates and may be included as part of a 106848  
proposal to establish, continue, or expand energy efficiency or 106849  
conservation programs. The commission by order may approve an 106850  
application under this division if it determines both that the 106851  
revenue decoupling mechanism provides for the recovery of 106852  
revenue that otherwise may be forgone by the utility as a result 106853  
of or in connection with the implementation by the electric 106854  
distribution utility of any energy efficiency or energy 106855  
conservation programs and reasonably aligns the interests of the 106856  
utility and of its customers in favor of those programs. 106857

(E) The commission additionally shall adopt rules that 106858  
require an electric distribution utility to provide a customer 106859  
upon request with two years' consumption data in an accessible 106860  
form. 106861

(F) (1) As used in divisions (F) (2), (3), and (4) of this 106862

section, "portfolio plan" has the same meaning as in division 106863  
(C) (1) of section 4928.6610 of the Revised Code. 106864

(2) If an electric distribution utility has a portfolio 106865  
plan in effect as of October 22, 2019, and that plan expires 106866  
before December 31, 2020, the commission shall extend the plan 106867

**Sec. 5104.34.** (A) (1) Each county department of job and 109782

determinations of eligibility for publicly funded child care. 109784  
Under those procedures, the eligibility determination for each 109785  
applicant shall be made no later than thirty calendar days from 109786  
the date the county department receives a completed application 109787  
for publicly funded child care. Each applicant shall be notified 109788  
promptly of the results of the eligibility determination. An 109789  
applicant aggrieved by a decision or delay in making an 109790  
eligibility determination may appeal the decision or delay to 109791  
the department of children and youth in accordance with section 109792  
5101.35 of the Revised Code. The due process rights of 109793  
applicants shall be protected. 109794

To the extent permitted by federal law, the county 109795

organization for eligibility determinations or for the 109807  
collection of information, the contract shall require the 109808  
provider or resource and referral service organization to make 109809

of the determination and to collect and transmit all necessary 109813  
information to the county department within a period of time 109814  
that enables the county department to make each eligibility 109815  
determination no later than thirty days after the filing of the 109816  
application that is the basis of the determination. 109817

The county department may station employees of the 109818  
department in various locations throughout the county to collect 109819  
information relevant to applications for publicly funded child 109820

department, child care provider, and child care resource and 109822  
referral service organization shall make each determination of 109823

of the applicant's eligibility. 109830

The director of children and youth shall adopt rules in 109831  
accordance with Chapter 119. of the Revised Code for monitoring 109832  
the eligibility determination process. In accordance with those 109833  
rules, the state department shall monitor eligibility 109834  
determinations made by county departments of job and family 109835  
services and shall direct any entity that is not in compliance 109836  
with this division or any rule adopted under this division to 109837  
implement corrective action specified by the department. 109838

(2) (a) All eligibility determinations for publicly funded 109839  
child care shall be made in accordance with rules adopted 109840  
pursuant to division (A) of section 5104.38 of the Revised Code. 109841

Except as otherwise provided in this section, all of the 109842  
following apply: 109843

(i) Publicly funded child care may be provided only to 109844  
eligible infants, toddlers, preschool-age children, school-age 109845  
children under age thirteen, or children receiving special needs 109846  
child care. 109847

(ii) For an applicant to be eligible for publicly funded 109848  
child care, the caretaker parent must be employed or 109849  
participating in a program of education or training for an 109850  
amount of time reasonably related to the time that the parent's 109851  
children are receiving publicly funded child care. This 109852  
restriction does not apply to families whose children are 109853  
eligible for protective child care. 109854

(iii) The eligibility period for publicly funded child 109855  
care shall be at least twelve months. 109856

~~(b) In accordance with rules adopted under division (B) of 109857

publicly funded child care while the county department 109859  
determines eligibility. An applicant may receive publicly funded 109860  
child care while a county department determines eligibility only 109861  
once during a twelve-month period. If the county department 109862  
determines that an applicant is not eligible for publicly funded 109863  
child care, the child care provider shall be paid for providing 109864  
publicly funded child care for up to five days after that 109865  
determination if the county department received a completed 109866  
application with all required documentation. A program may 109867  
appeal a denial of payment under this division. 109868~~

~~(e) If a caretaker parent who has been determined eligible 109869  
to receive publicly funded child care no longer meets the 109870~~

requirements of division (A) (2) (a) (ii) of this section, the 109871  
caretaker parent may continue to receive publicly funded child 109872  
care for a period of at least three but not more than four 109873  
months not to extend beyond the caretaker parent's eligibility 109874  
period. 109875

~~(d)~~ (c) If a child turns thirteen, or if a child receiving 109876  
special needs child care turns eighteen, during the eligibility 109877  
period, the caretaker parent may continue to receive publicly 109878  
funded child care until the end of that eligibility period. 109879

Subject to available funds, the department of children and 109880  
youth shall allow a family to receive publicly funded child care 109881  
unless the family's income exceeds the maximum income 109882  
eligibility limit. Initial and continued eligibility for 109883  
publicly funded child care is subject to available funds unless 109884  
the family is receiving child care pursuant to division (A) (1), 109885  
(2), (3), or (4) of section 5104.30 of the Revised Code. If the 109886  
department must limit eligibility due to lack of available 109887  
funds, it shall give first priority for publicly funded child 109888  
care to an assistance group whose income is not more than the 109889  
maximum income eligibility limit that received transitional 109890  
child care in the previous month but is no longer eligible 109891  
because the eligibility period has expired. Such an assistance 109892  
group shall continue to receive priority for publicly funded 109893  
child care until its income exceeds the maximum income 109894  
eligibility limit. 109895

(3) An assistance group that ceases to participate in the 109896  
Ohio works first program established under Chapter 5107. of the 109897  
Revised Code is eligible for transitional child care at any time 109898  
during the immediately following twelve-month period that both 109899  
of the following apply: 109900

(a) The assistance group requires child care due to employment; 109901  
109902

(b) The assistance group's income is not more than one hundred fifty per cent of the federal poverty line. 109903  
109904

An assistance group ineligible to participate in the Ohio works first program pursuant to section 5101.83 or section 5107.16 of the Revised Code is not eligible for transitional child care. 109905  
109906  
109907  
109908

(B) To the extent permitted by federal law, the department of children and youth may require a caretaker parent determined to be eligible for publicly funded child care to pay a fee according to the schedule of fees established in rules adopted under section 5104.38 of the Revised Code. The department shall make protective child care services and homeless child care services available to children without regard to the income or assets of the caretaker parent of the child. 109909  
109910  
109911  
109912  
109913  
109914  
109915  
109916

(C) A caretaker parent receiving publicly funded child care shall report to the entity that determined eligibility any changes in status with respect to employment or participation in a program of education or training not later than ten calendar days after the change occurs. 109917  
109918  
109919  
109920  
109921

(D) If the department of children and youth determines that available resources are not sufficient to provide publicly funded child care to all eligible families who request it, the department may establish a waiting list. The department may establish separate waiting lists within the waiting list based on income. 109922  
109923  
109924  
109925  
109926  
109927

(E) A caretaker parent shall not receive publicly funded child care from more than one child care provider per child 109928

any of the following reasons: 112231

(a) The hospital is ~~no longer~~ not a suitable place for the 112232  
care or treatment of persons with mental illnesses. 112233

(b) The hospital refuses to be subject to inspection or 112234  
on-site review by the department. 112235

(c) The hospital ~~has failed~~ fails to furnish humane, kind, 112236  
and adequate treatment and care. 112237

(d) The hospital fails to comply with the licensure rules 112238

of the department. 112239

(e) The department finds that the hospital is not managed 112240  
and operated by qualified persons, is not adequately staffed and 112241  
equipped to operate, or does not have on its staff one or more 112242  
qualified physicians, including at least one psychiatrist, who 112243  
is responsible for the care of the patients in the hospital. 112244

(f) The department has been notified under section 112245  
5119.334 of the Revised Code or otherwise becomes aware that the 112246  
hospital, any owner, sponsor, medical director, administrator, 112247  
or principal of the hospital, or any subsidiary of the hospital, 112248  
owner, or sponsor has been the subject of an adverse action, as 112249  
defined in that section, taken during the three-year period 112250  
immediately preceding the date of notification or date of 112251  
becoming aware of the adverse action. 112252

(2) Proceedings initiated to deny applications for full or 112253  
probationary licenses, to refuse to renew full or probationary 112254  
licenses, or to revoke full or probationary licenses are 112255  
governed by Chapter 119. of the Revised Code. If an order has 112256  
been issued suspending the admission of patients, the order 112257  
remains in effect during the pendency of those proceedings. 112258

(F) (1) In a proceeding initiated to suspend the admission 112259  
of patients, to deny an application for a full or probationary 112260  
license, to refuse to renew a full or probationary license, or 112261  
to revoke a full or probationary license, the department may 112262  
order the suspension, denial, refusal, or revocation regardless 112263  
of whether some or all of the deficiencies that prompted the 112264  
proceedings have been corrected at the time of the hearing. 112265

(2) When the department issues an order suspending the 112266  
admission of patients, denies an application for a full or 112267

probationary license, refuses to renew a full or probationary 112268  
license, or revokes a full or probationary license, the 112269  
department shall not grant an opportunity for submitting a plan 112270  
of correction. 112271

(G) The department may inspect, conduct an on-site review, 112272  
and review the records of any hospital that the department has 112273  
reason to believe is operating without a license. 112274

**Sec. 5119.331.** If the department of ~~mental-behavioral~~ 112275  
~~health and addiction services~~ determines that a hospital not 112276  
licensed by the department is receiving for care or treatment 112277

department may request in writing that the attorney general 112279  
petition the court of common pleas in the county where the 112280  
hospital is located to enjoin the hospital from continued 112281  
operation in violation of section 5119.33 of the Revised Code. 112282

**Sec. 5119.332.** No third-party payer shall directly or 112283  
indirectly reimburse, nor shall any person be obligated to pay 112284  
any hospital for psychiatric services for which a license is 112285  
required under section 5119.33 of the Revised Code unless the 112286  
hospital is licensed by the department of ~~mental-behavioral~~ 112287  
~~health and addiction services~~. 112288

insurance plan. 112295

**Sec. 5119.333.** No person shall keep or maintain a hospital 112296

for the care or treatment of persons with mental illnesses 112297

other approval to operate a hospital or practice a health care 112306  
profession. 112307

(B) (1) When submitting an application for initial or 112308  
renewed licensure of a hospital under section 5119.33 of the 112309  
Revised Code, the applicant shall notify the department of 112310

Notwithstanding division (C) (2) of this section, the court 112836  
shall not terminate a receivership for a residential facility 112837  
that has previously operated under another receivership unless 112838

case of a purchase agreement, only to the extent that payments 112878

determine whether the standards established by ~~divisions-~~ 112988  
division (B) ~~and (C)~~ of this section and any rules adopted under 112989  
this section are satisfied or continue to be satisfied by the 112990  
applicant. As part of the determination the director may conduct 112991  
an on-site review of the applicant. In doing so, the director 112992  
may conduct the review in cooperation with a board of alcohol, 112993  
drug addiction, and mental health services that seeks to 112994  
contract or has a contract with the applicant under section 112995  
340.036 of the Revised Code. 112996

Not later than fourteen days after receipt of an ~~initial-~~ 112997  
~~or-renewal~~ application for initial or renewed certification, the 112998  
director shall inform the board of alcohol, drug addiction, and 112999  
mental health services serving the alcohol, drug addiction, and 113000  
mental health service district in which the applicant's 113001  
certifiable services and supports will be provided of the 113002  
receipt of the application. On the board's request, the director 113003  
shall provide the board with a copy of the application. 113004

Not later than thirty days after a provider's 113005  
certification ceases to be valid for any reason, including the 113006  
provider's failure to renew the certification prior to 113007  
expiration, the director's acceptance of the provider's 113008  
surrender of the certification, or the issuance of a final order 113009  
for disciplinary action under division ~~(G)~~ (F) or ~~(M)~~ (L) of this 113010  
section, the director shall provide notice to the applicable 113011  
board of alcohol, drug addiction, and mental health services of 113012

the reason the certification ceased to be valid and the date it 113013  
became invalid. 113014

(B) (1) Except as provided in division (B) (4) of this 113015  
section, beginning on ~~the effective date of this amendment~~ 113016  
October 3, 2023, an applicant seeking initial certification of 113017  
certifiable services and supports shall be accredited by one or 113018  
more national accrediting organizations specified in division 113019  
(B) (3) of this section for certifiable services and supports for 113020  
which national accreditation exists for such services and 113021  
supports or equivalent services and supports. 113022

(2) Except as provided in division (B) (4) of this section, 113023  
beginning October 1, 2025, an applicant seeking to renew 113024  
certification of certifiable services and supports shall be 113025  
accredited by one or more national accrediting organizations 113026  
specified in division (B) (3) of this section for certifiable 113027  
services and supports for which national accreditation exists 113028  
for such services and supports or equivalent services and 113029  
supports. 113030

(3) For purposes of divisions (B) (1) and (2) of this 113031  
section, the director shall accept appropriate accreditation of 113032  
an applicant's certifiable services and supports from any of the 113033  
following national accrediting organizations: 113034

(a) The joint commission; 113035

(b) The commission on accreditation of rehabilitation 113036  
facilities; 113037

(c) The council on accreditation; 113038

(d) Any other national accrediting organization the 113039  
director considers appropriate. 113040

(4) The accreditation requirements of divisions (B) (1) and 113041  
(2) of this section do not apply to an applicant seeking an 113042  
initial or renewed certification to provide prevention services, 113043  
as that term is defined in rules adopted under this section. For 113044  
such applicants, accreditation is optional. 113045

~~(C) In addition to meeting the accreditation standard set 113046  
forth in division (B) of this section, an applicant seeking 113047  
initial or renewed certification of one or more certifiable 113048  
services and supports is eligible to receive the certification 113049  
only if both of the following are the case, as determined by the 113050  
director:— 113051~~

~~(1) The applicant has adequate staff and equipment to 113052  
provide the certifiable services and supports;— 113053~~

~~(2) The department has not been notified under section 113054  
5119.367 of the Revised Code or is not otherwise aware that the 113055  
applicant, or any owner or principal of the applicant, has been 113056  
the subject of an adverse action, as defined in that section, 113057  
taken during the three-year period immediately preceding the 113058  
date of application.— 113059~~

~~(D) (1) (C) (1)~~ Except as provided in division ~~(D) (2) (C) (2)~~ 113060  
of this section, if the director determines that an applicant 113061  
has paid any required certification fee, that the applicant's 113062  
accreditation of certifiable services and supports is current 113063  
and appropriate for the services and supports for which the 113064  
applicant is seeking initial or renewed certification, ~~that the 113065  
applicant meets the requirements of division (C) of this 113066  
section,~~ and that the applicant meets any other requirements 113067  
established by this section or rules adopted under it, the 113068  
director shall certify the services and supports or renew the 113069  
certification of the services and supports, as applicable. 113070

Except as provided in division ~~(J)~~(I) of this section, the 113071  
director shall issue or renew the certification without further 113072  
evaluation of the services and supports. 113073

(2) Prior to October 1, 2025, if an applicant that seeks 113074  
to renew certification of certifiable services and supports is 113075  
not accredited to provide those services and supports by one or 113076  
more national accrediting organizations specified in division 113077  
(B) (3) of this section, the director shall conduct an evaluation 113078  
of the applicant to determine whether the applicant's 113079  
certifiable services and supports satisfy the standards for 113080  
certification. The evaluation is in addition to any on-site 113081  
review conducted under division (A) of this section and shall be 113082  
performed in cooperation with a board of alcohol, drug 113083  
addiction, and mental health services that seeks to contract or 113084  
has a contract with the applicant under section 340.036 of the 113085  
Revised Code. If the director determines that an applicant has 113086  
paid any required certification fee, that the applicant's 113087  
certifiable services and supports satisfy the standards for 113088  
renewed certification, ~~that the applicant meets the requirements~~ 113089  
~~of division (C) of this section,~~ and that the applicant meets 113090  
any other requirements established by this section or the rules 113091  
adopted under it, the director shall certify the certifiable 113092  
services and supports. 113093

~~(E)~~(D) For purposes of the accreditation requirements of 113094  
this section, both of the following apply: 113095

(1) The director may review the accrediting organizations 113096  
specified in division (B) (3) of this section to evaluate whether 113097  
the accreditation standards and processes used by the 113098  
organizations are consistent with service delivery models the 113099  
director considers appropriate for mental health services, 113100

alcohol and drug addiction services, or physical health 113101  
services. The director may communicate to an accrediting 113102  
organization any identified concerns, trends, needs, and 113103  
recommendations. 113104

(2) The director shall require a community mental health 113105  
services provider and a community addiction services provider to 113106  
notify the director not later than ten days after any change in 113107  
the provider's accreditation status. The provider may notify the 113108  
director by providing a copy of the relevant document the 113109  
provider received from the accrediting organization. 113110

~~(F)~~ (E) The director may require a community mental health 113111  
services provider or a community addiction services provider to 113112  
submit to the director cost reports pertaining to the provider. 113113

~~(G)~~ (F) The director may refuse to certify certifiable 113114  
services and supports, refuse to renew certification, or revoke 113115  
certification if any of the following apply to an applicant for 113116  
certification or the holder of the certification: 113117

(1) The applicant or holder is not in compliance with 113118  
rules adopted under this section. 113119

(2) The applicant or holder has been cited for a pattern 113120  
of serious noncompliance or repeated violations of statutes or 113121  
rules during the current certification period or any previous 113122  
certification period. 113123

(3) The applicant or holder has been found to be in 113124  
violation of section 5119.396 of the Revised Code; 113125

(4) The applicant or holder submits false or misleading 113126  
information as part of a certification application, renewal, or 113127  
investigation. 113128

(5) The applicant does not have adequate staff and 113129  
equipment to provide the certifiable services and supports. 113130

(6) The department has been notified under section 113131  
5119.367 of the Revised Code or is otherwise aware that the 113132  
applicant, any owner or principal of the applicant, or any 113133  
subsidiary of the applicant or owner has been the subject of an 113134  
adverse action, as defined in that section, taken during the 113135  
three-year period immediately preceding the date of notification 113136  
or date of becoming aware of the adverse action. 113137

~~(H)~~ (G) Proceedings initiated to deny applications to 113138  
certify certifiable services and supports, to refuse to renew 113139  
certification, or to revoke certification are governed by 113140  
Chapter 119. of the Revised Code. If an order has been issued 113141  
suspending admissions to a community addiction services 113142  
provider, as provided in division ~~(M)~~ (L) of this section, the 113143  
order remains in effect during the pendency of those 113144  
proceedings. 113145

~~(I)~~ (H) The director may conduct an on-site review or 113146  
otherwise evaluate a community mental health services provider 113147  
or a community addiction services provider at any time based on 113148  
cause, including complaints made by or on behalf of persons 113149  
receiving mental health services or alcohol and drug addiction 113150  
services and confirmed or alleged deficiencies brought to the 113151  
attention of the director. This authority does not affect the 113152  
director's duty to conduct the inspections required by section 113153  
5119.37 of the Revised Code. 113154

In conducting an on-site review under this division, the 113155  
director may do so in cooperation with a board of alcohol, drug 113156  
addiction, and mental health services that seeks to contract or 113157  
has a contract with the applicant under section 340.036 of the 113158

Revised Code. In conducting any other evaluation under this 113159  
division, the director shall do so in cooperation with such a 113160  
board. 113161

~~(J)~~(I) If the director proposes to take action under 113162  
division ~~(G)~~(F) of this section, the director shall notify the 113163  
board of alcohol, drug addiction, and mental health services 113164  
serving the alcohol, drug addiction, and mental health service 113165  
district in which the certifiable services and supports will be 113166  
or were provided, and provide the board opportunity to respond 113167  
as specified in division (A) of this section with respect to 113168  
initial or renewal applications. 113169

When a final order is issued by the director under 113170  
division ~~(G)~~(F) of this section, the director may request that 113171  
the appropriate board of alcohol, drug addiction, and mental 113172  
health services reallocate any funds for the certifiable 113173  
services and supports the applicant was to provide to a 113174  
community mental health services provider or community addiction 113175  
services provider whose certifiable services and supports 113176  
satisfy the standards. If the board does not reallocate such 113177  
funds in a reasonable period of time, the director may withhold 113178  
state and federal funds for the certifiable services and 113179  
supports and allocate those funds directly to a community mental 113180  
health services provider or community addiction services 113181  
provider whose certifiable services and supports satisfy the 113182  
standards. 113183

~~(K)~~(J) Each applicant seeking initial or renewed 113184  
certification of its certifiable services and supports shall pay 113185  
a fee for the certification required by this section, unless the 113186  
applicant is exempt under rules adopted under this section. Fees 113187  
shall be paid into the state treasury to the credit of the sale 113188

of goods and services fund created pursuant to section 5119.45 113189  
of the Revised Code. 113190

~~(L)~~(K) The director shall adopt rules in accordance with 113191  
Chapter 119. of the Revised Code to implement this section. The 113192  
rules shall do all of the following: 113193

(1) Subject to section 340.034 of the Revised Code, 113194  
specify the types of recovery supports that are required to be 113195  
certified under this section; 113196

(2) Establish certification standards for certifiable 113197  
services and supports that are consistent with nationally 113198  
recognized applicable standards and facilitate participation in 113199  
federal assistance programs. The rules shall include as 113200  
certification standards only requirements that improve the 113201  
quality of certifiable services and supports or the health and 113202  
safety of persons receiving certifiable services and supports. 113203  
The standards shall address at a minimum all of the following: 113204

(e) Requirements regarding the physical facilities in 113211

services and supports of an applicant; 113219

(i) Standards and procedures for revoking the 113220  
certification of a community mental health services provider's 113221  
or community addiction services provider's certifiable services 113222  
and supports that do not continue to meet the minimum standards 113223  
established pursuant to this section; 113224

(j) The limitations to be placed on a provider whose 113225  
certifiable services and supports are granted probationary or 113226  
interim certification; 113227

(k) Development of written policies addressing the rights 113228  
of persons receiving certifiable services and supports, 113229  
including all of the following: 113230

(i) The right to a copy of the written policies addressing 113231  
the rights of persons receiving certifiable services and 113232  
supports; 113233

consideration and respect for the person's privacy and dignity; 113235

(iii) The right to have access to the person's own 113236

clear treatment reasons; 113239

(iv) The right to have a client rights officer provided by 113240

(1) Documentation that must be submitted as evidence of 113245  
holding appropriate accreditation; 113246

(m) A process by which the director may review the 113247  
accreditation standards and process used by the national 113248  
accrediting organizations specified in division (B) (3) of this 113249  
section. 113250

(3) Establish the process for certification of certifiable 113251  
services and supports; 113252

services provider or community addiction services provider under 113261  
division ~~(I)~~ (H) of this section, may take any range of 113262  
correction actions, including revocation of the provider's 113263  
certification. 113264

~~(M)~~ ~~(1)~~ (L) (1) The director may issue an order suspending 113265  
admissions to a community addiction services provider that 113266  
provides overnight accommodations if the director finds either 113267  
of the following: 113268

(a) The provider's certifiable services and supports are 113269  
not in compliance with rules adopted under this section; 113270

(b) The provider has been cited for more than one 113271

violation of statutes or rules during any previous certification 113272  
period of the provider. 113273

(2) (a) Except as provided in division ~~(M) (2) (b)~~ (L) (2) (b) 113274  
of this section, proceedings initiated to suspend admissions to 113275  
a community addiction services provider that provides overnight 113276  
accommodations are governed by Chapter 119. of the Revised Code. 113277

(b) If a suspension of admissions is proposed because the 113278  
director has determined that the provider has demonstrated a 113279  
pattern of serious noncompliance or that a violation creates a 113280  
substantial risk to the health and safety of patients, the 113281  
director may issue an order suspending admissions before 113282  
providing an opportunity for an adjudication under Chapter 119. 113283  
of the Revised Code. The director shall lift the order for the 113284  
suspension of admissions if the director determines that the 113285  
violation that formed the basis for the order has been 113286  
corrected. 113287

(3) Appeals from proceedings initiated to order the 113288  
suspension of admissions shall be conducted in accordance with 113289  
Chapter 119. of the Revised Code, unless the order was issued 113290  
before providing an opportunity for an adjudication, in which 113291  
case all of the following apply: 113292

(a) The provider may request a hearing not later than ten 113293  
days after being served in accordance with sections 119.05 and 113294  
119.07 of the Revised Code. 113295

(b) If a timely request for a hearing that includes the 113296  
provider's current address is made, the hearing shall commence 113297  
not later than thirty days after the department receives the 113298  
request. 113299

(c) After commencing, the hearing shall continue 113300

uninterrupted, except for Saturdays, Sundays, and legal 113301  
holidays, unless other interruptions are agreed to by the 113302  
provider and the director. 113303

(d) If the hearing is conducted by a hearing examiner, the 113304  
hearing examiner shall file a report and recommendations with 113305  
the department not later than ten days after the last of the 113306  
following: 113307

(i) The close of the hearing; 113308

(ii) If a transcript of the proceedings is ordered, the 113309  
hearing examiner receives the transcript; 113310

(iii) If post-hearing briefs are timely filed, the hearing 113311  
examiner receives the briefs. 113312

(e) The hearing examiner shall send a written copy of the 113313  
report and recommendations, by certified mail, to the provider, 113314  
or the provider's attorney, if applicable, not later than five 113315  
days after the report is filed with the department. 113316

(f) Not later than five days after receiving the report 113317  
and recommendations, the provider may file objections with the 113318  
department. 113319

(g) Not later than fifteen days after the hearing examiner 113320  
files the report and recommendations, the department shall issue 113321  
an order approving, modifying, or disapproving the report and 113322  
recommendations. 113323

(h) Notwithstanding the pendency of the hearing, the 113324  
department shall lift the order for the suspension of admissions 113325  
if the department determines the violation that formed the basis 113326  
for the order has been corrected. 113327

~~(N) (1)~~ (M) (1) In a proceeding initiated to suspend 113328

admissions to a community addiction services provider that 113329  
provides overnight accommodations, to deny an application for 113330  
certification of certifiable services and supports, to refuse to 113331  
renew certification, or to revoke certification, the department 113332  
may order the suspension, denial, refusal, or revocation 113333  
regardless of whether some or all of the deficiencies that 113334  
prompted the proceedings have been corrected at the time of the 113335  
hearing. 113336

(2) When the department issues an order suspending 113337  
admissions to a community addiction services provider that 113338  
provides overnight accommodations, denies an application for 113339  
certification of certifiable services and supports, refuses to 113340  
renew certification, or revokes a certification, the department 113341  
shall not grant an opportunity for submitting a plan of 113342  
correction. 113343

~~(O)~~ (N) The department of ~~mental-behavioral~~ health and 113344  
~~addiction services~~ shall maintain a current list of community 113345  
addiction services providers and shall provide a copy of the 113346  
list to a judge of a court of common pleas who requests a copy 113347  
for the use of the judge under division (H) of section 2925.03 113348  
of the Revised Code. The list shall identify each provider by 113349  
its name, its address, and the county in which it is located. 113350

~~(P)~~ (O) No person shall represent in any manner that a 113351  
community mental health services provider's or community 113352  
addiction services provider's certifiable services and supports 113353  
are certified by the director if the certifiable services and 113354  
supports are not so certified at the time the representation is 113355  
made. 113356

~~(O)~~ (P) If a board of alcohol, drug addiction, and mental 113357  
health services requests the department of ~~mental-behavioral~~ 113358

health services provider or community addiction services 113360  
provider pursuant to this section, the department shall initiate 113361  
the investigation not later than ten business days after receipt 113362  
of the request. If the department initiates an investigation of 113363  
a community mental health services provider or community 113364  
addiction services provider under this section for any other 113365  
reason, the department shall notify the board of alcohol, drug 113366  
addiction, and mental health services serving the applicable 113367  
alcohol, drug addiction, and mental health service district of 113368  
the investigation and the reason for the investigation not later 113369  
than three business days after the investigation begins. On the 113370  
board's request, the department shall provide the board with 113371  
information specifying the status of the investigation and the 113372  
final disposition of the investigation. 113373

(L) If the department finds reasonable cause to believe 113772  
that a community addiction services provider licensed under this 113773  
section is in violation of any state or federal law or rule 113774  
relating to drug abuse, the department may issue an order 113775  
immediately revoking the license, subject to division (M) of 113776  
this section. The department shall set a date not more than 113777  
fifteen days later than the date of the order of revocation for 113778  
a hearing on the continuation or cancellation of the revocation. 113779  
For good cause, the department may continue the hearing on 113780  
application of any interested party. In conducting hearings, the 113781  
department has all the authority and power set forth in division 113782

Notwithstanding any provision of Chapter 119. of the Revised 113789

an opioid treatment program unless all clients receiving 113794

community addiction services provider are provided adequate 113796  
substitute medication or treatment. For purposes of this 113797  
division, the department may transfer the clients to other 113798  
providers licensed to operate opioid treatment programs or 113799  
replace any or all of the administrators and staff of the 113800  
provider with representatives of the department who shall 113801  
continue on a provisional basis the opioid treatment component 113802  
of the provider's operations. 113803

a community addiction services provider for a license to operate 113805  
an opioid treatment program, issues or refuses to issue a 113806  
license, or withdraws or revokes a license, the department shall 113807  
notify the board of alcohol, drug addiction, and mental health 113808  
services of each alcohol, drug addiction, and mental health 113809  
service district in which the provider operates. 113810

(O) Whenever it appears to the department from files, upon 113811  
complaint, or otherwise, that a community addiction services 113812  
provider has engaged in any practice declared to be illegal or 113813  
prohibited by section 3719.61 of the Revised Code, or any other 113814  
state or federal laws or regulations relating to drug abuse, or 113815  
when the department believes it to be in the best interest of 113816  
the public and necessary for the protection of the citizens of 113817  
the state, the department may request criminal proceedings by 113818  
laying before the prosecuting attorney of the proper county any 113819  
evidence of criminality which may come to its knowledge. 113820

(P) The department shall maintain a current list of 113821

community addiction services providers licensed by the 113822  
department under this section and shall provide a copy of the 113823  
current list to a judge of a court of common pleas who requests 113824

If, before expiration of the declaration, a community 113854

declaration under division (A) of this section. If, before 113862  
expiration of the declaration, the provider applies for issuance 113863  
of a license due to relocation, the department shall not 113864  
consider the requirement of division (C) (4) of section 5119.37 113865

disability insurance benefits who the department determines are 114183  
at risk of needing institutional care. 114184

In implementing the program, the department may designate 114185  
one or more entities to be responsible for providing 114186

impairment an individual must have so that the amount 114211  
appropriated for the program by the general assembly is adequate 114212  
for the number of eligible individuals. The rules shall not 114213  
limit the eligibility of individuals who are disabled solely on 114214  
a basis classifying disabilities as physical or mental. 114215

individual resided on November 15, 1990. 114233

**Sec. 5119.42.** (A) As used in this section, "private, 114234

for state reimbursement of and state grants for community 114261  
construction programs, including residential housing for persons 114262  
with severe mental disabilities and persons with substance use 114263  
disorders and procedures and criteria for approval of such 114264  
reimbursement and grants. 114265

(2) The director of ~~mental behavioral health and addiction~~ 114266  
~~services~~ shall not approve state reimbursement or a state grant 114267  
unless all of the following conditions are met: 114268

(a) The applicant includes with the application a plan 114269  
specifying the services, in addition to housing, that will be 114270  
provided to persons who will reside in the residential housing. 114271  
Services specified may include any of the services described in 114272  
section 340.09 of the Revised Code. 114273

(b) The director is satisfied that the residential housing 114274

promote the maximum practical integration of persons with severe 114276  
mental disabilities with persons at the same site who do not 114277  
have severe mental disabilities. 114278

(c) The use of any funds distributed pursuant to the 114279

entity that is the recipient of the reimbursement or grant. Any 114285  
such agreement is subject to any covenant or agreement 114286

pertaining to any obligation issued to provide funds for the 114287  
reimbursement or grant. 114288

**Sec. 5119.421.** (A) This section applies to a board of 114289  
alcohol, drug addiction, and mental health services, another 114290  
governmental entity, or a private, nonprofit organization that 114291  
received a grant or reimbursement under section 5119.42 of the 114292  
Revised Code for a facility on which the department of ~~mental-~~ 114293  
behavioral health and addiction services holds a security 114294  
interest. 114295

(B) A board of alcohol, drug addiction, and mental health 114296  
services, another governmental entity, or a private, nonprofit 114297  
organization to which this section applies may apply to the 114298  
director of ~~mental-behavioral health and addiction services~~ for 114299  
approval to sell its facility and acquire, construct, or 114300  
renovate a replacement facility pursuant to this section. The 114301  
director shall prescribe the form of the application. Before 114302  
submitting an application to the director, a governmental entity 114303  
or private, nonprofit organization must obtain approval of the 114304  
application from the board of alcohol, drug addiction, and 114305  
mental health services with jurisdiction over the service 114306  
district in which the existing facility is located. The director 114307  
shall approve an application for a replacement project upon 114308  
determining that the project provides for the continuation of 114309  
appropriate mental health and addiction services to the 114310  
population served by the board, entity, or organization. 114311

(C) A board, entity, or organization that obtains approval 114312  
for a project under division (B) of this section shall pay the 114313

behavioral health and addiction services. The director shall 114315  
deposit the proceeds to the credit of the community capital 114316

replacement facilities fund. 114317

(D) When a board, entity, or organization that has sold 114318  
its facility notifies the director of ~~mental behavioral health~~ 114319  
~~and addiction services~~ that it is ready to acquire, construct, 114320  
or renovate a replacement facility, the director shall do one of 114321  
the following: 114322

(1) If the replacement facility is located in the same 114323  
alcohol, drug addiction, and mental health service district as 114324  
the original facility, and if the purposes for which the 114325  
replacement facility will be used are the same as or similar to 114326  
those for the original facility, the director shall pay to the 114327  
board, entity, or organization from the community capital 114328  
replacement facilities fund an amount equal to the lesser of an 114329  
amount equal to the proceeds of the sale of the original 114330  
facility or the amount of the state's agreed-upon participation 114331  
(as a per cent of the total cost) in the cost of the replacement 114332  
facility. If the amount of the state's agreed-upon participation 114333  
in the cost of the replacement facility is less than the value 114334  
of the state's security interest in the original facility, the 114335  
difference between the state's agreed-upon participation in the 114336  
cost of the replacement facility and the value of the state's 114337  
security interest in the original facility shall be retained in 114338  
the community capital replacement facilities fund, and any 114339  
excess proceeds shall be paid to the board, entity, or 114340  
organization. 114341

(2) If the replacement facility is located in a different 114342  
alcohol, drug addiction, and mental health service district than 114343  
the original facility, or if the purposes for which the 114344  
replacement facility will be used are not the same as or similar 114345  
to those for the original facility, the director shall request 114346

controlling board approval for release of funds for the project. 114347  
If the controlling board so approves, the director shall pay to 114348  
the board, entity, or organization from the community capital 114349  
replacement facilities fund the lesser of an amount equal to the 114350  
proceeds of the sale of the original facility or the amount of 114351  
the state's agreed-upon participation (as a per cent of the 114352  
total cost) in the cost of the replacement facility. If the 114353  
amount of the state's agreed-upon participation in the cost of 114354  
the replacement facility is less than the value of the state's 114355  
security interest in the original facility, the difference 114356  
between the state's agreed-upon participation in the cost of the 114357  
replacement facility and the value of the state's security 114358  
interest in the original facility shall be retained in the 114359  
community capital replacement facilities fund, and any excess 114360  
proceeds shall be paid to the board, entity, or organization. 114361

(E) The director of ~~mental-behavioral health and addiction~~ 114362  
~~services~~ and a board, entity, or organization shall enter into 114363  
an agreement specifying the terms of any payment made to the 114364  
board, entity, or organization under division (D) of this 114365  
section. The terms may include provision for the department of 114366  
~~mental-behavioral health and addiction services~~ to hold a 114367  
security interest in the facility. 114368

(F) (1) When approving an application under division (B) of 114369  
this section, the director of ~~mental-behavioral health and~~ 114370  
~~addiction services~~ shall establish a deadline by which the 114371  
board, entity, or organization must notify the director that it 114372  
is ready to acquire, construct, or renovate a replacement 114373  
facility. If the board, entity, or organization does not notify 114374  
the director on or before the deadline, the director may cancel 114375  
the project. Upon canceling the project, the director shall pay 114376  
to the board, entity, or organization from the community capital 114377

replacement facilities fund an amount equal to the portion of 114378  
the proceeds of the sale of the original facility that exceeds 114379  
the value of the state's security interest in the facility. 114380

(2) Notwithstanding the deadline established under 114381  
division (F)(1) of this section, if at any time a board, entity, 114382  
or organization notifies the director that it does not intend to 114383  
acquire, construct, or renovate a replacement facility under 114384  
this section, the director shall cancel the replacement project 114385  
and pay to the board, entity, or organization from the community 114386  
capital replacement facilities fund an amount equal to the 114387  
portion of the proceeds of the sale of the original facility 114388  
that exceeds the value of the state's security interest in the 114389  
facility. 114390

(G) If a replacement project is canceled after the sale of 114391  
the original facility, the director of ~~mental-behavioral~~ health 114392  
~~and addiction services~~ shall use funds equal to the value of the 114393  
state's security interest in the original facility for 114394  
additional grants or reimbursements under section 5119.42 of the 114395  
Revised Code. The director shall obtain the approval of the 114396  
controlling board before releasing the additional grants or 114397  
reimbursements. 114398

(H) The community capital replacement facilities fund is 114399  
hereby created in the state treasury. The director of ~~mental-~~ 114400  
~~behavioral~~ health ~~and addiction services~~ shall use the fund for 114401  
the purposes of this section. 114402

**Sec. 5119.43.** (A) The director of ~~mental-behavioral~~ health 114403  
~~and addiction services~~ may enter into agreements with any 114404  
person, political subdivision, or state agency for the sale or 114405

(2) The director of ~~mental-behavioral health and addiction~~ 114414  
~~services~~ shall have a preliminary appraisal made of any lands or 114415  
facilities designated under division (A) (1) of this section by a 114416  
disinterested professional appraiser from the department of 114417  
administrative services. The appraiser shall deliver to the 114418  
director of ~~mental-behavioral health and addiction services~~ a 114419

facilities as determined from the preliminary appraisal. 114421

(3) The director of ~~mental-behavioral health and addiction~~ 114422  
~~services~~ shall certify to the clerk of the house of 114423  
representatives and to the clerk of the senate a list of all 114424

the senate under division (A) (3) of this section, shall 114433  
immediately be transmitted by the respective clerks to the 114434

report shall not be made under this section. With respect to a 114442  
sale or lease of lands and facilities that has not been 114443  
disapproved under this division, the director of ~~mental-~~ 114444  
behavioral health and addiction services shall certify those 114445

Revised Code. The department of administrative services shall be 114462  
the sole agent for the state and shall complete the sale or 114463  
lease of the lands or facilities, up to and including the 114464  
closing thereof, after the director of ~~mental-behavioral~~ health 114465  
~~and addiction services~~ approves the sale price. The director of 114466  
~~mental-behavioral health and addiction services~~ and the director 114467

consistent with the terms specified in the original notice from  
the director of ~~mental-behavioral health and addiction services~~.  
If no offer to purchase is received by the director of ~~mental-~~

shall be considered withdrawn and the director of ~~mental-~~  
~~behavioral health and addiction services~~ shall be under no  
obligation to sell any of the lands specified in the notice to  
the subdivision. If two or more offers to purchase the same  
parcels of land are received by the director of ~~mental-~~

The court shall dismiss the case or order placement in the least restrictive setting.

(G) (1) Except as provided in division (G) (2) of this 116043  
section, any person for whom proceedings for treatment have been 116044  
commenced pursuant to section 5122.11 of the Revised Code, may 116045  
apply at any time for voluntary admission or treatment to the 116046  
entity or person to which the person was committed. Upon 116047  
admission as a voluntary patient the chief clinical officer of 116048  
the entity or the person immediately shall notify the court, the 116049  
patient's counsel, and the attorney designated by the board, if 116050  
the attorney has entered the proceedings, in writing of that 116051  
fact, and, upon receipt of the notice, the court shall dismiss 116052  
the case. 116053

(2) A person who is found incompetent to stand trial or 116054  
not guilty by reason of insanity and who is committed pursuant 116055  
to section 2945.39, 2945.40, 2945.401, or 2945.402 of the 116056  
Revised Code shall not voluntarily commit the person pursuant to 116057  
this section until after the final termination of the 116058  
commitment, as described in division (J) of section 2945.401 of 116059  
the Revised Code. 116060

(H) If, at the end of the first ninety-day period or any 116061  
subsequent period of continued commitment, there has been no 116062  
disposition of the case, either by discharge or voluntary 116063  
admission or treatment, the entity or person shall discharge the 116064  
patient immediately, unless at least ten days before the 116065  
expiration of the period the attorney the board designates or 116066  
the prosecutor files with the court an application for continued 116067  
commitment. The application of the attorney or the prosecutor 116068  
shall include a written report containing the diagnosis, 116069  
prognosis, past treatment, a list of alternative treatment 116070  
settings and plans, and identification of the treatment setting 116071  
that is the least restrictive consistent with treatment needs. 116072  
The attorney the board designates or the prosecutor shall file 116073

the written report at least three days prior to the full 116074  
hearing. A copy of the application and written report shall be 116075  
provided to the respondent's counsel immediately. 116076

The court shall hold a full hearing on applications for 116077  
continued commitment at the expiration of the first ninety-day 116078  
period and at least every two years after the expiration of the 116079  
first ninety-day period. 116080

Hearings following any application for continued 116081  
commitment are mandatory and may not be waived. 116082

For a respondent who is ordered to receive treatment in an 116083  
outpatient setting, if at any time after the first ninety-day 116084  
period the entity or person to whom the respondent was ordered 116085  
determines that the respondent has demonstrated voluntary 116086  
consent for treatment, that entity or person shall immediately 116087  
notify the respondent, the respondent's counsel, the attorney 116088  
designated by the board, and the court. The entity or person 116089  
shall submit to the court a report of the findings and 116090  
recommendations. The court may dismiss the case upon review of 116091  
the facts. 116092

Upon request of a person who is involuntarily committed 116093  
under this section, or the person's counsel, that is made more 116094  
than one hundred eighty days after the person's last full 116095  
hearing, mandatory or requested, the court shall hold a full 116096  
hearing on the person's continued commitment. Upon the 116097  
application of a person involuntarily committed under this 116098  
section, supported by an affidavit of a psychiatrist or licensed 116099  
clinical psychologist, alleging that the person no longer is a 116100  
person with a mental illness subject to court order, the court 116101  
for good cause shown may hold a full hearing on the person's 116102  
continued commitment prior to the expiration of one hundred 116103

eighty days after the person's last full hearing. Section 116104  
5122.12 of the Revised Code applies to all hearings on continued 116105  
commitment. 116106

If the court, after a hearing for continued commitment 116107  
finds by clear and convincing evidence that the respondent is a 116108  
person with a mental illness subject to court order, the court 116109  
may order continued commitment at places or to persons specified 116110  
in division (C) of this section. 116111

(I) Unless the admission is pursuant to section 5120.17 or 116112  
5139.08 of the Revised Code, the chief clinical officer of the 116113  
entity admitting a respondent pursuant to a judicial proceeding, 116114  
within ten working days of the admission, shall make a report of 116115  
the admission to the board of alcohol, drug addiction, and 116116  
mental health services serving the respondent's county of 116117  
residence. 116118

(J) A referee appointed by the court may make all orders 116119  
that a judge may make under this section and sections 5122.11 116120  
and 5122.141 of the Revised Code, except an order of contempt of 116121  
court. The orders of a referee take effect immediately. Within 116122  
fourteen days of the making of an order by a referee, a party 116123  
may file written objections to the order with the court. The 116124  
filed objections shall be considered a motion, shall be 116125  
specific, and shall state their grounds with particularity. 116126  
Within ten days of the filing of the objections, a judge of the 116127  
court shall hold a hearing on the objections and may hear and 116128  
consider any testimony or other evidence relating to the 116129  
respondent's mental condition. At the conclusion of the hearing, 116130  
the judge may ratify, rescind, or modify the referee's order. 116131

(K) An order of the court under division (C), (H), or (J) 116132  
of this section is a final order. 116133

(L) Before a board, or a services provider the board  
designates, may place an unconsenting respondent in an inpatient  
setting from a less restrictive placement, the board or services  
provider shall do all of the following:

(1) Determine that the respondent is in immediate need of  
treatment in an inpatient setting because the respondent  
represents a substantial risk of physical harm to the respondent  
or others if allowed to remain in a less restrictive setting;

(2) On the day of placement in the inpatient setting or on  
the next court day, file with the court a motion for transfer to  
an inpatient setting or communicate to the court by telephone  
that the required motion has been mailed;

(3) Ensure that every reasonable and appropriate effort is  
made to take the respondent to the inpatient setting in the  
least conspicuous manner possible;

(4) Immediately notify the board's designated attorney and  
the respondent's attorney.

At the respondent's request, the court shall hold a  
hearing on the motion and make a determination pursuant to  
division (E) of this section within five days of the placement.

(M) Before a board, or a services provider the board  
designates, may move a respondent from one residential placement  
to another, the board or services provider shall consult with  
the respondent about the placement. If the respondent objects to  
the placement, the proposed placement and the need for it shall  
be reviewed by a qualified mental health professional who  
otherwise is not involved in the treatment of the respondent.

(N) The entity or person to whom the respondent was  
ordered for treatment in an outpatient setting may submit a

report to the court indicating that the respondent has either 116163  
failed to comply with the treatment plan or begun to demonstrate 116164  
signs of decompensation that may be grounds for hospitalization. 116165  
On receipt of the report, the court shall promptly schedule a 116166  
hearing to review the case. The court shall conduct the hearing 116167  
in a manner consistent with this chapter and due process of law. 116168  
The board shall receive notice of the hearing and the board and 116169  
entity or person treating the respondent shall submit a report 116170  
to the court with a plan for appropriate alternative treatment, 116171  
if any, or recommend that the court discontinue the court- 116172  
ordered treatment. The court shall consider available and 116173  
appropriate alternative placements but shall not impose criminal 116174  
sanctions that result in confinement in a jail or other local 116175  
correctional facility based on the respondent's failure to 116176  
comply with the treatment plan. The court may not order the 116177  
respondent to a more restrictive placement unless the criteria 116178  
specified in division (L) of this section are met and may not 116179  
order the respondent to an inpatient setting unless the court 116180  
determines by clear and convincing evidence presented by the 116181  
board that the respondent meets the criteria specified in 116182  
divisions (A) and (B) (1), (2), (3), or (4) of section 5122.01 of 116183  
the Revised Code. 116184

**Sec. 5122.20.** The director of ~~mental-behavioral~~ health and 116185  
~~addiction services~~ or the director's designee may transfer, or 116186  
authorize the transfer of, an involuntary patient, or a 116187  
consenting voluntary patient hospitalized pursuant to section 116188  
5122.02 or sections 5122.11 to 5122.15 of the Revised Code, from 116189  
one public hospital to another, or to a hospital, community 116190  
mental health services provider, or other facility offering 116191  
treatment or other services for mental illness, if the medical 116192  
director of the department of ~~mental-behavioral~~ health and 116193

~~addiction services~~ determines that it would be consistent with 116194  
the medical needs of the patient to do so. If such a transfer is 116195  
made to a private facility, the transfer shall be conditioned 116196  
upon the consent of the facility. 116197

Before an involuntary patient may be transferred to a more 116198  
restrictive setting, the chief clinical officer shall file a 116199  
motion with the court requesting the court to amend its order of 116200  
placement issued under section 5122.15 of the Revised Code. At 116201  
the patient's request, the court shall hold a hearing on the 116202  
motion at which the patient has the same rights as at a full 116203  
hearing under section 5122.15 of the Revised Code. The hearing 116204  
shall be held within ten days after the date on which the 116205  
respondent was transferred to the more restrictive setting or on 116206  
which the motion was filed, whichever is earlier. On the motion 116207  
of the respondent, the respondent's counsel, or the chief 116208  
clinical officer, or on its own motion, and for good cause 116209  
shown, the court may order a continuance of the hearing for up 116210  
to ten days. 116211

Whenever an involuntary patient is transferred, written 116212  
notice of the transfer shall be given to the patient's legal 116213  
guardian, parents, spouse, and counsel, or, if none is known, to 116214  
the patient's nearest known relative or friend. If the patient 116215  
is a minor, the department, before making such a transfer, shall 116216  
make a minute of the order for the transfer and the reason for 116217  
it upon its record and shall send a certified copy at least 116218  
seven days prior to the transfer to the person shown by its 116219  
record to have had the care or custody of the minor immediately 116220  
prior to the minor's commitment. Whenever a consenting voluntary 116221  
patient is transferred, the notification shall be given only at 116222  
the patient's request. The chief clinical officer shall advise a 116223  
voluntary patient who is being transferred that the patient may 116224

decide if the notification shall be given. In all such 116225  
transfers, due consideration shall be given to the wishes of the 116226  
patient, and the relationship of the patient to the patient's 116227  
family, legal guardian, or friends, so as to maintain the 116228  
relationship and encourage visits beneficial to the patient. 116229

When a voluntary patient whose medical or psychological 116230  
needs are found by the chief clinical officer to warrant a 116231  
transfer refuses to be transferred to an alternate facility, the 116232  
chief clinical officer may file an affidavit for a hearing under 116233  
section 5122.11 of the Revised Code. 116234

**Sec. 5122.21.** (A) The chief clinical officer shall as 116235  
frequently as practicable, and at least once every thirty days, 116236  
examine or cause to be examined every patient, and, whenever the 116237  
chief clinical officer determines that the conditions justifying 116238  
involuntary hospitalization or commitment no longer obtain, 116239  
shall discharge the patient not under indictment or conviction 116240  
for crime and immediately make a report of the discharge to the 116241  
department of ~~mental-behavioral health-and-addiction services~~. 116242  
The chief clinical officer may discharge a patient who is under 116243  
an indictment, a sentence of imprisonment, a community control 116244  
sanction, or a post-release control sanction or on parole ten 116245  
days after written notice of intent to discharge the patient has 116246  
been given by personal service or certified mail, return receipt 116247  
requested, to the court having criminal jurisdiction over the 116248  
patient. Except when the patient was found not guilty by reason 116249  
of insanity and the defendant's commitment is pursuant to 116250  
section 2945.40 of the Revised Code, the chief clinical officer 116251  
has final authority to discharge a patient who is under an 116252  
indictment, a sentence of imprisonment, a community control 116253  
sanction, or a post-release control sanction or on parole. 116254

(B) After a finding pursuant to section 5122.15 of the Revised Code that a person is a person with a mental illness subject to court order, the chief clinical officer of the hospital or community mental health services provider to which the person is ordered or to which the person is transferred under section 5122.20 of the Revised Code, may grant a discharge without the consent or authorization of any court.

Upon discharge, the chief clinical officer shall notify the court that caused the judicial hospitalization of the discharge from the hospital.

**Sec. 5122.23.** The chief clinical officer of a public hospital shall immediately report to the department of ~~mental-behavioral health and addiction services~~ and the board of alcohol, drug addiction, and mental health services serving the patient's county of residence the removal, death, escape, discharge, or trial visit of any patient hospitalized under section 5122.15 of the Revised Code, or the return of such an escaped or visiting patient to the department, the probate judge of the county from which such patient was hospitalized, and the probate judge of the county of residence of such patient. In case of death, the chief clinical officer also shall notify one or more of the nearest relatives of the deceased patient, if known to the chief clinical officer, by letter, telegram, or telephone. If the place of residence of such relative is unknown to the chief clinical officer, immediately upon receiving notification the probate judge shall in the speediest manner possible notify such relatives, if known to the probate judge.

The chief clinical officer of a public hospital, upon the request of the probate judge of the county from which a patient was hospitalized or the probate judge of the county of residence

of such a patient, shall make a report to the judge of the 116285  
condition of any patient under the care, treatment, custody, or 116286  
control of the chief clinical officer. 116287

**Sec. 5122.26.** (A) If a patient is absent without leave, on 116288  
a verbal or written order issued within five days of the time of 116289  
the unauthorized absence by the department of ~~mental-behavioral~~ 116290  
~~health-and-addiction services~~, the chief clinical officer of the 116291  
hospital from which the patient is absent without leave, or the 116292  
court of either the county from which the patient was committed 116293  
or in which the patient is found, any health or police officer 116294  
or sheriff may take the patient into custody and transport the 116295  
patient to the hospital in which the patient was hospitalized or 116296  
to a place that is designated in the order. The officer 116297  
immediately shall report such fact to the entity that issued the 116298  
order. 116299

The chief clinical officer of a hospital may discharge a 116300  
patient who is under an indictment, a sentence of imprisonment, 116301  
a community control sanction, or a post-release control sanction 116302  
or on parole and who has been absent without leave for more than 116303  
thirty days but shall give written notice of the discharge to 116304  
the court with criminal jurisdiction over the patient. The chief 116305  
clinical officer of a hospital may discharge any other patient 116306  
who has been absent without leave for more than fourteen days. 116307

The chief clinical officer shall take all proper measures 116308  
for the apprehension of an escaped patient. The expense of the 116309  
return of an escaped patient shall be borne by the hospital 116310  
where the patient is hospitalized. 116311

(B) (1) Subject to division (B) (2) of this section, no 116312  
patient hospitalized under Chapter 5122. of the Revised Code 116313  
whose absence without leave was caused or contributed to by the 116314

patient's mental illness shall be subject to a charge of escape. 116315

(2) Division (B)(1) of this section does not apply to any 116316  
person who was hospitalized, institutionalized, or confined in a 116317

facility that is incidental to hospitalization, 116323  
institutionalization, or confinement in the facility and that 116324  
occurs outside the facility, in violation of section 2921.34 of 116325  
the Revised Code. 116326

patients hospitalized or committed pursuant to this chapter 116329

a receiver to take possession of and operate a residential 117256  
facility licensed by the department of developmental 117257  
disabilities, in causes pending in such courts respectively, 117258  
when conditions existing at the facility present a substantial 117259  
risk of physical or mental harm to residents and no other 117260  
remedies at law are adequate to protect the health, safety, and 117261  
welfare of the residents. Conditions at the facility that may 117262  
present such risk of harm include, but are not limited to, 117263  
instances when any of the following occur: 117264

(1) The residential facility is in violation of state or 117265  
federal law or regulations. 117266

(2) The facility has had its license revoked or procedures 117267

for revocation have been initiated, or the facility is closing 117268  
or intends to cease operations. 117269

(3) Arrangements for relocating residents need to be made. 117270

(4) Insolvency of the operator, licensee, or landowner 117271

(5) The facility or operator has demonstrated a pattern 117273  
and practice of repeated violations of state or federal laws or 117274

(B) A court in which a petition is filed pursuant to this 117276  
section shall notify the person holding the license for the 117277

facility owner, facility operator, county board of developmental 117280  
disabilities, facility residents, and residents' parents and 117281  
guardians of the filing of the petition. 117282

The court shall provide a hearing on the petition within 117283  
five court days of the time it was filed, except that the court 117284  
may appoint a receiver prior to that time if it determines that 117285  
the circumstances necessitate such action. Following a hearing 117286  
on the petition, and upon a determination that the appointment 117287  
of a receiver is warranted, the court shall appoint a receiver 117288  
and notify the department of developmental disabilities and 117289

(D) When the operating revenue of a residential facility 117295  
in receivership is insufficient to meet its operating expenses, 117296

including the cost of bringing the facility into compliance with 117297  
state or federal laws or regulations, the court may order the 117298  
state to provide necessary funding, except as provided in 117299  
division (K) of this section. The state shall provide such 117300  
funding, subject to the approval of the controlling board. The 117301  
court may also order the appropriate authorities to expedite all 117302  
inspections necessary for the issuance of licenses or the 117303  
certification of a facility, and order a facility to be closed 117304  
if it determines that reasonable efforts cannot bring the 117305  
facility into substantial compliance with the law. 117306

(E) In establishing a receivership, the court shall set 117307  
forth the powers and duties of the receiver. The court may 117308  
generally authorize the receiver to do all that is prudent and 117309  
necessary to safely and efficiently operate the residential 117310  
facility within the requirements of state and federal law, but 117311  
shall require the receiver to obtain court approval prior to 117312  
making any single expenditure of more than five thousand dollars 117313

receiver it has appointed and shall require regular and detailed 117316

days. 117318

(F) A receivership established pursuant to this section 117319

former residents have been relocated to an appropriate facility. 117324

(2) Circumstances no longer exist at the facility that 117325  
present a substantial risk of physical or mental harm to 117326

residents, and there is no deficiency in the facility that is 117327  
likely to create a future risk of harm. 117328

Notwithstanding division (F) (2) of this section, the court 117329  
shall not terminate a receivership for a residential facility 117330  
that has previously operated under another receivership unless 117331  
the responsibility for the operation of the facility is 117332  
transferred to an operator approved by the court and the 117333  
department of developmental disabilities. 117334

(G) The department of developmental disabilities may, upon 117335  
its own initiative or at the request of an owner, operator, or 117336  
resident of a residential facility, or at the request of a 117337  
resident's guardian or relative or a county board of 117338  
developmental disabilities, petition the court to appoint a 117339  
receiver to take possession of and operate a residential 117340  
facility. When the department has been requested to file a 117341  
petition by any of the parties listed above, it shall, within 117342  
forty-eight hours of such request, either file such a petition 117343  
or notify the requesting party of its decision not to file. If 117344  
the department refuses to file, the requesting party may file a 117345  
petition with the court requesting the appointment of a receiver 117346  
to take possession of and operate a residential facility. 117347

Petitions filed pursuant to this division shall include 117348  
the following: 117349

(1) A description of the specific conditions existing at 117350  
the facility which present a substantial risk of physical or 117351  
mental harm to residents; 117352

(2) A statement of the absence of other adequate remedies 117353  
at law; 117354

(3) The number of individuals residing at the facility; 117355

(4) A statement that the facts have been brought to the 117356  
attention of the owner or licensee and that conditions have not 117357  
been remedied within a reasonable period of time or that the 117358  
conditions, though remedied periodically, habitually exist at 117359  
the facility as a pattern or practice; 117360

(5) The name and address of the person holding the license 117361  
for the facility and the address of the department of 117362  
developmental disabilities. 117363

The court may award to an operator appropriate costs and 117364  
expenses, including reasonable attorney's fees, if it determines 117365  
that a petitioner has initiated a proceeding in bad faith or 117366  
merely for the purpose of harassing or embarrassing the 117367  
operator. 117368

(H) Except for the department of developmental 117369

department is notified of a change of name, address, or 118085  
telephone number, the department shall use the name, address, 118086  
and telephone number provided by the parent, guardian, or 118087  
custodian to provide notices or answer inquiries concerning the 118088  
following information: 118089

(a) When the department of youth services makes a 118090

If a parent, guardian, or custodian of a child who is 118096  
committed to the department of youth services requests, orally 118097  
or in writing, the department to provide the parent, guardian, 118098  
or custodian with the name of the facility in which the child is 118099

or before the next business day after the day on which the 118101  
request is made, shall provide the name of that facility to the 118102  
parent, guardian, or custodian. 118103

(b) If a parent, guardian, or custodian of a child who is 118104  
committed to the department of youth services, orally or in 118105  
writing, asks the superintendent of the institution in which the 118106  
child is located whether the child is being disciplined by the 118107  
personnel of the institution, what disciplinary measure the 118108  
personnel of the institution are using for the child, or why the 118109  
child is being disciplined, the superintendent or the 118110  
superintendent's designee, on or before the next business day 118111  
after the day on which the request is made, shall provide the 118112  
parent, guardian, or custodian with written or oral responses to 118113  
the questions. 118114

(c) If a parent, guardian, or custodian of a child who is 118115  
committed to the department of youth services, orally or in 118116  
writing, asks the superintendent of the institution in which the 118117  
child is held whether the child is receiving any medication from 118118  
personnel of the institution, what type of medication the child 118119  
is receiving, or what condition of the child the medication is 118120

designee, on or before the next business day after the day on 118122  
which the request is made, shall provide the parent, guardian, 118123  
or custodian with oral or written responses to the questions. 118124

of the child that a major incident has occurred with respect to 118129  
the child and of all the details of that incident that the 118130

(2) The failure of the department of youth services to 118132  
provide any notification required by or answer any requests made 118133

punishment while the child is in its custody, shall not prohibit 118137  
a child who is committed to the department from seeing that 118138  
child's parent, guardian, or custodian during standard 118139  
visitation periods allowed by the department of youth services 118140  
unless the superintendent of the institution in which the child 118141  
is held determines that permitting that child to visit with the 118142  
child's parent, guardian, or custodian would create a safety 118143  
risk to that child, that child's parents, guardian, or 118144  
custodian, the personnel of the institution, or other children 118145  
held in that institution. 118146

department of medicaid or county department. Except in the case 118735  
of a medical assistance recipient who receives medical 118736  
assistance through a medicaid managed care organization, the 118737  
department's or county department's claim shall not exceed the 118738

amount of medical assistance paid by the department or county 118739  
department on behalf of the recipient. A payment, settlement, 118740  
compromise, judgment, or award that excludes the cost of medical 118741  
assistance paid for by the department or county department shall 118742  
not preclude a department from enforcing its rights under this 118743  
section. 118744

(B) (1) In the case of a medical assistance recipient who 118745  
receives medical assistance through a medicaid managed care 118746  
organization that has a capitation agreement with a provider, 118747  
the amount of the department's or county department's claim 118748  
shall be the amount the medicaid managed care organization would 118749  
have paid in the absence of a capitation agreement. 118750

(2) In the case of a medical assistance recipient who 118751  
receives medical assistance through a medicaid managed care 118752  
organization that does not have a capitation agreement with a 118753  
provider, the amount of the department's or county department's 118754  
claim shall be the amount the medicaid managed care organization 118755  
pays for medical assistance rendered to the recipient, even if 118756  
that amount is more than the amount the department or county 118757  
department pays to the medicaid managed care organization for 118758  
the recipient's medical assistance. 118759

(C) A medical assistance recipient, and the recipient's 118760  
attorney, if any, shall cooperate with the departments. In 118761  
furtherance of this requirement, the medical assistance 118762  
recipient, or the recipient's attorney, if any, shall, not later 118763  
than thirty days after initiating informal recovery activity or 118764  
filing a legal recovery action against a third party, provide 118765  
written notice of the activity or action to the department of 118766  
medicaid or county department if it has paid for medical 118767  
assistance under a medical assistance program. 118768

(D) The written notice that must be given under division 118769  
(C) of this section shall disclose the identity and address of 118770  
any third party against whom the medical assistance recipient 118771  
has or may have a right of recovery. 118772

(E) No settlement, compromise, judgment, or award or any 118773  
recovery in any action or claim by a medical assistance 118774  
recipient where the department or county department has a right 118775  
of recovery shall be made final without first giving the 118776  
department or county department written notice as described in 118777  
division (C) of this section and a reasonable opportunity to 118778  
perfect its rights of recovery. If the department or county 118779  
department is not given the appropriate written notice, the 118780  
medical assistance recipient and, if there is one, the 118781  
recipient's attorney, are liable to reimburse the department or 118782  
county department for the recovery received to the extent of 118783  
medical assistance payments made by the department or county 118784  
department. 118785

(F) The department or county department shall be permitted 118786  
to enforce its recovery rights against the third party even 118787  
though it accepted prior payments in discharge of its rights 118788  
under this section if, at the time the department or county 118789  
department received such payments, it was not aware that 118790  
additional medical expenses had been incurred but had not yet 118791  
been paid by the department or county department. The third 118792  
party becomes liable to the department or county department as 118793  
soon as the third party is notified in writing of the valid 118794  
claims for recovery under this section. 118795

(G) (1) Subject to division (G) (2) of this section, the 118796  
right of recovery of the department or county department does 118797  
not apply to that portion of any judgment, award, settlement, or 118798

compromise of a claim, to the extent of attorneys' fees, costs, 118799  
or other expenses incurred by a medical assistance recipient in 118800  
securing the judgment, award, settlement, or compromise, or to 118801  
the extent of medical, surgical, and hospital expenses paid by 118802  
such recipient from the recipient's own resources. 118803

(2) Reasonable attorneys' fees, not to exceed one-third of 118804  
the total judgment, award, settlement, or compromise, plus costs 118805  
and other expenses incurred by the medical assistance recipient 118806  
in securing the judgment, award, settlement, or compromise, 118807  
shall first be deducted from the total judgment, award, 118808  
settlement, or compromise. After fees, costs, and other expenses 118809  
are deducted from the total judgment, award, settlement, or 118810  
compromise, there shall be a rebuttable presumption that the 118811  
department of medicaid or county department shall receive no 118812  
less than one-half of the remaining amount, or the actual amount 118813  
of medical assistance paid, whichever is less. A party may rebut 118814  
the presumption in accordance with division (L) (1) ~~or~~, (2), or 118815  
(3) of this section, as applicable. 118816

(H) A right of recovery created by this section may be 118817  
enforced separately or jointly by the department of medicaid or 118818  
county department. To enforce its recovery rights, the 118819  
department or county department may do any of the following: 118820

(1) Intervene or join in any action or proceeding brought 118821  
by the medical assistance recipient or on the recipient's behalf 118822  
against any third party who may be liable for the cost of 118823  
medical assistance paid; 118824

(2) Institute and pursue legal proceedings against any 118825  
third party who may be liable for the cost of medical assistance 118826  
paid; 118827

(3) Initiate legal proceedings in conjunction with any 118828  
injured, diseased, or disabled medical assistance recipient or 118829  
the recipient's attorney or representative. 118830

(I) A medical assistance recipient shall not assess 118831  
attorney fees, costs, or other expenses against the department 118832  
of medicaid or a county department when the department or county 118833  
department enforces its right of recovery created by this 118834  
section. 118835

(J) The right of recovery given to the department under 118836  
this section includes payments made by a third party under 118837  
contract with a person having a duty to support. 118838

(K) The department of medicaid may assign to a medical 118839  
assistance provider the right of recovery given to the 118840  
department under this section with respect to any claim for 118841  
which the department has notified the provider that the 118842  
department intends to recoup the department's prior payment for 118843  
the claim. 118844

(L) (1) Prior to any payment to the department or a county 118845  
department pursuant to the department's or county department's 118846  
right of recovery under this section, a party that desires to 118847  
rebut the presumption in division (G) of this section shall 118848  
submit to the department or county department a request for a 118849  
hearing in accordance with the procedure the department 118850  
establishes in rules required by division (O) of this section. 118851  
The amount sought by the department or county department shall 118852  
be held in escrow or in an interest on lawyers' trust account 118853  
until the hearing examiner renders a decision or the case is 118854  
otherwise concluded. A party successfully rebuts the presumption 118855  
by a showing of clear and convincing evidence that a different 118856  
allocation is warranted. 118857

(2) A medical assistance recipient who has repaid money, 118858  
on or after September 29, 2007, to the department or a county 118859  
department pursuant to the department's or county department's 118860  
right of recovery under this section, section 5160.38 of the 118861  
Revised Code, or former section 5101.58 or 5101.59 of the 118862  
Revised Code may request a hearing to rebut the presumption in 118863  
division (G) of this section. The request shall be made in 118864  
accordance with the procedure the department establishes for 118865  
this purpose in rules required by division (O) of this section. 118866  
It must be made not later than one hundred eighty days after 118867  
September 29, 2015, or ninety days after the payment is made, 118868  
whichever is later. A party successfully rebuts the presumption 118869  
by a showing of clear and convincing evidence that a different 118870  
allocation is warranted. 118871

(3) A medical assistance recipient who has repaid money, 118872  
between April 6, 2007 and September 28, 2007, to the department 118873  
or a county department pursuant to the department's or county 118874  
department's right of recovery under this section, section 118875  
5160.38 of the Revised Code, or former section 5101.58 or 118876  
5101.59 of the Revised Code may request a hearing to rebut the 118877  
presumption in division (G) of this section. The request shall 118878  
be made not later than one hundred eighty days after the 118879  
effective date of this amendment in accordance with the 118880  
procedure the department establishes for this purpose in rules 118881  
required by division (O) of this section. The presumption is 118882  
successfully rebutted if the requestor demonstrates by clear and 118883  
convincing evidence that a different allocation is warranted. 118884

(4) With respect to a hearing requested under division (L) 118885  
(1) ~~or~~, (2), or (3) of this section, all of the following are 118886

(c) If the parties agree, live testimony shall not be presented at the hearing;

(d) The hearing may be governed by rules adopted under section 5160.02 of the Revised Code. If such rules are adopted, Chapter 119. of the Revised Code applies to the hearing only to the extent specified in those rules;

(e) The hearing examiner's decision is binding on the department or county department and the medical assistance recipient unless the decision is reversed or modified on appeal to the medicaid director as described in division (M) of this section;

(f) A request for a hearing may be submitted by any of the following:

(M) (1) A medical assistance recipient who disagrees with a 118920  
hearing examiner's decision under division (L) of this section 118921  
may file an administrative appeal with the medicaid director in 118922  
accordance with the procedure the department establishes for 118923  
this purpose in rules required by division (O) of this section. 118924  
A hearing is not required during the administrative appeal, but 118925  
the director or the director's designee shall review the hearing 118926  
examiner's decision and any prior relevant administrative 118927  
action. After the review, the director or the director's 118928  
designee shall affirm, modify, remand, or reverse the hearing 118929  
decision. A decision made under this division is final and 118930  
binding on the department or county department and the medical 118931  
assistance recipient unless it is reversed or modified on appeal 118932  
to a court of common pleas as described in division (N) of this 118933  
section. 118934

(2) An administrative appeal may be governed by rules 118935  
adopted under section 5160.02 of the Revised Code. If such rules 118936  
are adopted, Chapter 119. of the Revised Code applies to an 118937  
administrative appeal only to the extent specified in those 118938  
rules. 118939

common pleas in accordance with section 119.12 of the Revised 118942  
Code. 118943

(O) The medicaid director shall adopt rules under section 118944

5160.02 of the Revised Code as necessary to implement this 118945  
section, including rules establishing procedures a party may use 118946

this section or an administrative appeal under division (M) (1) 118948  
of this section. The rules shall be adopted in accordance with 118949  
Chapter 119. of the Revised Code. 118950

(P) Divisions (L) to (N) of this section are remedial in 118951  
nature and shall be liberally construed by the courts of this 118952  
state in accordance with section 1.11 of the Revised Code. Those 118953  
divisions specify the sole remedy available to a party who 118954  
claims the department or a county department has received or is 118955  
to receive more money than entitled to receive under this 118956  
section, section 5160.38 of the Revised Code, or former section 118957  
5101.58 or 5101.59 of the Revised Code. 118958

**Sec. 5165.192.** (A) (1) Except as provided in division (B) 119499  
of this section and in accordance with the process specified in 119500  
rules authorized by this section, the department of medicaid 119501  
shall do all of the following: 119502

(a) Every quarter, determine the following two case-mix 119503  
scores for each nursing facility: 119504

(i) A quarterly case-mix score that includes each resident 119505  
who is a medicaid recipient and is not a low case-mix resident; 119506

(ii) A quarterly case-mix score that includes each 119507  
resident regardless of payment source. 119508

(b) Every six months, determine a semiannual average case- 119509  
mix score for each nursing facility by using the quarterly case- 119510

mix scores determined for the nursing facility pursuant to 119511  
division (A) (1) (a) (i) of this section; 119512

(c) After the end of each calendar year, determine an 119513  
annual average case-mix score for each nursing facility by using 119514  
the quarterly case-mix scores determined for the nursing 119515  
facility pursuant to division (A) (1) (a) (ii) of this section. 119516

(2) When determining case-mix scores under division (A) (1) 119517  
of this section, the department shall use all of the following: 119518

(a) Data from a resident assessment instrument specified 119519  
in rules authorized by section 5165.191 of the Revised Code; 119520

(b) Except as provided in rules authorized by this 119521  
section, the case-mix values established by the United States 119522  
department of health and human services; 119523

(c) Except as modified in rules authorized by this 119524  
section, the grouper methodology used on ~~June 30, 1999~~ October 1, 119525  
2019, for the patient driven payment model nursing index, by the 119526  
United States department of health and human services for 119527  
prospective payment of skilled nursing facilities under the 119528  
medicare program. 119529

(B) (1) Subject to division (B) (2) of this section, the 119530  
department, for one or more months of a calendar quarter, may 119531  
assign to a nursing facility a case-mix score that is five per 119532  
cent less than the nursing facility's case-mix score for the 119533  
immediately preceding calendar quarter if any of the following 119534  
apply: 119535

(a) The provider does not timely submit complete and 119536  
accurate resident assessment data necessary to determine the 119537  
nursing facility's case-mix score for the calendar quarter; 119538

(b) The nursing facility was subject to an exception 119539  
review under section 5165.193 of the Revised Code for the 119540  
immediately preceding calendar quarter; 119541

(c) The nursing facility was assigned a case-mix score for 119542  
the immediately preceding calendar quarter. 119543

(2) Before assigning a case-mix score to a nursing 119544  
facility due to the submission of incorrect resident assessment 119545  
data, the department shall permit the provider to correct the 119546  
data. The department may assign the case-mix score if the 119547  
provider fails to submit the corrected resident assessment data 119548  
not later than the earlier of the forty-fifth day after the end 119549  
of the calendar quarter to which the data pertains or the 119550  
deadline for submission of such corrections established by 119551  
regulations adopted by the United States department of health 119552  
and human services under Title XVIII and Title XIX. 119553

(3) If, for more than six months in a calendar year, a 119554  
provider is paid a rate determined for a nursing facility using 119555  
a case-mix score assigned to the nursing facility under division 119556  
(B) (1) of this section, the department may assign the nursing 119557  
facility a cost per case-mix unit that is five per cent less 119558  
than the nursing facility's actual or assigned cost per case-mix 119559  
unit for the immediately preceding calendar year. The department 119560  
may use the assigned cost per case-mix unit, instead of 119561  
determining the nursing facility's actual cost per case-mix unit 119562  
in accordance with section 5165.19 of the Revised Code, to 119563  
establish the nursing facility's rate for direct care costs for 119564  
the fiscal year immediately following the calendar year for 119565  
which the cost per case-mix unit is assigned. 119566

(4) The department shall take action under division (B) 119567  
(1), (2), or (3) of this section only in accordance with rules 119568

authorized by this section. The department shall not take an 119569  
action that affects rates for prior payment periods except in 119570  
accordance with sections 5165.41 and 5165.42 of the Revised 119571  
Code. 119572

(C) The medicaid director shall adopt rules under section 119573  
5165.02 of the Revised Code as necessary to implement this 119574  
section. 119575

(1) The rules shall do all of the following: 119576

(a) Specify the process for determining the semiannual and 119577  
annual average case-mix scores for nursing facilities; 119578

~~(b) Adjust the case-mix values specified in division (A)~~ 119579  
~~(2)(b) of this section to reflect changes in relative wage~~ 119580  
~~differentials that are specific to this state;~~ 119581

~~(c) Express all of those case-mix values in numeric terms~~ 119582  
~~that are different from the terms specified by the United States~~ 119583  
~~department of health and human services but that do not alter~~ 119584  
~~the relationship of the case-mix values to one another;~~ 119585

~~(d)~~ Modify the grouper methodology specified in division 119586  
(A) (2) (c) of this section as follows: 119587

~~(i) Establish a different hierarchy for assigning~~ 119588  
~~residents to case-mix categories under the methodology;~~ 119589

~~(ii) Allow the use of the index maximizer element of the~~ 119590  
~~methodology;~~ 119591

~~(iii) Incorporate changes to the grouper methodology for~~ 119592  
~~the patient driven payment model nursing index used by the~~ 119593  
~~United States department of health and human services makes~~ 119594  
~~after June 30, 1999~~ on October 1, 2019, for prospective payment 119595  
of skilled nursing facilities under the medicare program; 119596

~~(iv)~~ (ii) Make other changes the department determines are necessary. 119597  
119598

~~(e)~~ (c) Establish procedures under which resident 119599  
assessment data shall be reviewed for accuracy and providers 119600  
shall be notified of any data that requires correction; 119601

~~(f)~~ (d) Establish procedures for providers to correct 119602  
resident assessment data and specify a reasonable period of time 119603  
by which providers shall submit the corrections. The procedures 119604  
may limit the content of corrections in the manner required by 119605  
regulations adopted by the United States department of health 119606  
and human services under Title XVIII and Title XIX. 119607

~~(g)~~ (e) Specify when and how the department will assign 119608  
case-mix scores or costs per case-mix unit to a nursing facility 119609  
under division (B) of this section if information necessary to 119610  
calculate the nursing facility's case-mix score is not provided 119611  
or corrected in accordance with the procedures established by 119612  
the rules. 119613

(2) Notwithstanding any other provision of this chapter, 119614  
the rules may provide for the exclusion of case-mix scores 119615  
assigned to a nursing facility under division (B) of this 119616  
section from the determination of the nursing facility's 119617  
semiannual or annual average case-mix score and the cost per 119618  
case-mix unit for the nursing facility's peer group. 119619

**Sec. 5165.26.** (A) As used in this section: 119620

(1) "Base rate" means the portion of a nursing facility's 119621  
total per medicaid day payment rate determined under divisions 119622  
(A) and (B) of section 5165.15 of the Revised Code. 119623

(2) "CMS" means the United States centers for medicare and 119624  
medicaid services. 119625

(3) "Long-stay resident" means an individual who has 119626  
resided in a nursing facility for at least one hundred one days. 119627

(4) "Nursing facilities for which a quality score was 119628  
determined" includes nursing facilities that are determined to 119629  
have a quality score of zero. 119630

(5) "SFF list" means the list of nursing facilities that 119631  
the United States department of health and human services 119632  
creates under the special focus facility program. 119633

(6) "Special focus facility program" means the program 119634  
conducted by the United States secretary of health and human 119635  
services pursuant to section 1919(f)(10) of the "Social Security 119636  
Act," 42 U.S.C. 1396r(f)(10). 119637

(B) Subject to divisions (D) and (E) and except as 119638  
provided in division (F) of this section, the department of 119639  
medicaid shall determine each nursing facility's per medicaid 119640  
day quality incentive payment rate as follows: 119641

(1) Determine the sum of the quality scores determined 119642  
under division (C) of this section for all nursing facilities. 119643

(2) Determine the average quality score by dividing the 119644  
sum determined under division (B)(1) of this section by the 119645  
number of nursing facilities for which a quality score was 119646  
determined. 119647

(3) Determine the sum of the total number of medicaid days 119648  
for all of the calendar year preceding the fiscal year for which 119649  
the rate is determined for all nursing facilities for which a 119650  
quality score was determined. 119651

(4) Multiply the average quality score determined under 119652  
division (B)(2) of this section by the sum determined under 119653

division (B) (3) of this section. 119654

(5) Determine the value per quality point by determining 119655  
the quotient of the following: 119656

(a) The sum determined under division (E) (2) of this 119657  
section. 119658

(b) The product determined under division (B) (4) of this 119659  
section. 119660

(6) Multiply the value per quality point determined under 119661  
division (B) (5) of this section by the nursing facility's 119662  
quality score determined under division (C) of this section. 119663

(C) (1) Except as provided in divisions (C) (2) and (3) of 119664  
this section, a nursing facility's quality score for a state 119665  
fiscal year shall be the sum of the following: 119666

(a) The total number of points that CMS assigned to the 119667  
nursing facility under CMS's nursing facility five-star quality 119668  
rating system for the following quality metrics, or CMS's 119669  
successor metrics as described below, based on the most recent 119670  
four-quarter average data, or the average data for fewer 119671  
quarters in the case of successor metrics, available in the 119672  
database maintained by CMS and known as nursing home compare in 119673  
the most recent month of the calendar year during which the 119674  
fiscal year for which the rate is determined begins: 119675

(i) The percentage of the nursing facility's long-stay 119676  
residents at high risk for pressure ulcers who had pressure 119677  
ulcers; 119678

(ii) The percentage of the nursing facility's long-stay 119679  
residents who had a urinary tract infection; 119680

(iii) The percentage of the nursing facility's long-stay 119681

residents whose ability to move independently worsened; 119682

(iv) The percentage of the nursing facility's long-stay 119683  
residents who had a catheter inserted and left in their bladder. 119684

If CMS ceases to publish any of the metrics specified in 119685  
division (C)(1)(a) of this section, the department shall use the 119686  
nursing facility quality metrics on the same topics that CMS 119687  
subsequently publishes. 119688

(b) Seven and five-tenths points for fiscal year 2024 and 119689  
three points for fiscal year 2025 and subsequent fiscal years if 119690  
the nursing facility's occupancy rate is greater than seventy- 119691  
five per cent. For purposes of this division, the department 119692  
shall utilize the facility's occupancy rate for licensed beds 119693  
reported on its cost report for the calendar year preceding the 119694  
fiscal year for which the rate is determined or, if the facility 119695  
is not required to be licensed, the facility's occupancy rate 119696  
for certified beds. If the facility surrenders licensed or 119697  
certified beds before the first day of July of the calendar year 119698  
in which the fiscal year begins, the department shall calculate 119699  
a nursing facility's occupancy rate by dividing the inpatient 119700  
days reported on the facility's cost report for the calendar 119701  
year preceding the fiscal year for which the rate is determined 119702  
by the product of the number of days in the calendar year and 119703  
the facility's number of licensed, or if applicable, certified 119704  
beds on the first day of July of the calendar year in which the 119705  
fiscal year begins. 119706

(c) Beginning with state fiscal year 2025, the total 119707  
number of points that CMS assigned to the nursing facility under 119708  
CMS's nursing facility five-star quality rating system for the 119709  
following quality metrics, or successor metrics designated by 119710  
CMS, based on the most recent four-quarter average data 119711

available in the database maintained by CMS and known as nursing 119712  
home compare in the most recent month of the calendar year 119713  
during which the fiscal year for which the rate is determined 119714  
begins: 119715

(i) The percentage of the nursing facility's long-stay 119716  
residents whose need for help with daily activities has 119717  
increased; 119718

(ii) The percentage of the nursing facility's long-stay 119719  
residents experiencing one or more falls with major injury; 119720

(iii) The percentage of the nursing facility's long-stay 119721  
residents who were administered an antipsychotic medication; 119722

(iv) Adjusted total nurse staffing hours per resident per 119723  
day using quintiles instead of deciles by using the points 119724  
assigned to the higher of the two deciles that constitute the 119725  
quintile. 119726

If CMS ceases to publish any of the metrics specified in 119727  
division (C)(1)(c) of this section, the department shall use the 119728  
nursing facility quality metrics on the same topics CMS 119729  
subsequently publishes. 119730

(2) In determining a nursing facility's quality score for 119731  
a state fiscal year, the department shall make the following 119732  
adjustment to the number of points that CMS assigned to the 119733  
nursing facility for each of the quality metrics specified in 119734  
divisions (C)(1)(a) and (c) of this section: 119735

(a) Unless division (C)(2)(b) or (c) of this section 119736  
applies, divide the number of the nursing facility's points for 119737  
the quality metric by twenty. 119738

(b) If CMS assigned the nursing facility to the lowest 119739

percentile for the quality metric, reduce the number of the 119740  
nursing facility's points for the quality metric to zero. 119741

(c) If the nursing facility's total number of points 119742  
calculated for or during a state fiscal year for all of the 119743  
quality metrics specified in divisions (C) (1) (a), and if 119744  
applicable, division (C) (1) (c) of this section is less than a 119745  
number of points that is equal to the twenty-fifth percentile of 119746  
all nursing facilities, calculated using the points for the July 119747  
1 rate setting of that fiscal year reduce the nursing facility's 119748  
points to zero until the next point calculation. If a facility's 119749  
recalculated points under division (C) (3) of this section are 119750  
below the number of points determined to be the twenty-fifth 119751  
percentile for that fiscal year, the facility shall receive zero 119752  
points for the remainder of that fiscal year. 119753

(3) A nursing facility's quality score shall be 119754  
recalculated for the second half of the state fiscal year based 119755  
on the most recent four quarter average data, or the average 119756  
data for fewer quarters in the case of successor metrics, 119757  
available in the database maintained by CMS and known as the 119758  
care compare, in the most recent month of the calendar year 119759  
during which the fiscal year for which the rate is determined 119760  
begins. The metrics specified by division (C) (1) (b) of this 119761  
section shall not be recalculated. In redetermining the quality 119762  
payment for each facility based on the recalculated points, the 119763  
department shall use the same per point value determined for the 119764  
quality payment at the start of the fiscal year. 119765

(D) A nursing facility shall not receive a quality 119766  
incentive payment if the Department of Health assigned the 119767  
nursing facility to the SFF list under the special focus 119768  
facility program and the nursing facility is listed in table A, 119769

on the first day of May of the calendar year for which the rate 119770  
is being determined. 119771

(E) The total amount to be spent on quality incentive 119772  
payments under division (B) of this section for a fiscal year 119773  
shall be determined as follows: 119774

(1) Determine the following amount for each nursing 119775  
facility: 119776

(a) The amount that is five and two-tenths per cent of the 119777  
nursing facility's base rate for nursing facility services 119778  
provided on the first day of the state fiscal year plus one 119779  
dollar and seventy-nine cents plus sixty per cent of the per 119780  
diem amount by which the nursing facility's rate for direct care 119781  
costs determined for the fiscal year under section 5165.19 of 119782  
the Revised Code changed as a result of the rebasing conducted 119783  
under section 5165.36 of the Revised Code. 119784

(b) Multiply the amount determined under division (E) (1) 119785  
(a) of this section by the number of the nursing facility's 119786  
medicaid days for the calendar year preceding the fiscal year 119787  
for which the rate is determined. 119788

(2) Determine the sum of the products determined under 119789  
division (E) (1) (b) of this section for all nursing facilities 119790  
for which the product was determined for the state fiscal year. 119791

(3) To the sum determined under division (E) (2) of this 119792  
section, add one hundred twenty-five million dollars. 119793

(F) (1) Beginning July 1, 2023, a new nursing facility 119794  
shall receive a quality incentive payment for the fiscal year in 119795  
which the new facility obtains an initial provider agreement and 119796  
the immediately following fiscal year equal to the median 119797  
quality incentive payment determined for nursing facilities for 119798

the fiscal year. For the state fiscal year after the immediately 119799  
following fiscal year and subsequent fiscal years, the quality 119800  
incentive payment shall be determined under division (C) of this 119801  
section. 119802

(2) A nursing facility that undergoes a change of operator 119803  
with an effective date of July 1, ~~2023~~2025, or later shall not 119804  
receive a quality incentive payment until the earlier of the 119805  
first day of January or the first day of July that is at least 119806  
six months after the effective date of the change of operator. 119807  
Thereafter any quality incentive payment shall be determined 119808  
under division (C) of this section. 119809

~~(3) A nursing facility that undergoes a change of owner 119810  
with an effective date of July 1, 2023, or later shall not 119811  
receive a quality incentive payment until the earlier of the 119812  
first day of January or the first day of July that is at least 119813  
six months after the effective date of the change of owner if, 119814  
within one year after the change of owner, there is an increase 119815  
in the lease payments or other financial obligations of the 119816  
operator to the owner above the payments or obligations 119817  
specified by the agreement between the previous owner and the 119818  
operator. Thereafter, any quality incentive payments for the 119819  
facility shall be determined under division (C) of this section. 119820~~

**Sec. 5166.03.** The medicaid director may not submit a 119821  
request to the United States secretary of health and human 119822  
services for a medicaid waiver under the "Social Security Act," 119823  
section 1115, 42 U.S.C. 1315, unless the director provides the 119824  
speaker of the house of representatives and president of the 119825  
senate written notice of the director's intent to submit the 119826  
request at least ten days before the date the director submits 119827  
the request to the United States secretary. The notice shall 119828

include a detailed explanation of the medicaid waiver the 119829  
director proposes to seek and confirmation that the department 119830  
of medicaid has complied with the requirements of section 119831  
5162.08 of the Revised Code. 119832

(2) The members appointed by the governor shall be 123608  
residents of the state, shall have been qualified electors 123609  
therein for a period of at least five years next preceding their 123610  
appointment. In making the appointments, the governor may 123611  
appoint persons who reside in different geographic areas of the 123612

of the house of representatives shall serve a term of the 123621  
remainder of the general assembly during which the senator or 123622  
representative is appointed. Each appointed member shall hold 123623  
office from the date of appointment until the end of the term 123624  
for which the member was appointed. If a commission member dies 123625  
or resigns, or if a senator or representative who is a member of 123626

the commission ceases to be a senator or representative, or if 123627  
an ex officio member ceases to hold the applicable office, the 123628  
vacancy shall be filled in the same manner as provided in 123629  
division (B) (1) of this section. Any member who fills a vacancy 123630  
occurring prior to the end of the term for which the member's 123631  
predecessor was appointed shall, if appointed by the governor, 123632  
hold office for the remainder of such term or, if appointed by 123633  
the president of the senate or the speaker of the house of 123634

or for a shorter period of time as determined by the president 123636  
or the speaker. Any member appointed by the governor shall 123637  
continue in office subsequent to the expiration date of the 123638  
member's term until the member's successor takes office, or 123639  
until a period of sixty days has elapsed, whichever occurs 123640  
first. A member of the commission is eligible for reappointment. 123641  
Each member of the commission appointed by the governor, before 123642  
entering upon the member's duties, shall take an oath as 123643  
provided by Section 7 of Article XV, Ohio Constitution. The 123644

nonfeasance, or malfeasance in office. 123648

(3) (a) A member of the commission who is appointed by the 123649  
president of the senate or the speaker of the house of 123650

commission. Serving as an appointed member of the commission 123652  
under divisions (B) (1) (c), (1) (d), or (2) of this section does 123653  
not constitute grounds for resignation from the senate or the 123654  
house of representatives under section 101.26 of the Revised 123655  
Code. 123656

(b) The director of budget and management shall not 123657

of the voting members as chairperson and another as vice- 123660  
chairperson, and shall appoint a secretary-treasurer who need 123661  
not be a member of the commission. Four of the voting members of 123662  
the commission constitute a quorum, and the affirmative vote of 123663  
four voting members is necessary for any action taken by the 123664  
commission. No vacancy in the membership of the commission 123665  
impairs the rights of a quorum to exercise all the rights and 123666  
perform all the duties of the commission. 123667

(D) Each member of the commission appointed by the 123668  
governor shall give a surety bond to the commission in the penal 123669  
sum of twenty-five thousand dollars and the secretary-treasurer 123670

or employees to file surety bonds including a blanket bond as 123673  
provided in section 3.06 of the Revised Code. Each such bond 123674  
shall be in favor of the commission and shall be conditioned 123675  
upon the faithful performance of the duties of the office, 123676  
executed by a surety company authorized to transact business in 123677  
this state, approved by the governor, and filed in the office of 123678  
the secretary of state. The costs of the surety bonds shall be 123679  
paid or reimbursed by the commission from revenues. Each member 123680  
of the commission appointed by the governor shall receive an 123681  
annual salary of five thousand dollars, payable in monthly 123682  
installments. Each member shall be reimbursed for the member's 123683

**Sec. 5537.03.** In order to remove present and anticipated 123690  
impediments and potential hazards on the congested highways in 123691  
this state, to facilitate vehicular traffic throughout the 123692  
state, to finance infrastructure projects that improve and 123693  
enhance mobility in Ohio, and also to promote the agricultural, 123694  
recreational, tourism, and commercial, industrial, and economic 123695  
development of the state, and to provide for the general welfare 123696  
by the construction, improvement, and maintenance of modern 123697  
express highways embodying safety devices, including without 123698  
limitation center divisions, ample shoulder widths, long sight 123699  
distances, multiple lanes in each direction, and grade 123700  
separations at intersections with other public roads and 123701  
railroads, the Ohio turnpike and infrastructure commission may 123702  
do the following: 123703

(A) Subject to section 5537.26 of the Revised Code, 123704

projects ~~at locations that are reviewed by the turnpike~~ 123706

projects authorized by this chapter are hereby or shall be made 123712  
part of the Ohio turnpike system. 123713

(B) Provide the infrastructure funds to pay the cost or a 123714  
portion of the cost of infrastructure projects as recommended by 123715  
the director of transportation pursuant to a determination made 123716  
by the commission based on criteria set forth in rules adopted 123717  
by the commission under section 5537.18 of the Revised Code. A 123718

determination by the commission to provide infrastructure funds 123719  
for an infrastructure project shall be conclusive and 123720  
incontestable. 123721

**Sec. 5537.27.** The Ohio turnpike and infrastructure 123722  
commission, the director of transportation or the director's 123723  
designee, and another person designated by the governor shall 123724  
establish a procedure whereby a political subdivision or other 123725  
government agency or agencies may submit a written application 123726  
to the commission, requesting the commission to construct and 123727  
operate a turnpike project within the boundaries of the 123728  
subdivision, agency, or agencies making the request. The 123729  
procedure shall include a requirement that the commission send a 123730  
written reply to the subdivision, agency, or agencies, 123731  
explaining the disposition of the request. The procedure 123732  
established pursuant to this section shall not become effective 123733  
unless it is approved by the commission and by the director or 123734  
the director's designee and the designee of the governor, ~~and~~ 123735  
~~shall require submission of the proposed turnpike project to the~~ 123736  
~~turnpike legislative review committee if the project must be~~ 123737  
~~approved by the governor.~~ 123738

**Sec. 5540.02.** (A) A transportation improvement district 123739  
may be created by the board of county commissioners of a county. 123740  
The board, by resolution, shall determine the structure of the 123741  
board of trustees of the transportation improvement district it 123742  
creates by adopting the structure contained either in division 123743  
(C) (1) or (2) of this section. 123744

(B) A transportation improvement district is a body both 123745  
corporate and politic, and the exercise by it of the powers 123746  
conferred by this chapter in the financing, construction, 123747  
maintenance, repair, and operation of a project are and shall be 123748

held to be essential governmental functions. 123749

(C) (1) If the board of county commissioners so elects, a 123750  
transportation improvement district shall be governed by a board 123751  
of trustees consisting of the following members: 123752

(a) Two members appointed by the board of county 123753  
commissioners; 123754

(b) Three members appointed by the legislative authority 123755  
of the most populous municipal corporation in the district; 123756

(c) Two members appointed by the legislative authority of 123757  
the second most populous municipal corporation in the district; 123758

(d) Two members appointed by the board of township 123759  
trustees of the township in the county that is most populous in 123760  
its unincorporated area; 123761

(e) The county engineer; 123762

(f) One member appointed by the legislative authority of 123763  
any township or municipal corporation that cannot otherwise 123764  
appoint a member to the board pursuant to this section, and that 123765  
is wholly or partially within the area of the transportation 123766  
improvement district as the district was originally designated 123767  
by the board of county commissioners; 123768

(g) If the area of a transportation improvement district 123769  
is expanded by the board of county commissioners, the 123770  
legislative authority of any township or municipal corporation 123771  
that is wholly or partially within the area of expansion and 123772  
that cannot otherwise appoint a member to the board pursuant to 123773  
this section, with the consent of the board of trustees of the 123774  
district, may appoint one member to the board; 123775

(h) One member appointed by the regional planning 123776

commission for the county, who shall be a nonvoting member of  
the board; 123777  
123778

~~(i) One member appointed at the discretion of the speaker  
of the house of representatives, who, if appointed, shall be a  
nonvoting member of the board and who may be a member of the  
house of representatives. 123779  
123780  
123781  
123782~~

One of each of the appointments made by the board of 123783  
county commissioners, the legislative authority of a municipal 123784  
corporation, and the board of township trustees under divisions 123785  
(C) (1) (a), (b), (c), and (d) of this section, shall be members 123786  
of the chamber of commerce for the respective political 123787  
subdivision. 123788

Whenever the addition of members to the board of trustees 123789  
of a transportation improvement district pursuant to division 123790  
(C) (1) (f) or (g) of this section results in an even number of 123791  
total voting members on the board, the board of trustees of the 123792  
district may appoint an additional person to its membership to 123793  
maintain an odd number of voting members. 123794

(2) As an alternative to the structure prescribed in 123795  
division (C) (1) of this section, a board of county 123796  
commissioners, by resolution, may elect that the transportation 123797  
improvement district it creates be governed by a board of 123798  
trustees consisting of ~~the following members:~~ 123799

~~(a) Five~~ five members appointed by the board of county 123800  
commissioners; 123801

~~(b) One member appointed at the discretion of the speaker  
of the house of representatives, who, if appointed, shall be a  
nonvoting member of the board and who may be a member of the  
house of representatives. 123802  
123803  
123804  
123805~~

(D) Each appointed member of the board shall hold office 123806  
for a term of two years but subject to removal at the pleasure 123807  
of the authority that appointed the member. Members may be 123808  
reappointed. Except as otherwise provided in this division, any 123809  
vacancy on the board shall be filled in the same manner as the 123810  
original appointment. Any vacancy on a board appointed under 123811  
division (C)(1) of this section lasting longer than thirty days 123812  
due to the failure of the legislative authority of a municipal 123813  
corporation or a board of township trustees to make an 123814  
appointment shall be filled by the board of trustees of the 123815  
transportation improvement district. 123816

(E) The voting members of the board shall elect from the 123817  
entire board membership a chairperson, vice-chairperson, and 123818  
secretary-treasurer. A majority of the voting members of the 123819  
board constitutes a quorum, the affirmative vote of which is 123820  
necessary for any action of the district. No vacancy in the 123821  
membership of the board impairs the right of a quorum to 123822  
exercise all the rights and perform all duties of the district. 123823

(F) The board of county commissioners of any county, the 123824  
legislative authority of any municipal corporation, and the 123825  
board of township trustees of any township may make 123826  
appropriations from moneys available to them and not otherwise 123827  
appropriated to pay costs incurred by the district in the 123828  
exercise of its functions under this chapter, provided those 123829  
moneys are available to use for that purpose. 123830

(G) An organizational meeting of the board of trustees of 123831  
a transportation improvement district created under this section 123832  
shall be held at the time and place designated by the board 123833  
member who has served the most years as a member of the board of 123834  
county commissioners that created the transportation improvement 123835

district. 123836

**Sec. 5595.02.** (A) The boards of county commissioners of 123837  
two or more counties may undertake a regional transportation 123838  
improvement project for the purpose of completing transportation 123839  
improvements within the territory of the counties. The project 123840  
shall be administered by a governing board in accordance with a 123841  
cooperative agreement. 123842

~~(B)~~ (B) (1) The cooperative agreement shall provide for the 123843  
creation of a governing board consisting of ~~one~~ the following 123844  
individuals: 123845

(a) One county commissioner from each county that is a 123846  
party to the agreement or a designee appointed by the board of 123847  
county commissioners of the county for the purpose of serving on 123848  
the governing board, ~~and the~~ ; 123849

(b) The county engineer of each such county or a designee 123850  
appointed by the county engineer for the purpose of serving on 123851  
the governing board. 123852

(2) The cooperative agreement may authorize the chief 123853  
executive officer of the JobsOhio network partner that covers 123854  
the majority of the area encompassed by the regional 123855  
transportation improvement project or a designee appointed by 123856  
the chief executive officer to serve as an additional member of 123857  
the governing board. Membership 123858

(3) Membership on the board is not a direct or indirect 123859  
interest in a contract or expenditure of money by the county. 123860  
The board is a public body for the purposes of section 121.22 of 123861  
the Revised Code and a public office for the purposes of section 123862  
149.43 of the Revised Code. Chapter 2744. of the Revised Code 123863  
applies to the board. 123864

(C) The governing board of a regional transportation 123865  
improvement project is a body both corporate and politic, and 123866  
the exercise by it of the powers conferred by this chapter in 123867  
the financing, construction, maintenance, repair, and operation 123868  
of transportation improvements are essential governmental 123869  
functions. 123870

(D) A board of county commissioners, in accordance with 123871  
the cooperative agreement, may make appropriations to pay costs 123872  
incurred by the governing board in the exercise of its functions 123873  
under this chapter so long as such costs are approved by the 123874  
director of transportation under section 5595.12 of the Revised 123875  
Code. 123876

**Sec. 5701.11.** The effective date to which this section 123877  
refers is the effective date of this section as amended by H.B. 123878  
14 of the 136th general assembly. 123879

(A) (1) Except as provided under division (A) (2) or (B) of 123880  
this section, any reference in Title LVII or section 149.311, 123881  
3123.90, 3770.07, 3770.071, 3770.072, 3770.073, ~~or~~ 3772.37, or 123882  
3775.16 of the Revised Code to the Internal Revenue Code, to the 123883  
Internal Revenue Code "as amended," to other laws of the United 123884  
States, or to other laws of the United States, "as amended," 123885

taxpayer may irrevocably elect to incorporate the provisions of 123896  
the Internal Revenue Code or other laws of the United States 123897  
that are in effect for federal income tax purposes for that 123898  
taxable year if those provisions differ from the provisions 123899  
that, under division (A) of this section, would otherwise apply. 123900  
The filing by the taxpayer for that taxable year of a report or 123901

include any adjustments to reverse the effects of any 123905  
differences between those provisions and the provisions that 123906  
would otherwise apply, constitutes the making of an irrevocable 123907  
election under this division for that taxable year. 123908

(2) Elections under prior versions of division (B) (1) of 123909  
this section remain in effect for the taxable years to which 123910  
they apply. 123911

Revised Code, or any penalties assessed with respect to such 123924

fees or charges, that are illegally or erroneously assessed or 123925  
collected, or for any other reason overpaid, also shall be paid 123926  
from the fund. Refunds for amounts illegally or erroneously 123927  
assessed or collected by the tax commissioner, or for any other 123928  
reason overpaid, that are due under section 1509.50 of the 123929  
Revised Code shall be paid from the fund. Refunds for amounts 123930  
illegally or erroneously assessed or collected by the 123931  
commissioner, or for any other reason overpaid to the 123932  
commissioner, under sections 718.80 to 718.95 of the Revised 123933  
Code shall be paid from the fund. However, refunds for amounts 123934

commissioner, or for any other reason overpaid to the 123936  
commissioner, with respect to taxes levied under section 123937  
5739.101 of the Revised Code shall not be paid from the tax 123938  
refund fund, but shall be paid as provided in section 5739.104 123939

(B) (1) Upon certification by the tax commissioner to the 123941  
treasurer of state of a tax refund, a wireless 9-1-1 charge 123942

(2) When a refund is for a tax, fee, wireless 9-1-1 123950  
charge, next generation 9-1-1 access fee, or other amount that 123951  
is not levied by the state or that was illegally or erroneously 123952  
distributed to a taxing jurisdiction, the tax commissioner shall 123953  
recover the amount of that refund from the next distribution of 123954  
that tax, fee, wireless 9-1-1 charge, next generation 9-1-1 123955

access fee, or other amount that otherwise would be made to the 123956

property, or business of any person while acting or claiming to 123970  
act under orders of the department. Whoever violates this 123971  
provision shall thereafter be disqualified from acting as an 123972

(B) (1) For purposes of an audit pursuant to section 117.15 123975  
of the Revised Code, or an audit of the department pursuant to 123976

conducting the audit shall have access to and the right to 123982  
examine any state tax returns and state tax return information 123983

Any information acquired as the result of that access and 123986

be disqualified from acting as an officer or employee or in any 123991  
other capacity under appointment or employment of the auditor of 123992  
state. 123993

(2) For purposes of an internal audit pursuant to section 123994

extent that the access and examination are necessary for 124000  
purposes of the internal audit. Any information acquired as the 124001  
result of that access and examination shall not be divulged for 124002  
any purpose other than as required for the internal audit or 124003  
unless the officers and employees are required to testify in a 124004  
court or proceeding under compulsion of legal process. Whoever 124005  
violates this provision shall thereafter be disqualified from 124006  
acting as an officer or employee or in any other capacity under 124007  
appointment or employment of the office of internal audit. 124008

account; 124041

(5) Providing to a county auditor notices or documents 124042  
concerning or affecting the taxable value of property in the 124043  
county auditor's county. Unless authorized by law to disclose 124044  
documents so provided, the county auditor shall not disclose 124045

such documents; 124046

(6) Providing to a county auditor a sales or use tax 124047  
return or audit information under section 333.06 of the Revised 124048  
Code; 124049

(7) Disclosing to a state or federal government agency, 124050  
for use in the performance of that agency's official duties in 124051  
this state, information in the possession of the tax 124052  
commissioner necessary to verify compliance with any provision 124053  
of the Revised Code or federal law relating to that agency. 124054  
Unless disclosure is otherwise authorized by law, information 124055  
provided to any state or federal government agency under this 124056  
section remains confidential and is not subject to further 124057  
disclosure; 124058

(8) Disclosing to a current or former employee, for use in 124059  
preparation of the employee's income tax return, the account 124060  
number issued by the tax commissioner to an employer for use in 124061  
filing returns and making payments under section 5747.07 of the 124062  
Revised Code. The commissioner may require the employee to 124063  
provide evidence of current or past employment before such 124064  
disclosure; 124065

(9) Publishing or disclosing the amount of revenue 124066

created in section 5703.83 of the Revised Code. 124072

**Sec. 5703.37.** (A) (1) Except as provided in division (B) of 124073  
this section, whenever service of a notice or order is required 124074

in the manner provided in this section, a copy of the notice or 124075  
order shall be served upon the person affected thereby either by 124076  
personal service, by certified mail, or by a delivery service 124077  
authorized under section 5703.056 of the Revised Code that 124078  
notifies the tax commissioner of the date of delivery. 124079

(2) In lieu of serving a copy of a notice or order through 124080  
one of the means provided in division (A)(1) of this section, 124081  
the commissioner may serve a notice or order upon the person 124082  
affected thereby through alternative means as provided in this 124083  
section, including, but not limited to, delivery by secure 124084  
electronic mail as provided in division (F) of this section or 124085  
by ordinary mail. Delivery by such means satisfies the 124086  
requirements for delivery under this section. 124087

(B)(1)(a) If certified or ordinary mail is returned 124088  
because of an undeliverable address, the commissioner shall 124089  
first utilize reasonable means to ascertain a new last known 124090  
address, including the use of a change of address service 124091  
offered by the United States postal service or an authorized 124092  
delivery service under section 5703.056 of the Revised Code. If, 124093  
after using reasonable means, the commissioner is unable to 124094  
ascertain a new last known address, the assessment is final for 124095  
purposes of section 131.02 of the Revised Code sixty days after 124096  
the notice or order ~~sent by certified mail~~ is first returned to 124097  
the commissioner, and the commissioner shall certify the notice 124098  
or order, if applicable, to the attorney general for collection 124099  
under section 131.02 of the Revised Code. 124100

(b) Notwithstanding certification to the attorney general 124101  
under division (B)(1)(a) of this section, once the commissioner 124102  
or attorney general, or the designee of either, makes an initial 124103  
contact with the person to whom the notice or order is directed, 124104

the person may protest an assessment by filing a petition for 124105  
reassessment within sixty days after the initial contact. The 124106  
certification of an assessment under division (B)(1)(a) of this 124107  
section is prima-facie evidence that delivery is complete and 124108  
that the notice or order is served. 124109

(2) If mailing of a notice or order by certified or 124110  
ordinary mail is returned for some cause other than an 124111  
undeliverable address or if a person does not access an 124112  
electronic notice or order within the time provided in division 124113  
(F) of this section, the commissioner shall resend the notice or 124114  
order by ordinary mail. The notice or order shall show the date 124115  
the commissioner sends the notice or order and include the 124116  
following statement: 124117

"This notice or order is deemed to be served on the 124118  
addressee under applicable law ten days from the date this 124119  
notice or order was mailed by the commissioner as shown on the 124120  
notice or order, and all periods within which an appeal may be 124121  
filed apply from and after that date." 124122

Unless the mailing is returned because of an undeliverable 124123  
address, the mailing of that information is prima-facie evidence 124124  
that delivery of the notice or order was completed ten days 124125  
after the commissioner ~~sent~~ resent the notice or order by 124126  
ordinary mail and that the notice or order was served. 124127

If the ~~ordinary mail mailing~~ is subsequently returned 124128  
because of an undeliverable address, the commissioner shall 124129  
proceed under division (B)(1)(a) of this section. A person may 124130  
challenge the presumption of delivery and service under this 124131  
division in accordance with division (C) of this section. 124132

(C) (1) A person disputing the presumption of delivery and 124133

service under division (B) of this section bears the burden of 124134  
proving by a preponderance of the evidence that the address to 124135  
which the notice or order was sent was not an address with which 124136  
the person was associated at the time the commissioner 124137  
originally mailed the notice or order ~~by certified mail~~. For the 124138  
purposes of this section, a person is associated with an address 124139  
at the time the commissioner originally mailed the notice or 124140  
order if, at that time, the person was residing, receiving legal 124141  
documents, or conducting business at the address; or if, before 124142  
that time, the person had conducted business at the address and, 124143  
when the notice or order was mailed, the person's agent or the 124144  
person's affiliate was conducting business at the address. For 124145  
the purposes of this section, a person's affiliate is any other 124146  
person that, at the time the notice or order was mailed, owned 124147  
or controlled at least twenty per cent, as determined by voting 124148  
rights, of the addressee's business. 124149

(2) If the person elects to protest an assessment 124150  
certified to the attorney general for collection, the person 124151  
must do so within sixty days after the attorney general's 124152  
initial contact with the person. The attorney general may enter 124153  
into a compromise with the person under sections 131.02 and 124154  
5703.06 of the Revised Code if the person does not file a 124155  
petition for reassessment with the commissioner. 124156

(D) Nothing in this section prohibits the commissioner or 124157  
the commissioner's designee from delivering a notice or order by 124158  
personal service. 124159

(E) Collection actions taken pursuant to section 131.02 of 124160  
the Revised Code upon any assessment being challenged under 124161  
division (B) (1) (b) of this section shall be stayed upon the 124162  
pendency of an appeal under this section. If a petition for 124163

reassessment is filed pursuant to this section on a claim that 124164  
has been certified to the attorney general for collection, the 124165  
claim shall be uncertified. 124166

(F) (1) The commissioner may serve a notice or order upon 124167  
the person affected by the notice or order or that person's 124168  
authorized representative through secure electronic means 124169  
associated with the person's or representative's last known 124170  
address, but only with the person's consent. The commissioner 124171  
must inform the recipient, electronically or by mail, that a 124172  
notice or order is available for electronic review and provide 124173  
instructions to access and print the notice or order. The types 124174  
of electronic notification the commissioner may use include 124175  
electronic mail, text message, or any other form of electronic 124176  
communication. The recipient's electronic access of the notice 124177  
or order satisfies the requirements for delivery under this 124178  
section. If the recipient fails to access the notice or order 124179  
electronically within ten business days, then the commissioner 124180  
shall inform the recipient a second time, electronically or by 124181  
mail, that a notice or order is available for electronic review 124182  
and provide instructions to access and print the notice or 124183  
order. If the recipient fails to access the notice or order 124184  
electronically within ten business days of the second 124185  
notification, the notice or order shall be served upon the 124186  
person through the means provided in division (B) (2) of this 124187  
section. 124188

(2) The tax commissioner shall establish a system to issue 124189  
notification of assessments to taxpayers through secure 124190  
electronic means. 124191

(G) As used in this section: 124192

(1) "Last known address" means the address the department 124193

has at the time the document is originally sent by certified or 124194  
ordinary mail, or any address the department can ascertain using 124195  
reasonable means such as the use of a change of address service 124196  
offered by the United States postal service or an authorized 124197  
delivery service under section 5703.056 of the Revised Code. For 124198  
documents sent by secure electronic means, "last known address" 124199  
means an electronic mode of communication that is identified on 124200  
a form prescribed by the commissioner for such purpose or that 124201  
is associated with the person or the authorized representative 124202  
of the person as of the date the notification was sent on the 124203  
Ohio business gateway, as defined in section 718.01 of the 124204  
Revised Code, ~~as of the date the notification was sent~~ or another 124205  
electronic filing or payment system prescribed by the 124206  
commissioner. 124207

(2) "Undeliverable address" means an address to which the 124208  
United States postal service or an authorized delivery service 124209  
under section 5703.056 of the Revised Code is not able to 124210  
deliver a notice or order, except when the reason for 124211  
nondelivery is because the addressee fails to acknowledge or 124212  
accept the notice or order. 124213

**Sec. 5703.70.** (A) On the filing of an application for 124214  
refund under section 718.91, 3734.905, 4307.05, 4307.07, 124215

5751.08, or 5753.06 of the Revised Code, or an application for 124219  
compensation under section 5739.061 of the Revised Code, if the 124220  
tax commissioner determines that the amount of the refund or 124221  
compensation to which the applicant is entitled is less than the 124222  
amount claimed in the application, the commissioner shall give 124223  
the applicant written notice by ordinary mail of the amount. The 124224

notice shall be sent to the address shown on the application 124225  
unless the applicant notifies the commissioner of a different 124226  
address. The applicant shall have sixty days from the date the 124227  
commissioner mails the notice to provide additional information 124228  
to the commissioner or request a hearing, or both. 124229

(B) If the applicant neither requests a hearing nor 124230  
provides additional information to the tax commissioner within 124231  
the time prescribed by division (A) of this section, the 124232  
commissioner shall take no further action, and the refund or 124233  
compensation amount denied becomes final. 124234

(C) (1) If the applicant requests a hearing within the time 124235  
prescribed by division (A) of this section, the tax commissioner 124236  
shall assign a time and place for the hearing and notify the 124237  
applicant of such time and place, but the commissioner may 124238  
continue the hearing from time to time, as necessary. After the 124239  
hearing, the commissioner may make such adjustments to the 124240  
refund or compensation as the commissioner finds proper, and 124241  
shall issue a final determination thereon. 124242

(2) If the applicant does not request a hearing, but 124243  
provides additional information, within the time prescribed by 124244  
division (A) of this section, the commissioner shall review the 124245  
information, make such adjustments to the refund or compensation 124246  
as the commissioner finds proper, and issue a final 124247  
determination thereon. The commissioner may review such 124248  
information and make such adjustments as many times as the 124249  
commissioner finds proper before the issuance of a final 124250  
determination. 124251

(3) If the applicant requests a hearing and provides 124252  
additional information within the time prescribed by division 124253  
(A) of this section, the commissioner may review the information 124254

and make such adjustments to the refund or compensation as the commissioner finds proper. The commissioner may review such information and make such adjustments as many times as the commissioner finds proper before the issuance of a final determination.

The commissioner shall assign a time and place for the hearing and notify the applicant of such time and place, but the commissioner may continue the hearing from time to time, as necessary. After the hearing, the commissioner may make any additional adjustments to the refund or compensation as the commissioner finds proper and shall issue a final determination thereon.

(4) The commissioner shall serve a copy of the final determination made under division (C)(1), (2), or (3) of this section on the applicant in the manner provided in section 5703.37 of the Revised Code, and the decision is final, subject to appeal under section 5717.02 of the Revised Code.

transferred. 124761

(B) A taxing authority of a subdivision, by resolution or 124762  
ordinance, may establish a special revenue fund for the purpose 124763  
of accumulating resources for the payment of accumulated sick 124764  
leave and vacation leave, and for payments in lieu of taking 124765  
compensatory time off, upon the termination of employment or the 124766  
retirement of officers and employees of the subdivision. The 124767  
special revenue fund may also accumulate resources for payment 124768  
of salaries during any fiscal year when the number of pay 124769  
periods exceeds the usual and customary number of pay periods. 124770  
Notwithstanding sections 5705.14, 5705.15, and 5705.16 of the 124771  
Revised Code, the taxing authority, by resolution or ordinance, 124772  
may transfer money to the special revenue fund from any other 124773  
fund of the subdivision from which such payments may lawfully be 124774  
made. The taxing authority, by resolution or ordinance, may 124775  
rescind a special revenue fund established under this division. 124776  
If a special revenue fund is rescinded, money that has 124777  
accumulated in the fund shall be transferred to the fund or 124778  
funds from which the money originally was transferred. 124779

(C) A taxing authority of a subdivision, by resolution or 124780  
ordinance, may establish a capital projects fund for the purpose 124781  
of accumulating resources for the acquisition, construction, or 124782  
improvement of fixed assets of the subdivision. For the purposes 124783  
of this section, "fixed assets" includes motor vehicles. More 124784  
than one capital projects fund may be established and may exist 124785  
at any time. The ordinance or resolution shall identify the 124786  
source of the money to be used to acquire, construct, or improve 124787  
the fixed assets identified in the resolution or ordinance, the 124788  
amount of money to be accumulated for that purpose, the period 124789

of time over which that amount is to be accumulated, and the 124790  
fixed assets that the taxing authority intends to acquire, 124791  
construct, or improve with the money to be accumulated in the 124792  
fund. 124793

A taxing authority of a subdivision shall not accumulate 124794  
money in a capital projects fund for more than ten years after 124795  
the resolution or ordinance establishing the fund is adopted. If 124796  
the subdivision has not entered into a contract for the 124797  
acquisition, construction, or improvement of fixed assets for 124798  
which money was accumulated in such a fund before the end of 124799  
that ten-year period, the fiscal officer of the subdivision 124800  
shall transfer all money in the fund to the fund or funds from 124801  
which that money originally was transferred or the fund that 124802  
originally was intended to receive the money. 124803

A taxing authority of a subdivision, by resolution or 124804  
ordinance, may rescind a capital projects fund. If a capital 124805  
projects fund is rescinded, money that has accumulated in the 124806  
fund shall be transferred to the fund or funds from which the 124807  
money originally was transferred. 124808

Notwithstanding sections 5705.14, 5705.15, and 5705.16 of 124809  
the Revised Code, the taxing authority of a subdivision, by 124810  
resolution or ordinance, may transfer money to the capital 124811  
projects fund from any other fund of the subdivision that may 124812  
lawfully be used for the purpose of acquiring, constructing, or 124813  
improving the fixed assets identified in the resolution or 124814  
ordinance. 124815

**Sec. 5705.131.** A taxing authority of a subdivision may 124816  
establish a nonexpendable trust fund for the purpose of 124817  
receiving donations or contributions that the donor or 124818  
contributor requires to be maintained intact. The principal of 124819

such fund may be invested, and the investment earnings on the 124820  
principal shall be credited to the fund. ~~The principal of the~~ 124821  
~~fund, and any additions to principal arising from sources other~~ 124822  
~~than the reinvestment of investment earnings arising from the~~ 124823  
~~fund, shall not be considered part of the unencumbered balance~~ 124824  
~~or revenue of the subdivision under division (A) of section~~ 124825  
~~5705.35 or division (A) (1) of section 5705.36 of the Revised~~ 124826  
~~Code. Only investment earnings arising from investment of the~~ 124827  
~~principal or investment of such additions to principal may be~~ 124828  
~~considered an unencumbered balance or revenue of the subdivision~~ 124829  
~~under that division.~~ 124830

**Sec. 5705.132.** In addition to any reserve balance account 124831  
established under section 5705.13 of the Revised Code, a board 124832  
of township trustees, by resolution, may establish a reserve 124833  
balance account to accumulate currently available resources for 124834  
any purpose for which the board may lawfully expend money of the 124835  
township other than for the purposes for which a reserve balance 124836  
account may be established under section 5705.13 of the Revised 124837  
Code. Money may be transferred to the reserve balance account 124838  
from another fund or account of the township only if money in 124839  
that fund or account may lawfully be expended for the purpose 124840  
for which the reserve balance account is created. A reserve 124841  
balance account created under this section may exist for not 124842  
more than five fiscal years beginning with the first fiscal year 124843  
in which money is credited to the account. The total amount of 124844  
money to the credit of all reserve balance accounts established 124845  
under this section at any time in any fiscal year shall not 124846  
exceed five per cent of the total of the township's revenue from 124847  
all sources for the preceding fiscal year and any unencumbered 124848  
balances carried over to the current fiscal year from the 124849  
preceding fiscal year. Money in a reserve balance account shall 124850

be expended only for the purpose for which the account is 124851  
established. More than one reserve balance account may be 124852  
established under this section. 124853

The resolution establishing a reserve balance account 124854  
shall state the specific purpose for which the account is 124855  
established, the fund within which the account is established, 124856  
the fund or account from which money shall be transferred to the 124857  
account, and the number of years the account will exist. The 124858  
resolution shall specify the maximum total amount of money that 124859  
may be credited to the account during its existence and the 124860  
maximum amount of money to be credited to the account each 124861  
fiscal year the account exists. The board, by subsequent 124862  
resolution, may change the amount to be credited and the source 124863  
from which money is transferred, subject to the limitations of 124864  
this section. 124865

The board, by resolution, may rescind a reserve balance 124866  
account established under this section before the expiration of 124867  
the account. The board, by resolution, may extend the life of a 124868  
reserve balance account, provided that the total number of years 124869  
the fund exists shall not exceed five fiscal years beginning 124870  
with the first fiscal year in which money is credited to the 124871  
account. 124872

Upon the expiration or rescission of a reserve balance 124873  
account established under this section, any unexpended balance 124874  
in the account shall be transferred to the fund or account from 124875  
which money in the account was originally transferred. If money 124876  
in the account originally was transferred from more than one 124877  
fund or account, a pro rata share of the unexpended balance 124878  
shall be transferred to each such fund or account proportionate 124879  
to the amount originally transferred from that fund or account. 124880

~~The balance to the credit of a reserve balance account~~ 124881  
~~shall not be considered part of the unencumbered balance or~~ 124882  
~~revenue of the township under division (A) of section 5705.35 or~~ 124883  
~~division (A) (1) of section 5705.36 of the Revised Code.~~ 124884

**Sec. 5705.14.** No transfer shall be made from one fund of a 124885  
subdivision to any other fund, by order of the court or 124886  
otherwise, except as follows: 124887

(A) The unexpended balance in a bond fund that is no 124888  
longer needed for the purpose for which such fund was created 124889  
shall be transferred to the sinking fund or bond retirement fund 124890  
from which such bonds are payable. 124891

(B) The unexpended balance in any specific permanent 124892  
improvement fund, other than a bond fund, after the payment of 124893  
all obligations incurred in the acquisition of such improvement, 124894  
shall be transferred to the sinking fund or bond retirement fund 124895  
of the subdivision; provided that if such money is not required 124896  
to meet the obligations payable from such funds, it may be 124897  
transferred to a special fund for the acquisition of permanent 124898  
improvements, or, with the approval of the court of common pleas 124899  
of the county in which such subdivision is located, to the 124900  
general fund of the subdivision. 124901

(C) (1) Except as provided in division (C) (2) of this 124902  
section, the unexpended balance in the sinking fund or bond 124903  
retirement fund of a subdivision, after all indebtedness, 124904  
interest, and other obligations for the payment of which such 124905  
fund exists have been paid and retired, shall be transferred, in 124906  
the case of the sinking fund, to the bond retirement fund, and 124907  
in the case of the bond retirement fund, to the sinking fund; 124908  
provided that if such transfer is impossible by reason of the 124909  
nonexistence of the fund to receive the transfer, such 124910

unexpended balance, with the approval of the court of common 124911  
pleas of the county in which such division is located, may be 124912  
transferred to any other fund of the subdivision. 124913

(2) Money in a bond fund or bond retirement fund of a 124914  
city, local, exempted village, cooperative education, or joint 124915  
vocational school district may be transferred to a specific 124916  
permanent improvement fund provided that the county budget 124917  
commission of the county in which the school district is located 124918  
approves the transfer upon its determination that the money 124919  
transferred will not be required to meet the obligations payable 124920  
from the bond fund or bond retirement fund. In arriving at such 124921  
a determination, the county budget commission shall consider the 124922  
balance of the bond fund or bond retirement fund, the 124923  
outstanding obligations payable from the fund, and the sources 124924  
and timing of the fund's revenue. 124925

(D) The unexpended balance in any special fund, other than 124926  
an improvement fund, existing in accordance with division (D), 124927  
(F), or (G) of section 5705.09 or section 5705.12 of the Revised 124928  
Code, may be transferred to the general fund or to the sinking 124929  
fund or bond retirement fund after the termination of the 124930  
activity, service, or other undertaking for which such special 124931  
fund existed, but only after the payment of all obligations 124932  
incurred and payable from such special fund. 124933

(E) Money may be transferred from the general fund to any 124934  
other fund of the subdivision. 124935

(F) Moneys retained or received by a county under section 124936  
4501.04 or division (A) (2) of section 5735.27 of the Revised 124937  
Code may be transferred from the fund into which they were 124938  
deposited to the sinking fund or bond retirement fund from which 124939  
any principal, interest, or charges for which such moneys may be 124940

used is payable. 124941

(G) Moneys retained or received by a municipal corporation 124942  
under section 4501.04 or division (A) (1) of section 5735.27 of 124943  
the Revised Code may be transferred from the fund into which 124944  
they were deposited to the sinking fund or bond retirement fund 124945  
from which any principal, interest, or charges for which such 124946  
moneys may be used is payable. 124947

(H) (1) Money may be transferred from the county 124948  
developmental disabilities general fund to the county 124949  
developmental disabilities capital fund established under 124950  
section 5705.091 of the Revised Code or to any other fund 124951  
created for the purposes of the county board of developmental 124952  
disabilities, so long as money in the fund to which the money is 124953  
transferred can be spent for the particular purpose of the 124954  
transferred money. The county board of developmental 124955  
disabilities may request, by resolution, that the board of 124956  
county commissioners make the transfer. The county board of 124957  
developmental disabilities shall transmit a certified copy of 124958  
the resolution to the board of county commissioners. Upon 124959  
receiving the resolution, the board of county commissioners may 124960  
make the transfer. Money transferred to a fund shall be credited 124961  
to an account appropriate to its particular purpose. 124962

(2) An unexpended balance in an account in the county 124963  
developmental disabilities capital fund or any other fund 124964  
created for the purposes of the county board of developmental 124965  
disabilities may be transferred back to the county developmental 124966  
disabilities general fund. The transfer may be made if the 124967  
unexpended balance is no longer needed for its particular 124968  
purpose and all outstanding obligations have been paid. Money 124969  
transferred back to the county developmental disabilities 124970

general fund shall be credited to an account for current 124971  
expenses within that fund. The county board of developmental 124972  
disabilities may request, by resolution, that the board of 124973  
county commissioners make the transfer. The county board of 124974  
developmental disabilities shall transmit a certified copy of 124975  
the resolution to the board of county commissioners. Upon 124976  
receiving the resolution, the board of county commissioners may 124977  
make the transfer. 124978

(I) Money may be transferred from the public assistance 124979  
fund established under section 5101.161 of the Revised Code to 124980  
either of the following funds, so long as the money to be 124981  
transferred from the public assistance fund may be spent for the 124982  
purposes for which money in the receiving fund may be used: 124983

(1) The children services fund established under section 124984  
~~5101.144~~ 5180.411 of the Revised Code; 124985

(2) The child support enforcement administrative fund 124986  
established, as authorized under rules adopted by the director 124987  
of job and family services, in the county treasury for use by 124988  
any county family services agency. 124989

(J) Notwithstanding this section, money in any fund or 124990  
account of a village dissolved in accordance with sections 124991  
703.31 to 703.39 of the Revised Code may be transferred by the 124992  
receiver-trustee to a special account for the purpose of paying 124993  
the debts, obligations, and liabilities of the dissolved village 124994  
or to the general fund of any township into which the territory 124995  
of the village is dissolved for any purpose that directly or 124996  
indirectly benefits the former territory of the dissolved 124997  
village. 124998

(K) Except in the case of transfer pursuant to division 124999

(E) or (J) of this section, transfers authorized by this section 125000  
shall only be made by resolution of the taxing authority passed 125001  
with the affirmative vote of two-thirds of the members. 125002

**Sec. 5705.17.** (A) As used in this section: 125003

(1) "Qualifying levy" means any levy in excess of the ten- 125004  
mill limitation for current expenses or current operating 125005  
expenses. 125006

(2) "School district" means a city, local, or exempted 125007  
village school district. 125008

(B) Notwithstanding anything in the Revised Code to the 125009  
contrary, any election notice and ballot language for qualifying 125010  
levy submitted to electors by a school district shall display 125011  
the information certified by the county auditor in division (B) 125012  
(2) (f) of section 5705.03 of the Revised Code. The secretary of 125013  
state shall prescribe the form of the notice and ballot to 125014  
incorporate this information. 125015

**Sec. 5705.194.** The board of education of any city, local, 125016  
exempted village, cooperative education, or joint vocational 125017  
school district at any time before the effective date of this 125018  
amendment may declare by resolution, by a vote of two-thirds of 125019  
all of its members, that the revenue that will be raised by all 125020  
tax levies which the district is authorized to impose, when 125021  
combined with state and federal revenues, will be insufficient 125022  
to provide for the emergency requirements of the school district 125023  
or to avoid an operating deficit, and that it is therefore 125024  
necessary to levy an additional tax in excess of the ten-mill 125025  
limitation. The resolution shall be confined to a single purpose 125026  
and shall specify that purpose. If the levy is proposed to renew 125027  
all or a portion of the proceeds derived from one or more 125028

existing levies imposed pursuant to this section, it shall be 125029  
called a renewal levy and shall be so designated on the ballot. 125030  
If two or more existing levies are to be included in a single 125031  
renewal levy but are not scheduled to expire in the same year, 125032  
the resolution shall specify that the existing levies to be 125033  
renewed shall not be levied after the year preceding the year in 125034  
which the renewal levy is first imposed. Notwithstanding the 125035  
original purpose of any one or more existing levies that are to 125036  
be in any single renewal levy, the purpose of the renewal levy 125037  
may be either to avoid an operating deficit or to provide for 125038  
the emergency requirements of the school district. The 125039  
resolution shall further specify the amount of money it is 125040  
necessary to raise for the specified purpose for each calendar 125041  
year the millage is to be imposed; if a renewal levy, whether 125042  
the levy is to renew all, or a portion of, the proceeds derived 125043  
from one or more existing levies; and the number of years in 125044  
which the millage is to be in effect, which may include a levy 125045  
upon the current year's tax list. The number of years may be any 125046  
number not exceeding ten. 125047

The question shall be submitted at a special election on a 125048  
date specified in the resolution. The date shall not be earlier 125049  
than eighty days after the adoption and certification of the 125050  
resolution to the county auditor and shall be consistent with 125051  
the requirements of section 3501.01 of the Revised Code. A 125052  
resolution for a renewal levy shall not be placed on the ballot 125053  
unless the question is submitted on a date on which a special 125054  
election may be held under division (D) of section 3501.01 of 125055  
the Revised Code, except for the first Tuesday after the first 125056  
Monday in August, during the last year the levy to be renewed 125057  
may be extended on the real and public utility property tax list 125058  
and duplicate, or at any election held in the ensuing year, 125059

except that if the resolution proposes renewing two or more 125060  
existing levies, the question shall be submitted on the date of 125061  
the general or primary election held during the last year at 125062  
least one of the levies to be renewed may be extended on that 125063  
list and duplicate, or at any election held during the ensuing 125064  
year. For purposes of this section ~~and sections 5705.197 and~~ 125065  
section 5705.199 of the Revised Code, a levy shall be considered 125066  
to be an "existing levy" through the year following the last 125067  
year it can be placed on the real and public utility property 125068  
tax list and duplicate. 125069

The submission of questions to the electors under this 125070  
section is subject to the limitation on the number of election 125071  
dates established by section 5705.214 of the Revised Code. 125072

The resolution shall go into immediate effect upon its 125073  
passage, and no publication of the resolution shall be necessary 125074  
other than that provided for in the notice of election. A copy 125075  
of the resolution shall immediately after its passing be 125076  
certified to the county auditor of the proper county. ~~Section~~ 125077  
~~5705.195 of the Revised Code shall govern the arrangements for~~ 125078  
~~the submission of questions to the electors under this section~~ 125079  
~~and other matters concerning the election.~~ Publication of notice 125080  
of the election shall be made in one newspaper of general 125081  
circulation in the county once a week for two consecutive weeks, 125082  
or as provided in section 7.16 of the Revised Code, prior to the 125083  
election. If the board of elections operates and maintains a web 125084  
site, the board of elections shall post notice of the election 125085  
on its web site for thirty days prior to the election. If a 125086  
majority of the electors voting on the question submitted in an 125087  
election vote in favor of the levy, the board of education of 125088  
the school district may make the additional levy necessary to 125089  
raise the amount specified in the resolution for the purpose 125090

stated in the resolution. The tax levy shall be included in the 125091  
next tax budget that is certified to the county budget 125092  
commission. 125093

After the approval of the levy and prior to the time when 125094  
the first tax collection from the levy can be made, the board of 125095  
education may anticipate a fraction of the proceeds of the levy 125096  
and issue anticipation notes in an amount not exceeding the 125097  
total estimated proceeds of the levy to be collected during the 125098  
first year of the levy. 125099

The notes shall be issued as provided in section 133.24 of 125100  
the Revised Code, shall have principal payments during each year 125101  
after the year of their issuance over a period not to exceed 125102  
five years, and may have principal payment in the year of their 125103  
issuance. 125104

**Sec. 5705.199.** (A) At any time before the effective date 125105  
of this amendment the board of education of a city, local, 125106  
exempted village, cooperative education, or joint vocational 125107  
school district, by a vote of two-thirds of all its members, may 125108  
declare by resolution that the revenue that will be raised by 125109  
all tax levies that the district is authorized to impose, when 125110  
combined with state and federal revenues, will be insufficient 125111  
to provide for the necessary requirements of the school 125112  
district, and that it is therefore necessary to levy a tax in 125113  
excess of the ten-mill limitation for the purpose of providing 125114  
for the necessary requirements of the school district. Such a 125115  
levy shall be proposed as a substitute for all or a portion of 125116  
one or more existing levies imposed under ~~sections~~ section 125117  
5705.194 ~~to 5705.197~~ of the Revised Code or under this section, 125118  
by levying a tax as follows: 125119

(1) In the initial year the levy is in effect, the levy 125120

shall be in a specified amount of money equal to the aggregate 125121  
annual dollar amount of proceeds derived from the levy or 125122  
levies, or portion thereof, being substituted. 125123

(2) In each subsequent year the levy is in effect, the 125124

(b) The dollar amount equal to the product of the total 125129  
taxable value of all taxable real property in the school 125130  
district in the then-current year, excluding carryover property 125131  
as defined in section 319.301 of the Revised Code, multiplied by 125132  
the annual levy, expressed in mills for each one dollar of 125133  
taxable value, that was required to produce the annual dollar 125134  
amount of the levy under this section in the prior year; 125135

~~The resolution shall go into immediate effect upon its~~ 125153

~~(F)~~ (C) A levy for a continuing period of time may be 125209

shall be treated as having renewed the levy or levies being 125214

5751.20 to 5751.22 of the Revised Code. 125216~~

~~(H)~~ (D) After the approval of a levy on the current tax 125217

principal payment in the year of their issuance. 125227

**Sec. 5705.21.** (A) At any time, the board of education of 125228  
any city, local, exempted village, cooperative education, or 125229  
joint vocational school district, by a vote of two-thirds of all 125230  
its members, may declare by resolution that the amount of taxes 125231  
that may be raised within the ten-mill limitation by levies on 125232  
the current tax list will be insufficient to provide an adequate 125233  
amount for the necessary requirements of the school district, 125234  
that it is necessary to levy a tax in excess of such limitation 125235  
for one of the purposes specified in division (A), (D), (F), 125236

(H), or (DD) of section 5705.19 of the Revised Code, for general 125237  
permanent improvements, for the purpose of operating a cultural 125238  
center, for the purpose of providing for school safety and 125239  
security, or for the purpose of providing education technology, 125240  
and that the question of such additional tax levy shall be 125241  
submitted to the electors of the school district at a special 125242  
election on a day to be specified in the resolution. In the case 125243  
of a qualifying library levy for the support of a library 125244  
association or private corporation, the question shall be 125245  
submitted to the electors of the association library district. 125246  
If the resolution states that the levy is for the purpose of 125247  
operating a cultural center, the ballot shall state that the 125248  
levy is "for the purpose of operating the\_\_\_\_\_ (name of 125249  
cultural center)." 125250

As used in this division, "cultural center" means a 125251  
freestanding building, separate from a public school building, 125252  
that is open to the public for educational, musical, artistic, 125253  
and cultural purposes; "education technology" means, but is not 125254  
limited to, computer hardware, equipment, materials, and 125255  
accessories, equipment used for two-way audio or video, and 125256  
software; "general permanent improvements" means permanent 125257  
improvements without regard to the limitation of division (F) of 125258  
section 5705.19 of the Revised Code that the improvements be a 125259  
specific improvement or a class of improvements that may be 125260  
included in a single bond issue; and "providing for school 125261  
safety and security" includes but is not limited to providing 125262  
for permanent improvements to provide or enhance security, 125263  
employment of or contracting for the services of safety 125264  
personnel, providing mental health services and counseling, or 125265  
providing training in safety and security practices and 125266  
responses. 125267

A resolution adopted under this division shall be confined 125268  
to a single purpose and shall specify the amount of the increase 125269  
in rate that it is necessary to levy, the purpose of the levy, 125270  
and the number of years during which the increase in rate shall 125271  
be in effect. The number of years may be any number not 125272  
exceeding five or, if the levy is for current expenses of the 125273  
district or for general permanent improvements, for a continuing 125274  
period of time. 125275

(B) (1) The board of education of a qualifying school 125276  
district, by resolution, by a vote of two-thirds of all of its 125277  
members, may declare that it is necessary to levy a tax in 125278  
excess of the ten-mill limitation for the purpose of paying the 125279  
current expenses of partnering community schools and, if any of 125280  
the levy proceeds are so allocated, of the district. A 125281  
qualifying school district that is not a municipal school 125282  
district may allocate all of the levy proceeds to partnering 125283  
community schools. A municipal school district shall allocate a 125284  
portion of the levy proceeds to the current expenses of the 125285  
district. The resolution shall declare that the question of the 125286  
additional tax levy shall be submitted to the electors of the 125287  
school district at a special election on a day to be specified 125288  
in the resolution. The resolution shall state the purpose of the 125289  
levy, the rate of the tax expressed in mills for each one dollar 125290  
of taxable value, the number of such mills to be levied for the 125291  
current expenses of the partnering community schools and the 125292  
number of such mills, if any, to be levied for the current 125293  
expenses of the school district, the number of years the tax 125294  
will be levied, and the first year the tax will be levied. The 125295  
number of years the tax may be levied may be any number not 125296  
exceeding ten years, or for a continuing period of time. 125297

The levy of a tax for the current expenses of a partnering 125298

community school under this section and the distribution of 125299  
proceeds from the tax by a qualifying school district to 125300  
partnering community schools is hereby determined to be a proper 125301  
public purpose. 125302

(2) (a) If any portion of the levy proceeds are to be 125303  
allocated to the current expenses of the qualifying school 125304  
district, the form of the ballot at an election held pursuant to 125305  
division (B) of this section shall be as follows: 125306

"Shall a levy be imposed by the\_\_\_\_\_ (insert the name 125307  
of the qualifying school district) for the purpose of current 125308

(3) Upon each receipt of a tax distribution by the  
qualifying school district, the board of education shall credit  
the portion allocated to partnering community schools to the  
partnering community schools fund. All income from the  
investment of money in the partnering community schools fund  
shall be credited to that fund.

(a) If the qualifying school district is a municipal  
school district, the board of education shall distribute the  
partnering community schools amount among the then qualifying  
community schools not more than forty-five days after the school  
district receives and deposits each tax distribution. From each  
tax distribution, each such partnering community school shall  
receive a portion of the partnering community schools amount in  
the proportion that the number of its resident students bears to

the aggregate number of resident students of all such partnering 125353  
community schools as of the date of receipt and deposit of the 125354  
tax distribution. 125355

(b) If the qualifying school district is not a municipal 125356  
school district, the board of education may distribute all or a 125357  
portion of the amount in the partnering community schools fund 125358  
during a fiscal year to partnering community schools on or 125359  
before the first day of June of the preceding fiscal year. Each 125360  
such partnering community school shall receive a portion of the 125361  
amount distributed by the board from the partnering community 125362  
schools fund during the fiscal year in the proportion that the 125363  
number of its resident students bears to the aggregate number of 125364  
resident students of all such partnering community schools as of 125365  
the date the school district received and deposited the most 125366  
recent tax distribution. On or before the fifteenth day of June 125367  
of each fiscal year, the board of education shall announce an 125368  
estimated allocation to partnering community schools for the 125369  
ensuing fiscal year. The board is not required to allocate to 125370  
partnering community schools the entire partnering community 125371  
schools amount in the fiscal year in which a tax distribution is 125372  
received and deposited in the partnering community schools fund. 125373  
The estimated allocation shall be published on the web site of 125374  
the school district and expressed as a dollar amount per 125375  
resident student. The actual allocation to community schools in 125376  
a fiscal year need not conform to the estimate published by the 125377  
school district so long if the estimate was made in good faith. 125378

Distributions by a school district under division (B) (3) 125379  
(b) of this section shall be made in accordance with 125380  
distribution agreements entered into by the board of education 125381  
and each partnering community school eligible for distributions 125382  
under this division. The distribution agreements shall be 125383

certified to the department of education each fiscal year before 125384  
the thirtieth day of July. Each agreement shall provide for at 125385  
least three distributions by the school district to the 125386  
partnering community school during the fiscal year and shall 125387  
require the initial distribution be made on or before the 125388  
thirtieth day of July. 125389

(c) For the purposes of division (B) of this section, the 125390  
number of resident students shall be the number of such students 125391  
reported under section 3317.03 of the Revised Code and 125392  
established by the department of education as of the date of 125393  
receipt and deposit of the tax distribution. 125394

(4) To the extent an agreement whereby the qualifying 125395  
school district and a community school endorse each other's 125396  
programs is necessary for the community school to qualify as a 125397  
partnering community school under division (B) (6) (b) of this 125398  
section, the board of education of the school district shall 125399  
certify to the department of education the agreement along with 125400  
the determination that such agreement satisfies the requirements 125401  
of that division. The board's determination is conclusive. 125402

(5) For the purposes of Chapter 3317. of the Revised Code 125403  
or other laws referring to the "taxes charged and payable" for a 125404  
school district, the taxes charged and payable for a qualifying 125405  
school district that levies a tax under division (B) of this 125406  
section includes only the taxes charged and payable under that 125407  
levy for the current expenses of the school district, and does 125408  
not include the taxes charged and payable for the current 125409  
expenses of partnering community schools. The taxes charged and 125410  
payable for the current expenses of partnering community schools 125411  
shall not affect the calculation of "state education aid" as 125412  
defined in section 5751.20 of the Revised Code. 125413

- (6) As used in division (B) of this section: 125414
- (a) "Qualifying school district" means a municipal school 125415  
district, as defined in section 3311.71 of the Revised Code or a 125416  
school district that contains within its territory a partnering 125417  
community school. 125418
- (b) "Partnering community school" means a community school 125419  
established under Chapter 3314. of the Revised Code that is 125420  
located within the territory of the qualifying school district 125421  
and meets one of the following criteria: 125422
- (i) If the qualifying school district is a municipal 125423  
school district, the community school is sponsored by the 125424  
district or is a party to an agreement with the district whereby 125425  
the district and the community school endorse each other's 125426  
programs; 125427
- (ii) If the qualifying school district is not a municipal 125428  
school district, the community school is sponsored by a sponsor 125429  
that was rated as "exemplary" in the ratings most recently 125430  
published under section 3314.016 of the Revised Code before the 125431  
resolution proposing the levy is certified to the board of 125432  
elections. 125433
- (c) "Partnering community schools amount" means the 125434  
product obtained, as of the receipt and deposit of the tax 125435  
distribution, by multiplying the amount of a tax distribution by 125436  
a fraction, the numerator of which is the number of mills per 125437  
dollar of taxable value of the property tax to be allocated to 125438  
partnering community schools, and the denominator of which is 125439  
the total number of mills per dollar of taxable value authorized 125440  
by the electors in the election held under division (B) of this 125441  
section, each as set forth in the resolution levying the tax. If 125442

the resolution allocates all of the levy proceeds to partnering 125443  
community schools, the "partnering schools amount" equals the 125444  
amount of the tax distribution. 125445

(d) "Partnering community schools fund" means a separate 125446  
fund established by the board of education of a qualifying 125447  
school district for the deposit of partnering community school 125448  
amounts under this section. 125449

(e) "Resident student" means a student enrolled in a 125450  
partnering community school who is entitled to attend school in 125451  
the qualifying school district under section 3313.64 or 3313.65 125452  
of the Revised Code. 125453

(f) "Tax distribution" means a distribution of proceeds of 125454  
the tax authorized by division (B) of this section under section 125455  
321.24 of the Revised Code and distributions that are 125456  
attributable to that tax under sections 323.156 and 4503.068 of 125457  
the Revised Code or other applicable law. 125458

(C) A resolution adopted under this section shall specify 125459  
the date of holding the election, which shall not be earlier 125460  
than ninety days after the adoption and certification of the 125461  
resolution and which shall be consistent with the requirements 125462  
of section 3501.01 of the Revised Code. 125463

A resolution adopted under this section may propose to 125464  
renew one or more existing levies imposed under division (A) or 125465  
(B) of this section or to ~~increase or decrease~~ a single levy 125466  
imposed under either such division. 125467

If the board of education imposes one or more existing 125468  
levies for the purpose specified in division (F) of section 125469  
5705.19 of the Revised Code, the resolution may propose to renew 125470  
one or more of those existing levies, or to ~~increase or decrease~~ 125471

a single such existing levy, for the purpose of general 125472  
permanent improvements. 125473

If the resolution proposes to renew two or more existing 125474  
levies, the levies shall be levied for the same purpose. The 125475  
resolution shall identify those levies and the rates at which 125476  
they are levied. The resolution also shall specify that the 125477  
existing levies shall not be extended on the tax lists after the 125478  
year preceding the year in which the renewal levy is first 125479  
imposed, regardless of the years for which those levies 125480  
originally were authorized to be levied. 125481

If the resolution proposes to renew an existing levy 125482  
imposed under division (B) of this section, the rates allocated 125483  
to the qualifying school district and to partnering community 125484  
schools each may be increased or decreased or remain the same, 125485  
and the total rate may be ~~increased, decreased,~~ or remain the 125486  
same. The resolution and notice of election shall specify the 125487  
number of the mills to be levied for the current expenses of the 125488  
partnering community schools and the number of the mills, if 125489  
any, to be levied for the current expenses of the qualifying 125490  
school district. 125491

A resolution adopted under this section shall go into 125492  
immediate effect upon its passage, and no publication of the 125493  
resolution shall be necessary other than that provided for in 125494  
the notice of election. A copy of the resolution shall 125495  
immediately after its passing be certified, along with the 125496  
county auditor's certification provided under section 5705.03 of 125497  
the Revised Code, to the board of elections of the proper county 125498  
in the manner provided by section 5705.25 of the Revised Code. 125499  
That section shall govern the arrangements for the submission of 125500  
such question and other matters concerning the election to which 125501

that section refers, including publication of notice of the 125502  
election, except that the election shall be held on the date 125503  
specified in the resolution. In the case of a resolution adopted 125504  
under division (B) of this section, the publication of notice of 125505  
that election shall state the number of the mills, if any, to be 125506  
levied for the current expenses of partnering community schools 125507  
and the number of the mills to be levied for the current 125508  
expenses of the qualifying school district. If a majority of the 125509  
electors voting on the question so submitted in an election vote 125510  
in favor of the levy, the board of education may make the 125511  
necessary levy within the school district or, in the case of a 125512  
qualifying library levy for the support of a library association 125513  
or private corporation, within the association library district, 125514  
at the additional rate, or at any lesser rate in excess of the 125515  
ten-mill limitation on the tax list, for the purpose stated in 125516  
the resolution. A levy for a continuing period of time may be 125517  
reduced pursuant to section 5705.261 of the Revised Code. The 125518  
tax levy shall be included in the next tax budget that is 125519  
certified to the county budget commission. 125520

(D) (1) After the approval of a levy on the current tax 125521  
list and duplicate for current expenses, for recreational 125522  
purposes, for community centers provided for in section 755.16 125523  
of the Revised Code, or for a public library of the district 125524  
under division (A) of this section, and prior to the time when 125525  
the first tax collection from the levy can be made, the board of 125526  
education may anticipate a fraction of the proceeds of the levy 125527  
and issue anticipation notes in a principal amount not exceeding 125528  
fifty per cent of the total estimated proceeds of the levy to be 125529  
collected during the first year of the levy. 125530

(2) After the approval of a levy for general permanent 125531  
improvements for a specified number of years or for permanent 125532

improvements having the purpose specified in division (F) of 125533  
section 5705.19 of the Revised Code, the board of education may 125534  
anticipate a fraction of the proceeds of the levy and issue 125535  
anticipation notes in a principal amount not exceeding fifty per 125536  
cent of the total estimated proceeds of the levy remaining to be 125537  
collected in each year over a period of five years after the 125538  
issuance of the notes. 125539

The notes shall be issued as provided in section 133.24 of 125540  
the Revised Code, shall have principal payments during each year 125541  
after the year of their issuance over a period not to exceed 125542  
five years, and may have a principal payment in the year of 125543  
their issuance. 125544

(3) After approval of a levy for general permanent 125545  
improvements for a continuing period of time, the board of 125546  
education may anticipate a fraction of the proceeds of the levy 125547  
and issue anticipation notes in a principal amount not exceeding 125548  
fifty per cent of the total estimated proceeds of the levy to be 125549  
collected in each year over a specified period of years, not 125550  
exceeding ten, after the issuance of the notes. 125551

The notes shall be issued as provided in section 133.24 of 125552  
the Revised Code, shall have principal payments during each year 125553  
after the year of their issuance over a period not to exceed ten 125554  
years, and may have a principal payment in the year of their 125555  
issuance. 125556

(4) After the approval of a levy on the current tax list 125557  
and duplicate under division (B) of this section, and prior to 125558  
the time when the first tax collection from the levy can be 125559  
made, the board of education may anticipate a fraction of the 125560  
proceeds of the levy for the current expenses of the school 125561  
district and issue anticipation notes in a principal amount not 125562

exceeding fifty per cent of the estimated proceeds of the levy 125563  
to be collected during the first year of the levy and allocated 125564  
to the school district. The portion of the levy proceeds to be 125565  
allocated to partnering community schools under that division 125566  
shall not be included in the estimated proceeds anticipated 125567  
under this division and shall not be used to pay debt charges on 125568  
any anticipation notes. 125569

The notes shall be issued as provided in section 133.24 of 125570  
the Revised Code, shall have principal payments during each year 125571  
after the year of their issuance over a period not to exceed 125572  
five years, and may have a principal payment in the year of 125573  
their issuance. 125574

(E) The submission of questions to the electors under this 125575  
section is subject to the limitation on the number of election 125576  
dates established by section 5705.214 of the Revised Code. 125577

(F) The board of education of any school district that 125578  
levies a tax under this section for the purpose of providing for 125579  
school safety and security may report to the department of 125580  
education how the district is using revenue from that tax. 125581

The board of education of any school district that 125582  
proposes to levy a tax for the purpose of providing for school 125583  
safety and security may share the proceeds of the tax with 125584  
chartered nonpublic schools, as defined by section 3310.01 of 125585  
the Revised Code, that are located in the territory of the 125586  
school district as provided in this division. The resolution 125587  
levying the tax and the form of the ballot shall state that 125588  
proceeds from the levy are to be shared with chartered nonpublic 125589  
schools and shall state the percentage of the proceeds that is 125590  
to be shared with those schools. 125591

If a percentage of the proceeds of such a tax are to be 125592  
shared with chartered nonpublic schools under this division, 125593  
such proceeds shall be shared with all chartered nonpublic 125594  
schools located in the territory of the school district. Of the 125595  
percentage of the proceeds to be shared with chartered nonpublic 125596  
schools, each such school shall receive an amount that bears the 125597  
same proportion of that percentage that the number of resident 125598  
students attending that school bears to the total number of 125599  
resident students attending all such schools in the territory of 125600  
the school district. For the purposes of this section, a 125601  
resident student is a student enrolled in a chartered nonpublic 125602  
school located in the territory of the school district who is 125603  
entitled to attend school in the school district under section 125604  
3313.64 or 3313.65 of the Revised Code. 125605

All proceeds of the levy shall be credited to a fund of 125606  
the school district created for that purpose, and the board of 125607  
education shall pay each chartered nonpublic school its share of 125608  
the proceeds from that fund not less frequently than once after 125609  
each settlement of taxes under divisions (A) and (C) of section 125610  
321.24 of the Revised Code. Any chartered nonpublic school 125611  
receiving payments under this section shall use all of such 125612  
payments only for providing for school safety and security. 125613

**Sec. 5705.212.** (A) (1) The board of education of any school 125614  
district, at any time and by a vote of two-thirds of all of its 125615  
members, may declare by resolution that the amount of taxes that 125616  
may be raised within the ten-mill limitation will be 125617  
insufficient to provide an adequate amount for the present and 125618  
future requirements of the school district, that it is necessary 125619  
to levy not more than five taxes in excess of that limitation 125620  
for current expenses, and that each of the proposed taxes first 125621  
will be levied in a different year, over a specified period of 125622

time. The board shall identify the taxes proposed under this 125623  
section as follows: the first tax to be levied shall be called 125624  
the "original tax." Each tax subsequently levied shall be called 125625  
an "incremental tax." The rate of each incremental tax shall be 125626  
identical, but the rates of such incremental taxes need not be 125627  
the same as the rate of the original tax. The resolution also 125628  
shall state that the question of these additional taxes shall be 125629  
submitted to the electors of the school district at a special 125630  
election. The resolution shall specify separately for each tax 125631  
proposed: the amount of the increase in rate that it is 125632  
necessary to levy, expressed separately for the original tax and 125633  
each incremental tax; that the purpose of the levy is for 125634  
current expenses; the number of years during which the original 125635  
tax shall be in effect; a specification that the last year in 125636  
which the original tax is in effect shall also be the last year 125637  
in which each incremental tax shall be in effect; and the year 125638  
in which each tax first is proposed to be levied. The original 125639  
tax may be levied for any number of years not exceeding ten, or 125640  
for a continuing period of time. The resolution shall specify 125641  
the date of holding the special election, which shall not be 125642  
earlier than ninety days after the adoption and certification of 125643  
the resolution and shall be consistent with the requirements of 125644  
section 3501.01 of the Revised Code. 125645

(2) The board of education, by a vote of two-thirds of all 125646  
of its members, may adopt a resolution proposing to renew taxes 125647  
levied other than for a continuing period of time under division 125648  
(A) (1) of this section. Such a resolution shall provide for 125649  
levying a tax and specify all of the following: 125650

(a) That the tax shall be called and designated on the 125651  
ballot as a renewal levy; 125652

(b) The rate of the renewal tax, which shall be a single  
rate that combines the rate of the original tax and each  
incremental tax into a single rate. The rate of the renewal tax  
shall not exceed the aggregate rate of the original and  
incremental taxes.

(c) The number of years, not to exceed ten, that the  
renewal tax will be levied, or that it will be levied for a  
continuing period of time;

(d) That the purpose of the renewal levy is for current  
expenses;

(e) Subject to the certification and notification  
requirements of section 5705.251 of the Revised Code, that the  
question of the renewal levy shall be submitted to the electors  
of the school district at the general election held during the  
last year the original tax may be extended on the real and  
public utility property tax list and duplicate or at a special  
election held during the ensuing year.

(3) A resolution adopted under division (A) (1) or (2) of  
this section shall go into immediate effect upon its adoption  
and no publication of the resolution is necessary other than  
that provided for in the notice of election. Immediately after  
its adoption, a copy of the resolution shall be certified to the  
board of elections of the proper county in the manner provided  
by division (A) of section 5705.251 of the Revised Code, and  
that division shall govern the arrangements for the submission  
of the question and other matters concerning the election to  
which that section refers. The election shall be held on the  
date specified in the resolution. If a majority of the electors  
voting on the question so submitted in an election vote in favor  
of the taxes or a renewal tax, the board of education, if the

original or a renewal tax is authorized to be levied for the 125683  
current year, immediately may make the necessary levy within the 125684  
school district at the authorized rate, or at any lesser rate in 125685  
excess of the ten-mill limitation, for the purpose stated in the 125686  
resolution. No tax shall be imposed prior to the year specified 125687  
in the resolution as the year in which it is first proposed to 125688  
be levied. The rate of the original tax and the rate of each 125689  
incremental tax shall be cumulative, so that the aggregate rate 125690  
levied in any year is the sum of the rates of both the original 125691  
tax and all incremental taxes levied in or prior to that year 125692  
under the same proposal. A tax levied for a continuing period of 125693  
time under this section may be reduced pursuant to section 125694  
5705.261 of the Revised Code. 125695

(B) Notwithstanding section 133.30 of the Revised Code, 125696  
after the approval of a tax to be levied in the current or the 125697  
succeeding year and prior to the time when the first tax 125698  
collection from that levy can be made, the board of education 125699  
may anticipate a fraction of the proceeds of the levy and issue 125700  
anticipation notes in an amount not to exceed fifty per cent of 125701  
the total estimated proceeds of the levy to be collected during 125702  
the first year of the levy. The notes shall be sold as provided 125703  
in Chapter 133. of the Revised Code. If anticipation notes are 125704  
issued, they shall mature serially and in substantially equal 125705  
amounts during each year over a period not to exceed five years; 125706  
and the amount necessary to pay the interest and principal as 125707  
the anticipation notes mature shall be deemed appropriated for 125708  
those purposes from the levy, and appropriations from the levy 125709  
by the board of education shall be limited each fiscal year to 125710  
the balance available in excess of that amount. 125711

If the auditor of state has certified a deficit pursuant 125712  
to section 3313.483 of the Revised Code, the notes authorized 125713

under this section may be sold in accordance with Chapter 133. 125714  
of the Revised Code, except that the board may sell the notes 125715  
after providing a reasonable opportunity for competitive 125716  
bidding. 125717

(C) (1) The board of education of a qualifying school 125718  
district, at any time and by a vote of two-thirds of all its 125719  
members, may declare by resolution that it is necessary to levy 125720  
not more than five taxes in excess of the ten-mill limitation 125721  
for the current expenses of partnering community schools and, if 125722  
any of the levy proceeds are so allocated, of the school 125723  
district, and that each of the proposed taxes first will be 125724  
levied in a different year, over a specified period of time. A 125725  
qualifying school district that is not a municipal school 125726  
district may allocate all of the levy proceeds to partnering 125727  
community schools. A municipal school district shall allocate a 125728  
portion of the levy proceeds to the current expenses of the 125729  
district. The board shall identify the taxes proposed under this 125730  
division in the same manner as in division (A) (1) of this 125731  
section. The rate of each incremental tax shall be identical, 125732  
but the rates of such incremental taxes need not be the same as 125733  
the rate of the original tax. In addition to the specifications 125734  
required of the resolution in division (A) of this section, the 125735  
resolution shall state the number of the mills to be levied each 125736  
year for the current expenses of the partnering community 125737  
schools and the number of the mills, if any, to be levied each 125738  
year for the current expenses of the school district. The number 125739  
of mills for the current expenses of partnering community 125740  
schools shall be the same for each of the incremental taxes, and 125741  
the number of mills for the current expenses of the qualifying 125742  
school district shall be the same for each of the incremental 125743  
taxes. 125744

The levy of taxes for the current expenses of a partnering community school under division (C) of this section and the distribution of proceeds from the tax by a qualifying school district to partnering community schools is hereby determined to be a proper public purpose.

(2) The board of education, by a vote of two-thirds of all of its members, may adopt a resolution proposing to renew taxes levied other than for a continuing period of time under division (C) (1) of this section. In such a renewal levy, the rates allocated to the qualifying school district and to partnering community schools each may be increased or decreased or remain the same, and the total rate may be ~~increased, decreased,~~ or remain the same. In addition to the requirements of division (A) (2) of this section, the resolution shall state the number of the mills to be levied for the current expenses of the partnering community schools and the number of the mills to be levied for the current expenses of the school district.

(3) A resolution adopted under division (C) (1) or (2) of this section is subject to the rules and procedures prescribed by division (A) (3) of this section.

(4) The proceeds of each tax levied under division (C) (1) or (2) of this section shall be credited and distributed in the manner prescribed by division (B) (3) of section 5705.21 of the Revised Code, and divisions (B) (4), (5), and (6) of that section apply to taxes levied under division (C) of this section.

(5) Notwithstanding section 133.30 of the Revised Code, after the approval of a tax to be levied under division (C) (1) or (2) of this section, in the current or succeeding year and prior to the time when the first tax collection from that levy can be made, the board of education may anticipate a fraction of

the proceeds of the levy for the current expenses of the 125775  
qualifying school district and issue anticipation notes in a 125776  
principal amount not exceeding fifty per cent of the estimated 125777  
proceeds of the levy to be collected during the first year of 125778  
the levy and allocated to the school district. The portion of 125779  
levy proceeds to be allocated to partnering community schools 125780  
shall not be included in the estimated proceeds anticipated 125781  
under this division and shall not be used to pay debt charges on 125782  
any anticipation notes. 125783

The notes shall be sold as provided in Chapter 133. of the 125784  
Revised Code. If anticipation notes are issued, they shall 125785  
mature serially and in substantially equal amounts during each 125786  
year over a period not to exceed five years. The amount 125787  
necessary to pay the interest and principal as the anticipation 125788  
notes mature shall be deemed appropriated for those purposes 125789  
from the levy, and appropriations from the levy by the board of 125790  
education shall be limited each fiscal year to the balance 125791  
available in excess of that amount. 125792

If the auditor of state has certified a deficit pursuant 125793  
to section 3313.483 of the Revised Code, the notes authorized 125794  
under this section may be sold in accordance with Chapter 133. 125795  
of the Revised Code, except that the board may sell the notes 125796  
after providing a reasonable opportunity for competitive 125797  
bidding. 125798

As used in division (C) of this section, "qualifying 125799  
school district" and "partnering community schools" have the 125800  
same meanings as in section 5705.21 of the Revised Code. 125801

(D) The submission of questions to the electors under this 125802  
section is subject to the limitation on the number of election 125803  
dates established by section 5705.214 of the Revised Code. 125804

(E) When a school board certifies a resolution to the 125805  
county auditor under division (B) (1) of section 5705.03 of the 125806  
Revised Code proposing to levy a tax under division (A) (1) or 125807  
(C) (1) of this section, the county auditor shall certify, in 125808  
addition to the other information the auditor is required to 125809  
certify under that section, an estimate of both the levy's 125810  
annual collections for the tax year for which the original tax 125811  
applies and the levies' aggregate annual collections for the tax 125812  
year for which the final incremental tax applies, in both cases 125813  
rounded to the nearest dollar, which shall be calculated 125814  
assuming that the amount of the tax list of the taxing authority 125815  
remains throughout the life of the levy the same as the amount 125816  
of the tax list most recently certified by the county auditor 125817  
under division (A) of section 319.28 of the Revised Code. If a 125818  
school district is located in more than one county, the county 125819  
auditor shall obtain from the county auditor of each other 125820  
county in which the district is located the current tax 125821  
valuation for the portion of the district in that county. 125822

**Sec. 5705.213.** (A) (1) The board of education of any school 125823  
district, at any time and by a vote of two-thirds of all of its 125824  
members, may declare by resolution that the amount of taxes that 125825  
may be raised within the ten-mill limitation will be 125826  
insufficient to provide an adequate amount for the present and 125827  
future requirements of the school district and that it is 125828  
necessary to levy a tax in excess of that limitation for current 125829  
expenses. The resolution also shall state that the question of 125830  
the additional tax shall be submitted to the electors of the 125831  
school district at a special election. The resolution shall 125832  
specify, for each year the levy is in effect, the amount of 125833  
money that the levy is proposed to raise, which may, for years 125834  
after the first year the levy is made, be expressed in terms of 125835

a dollar or percentage increase over the prior year's amount. 125836  
The resolution also shall specify that the purpose of the levy 125837  
is for current expenses, the number of years during which the 125838  
tax shall be in effect which may be for any number of years not 125839  
exceeding ten, and the year in which the tax first is proposed 125840  
to be levied. The resolution shall specify the date of holding 125841  
the special election, which shall not be earlier than ninety- 125842  
five days after the adoption and certification of the resolution 125843  
to the county auditor and not earlier than ninety days after 125844  
certification to the board of elections. The date of the 125845  
election shall be consistent with the requirements of section 125846  
3501.01 of the Revised Code. 125847

(2) The board of education, by a vote of two-thirds of all 125848  
of its members, may adopt a resolution proposing to renew a tax 125849  
levied under division (A) (1) of this section. Such a resolution 125850  
shall provide for levying a tax and specify all of the 125851  
following: 125852

(a) That the tax shall be called and designated on the 125853  
ballot as a renewal levy; 125854

(b) The amount of the renewal tax, which shall be no more 125855  
than the amount of tax levied during the last year the tax being 125856  
renewed is authorized to be in effect; 125857

(c) The number of years, not to exceed ten, that the 125858  
renewal tax will be levied, or that it will be levied for a 125859  
continuing period of time; 125860

(d) That the purpose of the renewal levy is for current 125861  
expenses; 125862

(e) Subject to the certification and notification 125863  
requirements of section 5705.251 of the Revised Code, that the 125864

question of the renewal levy shall be submitted to the electors 125865  
of the school district at the general election held during the 125866  
last year the tax being renewed may be extended on the real and 125867  
public utility property tax list and duplicate or at a special 125868  
election held during the ensuing year. 125869

(3) A resolution adopted under division (A) (1) or (2) of 125870  
this section shall go into immediate effect upon its adoption 125871
