authority on transactions under this chapter or on purchasers or 64777  
beneficiaries of tuition units, and all other receipts from any 64778  
other source that the authority determines appropriate, shall be 64779  
deposited in the reserve fund to pay the operating expenses of 64780  
the authority and the costs of administering the program. The 64781  
assets of the reserve fund may be invested in the same manner 64782  
and subject to the same limitations set forth in divisions (D), 64783  
(E), and (K) to (M) of this section and sections 145.112 and 64784

incurred in connection with the exercise of the investment 64786  
powers shall be paid from the assets of the reserve fund. Except 64787  
as otherwise provided for in this chapter, all operating 64788  
expenses of the authority and costs of administering the program 64789  
shall be paid from the operating fund. 64790

(2) The treasurer of state shall, upon request of the 64791  
authority, transfer funds from the reserve fund to the operating 64792  
fund as the authority determines appropriate to pay those 64793  
current operating expenses of the authority and costs of 64794  
administering the program as the authority designates. Any 64795  
interest or investment income earned on the assets of the 64796  
operating fund shall be deposited in the operating fund. 64797

each person who received any payments or refunds from the 64804

value of the payments or refunds to assist in determining that 64806  
person's tax liability. 64807

(I) The authority shall report to the tax commissioner any 64808  
information, and at the times, as the tax commissioner requires 64809

payments or refunds from the authority. 64812

(J) All records of the authority indicating the identity 64813  
of purchasers and beneficiaries of tuition units or college 64814  
savings bonds, the number of tuition units purchased, used, or 64815  
refunded under a tuition payment contract, and the number of 64816  
college savings bonds purchased, held, or redeemed are not 64817  
public records within the meaning of section 149.43 of the 64818  
Revised Code. 64819

their duties with respect to the funds with care, skill, 64821

with such matters would use in the conduct of an enterprise of a 64824  
like character and with like aims; and by diversifying the 64825  
investments of the assets of the funds so as to minimize the 64826  
risk of large losses, unless under the circumstances it is 64827

(2) To facilitate investment of the funds, the authority 64829  
may establish a partnership, trust, limited liability company, 64830

the Internal Revenue Code, 100 Stat. 2085, 26 U.S.C. 1, as 64832  
amended, or any other legal entity authorized to transact 64833  
business in this state. 64834

(L) In exercising its fiduciary responsibility with 64835  
respect to the investment of the assets of the funds, it shall 64836  
be the intent of the authority to give consideration to 64837  
investments that enhance the general welfare of the state and 64838  
its citizens where the investments offer quality, return, and 64839  
safety comparable to other investments currently available to 64840  
the authority. In fulfilling this intent, equal consideration 64841  
shall also be given to investments otherwise qualifying under 64842  
this section that involve minority owned and controlled firms 64843  
and firms owned and controlled by women, either alone or in 64844

program that include asset allocation targets and ranges, risk 64848  
factors, asset class benchmarks, time horizons, total return 64849  
objectives, and performance evaluation guidelines. In adopting 64850  
policies and criteria for the selection of agents with whom the 64851  
authority may contract for the administration of the assets of 64852  
the funds, the authority shall give equal consideration to 64853  
minority owned and controlled firms, firms owned and controlled 64854  
by women, and ventures involving minority owned and controlled 64855

adopted in regular meeting. The authority shall publish its 64859  
policies, objectives, and criteria under this provision no less 64860  
often than annually and shall make copies available to 64861  
interested parties. 64862

When reporting on the performance of investments, the 64863  
authority shall comply with the performance presentation 64864  
standards established by the association for investment 64865

management and research. 64866

programs as determined by the board of trustees of a state 65356  
university. 65357

(2) "Eligible student" means an undergraduate student who: 65358

(a) Is enrolled full-time in a bachelor's degree program 65359

3345.011 of the Revised Code. 65365

(B) The board of trustees of each state university shall 65366  
establish an undergraduate tuition guarantee program that allows 65367  
eligible students in the same cohort to pay a fixed rate for 65368  
general and instructional fees for four years. A board of 65369  
trustees may include room and board and any additional fees in 65370

The board shall adopt rules for the program that include, 65372

contrary, the board may increase the guaranteed amount by up to 65380  
six per cent above what has been charged in the previous 65381  
academic year one time for the first cohort enrolled under the 65382

tuition guarantee program. If the board of trustees determines 65383  
that economic conditions or other circumstances require an 65384  
increase for the first cohort of above six per cent, the board 65385  
shall submit a request to increase the amount by a specified 65386  
percentage to the chancellor. The chancellor, based on 65387

(b) The percentage amount the general assembly restrains 65398  
increases on in-state undergraduate instructional and general 65399

instructional and general fees, then no limit shall apply under 65402

If, beginning with the academic year that starts four 65405  
years after September 29, 2013, the board of trustees determines 65406  
that the general and instructional fees charged under the 65407  
tuition guarantee have fallen significantly lower than those of 65408  
other state universities, the board of trustees may submit a 65409  
request to increase the amount charged to a cohort by a 65410  
specified percentage to the chancellor, who shall approve or 65411  
disapprove such a request. 65412

(3) A benchmark by which the board sets annual increases 65413  
in general and instructional fees. This benchmark and any 65414  
subsequent change to the benchmark shall be subject to approval 65415

classes provided by the university, the university shall provide 65424  
the necessary course or courses for completion to the student 65425  
free of charge. 65426

(b) For a student who could not complete the program in 65427  
four years due to military service or other circumstances beyond 65428  
a student's control, as determined by the board of trustees, the 65429  
university shall provide the necessary course or courses for 65430  
completion to the student at the student's initial cohort rate. 65431

(c) For a student who did not complete the program in four 65432  
years for any other reason, as determined by the board of 65433  
trustees, the university shall provide the necessary course or 65434  
courses for completion to the student at a rate determined 65435  
through a method established by the board under division (B) (7) 65436  
of this section. 65437

division (B) of this section to the chancellor for approval 65445

a program if the program conforms in principle with the 65448  
parameters and guidelines of this section. 65449

(D) A board of trustees of a state university may 65450  
establish an undergraduate tuition guarantee program for 65451  
nonresident students. 65452

(E) Except as provided in this section, no other 65453  
limitation on the increase of in-state undergraduate 65454  
instructional and general fees shall apply to a state university 65455  
that has established an undergraduate tuition guarantee program 65456  
under this section. 65457

contrary, the board of trustees of a state university shall not 65459

Revised Code, located within the district. 66694

The district provided for in the resolution or ordinance 66695

levy an ad valorem tax on property within its territory, in 66717  
which event the inclusion shall become effective upon voter 66718  
approval of the joinder and the tax. 66719

exceeding \_\_\_\_\_ mills for each \$1 of taxable value, which 66752  
amounts to \$\_\_\_\_\_ (effective rate) for each \$100,000 of ~~the~~ 66753  
~~county auditor's appraised market~~ value, be levied for purposes 66754

If the question is approved by a majority of the electors 66756  
voting on the question, the joinder is effective immediately, 66757  
and the district may extend the levy of the tax against all the 66758  
taxable property within the territory that has been added. If 66759  
the question is approved at a general election or at a special 66760  
election occurring prior to a general election but after the 66761  
fifteenth day of July in any calendar year, the district may 66762  
amend its budget and resolution adopted pursuant to section 66763  
5705.34 of the Revised Code, and the levy shall be placed on the 66764  
current tax list and duplicate and collected as other taxes are 66765  
collected from all taxable property within the territory of the 66766  
district, including the territory added as a result of the 66767  
election. 66768

The territory of a district shall be coextensive with the 66769  
territory of the counties, municipal corporations, and townships 66770  
included within the district, provided that the same territory 66771  
may not be included in more than one regional arts and cultural 66772  
district, and provided, that if a district includes only a 66773  
portion of an entire county, a district may be created in the 66774  
remaining portion of the same county by resolution of the board 66775  
of county commissioners acting alone or in conjunction with 66776  
municipal corporations and townships as provided in this 66777  
section. 66778

As used in this section, "~~the county auditor's appraised~~ 66779  
market value" and "effective rate" have the same meanings as in 66780

section 5705.01 of the Revised Code.

The board of elections shall not incur any obligation 67403  
involving the expenditure of money unless there are moneys 67404  
sufficient in the funds appropriated therefor to meet the 67405  
obligation. If the board of elections requests a transfer of 67406  
funds from one of its appropriation items to another, the board 67407

the transfer except as otherwise provided in section 5705.40 of 67409  
the Revised Code. The expenses of the board of elections shall 67410  
be apportioned among the county and the various subdivisions as 67411  
provided in this section, and the amount chargeable to each 67412  
subdivision shall be paid as provided in division (J) of this 67413  
section or withheld by the county auditor from the moneys 67414

the amount to be paid or withheld from the subdivision during 67419  
the current or next fiscal year. 67420

A board of township trustees may, by resolution, request 67421

and equipping of the office of the board and for the necessary 67434  
office supplies for the use of the board; the expenditures for 67435  
the acquisition, repair, care, and custody of the polling 67436  
places, booths, guardrails, and other equipment for polling 67437  
places; the cost of tally sheets, maps, flags, ballot boxes, and 67438  
all other permanent records and equipment; the cost of all 67439  
elections held in and for the state and county; and all other 67440  
expenses of the board which are not chargeable to a political 67441  
subdivision in accordance with this section shall be paid in the 67442  
same manner as other county expenses are paid. 67443

(C) The compensation of precinct election officials and 67444  
intermittent employees in the board's offices; the cost of 67445  
renting, moving, heating, and lighting polling places and of 67446  
placing and removing ballot boxes and other fixtures and 67447  
equipment thereof, including voting machines, marking devices, 67448  
and automatic tabulating equipment; the cost of printing and 67449  
delivering ballots, cards of instructions, registration lists 67450  
required under section 3503.23 of the Revised Code, and other 67451

conducting primaries and elections in the odd-numbered years 67457  
shall be charged to the subdivisions in and for which such 67458  
primaries or elections are held. The charge for each primary or 67459  
general election in odd-numbered years for each subdivision 67460  
shall be determined in the following manner: first, the total 67461  
cost of all chargeable items used in conducting such elections 67462  
shall be ascertained; second, the total charge shall be divided 67463  
by the number of precincts participating in such election, in 67464  
order to fix the cost per precinct; third, the cost per precinct 67465  
shall be prorated by the board of elections to the subdivisions 67466  
conducting elections for the nomination or election of offices 67467  
in such precinct; fourth, the total cost for each subdivision 67468  
shall be determined by adding the charges prorated to it in each 67469  
precinct within the subdivision. 67470

~~(D) The~~ (D) (1) Except as otherwise provided in division 67471  
(D) (2) of this section, the entire cost of special elections 67472  
held on a day other than the day of a primary or general 67473  
election, both in odd-numbered or in even-numbered years, shall 67474  
be charged to the subdivision. Where a special election is held 67475  
on the same day as a primary or general election in an even- 67476  
numbered year, the subdivision submitting the special election 67477  
shall be charged only for the cost of ballots and advertising. 67478  
Where a special election is held on the same day as a primary or 67479  
general election in an odd-numbered year, the subdivision 67480  
submitting the special election shall be charged for the cost of 67481  
ballots and advertising for such special election, in addition 67482

to the charges prorated to such subdivision for the election or 67483  
nomination of candidates in each precinct within the 67484  
subdivision, as set forth in the preceding paragraph. 67485

(2) The entire cost of a local option election held 67486  
pursuant to sections 4301.32 to 4301.391 of the Revised Code on 67487  
a day other than the day of a primary or general election, both 67488  
in odd-numbered or in even-numbered years, or on a day other 67489  
than the day of a special election of a political subdivision 67490  
seeking to submit a question or issue, a nomination for office, 67491  
or an election to office, shall be charged to the petitioner. 67492

(E) Where a special election is held on the day specified 67493  
by division (E) of section 3501.01 of the Revised Code for the 67494  
holding of a primary election, for the purpose of submitting to 67495  
the voters of the state constitutional amendments proposed by 67496  
the general assembly, and a subdivision conducts a special 67497  
election on the same day, the entire cost of the special 67498  
election shall be divided proportionally between the state and 67499  
the subdivision based upon a ratio determined by the number of 67500  
issues placed on the ballot by each, except as otherwise 67501  
provided in division (G) of this section. Such proportional 67502  
division of cost shall be made only to the extent funds are 67503  
available for such purpose from amounts appropriated by the 67504  
general assembly to the secretary of state. If a primary 67505  
election is also being conducted in the subdivision, the costs 67506  
shall be apportioned as otherwise provided in this section. 67507

(F) When a precinct is open during a general, primary, or 67508  
special election solely for the purpose of submitting to the 67509  
voters a statewide ballot issue, the state shall bear the entire 67510  
cost of the election in that precinct and shall reimburse the 67511  
county for all expenses incurred in opening the precinct. 67512

(G) (1) The state shall bear the entire cost of advertising 67513  
in newspapers statewide ballot issues, explanations of those 67514  
issues, and arguments for or against those issues, as required 67515  
by Section 1g of Article II and Section 1 of Article XVI, Ohio 67516  
Constitution, and any other section of law. Appropriations made 67517  
to the controlling board shall be used to reimburse the 67518  
secretary of state for all expenses the secretary of state 67519  
incurs for such advertising under division (G) of section 67520  
3505.062 of the Revised Code. 67521

(2) There is hereby created in the state treasury the 67522  
statewide ballot advertising fund. The fund shall receive 67523  
transfers approved by the controlling board, and shall be used 67524  
by the secretary of state to pay the costs of advertising state 67525  
ballot issues as required under division (G) (1) of this section. 67526  
Any such transfers may be requested from and approved by the 67527  
controlling board prior to placing the advertising, in order to 67528  
facilitate timely provision of the required advertising. 67529

(H) The cost of renting, heating, and lighting 67530  
registration places; the cost of the necessary books, forms, and 67531  
supplies for the conduct of registration; and the cost of 67532  
printing and posting precinct registration lists shall be 67533  
charged to the subdivision in which such registration is held. 67534

(I) (1) (a) At the request of a majority of the members of 67535  
the board of elections, the board of county commissioners may, 67536  
by resolution, establish an elections revenue fund. Except as 67537  
otherwise provided in this division and in division (I) (2) of 67538  
this section, the purpose of the fund shall be to accumulate 67539  
revenue withheld by or paid to the county under this section for 67540  
the payment of any expense related to the duties of the board of 67541  
elections specified in section 3501.11 of the Revised Code, upon 67542

approval of a majority of the members of the board of elections. 67543  
The fund shall not accumulate any revenue withheld by or paid to 67544  
the county under this section for the compensation of the 67545  
members of the board of elections or of the director, deputy 67546  
director, or other regular employees in the board's offices, 67547  
other than compensation for overtime worked. 67548

(b) Notwithstanding sections 5705.14, 5705.15, and 5705.16 67549  
of the Revised Code, the board of county commissioners may, by 67550  
resolution, transfer money to the elections revenue fund from 67551  
any other fund of the political subdivision from which such 67552  
payments lawfully may be made. Following an affirmative vote of 67553  
a majority of the members of the board of elections, the board 67554  
of county commissioners may, by resolution, rescind an elections 67555  
revenue fund established under this division. If an elections 67556  
revenue fund is rescinded, money that has accumulated in the 67557  
fund shall be transferred to the county general fund. 67558

(2) (a) The board of county commissioners of a county that 67559  
receives a payment from a political subdivision under division 67560  
(J) of this section shall, by resolution, establish a special 67561  
elections fund. The purpose of the fund shall be to accumulate 67562  
revenue paid to the county by political subdivisions under 67563  
division (J) of this section for the cost of preparing for and 67564  
conducting special elections. 67565

(b) If both of the following apply, the board of county 67566  
commissioners may, by resolution, rescind the special elections 67567  
fund and transfer any remaining money in the fund to the county 67568  
general fund or to the elections revenue fund: 67569

(i) All notifications and payments required under division 67570  
(J) (3) of this section have been made. 67571

(ii) The county has not received any payments from 67572  
political subdivisions under division (J) (2) of this section for 67573  
a future special election. 67574

(J) (1) Not less than fifteen business days before the 67575  
deadline for submitting a question or issue for placement on the 67576  
ballot at a special election, the board of elections shall 67577  
prepare and file with the board of county commissioners and the 67578  
office of the secretary of state the estimated cost, based on 67579  
the factors enumerated in this section, for preparing for and 67580  
conducting an election on one question or issue, one nomination 67581  
for office, or one election to office in each precinct in the 67582  
county at that special election and shall divide that cost by 67583  
the number of registered voters in the county. 67584

(2) The board of elections shall provide to a political 67585  
subdivision seeking to submit a question or issue, a nomination 67586  
for office, or an election to office for placement on the ballot 67587  
at a special election with the estimated cost for preparing for 67588  
and conducting that election, which shall be calculated either 67589  
by multiplying the number of registered voters in the political 67590  
subdivision with the cost calculated under division (J) (1) of 67591  
this section or by multiplying the cost per precinct with the 67592  
number or precincts in the political subdivision. A political 67593  
subdivision submitting a question or issue, a nomination for 67594  
office, or an election to office for placement on the ballot at 67595  
that special election shall pay to the county special elections 67596  
fund sixty-five per cent of the estimated cost of the election 67597  
not less than ten business days after the deadline for 67598  
submitting a question or issue for placement on the ballot for 67599  
that special election. 67600

(3) Not later than sixty days after the date of a special 67601

election, the board of elections shall provide to each political  
subdivision the true and accurate cost for the question or  
issue, nomination for office, or election to office that the  
subdivision submitted to the voters on the special election  
ballots. If the board of elections determines that a subdivision  
paid less for the cost of preparing and conducting a special  
election under division (J) (2) of this section than the actual  
cost calculated under this division, the subdivision shall remit  
to the county special elections fund the difference between the  
payment made under division (J) (2) of this section and the final  
cost calculated under this division within thirty days after  
being notified of the final cost. If the board of elections  
determines that a subdivision paid more for the cost of  
preparing and conducting a special election under division (J)  
(2) of this section than the actual cost calculated under this  
division, the board of elections promptly shall notify the board  
of county commissioners of that difference. The board of county  
commissioners shall remit from the county special elections fund  
to the political subdivision the difference between the payment  
made under division (J) (2) of this section and the final cost  
calculated under this division within thirty days after  
receiving that notification.

be printed all questions and issues to be submitted at any one 67909  
election together with the percentage of affirmative votes 67910  
necessary for passage as required by law. Such ballot shall have 67911  
printed across the top thereof, and below the stubs, "Official 67912

(B) (1) Questions and issues shall be grouped together on 67914  
the ballot from top to bottom as provided in division (B) (1) of 67915  
this section, except as otherwise provided in division (B) (2) of 67916  
this section. State questions and issues shall always appear as 67917  
the top group of questions and issues. In calendar year 1997, 67918  
the following questions and issues shall be grouped together on 67919  
the ballot, in the following order from top to bottom, after the 67920

(b) Municipal questions and issues; 67923

In each succeeding calendar year after 1997, each group of 67926

questions and issues described in division (B) (1) (a) to (d) of 67927  
this section shall be moved down one place on the ballot except 67928  
that the group that was last on the ballot during the 67929  
immediately preceding calendar year shall appear at the top of 67930  
the ballot after the state questions and issues. The rotation 67931  
shall be performed only once each calendar year, beginning with 67932  
the first election held during the calendar year. The rotation 67933  
of groups of questions and issues shall be performed during each 67934  
calendar year as required by division (B) (1) of this section, 67935  
even if no questions and issues from any one or more such groups 67936  
appear on the ballot at any particular election held during that 67937  
calendar year. 67938

(2) Questions and issues shall be grouped together on the 67939  
ballot, from top to bottom, in the following order when it is 67940  
not practicable to group them together as required by division 67941  
(B) (1) of this section because of the type of voting machines 67942  
used by the board of elections: state questions and issues, 67943  
county questions and issues, municipal questions and issues, 67944  
township questions and issues, and school or other district 67945  
questions and issues. The particular order in which each of a 67946  
group of state questions or issues is placed on the ballot shall 67947  
be determined by, and certified to each board of elections by, 67948  
the secretary of state. 67949

(3) Failure of the board of elections to rotate questions 67950  
and issues as required by division (B) (1) of this section does 67951  
not affect the validity of the election at which the failure 67952  
occurred, and is not grounds for contesting an election under 67953  
section 3515.08 of the Revised Code. 67954

(C) The particular order in which each of a group of 67955  
county, municipal, township, or school district questions or 67956

issues is placed on the ballot shall be determined by the board 67957  
providing the ballots. 67958

(D) The printed matter pertaining to each question or 67959  
issue on the ballot shall be enclosed at the top and bottom 67960  
thereof by a heavy horizontal line across the width of the 67961  
ballot. Immediately below such top line shall be printed a brief 67962  
title descriptive of the question or issue below it, such as 67963  
"Proposed Constitutional Amendment," "Proposed Bond Issue," 67964  
"Proposed Annexation of Territory," "Proposed Increase in Tax 67965  
Rate," or such other brief title as will be descriptive of the 67966  
question or issue to which it pertains, together with a brief 67967  
statement of the percentage of affirmative votes necessary for 67968  
passage, such as "A sixty-five per cent affirmative vote is 67969  
necessary for passage," "A majority vote is necessary for 67970  
passage," or such other brief statement as will be descriptive 67971  
of the percentage of affirmative votes required. 67972

(E) The questions and issues ballot need not contain the 67973  
full text of the proposal to be voted upon. A condensed text 67974  
that will properly describe the question, issue, or an amendment 67975  
proposed by other than the general assembly shall be used as 67976  
prepared and certified by the secretary of state for state-wide 67977  
questions or issues or by the board for local questions or 67978  
issues. If other than a full text is used, the full text of the 67979  
proposed question, issue, or amendment together with the 67980  
percentage of affirmative votes necessary for passage as 67981  
required by law shall be posted in each polling place in some 67982  
spot that is easily accessible to the voters. 67983

(F) (1) Except as otherwise provided in division (F) (2) of 67984  
this section, each question and issue appearing on the questions 67985  
and issues ballot may be consecutively numbered. The question or 67986

issue determined to appear at the top of the ballot may be 67987  
designated on the face thereof by the Arabic numeral "1" and all 67988  
questions and issues placed below on the ballot shall be 67989  
consecutively numbered. Such numeral shall be placed below the 67990  
heavy top horizontal line enclosing such question or issue and 67991  
to the left of the brief title thereof. 67992

(2) Beginning with the general election to be held on 67993  
November 5, 2024, a state question or issue determined to appear 67994  
at the top of the ballot shall be designated on the face thereof 67995  
by the Arabic numeral "1" and all state questions and issues 67996  
placed below on the ballot shall be consecutively numbered. For 67997  
elections occurring after the general election held on November 67998  
5, 2024, a state question or issue determined to appear at the 67999  
top of the ballot shall be designated on the face thereof by the 68000  
Arabic numeral that is consecutive to the Arabic numeral of the 68001  
last state question or issue that appeared on the ballot at the 68002  
immediately preceding election at which a state question or 68003  
issue appeared on the ballot and all state questions or issues 68004  
placed below on the ballot shall be consecutively numbered. Such 68005  
numeral shall be placed below the heavy top horizontal line 68006  
enclosing such question or issue and to the left of the brief 68007  
title thereof. Once a state question or issue appears on the 68008  
ballot designated by the Arabic numeral "500," the state 68009  
question or issue appearing at the top of the ballot at the 68010  
immediately following election at which a state question or 68011  
issue appears on the ballot shall be designated by the Arabic 68012  
numeral "1." 68013

(G) No portion of a ballot question proposing to levy a 68014  
property tax in excess of the ten-mill limitation under any 68015  
section of the Revised Code, including the renewal ~~or~~ 68016  
~~replacement~~ of such a levy, may be printed in boldface type or 68017

in a font size that is different from the font size of other 68018  
text in the ballot question. The prohibitions in division (G) of 68019  
this section do not apply to printed matter either described in 68020  
division (D) of this section related to such a ballot question 68021  
or located in the area of the ballot in which votes are 68022  
indicated for or against that question. 68023

**Sec. 3505.33.** When the board of elections has completed 68024  
the canvass of the election returns from the precincts in its 68025  
county, in which electors were entitled to vote at any general 68026

by lot by the chairperson of the board in the presence of a 68032  
majority of the members of the board. Such declaration shall be 68033

county and any of those offices is a federal office, the 68217  
secretary of state shall notify the board of elections of that 68218  
county. The board then shall vote promptly to disqualify that 68219

(A) of this section, the board shall do one of the following: 68234

(a) If each office or the district for each office for 68235  
which the person is seeking nomination is wholly within that 68236  
county and none of those offices is a federal office, the board 68237  
shall determine the date on which the person first sought to 68238

declaration of candidacy or a declaration of intent to be a 68240  
write-in candidate or by the filling of a vacancy under section 68241  
3513.30 of the Revised Code. The board shall vote promptly to 68242

the person sought to become a candidate after the date on which 68244  
the person first sought to become a candidate for any of those 68245  
offices. If the board determines that the person sought to 68246  
become a candidate for more than one of those offices on the 68247  
same date, the board shall vote promptly to disqualify that 68248  
person as a candidate for each office that would be listed on 68249  
the ballot below the highest office for which that person seeks 68250  
nomination, according to the ballot order prescribed under 68251  
section 3505.03 of the Revised Code. 68252

(b) If one or more of the offices for which the person is 68253  
seeking nomination is a state office or an office with a 68254  
district larger than a single county and none of the offices for 68255

state then shall determine the date on which the person first 68258  
sought to become a candidate for each of those offices by filing 68259  
a declaration of candidacy or a declaration of intent to be a 68260  
write-in candidate or by the filling of a vacancy under section 68261  
3513.30 of the Revised Code. The secretary of state shall order 68262  
the board of elections of each county in which the person is 68263  
seeking to appear on the ballot to disqualify that person as a 68264  
candidate for each office for which the person sought to become 68265  
a candidate after the date on which the person first sought to 68266  
become a candidate for any of those offices. If the secretary of 68267  
state determines that the person sought to become a candidate 68268  
for more than one of those offices on the same date, the 68269  
secretary of state shall order the board of elections of each 68270  
county in which the person is seeking to appear on the ballot to 68271  
disqualify that person as a candidate for each office that would 68272  
be listed on the ballot below the highest office for which that 68273  
person seeks nomination, according to the ballot order 68274  
prescribed under section 3505.03 of the Revised Code. Each board 68275  
of elections so notified shall vote promptly to disqualify the 68276  
person as a candidate in accordance with the order of the 68277  
secretary of state. 68278

(c) If each office or the district for each office for 68279  
which the person is seeking nomination is wholly within a single 68280  
county and any of those offices is a federal office, the board 68281  
shall vote promptly to disqualify that person as a candidate for 68282  
each office that is not a federal office. 68283

(d) If one or more of the offices for which the person is 68284  
seeking nomination is a state office and any of the offices for 68285  
which the person is seeking nomination is a federal office, the 68286

state then shall order the board of elections of each county in 68288

which the person is seeking to appear on the ballot to 68289  
disqualify that person as a candidate for each office that is 68290  
not a federal office. Each board of elections so notified shall 68291  
vote promptly to disqualify the person as a candidate in 68292  
accordance with the order of the secretary of state. 68293

(D) (1) If the secretary of state determines, after the day 68294

election, that a person is seeking election to more than one 68296  
office at that election in violation of division (A) of this 68297  
section, the secretary of state shall do one of the following: 68298

(a) If each office or the district for each office for 68299

has not yet been issued a certificate of nomination, the board 68310  
shall not issue that certificate for that person for any office 68311  
that would be listed on the ballot below the highest office for 68312  
which that person seeks election, according to the ballot order 68313  
prescribed under section 3505.03 of the Revised Code. 68314

the ballot. The secretary of state shall order the board of 68321  
elections of each county in which the person is seeking to 68322  
appear on the ballot to disqualify that person as a candidate 68323  
for each office that would be listed on the ballot below the 68324  
highest office for which that person seeks election, according 68325  
to the ballot order prescribed under section 3505.03 of the 68326  
Revised Code. Each board of elections so notified shall vote 68327  
promptly to disqualify the person as a candidate in accordance 68328  
with the order of the secretary of state. If the person sought 68329

certificate for that person for any office that would be listed 68332  
on the ballot below the highest office for which that person 68333  
seeks election, according to the ballot order prescribed under 68334  
section 3505.03 of the Revised Code. 68335

(c) If each office or the district for each office for 68336  
which the person is seeking election is wholly within a single 68337  
county and any of those offices is a federal office, the 68338  
secretary of state shall notify the board of elections of that 68339  
county. The board then shall vote promptly to disqualify that 68340  
person as a candidate for each office that is not a federal 68341  
office. If the person sought nomination at a primary election 68342  
and has not yet been issued a certificate of nomination, the 68343  
board shall not issue that certificate for that person for any 68344  
office that is not a federal office. 68345

(d) If one or more of the offices for which the person is 68346  
seeking election is a state office and any of the offices for 68347  
which the person is seeking election is a federal office, the 68348  
secretary of state shall order the board of elections of each 68349

person sought nomination at a primary election and has not yet 68355  
been issued a certificate of nomination, the board shall not 68356  
issue that certificate for that person for any office that is 68357  
not a federal office. 68358

be listed on the ballot below the highest office for which that 68370  
person seeks election, according to the ballot order prescribed 68371  
under section 3505.03 of the Revised Code. If the person sought 68372  
nomination at a primary election and has not yet been issued a 68373  
certificate of nomination, the board shall not issue that 68374  
certificate for that person for any office that would be listed 68375

be listed on the ballot below the highest office for which that 68389  
person seeks election, according to the ballot order prescribed 68390  
under section 3505.03 of the Revised Code. Each board of 68391  
elections so notified shall vote promptly to disqualify the 68392  
person as a candidate in accordance with the order of the 68393  
secretary of state. If the person sought nomination at a primary 68394  
election and has not yet been issued a certificate of 68395  
nomination, the board shall not issue that certificate for that 68396  
person for any office that would be listed on the ballot below 68397  
the highest office for which that person seeks election, 68398  
according to the ballot order prescribed under section 3505.03 68399  
of the Revised Code. 68400

(c) If each office or the district for each office for 68401  
which the person is seeking election is wholly within that 68402

the campaign committee, political action committee, legislative 69184

of a candidate for the office of chief justice or justice of the 69207

causes the aggregate amount of contributions received from that 69209  
contributor during that period to exceed ten thousand dollars, 69210

the campaign committee shall file a two-business-day statement 69211

division (A) (2) of this section. 69390

(5) The campaign committee of any person who attempts to 69391

shall arrange for the provision of voluntary training programs 69449  
for candidates, campaign committees, political action 69450  
committees, legislative campaign funds, political parties, ~~or~~ 69451

and, if appropriate, (C) (3) of this section. Each statement 69460  
shall be signed as required by division (C) (1) of this section. 69461

(D) (1) (a) Prior to receiving a contribution or making an 69462

party, or political contributing entity is required to file 69473  
statements under section 3517.11 of the Revised Code. The name 69474  
of a campaign committee shall include at least the last name of 69475

the statements prescribed by this section with the secretary of 69486  
state. 69487

(b) The secretary of state shall not accept for filing a 69488  
designation of treasurer of a political action committee or 69489  
political contributing entity if, in the opinion of the 69490  
secretary of state, the name of the political action committee 69491  
or political contributing entity would lead a reasonable person 69492  
to believe that the political action committee or political 69493  
contributing entity acts on behalf of or represents a county 69494  
political party, unless the designation is accompanied by a 69495  
written statement, signed by the chairperson of the county 69496  
political party's executive committee, granting the political 69497  
action committee or political contributing entity permission to 69498  
act on behalf of or represent the county political party. 69499

(2) The treasurer appointed under division (D) (1) of this 69500  
section shall keep a strict account of all contributions, from 69501

account separate from a personal or business account of the 69506  
candidate or campaign committee. 69507

(ii) A campaign committee may accept a monetary 69508  
contribution using an electronic peer-to-peer payment service 69509

only by allowing the contributor to transfer money directly to 69510  
an account established on the service by the campaign committee 69511  
in its own name. 69512

(iii) A campaign committee may accept an in-kind 69513  
contribution in the form of a digital asset only by allowing the 69514

established by the campaign committee in its own name. 69516

monetary contributions received by the committee into an account 69518  
separate from all other funds. 69519

(c) A state or county political party may establish a 69520  
state candidate fund that is separate from all other funds. A 69521

made to or accepted by the political party subject to the 69524  
applicable limitations, if any, prescribed in section 3517.102 69525  
of the Revised Code. A state or county political party shall 69526  
deposit all other monetary contributions received by the party 69527  
into one or more accounts that are separate from its state 69528  
candidate fund. 69529

legislative campaign fund for each house of the general 69531  
assembly. Each such fund shall be separate from any other funds 69532  
or accounts of that state party. A legislative campaign fund is 69533  
authorized to receive contributions and make expenditures for 69534  
the primary purpose of furthering the election of candidates who 69535  
are members of that political party to the house of the general 69536  
assembly with which that legislative campaign fund is 69537  
associated. Each legislative campaign fund shall be administered 69538  
and controlled in a manner designated by the caucus. As used in 69539

this division, "caucus" has the same meaning as in section 69540  
3517.01 of the Revised Code and includes, as an ex officio 69541  
member, the chairperson of the state political party with which 69542  
the caucus is associated or that chairperson's designee. 69543

(4) Every expenditure in excess of twenty-five dollars 69544  
shall be vouched for by a receipted bill, stating the purpose of 69545  
the expenditure, that shall be filed with the statement of 69546  
expenditures. A canceled check with a notation of the purpose of 69547  
the expenditure is a receipted bill for purposes of division (D) 69548  
(4) of this section. 69549

(5) The secretary of state or the board of elections, as 69550  
the case may be, shall issue a receipt for each statement filed 69551  
under this section and shall preserve a copy of the receipt for 69552  
a period of at least six years. All statements filed under this 69553  
section shall be open to public inspection in the office where 69554

at least six years after the year in which they are filed. 69556

(6) The secretary of state, by rule adopted pursuant to 69557  
section 3517.23 of the Revised Code, shall prescribe both of the 69558  
following: 69559

(a) The manner of immediately acknowledging, with date and 69560

3517.1013, 3517.1014, or 3517.11 of the Revised Code; 69587

shall compare the most current average consumer price index with 70400  
that determined in the preceding odd-numbered year, and shall 70401  
determine the percentage increase or decrease. The percentage 70402  
increase or decrease shall be multiplied by the actual dollar 70403  
figure for each office or entity specified in section 3517.102 70404  
of the Revised Code and by each actual dollar figure specified 70405

previous odd-numbered year, and the product shall be added to or 70408  
subtracted from its corresponding actual dollar figure, as 70409  
necessary, for that previous odd-numbered year. 70410

The resulting amount shall be rounded to the nearest 70411

twenty-five dollars if the calculations are made regarding the 70412  
amounts specified in division (B) (4) (e) of section 3517.10 of 70413  
the Revised Code. 70414

If the calculations are made regarding the amounts 70415  
specified in section 3517.101 or 3517.102 of the Revised Code, 70416  
the resulting amount shall not be rounded. If that resulting 70417  
amount is less than one hundred dollars, the secretary of state 70418  
shall retain a record of the resulting amount and the manner in 70419

vehicle under the E-Check/motor vehicle emissions testing 74668  
program. Your vehicle is registered in one of [insert the number 74669  
of counties] counties in this state that has federal emission 74670  
mandates imposed on it that the State of Ohio is required, under 74671  
threat of penalty, to enforce. This letter serves as Ohio's only 74672  
penalty for falsification of an attestation form. You have 74673  
thirty days from the date of this notice to amend your 74674  
attestation form and submit the amended form to the 74675  
Environmental Protection Agency. However, if you choose not to 74676  
submit an amended attestation form, you must have a motor 74677  
vehicle emissions inspection conducted for your vehicle in 74678  
accordance with section 3704.14 of the Revised Code and rules 74679  
adopted under it." 74680

(f) No penalties apply to a person who the director has 74681

section. 74684

(D) There is hereby created in the state treasury the auto 74685

the director from any cash transfers, state and local grants, 74687

funding the program established under this section. The director 74689  
of environmental protection shall use money in the fund solely 74690  
for the implementation, supervision, administration, operation, 74691  
and enforcement of the motor vehicle inspection and maintenance 74692  
program established under this section. Money in the fund shall 74693  
not be used for either of the following: 74694

vehicle dealer so that the dealer may provide inspection 74696  
certificates to an individual purchasing a motor vehicle from 74697  
the dealer when that individual resides in a county that is 74698  
subject to the motor vehicle inspection and maintenance program; 74699

(2) To provide payment for more than one free passing 74700  
emissions inspection or a total of three emissions inspections 74701  
for a motor vehicle in any three-hundred-sixty-five-day period. 74702  
The owner or lessee of a motor vehicle is responsible for 74703  
inspection fees that are related to emissions inspections beyond 74704  
one free passing emissions inspection or three total emissions 74705  
inspections in any three-hundred-sixty-five-day period. 74706  
Inspection fees that are charged by a contractor conducting 74707  
emissions inspections under a motor vehicle inspection and 74708  
maintenance program shall be approved by the director of 74709  
environmental protection. 74710

(E) The motor vehicle inspection and maintenance program 74711  
established under this section expires upon the termination of 74712  
all contracts entered into under this section and shall not be 74713  
implemented beyond the final date on which termination occurs. 74714

(F) As used in this section "battery electric motor 74715  
vehicle" and "hybrid motor vehicle" have the same meanings as in 74716

section 4501.01 of the Revised Code.

74717

(G) ~~On the effective date of this amendment~~ June 30, 2025,  
the director shall immediately begin procedures to submit to the  
United States environmental protection agency the alternative  
emissions certification program for approval as part of the Ohio  
state implementation plan. If the United States environmental  
protection agency approves the modification of the decentralized  
motor vehicle inspection and maintenance program as providing  
sufficient air pollution reductions to meet the federal Clean  
Air Act requirements for a vehicle inspection and maintenance  
program and modifies the Ohio state implementation plan, the  
director shall immediately begin to modify the Ohio  
environmental protection agency rules to implement the  
alternative emissions certification program. Nothing in this  
division requires the Ohio environmental protection agency to  
take action to implement the alternative emissions certification  
program until the United States environmental protection agency  
approves the alternative program as part of the Ohio state  
implementation plan.

viable infectious agents on the premises where they are 75830  
generated to render them noninfectious by methods, techniques, 75831  
or practices prescribed by rules adopted under division (B) (2) 75832  
(a) of this section before they are transported off that 75833  
premises for disposal or ensure that such wastes are treated to 75834  
render them noninfectious at an infectious waste treatment 75835  
facility off that premises prior to disposal of the wastes; 75836

(ii) Transport and dispose of infectious wastes, if a 75837  
generator produces fewer than fifty pounds of infectious wastes 75838  
during any one month that are subject to and packaged and 75839  
labeled in accordance with federal requirements, in the same 75840  
manner as solid wastes. Such generators who treat specimen 75841  
cultures and cultures of viable infectious agents on the 75842  
premises where they are generated shall not be considered 75843  
treatment facilities as "treatment" and "facility" are defined 75844  
in section 3734.01 of the Revised Code. 75845

(iii) Dispose of infectious wastes subject to and treated 75846

defined in section 4765.01 of the Revised Code, to and leave 75851  
them at a hospital, as defined in section 3727.01 of the Revised 75852  
Code, for treatment at a treatment facility owned or operated by 75853  
the hospital or, in conjunction with infectious wastes generated 75854  
by the hospital, at another treatment facility regardless of 75855  
whether the wastes were generated in providing care to the 75856  
patient at the scene of an emergency or during the 75857  
transportation of the patient to a hospital; 75858

(v) May take wastes generated by an individual for 75859  
purposes of the individual's own care or treatment to and leave 75860

the hospital or, in conjunction with infectious wastes generated 75863  
by the hospital, at another treatment facility. 75864

(b) Each generator of fifty pounds or more of infectious 75865  
wastes during any one month: 75866

(i) Register with the environmental protection agency as a 75867  
generator of infectious wastes and obtain a registration 75868  
certificate. ~~The fee for issuance of a generator registration~~ 75869

infectious wastes are generated and shall list the address of 75873  
each such premises. If a generator owns or operates facilities 75874  
for the treatment of infectious wastes it generates, the 75875  
certificate shall list the address and method of treatment used 75876  
at each such facility. 75877

A generator registration certificate is valid for three 75878

of three years upon the generator's submission of an application 75880

for renewal and payment of a one hundred forty dollar renewal fee. 75881  
75882

The rules may establish a system of staggered renewal 75883  
dates with approximately one-third of such certificates subject 75884  
to renewal each year. The applicable renewal date shall be 75885  
prescribed on each registration certificate. ~~Registration fees~~ 75886

section 3734.061 of the Revised Code.~~ 75892

(ii) Segregate infectious wastes from other wastes at the 75893  
point of generation. Nothing in this section and rules adopted 75894  
under it prohibits a generator of infectious wastes from 75895  
designating and managing any wastes, in addition to those 75896  
defined as infectious wastes under section 3734.01 of the 75897  
Revised Code, as infectious wastes. After designating any such 75898  
other wastes as infectious, the generator shall manage those 75899  
wastes in compliance with the requirements of this chapter and 75900  
rules adopted under it applicable to the management of 75901  
infectious wastes. 75902

(iii) Either treat the infectious wastes that it generates 75903  
at a facility owned or operated by the generator by methods, 75904  
techniques, or practices prescribed by rules adopted under 75905

infectious waste treatment facility that is located in another 75910

state that is in compliance with applicable state and federal 75911  
laws, or at a treatment facility authorized by rules adopted 75912

the wastes shall be disposed of at a solid waste disposal 75915  
facility holding a license issued under division (A) of section 75916  
3734.05 of the Revised Code or at a disposal facility in another 75917  
state that is in compliance with applicable state and federal 75918

infectious waste treatment facilities that include, without 75934  
limitation, the following requirements and authorizations that: 75935

(a) Require treatment of all wastes received to be 75936  
performed in accordance with methods, techniques, and practices 75937  
approved by the director; 75938

(b) Govern the location, design, construction, and 75939

operation of infectious waste treatment facilities. The rules 75940  
adopted under division (B) (2) (b) of this section shall require 75941  
that a new infectious waste incineration facility be located so 75942  
that the incinerator unit and all areas where infectious wastes 75943  
are handled on the premises where the facility is proposed to be 75944  
located are at least three hundred feet inside the property line 75945  
of the tract of land on which the facility is proposed to be 75946  
located and are at least one thousand feet from any domicile, 75947

a crematory facility issued under Chapter 4717., and a permit 75957  
issued under Chapter 3704., of the Revised Code to the extent 75958  
that the treatment of those wastes is consistent with that 75959  
permit and its terms and conditions. The rules adopted under 75960  
divisions (B) (2) (b) and (c) of this section do not apply to a 75961

protection when the health district in which the facility is  
located is not on the approved list under section 3734.08 of the  
Revised Code.

the hearing on the same day unless any individual affected by 76217  
the application requests in writing that the information session 76218  
and the hearing not be held on the same day, in which case the 76219  
director shall hold the hearing not less than fourteen days 76220  
after the information session. The director shall publish notice 76221  
of the public information session or public hearing not less 76222  
than thirty days before holding the information session or 76223  
hearing, as applicable. The notice shall be published in each 76224  
newspaper of general circulation that is published in the county 76225  
in which the facility is or is proposed to be located. ~~If no~~ 76226  
~~newspaper of general circulation is published in the county, the~~ 76227  
~~director shall publish the notice in a newspaper of general~~ 76228  
~~circulation in the county~~ or by publication on the environmental 76229  
protection agency's official web site. The notice shall contain 76230  
the date, time, and location of the information session or 76231  
hearing, as applicable, and a general description of the 76232  
proposed new or modified facility. At the public information 76233  
session, an officer or employee of the environmental protection 76234  
agency shall describe the status of the permit application and 76235  
be available to respond to comments or questions concerning the 76236  
application. At the public hearing, any person may submit 76237  
written or oral comments on or objections to the approval of the 76238  
application. The applicant, or a representative of the applicant 76239

who has knowledge of the location, construction, and operation 76240  
of the facility, shall attend the information session and public 76241  
hearing to respond to comments or questions concerning the 76242  
facility directed to the applicant or representative by the 76243  
officer or employee of the environmental protection agency 76244  
presiding at the information session and hearing. 76245

(f) The solid waste management policy committee of a 76246  
county or joint solid waste management district may adopt a 76247  
resolution requesting expeditious consideration of a specific 76248  
application submitted under division (A) (2) (a) of this section 76249  
for a permit to modify an existing solid waste facility within 76250  
the district. The resolution shall make the finding that 76251  
expedited consideration of the application without the public 76252  
information session and public hearing under division (A) (2) (e) 76253  
of this section is in the public interest and will not endanger 76254  
human health, as determined by the director by rules adopted in 76255  
accordance with Chapter 119. of the Revised Code. Upon receiving 76256  
such a resolution, the director, at the director's discretion, 76257  
may issue a final action upon the application without holding a 76258  
public information session or public hearing pursuant to 76259  
division (A) (2) (e) of this section. 76260

(3) The director may issue an order in accordance with 76261  
Chapter 3745. of the Revised Code to the owner or operator of a 76262  
solid waste facility requiring the person to submit to the 76263  
director updated engineering detail plans, specifications, and 76264  
information regarding the facility and its method of operation 76265  
for approval under rules adopted under division (A) of section 76266  
3734.02 of the Revised Code and applicable rules adopted under 76267  
division (D) of section 3734.12 of the Revised Code if, in the 76268  
director's judgment, conditions at the facility constitute a 76269  
substantial threat to public health or safety or are causing or 76270

contributing to or threatening to cause or contribute to air or 76271  
water pollution or soil contamination. Any person who receives 76272  
such an order shall submit the updated engineering detail plans, 76273  
specifications, and information to the director within one 76274  
hundred eighty days after the effective date of the order. 76275

(4) The director shall act upon any updated engineering 76276  
plans, specifications, and information submitted under division 76277  
(A) (3) of this section within one hundred eighty days after 76278  
receiving them. If the director issues an order disapproving the 76279  
plans, specifications, and information submitted under division 76280  
(A) (3) of this section, the order shall include all of the 76281  
following requirements: 76282

(a) That the owner or operator submit a plan for closure 76283  
and post-closure care of the facility to the director for 76284  
approval within six months after issuance of the order; 76285

(b) That the owner or operator cease accepting solid 76286  
wastes for disposal or transfer at the facility; and 76287

(c) The owner or operator commence closure of the facility 76288  
not later than one year after issuance of the order. 76289

If the director determines that closure of the facility 76290  
within that one-year period would result in the unavailability 76291  
of sufficient solid waste management facility capacity within 76292  
the county or joint solid waste management district in which the 76293  
facility is located to dispose of or transfer the solid waste 76294  
generated within the district, the director in the order of 76295  
disapproval may postpone commencement of closure of the facility 76296  
for such period of time as the director finds necessary for the 76297  
board of county commissioners or directors of the district to 76298  
secure access to or for there to be constructed within the 76299

district sufficient solid waste management facility capacity to 76300  
meet the needs of the district, provided that the director shall 76301  
certify in the director's order that postponing the date for 76302  
commencement of closure will not endanger ground water or any 76303  
property surrounding the facility, allow methane gas migration 76304  
to occur, or cause or contribute to any other type of 76305  
environmental damage. 76306

If an emergency need for disposal capacity that may affect 76307  
public health and safety exists as a result of closure of a 76308  
facility under division (A) (4) of this section, the director may 76309  
issue an order designating another solid waste facility to 76310  
accept the wastes that would have been disposed of at the 76311  
facility to be closed. 76312

(5) If the director determines that standards more 76313  
stringent than those applicable in rules adopted under division 76314  
(A) of section 3734.02 of the Revised Code and division (D) of 76315  
section 3734.12 of the Revised Code, or standards pertaining to 76316  
subjects not specifically addressed by those rules, are 76317  
necessary to ensure that a solid waste facility constructed at 76318  
the proposed location will not cause a nuisance, cause or 76319  
contribute to water pollution, or endanger public health or 76320  
safety, the director may issue a permit for the facility with 76321  
such terms and conditions as the director finds necessary to 76322  
protect public health and safety and the environment. If a 76323  
permit is issued, the director shall state in the order issuing 76324  
it the specific findings supporting each such term or condition. 76325

(6) Divisions (A) (1) and (2) (a) of this section do not 76326  
apply to a solid waste compost facility that accepts exclusively 76327  
source separated yard wastes and that is registered under 76328  
division (C) of section 3734.02 of the Revised Code or, unless 76329

otherwise provided in rules adopted under division (N) (3) of 76330  
section 3734.02 of the Revised Code, to a solid waste compost 76331  
facility if the director has adopted rules establishing an 76332  
alternative system for authorizing the establishment, operation, 76333  
or modification of a solid waste compost facility under that 76334  
division. 76335

(7) Divisions (A) (1) to (5) of this section do not apply 76336  
to scrap tire collection, storage, monocell, monofill, and 76337  
recovery facilities. The approval of plans and specifications, 76338  
as applicable, and the issuance of registration certificates, 76339  
permits, and licenses for those facilities are subject to 76340  
sections 3734.75 to 3734.78 of the Revised Code, as applicable, 76341  
and section 3734.81 of the Revised Code. 76342

(B) (1) No person shall operate or maintain an infectious 76343  
waste treatment facility without a license issued by the board 76344  
of health of the health district in which the facility is 76345  
located or by the director when the health district in which the 76346  
facility is located is not on the approved list under section 76347  
3734.08 of the Revised Code. 76348

(2) (a) During the month of December, but before the first 76349  
day of January of the next year, every person proposing to 76350  
continue to operate an existing infectious waste treatment 76351  
facility shall procure a license to operate the facility for 76352  
that year from the board of health of the health district in 76353  
which the facility is located or, if the health district is not 76354  
on the approved list under section 3734.08 of the Revised Code, 76355  
from the director. The application for such a license shall be 76356  
submitted to the board of health or to the director, as 76357  
appropriate, on or before the last day of September of the year 76358  
preceding that for which the license is sought. In addition to 76359

the application fee prescribed in division (B) (2) (c) of this 76360  
section, a person who submits an application after that date 76361  
shall pay an additional ten per cent of the amount of the 76362  
application fee for each week that the application is late. Late 76363  
payment fees accompanying an application submitted to the board 76364  
of health shall be credited to the special infectious waste fund 76365  
of the health district created in division (C) of section 76366  
3734.06 of the Revised Code, and late payment fees accompanying 76367  
an application submitted to the director shall be credited to 76368  
the general revenue fund. A person who has received a license, 76369  
upon sale or disposition of an infectious waste treatment 76370  
facility and upon consent of the board of health and the 76371  
director, may have the license transferred to another person. 76372  
The board of health or the director may include such terms and 76373  
conditions in a license or revision to a license as are 76374  
appropriate to ensure compliance with the infectious waste 76375  
provisions of this chapter and rules adopted under them. 76376

(b) Each person proposing to open a new infectious waste 76377  
treatment facility or to modify an existing infectious waste 76378  
treatment facility shall submit an application for a permit with 76379  
accompanying detail plans and specifications to the 76380  
environmental protection agency for required approval under the 76381  
rules adopted by the director pursuant to section 3734.021 of 76382  
the Revised Code two hundred seventy days before proposed 76383  
operation of the facility and concurrently shall make 76384  
application for a license with the board of health of the health 76385  
district in which the facility is or is proposed to be located. 76386  
Not later than ninety days after receiving a complete 76387  
application under division (B) (2) (b) of this section for a 76388  
permit to open a new infectious waste treatment facility or 76389  
modify an existing infectious waste treatment facility to expand 76390

its treatment capacity, or receiving a complete application 76391  
under division (A) (2) (a) of this section for a permit to open a 76392  
new solid waste incineration facility, or modify an existing 76393  
solid waste incineration facility to also treat infectious 76394  
wastes or to increase its infectious waste treatment capacity, 76395  
that pertains to a facility for which a notation authorizing 76396  
infectious waste treatment is included or proposed to be 76397  
included in the solid waste incineration facility's license 76398  
pursuant to division (B) (3) of this section, the director shall 76399  
hold a public hearing on the application within the county in 76400  
which the new or modified infectious waste or solid waste 76401  
facility is or is proposed to be located or within a contiguous 76402  
county. Not less than thirty days before holding the public 76403  
hearing on the application, the director shall publish notice of 76404  
the hearing in each newspaper that has general circulation and 76405  
that is published in the county in which the facility is or is 76406  
proposed to be located. ~~If there is no newspaper that has~~ 76407  
~~general circulation and that is published in the county, the~~ 76408  
~~director shall publish the notice in a newspaper of general~~ 76409  
~~circulation in the county or by publication on the environmental~~ 76410  
protection agency's official web site. The notice shall contain 76411  
the date, time, and location of the public hearing and a general 76412  
description of the proposed new or modified facility. At the 76413  
public hearing, any person may submit written or oral comments 76414  
on or objections to the approval or disapproval of the 76415  
application. The applicant, or a representative of the applicant 76416  
who has knowledge of the location, construction, and operation 76417  
of the facility, shall attend the public hearing to respond to 76418  
comments or questions concerning the facility directed to the 76419  
applicant or representative by the officer or employee of the 76420  
environmental protection agency presiding at the hearing. 76421

(c) Each application for a permit under division (B) (2) (b) 76422  
of this section shall be accompanied by a nonrefundable 76423  
application fee of four hundred dollars that shall be credited 76424  
to the general revenue fund. Each application for an annual 76425  
license under division (B) (2) (a) of this section shall be 76426  
accompanied by a nonrefundable application fee of one hundred 76427  
dollars. If the application for an annual license is submitted 76428  
to a board of health on the approved list under section 3734.08 76429  
of the Revised Code, the application fee shall be credited to 76430  
the special infectious waste fund of the health district created 76431  
in division (C) of section 3734.06 of the Revised Code. If the 76432  
application for an annual license is submitted to the director, 76433  
the application fee shall be credited to the general revenue 76434  
fund. If a permit or license is issued, the amount of the 76435  
application fee paid shall be deducted from the amount of the 76436  
permit fee due under division ~~(Q)~~(P) of section 3745.11 of the 76437  
Revised Code or the amount of the license fee due under division 76438  
(C) of section 3734.06 of the Revised Code. 76439

(d) The director may issue an order in accordance with 76440  
Chapter 3745. of the Revised Code to the owner or operator of an 76441  
infectious waste treatment facility requiring the person to 76442  
submit to the director updated engineering detail plans, 76443  
specifications, and information regarding the facility and its 76444  
method of operation for approval under rules adopted under 76445  
section 3734.021 of the Revised Code if, in the director's 76446  
judgment, conditions at the facility constitute a substantial 76447  
threat to public health or safety or are causing or contributing 76448  
to or threatening to cause or contribute to air or water 76449  
pollution or soil contamination. Any person who receives such an 76450  
order shall submit the updated engineering detail plans, 76451  
specifications, and information to the director within one 76452

hundred eighty days after the effective date of the order. 76453

(e) The director shall act on any updated engineering 76454  
plans, specifications, and information submitted under division 76455  
(B) (2) (d) of this section within one hundred eighty days after 76456  
receiving them. If the director disapproves any such updated 76457  
engineering plans, specifications, and information, the director 76458  
shall include in the order disapproving the plans the 76459  
requirement that the owner or operator cease accepting 76460  
infectious wastes for treatment at the facility. 76461

(3) Division (B) of this section does not apply to a 76462  
generator of infectious wastes that meets any of the following 76463  
conditions: 76464

(a) Treats, by methods, techniques, and practices 76465  
established by rules adopted under division (B) (2) (a) of section 76466  
3734.021 of the Revised Code, any of the following wastes: 76467

(i) Infectious wastes that are generated on any premises 76468  
that are owned or operated by the generator; 76469

(ii) Infectious wastes that are generated by a generator 76470  
who has staff privileges at a hospital as defined in section 76471  
3727.01 of the Revised Code; 76472

(iii) Infectious wastes that are generated in providing 76473  
care to a patient by an emergency medical services organization 76474  
as defined in section 4765.01 of the Revised Code. 76475

(b) Holds a license or renewal of a license to operate a 76476  
crematory facility issued under Chapter 4717. and a permit 76477  
issued under Chapter 3704. of the Revised Code; 76478

(c) Treats or disposes of dead animals or parts thereof, 76479  
or the blood of animals, and is subject to any of the following: 76480

(i) Inspection under the "Federal Meat Inspection Act," 81 76481  
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 76482

(ii) Chapter 918. of the Revised Code; 76483

(iii) Chapter 953. of the Revised Code. 76484

Nothing in division (B) of this section requires a 76485  
facility that holds a license issued under division (A) of this 76486  
section as a solid waste facility and that also treats 76487  
infectious wastes by the same method, technique, or process to 76488  
obtain a license under division (B) of this section as an 76489  
infectious waste treatment facility. However, the solid waste 76490  
facility license for the facility shall include the notation 76491  
that the facility also treats infectious wastes. 76492

The director shall not issue a permit to open a new solid 76493  
waste incineration facility unless the proposed facility 76494  
complies with the requirements for the location of new 76495  
infectious waste incineration facilities established in rules 76496  
adopted under division (B) (2) (b) of section 3734.021 of the 76497  
Revised Code. 76498

(C) Except for a facility or activity described in 76499  
division (E) (3) of section 3734.02 of the Revised Code, a person 76500  
who proposes to establish or operate a hazardous waste facility 76501  
shall submit a complete application for a hazardous waste 76502  
facility installation and operation permit and accompanying 76503  
detail plans, specifications, and such information as the 76504  
director may require to the environmental protection agency at 76505  
least one hundred eighty days before the proposed beginning of 76506  
operation of the facility. The applicant shall notify by 76507  
certified mail the legislative authority of each municipal 76508  
corporation, township, and county in which the facility is 76509

proposed to be located of the submission of the application 76510  
within ten days after the submission or at such earlier time as 76511  
the director may establish by rule. If the application is for a 76512  
proposed new hazardous waste disposal or thermal treatment 76513  
facility, the applicant also shall give actual notice of the 76514  
general design and purpose of the facility to the legislative 76515  
authority of each municipal corporation, township, and county in 76516  
which the facility is proposed to be located at least ninety 76517  
days before the permit application is submitted to the 76518  
environmental protection agency. 76519

In accordance with rules adopted under section 3734.12 of 76520  
the Revised Code, prior to the submission of a complete 76521  
application for a hazardous waste facility installation and 76522  
operation permit, the applicant shall hold at least one meeting 76523  
in the township or municipal corporation in which the facility 76524  
is proposed to be located, whichever is geographically closer to 76525  
the proposed location of the facility. The meeting shall be open 76526  
to the public and shall be held to inform the community of the 76527  
proposed hazardous waste management activities and to solicit 76528  
questions from the community concerning the activities. 76529

(D) (1) Except as provided in section 3734.123 of the 76530  
Revised Code, upon receipt of a complete application for a 76531  
hazardous waste facility installation and operation permit under 76532  
division (C) of this section, the director shall consider the 76533  
application and accompanying information to determine whether 76534  
the application complies with agency rules and the requirements 76535  
of division (D) (2) of this section. After making a 76536  
determination, the director shall issue either a draft permit or 76537  
a notice of intent to deny the permit. The director, in 76538  
accordance with rules adopted under section 3734.12 of the 76539  
Revised Code or with rules adopted to implement Chapter 3745. of 76540

the Revised Code, shall provide public notice of the application 76541  
and the draft permit or the notice of intent to deny the permit, 76542  
provide an opportunity for public comments, and, if significant 76543  
interest is shown, schedule a public meeting in the county in 76544  
which the facility is proposed to be located and give public 76545  
notice of the date, time, and location of the public meeting in 76546  
a newspaper of general circulation in that county. 76547

(2) The director shall not approve an application for a 76548  
hazardous waste facility installation and operation permit or an 76549  
application for a modification under division (I)(3) of this 76550  
section unless the director finds and determines as follows: 76551

(a) The nature and volume of the waste to be treated, 76552  
stored, or disposed of at the facility; 76553

(b) That the facility complies with the director's 76554  
hazardous waste standards adopted pursuant to section 3734.12 of 76555  
the Revised Code; 76556

(c) That the facility represents the minimum adverse 76557  
environmental impact, considering the state of available 76558  
technology and the nature and economics of various alternatives, 76559  
and other pertinent considerations; 76560

(d) That the facility represents the minimum risk of all 76561  
of the following: 76562

(i) Fires or explosions from treatment, storage, or 76563  
disposal methods; 76564

(ii) Release of hazardous waste during transportation of 76565  
hazardous waste to or from the facility; 76566

(iii) Adverse impact on the public health and safety. 76567

(e) That the facility will comply with this chapter and 76568

Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them;

(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from which the person may influence the installation and operation of the facility has been involved in any prior activity involving transportation, treatment, storage, or disposal of hazardous waste, that person has a history of compliance with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them, the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, and all regulations adopted under it, and similar laws and rules of other states if any such prior operation was located in another state that demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility under the applicable provisions of this chapter and Chapters 3704. and 6111. of the Revised Code, the applicable rules and standards adopted under them, and terms and conditions of a hazardous waste facility installation and operation permit, given the potential for harm to the public health and safety and the environment that could result from the irresponsible operation of the facility. For off-site facilities, as defined in section 3734.41 of the Revised Code, the director may use the investigative reports of the attorney general prepared pursuant to section 3734.42 of the Revised Code as a basis for making a finding and determination under division (D) (2) (f) of this section.

(g) That the active areas within a new hazardous waste facility where acute hazardous waste as listed in 40 C.F.R. 261.33 (e), as amended, or organic waste that is toxic and is listed under 40 C.F.R. 261, as amended, is being stored,

treated, or disposed of and where the aggregate of the storage 76600  
design capacity and the disposal design capacity of all 76601  
hazardous waste in those areas is greater than two hundred fifty 76602  
thousand gallons, are not located or operated within any of the 76603  
following: 76604

(i) Two thousand feet of any residence, school, hospital, 76605  
jail, or prison; 76606

(ii) Any naturally occurring wetland; 76607

(iii) Any flood hazard area if the applicant cannot show 76608  
that the facility will be designed, constructed, operated, and 76609  
maintained to prevent washout by a one-hundred-year flood. 76610

Division (D) (2) (g) of this section does not apply to the 76611  
facility of any applicant who demonstrates to the director that 76612  
the limitations specified in that division are not necessary 76613  
because of the nature or volume of the waste and the manner of 76614  
management applied, the facility will impose no substantial 76615  
danger to the health and safety of persons occupying the 76616  
structures listed in division (D) (2) (g) (i) of this section, and 76617  
the facility is to be located or operated in an area where the 76618  
proposed hazardous waste activities will not be incompatible 76619  
with existing land uses in the area. 76620

(h) That the facility will not be located within the 76621  
boundaries of a state park established or dedicated under 76622  
Chapter 1546. of the Revised Code, a state park purchase area 76623  
established under section 1546.06 of the Revised Code, any unit 76624  
of the national park system, or any property that lies within 76625  
the boundaries of a national park or recreation area, but that 76626  
has not been acquired or is not administered by the secretary of 76627  
the United States department of the interior, located in this 76628

state, or any candidate area located in this state identified 76629  
for potential inclusion in the national park system in the 76630  
edition of the "national park system plan" submitted under 76631  
paragraph (b) of section 8 of "The Act of August 18, 1970," 84 76632  
Stat. 825, 16 U.S.C.A. 1a-5, as amended, current at the time of 76633  
filing of the application for the permit, unless the facility 76634  
will be used exclusively for the storage of hazardous waste 76635  
generated within the park or recreation area in conjunction with 76636  
the operation of the park or recreation area. Division (D) (2) (h) 76637  
of this section does not apply to the facility of any applicant 76638  
for modification of a permit unless the modification application 76639  
proposes to increase the land area included in the facility or 76640  
to increase the quantity of hazardous waste that will be 76641  
treated, stored, or disposed of at the facility. 76642

(3) Not later than one hundred eighty days after the end 76643  
of the public comment period, the director, without prior 76644  
hearing, shall issue or deny the permit in accordance with 76645  
Chapter 3745. of the Revised Code. If the director approves an 76646  
application for a hazardous waste facility installation and 76647  
operation permit, the director shall issue the permit, upon such 76648  
terms and conditions as the director finds are necessary to 76649  
ensure the construction and operation of the hazardous waste 76650  
facility in accordance with the standards of this section. 76651

(E) No political subdivision of this state shall require 76652  
any additional zoning or other approval, consent, permit, 76653  
certificate, or condition for the construction or operation of a 76654  
hazardous waste facility authorized by a hazardous waste 76655  
facility installation and operation permit issued pursuant to 76656  
this chapter, nor shall any political subdivision adopt or 76657  
enforce any law, ordinance, or rule that in any way alters, 76658  
impairs, or limits the authority granted in the permit. 76659

(F) The director may issue a single hazardous waste 76660  
facility installation and operation permit to a person who 76661  
operates two or more adjoining facilities where hazardous waste 76662  
is stored, treated, or disposed of if the application includes 76663  
detail plans, specifications, and information on all facilities. 76664  
For the purposes of this section, "adjoining" means sharing a 76665  
common boundary, separated only by a public road, or in such 76666  
proximity that the director determines that the issuance of a 76667  
single permit will not create a hazard to the public health or 76668  
safety or the environment. 76669

(G) No person shall falsify or fail to keep or submit any 76670  
plans, specifications, data, reports, records, manifests, or 76671  
other information required to be kept or submitted to the 76672  
director by this chapter or the rules adopted under it. 76673

(H) (1) Each person who holds an installation and operation 76674  
permit issued under this section and who wishes to obtain a 76675  
permit renewal shall submit a completed application for an 76676  
installation and operation permit renewal and any necessary 76677  
accompanying general plans, detail plans, specifications, and 76678  
such information as the director may require to the director no 76679  
later than one hundred eighty days prior to the expiration date 76680  
of the existing permit or upon a later date prior to the 76681  
expiration of the existing permit if the permittee can 76682  
demonstrate good cause for the late submittal. The director 76683  
shall consider the application and accompanying information, 76684  
inspection reports of the facility, results of performance 76685  
tests, a report regarding the facility's compliance or 76686  
noncompliance with the terms and conditions of its permit and 76687  
rules adopted by the director under this chapter, and such other 76688  
information as is relevant to the operation of the facility and 76689  
shall issue a draft renewal permit or a notice of intent to deny 76690

the renewal permit. The director, in accordance with rules 76691  
adopted under this section or with rules adopted to implement 76692  
Chapter 3745. of the Revised Code, shall give public notice of 76693  
the application and draft renewal permit or notice of intent to 76694  
deny the renewal permit, provide for the opportunity for public 76695  
comments within a specified time period, schedule a public 76696  
meeting in the county in which the facility is located if 76697  
significant interest is shown, and give public notice of the 76698  
public meeting. 76699

(2) Within sixty days after the public meeting or close of 76700  
the public comment period, the director, without prior hearing, 76701  
shall issue or deny the renewal permit in accordance with 76702  
Chapter 3745. of the Revised Code. The director shall not issue 76703  
a renewal permit unless the director determines that the 76704  
facility under the existing permit has a history of compliance 76705  
with this chapter, rules adopted under it, the existing permit, 76706  
or orders entered to enforce such requirements that demonstrates 76707  
sufficient reliability, expertise, and competency to operate the 76708  
facility henceforth under this chapter, rules adopted under it, 76709  
and the renewal permit. If the director approves an application 76710  
for a renewal permit, the director shall issue the permit 76711  
subject to the payment of the annual permit fee required under 76712  
division (E) of section 3734.02 of the Revised Code and upon 76713  
such terms and conditions as the director finds are reasonable 76714  
to ensure that continued operation, maintenance, closure, and 76715  
post-closure care of the hazardous waste facility are in 76716  
accordance with the rules adopted under section 3734.12 of the 76717  
Revised Code. 76718

(3) An installation and operation permit renewal 76719  
application submitted to the director that also contains or 76720  
would constitute an application for a modification shall be 76721

acted upon by the director in accordance with division (I) of 76722  
this section in the same manner as an application for a 76723  
modification. In approving or disapproving the renewal portion 76724  
of a permit renewal application containing an application for a 76725  
modification, the director shall apply the criteria established 76726  
under division (H) (2) of this section. 76727

(4) An application for renewal or modification of a permit 76728  
that does not contain an application for a modification as 76729  
described in divisions (I) (3) (a) to (d) of this section shall 76730  
not be subject to division (D) (2) of this section. 76731

(I) (1) As used in this section, "modification" means a 76732  
change or alteration to a hazardous waste facility or its 76733  
operations that is inconsistent with or not authorized by its 76734  
existing permit or authorization to operate. Modifications shall 76735  
be classified as Class 1, 2, or 3 modifications in accordance 76736  
with rules adopted under division (K) of this section. 76737  
Modifications classified as Class 3 modifications, in accordance 76738  
with rules adopted under that division, shall be further 76739  
classified by the director as either Class 3 modifications that 76740  
are to be approved or disapproved by the director under 76741  
divisions (I) (3) (a) to (d) of this section or as Class 3 76742  
modifications that are to be approved or disapproved by the 76743  
director under division (I) (5) of this section. Not later than 76744  
thirty days after receiving a request for a modification under 76745  
division (I) (4) of this section that is not listed in Appendix I 76746  
to 40 C.F.R. 270.42 or in rules adopted under division (K) of 76747  
this section, the director shall classify the modification and 76748  
shall notify the owner or operator of the facility requesting 76749  
the modification of the classification. Notwithstanding any 76750  
other law to the contrary, a modification that involves the 76751  
transfer of a hazardous waste facility installation and 76752

operation permit to a new owner or operator for any off-site 76753  
facility as defined in section 3734.41 of the Revised Code shall 76754  
be classified as a Class 3 modification. The transfer of a 76755  
hazardous waste facility installation and operation permit to a 76756  
new owner or operator for a facility that is not an off-site 76757  
facility shall be classified as a Class 1 modification requiring 76758  
prior approval of the director. 76759

(2) Except as provided in section 3734.123 of the Revised 76760  
Code, a hazardous waste facility installation and operation 76761  
permit may be modified at the request of the director or upon 76762  
the written request of the permittee only if any of the 76763  
following applies: 76764

(a) The permittee desires to accomplish alterations, 76765  
additions, or deletions to the permitted facility or to 76766  
undertake alterations, additions, deletions, or activities that 76767  
are inconsistent with or not authorized by the existing permit; 76768

(b) New information or data justify permit conditions in 76769  
addition to or different from those in the existing permit; 76770

(c) The standards, criteria, or rules upon which the 76771  
existing permit is based have been changed by new, amended, or 76772  
rescinded standards, criteria, or rules, or by judicial decision 76773  
after the existing permit was issued, and the change justifies 76774  
permit conditions in addition to or different from those in the 76775  
existing permit; 76776

(d) The permittee proposes to transfer the permit to 76777  
another person. 76778

(3) The director shall approve or disapprove an 76779  
application for a modification in accordance with division (D) 76780  
(2) of this section and rules adopted under division (K) of this 76781

section for all of the following categories of Class 3 76782  
modifications: 76783

(a) Authority to conduct treatment, storage, or disposal 76784  
at a site, location, or tract of land that has not been 76785  
authorized for the proposed category of treatment, storage, or 76786  
disposal activity by the facility's permit; 76787

(b) Modification or addition of a hazardous waste 76788  
management unit, as defined in rules adopted under section 76789  
3734.12 of the Revised Code, that results in an increase in a 76790  
facility's storage capacity of more than twenty-five per cent 76791  
over the capacity authorized by the facility's permit, an 76792  
increase in a facility's treatment rate of more than twenty-five 76793  
per cent over the rate so authorized, or an increase in a 76794  
facility's disposal capacity over the capacity so authorized. 76795  
The authorized disposal capacity for a facility shall be 76796  
calculated from the approved design plans for the disposal units 76797  
at that facility. In no case during a five-year period shall a 76798  
facility's storage capacity or treatment rate be modified to 76799  
increase by more than twenty-five per cent in the aggregate 76800  
without the director's approval in accordance with division (D) 76801  
(2) of this section. Notwithstanding any provision of division 76802  
(I) of this section to the contrary, a request for modification 76803  
of a facility's annual total waste receipt limit shall be 76804  
classified and approved or disapproved by the director under 76805  
division (I) (5) of this section. 76806

(c) Authority to add any of the following categories of 76807  
regulated activities not previously authorized at a facility by 76808  
the facility's permit: storage at a facility not previously 76809  
authorized to store hazardous waste, treatment at a facility not 76810  
previously authorized to treat hazardous waste, or disposal at a 76811

facility not previously authorized to dispose of hazardous 76812  
waste; or authority to add a category of hazardous waste 76813  
management unit not previously authorized at the facility by the 76814  
facility's permit. Notwithstanding any provision of division (I) 76815  
of this section to the contrary, a request for authority to add 76816  
or to modify an activity or a hazardous waste management unit 76817  
for the purposes of performing a corrective action shall be 76818  
classified and approved or disapproved by the director under 76819  
division (I) (5) of this section. 76820

(d) Authority to treat, store, or dispose of waste types 76821  
listed or characterized as reactive or explosive, in rules 76822  
adopted under section 3734.12 of the Revised Code, or any acute 76823  
hazardous waste listed in 40 C.F.R. 261.33(e), as amended, at a 76824  
facility not previously authorized to treat, store, or dispose 76825  
of those types of wastes by the facility's permit unless the 76826  
requested authority is limited to wastes that no longer exhibit 76827  
characteristics meeting the criteria for listing or 76828  
characterization as reactive or explosive wastes, or for listing 76829  
as acute hazardous waste, but still are required to carry those 76830  
waste codes as established in rules adopted under section 76831  
3734.12 of the Revised Code because of the requirements 76832  
established in 40 C.F.R. 261(a) and (e), as amended, that is, 76833  
the "mixture," "derived-from," or "contained-in" regulations. 76834

(4) A written request for a modification from the 76835  
permittee shall be submitted to the director and shall contain 76836  
such information as is necessary to support the request. 76837  
Requests for modifications shall be acted upon by the director 76838  
in accordance with this section and rules adopted under it. 76839

(5) Class 1 modification applications that require prior 76840  
approval of the director, as provided in division (I) (1) of this 76841

section or as determined in accordance with rules adopted under 76842  
division (K) of this section, Class 2 modification applications, 76843  
and Class 3 modification applications that are not described in 76844  
divisions (I) (3) (a) to (d) of this section shall be approved or 76845  
disapproved by the director in accordance with rules adopted 76846  
under division (K) of this section. The board of county 76847  
commissioners of the county, the board of township trustees of 76848  
the township, and the city manager or mayor of the municipal 76849  
corporation in which a hazardous waste facility is located shall 76850  
receive notification of any application for a modification for 76851  
that facility and shall be considered as interested persons with 76852  
respect to the director's consideration of the application. 76853

As used in division (I) of this section: 76854

(a) "Owner" means the person who owns a majority or 76855  
controlling interest in a facility. 76856

(b) "Operator" means the person who is responsible for the 76857  
overall operation of a facility. 76858

The director shall approve or disapprove an application 76859  
for a Class 1 modification that requires the director's approval 76860  
within sixty days after receiving the request for modification. 76861  
The director shall approve or disapprove an application for a 76862  
Class 2 modification within three hundred days after receiving 76863  
the request for modification. The director shall approve or 76864  
disapprove an application for a Class 3 modification within 76865  
three hundred sixty-five days after receiving the request for 76866  
modification. 76867

(6) The approval or disapproval by the director of a Class 76868  
1 modification application is not a final action that is 76869  
appealable under Chapter 3745. of the Revised Code. The approval 76870

or disapproval by the director of a Class 2 modification or a 76871  
Class 3 modification is a final action that is appealable under 76872  
that chapter. In approving or disapproving a request for a 76873  
modification, the director shall consider all comments 76874  
pertaining to the request that are received during the public 76875  
comment period and the public meetings. The administrative 76876  
record for appeal of a final action by the director in approving 76877  
or disapproving a request for a modification shall include all 76878  
comments received during the public comment period relating to 76879  
the request for modification, written materials submitted at the 76880  
public meetings relating to the request, and any other documents 76881  
related to the director's action. 76882

(7) Notwithstanding any other provision of law to the 76883  
contrary, a change or alteration to a hazardous waste facility 76884  
described in division (E)(3)(a) or (b) of section 3734.02 of the 76885  
Revised Code, or its operations, is a modification for the 76886  
purposes of this section. An application for a modification at 76887  
such a facility shall be submitted, classified, and approved or 76888  
disapproved in accordance with divisions (I)(1) to (6) of this 76889  
section in the same manner as a modification to a hazardous 76890  
waste facility installation and operation permit. 76891

(J)(1) Except as provided in division (J)(2) of this 76892  
section, an owner or operator of a hazardous waste facility that 76893  
is operating in accordance with a permit by rule under rules 76894  
adopted by the director under division (E)(3)(b) of section 76895  
3734.02 of the Revised Code shall submit either a hazardous 76896  
waste facility installation and operation permit application for 76897  
the facility or a modification application, whichever is 76898  
required under division (J)(1)(a) or (b) of this section, within 76899  
one hundred eighty days after the director has requested the 76900  
application or upon a later date if the owner or operator 76901

demonstrates to the director good cause for the late submittal. 76902

(a) If the owner or operator does not have a hazardous 76903  
waste facility installation and operation permit for any 76904  
hazardous waste treatment, storage, or disposal activities at 76905  
the facility, the owner or operator shall submit an application 76906  
for such a permit to the director for the activities authorized 76907  
by the permit by rule. Notwithstanding any other provision of 76908  
law to the contrary, the director shall approve or disapprove 76909  
the application for the permit in accordance with the procedures 76910  
governing the approval or disapproval of permit renewals under 76911  
division (H) of this section. 76912

(b) If the owner or operator has a hazardous waste 76913  
facility installation and operation permit for hazardous waste 76914  
treatment, storage, or disposal activities at the facility other 76915  
than those authorized by the permit by rule, the owner or 76916  
operator shall submit to the director a request for modification 76917  
in accordance with division (I) of this section. Notwithstanding 76918  
any other provision of law to the contrary, the director shall 76919  
approve or disapprove the modification application in accordance 76920  
with division (I)(5) of this section. 76921

(2) The owner or operator of a boiler or industrial 76922  
furnace that is conducting thermal treatment activities in 76923  
accordance with a permit by rule under rules adopted by the 76924  
director under division (E)(3)(b) of section 3734.02 of the 76925  
Revised Code shall submit a hazardous waste facility 76926  
installation and operation permit application if the owner or 76927  
operator does not have such a permit for any hazardous waste 76928  
treatment, storage, or disposal activities at the facility or, 76929  
if the owner or operator has such a permit for hazardous waste 76930  
treatment, storage, or disposal activities at the facility other 76931

than thermal treatment activities authorized by the permit by 76932  
rule, a modification application to add those activities 76933  
authorized by the permit by rule, whichever is applicable, 76934  
within one hundred eighty days after the director has requested 76935  
the submission of the application or upon a later date if the 76936  
owner or operator demonstrates to the director good cause for 76937  
the late submittal. The application shall be accompanied by 76938  
information necessary to support the request. The director shall 76939  
approve or disapprove an application for a hazardous waste 76940  
facility installation and operation permit in accordance with 76941  
division (D) of this section and approve or disapprove an 76942  
application for a modification in accordance with division (I) 76943  
(3) of this section, except that the director shall not 76944  
disapprove an application for the thermal treatment activities 76945  
on the basis of the criteria set forth in division (D) (2) (g) or 76946  
(h) of this section. 76947

(3) As used in division (J) of this section: 76948

(a) "Modification application" means a request for a 76949  
modification submitted in accordance with division (I) of this 76950  
section. 76951

(b) "Thermal treatment," "boiler," and "industrial 76952  
furnace" have the same meanings as in rules adopted under 76953  
section 3734.12 of the Revised Code. 76954

(K) The director shall adopt, and may amend, suspend, or 76955  
rescind, rules in accordance with Chapter 119. of the Revised 76956  
Code in order to implement divisions (H) and (I) of this 76957  
section. Except when in actual conflict with this section, rules 76958  
governing the classification of and procedures for the 76959  
modification of hazardous waste facility installation and 76960  
operation permits shall be substantively and procedurally 76961

identical to the regulations governing hazardous waste facility 76962  
permitting and permit modifications adopted under the "Resource 76963  
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 76964  
U.S.C.A. 6921, as amended. 76965

Revised Code; 76988

(5) An additional eight cents per ton through June 30, 76989  
~~2026~~2028, the proceeds of which shall be deposited in the state 76990

treasury to the credit of the national priority list remedial 76991  
support fund created in section 3734.579 of the Revised Code. 76992

In the case of solid wastes that are taken to a solid 76993  
waste transfer facility located in this state prior to being 76994  
transported for disposal at a solid waste disposal facility 76995  
located in this state or outside of this state, the fees levied 76996  
under this division shall be collected by the owner or operator 76997  
of the transfer facility as a trustee for the state. The amount 76998  
of fees required to be collected under this division at such a 76999  
transfer facility shall equal the total tonnage of solid wastes 77000  
received at the facility multiplied by the fees levied under 77001  
this division. In the case of solid wastes that are not taken to 77002  
a solid waste transfer facility located in this state prior to 77003  
being transported to a solid waste disposal facility, the fees 77004  
shall be collected by the owner or operator of the solid waste 77005  
disposal facility as a trustee for the state. The amount of fees 77006  
required to be collected under this division at such a disposal 77007  
facility shall equal the total tonnage of solid wastes received 77008  
at the facility that was not previously taken to a solid waste 77009  
transfer facility located in this state multiplied by the fees 77010  
levied under this division. Fees levied under this division do 77011  
not apply to materials separated from a mixed waste stream for 77012  
recycling by a generator or materials removed from the solid 77013  
waste stream through recycling, as "recycling" is defined in 77014  
rules adopted under section 3734.02 of the Revised Code. 77015

The owner or operator of a solid waste transfer facility 77016  
or disposal facility, as applicable, shall prepare and file with 77017  
the director of environmental protection each month a return 77018  
indicating the total tonnage of solid wastes received at the 77019  
facility during that month and the total amount of the fees 77020  
required to be collected under this division during that month. 77021

In addition, the owner or operator of a solid waste disposal 77022  
facility shall indicate on the return the total tonnage of solid 77023  
wastes received from transfer facilities located in this state 77024  
during that month for which the fees were required to be 77025  
collected by the transfer facilities. The monthly returns shall 77026  
be filed on a form prescribed by the director. Not later than 77027  
thirty days after the last day of the month to which a return 77028  
applies, the owner or operator shall mail to the director the 77029  
return for that month together with the fees required to be 77030  
collected under this division during that month as indicated on 77031  
the return or may submit the return and fees electronically in a 77032  
manner approved by the director. If the return is filed and the 77033  
amount of the fees due is paid in a timely manner as required in 77034  
this division, the owner or operator may retain a discount of 77035  
three-fourths of one per cent of the total amount of the fees 77036  
that are required to be paid as indicated on the return. 77037

The owner or operator may request an extension of not more 77038  
than thirty days for filing the return and remitting the fees, 77039  
provided that the owner or operator has submitted such a request 77040  
in writing to the director together with a detailed description 77041  
of why the extension is requested, the director has received the 77042  
request not later than the day on which the return is required 77043  
to be filed, and the director has approved the request. If the 77044  
fees are not remitted within thirty days after the last day of 77045  
the month to which the return applies or are not remitted by the 77046  
last day of an extension approved by the director, the owner or 77047  
operator shall not retain the three-fourths of one per cent 77048  
discount and shall pay an additional ten per cent of the amount 77049  
of the fees for each month that they are late. For purposes of 77050  
calculating the late fee, the first month in which fees are late 77051  
begins on the first day after the deadline has passed for timely 77052

submitting the return and fees, and one additional month shall 77053  
be counted every thirty days thereafter. 77054

The owner or operator of a solid waste facility may 77055  
request a refund or credit of fees levied under this division 77056  
and remitted to the director that have not been paid to the 77057  
owner or operator. Such a request shall be made only if the fees 77058  
have not been collected by the owner or operator, have become a 77059  
debt that has become worthless or uncollectable for a period of 77060  
six months or more, and may be claimed as a deduction, including 77061  
a deduction claimed if the owner or operator keeps accounts on 77062  
an accrual basis, under the "Internal Revenue Code of 1954," 68A 77063  
Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted 77064  
under it. Prior to making a request for a refund or credit, an 77065  
owner or operator shall make reasonable efforts to collect the 77066  
applicable fees. A request for a refund or credit shall not 77067  
include any costs resulting from those efforts to collect unpaid 77068  
fees. 77069

A request for a refund or credit of fees shall be made in 77070  
writing, on a form prescribed by the director, and shall be 77071  
supported by evidence that may be required in rules adopted by 77072  
the director under this chapter. After reviewing the request, 77073  
and if the request and evidence submitted with the request 77074  
indicate that a refund or credit is warranted, the director 77075  
shall grant a refund to the owner or operator or shall permit a 77076  
credit to be taken by the owner or operator on a subsequent 77077  
monthly return submitted by the owner or operator. The amount of 77078  
a refund or credit shall not exceed an amount that is equal to 77079  
ninety days' worth of fees owed to an owner or operator by a 77080  
particular debtor of the owner or operator. A refund or credit 77081  
shall not be granted by the director to an owner or operator 77082  
more than once in any twelve-month period for fees owed to the 77083

owner or operator by a particular debtor. 77084

If, after receiving a refund or credit from the director, 77085  
an owner or operator receives payment of all or part of the 77086  
fees, the owner or operator shall remit the fees with the next 77087  
monthly return submitted to the director together with a written 77088  
explanation of the reason for the submittal. 77089

For purposes of computing the fees levied under this 77090  
division or division (B) of this section, any solid waste 77091  
transfer or disposal facility that does not use scales as a 77092  
means of determining gate receipts shall use a conversion factor 77093  
of three cubic yards per ton of solid waste or one cubic yard 77094  
per ton for baled waste, as applicable. 77095

The fees levied under this division and divisions (B) and 77096  
(C) of this section are in addition to all other applicable fees 77097  
and taxes and shall be paid by the customer or a political 77098  
subdivision to the owner or operator of a solid waste transfer 77099  
or disposal facility. In the alternative, the fees shall be paid 77100  
by a customer or political subdivision to a transporter of waste 77101  
who subsequently transfers the fees to the owner or operator of 77102  
such a facility. The fees shall be paid notwithstanding the 77103  
existence of any provision in a contract that the customer or a 77104  
political subdivision may have with the owner or operator or 77105  
with a transporter of waste to the facility that would not 77106  
require or allow such payment regardless of whether the contract 77107  
was entered prior to or after October 16, 2009. For those 77108  
purposes, "customer" means a person who contracts with, or 77109  
utilizes the solid waste services of, the owner or operator of a 77110  
solid waste transfer or disposal facility or a transporter of 77111  
solid waste to such a facility. 77112

(B) For the purposes specified in division (G) of this 77113

section, the solid waste management policy committee of a county 77114  
or joint solid waste management district may levy fees upon the 77115  
following activities: 77116

(1) The disposal at a solid waste disposal facility 77117  
located in the district of solid wastes generated within the 77118  
district; 77119

(2) The disposal at a solid waste disposal facility within 77120  
the district of solid wastes generated outside the boundaries of 77121  
the district, but inside this state; 77122

(3) The disposal at a solid waste disposal facility within 77123  
the district of solid wastes generated outside the boundaries of 77124  
this state. 77125

The solid waste management plan of the county or joint 77126  
district approved under section 3734.521 or 3734.55 of the 77127  
Revised Code and any amendments to it, or the resolution adopted 77128  
under this division, as appropriate, shall establish the rates 77129  
of the fees levied under divisions (B) (1), (2), and (3) of this 77130  
section, if any, and shall specify whether the fees are levied 77131  
on the basis of tons or cubic yards as the unit of measurement. 77132  
A solid waste management district that levies fees under this 77133  
division on the basis of cubic yards shall do so in accordance 77134  
with division (A) of this section. 77135

The fee levied under division (B) (1) of this section shall 77136  
be not less than one dollar per ton nor more than two dollars 77137  
per ton, the fee levied under division (B) (2) of this section 77138  
shall be not less than two dollars per ton nor more than four 77139  
dollars per ton, and the fee levied under division (B) (3) of 77140  
this section shall be not more than the fee levied under 77141  
division (B) (1) of this section. 77142

Prior to the approval of the solid waste management plan 77143  
of a district under section 3734.55 of the Revised Code, the 77144  
solid waste management policy committee of a district may levy 77145  
fees under this division by adopting a resolution establishing 77146  
the proposed amount of the fees. Upon adopting the resolution, 77147  
the committee shall deliver a copy of the resolution to the 77148  
board of county commissioners of each county forming the 77149  
district and to the legislative authority of each municipal 77150  
corporation and township under the jurisdiction of the district 77151  
and shall prepare and publish the resolution and a notice of the 77152  
time and location where a public hearing on the fees will be 77153  
held. Upon adopting the resolution, the committee shall deliver 77154  
written notice of the adoption of the resolution; of the amount 77155  
of the proposed fees; and of the date, time, and location of the 77156  
public hearing to the director and to the fifty industrial, 77157  
commercial, or institutional generators of solid wastes within 77158  
the district that generate the largest quantities of solid 77159  
wastes, as determined by the committee, and to their local trade 77160  
associations. The committee shall make good faith efforts to 77161  
identify those generators within the district and their local 77162  
trade associations, but the nonprovision of notice under this 77163  
division to a particular generator or local trade association 77164  
does not invalidate the proceedings under this division. The 77165  
publication shall occur at least thirty days before the hearing. 77166  
After the hearing, the committee may make such revisions to the 77167  
proposed fees as it considers appropriate and thereafter, by 77168  
resolution, shall adopt the revised fee schedule. Upon adopting 77169  
the revised fee schedule, the committee shall deliver a copy of 77170  
the resolution doing so to the board of county commissioners of 77171  
each county forming the district and to the legislative 77172  
authority of each municipal corporation and township under the 77173  
jurisdiction of the district. Within sixty days after the 77174

delivery of a copy of the resolution adopting the proposed 77175  
revised fees by the policy committee, each such board and 77176  
legislative authority, by ordinance or resolution, shall approve 77177  
or disapprove the revised fees and deliver a copy of the 77178  
ordinance or resolution to the committee. If any such board or 77179  
legislative authority fails to adopt and deliver to the policy 77180  
committee an ordinance or resolution approving or disapproving 77181  
the revised fees within sixty days after the policy committee 77182  
delivered its resolution adopting the proposed revised fees, it 77183  
shall be conclusively presumed that the board or legislative 77184  
authority has approved the proposed revised fees. The committee 77185  
shall determine if the resolution has been ratified in the same 77186  
manner in which it determines if a draft solid waste management 77187  
plan has been ratified under division (B) of section 3734.55 of 77188  
the Revised Code. 77189

The committee may amend the schedule of fees levied 77190  
pursuant to a resolution adopted and ratified under this 77191  
division by adopting a resolution establishing the proposed 77192  
amount of the amended fees. The committee may repeal the fees 77193  
levied pursuant to such a resolution by adopting a resolution 77194  
proposing to repeal them. Upon adopting such a resolution, the 77195  
committee shall proceed to obtain ratification of the resolution 77196  
in accordance with this division. 77197

Not later than fourteen days after declaring the new fees 77198  
to be ratified or the fees to be repealed under this division, 77199  
the committee shall notify by certified mail the owner or 77200  
operator of each solid waste disposal facility that is required 77201  
to collect the fees of the ratification and the amount of the 77202  
fees or of the repeal of the fees. Collection of any fees shall 77203  
commence or collection of repealed fees shall cease on the first 77204  
day of the second month following the month in which 77205

notification is sent to the owner or operator. 77206

Fees levied under this division also may be established, 77207  
amended, or repealed by a solid waste management policy 77208  
committee through the adoption of a new district solid waste 77209  
management plan, the adoption of an amended plan, or the 77210  
amendment of the plan or amended plan in accordance with 77211  
sections 3734.55 and 3734.56 of the Revised Code or the adoption 77212  
or amendment of a district plan in connection with a change in 77213  
district composition under section 3734.521 of the Revised Code. 77214

Not later than fourteen days after the director issues an 77215  
order approving a district's solid waste management plan, 77216  
amended plan, or amendment to a plan or amended plan that 77217  
establishes, amends, or repeals a schedule of fees levied by the 77218  
district, the committee shall notify by certified mail the owner 77219  
or operator of each solid waste disposal facility that is 77220  
required to collect the fees of the approval of the plan or 77221  
amended plan, or the amendment to the plan, as appropriate, and 77222  
the amount of the fees, if any. In the case of an initial or 77223  
amended plan approved under section 3734.521 of the Revised Code 77224  
in connection with a change in district composition, other than 77225  
one involving the withdrawal of a county from a joint district, 77226  
the committee, within fourteen days after the change takes 77227  
effect pursuant to division (G) of that section, shall notify by 77228  
certified mail the owner or operator of each solid waste 77229  
disposal facility that is required to collect the fees that the 77230  
change has taken effect and of the amount of the fees, if any. 77231  
Collection of any fees shall commence or collection of repealed 77232  
fees shall cease on the first day of the second month following 77233  
the month in which notification is sent to the owner or 77234  
operator. 77235

If, in the case of a change in district composition 77236  
involving the withdrawal of a county from a joint district, the 77237  
director completes the actions required under division (G) (1) or 77238  
(3) of section 3734.521 of the Revised Code, as appropriate, 77239  
forty-five days or more before the beginning of a calendar year, 77240  
the policy committee of each of the districts resulting from the 77241  
change that obtained the director's approval of an initial or 77242  
amended plan in connection with the change, within fourteen days 77243  
after the director's completion of the required actions, shall 77244  
notify by certified mail the owner or operator of each solid 77245  
waste disposal facility that is required to collect the 77246  
district's fees that the change is to take effect on the first 77247  
day of January immediately following the issuance of the notice 77248  
and of the amount of the fees or amended fees levied under 77249  
divisions (B) (1) to (3) of this section pursuant to the 77250  
district's initial or amended plan as so approved or, if 77251  
appropriate, the repeal of the district's fees by that initial 77252  
or amended plan. Collection of any fees set forth in such a plan 77253  
or amended plan shall commence on the first day of January 77254  
immediately following the issuance of the notice. If such an 77255  
initial or amended plan repeals a schedule of fees, collection 77256  
of the fees shall cease on that first day of January. 77257

If, in the case of a change in district composition 77258  
involving the withdrawal of a county from a joint district, the 77259  
director completes the actions required under division (G) (1) or 77260  
(3) of section 3734.521 of the Revised Code, as appropriate, 77261  
less than forty-five days before the beginning of a calendar 77262  
year, the director, on behalf of each of the districts resulting 77263  
from the change that obtained the director's approval of an 77264  
initial or amended plan in connection with the change 77265  
proceedings, shall notify by certified mail the owner or 77266

operator of each solid waste disposal facility that is required 77267  
to collect the district's fees that the change is to take effect 77268  
on the first day of January immediately following the mailing of 77269  
the notice and of the amount of the fees or amended fees levied 77270  
under divisions (B) (1) to (3) of this section pursuant to the 77271  
district's initial or amended plan as so approved or, if 77272  
appropriate, the repeal of the district's fees by that initial 77273  
or amended plan. Collection of any fees set forth in such a plan 77274  
or amended plan shall commence on the first day of the second 77275  
month following the month in which notification is sent to the 77276  
owner or operator. If such an initial or amended plan repeals a 77277  
schedule of fees, collection of the fees shall cease on the 77278  
first day of the second month following the month in which 77279  
notification is sent to the owner or operator. 77280

If the schedule of fees that a solid waste management 77281  
district is levying under divisions (B) (1) to (3) of this 77282  
section is amended or repealed, the fees in effect immediately 77283  
prior to the amendment or repeal shall continue to be collected 77284  
until collection of the amended fees commences or collection of 77285  
the repealed fees ceases, as applicable, as specified in this 77286  
division. In the case of a change in district composition, money 77287  
so received from the collection of the fees of the former 77288  
districts shall be divided among the resulting districts in 77289  
accordance with division (B) of section 343.012 of the Revised 77290  
Code and the agreements entered into under division (B) of 77291  
section 343.01 of the Revised Code to establish the former and 77292  
resulting districts and any amendments to those agreements. 77293

For the purposes of the provisions of division (B) of this 77294  
section establishing the times when newly established or amended 77295  
fees levied by a district are required to commence and the 77296  
collection of fees that have been amended or repealed is 77297

required to cease, "fees" or "schedule of fees" includes, in 77298  
addition to fees levied under divisions (B) (1) to (3) of this 77299  
section, those levied under section 3734.573 or 3734.574 of the 77300  
Revised Code. 77301

(C) For the purposes of defraying the added costs to a 77302  
municipal corporation or township of maintaining roads and other 77303  
public facilities and of providing emergency and other public 77304  
services, and compensating a municipal corporation or township 77305  
for reductions in real property tax revenues due to reductions 77306  
in real property valuations resulting from the location and 77307  
operation of a solid waste disposal facility within the 77308  
municipal corporation or township, a municipal corporation or 77309  
township in which such a solid waste disposal facility is 77310  
located may levy a fee of not more than twenty-five cents per 77311  
ton on the disposal of solid wastes at a solid waste disposal 77312  
facility located within the boundaries of the municipal 77313  
corporation or township regardless of where the wastes were 77314  
generated. 77315

The legislative authority of a municipal corporation or 77316  
township may levy fees under this division by enacting an 77317  
ordinance or adopting a resolution establishing the amount of 77318  
the fees. Upon so doing the legislative authority shall mail a 77319  
certified copy of the ordinance or resolution to the board of 77320  
county commissioners or directors of the county or joint solid 77321  
waste management district in which the municipal corporation or 77322  
township is located or, if a regional solid waste management 77323  
authority has been formed under section 343.011 of the Revised 77324  
Code, to the board of trustees of that regional authority, the 77325  
owner or operator of each solid waste disposal facility in the 77326  
municipal corporation or township that is required to collect 77327  
the fee by the ordinance or resolution, and the director of 77328

environmental protection. Although the fees levied under this 77329  
division are levied on the basis of tons as the unit of 77330  
measurement, the legislative authority, in its ordinance or 77331  
resolution levying the fees under this division, may direct that 77332  
the fees be levied on the basis of cubic yards as the unit of 77333  
measurement based upon a conversion factor of three cubic yards 77334  
per ton generally or one cubic yard per ton for baled wastes. 77335

Not later than five days after enacting an ordinance or 77336  
adopting a resolution under this division, the legislative 77337  
authority shall so notify by certified mail the owner or 77338  
operator of each solid waste disposal facility that is required 77339  
to collect the fee. Collection of any fee levied on or after 77340  
March 24, 1992, shall commence on the first day of the second 77341  
month following the month in which notification is sent to the 77342  
owner or operator. 77343

(D) (1) The fees levied under divisions (A), (B), and (C) 77344  
of this section do not apply to the disposal of solid wastes 77345  
that: 77346

(a) Are disposed of at a facility owned by the generator 77347  
of the wastes when the solid waste facility exclusively disposes 77348  
of solid wastes generated at one or more premises owned by the 77349  
generator regardless of whether the facility is located on a 77350  
premises where the wastes are generated; 77351

(b) Are generated from the combustion of coal, or from the 77352  
combustion of primarily coal, regardless of whether the disposal 77353  
facility is located on the premises where the wastes are 77354  
generated; 77355

(c) Are asbestos or asbestos-containing materials or 77356  
products disposed of at a construction and demolition debris 77357

facility that is licensed under Chapter 3714. of the Revised 77358  
Code or at a solid waste facility that is licensed under this 77359  
chapter. 77360

(2) Except as provided in section 3734.571 of the Revised 77361  
Code, any fees levied under division (B)(1) of this section 77362  
apply to solid wastes originating outside the boundaries of a 77363  
county or joint district that are covered by an agreement for 77364  
the joint use of solid waste facilities entered into under 77365  
section 343.02 of the Revised Code by the board of county 77366  
commissioners or board of directors of the county or joint 77367  
district where the wastes are generated and disposed of. 77368

(3) When solid wastes, other than solid wastes that 77369  
consist of scrap tires, are burned in a disposal facility that 77370

order will not adversely impact the implementation and financing 77425  
of the district's approved solid waste management plan and any 77426  
approved amendments to the plan. Such an order is a final action 77427  
of the director of environmental protection. 77428

(E) The fees levied under divisions (B) and (C) of this 77429  
section shall be collected by the owner or operator of the solid 77430

the location and operation within their boundaries of a 77527  
composting, energy or resource recovery, incineration, or 77528

Prior to the approval of the district's solid waste 77542

the solid waste management policy committee by resolution. 77546

Notwithstanding division (G) (6) of this section as it 77547  
existed prior to October 29, 1993, or any provision in a 77548  
district's solid waste management plan prepared in accordance 77549  
with division (B) (2) (e) of section 3734.53 of the Revised Code 77550  
as it existed prior to that date, any moneys arising from the 77551  
fees levied under division (B) (3) of this section prior to 77552  
January 1, 1994, may be expended for any of the purposes 77553  
authorized in divisions (G) (1) to (10) of this section. 77554

(H) The director shall adopt rules in accordance with 77555  
Chapter 119. of the Revised Code prescribing procedures for 77556  
collecting and forwarding the fees levied under divisions (B) 77557  
and (C) of this section to the boards of county commissioners or 77558  
directors of county or joint solid waste management districts 77559  
and to the treasurers or other officers of municipal 77560  
corporations and the fiscal officers of townships. The rules 77561  
also shall prescribe the dates for forwarding the fees to the 77562  
boards and officials and may prescribe any other requirements 77563  
the director considers necessary or appropriate to implement and 77564  
administer divisions (A), (B), and (C) of this section. 77565

**Sec. 3734.79.** (A) Except as provided in division (B) of 77566  
this section, each application for a permit submitted under 77567

sections 3734.76 to 3734.78 of the Revised Code shall be 77568  
accompanied by a nonrefundable application fee of four hundred 77569  
dollars that shall be credited to the scrap tire management fund 77570  
created in section 3734.82 of the Revised Code. If a permit is 77571  
issued, the amount of the application fee paid shall be deducted 77572  
from the amount of the applicable permit fee due under division 77573  
~~(R)~~(Q) of section 3745.11 of the Revised Code. 77574

(B) Division (A) of this section does not apply to an 77575  
application for a permit for a scrap tire storage facility 77576  
submitted under section 3734.76 of the Revised Code if the owner 77577  
or operator of the facility or proposed facility is a motor 77578  
vehicle salvage dealer licensed under Chapter 4738. of the 77579  
Revised Code. 77580

**Sec. 3734.901.** (A) (1) For the purpose of providing revenue 77581  
to defray the cost of administering and enforcing the scrap tire 77582  
provisions of this chapter, rules adopted under those 77583  
provisions, and terms and conditions of orders, variances, and 77584  
licenses issued under those provisions; to abate accumulations 77585  
of scrap tires; to make grants supporting market development 77586  
activities for scrap tires and synthetic rubber from tire 77587  
manufacturing processes and tire recycling processes and to 77588  
support scrap tire amnesty and cleanup events; to make loans to 77589  
promote the recycling or recovery of energy from scrap tires; 77590  
and to defray the costs of administering and enforcing sections 77591  
3734.90 to 3734.9014 of the Revised Code, a fee of fifty cents 77592  
per tire is hereby levied on the sale of tires. The proceeds of 77593  
the fee shall be deposited in the state treasury to the credit 77594  
of the scrap tire management fund created in section 3734.82 of 77595  
the Revised Code. The fee is levied from the first day of the 77596  
calendar month that begins next after thirty days from October 77597  
29, 1993, through June 30, ~~2026~~2028. 77598

(2) Beginning on July 1, 2011, and ending on June 30, 77599  
~~2026~~2028, there is hereby levied an additional fee of fifty 77600  
cents per tire on the sale of tires the proceeds of which shall 77601  
be deposited in the state treasury to the credit of the soil and 77602  
water conservation district assistance fund created in section 77603  
940.15 of the Revised Code. 77604

(B) Only one sale of the same article shall be used in 77605  
computing the amount of the fee due. 77606

**Sec. 3734.907.** (A) Any person required to pay the fee 77607  
imposed by section 3734.901 of the Revised Code is personally 77608  
liable for the fee. The tax commissioner may make an assessment, 77609  
based upon any information in the commissioner's possession, 77610  
against any person who fails to file a return or pay any fee, 77611  
interest, or additional charge as required by sections 3734.90 77612  
to 3734.9014 of the Revised Code. The commissioner shall give 77613  
the person assessed written notice of the assessment in the 77614  
manner provided in section 5703.37 of the Revised Code. With the 77615  
notice, the commissioner shall provide instructions on how to 77616  
petition for reassessment and request a hearing on the petition. 77617

(B) When the information in the possession of the tax 77618  
commissioner indicates that a person liable for the fee imposed 77619  
by section 3734.901 of the Revised Code has not paid the full 77620  
amount of fee due, the commissioner may audit a representative 77621  
sample of the person's business and may issue an assessment 77622  
based on the audit. 77623

(C) A penalty of up to fifteen per cent may be added to 77624  
all amounts assessed under this section. The commissioner may 77625  
adopt rules providing for the imposition and remission of the 77626  
penalties. 77627

(D) Unless the person assessed files with the tax 77628  
commissioner within sixty days after service of the notice of 77629  
assessment, ~~either personally or by certified mail,~~ a written 77630  
petition for reassessment signed by the person assessed or that 77631  
person's authorized agent having knowledge of the facts, the 77632  
assessment becomes final and the amount of the assessment is due 77633  
and payable from the person assessed to the treasurer of state. 77634  
The petition shall indicate the objections of the person 77635  
assessed, but additional objections may be raised in writing if 77636  
received by the commissioner prior to the date shown on the 77637  
final determination. If the petition has been properly filed, 77638  
the commissioner shall proceed under section 5703.60 of the 77639  
Revised Code. 77640

(E) After an assessment becomes final, if any portion of 77641  
the assessment, including accrued interest, remains unpaid, a 77642  
certified copy of the tax commissioner's entry making the 77643  
assessment final may be filed in the office of the clerk of the 77644  
court of common pleas in the county in which the person assessed 77645  
resides or in which the person's business is conducted. If the 77646  
person assessed maintains no place of business in this state and 77647  
is not a resident of this state, the certified copy of the entry 77648  
may be filed in the office of the clerk of the court of common 77649  
pleas of Franklin county. 77650

Immediately upon the filing of the entry, the clerk shall 77651  
enter a judgment for the state against the person assessed in 77652  
the amount shown on the entry. The judgment may be filed by the 77653  
clerk in a loose-leaf book entitled "special judgments for state 77654  
tire fee," and shall have the same effect as other judgments. 77655  
Execution shall issue upon the judgment upon the request of the 77656  
tax commissioner, and all laws applicable to sales on execution 77657  
shall apply to sales made under the judgment. 77658

If the assessment is not paid in its entirety within sixty 77659  
days after the day the assessment was issued, the portion of the 77660  
assessment consisting of the fee due shall bear interest at the 77661  
rate per annum prescribed by section 5703.47 of the Revised Code 77662  
from the day the commissioner issues the assessment until the 77663  
day the assessment is paid or until it is certified to the 77664  
attorney general for collection under section 131.02 of the 77665  
Revised Code, whichever comes first. If the unpaid portion of 77666  
the assessment is certified to the attorney general for 77667  
collection, the entire unpaid portion of the assessment shall 77668  
bear interest at the rate per annum prescribed by section 77669  
5703.47 of the Revised Code from the date of certification until 77670  
the date it is paid in its entirety. Interest shall be paid in 77671  
the same manner as the fee and may be collected by the issuance 77672  
of an assessment under this section. 77673

(F) If the tax commissioner believes that collection of 77674  
the fee will be jeopardized unless proceedings to collect or 77675  
secure collection of the fee are instituted without delay, the 77676  
commissioner may issue a jeopardy assessment against the person 77677  
liable for the fee. Immediately upon the issuance of the 77678  
jeopardy assessment, the commissioner shall file an entry with 77679  
the clerk of the court of common pleas in the manner prescribed 77680  
by division (E) of this section. Notice of the jeopardy 77681  
assessment shall be served on the person assessed or the 77682  
person's legal representative, as provided in section 5703.37 of 77683  
the Revised Code, within five days of the filing of the entry 77684  
with the clerk. The total amount assessed is immediately due and 77685  
payable, unless the person assessed files a petition for 77686  
reassessment in accordance with division (D) of this section and 77687  
provides security in a form satisfactory to the commissioner and 77688  
in an amount sufficient to satisfy the unpaid balance of the 77689

assessment. Full or partial payment of the assessment does not 77690  
prejudice the commissioner's consideration of the petition for 77691  
reassessment. 77692

(G) All money collected by the tax commissioner under this 77693  
section shall be paid to the treasurer of state as revenue 77694  
arising from the fee imposed by section 3734.901 of the Revised 77695  
Code. 77696

**Sec. 3737.83.** The state fire marshal shall, as part of the 77697

(C) Provide for the issuance of certificates required 77705  
under division (B) of this section and establish the fees to be 77706  
charged for such certificates. A certificate shall be granted, 77707  
renewed, or revoked according to rules the state fire marshal 77708  
shall adopt, except that the state fire marshal shall grant a 77709

equipment in a state that does not issue that certificate. 77718

(D) Establish minimum standards of flammability for 77719  
consumer goods in any case where the federal government or any 77720  
department or agency thereof has established, or may from time 77721  
to time establish standards of flammability for consumer goods. 77722  
The standards established by the state fire marshal shall be 77723  
identical to the minimum federal standards. 77724

In any case where the federal government or any department 77725  
or agency thereof, establishes standards of flammability for 77726  
consumer goods subsequent to the adoption of a flammability 77727  
standard by the state fire marshal, standards previously adopted 77728  
by the state fire marshal shall not continue in effect to the 77729  
extent such standards are not identical to the minimum federal 77730

With respect to the adoption of minimum standards of 77732  
flammability, this division shall supersede any authority 77733  
granted a political subdivision by any other section of the 77734  
Revised Code. 77735

(E) Establish minimum standards pursuant to section 77736  
5104.05 of the Revised Code for fire prevention and fire safety 77737  
in child care centers and in type A family child care homes, as 77738  
defined in section 5104.01 of the Revised Code. 77739

(F) Establish minimum standards for fire prevention and 77740  
safety in a residential facility licensed under section 5119.34 77741  
of the Revised Code that provides accommodations, supervision, 77742

licensed wholesaler, licensed exhibitor, or shipping permit 78948  
holder, shall possess 1.3G fireworks in this state. 78949

(F) Except as otherwise provided in division (J) of 78950  
section 3743.06 and division (K) of section 3743.19 of the 78951  
Revised Code, no person shall knowingly disable a fire 78952  
suppression system as defined in section 3781.108 of the Revised 78953

licenses, variances, plan approvals, and certifications issued 78965  
by the director of environmental protection pursuant to Chapters 78966  
3704., 3734., 6109., and 6111. of the Revised Code shall pay a 78967  
fee to the environmental protection agency for each such 78968  
issuance and each application for an issuance as provided by 78969  
this section. No fee shall be charged for any issuance for which 78970  
no application has been submitted to the director. 78971

(B) Except as otherwise provided in division (C) (2) of 78972  
this section, beginning July 1, 1994, each person who owns or 78973  
operates an air contaminant source and who is required to apply 78974  
for and obtain a Title V permit under section 3704.036 of the 78975  
Revised Code shall pay an annual fee of five thousand dollars in 78976

addition to the fees set forth in this division. For the 78977  
purposes of this division, total emissions of air contaminants 78978  
may be calculated using engineering calculations, emissions 78979  
factors, material balance calculations, or performance testing 78980  
procedures, as authorized by the director. 78981

The following fees shall be assessed on the total actual 78982  
emissions from a source in tons per year of the regulated 78983  
pollutants particulate matter, sulfur dioxide, nitrogen oxides, 78984  
organic compounds, and lead: 78985

(1) Fifteen dollars per ton on the total actual emissions 78986  
of each such regulated pollutant during the period July through 78987  
December 1993, to be collected no sooner than July 1, 1994; 78988

(2) Twenty dollars per ton on the total actual emissions 78989  
of each such regulated pollutant during calendar year 1994, to 78990  
be collected no sooner than April 15, 1995; 78991

(3) Twenty-five dollars per ton on the total actual 78992  
emissions of each such regulated pollutant in calendar year 78993  
1995, and each subsequent calendar year, to be collected no 78994  
sooner than the fifteenth day of April of the year next 78995  
succeeding the calendar year in which the emissions occurred. 78996

The fees levied under this division do not apply to that 78997  
portion of the emissions of a regulated pollutant at a facility 78998  
that exceed four thousand tons during a calendar year. 78999

(C) (1) The fees assessed under division (B) of this 79000  
section are for the purpose of providing funding for the Title V 79001  
permit program. 79002

(2) The fees assessed under division (B) of this section 79003  
do not apply to emissions from any electric generating unit 79004  
designated as a Phase I unit under Title IV of the federal Clean 79005

Air Act prior to calendar year 2000. Those fees shall be 79006  
assessed on the emissions from such a generating unit commencing 79007  
in calendar year 2001 based upon the total actual emissions from 79008  
the generating unit during calendar year 2000 and shall continue 79009  
to be assessed each subsequent calendar year based on the total 79010  
actual emissions from the generating unit during the preceding 79011  
calendar year. 79012

(3) The director shall issue invoices to owners or 79013  
operators of air contaminant sources who are required to pay a 79014  
fee assessed under division (B) or (D) of this section. Any such 79015  
invoice shall be issued no sooner than the applicable date when 79016  
the fee first may be collected in a year under the applicable 79017  
division, shall identify the nature and amount of the fee 79018  
assessed, and shall indicate that the fee is required to be paid 79019  
within thirty days after the issuance of the invoice. 79020

(D) (1) Except as provided in division (D) (2) of this 79021  
section, beginning January 1, 2004, each person who owns or 79022  
operates an air contaminant source; who is required to apply for 79023  
a permit to operate pursuant to rules adopted under division 79024  
(G), or a variance pursuant to division (H), of section 3704.03 79025  
of the Revised Code; and who is not required to apply for and 79026  
obtain a Title V permit under section 3704.03 of the Revised 79027  
Code shall pay a single fee based upon the sum of the actual 79028  
annual emissions from the facility of the regulated pollutants 79029  
particulate matter, sulfur dioxide, nitrogen oxides, organic 79030  
compounds, and lead in accordance with the following schedule: 79031

(2) (a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) ~~Beginning January 1, 2000, through June 30, 2026, each~~  
Each person who owns or operates a synthetic minor facility\_  
shall pay an annual fee of five thousand dollars in addition to  
a fee based on the sum of the actual annual emissions from the  
facility of particulate matter, sulfur dioxide, nitrogen

(3) The fees assessed under division (D) (1) of this	79048
section shall be collected annually no sooner than the fifteenth	79049
day of April, commencing in 2005. The fees assessed under	79050
division (D) (2) of this section shall be collected no sooner	79051
than the fifteenth day of April, commencing in 2000. The fees	79052
assessed under division (D) of this section in a calendar year	79053
shall be based upon the sum of the actual emissions of those	79054
regulated pollutants during the preceding calendar year. For the	79055
purpose of division (D) of this section, emissions of air	79056
contaminants may be calculated using engineering calculations,	79057
emission factors, material balance calculations, or performance	79058

testing procedures, as authorized by the director. The director, 79059  
by rule, may require persons who are required to pay the fees 79060  
assessed under division (D) of this section to pay those fees 79061  
biennially rather than annually. 79062

(E) (1) Consistent with the need to cover the reasonable 79063  
costs of the Title V permit program, the director annually shall 79064  
increase the fees assessed on emissions prescribed in division 79065  
(B) of this section by the percentage, if any, by which the 79066  
consumer price index for the most recent calendar year ending 79067  
before the beginning of a year exceeds the consumer price index 79068  
for calendar year 1989. Upon calculating an increase in fees 79069  
authorized by division (E) (1) of this section, the director 79070  
shall compile revised fee schedules for the purposes of division 79071  
(B) of this section and shall make the revised schedules 79072  
available to persons required to pay the fees assessed under 79073  
that division and to the public. 79074

(2) For the purposes of division (E) (1) of this section: 79075

(a) The consumer price index for any year is the average 79076  
of the consumer price index for all urban consumers published by 79077  
the United States department of labor as of the close of the 79078  
twelve-month period ending on the thirty-first day of August of 79079  
that year. 79080

(b) If the 1989 consumer price index is revised, the 79081  
director shall use the revision of the consumer price index that 79082  
is most consistent with that for calendar year 1989. 79083

(F) Each person who is issued a permit to install pursuant 79084  
to rules adopted under division (F) of section 3704.03 of the 79085  
Revised Code on or after July 1, 2003, shall pay the fees 79086  
specified in the following schedules: 79087

	(H) A person who is issued an extension of time for a permit to install an air contaminant source pursuant to rules		79154 79155

adopted under division (F) of section 3704.03 of the Revised Code shall pay a fee equal to one-half the fee originally assessed for the permit to install under this section, except that the fee for such an extension shall not exceed two hundred dollars.

(I) A person who is issued a modification to a permit to install an air contaminant source pursuant to rules adopted under section 3704.03 of the Revised Code shall pay a fee equal to one-half of the fee that would be assessed under this section to obtain a permit to install the source. The fee assessed by this division only applies to modifications that are initiated by the owner or operator of the source and shall not exceed two thousand dollars.

(J) Notwithstanding division (F) of this section, a person who applies for or obtains a permit to install pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code after the date actual construction of the source began shall pay a fee for the permit to install that is equal to twice the fee that otherwise would be assessed under the applicable division unless the applicant received authorization to begin construction under division (W) of section 3704.03 of the Revised Code. This division only applies to sources for which actual construction of the source begins on or after July 1, 1993. The imposition or payment of the fee established in this division does not preclude the director from taking any administrative or judicial enforcement action under this chapter, Chapter 3704., 3714., 3734., or 6111. of the Revised Code, or a rule adopted under any of them, in connection with a violation of rules adopted under division (F) of section 3704.03 of the Revised Code.

As used in this division, "actual construction of the source" means the initiation of physical on-site construction activities in connection with improvements to the source that are permanent in nature, including, without limitation, the installation of building supports and foundations and the laying of underground pipework.

(K) (1) Money received under division (B) of this section shall be deposited in the state treasury to the credit of the Title V clean air fund created in section 3704.035 of the Revised Code. Annually, not more than fifty cents per ton of each fee assessed under division (B) of this section on actual emissions from a source and received by the environmental protection agency pursuant to that division may be transferred by the director using an interstate transfer voucher to the state treasury to the credit of the small business assistance fund created in section 3706.19 of the Revised Code. In addition, annually, the amount of money necessary for the operation of the office of ombudsperson as determined under division (B) of that section shall be transferred to the state treasury to the credit of the small business ombudsperson fund created by that section.

(2) Money received by the agency pursuant to divisions (D), (F), (G), (H), (I), and (J) of this section shall be deposited in the state treasury to the credit of the non-Title V clean air fund created in section 3704.035 of the Revised Code.

and a nonrefundable application fee of one hundred dollars plus 79216  
two-tenths of one per cent of the estimated project cost on and 79217  
after July 1, ~~2026~~2028, except that the total fee shall not 79218  
exceed fifteen thousand dollars through June 30, ~~2026~~2028, and 79219  
five thousand dollars on and after July 1, ~~2026~~2028. The fee 79220  
shall be paid at the time the application is submitted. 79221

(2) A person who has entered into an agreement with the 79222  
director under section 6111.14 of the Revised Code shall pay an 79223  
administrative service fee for each plan submitted under that 79224  
section for approval that shall not exceed the minimum amount 79225  
necessary to pay administrative costs directly attributable to 79226  
processing plan approvals. The director annually shall calculate 79227

transfers the sewage sludge to an incineration facility for 79813  
disposal, the incineration facility, and not the entity 79814  
generating the sewage sludge or the sewage sludge facility 79815

generated by the annual sludge fees to determine if that amount 79872  
exceeded six hundred thousand dollars in either of the two 79873  
preceding fiscal years. If the total amount of moneys in the 79874  
fund exceeded six hundred thousand dollars in either fiscal 79875  
year, the director, after review of the fee structure and 79876  
consultation with affected persons, shall issue an order 79877  
reducing the amount of the fees levied under division ~~(Y)~~(X) of 79878  
this section so that the estimated amount of moneys resulting 79879

any fiscal year. 79881

If, upon review of the fees under division ~~(Y)~~(7)(X)(7) of 79882  
this section and after the fees have been reduced, the director 79883  
determines that the total amount of moneys collected and 79884  
accumulated is less than six hundred thousand dollars, the 79885  
director, after review of the fee structure and consultation 79886  
with affected persons, may issue an order increasing the amount 79887  
of the fees levied under division ~~(Y)~~(X) of this section so that 79888  
the estimated amount of moneys resulting from the fees will be 79889

sections 9.86 and 109.36 to 109.366 of the Revised Code, serving 80249  
as an appointed member of the commission does not constitute 80250  
holding a public office or position of employment under the laws 80251  
of this state and does not constitute grounds for removal of 80252  
public officers or employees from their offices or positions of 80253  
employment. 80254

(B) The commission shall: 80255

(1) Adopt rules in accordance with Chapter 119. of the 80256  
Revised Code that are consistent with and equivalent in scope, 80257  
content, and coverage to the "Emergency Planning and Community 80258

Right-To-Know Act of 1986," 100 Stat. 1729, 42 U.S.C.A. 11001, 80259  
and applicable regulations adopted under it: 80260

(a) Identifying or listing extremely hazardous substances 80261  
and establishing a threshold planning quantity for each such 80262  
substance. To the extent consistent with that act and applicable 80263  
regulations adopted under it, the rules may establish threshold 80264  
planning quantities based upon classes of those substances or 80265  
categories of facilities at which such substances are present. 80266

(b) Listing hazardous chemicals, establishing threshold 80267  
quantities for those chemicals, establishing categories of 80268  
health and physical hazards of those chemicals, establishing 80269  
criteria or procedures for identifying those chemicals and the 80270  
appropriate hazard categories of those chemicals, and 80271  
establishing ranges of quantities for those chemicals to be used 80272  
in preparing emergency and hazardous chemical inventory forms 80273  
under section 3750.08 of the Revised Code. To the extent 80274  
consistent with that act and applicable regulations adopted 80275  
under it, the rules may establish threshold quantities based 80276  
upon classes of those chemicals or categories of facilities 80277  
where those chemicals are present. 80278

To the extent consistent with that act, the threshold 80279  
quantities for purposes of the submission of lists of hazardous 80280  
chemicals under section 3750.07 and the submission of emergency 80281  
and hazardous chemical inventory forms under section 3750.08 of 80282  
the Revised Code may differ. 80283

(c) Identifying or listing hazardous substances and 80284  
establishing reportable quantities of each of those substances 80285  
and each extremely hazardous substance. In addition to being 80286  
consistent with and equivalent in scope, content, and coverage 80287  
to that act and applicable regulations adopted under it, the 80288

rules shall be consistent with and equivalent in scope, content, 80289  
and coverage to regulations identifying or listing hazardous 80290  
substances and reportable quantities of those substances adopted 80291  
under the "Comprehensive Environmental Response, Compensation, 80292  
and Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as 80293  
amended. 80294

(d) Prescribing the information to be included in the 80295  
lists of hazardous chemicals required to be submitted under 80296  
section 3750.07 of the Revised Code; 80297

(e) Prescribing the information to be included in the 80298  
emergency and hazardous chemical inventory forms required to be 80299  
submitted under section 3750.08 of the Revised Code. If the 80300  
commission establishes its own emergency and hazardous chemical 80301  
inventory form, the rules shall authorize owners and operators 80302  
of facilities who also have one or more facilities located 80303  
outside the state for which they are required to submit 80304  
inventory forms under the federal act and regulations adopted 80305  
under it to submit their annual inventories on forms prescribed 80306  
by the administrator of the United States environmental 80307  
protection agency under that act instead of on forms prescribed 80308  
by the commission and shall require those owners or operators to 80309  
submit any additional information required by the commission's 80310  
inventory form on an attachment to the federal form. 80311

(f) Establishing procedures for giving verbal notice of 80312  
releases under section 3750.06 of the Revised Code and 80313  
prescribing the information to be provided in such a notice and 80314  
in the follow-up written notice required by that section; 80315

(g) Establishing standards for determining valid needs for 80316  
the release of tier II information under division (B) (4) of 80317  
section 3750.10 of the Revised Code; 80318

(h) Identifying the types or categories of information 80319  
submitted or obtained under this chapter and rules adopted under 80320  
it that constitute confidential business information; 80321

(i) Establishing criteria and procedures to protect trade 80322  
secret and confidential business information from unauthorized 80323  
disclosure; 80324

(j) Establishing other requirements or authorizations that 80325  
the commission considers necessary or appropriate to implement, 80326  
administer, and enforce this chapter. 80327

(2) Adopt rules in accordance with Chapter 119. of the 80328  
Revised Code to implement and administer this chapter that may 80329  
be more stringent than the "Emergency Planning and Community 80330  
Right-To-Know Act of 1986," 100 Stat. 1729, 42 U.S.C.A. 11001, 80331  
and regulations adopted under it. Rules adopted under division 80332  
(B) (2) of this section shall not be inconsistent with that act 80333  
or the regulations adopted under it. The rules shall: 80334

(a) Prescribe the information to be included in the 80335  
chemical emergency response and preparedness plans prepared and 80336  
submitted by local emergency planning committees under section 80337  
3750.04 of the Revised Code; 80338

(b) Establish criteria and procedures for reviewing the 80339  
chemical emergency response and preparedness plans of local 80340  
emergency planning committees required by section 3750.04 of the 80341  
Revised Code and the annual exercise of those plans and for 80342  
providing concurrence or requesting modifications in the plans 80343  
and the exercise of those plans. The criteria shall include, 80344  
without limitation, the requirement that each exercise of a 80345  
committee's plan involve, in addition to local emergency 80346  
response and medical personnel, either a facility that is 80347

subject to the plan or a transporter of materials that are 80348  
identified or listed as hazardous materials by regulations 80349  
adopted under the "Hazardous Materials Transportation Act," 88 80350  
Stat. 2156 (1975), 49 U.S.C.A. 1801, as amended. 80351

(c) Establish policies and procedures for maintaining 80352  
information submitted to the commission and local emergency 80353  
planning committees under this chapter, and for receiving and 80354  
fulfilling requests from the public for access to review and to 80355  
obtain copies of that information. The criteria and procedures 80356  
shall include the following requirements and authorizations 80357  
regarding that information and access to it: 80358

(i) Information that is protected as trade secret 80359  
information or confidential business information under this 80360  
chapter and rules adopted under it shall be kept in files that 80361  
are separate from those containing information that is not so 80362  
protected. 80363

(ii) The original copies of information submitted to the 80364  
commission or committee shall not be removed from the custody 80365  
and control of the commission or committee. 80366

(iii) A person who, either in person or by mail, requests 80367  
to obtain a copy of a material safety data sheet submitted under 80368  
this chapter by a facility owner or operator shall submit a 80369  
separate application for each facility for which a material 80370  
safety data sheet is being requested. 80371

(iv) A person who requests to receive by mail a copy of 80372  
information submitted under this chapter by a facility owner or 80373  
operator shall submit a separate application for each facility 80374  
for which information is being requested and shall specify both 80375  
the facility for which information is being requested and the 80376

particular types of documents requested. 80377

(v) Only employees of the commission or committee shall 80378  
copy information in the files of the commission or committee. 80379

(vi) The commission or committee may require any person 80380  
who requests to review or obtain a copy of information in its 80381  
files to schedule an appointment for that purpose with the 80382  
information coordinator of the commission or committee at least 80383  
twenty-four hours before arriving at the office of the 80384  
commission or committee for the review or copy. 80385

(vii) Any person who seeks access to information in the 80386  
files of the commission or a local emergency planning committee 80387  
shall submit a written application, either in person or by mail, 80388  
to the information coordinator on a form provided by the 80389  
commission or committee. The person also shall provide the 80390  
person's name and current mailing address on the application and 80391  
may be requested by the commission or committee to provide basic 80392  
demographic information on the form to assist in the evaluation 80393  
of the information access provisions of this chapter and rules 80394  
adopted under it. Application forms may be obtained by mail or 80395  
in person or by request by telephone at the office of the 80396  
commission or committee during regular business hours. Upon 80397  
receipt of a request for an application by telephone or mail, 80398  
the information coordinator shall promptly mail an application 80399  
to the person who requested it. 80400

(viii) The application form shall provide the applicant 80401  
with a means of indicating that the applicant's name and address 80402  
are to be kept confidential. If the applicant so indicates, that 80403  
information is not a public record under section 149.43 of the 80404  
Revised Code and shall not be disclosed to any person who is not 80405  
a member or employee of the commission or committee or an 80406

employee of the environmental protection agency. When a name and 80407  
address are to be kept confidential, they also shall be deleted 80408  
from the copy of the application required to be placed in the 80409  
file of the facility under division (B) (2) (c) (xii) of this 80410  
section and shall be withheld from any log of information 80411  
requests kept by the commission or committee pursuant to that 80412  
division. 80413

(ix) Neither the commission nor a local emergency planning 80414  
committee shall charge any fee for access to review information 80415  
in its files when no copies or computer searches of that 80416  
information are requested. 80417

(x) An applicant shall be informed of the cost of copying, 80418  
mailing, or conducting a computer search of information on file 80419  
with the commission or committee before such a copy or search is 80420  
made, and the commission or committee shall collect the 80421  
appropriate fees as established under section 3750.13 of the 80422  
Revised Code. Each applicant shall acknowledge on the 80423  
application form that the applicant is aware that the applicant 80424  
will be charged for copies and computer searches of that 80425  
information the applicant requests and for the costs of mailing 80426  
copies of the information to the applicant. 80427

(xi) The commission or committee may require a person 80428  
requesting copies of information on file with it to take 80429  
delivery of them in the office of the commission or committee 80430  
whenever it considers the volume of the information to be large 80431  
enough to make mailing or delivery by a parcel or package 80432  
delivery service impractical. 80433

(xii) When the commission or committee receives a request 80434  
for access to review or obtain copies of information in its 80435  
files, it shall not routinely notify the owner or operator of 80436

the facility involved, but instead shall either keep a log or 80437  
file of requests for the information or shall place a copy of 80438  
each completed application form in the file for the facility to 80439  
which the application pertains. Such a log or file shall be 80440  
available for review by the public and by the owners and 80441  
operators of facilities required to submit information to the 80442  
commission or committee under this chapter and rules adopted 80443  
under it. 80444

(d) Require that claims for the protection, as a trade 80445  
secret, of information obtained under this chapter regarding 80446  
extremely hazardous substances identified or listed in rules 80447  
adopted under division (B)(1)(a) of this section and hazardous 80448  
chemicals identified or listed in rules adopted under division 80449  
(B)(1)(b) of this section be submitted to the administrator of 80450  
the United States environmental protection agency for 80451  
determination under section 322 of the the "Emergency Planning 80452  
and Community Right-To-Know Act of 1986," 100 Stat. 1747, 42 80453  
U.S.C.A. 11042, and regulations adopted under that section; 80454

(e) Establish criteria and procedures for the issuance of 80455  
variances under divisions (B) and (C) of section 3750.11 of the 80456  
Revised Code. The rules shall require that, before approval of 80457  
an application for a variance, the commission or committee find 80458  
by a preponderance of the scientific evidence based upon 80459  
generally accepted scientific principles or laboratory tests 80460  
that the extremely hazardous substances, hazardous chemicals, or 80461  
hazardous substances that would be subject to the reporting 80462  
requirement pose a substantial risk of catastrophic injury to 80463  
public health or safety or to the environment, or pose an 80464  
extraordinary risk of injury to emergency management personnel 80465  
responding to a release of the chemicals or substances, when the 80466  
substances or chemicals are present at a facility in an amount 80467

equal to or exceeding the quantity for which reporting would be 80468  
required under the reporting requirement for which the variance 80469  
is sought. The rules shall also require that before approval of 80470  
an application for a variance, the commission or committee find 80471  
by a preponderance of the evidence that the development and 80472  
implementation of a local emergency response plan for releases 80473  
of the substances or chemicals covered by the reporting 80474  
requirement will reduce the risk of catastrophic injury to 80475  
public health or safety or to the environment, or will reduce 80476  
the extraordinary risk of injury to responding emergency 80477  
management personnel, in the event of a release of the 80478  
substances or chemicals and find by a preponderance of the 80479  
evidence that the reporting requirement is necessary for the 80480  
development of such a local emergency response plan. The rules 80481  
shall require that when determining whether the substances or 80482  
chemicals that would be subject to the reporting requirement 80483  
pose a substantial risk of catastrophic injury to public health 80484  
or safety or to the environment, or pose an extraordinary risk 80485  
of injury to emergency management personnel responding to a 80486  
release of the substance or chemical, the commission or 80487  
committee consider all of the following factors: 80488

(i) The specific characteristics and degree and nature of 80489  
the hazards posed by a release of the extremely hazardous 80490  
substances, hazardous chemicals, or hazardous substances; 80491

(ii) The proximity of the facilities that would be subject 80492  
to the reporting requirement to residential areas, to areas 80493  
where significantly large numbers of people are employed or 80494  
otherwise congregate, and to environmental resources that are 80495  
subject to injury; 80496

(iii) The quantities of the extremely hazardous 80497

substances, hazardous chemicals, or hazardous substances that 80498  
are routinely present at facilities that would be subject to the 80499  
reporting requirement; 80500

(iv) The frequency with which the extremely hazardous 80501  
substances, hazardous chemicals, or hazardous substances are 80502  
present at the facilities that would be subject to the reporting 80503  
requirement in quantities for which reporting would be required 80504  
thereunder. 80505

(f) Establish criteria and procedures for the issuance of 80506  
orders under division (D) of section 3750.11 of the Revised Code 80507  
requiring the placement of emergency response lock box units. 80508  
The rules shall require that before approval of an application 80509  
for issuance of such an order, the commission or committee find 80510  
by a preponderance of the scientific evidence based upon 80511  
generally accepted scientific principles or laboratory tests 80512  
that the presence of the extremely hazardous substances, 80513  
hazardous chemicals, or hazardous substances in the quantities 80514  
in which they are routinely or intermittently present at the 80515  
facility for which the order is sought pose a substantial risk 80516  
of catastrophic injury to public health or safety or to the 80517  
environment, or pose an extraordinary risk of injury to 80518  
responding emergency management personnel, in the event of a 80519  
release of any of those substances or chemicals from the 80520  
facility. The rules shall require that before approval of an 80521  
application for issuance of such an order, the commission or 80522  
committee also find by a preponderance of the evidence that the 80523  
placement of an emergency response lock box unit at the facility 80524  
is necessary to protect against the substantial risk of 80525  
catastrophic injury to public health or safety or the 80526  
environment, or to protect against an extraordinary risk of 80527  
injury to responding emergency management personnel, in the 80528

event of a release of any of the extremely hazardous substances, 80529  
hazardous chemicals, or hazardous substances routinely or 80530  
intermittently present at the facility. The rules shall require 80531  
that when determining whether the extremely hazardous 80532  
substances, hazardous chemicals, or hazardous substances present 80533  
at the facility pose a substantial risk of catastrophic injury 80534  
to public health or safety or to the environment, or pose an 80535  
extraordinary risk of injury to responding emergency management 80536  
personnel, in the event of a release of any of those substances 80537  
or chemicals from the facility, the commission or committee 80538  
consider all of the following factors: 80539

(i) The specific characteristics and the degree and nature 80540  
of the hazards posed by a release of the extremely hazardous 80541  
substances, hazardous chemicals, or hazardous substances present 80542  
at the facility; 80543

(ii) The proximity of the facility to residential areas, 80544  
to areas where significantly large numbers of people are 80545  
employed or otherwise congregate, and to environmental resources 80546  
that are subject to injury; 80547

(iii) The quantities of the extremely hazardous 80548  
substances, hazardous chemicals, or hazardous substances that 80549  
are routinely present at the facility; 80550

(iv) The frequency with which the extremely hazardous 80551  
substances, hazardous chemicals, or hazardous substances are 80552  
present at the facility. 80553

(g) Establish procedures to be followed by the commission 80554  
and the executive committee of the commission for the issuance 80555  
of orders under this chapter. 80556

(3) In accordance with Chapter 119. of the Revised Code 80557

adopt rules establishing reportable quantities for releases of 80558  
oil that are consistent with and equivalent in scope, content, 80559  
and coverage to section 311 of the "Federal Water Pollution 80560  
Control Act Amendments of 1972," 86 Stat. 862, 33 U.S.C.A. 1321, 80561  
as amended, and applicable regulations adopted under it; 80562

(4) Adopt rules in accordance with Chapter 119. of the 80563  
Revised Code establishing criteria and procedures for 80564  
identifying or listing extremely hazardous substances in 80565  
addition to those identified or listed in rules adopted under 80566  
division (B) (1) (a) of this section and for establishing 80567  
threshold planning quantities and reportable quantities for the 80568  
added extremely hazardous substances; for identifying or listing 80569  
hazardous chemicals in addition to those identified or listed in 80570  
rules adopted under division (B) (1) (b) of this section and for 80571  
establishing threshold quantities and categories of health and 80572  
physical hazards for the added hazardous chemicals; and for 80573  
identifying or listing hazardous substances in addition to those 80574  
identified or listed in rules adopted under division (B) (1) (c) 80575  
of this section and for establishing reportable quantities for 80576  
the added hazardous substances. The criteria for identifying or 80577  
listing additional extremely hazardous substances and 80578  
establishing threshold planning quantities and reportable 80579  
quantities therefor and for identifying or listing additional 80580  
hazardous chemicals and establishing threshold quantities and 80581  
categories of health and physical hazards for the added 80582  
hazardous chemicals shall be consistent with and equivalent to 80583  
applicable criteria therefor under the "Emergency Planning and 80584  
Community Right-To-Know Act of 1986," 100 Stat. 1729, 42 80585  
U.S.C.A. 11001, and regulations adopted under it. The criteria 80586  
for identifying additional hazardous substances and for 80587  
establishing reportable quantities of the added hazardous 80588

substances shall be consistent with and equivalent to the 80589  
applicable criteria for identifying or listing hazardous 80590  
substances and establishing reportable quantities therefor under 80591  
the "Comprehensive Environmental Response, Compensation, and 80592  
Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9602, as 80593  
amended, and regulations adopted under it. 80594

The rules shall require that, before identifying or 80595  
listing any such additional extremely hazardous substance, 80596  
hazardous chemical, or hazardous substance and establishing a 80597  
threshold planning quantity, threshold quantity, or reportable 80598  
quantity therefor, the commission find by a preponderance of the 80599  
scientific evidence based on generally accepted scientific 80600  
principles or laboratory tests that the substance or chemical 80601  
poses a substantial risk of catastrophic injury to public health 80602  
or safety or to the environment, or poses an extraordinary risk 80603  
of injury to emergency management personnel responding to a 80604  
release of the chemical or substance, when the chemical or 80605  
substance is present at a facility in an amount equal to the 80606  
proposed threshold planning quantity or threshold quantity or, 80607  
in the instance of a proposed additional extremely hazardous 80608  
substance or hazardous substance, poses a substantial risk of 80609  
catastrophic injury to public health or safety or to the 80610  
environment if a release of the proposed reportable quantity of 80611  
the substance occurs. The rules shall further require that, 80612  
before so identifying or listing a substance or chemical, the 80613  
commission find by a preponderance of the evidence that the 80614  
development and implementation of state or local emergency 80615  
response plans for releases of the substance or chemical will 80616  
reduce the risk of a catastrophic injury to public health or 80617  
safety or to the environment, or will reduce the extraordinary 80618  
risk of injury to responding emergency response personnel, in 80619

the event of a release of the substance or chemical and find by 80620  
a preponderance of the evidence that the identification or 80621  
listing of the substance or chemical is necessary for the 80622  
development of state or local emergency response plans for 80623  
releases of the substance or chemical. The rules shall require 80624  
that the commission consider the toxicity of the substance or 80625  
chemical in terms of both the short-term and long-term health 80626  
effects resulting from exposure to it and its reactivity, 80627  
volatility, dispersibility, combustibility, and flammability 80628  
when determining the risks posed by a release of the substance 80629  
or chemical and, as appropriate, when establishing a threshold 80630  
planning quantity, threshold quantity, reportable quantity, or 80631  
category of health or physical hazard for it. 80632

(5) Adopt rules in accordance with Chapter 119. of the 80633  
Revised Code establishing criteria and procedures for receiving 80634  
and deciding claims for protection of information as a trade 80635  
secret that are applicable only to extremely hazardous 80636  
substances and hazardous chemicals identified or listed in rules 80637  
adopted under division (C) (5) of this section. The rules shall 80638  
be equivalent in scope, content, and coverage to section 322 of 80639  
the "Emergency Planning and Community Right-To-Know Act of 80640  
1986," 100 Stat. 1747, 42 U.S.C.A. 11042, and regulations 80641  
adopted under it. 80642

(6) (a) After consultation with the fire marshal, adopt 80643  
rules in accordance with Chapter 119. of the Revised Code 80644  
establishing standards for the construction, placement, and use 80645  
of emergency response lock box units at facilities that are 80646  
subject to this chapter. The rules shall establish all of the 80647  
following: 80648

(i) Specific standards of construction for lock box units; 80649

(ii) The specific types of information that shall be placed in the lock box units required to be placed at a facility by an order issued under division (D) of section 3750.11 of the Revised Code, which shall include the location of on-site emergency fire-fighting and spill cleanup equipment; a diagram of the public and private water supply and sewage systems serving the facility that are known to the owner or operator of the facility; a copy of the emergency and hazardous chemical inventory form for the facility most recently required to be submitted under section 3750.08 of the Revised Code from which the owner or operator may withhold information claimed or determined to be trade secret information pursuant to rules adopted under division (B) (2) (d) of this section, or pursuant to division (B) (14) of this section and rules adopted under division (B) (5) of this section, and confidential business information identified in rules adopted under division (B) (1) (h) of this section; a copy of the local fire department's and facility's emergency management plans for the facility, if any; a current list of the names, positions, addresses, and telephone numbers of all key facility personnel knowledgeable in facility safety procedures and the locations at the facility where extremely hazardous substances, hazardous chemicals, and hazardous substances are produced, used, or stored. The rules shall stipulate that, in the instance of lock box units placed voluntarily at facilities by the owners or operators of the facilities, such information shall be maintained in them as is prescribed by agreement by the owner or operator and the fire department having jurisdiction over the facility.

(iii) The conditions that shall be met in order to provide safe and expedient access to a lock box unit during a release or threatened release of an extremely hazardous substance,

hazardous chemical, or hazardous substance. 80681

(b) Unless the owner or operator of a facility is issued 80682  
an order under division (D) of section 3750.11 of the Revised 80683  
Code requiring the owner or operator to place a lock box unit at 80684  
the facility, the owner or operator may place a lock box unit at 80685  
the facility at the owner's or operator's discretion. If the 80686  
owner or operator chooses to place a lock box unit at the 80687  
facility, the responsibility to deposit information in the lock 80688  
box unit is in addition to any other obligations established in 80689  
this chapter. 80690

(c) Any costs associated with the purchase, construction, 80691  
or placement of a lock box unit shall be paid by the owner or 80692  
operator of the facility. 80693

(7) In accordance with Chapter 119. of the Revised Code, 80694  
adopt rules governing the application for and awarding of grants 80695  
under division (C) of section 3750.14 and division (B) of 80696  
section 3750.15 of the Revised Code; 80697

(8) Adopt rules in accordance with Chapter 119. of the 80698  
Revised Code establishing reasonable maximum fees that may be 80699  
charged by the commission and local emergency planning 80700  
committees for copying information in the commission's or 80701  
committee's files to fulfill requests from the public for that 80702  
information; 80703

(9) Adopt internal management rules governing the 80704  
operations of the commission. The internal management rules 80705  
shall establish an executive committee of the commission 80706  
consisting of the director of environmental protection or the 80707  
director's designee, the director of public safety or the 80708  
director's designee, the attorney general or the attorney 80709

general's designee, one of the appointed members of the 80710  
commission representing industries subject to this chapter to be 80711  
appointed by the commission, one of the appointed members of the 80712  
commission representing the interests of environmental advocacy 80713  
organizations to be appointed by the commission, and one other 80714  
appointed member or member ex officio of the commission to be 80715  
appointed by the commission. The executive committee has 80716  
exclusive authority to issue enforcement orders under section 80717  
3750.18 of the Revised Code and to request the attorney general 80718  
to bring a civil action, civil penalty action, or criminal 80719  
action under section 3750.20 of the Revised Code in the name of 80720  
the commission regarding violations of this chapter, rules 80721  
adopted under it, or orders issued under it. The internal 80722  
management rules may set forth the other specific powers and 80723  
duties of the commission that the executive committee may 80724  
exercise and carry out and the conditions under which the 80725  
executive committee may do so. The internal management rules 80726  
shall not authorize the executive committee to issue variances 80727  
under division (B) or (C) of section 3750.11 of the Revised Code 80728  
or orders under division (D) of that section. 80729

(10) Oversee and coordinate the implementation and 80730  
enforcement of this chapter and make such recommendations to the 80731  
director of environmental protection and the director of public 80732  
safety as it considers necessary or appropriate to improve the 80733  
implementation and enforcement of this chapter; 80734

(11) Make allocations of moneys under division (B) of 80735  
section 3750.14 of the Revised Code and make grants under 80736  
division (C) of section 3750.14 and division (B) of section 80737  
3750.15 of the Revised Code; 80738

(12) Designate an officer of the environmental protection 80739

agency to serve as the commission's information coordinator 80740  
under this chapter; 80741

(13) Not later than December 14, 1989, develop and 80742  
distribute a state emergency response plan that defines the 80743  
emergency response roles and responsibilities of the state 80744  
agencies that are represented on the commission and that 80745  
provides appropriate coordination with the national contingency 80746  
plan and the regional contingency plan required by section 105 80747  
of the "Comprehensive Environmental Response, Compensation, and 80748  
Liability Act of 1980," 94 Stat. 2767, 42 U.S.C.A. 9601, as 80749  
amended. The plan shall ensure a well-coordinated response by 80750  
state agencies that may be involved in assisting local emergency 80751  
responders during a major release of oil or a major sudden and 80752  
accidental release of a hazardous substance or extremely 80753  
hazardous substance. The plan may incorporate existing state 80754  
emergency response plans by reference. At least annually, the 80755  
commission and the state agencies that are represented on it 80756  
shall jointly exercise the state plan in conjunction with the 80757

information as a trade secret that pertain only to extremely 80764  
hazardous substances and hazardous chemicals identified or 80765

If the commission determines that the claim meets the criteria 80767  
established in rules adopted under division (B)(5) of this 80768  
section, it shall issue an order to that effect in accordance 80769  
with section 3750.18 of the Revised Code. If the commission 80770

determines that the claim does not meet the criteria established 80771  
in those rules, it shall issue an order to that effect in 80772

percentage of facilities in compliance with those sections, and 80780  
recommendations regarding the types of activities the commission 80781  
considers necessary to improve such compliance. The commission 80782  
shall base its estimate of the number of facilities that are 80783  
subject to regulation under those sections on the current 80784  
estimates provided by the local emergency planning committees 80785  
under division (D) (6) of section 3750.03 of the Revised Code. 80786

(C) The commission may: 80787

only those functions and provide only the services provided for 80805  
in the contract, agreement, or memorandum. 80806

(5) Identify or list extremely hazardous substances in 80807  
addition to those identified or listed in rules adopted under 80808  
division (B) (1) (a) of this section and establish threshold 80809  
planning quantities and reportable quantities for the additional 80810  
extremely hazardous substances, identify or list hazardous 80811  
chemicals in addition to those identified or listed in rules 80812

or chemicals and establish threshold planning quantities, 80826  
threshold quantities, reportable quantities, and hazard 80827  
categories therefor in accordance with the criteria and 80828  
procedures established in rules adopted under division (B) (4) of 80829  
this section and, after compliance with those criteria and 80830

procedures, by the adoption of rules in accordance with Chapter 80831

and rules adopted under it regarding their effectiveness in 80859  
preparing for response to releases of extremely hazardous 80860  
substances, hazardous chemicals, and hazardous substances. After 80861

completion of any such review, the director of environmental 80862  
protection and the director of public safety shall report their 80863  
findings to the commission. Upon receipt of their findings, the 80864  
commission may make such recommendations for legislative and 80865  
administrative action as the commission finds necessary or 80866

chapter. 80868

(D) Except as provided in section 3750.06 of the Revised 80869  
Code, nothing in this chapter applies to the transportation, 80870  
including the storage incident to transportation, of any 80871  
substance or chemical subject to the requirements of this 80872  
chapter, including the transportation and distribution of 80873  
natural gas. 80874

(E) This chapter authorizes the state, through the 80875  
emergency response commission, the department of public safety, 80876  
and the environmental protection agency, to establish and 80877  
maintain chemical emergency response planning and preparedness, 80878  
community right-to-know, and hazardous substance and extremely 80879  
hazardous substance release reporting programs that are 80880  
consistent with and equivalent in scope, coverage, and content 80881  
to the "Emergency Planning and Community Right-To-Know Act of 80882  
1986," 100 Stat. 1729, 42 U.S.C.A. 11001, and regulations 80883  
adopted under it, except as otherwise specifically required or 80884  
authorized in this chapter. The commission, department, and 80885  
agencies may do all things necessary, incidental, or appropriate 80886  
to implement, administer, and enforce this chapter and to 80887  
perform the duties and exercise the powers of the state 80888  
emergency response commission under that act and regulations 80889  
adopted under it and under this chapter. 80890

**Sec. 3769.088.** (A) (1) If any permit holder required by 80891

this chapter to pay the taxes levied by sections 3769.08, 80892  
3769.087, 3769.26, and 3769.28 of the Revised Code fails to pay 80893  
the taxes as required, the tax commissioner may make an 80894  
assessment against the permit holder based upon any information 80895  
in the commissioner's possession. 80896

(2) If a permit holder required to remit taxes or file a 80897  
report electronically in the manner prescribed under section 80898  
3769.103 of the Revised Code fails to do so, the tax 80899  
commissioner may impose an additional penalty of fifty dollars 80900  
or ten per cent of the tax due as shown on the report, whichever 80901  
is greater. 80902

(3) A penalty of up to fifteen per cent may be added to 80903  
the amount of every assessment made under this section. 80904

(4) The commissioner may adopt rules providing for the 80905  
imposition and remission of penalties added to assessments made 80906  
under this section. 80907

(5) The commissioner shall give the party assessed written 80908  
notice of the assessment in the manner provided in section 80909  
5703.37 of the Revised Code. With the notice, the commissioner 80910  
shall provide instructions on how to petition for reassessment 80911  
and request a hearing on the petition. 80912

(B) Unless the party assessed files with the tax 80913  
commissioner within sixty days after service of the notice of 80914  
assessment, ~~either personally or by certified mail,~~ a written 80915  
petition for reassessment signed by the party assessed or that 80916  
party's authorized agent having knowledge of the facts, the 80917  
assessment becomes final and the amount of the assessment is due 80918  
and payable from the party assessed to the commissioner. The 80919  
petition shall indicate the objections of the party assessed, 80920

but additional objections may be raised in writing if received 80921  
by the commissioner prior to the date shown on the final 80922  
determination. If the petition has been properly filed, the 80923  
commissioner shall proceed under section 5703.60 of the Revised 80924  
Code. 80925

(C) After an assessment becomes final, if any portion of 80926  
the assessment remains unpaid, including accrued interest, a 80927  
certified copy of the tax commissioner's entry making the 80928  
assessment final may be filed in the office of the clerk of the 80929  
court of common pleas in the county in which the place, track, 80930  
or enclosure for which the permit was issued is located or the 80931  
county in which the party assessed resides or has its principal 80932  
place of business. If the party assessed maintains no place of 80933  
business in this state and is not a resident of this state, the 80934  
certified copy of the entry may be filed in the office of the 80935  
clerk of the court of common pleas of Franklin county. 80936

Immediately upon the filing of the entry, the clerk shall 80937  
enter a judgment for the state against the party assessed in the 80938  
amount shown on the entry. The judgment may be filed by the 80939  
clerk in a loose-leaf book entitled "special judgments for state 80940  
horse racing tax," and shall have the same effect as other 80941  
judgments. Execution shall issue upon the judgment upon the 80942  
request of the tax commissioner, and all laws applicable to 80943  
sales on execution shall apply to sales made under the judgment. 80944

If the assessment is not paid in its entirety within sixty 80945  
days after the day the assessment was issued, the portion of the 80946  
assessment consisting of tax due shall bear interest at the rate 80947  
per annum prescribed by section 5703.47 of the Revised Code from 80948  
the day the tax commissioner issues the assessment until the day 80949  
the assessment is paid or until it is certified to the attorney 80950

general for collection under section 131.02 of the Revised Code, 80951  
whichever comes first. If the unpaid portion of the assessment 80952  
is certified to the attorney general for collection, the entire 80953  
unpaid portion of the assessment shall bear interest at the rate 80954  
per annum prescribed by section 5703.47 of the Revised Code from 80955  
the date of certification until the date it is paid in its 80956  
entirety. Interest shall be paid in the same manner as the tax 80957  
and may be collected by the issuance of an assessment under this 80958  
section. 80959

(D) All money collected by the tax commissioner under this 80960  
section shall be treated as revenue arising from the taxes 80961  
imposed by sections 3769.08, 3769.087, 3769.26, and 3769.28 of 80962  
the Revised Code. 80963

described in sections 3770.23 to 3770.25 of the Revised Code, 80970  
and all gross proceeds from statewide joint lottery games shall 80971  
be deposited into the fund. The treasurer of state shall invest 80972  
any portion of the fund not needed for immediate use in the same 80973  
manner as, and subject to all provisions of law with respect to 80974  
the investment of, state funds. The treasurer of state shall 80975  
disburse money from the fund on order of the director of the 80976  
state lottery commission or the director's designee. 80977

Except for gross proceeds from statewide joint lottery 80978  
games, all revenues of the state lottery gross revenue fund that 80979  
are not paid to holders of winning lottery tickets, that are not 80980

required to meet short-term prize liabilities, that are not 80981  
credited to lottery sales agents in the form of bonuses, 80982  
commissions, or reimbursements, that are not paid to financial 80983  
institutions to reimburse those institutions for sales agent 80984  
nonsufficient funds, and that are collected from sales agents 80985  
for remittance to insurers under contract to provide sales agent 80986  
bonding services shall be transferred to the state lottery fund, 80987  
which is hereby created in the state treasury. In addition, all 80988  
revenues of the state lottery gross revenue fund that represent 80989  
the gross proceeds from the statewide joint lottery games and 80990  
that are not paid to holders of winning lottery tickets, that 80991  
are not required to meet short-term prize liabilities, that are 80992

commissions, or reimbursements, and that are not necessary to 80994  
cover operating expenses associated with those games or to 80995  
otherwise comply with the agreements signed by the governor that 80996  
the director enters into under division (J) of section 3770.02 80997  
of the Revised Code or the rules the commission adopts under 80998  
division (B) (5) of section 3770.03 of the Revised Code shall be 80999  
transferred to the state lottery fund. All investment earnings 81000  
of the fund shall be credited to the fund. Moneys shall be 81001  
disbursed from the fund pursuant to vouchers approved by the 81002  
director. Total disbursements for monetary prize awards to 81003

statewide lottery, other than lottery sports gaming, and 81005  
purchases of goods and services awarded as prizes to holders of 81006  
winning lottery tickets shall be of an amount equal to at least 81007  
fifty per cent of the total revenue accruing from the sale of 81008  
lottery tickets. 81009

(B) Pursuant to Section 6 of Article XV, Ohio 81010  
Constitution, there is hereby established in the state treasury 81011

the lottery profits education fund. Whenever, in the judgment of 81012  
the director of the state lottery commission, the amount to the 81013  
credit of the state lottery fund that does not represent 81014  
proceeds from statewide joint lottery games is in excess of that 81015  
needed to meet the maturing obligations of the commission and as 81016  
working capital for its further operations, the director of the 81017  
state lottery commission shall recommend the amount of the 81018  
excess to be transferred to the lottery profits education fund, 81019  
and the director of budget and management may transfer the 81020  
excess to the lottery profits education fund in connection with 81021  
the statewide lottery. In addition, whenever, in the judgment of 81022  
the director of the state lottery commission, the amount to the 81023  
credit of the state lottery fund that represents proceeds from 81024  
statewide joint lottery games equals the entire net proceeds of 81025  
those games as described in division (B)(5) of section 3770.03 81026  
of the Revised Code and the rules adopted under that division, 81027  
the director of the state lottery commission shall recommend the 81028  
amount of the proceeds to be transferred to the lottery profits 81029  
education fund, and the director of budget and management may 81030  
transfer those proceeds to the lottery profits education fund. 81031  
~~Investment earnings of the lottery profits education fund shall~~ 81032  
~~be credited to the fund.~~ 81033

The lottery profits education fund shall be used solely 81034  
for the support of elementary, secondary, vocational, and 81035  
special education programs as determined in appropriations made 81036  
by the general assembly, or as provided in applicable bond 81037  
proceedings for the payment of debt service on obligations 81038  
issued to pay costs of capital facilities, including those for a 81039  
system of common schools throughout the state pursuant to 81040  
section 2n of Article VIII, Ohio Constitution. When determining 81041  
the availability of money in the lottery profits education fund, 81042

the director of budget and management may consider all balances 81043  
and estimated revenues of the fund. 81044

(C) There is hereby established in the state treasury the 81045  
deferred prizes trust fund. With the approval of the director of 81046  
budget and management, an amount sufficient to fund annuity 81047  
prizes shall be transferred from the state lottery fund and 81048  
credited to the trust fund. The treasurer of state shall credit 81049  
all earnings arising from investments purchased under this 81050  
division to the trust fund. Within sixty days after the end of 81051  
each fiscal year, the treasurer of state shall certify to the 81052  
director of budget and management whether the actuarial amount 81053  
of the trust fund is sufficient over the fund's life for 81054  
continued funding of all remaining deferred prize liabilities as 81055  
of the last day of the fiscal year just ended. Also, within that 81056  
sixty days, the director of budget and management shall certify 81057  
the amount of investment earnings necessary to have been 81058  
credited to the trust fund during the fiscal year just ending to 81059  
provide for such continued funding of deferred prizes. Any 81060  
earnings credited in excess of the latter certified amount shall 81061  
be transferred to the lottery profits education fund. 81062

To provide all or a part of the amounts necessary to fund 81063  
deferred prizes awarded by the commission in connection with the 81064  
statewide lottery, the treasurer of state, in consultation with 81065  
the commission, may invest moneys contained in the deferred 81066  
prizes trust fund which represents proceeds from the statewide 81067  
lottery in obligations of the type permitted for the investment 81068  
of state funds but whose maturities are thirty years or less. 81069  
Notwithstanding the requirements of any other section of the 81070  
Revised Code, to provide all or part of the amounts necessary to 81071  
fund deferred prizes awarded by the commission in connection 81072  
with statewide joint lottery games, the treasurer of state, in 81073

consultation with the commission, may invest moneys in the trust 81074  
fund which represent proceeds derived from the statewide joint 81075  
lottery games in accordance with the rules the commission adopts 81076  
under division (B) (5) of section 3770.03 of the Revised Code. 81077  
Investments of the trust fund are not subject to the provisions 81078  
of division (A) (11) of section 135.143 of the Revised Code 81079  
limiting to twenty-five per cent the amount of the state's total 81080  
average portfolio that may be invested in debt interests other 81081  
than commercial paper and limiting to five per cent the amount 81082  
that may be invested in debt interests, including commercial 81083  
paper, of a single issuer. 81084

All purchases made under this division shall be effected 81085  
on a delivery versus payment method and shall be in the custody 81086  
of the treasurer of state. 81087

The treasurer of state may retain an investment advisor, 81088  
if necessary. The commission shall pay any costs incurred by the 81089  
treasurer of state in retaining an investment advisor. 81090

(D) The auditor of state shall conduct annual audits of 81091  
all funds and any other audits as the auditor of state or the 81092  
general assembly considers necessary. The auditor of state may 81093  
examine all records, files, and other documents of the 81094  
commission, and records of lottery sales agents that pertain to 81095  
their activities as agents, for purposes of conducting 81096  
authorized audits. 81097

(E) The state lottery commission shall establish an 81098  
internal audit plan before the beginning of each fiscal year, 81099  
subject to the approval of the office of internal audit in the 81100  
office of budget and management. At the end of each fiscal year, 81101  
the commission shall prepare and submit an annual report to the 81102  
office of internal audit for the office's review and approval, 81103

specifying the internal audit work completed by the end of that 81104  
fiscal year and reporting on compliance with the annual internal 81105  
audit plan. 81106

(F) Whenever, in the judgment of the director of budget 81107  
and management, an amount of net state lottery proceeds is 81108  
necessary to be applied to the payment of debt service on 81109  
obligations, all as defined in sections 151.01 and 151.03 of the 81110  
Revised Code, the director shall transfer that amount directly 81111  
from the state lottery fund or from the lottery profits 81112  
education fund to the bond service fund defined in those 81113  
sections. The provisions of this division are subject to any 81114  
prior pledges or obligation of those amounts to the payment of 81115  
bond service charges as defined in division (C) of section 81116  
3318.21 of the Revised Code, as referred to in division (B) of 81117  
this section. 81118

**Sec. 3770.071.** (A) As used in this section, "lottery prize 81119  
award" does not include a prize award from a video lottery 81120  
terminal and does not include winnings from lottery sports 81121  
gaming, except that "lottery prize award" includes winnings from 81122  
lottery sports gaming wagers placed through a terminal described 81123  
in division (B) (3) of section 3770.24 of the Revised Code. 81124

(B) If the amount of the prize money or the cost of goods 81125  
or services awarded as a lottery prize award meets or exceeds 81126  
the reportable winnings amounts set by 26 U.S.C. 6041, or a 81127  
subsequent analogous section of the Internal Revenue Code, the 81128  
director of the state lottery commission or the director's 81129  
designee shall consult the data match program established under 81130  
section 3123.89 of the Revised Code to determine whether the 81131  
person is subject to a final and enforceable determination of 81132  
default made under sections 3123.01 to 3123.07 of the Revised 81133

Code. If so, the director or the director's designee shall 81134  
withhold an amount from the prize award in accordance with 81135  
section 3123.89 of the Revised Code. 81136

**Sec. 3770.072.** (A) As used in this section, "prize 81137

assessment shall be considered to be an additional deficiency 81224  
for which the tax commissioner may issue subsequent assessments. 81225  
The initial assessment and any subsequent assessments may 81226

amended, for the service in question, excluding any in-network 82847

and the emergency facility's or the provider's charge for the 82869

ambulance in this state, neither the ambulance nor an out-of- 82872  
network provider shall bill a covered person for the difference 82873  
between the health plan issuer's reimbursement and the 82874  
ambulance's or provider's charge for the services. 82875

conditions are met: 82896

provider is not in the covered person's health benefit plan 82898

faith estimate of the cost of the services, including the 82901  
provider's charge, the estimated reimbursement by the health 82902  
plan issuer, and the covered person's responsibility. The 82903  
estimate shall contain a disclaimer that the covered person is 82904  
not required to obtain the health care service at that location 82905  
or from that provider. 82906

(c) The covered person affirmatively consents to receive 82907  
the services. 82908

**Sec. 4117.08.** (A) All matters pertaining to wages, hours, or terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of a collective bargaining agreement are subject to collective bargaining between the public employer and the exclusive representative, except as otherwise specified in this section and division (E) of section 4117.03 of the Revised Code.

(B) Neither of the following are appropriate subjects for collective bargaining:

(C) Unless a public employer agrees otherwise in a collective bargaining agreement, nothing in Chapter 4117. of the Revised Code impairs the right and responsibility of each public employer to:

(1) Determine matters of inherent managerial policy which

include, but are not limited to, areas of discretion or policy 83605  
such as the functions and programs of the public employer, 83606

unit except as affect wages, hours, terms and conditions of 83625

**Sec. 4117.10.** (A) An agreement between a public employer 83631

and an exclusive representative entered into pursuant to this 83632  
chapter governs the wages, hours, and terms and conditions of 83633  
public employment covered by the agreement. If the agreement 83634  
provides for a final and binding arbitration of grievances, 83635  
public employers, employees, and employee organizations are 83636  
subject solely to that grievance procedure and the state 83637  
personnel board of review or civil service commissions have no 83638  
jurisdiction to receive and determine any appeals relating to 83639  
matters that were the subject of a final and binding grievance 83640  
procedure. Where no agreement exists or where an agreement makes 83641  
no specification about a matter, the public employer and public 83642  
employees are subject to all applicable state or local laws or 83643  
ordinances pertaining to the wages, hours, and terms and 83644  
conditions of employment for public employees. All of the 83645  
following prevail over conflicting provisions of agreements 83646  
between employee organizations and public employers: 83647

(a) Civil rights; 83649

(b) Affirmative action; 83650

(c) Unemployment compensation; 83651

(d) Workers' compensation; 83652

(e) The retirement of public employees; 83653

(f) Residency requirements; 83654

(g) The minimum educational requirements contained in the 83655  
Revised Code pertaining to public education including the 83656  
requirement of a certificate by the fiscal officer of a school 83657  
district pursuant to section 5705.41 of the Revised Code; 83658

(h) The provisions of division (A) of section 124.34 of 83659

the Revised Code governing the disciplining of officers and 83660  
employees who have been convicted of a felony; 83661

(i) The minimum standards promulgated by the director of 83662  
education and workforce pursuant to division (D) of section 83663  
3301.07 of the Revised Code. 83664

(2) The law pertaining to the leave of absence and 83665  
compensation provided under section 5923.05 of the Revised Code, 83666  
if the terms of the agreement contain benefits which are less 83667  
than those contained in that section or the agreement contains 83668  
no such terms and the public authority is the state or any 83669  
agency, authority, commission, or board of the state or if the 83670  
public authority is another entity listed in division (B) of 83671  
section 4117.01 of the Revised Code that elects to provide leave 83672  
of absence and compensation as provided in section 5923.05 of 83673  
the Revised Code; 83674

(3) The law pertaining to the leave established under 83675  
section 5906.02 of the Revised Code, if the terms of the 83676  
agreement contain benefits that are less than those contained in 83677  
section 5906.02 of the Revised Code; 83678

(4) The law pertaining to excess benefits prohibited under 83679  
section 3345.311 of the Revised Code with respect to an 83680  
agreement between an employee organization and a public employer 83681  
entered into on or after September 29, 2015; 83682

(5) The law pertaining to state employee work location 83683  
policies under section 124.184 of the Revised Code with respect 83684  
to an agreement between an employee organization and a public 83685  
employer entered into on or after the effective date of this 83686  
amendment. 83687

Except for sections 306.08, 306.12, 306.35, and 4981.22 of 83688

the Revised Code and arrangements entered into thereunder, and 83689  
section 4981.21 of the Revised Code as necessary to comply with 83690  
section 13(c) of the "Urban Mass Transportation Act of 1964," 87 83691  
Stat. 295, 49 U.S.C.A. 1609(c), as amended, and arrangements 83692  
entered into thereunder, this chapter prevails over any and all 83693  
other conflicting laws, resolutions, provisions, present or 83694  
future, except as otherwise specified in this chapter or as 83695  
otherwise specified by the general assembly. Nothing in this 83696  
section prohibits or shall be construed to invalidate the 83697  
provisions of an agreement establishing supplemental workers' 83698  
compensation or unemployment compensation benefits or exceeding 83699  
minimum requirements contained in the Revised Code pertaining to 83700  
public education or the minimum standards promulgated by the 83701  
director of education and workforce pursuant to division (D) of 83702  
section 3301.07 of the Revised Code. 83703

(B) The public employer shall submit a request for funds 83704  
necessary to implement an agreement and for approval of any 83705  
other matter requiring the approval of the appropriate 83706  
legislative body to the legislative body within fourteen days of 83707  
the date on which the parties finalize the agreement, unless 83708  
otherwise specified, but if the appropriate legislative body is 83709  
not in session at the time, then within fourteen days after it 83710  
convenes. The legislative body must approve or reject the 83711  
submission as a whole, and the submission is deemed approved if 83712  
the legislative body fails to act within thirty days after the 83713  
public employer submits the agreement. The parties may specify 83714  
that those provisions of the agreement not requiring action by a 83715  
legislative body are effective and operative in accordance with 83716  
the terms of the agreement, provided there has been compliance 83717  
with division (C) of this section. If the legislative body 83718  
rejects the submission of the public employer, either party may 83719

reopen all or part of the entire agreement. 83720

As used in this section, "legislative body" includes the 83721  
governing board of a municipal corporation, school district, 83722  
college or university, village, township, or board of county 83723  
commissioners or any other body that has authority to approve 83724  
the budget of their public jurisdiction and, with regard to the 83725  
state, "legislative body" means the controlling board. 83726

(C) The chief executive officer, or the chief executive 83727  
officer's representative, of each municipal corporation, the 83728  
designated representative of the board of education of each 83729  
school district, college or university, or any other body that 83730  
has authority to approve the budget of their public 83731  
jurisdiction, the designated representative of the board of 83732  
county commissioners and of each elected officeholder of the 83733  
county whose employees are covered by the collective 83734  
negotiations, and the designated representative of the village 83735  
or the board of township trustees of each township is 83736  
responsible for negotiations in the collective bargaining 83737  
process; except that the legislative body may accept or reject a 83738  
proposed collective bargaining agreement. When the matters about 83739  
which there is agreement are reduced to writing and approved by 83740  
the employee organization and the legislative body, the 83741  
agreement is binding upon the legislative body, the employer, 83742  
and the employee organization and employees covered by the 83743  
agreement. 83744

(D) There is hereby established an office of collective 83745  
bargaining in the department of administrative services for the 83746  
purpose of negotiating with and entering into written agreements 83747  
between state agencies, departments, boards, and commissions and 83748  
the exclusive representative on matters of wages, hours, terms 83749

and other conditions of employment and the continuation, 83750  
modification, or deletion of an existing provision of a 83751  
collective bargaining agreement. Nothing in any provision of law 83752  
to the contrary shall be interpreted as excluding the bureau of 83753  
workers' compensation and the industrial commission from the 83754  
preceding sentence. This office shall not negotiate on behalf of 83755  
other statewide elected officials or boards of trustees of state 83756  
institutions of higher education who shall be considered as 83757  
separate public employers for the purposes of this chapter; 83758  
however, the office may negotiate on behalf of these officials 83759  
or trustees where authorized by the officials or trustees. The 83760  
staff of the office of collective bargaining are in the 83761  
unclassified service. The director of administrative services 83762  
shall fix the compensation of the staff. 83763

The office of collective bargaining shall: 83764

philosophy for public collective bargaining as well as planning 83766  
bargaining strategies; 83767

(2) Conduct negotiations with the exclusive 83768  
representatives of each employee organization; 83769

(3) Coordinate the state's resources in all mediation, 83770  
fact-finding, and arbitration cases as well as in all labor 83771  
disputes; 83772

(4) Conduct systematic reviews of collective bargaining 83773  
agreements for the purpose of contract negotiations; 83774

(5) Coordinate the systematic compilation of data by all 83775  
agencies that is required for negotiating purposes; 83776

(6) Prepare and submit an annual report and other reports 83777  
as requested to the governor and the general assembly on the 83778

implementation of this chapter and its impact upon state government. 83779  
83780

the investment of the assets of the funds specified in this 83782  
chapter and Chapters 4121., 4127., and 4131. of the Revised 83783  
Code, the workers' compensation investment committee shall do 83784  
all of the following: 83785

(D) Prohibit investing the assets of those funds in any 83807  
class of investments the board, by majority vote, closed, or any 83808  
specific investment in which the board prohibits the 83809  
administrator from investing; 83810

(E) Prohibit investing the assets of those funds with the 83811  
primary purpose of influencing any social or environmental 83812  
policy or attempting to influence the governance of any 83813

(F) Not specify in the investment policy that the 83815  
administrator or employees of the bureau of workers' 83816  
compensation are prohibited from conducting business with an 83817  
investment management firm, any investment management 83818  
professional associated with that firm, any third party 83819

period, of not more than thirty-one consecutive days, for which	84444

payment of remuneration is ordinarily made to the employee by 84445  
the person employing that employee. Division (B) (4) of this 84446

thousand dollars on and after January 1, 1995; nine thousand 84470  
five hundred dollars on and after January 1, 2018; and nine 84471  
thousand dollars on and after January 1, 2020. Remuneration in 84472  
excess of such amounts shall be deemed wages subject to 84473

contribution to the same extent that such remuneration is 84474  
defined as wages under the "Federal Unemployment Tax Act," 84 84475  
Stat. 714 (1970), 26 U.S.C.A. 3301 to 3311, as amended. The 84476  
remuneration paid an employee by an employer with respect to 84477  
employment in another state, upon which contributions were 84478  
required and paid by such employer under the unemployment 84479  
compensation act of such other state, shall be included as a 84480  
part of remuneration in computing the amount specified in this 84481  
division. 84482

(H) (1) "Remuneration" means all compensation for personal 84483  
services, including commissions and bonuses and the cash value 84484  
of all compensation in any medium other than cash, except that 84485  
in the case of agricultural or domestic service, "remuneration" 84486  
includes only cash remuneration. Gratuities customarily received 84487  
by an individual in the course of the individual's employment 84488  
from persons other than the individual's employer and which are 84489  
accounted for by such individual to the individual's employer 84490  
are taxable wages. 84491

The reasonable cash value of compensation paid in any 84492  
medium other than cash shall be estimated and determined in 84493  
accordance with rules prescribed by the director, provided that 84494  
"remuneration" does not include: 84495

(a) Payments as provided in divisions (b) (2) to (b) (20) of 84496  
section 3306 of the "Federal Unemployment Tax Act," 84 Stat. 84497  
713, 26 U.S.C.A. 3301 to 3311, as amended; 84498

(b) The payment by an employer, without deduction from the 84499  
remuneration of the individual in the employer's employ, of the 84500  
tax imposed upon an individual in the employer's employ under 84501  
section 3101 of the "Internal Revenue Code of 1954," with 84502  
respect to services performed after October 1, 1941. 84503

(2) "Cash remuneration" means all remuneration paid in 84504  
cash, including commissions and bonuses, but not including the 84505  
cash value of all compensation in any medium other than cash. 84506

(I) "Interested party" means the director and any party to 84507  
whom notice of a determination of an application for benefit 84508  
rights or a claim for benefits is required to be given under 84509  
section 4141.28 of the Revised Code. 84510

(J) "Annual payroll" means the total amount of wages 84511  
subject to contributions during a twelve-month period ending 84512  
with the last day of the second calendar quarter of any calendar 84513  
year. 84514

(K) "Average annual payroll" means the average of the last 84515  
three annual payrolls of an employer, provided that if, as of 84516  
any computation date, the employer has had less than three 84517  
annual payrolls in such three-year period, such average shall be 84518  
based on the annual payrolls which the employer has had as of 84519  
such date. 84520

(L) (1) "Contributions" means the money payments to the 84521  
state unemployment compensation fund required of employers by 84522  
section 4141.25 of the Revised Code and of the state and any of 84523  
its political subdivisions electing to pay contributions under 84524  
section 4141.242 of the Revised Code. Employers paying 84525  
contributions shall be described as "contributory employers." 84526

(2) "Payments in lieu of contributions" means the money 84527  
payments to the state unemployment compensation fund required of 84528  
reimbursing employers under sections 4141.241 and 4141.242 of 84529  
the Revised Code. 84530

(M) An individual is "totally unemployed" in any week 84531  
during which the individual performs no services and with 84532

respect to such week no remuneration is payable to the 84533  
individual. 84534

(N) An individual is "partially unemployed" in any week 84535  
if, due to involuntary loss of work, the total remuneration 84536  
payable to the individual for such week is less than the 84537  
individual's weekly benefit amount. 84538

(O) "Week" means the calendar week ending at midnight 84539  
Saturday unless an equivalent week of seven consecutive calendar 84540  
days is prescribed by the director. 84541

(1) "Qualifying week" means any calendar week in an 84542  
individual's base period with respect to which the individual 84543  
earns or is paid remuneration in employment subject to this 84544  
chapter. A calendar week with respect to which an individual 84545  
earns remuneration but for which payment was not made within the 84546  
base period, when necessary to qualify for benefit rights, may 84547  
be considered to be a qualifying week. The number of qualifying 84548  
weeks which may be established in a calendar quarter shall not 84549  
exceed the number of calendar weeks in the quarter. 84550

(2) "Average weekly wage" means the amount obtained by 84551  
dividing an individual's total remuneration for all qualifying 84552  
weeks during the base period by the number of such qualifying 84553  
weeks, provided that if the computation results in an amount 84554  
that is not a multiple of one dollar, such amount shall be 84555  
rounded to the next lower multiple of one dollar. 84556

(P) "Weekly benefit amount" means the amount of benefits 84557  
an individual would be entitled to receive for one week of total 84558  
unemployment. 84559

(Q) (1) "Base period" means the first four of the last five 84560  
completed calendar quarters immediately preceding the first day 84561

of an individual's benefit year, except as provided in division 84562  
(Q) (2) of this section. 84563

(2) If an individual does not have sufficient qualifying 84564  
weeks and wages in the base period to qualify for benefit 84565  
rights, the individual's base period shall be the four most 84566  
recently completed calendar quarters preceding the first day of 84567  
the individual's benefit year. Such base period shall be known 84568  
as the "alternate base period." If information as to weeks and 84569  
wages for the most recent quarter of the alternate base period 84570  
is not available to the director from the regular quarterly 84571  
reports of wage information, which are systematically 84572  
accessible, the director may, consistent with the provisions of 84573  
section 4141.28 of the Revised Code, base the determination of 84574  
eligibility for benefits on the affidavit of the claimant with 84575  
respect to weeks and wages for that calendar quarter. The 84576  
claimant shall furnish payroll documentation, where available, 84577  
in support of the affidavit. The determination based upon the 84578  
alternate base period as it relates to the claimant's benefit 84579  
rights, shall be amended when the quarterly report of wage 84580  
information from the employer is timely received and that 84581  
information causes a change in the determination. As provided in 84582  
division (B) of section 4141.28 of the Revised Code, any 84583  
benefits paid and charged to an employer's account, based upon a 84584  
claimant's affidavit, shall be adjusted effective as of the 84585  
beginning of the claimant's benefit year. No calendar quarter in 84586  
a base period or alternate base period shall be used to 84587  
establish a subsequent benefit year. 84588

(3) The "base period" of a combined wage claim, as 84589  
described in division (H) of section 4141.43 of the Revised 84590  
Code, shall be the base period prescribed by the law of the 84591  
state in which the claim is allowed. 84592

(4) For purposes of determining the weeks that comprise a completed calendar quarter under this division, only those weeks ending at midnight Saturday within the calendar quarter shall be utilized.

(R) (1) "Benefit year" with respect to an individual means the fifty-two week period beginning with the first day of that week with respect to which the individual first files a valid application for determination of benefit rights, and thereafter the fifty-two week period beginning with the first day of that week with respect to which the individual next files a valid application for determination of benefit rights after the termination of the individual's last preceding benefit year, except that the application shall not be considered valid unless the individual has had employment in six weeks that is subject to this chapter or the unemployment compensation act of another state, or the United States, and has, since the beginning of the individual's previous benefit year, in the employment earned three times the average weekly wage determined for the previous benefit year. The "benefit year" of a combined wage claim, as described in division (H) of section 4141.43 of the Revised Code, shall be the benefit year prescribed by the law of the state in which the claim is allowed. Any application for determination of benefit rights made in accordance with section 4141.28 of the Revised Code is valid if the individual filing such application is unemployed, has been employed by an employer or employers subject to this chapter in at least twenty qualifying weeks within the individual's base period, and has earned or been paid remuneration at an average weekly wage of not less than twenty-seven and one-half per cent of the statewide average weekly wage for such weeks. For purposes of determining whether an individual has had sufficient employment

since the beginning of the individual's previous benefit year to 84624  
file a valid application, "employment" means the performance of 84625  
services for which remuneration is payable. 84626

(2) Effective for benefit years beginning on and after 84627  
December 26, 2004, but before July 1, 2022, any application for 84628  
determination of benefit rights made in accordance with section 84629  
4141.28 of the Revised Code is valid if the individual satisfies 84630  
the criteria described in division (R)(1) of this section, and 84631  
if the reason for the individual's separation from employment is 84632  
not disqualifying pursuant to division (D)(2) of section 4141.29 84633  
or section 4141.291 of the Revised Code. A disqualification 84634  
imposed pursuant to division (D)(2) of section 4141.29 or 84635  
section 4141.291 of the Revised Code must be removed as provided 84636  
in those sections as a requirement of establishing a valid 84637  
application for benefit years beginning on and after December 84638  
26, 2004, but before July 1, 2022. Effective for benefit years 84639  
beginning on and after July 1, 2022, any application for 84640  
determination of benefit rights made in accordance with section 84641  
4141.28 of the Revised Code is valid if the individual satisfies 84642  
the criteria described in division (R)(1) of this section. A 84643  
disqualification imposed pursuant to division (D)(2) of section 84644  
4141.29 or section 4141.291 of the Revised Code does not affect 84645  
the validity of an application. 84646

(3) The statewide average weekly wage shall be calculated 84647  
by the director once a year based on the twelve-month period 84648  
ending the thirtieth day of June, as set forth in division (B) 84649  
(3) of section 4141.30 of the Revised Code, rounded down to the 84650  
nearest dollar. Increases or decreases in the amount of 84651  
remuneration required to have been earned or paid in order for 84652  
individuals to have filed valid applications shall become 84653  
effective on Sunday of the calendar week in which the first day 84654

of January occurs that follows the twelve-month period ending 84655  
the thirtieth day of June upon which the calculation of the 84656  
statewide average weekly wage was based. 84657

(4) As used in this division, an individual is 84658  
"unemployed" if, with respect to the calendar week in which such 84659  
application is filed, the individual is "partially unemployed" 84660  
or "totally unemployed" as defined in this section or if, prior 84661  
to filing the application, the individual was separated from the 84662  
individual's most recent work for any reason which terminated 84663  
the individual's employee-employer relationship, or was laid off 84664  
indefinitely or for a definite period of seven or more days. 84665

(S) "Calendar quarter" means the period of three 84666  
consecutive calendar months ending on the thirty-first day of 84667  
March, the thirtieth day of June, the thirtieth day of 84668  
September, and the thirty-first day of December, or the 84669  
equivalent thereof as the director prescribes by rule. 84670

(T) "Computation date" means the first day of the third 84671  
calendar quarter of any calendar year. 84672

(U) "Contribution period" means the calendar year 84673  
beginning on the first day of January of any year. 84674

(V) "Agricultural labor," for the purpose of this 84675  
division, means any service performed prior to January 1, 1972, 84676  
which was agricultural labor as defined in this division prior 84677  
to that date, and service performed after December 31, 1971: 84678

(1) On a farm, in the employ of any person, in connection 84679  
with cultivating the soil, or in connection with raising or 84680  
harvesting any agricultural or horticultural commodity, 84681

(2) In the employ of the owner or tenant or other operator 84685

conservation, improvement, or maintenance of such farm and its 84687  
tools and equipment, or in salvaging timber or clearing land of 84688  
brush and other debris left by hurricane, if the major part of 84689  
such service is performed on a farm; 84690

(3) In connection with the production or harvesting of any 84691  
commodity defined as an agricultural commodity in section 15 (g) 84692  
of the "Agricultural Marketing Act," 46 Stat. 1550 (1931), 12 84693  
U.S.C. 1141j, as amended, or in connection with the ginning of 84694  
cotton, or in connection with the operation or maintenance of 84695

for profit, used exclusively for supplying and storing water for 84697  
farming purposes; 84698

(4) In the employ of the operator of a farm in handling, 84699  
planting, drying, packing, packaging, processing, freezing, 84700

carrier for transportation to market, in its unmanufactured 84702  
state, any agricultural or horticultural commodity, but only if 84703  
the operator produced more than one half of the commodity with 84704  
respect to which such service is performed; 84705

(5) In the employ of a group of operators of farms, or a 84706  
cooperative organization of which the operators are members, in 84707  
the performance of service described in division (V) (4) of this 84708  
section, but only if the operators produced more than one-half 84709  
of the commodity with respect to which the service is performed; 84710

(6) Divisions (V) (4) and (5) of this section shall not be 84711  
deemed to be applicable with respect to service performed: 84712

under the name of the employer. When such unpaid contributions, 85115  
interest, forfeiture, or fines have been paid, the employer may 85116  
record with the county recorder of the county in which such 85117  
notice of lien has been filed and recorded, notice of such 85118  
payment, and the notice of payment shall be recorded in the 85119  
county recorder's official records and indexed in the direct and 85120  
reverse indexes. For recording the notice of payment, the county 85121

recorder shall charge and receive from the employer a base fee 85122  
of two dollars for services and a housing trust fund fee of two 85123  
dollars pursuant to section 317.36 of the Revised Code. 85124

(E) Notwithstanding other provisions in this section, the 85125  
director may reduce, in whole or in part, the amount of 85126  
interest, forfeiture, or fines required to be paid under this 85127  
chapter if the director determines that the reduction is in the 85128  
best interest of the unemployment compensation fund. 85129

(F) Assessment of contributions shall not be made after 85130  
four years from the date on which such contributions became 85131  
payable, and no action in court for the collection of 85132  
contributions without assessment of such contributions shall be 85133  
begun after the expiration of five years from the date such 85134  
contributions became payable. In case of a false or fraudulent 85135  
report or of a willful attempt in any manner to evade 85136  
contributions, such contributions may be assessed or a 85137  
proceeding in court for the collection of such contributions may 85138  
be begun without assessment at any time. When the assessment of 85139  
contributions has been made within such four-year period 85140  
provided, action in court to collect such contributions may be 85141  
begun within, but not later than, six years after such 85142  
assessment. 85143

(G) In the event of a distribution of an employer's 85144  
assets, pursuant to an order of any court under the law of this 85145  
state, including any receivership, assignment for benefit of 85146  
creditors, adjudicated insolvency, or similar proceedings, 85147  
contributions, interest, forfeiture, or fine then or thereafter 85148  
due have the same priority as provided by law for the payment of 85149  
taxes due the state and shall be paid out of the trust fund in 85150  
the same manner as provided for other claims for unpaid taxes 85151

due the state. 85152

(H) If the attorney general finds after investigation that 85153  
any claim for delinquent contributions, interest, forfeitures, 85154  
or fines owing to the director is uncollectible, in whole or in 85155  
part, the attorney general shall recommend to the director the 85156  
cancellation of such claim or any part thereof. The director may 85157  
thereupon effect such cancellation. 85158

**Sec. 4141.281. APPEALS** 85159

(A) APPEAL FILED 85160

Any party notified of a determination of benefit rights or 85161  
a claim for benefits determination may appeal within twenty-one 85162  
calendar days after the written determination was sent to the 85163  
party or within an extended period as provided under division 85164  
(D) (9) of this section. 85165

(B) REDETERMINATION 85166

Within twenty-one days after receipt of the appeal, the 85167  
director of job and family services shall issue a 85168  
redetermination or transfer the appeal to the unemployment 85169  
compensation review commission. A redetermination under this 85170  
section is appealable in the same manner as an initial 85171  
determination by the director. 85172

(C) REVIEW COMMISSION 85173

(1) JURISDICTION 85174

The commission shall provide an opportunity for a fair 85175  
hearing to the interested parties of appeals over which the 85176  
commission has jurisdiction. The commission has jurisdiction 85177  
over an appeal on transfer or on direct appeal to the 85178  
commission. If the commission concludes that a pending appeal 85179

does not warrant a hearing, the commission may remand the appeal 85180  
to the director for redetermination. The commission retains 85181  
jurisdiction until the appeal is remanded to the director or a 85182  
final decision is issued and appealed to court, or the time to 85183  
request a review or to appeal a decision of a hearing officer or 85184  
the commission is expired. 85185

(2) CONDUCT OF HEARINGS 85186

Hearings before the commission are held at the hearing 85187  
officer level and the review level. Unless otherwise provided in 85188  
this chapter, initial hearings involving claims for compensation 85189  
and other unemployment compensation issues are conducted at the 85190  
hearing officer level by hearing officers appointed by the 85191  
commission. Hearings at the review level are conducted by 85192  
hearing officers appointed by the commission, by members of the 85193  
commission acting either individually or collectively, and by 85194  
members of the commission and hearing officers acting jointly. 85195  
In all hearings conducted at the review level, the commission 85196  
shall designate the hearing officer or officers who are to 85197  
conduct the hearing. When the term "hearing officer" is used in 85198  
reference to hearings conducted at the review level, the term 85199  
includes members of the commission. All decisions issued at the 85200  
review level are issued by the commission. 85201

Provisions contained in the remainder of this paragraph 85202  
apply to hearings at both the hearing officer level and the 85203  
review level. The principles of due process in administrative 85204  
hearings shall be applied to all hearings conducted under the 85205  
authority of the commission. In conducting hearings, all hearing 85206  
officers shall control the conduct of the hearing, exclude 85207  
irrelevant or cumulative evidence, and give weight to the kind 85208  
of evidence on which reasonably prudent persons are accustomed 85209

to rely in the conduct of serious affairs. Hearing officers have 85210  
an affirmative duty to question parties and witnesses in order 85211  
to ascertain the relevant facts and to fully and fairly develop 85212  
the record. Hearing officers are not bound by common law or 85213  
statutory rules of evidence or by technical or formal rules of 85214  
procedure. No person shall impose upon the claimant or the 85215  
employer any burden of proof as is required in a court of law. 85216  
The proceedings at hearings shall be recorded by mechanical 85217  
means or otherwise as may be prescribed by the commission. In 85218  
the absence of further proceedings, the record need not be 85219  
transcribed. After considering all of the evidence, a hearing 85220  
officer shall issue a written decision that sets forth the facts 85221  
as the hearing officer finds them to be, cites the applicable 85222  
law, and gives the reasoning for the decision. 85223

(3) HEARING OFFICER LEVEL 85224

When an appeal is transferred to the commission by the 85225  
director, the commission shall notify all interested parties of 85226  
the time and place of the hearing and assign the appeal for a 85227  
hearing by a hearing officer. The hearings shall be de novo, 85228  
except that the director's file pertaining to a case shall be 85229  
included in the record to be considered. 85230

Following a hearing, the hearing officer shall affirm, 85231  
modify, or reverse the determination of the director in the 85232  
manner that appears just and proper. The hearing officer's 85233  
written decision shall be sent to all interested parties. The 85234  
decision shall state the right of an interested party to request 85235  
a review by the commission. 85236

A request for review shall be filed within twenty-one days 85237  
after the decision was sent to the party, or within an extended 85238  
period as provided under division (D) (9) of this section. The 85239

hearing officer's decision shall become final unless a request 85240  
for review is filed and allowed or the commission removes the 85241  
appeal to itself within twenty-one days after the hearing 85242  
officer's decision is sent. 85243

(4) REVIEW LEVEL 85244

At the review level, the commission may affirm, modify, or 85245  
reverse previous determinations by the director or at the 85246  
hearing officer level. At the review level, the commission may 85247  
affirm, modify, or reverse a hearing officer's decision or 85248  
remand the decision to the hearing officer level for further 85249  
hearing. The commission shall consider an appeal at the review 85250  
level under the following circumstances: when an appeal is 85251  
required to be heard initially at the review level under this 85252  
chapter; when the commission on its own motion removes an appeal 85253  
to itself within twenty-one days after the hearing officer's 85254  
decision is sent; when the assigned hearing officer refers an 85255  
appeal to the commission before the hearing officer's decision 85256  
is sent; or when an interested party files a request for review 85257  
with the commission within twenty-one days after the hearing 85258  
officer's decision is sent. 85259

(5) COMMISSION EXAMINATION 85260

The commission shall consider a request for review by an 85261  
interested party, including the reasons for the request. The 85262  
commission may adopt rules prescribing the methods for 85263  
requesting a review. The commission may allow or disallow the 85264  
request for review. The disallowance of a request for review 85265  
constitutes a final decision by the commission. 85266

(6) REVIEW PROCEDURE 85267

If the commission allows a request for review, the 85268

commission shall notify all interested parties of that fact and 85269  
provide a reasonable period of time, as the commission defines 85270  
by rule, in which interested parties may file a response. After 85271  
that period of time, the commission, based on the record before 85272  
it, may do one of the following: affirm the decision of the 85273  
hearing officer; provide for the appeal to be heard or reheard 85274  
at the hearing officer or review level; provide for the appeal 85275  
to be heard at the review level as a potential precedential 85276  
decision; or provide for the decision to be rewritten without 85277  
further hearing at the review level. When a further hearing is 85278  
provided or the decision is rewritten, the commission may 85279  
affirm, modify, or reverse the previous decision. 85280

If a member of the commission is unable or unavailable to 85281  
consider an appeal allowed by the commission, the other members 85282  
of the commission may appoint a hearing officer as a temporary 85283  
commissioner to fulfill the unable or unavailable commissioner's 85284  
duties with respect to the appeal. The members of the commission 85285  
may not appoint the hearing officer who decided the appeal at 85286  
the hearing officer level. 85287

(7) NOTICES 85288

The commission shall send written notice to all interested 85289  
parties when it orders an appeal to be heard or reheard. The 85290  
notice shall include the reasons for the hearing or rehearing. 85291

(8) PRECEDENTIAL 85292

An appeal the commission identifies as potentially 85293  
precedential shall be heard at the review level. In the notice 85294  
for that type of hearing, the commission shall notify the 85295  
director, all interested parties, and any other parties, as the 85296  
commission determines appropriate, that the appeal is designated 85297

as potentially precedential. After the hearing, parties shall be 85298  
given the opportunity to submit briefs on the issue or issues 85299  
involved. The commission may designate a decision as 85300  
precedential after issuing the decision or at any point in the 85301  
appeal process, even if the commission does not initially 85302  
identify the appeal as potentially precedential. 85303

(9) MASS APPEALS 85304

When the commission determines that it has five appeals 85305  
pending that have common facts or common issues, the commission 85306  
may transfer the appeals to the review level on its own motion 85307  
to be heard as a mass appeal, including appeals from claimants 85308  
separated due to a labor dispute, on the condition that there 85309  
are fewer than twenty-five claimants involved. 85310

To facilitate a mass hearing, the commission may allow an 85311  
authorized agent to accept notice of hearing on behalf of 85312  
claimants. An authorized agent may waive this notice of hearing 85313  
and also the sending of decisions to individual claimants 85314  
represented by the agent. 85315

(D) SPECIAL PROVISIONS 85316

(1) TIMELINESS OF APPEALS 85317

The date of the mailing provided by the director or the 85318  
commission is sufficient evidence upon which to conclude that a 85319  
determination, redetermination, or decision was sent to the 85320  
party on that date. Appeals may be filed with the director, 85321  
commission, with an employee of another state or federal agency 85322  
charged with the duty of accepting claims, or with the 85323  
unemployment insurance commission of Canada. Any timely written 85324  
notice by an interested party indicating a desire to appeal 85325  
shall be accepted. 85326

The director, commission, or authorized agent must receive 85327  
the appeal within the specified appeal period in order for the 85328  
appeal to be deemed timely filed, except that: if the United 85329  
States postal service is used as the means of delivery, the 85330  
enclosing envelope must have a postmark date or postal meter 85331  
postmark that is on or before the last day of the specified 85332  
appeal period; and where the postmark is illegible or missing, 85333  
the appeal is timely filed if received not later than the end of 85334  
the fifth calendar day following the last day of the specified 85335  
appeal period. 85336

The director and the commission may adopt rules pertaining 85337  
to alternate methods of filing appeals under this section. 85338

(2) WAIVER 85339

Interested parties may waive, in writing, a hearing at 85340  
either the hearing officer or review level. If the parties waive 85341  
a hearing, the hearing officer shall issue a decision based on 85342  
the evidence of record. 85343

(3) TELEPHONE HEARINGS 85344

Hearing officers may conduct hearings at either the 85345  
hearing officer or review level in person or by telephone or 85346  
interactive video conference. The commission shall adopt rules 85347  
that designate the circumstances under which hearing officers 85348  
may conduct a hearing by telephone or interactive video 85349  
conference or grant a party to the hearing the opportunity to 85350  
object to a hearing by telephone or interactive video 85351  
conference. An interested party whose hearing would be by 85352  
telephone or interactive video conference may elect to have an 85353  
in-person hearing, provided that the party agrees to have the 85354  
hearing at the time and place the commission determines pursuant 85355

to rule. 85356

(4) EVENING HEARINGS 85357

Unless the commission grants a request for an evening 85358  
telephone or interactive video conference hearing, hearing 85359  
officers shall conduct hearings at the hearing officer and 85360  
review level during normal business hours. An interested party 85361  
who is regularly employed throughout those hours may request to 85362  
have a hearing by telephone or interactive video conference 85363  
during the evening. The commission shall grant or deny a request 85364  
for an evening telephone or interactive video conference 85365  
hearing. If a conflict concerning a request for an evening 85366  
hearing and an in-person hearing arises, the commission shall 85367  
schedule the hearing by telephone or interactive video 85368  
conference during evening hours. 85369

(5) NO APPEARANCE -- APPELLANT 85370

For hearings at either the hearing officer or review 85371  
level, if the appealing party fails to appear at the hearing, 85372  
the hearing officer shall dismiss the appeal. The commission 85373  
shall vacate the dismissal upon a showing that written notice of 85374  
the hearing was not sent to that party's last known address, or 85375  
good cause for the appellant's failure to appear is shown to the 85376  
commission within fourteen days after the hearing date. 85377

If the commission finds that the appealing party's reason 85378  
for failing to appear does not constitute good cause for failing 85379  
to appear, the commission shall send written notice of that 85380  
finding, and the appealing party may request a hearing to 85381  
present testimony on the issue of good cause for failing to 85382  
appear. The appealing party shall file a request for a hearing 85383  
on the issue of good cause for failing to appear within ten days 85384

after the commission sends written notice indicating a finding 85385  
of no good cause for failing to appear. 85386

(6) NO APPEARANCE -- APPELLEE 85387

For hearings at either the hearing officer or review 85388  
level, if the appellee fails to appear at the hearing, the 85389  
hearing officer shall proceed with the hearing and shall issue a 85390  
decision based on the evidence of record. The commission shall 85391  
vacate the decision upon a showing that written notice of the 85392  
hearing was not sent to the appellee's last known address, or 85393  
good cause for the appellee's failure to appear is shown to the 85394  
commission within fourteen days after the hearing date. 85395

(7) AGENT 85396

Any appeal or request for review may be executed on behalf 85397  
of any party or any group of claimants by an agent. 85398

(8) COLLATERAL ESTOPPEL 85399

No finding of fact or law, decision, or order of the 85400  
director, hearing officer, the commission, or a reviewing court 85401  
under this section or section 4141.28 of the Revised Code shall 85402  
be given collateral estoppel or res judicata effect in any 85403  
separate or subsequent judicial, administrative, or arbitration 85404  
proceeding, other than a proceeding arising under this chapter. 85405

(9) EXTENSION OF APPEAL PERIODS 85406

The time for filing an appeal or a request for review 85407  
under this section or a court appeal under section 4141.282 of 85408  
the Revised Code shall be extended in the manner described in 85409  
the following four sentences. When the last day of an appeal 85410  
period is a Saturday, Sunday, or legal holiday, the appeal 85411  
period is extended to the next work day after the Saturday, 85412

Sunday, or legal holiday. When an interested party provides 85413  
certified medical evidence stating that the interested party's 85414  
physical condition or mental capacity prevented the interested 85415  
party from filing an appeal or request for review under this 85416  
section within the appropriate twenty-one-day period, the appeal 85417  
period is extended to twenty-one days after the end of the 85418  
physical or mental condition, and the appeal or request for 85419  
review is considered timely filed if filed within that extended 85420  
period. When an interested party provides evidence, which 85421  
evidence may consist of testimony from the interested party, 85422  
that is sufficient to establish that the party did not actually 85423  
receive the determination or decision within the applicable 85424  
appeal period under this section, and the director or the 85425  
commission finds that the interested party did not actually 85426  
receive the determination or decision within the applicable 85427  
appeal period, then the appeal period is extended to twenty-one 85428  
days after the interested party actually receives the 85429  
determination or decision. When an interested party provides 85430  
evidence, which evidence may consist of testimony from the 85431  
interested party, that is sufficient to establish that the party 85432  
did not actually receive a decision within the thirty-day appeal 85433  
period provided in section 4141.282 of the Revised Code, and a 85434  
court of common pleas finds that the interested party did not 85435  
actually receive the decision within that thirty-day appeal 85436  
period, then the appeal period is extended to thirty days after 85437  
the interested party actually receives the decision. 85438

**Sec. 4141.29.** Each eligible individual shall receive 85439  
benefits as compensation for loss of remuneration due to 85440  
involuntary total or partial unemployment in the amounts and 85441  
subject to the conditions stipulated in this chapter. 85442

(A) No individual is entitled to a waiting period or 85443

benefits for any week unless the individual: 85444

(1) Has filed a valid application for determination of 85445  
benefit rights in accordance with section 4141.28 of the Revised 85446  
Code; 85447

(2) Has made a claim for benefits in accordance with 85448  
section 4141.28 of the Revised Code; 85449

(3) (a) Has registered for work and thereafter continues to 85450  
report to an employment office or other registration place 85451  
maintained or designated by the director of job and family 85452  
services. Registration shall be made in accordance with the time 85453  
limits, frequency, and manner prescribed by the director. 85454

(b) For purposes of division (A) (3) of this section, an 85455  
individual has "registered" upon doing any of the following: 85456

(i) Filing an application for benefit rights; 85457

(ii) Making a weekly claim for benefits; 85458

(iii) Reopening an existing claim following a period of 85459  
employment or nonreporting. 85460

(c) After an applicant is registered, that registration 85461  
continues for a period of three calendar weeks, including the 85462  
week during which the applicant registered. However, an 85463  
individual is not registered for purposes of division (A) (3) of 85464  
this section during any period in which the individual fails to 85465  
report, as instructed by the director, or fails to reopen an 85466  
existing claim following a period of employment. 85467

(d) The director may, for good cause, extend the period of 85468  
registration. 85469

(e) For purposes of this section, "report" means contact 85470

by phone, access electronically, or be present for an in-person 85471  
appointment, as designated by the director. 85472

(4) (a) (i) Is able to work and available for suitable work 85473  
and, except as provided in division (A) (4) (a) (ii) or (iii) of 85474  
this section, is actively seeking suitable work either in a 85475  
locality in which the individual has earned wages subject to 85476  
this chapter during the individual's base period, or if the 85477  
individual leaves that locality, then in a locality where 85478  
suitable work normally is performed. 85479

(ii) The director may waive the requirement that a 85480  
claimant be actively seeking work when the director finds that 85481  
the individual has been laid off and the employer who laid the 85482  
individual off has notified the director within ten days after 85483  
the layoff, that work is expected to be available for the 85484  
individual within a specified number of days not to exceed 85485  
forty-five calendar days following the last day the individual 85486  
worked. In the event the individual is not recalled within the 85487  
specified period, this waiver shall cease to be operative with 85488  
respect to that layoff. 85489

(iii) The director may waive the requirement that a 85490  
claimant be actively seeking work if the director determines 85491  
that the individual has been laid off and the employer who laid 85492  
the individual off has notified the director in accordance with 85493  
division (C) of section 4141.28 of the Revised Code that the 85494  
employer has closed the employer's entire plant or part of the 85495  
employer's plant for a purpose other than inventory or vacation 85496  
that will cause unemployment for a definite period not exceeding 85497  
twenty-six weeks beginning on the date the employer notifies the 85498  
director, for the period of the specific shutdown, if all of the 85499  
following apply: 85500

(I) The employer and the individuals affected by the 85501  
layoff who are claiming benefits under this chapter jointly 85502  
request the exemption. 85503

(II) The employer provides that the affected individuals 85504  
shall return to work for the employer within twenty-six weeks 85505  
after the date the employer notifies the director. 85506

(III) The director determines that the waiver of the 85507  
active search for work requirement will promote productivity and 85508  
economic stability within the state. 85509

(iv) Division (A) (4) (a) (iii) of this section does not 85510  
exempt an individual from meeting the other requirements 85511  
specified in division (A) (4) (a) (i) of this section to be able to 85512  
work and otherwise fully be available for work. An exemption 85513  
granted under division (A) (4) (a) (iii) of this section may be 85514  
granted only with respect to a specific plant closing. 85515

(b) (i) The individual shall be instructed as to the 85516  
efforts that the individual must make in the search for suitable 85517  
work, including that, within six months after October 11, 2013, 85518  
the individual shall register with the OhioMeansJobs web site, 85519  
except in any of the following circumstances: 85520

that the individual is eligible for a referral or placement upon 85576  
request and in a manner prescribed by the director. 85577

(f) Notwithstanding any other provisions of this section, 85578  
no otherwise eligible individual shall be denied benefits for 85579  
any week because the individual is in training approved under 85580  
section 236(a) (1) of the "Trade Act of 1974," 88 Stat. 1978, 19 85581  
U.S.C.A. 2296, nor shall that individual be denied benefits by 85582

the following conditions: 85665

(1) For any week with respect to which the director finds 85666

it is shown that the individual is not financing, participating 85679  
in, or directly interested in such labor dispute; 85680

(ii) The individual's employment was with an employer not 85681  
involved in the labor dispute but whose place of business was 85682  
located within the same premises as the employer engaged in the 85683  
dispute, unless the individual's employer is a wholly owned 85684  
subsidiary of the employer engaged in the dispute, or unless the 85685  
individual actively participates in or voluntarily stops work 85686  
because of such dispute. If it is established that the claimant 85687  
was laid off for an indefinite period and not recalled to work 85688  
prior to the dispute, or was separated by the employer prior to 85689  
the dispute for reasons other than the labor dispute, or that 85690  
the individual obtained a bona fide job with another employer 85691  
while the dispute was still in progress, such labor dispute 85692  
shall not render the employee ineligible for benefits. 85693

(b) The individual has been given a disciplinary layoff 85694  
for misconduct in connection with the individual's work. 85695

(2) For the duration of the individual's unemployment if 85696  
the director finds that: 85697

(a) The individual quit work without just cause or has 85698  
been discharged for just cause in connection with the 85699  
individual's work, provided division (D)(2) of this section does 85700  
not apply to the separation of a person under any of the 85701  
following circumstances: 85702

(i) Separation from employment for the purpose of entering 85703

inducted into the armed forces within one of the following 85705  
periods: 85706

(I) Thirty days after separation; 85707

because of lack of work, to accept a separation from employment; 85714

(iii) The individual has left employment to accept a 85715  
recall from a prior employer or, except as provided in division 85716

other conditions of such concurrent employment were 85722  
substantially less favorable than the individual's most recent 85723  
employment and where such employment, if offered as new work, 85724  
would be considered not suitable under the provisions of 85725  
divisions (E) and (F) of this section. Any benefits that would 85726  
otherwise be chargeable to the account of the employer from whom 85727  
an individual has left employment or was separated from 85728  
employment that was concurrent employment under conditions 85729  
described in division (D) (2) (a) (iii) of this section, shall 85730  
instead be charged to the mutualized account created by division 85731  
(B) of section 4141.25 of the Revised Code, except that any 85732  
benefits chargeable to the account of a reimbursing employer 85733

under division (D) (2) (a) (iii) of this section shall be charged 85734  
to the account of the reimbursing employer and not to the 85735  
mutualized account, except as provided in division (D) (2) of 85736  
section 4141.24 of the Revised Code. 85737

(iv) When an individual has been issued a definite layoff 85738  
date by the individual's employer and before the layoff date, 85739  
the individual quits to accept other employment, the provisions 85740  
of division (D) (2) (a) (iii) of this section apply and no 85741  
disqualification shall be imposed under division (D) of this 85742  
section. However, if the individual fails to meet the employment 85743  
and earnings requirements of division (A) (2) of section 4141.291 85744  
of the Revised Code, then the individual, pursuant to division 85745  
(A) (5) of this section, shall be ineligible for benefits for any 85746  
week of unemployment that occurs prior to the layoff date. 85747

(v) The individual's spouse is a member of the armed 85748  
forces of the United States who is on active duty or a member of 85749  
the commissioned corps of the national oceanic and atmospheric 85750

U.S.C. 101. 85759

(b) The individual has refused without good cause to 85760  
accept an offer of suitable work when made by an employer either 85761  
in person or to the individual's last known address, or has 85762  
refused or failed to investigate a referral to suitable work 85763

when directed to do so by a local employment office of this 85764  
state or another state, provided that this division shall not 85765  
cause a disqualification for a waiting week or benefits under 85766  
the following circumstances: 85767

(i) When work is offered by the individual's employer and 85768  
the individual is not required to accept the offer pursuant to 85769  
the terms of the labor-management contract or agreement; or 85770

(ii) When the individual is attending a training course 85771  
pursuant to division (A) (4) of this section except, in the event 85772

(d) The individual became unemployed by reason of 85782  
commitment to any correctional institution. 85783

(e) The individual became unemployed because of dishonesty 85784  
in connection with the individual's most recent or any base 85785  
period work. Remuneration earned in such work shall be excluded 85786  
from the individual's total base period remuneration and 85787  
qualifying weeks that otherwise would be credited to the 85788  
individual for such work in the individual's base period shall 85789  
not be credited for the purpose of determining the total 85790  
benefits to which the individual is eligible and the weekly 85791  
benefit amount to be paid under section 4141.30 of the Revised 85792

Code. Such excluded remuneration and noncredited qualifying 85793  
weeks shall be excluded from the calculation of the maximum 85794  
amount to be charged, under division (D) of section 4141.24 and 85795

individual's base period employers. In addition, no benefits 85797  
shall thereafter be paid to the individual based upon such 85798  
excluded remuneration or noncredited qualifying weeks. 85799

conditions to inquire with the individual's employer for 85810  
available work assignments upon the conclusion of each work 85811  
assignment. 85812

(c) Suitable work assignments are available with the 85813  
employer, but the individual fails to contact the employer to 85814  
inquire about work assignments. 85815

(E) No individual otherwise qualified to receive benefits 85816  
shall lose the right to benefits by reason of a refusal to 85817  
accept new work if: 85818

(1) As a condition of being so employed the individual 85819  
would be required to join a company union, or to resign from or 85820  
refrain from joining any bona fide labor organization, or would 85821

be denied the right to retain membership in and observe the 85822  
lawful rules of any such organization. 85823

work the individual has been accustomed to do, and travel to the 85828  
place of work involves expenses substantially greater than that 85829  
required for the individual's former work, unless the expense is 85830  
provided for. 85831

(4) The remuneration, hours, or other conditions of the 85832  
work offered are substantially less favorable to the individual 85833  
than those prevailing for similar work in the locality. 85834

division (A) (4) (f) of this section and section 4141.301 of the 85836  
Revised Code, in determining whether any work is suitable for a 85837  
claimant in the administration of this chapter, the director, in 85838  
addition to the determination required under division (E) of 85839  
this section, shall consider the degree of risk to the 85840  
claimant's health, safety, and morals, the individual's physical 85841  
fitness for the work, the individual's prior training and 85842  
experience, the length of the individual's unemployment, the 85843  
distance of the available work from the individual's residence, 85844  
and the individual's prospects for obtaining local work. 85845

(G) The "duration of unemployment" as used in this section 85846  
means the full period of unemployment next ensuing after a 85847  
separation from any base period or subsequent work and until an 85848  
individual has become reemployed in employment subject to this 85849  
chapter, or the unemployment compensation act of another state, 85850

or of the United States, and until such individual has worked 85851

remuneration equal to six times an average weekly wage of not 85853  
less than: eighty-five dollars and ten cents per week beginning 85854  
on June 26, 1990; and beginning on and after January 1, 1992, 85855  
twenty-seven and one-half per cent of the statewide average 85856  
weekly wage as computed each first day of January under division 85857

this section, such term means the full period of unemployment 85860  
next ensuing after a separation from such work and until such 85861  
individual has become reemployed subject to the terms set forth 85862  
above, and has earned wages equal to one-half of the 85863  
individual's average weekly wage or sixty dollars, whichever is 85864  
less. 85865

the Revised Code, then benefits that may become payable to such 85870  
claimant, which are chargeable to the account of the employer 85871  
from whom the individual was separated under such conditions, 85872  
shall be charged to the mutualized account provided in section 85873  
4141.25 of the Revised Code, provided that no charge shall be 85874  
made to the mutualized account for benefits chargeable to a 85875  
reimbursing employer, except as provided in division (D) (2) of 85876  
section 4141.24 of the Revised Code. In the case of a 85877  
reimbursing employer, the director shall refund or credit to the 85878  
account of the reimbursing employer any over-paid benefits that 85879

December 31, 1977: 85892

(a) Benefits based on service in an instructional, 85893  
research, or principal administrative capacity in an institution 85894  
of higher education, as defined in division (Y) of section 85895  
4141.01 of the Revised Code; or for an educational institution 85896

successive academic years or terms, or during a similar period 85900  
between two regular but not successive terms or during a period 85901  
of paid sabbatical leave provided for in the individual's 85902  
contract, if the individual performs such services in the first 85903  
of those academic years or terms and has a contract or a 85904  
reasonable assurance that the individual will perform services 85905  
in any such capacity for any such institution in the second of 85906  
those academic years or terms. 85907

(b) Benefits based on service for an educational 85908  
institution or an institution of higher education in other than 85909  
an instructional, research, or principal administrative 85910  
capacity, shall not be paid to any individual for any week of 85911

unemployment which begins during the period between two 85912  
successive academic years or terms of the employing educational 85913  
institution or institution of higher education, provided the 85914  
individual performed those services for the educational 85915  
institution or institution of higher education during the first 85916  
such academic year or term and, there is a reasonable assurance 85917  
that such individual will perform those services for any 85918  
educational institution or institution of higher education in 85919  
the second of such academic years or terms. 85920

If compensation is denied to any individual for any week 85921  
under division (I) (1) (b) of this section and the individual was 85922  
not offered an opportunity to perform those services for an 85923  
institution of higher education or for an educational 85924  
institution for the second of such academic years or terms, the 85925  
individual is entitled to a retroactive payment of compensation 85926  
for each week for which the individual timely filed a claim for 85927  
compensation and for which compensation was denied solely by 85928  
reason of division (I) (1) (b) of this section. An application for 85929  
retroactive benefits shall be timely filed if received by the 85930  
director or the director's deputy within or prior to the end of 85931  
the fourth full calendar week after the end of the period for 85932  
which benefits were denied because of reasonable assurance of 85933  
employment. The provision for the payment of retroactive 85934  
benefits under division (I) (1) (b) of this section is applicable 85935  
to weeks of unemployment beginning on and after November 18, 85936  
1983. The provisions under division (I) (1) (b) of this section 85937  
shall be retroactive to September 5, 1982, only if, as a 85938  
condition for full tax credit against the tax imposed by the 85939  
"Federal Unemployment Tax Act," 53 Stat. 183 (1939), 26 U.S.C.A. 85940  
3301 to 3311, the United States secretary of labor determines 85941  
that retroactivity is required by federal law. 85942

(c) With respect to weeks of unemployment beginning after 85943  
December 31, 1977, benefits shall be denied to any individual 85944  
for any week which commences during an established and customary 85945  
vacation period or holiday recess, if the individual performs 85946  
any services described in divisions (I)(1)(a) and (b) of this 85947  
section in the period immediately before the vacation period or 85948  
holiday recess, and there is a reasonable assurance that the 85949  
individual will perform any such services in the period 85950  
immediately following the vacation period or holiday recess. 85951

(d) With respect to any services described in division (I) 85952  
(1)(a), (b), or (c) of this section, benefits payable on the 85953  
basis of services in any such capacity shall be denied as 85954  
specified in division (I)(1)(a), (b), or (c) of this section to 85955  
any individual who performs such services in an educational 85956  
institution or institution of higher education while in the 85957  
employ of an educational service agency. For this purpose, the 85958  
term "educational service agency" means a governmental agency or 85959  
governmental entity that is established and operated exclusively 85960  
for the purpose of providing services to one or more educational 85961  
institutions or one or more institutions of higher education. 85962

(e) Any individual employed by a county board of 85963  
developmental disabilities shall be notified by the thirtieth 85964  
day of April each year if the individual is not to be reemployed 85965  
the following academic year. 85966

(f) Any individual employed by a school district, other 85967  
than a municipal school district as defined in section 3311.71 85968  
of the Revised Code, shall be notified by the first day of June 85969  
each year if the individual is not to be reemployed the 85970  
following academic year. 85971

(2) No disqualification will be imposed, between academic 85972

years or terms or during a vacation period or holiday recess 85973  
under this division, unless the director or the director's 85974  
deputy has received a statement in writing from the educational 85975  
institution or institution of higher education that the claimant 85976  
has a contract for, or a reasonable assurance of, reemployment 85977  
for the ensuing academic year or term. 85978

(3) If an individual has employment with an educational 85979  
institution or an institution of higher education and employment 85980  
with a noneducational employer, during the base period of the 85981  
individual's benefit year, then the individual may become 85982  
eligible for benefits during the between-term, or vacation or 85983  
holiday recess, disqualification period, based on employment 85984  
performed for the noneducational employer, provided that the 85985  
employment is sufficient to qualify the individual for benefit 85986  
rights separately from the benefit rights based on school 85987  
employment. The weekly benefit amount and maximum benefits 85988  
payable during a disqualification period shall be computed based 85989  
solely on the nonschool employment. 85990

(J) Benefits shall not be paid on the basis of employment 85991  
performed by an alien, unless the alien had been lawfully 85992  
admitted to the United States for permanent residence at the 85993  
time the services were performed, was lawfully present for 85994  
purposes of performing the services, or was otherwise 85995  
permanently residing in the United States under color of law at 85996  
the time the services were performed, under section 212(d) (5) of 85997  
the "Immigration and Nationality Act," 66 Stat. 163, 8 U.S.C.A. 85998  
1101: 85999

(1) Any data or information required of individuals 86000  
applying for benefits to determine whether benefits are not 86001  
payable to them because of their alien status shall be uniformly 86002

required from all applicants for benefits. 86003

(2) In the case of an individual whose application for 86004  
benefits would otherwise be approved, no determination that 86005  
benefits to the individual are not payable because of the 86006  
individual's alien status shall be made except upon a 86007  
preponderance of the evidence that the individual had not, in 86008  
fact, been lawfully admitted to the United States. 86009

(K) The director shall establish and utilize a system of 86010  
profiling all new claimants under this chapter that: 86011

(1) Identifies which claimants will be likely to exhaust 86012  
regular compensation and will need job search assistance 86013  
services to make a successful transition to new employment; 86014

(2) Refers claimants identified pursuant to division (K) 86015  
(1) of this section to reemployment services, such as job search 86016  
assistance services, available under any state or federal law; 86017

(3) Collects follow-up information relating to the 86018  
services received by such claimants and the employment outcomes 86019  
for such claimant's subsequent to receiving such services and 86020  
utilizes such information in making identifications pursuant to 86021  
division (K) (1) of this section; and 86022

(4) Meets such other requirements as the United States 86023  
secretary of labor determines are appropriate. 86024

(L) Except as otherwise provided in division (A) (6) of 86025  
this section, ineligibility pursuant to division (A) of this 86026  
section shall begin on the first day of the week in which the 86027  
claimant becomes ineligible for benefits and shall end on the 86028  
last day of the week preceding the week in which the claimant 86029  
satisfies the eligibility requirements. 86030

(M) The director may adopt rules that the director  
considers necessary for the administration of division (A) of  
this section.

**Sec. 4141.33.** (A) As used in this section:

(1) "Reasonable assurance" means a written, verbal, or  
implied agreement that the individual will perform services in  
the same or similar capacity during the ensuing sports season or  
seasonal period.

(2) "Seasonal employment" means employment of individuals  
hired primarily to perform services in an industry which because  
of climatic conditions or because of the seasonal nature of such  
industry it is customary to operate only during regularly  
recurring periods of forty weeks or less in any consecutive  
fifty-two weeks.

(3) "Seasonal employer" means an employer determined by  
the director of job and family services to be an employer whose  
operations and business, with the exception of certain  
administrative and maintenance operations, are substantially all  
in a seasonal industry.

(4) "Significantly" means forty per cent or more of an  
individual's base period consists of services performed in  
seasonal employment.

(B) Any employer who claims to have seasonal employment in  
a seasonal industry may file with the director a written  
application for classification of such employment as seasonal.  
Whenever in any industry it is customary to operate because of  
climatic conditions or because of the seasonal nature of such  
industry only during regularly recurring periods of forty weeks  
or less duration, benefits shall be payable only during the

longest seasonal periods which the best practice of such 86060  
industry will reasonably permit. The director shall determine, 86061  
~~after investigation, hearing, and due notice,~~ whether the 86062  
industry is seasonal and, if seasonal, establish seasonal 86063  
periods for such seasonal employer. The director shall make the 86064  
determination based on the application for classification filed 86065  
under this section and any other relevant information available. 86066  
Until such determination by the director, no industry or 86067  
employment shall be deemed seasonal. 86068

(C) When the director has determined such seasonal 86069  
periods, the director shall also establish the proportionate 86070  
number of weeks of employment and earnings required to qualify 86071  
for seasonal benefit rights in place of the weeks of employment 86072  
and earnings requirement stipulated in division (R) of section 86073  
4141.01 and section 4141.30 of the Revised Code, and the 86074  
proportionate number of weeks for which seasonal benefits may be 86075  
paid. An individual whose base period employment consists of 86076  
only seasonal employment for a single seasonal employer and who 86077  
meets the employment and earnings requirements determined by the 86078  
director pursuant to this division will have benefit rights 86079  
determined in accordance with this division, except benefits 86080  
shall not be paid for any week between two successive seasonal 86081  
periods. Benefit charges for such seasonal employment shall be 86082  
computed and charged in accordance with division (D) of section 86083  
4141.24 of the Revised Code. The director may adopt rules for 86084  
implementation of this section. 86085

(D) An individual whose base period employment consists of 86086  
either seasonal employment with two or more seasonal employers 86087  
or both seasonal employment and nonseasonal employment with 86088  
employers subject to this chapter, will have benefit rights 86089  
determined in accordance with division (R) of section 4141.01 86090

and section 4141.30 of the Revised Code. Benefit charges for 86091  
both seasonal and nonseasonal employment shall be computed and 86092  
charged in accordance with division (D) of section 4141.24 of 86093  
the Revised Code. The total seasonal and nonseasonal benefits 86094  
during a benefit year cannot exceed twenty-six times the weekly 86095  
benefit amount. Effective October 30, 2011, an individual who 86096  
performs services that significantly consist of services 86097  
performed in seasonal employment shall not be paid benefits for 86098  
those services for any week in the period between two successive 86099  
seasonal periods if the individual performed those services in 86100  
the first of the seasonal periods and there is reasonable 86101  
assurance that the individual will perform those services in the 86102  
later of the seasonal periods. The director shall adopt rules 86103  
for the implementation of this division. 86104

(E) Benefits shall not be paid to any individual on the 86105  
basis of any services, substantially all of which consist of 86106  
participating in sports or athletic events or training or 86107  
preparing to so participate, for any week which commences during 86108  
the period between two successive sport seasons, or similar 86109  
periods, if the individual performed services in the first of 86110  
the seasons, or similar periods, and there is a reasonable 86111  
assurance that the individual will perform services in the later 86112  
of the seasons, or similar periods. 86113

(F) The director shall adopt rules concerning the 86114  
eligibility for benefits of individuals under divisions (D) and 86115  
(E) of this section. 86116

the permit for which the owner or operator applies and formerly 86552  
held, notwithstanding any quota. 86553

A D-5a permit shall not be transferred to another 86554

Any person who has held a D-5c permit for at least two 86651  
years may apply for a D-5 permit, and the division of liquor 86652  
control shall issue the D-5 permit notwithstanding the quota 86653

accordance with this section for personal consumption only and 87290  
not for resale or other commercial purposes. 87291

(B) (1) The division of liquor control may issue an S-2 87292

comply with division (D) (1) of this section. 87325

(2) Upon delivering a shipment of wine to a personal 87326  
consumer, an H permit holder, or an employee of the permit 87327  
holder, shall verify that the personal consumer is at least 87328

twenty-one years of age by checking the personal consumer's 87329

name and address of each personal consumer that purchased wine 87343  
from the S-2 permit holder in accordance with this section, the 87344  
quantity of wine purchased by each personal consumer, and any 87345  
other information requested by the division. If the S-2 permit 87346  
holder uses a fulfillment warehouse registered under section 87347  
4303.234 of the Revised Code to send a shipment of wine on 87348  
behalf of the S-2 permit holder, the S-2 permit holder need not 87349

accordance with section 4303.271 of the Revised Code, except 87363  
that the renewal shall not be subject to the notice and hearing 87364

division (C) of this section; 87370

(b) Pay the permit fee; 87371

(c) Comply with this section or any rules adopted by the 87372  
liquor control commission under section 4301.03 of the Revised 87373  
Code. 87374

(G) The ~~initial fee~~ for the S-2 permit is two hundred 87375  
fifty dollars. ~~The renewal fee for the S-2 permit is one hundred~~ 87376  
~~dollars.~~ 87377

**Sec. 4305.131.** (A) If any permit holder fails to pay the 87378  
taxes levied by section 4301.42, 4301.43, 4301.432, or 4305.01 87379  
of the Revised Code in the manner prescribed by section 4303.33 87380  
of the Revised Code, or by section 4301.421 or 4301.424 of the 87381  
Revised Code in the manner prescribed in section 4301.422 of the 87382  
Revised Code, and by the rules of the tax commissioner, the 87383  
commissioner may make an assessment against the permit holder 87384  
based upon any information in the commissioner's possession. 87385

No assessment shall be made against any permit holder for 87386  
any taxes imposed by section 4301.42, 4301.421, 4301.424, 87387  
4301.43, 4301.432, or 4305.01 of the Revised Code more than 87388  
three years after the last day of the calendar month in which 87389  
the sale was made or more than three years after the return for 87390  
that period is filed, whichever is later. This section does not 87391  
bar an assessment against any permit holder or registrant as 87392  
provided in section 4303.331 of the Revised Code who fails to 87393  
file a return as required by section 4301.422 or 4303.33 of the 87394  
Revised Code, or who files a fraudulent return. 87395

A penalty of up to thirty per cent may be added to the 87396  
amount of every assessment made under this section. The 87397  
commissioner may adopt rules providing for the imposition and 87398  
remission of penalties added to assessments made under this 87399  
section. 87400

The commissioner shall give the party assessed written 87401  
notice of the assessment in the manner provided in section 87402  
5703.37 of the Revised Code. With the notice, the commissioner 87403  
shall provide instructions on how to petition for reassessment 87404  
and request a hearing on the petition. 87405

(B) Unless the party assessed files with the tax 87406  
commissioner within sixty days after service of the notice of 87407  
assessment, ~~either personally or by certified mail,~~ a written 87408  
petition for reassessment, signed by the party assessed or that 87409  
party's authorized agent having knowledge of the facts, the 87410  
assessment becomes final and the amount of the assessment is due 87411  
and payable from the party assessed to the treasurer of state. 87412  
The petition shall indicate the objections of the party 87413  
assessed, but additional objections may be raised in writing if 87414  
received by the commissioner prior to the date shown on the 87415

final determination. If the petition has been properly filed, 87416  
the commissioner shall proceed under section 5703.60 of the 87417  
Revised Code. 87418

(C) After an assessment becomes final, if any portion of 87419  
the assessment remains unpaid, including accrued interest, a 87420  
certified copy of the tax commissioner's entry making the 87421  
assessment final may be filed in the office of the clerk of the 87422  
court of common pleas in the county in which the permit holder's 87423  
place of business is located or the county in which the party 87424  
assessed resides. If the party assessed maintains no place of 87425  
business in this state and is not a resident of this state, the 87426  
certified copy of the entry may be filed in the office of the 87427  
clerk of the court of common pleas of Franklin county. 87428

Immediately upon the filing of the entry, the clerk shall 87429  
enter a judgment for the state against the party assessed in the 87430  
amount shown on the entry. The judgment may be filed by the 87431  
clerk in a loose-leaf book entitled "special judgments for state 87432  
beer and liquor sales taxes," and shall have the same effect as 87433  
other judgments. Execution shall issue upon the judgment upon 87434  
the request of the commissioner, and all laws applicable to 87435  
sales on execution shall apply to sales made under the judgment, 87436  
except as otherwise provided in this chapter and Chapters 4301. 87437  
and 4307. of the Revised Code. 87438

If the assessment is not paid in its entirety within sixty 87439  
days after the day the assessment was issued, the portion of the 87440  
assessment consisting of tax due shall bear interest at the rate 87441  
per annum prescribed by section 5703.47 of the Revised Code from 87442  
the day the commissioner issues the assessment until it is paid 87443  
or until it is certified to the attorney general for collection 87444  
under section 131.02 of the Revised Code, whichever comes first. 87445

registrar determines are necessary, and may take the depositions 89121

the registrar may issue a subpoena for any witness or a subpoena 89125

interrogated, the court of common pleas of any county where the 89140  
disobedience, neglect, or refusal occurs or any judge of that 89141  
court, on application by the registrar, shall compel obedience 89142  
by attachment proceedings for contempt, as in the case of 89143  
disobedience of the requirements of a subpoena issued from that 89144  
court, or a refusal to testify in that court. 89145

(4) Nothing in division (E) of this section shall be 89146  
construed to require a hearing of any nature prior to the 89147  
termination of any deputy registrar contract by the registrar, 89148  
with the approval of the director, for cause. 89149

(F) Except as provided in section 2743.03 of the Revised 89150

that will cause the unavoidable delay and must be received by 89340  
the tax commissioner on or before the last day of the month 89341  
preceding the day delivery of the duplicate is otherwise 89342  
required. When an extension is granted for delivery of the 89343  
duplicate, the time period for payment of taxes shall be 89344  
extended for a like period of time. When a delay in the closing 89345  
of a tax collection period becomes unavoidable, the tax 89346  
commissioner, upon application by the county auditor and county 89347  
treasurer, may order the time for payment of taxes to be 89348  
extended if the tax commissioner determines that penalties have 89349

this section by filing a written request with the county auditor 89357

the first day of December of any year. Upon the filing of the 89359  
request, the county auditor shall determine whether all taxes 89360  
levied under division (D) (1) of this section have been paid, and 89361  
if those taxes have been paid, the county auditor shall tax the 89362  
manufactured or mobile home pursuant to division (D) (2) of this 89363  
section commencing in the next tax year. 89364

(5) A manufactured or mobile home that acquired situs in 89365

division (D) (2) of this section if no manufactured home tax had 89367  
been paid for the home and the home was not exempted from 89368  
taxation pursuant to division (E) of this section for the year 89369  
for which the taxes were not paid. 89370

(6) (a) Immediately upon receipt of any manufactured home 89371  
tax duplicate from the county auditor, but not less than twenty 89372

duplicate or the agent designated by that person a second tax 89381  
bill showing the amount due at the time of the second tax 89382  
collection. The second half tax bill shall be mailed or 89383  
delivered at least twenty days prior to the close of the second 89384  
half tax collection period. A change in the mailing address, 89385  
electronic mail address, or telephone number of any tax bill 89386  
shall be made in writing to the county treasurer. Failure to 89387

receive a bill required by this section does not excuse failure 89388  
or delay to pay any taxes shown on the bill or, except as 89389  
provided in division (B) (1) of section 5715.39 of the Revised 89390  
Code, avoid any penalty, interest, or charge for such delay. 89391

A policy adopted by a county treasurer under division (A) 89392  
(2) of section 323.13 of the Revised Code shall also allow any 89393  
person required to receive a tax bill under division (D) (6) (a) 89394  
of this section to request electronic delivery of that tax bill 89395  
in the same manner. A person may rescind such a request in the 89396  
same manner as a request made under division (A) (2) of section 89397  
323.13 of the Revised Code. The request shall terminate upon a 89398  
change in the name of the person charged with the taxes pursuant 89399  
to section 4503.061 of the Revised Code. 89400

(b) After delivery of the copy of the delinquent 89401  
manufactured home tax list under division (H) of this section, 89402  
the county treasurer may prepare and mail to each person in 89403  
whose name a home is listed an additional tax bill showing the 89404  
total amount of delinquent taxes charged against the home as 89405  
shown on the list. The tax bill shall include a notice that the 89406  
interest charge prescribed by division (G) of this section has 89407  
begun to accrue. 89408

(7) Each tax bill prepared and mailed or delivered under 89409  
division (D) (6) of this section shall be in the form and contain 89410  
the information required by the tax commissioner. The 89411  
commissioner may prescribe different forms for each county and 89412  
may authorize the county auditor to make up tax bills and tax 89413  
receipts to be used by the county treasurer. The tax bill shall 89414  
not contain or be mailed or delivered with any information or 89415  
material that is not required by this section or that is not 89416  
authorized by section 321.45 of the Revised Code or by the tax 89417

commissioner. In addition to the information required by the 89418  
commissioner, each tax bill shall contain the following 89419

paid within sixty days after the county auditor delivers the 89424  
delinquent manufactured home tax list to the county treasurer, 89425  
you and your home may be subject to collection proceedings for 89426  
tax delinquency." Failure to provide such notice has no effect 89427  
upon the validity of any tax judgment to which a home may be 89428  
subjected. 89429

against this home have been reduced by the 2-1/2 per cent tax 89436  
reduction for residences occupied by the owner but the home is 89437  
not a residence occupied by the owner, the owner must notify the 89438  
county auditor's office not later than March 31 of the year for 89439  
which the taxes are due. Failure to do so may result in the 89440  
owner being convicted of a fourth degree misdemeanor, which is 89441  
punishable by imprisonment up to 30 days, a fine up to \$250, or 89442  
both, and in the owner having to repay the amount by which the 89443  
taxes were erroneously or illegally reduced, plus any interest 89444  
that may apply. 89445

If the taxes charged against this home have not been 89446

reduced by the 2-1/2 per cent tax reduction and the home is a 89447  
residence occupied by the owner, the home may qualify for the 89448  
tax reduction. To obtain an application for the tax reduction or 89449  
further information, the owner may contact the county auditor's 89450  
office at \_\_\_\_\_ (insert the address and telephone number of 89451

(b) of this section, if one-half of the current taxes charged 89511  
under this section against a manufactured or mobile home, 89512  
together with the full amount of any delinquent taxes, are not 89513  
paid on or before the first day of March in that year, or on or 89514  
before the last day for such payment as extended pursuant to 89515  
section 4503.063 of the Revised Code, a penalty of ten per cent 89516  
shall be charged against the unpaid balance of such half of the 89517  
current taxes. If the total amount of all such taxes is not paid 89518  
on or before the thirty-first day of July, next thereafter, or 89519  
on or before the last day for payment as extended pursuant to 89520  
section 4503.063 of the Revised Code, a like penalty shall be 89521  
charged on the balance of the total amount of the unpaid current 89522  
taxes. 89523

(b) After a valid delinquent tax contract that includes 89524  
unpaid current taxes from a first-half collection period 89525  
described in division (F) of this section has been entered into 89526  
under section 323.31 of the Revised Code, no ten per cent 89527  
penalty shall be charged against such taxes after the second- 89528  
half collection period while the delinquent tax contract remains 89529  
in effect. On the day a delinquent tax contract becomes void, 89530  
the ten per cent penalty shall be charged against such taxes and 89531  
shall equal the amount of penalty that would have been charged 89532  
against unpaid current taxes outstanding on the date on which 89533  
the second-half penalty would have been charged thereon under 89534

division (G) (1) (a) of this section if the contract had not been 89535  
in effect. 89536

(2) (a) On the first day of the month following the last 89537  
day the second installment of taxes may be paid without penalty 89538  
beginning in 2000, interest shall be charged against and 89539  
computed on all delinquent taxes other than the current taxes 89540  
that became delinquent taxes at the close of the last day such 89541  
second installment could be paid without penalty. The charge 89542  
shall be for interest that accrued during the period that began 89543  
on the preceding first day of December and ended on the last day 89544  
of the month that included the last date such second installment 89545  
could be paid without penalty. The interest shall be computed at 89546  
the rate per annum prescribed by section 5703.47 of the Revised 89547  
Code and shall be entered as a separate item on the delinquent 89548  
manufactured home tax list compiled under division (H) of this 89549  
section. 89550

(b) On the first day of December beginning in 2000, the 89551  
interest shall be charged against and computed on all delinquent 89552  
taxes. The charge shall be for interest that accrued during the 89553  
period that began on the first day of the month following the 89554  
last date prescribed for the payment of the second installment 89555  
of taxes in the current year and ended on the immediately 89556  
preceding last day of November. The interest shall be computed 89557  
at the rate per annum prescribed by section 5703.47 of the 89558  
Revised Code and shall be entered as a separate item on the 89559  
delinquent manufactured home tax list. 89560

(c) After a valid undertaking has been entered into for 89561  
the payment of any delinquent taxes, no interest shall be 89562  
charged against such delinquent taxes while the undertaking 89563  
remains in effect in compliance with section 323.31 of the 89564

Revised Code. If a valid undertaking becomes void, interest 89565  
shall be charged against the delinquent taxes for the periods 89566  
that interest was not permitted to be charged while the 89567  
undertaking was in effect. The interest shall be charged on the 89568  
day the undertaking becomes void and shall equal the amount of 89569  
interest that would have been charged against the unpaid 89570  
delinquent taxes outstanding on the dates on which interest 89571  
would have been charged thereon under divisions (G) (1) and (2) 89572  
of this section had the undertaking not been in effect. 89573

(3) If the full amount of the taxes due at either of the 89574  
times prescribed by division (F) of this section is paid within 89575  
ten days after such time, the county treasurer shall waive the 89576  
collection of and the county auditor shall remit one-half of the 89577  
penalty provided for in this division for failure to make that 89578  
payment by the prescribed time. 89579

(4) The treasurer shall compile and deliver to the county 89580  
auditor a list of all tax payments the treasurer has received as 89581  
provided in division (G) (3) of this section. The list shall 89582  
include any information required by the auditor for the 89583  
remission of the penalties waived by the treasurer. The taxes so 89584  
collected shall be included in the settlement next succeeding 89585  
the settlement then in process. 89586

(H) (1) The county auditor shall compile annually a 89587  
"delinquent manufactured home tax list" consisting of homes the 89588  
county treasurer's records indicate have taxes that were not 89589  
paid within the time prescribed by divisions (D) (3) and (F) of 89590  
this section, have taxes that remain unpaid from prior years, or 89591  
have unpaid tax penalties or interest that have been assessed. 89592

(2) Within thirty days after the settlement under division 89593  
(H) (2) of section 321.24 of the Revised Code, the county auditor 89594

shall deliver a copy of the delinquent manufactured home tax 89595  
list to the county treasurer. The auditor shall update and 89596  
publish the delinquent manufactured home tax list annually in 89597  
the same manner as delinquent real property tax lists are 89598  
published. The county auditor may apportion the cost of 89599  
publishing the list among taxing districts in proportion to the 89600  
amount of delinquent manufactured home taxes so published that 89601  
each taxing district is entitled to receive upon collection of 89602  
those taxes, or the county auditor may charge the owner of a 89603  
home on the list a flat fee established under section 319.54 of 89604  
the Revised Code for the cost of publishing the list and, if the 89605  
fee is not paid, may place the fee upon the delinquent 89606  
manufactured home tax list as a lien on the listed home, to be 89607  
collected as other manufactured home taxes. 89608

(3) When taxes, penalties, or interest are charged against 89609  
a person on the delinquent manufactured home tax list and are 89610  
not paid within sixty days after the list is delivered to the 89611  
county treasurer, the county treasurer shall, in addition to any 89612  
other remedy provided by law for the collection of taxes, 89613  
penalties, and interest, enforce collection of such taxes, 89614  
penalties, and interest by civil action in the name of the 89615  
treasurer against the owner for the recovery of the unpaid taxes 89616  
following the procedures for the recovery of delinquent real 89617  
property taxes in sections 323.25 to 323.28 of the Revised Code. 89618  
The action may be brought in municipal or county court, provided 89619  
the amount charged does not exceed the monetary limitations for 89620  
original jurisdiction for civil actions in those courts. 89621

It is sufficient, having made proper parties to the suit, 89622  
for the county treasurer to allege in the treasurer's bill of 89623  
particulars or petition that the taxes stand chargeable on the 89624  
books of the county treasurer against such person, that they are 89625

due and unpaid, and that such person is indebted in the amount 89626  
of taxes appearing to be due the county. The treasurer need not 89627  
set forth any other matter relating thereto. If it is found on 89628  
the trial of the action that the person is indebted to the 89629  
state, judgment shall be rendered in favor of the county 89630  
treasurer prosecuting the action. The judgment debtor is not 89631  
entitled to the benefit of any law for stay of execution or 89632  
exemption of property from levy or sale on execution in the 89633  
enforcement of the judgment. 89634

Upon the filing of an entry of confirmation of sale or an 89635  
order of forfeiture in a proceeding brought under this division, 89636  
title to the manufactured or mobile home shall be in the 89637  
purchaser. The clerk of courts shall issue a certificate of 89638  
title to the purchaser upon presentation of proof of filing of 89639  
the entry of confirmation or order and, in the case of a 89640  
forfeiture, presentation of the county auditor's certificate of 89641  
sale. 89642

(I) The total amount of taxes collected shall be 89643  
distributed in the following manner: four per cent shall be 89644  
allowed as compensation to the county auditor for the county 89645  
auditor's service in assessing the taxes; two per cent shall be 89646  
allowed as compensation to the county treasurer for the services 89647  
the county treasurer renders as a result of the tax levied by 89648  
this section. Such amounts shall be paid into the county 89649  
treasury, to the credit of the county general revenue fund, on 89650  
the warrant of the county auditor. Fees to be paid to the credit 89651  
of the real estate assessment fund shall be collected pursuant 89652  
to division (C) of section 319.54 of the Revised Code and paid 89653  
into the county treasury, on the warrant of the county auditor. 89654  
The balance of the taxes collected shall be distributed among 89655  
the taxing subdivisions of the county in which the taxes are 89656

collected and paid in the same proportions that the amount of 89657  
manufactured home tax levied by each taxing subdivision of the 89658  
county in the current tax year bears to the amount of such tax 89659  
levied by all such subdivisions in the county in the current tax 89660  
year. The taxes levied and revenues collected under this section 89661  
shall be in lieu of any general property tax and any tax levied 89662  
with respect to the privilege of using or occupying a 89663  
manufactured or mobile home in this state except as provided in 89664  
sections 4503.04 and 5741.02 of the Revised Code. 89665

(J) An agreement to purchase or a bill of sale for a 89666  
manufactured home shall show whether or not the furnishings and 89667  
equipment are included in the purchase price. 89668

(K) If the county treasurer and the county prosecuting 89669  
attorney agree that an item charged on the delinquent 89670  
manufactured home tax list is uncollectible, they shall certify 89671  
that determination and the reasons to the county board of 89672  
revision. If the board determines the amount is uncollectible, 89673  
it shall certify its determination to the county auditor, who 89674  
shall strike the item from the list. 89675

(L) (1) The county auditor shall appraise at its true value 89676  
any manufactured or mobile home in which ownership is 89677  
transferred or which first acquires situs in this state on or 89678  
after January 1, 2000, and any manufactured or mobile home the 89679  
owner of which has elected, under division (D) (4) of this 89680  
section, to have the home taxed under division (D) (2) of this 89681  
section. The true value shall include the value of the home, any 89682  
additions, and any fixtures, but not any furnishings in the 89683  
home. In determining the true value of a manufactured or mobile 89684  
home, the auditor shall consider all facts and circumstances 89685  
relating to the value of the home, including its age, its 89686

capacity to function as a residence, any obsolete 89687  
characteristics, and other factors that may tend to prove its 89688  
true value. 89689

(2) (a) If a manufactured or mobile home has been the 89690  
subject of an arm's length sale between a willing seller and a 89691  
willing buyer within a reasonable length of time prior to the 89692  
determination of true value, the county auditor shall consider 89693  
the sale price of the home to be the true value for taxation 89694  
purposes. 89695

(b) The sale price in an arm's length transaction between 89696  
a willing seller and a willing buyer shall not be considered the 89697  
true value of the home if either of the following occurred after 89698  
the sale: 89699

(i) The home has lost value due to a casualty. 89700

(ii) An addition or fixture has been added to the home. 89701

(3) The county auditor shall have each home viewed and 89702  
appraised at least once in each six-year period in the same year 89703  
in which real property in the county is appraised pursuant to 89704  
Chapter 5713. of the Revised Code, and shall update the 89705  
appraised values in the third calendar year following the 89706  
appraisal. The person viewing or appraising a home may enter the 89707  
home to determine by actual view any additions or fixtures that 89708  
have been added since the last appraisal. In conducting the 89709  
appraisals and establishing the true value, the auditor shall 89710  
follow the procedures set forth for appraising real property in 89711  
sections 5713.01 and 5713.03 of the Revised Code. 89712

(4) The county auditor shall place the true value of each 89713  
home on the manufactured home tax list upon completion of an 89714  
appraisal. 89715

(5) (a) If the county auditor changes the true value of a home, the auditor shall notify the owner of the home in writing, delivered by mail or in person. The notice shall be given at least thirty days prior to the issuance of any tax bill that reflects the change. Failure to receive the notice does not invalidate any proceeding under this section.

(b) Any owner of a home or any other person or party that would be authorized to file a complaint under division (A) of section 5715.19 of the Revised Code if the home was real property may file a complaint against the true value of the home as appraised under this section. The complaint shall be filed with the county auditor on or before the thirty-first day of March of the current tax year or the date of closing of the collection for the first half of manufactured home taxes for the current tax year, whichever is later. The auditor shall present to the county board of revision all complaints filed with the auditor under this section. The board shall hear and investigate the complaint and may take action on it as provided under sections 5715.11 to 5715.19 of the Revised Code.

(c) If the county board of revision determines, pursuant to a complaint against the valuation of a manufactured or mobile home filed under this section, that the amount of taxes, assessments, or other charges paid was in excess of the amount due based on the valuation as finally determined, then the overpayment shall be refunded in the manner prescribed in section 5715.22 of the Revised Code.

(d) Payment of all or part of a tax under this section for any year for which a complaint is pending before the county board of revision does not abate the complaint or in any way affect the hearing and determination thereof.

(M) If the county auditor determines that any tax or other charge or any part thereof has been erroneously charged as a result of a clerical error as defined in section 319.35 of the Revised Code, the county auditor shall call the attention of the county board of revision to the erroneous charges. If the board finds that the taxes or other charges have been erroneously charged or collected, it shall certify the finding to the auditor. Upon receipt of the certification, the auditor shall remove the erroneous charges on the manufactured home tax list or delinquent manufactured home tax list in the same manner as is prescribed in section 319.35 of the Revised Code for erroneous charges against real property, and refund any erroneous charges that have been collected, with interest, in the same manner as is prescribed in section 319.36 of the Revised Code for erroneous charges against real property.

request an administrative hearing before the registrar, who 92601  
shall provide the person with an opportunity for a hearing in 92602  
accordance with this paragraph. A request for a hearing does not 92603

shall be limited to whether, at the time of the hearing, the 92605  
person presents proof of financial responsibility covering the 92606  
vehicle and whether the person is eligible for an exemption in 92607

hearing; provided, that the hearing shall be held, and an order 92610  
issued or findings made, within thirty days after the registrar 92611  
receives a request for a hearing. If requested by the person, 92612  
the hearing may be held remotely by electronic means. If 92613  
requested by the person in writing, the registrar may designate 92614  
as the place of hearing the county seat of the county in which 92615  
the person resides or a place within fifty miles of the person's 92616  
residence. Such person shall pay the cost of the hearing before 92617  
the registrar, if the registrar's order of suspension under 92618  
division (D) (5) (a) or (b) of this section is upheld. 92619

(6) Any forms used by law enforcement agencies in 92620  
administering this section shall be prescribed, supplied, and 92621  
paid for by the registrar. 92622

(7) No peace officer, law enforcement agency employing a 92623

to cover costs incurred by the bureau in the administration of 92636  
this section and sections 4503.20, 4507.212, and 4509.81 of the 92637  
Revised Code, and by any law enforcement agency employing any 92638

peace officer who returns any license to the registrar pursuant 92639  
to division (C) of this section. 92640

registrar collects pursuant to division (A) (5) (a) of this 92642  
section or receives from a deputy registrar under division (A) 92643  
(5) (c) of this section, the registrar shall deposit ten dollars 92644  
of each forty-dollar reinstatement fee, fifty dollars of each 92645  
three-hundred-dollar reinstatement fee, and one hundred dollars 92646

treasury to the credit of the indigent defense support fund 92648  
created by section 120.08 of the Revised Code. 92649

(F) Chapter 119. of the Revised Code applies to this 92650  
section only to the extent that any provision in that chapter is 92651

responsibility in a manner described in division (G)(1) of this 92683  
section, the person may demonstrate proof of financial 92684

representatives and has no legal effect except for the purpose 92698  
of administering this section. 92699

(b) The preparation and delivery of a financial 92700  
responsibility identification card or any other document 92701

the generation and delivery of proof of financial responsibility 92703  
to an electronic wireless communications device that is 92704  
displayed on the device as text or images does not do any of the 92705  
following: 92706

action alleged to have arisen under an insurance policy or 92715  
surety bond or by reason of the preparation and delivery of a 92716  
document for use as proof of financial responsibility or the 92717  
generation and delivery of proof of financial responsibility to 92718  
an electronic wireless communications device. 92719

(c) Whenever it is determined by a final judgment in a 92720  
judicial proceeding that an insurer or surety, which has been 92721  
named on a document or displayed on an electronic wireless 92722  
communications device accepted by a court or the registrar as 92723  
proof of financial responsibility covering the operation of a 92724  
motor vehicle at the time of an accident or offense, is not 92725

liable to pay a judgment for injuries or damages resulting from 92726  
such operation, the registrar, notwithstanding any previous 92727  
contrary finding, shall forthwith suspend the operating 92728  
privileges and registration rights of the person against whom 92729  
the judgment was rendered as provided in division (A) (2) of this 92730  
section. 92731

(H) In order for any document or display of text or images 92732  
on an electronic wireless communications device described in 92733  
division (G) (1) of this section to be used for the demonstration 92734  
of proof of financial responsibility under this section, the 92735  
document or words or images shall state the name of the insured 92736  
or obligor, the name of the insurer or surety company, and the 92737  
effective and expiration dates of the financial responsibility, 92738  
and designate by explicit description or by appropriate 92739  
reference all motor vehicles covered which may include a 92740  
reference to fleet insurance coverage. 92741

(I) For purposes of this section, "owner" does not include 92742  
a licensed motor vehicle leasing dealer as defined in section 92743  
4517.01 of the Revised Code, but does include a motor vehicle 92744  
renting dealer as defined in section 4549.65 of the Revised 92745  
Code. Nothing in this section or in section 4509.51 of the 92746  
Revised Code shall be construed to prohibit a motor vehicle 92747  
renting dealer from entering into a contractual agreement with a 92748  
person whereby the person renting the motor vehicle agrees to be 92749  
solely responsible for maintaining proof of financial 92750  
responsibility, in accordance with this section, with respect to 92751  
the operation, maintenance, or use of the motor vehicle during 92752  
the period of the motor vehicle's rental. 92753

(J) The purpose of this section is to require the 92754  
maintenance of proof of financial responsibility with respect to 92755

the operation of motor vehicles on the highways of this state, 92756  
so as to minimize those situations in which persons are not 92757  
compensated for injuries and damages sustained in motor vehicle 92758  
accidents. The general assembly finds that this section contains 92759  
reasonable civil penalties and procedures for achieving this 92760  
purpose. 92761

(K) Nothing in this section shall be construed to be 92762  
subject to section 4509.78 of the Revised Code. 92763

(L) (1) The registrar may terminate any suspension imposed 92764  
under this section and not require the owner to comply with 92765  
division (A) (5) of this section if the registrar with or without 92766  
a hearing determines that the owner of the vehicle has 92767  
established by clear and convincing evidence that all of the 92768  
following apply: 92769

(a) The owner customarily maintains proof of financial 92770  
responsibility. 92771

(b) Proof of financial responsibility was not in effect 92772  
for the vehicle on the date in question for one of the following 92773  
reasons: 92774

(i) The vehicle was inoperable. 92775

(ii) The vehicle is operated only seasonally, and the date 92776  
in question was outside the season of operation. 92777

(iii) A person other than the vehicle owner or driver was 92778  
at fault for the lapse of proof of financial responsibility 92779  
through no fault of the owner or driver. 92780

(iv) The lapse of proof of financial responsibility was 92781  
caused by excusable neglect under circumstances that are not 92782  
likely to recur and do not suggest a purpose to evade the 92783

requirements of this chapter. 92784

(2) The registrar may grant an owner or driver relief for 92785  
a reason specified in division (L) (1) (b) (iii) or (iv) of this 92786  
section only if the owner or driver has not previously been 92787  
granted relief under division (L) (1) (b) (iii) or (iv) of this 92788  
section. 92789

(M) The registrar shall adopt rules in accordance with 92790  
Chapter 119. of the Revised Code that are necessary to 92791  
administer and enforce this section. The rules shall include 92792  
provisions relating to acceptable forms of proof of financial 92793  
responsibility, the use of an electronic wireless communications 92794  
device to present proof of financial responsibility, and 92795  
verification of the existence of financial responsibility during 92796  
the period of registration. 92797

(N) (1) When a person utilizes an electronic wireless 92798  
communications device to present proof of financial 92799  
responsibility, only the evidence of financial responsibility 92800  
displayed on the device shall be viewed by the registrar, peace 92801  
officer, employee or official of the traffic violations bureau, 92802  
or the court. No other content of the device shall be viewed for 92803  
purposes of obtaining proof of financial responsibility. 92804

(2) When a person provides an electronic wireless 92805  
communications device to the registrar, a peace officer, an 92806  
employee or official of a traffic violations bureau, or the 92807  
court, the person assumes the risk of any resulting damage to 92808  
the device unless the registrar, peace officer, employee, or 92809  
official, or court personnel purposely, knowingly, or recklessly 92810  
commits an action that results in damage to the device. 92811

**Sec. 4509.70.** (A) After consultation with the insurance 92812

companies authorized to issue automobile liability or physical 92813  
damage policies, or both, in this state, the superintendent of 92814  
insurance shall approve a reasonable plan, fair and equitable to 92815  
the insurers and to their policyholders, for the apportionment 92816  
among such companies of applicants for such policies and for 92817  
motor-vehicle liability policies who are in good faith entitled 92818  
to but are unable to procure such policies through ordinary 92819  
methods. When any such plan has been approved by the 92820  
superintendent, all such insurance companies shall subscribe and 92821  
participate. Any applicant for such policy, any person insured 92822  
under such plan of operation, and any insurance company 92823  
affected, may appeal to the superintendent of insurance from any 92824  
ruling or decision of the manager or committee designated in the 92825  
plan to operate the assigned risk insurance plan. Any order or 92826  
act of the superintendent under this section is subject to 92827  
review as provided in sections 119.01 to 119.13 of the Revised 92828  
Code, at the instance of any party in interest. 92829

(B) The plan described in division (A) of this section may 92830  
permit the assigned risk insurance plan to directly issue and 92831  
process claims arising from such policies described in division 92832  
(A) of this section to applicants of automobile insurance 92833  
policies who are in good faith entitled to but are unable to 92834  
procure such policies through ordinary methods. 92835

(C) Every form of a policy, endorsement, rider, manual of 92836  
classifications, rules, and rates, every rating plan, and every 92837  
modification of any of them proposed to be used by the assigned 92838  
risk insurance plan shall be filed, or the plan may satisfy its 92839  
obligation to make such filings, as described in section 3937.03 92840  
of the Revised Code. 92841

(D) Any automobile insurance policy issued by the assigned 92842

risk insurance plan under division (B) of this section: 92843

(1) Shall be recognized as if issued by an insurance 92844  
company authorized to do business in this state; 92845

(2) Shall meet all requirements of proof of financial 92846  
responsibility as described in division (K) of section 4509.01 92847  
of the Revised Code. 92848

(E) Proof of financial responsibility provided by the 92849  
assigned risk insurance plan to an automobile insurance 92850  
policyholder that meets the requirements described in division 92851  
(G) (1) (a) or (b) of section 4509.101 of the Revised Code shall 92852  
be recognized as if issued by an insurance company authorized to 92853  
do business in this state to demonstrate proof of financial 92854  
responsibility under section 4509.101 of the Revised Code. 92855

(F) The assigned risk insurance plan designated in 92856  
division (A) of this section shall do both of the following: 92857

(1) Make annual audited financial reports available to the 92858  
superintendent of insurance promptly upon the completion of such 92859  
audit; 92860

(2) Upon reasonable notice, make available to the 92861  
superintendent of insurance all books and records relating to 92862  
the insurance transactions of the assigned risk insurance plan. 92863

(G) (1) Except as provided in division (G) (2) of this 92864  
section, records created, held by, or pertaining to the assigned 92865  
risk insurance plan are not public records under section 149.43 92866  
of the Revised Code, are confidential, and are not subject to 92867  
inspection or disclosure. 92868

(2) Division (G) (1) of this section does not apply to the 92869  
plan of operation and other information required to be filed 92870

under this section with the superintendent unless otherwise 92871  
prohibited from release by law. 92872

(H) (1) For the purposes of division (H) of this section, 92873  
"insurance agent" has the same meaning as in section 3905.01 of 92874  
the Revised Code. 92875

(2) Provided that the assigned risk insurance plan 92876  
establishes registration procedures for insurance agents under 92877  
division (H) (3) of this section, the plan shall not accept an 92878  
application for an automobile insurance policy issued under 92879  
division (B) of this section unless that application is 92880  
submitted through an insurance agent registered in accordance 92881  
with those procedures. 92882

(3) The plan may do all of the following: 92883

(a) Establish procedures to register insurance agents; 92884

(b) Establish separate registrations for commercial and 92885  
personal insurance agents, or one registration for both; 92886

(c) Empower the manager of the plan to make determinations 92887  
on registration status, including by revoking an insurance 92888  
agent's registration. 92889

(4) If an insurance agent is denied registration with the 92890  
plan, or the insurance agent's registration is revoked, the plan 92891  
may notify the superintendent of the plan's decision. The plan 92892  
and manager are immune from civil liability for any decision to 92893  
deny or revoke registration and from any decision to report 92894  
denials or revocations to the superintendent. 92895

(5) All insurance agents submitting applications to the 92896  
plan for automobile insurance coverage have an affirmative duty 92897  
to ensure that all information included in the application and 92898

any supporting materials is true and accurate. 92899

(6) (a) An insurance agent shall not submit an application 92900  
to the plan for automobile insurance coverage unless the agent 92901  
exercises due diligence in confirming that the person seeking 92902  
insurance is unable to obtain coverage through an insurer 92903  
authorized to do business in this state. 92904

(b) For the purposes of this section, due diligence 92905  
requires an insurance agent to contact at least five of the 92906  
authorized insurers the agent represents or, if the agent does 92907  
not represent five authorized insurers that customarily write 92908  
automobile insurance coverage, as many of such insurers as the 92909  
agent represents. 92910

(c) An insurance agent may assume that insurance coverage 92911  
cannot be procured for the applicant through ordinary methods 92912  
after each insurer contacted under division (H) (6) (b) of this 92913  
section declines to provide coverage. 92914

(d) An insurance agent may assume that an authorized 92915  
insurer declines to provide coverage to the applicant seeking 92916  
insurance upon either of the following: 92917

(i) Receiving notice from the insurer declining coverage; 92918

(ii) Receiving no response from the insurer within ten 92919  
days after the date the insurance agent initially makes contact 92920  
with the insurer. 92921

(e) The determination of whether an insurance agent has 92922  
adequately complied with the due diligence requirements is at 92923  
the discretion of the manager of the plan. 92924

(f) An agent shall not submit an application on behalf of 92925  
an applicant to the plan for any automobile insurance policy if 92926

any insurer admitted, authorized, or otherwise eligible to do 92927  
business in this state has in any way communicated a willingness 92928  
to insure the applicant, even if coverage provided by the plan 92929  
costs less than other insurers. 92930

(g) The manager of the plan may revoke the registration of 92931  
an insurance agent who fails to comply with division (H) (6) of 92932  
this section. 92933

(B) Each franchisor shall compensate each of its 94241

updates to vehicle accessories or functions, and initialization 94244  
or repair of vehicle parts, systems, accessories, or functions 94245  
at rates not less than the rates charged by the franchisee to 94246  
its retail customers for warranty-like diagnosis, labor, and 94247  
parts for nonwarranty work. A-Diagnostic work includes the time 94248  
spent by a technician, who meets the franchisor's qualifications 94249  
and requirements for the repair work, communicating with the 94250  
franchisor's technical assistance or external franchisor source 94251  
in order to complete a warranty repair. 94252

A franchisee, other than a franchisee that deals in 94253  
recreational vehicles, may establish rates of compensation for 94254  
labor performed and parts used by the franchisee for purposes of 94255  
this section if all of the following apply: 94256

(1) The franchisee submits to the franchisor either of the 94257  
following: 94258

(a) One hundred sequential nonwarranty service repair 94259  
orders for warranty-like repairs that have been paid by a 94260

(b) All service repair orders for warranty-like repairs, 94262  
that have been paid by a customer and closed by the time of 94263  
submission, for a period of ninety consecutive days. 94264

A franchisee either may submit a set of repair orders for 94265  
purposes of calculating both its retail labor rate and its 94266

retail parts markup percentage, or may submit separate sets of 94267  
repair orders for purposes of calculating its retail labor rate 94268  
and its retail parts markup percentage separately. The repair 94269  
orders submitted under division (B) (1) (a) or (b) of this section 94270  
must be from a period occurring not more than one hundred eighty 94271  
days before the submission. 94272

Subject to division (C) (3) of this section, if a 94273  
franchisor determines from any set of repair orders submitted 94274  
under this section that the retail labor rate or parts markup 94275  
percentage calculated under division (B) (2) or (3) of this 94276  
section is substantially higher or lower than the rate currently 94277  
on record with the franchisor for labor or parts, the franchisor 94278  
may request additional documentation for a period of either 94279  
~~ninety-sixty~~ days prior to or ~~ninety-sixty~~ days subsequent to 94280  
the time period for which the repair orders were submitted for 94281  
purposes of an alteration. 94282

(2) The franchisee calculates its retail labor rate by 94283  
determining the franchisee's total labor sales from the service 94284  
repair orders submitted under division (B) (1) of this section 94285  
and dividing that amount by the total number of labor hours that 94286  
generated those sales. 94287

(3) The franchisee calculates its retail parts markup 94288  
percentage by determining the franchisee's total parts sales 94289  
from the service repair orders submitted under division (B) (1) 94290  
of this section and dividing that amount by the franchisee's 94291  
total cost for the purchase of those parts, subtracting one from 94292  
that amount, and then multiplying the amount by one hundred. 94293

(4) In calculating the retail labor rate in division (B) 94294  
(2) of this section and the retail parts markup percentage in 94295  
division (B) (3) of this section, the franchisee omits charges 94296

for any of the following from the calculation:	94297
(a) Manufacturer or distributor special events, specials,	94298
or promotional discounts for retail customer repairs;	94299
(b) Parts sold, or repairs performed, at wholesale;	94300

customer warranty, including the replacement of fluids, filters,	94302

(d) Items that do not have individual part numbers, such	94304
as nuts, bolts, and fasteners;	94305
(e) Vehicle reconditioning;	94306
(f) Accessories;	94307

hazard, the force of the elements, vandalism, theft, or operator	94309
negligence;	94310
(h) Parts sold or repairs performed for insurance	94311
carriers;	94312
(i) Vehicle emission or safety inspections required by	94313
law;	94314
(j) Goodwill or policy repairs or replacements;	94315
(k) Repairs for which volume discounts have been	94316
negotiated with government agencies or insurance carriers;	94317
(l) Repairs performed on vehicles from a different line-	94318
make;	94319
(m) Replacement of tires or related elements.	94320
(5) The franchisee provides notice of its retail labor	94321
rate and retail parts markup percentage calculated in accordance	94322

with this section to the franchisor. 94323

(C) (1) A franchisor may contest the retail labor rate or 94324  
retail parts markup percentage that was calculated by the 94325  
franchisee under division (B) of this section within thirty days 94326  
after receiving notice from the franchisee. If the franchisor 94327  
seeks to contest the retail labor rate or retail parts markup 94328  
percentage, the franchisor shall notify the franchisee that the 94329  
franchisor believes the rate or markup percentage is materially 94330  
~~inaccurate or substantially different than that of other~~ 94331  
~~similarly situated, same line-make new motor vehicle dealers in~~ 94332  
~~the vicinity,~~ provide a full explanation of the reasons the 94333  
franchisor disagrees with the rate or markup percentage, provide 94334  
evidence substantiating the franchisor's position, and propose 94335  
an adjustment of the contested rate or markup percentage. The 94336  
franchisor shall not modify its notice to the franchisee or its 94337  
grounds for contesting the rate or markup percentage after 94338  
submitting a notice to the franchisee under division (C) (1) of 94339  
this section. 94340

(2) If the franchisor does not contest the rate or markup 94341  
percentage that was calculated by the franchisee under division 94342  
(B) of this section within thirty days after receiving notice of 94343  
the rate or markup percentage from the franchisee, the 94344  
uncontested rate or markup percentage takes effect. The 94345  
franchisor then shall use the rate and markup percentage to 94346  
determine compensation for any warranty and recall work and 94347  
service performed by the franchisee until the rate or markup 94348  
percentage is modified. 94349

(3) If the franchisor contests a rate or markup percentage 94350  
established by the franchisee under division (B) of this 94351  
section, the franchisor and franchisee shall resolve the 94352

disagreement through the franchisor's internal dispute 94353  
resolution process. However, the franchisee may appeal a 94354  
determination made as part of the dispute resolution process to 94355  
a court of competent jurisdiction. Any rate or markup percentage 94356  
established either through an internal dispute resolution 94357  
process or by a court as part of an appeal under this section 94358  
shall be applied retroactively to govern reimbursement for labor 94359  
or parts, as applicable, beginning thirty days after the date 94360  
the franchisee submitted the disputed rate or markup percentage 94361  
under division (B) of this section. 94362

(4) A franchisee shall not establish or modify a retail 94363  
labor rate or retail parts markup percentage more frequently 94364  
than once per calendar year. 94365

(D) When calculating the compensation that must be 94366  
provided to a franchisee for labor and parts used to fulfill 94367  
warranty and recall obligations under this section, all of the 94368  
following apply: 94369

(1) The franchisor shall use time allowances for the 94370  
diagnosis and performance of the warranty and recall work and 94371  
service that are reasonable and adequate for the work or 94372  
services to be performed by a qualified technician. 94373

(2) The franchisor shall use any retail labor rate and any 94374  
retail parts markup percentage established in accordance with 94375  
this section in calculating the compensation. 94376
