(5) The franchisee provides notice of its retail labor rate and retail parts markup percentage calculated in accordance with this section to the franchisor.	95427 95428 95429
(C) (1) A franchisor may contest the retail labor rate or retail parts markup percentage that was calculated by the franchisee under division (B) of this section within thirty days after receiving notice from the franchisee. If the franchisor seeks to contest the retail labor rate or retail parts markup percentage, the franchisor shall notify the franchisee that the franchisor believes the rate or markup percentage is materially inaccurate or substantially different than that of other	95430 95431 95432 95433 95434 95435 95436 95437

~~similarly situated, same line make new motor vehicle dealers in~~ 95438  
~~the vicinity,~~ provide a full explanation of the reasons the 95439  
franchisor disagrees with the rate or markup percentage, provide 95440  
evidence substantiating the franchisor's position, and propose 95441  
an adjustment of the contested rate or markup percentage. The 95442  
franchisor shall not modify its notice to the franchisee or its 95443  
grounds for contesting the rate or markup percentage after 95444  
submitting a notice to the franchisee under division (C) (1) of 95445  
this section. 95446

(2) If the franchisor does not contest the rate or markup 95447  
percentage that was calculated by the franchisee under division 95448  
(B) of this section within thirty days after receiving notice of 95449  
the rate or markup percentage from the franchisee, the 95450  
uncontested rate or markup percentage takes effect. The 95451  
franchisor then shall use the rate and markup percentage to 95452  
determine compensation for any warranty and recall work and 95453  
service performed by the franchisee until the rate or markup 95454  
percentage is modified. 95455

(3) If the franchisor contests a rate or markup percentage 95456  
established by the franchisee under division (B) of this 95457  
section, the franchisor and franchisee shall resolve the 95458  
disagreement through the franchisor's internal dispute 95459  
resolution process. However, the franchisee may appeal a 95460  
determination made as part of the dispute resolution process to 95461  
a court of competent jurisdiction. Any rate or markup percentage 95462  
established either through an internal dispute resolution 95463  
process or by a court as part of an appeal under this section 95464  
shall be applied retroactively to govern reimbursement for labor 95465  
or parts, as applicable, beginning thirty days after the date 95466  
the franchisee submitted the disputed rate or markup percentage 95467  
under division (B) of this section. 95468

(4) A franchisee shall not establish or modify a retail labor rate or retail parts markup percentage more frequently than once per calendar year.

(D) When calculating the compensation that must be provided to a franchisee for labor and parts used to fulfill warranty and recall obligations under this section, all of the following apply:

(1) The franchisor shall use time allowances for the diagnosis and performance of the warranty and recall work and service that are reasonable and adequate for the work or services to be performed by a qualified technician.

(2) The franchisor shall use any retail labor rate and any retail parts markup percentage established in accordance with this section in calculating the compensation.

(3) If the franchisor provided a part or component to the franchisee at a reduced cost or no cost to use in performing repairs under a recall, campaign service action, or warranty repair, the franchisor shall provide to the franchisee an amount equal to the retail parts markup for that part or component, which shall be calculated by multiplying the dealer cost for the part or component as listed in the franchisor's price schedule by the retail parts markup percentage.

(4) A franchisor shall not assess penalties, surcharges, or similar costs to a franchisee, transfer or shift any costs to a franchisee, limit allocation of vehicles or parts to a franchisee, or otherwise take retaliatory action against a franchisee based on any franchisee's exercise of its rights under this section. It is the burden of the franchisee to prove any claims under division (D) (4) of this section by a

preponderance of the evidence. Nothing in this section prohibits 95498  
a franchisor from increasing the price of a vehicle or part in 95499  
the normal course of business. 95500

(5) A franchisor shall fully reimburse a franchisee for 95501  
the cost of any rental vehicle provided to a customer when the 95502  
rental is required, offered, advertised as available, or 95503  
otherwise agreed to by the franchisor. The franchisor shall not 95504  
deny or reduce the reimbursement to the franchisee because the 95505  
franchisee is unable to provide a specific type of vehicle, 95506  
including a particular line-make, size, or category of vehicle. 95507

(E) A franchisor shall not require a franchisee to 95508  
establish a retail labor rate or retail parts markup percentage 95509  
using any method that is unduly burdensome or time consuming, or 95510  
require the use of information that is unduly burdensome or time 95511  
consuming to obtain, including part-by-part or transaction-by- 95512  
transaction calculations or utilization of the franchisee's 95513  
financial statement. Further, no franchisor shall unilaterally 95514  
calculate a retail labor rate or retail parts markup percentage 95515  
for a franchisee. 95516

Divisions (A), (C), (D), and (E) of this section do not 95517  
apply to franchisors or franchisees who deal in recreational 95518  
vehicles. Division (B) of this section as it pertains to 95519  
diagnostic work does not apply to franchisors or franchisees who 95520  
deal in recreational vehicles. 95521

**Sec. 4517.521.** (A) As used in this section: 95522

(1) "Stop-sale or do-not-drive order" means a notification 95523  
issued by a motor vehicle manufacturer to its franchised motor 95524  
vehicle dealers stating that certain used motor vehicles in 95525  
inventory shall not be sold, either at retail or wholesale, 95526

leased, or driven due to a federal safety recall or a federal or 95527  
state emissions recall. 95528

(2) "Average trade-in value" means the approximate 95529  
monetary value for a used motor vehicle that is indicated in an 95530  
independent third-party guide, based on the year, make, and 95531  
model of a vehicle. 95532

(B) (1) Pursuant to division (B) (2) of this section, a 95533  
franchisor shall compensate a franchisee of not less than one 95534  
and twenty-five hundredths per cent of the average trade-in 95535  
value for a used motor vehicle that is the subject of a stop- 95536  
sale or do-not-drive order if both of the following apply: 95537

(a) The franchisee is authorized to sell or perform recall 95538  
repairs on motor vehicles that are the same line-make as the 95539  
subject motor vehicle; 95540

(b) The parts or remedy that are necessary to perform the 95541  
recall service or repair on the subject motor vehicle are not 95542  
reasonably available to perform that service or repair within 95543  
thirty days of the franchisor issuing the recall notice and 95544  
associated stop-sale or do-not-drive order. 95545

(2) The compensation described in division (B) (1) of this 95546  
section shall be paid per month, or prorated for a portion of 95547  
the month. The compensation shall commence on the thirtieth day 95548  
after the recall notice and stop-sale or do-not-drive order was 95549  
issued. The compensation shall end on the earlier of the 95550  
following dates: 95551

(a) The date that the remedy or repair parts that are 95552  
necessary to resolve the recall notice and stop-sale or do-not- 95553  
drive order are available to the franchisee for the subject 95554  
motor vehicle; 95555

(b) The franchisee sells, trades, or otherwise disposes of 95556  
the subject motor vehicle. 95557

(3) A franchisor is not required to compensate a 95558  
franchisee for more than the total average trade-in value of the 95559  
subject motor vehicle. 95560

(C) Division (B) of this section does not apply to motor 95561  
vehicles purchased by a franchisee after the date the recall 95562  
notice or stop-sale or do-not-drive order was issued or to motor 95563  
vehicles that were purchased outside of the ordinary course of 95564  
business. 95565

(D) A franchisor may compensate a franchisee under a 95566  
national recall compensation program if the compensation under 95567  
that program equals or exceeds the compensation specified in 95568  
division (B) of this section or per any agreement between the 95569  
franchisor and franchisee. 95570

(E) A franchisor shall not attempt to recover all or any 95571  
other portion of its costs for compensating a franchisee in 95572  
accordance with this section either through a reduction in the 95573  
amount due to a franchisee or through a separate charge, 95574  
surcharge, or other imposition related to the costs of recalled 95575  
vehicles, parts, diagnostic work, or other services. Nothing in 95576  
division (E) of this section prohibits a franchisor from 95577  
changing its prices in the ordinary course of business or 95578  
prohibits a franchisor from charging back a franchisee for an 95579  
unnecessary or improperly performed repair. 95580

(F) A franchisor may determine the manner and method in 95581  
which a franchisee demonstrates the inventory status of a motor 95582  
vehicle that is eligible for compensation in accordance with 95583  
this section. The manner, method, and type of information 95584

required shall not be unduly burdensome for the franchisee. 95585

(G) Any remedy provided to a franchisee in accordance with 95586  
this section shall be the exclusive remedy provided to that 95587  
franchisee for compensation related to a used motor vehicle that 95588  
is the subject of a stop-sale or do-not-drive order. A remedy 95589  
provided in accordance with this section shall not be combined 95590  
with any other state or federal recall compensation remedy for 95591  
used motor vehicles subject to a stop-sale or do-not-drive 95592  
order. 95593

(H) This section does not apply to franchisors or 95594  
franchisees who deal in recreational vehicles. 95595

**Sec. 4517.60.** Notwithstanding the terms, conditions, or 95596  
provisions of any franchise, or the date such franchise was 95597  
executed, each franchisor shall indemnify and hold harmless its 95598  
franchisees against any losses, including, but not limited to, 95599  
court costs and attorney fees reasonably incurred, or damages 95600  
arising out of complaints, claims, or suits, whether or not 95601  
meritorious, relating in whole or in part to claims under 95602  
section 1345.72 of the Revised Code, or to the manufacture, 95603  
assembly, or design of motor vehicles, parts, or accessories, to 95604  
damage corrected by the franchisor prior to receipt of a motor 95605  
vehicle by the franchisee, or relating to other functions of the 95606  
franchisor beyond the control of the franchisee, including, but 95607  
not limited to, the selection by the franchisor of parts or 95608  
components for the motor vehicle, the franchisor's designation 95609  
of features or equipment as optional, and any damage to 95610  
merchandise occurring in transit to the franchisee where the 95611  
carrier is designated by the franchisor. The franchisee shall 95612  
give notice to the franchisor within twenty-eight days of 95613  
service of summons on the franchisee of pending suits in which 95614

allegations are made that come within this section and shall 95615  
cooperate with the franchisor in the defense of such suits. 95616

**Sec. 4519.59.** (A) (1) The clerk of a court of common pleas 95617  
shall charge and retain fees as follows: 95618

(a) Fifteen dollars, or twenty dollars if a board of 95619  
county commissioners adopts a resolution authorizing the 95620  
increased fee for that county, for each certificate of title or 95621  
duplicate certificate of title including the issuance of a 95622  
memorandum certificate of title, authorization to print a non- 95623  
negotiable evidence of ownership described in division (D) of 95624  
section 4519.58 of the Revised Code, non-negotiable evidence of 95625  
ownership printed by the clerk under division (E) of that 95626  
section, and notation of any lien on a certificate of title that 95627  
is applied for at the same time as the certificate of title. The 95628  
clerk shall retain eleven dollars and fifty cents of that fee 95629  
for each certificate of title when there is a notation of a lien 95630  
or security interest on the certificate of title, twelve dollars 95631  
and twenty-five cents when there is no lien or security interest 95632  
noted on the certificate of title, and eleven dollars and fifty 95633  
cents for each duplicate certificate of title. If a board of 95634  
county commissioners adopts a resolution authorizing a twenty- 95635  
dollar fee, the clerk shall retain the additional five dollars 95636  
of that fee. 95637

(b) Five dollars for each certificate of title with no 95638  
security interest noted that is issued to a licensed motor 95639  
vehicle dealer for resale purposes. The clerk shall retain two 95640  
dollars and twenty-five cents of that fee. 95641

(c) Five dollars for each memorandum certificate of title 95642  
or non-negotiable evidence of ownership that is applied for 95643  
separately. The clerk shall retain that entire fee. 95644

(2) The fees that are not retained by the clerk shall be 95645  
paid to the registrar of motor vehicles by monthly returns, 95646  
which shall be forwarded to the registrar not later than the 95647  
fifth day of the month next succeeding that in which the 95648  
certificate is forwarded or that in which the registrar is 95649  
notified of a lien or cancellation of a lien. 95650

(B) (1) The registrar shall pay twenty-five cents of the 95651  
amount received for each certificate of title that is issued to 95652  
a motor vehicle dealer for resale, one dollar for certificates 95653  
of title issued with a lien or security interest noted on the 95654  
certificate of title, and twenty-five cents for each certificate 95655  
of title with no lien or security interest noted on the 95656  
certificate of title into the public safety - highway purposes 95657  
fund established in section 4501.06 of the Revised Code. 95658

(2) Fifty cents of the amount received for each 95659  
certificate of title shall be paid by the registrar as follows: 95660

(a) Four cents shall be paid into the state treasury to 95661  
the credit of the motor vehicle dealers board fund created in 95662  
section 4505.09 of the Revised Code, for use as described in 95663  
division (B) (2) (a) of that section. 95664

(b) Twenty-one cents shall be paid into the highway 95665  
operating fund. 95666

(c) Twenty-five cents shall be paid into the state 95667  
treasury to the credit of the motor vehicle sales audit fund 95668  
created in section 4505.09 of the Revised Code, for use as 95669  
described in division (B) (2) (c) of that section. 95670

(3) Two dollars of the amount received by the registrar 95671  
for each certificate of title shall be paid into the state 95672  
treasury to the credit of the automated title processing fund 95673

created in section 4505.09 of the Revised Code, for use as 95674  
described in divisions (B) (3) (a) and (c) of that section. 95675

**Sec. 4582.024.** After a port authority has been created, 95676  
any municipal corporation, township, or county, acting by 95677  
ordinance, resolution of the township trustees, or resolution of 95678  
the county commissioners, respectively, which is contiguous to 95679  
such port authority, or to any municipal corporation, township, 95680  
or county which proposes to join such port authority at the same 95681  
time and is contiguous to such port authority, or any county 95682  
within which such port authority is situated, may join such port 95683  
authority and thereupon the jurisdiction and territory of such 95684  
port authority shall include such municipal corporation, county, 95685  
or township. If more than one such political subdivision is to 95686  
be joined to the port authority at the same time, then each such 95687  
ordinance or resolution shall designate the political 95688  
subdivisions which are to be so joined. Any territory or 95689  
municipal corporation not included in a port authority and which 95690  
is annexed to a municipal corporation included within the 95691  
jurisdiction and territory of a port authority shall, on such 95692  
annexation and without further proceedings, be annexed to and be 95693  
included in the jurisdiction and territory of such port 95694  
authority. Before such political subdivision or subdivisions are 95695  
joined to a port authority, other than by annexation to a 95696  
municipality, the political subdivision or subdivisions 95697  
thereof comprising such port authority shall agree upon the 95698  
terms and conditions pursuant to which such political 95699  
subdivision or subdivisions are to be joined. For all purposes 95700  
of sections 4582.01 to 4582.20, inclusive, of the Revised Code, 95701  
such political subdivision or subdivisions shall be considered 95702  
to have participated in the creation of such port authority, 95703  
except that the initial term of any director of the port 95704

authority appointed by such a political subdivision shall be 95705  
four years. After each ordinance or resolution proposing joinder 95706  
to the port authority has become effective and the terms and 95707  
conditions of joinder have been agreed to, the board of 95708  
directors of the port authority shall by resolution either 95709  
accept or reject such joinder. Such joinder shall be effective 95710  
on adoption of the resolution accepting such joinder, unless the 95711  
port authority to which a political subdivision or subdivisions 95712  
including a county within which such port authority is located, 95713  
are to be joined has authority under section 4582.14 of the 95714  
Revised Code to levy a tax on property within its jurisdiction, 95715  
then such joinder shall not be effective until approved by the 95716  
affirmative vote of a majority of the electors voting on the 95717  
question of such joinder. If more than one political subdivision 95718  
is to be joined to the port authority, then the electors of such 95719  
subdivision shall vote as a district and the majority 95720  
affirmative vote shall be determined by the vote cast in such 95721  
district as a whole. 95722

If a tax on property is to be levied, the board of 95723  
directors of the port authority and the county auditor shall 95724  
proceed in the same manner as required for a tax levy under 95725  
section 5705.03 of the Revised Code, except that the levy's 95726  
annual collections shall be estimated assuming that the 95727  
additional subdivision or subdivisions have joined the port 95728  
authority. 95729

The election shall be called by the board of directors of 95730  
the port authority and shall be held, canvassed, and certified 95731  
in the manner provided for the submission of tax levies under 95732  
section 5705.191 of the Revised Code except that the question 95733  
appearing on the ballot shall read: 95734

"Shall \_\_\_\_\_ 95735  
(name or names of political subdivisions to be joined) 95736  
be joined to \_\_\_\_\_ (name) port authority and the 95737  
existing tax levy (levies) of such port authority, that the 95738  
county auditor estimates will collect \$\_\_\_\_\_ annually, at a rate 95739  
not exceeding 95740  
\_\_\_\_\_ mill(s) for each \$1 of taxable value, which amounts to 95741  
\$\_\_\_\_\_ (effective rate) for each \$100,000 of ~~the county~~ 95742  
~~auditor's appraised market~~ value, be authorized to be 95743  
levied against properties within 95744  
\_\_\_\_\_ " 95745  
(name or names of political subdivisions to be joined) 95746

If the question is approved such joinder shall be 95747  
immediately effective and the port authority shall be authorized 95748  
to extend the levy of such tax against all the taxable property 95749  
within the political subdivision or political subdivisions which 95750  
have been joined. If such question is approved at a general 95751  
election then the port authority may amend its budget and 95752  
resolution adopted pursuant to section 5705.34 of the Revised 95753  
Code and such levy shall be placed on the current tax list and 95754  
duplicate and collected as other taxes are collected from all 95755  
taxable property within the port authority including the 95756  
political subdivision or political subdivisions joined as a 95757  
result of such election. 95758

As used in this section, "~~the county auditor's appraised~~ 95759  
market value" and "effective rate" have the same meanings as in 95760  
section 5705.01 of the Revised Code. 95761

**Sec. 4582.26.** After a port authority has been created, any 95762  
municipal corporation, township, county, or other political 95763  
subdivision, acting by ordinance or resolution, which is 95764  
contiguous to any municipal corporation, township, county, or 95765  
other political subdivision which participated in the creation 95766  
of such port authority or to any municipal corporation, 95767  
township, county, or other political subdivision which proposes 95768  
to join the port authority at the same time and is contiguous to 95769  
any municipal corporation, township, county, or other political 95770  
subdivision which participated in the creation of such port 95771  
authority, may join such port authority, and thereupon the 95772  
jurisdiction and territory of the port authority includes the 95773  
municipal corporation, county, township, or other political 95774  
subdivision so joining. If more than one such political 95775  
subdivision is to be joined to the port authority at the same 95776  
time, then each such ordinance or resolution shall designate the 95777  
political subdivisions which are to be so joined. Any territory 95778  
or municipal corporation not included in a port authority and 95779  
which is annexed to a municipal corporation included within the 95780  
jurisdiction and territory of a port authority shall, on such 95781  
annexation and without further proceedings, be annexed to and be 95782  
included in the jurisdiction and territory of the port 95783  
authority. Before such political subdivision or subdivisions are 95784  
joined to a port authority, other than by annexation to a 95785  
municipal corporation, the political subdivision or subdivisions 95786  
theretofore comprising such port authority shall agree upon the 95787  
terms and conditions pursuant to which such political 95788  
subdivision or subdivisions are to be joined. For all purposes 95789  
of sections 4582.21 to 4582.59 of the Revised Code, such 95790  
political subdivision or subdivisions shall be considered to 95791  
have participated in the creation of such port authority, except 95792  
that the initial term of any director of the port authority 95793

appointed by such a political subdivision shall be four years. 95794  
After each ordinance or resolution proposing joinder to the port 95795  
authority has become effective and the terms and conditions of 95796  
joinder have been agreed to, the board of directors of the port 95797  
authority shall by resolution either accept or reject such 95798  
joinder. Such joinder shall be effective upon adoption of the 95799  
resolution accepting such joinder, unless the port authority to 95800  
which a political subdivision or subdivisions, including a 95801  
county within which such port authority is located, are to be 95802  
joined, has authority under section 4582.40 of the Revised Code 95803  
to levy a tax on property within its jurisdiction, then such 95804  
joinder shall not be effective until approved by the affirmative 95805  
vote of a majority of the electors voting on the question of the 95806  
joinder. If more than one political subdivision is to be joined 95807  
to the port authority, then the electors of such subdivisions 95808  
shall vote as a district and the majority affirmative vote shall 95809  
be determined by the vote cast in such district as a whole. 95810

If a tax on property is to be levied, the board of 95811  
directors of the port authority and the county auditor shall 95812  
proceed in the manner as required for a tax levy under section 95813  
5705.03 of the Revised Code, except that the levy's annual 95814  
collections shall be estimated assuming that the additional 95815  
subdivision or subdivisions have joined the port authority. 95816

The election shall be called by the board of directors of 95817  
the port authority and shall be held, canvassed, and certified 95818  
in the manner provided for the submission of tax levies under 95819  
section 5705.191 of the Revised Code except that the question 95820  
appearing on the ballot shall read: 95821

"Shall \_\_\_\_\_ 95822

(Name or names of political subdivisions to be joined) 95823

\_\_\_\_\_ 95824

be joined to \_\_\_\_\_ (Name) port authority 95825

and the existing tax levy (levies) of such port authority, that 95826

the county auditor estimates will collect \$\_\_\_\_\_ annually, at a 95827

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to 96661  
96662

an adjudication conducted under Chapter 119. of the Revised Code, except that in lieu of a hearing, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by a vote of a quorum, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the agreement shall be of no effect.

(D) The hearings of the board shall be conducted in accordance with Chapter 119. of the Revised Code, the board may appoint a hearing examiner, as provided in section 119.09 of the Revised Code, to conduct any hearing the board is authorized to hold under Chapter 119. of the Revised Code.

In any instance in which the board is required under Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and the applicant, licensee, or certificate holder does not make a timely request for a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by a vote of a quorum, a final order that contains the board's findings. In the final order, the board may order any of the sanctions listed in division (A) or (B) of this section.

(E) If a criminal action is brought against a registered nurse, licensed practical nurse, or dialysis technician for an act or crime described in divisions (B)(3) to (7) of this section and the action is dismissed by the trial court other than on the merits, the board shall conduct an adjudication to determine whether the registered nurse, licensed practical nurse, or dialysis technician committed the act on which the

action was based. If the board determines on the basis of the 96693  
adjudication that the registered nurse, licensed practical 96694  
nurse, or dialysis technician committed the act, or if the 96695  
registered nurse, licensed practical nurse, or dialysis 96696  
technician fails to participate in the adjudication, the board 96697  
may take action as though the registered nurse, licensed 96698  
practical nurse, or dialysis technician had been convicted of 96699  
the act. 96700

If the board takes action on the basis of a conviction, 96701  
plea, or a judicial finding as described in divisions (B) (3) to 96702  
(7) of this section that is overturned on appeal, the registered 96703  
nurse, licensed practical nurse, or dialysis technician may, on 96704  
exhaustion of the appeal process, petition the board for 96705  
reconsideration of its action. On receipt of the petition and 96706  
supporting court documents, the board shall temporarily rescind 96707  
its action. If the board determines that the decision on appeal 96708  
was a decision on the merits, it shall permanently rescind its 96709  
action. If the board determines that the decision on appeal was 96710  
not a decision on the merits, it shall conduct an adjudication 96711  
to determine whether the registered nurse, licensed practical 96712  
nurse, or dialysis technician committed the act on which the 96713  
original conviction, plea, or judicial finding was based. If the 96714  
board determines on the basis of the adjudication that the 96715  
registered nurse, licensed practical nurse, or dialysis 96716  
technician committed such act, or if the registered nurse, 96717  
licensed practical nurse, or dialysis technician does not 96718  
request an adjudication, the board shall reinstate its action; 96719  
otherwise, the board shall permanently rescind its action. 96720

Notwithstanding the provision of division (D) (2) of 96721  
section 2953.32 or division (F) (1) of section 2953.39 of the 96722  
Revised Code specifying that if records pertaining to a criminal 96723

case are sealed or expunged under that section the proceedings 96724  
in the case shall be deemed not to have occurred, sealing or 96725  
expungement of the following records on which the board has 96726  
based an action under this section shall have no effect on the 96727  
board's action or any sanction imposed by the board under this 96728  
section: records of any conviction, guilty plea, judicial 96729  
finding of guilt resulting from a plea of no contest, or a 96730  
judicial finding of eligibility for a pretrial diversion program 96731  
or intervention in lieu of conviction. 96732

The board shall not be required to seal, destroy, redact, 96733  
or otherwise modify its records to reflect the court's sealing 96734  
or expungement of conviction records. 96735

(F) The board may investigate an individual's criminal 96736  
background in performing its duties under this section. As part 96737  
of such investigation, the board may order the individual to 96738  
submit, at the individual's expense, a request to the bureau of 96739  
criminal identification and investigation for a criminal records 96740

(G) During the course of an investigation conducted under 96744  
this section, the board may compel any registered nurse, 96745  
licensed practical nurse, or dialysis technician or applicant 96746  
under this chapter to submit to a mental or physical 96747  
examination, or both, as required by the board and at the 96748  
expense of the individual, if the board finds reason to believe 96749  
that the individual under investigation may have a physical or 96750  
mental impairment that may affect the individual's ability to 96751  
provide safe nursing care. 96752

The board shall not compel an individual who has been 96753

referred to the safe haven program as described in sections 96754  
4723.35 and 4723.351 of the Revised Code to submit to a mental 96755  
or physical examination. 96756

Failure of any individual to submit to a mental or 96757  
physical examination when directed constitutes an admission of 96758  
the allegations, unless the failure is due to circumstances 96759  
beyond the individual's control, and a default and final order 96760  
may be entered without the taking of testimony or presentation 96761  
of evidence. 96762

If the board finds that an individual is impaired, the 96763  
board shall require the individual to submit to care, 96764  
counseling, or treatment approved or designated by the board, as 96765  
a condition for initial, continued, reinstated, or renewed 96766  
authority to practice. The individual shall be afforded an 96767  
opportunity to demonstrate to the board that the individual can 96768  
begin or resume the individual's occupation in compliance with 96769  
acceptable and prevailing standards of care under the provisions 96770  
of the individual's authority to practice. 96771

For purposes of this division, any registered nurse, 96772  
licensed practical nurse, or dialysis technician or applicant 96773  
under this chapter shall be deemed to have given consent to 96774  
submit to a mental or physical examination when directed to do 96775  
so in writing by the board, and to have waived all objections to 96776  
the admissibility of testimony or examination reports that 96777  
constitute a privileged communication. 96778

(H) The board shall investigate evidence that appears to 96779  
show that any person has violated any provision of this chapter 96780  
or any rule of the board. Any person may report to the board any 96781  
information the person may have that appears to show a violation 96782  
of any provision of this chapter or rule of the board. In the 96783

absence of bad faith, any person who reports such information or 96784  
who testifies before the board in any adjudication conducted 96785  
under Chapter 119. of the Revised Code shall not be liable for 96786  
civil damages as a result of the report or testimony. 96787

disclose information to law enforcement officers and government 96793  
entities for purposes of an investigation of either a licensed 96794  
health care professional, including a registered nurse, licensed 96795  
practical nurse, or dialysis technician, or a person who may 96796

records, the investigation and proceeding shall be conducted in 96805  
such a manner as to protect patient confidentiality. 96806

(3) All adjudications and investigations of the board 96807

monitoring activities is not subject to discovery in any civil 96815  
action and is confidential, except that the board may disclose 96816

for purposes of an investigation of a licensee or certificate 96818  
holder. 96819

(J) Any action taken by the board under this section 96820  
resulting in a suspension from practice shall be accompanied by 96821  
a written statement of the conditions under which the person may 96822  
be reinstated to practice. 96823

(K) When the board refuses to grant a license or 96824  
certificate to an applicant, revokes a license or certificate, 96825  
or refuses to reinstate a license or certificate, the board may 96826  
specify that its action is permanent. An individual subject to 96827  
permanent action taken by the board is forever ineligible to 96828  
hold a license or certificate of the type that was refused or 96829  
revoked and the board shall not accept from the individual an 96830  
application for reinstatement of the license or certificate or 96831  
for a new license or certificate. 96832

(L) No unilateral surrender of a nursing license or 96833

be effective unless accepted by majority vote of the board. No 96835  
application for a nursing license or dialysis technician 96836  
certificate issued under this chapter may be withdrawn without a 96837  
majority vote of the board. The board's jurisdiction to take 96838  
disciplinary action under this section is not removed or limited 96839  
when an individual has a license or certificate classified as 96840

(30) Violation of section 4730.57 of the Revised Code. 98605

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with a physician assistant or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, 98606  
98607  
98608  
98609  
98610  
98611  
98612  
98613

shall constitute the findings and order of the board with 98614  
respect to the matter addressed in the agreement. If the board 98615  
refuses to ratify a consent agreement, the admissions and 98616  
findings contained in the consent agreement shall be of no force 98617  
or effect. 98618

(D) For purposes of divisions (B) (12), (15), and (16) of 98619  
this section, the commission of the act may be established by a 98620  
finding by the board, pursuant to an adjudication under Chapter 98621  
119. of the Revised Code, that the applicant or license holder 98622  
committed the act in question. The board shall have no 98623  
jurisdiction under these divisions in cases where the trial 98624  
court renders a final judgment in the license holder's favor and 98625  
that judgment is based upon an adjudication on the merits. The 98626  
board shall have jurisdiction under these divisions in cases 98627  
where the trial court issues an order of dismissal upon 98628  
technical or procedural grounds. 98629

(E) The sealing or expungement of conviction records by 98630  
any court shall have no effect upon a prior board order entered 98631  
under the provisions of this section or upon the board's 98632  
jurisdiction to take action under the provisions of this section 98633  
if, based upon a plea of guilty, a judicial finding of guilt, or 98634  
a judicial finding of eligibility for intervention in lieu of 98635  
conviction, the board issued a notice of opportunity for a 98636  
hearing prior to the court's order to seal or expunge the 98637  
records. The board shall not be required to seal, destroy, 98638  
redact, or otherwise modify its records to reflect the court's 98639  
sealing or expungement of conviction records. 98640

(F) For purposes of this division, any individual who 98641  
holds a license issued under this chapter, or applies for a 98642  
license issued under this chapter, shall be deemed to have given 98643

consent to submit to a mental or physical examination when 98644  
directed to do so in writing by the board and to have waived all 98645  
objections to the admissibility of testimony or examination 98646  
reports that constitute a privileged communication. 98647

(1) In enforcing division (B)(4) of this section, the 98648  
board, upon a showing of a possible violation, shall refer any 98649  
individual who holds, or has applied for, a license issued under 98650  
this chapter to the monitoring organization that conducts the 98651  
confidential monitoring program established under section 98652  
4731.25 of the Revised Code. The board also may compel the 98653  
individual to submit to a mental examination, physical 98654  
examination, including an HIV test, or both a mental and 98655  
physical examination. The expense of the examination is the 98656  
responsibility of the individual compelled to be examined. 98657  
Failure to submit to a mental or physical examination or consent 98658  
to an HIV test ordered by the board constitutes an admission of 98659  
the allegations against the individual unless the failure is due 98660  
to circumstances beyond the individual's control, and a default 98661  
and final order may be entered without the taking of testimony 98662  
or presentation of evidence. If the board finds a physician 98663  
assistant unable to practice because of the reasons set forth in 98664  
division (B)(4) of this section, the board shall require the 98665  
physician assistant to submit to care, counseling, or treatment 98666  
by physicians approved or designated by the board, as a 98667  
condition for an initial, continued, reinstated, or renewed 98668  
license. An individual affected under this division shall be 98669  
afforded an opportunity to demonstrate to the board the ability 98670  
to resume practicing in compliance with acceptable and 98671  
prevailing standards of care. 98672

(2) For purposes of division (B)(5) of this section, if 98673  
the board has reason to believe that any individual who holds a 98674

license issued under this chapter or any applicant for a license 98675  
suffers such impairment, the board shall refer the individual to 98676  
the monitoring organization that conducts the confidential 98677  
monitoring program established under section 4731.25 of the 98678  
Revised Code. The board also may compel the individual to submit 98679  
to a mental or physical examination, or both. The expense of the 98680  
examination is the responsibility of the individual compelled to 98681  
be examined. Any mental or physical examination required under 98682  
this division shall be undertaken by a treatment provider or 98683  
physician qualified to conduct such examination and approved 98684  
under section 4731.251 of the Revised Code. 98685

Failure to submit to a mental or physical examination 98686  
ordered by the board constitutes an admission of the allegations 98687  
against the individual unless the failure is due to 98688  
circumstances beyond the individual's control, and a default and 98689  
final order may be entered without the taking of testimony or 98690  
presentation of evidence. If the board determines that the 98691  
individual's ability to practice is impaired, the board shall 98692  
suspend the individual's license or deny the individual's 98693  
application and shall require the individual, as a condition for 98694  
initial, continued, reinstated, or renewed licensure, to submit 98695  
to treatment. 98696

Before being eligible to apply for reinstatement of a 98697  
license suspended under this division, the physician assistant 98698  
shall demonstrate to the board the ability to resume practice or 98699  
prescribing in compliance with acceptable and prevailing 98700  
standards of care. The demonstration shall include the 98701  
following: 98702

(a) Certification from a treatment provider approved under 98703  
section 4731.251 of the Revised Code that the individual has 98704

successfully completed any required inpatient treatment; 98705

(b) Evidence of continuing full compliance with an 98706  
aftercare contract or consent agreement; 98707

(c) Two written reports indicating that the individual's 98708  
ability to practice has been assessed and that the individual 98709  
has been found capable of practicing according to acceptable and 98710  
prevailing standards of care. The reports shall be made by 98711  
individuals or providers approved by the board for making such 98712  
assessments and shall describe the basis for their 98713  
determination. 98714

The board may reinstate a license suspended under this 98715  
division after such demonstration and after the individual has 98716  
entered into a written consent agreement. 98717

When the impaired physician assistant resumes practice or 98718  
prescribing, the board shall require continued monitoring of the 98719  
physician assistant. The monitoring shall include compliance 98720  
with the written consent agreement entered into before 98721  
reinstatement or with conditions imposed by board order after a 98722  
hearing, and, upon termination of the consent agreement, 98723  
submission to the board for at least two years of annual written 98724  
progress reports made under penalty of falsification stating 98725  
whether the physician assistant has maintained sobriety. 98726

(G) (1) If either of the following circumstances occur, the 98727  
secretary and supervising member may recommend that the board 98728  
suspend the individual's license without a prior hearing: 98729

(a) The secretary and supervising member determine that 98730  
there is clear and convincing evidence that a physician 98731  
assistant has violated division (B) of this section and that the 98732  
individual's continued practice or prescribing presents a danger 98733

of immediate and serious harm to the public. 98734

(b) The board receives verifiable information that a 98735  
licensee has been charged in any state or federal court with a 98736  
crime classified as a felony under the charging court's law and 98737  
the conduct charged constitutes a violation of division (B) of 98738  
this section. 98739

(2) If a recommendation is made to suspend without a prior 98740  
hearing pursuant to division (G)(1) of this section, written 98741  
allegations shall be prepared for consideration by the board. 98742

The board, upon review of those allegations and by an 98743  
affirmative vote of not fewer than six of its members, excluding 98744  
the secretary and supervising member, may suspend a license 98745  
without a prior hearing. A telephone conference call may be 98746  
utilized for reviewing the allegations and taking the vote on 98747  
the summary suspension. 98748

The board shall serve a written order of suspension in 98749  
accordance with sections 119.05 and 119.07 of the Revised Code. 98750  
~~The order shall not be subject to suspension by the court during~~ 98751  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 98752  
~~Code.~~ If the physician assistant requests an adjudicatory 98753  
hearing by the board, the date set for the hearing shall be 98754  
within fifteen days, but not earlier than seven days, after the 98755  
physician assistant requests the hearing, unless otherwise 98756  
agreed to by both the board and the license holder. 98757

(3) A summary suspension imposed under ~~this~~ division (G) 98758  
(2) of this section is not a final appealable order and is not 98759  
an adjudication that may be appealed under section 119.12 of the 98760  
Revised Code. The summary suspension shall remain in effect, 98761  
~~unless reversed on appeal,~~ until a final adjudicative order 98762

issued by the board pursuant to this section and Chapter 119. of 98763  
the Revised Code becomes effective. Once a final adjudicative 98764  
order has been issued by the board, any party adversely affected 98765  
by it may file an appeal in accordance with the requirements of 98766  
Chapter 119. of the Revised Code. ~~The~~ 98767

The board shall issue its final adjudicative order within 98768  
seventy-five days after completion of its hearing. Failure to 98769  
issue the order within seventy-five days shall result in 98770  
dissolution of the summary suspension order, but shall not 98771  
invalidate any subsequent, final adjudicative order. 98772

(H) If the board takes action under division (B) (11), 98773  
(13), or (14) of this section, and the judicial finding of 98774  
guilt, guilty plea, or judicial finding of eligibility for 98775  
intervention in lieu of conviction is overturned on appeal, upon 98776  
exhaustion of the criminal appeal, a petition for 98777  
reconsideration of the order may be filed with the board along 98778  
with appropriate court documents. Upon receipt of a petition and 98779  
supporting court documents, the board shall reinstate the 98780  
individual's license. The board may then hold an adjudication 98781  
under Chapter 119. of the Revised Code to determine whether the 98782  
individual committed the act in question. Notice of opportunity 98783  
for hearing shall be given in accordance with Chapter 119. of 98784  
the Revised Code. If the board finds, pursuant to an 98785  
adjudication held under this division, that the individual 98786  
committed the act, or if no hearing is requested, it may order 98787  
any of the sanctions identified under division (B) of this 98788  
section. 98789

(I) The license to practice issued to a physician 98790  
assistant and the physician assistant's practice in this state 98791  
are automatically suspended as of the date the physician 98792

assistant pleads guilty to, is found by a judge or jury to be 98793  
guilty of, or is subject to a judicial finding of eligibility 98794  
for intervention in lieu of conviction in this state or 98795  
treatment or intervention in lieu of conviction in another state 98796  
for any of the following criminal offenses in this state or a 98797  
substantially equivalent criminal offense in another 98798  
jurisdiction: aggravated murder, murder, voluntary manslaughter, 98799  
felonious assault, trafficking in persons, kidnapping, rape, 98800  
sexual battery, gross sexual imposition, aggravated arson, 98801  
aggravated robbery, or aggravated burglary. Continued practice 98802  
after the suspension shall be considered practicing without a 98803  
license. 98804

The board shall notify the individual subject to the 98805  
suspension in accordance with sections 119.05 and 119.07 of the 98806  
Revised Code. If an individual whose license is suspended under 98807  
this division fails to make a timely request for an adjudication 98808  
under Chapter 119. of the Revised Code, the board shall enter a 98809  
final order permanently revoking the individual's license to 98810  
practice. 98811

(J) In any instance in which the board is required by 98812  
Chapter 119. of the Revised Code to give notice of opportunity 98813  
for hearing and the individual subject to the notice does not 98814  
timely request a hearing in accordance with section 119.07 of 98815  
the Revised Code, the board is not required to hold a hearing, 98816  
but may adopt, by an affirmative vote of not fewer than six of 98817  
its members, a final order that contains the board's findings. 98818  
In that final order, the board may order any of the sanctions 98819  
identified under division (A) or (B) of this section. 98820

(K) Any action taken by the board under division (B) of 98821  
this section resulting in a suspension shall be accompanied by a 98822

written statement of the conditions under which the physician 98823  
assistant's license may be reinstated. The board shall adopt 98824  
rules in accordance with Chapter 119. of the Revised Code 98825  
governing conditions to be imposed for reinstatement. 98826  
Reinstatement of a license suspended pursuant to division (B) of 98827  
this section requires an affirmative vote of not fewer than six 98828  
members of the board. 98829

(L) When the board refuses to grant or issue to an 98830  
applicant a license to practice as a physician assistant, 98831  
revokes an individual's license, refuses to renew an 98832  
individual's license, or refuses to reinstate an individual's 98833  
license, the board may specify that its action is permanent. An 98834  
individual subject to a permanent action taken by the board is 98835  
forever thereafter ineligible to hold the license and the board 98836  
shall not accept an application for reinstatement of the license 98837  
or for issuance of a new license. 98838

(M) Notwithstanding any other provision of the Revised 98839  
Code, all of the following apply: 98840

(1) The surrender of a license issued under this chapter 98841  
is not effective unless or until accepted by the board. 98842  
Reinstatement of a license surrendered to the board requires an 98843  
affirmative vote of not fewer than six members of the board. 98844

(2) An application made under this chapter for a license 98845  
may not be withdrawn without approval of the board. 98846

(3) Failure by an individual to renew a license in 98847  
accordance with section 4730.14 of the Revised Code does not 98848  
remove or limit the board's jurisdiction to take disciplinary 98849  
action under this section against the individual. 98850

(4) The placement of an individual's license on retired 98851

status, as described in section 4730.141 of the Revised Code, 98852  
does not remove or limit the board's jurisdiction to take any 98853  
disciplinary action against the individual with regard to the 98854  
license as it existed before being placed on retired status. 98855

(N) The board shall not refuse to issue a license to an 98856  
applicant because of a conviction, plea of guilty, judicial 98857  
finding of guilt, judicial finding of eligibility for 98858  
intervention in lieu of conviction, or the commission of an act 98859  
that constitutes a criminal offense, unless the refusal is in 98860  
accordance with section 9.79 of the Revised Code. 98861

**Sec. 4730.433.** (A) (1) Subject to division (A) (2) of this 98862  
section, and notwithstanding any provision of this chapter or 98863  
rule adopted by the state medical board, a physician assistant 98864  
who holds a license issued under this chapter and a valid 98865  
prescriber number issued by the state medical board and has been 98866  
granted physician-delegated prescriptive authority may do either 98867  
of the following without having examined an individual to whom 98868  
epinephrine may be administered: 98869

(a) Personally furnish a supply of epinephrine 98870  
autoinjectors for use in accordance with sections 3313.7110, 98871

(B) A physician assistant who acts in good faith in 98882  
accordance with this section is not liable for or subject to any 98883  
of the following for any action or omission of an entity to 98884  
which an epinephrine autoinjector is furnished or a prescription 98885  
is issued: damages in any civil action, prosecution in any 98886  
criminal proceeding, or professional disciplinary action. 98887

**Sec. 4730.437.** (A) (1) Subject to division (A) (2) of this 98888

who holds a valid prescriber number issued by the board and has 98891  
been granted physician-delegated prescriptive authority may do 98892

limit, revoke, or suspend a license or certificate to practice 98937  
or certificate to recommend, refuse to grant a license or 98938

certificate, refuse to renew a license or certificate, refuse to 98939

review committee, or hybrid drug overdose fatality and suicide 98981  
fatality review committee; does not include providing any 98982

307.659 of the Revised Code to a domestic violence fatality 98984  
review board; does not include providing any information, 98985

guidelines established under section 3701.70 of the Revised 98987

2921.22 and section 4731.224 of the Revised Code; and does not 98991  
include the making of a report of an employee's use of a drug of 98992  
abuse, or a report of a condition of an employee other than one 98993  
involving the use of a drug of abuse, to the employer of the 98994  
employee as described in division (B) of section 2305.33 of the 98995  
Revised Code. Nothing in this division affects the immunity from 98996  
civil liability conferred by section 2305.33 or 4731.62 of the 98997  
Revised Code upon a physician who makes a report in accordance 98998  
with section 2305.33 or notifies a mental health professional in 98999

accordance with section 4731.62 of the Revised Code. As used in 99000  
this division, "employee," "employer," and "physician" have the 99001  
same meanings as in section 2305.33 of the Revised Code. 99002

(5) Making a false, fraudulent, deceptive, or misleading 99003  
statement in the solicitation of or advertising for patients; in 99004  
relation to the practice of medicine and surgery, osteopathic 99005  
medicine and surgery, podiatric medicine and surgery, or a 99006  
limited branch of medicine; or in securing or attempting to 99007  
secure any license or certificate to practice issued by the 99008  
board. 99009

As used in this division, "false, fraudulent, deceptive, 99010  
or misleading statement" means a statement that includes a 99011  
misrepresentation of fact, is likely to mislead or deceive 99012  
because of a failure to disclose material facts, is intended or 99013  
is likely to create false or unjustified expectations of 99014  
favorable results, or includes representations or implications 99015  
that in reasonable probability will cause an ordinarily prudent 99016  
person to misunderstand or be deceived. 99017

(6) A departure from, or the failure to conform to, 99018  
minimal standards of care of similar practitioners under the 99019  
same or similar circumstances, whether or not actual injury to a 99020  
patient is established; 99021

(7) Representing, with the purpose of obtaining 99022  
compensation or other advantage as personal gain or for any 99023  
other person, that an incurable disease or injury, or other 99024  
incurable condition, can be permanently cured; 99025

(8) The obtaining of, or attempting to obtain, money or 99026  
anything of value by fraudulent misrepresentations in the course 99027  
of practice; 99028

- (9) A plea of guilty to, a judicial finding of guilt of, 99029  
or a judicial finding of eligibility for intervention in lieu of 99030  
conviction for, a felony; 99031
- (10) Commission of an act that constitutes a felony in 99032  
this state, regardless of the jurisdiction in which the act was 99033  
committed; 99034
- (11) A plea of guilty to, a judicial finding of guilt of, 99035  
or a judicial finding of eligibility for intervention in lieu of 99036  
conviction for, a misdemeanor committed in the course of 99037  
practice; 99038
- (12) Commission of an act in the course of practice that 99039  
constitutes a misdemeanor in this state, regardless of the 99040  
jurisdiction in which the act was committed; 99041
- (13) A plea of guilty to, a judicial finding of guilt of, 99042  
or a judicial finding of eligibility for intervention in lieu of 99043  
conviction for, a misdemeanor involving moral turpitude; 99044
- (14) Commission of an act involving moral turpitude that 99045  
constitutes a misdemeanor in this state, regardless of the 99046

the board upon a license or certificate to practice; 99049
- (16) Failure to pay license renewal fees specified in this 99050  
chapter; 99051
- (17) Except as authorized in section 4731.31 of the 99052  
Revised Code, engaging in the division of fees for referral of 99053  
patients, or the receiving of a thing of value in return for a 99054  
specific referral of a patient to utilize a particular service 99055  
or business; 99056

(18) Subject to section 4731.226 of the Revised Code, 99057  
violation of any provision of a code of ethics of the American 99058  
medical association, the American osteopathic association, the 99059  
American podiatric medical association, or any other national 99060  
professional organizations that the board specifies by rule. The 99061  
state medical board shall obtain and keep on file current copies 99062  
of the codes of ethics of the various national professional 99063  
organizations. The individual whose license or certificate is 99064  
being suspended or revoked shall not be found to have violated 99065  
any provision of a code of ethics of an organization not 99066  
appropriate to the individual's profession. 99067

For purposes of this division, a "provision of a code of 99068  
ethics of a national professional organization" does not include 99069  
any provision that would preclude the making of a report by a 99070  
physician of an employee's use of a drug of abuse, or of a 99071  
condition of an employee other than one involving the use of a 99072  
drug of abuse, to the employer of the employee as described in 99073  
division (B) of section 2305.33 of the Revised Code. Nothing in 99074  
this division affects the immunity from civil liability 99075  
conferred by that section upon a physician who makes either type 99076  
of report in accordance with division (B) of that section. As 99077  
used in this division, "employee," "employer," and "physician" 99078  
have the same meanings as in section 2305.33 of the Revised 99079  
Code. 99080

(19) Inability to practice according to acceptable and 99081  
prevailing standards of care by reason of mental illness or 99082  
physical illness, including, but not limited to, physical 99083  
deterioration that adversely affects cognitive, motor, or 99084  
perceptive skills. 99085

In enforcing this division, the board, upon a showing of a 99086

possible violation, shall refer any individual who is authorized 99087  
to practice by this chapter or who has submitted an application 99088  
pursuant to this chapter to the monitoring organization that 99089  
conducts the confidential monitoring program established under 99090  
section 4731.25 of the Revised Code. The board also may compel 99091  
the individual to submit to a mental examination, physical 99092  
examination, including an HIV test, or both a mental and a 99093  
physical examination. The expense of the examination is the 99094  
responsibility of the individual compelled to be examined. 99095  
Failure to submit to a mental or physical examination or consent 99096  
to an HIV test ordered by the board constitutes an admission of 99097  
the allegations against the individual unless the failure is due 99098  
to circumstances beyond the individual's control, and a default 99099  
and final order may be entered without the taking of testimony 99100  
or presentation of evidence. If the board finds an individual 99101  
unable to practice because of the reasons set forth in this 99102  
division, the board shall require the individual to submit to 99103  
care, counseling, or treatment by physicians approved or 99104  
designated by the board, as a condition for initial, continued, 99105  
reinstated, or renewed authority to practice. An individual 99106  
affected under this division shall be afforded an opportunity to 99107  
demonstrate to the board the ability to resume practice in 99108  
compliance with acceptable and prevailing standards under the 99109  
provisions of the individual's license or certificate. For the 99110  
purpose of this division, any individual who applies for or 99111  
receives a license or certificate to practice under this chapter 99112  
accepts the privilege of practicing in this state and, by so 99113  
doing, shall be deemed to have given consent to submit to a 99114  
mental or physical examination when directed to do so in writing 99115  
by the board, and to have waived all objections to the 99116  
admissibility of testimony or examination reports that 99117  
constitute a privileged communication. 99118

(20) Except as provided in division (F) (1) (b) of section 4731.282 of the Revised Code or when civil penalties are imposed under section 4731.225 of the Revised Code, and subject to section 4731.226 of the Revised Code, violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board.

This division does not apply to a violation or attempted violation of, assisting in or abetting the violation of, or a conspiracy to violate, any provision of this chapter or any rule adopted by the board that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(21) The violation of section 3701.79 of the Revised Code or of any abortion rule adopted by the director of health pursuant to section 3701.341 of the Revised Code;

(22) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to

practice; acceptance of an individual's license surrender; 99149  
denial of a license; refusal to renew or reinstate a license; 99150  
imposition of probation; or issuance of an order of censure or 99151  
other reprimand; 99152

(23) The violation of section 2919.12 of the Revised Code 99153  
or the performance or inducement of an abortion upon a pregnant 99154  
woman with actual knowledge that the conditions specified in 99155  
division (B) of section 2317.56 of the Revised Code have not 99156  
been satisfied or with a heedless indifference as to whether 99157  
those conditions have been satisfied, unless an affirmative 99158  
defense as specified in division (H) (2) of that section would 99159  
apply in a civil action authorized by division (H) (1) of that 99160  
section; 99161

(24) The revocation, suspension, restriction, reduction, 99162  
or termination of clinical privileges by the United States 99163  
department of defense or department of veterans affairs or the 99164  
termination or suspension of a certificate of registration to 99165  
prescribe drugs by the drug enforcement administration of the 99166  
United States department of justice; 99167

(25) Termination or suspension from participation in the 99168  
medicare or medicaid programs by the department of health and 99169  
human services or other responsible agency; 99170

(26) Impairment of ability to practice according to 99171  
acceptable and prevailing standards of care because of substance 99172  
use disorder or excessive use or abuse of drugs, alcohol, or 99173  
other substances that may impair ability to practice. 99174

For the purposes of this division, any individual 99175  
authorized to practice by this chapter accepts the privilege of 99176  
practicing in this state subject to supervision by the board. By 99177

filing an application for or holding a license or certificate to 99178  
practice under this chapter, an individual shall be deemed to 99179  
have given consent to submit to a mental or physical examination 99180  
when ordered to do so by the board in writing, and to have 99181  
waived all objections to the admissibility of testimony or 99182  
examination reports that constitute privileged communications. 99183

If it has reason to believe that any individual authorized 99184  
to practice by this chapter or any applicant for licensure or 99185  
certification to practice suffers such impairment, the board 99186  
shall refer the individual to the monitoring organization that 99187  
conducts the confidential monitoring program established under 99188  
section 4731.25 of the Revised Code. The board also may compel 99189  
the individual to submit to a mental or physical examination, or 99190  
both. The expense of the examination is the responsibility of 99191  
the individual compelled to be examined. Any mental or physical 99192  
examination required under this division shall be undertaken by 99193  
a treatment provider or physician who is qualified to conduct 99194  
the examination and who is approved under section 4731.251 of 99195  
the Revised Code. 99196

Failure to submit to a mental or physical examination 99197  
ordered by the board constitutes an admission of the allegations 99198  
against the individual unless the failure is due to 99199  
circumstances beyond the individual's control, and a default and 99200  
final order may be entered without the taking of testimony or 99201  
presentation of evidence. If the board determines that the 99202  
individual's ability to practice is impaired, the board shall 99203  
suspend the individual's license or certificate or deny the 99204  
individual's application and shall require the individual, as a 99205  
condition for initial, continued, reinstated, or renewed 99206  
licensure or certification to practice, to submit to treatment. 99207

Before being eligible to apply for reinstatement of a 99208  
license or certificate suspended under this division, the 99209  
impaired practitioner shall demonstrate to the board the ability 99210  
to resume practice in compliance with acceptable and prevailing 99211  
standards of care under the provisions of the practitioner's 99212  
license or certificate. The demonstration shall include, but 99213  
shall not be limited to, the following: 99214

(a) Certification from a treatment provider approved under 99215  
section 4731.251 of the Revised Code that the individual has 99216  
successfully completed any required inpatient treatment; 99217

(b) Evidence of continuing full compliance with an 99218  
aftercare contract or consent agreement; 99219

(c) Two written reports indicating that the individual's 99220  
ability to practice has been assessed and that the individual 99221  
has been found capable of practicing according to acceptable and 99222  
prevailing standards of care. The reports shall be made by 99223  
individuals or providers approved by the board for making the 99224  
assessments and shall describe the basis for their 99225  
determination. 99226

The board may reinstate a license or certificate suspended 99227  
under this division after that demonstration and after the 99228  
individual has entered into a written consent agreement. 99229

When the impaired practitioner resumes practice, the board 99230  
shall require continued monitoring of the individual. The 99231  
monitoring shall include, but not be limited to, compliance with 99232  
the written consent agreement entered into before reinstatement 99233  
or with conditions imposed by board order after a hearing, and, 99234  
upon termination of the consent agreement, submission to the 99235  
board for at least two years of annual written progress reports 99236

made under penalty of perjury stating whether the individual has 99237  
maintained sobriety. 99238

(27) A second or subsequent violation of section 4731.66 99239  
or 4731.69 of the Revised Code; 99240

(28) Except as provided in division (N) of this section: 99241

(a) Waiving the payment of all or any part of a deductible 99242  
or copayment that a patient, pursuant to a health insurance or 99243  
health care policy, contract, or plan that covers the 99244  
individual's services, otherwise would be required to pay if the 99245  
waiver is used as an enticement to a patient or group of 99246  
patients to receive health care services from that individual; 99247

(b) Advertising that the individual will waive the payment 99248  
of all or any part of a deductible or copayment that a patient, 99249

or plan that covers the individual's services, otherwise would 99251  
be required to pay. 99252

acknowledgment of the notice from, a patient when required by 99257  
section 4731.143 of the Revised Code prior to providing 99258  
nonemergency professional services, or failure to maintain that 99259  
notice in the patient's medical record; 99260

(31) Failure of a physician supervising a physician 99261

adopted under that chapter; 99264

(40) Failure to comply with the standards and procedures	99300

A telephone conference call may be utilized for 99369

subsequent plea of guilty to, or judicial finding of guilt of, a 99377  
violation of section 2919.123 or 2919.124 of the Revised Code, 99378  
the disciplinary action shall consist of a suspension of the 99379  
individual's license or certificate to practice for a period of 99380

at least one year or, if determined appropriate by the board, a  
more serious sanction involving the individual's license or  
certificate to practice. Any consent agreement entered into  
under this division with an individual that pertains to a second  
or subsequent plea of guilty to, or judicial finding of guilt  
of, a violation of that section shall provide for a suspension  
of the individual's license or certificate to practice for a  
period of at least one year or, if determined appropriate by the  
board, a more serious sanction involving the individual's  
license or certificate to practice.

(D) For purposes of divisions (B) (10), (12), and (14) of  
this section, the commission of the act may be established by a  
finding by the board, pursuant to an adjudication under Chapter  
119. of the Revised Code, that the individual committed the act.  
The board does not have jurisdiction under those divisions if  
the trial court renders a final judgment in the individual's  
favor and that judgment is based upon an adjudication on the  
merits. The board has jurisdiction under those divisions if the  
trial court issues an order of dismissal upon technical or  
procedural grounds.

(E) The sealing or expungement of conviction records by  
any court shall have no effect upon a prior board order entered  
under this section or upon the board's jurisdiction to take  
action under this section if, based upon a plea of guilty, a  
judicial finding of guilt, or a judicial finding of eligibility  
for intervention in lieu of conviction, the board issued a  
notice of opportunity for a hearing prior to the court's order  
to seal or expunge the records. The board shall not be required  
to seal, expunge, destroy, redact, or otherwise modify its  
records to reflect the court's sealing of conviction records.

(F) (1) The board shall investigate evidence that appears 99411  
to show that a person has violated any provision of this chapter 99412  
or any rule adopted under it. Any person may report to the board 99413  
in a signed writing any information that the person may have 99414  
that appears to show a violation of any provision of this 99415  
chapter or any rule adopted under it. In the absence of bad 99416  
faith, any person who reports information of that nature or who 99417  
testifies before the board in any adjudication conducted under 99418  
Chapter 119. of the Revised Code shall not be liable in damages 99419  
in a civil action as a result of the report or testimony. Each 99420  
complaint or allegation of a violation received by the board 99421  
shall be assigned a case number and shall be recorded by the 99422  
board. 99423

(2) Investigations of alleged violations of this chapter 99424  
or any rule adopted under it shall be supervised by the 99425  
supervising member elected by the board in accordance with 99426  
section 4731.02 of the Revised Code and by the secretary as 99427  
provided in section 4731.39 of the Revised Code. The president 99428  
may designate another member of the board to supervise the 99429  
investigation in place of the supervising member. Upon a vote of 99430  
the majority of the board to authorize the addition of a 99431  
consumer member in the supervision of any part of any 99432  
investigation, the president shall designate a consumer member 99433  
for supervision of investigations as determined by the 99434  
president. The authorization of consumer member participation in 99435  
investigation supervision may be rescinded by a majority vote of 99436  
the board. No member of the board who supervises the 99437  
investigation of a case shall participate in further 99438  
adjudication of the case. 99439

(3) In investigating a possible violation of this chapter 99440  
or any rule adopted under this chapter, or in conducting an 99441

inspection under division (E) of section 4731.054 of the Revised Code, the board may question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary of the board.

(a) Before issuance of a subpoena for patient record information, the secretary shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or any rule adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

(b) On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

(c) A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee or agent designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence, usual place of business, or address on file with the board. When serving a subpoena to an applicant for or the holder of a license or certificate issued

under this chapter, service of the subpoena may be made by 99472  
certified mail, return receipt requested, and the subpoena shall 99473  
be deemed served on the date delivery is made or the date the 99474  
person refuses to accept delivery. If the person being served 99475  
refuses to accept the subpoena or is not located, service may be 99476  
made to an attorney who notifies the board that the attorney is 99477  
representing the person. 99478

(d) A sheriff's deputy who serves a subpoena shall receive 99479  
the same fees as a sheriff. Each witness who appears before the 99480  
board in obedience to a subpoena shall receive the fees and 99481  
mileage provided for under section 119.094 of the Revised Code. 99482

(4) All hearings, investigations, and inspections of the 99483  
board shall be considered civil actions for the purposes of 99484  
section 2305.252 of the Revised Code. 99485

(5) A report required to be submitted to the board under 99486  
this chapter, a complaint, or information received by the board 99487  
pursuant to an investigation or pursuant to an inspection under 99488  
division (E) of section 4731.054 of the Revised Code is 99489  
confidential and not subject to discovery in any civil action. 99490

The board shall conduct all investigations or inspections 99491  
and proceedings in a manner that protects the confidentiality of 99492  
patients and persons who file complaints with the board. The 99493  
board shall not make public the names or any other identifying 99494  
information about patients or complainants unless proper consent 99495  
is given or, in the case of a patient, a waiver of the patient 99496  
privilege exists under division (B) of section 2317.02 of the 99497  
Revised Code, except that consent or a waiver of that nature is 99498  
not required if the board possesses reliable and substantial 99499  
evidence that no bona fide physician-patient relationship 99500  
exists. 99501

The board may share any information it receives pursuant 99502  
to an investigation or inspection, including patient records and 99503  
patient record information, with law enforcement agencies, other 99504  
licensing boards, and other governmental agencies that are 99505  
prosecuting, adjudicating, or investigating alleged violations 99506  
of statutes or administrative rules. An agency or board that 99507  
receives the information shall comply with the same requirements 99508  
regarding confidentiality as those with which the state medical 99509  
board must comply, notwithstanding any conflicting provision of 99510  
the Revised Code or procedure of the agency or board that 99511  
applies when it is dealing with other information in its 99512  
possession. In a judicial proceeding, the information may be 99513  
admitted into evidence only in accordance with the Rules of 99514  
Evidence, but the court shall require that appropriate measures 99515  
are taken to ensure that confidentiality is maintained with 99516  
respect to any part of the information that contains names or 99517  
other identifying information about patients or complainants 99518  
whose confidentiality was protected by the state medical board 99519  
when the information was in the board's possession. Measures to 99520  
ensure confidentiality that may be taken by the court include 99521  
sealing its records or deleting specific information from its 99522  
records. 99523

No person shall knowingly access, use, or disclose 99524  
confidential investigatory information in a manner prohibited by 99525  
law. 99526

(6) On a quarterly basis, the board shall prepare a report 99527  
that documents the disposition of all cases during the preceding 99528  
three months. The report shall contain the following information 99529  
for each case with which the board has completed its activities: 99530

(a) The case number assigned to the complaint or alleged 99531

violation;	99532
(b) The type of license or certificate to practice, if any, held by the individual against whom the complaint is directed;	99533 99534 99535
(c) A description of the allegations contained in the complaint;	99536 99537
(d) Whether witnesses were interviewed;	99538
(e) Whether the individual against whom the complaint is directed is the subject of any pending complaints;	99539 99540
(f) The disposition of the case.	99541
The report shall state how many cases are still pending and shall be prepared in a manner that protects the identity of each person involved in each case. The report shall be a public record under section 149.43 of the Revised Code.	99542 99543 99544 99545
(7) The board may provide a status update regarding an investigation to a complainant on request if the board verifies the complainant's identity.	99546 99547 99548
(G) (1) If either of the following circumstances occur, the secretary and supervising member may recommend that the board suspend an individual's license or certificate to practice or certificate to recommend without a prior hearing:	99549 99550 99551 99552
(a) The secretary and supervising member determine both of the following:	99553 99554
(i) That there is clear and convincing evidence that an individual has violated division (B) of this section;	99555 99556
(ii) That the individual's continued practice presents a danger of immediate and serious harm to the public.	99557 99558

(b) The board receives verifiable information that a licensee has been charged in any state or federal court with a crime classified as a felony under the charging court's law and the conduct constitutes a violation of division (B) of this section.

(2) If a recommendation is made to suspend without a prior hearing pursuant to division (G)(1) of this section, written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall serve a written order of suspension in accordance with sections 119.05 and 119.07 of the Revised Code. ~~The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code.~~ If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

(3) Any summary suspension imposed under ~~this division~~ (G)(2) of this section is not a final appealable order and is not an adjudication that may be appealed under section 119.12 of the Revised Code. The summary suspension shall remain in effect, ~~unless reversed on appeal,~~ until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. Once a final adjudicative

order has been issued by the board, any party adversely affected 99589  
by it may file an appeal in accordance with the requirements of 99590  
Chapter 119. of the Revised Code. ~~The~~ 99591

The board shall issue its final adjudicative order within 99592  
seventy-five days after completion of its hearing. A failure to 99593  
issue the order within seventy-five days shall result in 99594  
dissolution of the summary suspension order but shall not 99595  
invalidate any subsequent, final adjudicative order. 99596

(H) If the board takes action under division (B) (9), (11), 99597  
or (13) of this section and the judicial finding of guilt, 99598  
guilty plea, or judicial finding of eligibility for intervention 99599  
in lieu of conviction is overturned on appeal, upon exhaustion 99600  
of the criminal appeal, a petition for reconsideration of the 99601  
order may be filed with the board along with appropriate court 99602  
documents. Upon receipt of a petition of that nature and 99603  
supporting court documents, the board shall reinstate the 99604  
individual's license or certificate to practice. The board may 99605  
then hold an adjudication under Chapter 119. of the Revised Code 99606  
to determine whether the individual committed the act in 99607  
question. Notice of an opportunity for a hearing shall be given 99608  
in accordance with Chapter 119. of the Revised Code. If the 99609  
board finds, pursuant to an adjudication held under this 99610  
division, that the individual committed the act or if no hearing 99611  
is requested, the board may order any of the sanctions 99612  
identified under division (B) of this section. 99613

(I) The license or certificate to practice issued to an 99614  
individual under this chapter and the individual's practice in 99615  
this state are automatically suspended as of the date of the 99616  
individual's second or subsequent plea of guilty to, or judicial 99617  
finding of guilt of, a violation of section 2919.123 or 2919.124 99618

of the Revised Code. In addition, the license or certificate to 99619  
practice or certificate to recommend issued to an individual 99620  
under this chapter and the individual's practice in this state 99621  
are automatically suspended as of the date the individual pleads 99622  
guilty to, is found by a judge or jury to be guilty of, or is 99623  
subject to a judicial finding of eligibility for intervention in 99624  
lieu of conviction in this state or treatment or intervention in 99625  
lieu of conviction in another jurisdiction for any of the 99626  
following criminal offenses in this state or a substantially 99627  
equivalent criminal offense in another jurisdiction: aggravated 99628  
murder, murder, voluntary manslaughter, felonious assault, 99629  
trafficking in persons, kidnapping, rape, sexual battery, gross 99630  
sexual imposition, aggravated arson, aggravated robbery, or 99631  
aggravated burglary. Continued practice after suspension shall 99632  
be considered practicing without a license or certificate. 99633

The board shall notify the individual subject to the 99634  
suspension in accordance with sections 119.05 and 119.07 of the 99635  
Revised Code. If an individual whose license or certificate is 99636  
automatically suspended under this division fails to make a 99637  
timely request for an adjudication under Chapter 119. of the 99638  
Revised Code, the board shall do whichever of the following is 99639  
applicable: 99640

(1) If the automatic suspension under this division is for 99641  
a second or subsequent plea of guilty to, or judicial finding of 99642  
guilt of, a violation of section 2919.123 or 2919.124 of the 99643  
Revised Code, the board shall enter an order suspending the 99644  
individual's license or certificate to practice for a period of 99645  
at least one year or, if determined appropriate by the board, 99646  
imposing a more serious sanction involving the individual's 99647  
license or certificate to practice. 99648

(2) In all circumstances in which division (I) (1) of this section does not apply, enter a final order permanently revoking the individual's license or certificate to practice.

(J) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for

reinstatement of the license or certificate or for issuance of a new license or certificate. 99679  
99680

(M) Notwithstanding any other provision of the Revised Code, all of the following apply: 99681  
99682

(1) The surrender of a license or certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board. 99683  
99684  
99685  
99686  
99687  
99688  
99689  
99690  
99691

(2) An application for a license or certificate made under the provisions of this chapter may not be withdrawn without approval of the board. 99692  
99693  
99694

(3) Failure by an individual to renew a license or certificate to practice in accordance with this chapter or a certificate to recommend in accordance with rules adopted under section 4731.301 of the Revised Code does not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual. 99695  
99696  
99697  
99698  
99699  
99700

(4) The placement of an individual's license on retired status, as described in section 4731.283 of the Revised Code, does not remove or limit the board's jurisdiction to take any disciplinary action against the individual with regard to the license as it existed before being placed on retired status. 99701  
99702  
99703  
99704  
99705

(5) At the request of the board, a license or certificate holder shall immediately surrender to the board a license or 99706  
99707

certificate that the board has suspended, revoked, or 99708  
permanently revoked. 99709

(N) Sanctions shall not be imposed under division (B) (28) 99710  
of this section against any person who waives deductibles and 99711  
copayments as follows: 99712

(1) In compliance with the health benefit plan that 99713  
expressly allows such a practice. Waiver of the deductibles or 99714  
copayments shall be made only with the full knowledge and 99715  
consent of the plan purchaser, payer, and third-party 99716  
administrator. Documentation of the consent shall be made 99717  
available to the board upon request. 99718

(2) For professional services rendered to any other person 99719  
authorized to practice pursuant to this chapter, to the extent 99720  
allowed by this chapter and rules adopted by the board. 99721

(O) Under the board's investigative duties described in 99722  
this section and subject to division (F) of this section, the 99723  
board shall develop and implement a quality intervention program 99724  
designed to improve through remedial education the clinical and 99725  
communication skills of individuals authorized under this 99726  
chapter to practice medicine and surgery, osteopathic medicine 99727  
and surgery, and podiatric medicine and surgery. In developing 99728  
and implementing the quality intervention program, the board may 99729  
do all of the following: 99730

(1) Offer in appropriate cases as determined by the board 99731  
an educational and assessment program pursuant to an 99732  
investigation the board conducts under this section; 99733

(2) Select providers of educational and assessment 99734  
services, including a quality intervention program panel of case 99735  
reviewers; 99736

(3) Make referrals to educational and assessment service 99737  
providers and approve individual educational programs 99738  
recommended by those providers. The board shall monitor the 99739  
progress of each individual undertaking a recommended individual 99740  
educational program. 99741

(4) Determine what constitutes successful completion of an 99742  
individual educational program and require further monitoring of 99743  
the individual who completed the program or other action that 99744  
the board determines to be appropriate; 99745

(5) Adopt rules in accordance with Chapter 119. of the 99746  
Revised Code to further implement the quality intervention 99747  
program. 99748

An individual who participates in an individual 99749  
educational program pursuant to this division shall pay the 99750  
financial obligations arising from that educational program. 99751

(P) The board shall not refuse to issue a license to an 99752  
applicant because of a conviction, plea of guilty, judicial 99753  
finding of guilt, judicial finding of eligibility for 99754  
intervention in lieu of conviction, or the commission of an act 99755  
that constitutes a criminal offense, unless the refusal is in 99756  
accordance with section 9.79 of the Revised Code. 99757

(Q) A license or certificate to practice or certificate to 99758  
recommend issued to an individual under this chapter and an 99759  
individual's practice under this chapter in this state are 99760  
automatically suspended if the individual's license or 99761  
certificate to practice a health care occupation or provide 99762  
health care services is suspended, revoked, or surrendered or 99763  
relinquished in lieu of discipline by an agency responsible for 99764  
authorizing, certifying, or regulating an individual to practice 99765

a health care occupation or provide health care services in this state or another jurisdiction. The automatic suspension begins immediately upon entry of the order by the agency and lasts for ninety days to permit the board to investigate the basis for the action under this chapter. Continued practice during the automatic suspension shall be considered practicing without a license or certificate.

The board shall notify the individual subject to the automatic suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual subject to an automatic suspension under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

the reasons for such denial shall be put in writing. 100930

(2) The section may refuse to issue a license to an 100931  
applicant because of a conviction of or plea of guilty to an 100932  
offense if the refusal is in accordance with section 9.79 of the 100933  
Revised Code. 100934

(3) In considering a renewal of an individual's license, 100935

requirements and license renewal schedule for licensees as 100948  
provided in or adopted pursuant to those sections for the 100949  
purpose of establishing a compliance incentive program. These 100950  
rules may include provisions for the creation of the program and 100951

(19) Failure to cooperate in an investigation conducted by 102696  
the board under division (B) of section 4759.05 of the Revised 102697  
Code, including failure to comply with a subpoena or order 102698  
issued by the board or failure to answer truthfully a question 102699  
presented by the board in an investigative interview, an 102700  
investigative office conference, at a deposition, or in written 102701  
interrogatories, except that failure to cooperate with an 102702  
investigation shall not constitute grounds for discipline under 102703  
this section if a court of competent jurisdiction has issued an 102704

order that either quashes a subpoena or permits the individual 102705  
to withhold the testimony or evidence in issue; 102706

(20) Representing with the purpose of obtaining 102707  
compensation or other advantage as personal gain or for any 102708  
other person, that an incurable disease or injury, or other 102709  
incurable condition, can be permanently cured. 102710

(B) The board shall not refuse to issue a license or 102711  
limited permit to an applicant because of a plea of guilty to, a 102712  
judicial finding of guilt of, or a judicial finding of 102713  
eligibility for intervention in lieu of conviction for an 102714  
offense unless the refusal is in accordance with section 9.79 of 102715  
the Revised Code. 102716

(C) Any action taken by the board under division (A) of 102717  
this section resulting in a suspension from practice shall be 102718  
accompanied by a written statement of the conditions under which 102719  
the individual's license or permit may be reinstated. The board 102720  
shall adopt rules governing conditions to be imposed for 102721  
reinstatement. Reinstatement of a license or permit suspended 102722  
pursuant to division (A) of this section requires an affirmative 102723  
vote of not fewer than six members of the board. 102724

(D) When the board refuses to grant or issue a license or 102725  
permit to an applicant, revokes an individual's license or 102726  
permit, refuses to renew an individual's license or permit, or 102727  
refuses to reinstate an individual's license or permit, the 102728  
board may specify that its action is permanent. An individual 102729  
subject to a permanent action taken by the board is forever 102730  
thereafter ineligible to hold a license or permit and the board 102731  
shall not accept an application for reinstatement of the license 102732  
or permit or for issuance of a new license or permit. 102733

(E) Disciplinary actions taken by the board under division (A) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's license or permit. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

(F) In enforcing division (A) (14) of this section, the board, upon a showing of a possible violation, shall refer any individual authorized to practice by this chapter or who has submitted an application pursuant to this chapter to the monitoring organization that conducts the confidential monitoring program established under section 4731.25 of the Revised Code. The board also may compel the individual to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the

individual's control, and a default and final order may be 102765  
entered without the taking of testimony or presentation of 102766  
evidence. If the board finds an individual unable to practice 102767  
because of the reasons set forth in division (A)(14) of this 102768  
section, the board shall require the individual to submit to 102769  
care, counseling, or treatment by physicians approved or 102770  
designated by the board, as a condition for initial, continued, 102771  
reinstated, or renewed authority to practice. An individual 102772  
affected under this division shall be afforded an opportunity to 102773  
demonstrate to the board the ability to resume practice in 102774  
compliance with acceptable and prevailing standards under the 102775  
provisions of the individual's license or permit. For the 102776  
purpose of division (A)(14) of this section, any individual who 102777  
applies for or receives a license or permit under this chapter 102778  
accepts the privilege of practicing in this state and, by so 102779  
doing, shall be deemed to have given consent to submit to a 102780  
mental or physical examination when directed to do so in writing 102781  
by the board, and to have waived all objections to the 102782  
admissibility of testimony or examination reports that 102783  
constitute a privileged communication. 102784

(G) For the purposes of division (A)(18) of this section, 102785  
any individual authorized to practice by this chapter accepts 102786  
the privilege of practicing in this state subject to supervision 102787  
by the board. By filing an application for or holding a license 102788  
or permit under this chapter, an individual shall be deemed to 102789  
have given consent to submit to a mental or physical examination 102790  
when ordered to do so by the board in writing, and to have 102791  
waived all objections to the admissibility of testimony or 102792  
examination reports that constitute privileged communications. 102793

If it has reason to believe that any individual authorized 102794  
to practice by this chapter or any applicant for a license or 102795

permit suffers such impairment, the board shall refer the 102796  
individual to the monitoring organization that conducts the 102797  
confidential monitoring program established under section 102798  
4731.25 of the Revised Code. The board also may compel the 102799  
individual to submit to a mental or physical examination, or 102800  
both. The expense of the examination is the responsibility of 102801  
the individual compelled to be examined. Any mental or physical 102802  
examination required under this division shall be undertaken by 102803  
a treatment provider or physician who is qualified to conduct 102804  
the examination and who is approved under section 4731.251 of 102805  
the Revised Code. 102806

Failure to submit to a mental or physical examination 102807  
ordered by the board constitutes an admission of the allegations 102808  
against the individual unless the failure is due to 102809  
circumstances beyond the individual's control, and a default and 102810  
final order may be entered without the taking of testimony or 102811  
presentation of evidence. If the board determines that the 102812  
individual's ability to practice is impaired, the board shall 102813  
suspend the individual's license or permit or deny the 102814  
individual's application and shall require the individual, as a 102815  
condition for an initial, continued, reinstated, or renewed 102816  
license or permit, to submit to treatment. 102817

Before being eligible to apply for reinstatement of a 102818  
license or permit suspended under this division, the impaired 102819  
practitioner shall demonstrate to the board the ability to 102820  
resume practice in compliance with acceptable and prevailing 102821  
standards of care under the provisions of the practitioner's 102822  
license or permit. The demonstration shall include, but shall 102823  
not be limited to, the following: 102824

(1) Certification from a treatment provider approved under 102825

section 4731.251 of the Revised Code that the individual has 102826  
successfully completed any required inpatient treatment; 102827

(2) Evidence of continuing full compliance with an 102828  
aftercare contract or consent agreement; 102829

(3) Two written reports indicating that the individual's 102830  
ability to practice has been assessed and that the individual 102831  
has been found capable of practicing according to acceptable and 102832  
prevailing standards of care. The reports shall be made by 102833  
individuals or providers approved by the board for making the 102834  
assessments and shall describe the basis for their 102835  
determination. 102836

The board may reinstate a license or permit suspended 102837  
under this division after that demonstration and after the 102838  
individual has entered into a written consent agreement. 102839

When the impaired practitioner resumes practice, the board 102840  
shall require continued monitoring of the individual. The 102841  
monitoring shall include, but not be limited to, compliance with 102842  
the written consent agreement entered into before reinstatement 102843  
or with conditions imposed by board order after a hearing, and, 102844  
upon termination of the consent agreement, submission to the 102845  
board for at least two years of annual written progress reports 102846  
made under penalty of perjury stating whether the individual has 102847  
maintained sobriety. 102848

(H) (1) If either of the following circumstances occur, the 102849  
secretary and supervising member may recommend that the board 102850  
suspend an individual's license or permit without a prior 102851  
hearing: 102852

(a) The secretary and supervising member determine both of 102853  
the following: 102854

(i) That there is clear and convincing evidence that an individual has violated division (A) of this section; 102855  
102856

(ii) That the individual's continued practice presents a danger of immediate and serious harm to the public. 102857  
102858

(b) The board receives verifiable information that a licensee has been charged in any state or federal court for a crime classified as a felony under the charging court's law and the conduct charged constitutes a violation of division (A) of this section. 102859  
102860  
102861  
102862  
102863

(2) If a recommendation is made to suspend without a prior hearing pursuant to division (H) (1) of this section, written allegations shall be prepared for consideration by the board. 102864  
102865  
102866  
The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or permit without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension. 102867  
102868  
102869  
102870  
102871  
102872

The board shall serve a written order of suspension in accordance with sections 119.05 and 119.07 of the Revised Code. 102873  
102874  
~~The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code.~~ 102875  
102876  
If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual. 102877  
102878  
102879  
102880  
102881

(3) Any summary suspension imposed under ~~this~~ division (H) (2) of this section is not a final appealable order and is not 102882  
102883

an adjudication that may be appealed under section 119.12 of the 102884  
Revised Code. The summary suspension shall remain in effect, 102885  
~~unless reversed on appeal,~~ until a final adjudicative order 102886  
issued by the board pursuant to this section and Chapter 119. of 102887  
the Revised Code becomes effective. Once a final adjudicative 102888  
order has been issued by the board, any party adversely affected 102889  
by it may file an appeal in accordance with the requirements of 102890  
Chapter 119. of the Revised Code. The 102891

The board shall issue its final adjudicative order within 102892  
seventy-five days after completion of its hearing. A failure to 102893  
issue the order within seventy-five days shall result in 102894  
dissolution of the summary suspension order but shall not 102895  
invalidate any subsequent, final adjudicative order. 102896

(I) If the board is required by Chapter 119. of the 102897  
Revised Code to give notice of an opportunity for a hearing and 102898  
if the individual subject to the notice does not timely request 102899  
a hearing in accordance with section 119.07 of the Revised Code, 102900  
the board is not required to hold a hearing, but may adopt, by 102901  
an affirmative vote of not fewer than six of its members, a 102902  
final order that contains the board's findings. In the final 102903  
order, the board may order any of the sanctions identified under 102904  
division (A) of this section. 102905

(J) For purposes of divisions (A) (5), (7), and (9) of this 102906  
section, the commission of the act may be established by a 102907  
finding by the board, pursuant to an adjudication under Chapter 102908  
119. of the Revised Code, that the individual committed the act. 102909  
The board does not have jurisdiction under those divisions if 102910  
the trial court renders a final judgment in the individual's 102911  
favor and that judgment is based upon an adjudication on the 102912  
merits. The board has jurisdiction under those divisions if the 102913

trial court issues an order of dismissal upon technical or 102914  
procedural grounds. 102915

(K) The sealing or expungement of conviction records by 102916  
any court shall have no effect upon a prior board order entered 102917  
under this section or upon the board's jurisdiction to take 102918  
action under this section if, based upon a plea of guilty, a 102919  
judicial finding of guilt, or a judicial finding of eligibility 102920  
for intervention in lieu of conviction, the board issued a 102921  
notice of opportunity for a hearing prior to the court's order 102922  
to seal or expunge the records. The board shall not be required 102923  
to seal, destroy, redact, or otherwise modify its records to 102924  
reflect the court's sealing or expungement of conviction 102925  
records. 102926

(L) If the board takes action under division (A) (4), (6), 102927  
or (8) of this section, and the judicial finding of guilt, 102928  
guilty plea, or judicial finding of eligibility for intervention 102929  
in lieu of conviction is overturned on appeal, upon exhaustion 102930  
of the criminal appeal, a petition for reconsideration of the 102931  
order may be filed with the board along with appropriate court 102932  
documents. Upon receipt of a petition for reconsideration and 102933  
supporting court documents, the board shall reinstate the 102934  
individual's license or permit. The board may then hold an 102935  
adjudication under Chapter 119. of the Revised Code to determine 102936  
whether the individual committed the act in question. Notice of 102937  
an opportunity for a hearing shall be given in accordance with 102938  
Chapter 119. of the Revised Code. If the board finds, pursuant 102939  
to an adjudication held under this division, that the individual 102940  
committed the act or if no hearing is requested, the board may 102941  
order any of the sanctions identified under division (A) of this 102942  
section. 102943

(M) The license or permit issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date the individual pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, trafficking in persons, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after suspension shall be considered practicing without a license or permit.

The board shall serve the individual subject to the suspension in accordance with sections 119.05 and 119.07 of the Revised Code. If an individual whose license or permit is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license or permit.

(N) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or permit issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or permit. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or permit surrendered

to the board requires an affirmative vote of not fewer than six 102974  
members of the board. 102975

(2) An application for a license or permit made under the 102976  
provisions of this chapter may not be withdrawn without approval 102977  
of the board. 102978

(3) Failure by an individual to renew a license or permit 102979  
in accordance with this chapter does not remove or limit the 102980  
board's jurisdiction to take any disciplinary action under this 102981  
section against the individual. 102982

(4) The placement of an individual's license on retired 102983  
status, as described in section 4759.064 of the Revised Code, 102984  
does not remove or limit the board's jurisdiction to take any 102985  
disciplinary action against the individual with regard to the 102986  
license as it existed before being placed on retired status. 102987

(5) At the request of the board, a license or permit 102988  
holder shall immediately surrender to the board a license or 102989  
permit that the board has suspended, revoked, or permanently 102990  
revoked. 102991

board to have committed fraud, misrepresentation, or deception 103014  
in applying for or securing the license. 103015

(B) The board, by an affirmative vote of not fewer than 103016  
six members, shall, except as provided in division (C) of this 103017  
section, and to the extent permitted by law, limit, revoke, or 103018  
suspend an individual's license to practice as an 103019  
anesthesiologist assistant, refuse to issue a license to an 103020  
applicant, refuse to renew a license, refuse to reinstate a 103021  
license, or reprimand or place on probation the holder of a 103022

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.	103049 103050 103051 103052 103053 103054 103055 103056

constitutes a misdemeanor in this state, regardless of the 103077  
jurisdiction in which the act was committed; 103078

(16) A plea of guilty to, a judicial finding of guilt of, 103079  
or a judicial finding of eligibility for intervention in lieu of 103080

(17) Any of the following actions taken by the state 103084  
agency responsible for regulating the practice of 103085  
anesthesiologist assistants in another jurisdiction, for any 103086

the board under section 4760.14 of the Revised Code, including	103099
failure to comply with a subpoena or order issued by the board	103100
or failure to answer truthfully a question presented by the	103101
board at a deposition or in written interrogatories, except that	103102
failure to cooperate with an investigation shall not constitute	103103
grounds for discipline under this section if a court of	103104
competent jurisdiction has issued an order that either quashes a	103105
subpoena or permits the individual to withhold the testimony or	103106
evidence in issue;	103107
(21) Failure to comply with any code of ethics established	103108

revocation or failure to maintain certification from the	103112
national commission for certification of anesthesiologist	103113
assistants.	103114
(C) The board shall not refuse to issue a certificate to	103115
an applicant because of a plea of guilty to, a judicial finding	103116
of guilt of, or a judicial finding of eligibility for	103117

intervention in lieu of conviction for an offense unless the 103118  
refusal is in accordance with section 9.79 of the Revised Code. 103119

(D) Disciplinary actions taken by the board under 103120  
divisions (A) and (B) of this section shall be taken pursuant to 103121  
an adjudication under Chapter 119. of the Revised Code, except 103122  
that in lieu of an adjudication, the board may enter into a 103123  
consent agreement with an anesthesiologist assistant or 103124  
applicant to resolve an allegation of a violation of this 103125  
chapter or any rule adopted under it. A consent agreement, when 103126  
ratified by an affirmative vote of not fewer than six members of 103127  
the board, shall constitute the findings and order of the board 103128  
with respect to the matter addressed in the agreement. If the 103129  
board refuses to ratify a consent agreement, the admissions and 103130  
findings contained in the consent agreement shall be of no force 103131  
or effect. 103132

(E) For purposes of divisions (B) (11), (14), and (15) of 103133  
this section, the commission of the act may be established by a 103134  
finding by the board, pursuant to an adjudication under Chapter 103135  
119. of the Revised Code, that the applicant or license holder 103136  
committed the act in question. The board shall have no 103137  
jurisdiction under these divisions in cases where the trial 103138  
court renders a final judgment in the license holder's favor and 103139  
that judgment is based upon an adjudication on the merits. The 103140  
board shall have jurisdiction under these divisions in cases 103141  
where the trial court issues an order of dismissal on technical 103142  
or procedural grounds. 103143

(F) The sealing or expungement of conviction records by 103144  
any court shall have no effect on a prior board order entered 103145  
under the provisions of this section or on the board's 103146  
jurisdiction to take action under the provisions of this section 103147

if, based upon a plea of guilty, a judicial finding of guilt, or 103148  
a judicial finding of eligibility for intervention in lieu of 103149  
conviction, the board issued a notice of opportunity for a 103150  
hearing prior to the court's order to seal or expunge the 103151  
records. The board shall not be required to seal, destroy, 103152  
redact, or otherwise modify its records to reflect the court's 103153  
sealing or expungement of conviction records. 103154

(G) For purposes of this division, any individual who 103155  
holds a license to practice issued under this chapter, or 103156  
applies for a license to practice, shall be deemed to have given 103157  
consent to submit to a mental or physical examination when 103158  
directed to do so in writing by the board and to have waived all 103159  
objections to the admissibility of testimony or examination 103160  
reports that constitute a privileged communication. 103161

(1) In enforcing division (B)(5) of this section, the 103162  
board, on a showing of a possible violation, shall refer any 103163  
individual who holds, or has applied for, a license issued under 103164  
this chapter to the monitoring organization that conducts the 103165  
confidential monitoring program established under section 103166  
4731.25 of the Revised Code. The board also may compel the 103167  
individual to this chapter to submit to a mental or physical 103168  
examination, or both. A physical examination may include an HIV 103169  
test. The expense of the examination is the responsibility of 103170  
the individual compelled to be examined. Failure to submit to a 103171  
mental or physical examination or consent to an HIV test ordered 103172  
by the board constitutes an admission of the allegations against 103173  
the individual unless the failure is due to circumstances beyond 103174  
the individual's control, and a default and final order may be 103175  
entered without the taking of testimony or presentation of 103176  
evidence. If the board finds an anesthesiologist assistant 103177  
unable to practice because of the reasons set forth in division 103178

(B) (5) of this section, the board shall require the 103179  
anesthesiologist assistant to submit to care, counseling, or 103180  
treatment by physicians approved or designated by the board, as 103181  
a condition for an initial, continued, reinstated, or renewed 103182  
license to practice. An individual affected by this division 103183  
shall be afforded an opportunity to demonstrate to the board the 103184  
ability to resume practicing in compliance with acceptable and 103185  
prevailing standards of care. 103186

(2) For purposes of division (B) (6) of this section, if 103187  
the board has reason to believe that any individual who holds a 103188  
license to practice issued under this chapter or any applicant 103189  
for a license to practice suffers such impairment, the board 103190  
shall report the individual to the monitoring organization that 103191  
conducts the confidential monitoring program established under 103192  
section 4731.25 of the Revised Code. The board also may compel 103193  
the individual to submit to a mental or physical examination, or 103194  
both. The expense of the examination is the responsibility of 103195  
the individual compelled to be examined. Any mental or physical 103196  
examination required under this division shall be undertaken by 103197  
a treatment provider or physician qualified to conduct such 103198  
examination and approved under section 4731.251 of the Revised 103199  
Code. 103200

Failure to submit to a mental or physical examination 103201  
ordered by the board constitutes an admission of the allegations 103202  
against the individual unless the failure is due to 103203  
circumstances beyond the individual's control, and a default and 103204  
final order may be entered without the taking of testimony or 103205  
presentation of evidence. If the board determines that the 103206  
individual's ability to practice is impaired, the board shall 103207  
suspend the individual's license or deny the individual's 103208  
application and shall require the individual, as a condition for 103209

an initial, continued, reinstated, or renewed license to 103210  
practice, to submit to treatment. 103211

Before being eligible to apply for reinstatement of a 103212  
license suspended under this division, the anesthesiologist 103213  
assistant shall demonstrate to the board the ability to resume 103214  
practice in compliance with acceptable and prevailing standards 103215  
of care. The demonstration shall include the following: 103216

(a) Certification from a treatment provider approved under 103217  
section 4731.251 of the Revised Code that the individual has 103218  
successfully completed any required inpatient treatment; 103219

(b) Evidence of continuing full compliance with an 103220  
aftercare contract or consent agreement; 103221

(c) Two written reports indicating that the individual's 103222  
ability to practice has been assessed and that the individual 103223  
has been found capable of practicing according to acceptable and 103224  
prevailing standards of care. The reports shall be made by 103225  
individuals or providers approved by the board for making such 103226  
assessments and shall describe the basis for their 103227  
determination. 103228

The board may reinstate a license suspended under this 103229  
division after such demonstration and after the individual has 103230  
entered into a written consent agreement. 103231

When the impaired anesthesiologist assistant resumes 103232  
practice, the board shall require continued monitoring of the 103233  
anesthesiologist assistant. The monitoring shall include 103234  
monitoring of compliance with the written consent agreement 103235  
entered into before reinstatement or with conditions imposed by 103236  
board order after a hearing, and, on termination of the consent 103237  
agreement, submission to the board for at least two years of 103238

annual written progress reports made under penalty of 103239  
falsification stating whether the anesthesiologist assistant has 103240  
maintained sobriety. 103241

(H) (1) If either of the following circumstances occur, the 103242  
secretary and supervising member may recommend that the board 103243  
suspend the individual's license without a prior hearing: 103244

(a) The secretary and supervising member determine that 103245  
there is clear and convincing evidence that an anesthesiologist 103246  
assistant has violated division (B) of this section and that the 103247  
individual's continued practice presents a danger of immediate 103248  
and serious harm to the public. 103249

(b) The board receives verifiable information that a 103250  
licensee has been charged in any state or federal court for a 103251  
crime classified as a felony under the charging court's law and 103252  
the conduct charged constitutes a violation of division (B) of 103253  
this section. 103254

(2) If a recommendation is made to suspend without a prior 103255  
hearing pursuant to division (H) (1) of this section, written 103256  
allegations shall be prepared for consideration by the board. 103257

The board, on review of the allegations and by an 103258  
affirmative vote of not fewer than six of its members, excluding 103259  
the secretary and supervising member, may suspend a license 103260  
without a prior hearing. A telephone conference call may be 103261  
utilized for reviewing the allegations and taking the vote on 103262  
the summary suspension. 103263

The board shall serve a written order of suspension in 103264  
accordance with sections 119.05 and 119.07 of the Revised Code. 103265  
~~The order shall not be subject to suspension by the court during~~ 103266  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 103267

~~Code.~~—If the anesthesiologist assistant requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the anesthesiologist assistant requests the hearing, unless otherwise agreed to by both the board and the license holder.

(3) A summary suspension imposed under ~~this~~ division (H) (2) of this section is not a final appealable order and is not an adjudication that may be appealed under section 119.12 of the Revised Code. The summary suspension shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. Once a final adjudicative order has been issued by the board, any party adversely affected by it may file an appeal in accordance with the requirements of Chapter 119. of the Revised Code. ~~The~~

The board shall issue its final adjudicative order within sixty-seventy-five days after completion of its hearing. Failure to issue the order within sixty-seventy-five days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(I) If the board takes action under division (B) (11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, on exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. On receipt of a petition and supporting court documents, the board shall reinstate the license to practice. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the

individual committed the act in question. Notice of opportunity 103298  
for hearing shall be given in accordance with Chapter 119. of 103299  
the Revised Code. If the board finds, pursuant to an 103300  
adjudication held under this division, that the individual 103301  
committed the act, or if no hearing is requested, it may order 103302  
any of the sanctions specified in division (B) of this section. 103303

(J) The license to practice of an anesthesiologist 103304  
assistant and the assistant's practice in this state are 103305  
automatically suspended as of the date the anesthesiologist 103306  
assistant pleads guilty to, is found by a judge or jury to be 103307  
guilty of, or is subject to a judicial finding of eligibility 103308  
for intervention in lieu of conviction in this state or 103309  
treatment or intervention in lieu of conviction in another 103310  
jurisdiction for any of the following criminal offenses in this 103311  
state or a substantially equivalent criminal offense in another 103312  
jurisdiction: aggravated murder, murder, voluntary manslaughter, 103313  
felonious assault, trafficking in persons, kidnapping, rape, 103314  
sexual battery, gross sexual imposition, aggravated arson, 103315  
aggravated robbery, or aggravated burglary. Continued practice 103316  
after the suspension shall be considered practicing without a 103317  
license. 103318

The board shall serve the individual subject to the 103319  
suspension in accordance with sections 119.05 and 119.07 of the 103320  
Revised Code. If an individual whose license is suspended under 103321  
this division fails to make a timely request for an adjudication 103322  
under Chapter 119. of the Revised Code, the board shall enter a 103323  
final order permanently revoking the individual's license to 103324  
practice. 103325

(K) In any instance in which the board is required by 103326  
Chapter 119. of the Revised Code to give notice of opportunity 103327

for hearing and the individual subject to the notice does not 103328  
timely request a hearing in accordance with section 119.07 of 103329  
the Revised Code, the board is not required to hold a hearing, 103330  
but may adopt, by an affirmative vote of not fewer than six of 103331  
its members, a final order that contains the board's findings. 103332  
In the final order, the board may order any of the sanctions 103333  
identified under division (A) or (B) of this section. 103334

(L) Any action taken by the board under division (B) of 103335  
this section resulting in a suspension shall be accompanied by a 103336  
written statement of the conditions under which the 103337  
anesthesiologist assistant's license may be reinstated. The 103338  
board shall adopt rules in accordance with Chapter 119. of the 103339  
Revised Code governing conditions to be imposed for 103340  
reinstatement. Reinstatement of a license suspended pursuant to 103341  
division (B) of this section requires an affirmative vote of not 103342  
fewer than six members of the board. 103343

(M) When the board refuses to grant or issue a license to 103344  
practice as an anesthesiologist assistant to an applicant, 103345  
revokes an individual's license, refuses to renew an 103346  
individual's license, or refuses to reinstate an individual's 103347  
license, the board may specify that its action is permanent. An 103348  
individual subject to a permanent action taken by the board is 103349  
forever thereafter ineligible to hold a license to practice as 103350  
an anesthesiologist assistant and the board shall not accept an 103351  
application for reinstatement of the license or for issuance of 103352  
a new license. 103353

(N) Notwithstanding any other provision of the Revised 103354  
Code, all of the following apply: 103355

(1) The surrender of a license to practice issued under 103356  
this chapter is not effective unless or until accepted by the 103357

requires an affirmative vote of not fewer than six members of 103359  
the board. 103360

(2) An application made under this chapter for a license 103361  
to practice may not be withdrawn without approval of the board. 103362

(3) Failure by an individual to renew a license to 103363  
practice in accordance with section 4760.06 of the Revised Code 103364  
does not remove or limit the board's jurisdiction to take 103365  
disciplinary action under this section against the individual. 103366

(4) The placement of an individual's license on retired 103367  
status, as described in section 4760.062 of the Revised Code, 103368  
does not remove or limit the board's jurisdiction to take any 103369  
disciplinary action against the individual with regard to the 103370  
license as it existed before being placed on retired status. 103371

**Sec. 4760.99.** (A) Whoever violates section 4760.02 of the 103372  
Revised Code is guilty of a misdemeanor of the first degree on a 103373  
first offense; on each subsequent offense, the person is guilty 103374  
of a felony of the fourth degree. 103375

(B) (1) Whoever violates division (B) (1), (C) (1), (C) (2), 103376  
(D), or (E) of section 4760.16 of the Revised Code is guilty of 103377  
a minor misdemeanor on a first offense; on each subsequent 103378  
offense the person is guilty of a misdemeanor of the fourth 103379  
degree, except that an individual guilty of a subsequent offense 103380  
shall not be subject to imprisonment, but to a fine alone of up 103381  
to one thousand dollars for each offense. 103382

(2) Whoever violates division (B) (2) or (C) (3) of section 103383  
4760.16 of the Revised Code is guilty of ~~failure to report~~ 103384  
~~criminal conduct or sexual misconduct,~~ a misdemeanor of the 103385  
fourth degree. ~~If the offender has previously been convicted of~~ 103386

~~a violation of this division, the failure to report on a first~~ 103387  
~~offense; on each subsequent offense, the person is guilty of a~~ 103388  
misdemeanor of the first degree. 103389

(C) Whoever violates division (E) of section 4760.14 of 103390  
the Revised Code is guilty of ~~disclosing confidential-~~ 103391  
~~investigatory information,~~ a misdemeanor of the first degree. 103392

**Sec. 4761.09.** (A) The state medical board, by an 103393  
affirmative vote of not fewer than six members, shall, except as 103394  
provided in division (B) of this section, and to the extent 103395  
permitted by law, limit, revoke, or suspend an individual's 103396  
license or limited permit, refuse to issue a license or limited 103397

permit, refuse to reinstate a license or limited permit, or 103399  
reprimand or place on probation the holder of a license or 103400  
limited permit for one or more of the following reasons: 103401

(1) A plea of guilty to, a judicial finding of guilt of, 103402  
or a judicial finding of eligibility for intervention in lieu of 103403

103423  
103424  
103425

(8) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of respiratory care; or in securing or attempting to secure any license or permit issued by the board under this chapter. 103426  
103427  
103428  
103429

(13) Violation of the conditions of limitation placed by  
the board upon a license or permit; 103452  
103453

(14) Inability to practice according to acceptable and

103464  
103465  
103466  
103467

(16) The revocation, suspension, restriction, reduction,

(17) Termination or suspension from participation in the  
medicare or medicaid programs by the department of health and

that also would constitute a violation of division (A) (10), 103474  
(12), or (14) of this section; 103475

(18) Impairment of ability to practice according to 103476  
acceptable and prevailing standards of care because of substance 103477  
use disorder or excessive use or abuse of drugs, alcohol, or 103478

(19) Failure to cooperate in an investigation conducted by 103480  
the board under division (E) of section 4761.03 of the Revised 103481  
Code, including failure to comply with a subpoena or order 103482  
issued by the board or failure to answer truthfully a question 103483  
presented by the board in an investigative interview, an 103484  
investigative office conference, at a deposition, or in written 103485  
interrogatories, except that failure to cooperate with an 103486  
investigation shall not constitute grounds for discipline under 103487  
this section if a court of competent jurisdiction has issued an 103488  
order that either quashes a subpoena or permits the individual 103489  
to withhold the testimony or evidence in issue; 103490

(20) Practicing in an area of respiratory care for which 103491  
the person is clearly untrained or incompetent or practicing in 103492

Code; 103494

(21) Employing, directing, or supervising a person who is 103495

the Revised Code; 103502

(24) Representing, with the purpose of obtaining 103503  
compensation or other advantage as personal gain or for any 103504  
other person, that an incurable disease or injury, or other 103505  
incurable condition, can be permanently cured. 103506

Disciplinary actions taken by the board under division (A) 103507  
of this section shall be taken pursuant to an adjudication under 103508  
Chapter 119. of the Revised Code, except that in lieu of an 103509  
adjudication, the board may enter into a consent agreement with 103510  
an individual to resolve an allegation of a violation of this 103511  
chapter or any rule adopted under it. A consent agreement, when 103512  
ratified by an affirmative vote of not fewer than six members of 103513  
the board, shall constitute the findings and order of the board 103514  
with respect to the matter addressed in the agreement. If the 103515  
board refuses to ratify a consent agreement, the admissions and 103516  
findings contained in the consent agreement shall be of no 103517  
effect. 103518

A telephone conference call may be utilized for 103519  
ratification of a consent agreement that revokes or suspends an 103520  
individual's license or permit. The telephone conference call 103521  
shall be considered a special meeting under division (F) of 103522  
section 121.22 of the Revised Code. 103523

(B) The board shall not refuse to issue a license or 103524  
limited permit to an applicant because of a plea of guilty to, a 103525  
judicial finding of guilt of, or a judicial finding of 103526  
eligibility for intervention in lieu of conviction for an 103527  
offense unless the refusal is in accordance with section 9.79 of 103528  
the Revised Code. 103529

(C) Any action taken by the board under division (A) of 103530  
this section resulting in a suspension from practice shall be 103531  
accompanied by a written statement of the conditions under which 103532

the individual's license or permit may be reinstated. The board 103533  
shall adopt rules governing conditions to be imposed for 103534  
reinstatement. Reinstatement of a license or permit suspended 103535  
pursuant to division (A) of this section requires an affirmative 103536  
vote of not fewer than six members of the board. 103537

(D) When the board refuses to grant or issue a license or 103538  
permit to an applicant, revokes an individual's license or 103539  
permit, refuses to renew an individual's license or permit, or 103540  
refuses to reinstate an individual's license or permit, the 103541  
board may specify that its action is permanent. An individual 103542  
subject to a permanent action taken by the board is forever 103543  
thereafter ineligible to hold a license or permit and the board 103544  
shall not accept an application for reinstatement of the license 103545  
or permit or for issuance of a new license or permit. 103546

(E) If the board is required by Chapter 119. of the 103547  
Revised Code to give notice of an opportunity for a hearing and 103548  
if the individual subject to the notice does not timely request 103549  
a hearing in accordance with section 119.07 of the Revised Code, 103550  
the board is not required to hold a hearing, but may adopt, by 103551  
an affirmative vote of not fewer than six of its members, a 103552  
final order that contains the board's findings. In the final 103553  
order, the board may order any of the sanctions identified under 103554  
division (A) of this section. 103555

(F) In enforcing division (A) (14) of this section, the 103556  
board, upon a showing of a possible violation, shall refer any 103557  
individual authorized to practice by this chapter or who has 103558  
submitted an application pursuant to this chapter to the 103559  
monitoring organization that conducts the confidential 103560  
monitoring program established under section 4731.25 of the 103561  
Revised Code. The board also may compel the individual to submit 103562

to a mental examination, physical examination, including an HIV 103563  
test, or both a mental and a physical examination. The expense 103564  
of the examination is the responsibility of the individual 103565  
compelled to be examined. Failure to submit to a mental or 103566  
physical examination or consent to an HIV test ordered by the 103567  
board constitutes an admission of the allegations against the 103568  
individual unless the failure is due to circumstances beyond the 103569  
individual's control, and a default and final order may be 103570  
entered without the taking of testimony or presentation of 103571  
evidence. If the board finds an individual unable to practice 103572  
because of the reasons set forth in division (A) (14) of this 103573  
section, the board shall require the individual to submit to 103574  
care, counseling, or treatment by physicians approved or 103575  
designated by the board, as a condition for initial, continued, 103576  
reinstated, or renewed authority to practice. An individual 103577  
affected under this division shall be afforded an opportunity to 103578  
demonstrate to the board the ability to resume practice in 103579  
compliance with acceptable and prevailing standards under the 103580  
provisions of the individual's license or permit. For the 103581  
purpose of division (A) (14) of this section, any individual who 103582  
applies for or receives a license or permit to practice under 103583  
this chapter accepts the privilege of practicing in this state 103584  
and, by so doing, shall be deemed to have given consent to 103585  
submit to a mental or physical examination when directed to do 103586  
so in writing by the board, and to have waived all objections to 103587  
the admissibility of testimony or examination reports that 103588  
constitute a privileged communication. 103589

(G) For the purposes of division (A) (18) of this section, 103590  
any individual authorized to practice by this chapter accepts 103591  
the privilege of practicing in this state subject to supervision 103592  
by the board. By filing an application for or holding a license 103593

or permit under this chapter, an individual shall be deemed to 103594  
have given consent to submit to a mental or physical examination 103595  
when ordered to do so by the board in writing, and to have 103596  
waived all objections to the admissibility of testimony or 103597  
examination reports that constitute privileged communications. 103598

If it has reason to believe that any individual authorized 103599  
to practice by this chapter or any applicant for a license or 103600  
permit suffers such impairment, the board shall refer the 103601  
individual to the monitoring organization that conducts the 103602  
confidential monitoring program established under section 103603  
4731.25 of the Revised Code. The board also may compel the 103604  
individual to submit to a mental or physical examination, or 103605  
both. The expense of the examination is the responsibility of 103606  
the individual compelled to be examined. Any mental or physical 103607  
examination required under this division shall be undertaken by 103608  
a treatment provider or physician who is qualified to conduct 103609  
the examination and who is approved under section 4731.251 of 103610  
the Revised Code. 103611

Failure to submit to a mental or physical examination 103612  
ordered by the board constitutes an admission of the allegations 103613  
against the individual unless the failure is due to 103614  
circumstances beyond the individual's control, and a default and 103615  
final order may be entered without the taking of testimony or 103616  
presentation of evidence. If the board determines that the 103617  
individual's ability to practice is impaired, the board shall 103618  
suspend the individual's license or permit or deny the 103619  
individual's application and shall require the individual, as a 103620  
condition for an initial, continued, reinstated, or renewed 103621  
license or permit, to submit to treatment. 103622

Before being eligible to apply for reinstatement of a 103623

license or permit suspended under this division, the impaired 103624  
practitioner shall demonstrate to the board the ability to 103625  
resume practice in compliance with acceptable and prevailing 103626  
standards of care under the provisions of the practitioner's 103627  
license or permit. The demonstration shall include, but shall 103628  
not be limited to, the following: 103629

(1) Certification from a treatment provider approved under 103630  
section 4731.251 of the Revised Code that the individual has 103631  
successfully completed any required inpatient treatment; 103632

(2) Evidence of continuing full compliance with an 103633  
aftercare contract or consent agreement; 103634

(3) Two written reports indicating that the individual's 103635  
ability to practice has been assessed and that the individual 103636  
has been found capable of practicing according to acceptable and 103637  
prevailing standards of care. The reports shall be made by 103638  
individuals or providers approved by the board for making the 103639  
assessments and shall describe the basis for their 103640  
determination. 103641

The board may reinstate a license or permit suspended 103642  
under this division after that demonstration and after the 103643  
individual has entered into a written consent agreement. 103644

When the impaired practitioner resumes practice, the board 103645  
shall require continued monitoring of the individual. The 103646  
monitoring shall include, but not be limited to, compliance with 103647  
the written consent agreement entered into before reinstatement 103648  
or with conditions imposed by board order after a hearing, and, 103649  
upon termination of the consent agreement, submission to the 103650  
board for at least two years of annual written progress reports 103651  
made under penalty of perjury stating whether the individual has 103652

maintained sobriety. 103653

(H) (1) If either of the following circumstances occur, the 103654  
secretary and supervising member may recommend that the board 103655  
suspend an individual's license or permit without a prior 103656  
hearing: 103657

(a) The secretary and supervising member determine both of 103658  
the following: 103659

(i) That there is clear and convincing evidence that an 103660  
individual has violated division (A) of this section; 103661

(ii) That the individual's continued practice presents a 103662  
danger of immediate and serious harm to the public. 103663

(b) The board receives verifiable information that a 103664  
licensee has been charged in any state or federal court for a 103665  
crime classified as a felony under the charging court's law and 103666  
the conduct charged constitutes a violation of division (A) of 103667  
this section. 103668

(2) If a recommendation is made to suspend without a prior 103669  
hearing pursuant to division (H) (1) of this section, written 103670  
allegations shall be prepared for consideration by the board. 103671  
The board, upon review of those allegations and by an 103672  
affirmative vote of not fewer than six of its members, excluding 103673  
the secretary and supervising member, may suspend a license or 103674  
permit without a prior hearing. A telephone conference call may 103675  
be utilized for reviewing the allegations and taking the vote on 103676  
the summary suspension. 103677

The board shall serve a written order of suspension in 103678  
accordance with sections 119.05 and 119.07 of the Revised Code. 103679  
~~The order shall not be subject to suspension by the court during~~ 103680  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 103681

~~Code.~~—If the individual subject to the summary suspension 103682  
requests an adjudicatory hearing by the board, the date set for 103683  
the hearing shall be within fifteen days, but not earlier than 103684  
seven days, after the individual requests the hearing, unless 103685  
otherwise agreed to by both the board and the individual. 103686

(3) Any summary suspension imposed under ~~this~~ division (H) 103687  
(2) of this section is not a final appealable order and is not 103688  
an adjudication that may be appealed under section 119.12 of the 103689  
Revised Code. The summary suspension shall remain in effect, 103690  
~~unless reversed on appeal,~~ until a final adjudicative order 103691  
issued by the board pursuant to this section and Chapter 119. of 103692  
the Revised Code becomes effective. Once a final adjudicative 103693  
order has been issued by the board, any party adversely affected 103694  
by it may file an appeal in accordance with the requirements of 103695  
Chapter 119. of the Revised Code. ~~The~~ 103696

The board shall issue its final adjudicative order within 103697  
seventy-five days after completion of its hearing. A failure to 103698  
issue the order within seventy-five days shall result in 103699  
dissolution of the summary suspension order but shall not 103700  
invalidate any subsequent, final adjudicative order. 103701

(I) For purposes of divisions (A) (2), (4), and (6) of this 103702  
section, the commission of the act may be established by a 103703  
finding by the board, pursuant to an adjudication under Chapter 103704  
119. of the Revised Code, that the individual committed the act. 103705  
The board does not have jurisdiction under those divisions if 103706  
the trial court renders a final judgment in the individual's 103707  
favor and that judgment is based upon an adjudication on the 103708  
merits. The board has jurisdiction under those divisions if the 103709  
trial court issues an order of dismissal upon technical or 103710  
procedural grounds. 103711

(J) The sealing or expungement of conviction records by 103712  
any court shall have no effect upon a prior board order entered 103713  
under this section or upon the board's jurisdiction to take 103714  
action under this section if, based upon a plea of guilty, a 103715  
judicial finding of guilt, or a judicial finding of eligibility 103716  
for intervention in lieu of conviction, the board issued a 103717  
notice of opportunity for a hearing prior to the court's order 103718  
to seal or expunge the records. The board shall not be required 103719  
to seal, destroy, redact, or otherwise modify its records to 103720  
reflect the court's sealing or expungement of conviction 103721  
records. 103722

(K) If the board takes action under division (A) (1), (3), 103723  
or (5) of this section, and the judicial finding of guilt, 103724  
guilty plea, or judicial finding of eligibility for intervention 103725  
in lieu of conviction is overturned on appeal, upon exhaustion 103726  
of the criminal appeal, a petition for reconsideration of the 103727  
order may be filed with the board along with appropriate court 103728  
documents. Upon receipt of a petition for reconsideration and 103729  
supporting court documents, the board shall reinstate the 103730  
individual's license or permit. The board may then hold an 103731  
adjudication under Chapter 119. of the Revised Code to determine 103732  
whether the individual committed the act in question. Notice of 103733  
an opportunity for a hearing shall be given in accordance with 103734  
Chapter 119. of the Revised Code. If the board finds, pursuant 103735  
to an adjudication held under this division, that the individual 103736  
committed the act or if no hearing is requested, the board may 103737  
order any of the sanctions identified under division (A) of this 103738  
section. 103739

(L) The license or permit issued to an individual under 103740  
this chapter and the individual's practice in this state are 103741  
automatically suspended as of the date the individual pleads 103742

guilty to, is found by a judge or jury to be guilty of, or is 103743  
subject to a judicial finding of eligibility for intervention in 103744  
lieu of conviction in this state or treatment or intervention in 103745  
lieu of conviction in another jurisdiction for any of the 103746  
following criminal offenses in this state or a substantially 103747  
equivalent criminal offense in another jurisdiction: aggravated 103748  
murder, murder, voluntary manslaughter, felonious assault, 103749  
trafficking in persons, kidnapping, rape, sexual battery, gross 103750  
sexual imposition, aggravated arson, aggravated robbery, or 103751  
aggravated burglary. Continued practice after suspension shall 103752  
be considered practicing without a license or permit. 103753

The board shall serve the individual subject to the 103754  
suspension in accordance with sections 119.05 and 119.07 of the 103755  
Revised Code. If an individual whose license or permit is 103756  
automatically suspended under this division fails to make a 103757  
timely request for an adjudication under Chapter 119. of the 103758  
Revised Code, the board shall enter a final order permanently 103759  
revoking the individual's license or permit. 103760

(M) Notwithstanding any other provision of the Revised 103761  
Code, all of the following apply: 103762

(1) The surrender of a license or permit issued under this 103763  
chapter shall not be effective unless or until accepted by the 103764  
board. A telephone conference call may be utilized for 103765  
acceptance of the surrender of an individual's license or 103766  
permit. The telephone conference call shall be considered a 103767  
special meeting under division (F) of section 121.22 of the 103768  
Revised Code. Reinstatement of a license or permit surrendered 103769  
to the board requires an affirmative vote of not fewer than six 103770  
members of the board. 103771

(2) An application for a license or permit made under the 103772

provisions of this chapter may not be withdrawn without approval of the board. 103773  
103774

(3) Failure by an individual to renew a license or permit in accordance with this chapter does not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual. 103775  
103776  
103777  
103778

(4) The placement of an individual's license on retired status, as described in section 4761.062 of the Revised Code, does not remove or limit the board's jurisdiction to take any disciplinary action against the individual with regard to the license as it existed before being placed on retired status. 103779  
103780  
103781  
103782  
103783

(5) At the request of the board, a license or permit holder shall immediately surrender to the board a license or permit that the board has suspended, revoked, or permanently revoked. 103784

an applicant because of a plea of guilty to, a judicial finding 103925  
of guilt of, or a judicial finding of eligibility for 103926  
intervention in lieu of conviction for an offense unless the 103927  
refusal is in accordance with section 9.79 of the Revised Code. 103928

(D) Disciplinary actions taken by the board under 103929  
divisions (A) and (B) of this section shall be taken pursuant to 103930  
an adjudication under Chapter 119. of the Revised Code, except 103931  
that in lieu of an adjudication, the board may enter into a 103932  
consent agreement with an oriental medicine practitioner or 103933  
acupuncturist or applicant to resolve an allegation of a 103934  
violation of this chapter or any rule adopted under it. A 103935  
consent agreement, when ratified by an affirmative vote of not 103936  
fewer than six members of the board, shall constitute the 103937  
findings and order of the board with respect to the matter 103938  
addressed in the agreement. If the board refuses to ratify a 103939  
consent agreement, the admissions and findings contained in the 103940  
consent agreement shall be of no force or effect. 103941

(E) For purposes of divisions (B) (12), (15), and (16) of 103942  
this section, the commission of the act may be established by a 103943  
finding by the board, pursuant to an adjudication under Chapter 103944  
119. of the Revised Code, that the applicant or license holder 103945  
committed the act in question. The board shall have no 103946  
jurisdiction under these divisions in cases where the trial 103947

court renders a final judgment in the license holder's favor and 103948  
that judgment is based upon an adjudication on the merits. The 103949  
board shall have jurisdiction under these divisions in cases 103950  
where the trial court issues an order of dismissal upon 103951  
technical or procedural grounds. 103952

(F) The sealing or expungement of conviction records by 103953  
any court shall have no effect upon a prior board order entered 103954  
under the provisions of this section or upon the board's 103955  
jurisdiction to take action under the provisions of this section 103956  
if, based upon a plea of guilty, a judicial finding of guilt, or 103957  
a judicial finding of eligibility for intervention in lieu of 103958  
conviction, the board issued a notice of opportunity for a 103959  
hearing or entered into a consent agreement prior to the court's 103960  
order to seal or expunge the records. The board shall not be 103961  
required to seal, destroy, redact, or otherwise modify its 103962  
records to reflect the court's sealing or expungement of 103963  
conviction records. 103964

(G) For purposes of this division, any individual who 103965  
holds a license to practice issued under this chapter, or 103966  
applies for a license to practice, shall be deemed to have given 103967  
consent to submit to a mental or physical examination when 103968  
directed to do so in writing by the board and to have waived all 103969  
objections to the admissibility of testimony or examination 103970  
reports that constitute a privileged communication. 103971

(1) In enforcing division (B) (5) of this section, the 103972  
board, upon a showing of a possible violation, shall refer any 103973  
individual who holds, or has applied for, a license under this 103974  
chapter to the monitoring organization that conducts the 103975  
confidential monitoring program established under section 103976  
4731.25 of the Revised Code. The board also may compel the 103977

individual to submit to a mental examination, physical 103978  
examination, including an HIV test, or both a mental and 103979  
physical examination. The expense of the examination is the 103980  
responsibility of the individual compelled to be examined. 103981  
Failure to submit to a mental or physical examination or consent 103982  
to an HIV test ordered by the board constitutes an admission of 103983  
the allegations against the individual unless the failure is due 103984  
to circumstances beyond the individual's control, and a default 103985  
and final order may be entered without the taking of testimony 103986  
or presentation of evidence. If the board finds an oriental 103987  
medicine practitioner or acupuncturist unable to practice 103988  
because of the reasons set forth in division (B) (5) of this 103989  
section, the board shall require the individual to submit to 103990  
care, counseling, or treatment by physicians approved or 103991  
designated by the board, as a condition for an initial, 103992  
continued, reinstated, or renewed license to practice. An 103993  
individual affected by this division shall be afforded an 103994  
opportunity to demonstrate to the board the ability to resume 103995  
practicing in compliance with acceptable and prevailing 103996  
standards of care. 103997

(2) For purposes of division (B) (6) of this section, if 103998  
the board has reason to believe that any individual who holds a 103999  
license to practice issued under this chapter or any applicant 104000  
for a license suffers such impairment, the board shall refer the 104001  
individual to the monitoring organization that conducts the 104002  
confidential monitoring program established under section 104003  
4731.25 of the Revised Code. The board also may compel the 104004  
individual to submit to a mental or physical examination, or 104005  
both. The expense of the examination is the responsibility of 104006  
the individual compelled to be examined. Any mental or physical 104007  
examination required under this division shall be undertaken by 104008

a treatment provider or physician qualified to conduct such 104009  
examination and approved under section 4731.251 of the Revised 104010  
Code. 104011

Failure to submit to a mental or physical examination 104012  
ordered by the board constitutes an admission of the allegations 104013  
against the individual unless the failure is due to 104014  
circumstances beyond the individual's control, and a default and 104015  
final order may be entered without the taking of testimony or 104016  
presentation of evidence. If the board determines that the 104017  
individual's ability to practice is impaired, the board shall 104018  
suspend the individual's license or deny the individual's 104019  
application and shall require the individual, as a condition for 104020  
an initial, continued, reinstated, or renewed license, to submit 104021  
to treatment. 104022

Before being eligible to apply for reinstatement of a 104023  
license suspended under this division, the oriental medicine 104024  
practitioner or acupuncturist shall demonstrate to the board the 104025  
ability to resume practice in compliance with acceptable and 104026  
prevailing standards of care. The demonstration shall include 104027  
the following: 104028

(a) Certification from a treatment provider approved under 104029  
section 4731.251 of the Revised Code that the individual has 104030  
successfully completed any required inpatient treatment; 104031

(b) Evidence of continuing full compliance with an 104032  
aftercare contract or consent agreement; 104033

(c) Two written reports indicating that the individual's 104034  
ability to practice has been assessed and that the individual 104035  
has been found capable of practicing according to acceptable and 104036  
prevailing standards of care. The reports shall be made by 104037

individuals or providers approved by the board for making such 104038  
assessments and shall describe the basis for their 104039  
determination. 104040

The board may reinstate a license suspended under this 104041  
division after such demonstration and after the individual has 104042  
entered into a written consent agreement. 104043

When the impaired individual resumes practice, the board 104044  
shall require continued monitoring of the individual. The 104045  
monitoring shall include monitoring of compliance with the 104046  
written consent agreement entered into before reinstatement or 104047  
with conditions imposed by board order after a hearing, and, 104048  
upon termination of the consent agreement, submission to the 104049  
board for at least two years of annual written progress reports 104050  
made under penalty of falsification stating whether the 104051  
individual has maintained sobriety. 104052

(H) (1) If either of the following circumstances occur, the 104053  
secretary and supervising member may recommend that the board 104054  
suspend an individual's license to practice without a prior 104055  
hearing: 104056

(a) The secretary and supervising member determine both of 104057  
the following: 104058

(i) That there is clear and convincing evidence that an 104059  
oriental medicine practitioner or acupuncturist has violated 104060  
division (B) of this section; 104061

(ii) That the individual's continued practice presents a 104062  
danger of immediate and serious harm to the public. 104063

(b) The board receives verifiable information that a 104064  
licensee has been charged in any state or federal court for a 104065  
crime classified as a felony under the charging court's law and 104066

the conduct charged constitutes a violation of division (B) of 104067  
this section. 104068

(2) If a recommendation is made to suspend without a prior 104069  
hearing pursuant to division (H) (1) of this section, written 104070  
allegations shall be prepared for consideration by the board. 104071  
The board, upon review of the allegations and by an affirmative 104072  
vote of not fewer than six of its members, excluding the 104073  
secretary and supervising member, may suspend a license without 104074  
a prior hearing. A telephone conference call may be utilized for 104075  
reviewing the allegations and taking the vote on the summary 104076  
suspension. 104077

The board shall serve a written order of suspension in 104078  
accordance with sections 119.05 and 119.07 of the Revised Code. 104079  
~~The order shall not be subject to suspension by the court during~~ 104080  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 104081  
~~Code.~~ If the oriental medicine practitioner or acupuncturist 104082  
requests an adjudicatory hearing by the board, the date set for 104083  
the hearing shall be within fifteen days, but not earlier than 104084  
seven days, after the hearing is requested, unless otherwise 104085  
agreed to by both the board and the license holder. 104086

(3) A summary suspension imposed under ~~this~~ division (H) 104087  
(2) of this section is not a final appealable order and is not 104088  
an adjudication that may be appealed under section 119.12 of the 104089  
Revised Code. The summary suspension shall remain in effect, 104090  
~~unless reversed on appeal,~~ until a final adjudicative order 104091  
issued by the board pursuant to this section and Chapter 119. of 104092  
the Revised Code becomes effective. Once a final adjudicative 104093  
order has been issued by the board, any party adversely affected 104094  
by it may file an appeal in accordance with the requirements of 104095  
Chapter 119. of the Revised Code. ~~The~~ 104096

The board shall issue its final adjudicative order within ~~sixty-seventy-five~~ days after completion of its hearing. Failure to issue the order within ~~sixty-seventy-five~~ days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(I) If the board takes action under division (B) (11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition and supporting court documents, the board shall reinstate the license. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions specified in division (B) of this section.

(J) The license to practice of an oriental medicine practitioner or acupuncturist and the practitioner's or acupuncturist's practice in this state are automatically suspended as of the date the practitioner or acupuncturist pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another

jurisdiction: aggravated murder, murder, voluntary manslaughter, 104128  
felonious assault, trafficking in persons, kidnapping, rape, 104129  
sexual battery, gross sexual imposition, aggravated arson, 104130  
aggravated robbery, or aggravated burglary. Continued practice 104131  
after the suspension shall be considered practicing without a 104132  
license. 104133

The board shall serve the individual subject to the 104134  
suspension in accordance with sections 119.05 and 119.07 of the 104135  
Revised Code. If an individual whose license is suspended under 104136  
this division fails to make a timely request for an adjudication 104137  
under Chapter 119. of the Revised Code, the board shall enter a 104138  
final order permanently revoking the individual's license. 104139

(K) In any instance in which the board is required by 104140  
Chapter 119. of the Revised Code to give notice of opportunity 104141  
for hearing and the individual subject to the notice does not 104142  
timely request a hearing in accordance with section 119.07 of 104143  
the Revised Code, the board is not required to hold a hearing, 104144  
but may adopt, by an affirmative vote of not fewer than six of 104145  
its members, a final order that contains the board's findings. 104146  
In the final order, the board may order any of the sanctions 104147  
identified under division (A) or (B) of this section. 104148

(L) Any action taken by the board under division (B) of 104149  
this section resulting in a suspension shall be accompanied by a 104150  
written statement of the conditions under which the license may 104151  
be reinstated. The board shall adopt rules in accordance with 104152  
Chapter 119. of the Revised Code governing conditions to be 104153  
imposed for reinstatement. Reinstatement of a license suspended 104154  
pursuant to division (B) of this section requires an affirmative 104155  
vote of not fewer than six members of the board. 104156

(M) When the board refuses to grant or issue a license to 104157

an applicant, revokes an individual's license, refuses to renew 104158  
an individual's license, or refuses to reinstate an individual's 104159  
license, the board may specify that its action is permanent. An 104160  
individual subject to a permanent action taken by the board is 104161  
forever thereafter ineligible to hold a license to practice as 104162  
an oriental medicine practitioner or license to practice as an 104163  
acupuncturist and the board shall not accept an application for 104164  
reinstatement of the license or for issuance of a new license. 104165

(N) Notwithstanding any other provision of the Revised 104166  
Code, all of the following apply: 104167

(1) The surrender of a license to practice as an oriental 104168  
medicine practitioner or license to practice as an acupuncturist 104169  
issued under this chapter is not effective unless or until 104170  
accepted by the board. Reinstatement of a license surrendered to 104171  
the board requires an affirmative vote of not fewer than six 104172  
members of the board. 104173

(2) An application made under this chapter for a license 104174  
may not be withdrawn without approval of the board. 104175

(3) Failure by an individual to renew a license in 104176  
accordance with section 4762.06 of the Revised Code does not 104177  
remove or limit the board's jurisdiction to take disciplinary 104178  
action under this section against the individual. 104179

(4) The placement of an individual's license on retired 104180  
status, as described in section 4762.062 of the Revised Code, 104181  
does not remove or limit the board's jurisdiction to take any 104182  
disciplinary action against the individual with regard to the 104183  
license as it existed before being placed on retired status. 104184

**Sec. 4762.99.** (A) Whoever violates section 4762.02 of the 104185

a minor misdemeanor on a first offense; on each subsequent 104191  
offense the person is guilty of a misdemeanor of the fourth 104192

shall not be subject to imprisonment, but to a fine alone of up 104194  
to one thousand dollars for each offense. 104195

(2) Whoever violates division (B) (2) or (C) (3) of section 104196  
4762.16 of the Revised Code is guilty of ~~failure to report~~ 104197

**Sec. 4767.10.** (A) The division of real estate in the 104206  
department of commerce shall use ~~one dollar~~ six dollars of each 104207  
burial permit fee collected pursuant to section 3705.17 of the 104208  
Revised Code and paid into the state treasury to the credit of 104209  
the cemetery registration fund created under section 4767.03 of 104210  
the Revised Code to advance grants to cemeteries registered with 104211  
the division to defray the costs of exceptional cemetery 104212  
maintenance or training cemetery personnel in the maintenance 104213  
and operation of cemeteries. The division may not provide a 104214  
grant to a corporation or association that operates a cemetery 104215  
for profit. Grants provided under this section shall not exceed 104216

The division shall advance grants from the cemetery registration 104221  
fund in accordance with rules adopted by the Ohio cemetery 104222  
dispute resolution commission under Chapter 119. of the Revised 104223  
Code. 104224

(B) The director of commerce may increase, by rule adopted 104225  
under Chapter 119. of the Revised Code, the amount of total 104226

determines the total amount of funds generated exceeds the 104228  
amount of funds the division needs to carry out its powers and 104229  
duties under this section. If the director determines the 104230  
increased amount depletes the amount of funds the division needs 104231  
to carry out its powers and duties under this section, the 104232  
director may decrease the amount not below the amount specified 104233  
in division (A) of this section. 104234

**Sec. 4772.20.** (A) The state medical board, by an 104235

or securing the license. 104240

(B) The board, by an affirmative vote of not fewer than 104241  
six members, shall, except as provided in division (C) of this 104242  
section, and to the extent permitted by law, limit, revoke, or 104243

(5) Inability to practice according to acceptable and	104262

physical illness, including physical deterioration that	104264
adversely affects cognitive, motor, or perceptive skills;	104265
(6) Impairment of ability to practice according to	104266

person to misunderstand or be deceived. 104281

(9) The obtaining of, or attempting to obtain, money or a 104282  
thing of value by fraudulent misrepresentations in the course of 104283

constitutes a misdemeanor in this state, regardless of the 104302  
jurisdiction in which the act was committed; 104303

failure to comply with a subpoena or order issued by the board 104325  
or failure to answer truthfully a question presented by the 104326  
board at a deposition or in written interrogatories, except that 104327  
failure to cooperate with an investigation shall not constitute 104328

(D) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with a certified mental health assistant or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect. 104348  
104349  
104350

104355  
104356

104358  
104359  
104360

(E) For purposes of divisions (B) (11), (14), and (15) of 104361

this section, the commission of the act may be established by a 104362  
finding by the board, pursuant to an adjudication under Chapter 104363  
119. of the Revised Code, that the applicant or license holder 104364  
committed the act in question. The board shall have no 104365  
jurisdiction under these divisions in cases where the trial 104366  
court renders a final judgment in the license holder's favor and 104367  
that judgment is based upon an adjudication on the merits. The 104368  
board shall have jurisdiction under these divisions in cases 104369  
where the trial court issues an order of dismissal on technical 104370  
or procedural grounds. 104371

(F) The sealing or expungement of conviction records by 104372  
any court shall have no effect on a prior board order entered 104373  
under the provisions of this section or on the board's 104374  
jurisdiction to take action under the provisions of this section 104375  
if, based upon a plea of guilty, a judicial finding of guilt, or 104376  
a judicial finding of eligibility for intervention in lieu of 104377  
conviction, the board issued a notice of opportunity for a 104378  
hearing prior to the court's order to seal or expunge the 104379  
records. The board shall not be required to seal, destroy, 104380  
redact, or otherwise modify its records to reflect the court's 104381  
sealing or expungement of conviction records. 104382

(G) For purposes of this division, any individual who 104383  
holds a license to practice as a certified mental health 104384  
assistant issued under this chapter, or applies for a license, 104385  
shall be deemed to have given consent to submit to a mental or 104386  
physical examination when directed to do so in writing by the 104387  
board and to have waived all objections to the admissibility of 104388  
testimony or examination reports that constitute a privileged 104389  
communication. 104390

(1) In enforcing division (B) (5) of this section, the 104391

board, on a showing of a possible violation, may compel any 104392  
individual who holds a license to practice as a certified mental 104393  
health assistant issued under this chapter or who has applied 104394  
for a license to submit to a mental or physical examination, or 104395  
both. A physical examination may include an HIV test. The 104396  
expense of the examination is the responsibility of the 104397  
individual compelled to be examined. Failure to submit to a 104398  
mental or physical examination or consent to an HIV test ordered 104399  
by the board constitutes an admission of the allegations against 104400  
the individual unless the failure is due to circumstances beyond 104401  
the individual's control, and a default and final order may be 104402  
entered without the taking of testimony or presentation of 104403  
evidence. If the board finds a certified mental health assistant 104404  
unable to practice because of the reasons set forth in division 104405  
(B) (5) of this section, the board shall require the certified 104406  
mental health assistant to submit to care, counseling, or 104407  
treatment by physicians approved or designated by the board, as 104408  
a condition for an initial, continued, reinstated, or renewed 104409  
license. An individual affected by this division shall be 104410  
afforded an opportunity to demonstrate to the board the ability 104411  
to resume practicing in compliance with acceptable and 104412  
prevailing standards of care. 104413

(2) For purposes of division (B) (6) of this section, if 104414  
the board has reason to believe that any individual who holds a 104415  
license to practice as a certified mental health assistant 104416  
issued under this chapter or any applicant for a license suffers 104417  
such impairment, the board may compel the individual to submit 104418  
to a mental or physical examination, or both. The expense of the 104419  
examination is the responsibility of the individual compelled to 104420  
be examined. Any mental or physical examination required under 104421  
this division shall be undertaken by a treatment provider or 104422

physician qualified to conduct such examination and chosen by 104423  
the board. 104424

Failure to submit to a mental or physical examination 104425  
ordered by the board constitutes an admission of the allegations 104426  
against the individual unless the failure is due to 104427  
circumstances beyond the individual's control, and a default and 104428  
final order may be entered without the taking of testimony or 104429  
presentation of evidence. If the board determines that the 104430  
individual's ability to practice is impaired, the board shall 104431  
suspend the individual's license or deny the individual's 104432  
application and shall require the individual, as a condition for 104433  
an initial, continued, reinstated, or renewed license to 104434  
practice, to submit to treatment. 104435

Before being eligible to apply for reinstatement of a 104436  
license suspended under this division, the certified mental 104437  
health assistant shall demonstrate to the board the ability to 104438  
resume practice in compliance with acceptable and prevailing 104439  
standards of care. The demonstration shall include the 104440  
following: 104441

(a) Certification from a treatment provider approved under 104442  
section 4731.25 of the Revised Code that the individual has 104443  
successfully completed any required inpatient treatment; 104444

(b) Evidence of continuing full compliance with an 104445  
aftercare contract or consent agreement; 104446

(c) Two written reports indicating that the individual's 104447  
ability to practice has been assessed and that the individual 104448  
has been found capable of practicing according to acceptable and 104449  
prevailing standards of care. The reports shall be made by 104450  
individuals or providers approved by the board for making such 104451

assessments and shall describe the basis for their 104452  
determination. 104453

The board may reinstate a license suspended under this 104454  
division after such demonstration and after the individual has 104455  
entered into a written consent agreement. 104456

When the impaired certified mental health assistant 104457  
resumes practice, the board shall require continued monitoring 104458  
of the certified mental health assistant. The monitoring shall 104459  
include monitoring of compliance with the written consent 104460  
agreement entered into before reinstatement or with conditions 104461  
imposed by board order after a hearing, and, on termination of 104462  
the consent agreement, submission to the board for at least two 104463  
years of annual written progress reports made under penalty of 104464  
falsification stating whether the certified mental health 104465  
assistant has maintained sobriety. 104466

~~(H)~~ (H) (1) If either of the following circumstances occur, 104467  
the secretary and supervising member ~~determine that may~~ 104468  
recommend that the board suspend the individual's license 104469  
without a prior hearing: 104470

(a) The secretary and supervising member determine both of 104471  
the following: 104472

(i) That there is clear and convincing evidence that a 104473  
certified mental health assistant has violated division (B) of 104474  
this section ~~and that;~~ 104475

(ii) That the individual's continued practice presents a 104476  
danger of immediate and serious harm to the public, ~~they may~~ 104477

~~practice without a prior hearing.~~ 104479

(b) The board receives verifiable information that a 104480

licensee has been charged in any state or federal court with a 104481  
crime classified as a felony under the charging court's law and 104482  
the conduct charged constitutes a violation of division (B) of 104483  
this section. ~~Written~~ 104484

(2) If a recommendation is made to suspend without a prior 104485  
hearing pursuant to division (H) (1) of this section, written 104486  
allegations shall be prepared for consideration by the board. 104487

The board, on review of the allegations and by an 104488  
affirmative vote of not fewer than six of its members, excluding 104489  
the secretary and supervising member, may suspend a license 104490  
without a prior hearing. A telephone conference call may be 104491  
utilized for reviewing the allegations and taking the vote on 104492  
the summary suspension. 104493

The board shall issue a written order of suspension by 104494  
certified mail or in person in accordance with section 119.07 of 104495  
the Revised Code. ~~The order shall not be subject to suspension~~ 104496  
~~by the court during pendency of any appeal filed under section~~ 104497  
~~119.12 of the Revised Code.~~ If the certified mental health 104498  
assistant requests an adjudicatory hearing by the board, the 104499  
date set for the hearing shall be within fifteen days, but not 104500  
earlier than seven days, after the certified mental health 104501  
assistant requests the hearing, unless otherwise agreed to by 104502  
both the board and the license holder. 104503

(3) A summary suspension imposed under this division is 104504  
not a final appealable order and is not an adjudication that may 104505  
be appealed under section 119.12 of the Revised Code. The 104506  
summary suspension shall remain in effect, ~~unless reversed on~~ 104507  
appeal, until a final adjudicative order issued by the board 104508  
pursuant to this section and Chapter 119. of the Revised Code 104509  
becomes effective. Once a final adjudicative order has been 104510

issued by the board, any party adversely affected by it may file 104511  
an appeal in accordance with Chapter 119. of the Revised Code. 104512  
~~The~~ 104513

The board shall issue its final adjudicative order within 104514  
~~sixty-seventy-five~~ days after completion of its hearing. Failure 104515  
to issue the order within ~~sixty-seventy-five~~ days shall result 104516  
in dissolution of the summary suspension order, but shall not 104517  
invalidate any subsequent, final adjudicative order. 104518

(I) If the board takes action under division (B) (10), 104519  
(12), or (13) of this section, and the judicial finding of 104520  
guilt, guilty plea, or judicial finding of eligibility for 104521  
intervention in lieu of conviction is overturned on appeal, on 104522  
exhaustion of the criminal appeal, a petition for 104523  
reconsideration of the order may be filed with the board along 104524  
with appropriate court documents. On receipt of a petition and 104525  
supporting court documents, the board shall reinstate the 104526  
license to practice as a certified mental health assistant. The 104527  
board may then hold an adjudication under Chapter 119. of the 104528  
Revised Code to determine whether the individual committed the 104529  
act in question. Notice of opportunity for hearing shall be 104530  
given in accordance with Chapter 119. of the Revised Code. If 104531  
the board finds, pursuant to an adjudication held under this 104532  
division, that the individual committed the act, or if no 104533  
hearing is requested, it may order any of the sanctions 104534  
specified in division (B) of this section. 104535

(J) The license to practice of a certified mental health 104536  
assistant and the assistant's practice in this state are 104537  
automatically suspended as of the date the certified mental 104538  
health assistant pleads guilty to, is found by a judge or jury 104539  
to be guilty of, or is subject to a judicial finding of 104540

eligibility for intervention in lieu of conviction in this state 104541  
or treatment of intervention in lieu of conviction in another 104542  
jurisdiction for any of the following criminal offenses in this 104543  
state or a substantially equivalent criminal offense in another 104544  
jurisdiction: aggravated murder, murder, voluntary manslaughter, 104545  
felonious assault, trafficking in persons, kidnapping, rape, 104546  
sexual battery, gross sexual imposition, aggravated arson, 104547  
aggravated robbery, or aggravated burglary. Continued practice 104548  
after the suspension shall be considered practicing without a 104549  
license. 104550

The board shall notify the individual subject to the 104551  
suspension by certified mail or in person in accordance with 104552  
section 119.07 of the Revised Code. If an individual whose 104553  
license is suspended under this division fails to make a timely 104554  
request for an adjudication under Chapter 119. of the Revised 104555  
Code, the board shall enter a final order permanently revoking 104556  
the individual's license. 104557

(K) In any instance in which the board is required by 104558  
Chapter 119. of the Revised Code to give notice of opportunity 104559  
for hearing and the individual subject to the notice does not 104560  
timely request a hearing in accordance with section 119.07 of 104561  
the Revised Code, the board is not required to hold a hearing, 104562  
but may adopt, by an affirmative vote of not fewer than six of 104563  
its members, a final order that contains the board's findings. 104564  
In the final order, the board may order any of the sanctions 104565  
identified under division (A) or (B) of this section. 104566

(L) Any action taken by the board under division (B) of 104567  
this section resulting in a suspension shall be accompanied by a 104568  
written statement of the conditions under which the certified 104569  
mental health assistant's license may be reinstated. The board 104570

shall adopt rules in accordance with Chapter 119. of the Revised 104571  
Code governing conditions to be imposed for reinstatement. 104572  
Reinstatement of a license suspended pursuant to division (B) of 104573  
this section requires an affirmative vote of not fewer than six 104574  
members of the board. 104575

(M) When the board refuses to grant or issue a license to 104576  
practice as a certified mental health assistant to an applicant, 104577  
revokes an individual's license, refuses to renew an 104578  
individual's license, or refuses to reinstate an individual's 104579  
license, the board may specify that its action is permanent. An 104580  
individual subject to a permanent action taken by the board is 104581  
forever thereafter ineligible to hold a license to practice as a 104582  
certified mental health assistant and the board shall not accept 104583  
an application for reinstatement of the license or for issuance 104584  
of a new license. 104585

(N) Notwithstanding any other provision of the Revised 104586  
Code, all of the following apply: 104587

(1) The surrender of a license to practice as a certified 104588  
mental health assistant issued under this chapter is not 104589  
effective unless or until accepted by the board. Reinstatement 104590  
of a license surrendered to the board requires an affirmative 104591  
vote of not fewer than six members of the board. 104592

(2) An application made under this chapter for a license 104593  
to practice may not be withdrawn without approval of the board. 104594

(3) Failure by an individual to renew a license to 104595  
practice in accordance with section 4772.08 of the Revised Code 104596  
shall not remove or limit the board's jurisdiction to take 104597  
disciplinary action under this section against the individual. 104598

**Sec. 4772.21.** (A) The state medical board shall 104599

investigate evidence that appears to show that any person has 104600  
violated this chapter or the rules adopted under it. Any person 104601  
may report to the board in a signed writing any information the 104602  
person has that appears to show a violation of any provision of 104603  
this chapter or the rules adopted under it. In the absence of 104604  
bad faith, a person who reports such information or testifies 104605  
before the board in an adjudication conducted under Chapter 119. 104606  
of the Revised Code shall not be liable for civil damages as a 104607  
result of reporting the information or providing testimony. Each 104608  
complaint or allegation of a violation received by the board 104609  
shall be assigned a case number and be recorded by the board. 104610

(B) Investigations of alleged violations of this chapter 104611  
or rules adopted under it shall be supervised by the supervising 104612  
member elected by the board in accordance with section 4731.02 104613  
of the Revised Code and by the secretary as provided in section 104614  
4772.24 of the Revised Code. The board's president may designate 104615  
another member of the board to supervise the investigation in 104616  
place of the supervising member. Upon a vote of the majority of 104617  
the board to authorize the addition of a consumer member in the 104618  
supervision of any part of any investigation, the president 104619  
shall designate a consumer member for supervision of 104620  
investigations as determined by the president. The authorization 104621  
of consumer member participation in investigation supervision 104622  
may be rescinded by a majority vote of the board. A member of 104623  
the board who supervises the investigation of a case shall not 104624  
participate in further adjudication of the case. 104625

(C) In investigating a possible violation of this chapter 104626  
or the rules adopted under it, the board may administer oaths, 104627  
order the taking of depositions, issue subpoenas, and compel the 104628  
attendance of witnesses and production of books, accounts, 104629  
papers, records, documents, and testimony, except that a 104630

subpoena for patient record information shall not be issued 104631  
without consultation with the attorney general's office and 104632  
approval of the secretary and supervising member of the board. 104633  
Before issuance of a subpoena for patient record information, 104634  
the secretary and supervising member shall determine whether 104635  
there is probable cause to believe that the complaint filed 104636  
alleges a violation of this chapter or the rules adopted under 104637  
it and that the records sought are relevant to the alleged 104638  
violation and material to the investigation. The subpoena may 104639  
apply only to records that cover a reasonable period of time 104640  
surrounding the alleged violation. 104641

On failure to comply with any subpoena issued by the board 104642  
and after reasonable notice to the person being subpoenaed, the 104643  
board may move for an order compelling the production of persons 104644  
or records pursuant to the Rules of Civil Procedure. 104645

A subpoena issued by the board may be served by a sheriff, 104646  
the sheriff's deputy, or a board employee designated by the 104647  
board. Service of a subpoena issued by the board may be made by 104648  
delivering a copy of the subpoena to the person named therein, 104649  
reading it to the person, or leaving it at the person's usual 104650  
place of residence. When the person being served is a certified 104651  
mental health assistant, service of the subpoena may be made by 104652  
certified mail, restricted delivery, return receipt requested, 104653  
and the subpoena shall be deemed served on the date delivery is 104654  
made or the date the person refuses to accept delivery. 104655

A sheriff's deputy who serves a subpoena shall receive the 104656  
same fees as a sheriff. Each witness who appears before the 104657  
board in obedience to a subpoena shall receive the fees and 104658  
mileage provided for witnesses in civil cases in the courts of 104659  
common pleas. 104660

(D) All hearings and investigations of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(E) Information received by the board pursuant to an investigation is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given.

The board may share any information it receives pursuant to an investigation, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to

ensure confidentiality that may be taken by the court include 104691  
sealing its records or deleting specific information from its 104692  
records. 104693

No person shall knowingly access, use, or disclose 104694  
confidential investigatory information in a manner prohibited by 104695  
law. 104696

(F) On a quarterly basis, the board shall prepare a report 104697  
that documents the disposition of all cases during the preceding 104698  
three months. The report shall contain the following information 104699  
for each case with which the board has completed its activities: 104700

(1) The case number assigned to the complaint or alleged 104701  
violation; 104702

(2) The type of license, if any, held by the individual 104703  
against whom the complaint is directed; 104704

(3) A description of the allegations contained in the 104705  
complaint; 104706

(4) Whether witnesses were interviewed; 104707

(5) Whether the individual against whom the complaint is 104708  
directed is the subject of any pending complaints; 104709

(6) The disposition of the case. 104710

The report shall state how many cases are still pending, 104711  
and shall be prepared in a manner that protects the identity of 104712  
each person involved in each case. The report is a public record 104713  
for purposes of section 149.43 of the Revised Code. 104714

(G) The board may provide a status update regarding an 104715  
investigation to a complainant on request if the board verifies 104716  
the complainant's identity. 104717

Sec. 4772.23. (A) As used in this section, "criminal 104718  
conduct" and "sexual misconduct" have the same meanings as in 104719  
section 4731.224 of the Revised Code. 104720

(B) (1) Within ~~sixty~~ thirty days after the imposition of 104721  
any formal disciplinary action taken by any health care 104722  
facility, including a hospital, health care facility operated by 104723  
a health insuring corporation, ambulatory surgical facility, or 104724  
similar facility, against any individual holding a valid license 104725  
to practice as a certified mental health assistant, the chief 104726  
administrator or executive officer of the facility shall report 104727  
to the state medical board the name of the individual, the 104728  
action taken by the facility, and a summary of the underlying 104729  
facts leading to the action taken. On request, the board shall 104730  
be provided certified copies of the patient records that were 104731  
the basis for the facility's action. Prior to release to the 104732  
board, the summary shall be approved by the peer review 104733  
committee that reviewed the case or by the governing board of 104734  
the facility. 104735

The filing of a report with the board or decision not to 104736  
file a report, investigation by the board, or any disciplinary 104737  
action taken by the board, does not preclude a health care 104738  
facility from taking disciplinary action against a certified 104739  
mental health assistant. 104740

In the absence of fraud or bad faith, no individual or 104741  
entity that provides patient records to the board shall be 104742  
liable in damages to any person as a result of providing the 104743  
records. 104744

(2) Within thirty days after commencing an investigation 104745  
regarding criminal conduct or sexual misconduct against any 104746  
individual holding a valid license to practice issued pursuant 104747

to this chapter, a health care facility, including a hospital, 104748  
health care facility operated by a health insuring corporation, 104749  
ambulatory surgical center, or similar facility, shall report to 104750  
the board the name of the individual and a summary of the 104751  
underlying facts related to the investigation being commenced. 104752

society of certified mental health assistants, physician, or 104756  
professional association or society of physicians that believes 104757  
a violation of any provision of this chapter, Chapter 4731. of 104758  
the Revised Code, or rule of the board has occurred shall report 104759  
to the board the information on which the belief is based. 104760

(2) A certified mental health assistant, professional 104761  
association or society of certified mental health assistants, 104762  
physician, or professional association or society of physicians 104763  
that believes a violation of division (B) (6) of section 4772.20 104764  
of the Revised Code has occurred shall report the information 104765  
upon which the belief is based to the monitoring organization 104766  
conducting the program established by the board under section 104767  
4731.251 of the Revised Code. If any such report is made to the 104768  
board, it shall be referred to the monitoring organization 104769  
unless the board is aware that the individual who is the subject 104770  
of the report does not meet the program eligibility requirements 104771  
of section 4731.252 of the Revised Code. 104772

~~(C) (3)~~ If any individual authorized to practice under this 104773  
chapter or any professional association or society of such 104774  
individuals knows or has reasonable cause to suspect based on 104775  
facts that would cause a reasonable person in a similar position 104776  
to suspect that an individual authorized to practice under this 104777

chapter has committed or participated in criminal conduct or 104778  
sexual misconduct, the information upon which the belief is 104779  
based shall be reported to the board within thirty days. 104780

This division does not apply to a professional association 104781  
or society whose staff interacts with members of the association 104782  
or society only in advocacy, governance, or educational 104783  
capacities and whose staff does not regularly interact with 104784  
members in practice settings. 104785

(4) In addition to the self-reporting of criminal offenses 104786  
that is required for license renewal, an individual authorized 104787  
to practice under this chapter shall report to the board 104788  
criminal charges regarding criminal conduct, sexual misconduct, 104789  
or any conduct involving the use of a motor vehicle while under 104790

of the Revised Code, and violations of division (C) of section 104794  
4511.79 of the Revised Code. Reports under this division shall 104795  
be made within thirty days of the criminal charge being filed. 104796

(D) Any professional association or society composed 104797  
primarily of certified mental health assistants that suspends or 104798  
revokes an individual's membership for violations of 104799  
professional ethics, or for reasons of professional incompetence 104800  
or professional malpractice, within ~~sixty~~thirty days after a 104801  
final decision, shall report to the board, on forms prescribed 104802  
and provided by the board, the name of the individual, the 104803  
action taken by the professional organization, and a summary of 104804  
the underlying facts leading to the action taken. 104805

The filing of a report with the board or decision not to 104806  
file a report, investigation by the board, or any disciplinary 104807

action taken by the board, does not preclude a professional 104808  
organization from taking disciplinary action against a certified 104809  
mental health assistant. 104810

~~(D)~~(E) Any insurer providing professional liability 104811

(5) If applicable, the identity of the court in which the 104826

this chapter or the rules adopted under it that are brought to 104829  
its attention as a result of the reporting requirements of this 104830  
section, except that the board shall conduct an investigation if 104831  
a possible violation involves repeated malpractice. As used in 104832  
this division, "repeated malpractice" means three or more claims 104833  
for malpractice within the previous five-year period, each 104834  
resulting in a judgment or settlement in excess of twenty-five 104835  
thousand dollars in favor of the claimant, and each involving 104836

or failure to answer truthfully a question presented by the	104994
board at a deposition or in written interrogatories, except that	104995
failure to cooperate with an investigation shall not constitute	104996

subpoena or permits the individual to withhold the testimony or	104999

(23) Failure to comply with any of the rules of ethics	105010
included in the standards of ethics established by the American	105011

registry of radiologic technologists, as those rules apply to an 105012  
individual who holds the registry's certification as a 105013  
registered radiologist assistant. 105014

(C) The board shall not refuse to issue a license to an 105015  
applicant because of a plea of guilty to, a judicial finding of 105016  
guilt of, or a judicial finding of eligibility for intervention 105017  
in lieu of conviction for an offense unless the refusal is in 105018  
accordance with section 9.79 of the Revised Code. 105019

(D) Disciplinary actions taken by the board under 105020  
divisions (A) and (B) of this section shall be taken pursuant to 105021  
an adjudication under Chapter 119. of the Revised Code, except 105022  
that in lieu of an adjudication, the board may enter into a 105023  
consent agreement with a radiologist assistant or applicant to 105024  
resolve an allegation of a violation of this chapter or any rule 105025  
adopted under it. A consent agreement, when ratified by an 105026  
affirmative vote of not fewer than six members of the board, 105027  
shall constitute the findings and order of the board with 105028  
respect to the matter addressed in the agreement. If the board 105029  
refuses to ratify a consent agreement, the admissions and 105030  
findings contained in the consent agreement shall be of no force 105031  
or effect. 105032

(E) For purposes of divisions (B) (11), (14), and (15) of 105033  
this section, the commission of the act may be established by a 105034  
finding by the board, pursuant to an adjudication under Chapter 105035  
119. of the Revised Code, that the applicant or license holder 105036  
committed the act in question. The board shall have no 105037  
jurisdiction under these divisions in cases where the trial 105038  
court renders a final judgment in the license holder's favor and 105039  
that judgment is based upon an adjudication on the merits. The 105040  
board shall have jurisdiction under these divisions in cases 105041

where the trial court issues an order of dismissal on technical 105042  
or procedural grounds. 105043

(F) The sealing or expungement of conviction records by 105044  
any court shall have no effect on a prior board order entered 105045  
under the provisions of this section or on the board's 105046  
jurisdiction to take action under the provisions of this section 105047  
if, based upon a plea of guilty, a judicial finding of guilt, or 105048  
a judicial finding of eligibility for intervention in lieu of 105049  
conviction, the board issued a notice of opportunity for a 105050  
hearing prior to the court's order to seal or expunge the 105051  
records. The board shall not be required to seal, destroy, 105052  
redact, or otherwise modify its records to reflect the court's 105053  
sealing or expungement of conviction records. 105054

(G) For purposes of this division, any individual who 105055  
holds a license to practice as a radiologist assistant issued 105056  
under this chapter, or applies for a license, shall be deemed to 105057  
have given consent to submit to a mental or physical examination 105058  
when directed to do so in writing by the board and to have 105059  
waived all objections to the admissibility of testimony or 105060  
examination reports that constitute a privileged communication. 105061

(1) In enforcing division (B)(5) of this section, the 105062  
board, on a showing of a possible violation, shall refer any 105063  
individual who holds, or has applied for, a license to practice 105064  
as a radiologist assistant issued under this chapter to the 105065  
monitoring organization that conducts the confidential 105066  
monitoring program established under section 4731.25 of the 105067  
Revised Code. The board also may compel the individual to submit 105068  
to a mental or physical examination, or both. A physical 105069  
examination may include an HIV test. The expense of the 105070  
examination is the responsibility of the individual compelled to 105071

be examined. Failure to submit to a mental or physical 105072  
examination or consent to an HIV test ordered by the board 105073  
constitutes an admission of the allegations against the 105074  
individual unless the failure is due to circumstances beyond the 105075  
individual's control, and a default and final order may be 105076  
entered without the taking of testimony or presentation of 105077  
evidence. If the board finds a radiologist assistant unable to 105078  
practice because of the reasons set forth in division (B) (5) of 105079  
this section, the board shall require the radiologist assistant 105080  
to submit to care, counseling, or treatment by physicians 105081  
approved or designated by the board, as a condition for an 105082  
initial, continued, reinstated, or renewed license. An 105083  
individual affected by this division shall be afforded an 105084  
opportunity to demonstrate to the board the ability to resume 105085  
practicing in compliance with acceptable and prevailing 105086  
standards of care. 105087

(2) For purposes of division (B) (6) of this section, if 105088  
the board has reason to believe that any individual who holds a 105089  
license to practice as a radiologist assistant issued under this 105090  
chapter or any applicant for a license suffers such impairment, 105091  
the board shall refer the individual to the monitoring 105092  
organization that conducts the confidential monitoring program 105093  
established under section 4731.25 of the Revised Code. The board 105094  
also may compel the individual to submit to a mental or physical 105095  
examination, or both. The expense of the examination is the 105096  
responsibility of the individual compelled to be examined. Any 105097  
mental or physical examination required under this division 105098  
shall be undertaken by a treatment provider or physician 105099  
qualified to conduct such examination and approved under section 105100  
4731.251 of the Revised Code. 105101

Failure to submit to a mental or physical examination 105102

ordered by the board constitutes an admission of the allegations 105103  
against the individual unless the failure is due to 105104  
circumstances beyond the individual's control, and a default and 105105  
final order may be entered without the taking of testimony or 105106  
presentation of evidence. If the board determines that the 105107  
individual's ability to practice is impaired, the board shall 105108  
suspend the individual's license or deny the individual's 105109  
application and shall require the individual, as a condition for 105110  
an initial, continued, reinstated, or renewed license to 105111  
practice, to submit to treatment. 105112

Before being eligible to apply for reinstatement of a 105113  
license suspended under this division, the radiologist assistant 105114  
shall demonstrate to the board the ability to resume practice in 105115  
compliance with acceptable and prevailing standards of care. The 105116  
demonstration shall include the following: 105117

(a) Certification from a treatment provider approved under 105118  
section 4731.251 of the Revised Code that the individual has 105119  
successfully completed any required inpatient treatment; 105120

(b) Evidence of continuing full compliance with an 105121  
aftercare contract or consent agreement; 105122

(c) Two written reports indicating that the individual's 105123  
ability to practice has been assessed and that the individual 105124  
has been found capable of practicing according to acceptable and 105125  
prevailing standards of care. The reports shall be made by 105126  
individuals or providers approved by the board for making such 105127  
assessments and shall describe the basis for their 105128  
determination. 105129

The board may reinstate a license suspended under this 105130  
division after such demonstration and after the individual has 105131

entered into a written consent agreement. 105132

When the impaired radiologist assistant resumes practice, 105133  
the board shall require continued monitoring of the radiologist 105134  
assistant. The monitoring shall include monitoring of compliance 105135  
with the written consent agreement entered into before 105136  
reinstatement or with conditions imposed by board order after a 105137  
hearing, and, on termination of the consent agreement, 105138  
submission to the board for at least two years of annual written 105139  
progress reports made under penalty of falsification stating 105140  
whether the radiologist assistant has maintained sobriety. 105141

(H) (1) If either of the following circumstances occur, the 105142  
secretary and supervising member may recommend that the board 105143  
suspend the individual's license to practice without a prior 105144  
hearing: 105145

(a) The secretary and supervising member determine that 105146  
there is clear and convincing evidence that a radiologist 105147  
assistant has violated division (B) of this section and that the 105148  
individual's continued practice presents a danger of immediate 105149  
and serious harm to the public. 105150

(b) The board receives verifiable information that a 105151  
licensee has been charged in any state or federal court for a 105152  
crime classified as a felony under the charging court's law and 105153  
the conduct charged constitutes a violation of division (B) of 105154  
this section. 105155

(2) If a recommendation is made to suspend without a prior 105156  
hearing pursuant to division (H) (1) of this section, written 105157  
allegations shall be prepared for consideration by the board. 105158

The board, on review of the allegations and by an 105159  
affirmative vote of not fewer than six of its members, excluding 105160

the secretary and supervising member, may suspend a license 105161  
without a prior hearing. A telephone conference call may be 105162  
utilized for reviewing the allegations and taking the vote on 105163  
the summary suspension. 105164

The board shall serve a written order of suspension in 105165  
accordance with sections 119.05 and 119.07 of the Revised Code. 105166  
~~The order shall not be subject to suspension by the court during~~ 105167  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 105168  
~~Code.~~ If the radiologist assistant requests an adjudicatory 105169  
hearing by the board, the date set for the hearing shall be 105170  
within fifteen days, but not earlier than seven days, after the 105171  
radiologist assistant requests the hearing, unless otherwise 105172  
agreed to by both the board and the license holder. 105173

(3) A summary suspension imposed under ~~this~~ division (H) 105174  
(2) of this section is not a final appealable order and is not 105175  
an adjudication that may be appealed under section 119.12 of the 105176  
Revised Code. The summary suspension shall remain in effect, 105177  
~~unless reversed on appeal,~~ until a final adjudicative order 105178  
issued by the board pursuant to this section and Chapter 119. of 105179  
the Revised Code becomes effective. Once a final adjudicative 105180  
order has been issued by the board, any party adversely affected 105181  
by it may file an appeal in accordance with the requirements of 105182  
Chapter 119. of the Revised Code. ~~The~~ 105183

The board shall issue its final adjudicative order within 105184  
~~sixty-seventy-five~~ days after completion of its hearing. Failure 105185  
to issue the order within ~~sixty-seventy-five~~ days shall result 105186  
in dissolution of the summary suspension order, but shall not 105187  
invalidate any subsequent, final adjudicative order. 105188

(I) If the board takes action under division (B) (10), 105189  
(12), or (13) of this section, and the judicial finding of 105190

guilt, guilty plea, or judicial finding of eligibility for 105191  
intervention in lieu of conviction is overturned on appeal, on 105192  
exhaustion of the criminal appeal, a petition for 105193  
reconsideration of the order may be filed with the board along 105194  
with appropriate court documents. On receipt of a petition and 105195  
supporting court documents, the board shall reinstate the 105196  
license to practice as a radiologist assistant. The board may 105197  
then hold an adjudication under Chapter 119. of the Revised Code 105198  
to determine whether the individual committed the act in 105199  
question. Notice of opportunity for hearing shall be given in 105200  
accordance with Chapter 119. of the Revised Code. If the board 105201  
finds, pursuant to an adjudication held under this division, 105202  
that the individual committed the act, or if no hearing is 105203  
requested, it may order any of the sanctions specified in 105204  
division (B) of this section. 105205

(J) The license to practice of a radiologist assistant and 105206  
the assistant's practice in this state are automatically 105207  
suspended as of the date the radiologist assistant pleads guilty 105208  
to, is found by a judge or jury to be guilty of, or is subject 105209  
to a judicial finding of eligibility for intervention in lieu of 105210  
conviction in this state or treatment or intervention in lieu of 105211  
conviction in another jurisdiction for any of the following 105212  
criminal offenses in this state or a substantially equivalent 105213  
criminal offense in another jurisdiction: aggravated murder, 105214  
murder, voluntary manslaughter, felonious assault, trafficking 105215  
in persons, kidnapping, rape, sexual battery, gross sexual 105216  
imposition, aggravated arson, aggravated robbery, or aggravated 105217  
burglary. Continued practice after the suspension shall be 105218  
considered practicing without a license. 105219

The board shall serve the individual subject to the 105220  
suspension in accordance with sections 119.05 and 119.07 of the 105221

Revised Code. If an individual whose license is suspended under 105222  
this division fails to make a timely request for an adjudication 105223  
under Chapter 119. of the Revised Code, the board shall enter a 105224  
final order permanently revoking the individual's license. 105225

(K) In any instance in which the board is required by 105226  
Chapter 119. of the Revised Code to give notice of opportunity 105227  
for hearing and the individual subject to the notice does not 105228  
timely request a hearing in accordance with section 119.07 of 105229  
the Revised Code, the board is not required to hold a hearing, 105230  
but may adopt, by an affirmative vote of not fewer than six of 105231  
its members, a final order that contains the board's findings. 105232  
In the final order, the board may order any of the sanctions 105233  
identified under division (A) or (B) of this section. 105234

(L) Any action taken by the board under division (B) of 105235  
this section resulting in a suspension shall be accompanied by a 105236  
written statement of the conditions under which the radiologist 105237  
assistant's license may be reinstated. The board shall adopt 105238  
rules in accordance with Chapter 119. of the Revised Code 105239  
governing conditions to be imposed for reinstatement. 105240  
Reinstatement of a license suspended pursuant to division (B) of 105241  
this section requires an affirmative vote of not fewer than six 105242  
members of the board. 105243

(M) When the board refuses to grant or issue a license to 105244  
practice as a radiologist assistant to an applicant, revokes an 105245  
individual's license, refuses to renew an individual's license, 105246  
or refuses to reinstate an individual's license, the board may 105247  
specify that its action is permanent. An individual subject to a 105248  
permanent action taken by the board is forever thereafter 105249  
ineligible to hold a license to practice as a radiologist 105250  
assistant and the board shall not accept an application for 105251

reinstatement of the license or for issuance of a new license.	105252
(N) Notwithstanding any other provision of the Revised Code, all of the following apply:	105253
	105254
(1) The surrender of a license to practice as a radiologist assistant issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a license surrendered to the board requires an affirmative vote of not fewer than six members of the board.	105255
	105256
	105257
	105258
	105259
(2) An application made under this chapter for a license to practice may not be withdrawn without approval of the board.	105260
	105261
(3) Failure by an individual to renew a license to practice in accordance with section 4774.06 of the Revised Code does not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual.	105262
	105263
	105264
	105265
(4) The placement of an individual's license on retired status, as described in section 4774.062 of the Revised Code, does not remove or limit the board's jurisdiction to take any disciplinary action against the individual with regard to the license as it existed before being placed on retired status.	105266

(B) The board, by an affirmative vote of not fewer than six members, shall, except as provided in division (C) of this section, and to the extent permitted by law, limit, revoke, or suspend an individual's license to practice as a genetic counselor, refuse to issue a license to an applicant, refuse to renew a license, refuse to reinstate a license, or reprimand or place on probation the holder of a license for any of the following reasons:

(1) Permitting the holder's name or license to be used by another person;

4731. of the Revised Code, or the rules adopted by the board; 105315

(4) A departure from, or failure to conform to, minimal 105316

patient is established; 105319

(5) Inability to practice according to acceptable and 105320  
prevailing standards of care by reason of mental illness or 105321  
physical illness, including physical deterioration that 105322  
adversely affects cognitive, motor, or perceptive skills; 105323

(6) Impairment of ability to practice according to 105324

As used in this division, "false, fraudulent, deceptive, 105332  
or misleading statement" means a statement that includes a 105333  
misrepresentation of fact, is likely to mislead or deceive 105334  
because of a failure to disclose material facts, is intended or 105335  
is likely to create false or unjustified expectations of 105336  
favorable results, or includes representations or implications 105337  
that in reasonable probability will cause an ordinarily prudent 105338

person to misunderstand or be deceived. 105339

(9) The obtaining of, or attempting to obtain, money or a 105340  
thing of value by fraudulent misrepresentations in the course of 105341  
practice; 105342

(10) A plea of guilty to, a judicial finding of guilt of, 105343  
or a judicial finding of eligibility for intervention in lieu of 105344

committed; 105348

(12) A plea of guilty to, a judicial finding of guilt of, 105349  
or a judicial finding of eligibility for intervention in lieu of 105350  
conviction for, a misdemeanor committed in the course of 105351  
practice; 105352

(13) A plea of guilty to, a judicial finding of guilt of, 105353

jurisdiction in which the act was committed; 105358

(15) Commission of an act involving moral turpitude that 105359  
constitutes a misdemeanor in this state, regardless of the 105360  
jurisdiction in which the act was committed; 105361

(16) A plea of guilty to, a judicial finding of guilt of, 105362  
or a judicial finding of eligibility for intervention in lieu of 105363  
conviction for violating any state or federal law regulating the 105364  
possession, distribution, or use of any drug, including 105365  
trafficking in drugs; 105366

(17) Any of the following actions taken by an agency 105367  
responsible for authorizing, certifying, or regulating an 105368  
individual to practice a health care occupation or provide 105369  
health care services in this state or in another jurisdiction, 105370

failure to comply with a subpoena or order issued by the board 105381  
or failure to answer truthfully a question presented by the 105382  
board at a deposition or in written interrogatories, except that 105383  
failure to cooperate with an investigation shall not constitute 105384  
grounds for discipline under this section if a court of 105385  
competent jurisdiction has issued an order that either quashes a 105386  
subpoena or permits the individual to withhold the testimony or 105387  
evidence in issue; 105388

(20) Failure to maintain the individual's status as a 105389  
certified genetic counselor; 105390

(21) Failure to comply with the code of ethics established 105391  
by the national society of genetic counselors. 105392

(C) The board shall not refuse to issue a license to an 105393  
applicant because of a plea of guilty to, a judicial finding of 105394  
guilt of, or a judicial finding of eligibility for intervention 105395

in lieu of conviction for an offense unless the refusal is in 105396  
accordance with section 9.79 of the Revised Code. 105397

(D) Disciplinary actions taken by the board under 105398  
divisions (A) and (B) of this section shall be taken pursuant to 105399  
an adjudication under Chapter 119. of the Revised Code, except 105400  
that in lieu of an adjudication, the board may enter into a 105401  
consent agreement with a genetic counselor or applicant to 105402  
resolve an allegation of a violation of this chapter or any rule 105403  
adopted under it. A consent agreement, when ratified by an 105404  
affirmative vote of not fewer than six members of the board, 105405  
shall constitute the findings and order of the board with 105406  
respect to the matter addressed in the agreement. If the board 105407  
refuses to ratify a consent agreement, the admissions and 105408  
findings contained in the consent agreement shall be of no force 105409  
or effect. 105410

A telephone conference call may be utilized for 105411  
ratification of a consent agreement that revokes or suspends an 105412  
individual's license. The telephone conference call shall be 105413  
considered a special meeting under division (F) of section 105414  
121.22 of the Revised Code. 105415

(E) For purposes of divisions (B) (11), (14), and (15) of 105416  
this section, the commission of the act may be established by a 105417  
finding by the board, pursuant to an adjudication under Chapter 105418  
119. of the Revised Code, that the applicant or license holder 105419  
committed the act in question. The board shall have no 105420  
jurisdiction under these divisions in cases where the trial 105421  
court renders a final judgment in the license holder's favor and 105422  
that judgment is based upon an adjudication on the merits. The 105423  
board shall have jurisdiction under these divisions in cases 105424  
where the trial court issues an order of dismissal on technical 105425

or procedural grounds. 105426

(F) The sealing or expungement of conviction records by 105427  
any court shall have no effect on a prior board order entered 105428  
under the provisions of this section or on the board's 105429  
jurisdiction to take action under the provisions of this section 105430  
if, based upon a plea of guilty, a judicial finding of guilt, or 105431  
a judicial finding of eligibility for intervention in lieu of 105432  
conviction, the board issued a notice of opportunity for a 105433  
hearing or took other formal action under Chapter 119. of the 105434  
Revised Code prior to the court's order to seal or expunge the 105435  
records. The board shall not be required to seal, destroy, 105436  
redact, or otherwise modify its records to reflect the court's 105437  
sealing or expungement of conviction records. 105438

(G) For purposes of this division, any individual who 105439  
holds a license to practice as a genetic counselor, or applies 105440  
for a license, shall be deemed to have given consent to submit 105441  
to a mental or physical examination when directed to do so in 105442  
writing by the board and to have waived all objections to the 105443  
admissibility of testimony or examination reports that 105444  
constitute a privileged communication. 105445

(1) In enforcing division (B)(5) of this section, the 105446  
board, on a showing of a possible violation, shall refer any 105447  
individual who holds, or has applied for, a license to practice 105448  
as a genetic counselor to the monitoring organization that 105449  
conducts the confidential monitoring program established under 105450  
section 4731.25 of the Revised Code. The board also may compel 105451  
the individual to submit to a mental or physical examination, or 105452  
both. A physical examination may include an HIV test. The 105453  
expense of the examination is the responsibility of the 105454  
individual compelled to be examined. Failure to submit to a 105455

mental or physical examination or consent to an HIV test ordered 105456  
by the board constitutes an admission of the allegations against 105457  
the individual unless the failure is due to circumstances beyond 105458  
the individual's control, and a default and final order may be 105459  
entered without the taking of testimony or presentation of 105460  
evidence. If the board finds a genetic counselor unable to 105461  
practice because of the reasons set forth in division (B) (5) of 105462  
this section, the board shall require the genetic counselor to 105463  
submit to care, counseling, or treatment by physicians approved 105464  
or designated by the board, as a condition for an initial, 105465  
continued, reinstated, or renewed license to practice. An 105466  
individual affected by this division shall be afforded an 105467  
opportunity to demonstrate to the board the ability to resume 105468  
practicing in compliance with acceptable and prevailing 105469  
standards of care. 105470

(2) For purposes of division (B) (6) of this section, if 105471  
the board has reason to believe that any individual who holds a 105472  
license to practice as a genetic counselor or any applicant for 105473  
a license suffers such impairment, the board shall refer the 105474  
individual to the monitoring organization that conducts the 105475  
confidential monitoring program established under section 105476  
4731.25 of the Revised Code. The board also may compel the 105477  
individual to submit to a mental or physical examination, or 105478  
both. The expense of the examination is the responsibility of 105479  
the individual compelled to be examined. Any mental or physical 105480  
examination required under this division shall be undertaken by 105481  
a treatment provider or physician qualified to conduct such 105482  
examination and approved under section 4731.251 of the Revised 105483  
Code. 105484

Failure to submit to a mental or physical examination 105485  
ordered by the board constitutes an admission of the allegations 105486

against the individual unless the failure is due to 105487  
circumstances beyond the individual's control, and a default and 105488  
final order may be entered without the taking of testimony or 105489  
presentation of evidence. If the board determines that the 105490  
individual's ability to practice is impaired, the board shall 105491  
suspend the individual's license or deny the individual's 105492  
application and shall require the individual, as a condition for 105493  
an initial, continued, reinstated, or renewed license, to submit 105494  
to treatment. 105495

Before being eligible to apply for reinstatement of a 105496  
license suspended under this division, the genetic counselor 105497  
shall demonstrate to the board the ability to resume practice in 105498  
compliance with acceptable and prevailing standards of care. The 105499  
demonstration shall include the following: 105500

(a) Certification from a treatment provider approved under 105501  
section 4731.251 of the Revised Code that the individual has 105502  
successfully completed any required inpatient treatment; 105503

(b) Evidence of continuing full compliance with an 105504  
aftercare contract or consent agreement; 105505

(c) Two written reports indicating that the individual's 105506  
ability to practice has been assessed and that the individual 105507  
has been found capable of practicing according to acceptable and 105508  
prevailing standards of care. The reports shall be made by 105509  
individuals or providers approved by the board for making such 105510  
assessments and shall describe the basis for their 105511  
determination. 105512

The board may reinstate a license suspended under this 105513  
division after such demonstration and after the individual has 105514  
entered into a written consent agreement. 105515

When the impaired genetic counselor resumes practice, the board shall require continued monitoring of the genetic counselor. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the genetic counselor has maintained sobriety.

(H) (1) If either of the following circumstances occur, the secretary and supervising member may recommend that the board suspend an individual's license to practice without a prior hearing:

(a) The secretary and supervising member determine both of the following:

(i) That there is clear and convincing evidence that a genetic counselor has violated division (B) of this section;

(ii) That the individual's continued practice presents a danger of immediate and serious harm to the public.

(b) The board receives verifiable information that a licensee has been charged in any state or federal court for a crime classified as a felony under the charging court's law and the conduct charged constitutes a violation of division (B) of this section.

(2) If a recommendation is made to suspend without a prior hearing pursuant to division (H) (1) of this section, written allegations shall be prepared for consideration by the board. The board, on review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the

secretary and supervising member, may suspend a license without 105545  
a prior hearing. A telephone conference call may be utilized for 105546  
reviewing the allegations and taking the vote on the summary 105547  
suspension. 105548

The board shall serve a written order of suspension in 105549  
accordance with sections 119.05 and 119.07 of the Revised Code. 105550  
~~The order shall not be subject to suspension by the court during~~ 105551  
~~pendency of any appeal filed under section 119.12 of the Revised~~ 105552  
~~Code.~~ If the genetic counselor requests an adjudicatory hearing 105553  
by the board, the date set for the hearing shall be within 105554  
fifteen days, but not earlier than seven days, after the genetic 105555  
counselor requests the hearing, unless otherwise agreed to by 105556  
both the board and the genetic counselor. 105557

(3) A summary suspension imposed under ~~this~~ division (H) 105558  
(2) of this section is not a final appealable order and is not 105559  
an adjudication that may be appealed under section 119.12 of the 105560  
Revised Code. The summary suspension shall remain in effect, 105561  
~~unless reversed on appeal,~~ until a final adjudicative order 105562  
issued by the board pursuant to this section and Chapter 119. of 105563  
the Revised Code becomes effective. Once a final adjudicative 105564  
order has been issued by the board, any party adversely affected 105565  
by it may file an appeal in accordance with the requirements of 105566  
Chapter 119. of the Revised Code. ~~The~~ 105567

The board shall issue its final adjudicative order within 105568  
~~sixty-seventy-five~~ days after completion of its hearing. Failure 105569  
to issue the order within ~~sixty-seventy-five~~ days shall result 105570  
in dissolution of the summary suspension order, but shall not 105571  
invalidate any subsequent, final adjudicative order. 105572

(I) If the board takes action under division (B) (10), 105573  
(12), or (13) of this section, and the judicial finding of 105574

guilt, guilty plea, or judicial finding of eligibility for 105575  
intervention in lieu of conviction is overturned on appeal, on 105576  
exhaustion of the criminal appeal, a petition for 105577  
reconsideration of the order may be filed with the board along 105578  
with appropriate court documents. On receipt of a petition and 105579  
supporting court documents, the board shall reinstate the 105580  
license to practice as a genetic counselor. The board may then 105581  
hold an adjudication under Chapter 119. of the Revised Code to 105582  
determine whether the individual committed the act in question. 105583  
Notice of opportunity for hearing shall be given in accordance 105584  
with Chapter 119. of the Revised Code. If the board finds, 105585  
pursuant to an adjudication held under this division, that the 105586  
individual committed the act, or if no hearing is requested, it 105587  
may order any of the sanctions specified in division (B) of this 105588  
section. 105589

(J) The license to practice as a genetic counselor and the 105590  
counselor's practice in this state are automatically suspended 105591  
as of the date the genetic counselor pleads guilty to, is found 105592  
by a judge or jury to be guilty of, or is subject to a judicial 105593  
finding of eligibility for intervention in lieu of conviction in 105594  
this state or treatment or intervention in lieu of conviction in 105595  
another jurisdiction for any of the following criminal offenses 105596  
in this state or a substantially equivalent criminal offense in 105597  
another jurisdiction: aggravated murder, murder, voluntary 105598  
manslaughter, felonious assault, trafficking in persons, 105599  
kidnapping, rape, sexual battery, gross sexual imposition, 105600  
aggravated arson, aggravated robbery, or aggravated burglary. 105601  
Continued practice after the suspension shall be considered 105602  
practicing without a license. 105603

The board shall serve the individual subject to the 105604  
suspension in accordance with sections 119.05 and 119.07 of the 105605

Revised Code. If an individual whose license is suspended under 105606  
this division fails to make a timely request for an adjudication 105607  
under Chapter 119. of the Revised Code, the board shall enter a 105608  
final order permanently revoking the individual's license to 105609  
practice. 105610

(K) In any instance in which the board is required by 105611  
Chapter 119. of the Revised Code to give notice of opportunity 105612  
for hearing and the individual subject to the notice does not 105613  
timely request a hearing in accordance with section 119.07 of 105614  
the Revised Code, the board is not required to hold a hearing, 105615  
but may adopt, by an affirmative vote of not fewer than six of 105616  
its members, a final order that contains the board's findings. 105617  
In the final order, the board may order any of the sanctions 105618  
identified under division (A) or (B) of this section. 105619

(L) Any action taken by the board under division (B) of 105620  
this section resulting in a suspension shall be accompanied by a 105621  
written statement of the conditions under which the license of 105622  
the genetic counselor may be reinstated. The board shall adopt 105623  
rules in accordance with Chapter 119. of the Revised Code 105624  
governing conditions to be imposed for reinstatement. 105625  
Reinstatement of a license suspended pursuant to division (B) of 105626  
this section requires an affirmative vote of not fewer than six 105627  
members of the board. 105628

(M) When the board refuses to grant or issue a license to 105629  
practice as a genetic counselor to an applicant, revokes an 105630  
individual's license, refuses to renew an individual's license, 105631  
or refuses to reinstate an individual's license, the board may 105632

to practice may not be withdrawn without approval of the board. 105649

(3) Failure by an individual to renew a license in 105650

remove or limit the board's jurisdiction to take disciplinary 105652  
action under this section against the individual. 105653

(4) The placement of an individual's license on retired 105654  
status, as described in section 4778.072 of the Revised Code, 105655  
does not remove or limit the board's jurisdiction to take any 105656  
disciplinary action against the individual with regard to the 105657  
license as it existed before being placed on retired status. 105658

completion, provided, however, that falsifying or knowingly 105733  
allowing another to falsify such attendance records or 105734  
certificates of completion constitutes grounds for suspension or 105735  
revocation of a continuing education provider's division 105736  
approval. 105737

(F) The division shall not renew the license of an 105738

**Sec. 4903.10.** After any order has been made by the public 105742  
utilities commission, any party who has entered an appearance in 105743  
person or by counsel in the proceeding may apply for a rehearing 105744  
in respect to any matters determined in the proceeding. Such 105745  
application shall be filed within thirty days after the entry of 105746  
the order upon the journal of the commission. 105747

Notwithstanding the preceding paragraph, in any 105748  
uncontested proceeding or, by leave of the commission first had 105749  
in any other proceeding, any affected person, firm, or 105750

corporation may make an application for a rehearing within 105751  
thirty days after the entry of any final order upon the journal 105752  
of the commission. Leave to file an application for rehearing 105753  
shall not be granted to any person, firm, or corporation who did 105754  
not enter an appearance in the proceeding unless the commission 105755  
first finds: 105756

(A) The applicant's failure to enter an appearance prior 105757  
to the entry upon the journal of the commission of the order 105758  
complained of was due to just cause; and, 105759

(B) The interests of the applicant were not adequately 105760  
considered in the proceeding. 105761

Every applicant for rehearing or for leave to file an 105762  
application for rehearing shall give due notice of the filing of 105763  
such application to all parties who have entered an appearance 105764  
in the proceeding in the manner and form prescribed by the 105765  
commission. 105766

Such application shall be in writing and shall set forth 105767  
specifically the ground or grounds on which the applicant 105768  
considers the order to be unreasonable or unlawful. No party 105769  
shall in any court urge or rely on any ground for reversal, 105770  
vacation, or modification not so set forth in the application. 105771

Where such application for rehearing has been filed before 105772  
the effective date of the order as to which a rehearing is 105773  
sought, the effective date of such order, unless otherwise 105774  
ordered by the commission, shall be postponed or stayed pending 105775  
disposition of the matter by the commission or by operation of 105776  
law. In all other cases the making of such an application shall 105777  
not excuse any person from complying with the order, or operate 105778  
to stay or postpone the enforcement thereof, without a special 105779

order of the commission. 105780

Where such application for rehearing has been filed, the 105781  
commission may grant and hold such rehearing on the matter 105782  
specified in such application, if in its judgment sufficient 105783  
reason therefor is made to appear. Notice of such rehearing 105784  
shall be given by regular mail to all parties who have entered 105785  
an appearance in the proceeding. 105786

If the commission does not grant or deny such application 105787  
for rehearing within thirty days from the date of filing 105788  
thereof, it is denied by operation of law. 105789

If the commission grants such rehearing, it shall specify 105790  
in the notice of such granting the purpose for which it is 105791  
granted. The commission shall also specify the scope of the 105792  
additional evidence, if any, that will be taken, but it shall 105793  
not upon such rehearing take any evidence that, with reasonable 105794  
diligence, could have been offered upon the original hearing. 105795

If, after such rehearing, the commission is of the opinion 105796  
that the original order or any part thereof is in any respect 105797  
unjust or unwarranted, or should be changed, the commission may 105798  
abrogate or modify the same; otherwise such order shall be 105799  
affirmed. An order made after such rehearing, abrogating or 105800  
modifying the original order, shall have the same effect as an 105801  
original order, but shall not affect any right or the 105802  
enforcement of any right arising from or by virtue of the 105803  
original order prior to the receipt of notice by the affected 105804  
party of the filing of the application for rehearing. 105805

If the commission does not affirm, abrogate, or modify the 105806  
original order within ninety days from the date granting such 105807  
rehearing, the order is affirmed by operation of law. 105808

No cause of action arising out of any order of the 105809  
commission, other than in support of the order, shall accrue in 105810  
any court to any person, firm, or corporation unless such 105811  
person, firm, or corporation has made a proper application to 105812  
the commission for a rehearing. 105813

**Sec. 4905.311.** (A) As used in this section, "electric 105814

audit all electric distribution utilities that provide any 105842  
behind the meter electric generation service to ensure 105843  
compliance with this section. 105844

thereon, not less than forty-five nor more than sixty days after 105848

as practicable. 105850

(B) On an application for an amendment of a certificate, 105851  
the board shall hold a hearing in the same manner as a hearing 105852  
is held on an application for a certificate if the proposed 105853

any environmental impact of the facility or a substantial change 105855  
in the location of all or a portion of such facility other than 105856  
as provided in the alternates set forth in the application. 105857

**Sec. 4911.18.** (A) For the sole purpose of maintaining and 105868  
administering the office of the consumers' counsel and 105869  
exercising the powers of the consumers' counsel under this 105870  
chapter, an amount equal to the appropriation to the office of 105871  
the consumers' counsel in each fiscal year shall be apportioned 105872  
among and assessed against each public utility within this 105873  
state, as defined in section 4911.01 of the Revised Code, by 105874

proportion to the intrastate gross earnings or receipts of the 105876  
public utility for the calendar year next preceding that in 105877  
which the assessment is made, excluding earnings or receipts 105878  
from sales to other public utilities for resale. The office may 105879  
include in that first computation any amount of a public 105880  
utility's intrastate gross earnings or receipts underreported in 105881

section 1343.01 of the Revised Code. The office shall deposit 105885  
any interest so collected into the consumers' counsel operating 105886  
fund. The office may exclude from that first computation any 105887  
such amounts that were over-reported in a prior year. 105888

The final computation of the assessment shall consist of 105889  
imposing upon each public utility whose assessment under the 105890  
first computation would have been one hundred dollars or less an 105891  
assessment of one hundred dollars and recomputing the assessment 105892  
of the remaining companies by apportioning an amount equal to 105893  
the appropriation to the office of consumers' counsel in each 105894  
fiscal year less the total amount to be recovered from those 105895  
paying the minimum assessment, in proportion to the intrastate 105896  
gross earnings or receipts of the remaining companies for the 105897  
calendar year next preceding that in which the assessments are 105898

made, excluding earnings or receipts from sales to other public 105899  
utilities for resale. 105900

In the case of an assessment based on intrastate gross 105901  
receipts under this section against a public utility that is an 105902  
electric utility as defined in section 4928.01 of the Revised 105903  
Code, or an electric services company, electric cooperative, or 105904

In the case of an assessment based on intrastate gross 105912  
receipts under this section against a retail natural gas 105913  
supplier or governmental aggregator subject to certification 105914  
under section 4929.20 of the Revised Code, such receipts shall 105915  
be those specified in the supplier's or aggregator's most recent 105916  
report of intrastate gross receipts and sales of hundred cubic 105917  
feet of natural gas, filed with the commission pursuant to 105918  
division (B) of section 4929.23 of the Revised Code, and 105919  
verified by the commission. However, no such retail natural gas 105920  
supplier or such governmental aggregator serving or proposing to 105921

this section until after the commission, pursuant to section 105924  
4905.26 or 4909.18 of the Revised Code, has removed from the 105925  
base rates of the natural gas company the amount of assessment 105926  
under this section that is attributable to the value of 105927  
commodity sales service, as defined in section 4929.01 of the 105928  
Revised Code, in the base rates paid by those customers of the 105929

company that do not purchase that service from the natural gas 105930

(B) Through calendar year 2005, on or before the first day 105932  
of October in each year, the office of consumers' counsel shall 105933  
notify each public utility of the sum assessed against it, 105934  
whereupon payment shall be made to the counsel, who shall 105935  
deposit it into the state treasury to the credit of the 105936  
consumers' counsel operating fund, which is hereby created. 105937  
Beginning in calendar year 2006, on or before the fifteenth day 105938  
of May in each year, the consumers' counsel shall notify each 105939  
public utility that had a sum assessed against it for the 105940  
current fiscal year of more than one thousand dollars that fifty 105941  
per cent of that amount shall be paid to the consumers' counsel 105942  
by the twentieth day of June of that year as an initial payment 105943  
of the assessment against the company for the next fiscal year. 105944  
On or before the first day of October in each year, the 105945  
consumers' counsel shall make a final determination of the sum 105946  
of the assessment against each public utility and shall notify 105947  
each public utility of the sum assessed against it. The 105948  
consumers' counsel shall deduct from the assessment for each 105949  
public utility any initial payment received. Payment of the 105950  
assessment shall be made to the consumers' counsel by the first 105951  
day of November of that year. The consumers' counsel shall 105952  
deposit the payments received into the state treasury to the 105953  
credit of the consumers' counsel operating fund. Any such 105954  
amounts paid into the fund but not expended by the office shall 105955  
be credited ratably by the office to the public utilities that 105956  
pay more than the minimum assessment, according to the 105957  
respective portions of such sum assessable against them for the 105958  
ensuing fiscal year, after first deducting any deficits 105959  
accumulated from prior years. The assessments for such fiscal 105960

year shall be reduced correspondingly. 105961

(C) Within five days after the beginning of each fiscal 105962  
year through fiscal year 2006, the director of budget and 105963  
management shall transfer from the general revenue fund to the 105964  
consumers' counsel operating fund an amount sufficient for 105965  
maintaining and administering the office of the consumers' 105966  
counsel and exercising the powers of the consumers' counsel 105967  
under this chapter during the first four months of the fiscal 105968  
year. Not later than the thirty-first day of December of the 105969  
fiscal year, the same amount shall be transferred back to the 105970  
general revenue fund from the consumers' counsel operating fund. 105971

a declaration in the Revised Code, and for the purpose of 106355

discerning any competitive retail electric service that is no 106356

Upon such evaluation, the commission periodically shall report 106358  
its findings and any recommendations for legislation to the 106359

~~provide biennial reports to those standing committees, regarding 106363~~  
~~the effectiveness of competition in the supply of competitive 106364~~  
~~retail electric services in this state. In addition, until the 106365~~

~~standing committees shall meet at least biennially to consider 106368~~  
~~the effect on this state of electric service restructuring and 106369~~  
~~to receive reports from the commission, consumers' counsel, and 106370~~  
~~director of development. 106371~~

(D) In determining, for purposes of division (B) or (C) of 106372

functionally equivalent or substitute services readily available 106382  
at competitive prices, terms, and conditions; 106383

under division (B) or (C) of this section, a determination by 106388  
the commission of the existence of or a lack of effective 106389  
competition or reasonably available alternatives. 106390

(E) (1) Beginning on the starting date of competitive 106391

Chapters 4901. to 4909. of the Revised Code, and shall exercise 106393  
that authority, to resolve abuses of market power by any 106394  
electric utility that interfere with effective competition in 106395  
the provision of retail electric service. 106396

(2) In addition to the commission's authority under 106397  
division (E) (1) of this section, the commission, beginning the 106398  
first year after the market development period of a particular 106399  
electric utility and after reasonable notice and opportunity for 106400  
hearing, may take such measures within a transmission 106401  
constrained area in the utility's certified territory as are 106402  
necessary to ensure that retail electric generation service is 106403  
provided at reasonable rates within that area. The commission 106404  
may exercise this authority only upon findings that an electric 106405

that abuse is not adequately mitigated by rules and practices of 106407  
any independent transmission entity controlling the transmission 106408  
facilities. Any such measure shall be taken only to the extent 106409  
necessary to protect customers in the area from the particular 106410  
abuse of market power and to the extent the commission's 106411

competitive retail electric service for which it is subject to 106420  
certification, as the commission considers necessary to carry 106421  
out this chapter. An electric utility shall provide the 106422  
commission with such information as the commission considers 106423  
necessary to carry out divisions (B) to (E) of this section. The 106424  
commission shall take such measures as it considers necessary to 106425  
protect the confidentiality of any such information. 106426

The commission shall require each electric utility to file 106427  
with the commission on and after the starting date of 106428

certification to file an annual report on and after that 106433  
starting date of such receipts and sales from the provision of 106434  
those retail electric services for which it is subject to 106435  
certification. For the purpose of the reports, sales of kilowatt 106436  
hours of electricity are deemed to occur at the meter of the 106437  
retail customer. 106438

**Sec. 4928.102.** (A) If a competitive retail electric 106439  
service supplier offers a residential or small commercial 106440

supplier shall send two notices to each residential and small 106443  
commercial customer that enters into such a contract. Each 106444

notice shall provide all of the following information to the customer: 106445  
106446

(1) The fixed rate that is expiring under the contract; 106447

(2) The expiration date of the contract's fixed rate; 106448

106463  
106464

(2) The supplier shall send the second notice not earlier than forty-five days, and not later than fifteen days, prior to the expiration of the fixed rate. 106465

(E) Not later than one hundred fifty days after ~~the~~ 106477  
~~effective date of this section~~ August 14, 2025, the commission 106478  
shall adopt rules in order to implement divisions (A) to (D) of 106479  
this section. The rules, at a minimum, shall include the 106480  
following requirements regarding the notices required under 106481  
divisions (A) to (D) of this section: 106482

(1) To use clear and unambiguous language in order to 106483  
enable the customer to make an informed decision; 106484

(2) To design the notices in a way to ensure that they 106485  
cannot be confused with marketing materials. 106486

(F) Notwithstanding any provision of section 121.95 of the 106487  
Revised Code to the contrary, a regulatory restriction contained 106488  
in a rule adopted under this section ~~4928.101 of the Revised~~ 106489  
~~Code~~ is not subject to sections 121.95 to 121.953 of the Revised 106490  
Code. 106491

**Sec. 4928.34.** (A) The public utilities commission shall 106492  
not approve or prescribe a transition plan under division (A) or 106493  
(B) of section 4928.33 of the Revised Code unless the commission 106494  
first makes all of the following determinations: 106495

(1) The unbundled components for the electric transmission 106496  
component of retail electric service, as specified in the 106497  
utility's rate unbundling plan required by division (A) (1) of 106498  
section 4928.31 of the Revised Code, equal the tariff rates 106499  
determined by the federal energy regulatory commission that are 106500  
in effect on the date of the approval of the transition plan 106501

under sections 4928.31 to 4928.40 of the Revised Code, as each 106502  
such rate is determined applicable to each particular customer 106503  
class and rate schedule by the commission. The unbundled 106504  
transmission component shall include a sliding scale of charges 106505  
under division (B) of section 4905.31 of the Revised Code to 106506  
ensure that refunds determined or approved by the federal energy 106507  
regulatory commission are flowed through to retail electric 106508  
customers. 106509

(2) The unbundled components for retail electric 106510  
distribution service in the rate unbundling plan equal the 106511  
difference between the costs attributable to the utility's 106512  
transmission and distribution rates and charges under its 106513  
schedule of rates and charges in effect on the effective date of 106514  
this section, based upon the record in the most recent rate 106515  
proceeding of the utility for which the utility's schedule was 106516  
established, and the tariff rates for electric transmission 106517  
service determined by the federal energy regulatory commission 106518  
as described in division (A) (1) of this section. 106519

(3) All other unbundled components required by the 106520  
commission in the rate unbundling plan equal the costs 106521  
attributable to the particular service as reflected in the 106522  
utility's schedule of rates and charges in effect on the 106523  
effective date of this section. 106524

(4) The unbundled components for retail electric 106525  
generation service in the rate unbundling plan equal the 106526  
residual amount remaining after the determination of the 106527  
transmission, distribution, and other unbundled components, and 106528  
after any adjustments necessary to reflect the effects of the 106529  
amendment of section 5727.111 of the Revised Code by Sub. S.B. 106530  
No. 3 of the 123rd general assembly. 106531

(5) All unbundled components in the rate unbundling plan 106532  
have been adjusted to reflect any base rate reductions on file 106533  
with the commission and as scheduled to be in effect by December 106534  
31, 2005, under rate settlements in effect on the effective date 106535  
of this section. However, all earnings obligations, 106536  
restrictions, or caps imposed on an electric utility in a 106537  
commission order prior to the effective date of this section are 106538  
void. 106539

(6) Subject to division (A) (5) of this section, the total 106540  
of all unbundled components in the rate unbundling plan are 106541  
capped and shall equal during the market development period, 106542  
except as specifically provided in this chapter, the total of 106543  
all rates and charges in effect under the applicable bundled 106544  
schedule of the electric utility pursuant to section 4905.30 of 106545  
the Revised Code in effect on the day before the effective date 106546  
of this section, including the transition charge determined 106547  
under section 4928.40 of the Revised Code, adjusted for any 106548  
changes in the taxation of electric utilities and retail 106549  
electric service under Sub. S.B. No. 3 of the 123rd General 106550  
Assembly, and the universal service rider authorized by section 106551  
4928.51 of the Revised Code, ~~and the temporary rider authorized~~ 106552  
~~by section 4928.61 of the Revised Code.~~ For the purpose of this 106553  
division, the rate cap applicable to a customer receiving 106554  
electric service pursuant to an arrangement approved by the 106555  
commission under section 4905.31 of the Revised Code is, for the 106556  
term of the arrangement, the total of all rates and charges in 106557  
effect under the arrangement. For any rate schedule filed 106558  
pursuant to section 4905.30 of the Revised Code or any 106559  
arrangement subject to approval pursuant to section 4905.31 of 106560  
the Revised Code, the initial tax-related adjustment to the rate 106561  
cap required by this division shall be equal to the rate of 106562

taxation specified in section 5727.81 of the Revised Code and 106563  
applicable to the schedule or arrangement. To the extent such 106564  
total annual amount of the tax-related adjustment is greater 106565  
than or less than the comparable amount of the total annual tax 106566  
reduction experienced by the electric utility as a result of the 106567  
provisions of Sub. S.B. No. 3 of the 123rd general assembly, 106568  
such difference shall be addressed by the commission through 106569  
accounting procedures, refunds, or an annual surcharge or credit 106570  
to customers, or through other appropriate means, to avoid 106571  
placing the financial responsibility for the difference upon the 106572  
electric utility or its shareholders. Any adjustments in the 106573  
rate of taxation specified in section 5727.81 of the Revised 106574  
Code shall not occur without a corresponding adjustment to the 106575  
rate cap for each such rate schedule or arrangement. The 106576  
department of taxation shall advise the commission and self- 106577  
assessors under section 5727.81 of the Revised Code prior to the 106578  
effective date of any change in the rate of taxation specified 106579  
under that section, and the commission shall modify the rate cap 106580  
to reflect that adjustment so that the rate cap adjustment is 106581  
effective as of the effective date of the change in the rate of 106582  
taxation. This division shall be applied, to the extent 106583  
possible, to eliminate any increase in the price of electricity 106584  
for customers that otherwise may occur as a result of 106585  
establishing the taxes contemplated in section 5727.81 of the 106586  
Revised Code. 106587

(7) The rate unbundling plan complies with any rules 106588  
adopted by the commission under division (A) of section 4928.06 106589  
of the Revised Code. 106590

(8) The corporate separation plan required by division (A) 106591  
(2) of section 4928.31 of the Revised Code complies with section 106592  
4928.17 of the Revised Code and any rules adopted by the 106593

commission under division (A) of section 4928.06 of the Revised Code. 106594  
106595

(9) Any plan or plans the commission requires to address 106596  
operational support systems and any other technical 106597  
implementation issues pertaining to competitive retail electric 106598  
service comply with any rules adopted by the commission under 106599  
division (A) of section 4928.06 of the Revised Code. 106600

(10) The employee assistance plan required by division (A) 106601  
(4) of section 4928.31 of the Revised Code sufficiently provides 106602  
severance, retraining, early retirement, retention, 106603  
outplacement, and other assistance for the utility's employees 106604  
whose employment is affected by electric industry restructuring 106605  
under this chapter. 106606

(11) The consumer education plan required under division 106607  
(A) (5) of section 4928.31 of the Revised Code complies with 106608  
former section 4928.42 of the Revised Code and any rules adopted 106609  
by the commission under division (A) of section 4928.06 of the 106610  
Revised Code. 106611

(12) The transition revenues for which an electric utility 106612  
is authorized a revenue opportunity under sections 4928.31 to 106613  
4928.40 of the Revised Code are the allowable transition costs 106614  
of the utility as such costs are determined by the commission 106615  
pursuant to section 4928.39 of the Revised Code, and the 106616  
transition charges for the customer classes and rate schedules 106617  
of the utility are the charges determined pursuant to section 106618  
4928.40 of the Revised Code. 106619

(13) Any independent transmission plan included in the 106620  
transition plan filed under section 4928.31 of the Revised Code 106621  
reasonably complies with section 4928.12 of the Revised Code and 106622

any rules adopted by the commission under division (A) of 106623  
section 4928.06 of the Revised Code, unless the commission, for 106624  
good cause shown, authorizes the utility to defer compliance 106625  
until an order is issued under division (G) of section 4928.35 106626  
of the Revised Code. 106627

(14) The utility is in compliance with sections 4928.01 to 106628  
4928.11 of the Revised Code and any rules or orders of the 106629  
commission adopted or issued under those sections. 106630

(15) All unbundled components in the rate unbundling plan 106631  
have been adjusted to reflect the elimination of the tax on 106632  
gross receipts imposed by section 5727.30 of the Revised Code. 106633

In addition, a transition plan approved by the commission 106634  
under section 4928.33 of the Revised Code but not containing an 106635  
approved independent transmission plan shall contain the express 106636  
conditions that the utility will comply with an order issued 106637  
under division (G) of section 4928.35 of the Revised Code. 106638

(B) If the commission finds that any part of the 106639  
transition plan would constitute an abandonment under sections 106640  
4905.20 and 4905.21 of the Revised Code, the commission shall 106641  
not approve that part of the transition plan unless it makes the 106642  
finding required for approval of an abandonment application 106643  
under section 4905.21 of the Revised Code. Sections 4905.20 and 106644  
4905.21 of the Revised Code otherwise shall not apply to a 106645  
transition plan under sections 4928.31 to 4928.40 of the Revised 106646  
Code. 106647

**Sec. 4928.43.** (A) Each state agency that provides 106648

shall be made not later than November 1, 1999. 106766

(B) Initial terms of six of the appointed members shall 106767  
end on June 30, 2003, and initial terms of the remaining seven 106768  
appointed members shall end on June 30, 2004. Thereafter, terms 106769  
of appointed members shall be for three years, with each term 106770

ending on the same day of the same month as the term it 106771  
succeeds. Each member shall hold office from the date of the 106772  
member's appointment until the end of the term for which the 106773  
member was appointed. Members may be reappointed. 106774

Vacancies shall be filled in the manner provided for 106775  
original appointments. Any member appointed to fill a vacancy 106776  
occurring prior to the expiration date of the term for which the 106777  
member's predecessor was appointed shall hold office as a member 106778  
for the remainder of that term. A member shall continue in 106779  
office after the expiration date of the member's term until the 106780  
member's successor takes office or until a period of sixty days 106781  
has elapsed, whichever occurs first. 106782

(C) Board members shall be reimbursed for their actual and 106783  
necessary expenses incurred in the performance of board duties. 106784  
The reimbursements constitute, as applicable, administrative 106785  
costs of the low-income customer assistance programs for the 106786  
purpose of ~~division (A) of section~~ sections 4928.51 and 4928.52 106787

(D) The advisory board shall select a chairperson from 106791  
among its members. Only board members appointed by the governor 106792  
with the advice and consent of the senate shall be voting 106793  
members of the board; each shall have one vote in all 106794  
deliberations of the board. A majority of the voting members 106795  
constitute a quorum. 106796

(E) ~~The duties of the advisory board shall be as follows:~~ 106797  
~~(1) Advise~~ advise the director of job and family services 106798  
in the administration of ~~the universal service fund and the low-~~ 106799

the director's recommendation to the commission regarding the  
appropriate level of the universal service rider;~~ 106800  
106801  
106802

~~(2) Advise the director on the administration of the  
advanced energy program and the advanced energy fund under  
sections 4928.61 to 4928.63 of the Revised Code.~~ 106803  
106804  
106805

(F) The advisory board is not an agency for purposes of 106806  
sections 101.82 to 101.87 of the Revised Code. 106807

**Sec. 4928.61.** (A) There is hereby established in the state 106808  
treasury the advanced energy fund, into which shall be deposited 106809  
all advanced energy revenues remitted to the director of 106810  
development under division (B) of this section, for the 106811  
exclusive purposes of funding the advanced energy program 106812  
created under section 4928.62 of the Revised Code and paying the 106813  
program's administrative costs. Interest on the fund shall be 106814  
credited to the fund. 106815

(B) Advanced energy revenues shall include all of the 106816  
following: 106817

~~(1) Revenues remitted to the director after collection by  
each electric distribution utility in this state of a temporary  
rider on retail electric distribution service rates as such  
rates are determined by the public utilities commission pursuant  
to this chapter. The rider shall be a uniform amount statewide,  
determined by the director of development, after consultation  
with the public benefits advisory board created by section  
4928.58 of the Revised Code. The amount shall be determined by  
dividing an aggregate revenue target for a given year as  
determined by the director, after consultation with the advisory  
board, by the number of customers of electric distribution~~ 106818

Such aggregate revenue target shall not exceed more than fifteen million dollars in any year through 2005 and shall not exceed more than five million dollars in any year after 2005. The rider shall be imposed beginning on the effective date of the amendment of this section by Sub. H.B. 251 of the 126th general assembly, January 4, 2007, and shall terminate at the end of ten years following the starting date of competitive retail electric service or until the advanced energy fund, including interest, reaches one hundred million dollars, whichever is first.~~

~~(2) Revenues from payments, repayments, and collections under the advanced energy program and from program income;~~

~~(3) (2) Revenues remitted to the director after collection by a municipal electric utility or electric cooperative in this state upon the utility's or cooperative's decision to participate in the advanced energy fund;~~

~~(4) (3) Revenues from renewable energy compliance payments as provided under division (C) (2) of section 4928.64 of the Revised Code;~~

~~(5) (4) Revenue from forfeitures under division (C) of section 4928.66 of the Revised Code;~~

~~(6) (5) Funds transferred pursuant to division (B) of Section 512.10 of S.B. 315 of the 129th general assembly;~~

~~(7) (6) Interest earnings on the advanced energy fund.~~

~~(C) (1) Each electric distribution utility in this state shall remit to the director on a quarterly basis the revenues described in divisions (B) (1) and (2) of this section. Such remittances shall occur within thirty days after the end of each calendar quarter.~~

~~(2) Each participating electric cooperative and participating municipal electric utility shall remit to the director on a quarterly basis the revenues described in division (B) (3) of this section. Such remittances shall occur within thirty days after the end of each calendar quarter. For the purpose of division (B) (3) of this section, the participation of an electric cooperative or municipal electric utility in the energy efficiency revolving loan program as it existed immediately prior to the effective date of the amendment of this section by Sub. H.B. 251 of the 126th general assembly, January 4, 2007, does not constitute a decision to participate in the advanced energy fund under this section as so amended.~~

~~(3) All remittances under divisions (C) (1) and (2) of this section shall continue only until the end of ten years following the starting date of competitive retail electric service or until the advanced energy fund, including interest, reaches one hundred million dollars, whichever is first.~~

~~(D) Any moneys collected in rates for non-low-income customer energy efficiency programs, as of October 5, 1999, and not contributed to the energy efficiency revolving loan fund authorized under this section prior to the effective date of its amendment by Sub. H.B. 251 of the 126th general assembly, January 4, 2007, shall be used to continue to fund cost-effective, residential energy efficiency programs, be contributed into the universal service fund as a supplement to that required under section 4928.53 of the Revised Code, or be returned to ratepayers in the form of a rate reduction at the option of the affected electric distribution utility.~~

**Sec. 4928.62.** (A) There is hereby created the advanced energy program, which shall be administered by the director of

development. Under the program, the director may authorize the use of moneys in the advanced energy fund for financial, technical, and related assistance for advanced energy projects in this state or for economic development assistance, in furtherance of the purposes set forth in section 4928.63 of the Revised Code.

(1) To the extent feasible given approved applications for assistance, the assistance shall be distributed among the certified territories of electric distribution utilities and participating electric cooperatives, and among the service areas of participating municipal electric utilities, in amounts proportionate to the remittances of each utility and cooperative under ~~divisions (B)(1) and (3)~~division (B)(2) of section 4928.61 of the Revised Code.

(2) The funds described in division ~~(B)(6)~~(B)(5) of section 4928.61 of the Revised Code shall not be subject to the territorial requirements of division (A)(1) of this section.

(3) The director shall not authorize financial assistance for an advanced energy project under the program unless the director first determines that the project will create new jobs or preserve existing jobs in this state or use innovative technologies or materials.

(B) In carrying out sections 4928.61 to 4928.63 of the Revised Code, the director may do all of the following to further the public interest in advanced energy projects and economic development:

(1) Award grants, contracts, loans, loan participation agreements, linked deposits, and energy production incentives;

(2) Acquire in the name of the director any property of

any kind or character in accordance with this section, by 106917  
purchase, purchase at foreclosure, or exchange, on such terms 106918  
and in such manner as the director considers proper; 106919

(3) Make and enter into all contracts and agreements 106920  
necessary or incidental to the performance of the director's 106921  
duties and the exercise of the director's powers under sections 106922  
4928.61 to 4928.63 of the Revised Code; 106923

(4) Employ or enter into contracts with financial 106924  
consultants, marketing consultants, consulting engineers, 106925  
architects, managers, construction experts, attorneys, technical 106926  
monitors, energy evaluators, or other employees or agents as the 106927  
director considers necessary, and fix their compensation; 106928

(5) Adopt rules prescribing the application procedures for 106929  
financial assistance under the advanced energy program; the 106930  
fees, charges, interest rates, payment schedules, local match 106931  
requirements, and other terms and conditions of any grants, 106932  
contracts, loans, loan participation agreements, linked 106933  
deposits, and energy production incentives; criteria pertaining 106934  
to the eligibility of participating lending institutions; and 106935  
any other matters necessary for the implementation of the 106936  
program; 106937

(6) Do all things necessary and appropriate for the 106938  
operation of the program. 106939

(C) The department of development may hold ownership to 106940  
any unclaimed energy efficiency and renewable energy emission 106941  
allowances provided for in Chapter 3745-14 of the Administrative 106942  
Code or otherwise, that result from advanced energy projects 106943  
that receive funding from the advanced energy fund, and it may 106944  
use the allowances to further the public interest in advanced 106945

energy projects or for economic development. 106946

(D) Financial statements, financial data, and trade 106947  
secrets submitted to or received by the director from an 106948  
applicant or recipient of financial assistance under sections 106949  
4928.61 to 4928.63 of the Revised Code, or any information taken 106950  
from those statements, data, or trade secrets for any purpose, 106951  
are not public records for the purpose of section 149.43 of the 106952  
Revised Code. 106953

(E) Nothing in the amendments of sections 4928.61, 106954  
4928.62, and 4928.63 of the Revised Code by Sub. H.B. 251 of the 106955  
126th general assembly shall affect any pending or effected 106956  
assistance, pending or effected purchases or exchanges of 106957  
property made, or pending or effected contracts or agreements 106958  
entered into pursuant to division (A) or (B) of this section as 106959  
the section existed prior to the effective date of those 106960  
amendments, January 4, 2007, or shall affect the exemption 106961  
provided under division (C) of this section as the section 106962  
existed prior to that effective date. 106963

(F) Any assistance a school district receives for an 106964  
advanced energy project, including a geothermal heating, 106965  
ventilating, and air conditioning system, shall be in addition 106966  
to any assistance provided under Chapter 3318. of the Revised 106967  
Code and shall not be included as part of the district or state 106968  
portion of the basic project cost under that chapter. 106969

**Sec. 4928.63.** The director of development ~~and the public~~ 106970  
~~benefits advisory board have~~ has the powers and duties provided 106971  
in sections 4928.61 and 4928.62 of the Revised Code, in order to 106972  
promote the welfare of the people of this state; stabilize the 106973  
economy; assist in the improvement and development within this 106974  
state of not-for-profit entity, industrial, commercial, 106975

distribution, residential, and research buildings and activities 106976  
required for the people of this state; improve the economic 106977  
welfare of the people of this state by reducing energy costs and 106978  
by reducing energy usage in a cost-efficient manner using, as 106979  
determined by the director, both the most appropriate national, 106980  
federal, or other standards for products and the best practices 106981  
for the use of technology, products, or services in the context 106982  
of a total facility or building; and assist in the lowering of 106983  
energy demand to reduce air, water, or thermal pollution. It is 106984  
hereby determined that the accomplishment of those purposes is 106985  
essential so that the people of this state may maintain their 106986  
present high standards in comparison with the people of other 106987  
states and so that opportunities for improving the economic 106988  
welfare of the people of this state, for improving the housing 106989  
of residents of this state, and for favorable markets for the 106990  
products of this state's natural resources, agriculture, and 106991  
manufacturing shall be improved; and that it is necessary for 106992  
this state to establish the program authorized pursuant to 106993  
sections 4928.61 and 4928.62 of the Revised Code. 106994

**Sec. 4928.66.** (A) (1) (a) Beginning in 2009, an electric 106995  
distribution utility shall implement energy efficiency programs 106996  
that achieve energy savings equivalent to at least three-tenths 106997  
of one per cent of the total, annual average, and normalized 106998  
kilowatt-hour sales of the electric distribution utility during 106999  
the preceding three calendar years to customers in this state. 107000  
An energy efficiency program may include a combined heat and 107001  
power system placed into service or retrofitted on or after the 107002  
effective date of the amendment of this section by S.B. 315 of 107003  
the 129th general assembly, September 10, 2012, or a waste 107004  
energy recovery system placed into service or retrofitted on or 107005  
after September 10, 2012, except that a waste energy recovery 107006

system described in division (A) (38) (b) of section 4928.01 of 107007  
the Revised Code may be included only if it was placed into 107008  
service between January 1, 2002, and December 31, 2004. For a 107009  
waste energy recovery or combined heat and power system, the 107010  
savings shall be as estimated by the public utilities 107011  
commission. The savings requirement, using such a three-year 107012  
average, shall increase to an additional five-tenths of one per 107013  
cent in 2010, seven-tenths of one per cent in 2011, eight-tenths 107014  
of one per cent in 2012, nine-tenths of one per cent in 2013, 107015  
and one per cent in 2014. In 2015 and 2016, an electric 107016  
distribution utility shall achieve energy savings equal to the 107017  
result of subtracting the cumulative energy savings achieved 107018  
since 2009 from the product of multiplying the baseline for 107019  
energy savings, described in division (A) (2) (a) of this section, 107020  
by four and two-tenths of one per cent. If the result is zero or 107021  
less for the year for which the calculation is being made, the 107022  
utility shall not be required to achieve additional energy 107023  
savings for that year, but may achieve additional energy savings 107024  
for that year. The annual savings requirements shall be, for 107025  
years 2017, 2018, 2019, and 2020, an additional one per cent of 107026  
the baseline. For purposes of a waste energy recovery or 107027  
combined heat and power system, an electric distribution utility 107028  
shall not apply more than the total annual percentage of the 107029  
electric distribution utility's industrial-customer load, 107030  
relative to the electric distribution utility's total load, to 107031  
the annual energy savings requirement. 107032

(b) Beginning in 2009, an electric distribution utility 107033  
shall implement peak demand reduction programs designed to 107034  
achieve a one per cent reduction in peak demand in 2009 and an 107035  
additional seventy-five hundredths of one per cent reduction 107036  
each year through 2014. In 2015 and 2016, an electric 107037

distribution utility shall achieve a reduction in peak demand 107038  
equal to the result of subtracting the cumulative peak demand 107039  
reductions achieved since 2009 from the product of multiplying 107040  
the baseline for peak demand reduction, described in division 107041  
(A)(2)(a) of this section, by four and seventy-five hundredths 107042  
of one per cent. If the result is zero or less for the year for 107043  
which the calculation is being made, the utility shall not be 107044  
required to achieve an additional reduction in peak demand for 107045  
that year, but may achieve an additional reduction in peak 107046  
demand for that year. In 2017 and each year thereafter through 107047  
2020, the utility shall achieve an additional seventy-five 107048  
hundredths of one per cent reduction in peak demand. 107049

(2) For the purposes of divisions (A)(1)(a) and (b) of 107050  
this section: 107051

(a) The baseline for energy savings under division (A)(1) 107052  
(a) of this section shall be the average of the total kilowatt 107053  
hours the electric distribution utility sold in the preceding 107054  
three calendar years. The baseline for a peak demand reduction 107055  
under division (A)(1)(b) of this section shall be the average 107056  
peak demand on the utility in the preceding three calendar 107057  
years, except that the commission may reduce either baseline to 107058  
adjust for new economic growth in the utility's certified 107059  
territory. Neither baseline shall include the load and usage of 107060  
any of the following customers: 107061

(i) Beginning January 1, 2017, a customer for which a 107062  
reasonable arrangement has been approved under section 4905.31 107063  
of the Revised Code; 107064

(ii) A customer that has opted out of the utility's 107065  
portfolio plan under section 4928.6611 of the Revised Code; 107066

(iii) A customer that has opted out of the utility's portfolio plan under Section 8 of S.B. 310 of the 130th general assembly. 107067  
107068  
107069

(b) The commission may amend the benchmarks set forth in division (A)(1)(a) or (b) of this section if, after application by the electric distribution utility, the commission determines that the amendment is necessary because the utility cannot reasonably achieve the benchmarks due to regulatory, economic, or technological reasons beyond its reasonable control. 107070  
107071  
107072  
107073  
107074  
107075

(c) Compliance with divisions (A)(1)(a) and (b) of this section shall be measured by including the effects of all demand-response programs for mercantile customers of the subject electric distribution utility, all waste energy recovery systems and all combined heat and power systems, and all such mercantile customer-sited energy efficiency, including waste energy recovery and combined heat and power, and peak demand reduction programs, adjusted upward by the appropriate loss factors. Any mechanism designed to recover the cost of energy efficiency, including waste energy recovery and combined heat and power, and peak demand reduction programs under divisions (A)(1)(a) and (b) of this section may exempt mercantile customers that commit their demand-response or other customer-sited capabilities, whether existing or new, for integration into the electric distribution utility's demand-response, energy efficiency, including waste energy recovery and combined heat and power, or peak demand reduction programs, if the commission determines that that exemption reasonably encourages such customers to commit those capabilities to those programs. If a mercantile customer makes such existing or new demand-response, energy efficiency, including waste energy recovery and combined heat and power, or peak demand reduction capability available to an 107076

electric distribution utility pursuant to division (A) (2) (c) of 107098  
this section, the electric utility's baseline under division (A) 107099  
(2) (a) of this section shall be adjusted to exclude the effects 107100  
of all such demand-response, energy efficiency, including waste 107101  
energy recovery and combined heat and power, or peak demand 107102  
reduction programs that may have existed during the period used 107103  
to establish the baseline. The baseline also shall be normalized 107104  
for changes in numbers of customers, sales, weather, peak 107105  
demand, and other appropriate factors so that the compliance 107106  
measurement is not unduly influenced by factors outside the 107107  
control of the electric distribution utility. 107108

(d) (i) Programs implemented by a utility may include the 107109  
following: 107110

(I) Demand-response programs; 107111

(II) Smart grid investment programs, provided that such 107112  
programs are demonstrated to be cost-beneficial; 107113

(III) Customer-sited programs, including waste energy 107114  
recovery and combined heat and power systems; 107115

(IV) Transmission and distribution infrastructure 107116  
improvements that reduce line losses; 107117

(V) Energy efficiency savings and peak demand reduction 107118  
that are achieved, in whole or in part, as a result of funding 107119  
provided from the ~~universal service~~ electric partnership plan 107120  
fund established by section 4928.51 of the Revised Code to 107121  
benefit low-income customers through programs that include, but 107122  
are not limited to, energy audits, the installation of energy 107123  
efficiency insulation, appliances, and windows, and other 107124  
weatherization measures. 107125

(ii) No energy efficiency or peak demand reduction 107126

achieved under divisions (A) (2) (d) (i) (IV) and (V) of this 107127  
section shall qualify for shared savings. 107128

(iii) Division (A) (2) (c) of this section shall be applied 107129  
to include facilitating efforts by a mercantile customer or 107130  
group of those customers to offer customer-sited demand- 107131  
response, energy efficiency, including waste energy recovery and 107132  
combined heat and power, or peak demand reduction capabilities 107133  
to the electric distribution utility as part of a reasonable 107134  
arrangement submitted to the commission pursuant to section 107135  
4905.31 of the Revised Code. 107136

(e) No programs or improvements described in division (A) 107137  
(2) (d) of this section shall conflict with any statewide 107138  
building code adopted by the board of building standards. 107139

(B) In accordance with rules it shall adopt, the public 107140  
utilities commission shall produce and docket at the commission 107141  
an annual report containing the results of its verification of 107142  
the annual levels of energy efficiency and of peak demand 107143  
reductions achieved by each electric distribution utility 107144  
pursuant to division (A) of this section. A copy of the report 107145  
shall be provided to the consumers' counsel. 107146

(C) If the commission determines, after notice and 107147  
opportunity for hearing and based upon its report under division 107148  
(B) of this section, that an electric distribution utility has 107149  
failed to comply with an energy efficiency or peak demand 107150  
reduction requirement of division (A) of this section, the 107151  
commission shall assess a forfeiture on the utility as provided 107152  
under sections 4905.55 to 4905.60 and 4905.64 of the Revised 107153  
Code, either in the amount, per day per undercompliance or 107154  
noncompliance, relative to the period of the report, equal to 107155  
that prescribed for noncompliances under section 4905.54 of the 107156

Revised Code, or in an amount equal to the then existing market 107157  
value of one renewable energy credit per megawatt hour of 107158  
undercompliance or noncompliance. Revenue from any forfeiture 107159  
assessed under this division shall be deposited to the credit of 107160  
the advanced energy fund created under section 4928.61 of the 107161  
Revised Code. 107162

(D) The commission may establish rules regarding the 107163  
content of an application by an electric distribution utility 107164  
for commission approval of a revenue decoupling mechanism under 107165  
this division. Such an application shall not be considered an 107166  
application to increase rates and may be included as part of a 107167  
proposal to establish, continue, or expand energy efficiency or 107168  
conservation programs. The commission by order may approve an 107169  
application under this division if it determines both that the 107170  
revenue decoupling mechanism provides for the recovery of 107171  
revenue that otherwise may be forgone by the utility as a result 107172  
of or in connection with the implementation by the electric 107173  
distribution utility of any energy efficiency or energy 107174  
conservation programs and reasonably aligns the interests of the 107175  
utility and of its customers in favor of those programs. 107176

(E) The commission additionally shall adopt rules that 107177  
require an electric distribution utility to provide a customer 107178  
upon request with two years' consumption data in an accessible 107179  
form. 107180

(F) (1) As used in divisions (F) (2), (3), and (4) of this 107181  
section, "portfolio plan" has the same meaning as in division 107182  
(C) (1) of section 4928.6610 of the Revised Code. 107183

(2) If an electric distribution utility has a portfolio 107184  
plan in effect as of October 22, 2019, and that plan expires 107185  
before December 31, 2020, the commission shall extend the plan 107186

through that date. All portfolio plans shall terminate on that date. 107187  
107188

(3) If a portfolio plan is extended beyond its commission approved term by division (F) (2) of this section, the existing plan's budget shall be increased for the extended term to include an amount equal to the annual average of the approved budget for all years of the portfolio plan in effect as of October 22, 2019. 107189  
107190  
107191  
107192  
107193  
107194

(4) All other terms and conditions of a portfolio plan extended beyond its commission-approved term by division (F) (2) of this section shall remain the same unless changes are authorized by the commission. 107195  
107196  
107197  
107198

(G) (1) Not later than February 1, 2021, the commission shall determine the cumulative energy savings collectively achieved, since 2009, by all electric distribution utilities in this state as of December 31, 2020. In determining that cumulative total, the commission shall do both of the following: 107199  
107200  
107201  
107202  
107203

(a) Include energy savings that were estimated by the commission to be achieved as of December 31, 2020, and banked under division (G) of section 4928.662 of the Revised Code; 107204  
107205  
107206

(b) Use an energy savings baseline that is the average of the total kilowatt hours sold by all electric distribution utilities in this state in the calendar years 2018, 2019, and 2020. The baseline shall exclude the load and usage described in division (A) (2) (a) (i), (ii), and (iii) of this section. That baseline may also be reduced for new economic growth in the utility's certified territory as provided in division (A) (2) (a) of this section and adjusted and normalized as provided in division (A) (2) (c) of this section. 107207  
107208  
107209  
107210  
107211  
107212  
107213  
107214  
107215

(2) (a) If the cumulative energy savings collectively 107216  
achieved as determined by the commission under division (G) (1) 107217  
of this section is at least seventeen and one-half per cent of 107218  
the baseline described in division (G) (1) (b) of this section, 107219  
then full compliance with division (A) (1) (a) of this section 107220  
shall be deemed to have been achieved notwithstanding any 107221  
provision of this section to the contrary. 107222

(b) If the cumulative energy savings collectively achieved 107223  
as determined by the commission under division (G) (1) of this 107224  
section is less than seventeen and one-half per cent of the 107225  
baseline described in division (G) (1) (b) of this section, then 107226  
both of the following shall apply: 107227

(i) The commission shall determine the manner in which 107228  
further implementation of energy efficiency programs shall occur 107229  
as may be reasonably necessary for collective achievement of 107230  
cumulative energy savings equal to seventeen and one-half per 107231  
cent, and not more, of the baseline described in division (G) (1) 107232  
(b) of this section. 107233

(ii) Full compliance with division (A) (1) (a) of this 107234  
section shall be deemed to be achieved as of a date certain 107235  
established by the commission notwithstanding any provision of 107236  
this section to the contrary. 107237

(3) Upon the date that full compliance with division (A) 107238  
(1) (a) of this section is deemed achieved under division (G) (2) 107239  
(a) or (b) of this section, any electric distribution utility 107240  
cost recovery mechanisms authorized by the commission for 107241  
compliance with this section shall terminate except as may be 107242  
necessary to reconcile the difference between revenue collected 107243  
and the allowable cost of compliance associated with compliance 107244  
efforts occurring prior to December 31, 2021, for programs re- 107245

established under section 4928.661 of the Revised Code, and 107246  
prior to the date upon which full compliance with division (A) 107247  
(1)(a) of this section is deemed achieved, for all other 107248  
compliance efforts. No such cost recovery mechanism shall be 107249  
authorized by the commission beyond the period of time required 107250  
to complete this final reconciliation. 107251

supplant, federal, state, and local funds available on the 109971  
effective date of the child care block grant act for publicly 109972  
funded child care and related programs. If authorized by rules 109973

**Sec. 5104.34.** (A) (1) Each county department of job and 110140  
family services shall implement procedures for making 110141  
determinations of eligibility for publicly funded child care. 110142  
Under those procedures, the eligibility determination for each 110143  
applicant shall be made no later than thirty calendar days from 110144  
the date the county department receives a completed application 110145  
for publicly funded child care. Each applicant shall be notified 110146  
promptly of the results of the eligibility determination. An 110147  
applicant aggrieved by a decision or delay in making an 110148  
eligibility determination may appeal the decision or delay to 110149  
the department of children and youth in accordance with section 110150  
5101.35 of the Revised Code. The due process rights of 110151  
applicants shall be protected. 110152

To the extent permitted by federal law, the county 110153  
department may make all determinations of eligibility for 110154  
publicly funded child care, may contract with child care 110155  
providers or child care resource and referral service 110156  
organizations for the providers or resource and referral service 110157  
organizations to make all or any part of the determinations, and 110158

organization for eligibility determinations or for the 110165  
collection of information, the contract shall require the 110166  
provider or resource and referral service organization to make 110167  
each eligibility determination no later than thirty calendar 110168  
days from the date the provider or resource and referral 110169

organization receives a completed application that is the basis 110170  
of the determination and to collect and transmit all necessary 110171  
information to the county department within a period of time 110172  
that enables the county department to make each eligibility 110173  
determination no later than thirty days after the filing of the 110174  
application that is the basis of the determination. 110175

The county department may station employees of the 110176  
department in various locations throughout the county to collect 110177  
information relevant to applications for publicly funded child 110178  
care and to make eligibility determinations. The county 110179  
department, child care provider, and child care resource and 110180  
referral service organization shall make each determination of 110181  
eligibility for publicly funded child care no later than thirty 110182  
days after the filing of the application that is the basis of 110183

with any relevant rules adopted pursuant to section 5104.38 of 110185  
the Revised Code, and shall notify promptly each applicant for 110186  
publicly funded child care of the results of the determination 110187  
of the applicant's eligibility. 110188

The director of children and youth shall adopt rules in 110189  
accordance with Chapter 119. of the Revised Code for monitoring 110190  
the eligibility determination process. In accordance with those 110191  
rules, the state department shall monitor eligibility 110192  
determinations made by county departments of job and family 110193  
services and shall direct any entity that is not in compliance 110194  
with this division or any rule adopted under this division to 110195  
implement corrective action specified by the department. 110196

(2) (a) All eligibility determinations for publicly funded 110197  
child care shall be made in accordance with rules adopted 110198  
pursuant to division (A) of section 5104.38 of the Revised Code. 110199

Except as otherwise provided in this section, all of the 110200  
following apply: 110201

(i) Publicly funded child care may be provided only to 110202  
eligible infants, toddlers, preschool-age children, school-age 110203  
children under age thirteen, or children receiving special needs 110204  
child care. 110205

(ii) For an applicant to be eligible for publicly funded 110206  
child care, the caretaker parent must be employed or 110207  
participating in a program of education or training for an 110208  
amount of time reasonably related to the time that the parent's 110209  
children are receiving publicly funded child care. This 110210  
restriction does not apply to families whose children are 110211  
eligible for protective child care. 110212

(iii) The eligibility period for publicly funded child 110213  
care shall be at least twelve months. 110214

~~(b) In accordance with rules adopted under division (B) of 110215  
section 5104.38 of the Revised Code, an applicant may receive 110216  
publicly funded child care while the county department 110217  
determines eligibility. An applicant may receive publicly funded 110218  
child care while a county department determines eligibility only 110219  
once during a twelve-month period. If the county department 110220  
determines that an applicant is not eligible for publicly funded 110221  
child care, the child care provider shall be paid for providing 110222  
publicly funded child care for up to five days after that 110223  
determination if the county department received a completed 110224  
application with all required documentation. A program may 110225  
appeal a denial of payment under this division. 110226~~

~~(e) If a caretaker parent who has been determined eligible 110227  
to receive publicly funded child care no longer meets the 110228~~

requirements of division (A) (2) (a) (ii) of this section, the 110229  
caretaker parent may continue to receive publicly funded child 110230  
care for a period of at least three but not more than four 110231  
months not to extend beyond the caretaker parent's eligibility 110232  
period. 110233

~~(d)~~ (c) If a child turns thirteen, or if a child receiving 110234  
special needs child care turns eighteen, during the eligibility 110235  
period, the caretaker parent may continue to receive publicly 110236  
funded child care until the end of that eligibility period. 110237

Subject to available funds, the department of children and 110238  
youth shall allow a family to receive publicly funded child care 110239  
unless the family's income exceeds the maximum income 110240  
eligibility limit. Initial and continued eligibility for 110241  
publicly funded child care is subject to available funds unless 110242  
the family is receiving child care pursuant to division (A) (1), 110243  
(2), (3), or (4) of section 5104.30 of the Revised Code. If the 110244  
department must limit eligibility due to lack of available 110245  
funds, it shall give first priority for publicly funded child 110246  
care to an assistance group whose income is not more than the 110247  
maximum income eligibility limit that received transitional 110248  
child care in the previous month but is no longer eligible 110249  
because the eligibility period has expired. Such an assistance 110250  
group shall continue to receive priority for publicly funded 110251  
child care until its income exceeds the maximum income 110252  
eligibility limit. 110253

(3) An assistance group that ceases to participate in the 110254  
Ohio works first program established under Chapter 5107. of the 110255  
Revised Code is eligible for transitional child care at any time 110256  
during the immediately following twelve-month period that both 110257  
of the following apply: 110258

(a) The assistance group requires child care due to employment; 110259  
110260

(b) The assistance group's income is not more than one hundred fifty per cent of the federal poverty line. 110261  
110262

An assistance group ineligible to participate in the Ohio works first program pursuant to section 5101.83 or section 5107.16 of the Revised Code is not eligible for transitional child care. 110263  
110264  
110265  
110266

(B) To the extent permitted by federal law, the department of children and youth may require a caretaker parent determined to be eligible for publicly funded child care to pay a fee according to the schedule of fees established in rules adopted under section 5104.38 of the Revised Code. The department shall make protective child care services and homeless child care services available to children without regard to the income or assets of the caretaker parent of the child. 110267  
110268  
110269  
110270  
110271  
110272  
110273  
110274

(C) A caretaker parent receiving publicly funded child care shall report to the entity that determined eligibility any changes in status with respect to employment or participation in a program of education or training not later than ten calendar days after the change occurs. 110275  
110276  
110277  
110278  
110279

(D) If the department of children and youth determines that available resources are not sufficient to provide publicly funded child care to all eligible families who request it, the department may establish a waiting list. The department may establish separate waiting lists within the waiting list based on income. 110280  
110281  
110282  
110283  
110284  
110285

(E) A caretaker parent shall not receive publicly funded child care from more than one child care provider per child 110286  
110287

during a week, unless a county department grants the family an exemption for one of the following reasons:

(1) The child needs additional care during non-traditional hours;

(2) The child needs to change providers in the middle of the week and the hours of care provided by the providers do not overlap;

112579  
112580  
112581
- (h) Notwithstanding the pendency of the hearing, the department shall lift the order for the suspension of admissions if the department determines the violation that formed the basis for the order has been corrected. 112582  
112583  
112584

equipped to operate, or does not have on its staff one or more 112600  
qualified physicians, including at least one psychiatrist, who 112601  
is responsible for the care of the patients in the hospital. 112602

pursuant to section 5119.34 of the Revised Code, when conditions 113138

existing at the residential facility present a substantial risk 113139  
of physical or mental harm to residents and no other remedies at 113140

the residents. 113142

Petitions filed pursuant to this section shall include: 113143

the residential facility as a pattern or practice; and 113154

(5) The name and address of the person holding the license 113155

Following a hearing on the petition, and upon a 113170  
determination that the appointment of a receiver is warranted, 113171  
the court shall appoint a receiver and notify the department of 113172

making any single expenditure of more than five thousand dollars 113180  
to correct deficiencies in the structure or furnishings of a 113181  
facility. The court shall closely review the conduct of the 113182  
receiver and shall require regular and detailed reports. 113183

(C) A receivership established pursuant to this section 113184  
shall be terminated, following notification of the appropriate 113185

facility which present a substantial risk of physical or mental 113191

Notwithstanding division (C) (2) of this section, the court 113194  
shall not terminate a receivership for a residential facility 113195  
that has previously operated under another receivership unless 113196

approved by the court, judge, or clerk, execute a bond to such 113214  
person, and in such sum as the court or judge directs, to the 113215  
effect that such receiver will faithfully discharge the duties 113216  
of receiver in the action, and obey the orders of the court 113217  
therein. 113218

(1) Under the control of the appointing court, a receiver 113219

(b) Honor all leases, mortgages, and secured transactions governing all buildings, goods, and fixtures of which the receiver has taken possession, but, in the case of a rental agreement only to the extent of payments that are for the use of the property during the period of the receivership, or, in the case of a purchase agreement, only to the extent that payments come due during the period of the receivership;

(c) If transfer of residents is necessary, provide for the orderly transfer of residents by:

(ii) Providing for the transportation of residents' belongings and records;

(iv) Encouraging residents or guardians to participate in transfer planning except when an emergency exists and immediate transfer is necessary.

(d) Make periodic reports on the status of the residential facility to the court; the appropriate state agencies; and the board of alcohol, drug addiction, and mental health services. Each report shall be made available to residents, their guardians, and families.

(e) Compromise demands or claims; and 113255

(f) Generally do such acts respecting the residential facility as the court authorizes. 113256  
113257

Notwithstanding any other provision of law, contracts which are necessary to carry out the powers and duties of the receiver need not be competitively bid. 113258

performed in cooperation with a board of alcohol, drug 113441  
addiction, and mental health services that seeks to contract or 113442  
has a contract with the applicant under section 340.036 of the 113443

113490  
113491

113500  
113501  
113502  
113503

~~(I)~~ (H) The director may conduct an on-site review or otherwise evaluate a community mental health services provider or a community addiction services provider at any time based on cause, including complaints made by or on behalf of persons receiving mental health services or alcohol and drug addiction services and confirmed or alleged deficiencies brought to the attention of the director. This authority does not affect the director's duty to conduct the inspections required by section 5119.37 of the Revised Code. 113504  
113505  
113506  
113507

113511  
113512

In conducting an on-site review under this division, the director may do so in cooperation with a board of alcohol, drug addiction, and mental health services that seeks to contract or has a contract with the applicant under section 340.036 of the 113513

or were provided, and provide the board opportunity to respond 113525  
as specified in division (A) of this section with respect to 113526  
initial or renewal applications. 113527

When a final order is issued by the director under 113528

the appropriate board of alcohol, drug addiction, and mental 113530  
health services reallocate any funds for the certifiable 113531  
services and supports the applicant was to provide to a 113532  
community mental health services provider or community addiction 113533  
services provider whose certifiable services and supports 113534  
satisfy the standards. If the board does not reallocate such 113535  
funds in a reasonable period of time, the director may withhold 113536  
state and federal funds for the certifiable services and 113537  
supports and allocate those funds directly to a community mental 113538  
health services provider or community addiction services 113539  
provider whose certifiable services and supports satisfy the 113540  
standards. 113541

~~(K)~~(J) Each applicant seeking initial or renewed 113542

a community addiction services provider that provides overnight 113634

director may issue an order suspending admissions before 113640  
providing an opportunity for an adjudication under Chapter 119. 113641

not later than thirty days after the department receives the 113656  
request. 113657

(c) After commencing, the hearing shall continue 113658

uninterrupted, except for Saturdays, Sundays, and legal 113659

department. 113677

(g) Not later than fifteen days after the hearing examiner 113678

recommendations. 113681

(h) Notwithstanding the pendency of the hearing, the 113682  
department shall lift the order for the suspension of admissions 113683  
if the department determines the violation that formed the basis 113684  
for the order has been corrected. 113685

~~(N) (1)~~ (M) (1) In a proceeding initiated to suspend 113686

admissions to a community addiction services provider that 113687

renew certification, or to revoke certification, the department 113690  
may order the suspension, denial, refusal, or revocation 113691

prompted the proceedings have been corrected at the time of the 113693  
hearing. 113694

(2) When the department issues an order suspending 113695

Code to the contrary, a court shall not stay or suspend any 114148  
order of revocation issued by the department under this division 114149

prohibited by section 3719.61 of the Revised Code, or any other 114172  
state or federal laws or regulations relating to drug abuse, or 114173  
when the department believes it to be in the best interest of 114174  
the public and necessary for the protection of the citizens of 114175

(P) The department shall maintain a current list of 114179

community addiction services providers licensed by the 114180  
department under this section and shall provide a copy of the 114181  
current list to a judge of a court of common pleas who requests 114182  
a copy for the use of the judge under division (H) of section 114183

declaration under division (A) of this section. If, before 114220  
expiration of the declaration, the provider applies for issuance 114221  
of a license due to relocation, the department shall not 114222  
consider the requirement of division (C) (4) of section 5119.37 114223  
of the Revised Code in determining whether to reissue the 114224  
license due to relocation. 114225

(2) The director of ~~mental behavioral health and addiction~~ 114624  
~~services~~ shall not approve state reimbursement or a state grant 114625  
unless all of the following conditions are met: 114626

(a) The applicant includes with the application a plan 114627  
specifying the services, in addition to housing, that will be 114628  
provided to persons who will reside in the residential housing. 114629  
Services specified may include any of the services described in 114630  
section 340.09 of the Revised Code. 114631

(b) The director is satisfied that the residential housing 114632  
for persons with severe mental disabilities will be developed to 114633  
promote the maximum practical integration of persons with severe 114634  
mental disabilities with persons at the same site who do not 114635  
have severe mental disabilities. 114636

(c) The use of any funds distributed pursuant to the 114637  
reimbursement or grant will not subject any obligation from 114638  
which the funds are derived to federal income taxation. 114639

(3) The director may enter into an agreement establishing 114640  
terms for any reimbursement or grant approved under this 114641  
division with the organization, board, or other government 114642  
entity that is the recipient of the reimbursement or grant. Any 114643  
such agreement is subject to any covenant or agreement 114644

pertaining to any obligation issued to provide funds for the 114645  
reimbursement or grant. 114646

**Sec. 5119.421.** (A) This section applies to a board of 114647  
alcohol, drug addiction, and mental health services, another 114648  
governmental entity, or a private, nonprofit organization that 114649  
received a grant or reimbursement under section 5119.42 of the 114650  
Revised Code for a facility on which the department of ~~mental-~~ 114651  
behavioral health and addiction services holds a security 114652  
interest. 114653

(B) A board of alcohol, drug addiction, and mental health 114654  
services, another governmental entity, or a private, nonprofit 114655  
organization to which this section applies may apply to the 114656  
director of ~~mental-~~behavioral health and addiction services for 114657  
approval to sell its facility and acquire, construct, or 114658  
renovate a replacement facility pursuant to this section. The 114659  
director shall prescribe the form of the application. Before 114660  
submitting an application to the director, a governmental entity 114661  
or private, nonprofit organization must obtain approval of the 114662  
application from the board of alcohol, drug addiction, and 114663  
mental health services with jurisdiction over the service 114664  
district in which the existing facility is located. The director 114665  
shall approve an application for a replacement project upon 114666  
determining that the project provides for the continuation of 114667  
appropriate mental health and addiction services to the 114668  
population served by the board, entity, or organization. 114669

(C) A board, entity, or organization that obtains approval 114670  
for a project under division (B) of this section shall pay the 114671  
proceeds of the sale of its facility to the director of ~~mental-~~ 114672  
behavioral health and addiction services. The director shall 114673  
deposit the proceeds to the credit of the community capital 114674

replacement facilities fund. 114675

(D) When a board, entity, or organization that has sold 114676  
its facility notifies the director of ~~mental behavioral health~~ 114677  
~~and addiction services~~ that it is ready to acquire, construct, 114678  
or renovate a replacement facility, the director shall do one of 114679  
the following: 114680

(1) If the replacement facility is located in the same 114681  
alcohol, drug addiction, and mental health service district as 114682  
the original facility, and if the purposes for which the 114683  
replacement facility will be used are the same as or similar to 114684  
those for the original facility, the director shall pay to the 114685  
board, entity, or organization from the community capital 114686  
replacement facilities fund an amount equal to the lesser of an 114687  
amount equal to the proceeds of the sale of the original 114688  
facility or the amount of the state's agreed-upon participation 114689  
(as a per cent of the total cost) in the cost of the replacement 114690  
facility. If the amount of the state's agreed-upon participation 114691  
in the cost of the replacement facility is less than the value 114692  
of the state's security interest in the original facility, the 114693  
difference between the state's agreed-upon participation in the 114694  
cost of the replacement facility and the value of the state's 114695  
security interest in the original facility shall be retained in 114696  
the community capital replacement facilities fund, and any 114697  
excess proceeds shall be paid to the board, entity, or 114698  
organization. 114699

(2) If the replacement facility is located in a different 114700  
alcohol, drug addiction, and mental health service district than 114701  
the original facility, or if the purposes for which the 114702  
replacement facility will be used are not the same as or similar 114703  
to those for the original facility, the director shall request 114704

controlling board approval for release of funds for the project. 114705  
If the controlling board so approves, the director shall pay to 114706  
the board, entity, or organization from the community capital 114707  
replacement facilities fund the lesser of an amount equal to the 114708  
proceeds of the sale of the original facility or the amount of 114709  
the state's agreed-upon participation (as a per cent of the 114710  
total cost) in the cost of the replacement facility. If the 114711  
amount of the state's agreed-upon participation in the cost of 114712  
the replacement facility is less than the value of the state's 114713  
security interest in the original facility, the difference 114714  
between the state's agreed-upon participation in the cost of the 114715  
replacement facility and the value of the state's security 114716  
interest in the original facility shall be retained in the 114717  
community capital replacement facilities fund, and any excess 114718  
proceeds shall be paid to the board, entity, or organization. 114719

(E) The director of ~~mental-behavioral health and addiction~~ 114720  
~~services~~ and a board, entity, or organization shall enter into 114721  
an agreement specifying the terms of any payment made to the 114722  
board, entity, or organization under division (D) of this 114723  
section. The terms may include provision for the department of 114724  
~~mental-behavioral health and addiction services~~ to hold a 114725  
security interest in the facility. 114726

(F) (1) When approving an application under division (B) of 114727  
this section, the director of ~~mental-behavioral health and~~ 114728  
~~addiction services~~ shall establish a deadline by which the 114729  
board, entity, or organization must notify the director that it 114730  
is ready to acquire, construct, or renovate a replacement 114731  
facility. If the board, entity, or organization does not notify 114732  
the director on or before the deadline, the director may cancel 114733  
the project. Upon canceling the project, the director shall pay 114734  
to the board, entity, or organization from the community capital 114735

replacement facilities fund an amount equal to the portion of 114736  
the proceeds of the sale of the original facility that exceeds 114737  
the value of the state's security interest in the facility. 114738

(2) Notwithstanding the deadline established under 114739  
division (F)(1) of this section, if at any time a board, entity, 114740  
or organization notifies the director that it does not intend to 114741  
acquire, construct, or renovate a replacement facility under 114742  
this section, the director shall cancel the replacement project 114743  
and pay to the board, entity, or organization from the community 114744  
capital replacement facilities fund an amount equal to the 114745  
portion of the proceeds of the sale of the original facility 114746  
that exceeds the value of the state's security interest in the 114747  
facility. 114748

(G) If a replacement project is canceled after the sale of 114749  
the original facility, the director of ~~mental-behavioral~~ health 114750  
~~and addiction services~~ shall use funds equal to the value of the 114751  
state's security interest in the original facility for 114752  
additional grants or reimbursements under section 5119.42 of the 114753  
Revised Code. The director shall obtain the approval of the 114754  
controlling board before releasing the additional grants or 114755  
reimbursements. 114756

(H) The community capital replacement facilities fund is 114757  
hereby created in the state treasury. The director of ~~mental-~~ 114758  
~~behavioral~~ health ~~and addiction services~~ shall use the fund for 114759  
the purposes of this section. 114760

**Sec. 5119.43.** (A) The director of ~~mental-behavioral~~ health 114761  
~~and addiction services~~ may enter into agreements with any 114762  
person, political subdivision, or state agency for the sale or 114763  
lease of land or facilities under the jurisdiction of the 114764  
director of ~~mental-behavioral~~ health ~~and addiction services~~ in 114765

the following manner: 114766

(1) The director of ~~mental-behavioral health and addiction~~ 114767  
~~services~~ shall designate lands and facilities that are not 114768  
needed by the department of ~~mental-behavioral health and~~ 114769  
~~addiction services~~ and are under the jurisdiction of the 114770  
department. 114771

(2) The director of ~~mental-behavioral health and addiction~~ 114772  
~~services~~ shall have a preliminary appraisal made of any lands or 114773  
facilities designated under division (A) (1) of this section by a 114774  
disinterested professional appraiser from the department of 114775  
administrative services. The appraiser shall deliver to the 114776  
director of ~~mental-behavioral health and addiction services~~ a 114777  
signed certificate of the probable market value of the lands and 114778  
facilities as determined from the preliminary appraisal. 114779

(3) The director of ~~mental-behavioral health and addiction~~ 114780  
~~services~~ shall certify to the clerk of the house of 114781  
representatives and to the clerk of the senate a list of all 114782  
lands and facilities which may be sold or leased, and shall 114783  
include with the list the results of the preliminary appraisals 114784  
of the lands and facilities, a general description of the land 114785  
and facilities, and a description of the current use of the land 114786  
and facilities. 114787

(4) Every list of lands and facilities certified by the 114788  
director of ~~mental-behavioral health and addiction services~~ to 114789  
the clerk of the house of representatives and to the clerk of 114790  
the senate under division (A) (3) of this section, shall 114791  
immediately be transmitted by the respective clerks to the 114792  
committees in the house and the senate to which land conveyance 114793  
bills are usually referred. If either committee files in its 114794  
clerk's office, within sixty calendar days of the original 114795

certification of the lands and facilities by the director of 114796  
~~mental behavioral health and addiction services~~, a report 114797  
disapproving the sale or lease of any lands or facilities, the 114798  
sale or lease of the lands or facilities disapproved in the 114799  
report shall not be made under this section. With respect to a 114800  
sale or lease of lands and facilities that has not been 114801  
disapproved under this division, the director of ~~mental-~~ 114802  
behavioral health and addiction services shall certify those 114803  
lands and facilities to the director of administrative services. 114804

(5) After certification to the director of administrative 114805  
services under division (A) (4) of this section, the director of 114806  
~~mental behavioral health and addiction services~~ shall have a 114807  
formal appraisal made of the lands and facilities by a 114808  
disinterested professional appraiser from the department of 114809  
administrative services. The director of ~~mental behavioral~~ 114810  
health and addiction services may accept the formal appraisal or 114811  
may reject it and order a new formal appraisal by a 114812  
disinterested professional appraiser who shall not be from the 114813  
department of administrative services. The director of ~~mental-~~ 114814  
behavioral health and addiction services may then sell or lease 114815  
the lands or facilities in accordance with this division and 114816  
department of administrative services procedures as set forth in 114817  
Chapter 123. of the Revised Code. Any such deed or lease shall 114818  
be prepared and recorded pursuant to section 5301.13 of the 114819  
Revised Code. The department of administrative services shall be 114820  
the sole agent for the state and shall complete the sale or 114821  
lease of the lands or facilities, up to and including the 114822  
closing thereof, after the director of ~~mental behavioral~~ health 114823  
~~and addiction services~~ approves the sale price. The director of 114824  
~~mental behavioral~~ health and addiction services and the director 114825  
of administrative services may, if it is determined to be in the 114826

best interests of the state, agree to sell surplus land for an 114827  
amount less than the formal appraised value but shall not sell 114828  
any land for less than two-thirds of the formal appraised value. 114829

(B) Coincident with the certification made under division 114830  
(A) (3) of this section concerning lands which may be sold, the 114831  
director of ~~mental-behavioral health and addiction services~~ 114832  
shall give written notice of intention to sell the lands by 114833  
certified mail to the executive officer of each county, 114834  
township, municipal corporation, and school district within 114835  
which the lands are situated. In each notice, the director of 114836  
~~mental-behavioral health and addiction services~~ shall specify 114837  
the conditions under which the lands shall be sold, including 114838  
whether the lands will be sold as a single unit or sold in 114839  
specific parcels that the director designates, and shall solicit 114840  
from the subdivision offers to purchase the lands in accordance 114841  
with the conditions the director of ~~mental-behavioral health and~~ 114842  
~~addiction services~~ has specified and at a price equal to the 114843  
preliminary appraised value determined pursuant to division (A) 114844  
(2) of this section. If, within thirty days of having certified 114845  
the lands to the director of administrative services under 114846  
division (A) (4) of this section, the director of ~~mental-~~ 114847  
~~behavioral health and addiction services~~ receives from the 114848  
executive officer of a subdivision a written offer to purchase 114849  
the lands at or above the price specified in the original notice 114850  
from the director of ~~mental-behavioral health and addiction-~~ 114851  
~~services~~ to the officer, provided such offer otherwise complies 114852  
with the conditions of purchase specified in the original notice 114853  
from the director of ~~mental-behavioral health and addiction-~~ 114854  
~~services~~, the director of ~~mental-behavioral health and addiction~~ 114855  
~~services~~ shall forthwith enter into an agreement to sell the 114856  
lands to the subdivision. The agreement shall incorporate any 114857

and all terms that are acceptable to both parties and that are 114858  
consistent with the terms specified in the original notice from 114859  
the director of ~~mental-behavioral health and addiction services~~. 114860  
If no offer to purchase is received by the director of ~~mental-~~ 114861  
~~behavioral health and addiction services~~ within the thirty-day 114862  
period provided in this division, the original notice from the 114863  
director of ~~mental-behavioral health and addiction services~~- 114864  
shall be considered withdrawn and the director of ~~mental-~~ 114865  
~~behavioral health and addiction services~~ shall be under no 114866  
obligation to sell any of the lands specified in the notice to 114867  
the subdivision. If two or more offers to purchase the same 114868  
parcels of land are received by the director of ~~mental-~~ 114869  
~~behavioral health and addiction services~~ within the required 114870  
time period from the executive officers of two or more 114871  
subdivisions, the director of ~~mental-behavioral health and-~~ 114872  
~~addiction services~~ shall accept the offer or offers to purchase 114873  
that the director considers to be in the best interests of the 114874  
state and of the department of ~~mental-behavioral health and-~~ 114875  
~~addiction services~~ and shall proceed to enter into agreements of 114876  
sale pursuant to this division. If all of the original notices 114877  
from the director of ~~mental-behavioral health and addiction-~~ 114878  
~~services~~ relating to a given parcel of land become withdrawn, 114879  
the director of ~~mental-behavioral health and addiction services-~~ 114880  
may thereupon proceed to sell the parcel as otherwise provided 114881  
in this section. No subdivision may commence an action to 114882  
enforce the provisions of this division, or to seek any other 114883  
legal or equitable remedy relative to this division, with 114884  
respect to any lands certified to the director of administrative 114885  
services under division (A) (4) of this section, except within 114886  
sixty days of the date on which the lands were so certified. 114887

(C) Any agreement under this section shall be at such 114888

terms as will be in the best interests of the state and the 114889  
department of ~~mental behavioral health and addiction services~~. 114890  
However, the terms of any agreement for sale shall include a 114891  
provision that the purchaser will abide by any comprehensive 114892  
plan for the area that has been adopted by the local government 114893  
in which the property is located before the parties enter into 114894  
the agreement. No lease shall be of a duration greater than 114895  
fifteen years. No agreement, except an agreement entered into 114896  
under division (B) of this section, shall be entered into before 114897  
the proposal to sell or lease the land or facilities has been 114898  
advertised once each week for four weeks in a newspaper of 114899  
general circulation in every county in which the lands or 114900  
facilities are located and if the preliminary appraised value of 114901  
the land to be sold or leased is more than one hundred thousand 114902  
dollars, advertisement shall be made once each week for four 114903  
weeks in at least two newspapers in the state having a daily 114904  
circulation of one hundred thousand or more. If a city in this 114905  
state is served by more than one newspaper having a circulation 114906  
of one hundred thousand or more, advertisement may be made in 114907  
only one of the newspapers serving the city. 114908

(D) Each deed or lease prepared and recorded pursuant to 114909  
this section shall contain a recital stating that all provisions 114910  
of this section have been complied with. The recital shall be 114911  
considered binding and conclusive against all subdivisions of 114912  
the state provided no action has been commenced pursuant to 114913  
division (B) of this section. Any deed or lease containing such 114914  
a recital shall be conclusively presumed to have been executed 114915  
in compliance with this section insofar as title or other 114916  
interest of any bona fide purchasers, lessees, or transferees of 114917  
the property is concerned. 114918

(E) Nothing in this section shall be construed as 114919

establishing a precedent for the disposal of state lands and 114920  
facilities by other departments of the state. 114921

**Sec. 5119.431.** When it is necessary for a state 114922  
institution under the jurisdiction of the department of ~~mental-~~ 114923  
behavioral health and addiction services to acquire any real 114924  
estate, right of way, or easement in real estate in order to 114925  
accomplish the purposes for which it was organized or is being 114926  
conducted, and the department is unable to agree with the owner 114927  
of such property upon the price to be paid therefor, such 114928  
property may be appropriated in the manner provided for the 114929  
appropriation of property for other state purposes. 114930

Any instrument by which real property is acquired pursuant 114931  
to this section shall identify the agency of the state that has 114932  
the use and benefit of the real property as specified in section 114933  
5301.012 of the Revised Code. 114934

**Sec. 5119.44.** As used in this section, "free clinic" has 114935  
the same meaning as in section 2305.2341 of the Revised Code. 114936

(A) The department of ~~mental-behavioral health and-~~ 114937  
~~addiction services~~ may provide certain goods and services for 114938  
the department of ~~mental-behavioral health and addiction-~~ 114939  
~~services~~, the department of developmental disabilities, the 114940  
department of rehabilitation and correction, the department of 114941  
youth services, and other state, county, or municipal agencies 114942

these goods and services. The department of ~~mental-behavioral~~ 114946  
health and ~~addiction services~~ also may provide goods and 114947

behavioral health and addiction services for community addiction 114953  
services providers and community mental health services 114954  
providers, the director of developmental disabilities for 114955  
community developmental disabilities agencies, the director of 114956  
rehabilitation and correction for community rehabilitation and 114957  
correction agencies, or the director of youth services for 114958  
community youth services agencies. 114959

Designated community agencies or services providers shall 114960  
receive goods and services through the department of ~~mental-~~ 114961  
behavioral health and addiction services only in those cases 114962  
where the designating state agency certifies that providing such 114963  
goods and services to the agency or services provider will 114964  
conserve public resources to the benefit of the public and where 114965  
the provision of such goods and services is considered feasible 114966  
by the department of ~~mental-~~ behavioral health and addiction- 114967  
~~services~~. 114968

(B) The department of ~~mental-~~ behavioral health and- 114969

applicable to nonprofit institutions, in 15 U.S.C. 13c, as 114973  
amended. 114974

(C) The goods and services that may be provided by the 114975

respondent's counsel requests a transcript and record, or if the 116398  
respondent is not represented by counsel, the court shall make 116399  
and maintain a full transcript and record of the proceeding. If 116400  
the respondent is indigent and the transcript and record is 116401  
made, a copy shall be provided to the respondent upon request 116402  
and be treated as an expense under section 5122.43 of the 116403  
Revised Code. 116404

(15) To the extent not inconsistent with this chapter, the 116405  
Rules of Civil Procedure are applicable. 116406

with a mental illness subject to court order, it shall order the 116409  
respondent's discharge immediately. 116410

(3) The respondent's projected treatment plan. 116450

The court shall order the implementation of the least 116451  
restrictive alternative available and consistent with treatment 116452  
goals. If the court determines that the least restrictive 116453  
alternative available that is consistent with treatment goals is 116454  
inpatient hospitalization, the court's order shall so state. 116455

(F) During the ninety-day period the entity or person 116456  
shall examine and treat the respondent. If the respondent is 116457

board, it shall place the respondent in the least restrictive 116476  
setting available consistent with treatment goals and notify the 116477  
court and the respondent's counsel of the placement. 116478

least restrictive setting. 116480

the case. 116491

not guilty by reason of insanity and who is committed pursuant 116493  
to section 2945.39, 2945.40, 2945.401, or 2945.402 of the 116494  
Revised Code shall not voluntarily commit the person pursuant to 116495  
this section until after the final termination of the 116496  
commitment, as described in division (J) of section 2945.401 of 116497  
the Revised Code. 116498

(H) If, at the end of the first ninety-day period or any 116499  
subsequent period of continued commitment, there has been no 116500  
disposition of the case, either by discharge or voluntary 116501  
admission or treatment, the entity or person shall discharge the 116502  
patient immediately, unless at least ten days before the 116503  
expiration of the period the attorney the board designates or 116504  
the prosecutor files with the court an application for continued 116505  
commitment. The application of the attorney or the prosecutor 116506

The attorney the board designates or the prosecutor shall file 116511  
the written report at least three days prior to the full 116512  
hearing. A copy of the application and written report shall be 116513  
provided to the respondent's counsel immediately. 116514

The court shall hold a full hearing on applications for 116515  
continued commitment at the expiration of the first ninety-day 116516  
period and at least every two years after the expiration of the 116517  
first ninety-day period. 116518

Hearings following any application for continued 116519  
commitment are mandatory and may not be waived. 116520

For a respondent who is ordered to receive treatment in an 116521  
outpatient setting, if at any time after the first ninety-day 116522

period the entity or person to whom the respondent was ordered 116523  
determines that the respondent has demonstrated voluntary 116524  
consent for treatment, that entity or person shall immediately 116525  
notify the respondent, the respondent's counsel, the attorney 116526  
designated by the board, and the court. The entity or person 116527  
shall submit to the court a report of the findings and 116528  
recommendations. The court may dismiss the case upon review of 116529  
the facts. 116530

Upon request of a person who is involuntarily committed 116531  
under this section, or the person's counsel, that is made more 116532  
than one hundred eighty days after the person's last full 116533  
hearing, mandatory or requested, the court shall hold a full 116534  
hearing on the person's continued commitment. Upon the 116535  
application of a person involuntarily committed under this 116536  
section, supported by an affidavit of a psychiatrist or licensed 116537  
clinical psychologist, alleging that the person no longer is a 116538  
person with a mental illness subject to court order, the court 116539  
for good cause shown may hold a full hearing on the person's 116540  
continued commitment prior to the expiration of one hundred 116541  
eighty days after the person's last full hearing. Section 116542  
5122.12 of the Revised Code applies to all hearings on continued 116543  
commitment. 116544

If the court, after a hearing for continued commitment 116545  
finds by clear and convincing evidence that the respondent is a 116546  
person with a mental illness subject to court order, the court 116547  
may order continued commitment at places or to persons specified 116548  
in division (C) of this section. 116549

(I) Unless the admission is pursuant to section 5120.17 or 116550  
5139.08 of the Revised Code, the chief clinical officer of the 116551  
entity admitting a respondent pursuant to a judicial proceeding, 116552

within ten working days of the admission, shall make a report of 116553  
the admission to the board of alcohol, drug addiction, and 116554  
mental health services serving the respondent's county of 116555  
residence. 116556

(J) A referee appointed by the court may make all orders 116557  
that a judge may make under this section and sections 5122.11 116558  
and 5122.141 of the Revised Code, except an order of contempt of 116559  
court. The orders of a referee take effect immediately. Within 116560  
fourteen days of the making of an order by a referee, a party 116561  
may file written objections to the order with the court. The 116562  
filed objections shall be considered a motion, shall be 116563  
specific, and shall state their grounds with particularity. 116564  
Within ten days of the filing of the objections, a judge of the 116565  
court shall hold a hearing on the objections and may hear and 116566  
consider any testimony or other evidence relating to the 116567  
respondent's mental condition. At the conclusion of the hearing, 116568  
the judge may ratify, rescind, or modify the referee's order. 116569

(K) An order of the court under division (C), (H), or (J) 116570  
of this section is a final order. 116571

(L) Before a board, or a services provider the board 116572  
designates, may place an unconsenting respondent in an inpatient 116573  
setting from a less restrictive placement, the board or services 116574  
provider shall do all of the following: 116575

(1) Determine that the respondent is in immediate need of 116576  
treatment in an inpatient setting because the respondent 116577  
represents a substantial risk of physical harm to the respondent 116578  
or others if allowed to remain in a less restrictive setting; 116579

(2) On the day of placement in the inpatient setting or on 116580  
the next court day, file with the court a motion for transfer to 116581

an inpatient setting or communicate to the court by telephone 116582  
that the required motion has been mailed; 116583

(3) Ensure that every reasonable and appropriate effort is 116584  
made to take the respondent to the inpatient setting in the 116585  
least conspicuous manner possible; 116586

(4) Immediately notify the board's designated attorney and 116587  
the respondent's attorney. 116588

At the respondent's request, the court shall hold a 116589  
hearing on the motion and make a determination pursuant to 116590  
division (E) of this section within five days of the placement. 116591

(M) Before a board, or a services provider the board 116592  
designates, may move a respondent from one residential placement 116593  
to another, the board or services provider shall consult with 116594  
the respondent about the placement. If the respondent objects to 116595  
the placement, the proposed placement and the need for it shall 116596  
be reviewed by a qualified mental health professional who 116597  
otherwise is not involved in the treatment of the respondent. 116598

(N) The entity or person to whom the respondent was 116599  
ordered for treatment in an outpatient setting may submit a 116600  
report to the court indicating that the respondent has either 116601  
failed to comply with the treatment plan or begun to demonstrate 116602  
signs of decompensation that may be grounds for hospitalization. 116603  
On receipt of the report, the court shall promptly schedule a 116604  
hearing to review the case. The court shall conduct the hearing 116605  
in a manner consistent with this chapter and due process of law. 116606  
The board shall receive notice of the hearing and the board and 116607  
entity or person treating the respondent shall submit a report 116608  
to the court with a plan for appropriate alternative treatment, 116609  
if any, or recommend that the court discontinue the court- 116610

ordered treatment. The court shall consider available and 116611  
appropriate alternative placements but shall not impose criminal 116612  
sanctions that result in confinement in a jail or other local 116613  
correctional facility based on the respondent's failure to 116614  
comply with the treatment plan. The court may not order the 116615  
respondent to a more restrictive placement unless the criteria 116616  
specified in division (L) of this section are met and may not 116617  
order the respondent to an inpatient setting unless the court 116618  
determines by clear and convincing evidence presented by the 116619  
board that the respondent meets the criteria specified in 116620  
divisions (A) and (B) (1), (2), (3), or (4) of section 5122.01 of 116621  
the Revised Code. 116622

**Sec. 5122.20.** The director of ~~mental-behavioral~~ health and 116623  
~~addiction services~~ or the director's designee may transfer, or 116624  
authorize the transfer of, an involuntary patient, or a 116625  
consenting voluntary patient hospitalized pursuant to section 116626  
5122.02 or sections 5122.11 to 5122.15 of the Revised Code, from 116627  
one public hospital to another, or to a hospital, community 116628  
mental health services provider, or other facility offering 116629  
treatment or other services for mental illness, if the medical 116630  
director of the department of ~~mental-behavioral~~ health and 116631  
~~addiction services~~ determines that it would be consistent with 116632  
the medical needs of the patient to do so. If such a transfer is 116633  
made to a private facility, the transfer shall be conditioned 116634  
upon the consent of the facility. 116635

Before an involuntary patient may be transferred to a more 116636  
restrictive setting, the chief clinical officer shall file a 116637  
motion with the court requesting the court to amend its order of 116638  
placement issued under section 5122.15 of the Revised Code. At 116639  
the patient's request, the court shall hold a hearing on the 116640  
motion at which the patient has the same rights as at a full 116641

hearing under section 5122.15 of the Revised Code. The hearing 116642  
shall be held within ten days after the date on which the 116643  
respondent was transferred to the more restrictive setting or on 116644  
which the motion was filed, whichever is earlier. On the motion 116645  
of the respondent, the respondent's counsel, or the chief 116646  
clinical officer, or on its own motion, and for good cause 116647  
shown, the court may order a continuance of the hearing for up 116648  
to ten days. 116649

Whenever an involuntary patient is transferred, written 116650  
notice of the transfer shall be given to the patient's legal 116651  
guardian, parents, spouse, and counsel, or, if none is known, to 116652  
the patient's nearest known relative or friend. If the patient 116653  
is a minor, the department, before making such a transfer, shall 116654  
make a minute of the order for the transfer and the reason for 116655  
it upon its record and shall send a certified copy at least 116656  
seven days prior to the transfer to the person shown by its 116657  
record to have had the care or custody of the minor immediately 116658  
prior to the minor's commitment. Whenever a consenting voluntary 116659  
patient is transferred, the notification shall be given only at 116660  
the patient's request. The chief clinical officer shall advise a 116661  
voluntary patient who is being transferred that the patient may 116662  
decide if the notification shall be given. In all such 116663  
transfers, due consideration shall be given to the wishes of the 116664  
patient, and the relationship of the patient to the patient's 116665  
family, legal guardian, or friends, so as to maintain the 116666  
relationship and encourage visits beneficial to the patient. 116667

When a voluntary patient whose medical or psychological 116668  
needs are found by the chief clinical officer to warrant a 116669  
transfer refuses to be transferred to an alternate facility, the 116670  
chief clinical officer may file an affidavit for a hearing under 116671  
section 5122.11 of the Revised Code. 116672

for crime and immediately make a report of the discharge to the 116679

**Sec. 5123.191.** (A) The court of common pleas or a judge 117692  
thereof in the judge's county, or the probate court, may appoint 117693  
a receiver to take possession of and operate a residential 117694  
facility licensed by the department of developmental 117695  
disabilities, in causes pending in such courts respectively, 117696  
when conditions existing at the facility present a substantial 117697  
risk of physical or mental harm to residents and no other 117698  
remedies at law are adequate to protect the health, safety, and 117699  
welfare of the residents. Conditions at the facility that may 117700  
present such risk of harm include, but are not limited to, 117701  
instances when any of the following occur: 117702

(1) The residential facility is in violation of state or 117703  
federal law or regulations. 117704

(2) The facility has had its license revoked or procedures 117705  
for revocation have been initiated, or the facility is closing 117706  
or intends to cease operations. 117707

(3) Arrangements for relocating residents need to be made. 117708

(4) Insolvency of the operator, licensee, or landowner 117709  
threatens the operation of the facility. 117710

(5) The facility or operator has demonstrated a pattern 117711  
and practice of repeated violations of state or federal laws or 117712  
regulations. 117713

(B) A court in which a petition is filed pursuant to this 117714  
section shall notify the person holding the license for the 117715

facility and the department of developmental disabilities of the 117716  
filing. The court shall order the department to notify the 117717  
facility owner, facility operator, county board of developmental 117718  
disabilities, facility residents, and residents' parents and 117719  
guardians of the filing of the petition. 117720

The court shall provide a hearing on the petition within 117721  
five court days of the time it was filed, except that the court 117722  
may appoint a receiver prior to that time if it determines that 117723  
the circumstances necessitate such action. Following a hearing 117724  
on the petition, and upon a determination that the appointment 117725  
of a receiver is warranted, the court shall appoint a receiver 117726  
and notify the department of developmental disabilities and 117727  
appropriate persons of this action. 117728

(C) A residential facility for which a receiver has been 117729  
named is deemed to be in compliance with section 5123.19 and 117730  
Chapter 3721. of the Revised Code for the duration of the 117731  
receivership. 117732

(D) When the operating revenue of a residential facility 117733  
in receivership is insufficient to meet its operating expenses, 117734  
including the cost of bringing the facility into compliance with 117735  
state or federal laws or regulations, the court may order the 117736  
state to provide necessary funding, except as provided in 117737  
division (K) of this section. The state shall provide such 117738  
funding, subject to the approval of the controlling board. The 117739  
court may also order the appropriate authorities to expedite all 117740  
inspections necessary for the issuance of licenses or the 117741  
certification of a facility, and order a facility to be closed 117742  
if it determines that reasonable efforts cannot bring the 117743  
facility into substantial compliance with the law. 117744

(E) In establishing a receivership, the court shall set 117745

forth the powers and duties of the receiver. The court may 117746  
generally authorize the receiver to do all that is prudent and 117747  
necessary to safely and efficiently operate the residential 117748  
facility within the requirements of state and federal law, but 117749  
shall require the receiver to obtain court approval prior to 117750  
making any single expenditure of more than five thousand dollars 117751  
to correct deficiencies in the structure or furnishings of a 117752  
facility. The court shall closely review the conduct of the 117753  
receiver it has appointed and shall require regular and detailed 117754  
reports. The receivership shall be reviewed at least every sixty 117755  
days. 117756

(F) A receivership established pursuant to this section 117757  
shall be terminated, following notification of the appropriate 117758  
parties and a hearing, if the court determines either of the 117759  
following: 117760

(1) The residential facility has been closed and the 117761  
former residents have been relocated to an appropriate facility. 117762

(2) Circumstances no longer exist at the facility that 117763  
present a substantial risk of physical or mental harm to 117764  
residents, and there is no deficiency in the facility that is 117765  
likely to create a future risk of harm. 117766

Notwithstanding division (F) (2) of this section, the court 117767  
shall not terminate a receivership for a residential facility 117768  
that has previously operated under another receivership unless 117769  
the responsibility for the operation of the facility is 117770  
transferred to an operator approved by the court and the 117771  
department of developmental disabilities. 117772

(G) The department of developmental disabilities may, upon 117773  
its own initiative or at the request of an owner, operator, or 117774

resident of a residential facility, or at the request of a 117775  
resident's guardian or relative or a county board of 117776  
developmental disabilities, petition the court to appoint a 117777  
receiver to take possession of and operate a residential 117778  
facility. When the department has been requested to file a 117779  
petition by any of the parties listed above, it shall, within 117780  
forty-eight hours of such request, either file such a petition 117781  
or notify the requesting party of its decision not to file. If 117782  
the department refuses to file, the requesting party may file a 117783  
petition with the court requesting the appointment of a receiver 117784  
to take possession of and operate a residential facility. 117785

Petitions filed pursuant to this division shall include 117786  
the following: 117787

(1) A description of the specific conditions existing at 117788  
the facility which present a substantial risk of physical or 117789  
mental harm to residents; 117790

(2) A statement of the absence of other adequate remedies 117791  
at law; 117792

(3) The number of individuals residing at the facility; 117793

(4) A statement that the facts have been brought to the 117794  
attention of the owner or licensee and that conditions have not 117795  
been remedied within a reasonable period of time or that the 117796  
conditions, though remedied periodically, habitually exist at 117797  
the facility as a pattern or practice; 117798

(5) The name and address of the person holding the license 117799  
for the facility and the address of the department of 117800  
developmental disabilities. 117801

The court may award to an operator appropriate costs and 117802  
expenses, including reasonable attorney's fees, if it determines 117803

that a petitioner has initiated a proceeding in bad faith or 117804  
merely for the purpose of harassing or embarrassing the 117805  
operator. 117806

(H) Except for the department of developmental 117807  
disabilities or a county board of developmental disabilities, no 117808

establish standards for evaluating persons desiring to be 117815  
included on such a list. 117816

person, the receiver must be sworn to perform the duties of 117818  
receiver faithfully, and, with surety approved by the court, 117819  
judge, or clerk, execute a bond to such person, and in such sum 117820  
as the court or judge directs, to the effect that such receiver 117821  
will faithfully discharge the duties of receiver in the action, 117822  
and obey the orders of the court therein. 117823

and telephone number provided by the parent, guardian, or 118525  
custodian to provide notices or answer inquiries concerning the 118526  
following information: 118527

(a) When the department of youth services makes a 118528

parent, guardian, or custodian of the child of the name of the 118532  
facility to which the child has been permanently assigned. 118533

If a parent, guardian, or custodian of a child who is 118534  
committed to the department of youth services requests, orally 118535  
or in writing, the department to provide the parent, guardian, 118536  
or custodian with the name of the facility in which the child is 118537

or before the next business day after the day on which the 118539  
request is made, shall provide the name of that facility to the 118540  
parent, guardian, or custodian. 118541

(b) If a parent, guardian, or custodian of a child who is 118542  
committed to the department of youth services, orally or in 118543  
writing, asks the superintendent of the institution in which the 118544  
child is located whether the child is being disciplined by the 118545

personnel of the institution, what disciplinary measure the 118546  
personnel of the institution are using for the child, or why the 118547  
child is being disciplined, the superintendent or the 118548  
superintendent's designee, on or before the next business day 118549  
after the day on which the request is made, shall provide the 118550  
parent, guardian, or custodian with written or oral responses to 118551  
the questions. 118552

(c) If a parent, guardian, or custodian of a child who is 118553  
committed to the department of youth services, orally or in 118554  
writing, asks the superintendent of the institution in which the 118555  
child is held whether the child is receiving any medication from 118556  
personnel of the institution, what type of medication the child 118557  
is receiving, or what condition of the child the medication is 118558

designee, on or before the next business day after the day on 118560  
which the request is made, shall provide the parent, guardian, 118561  
or custodian with oral or written responses to the questions. 118562

of the child that a major incident has occurred with respect to 118567  
the child and of all the details of that incident that the 118568

(2) The failure of the department of youth services to 118570  
provide any notification required by or answer any requests made 118571

child's parent, guardian, or custodian during standard 118577  
visitation periods allowed by the department of youth services 118578  
unless the superintendent of the institution in which the child 118579  
is held determines that permitting that child to visit with the 118580  
child's parent, guardian, or custodian would create a safety 118581  
risk to that child, that child's parents, guardian, or 118582  
custodian, the personnel of the institution, or other children 118583  
held in that institution. 118584

2024 and 2025, the department shall determine each nursing 119945  
facility's per medicaid day payment rate for direct care costs 119946  
by multiplying the cost per case-mix unit determined under 119947  
division (C) of this section for the facility's peer group by 119948  
the case-mix score specified in division (A) (2) (a) or (b) of 119949  
this section, as selected by the nursing facility not later than 119950  
October 1, 2023. If the nursing facility does not make a 119951  
selection by October 1, 2023, the case-mix score specified in 119952  
division (A) (2) (a) of this section shall apply. The case-mix 119953  
score may be either of the following: 119954

2023, which shall apply to the facility's direct care rate from 119958  
January 1, 2024, to June 30, 2025. 119959

(B) For the purpose of determining nursing facilities' 119960

Wyandot. 119981

(C) (1) ~~The~~ Except as provided in division (C) (4) of this 119982  
section, the department shall determine a cost per case-mix unit 119983  
for each peer group established under division (B) of this 119984  
section. The cost per case-mix unit determined under this 119985  
division for a peer group shall be used for subsequent years 119986  
until the department conducts a rebasing. To determine a peer 119987  
group's cost per case-mix unit, the department shall do both of 119988  
the following: 119989

(a) Determine the cost per case-mix unit for each nursing 119990

dividing each facility's desk-reviewed, actual, allowable, per 119992  
diem direct care costs for the applicable calendar year by the 119993

facility's annual average case-mix score determined under	119994
section 5165.192 of the Revised Code for the applicable calendar	119995
year;	119996
(b) Subject to division (C)(2) of this section, identify	119997
which nursing facility in the peer group is at the seventieth	119998
percentile of the cost per case-mix units determined under	119999
division (C)(1)(a) of this section.	120000
(2) In making the identification under division (C)(1)(b)	120001
of this section, the department shall exclude both of the	120002

program under the same provider for less than twelve months in	120005
the applicable calendar year;	120006
(b) Nursing facilities whose cost per case-mix unit is	120007
more than one standard deviation from the mean cost per case-mix	120008
unit for all nursing facilities in the nursing facility's peer	120009
group for the applicable calendar year.	120010
(3) The department shall not redetermine a peer group's	120011
cost per case-mix unit under this division based on additional	120012
information that it receives after the peer group's per case-mix	120013
unit is determined. The department shall redetermine a peer	120014
group's cost per case-mix unit only if it made an error in	120015
determining the peer group's cost per case-mix unit based on	120016
information available to the department at the time of the	120017
original determination.	120018
<u>(4) The department shall multiply each cost per case-mix</u>	120019
<u>unit determined under division (C)(1) of this section by the</u>	120020

<u>2025, divided by the peer group average case-mix score</u>	120022

determined under section 5165.192 of the Revised Code for the 120023  
semiannual period beginning January 1, 2026. The product 120024  
determined under this division for each nursing facility's peer 120025  
group shall be the cost per case-mix unit used to determine the 120026  
nursing facility's per medicaid day payment rate for direct care 120027  
costs under division (A) (1) of this section for the period 120028  
beginning January 1, 2026, and ending on the day before the 120029  
department's next rebasing conducted after that date takes 120030  
effect. 120031

**Sec. 5165.192.** (A) (1) Except as provided in division (B) 120032  
of this section and in accordance with the process specified in 120033  
rules authorized by this section, the department of medicaid 120034  
shall do all of the following: 120035

(a) Every quarter, determine the following two case-mix 120036  
scores for each nursing facility: 120037

(i) A quarterly case-mix score that includes each resident 120038  
who is a medicaid recipient and is not a low case-mix resident; 120039

(ii) A quarterly case-mix score that includes each 120040  
resident regardless of payment source. 120041

(b) Every six months, determine a semiannual average case- 120042  
mix score for each nursing facility by using the quarterly case- 120043  
mix scores determined for the nursing facility pursuant to 120044  
division (A) (1) (a) (i) of this section; 120045

(c) After the end of each calendar year, determine an 120046  
annual average case-mix score for each nursing facility by using 120047  
the quarterly case-mix scores determined for the nursing 120048  
facility pursuant to division (A) (1) (a) (ii) of this section. 120049

(2) When determining case-mix scores under division (A) (1) 120050  
of this section, the department shall use all of the following: 120051

(a) Data from a resident assessment instrument specified	120052
in rules authorized by section 5165.191 of the Revised Code;	120053
(b) Except as provided in rules authorized by this	120054
section, the case-mix values established by the United States	120055
department of health and human services;	120056
(c) Except as modified in rules authorized by this	120057
section, the grouper methodology used on <del>June 30, 1999</del> <u>October 1,</u>	120058
<u>2019, for the patient driven payment model nursing index,</u> by the	120059
United States department of health and human services for	120060
prospective payment of skilled nursing facilities under the	120061
medicare program.	120062
(B) (1) Subject to division (B) (2) of this section, the	120063
department, for one or more months of a calendar quarter, may	120064
assign to a nursing facility a case-mix score that is five per	120065
cent less than the nursing facility's case-mix score for the	120066
immediately preceding calendar quarter if any of the following	120067
apply:	120068
(a) The provider does not timely submit complete and	120069
accurate resident assessment data necessary to determine the	120070
nursing facility's case-mix score for the calendar quarter;	120071
(b) The nursing facility was subject to an exception	120072
review under section 5165.193 of the Revised Code for the	120073
immediately preceding calendar quarter;	120074
(c) The nursing facility was assigned a case-mix score for	120075
the immediately preceding calendar quarter.	120076
(2) Before assigning a case-mix score to a nursing	120077
facility due to the submission of incorrect resident assessment	120078
data, the department shall permit the provider to correct the	120079
data. The department may assign the case-mix score if the	120080

provider fails to submit the corrected resident assessment data 120081  
not later than the earlier of the forty-fifth day after the end 120082  
of the calendar quarter to which the data pertains or the 120083  
deadline for submission of such corrections established by 120084  
regulations adopted by the United States department of health 120085  
and human services under Title XVIII and Title XIX. 120086

(3) If, for more than six months in a calendar year, a 120087  
provider is paid a rate determined for a nursing facility using 120088  
a case-mix score assigned to the nursing facility under division 120089  
(B) (1) of this section, the department may assign the nursing 120090  
facility a cost per case-mix unit that is five per cent less 120091  
than the nursing facility's actual or assigned cost per case-mix 120092  
unit for the immediately preceding calendar year. The department 120093  
may use the assigned cost per case-mix unit, instead of 120094  
determining the nursing facility's actual cost per case-mix unit 120095  
in accordance with section 5165.19 of the Revised Code, to 120096  
establish the nursing facility's rate for direct care costs for 120097  
the fiscal year immediately following the calendar year for 120098  
which the cost per case-mix unit is assigned. 120099

(4) The department shall take action under division (B) 120100  
(1), (2), or (3) of this section only in accordance with rules 120101  
authorized by this section. The department shall not take an 120102  
action that affects rates for prior payment periods except in 120103  
accordance with sections 5165.41 and 5165.42 of the Revised 120104  
Code. 120105

(C) The medicaid director shall adopt rules under section 120106  
5165.02 of the Revised Code as necessary to implement this 120107  
section. 120108

(1) The rules shall do all of the following: 120109

- (a) Specify the process for determining the semiannual and annual average case-mix scores for nursing facilities; 120110  
120111
- ~~(b) Adjust the case-mix values specified in division (A) (2) (b) of this section to reflect changes in relative wage differentials that are specific to this state;~~ 120112  
120113  
120114
- ~~(c) Express all of those case-mix values in numeric terms that are different from the terms specified by the United States department of health and human services but that do not alter the relationship of the case-mix values to one another;~~ 120115  
120116  
120117  
120118
- ~~(d)~~ Modify the grouper methodology specified in division (A) (2) (c) of this section as follows: 120119  
120120
- (i) ~~Establish a different hierarchy for assigning residents to case-mix categories under the methodology;~~ 120121  
120122
- ~~(ii) Allow the use of the index maximizer element of the methodology;~~ 120123  
120124
- ~~(iii)~~ Incorporate changes to the grouper methodology for the patient driven payment model nursing index used by the United States department of health and human services ~~makes~~ after June 30, 1999 on October 1, 2019, for prospective payment of skilled nursing facilities under the medicare program; 120125  
120126  
120127  
120128  
120129
- ~~(iv)~~ (ii) Make other changes the department determines are necessary. 120130  
120131
- ~~(e)~~ (c) Establish procedures under which resident assessment data shall be reviewed for accuracy and providers shall be notified of any data that requires correction; 120132  
120133  
120134
- ~~(f)~~ (d) Establish procedures for providers to correct resident assessment data and specify a reasonable period of time by which providers shall submit the corrections. The procedures 120135  
120136  
120137

may limit the content of corrections in the manner required by 120138  
regulations adopted by the United States department of health 120139  
and human services under Title XVIII and Title XIX. 120140

~~(g)~~(e) Specify when and how the department will assign 120141  
case-mix scores or costs per case-mix unit to a nursing facility 120142  
under division (B) of this section if information necessary to 120143  
calculate the nursing facility's case-mix score is not provided 120144  
or corrected in accordance with the procedures established by 120145  
the rules. 120146

(2) Notwithstanding any other provision of this chapter, 120147  
the rules may provide for the exclusion of case-mix scores 120148  
assigned to a nursing facility under division (B) of this 120149  
section from the determination of the nursing facility's 120150  
semiannual or annual average case-mix score and the cost per 120151  
case-mix unit for the nursing facility's peer group. 120152

**Sec. 5165.26.** (A) As used in this section: 120153

(1) "Base rate" means the portion of a nursing facility's 120154  
total per medicaid day payment rate determined under divisions 120155  
(A) and (B) of section 5165.15 of the Revised Code. 120156

(2) "CMS" means the United States centers for medicare and 120157  
medicaid services. 120158

(3) "Long-stay resident" means an individual who has 120159  
resided in a nursing facility for at least one hundred one days. 120160

(4) "Nursing facilities for which a quality score was 120161  
determined" includes nursing facilities that are determined to 120162  
have a quality score of zero. 120163

(5) "SFF list" means the list of nursing facilities that 120164  
the United States department of health and human services 120165

creates under the special focus facility program. 120166

(6) "Special focus facility program" means the program 120167  
conducted by the United States secretary of health and human 120168  
services pursuant to section 1919(f)(10) of the "Social Security 120169  
Act," 42 U.S.C. 1396r(f)(10). 120170

(B) Subject to divisions (D) and (E) and except as 120171  
provided in division (F) of this section, the department of 120172  
medicaid shall determine each nursing facility's per medicaid 120173  
day quality incentive payment rate as follows: 120174

(1) Determine the sum of the quality scores determined 120175  
under division (C) of this section for all nursing facilities. 120176

(2) Determine the average quality score by dividing the 120177  
sum determined under division (B)(1) of this section by the 120178  
number of nursing facilities for which a quality score was 120179  
determined. 120180

(3) Determine the sum of the total number of medicaid days 120181  
for all of the calendar year preceding the fiscal year for which 120182  
the rate is determined for all nursing facilities for which a 120183  
quality score was determined. 120184

(4) Multiply the average quality score determined under 120185  
division (B)(2) of this section by the sum determined under 120186  
division (B)(3) of this section. 120187

(5) Determine the value per quality point by determining 120188  
the quotient of the following: 120189

(a) The sum determined under division (E)(2) of this 120190  
section. 120191

(b) The product determined under division (B)(4) of this 120192  
section. 120193

(6) Multiply the value per quality point determined under division (B) (5) of this section by the nursing facility's quality score determined under division (C) of this section.

(C) (1) Except as provided in divisions (C) (2) and (3) of this section, a nursing facility's quality score for a state fiscal year shall be the sum of the following:

(a) The total number of points that CMS assigned to the nursing facility under CMS's nursing facility five-star quality rating system for the following quality metrics, or CMS's successor metrics as described below, based on the most recent four-quarter average data, or the average data for fewer quarters in the case of successor metrics, available in the database maintained by CMS and known as nursing home compare in the most recent month of the calendar year during which the fiscal year for which the rate is determined begins:

(i) The percentage of the nursing facility's long-stay residents at high risk for pressure ulcers who had pressure ulcers;

(ii) The percentage of the nursing facility's long-stay residents who had a urinary tract infection;

(iii) The percentage of the nursing facility's long-stay residents whose ability to move independently worsened;

(iv) The percentage of the nursing facility's long-stay residents who had a catheter inserted and left in their bladder.

If CMS ceases to publish any of the metrics specified in division (C) (1) (a) of this section, the department shall use the nursing facility quality metrics on the same topics that CMS subsequently publishes.

(b) Seven and five-tenths points for fiscal year 2024 and 120222  
three points for fiscal year 2025 and subsequent fiscal years if 120223  
the nursing facility's occupancy rate is greater than seventy- 120224  
five per cent. For purposes of this division, the department 120225  
shall utilize the facility's occupancy rate for licensed beds 120226  
reported on its cost report for the calendar year preceding the 120227  
fiscal year for which the rate is determined or, if the facility 120228  
is not required to be licensed, the facility's occupancy rate 120229  
for certified beds. If the facility surrenders licensed or 120230  
certified beds before the first day of July of the calendar year 120231  
in which the fiscal year begins, the department shall calculate 120232  
a nursing facility's occupancy rate by dividing the inpatient 120233  
days reported on the facility's cost report for the calendar 120234  
year preceding the fiscal year for which the rate is determined 120235  
by the product of the number of days in the calendar year and 120236  
the facility's number of licensed, or if applicable, certified 120237  
beds on the first day of July of the calendar year in which the 120238  
fiscal year begins. 120239

(c) Beginning with state fiscal year 2025, the total 120240  
number of points that CMS assigned to the nursing facility under 120241  
CMS's nursing facility five-star quality rating system for the 120242  
following quality metrics, or successor metrics designated by 120243  
CMS, based on the most recent four-quarter average data 120244  
available in the database maintained by CMS and known as nursing 120245  
home compare in the most recent month of the calendar year 120246  
during which the fiscal year for which the rate is determined 120247  
begins: 120248

(i) The percentage of the nursing facility's long-stay 120249  
residents whose need for help with daily activities has 120250  
increased; 120251

(ii) The percentage of the nursing facility's long-stay residents experiencing one or more falls with major injury;	120252 120253
(iii) The percentage of the nursing facility's long-stay residents who were administered an antipsychotic medication;	120254 120255
(iv) Adjusted total nurse staffing hours per resident per day using quintiles instead of deciles by using the points assigned to the higher of the two deciles that constitute the quintile.	120256 120257 120258 120259
If CMS ceases to publish any of the metrics specified in division (C)(1)(c) of this section, the department shall use the nursing facility quality metrics on the same topics CMS subsequently publishes.	120260 120261 120262 120263
(2) In determining a nursing facility's quality score for a state fiscal year, the department shall make the following adjustment to the number of points that CMS assigned to the nursing facility for each of the quality metrics specified in divisions (C)(1)(a) and (c) of this section:	120264 120265 120266 120267 120268
(a) Unless division (C)(2)(b) or (c) of this section applies, divide the number of the nursing facility's points for the quality metric by twenty.	120269 120270 120271
(b) If CMS assigned the nursing facility to the lowest percentile for the quality metric, reduce the number of the nursing facility's points for the quality metric to zero.	120272 120273 120274
(c) If the nursing facility's total number of points calculated for or during a state fiscal year for all of the quality metrics specified in divisions (C)(1)(a), and if applicable, division (C)(1)(c) of this section is less than a number of points that is equal to the twenty-fifth percentile of all nursing facilities, calculated using the points for the July	120275 120276 120277 120278 120279 120280

1 rate setting of that fiscal year reduce the nursing facility's 120281  
points to zero until the next point calculation. If a facility's 120282  
recalculated points under division (C) (3) of this section are 120283  
below the number of points determined to be the twenty-fifth 120284  
percentile for that fiscal year, the facility shall receive zero 120285  
points for the remainder of that fiscal year. 120286

(3) A nursing facility's quality score shall be 120287  
recalculated for the second half of the state fiscal year based 120288  
on the most recent four quarter average data, or the average 120289  
data for fewer quarters in the case of successor metrics, 120290  
available in the database maintained by CMS and known as the 120291  
care compare, in the most recent month of the calendar year 120292  
during which the fiscal year for which the rate is determined 120293  
begins. The metrics specified by division (C) (1) (b) of this 120294  
section shall not be recalculated. In redetermining the quality 120295  
payment for each facility based on the recalculated points, the 120296  
department shall use the same per point value determined for the 120297  
quality payment at the start of the fiscal year. 120298

(D) A nursing facility shall not receive a quality 120299  
incentive payment if the Department of Health assigned the 120300  
nursing facility to the SFF list under the special focus 120301  
facility program and the nursing facility is listed in table A, 120302  
on the first day of May of the calendar year for which the rate 120303  
is being determined. 120304

(E) The total amount to be spent on quality incentive 120305  
payments under division (B) of this section for a fiscal year 120306  
shall be determined as follows: 120307

(1) Determine the following amount for each nursing 120308  
facility: 120309

(a) The amount that is five and two-tenths per cent of the nursing facility's base rate for nursing facility services provided on the first day of the state fiscal year plus one dollar and seventy-nine cents plus sixty per cent of the per diem amount by which the nursing facility's rate for direct care costs determined for the fiscal year under section 5165.19 of the Revised Code changed as a result of the rebasing conducted under section 5165.36 of the Revised Code.

(b) Multiply the amount determined under division (E) (1) (a) of this section by the number of the nursing facility's medicaid days for the calendar year preceding the fiscal year for which the rate is determined.

(2) Determine the sum of the products determined under division (E) (1) (b) of this section for all nursing facilities for which the product was determined for the state fiscal year.

(3) To the sum determined under division (E) (2) of this section, add one hundred twenty-five million dollars.

(F) (1) Beginning July 1, 2023, a new nursing facility shall receive a quality incentive payment for the fiscal year in which the new facility obtains an initial provider agreement and the immediately following fiscal year equal to the median quality incentive payment determined for nursing facilities for the fiscal year. For the state fiscal year after the immediately following fiscal year and subsequent fiscal years, the quality incentive payment shall be determined under division (C) of this section.

(2) A nursing facility that undergoes a change of operator with an effective date of July 1, ~~2023~~2025, or later shall not receive a quality incentive payment until the earlier of the

first day of January or the first day of July that is at least 120339  
six months after the effective date of the change of operator. 120340  
Thereafter any quality incentive payment shall be determined 120341  
under division (C) of this section. 120342

~~(3) A nursing facility that undergoes a change of owner 120343  
with an effective date of July 1, 2023, or later shall not 120344  
receive a quality incentive payment until the earlier of the 120345  
first day of January or the first day of July that is at least 120346  
six months after the effective date of the change of owner if, 120347  
within one year after the change of owner, there is an increase 120348  
in the lease payments or other financial obligations of the 120349  
operator to the owner above the payments or obligations 120350  
specified by the agreement between the previous owner and the 120351  
operator. Thereafter, any quality incentive payments for the 120352  
facility shall be determined under division (C) of this section. 120353~~

**Sec. 5166.03.** The medicaid director may not submit a 120354  
request to the United States secretary of health and human 120355

the request to the United States secretary. The notice shall 120361  
include a detailed explanation of the medicaid waiver the 120362

**Sec. 5521.01.** The director of transportation, upon the  
request by and the approval of the legislative authority of a  
village, shall maintain, repair, and apply standard longitudinal  
pavement marking lines as the director considers appropriate, or  
may establish, construct, reconstruct, improve, or widen any  
section of a state highway within the limits of a village. The  
director also may erect regulatory and warning signs, as defined  
in the manual adopted under section 4511.09 of the Revised Code,  
on any section of a state highway within the limits of a  
village. The director may establish, construct, reconstruct,  
improve, widen, maintain, or repair any section of state highway  
within the limits of a city, including the elimination of  
railway grade crossings, and pay the entire or any part of the  
cost and expense thereof from state funds, but in all cases the  
director first shall obtain the consent of the legislative  
authority of the municipal corporation, except that the director  
need not obtain the consent of the municipal corporation if the  
existing highway being changed or the location of an additional  
highway being established was not within the corporate limits of  
the municipal corporation at the time the director determines  
the establishment or change should be made, or if the director  
is acting pursuant to section 5501.49 of the Revised Code.

Any written agreement for street maintenance and repairs,  
including maintenance and repairs of a state highway located  
within a municipal corporation, that was entered into by the  
Ohio department of highways is binding on any of its successors,  
including the Ohio department of transportation. The director  
shall not terminate or modify the terms of any such agreement

without the consent of the municipal corporation, unless the 123919  
agreement stipulates that the director may terminate the 123920  
agreement. 123921

Except as provided in section 5501.49 of the Revised Code, 123922  
when in the opinion of the director there is urgent need to 123923  
establish a state highway, which is to be designated a federal 123924  
aid highway, or a federal aid interstate highway within a 123925  
municipal corporation or, in the opinion of the director, any 123926  
federal aid highway or interstate federal aid highway is in 123927  
urgent need of repair, reconstruction, widening, improvement, or 123928  
relocation, so as to accommodate the traveling public, the 123929  
director shall submit a written request to the legislative 123930  
authority of the municipal corporation for its consent to the 123931  
desired establishment or improvement. The legislative authority, 123932  
within sixty days after the written request has been received 123933  
from the director, either shall grant its consent to the 123934  
establishment or improvement or refuse consent by filing in 123935  
writing with the director a statement of its reasons for 123936  
refusing consent and any alternate proposals it considers 123937  
reasonable. If the legislative authority fails to act or refuses 123938  
consent, the director, upon consideration of the reasons for 123939  
rejection, may make a resolution declaring the necessity of the 123940  
establishment or improvement, and then proceed in the same 123941  
manner as if consent had been given. A certified copy of the 123942  
resolution shall be served upon the municipal legislative 123943  
authority, which, within twenty days from the date of service, 123944  
may appeal to the court of common pleas of the county in which 123945  
the municipal corporation is situated, upon the reasonableness 123946  
and necessity of the action provided for in the resolution. In 123947  
the hearing upon appeal, the director shall introduce the record 123948  
of the director's proceedings, including the director's findings 123949

with respect to factors referred to in section 5521.011 of the Revised Code, and such other competent evidence as the director desires in support of the director's resolution, and the municipality likewise may introduce competent evidence opposing the resolution, and findings. The court may affirm or revoke the resolution. The decision of the common pleas court may be appealed to the court of appeals and the supreme court as in other cases. If the court affirms the resolution, the director may proceed with the establishment or improvement with or without the cooperation of the municipal corporation. Any such municipal corporation may cooperate with the director in the work and pay such portion of the cost as is agreed upon between the municipal corporation and the director. The legislative authority of any municipal corporation desiring to cooperate, by resolution, may propose such cooperation to the director, and a copy of the resolution, which shall set forth the proportion of the cost and expense to be contributed by the municipal corporation, shall be filed with the director. The director shall cause to be prepared the necessary surveys, plans, profiles, cross sections, estimates, and specifications and shall file copies of them with the legislative authority of the municipal corporation. After the legislative authority has approved the surveys, plans, profiles, cross sections, estimates, and specifications, and after the municipal corporation has provided the funds necessary to meet the portion of the cost of the work assumed by it, the municipal corporation shall enter into a contract with the state providing for payment by the municipal corporation of the agreed portion of the cost. The form of the contract shall be prescribed by the attorney general, and such contracts shall be submitted to the director and approved before the receipt of bids. Section 5705.41 of the Revised Code applies to such contract to be made by the

municipal corporation, and a duplicate of the certificate of the 123982  
chief fiscal officer of the municipal corporation shall be filed 123983  
in the office of the director. That part of the cost of the work 123984

providing funds for the payment of that part of the cost of the 123989  
work assumed by the municipal corporation, the municipal 123990  
corporation has the same authority to make special assessments, 123991  
levy taxes, and issue bonds or notes, in anticipation of the 123992  
collection of the same, as it has with respect to improvements 123993  
constructed under the sole supervision and control of the 123994  
municipal corporation. All such assessments shall be made, taxes 123995  
levied, and bonds or notes issued and sold under such conditions 123996  
and restrictions as may be provided with respect to assessments, 123997  
taxes, bonds, or notes made, levied, issued, or sold in 123998  
connection with improvements of the same class and character 123999  
constructed under the sole supervision and control of the 124000  
municipal corporation. The improvement shall be constructed 124001  
under the sole supervision of the director. The proportion of 124002  
the cost and expense payable by the municipal corporation shall 124003  
be paid by the proper officers thereof, upon the requisition of 124004  
the director, and at times during the progress of the work as 124005  
may be determined by the director or as may be otherwise 124006  
provided by law. 124007

**Sec. 5525.03.** (A) All prospective bidders other than 124008  
environmental remediators and specialty contractors for which 124009  
there are no classes of work provided for in the rules adopted 124010  
by the director of transportation shall apply for qualification 124011  
on forms prescribed and furnished by the director. The 124012

application shall be ~~accompanied by a certificate of compliance~~ 124013  
~~with affirmative action programs issued pursuant to section 9.47~~ 124014  
~~of the Revised Code and~~ dated no earlier than one hundred eighty 124015  
days before the date fixed for the award of the contract for a 124016  
particular project. 124017

(B) The director shall act upon an application for 124018  
qualification within thirty days after it is presented to the 124019  
director. Upon the receipt of any application for qualification, 124020  
the director shall examine the application to determine whether 124021  
the applicant is competent and responsible and possesses the 124022  
financial resources required by section 5525.04 of the Revised 124023  
Code. If the applicant is found to possess the qualifications 124024  
prescribed by sections 5525.02 to 5525.09 of the Revised Code 124025  
and by rules adopted by the director, ~~including a certificate of~~ 124026  
~~compliance with affirmative action programs,~~ a certificate of 124027  
qualification shall be issued to the applicant, which shall be 124028  
valid for the period of one year or such shorter period of time 124029  
as the director prescribes, unless revoked by the director for 124030  
cause as defined by rules adopted by the director under section 124031  
5525.05 of the Revised Code. 124032

(C) The certificate of qualification shall contain a 124033  
statement fixing the aggregate amount of work, for any or all 124034  
owners, that the applicant may have under construction and 124035  
uncompleted at any one time and may contain a statement limiting 124036  
such bidder to the submission of bids upon a certain class of 124037  
work. Subject to any restriction as to amount or class of work 124038  
therein contained, the certificate of qualification shall 124039  
authorize its holder to bid on all work on which bids are taken 124040  
by the department of transportation during the period of time 124041  
therein specified. 124042

(D) An applicant who has received a certificate of 124043  
qualification and desires to amend the certificate by the dollar 124044  
amount or by the classes of work may submit to the director such 124045  
documentation as the director considers appropriate. The 124046  
director shall review the documentation submitted by the 124047  
applicant and, within fifteen days, shall either amend the 124048  
certificate of qualification or deny the request. If the 124049  
director denies the request to amend the certificate, the 124050  
applicant may appeal that decision to the director's 124051  
prequalification review board in accordance with section 5525.07 124052  
of the Revised Code. Two or more persons, partnerships, or 124053  
corporations may bid jointly on any one project, but only on 124054  
condition that prior to the time bids are taken on the project 124055  
the bidders make a joint application for qualification and 124056  
obtain a joint certificate qualification. 124057

(E) The director may debar from participating in future 124058  
contracts with the department any bidding company as well as any 124059  
partner of a partnership, or the officers and directors of an 124060  
association or corporation if the certificate of qualification 124061  
of the company, partnership, association, or corporation is 124062  
revoked or not renewed by the director. When the director 124063  
reasonably believes that grounds for revocation and debarment 124064  
exist, the director shall send the bidding company and any 124065  
individual involved a notice of proposed revocation and 124066  
debarment indicating the grounds for such action as established 124067  
in rules adopted by the director under section 5525.05 of the 124068  
Revised Code and the procedure for requesting a hearing. The 124069  
notice and hearing shall be in accordance with Chapter 119. of 124070  
the Revised Code. If the bidding company or individual does not 124071  
respond with a request for a hearing in the manner specified in 124072  
Chapter 119. of the Revised Code, the director shall revoke the 124073

certificate and issue the debarment decision without a hearing 124074  
and shall notify the bidding company or individual of the 124075  
decision by certified mail, return receipt requested. 124076

(F) The debarment period may be of any length determined 124077  
by the director and the director may modify or rescind the 124078  
debarment at any time. During the period of debarment, the 124079  
director shall not issue a certificate of qualification for any 124080  
company, partnership, association, or corporation affiliated 124081  
with a debarred individual. After the debarment period expires, 124082  
the bidding company or individual, and any partnership, 124083  
association, or corporation affiliated with the individual may 124084  
make an application for qualification if such entity or 124085  
individual is not otherwise debarred. 124086

be known on and after July 1, 2013, as the "Ohio turnpike and 124324  
infrastructure commission." The commission is a body both 124325

state, and the exercise by it of the powers conferred by this 124327  
chapter in the construction, operation, and maintenance of the 124328  
Ohio turnpike system, and also in entering into agreements with 124329  
the department of transportation to pay the cost or a portion of 124330  
the costs of infrastructure projects, are and shall be held to 124331  
be essential governmental functions of the state. Chapter 2744. 124332  
of the Revised Code applies to the commission and the commission 124333  
is a political subdivision of the state for purposes of that 124334  
chapter. The commission is subject to all provisions of law 124335  
generally applicable to state agencies which do not conflict 124336  
with this chapter. 124337

(B) (1) The commission shall consist of ten members as 124338  
follows: 124339

(a) Six members appointed by the governor with the advice 124340  
and consent of the senate, no more than three of whom shall be 124341  
members of the same political party; 124342

(b) The director of transportation, or the director's

budget and management, or the director's designee. The directors  
or their designees, as applicable, shall serve as ex officio  
members, without compensation;

(c) One member of the senate, appointed by the president  
of the senate, ~~who shall represent either a district in which is  
located or through which passes a portion of a turnpike project  
that is part of the Ohio turnpike system or a district located  
in the vicinity of a turnpike project that is part of the Ohio  
turnpike system;~~

(d) One member of the house of representatives, appointed  
by the speaker of the house of representatives, ~~who shall  
represent either a district in which is located or through which  
passes a portion of a turnpike project that is part of the Ohio  
turnpike system or a district located in the vicinity of a  
turnpike project that is part of the Ohio turnpike system.~~

(2) The members appointed by the governor shall be  
residents of the state, shall have been qualified electors  
therein for a period of at least five years next preceding their  
appointment. In making the appointments, the governor may  
appoint persons who reside in different geographic areas of the  
state, taking into consideration the various turnpike and  
infrastructure projects in the state. Members appointed to the  
commission prior to July 1, 2013, shall serve terms of eight  
years commencing on the first day of July and ending on the  
thirtieth day of June. Thereafter, members appointed by the  
governor shall serve terms of five years commencing on the first  
day of July and ending on the thirtieth day of June. Those  
members appointed by the president of the senate or the speaker

of the house of representatives shall serve a term of the 124373  
remainder of the general assembly during which the senator or 124374  
representative is appointed. Each appointed member shall hold 124375  
office from the date of appointment until the end of the term 124376  
for which the member was appointed. If a commission member dies 124377  
or resigns, or if a senator or representative who is a member of 124378  
the commission ceases to be a senator or representative, or if 124379  
an ex officio member ceases to hold the applicable office, the 124380  
vacancy shall be filled in the same manner as provided in 124381  
division (B)(1) of this section. Any member who fills a vacancy 124382  
occurring prior to the end of the term for which the member's 124383  
predecessor was appointed shall, if appointed by the governor, 124384  
hold office for the remainder of such term or, if appointed by 124385  
the president of the senate or the speaker of the house of 124386  
representatives, shall hold office for the remainder of the term 124387  
or for a shorter period of time as determined by the president 124388  
or the speaker. Any member appointed by the governor shall 124389  
continue in office subsequent to the expiration date of the 124390  
member's term until the member's successor takes office, or 124391  
until a period of sixty days has elapsed, whichever occurs 124392  
first. A member of the commission is eligible for reappointment. 124393  
Each member of the commission appointed by the governor, before 124394  
entering upon the member's duties, shall take an oath as 124395  
provided by Section 7 of Article XV, Ohio Constitution. The 124396  
governor, the president of the senate, or the speaker of the 124397  
house of representatives, may at any time remove their 124398  
respective appointees to the commission for misfeasance, 124399  
nonfeasance, or malfeasance in office. 124400

(3) (a) A member of the commission who is appointed by the 124401  
president of the senate or the speaker of the house of 124402  
representatives shall not participate in any vote of the 124403

commission. Serving as an appointed member of the commission 124404  
under divisions (B) (1) (c), (1) (d), or (2) of this section does 124405  
not constitute grounds for resignation from the senate or the 124406  
house of representatives under section 101.26 of the Revised 124407  
Code. 124408

(b) The director of budget and management shall not 124409  
participate in any vote of the commission. 124410

(C) The voting members of the commission shall elect one 124411  
of the voting members as chairperson and another as vice- 124412  
chairperson, and shall appoint a secretary-treasurer who need 124413  
not be a member of the commission. Four of the voting members of 124414  
the commission constitute a quorum, and the affirmative vote of 124415  
four voting members is necessary for any action taken by the 124416  
commission. No vacancy in the membership of the commission 124417  
impairs the rights of a quorum to exercise all the rights and 124418  
perform all the duties of the commission. 124419

(D) Each member of the commission appointed by the 124420  
governor shall give a surety bond to the commission in the penal 124421  
sum of twenty-five thousand dollars and the secretary-treasurer 124422  
shall give such a bond in at least the penal sum of fifty 124423  
thousand dollars. The commission may require any of its officers 124424  
or employees to file surety bonds including a blanket bond as 124425  
provided in section 3.06 of the Revised Code. Each such bond 124426  
shall be in favor of the commission and shall be conditioned 124427  
upon the faithful performance of the duties of the office, 124428  
executed by a surety company authorized to transact business in 124429  
this state, approved by the governor, and filed in the office of 124430  
the secretary of state. The costs of the surety bonds shall be 124431  
paid or reimbursed by the commission from revenues. Each member 124432  
of the commission appointed by the governor shall receive an 124433

annual salary of five thousand dollars, payable in monthly 124434  
installments. Each member shall be reimbursed for the member's 124435  
actual expenses necessarily incurred in the performance of the 124436  
member's duties. All costs and expenses incurred by the 124437  
commission in carrying out this chapter shall be payable solely 124438  
from revenues and state taxes, and no liability or obligation 124439  
shall be incurred by the commission beyond the extent to which 124440  
revenues have been provided for pursuant to this chapter. 124441

**Sec. 5537.03.** In order to remove present and anticipated 124442  
impediments and potential hazards on the congested highways in 124443  
this state, to facilitate vehicular traffic throughout the 124444  
state, to finance infrastructure projects that improve and 124445  
enhance mobility in Ohio, and also to promote the agricultural, 124446  
recreational, tourism, and commercial, industrial, and economic 124447  
development of the state, and to provide for the general welfare 124448  
by the construction, improvement, and maintenance of modern 124449  
express highways embodying safety devices, including without 124450  
limitation center divisions, ample shoulder widths, long sight 124451  
distances, multiple lanes in each direction, and grade 124452  
separations at intersections with other public roads and 124453  
railroads, the Ohio turnpike and infrastructure commission may 124454  
do the following: 124455

(A) Subject to section 5537.26 of the Revised Code, 124456  
construct, maintain, repair, and operate a system of turnpike 124457  
projects ~~at locations that are reviewed by the turnpike~~ 124458  
~~legislative review committee and approved by the governor,~~ and 124459  
in accordance with alignment and design standards that are 124460  
approved by the director of transportation, and issue revenue 124461  
bonds of this state, payable solely from pledged revenues, to 124462  
pay the cost of those projects. The turnpikes and turnpike 124463  
projects authorized by this chapter are hereby or shall be made 124464

part of the Ohio turnpike system. 124465

(B) Provide the infrastructure funds to pay the cost or a 124466  
portion of the cost of infrastructure projects as recommended by 124467  
the director of transportation pursuant to a determination made 124468  
by the commission based on criteria set forth in rules adopted 124469  
by the commission under section 5537.18 of the Revised Code. A 124470  
determination by the commission to provide infrastructure funds 124471  
for an infrastructure project shall be conclusive and 124472  
incontestable. 124473

**Sec. 5537.27.** The Ohio turnpike and infrastructure 124474  
commission, the director of transportation or the director's 124475  
designee, and another person designated by the governor shall 124476  
establish a procedure whereby a political subdivision or other 124477  
government agency or agencies may submit a written application 124478  
to the commission, requesting the commission to construct and 124479  
operate a turnpike project within the boundaries of the 124480  
subdivision, agency, or agencies making the request. The 124481  
procedure shall include a requirement that the commission send a 124482  
written reply to the subdivision, agency, or agencies, 124483  
explaining the disposition of the request. The procedure 124484  
established pursuant to this section shall not become effective 124485  
unless it is approved by the commission and by the director or 124486  
the director's designee and the designee of the governor, ~~and~~ 124487  
~~shall require submission of the proposed turnpike project to the~~ 124488  
~~turnpike legislative review committee if the project must be~~ 124489  
~~approved by the governor.~~ 124490

**Sec. 5540.02.** (A) A transportation improvement district 124491  
may be created by the board of county commissioners of a county. 124492  
The board, by resolution, shall determine the structure of the 124493  
board of trustees of the transportation improvement district it 124494

creates by adopting the structure contained either in division 124495  
(C) (1) or (2) of this section. 124496

(B) A transportation improvement district is a body both 124497  
corporate and politic, and the exercise by it of the powers 124498  
conferred by this chapter in the financing, construction, 124499  
maintenance, repair, and operation of a project are and shall be 124500  
held to be essential governmental functions. 124501

(C) (1) If the board of county commissioners so elects, a 124502  
transportation improvement district shall be governed by a board 124503  
of trustees consisting of the following members: 124504

(a) Two members appointed by the board of county 124505  
commissioners; 124506

(b) Three members appointed by the legislative authority 124507  
of the most populous municipal corporation in the district; 124508

(c) Two members appointed by the legislative authority of 124509  
the second most populous municipal corporation in the district; 124510

(d) Two members appointed by the board of township 124511  
trustees of the township in the county that is most populous in 124512  
its unincorporated area; 124513

(e) The county engineer; 124514

(f) One member appointed by the legislative authority of 124515  
any township or municipal corporation that cannot otherwise 124516  
appoint a member to the board pursuant to this section, and that 124517  
is wholly or partially within the area of the transportation 124518  
improvement district as the district was originally designated 124519  
by the board of county commissioners; 124520

(g) If the area of a transportation improvement district 124521  
is expanded by the board of county commissioners, the 124522

legislative authority of any township or municipal corporation 124523  
that is wholly or partially within the area of expansion and 124524  
that cannot otherwise appoint a member to the board pursuant to 124525  
this section, with the consent of the board of trustees of the 124526  
district, may appoint one member to the board; 124527

(h) One member appointed by the regional planning 124528  
commission for the county, who shall be a nonvoting member of 124529  
the board; 124530

~~(i) One member appointed at the discretion of the speaker 124531  
of the house of representatives, who, if appointed, shall be a 124532  
nonvoting member of the board and who may be a member of the 124533  
house of representatives. 124534~~

One of each of the appointments made by the board of 124535  
county commissioners, the legislative authority of a municipal 124536  
corporation, and the board of township trustees under divisions 124537  
(C) (1) (a), (b), (c), and (d) of this section, shall be members 124538  
of the chamber of commerce for the respective political 124539  
subdivision. 124540

Whenever the addition of members to the board of trustees 124541  
of a transportation improvement district pursuant to division 124542  
(C) (1) (f) or (g) of this section results in an even number of 124543  
total voting members on the board, the board of trustees of the 124544  
district may appoint an additional person to its membership to 124545  
maintain an odd number of voting members. 124546

(2) As an alternative to the structure prescribed in 124547  
division (C) (1) of this section, a board of county 124548  
commissioners, by resolution, may elect that the transportation 124549  
improvement district it creates be governed by a board of 124550  
trustees consisting of ~~the following members:—~~ 124551

~~(a) Five five members appointed by the board of county commissioners;~~ 124552  
124553

~~(b) One member appointed at the discretion of the speaker of the house of representatives, who, if appointed, shall be a nonvoting member of the board and who may be a member of the house of representatives.~~ 124554  
124555  
124556  
124557

(D) Each appointed member of the board shall hold office 124558  
for a term of two years but subject to removal at the pleasure 124559  
of the authority that appointed the member. Members may be 124560  
reappointed. Except as otherwise provided in this division, any 124561  
vacancy on the board shall be filled in the same manner as the 124562  
original appointment. Any vacancy on a board appointed under 124563  
division (C) (1) of this section lasting longer than thirty days 124564  
due to the failure of the legislative authority of a municipal 124565  
corporation or a board of township trustees to make an 124566  
appointment shall be filled by the board of trustees of the 124567  
transportation improvement district. 124568

(E) The voting members of the board shall elect from the 124569  
entire board membership a chairperson, vice-chairperson, and 124570  
secretary-treasurer. A majority of the voting members of the 124571  
board constitutes a quorum, the affirmative vote of which is 124572  
necessary for any action of the district. No vacancy in the 124573  
membership of the board impairs the right of a quorum to 124574  
exercise all the rights and perform all duties of the district. 124575

(F) The board of county commissioners of any county, the 124576  
legislative authority of any municipal corporation, and the 124577  
board of township trustees of any township may make 124578  
appropriations from moneys available to them and not otherwise 124579  
appropriated to pay costs incurred by the district in the 124580  
exercise of its functions under this chapter, provided those 124581

moneys are available to use for that purpose. 124582

(G) An organizational meeting of the board of trustees of 124583  
a transportation improvement district created under this section 124584  
shall be held at the time and place designated by the board 124585  
member who has served the most years as a member of the board of 124586  
county commissioners that created the transportation improvement 124587  
district. 124588

**Sec. 5595.02.** (A) The boards of county commissioners of 124589  
two or more counties may undertake a regional transportation 124590  
improvement project for the purpose of completing transportation 124591  
improvements within the territory of the counties. The project 124592  
shall be administered by a governing board in accordance with a 124593  
cooperative agreement. 124594

~~(B)~~(B) (1) The cooperative agreement shall provide for the 124595  
creation of a governing board consisting of ~~one~~ the following 124596  
individuals: 124597

(a) One county commissioner from each county that is a 124598  
party to the agreement or a designee appointed by the board of 124599  
county commissioners of the county for the purpose of serving on 124600  
the governing board, ~~and the~~; 124601

(b) The county engineer of each such county or a designee 124602  
appointed by the county engineer for the purpose of serving on 124603  
the governing board. 124604

(2) The cooperative agreement may authorize the chief 124605  
executive officer of the JobsOhio network partner that covers 124606  
the majority of the area encompassed by the regional 124607  
transportation improvement project or a designee appointed by 124608  
the chief executive officer to serve as an additional member of 124609  
the governing board. ~~Membership~~ 124610

(3) Membership on the board is not a direct or indirect interest in a contract or expenditure of money by the county. The board is a public body for the purposes of section 121.22 of the Revised Code and a public office for the purposes of section 149.43 of the Revised Code. Chapter 2744. of the Revised Code applies to the board.

(C) The governing board of a regional transportation improvement project is a body both corporate and politic, and the exercise by it of the powers conferred by this chapter in the financing, construction, maintenance, repair, and operation of transportation improvements are essential governmental functions.

(D) A board of county commissioners, in accordance with the cooperative agreement, may make appropriations to pay costs incurred by the governing board in the exercise of its functions under this chapter so long as such costs are approved by the director of transportation under section 5595.12 of the Revised Code.

**Sec. 5701.11.** The effective date to which this section refers is the effective date of this section as amended by H.B. 14 of the 136th general assembly.

(A) (1) Except as provided under division (A) (2) or (B) of this section, any reference in Title LVII or section 149.311, 3123.90, 3770.07, 3770.071, 3770.072, 3770.073, ~~or~~ 3772.37, or 3775.16 of the Revised Code to the Internal Revenue Code, to the Internal Revenue Code "as amended," to other laws of the United States, or to other laws of the United States, "as amended," means the Internal Revenue Code or other laws of the United States as they exist on the effective date.

date certain specifying the day, month, and year, or to other 124642  
laws of the United States as of a date certain specifying the 124643  
day, month, and year. 124644

(B) (1) For purposes of applying section 5733.04, 5745.01, 124645  
or 5747.01 of the Revised Code to a taxpayer's taxable year 124646  
ending after March 15, 2023, and before the effective date, a 124647  
taxpayer may irrevocably elect to incorporate the provisions of 124648  
the Internal Revenue Code or other laws of the United States 124649  
that are in effect for federal income tax purposes for that 124650  
taxable year if those provisions differ from the provisions 124651  
that, under division (A) of this section, would otherwise apply. 124652  
The filing by the taxpayer for that taxable year of a report or 124653  
return that incorporates the provisions of the Internal Revenue 124654  
Code or other laws of the United States applicable for federal 124655  
income tax purposes for that taxable year, and that does not 124656  
include any adjustments to reverse the effects of any 124657  
differences between those provisions and the provisions that 124658  
would otherwise apply, constitutes the making of an irrevocable 124659  
election under this division for that taxable year. 124660

(2) Elections under prior versions of division (B) (1) of 124661  
this section remain in effect for the taxable years to which 124662  
they apply. 124663

**Sec. 5703.052.** (A) There is hereby created in the state 124664  
treasury the tax refund fund, from which refunds shall be paid 124665  
for amounts illegally or erroneously assessed or collected, or 124666  
for any other reason overpaid, with respect to taxes levied by 124667  
Chapter 4301., 4305., 5726., 5728., 5729., 5731., 5733., 5735., 124668

and sections 3737.71, 3905.35, 3905.36, 4303.33, 5707.03, 124670  
5725.18, 5727.28, 5727.38, 5727.81, and 5727.811 of the Revised 124671  
Code. Refunds for fees levied under sections 3734.90 to 124672  
3734.9014 of the Revised Code, wireless 9-1-1 charges imposed 124673  
under section 128.40 of the Revised Code, next generation 9-1-1 124674  
access fees imposed under sections 128.41 and 128.42 of the 124675  
Revised Code, or any penalties assessed with respect to such 124676  
fees or charges, that are illegally or erroneously assessed or 124677  
collected, or for any other reason overpaid, also shall be paid 124678  
from the fund. Refunds for amounts illegally or erroneously 124679  
assessed or collected by the tax commissioner, or for any other 124680  
reason overpaid, that are due under section 1509.50 of the 124681  
Revised Code shall be paid from the fund. Refunds for amounts 124682  
illegally or erroneously assessed or collected by the 124683  
commissioner, or for any other reason overpaid to the 124684  
commissioner, under sections 718.80 to 718.95 of the Revised 124685  
Code shall be paid from the fund. However, refunds for amounts 124686  
illegally or erroneously assessed or collected by the 124687  
commissioner, or for any other reason overpaid to the 124688  
commissioner, with respect to taxes levied under section 124689  
5739.101 of the Revised Code shall not be paid from the tax 124690  
refund fund, but shall be paid as provided in section 5739.104 124691  
of the Revised Code. 124692

(B) (1) Upon certification by the tax commissioner to the 124693  
treasurer of state of a tax refund, a wireless 9-1-1 charge 124694  
refund, a next generation 9-1-1 access fee refund, or another 124695  
amount refunded, or by the superintendent of insurance of a 124696  
domestic or foreign insurance tax refund, the treasurer of state 124697  
shall place the amount certified to the credit of the fund. The 124698  
certified amount transferred shall be derived from the receipts 124699  
of the same tax, fee, wireless 9-1-1 charge, next generation 9- 124700

1-1 access fee, or other amount from which the refund arose. 124701

(2) When a refund is for a tax, fee, wireless 9-1-1 124702  
charge, next generation 9-1-1 access fee, or other amount that 124703  
is not levied by the state or that was illegally or erroneously 124704  
distributed to a taxing jurisdiction, the tax commissioner shall 124705  
recover the amount of that refund from the next distribution of 124706  
that tax, fee, wireless 9-1-1 charge, next generation 9-1-1 124707  
access fee, or other amount that otherwise would be made to the 124708  
taxing jurisdiction. If the amount to be recovered would exceed 124709  
twenty-five per cent of the next distribution of that tax, fee, 124710  
wireless 9-1-1 charge, next generation 9-1-1 access fee, or 124711  
other amount, the commissioner may spread the recovery over more 124712  
than one future distribution, taking into account the amount to 124713  
be recovered and the amount of the anticipated future 124714  
distributions. In no event may the commissioner spread the 124715  
recovery over a period to exceed ~~thirty-six~~ seventy-two months. 124716

**Sec. 5703.21.** (A) Except as provided in divisions (B) and 124717  
(C) of this section, no agent of the department of taxation, 124718  
except in the agent's report to the department or when called on 124719  
to testify in any court or proceeding, shall divulge any 124720  
information acquired by the agent as to the transactions, 124721  
property, or business of any person while acting or claiming to 124722  
act under orders of the department. Whoever violates this 124723  
provision shall thereafter be disqualified from acting as an 124724  
officer or employee or in any other capacity under appointment 124725  
or employment of the department. 124726

(B) (1) For purposes of an audit pursuant to section 117.15 124727  
of the Revised Code, or an audit of the department pursuant to 124728  
Chapter 117. of the Revised Code, or an audit, pursuant to that 124729  
chapter, the objective of which is to express an opinion on a 124730

financial report or statement prepared or issued pursuant to 124731  
division (A) (7) or (9) of section 126.21 of the Revised Code, 124732  
the officers and employees of the auditor of state charged with 124733  
conducting the audit shall have access to and the right to 124734  
examine any state tax returns and state tax return information 124735  
in the possession of the department to the extent that the 124736  
access and examination are necessary for purposes of the audit. 124737  
Any information acquired as the result of that access and 124738  
examination shall not be divulged for any purpose other than as 124739  
required for the audit or unless the officers and employees are 124740  
required to testify in a court or proceeding under compulsion of 124741  
legal process. Whoever violates this provision shall thereafter 124742  
be disqualified from acting as an officer or employee or in any 124743  
other capacity under appointment or employment of the auditor of 124744  
state. 124745

(2) For purposes of an internal audit pursuant to section 124746  
126.45 of the Revised Code, the officers and employees of the 124747  
office of internal audit in the office of budget and management 124748  
charged with directing the internal audit shall have access to 124749  
and the right to examine any state tax returns and state tax 124750  
return information in the possession of the department to the 124751  
extent that the access and examination are necessary for 124752  
purposes of the internal audit. Any information acquired as the 124753  
result of that access and examination shall not be divulged for 124754  
any purpose other than as required for the internal audit or 124755  
unless the officers and employees are required to testify in a 124756  
court or proceeding under compulsion of legal process. Whoever 124757  
violates this provision shall thereafter be disqualified from 124758  
acting as an officer or employee or in any other capacity under 124759  
appointment or employment of the office of internal audit. 124760

(3) As provided by section 6103(d) (2) of the Internal 124761

Revenue Code, any federal tax returns or federal tax information 124762  
that the department has acquired from the internal revenue 124763  
service, through federal and state statutory authority, may be 124764  
disclosed to the auditor of state or the office of internal 124765  
audit solely for purposes of an audit of the department. 124766

(4) For purposes of Chapter 3739. of the Revised Code, an 124767  
agent of the department of taxation may share information with 124768  
the division of state fire marshal that the agent finds during 124769  
the course of an investigation. 124770

(C) Division (A) of this section does not prohibit any of 124771  
the following: 124772

(1) Divulging information contained in applications, 124773  
complaints, and related documents filed with the department 124774  
under section 5715.27 of the Revised Code or in applications 124775  
filed with the department under section 5715.39 of the Revised 124776  
Code; 124777

(2) Providing to the attorney general information the 124778  
department obtains under division (J) of section 1346.01 of the 124779  
Revised Code; 124780

(3) Permitting properly authorized officers, employees, or 124781

rules adopted under section 5745.16 of the Revised Code; 124784

(4) Providing information regarding the name, account 124785  
number, or business address of a holder of a vendor's license 124786  
issued pursuant to section 5739.17 of the Revised Code, a holder 124787  
of a direct payment permit issued pursuant to section 5739.031 124788  
of the Revised Code, or a seller having a use tax account 124789  
maintained pursuant to section 5741.17 of the Revised Code, or 124790

information regarding the active or inactive status of a 124791  
vendor's license, direct payment permit, or seller's use tax 124792  
account; 124793

(5) Providing to a county auditor notices or documents 124794  
concerning or affecting the taxable value of property in the 124795  
county auditor's county. Unless authorized by law to disclose 124796  
documents so provided, the county auditor shall not disclose 124797  
such documents; 124798

(6) Providing to a county auditor a sales or use tax 124799  
return or audit information under section 333.06 of the Revised 124800  
Code; 124801

(7) Disclosing to a state or federal government agency, 124802  
for use in the performance of that agency's official duties in 124803  
this state, information in the possession of the tax 124804  
commissioner necessary to verify compliance with any provision 124805  
of the Revised Code or federal law relating to that agency. 124806  
Unless disclosure is otherwise authorized by law, information 124807  
provided to any state or federal government agency under this 124808  
section remains confidential and is not subject to further 124809  
disclosure; 124810

(8) Disclosing to a current or former employee, for use in 124811  
preparation of the employee's income tax return, the account 124812  
number issued by the tax commissioner to an employer for use in 124813  
filing returns and making payments under section 5747.07 of the 124814  
Revised Code. The commissioner may require the employee to 124815  
provide evidence of current or past employment before such 124816  
disclosure; 124817

(9) Publishing or disclosing the amount of revenue 124818  
distributed to a county, municipal corporation, township, school 124819

district, or any other political subdivision from any tax or 124820  
fund administered by the tax commissioner; 124821

(10) Disclosing to a county auditor information in or 124822  
discovered pursuant to the property tax relief screening system 124823  
created in section 5703.83 of the Revised Code. 124824

**Sec. 5703.37.** (A) (1) Except as provided in division (B) of 124825  
this section, whenever service of a notice or order is required 124826  
in the manner provided in this section, a copy of the notice or 124827  
order shall be served upon the person affected thereby either by 124828  
personal service, by certified mail, or by a delivery service 124829  
authorized under section 5703.056 of the Revised Code that 124830  
notifies the tax commissioner of the date of delivery. 124831

(2) In lieu of serving a copy of a notice or order through 124832  
one of the means provided in division (A) (1) of this section, 124833  
the commissioner may serve a notice or order upon the person 124834  
affected thereby through alternative means as provided in this 124835  
section, including, but not limited to, delivery by secure 124836  
electronic mail as provided in division (F) of this section or 124837  
by ordinary mail. Delivery by such means satisfies the 124838  
requirements for delivery under this section. 124839

(B) (1) (a) If certified or ordinary mail is returned 124840  
because of an undeliverable address, the commissioner shall 124841  
first utilize reasonable means to ascertain a new last known 124842  
address, including the use of a change of address service 124843  
offered by the United States postal service or an authorized 124844  
delivery service under section 5703.056 of the Revised Code. If, 124845  
after using reasonable means, the commissioner is unable to 124846  
ascertain a new last known address, the assessment is final for 124847  
purposes of section 131.02 of the Revised Code sixty days after 124848  
the notice or order ~~sent by certified mail~~ is first returned to 124849

the commissioner, and the commissioner shall certify the notice 124850  
or order, if applicable, to the attorney general for collection 124851  
under section 131.02 of the Revised Code. 124852

(b) Notwithstanding certification to the attorney general 124853  
under division (B)(1)(a) of this section, once the commissioner 124854  
or attorney general, or the designee of either, makes an initial 124855  
contact with the person to whom the notice or order is directed, 124856  
the person may protest an assessment by filing a petition for 124857  
reassessment within sixty days after the initial contact. The 124858  
certification of an assessment under division (B)(1)(a) of this 124859  
section is prima-facie evidence that delivery is complete and 124860  
that the notice or order is served. 124861

(2) If mailing of a notice or order by certified or 124862  
ordinary mail is returned for some cause other than an 124863  
undeliverable address or if a person does not access an 124864  
electronic notice or order within the time provided in division 124865  
(F) of this section, the commissioner shall resend the notice or 124866  
order by ordinary mail. The notice or order shall show the date 124867  
the commissioner sends the notice or order and include the 124868  
following statement: 124869

"This notice or order is deemed to be served on the 124870  
addressee under applicable law ten days from the date this 124871  
notice or order was mailed by the commissioner as shown on the 124872  
notice or order, and all periods within which an appeal may be 124873  
filed apply from and after that date." 124874

Unless the mailing is returned because of an undeliverable 124875  
address, the mailing of that information is prima-facie evidence 124876  
that delivery of the notice or order was completed ten days 124877  
after the commissioner ~~sent~~ resent the notice or order by 124878  
ordinary mail and that the notice or order was served. 124879

If the ~~ordinary mail-mailing~~ mailing is subsequently returned 124880  
because of an undeliverable address, the commissioner shall 124881  
proceed under division (B) (1) (a) of this section. A person may 124882  
challenge the presumption of delivery and service under this 124883  
division in accordance with division (C) of this section. 124884

(C) (1) A person disputing the presumption of delivery and 124885  
service under division (B) of this section bears the burden of 124886  
proving by a preponderance of the evidence that the address to 124887  
which the notice or order was sent was not an address with which 124888  
the person was associated at the time the commissioner 124889  
originally mailed the notice or order ~~by certified mail~~. For the 124890  
purposes of this section, a person is associated with an address 124891  
at the time the commissioner originally mailed the notice or 124892  
order if, at that time, the person was residing, receiving legal 124893  
documents, or conducting business at the address; or if, before 124894  
that time, the person had conducted business at the address and, 124895  
when the notice or order was mailed, the person's agent or the 124896  
person's affiliate was conducting business at the address. For 124897  
the purposes of this section, a person's affiliate is any other 124898  
person that, at the time the notice or order was mailed, owned 124899  
or controlled at least twenty per cent, as determined by voting 124900  
rights, of the addressee's business. 124901

(2) If the person elects to protest an assessment 124902  
certified to the attorney general for collection, the person 124903  
must do so within sixty days after the attorney general's 124904  
initial contact with the person. The attorney general may enter 124905  
into a compromise with the person under sections 131.02 and 124906  
5703.06 of the Revised Code if the person does not file a 124907  
petition for reassessment with the commissioner. 124908

(D) Nothing in this section prohibits the commissioner or 124909

the commissioner's designee from delivering a notice or order by 124910  
personal service. 124911

(E) Collection actions taken pursuant to section 131.02 of 124912  
the Revised Code upon any assessment being challenged under 124913  
division (B) (1) (b) of this section shall be stayed upon the 124914  
pendency of an appeal under this section. If a petition for 124915  
reassessment is filed pursuant to this section on a claim that 124916  
has been certified to the attorney general for collection, the 124917  
claim shall be uncertified. 124918

(F) (1) The commissioner may serve a notice or order upon 124919  
the person affected by the notice or order or that person's 124920  
authorized representative through secure electronic means 124921  
associated with the person's or representative's last known 124922  
address, but only with the person's consent. The commissioner 124923  
must inform the recipient, electronically or by mail, that a 124924  
notice or order is available for electronic review and provide 124925  
instructions to access and print the notice or order. The types 124926  
of electronic notification the commissioner may use include 124927  
electronic mail, text message, or any other form of electronic 124928  
communication. The recipient's electronic access of the notice 124929  
or order satisfies the requirements for delivery under this 124930  
section. If the recipient fails to access the notice or order 124931  
electronically within ten business days, then the commissioner 124932  
shall inform the recipient a second time, electronically or by 124933  
mail, that a notice or order is available for electronic review 124934  
and provide instructions to access and print the notice or 124935  
order. If the recipient fails to access the notice or order 124936  
electronically within ten business days of the second 124937  
notification, the notice or order shall be served upon the 124938  
person through the means provided in division (B) (2) of this 124939  
section. 124940

(2) The tax commissioner shall establish a system to issue notification of assessments to taxpayers through secure electronic means.

(G) As used in this section:

(1) "Last known address" means the address the department has at the time the document is originally sent by certified or ordinary mail, or any address the department can ascertain using reasonable means such as the use of a change of address service offered by the United States postal service or an authorized delivery service under section 5703.056 of the Revised Code. For documents sent by secure electronic means, "last known address" means an electronic mode of communication that is identified on a form prescribed by the commissioner for such purpose or that is associated with the person or the authorized representative of the person as of the date the notification was sent on the Ohio business gateway, as defined in section 718.01 of the Revised Code, as of the date the notification was sent or another electronic filing or payment system prescribed by the commissioner.

(2) "Undeliverable address" means an address to which the United States postal service or an authorized delivery service under section 5703.056 of the Revised Code is not able to deliver a notice or order, except when the reason for nondelivery is because the addressee fails to acknowledge or accept the notice or order.

**Sec. 5703.70.** (A) On the filing of an application for refund under section 718.91, 3734.905, 4307.05, 4307.07, 5726.30, 5727.28, 5727.91, 5728.061, 5733.12, 5735.122, 5735.13, 5735.14, 5735.141, 5735.142, 5735.18, 5736.08, 5739.07, ~~5739.071,~~ 5739.104, 5741.10, 5743.05, 5743.53, 5747.11, 5749.08,

5751.08, or 5753.06 of the Revised Code, or an application for 124971  
compensation under section 5739.061 of the Revised Code, if the 124972  
tax commissioner determines that the amount of the refund or 124973  
compensation to which the applicant is entitled is less than the 124974  
amount claimed in the application, the commissioner shall give 124975  
the applicant written notice by ordinary mail of the amount. The 124976  
notice shall be sent to the address shown on the application 124977  
unless the applicant notifies the commissioner of a different 124978  
address. The applicant shall have sixty days from the date the 124979  
commissioner mails the notice to provide additional information 124980  
to the commissioner or request a hearing, or both. 124981

(B) If the applicant neither requests a hearing nor 124982  
provides additional information to the tax commissioner within 124983  
the time prescribed by division (A) of this section, the 124984  
commissioner shall take no further action, and the refund or 124985  
compensation amount denied becomes final. 124986

(C) (1) If the applicant requests a hearing within the time 124987  
prescribed by division (A) of this section, the tax commissioner 124988  
shall assign a time and place for the hearing and notify the 124989  
applicant of such time and place, but the commissioner may 124990  
continue the hearing from time to time, as necessary. After the 124991  
hearing, the commissioner may make such adjustments to the 124992  
refund or compensation as the commissioner finds proper, and 124993  
shall issue a final determination thereon. 124994

(2) If the applicant does not request a hearing, but 124995  
provides additional information, within the time prescribed by 124996  
division (A) of this section, the commissioner shall review the 124997  
information, make such adjustments to the refund or compensation 124998  
as the commissioner finds proper, and issue a final 124999  
determination thereon. The commissioner may review such 125000

If a subdivision is located in more than one county, the 125377  
county auditor shall obtain from the county auditor of each 125378  
other county in which the subdivision is located the current tax 125379  
valuation for the portion of the subdivision in that county. The 125380  
county auditor shall issue the certification to the taxing 125381  
authority within ten days after receiving the taxing authority's 125382  
resolution or ordinance requesting it. 125383

(3) Upon receiving the certification from the county 125384  
auditor under division (B) (2) of this section, unless the 125385  
percentage certified under division (B) (2) (f) of this section is 125386

one hundred per cent or more, the taxing authority may adopt a 125387  
resolution or ordinance stating the rate of the tax levy, 125388  
expressed in mills for each one dollar of taxable value and the 125389  
rate or effective rate, as applicable, in dollars for each one 125390  
hundred thousand dollars of ~~the county auditor's appraised~~ 125391  
market value, as estimated by the county auditor, and that the 125392  
taxing authority will proceed with the submission of the 125393  
question of the tax to electors. The taxing authority shall 125394  
certify this resolution or ordinance, a copy of the county 125395  
auditor's certifications, and the resolution or ordinance the 125396  
taxing authority adopted under division (B) (1) of this section 125397  
to the proper county board of elections in the manner and within 125398  
the time prescribed by the section of the Revised Code governing 125399  
submission of the question. The county board of elections shall 125400  
not submit the question of the tax to electors unless a copy of 125401  
the county auditor's certification accompanies the resolutions 125402  
or ordinances the taxing authority certifies to the board. 125403  
Before requesting a taxing authority to submit a tax levy, any 125404  
agency or authority authorized to make that request shall first 125405  
request the certification from the county auditor provided under 125406  
this section. 125407

(4) This division is supplemental to, and not in 125408  
derogation of, any similar requirement governing the 125409  
certification by the county auditor of the tax valuation of a 125410  
subdivision or necessary tax rates for the purposes of the 125411  
submission of the question of a tax in excess of the ten-mill 125412  
limitation, including ~~sections~~ section 133.18 and ~~5705.195~~ of 125413  
the Revised Code. 125414

(C) All taxes levied on property shall be extended on the 125415  
tax list and duplicate by the county auditor of the county in 125416  
which the property is located, and shall be collected by the 125417

county treasurer of such county in the same manner and under the 125418  
same laws and rules as are prescribed for the assessment and 125419  
collection of county taxes. The proceeds of any tax levied by or 125420  
for any subdivision when received by its fiscal officer shall be 125421  
deposited in its treasury to the credit of the appropriate fund. 125422

**Sec. 5705.12.** In addition to the funds provided for by 125423  
sections 5705.09, 5705.121, 5705.13, and 5705.131 of the Revised 125424  
Code, the taxing authority of a subdivision may establish, with 125425  
the approval of and in the manner prescribed by the auditor of 125426  
state, such other funds as are desirable, and may provide by 125427  
ordinance or resolution that money derived from specified 125428  
sources other than the general property tax shall be paid 125429  
directly into such funds. ~~The auditor of state shall consult~~ 125430  
~~with the tax commissioner before approving such funds.~~ 125431

**Sec. 5705.121.** A municipal corporation may establish in 125432  
the manner provided by law a sanitary police pension fund, an 125433  
urban redevelopment tax increment equivalent fund, or a cemetery 125434  
fund. 125435

A township may establish by law a cemetery fund. 125436

A subdivision that levies a tax for the purpose described 125437  
in division (ZZ) or (AAA) of section 5705.19 of the Revised Code 125438  
shall establish a general capital and infrastructure fund to 125439  
which the proceeds from that levy shall be credited. By 125440  
resolution or ordinance, the taxing authority may establish 125441  
accounts within that fund for any of the several particular 125442  
purposes for which such money may lawfully be spent, may 125443  
eliminate such accounts when no longer necessary or desirable, 125444  
and may transfer money between such accounts. Money in the fund 125445  
may not be used to pay the compensation of officers or employees 125446  
of the subdivision. 125447

The board of health of a city or general health district 125448  
may establish the home health services fund referred to in 125449  
section 3709.15 of the Revised Code. 125450

**Sec. 5705.13.** (A) A taxing authority of a subdivision, by 125451  
resolution or ordinance, may establish reserve balance accounts 125452  
to accumulate currently available resources for the following 125453  
purposes: 125454

(1) To stabilize subdivision budgets against cyclical 125455  
changes in revenues and expenditures; 125456

(2) Except as otherwise provided by this section, to 125457  
provide for the payment of claims and deductibles under an 125458  
individual or joint self-insurance program for the subdivision, 125459  
if the subdivision is permitted by law to establish such a 125460  
program; 125461

(3) To provide for the payment of claims, assessments, and 125462  
deductibles under a self-insurance program, individual 125463  
retrospective ratings plan, group rating plan, group 125464  
retrospective rating plan, medical only program, deductible 125465  
plan, or large deductible plan for workers' compensation. 125466

The ordinance or resolution establishing a reserve balance 125467  
account shall state the purpose for which the account is 125468  
established, the fund in which the account is to be established, 125469  
and the total amount of money to be reserved in the account. 125470

Not more than one reserve balance account may be 125471  
established for each of the purposes permitted under divisions 125472  
(A) (2) and (3) of this section. Money to the credit of a reserve 125473  
balance account may be expended only for the purpose for which 125474  
the account was established. 125475

A reserve balance account established for the purpose 125476

described in division (A) (1) of this section may be established 125477  
in the general fund or in one or more special funds for 125478  
operating purposes of the subdivision. The amount of money to be 125479  
reserved in such an account in any fiscal year shall not exceed 125480  
five per cent of the revenue credited in the preceding fiscal 125481  
year to the fund in which the account is established, or, in the 125482  
case of a reserve balance account of a county or of a township, 125483  
the greater of that amount or one-sixth of the expenditures 125484  
during the preceding fiscal year from the fund in which the 125485  
account is established. ~~Subject to division (F) of section~~ 125486  
~~5705.29 of the Revised Code, any reserve balance in an account~~ 125487  
~~established under division (A) (1) of this section shall not be~~ 125488  
~~considered part of the unencumbered balance or revenue of the~~ 125489  
~~subdivision under division (A) of section 5705.35 or division~~ 125490  
~~(A) (1) of section 5705.36 of the Revised Code.~~ 125491

At any time, a taxing authority of a subdivision, by 125492  
resolution or ordinance, may reduce or eliminate the reserve 125493  
balance in a reserve balance account established for the purpose 125494  
described in division (A) (1) of this section. 125495

A reserve balance account established for the purpose 125496  
described in division (A) (2) or (3) of this section shall be 125497  
established in the general fund of the subdivision or by the 125498  
establishment of a separate internal service fund established to 125499  
account for the operation of an individual or joint self- 125500  
insurance program described in division (A) (2) of this section 125501  
or a workers' compensation program or plan described in division 125502  
(A) (3) of this section, and shall be based on sound actuarial 125503  
principles. The total amount of money in a reserve balance 125504  
account for self-insurance may be expressed in dollars or as the 125505  
amount determined to represent an adequate reserve according to 125506  
sound actuarial principles. 125507

A taxing authority of a subdivision, by resolution or ordinance, may rescind a reserve balance account established under this division. If a reserve balance account is rescinded, money that has accumulated in the account shall be transferred to the fund or funds from which the money originally was transferred.

(B) A taxing authority of a subdivision, by resolution or ordinance, may establish a special revenue fund for the purpose of accumulating resources for the payment of accumulated sick leave and vacation leave, and for payments in lieu of taking compensatory time off, upon the termination of employment or the retirement of officers and employees of the subdivision. The special revenue fund may also accumulate resources for payment of salaries during any fiscal year when the number of pay periods exceeds the usual and customary number of pay periods. Notwithstanding sections 5705.14, 5705.15, and 5705.16 of the Revised Code, the taxing authority, by resolution or ordinance, may transfer money to the special revenue fund from any other fund of the subdivision from which such payments may lawfully be made. The taxing authority, by resolution or ordinance, may rescind a special revenue fund established under this division. If a special revenue fund is rescinded, money that has accumulated in the fund shall be transferred to the fund or funds from which the money originally was transferred.

(C) A taxing authority of a subdivision, by resolution or ordinance, may establish a capital projects fund for the purpose of accumulating resources for the acquisition, construction, or improvement of fixed assets of the subdivision. For the purposes of this section, "fixed assets" includes motor vehicles. More than one capital projects fund may be established and may exist at any time. The ordinance or resolution shall identify the

source of the money to be used to acquire, construct, or improve 125539  
the fixed assets identified in the resolution or ordinance, the 125540  
amount of money to be accumulated for that purpose, the period 125541  
of time over which that amount is to be accumulated, and the 125542  
fixed assets that the taxing authority intends to acquire, 125543  
construct, or improve with the money to be accumulated in the 125544  
fund. 125545

A taxing authority of a subdivision shall not accumulate 125546  
money in a capital projects fund for more than ten years after 125547  
the resolution or ordinance establishing the fund is adopted. If 125548  
the subdivision has not entered into a contract for the 125549  
acquisition, construction, or improvement of fixed assets for 125550  
which money was accumulated in such a fund before the end of 125551  
that ten-year period, the fiscal officer of the subdivision 125552  
shall transfer all money in the fund to the fund or funds from 125553  
which that money originally was transferred or the fund that 125554  
originally was intended to receive the money. 125555

A taxing authority of a subdivision, by resolution or 125556  
ordinance, may rescind a capital projects fund. If a capital 125557  
projects fund is rescinded, money that has accumulated in the 125558  
fund shall be transferred to the fund or funds from which the 125559  
money originally was transferred. 125560

Notwithstanding sections 5705.14, 5705.15, and 5705.16 of 125561  
the Revised Code, the taxing authority of a subdivision, by 125562  
resolution or ordinance, may transfer money to the capital 125563  
projects fund from any other fund of the subdivision that may 125564  
lawfully be used for the purpose of acquiring, constructing, or 125565  
improving the fixed assets identified in the resolution or 125566  
ordinance. 125567

**Sec. 5705.131.** A taxing authority of a subdivision may 125568

establish a nonexpendable trust fund for the purpose of 125569  
receiving donations or contributions that the donor or 125570  
contributor requires to be maintained intact. The principal of 125571  
such fund may be invested, and the investment earnings on the 125572  
principal shall be credited to the fund. ~~The principal of the~~ 125573  
~~fund, and any additions to principal arising from sources other~~ 125574  
~~than the reinvestment of investment earnings arising from the~~ 125575  
~~fund, shall not be considered part of the unencumbered balance~~ 125576  
~~or revenue of the subdivision under division (A) of section~~ 125577  
~~5705.35 or division (A) (1) of section 5705.36 of the Revised~~ 125578  
~~Code. Only investment earnings arising from investment of the~~ 125579  
~~principal or investment of such additions to principal may be~~ 125580  
~~considered an unencumbered balance or revenue of the subdivision~~ 125581  
~~under that division.~~ 125582

**Sec. 5705.132.** In addition to any reserve balance account 125583  
established under section 5705.13 of the Revised Code, a board 125584  
of township trustees, by resolution, may establish a reserve 125585  
balance account to accumulate currently available resources for 125586  
any purpose for which the board may lawfully expend money of the 125587  
township other than for the purposes for which a reserve balance 125588  
account may be established under section 5705.13 of the Revised 125589  
Code. Money may be transferred to the reserve balance account 125590  
from another fund or account of the township only if money in 125591  
that fund or account may lawfully be expended for the purpose 125592  
for which the reserve balance account is created. A reserve 125593  
balance account created under this section may exist for not 125594  
more than five fiscal years beginning with the first fiscal year 125595  
in which money is credited to the account. The total amount of 125596  
money to the credit of all reserve balance accounts established 125597  
under this section at any time in any fiscal year shall not 125598  
exceed five per cent of the total of the township's revenue from 125599

all sources for the preceding fiscal year and any unencumbered 125600  
balances carried over to the current fiscal year from the 125601  
preceding fiscal year. Money in a reserve balance account shall 125602  
be expended only for the purpose for which the account is 125603  
established. More than one reserve balance account may be 125604  
established under this section. 125605

The resolution establishing a reserve balance account 125606  
shall state the specific purpose for which the account is 125607  
established, the fund within which the account is established, 125608  
the fund or account from which money shall be transferred to the 125609  
account, and the number of years the account will exist. The 125610  
resolution shall specify the maximum total amount of money that 125611  
may be credited to the account during its existence and the 125612  
maximum amount of money to be credited to the account each 125613  
fiscal year the account exists. The board, by subsequent 125614  
resolution, may change the amount to be credited and the source 125615  
from which money is transferred, subject to the limitations of 125616  
this section. 125617

The board, by resolution, may rescind a reserve balance 125618  
account established under this section before the expiration of 125619  
the account. The board, by resolution, may extend the life of a 125620  
reserve balance account, provided that the total number of years 125621  
the fund exists shall not exceed five fiscal years beginning 125622  
with the first fiscal year in which money is credited to the 125623  
account. 125624

Upon the expiration or rescission of a reserve balance 125625  
account established under this section, any unexpended balance 125626  
in the account shall be transferred to the fund or account from 125627  
which money in the account was originally transferred. If money 125628  
in the account originally was transferred from more than one 125629

fund or account, a pro rata share of the unexpended balance 125630  
shall be transferred to each such fund or account proportionate 125631  
to the amount originally transferred from that fund or account. 125632

~~The balance to the credit of a reserve balance account 125633  
shall not be considered part of the unencumbered balance or 125634  
revenue of the township under division (A) of section 5705.35 or 125635  
division (A) (1) of section 5705.36 of the Revised Code. 125636~~

**Sec. 5705.14.** No transfer shall be made from one fund of a 125637  
subdivision to any other fund, by order of the court or 125638  
otherwise, except as follows: 125639

(A) The unexpended balance in a bond fund that is no 125640  
longer needed for the purpose for which such fund was created 125641  
shall be transferred to the sinking fund or bond retirement fund 125642  
from which such bonds are payable. 125643

(B) The unexpended balance in any specific permanent 125644  
improvement fund, other than a bond fund, after the payment of 125645  
all obligations incurred in the acquisition of such improvement, 125646  
shall be transferred to the sinking fund or bond retirement fund 125647  
of the subdivision; provided that if such money is not required 125648  
to meet the obligations payable from such funds, it may be 125649  
transferred to a special fund for the acquisition of permanent 125650  
improvements, or, with the approval of the court of common pleas 125651  
of the county in which such subdivision is located, to the 125652  
general fund of the subdivision. 125653

(C) (1) Except as provided in division (C) (2) of this 125654  
section, the unexpended balance in the sinking fund or bond 125655  
retirement fund of a subdivision, after all indebtedness, 125656  
interest, and other obligations for the payment of which such 125657  
fund exists have been paid and retired, shall be transferred, in 125658

the case of the sinking fund, to the bond retirement fund, and 125659  
in the case of the bond retirement fund, to the sinking fund; 125660  
provided that if such transfer is impossible by reason of the 125661  
nonexistence of the fund to receive the transfer, such 125662  
unexpended balance, with the approval of the court of common 125663  
pleas of the county in which such division is located, may be 125664  
transferred to any other fund of the subdivision. 125665

(2) Money in a bond fund or bond retirement fund of a 125666  
city, local, exempted village, cooperative education, or joint 125667  
vocational school district may be transferred to a specific 125668  
permanent improvement fund provided that the county budget 125669  
commission of the county in which the school district is located 125670  
approves the transfer upon its determination that the money 125671  
transferred will not be required to meet the obligations payable 125672  
from the bond fund or bond retirement fund. In arriving at such 125673  
a determination, the county budget commission shall consider the 125674  
balance of the bond fund or bond retirement fund, the 125675  
outstanding obligations payable from the fund, and the sources 125676  
and timing of the fund's revenue. 125677

(D) The unexpended balance in any special fund, other than 125678  
an improvement fund, existing in accordance with division (D), 125679  
(F), or (G) of section 5705.09 or section 5705.12 of the Revised 125680  
Code, may be transferred to the general fund or to the sinking 125681  
fund or bond retirement fund after the termination of the 125682  
activity, service, or other undertaking for which such special 125683  
fund existed, but only after the payment of all obligations 125684  
incurred and payable from such special fund. 125685

(E) Money may be transferred from the general fund to any 125686  
other fund of the subdivision. 125687

(F) Moneys retained or received by a county under section 125688

4501.04 or division (A) (2) of section 5735.27 of the Revised Code may be transferred from the fund into which they were deposited to the sinking fund or bond retirement fund from which any principal, interest, or charges for which such moneys may be used is payable.

(G) Moneys retained or received by a municipal corporation under section 4501.04 or division (A) (1) of section 5735.27 of the Revised Code may be transferred from the fund into which they were deposited to the sinking fund or bond retirement fund from which any principal, interest, or charges for which such moneys may be used is payable.

(H) (1) Money may be transferred from the county developmental disabilities general fund to the county developmental disabilities capital fund established under section 5705.091 of the Revised Code or to any other fund created for the purposes of the county board of developmental disabilities, so long as money in the fund to which the money is transferred can be spent for the particular purpose of the transferred money. The county board of developmental disabilities may request, by resolution, that the board of county commissioners make the transfer. The county board of developmental disabilities shall transmit a certified copy of the resolution to the board of county commissioners. Upon receiving the resolution, the board of county commissioners may make the transfer. Money transferred to a fund shall be credited to an account appropriate to its particular purpose.

(2) An unexpended balance in an account in the county developmental disabilities capital fund or any other fund created for the purposes of the county board of developmental disabilities may be transferred back to the county developmental

disabilities general fund. The transfer may be made if the 125719  
unexpended balance is no longer needed for its particular 125720  
purpose and all outstanding obligations have been paid. Money 125721  
transferred back to the county developmental disabilities 125722  
general fund shall be credited to an account for current 125723  
expenses within that fund. The county board of developmental 125724  
disabilities may request, by resolution, that the board of 125725  
county commissioners make the transfer. The county board of 125726  
developmental disabilities shall transmit a certified copy of 125727  
the resolution to the board of county commissioners. Upon 125728  
receiving the resolution, the board of county commissioners may 125729  
make the transfer. 125730

(I) Money may be transferred from the public assistance 125731  
fund established under section 5101.161 of the Revised Code to 125732  
either of the following funds, so long as the money to be 125733  
transferred from the public assistance fund may be spent for the 125734  
purposes for which money in the receiving fund may be used: 125735

(1) The children services fund established under section 125736  
~~5101.144~~5180.411 of the Revised Code; 125737

(2) The child support enforcement administrative fund 125738  
established, as authorized under rules adopted by the director 125739  
of job and family services, in the county treasury for use by 125740  
any county family services agency. 125741

(J) Notwithstanding this section, money in any fund or 125742  
account of a village dissolved in accordance with sections 125743  
703.31 to 703.39 of the Revised Code may be transferred by the 125744  
receiver-trustee to a special account for the purpose of paying 125745  
the debts, obligations, and liabilities of the dissolved village 125746  
or to the general fund of any township into which the territory 125747  
of the village is dissolved for any purpose that directly or 125748

indirectly benefits the former territory of the dissolved 125749  
village. 125750

(K) Except in the case of transfer pursuant to division 125751  
(E) or (J) of this section, transfers authorized by this section 125752  
shall only be made by resolution of the taxing authority passed 125753  
with the affirmative vote of two-thirds of the members. 125754

**Sec. 5705.17.** (A) As used in this section: 125755

(1) "Qualifying levy" means any levy in excess of the ten- 125756  
mill limitation for current expenses or current operating 125757  
expenses. 125758

(2) "School district" means a city, local, or exempted 125759  
village school district. 125760

(B) Notwithstanding anything in the Revised Code to the 125761  
contrary, any election notice and ballot language for qualifying 125762  
levy submitted to electors by a school district shall display 125763  
the information certified by the county auditor in division (B) 125764  
(2)(f) of section 5705.03 of the Revised Code. The secretary of 125765  
state shall prescribe the form of the notice and ballot to 125766  
incorporate this information. 125767

**Sec. 5705.194.** The board of education of any city, local, 125768  
exempted village, cooperative education, or joint vocational 125769  
school district at any time before the effective date of this 125770  
amendment may declare by resolution, by a vote of two-thirds of 125771  
all of its members, that the revenue that will be raised by all 125772  
tax levies which the district is authorized to impose, when 125773  
combined with state and federal revenues, will be insufficient 125774  
to provide for the emergency requirements of the school district 125775  
or to avoid an operating deficit, and that it is therefore 125776  
necessary to levy an additional tax in excess of the ten-mill 125777

limitation. The resolution shall be confined to a single purpose 125778  
and shall specify that purpose. If the levy is proposed to renew 125779  
all or a portion of the proceeds derived from one or more 125780  
existing levies imposed pursuant to this section, it shall be 125781  
called a renewal levy and shall be so designated on the ballot. 125782  
If two or more existing levies are to be included in a single 125783  
renewal levy but are not scheduled to expire in the same year, 125784  
the resolution shall specify that the existing levies to be 125785  
renewed shall not be levied after the year preceding the year in 125786  
which the renewal levy is first imposed. Notwithstanding the 125787  
original purpose of any one or more existing levies that are to 125788  
be in any single renewal levy, the purpose of the renewal levy 125789  
may be either to avoid an operating deficit or to provide for 125790  
the emergency requirements of the school district. The 125791  
resolution shall further specify the amount of money it is 125792  
necessary to raise for the specified purpose for each calendar 125793  
year the millage is to be imposed; if a renewal levy, whether 125794  
the levy is to renew all, or a portion of, the proceeds derived 125795  
from one or more existing levies; and the number of years in 125796  
which the millage is to be in effect, which may include a levy 125797  
upon the current year's tax list. The number of years may be any 125798  
number not exceeding ten. 125799

The question shall be submitted at a special election on a 125800  
date specified in the resolution. The date shall not be earlier 125801  
than eighty days after the adoption and certification of the 125802  
resolution to the county auditor and shall be consistent with 125803  
the requirements of section 3501.01 of the Revised Code. A 125804  
resolution for a renewal levy shall not be placed on the ballot 125805  
unless the question is submitted on a date on which a special 125806  
election may be held under division (D) of section 3501.01 of 125807  
the Revised Code, except for the first Tuesday after the first 125808

Monday in August, during the last year the levy to be renewed 125809  
may be extended on the real and public utility property tax list 125810  
and duplicate, or at any election held in the ensuing year, 125811  
except that if the resolution proposes renewing two or more 125812  
existing levies, the question shall be submitted on the date of 125813  
the general or primary election held during the last year at 125814  
least one of the levies to be renewed may be extended on that 125815  
list and duplicate, or at any election held during the ensuing 125816  
year. For purposes of this section ~~and sections 5705.197 and~~ 125817  
section 5705.199 of the Revised Code, a levy shall be considered 125818  
to be an "existing levy" through the year following the last 125819  
year it can be placed on the real and public utility property 125820  
tax list and duplicate. 125821

The submission of questions to the electors under this 125822  
section is subject to the limitation on the number of election 125823  
dates established by section 5705.214 of the Revised Code. 125824

The resolution shall go into immediate effect upon its 125825  
passage, and no publication of the resolution shall be necessary 125826  
other than that provided for in the notice of election. A copy 125827  
of the resolution shall immediately after its passing be 125828  
certified to the county auditor of the proper county. ~~Section~~ 125829  
~~5705.195 of the Revised Code shall govern the arrangements for~~ 125830  
~~the submission of questions to the electors under this section~~ 125831  
~~and other matters concerning the election.~~ Publication of notice 125832  
of the election shall be made in one newspaper of general 125833  
circulation in the county once a week for two consecutive weeks, 125834  
or as provided in section 7.16 of the Revised Code, prior to the 125835  
election. If the board of elections operates and maintains a web 125836  
site, the board of elections shall post notice of the election 125837  
on its web site for thirty days prior to the election. If a 125838  
majority of the electors voting on the question submitted in an 125839

election vote in favor of the levy, the board of education of 125840  
the school district may make the additional levy necessary to 125841  
raise the amount specified in the resolution for the purpose 125842  
stated in the resolution. The tax levy shall be included in the 125843  
next tax budget that is certified to the county budget 125844  
commission. 125845

After the approval of the levy and prior to the time when 125846  
the first tax collection from the levy can be made, the board of 125847  
education may anticipate a fraction of the proceeds of the levy 125848  
and issue anticipation notes in an amount not exceeding the 125849  
total estimated proceeds of the levy to be collected during the 125850  
first year of the levy. 125851

The notes shall be issued as provided in section 133.24 of 125852  
the Revised Code, shall have principal payments during each year 125853  
after the year of their issuance over a period not to exceed 125854  
five years, and may have principal payment in the year of their 125855  
issuance. 125856

**Sec. 5705.199.** (A) At any time before the effective date 125857  
of this amendment the board of education of a city, local, 125858  
exempted village, cooperative education, or joint vocational 125859  
school district, by a vote of two-thirds of all its members, may 125860  
declare by resolution that the revenue that will be raised by 125861  
all tax levies that the district is authorized to impose, when 125862  
combined with state and federal revenues, will be insufficient 125863  
to provide for the necessary requirements of the school 125864  
district, and that it is therefore necessary to levy a tax in 125865  
excess of the ten-mill limitation for the purpose of providing 125866  
for the necessary requirements of the school district. Such a 125867  
levy shall be proposed as a substitute for all or a portion of 125868  
one or more existing levies imposed under ~~sections~~ section 125869

5705.194 ~~to 5705.197~~ of the Revised Code or under this section, 125870

(1) In the initial year the levy is in effect, the levy 125872  
shall be in a specified amount of money equal to the aggregate 125873  
annual dollar amount of proceeds derived from the levy or 125874  
levies, or portion thereof, being substituted. 125875

(2) In each subsequent year the levy is in effect, the 125876  
levy shall be in a specified amount of money equal to the sum of 125877  
the following: 125878

(a) The dollar amount of the proceeds derived from the 125879  
levy in the prior year; and 125880

(b) The dollar amount equal to the product of the total 125881  
taxable value of all taxable real property in the school 125882  
district in the then-current year, excluding carryover property 125883  
as defined in section 319.301 of the Revised Code, multiplied by 125884  
the annual levy, expressed in mills for each one dollar of 125885  
taxable value, that was required to produce the annual dollar 125886  
amount of the levy under this section in the prior year; 125887  
provided, that the amount under division (A) (2) (b) of this 125888  
section shall not be less than zero. 125889

~~(B) The resolution proposing the substitute levy shall 125890  
specify the annual dollar amount the levy is to produce in its 125891  
initial year; the first calendar year in which the levy will be 125892  
due; and the term of the levy expressed in years, which may be 125893  
any number not exceeding ten, or for a continuing period of 125894  
time. The resolution shall specify the date of holding the 125895  
election, which shall not be earlier than ninety days after 125896  
certification of the resolution to the board of elections, and 125897  
which shall be consistent with the requirements of section 125898~~

~~3501.01 of the Revised Code. If two or more existing levies are to be included in a single substitute levy, but are not scheduled to expire in the same year, the resolution shall specify that the existing levies to be substituted shall not be levied after the year preceding the year in which the substitute levy is first imposed.~~

~~The resolution shall go into immediate effect upon its passage, and no publication of the resolution shall be necessary other than that provided for in the notice of election. A copy of the resolution shall immediately after its passage be certified to the county auditor in the manner provided by section 5705.195 of the Revised Code, and sections 5705.194 and 5705.196 of the Revised Code shall govern the arrangements for the submission of the question and other matters concerning the notice of election and the election, except as may be provided otherwise in this section.~~

**Sec. 5705.21.** (A) At any time, the board of education of 125980  
any city, local, exempted village, cooperative education, or 125981  
joint vocational school district, by a vote of two-thirds of all 125982  
its members, may declare by resolution that the amount of taxes 125983  
that may be raised within the ten-mill limitation by levies on 125984

the current tax list will be insufficient to provide an adequate amount for the necessary requirements of the school district, that it is necessary to levy a tax in excess of such limitation for one of the purposes specified in division (A), (D), (F), (H), or (DD) of section 5705.19 of the Revised Code, for general permanent improvements, for the purpose of operating a cultural center, for the purpose of providing for school safety and security, or for the purpose of providing education technology, and that the question of such additional tax levy shall be submitted to the electors of the school district at a special election on a day to be specified in the resolution. In the case of a qualifying library levy for the support of a library association or private corporation, the question shall be submitted to the electors of the association library district. If the resolution states that the levy is for the purpose of operating a cultural center, the ballot shall state that the levy is "for the purpose of operating the\_\_\_\_\_ (name of cultural center)."

As used in this division, "cultural center" means a freestanding building, separate from a public school building, that is open to the public for educational, musical, artistic, and cultural purposes; "education technology" means, but is not limited to, computer hardware, equipment, materials, and accessories, equipment used for two-way audio or video, and software; "general permanent improvements" means permanent improvements without regard to the limitation of division (F) of section 5705.19 of the Revised Code that the improvements be a specific improvement or a class of improvements that may be included in a single bond issue; and "providing for school safety and security" includes but is not limited to providing for permanent improvements to provide or enhance security,

employment of or contracting for the services of safety 126016  
personnel, providing mental health services and counseling, or 126017  
providing training in safety and security practices and 126018  
responses. 126019

A resolution adopted under this division shall be confined 126020  
to a single purpose and shall specify the amount of the increase 126021  
in rate that it is necessary to levy, the purpose of the levy, 126022  
and the number of years during which the increase in rate shall 126023  
be in effect. The number of years may be any number not 126024  
exceeding five or, if the levy is for current expenses of the 126025  
district or for general permanent improvements, for a continuing 126026  
period of time. 126027

(B) (1) The board of education of a qualifying school 126028  
district, by resolution, by a vote of two-thirds of all of its 126029  
members, may declare that it is necessary to levy a tax in 126030  
excess of the ten-mill limitation for the purpose of paying the 126031  
current expenses of partnering community schools and, if any of 126032  
the levy proceeds are so allocated, of the district. A 126033  
qualifying school district that is not a municipal school 126034  
district may allocate all of the levy proceeds to partnering 126035  
community schools. A municipal school district shall allocate a 126036  
portion of the levy proceeds to the current expenses of the 126037  
district. The resolution shall declare that the question of the 126038  
additional tax levy shall be submitted to the electors of the 126039  
school district at a special election on a day to be specified 126040  
in the resolution. The resolution shall state the purpose of the 126041  
levy, the rate of the tax expressed in mills for each one dollar 126042  
of taxable value, the number of such mills to be levied for the 126043  
current expenses of the partnering community schools and the 126044  
number of such mills, if any, to be levied for the current 126045  
expenses of the school district, the number of years the tax 126046

will be levied, and the first year the tax will be levied. The 126047  
number of years the tax may be levied may be any number not 126048  
exceeding ten years, or for a continuing period of time. 126049

The levy of a tax for the current expenses of a partnering 126050  
community school under this section and the distribution of 126051  
proceeds from the tax by a qualifying school district to 126052  
partnering community schools is hereby determined to be a proper 126053  
public purpose. 126054

(2) (a) If any portion of the levy proceeds are to be 126055  
allocated to the current expenses of the qualifying school 126056  
district, the form of the ballot at an election held pursuant to 126057  
division (B) of this section shall be as follows: 126058

"Shall a levy be imposed by the \_\_\_\_\_ (insert the name 126059  
of the qualifying school district) for the purpose of current 126060

(3) Upon each receipt of a tax distribution by the 126091  
qualifying school district, the board of education shall credit 126092  
the portion allocated to partnering community schools to the 126093  
partnering community schools fund. All income from the 126094  
investment of money in the partnering community schools fund 126095  
shall be credited to that fund. 126096

(a) If the qualifying school district is a municipal 126097  
school district, the board of education shall distribute the 126098  
partnering community schools amount among the then qualifying 126099

community schools not more than forty-five days after the school district receives and deposits each tax distribution. From each tax distribution, each such partnering community school shall receive a portion of the partnering community schools amount in the proportion that the number of its resident students bears to the aggregate number of resident students of all such partnering community schools as of the date of receipt and deposit of the tax distribution.

(b) If the qualifying school district is not a municipal school district, the board of education may distribute all or a portion of the amount in the partnering community schools fund during a fiscal year to partnering community schools on or before the first day of June of the preceding fiscal year. Each such partnering community school shall receive a portion of the amount distributed by the board from the partnering community schools fund during the fiscal year in the proportion that the number of its resident students bears to the aggregate number of resident students of all such partnering community schools as of the date the school district received and deposited the most recent tax distribution. On or before the fifteenth day of June of each fiscal year, the board of education shall announce an estimated allocation to partnering community schools for the ensuing fiscal year. The board is not required to allocate to partnering community schools the entire partnering community schools amount in the fiscal year in which a tax distribution is received and deposited in the partnering community schools fund. The estimated allocation shall be published on the web site of the school district and expressed as a dollar amount per resident student. The actual allocation to community schools in a fiscal year need not conform to the estimate published by the school district so long if the estimate was made in good faith.

Distributions by a school district under division (B) (3) 126131  
(b) of this section shall be made in accordance with 126132  
distribution agreements entered into by the board of education 126133  
and each partnering community school eligible for distributions 126134  
under this division. The distribution agreements shall be 126135  
certified to the department of education each fiscal year before 126136  
the thirtieth day of July. Each agreement shall provide for at 126137  
least three distributions by the school district to the 126138  
partnering community school during the fiscal year and shall 126139  
require the initial distribution be made on or before the 126140  
thirtieth day of July. 126141

(c) For the purposes of division (B) of this section, the 126142  
number of resident students shall be the number of such students 126143  
reported under section 3317.03 of the Revised Code and 126144  
established by the department of education as of the date of 126145  
receipt and deposit of the tax distribution. 126146

(4) To the extent an agreement whereby the qualifying 126147  
school district and a community school endorse each other's 126148  
programs is necessary for the community school to qualify as a 126149  
partnering community school under division (B) (6) (b) of this 126150  
section, the board of education of the school district shall 126151  
certify to the department of education the agreement along with 126152  
the determination that such agreement satisfies the requirements 126153  
of that division. The board's determination is conclusive. 126154

(5) For the purposes of Chapter 3317. of the Revised Code 126155  
or other laws referring to the "taxes charged and payable" for a 126156  
school district, the taxes charged and payable for a qualifying 126157  
school district that levies a tax under division (B) of this 126158  
section includes only the taxes charged and payable under that 126159  
levy for the current expenses of the school district, and does 126160

not include the taxes charged and payable for the current 126161  
expenses of partnering community schools. The taxes charged and 126162  
payable for the current expenses of partnering community schools 126163  
shall not affect the calculation of "state education aid" as 126164  
defined in section 5751.20 of the Revised Code. 126165

(6) As used in division (B) of this section: 126166

(a) "Qualifying school district" means a municipal school 126167  
district, as defined in section 3311.71 of the Revised Code or a 126168  
school district that contains within its territory a partnering 126169  
community school. 126170

(b) "Partnering community school" means a community school 126171  
established under Chapter 3314. of the Revised Code that is 126172  
located within the territory of the qualifying school district 126173  
and meets one of the following criteria: 126174

(i) If the qualifying school district is a municipal 126175  
school district, the community school is sponsored by the 126176  
district or is a party to an agreement with the district whereby 126177  
the district and the community school endorse each other's 126178  
programs; 126179

(ii) If the qualifying school district is not a municipal 126180  
school district, the community school is sponsored by a sponsor 126181  
that was rated as "exemplary" in the ratings most recently 126182  
published under section 3314.016 of the Revised Code before the 126183  
resolution proposing the levy is certified to the board of 126184  
elections. 126185

(c) "Partnering community schools amount" means the 126186  
product obtained, as of the receipt and deposit of the tax 126187  
distribution, by multiplying the amount of a tax distribution by 126188  
a fraction, the numerator of which is the number of mills per 126189

dollar of taxable value of the property tax to be allocated to 126190  
partnering community schools, and the denominator of which is 126191  
the total number of mills per dollar of taxable value authorized 126192  
by the electors in the election held under division (B) of this 126193  
section, each as set forth in the resolution levying the tax. If 126194  
the resolution allocates all of the levy proceeds to partnering 126195  
community schools, the "partnering schools amount" equals the 126196  
amount of the tax distribution. 126197

(d) "Partnering community schools fund" means a separate 126198  
fund established by the board of education of a qualifying 126199  
school district for the deposit of partnering community school 126200  
amounts under this section. 126201

(e) "Resident student" means a student enrolled in a 126202  
partnering community school who is entitled to attend school in 126203  
the qualifying school district under section 3313.64 or 3313.65 126204  
of the Revised Code. 126205

(f) "Tax distribution" means a distribution of proceeds of 126206  
the tax authorized by division (B) of this section under section 126207  
321.24 of the Revised Code and distributions that are 126208  
attributable to that tax under sections 323.156 and 4503.068 of 126209  
the Revised Code or other applicable law. 126210

(C) A resolution adopted under this section shall specify 126211  
the date of holding the election, which shall not be earlier 126212  
than ninety days after the adoption and certification of the 126213  
resolution and which shall be consistent with the requirements 126214  
of section 3501.01 of the Revised Code. 126215

A resolution adopted under this section may propose to 126216  
renew one or more existing levies imposed under division (A) or 126217  
(B) of this section or to ~~increase or decrease~~ a single levy 126218

imposed under either such division. 126219

If the board of education imposes one or more existing 126220  
levies for the purpose specified in division (F) of section 126221  
5705.19 of the Revised Code, the resolution may propose to renew 126222  
one or more of those existing levies, or to ~~increase or decrease~~ 126223  
a single such existing levy, for the purpose of general 126224  
permanent improvements. 126225

If the resolution proposes to renew two or more existing 126226  
levies, the levies shall be levied for the same purpose. The 126227  
resolution shall identify those levies and the rates at which 126228  
they are levied. The resolution also shall specify that the 126229  
existing levies shall not be extended on the tax lists after the 126230  
year preceding the year in which the renewal levy is first 126231  
imposed, regardless of the years for which those levies 126232  
originally were authorized to be levied. 126233

If the resolution proposes to renew an existing levy 126234  
imposed under division (B) of this section, the rates allocated 126235  
to the qualifying school district and to partnering community 126236  
schools each may be increased or decreased or remain the same, 126237  
and the total rate may be ~~increased, decreased,~~ or remain the 126238  
same. The resolution and notice of election shall specify the 126239  
number of the mills to be levied for the current expenses of the 126240  
partnering community schools and the number of the mills, if 126241  
any, to be levied for the current expenses of the qualifying 126242  
school district. 126243

A resolution adopted under this section shall go into 126244  
immediate effect upon its passage, and no publication of the 126245  
resolution shall be necessary other than that provided for in 126246  
the notice of election. A copy of the resolution shall 126247  
immediately after its passing be certified, along with the 126248

county auditor's certification provided under section 5705.03 of 126249  
the Revised Code, to the board of elections of the proper county 126250  
in the manner provided by section 5705.25 of the Revised Code. 126251  
That section shall govern the arrangements for the submission of 126252  
such question and other matters concerning the election to which 126253  
that section refers, including publication of notice of the 126254  
election, except that the election shall be held on the date 126255  
specified in the resolution. In the case of a resolution adopted 126256  
under division (B) of this section, the publication of notice of 126257  
that election shall state the number of the mills, if any, to be 126258  
levied for the current expenses of partnering community schools 126259  
and the number of the mills to be levied for the current 126260  
expenses of the qualifying school district. If a majority of the 126261  
electors voting on the question so submitted in an election vote 126262  
in favor of the levy, the board of education may make the 126263  
necessary levy within the school district or, in the case of a 126264  
qualifying library levy for the support of a library association 126265  
or private corporation, within the association library district, 126266  
at the additional rate, or at any lesser rate in excess of the 126267  
ten-mill limitation on the tax list, for the purpose stated in 126268  
the resolution. A levy for a continuing period of time may be 126269  
reduced pursuant to section 5705.261 of the Revised Code. The 126270  
tax levy shall be included in the next tax budget that is 126271  
certified to the county budget commission. 126272

(D) (1) After the approval of a levy on the current tax 126273  
list and duplicate for current expenses, for recreational 126274  
purposes, for community centers provided for in section 755.16 126275  
of the Revised Code, or for a public library of the district 126276  
under division (A) of this section, and prior to the time when 126277  
the first tax collection from the levy can be made, the board of 126278  
education may anticipate a fraction of the proceeds of the levy 126279

and issue anticipation notes in a principal amount not exceeding 126280  
fifty per cent of the total estimated proceeds of the levy to be 126281  
collected during the first year of the levy. 126282

(2) After the approval of a levy for general permanent 126283  
improvements for a specified number of years or for permanent 126284  
improvements having the purpose specified in division (F) of 126285  
section 5705.19 of the Revised Code, the board of education may 126286  
anticipate a fraction of the proceeds of the levy and issue 126287  
anticipation notes in a principal amount not exceeding fifty per 126288  
cent of the total estimated proceeds of the levy remaining to be 126289  
collected in each year over a period of five years after the 126290  
issuance of the notes. 126291

The notes shall be issued as provided in section 133.24 of 126292  
the Revised Code, shall have principal payments during each year 126293  
after the year of their issuance over a period not to exceed 126294  
five years, and may have a principal payment in the year of 126295  
their issuance. 126296

(3) After approval of a levy for general permanent 126297  
improvements for a continuing period of time, the board of 126298  
education may anticipate a fraction of the proceeds of the levy 126299  
and issue anticipation notes in a principal amount not exceeding 126300  
fifty per cent of the total estimated proceeds of the levy to be 126301  
collected in each year over a specified period of years, not 126302  
exceeding ten, after the issuance of the notes. 126303

The notes shall be issued as provided in section 133.24 of 126304  
the Revised Code, shall have principal payments during each year 126305  
after the year of their issuance over a period not to exceed ten 126306  
years, and may have a principal payment in the year of their 126307  
issuance. 126308

(4) After the approval of a levy on the current tax list 126309  
and duplicate under division (B) of this section, and prior to 126310  
the time when the first tax collection from the levy can be 126311  
made, the board of education may anticipate a fraction of the 126312  
proceeds of the levy for the current expenses of the school 126313  
district and issue anticipation notes in a principal amount not 126314  
exceeding fifty per cent of the estimated proceeds of the levy 126315  
to be collected during the first year of the levy and allocated 126316  
to the school district. The portion of the levy proceeds to be 126317  
allocated to partnering community schools under that division 126318  
shall not be included in the estimated proceeds anticipated 126319  
under this division and shall not be used to pay debt charges on 126320  
any anticipation notes. 126321

The notes shall be issued as provided in section 133.24 of 126322  
the Revised Code, shall have principal payments during each year 126323  
after the year of their issuance over a period not to exceed 126324  
five years, and may have a principal payment in the year of 126325  
their issuance. 126326

(E) The submission of questions to the electors under this 126327  
section is subject to the limitation on the number of election 126328  
dates established by section 5705.214 of the Revised Code. 126329

(F) The board of education of any school district that 126330  
levies a tax under this section for the purpose of providing for 126331  
school safety and security may report to the department of 126332  
education how the district is using revenue from that tax. 126333

The board of education of any school district that 126334  
proposes to levy a tax for the purpose of providing for school 126335  
safety and security may share the proceeds of the tax with 126336  
chartered nonpublic schools, as defined by section 3310.01 of 126337  
the Revised Code, that are located in the territory of the 126338

school district as provided in this division. The resolution 126339  
levying the tax and the form of the ballot shall state that 126340  
proceeds from the levy are to be shared with chartered nonpublic 126341  
schools and shall state the percentage of the proceeds that is 126342  
to be shared with those schools. 126343

If a percentage of the proceeds of such a tax are to be 126344  
shared with chartered nonpublic schools under this division, 126345  
such proceeds shall be shared with all chartered nonpublic 126346  
schools located in the territory of the school district. Of the 126347  
percentage of the proceeds to be shared with chartered nonpublic 126348  
schools, each such school shall receive an amount that bears the 126349  
same proportion of that percentage that the number of resident 126350  
students attending that school bears to the total number of 126351  
resident students attending all such schools in the territory of 126352  
the school district. For the purposes of this section, a 126353  
resident student is a student enrolled in a chartered nonpublic 126354  
school located in the territory of the school district who is 126355  
entitled to attend school in the school district under section 126356  
3313.64 or 3313.65 of the Revised Code. 126357

All proceeds of the levy shall be credited to a fund of 126358  
the school district created for that purpose, and the board of 126359  
education shall pay each chartered nonpublic school its share of 126360  
the proceeds from that fund not less frequently than once after 126361  
each settlement of taxes under divisions (A) and (C) of section 126362  
321.24 of the Revised Code. Any chartered nonpublic school 126363  
receiving payments under this section shall use all of such 126364  
payments only for providing for school safety and security. 126365

**Sec. 5705.212.** (A) (1) The board of education of any school 126366  
district, at any time and by a vote of two-thirds of all of its 126367  
members, may declare by resolution that the amount of taxes that 126368

may be raised within the ten-mill limitation will be 126369  
insufficient to provide an adequate amount for the present and 126370  
future requirements of the school district, that it is necessary 126371  
to levy not more than five taxes in excess of that limitation 126372  
for current expenses, and that each of the proposed taxes first 126373  
will be levied in a different year, over a specified period of 126374  
time. The board shall identify the taxes proposed under this 126375  
section as follows: the first tax to be levied shall be called 126376  
the "original tax." Each tax subsequently levied shall be called 126377  
an "incremental tax." The rate of each incremental tax shall be 126378  
identical, but the rates of such incremental taxes need not be 126379  
the same as the rate of the original tax. The resolution also 126380  
shall state that the question of these additional taxes shall be 126381  
submitted to the electors of the school district at a special 126382  
election. The resolution shall specify separately for each tax 126383  
proposed: the amount of the increase in rate that it is 126384  
necessary to levy, expressed separately for the original tax and 126385  
each incremental tax; that the purpose of the levy is for 126386  
current expenses; the number of years during which the original 126387  
tax shall be in effect; a specification that the last year in 126388  
which the original tax is in effect shall also be the last year 126389  
in which each incremental tax shall be in effect; and the year 126390  
in which each tax first is proposed to be levied. The original 126391  
tax may be levied for any number of years not exceeding ten, or 126392  
for a continuing period of time. The resolution shall specify 126393  
the date of holding the special election, which shall not be 126394  
earlier than ninety days after the adoption and certification of 126395  
the resolution and shall be consistent with the requirements of 126396  
section 3501.01 of the Revised Code. 126397

(2) The board of education, by a vote of two-thirds of all 126398  
of its members, may adopt a resolution proposing to renew taxes 126399

levied other than for a continuing period of time under division 126400  
(A) (1) of this section. Such a resolution shall provide for 126401  
levying a tax and specify all of the following: 126402

(a) That the tax shall be called and designated on the 126403  
ballot as a renewal levy; 126404

(b) The rate of the renewal tax, which shall be a single 126405  
rate that combines the rate of the original tax and each 126406  
incremental tax into a single rate. The rate of the renewal tax 126407  
shall not exceed the aggregate rate of the original and 126408  
incremental taxes. 126409

(c) The number of years, not to exceed ten, that the 126410  
renewal tax will be levied, or that it will be levied for a 126411  
continuing period of time; 126412

(d) That the purpose of the renewal levy is for current 126413  
expenses; 126414

(e) Subject to the certification and notification 126415  
requirements of section 5705.251 of the Revised Code, that the 126416  
question of the renewal levy shall be submitted to the electors 126417  
of the school district at the general election held during the 126418  
last year the original tax may be extended on the real and 126419  
public utility property tax list and duplicate or at a special 126420  
election held during the ensuing year. 126421

(3) A resolution adopted under division (A) (1) or (2) of 126422  
this section shall go into immediate effect upon its adoption 126423  
and no publication of the resolution is necessary other than 126424  
that provided for in the notice of election. Immediately after 126425  
its adoption, a copy of the resolution shall be certified to the 126426  
board of elections of the proper county in the manner provided 126427  
by division (A) of section 5705.251 of the Revised Code, and 126428

that division shall govern the arrangements for the submission 126429  
of the question and other matters concerning the election to 126430  
which that section refers. The election shall be held on the 126431  
date specified in the resolution. If a majority of the electors 126432  
voting on the question so submitted in an election vote in favor 126433  
of the taxes or a renewal tax, the board of education, if the 126434  
original or a renewal tax is authorized to be levied for the 126435  
current year, immediately may make the necessary levy within the 126436  
school district at the authorized rate, or at any lesser rate in 126437  
excess of the ten-mill limitation, for the purpose stated in the 126438  
resolution. No tax shall be imposed prior to the year specified 126439  
in the resolution as the year in which it is first proposed to 126440  
be levied. The rate of the original tax and the rate of each 126441  
incremental tax shall be cumulative, so that the aggregate rate 126442  
levied in any year is the sum of the rates of both the original 126443  
tax and all incremental taxes levied in or prior to that year 126444  
under the same proposal. A tax levied for a continuing period of 126445  
time under this section may be reduced pursuant to section 126446  
5705.261 of the Revised Code. 126447

(B) Notwithstanding section 133.30 of the Revised Code, 126448  
after the approval of a tax to be levied in the current or the 126449  
succeeding year and prior to the time when the first tax 126450  
collection from that levy can be made, the board of education 126451  
may anticipate a fraction of the proceeds of the levy and issue 126452  
anticipation notes in an amount not to exceed fifty per cent of 126453  
the total estimated proceeds of the levy to be collected during 126454  
the first year of the levy. The notes shall be sold as provided 126455  
in Chapter 133. of the Revised Code. If anticipation notes are 126456  
issued, they shall mature serially and in substantially equal 126457  
amounts during each year over a period not to exceed five years; 126458  
and the amount necessary to pay the interest and principal as 126459

the anticipation notes mature shall be deemed appropriated for 126460  
those purposes from the levy, and appropriations from the levy 126461  
by the board of education shall be limited each fiscal year to 126462  
the balance available in excess of that amount. 126463

If the auditor of state has certified a deficit pursuant 126464  
to section 3313.483 of the Revised Code, the notes authorized 126465  
under this section may be sold in accordance with Chapter 133. 126466  
of the Revised Code, except that the board may sell the notes 126467  
after providing a reasonable opportunity for competitive 126468  
bidding. 126469

(C) (1) The board of education of a qualifying school 126470  
district, at any time and by a vote of two-thirds of all its 126471  
members, may declare by resolution that it is necessary to levy 126472  
not more than five taxes in excess of the ten-mill limitation 126473  
for the current expenses of partnering community schools and, if 126474  
any of the levy proceeds are so allocated, of the school 126475  
district, and that each of the proposed taxes first will be 126476  
levied in a different year, over a specified period of time. A 126477  
qualifying school district that is not a municipal school 126478  
district may allocate all of the levy proceeds to partnering 126479  
community schools. A municipal school district shall allocate a 126480  
portion of the levy proceeds to the current expenses of the 126481  
district. The board shall identify the taxes proposed under this 126482  
division in the same manner as in division (A) (1) of this 126483  
section. The rate of each incremental tax shall be identical, 126484  
but the rates of such incremental taxes need not be the same as 126485  
the rate of the original tax. In addition to the specifications 126486  
required of the resolution in division (A) of this section, the 126487  
resolution shall state the number of the mills to be levied each 126488  
year for the current expenses of the partnering community 126489  
schools and the number of the mills, if any, to be levied each 126490

year for the current expenses of the school district. The number 126491  
of mills for the current expenses of partnering community 126492  
schools shall be the same for each of the incremental taxes, and 126493  
the number of mills for the current expenses of the qualifying 126494  
school district shall be the same for each of the incremental 126495  
taxes. 126496

The levy of taxes for the current expenses of a partnering 126497  
community school under division (C) of this section and the 126498  
distribution of proceeds from the tax by a qualifying school 126499  
district to partnering community schools is hereby determined to 126500  
be a proper public purpose. 126501

(2) The board of education, by a vote of two-thirds of all 126502  
of its members, may adopt a resolution proposing to renew taxes 126503  
levied other than for a continuing period of time under division 126504  
(C) (1) of this section. In such a renewal levy, the rates 126505  
allocated to the qualifying school district and to partnering 126506  
community schools each may be increased or decreased or remain 126507  
the same, and the total rate may be ~~increased,~~ ~~decreased,~~ or 126508  
remain the same. In addition to the requirements of division (A) 126509  
(2) of this section, the resolution shall state the number of 126510  
the mills to be levied for the current expenses of the 126511  
partnering community schools and the number of the mills to be 126512  
levied for the current expenses of the school district. 126513

(3) A resolution adopted under division (C) (1) or (2) of 126514  
this section is subject to the rules and procedures prescribed 126515  
by division (A) (3) of this section. 126516

(4) The proceeds of each tax levied under division (C) (1) 126517  
or (2) of this section shall be credited and distributed in the 126518  
manner prescribed by division (B) (3) of section 5705.21 of the 126519  
Revised Code, and divisions (B) (4), (5), and (6) of that section 126520

apply to taxes levied under division (C) of this section. 126521

(5) Notwithstanding section 133.30 of the Revised Code, 126522  
after the approval of a tax to be levied under division (C) (1) 126523  
or (2) of this section, in the current or succeeding year and 126524  
prior to the time when the first tax collection from that levy 126525  
can be made, the board of education may anticipate a fraction of 126526  
the proceeds of the levy for the current expenses of the 126527
