associated with the quarantine or transfer of the animal or 31886  
snake, including the costs of transportation, housing, food, and 31887

Code. The regulation of oil and gas activities is a matter of 32833  
general statewide interest that requires uniform statewide 32834  
regulation, and this chapter and rules adopted under it 32835  
constitute a comprehensive plan with respect to all aspects of 32836  
the locating, drilling, well stimulation, completing, and 32837  
operating of oil and gas wells within this state, including site 32838  
construction and restoration, permitting related to those 32839  
activities, and the disposal of wastes from those wells. In 32840  
order to assist the division in the furtherance of its sole and 32841  
exclusive authority as established in this section, the chief 32842  
may enter into cooperative agreements with other state agencies 32843  
for advice and consultation, including visitations at the 32844  
surface location of a well on behalf of the division. Such 32845  
cooperative agreements do not confer on other state agencies any 32846  
authority to administer or enforce this chapter and rules 32847  
adopted under it. In addition, such cooperative agreements shall 32848  
not be construed to dilute or diminish the division's sole and 32849  
exclusive authority as established in this section. Nothing in 32850  
this section affects the authority granted to the director of 32851  
transportation and local authorities in section 723.01 or 32852  
4513.34 of the Revised Code, provided that the authority granted 32853  
under those sections shall not be exercised in a manner that 32854  
discriminates against, unfairly impedes, or obstructs oil and 32855  
gas activities and operations regulated under this chapter. 32856

The chief shall not hold any other public office, nor 32857  
shall the chief be engaged in any occupation or business that 32858

all violations prosecuted by the attorney general and for 32870  
violations prosecuted by prosecuting attorneys that do not 32871  
involve the transportation of brine by vehicle shall be 32872  
deposited into the state treasury to the credit of the oil and 32873  
gas well fund, which is hereby created. Fines imposed under 32874  
divisions (C) and (D) of section 1509.99 of the Revised Code for 32875

transportation of brine by vehicle and penalties associated with 32877

(b) A board of county commissioners of a county that is an 32908  
owner of a well or a board of township trustees of a township 32909  
that is an owner of a well may elect to satisfy the liability 32910

section by participating in a joint self-insurance pool in 32912  
accordance with the requirements established under section 32913  
2744.081 of the Revised Code. Nothing in division (A) (1) (b) of 32914  
this section shall be construed to allow an entity, other than a 32915

the production operations of all the owner's wells in this 32926  
state. The insurance policy shall include a reasonable level of 32927  
coverage available for an environmental endorsement. 32928

(3) An owner shall maintain the coverage required under 32929  
division (A)(1) or (2) of this section until all the owner's 32930  
wells are plugged and abandoned or are transferred to an owner 32931  
who has obtained insurance as required under this section and 32932  
who is not under a notice of material and substantial violation 32933  
or under a suspension order. The owner shall provide proof of 32934  
liability insurance coverage to the chief of the division of oil 32935  
and gas resources management upon request. Upon failure of the 32936  
owner to provide that proof when requested, the chief may order 32937  
the suspension of any outstanding permits and operations of the 32938  
owner until the owner provides proof of the required insurance 32939  
coverage. 32940

(B)(1) Except as otherwise provided in this section, an 32941

responsibility, shall order that the owner execute and file a 32987  
bond or deposit cash, certificates of deposit, or irrevocable 32988

If the order is not complied with, all wells of the owner that 32991  
are specified in the order and for which no bond is filed or 32992  
cash, certificates of deposit, or letters of credit are 32993  
deposited shall be plugged. No owner shall fail or refuse to 32994  
plug such a well. Each day on which such a well remains 32995  
unplugged thereafter constitutes a separate offense. 32996

(4) The surety bond provided for in this section shall be 32997  
executed by a surety company authorized to do business in this 32998  
state. 32999

Revised Code. 33017

(C) An owner, operator, producer, or other person shall 33018  
not operate a well or produce from a well at any time if the 33019  
owner, operator, producer, or other person has not satisfied the 33020  
requirements established in this section. 33021

**Sec. 1509.071.** (A) When the chief of the division of oil 33022

wells, or fifty thousand dollars for three or more wells. 33038

In lieu of total forfeiture, the surety or owner, at the 33039  
surety's or owner's option, may cause the well to be properly 33040  
plugged and abandoned and the area properly restored or pay to 33041

comply with the applicable requirements of this chapter and 33215  
applicable rules adopted and orders issued under it and whether 33216  
the cost of the plugging under the proposed contract is 33217

would comply with those requirements and that the proposed cost 33219  
of the plugging is reasonable, the chief shall notify the 33220

landowner of that determination and issue to the landowner a 33221  
permit to plug the well under section 1509.13 of the Revised 33222  
Code. The chief may disapprove an application submitted under 33223  
division (E) (2) (a) of this section if the chief determines that 33224  
the proposed plugging would not comply with the applicable 33225  
requirements of this chapter and applicable rules adopted and 33226  
orders issued under it, that the cost of the plugging under the 33227  
proposed contract is unreasonable, or that the proposed contract 33228  
is not a bona fide, arm's length contract. 33229

(c) After receiving the chief's notice of the approval of 33230  
the application and permit to plug and abandon a well under 33231  
division (E) (2) (b) of this section, the landowner may enter into 33232  
the proposed contract to plug the well. 33233

(d) Upon determining that the plugging has been completed 33234  
in compliance with the applicable requirements of this chapter 33235  
and applicable rules adopted and orders issued under it, the 33236  
chief shall pay the contractor for the cost of the plugging and 33237  
restoration as set forth in the proposed contract approved by 33238  
the chief and changes or costs approved by the chief. The 33239  
payment shall be paid from the oil and gas well fund or the oil 33240  
and gas resolution and remediation fund. The chief shall only 33241  
make payments for purposes of division (E) (2) of this section 33242  
pursuant to a proper invoice as defined under section 125.01 of 33243  
the Revised Code. 33244

(e) If the chief determines that the plugging was not 33245  
completed in accordance with the applicable requirements, the 33246  
chief shall not pay the contractor or landowner for the cost of 33247  
the plugging. 33248

(f) If any equipment was removed from the well during the 33249  
plugging and sold, the chief shall deduct the sale amount of the 33250

equipment from the payment to the contractor. 33251

(g) Changes made to a contract executed under division (E) 33252  
(2) of this section due to unanticipated conditions may be 33253  
presented to the chief in the form of a written request for 33254  
approval of the additional costs prior to completion of the 33255  
work. The chief shall determine if the changes are necessary to 33256  
comply with this chapter and rules adopted and orders issued 33257  
under it and if the cost of the changes are reasonable. The 33258  
chief shall provide to the contractor a written decision 33259  
regarding the proposed changes. If the chief determines that the 33260  
changes are not necessary or that the costs are not reasonable, 33261  
the chief may either deny the request or establish the amount of 33262  
the cost that the chief approves. Work completed prior to 33263  
receipt of written approval from the chief is not eligible for 33264  
payment, unless waived by the chief. 33265

(3) The chief may establish an annual limit on the number 33266  
of wells that may be plugged under division (E)(2) of this 33267  
section or an annual limit on the expenditures to be made under 33268  
that division. The chief may reject an application submitted 33269  
under division (E)(2) of this section if the chief determines 33270  
that the plugging of other wells take priority. 33271

(4) As used in division (E)(2) of this section, "plug" and 33272  
"plugging" include the plugging of the well, replugging of a 33273  
previously plugged orphaned well or a well for which final 33274  
restoration was completed under section 1509.072 of the Revised 33275  
Code and rules adopted under it, drilling out or cleanout of a 33276  
well bore to remove material from a well, installation of 33277  
casings, installation of a vault and vent, restoration, and the 33278  
restoration of the land surface disturbed by the plugging. 33279

(F)(1) Expenditures from the oil and gas well fund or the 33280

oil and gas resolution and remediation fund for the purpose of 33281  
division (B) (1) (b) of this section may be made pursuant to 33282  
contracts entered into by either the chief or another agency of 33283  
the state with persons who agree to furnish the materials, 33284  
equipment, work, and labor as specified and provided in such a 33285  
contract. The competitive bidding requirements of Chapter 153. 33286  
of the Revised Code do not apply if the chief reasonably 33287  
determines that a situation exists requiring immediate action 33288  
for the correction of the applicable health or safety risk. A 33289  
contract or purchase of materials for purposes of addressing the 33290  
emergency situation is not subject to division (B) of section 33291  
127.16 of the Revised Code. The chief, designated 33292  
representatives of the chief, and agents or employees of persons 33293  
contracting with the chief to locate, analyze, stabilize, 33294  
design, plug, remediate, or restore a well under this division 33295  
may enter upon any land, public or private, on which the well is 33296  
located, or on parcels needed for access, for the purpose of 33297  
performing the work. 33298

(2) The chief shall issue an order that requires the owner 33299  
of a well to pay the actual documented costs of a corrective 33300  
action that is described in division (B) (1) (b) of this section 33301  
concerning the well. The chief shall transmit the money so 33302  
recovered to the treasurer of state who shall deposit the money 33303  
in the ~~state treasury to the credit of the oil and gas well-~~ 33304  
resolution and remediation fund. 33305

<u>Sec. 1509.075. (A) There is hereby created the oil and gas</u>	33364

**Sec. 1509.13.** (A) (1) Except as otherwise provided in 33400  
division (A) (2) of this section and division (E) (1) of section 33401  
1509.071 of the Revised Code, no person shall plug and abandon a 33402  
well without having a permit to do so issued by the chief of the 33403  
division of oil and gas resources management. The permit shall 33404  
be issued by the chief in accordance with this chapter and shall 33405  
be valid for a period of twenty-four months from the date of 33406  
issue. 33407

(2) The holder of a valid permit issued under section 33408  
1509.06 of the Revised Code may receive approval from an oil and 33409  
gas resources inspector to plug and abandon the well associated 33410  
with that permit, without obtaining the permit required under 33411  
division (A) of this section, if either of the following apply: 33412

(a) The well was drilled to total depth and the well 33413  
cannot or will not be completed. 33414

(b) The well is a lost hole or dry hole. 33415

(3) A permit holder plugging a well pursuant to division 33416  
(A) (2) (a) of this section shall plug the well within thirty days 33417  
of receipt of approval from the oil and gas resources inspector. 33418

(4) A permit holder plugging a well pursuant to division 33419  
(A) (2) (b) of this section shall plug the well immediately after 33420  
determining that the well is a lost hole or dry hole in 33421  
accordance with rules adopted under this chapter. 33422

(B) The application for a permit to plug and abandon shall 33423  
be filed as many days in advance as will be necessary for an oil 33424  
and gas resources inspector or, if the well is located in a coal 33425

bearing township, both a deputy mine inspector and an oil and gas resources inspector to be present at the plugging. The application shall be filed with the chief upon a form that the chief prescribes and shall contain the following information:

(1) The name and address of the applicant;

notice to the owner or lessee of that mine of the intention to 33456  
abandon the well and of the time when the owner of the well will 33457  
be prepared to commence plugging it. 33458

(D) An applicant may file a request with the chief for 33459  
expedited review of an application for a permit to plug and 33460  
abandon a well. The chief may refuse to accept a request for 33461  
expedited review if, in the chief's judgment, acceptance of the 33462  
request will prevent the issuance, within twenty-one days of 33463  
filing, of permits for which applications filed under section 33464  
1509.06 of the Revised Code are pending. In addition to a 33465  
complete application for a permit that meets the requirements of 33466  
this section ~~and the permit fee prescribed by this section, if~~ 33467  
~~applicable~~, a request for expedited review shall be accompanied 33468  
by a nonrefundable filing fee of five hundred dollars unless the 33469  
chief has ordered the applicant to plug and abandon the well. 33470  
When a request for expedited review is filed, the chief shall 33471  
immediately begin to process the application and shall issue a 33472  
permit within seven days of the filing of the request unless the 33473  
chief, by order, denies the application. 33474

(E) (1) Except as otherwise provided in division (E) (2) of 33475  
this section, any person undertaking the plugging of a well for 33476  
which a permit has been issued under this section shall obtain 33477  
insurance for bodily injury coverage and property damage 33478  
coverage in the amount established under section 1509.07 of the 33479  
Revised Code to pay for damages or injury to property or person, 33480  
including damages caused by the plugging of the well. The person 33481  
shall electronically submit proof of insurance to the chief upon 33482  
the chief's request. 33483

(2) Division (E)(1) of this section does not apply to a 33484  
person already required to maintain an insurance policy under 33485  
section 1509.07 of the Revised Code. 33486

(F) This section does not apply to a well plugged or 33487  
abandoned in compliance with section 1571.05 of the Revised 33488  
Code. 33489

**Sec. 1509.36.** Any person adversely affected by an order by 33490  
the chief of the division of oil and gas resources management 33491  
may appeal to the oil and gas commission for an order vacating 33492  
or modifying the order. 33493

The person so appealing to the commission shall be known 33494  
as appellant and the chief shall be known as appellee. Appellant 33495  
and appellee shall be deemed to be parties to the appeal. 33496

The appeal shall be in writing and shall set forth the 33497  
order complained of and the grounds upon which the appeal is 33498  
based. The appeal shall be filed with the commission within 33499  
thirty days after the date upon which the person to whom the 33500  
order was issued received the order and, for all other persons 33501  
adversely affected by the order, within thirty days after the 33502  
date of the order complained of. Notice of the filing of the 33503  
appeal shall be filed with the chief within three days after the 33504  
appeal is filed with the commission. 33505

Upon the filing of the appeal, the commission may decide 33506  
the appeal, in whole or in part, without a hearing when, in its 33507  
judgment, it is appropriate to do so. If the commission decides 33508  
to hold a hearing, the commission promptly shall fix the time 33509  
and place at which the hearing on the appeal will be held, and 33510  
shall give the appellant and the chief at least ten days' 33511  
written notice thereof by mail. The commission may postpone or 33512

continue any hearing upon its own motion or upon application of 33513  
the appellant or of the chief. 33514

The filing of an appeal provided for in this section does 33515  
not automatically suspend or stay execution of the order 33516  
appealed from, but upon application by the appellant the 33517  
commission may suspend or stay the execution pending 33518  
determination of the appeal upon such terms as the commission 33519  
considers proper. 33520

Either party to the appeal or any interested person who, 33521  
pursuant to commission rules has been granted permission to 33522  
appear, may submit such evidence as the commission considers 33523  
admissible. 33524

For the purpose of conducting a hearing on an appeal, the 33525  
commission may require the attendance of witnesses and the 33526  
production of books, records, and papers, and it may, and at the 33527  
request of any party it shall, issue subpoenas for witnesses or 33528  
subpoenas duces tecum to compel the production of any books, 33529  
records, or papers, directed to the sheriffs of the counties 33530  
where the witnesses are found. The subpoenas shall be served and 33531  
returned in the same manner as subpoenas in criminal cases are 33532  
served and returned. The fees of sheriffs shall be the same as 33533  
those allowed by the court of common pleas in criminal cases. 33534  
Witnesses shall be paid the fees and mileage provided for under 33535  
section 119.094 of the Revised Code. Such fees and mileage 33536  
expenses incurred at the request of appellant shall be paid in 33537  
advance by the appellant, and the remainder of those expenses 33538  
shall be paid out of funds appropriated for the expenses of the 33539  
division of oil and gas resources management. 33540

In case of disobedience or neglect of any subpoena served 33541  
on any person, or the refusal of any witness to testify to any 33542

matter regarding which the witness may be lawfully interrogated, 33543  
the court of common pleas of the county in which the 33544  
disobedience, neglect, or refusal occurs, or any judge thereof, 33545  
on application of the commission or any member thereof, shall 33546  
compel obedience by attachment proceedings for contempt as in 33547  
the case of disobedience of the requirements of a subpoena 33548  
issued from that court or a refusal to testify therein. 33549  
Witnesses at such hearings shall testify under oath, and any 33550  
member of the commission may administer oaths or affirmations to 33551  
persons who so testify. 33552

~~At~~ If a hearing occurs and at the request of any party to 33553  
the appeal, a record of the testimony and other evidence 33554  
submitted shall be taken by an official court reporter at the 33555  
expense of the party making the request for the record. The 33556  
record shall include all of the testimony and other evidence and 33557  
the rulings on the admissibility thereof presented at the 33558  
hearing. The commission shall pass upon the admissibility of 33559  
evidence, but any party may at the time object to the admission 33560  
of any evidence and except to the rulings of the commission 33561  
thereon, and if the commission refuses to admit evidence the 33562  
party offering same may make a proffer thereof, and such proffer 33563  
shall be made a part of the record of the hearing. 33564

If ~~upon completion of the hearing~~ the commission finds 33565  
that the order appealed from was lawful and reasonable, it shall 33566  
make a written order affirming the order appealed from; if the 33567  
commission finds that the order was unreasonable or unlawful, it 33568  
shall make a written order vacating the order appealed from and 33569  
making the order that it finds the chief should have made. Every 33570  
order made by the commission shall contain a written finding by 33571  
the commission of the facts upon which the order is based. 33572

Notice of the making of the order shall be given forthwith 33573  
to each party to the appeal by mailing a certified copy thereof 33574  
to each such party by certified mail. 33575

The order of the commission is final unless vacated by the 33576  
court of common pleas of Franklin county in an appeal as 33577  
provided for in section 1509.37 of the Revised Code. Sections 33578  
1509.01 to 1509.37 of the Revised Code, providing for appeals 33579  
relating to orders by the chief or by the commission, or 33580  
relating to rules adopted by the chief, do not constitute the 33581  
exclusive procedure that any person who believes the person's 33582  
rights to be unlawfully affected by those sections or any 33583  
official action taken thereunder must pursue in order to protect 33584  
and preserve those rights, nor do those sections constitute a 33585  
procedure that that person must pursue before that person may 33586  
lawfully appeal to the courts to protect and preserve those 33587  
rights. 33588

**Sec. 1509.38.** (A) There is hereby created in the division 33589

interests, shall have at least five years of practical or 33603

technical experience in oil or gas drilling and production. Not 33604  
more than one member may represent any one company, producer, or 33605

(B) Terms of office shall be for three years, commencing 33607  
on the first day of February and ending on the thirty-first day 33608  
of January. Each member shall hold office from the date of 33609  
appointment until the end of the term for which the member was 33610  
appointed. A vacancy in the office of a member shall be filled 33611  
by the governor, with the advice and consent of the senate. Any 33612  
member appointed to fill a vacancy occurring prior to the 33613  
expiration of the term for which the member's predecessor was 33614

during the last year the tax to be renewed may be extended on 34722  
the tax list, or at any election described in division (A) (1) or 34723  
(2) of this section in the ensuing year. Such a resolution may 34724  
specify that the renewal, increase, or decrease of the existing 34725  
levy shall be extended on the tax list for the tax year 34726  
specified in the resolution, which may be the last year the 34727  
existing levy may be extended on the list for the ensuing year. 34728  
If the renewal, increase, or decrease is to be extended on the 34729  
tax list for the last tax year the existing levy would otherwise 34730  
be extended, the existing levy shall not be extended on the tax 34731  
list for that last year unless the question of the renewal, 34732  
increase, or decrease is not approved by a majority of electors 34733  
voting on the question, in which case the existing levy shall be 34734  
extended on the tax list for that last year. 34735

Except as otherwise prescribed in division (B) of this 34736  
section, the ballot shall set forth the purpose for which the 34737  
taxes shall be levied, the levy's estimated annual collections, 34738  
the annual rate of levy, expressed in mills for each dollar of 34739  
taxable value and in dollars for each one hundred thousand 34740  
dollars of ~~the county auditor's appraised market~~ value, and the 34741  
number of years of such levy. If the tax is to be placed on the 34742  
current tax list, the form of the ballot shall state that the 34743  
tax will be levied in the current tax year and shall indicate 34744

the first calendar year the tax will be due. 34745

~~(B)(1)~~ (B) If the resolution of the board of park 34746  
commissioners provides that an existing levy will be renewed, 34747  
increased, or decreased upon the passage of the ballot question, 34748  
the form of the ballot shall be the same as prescribed for such 34749  
levies in divisions (B) and (C) of section 5705.25 of the 34750  
Revised Code. 34751

~~(2) If the resolution of the board of park commissioners~~ 34752  
~~provides that an existing levy will be canceled upon the passage~~ 34753  
~~of the new levy, the board shall request that the county~~ 34754  
~~auditor, in addition to the information the auditor is required~~ 34755  
~~to certify under section 5705.03 of the Revised Code, certify~~ 34756  
~~the effective rate of the existing levy. In such an instance,~~ 34757  
~~the ballot must include a statement that: "an existing levy of~~ 34758  
~~\_\_\_ mills (stating the original levy millage) for each \$1 of~~ 34759  
~~taxable value, which amounts to \$\_\_\_ (effective rate) for each~~ 34760  
~~\$100,000 of the county auditor's appraised value, having \_\_\_~~ 34761  
~~years remaining, will be canceled and replaced upon the passage~~ 34762  
~~of this levy." In such case, the ballot may refer to the new~~ 34763  
~~levy as a "replacement levy" if the new millage does not exceed~~ 34764  
~~the original millage of the levy being canceled or as a~~ 34765  
~~"replacement and additional levy" if the new millage exceeds the~~ 34766  
~~original millage of the levy being canceled.~~ 34767

(C) If a majority of the electors voting upon the question 34768  
of such levy vote in favor thereof, such taxes shall be levied 34769  
and shall be in addition to the taxes authorized by section 34770  
1545.20 of the Revised Code, and all other taxes authorized by 34771  
law. The rate submitted to the electors at any one time shall 34772  
not exceed two mills annually upon each dollar of taxable value 34773  
unless the purpose of the levy includes providing operating 34774

revenues for one of Ohio's major metropolitan zoos, as defined 34775  
in section 4503.74 of the Revised Code, in which case the rate 34776  
shall not exceed three mills annually upon each dollar of 34777  
taxable value. When a tax levy has been authorized as provided 34778  
in this section or in section 1545.041 of the Revised Code, the 34779  
board of park commissioners may issue bonds pursuant to section 34780  
133.24 of the Revised Code in anticipation of the collection of 34781  
such levy, provided that such bonds shall be issued only for the 34782  
purpose of acquiring and improving lands. Such levy, when 34783  
collected, shall be applied in payment of the bonds so issued 34784  
and the interest thereon. The amount of bonds so issued and 34785  
outstanding at any time shall not exceed one per cent of the 34786  
total taxable value in such district. Such bonds shall bear 34787  
interest at a rate not to exceed the rate determined as provided 34788  
in section 9.95 of the Revised Code. 34789

(D) As used in this section, "~~the county auditor's~~ 34790  
~~appraised market value~~" and "effective rate" have the same 34791  
meanings as in section 5705.01 of the Revised Code. 34792

United States, or was a prisoner of war and was honorably 35125  
discharged or received an equivalent discharge or release from 35126  
one of the armed forces of a country listed in division (P) (2) 35127  
of this section. 35128

(R) Annually by the fifteenth day of January, the director 35129  
of natural resources shall determine the amount of fees that 35130  
would have been collected in the prior calendar year for each 35131  
certificate of registration issued or renewed pursuant to 35132  
division (Q) of this section and shall certify the total amount 35133  
of foregone revenue to the director of budget and management for 35134  
reimbursement. The director of budget and management shall 35135  
transfer the amount certified from the general revenue fund to 35136  
the waterways safety fund. 35137

**Sec. 1548.06.** (A) (1) Application for a certificate of 35138  
title for a watercraft or outboard motor shall be made upon a 35139  
form prescribed by the chief of the division of parks and 35140  
watercraft and shall be sworn to before a notary public or other 35141  
officer empowered to administer oaths. The application shall be 35142  
filed with the clerk of any court of common pleas. An 35143  
application for a certificate of title may be filed 35144  
electronically by any electronic means approved by the chief in 35145  
any county with the clerk of the court of common pleas of that 35146  
county. The application shall be accompanied by the fee 35147  
prescribed in section 1548.10 of the Revised Code. The fee shall 35148  
be retained by the clerk who issues the certificate of title and 35149  
shall be distributed in accordance with that section. If a clerk 35150  
of a court of common pleas, other than the clerk of the court of 35151  
common pleas of an applicant's county of residence, issues a 35152  
certificate of title to the applicant, the clerk shall transmit 35153  
data related to the transaction to the automated title 35154

processing system. 35155

(2) If a certificate of title previously has been issued 35156  
for the watercraft or outboard motor, the application for a 35157  
certificate of title also shall be accompanied by the 35158  
certificate of title duly assigned unless otherwise provided in 35159  
this chapter. If a certificate of title previously has not been 35160  
issued for the watercraft or outboard motor in this state, the 35161  
application, unless otherwise provided in this chapter, shall be 35162  
accompanied by a manufacturer's or importer's certificate; by a 35163  
sworn statement of ownership if the watercraft or outboard motor 35164  
was purchased by the applicant on or before October 9, 1963, or 35165  
if the watercraft is less than fourteen feet long with a 35166  
permanently affixed mechanical means of propulsion and was 35167  
purchased by the applicant on or before January 1, 2000; or by a 35168  
certificate of title, bill of sale, or other evidence of 35169  
ownership required by the law of another state from which the 35170  
watercraft or outboard motor was brought into this state. 35171  
Evidence of ownership of a watercraft or outboard motor for 35172  
which an Ohio certificate of title previously has not been 35173  
issued and which watercraft or outboard motor does not have 35174  
permanently affixed to it a manufacturer's serial number shall 35175  
be accompanied by the certificate of assignment of a hull 35176  
identification number assigned by the chief as provided in 35177  
section 1548.07 of the Revised Code. 35178

(3) The clerk shall retain the evidence of title presented 35179  
by the applicant and on which the certificate of title is 35180  
issued, except that, if an application for a certificate of 35181  
title is filed electronically, by a vendor on behalf of a 35182  
purchaser of a watercraft or outboard motor, the clerk shall 35183  
retain the completed electronic record to which the vendor 35184  
converted the certificate of title application and other 35185

required documents. The chief, after consultation with the attorney general, shall adopt rules that govern the location at which, and the manner in which, are stored the actual application and all other documents relating to the sale of a watercraft or outboard motor when a vendor files the application for a certificate of title electronically on behalf of a purchaser.

(B) The clerk shall use reasonable diligence in ascertaining whether the facts in the application are true by checking the application and documents accompanying it or the electronic record to which a vendor converted the application and accompanying documents with the records of watercraft and outboard motors in the clerk's office. If the clerk is satisfied that the applicant is the owner of the watercraft or outboard motor and that the application is in the proper form, the clerk shall issue a physical certificate of title over the clerk's signature and sealed with the clerk's seal unless the applicant specifically requests the clerk not to issue a physical certificate of title and instead to issue an electronic certificate of title. However, if the evidence indicates and an investigation shows that one or more Ohio titles already exist for the watercraft or outboard motor, the chief may cause the redundant title or titles to be canceled.

(C) In the case of the sale of a watercraft or outboard motor by a vendor to a general purchaser or user, the certificate of title shall be obtained in the name of the purchaser by the vendor upon application signed by the purchaser. In all other cases, the certificate shall be obtained by the purchaser. In all cases of transfer of watercraft or outboard motors, the application for certificate of title shall be filed within thirty days after the later of the date of

purchase or assignment of ownership of the watercraft or 35217  
outboard motor. If the application for certificate of title is 35218  
not filed within thirty days after the later of the date of 35219  
purchase or assignment of ownership of the watercraft or 35220  
outboard motor, the clerk shall charge a late penalty fee of 35221  
five dollars in addition to the fee prescribed by section 35222  
1548.10 of the Revised Code. The clerk shall retain the entire 35223  
amount of each late penalty fee. 35224

(D) The clerk shall refuse to accept an application for 35225  
certificate of title unless the applicant either tenders with 35226  
the application payment of all taxes levied by or pursuant to 35227  
Chapter 5739. or 5741. of the Revised Code based on the 35228  
applicant's county of residence less, in the case of a sale by a 35229  
vendor, any discount to which the vendor is entitled under 35230  
section 5739.12 of the Revised Code, or submits any of the 35231  
following: 35232

(1) A receipt issued by the tax commissioner or a clerk of 35233  
courts showing payment of the tax; 35234

(2) A copy of the unit certificate of exemption completed 35235  
by the purchaser at the time of sale as provided in section 35236  
5739.03 of the Revised Code; 35237

(3) An exemption certificate, in a form prescribed by the 35238  
tax commissioner, that specifies why the purchase is not subject 35239  
to the tax imposed by Chapter 5739. or 5741. of the Revised 35240  
Code. 35241

Payment of the tax shall be in accordance with rules 35242  
issued by the tax commissioner, and the clerk shall issue a 35243  
receipt in the form prescribed by the tax commissioner to any 35244  
applicant who tenders payment of the tax with the application 35245

for the certificate of title. 35246

(E) (1) For receiving and disbursing the taxes paid to the 35247  
clerk by a resident of the clerk's county, the clerk may retain 35248  
a poundage fee of one and one one-hundredth per cent of the 35249  
taxes collected, which shall be paid into the certificate of 35250  
title administration fund created by section 325.33 of the 35251  
Revised Code. The clerk shall not retain a poundage fee from 35252  
payments of taxes by persons who do not reside in the clerk's 35253  
county. 35254

(2) A clerk, however, may retain from the taxes paid to 35255  
the clerk an amount equal to the poundage fees associated with 35256  
certificates of title issued by other clerks of courts of common 35257  
pleas to applicants who reside in the first clerk's county. The 35258  
chief of the division of parks and watercraft, in consultation 35259  
with the tax commissioner and the clerks of the courts of common 35260  
pleas, shall develop a report from the automated title 35261  
processing system that informs each clerk of the amount of the 35262  
poundage fees that the clerk is permitted to retain from those 35263  
taxes because of certificates of title issued by the clerks of 35264  
other counties to applicants who reside in the first clerk's 35265  
county. 35266

(F) In the case of casual sales of watercraft or outboard 35267  
motors that are subject to the tax imposed by Chapter 5739. or 35268  
5741. of the Revised Code, the purchase price for the purpose of 35269  
determining the tax shall be the purchase price on an affidavit 35270  
executed and filed with the clerk by the vendor on a form to be 35271  
prescribed by the chief, which shall be prima-facie evidence of 35272  
the price for the determination of the tax. In addition to the 35273  
information required by section 1548.08 of the Revised Code, 35274  
each certificate of title shall contain in bold lettering the 35275

following notification and statements: "WARNING TO TRANSFEROR 35276  
AND TRANSFEREE (SELLER AND BUYER). You are required by law to 35277  
state the true selling price. A false statement is a violation 35278  
of section 2921.13 of the Revised Code and is punishable by six 35279  
months imprisonment or a fine of up to one thousand dollars, or 35280  
both. All transfers are audited by the department of taxation. 35281  
The seller and buyer must provide any information requested by 35282  
the department of taxation. The buyer may be assessed any 35283  
additional tax found to be due." 35284

(G) Each county clerk of courts shall forward to the ~~tax-~~ 35285  
~~commissioner~~ registrar of motor vehicles, in a manner prescribed 35286  
by the tax commissioner, all sales and use tax collections 35287  
resulting from sales of titled watercraft and outboard motors 35288  
during a calendar week on or before the Friday following the 35289  
close of that week. If, on any Friday, the offices of the clerk 35290  
of courts or the state are not open for business, the tax shall 35291  
be forwarded to the ~~commissioner~~ registrar on or before the next 35292  
day on which the offices are open. Every remittance of tax under 35293  
this division shall be accompanied by a remittance report in 35294  
such form as the commissioner, in consultation with the director 35295  
of public safety, prescribes. If the tax due for any week is not 35296  
remitted by a clerk of courts as required under this division, 35297  
the clerk shall forfeit the poundage fees for the sales made 35298  
during that week. The commissioner may require the clerks of 35299  
courts to transmit tax collections and remittance reports 35300  
electronically. 35301

(H) For purposes of a transfer of a certificate of title, 35302  
if the clerk is satisfied that a secured party has discharged a 35303  
lien but has not canceled the lien notation with a clerk, the 35304  
clerk may cancel the lien notation on the automated title 35305  
processing system and notify the clerk of the county of origin. 35306

(I) Every clerk shall have the capability to transact by 35307  
electronic means all procedures and transactions relating to the 35308  
issuance of watercraft or outboard motor certificates of title 35309  
that are described in the Revised Code as being accomplished by 35310  
electronic means. 35311

forth all of the following: 35316

agent and shall file in the office of the secretary of state a 35386  
written appointment of the agent that is signed by any 35387  
authorized officer of the corporation and a written acceptance 35388  
of the appointment that is either the original acceptance signed 35389

of the original acceptance signed by the agent. 35391

(C) (1) The written appointment of an agent shall set forth 35392

the name and address in this state of the agent, including the 35393  
street and number of the agent's primary residence in this state 35394  
or, if the agent is not a natural person, the agent's usual 35395

individual is generally present who is authorized to perform the 35403  
services of a registered agent, including accepting service of 35404  
process and other notifications for the person serving as a 35405  
statutory agent. "Usual place of business" does not include a 35406  
post office box, regardless of whether that post office box has 35407  
an associated street address. 35408

(D) If any agent dies, removes from the state, or resigns, 35409  
the corporation shall forthwith appoint another agent and file 35410  
with the secretary of state, on a form prescribed by the 35411  
secretary of state, a written appointment of the agent. 35412

the secretary of state, on a form prescribed by the secretary of 35416  
state, a written statement setting forth the new address. 35417

(F) An agent may resign by filing with the secretary of 35418  
state, on a form prescribed by the secretary of state, a written 35419  
notice to that effect that is signed by the agent and by sending 35420  
a copy of the notice to the corporation at the current or last 35421  
known address of its principal office on or prior to the date 35422

the notice is filed with the secretary of state. The notice 35423  
shall set forth the name of the corporation, the name and 35424

to the corporation within the time and in the manner prescribed 35429  
by this division. Upon the expiration of thirty days after the 35430  
filing, the authority of the agent shall terminate. 35431

(G) A corporation may revoke the appointment of an agent 35432  
by filing with the secretary of state, on a form prescribed by 35433  
the secretary of state, a written appointment of another agent 35434  
and a statement that the appointment of the former agent is 35435

the corporation by delivering a copy of it to its agent, if a 35439  
natural person, or by delivering a copy of it at the address of 35440  
its agent in this state, as the address appears upon the record 35441  
in the office of the secretary of state. If (1) the agent cannot 35442  
be found, or (2) the agent no longer has that address, or (3) 35443  
the corporation has failed to maintain an agent as required by 35444  
this section, and if in any such case the party desiring that 35445  
the process, notice, or demand be served, or the agent or 35446  
representative of the party, shall have filed with the secretary 35447  
of state an affidavit stating that one of the foregoing 35448  
conditions exists and stating the most recent address of the 35449  
corporation that the party after diligent search has been able 35450  
to ascertain, then service of process, notice, or demand upon 35451  
the secretary of state, as the agent of the corporation, may be 35452  
initiated by delivering to the secretary of state or at the 35453

secretary of state's office quadruplicate copies of such 35454  
process, notice, or demand and by paying to the secretary of 35455  
state a fee of five dollars. The secretary of state shall 35456  
forthwith give notice of the delivery to the corporation at its 35457  
principal office as shown upon the record in the secretary of 35458  
state's office and at any different address shown on its last 35459  
franchise tax report filed in this state, or to the corporation 35460  
at any different address set forth in the above mentioned 35461  
affidavit, and shall forward to the corporation at said 35462  
addresses, by certified mail, with request for return receipt, a 35463  
copy of the process, notice, or demand; and thereupon service 35464  
upon the corporation shall be deemed to have been made. 35465

(I) The secretary of state shall keep a record of each 35466  
process, notice, and demand delivered to the secretary of state 35467  
or at the secretary of state's office under this section or any 35468  
other law of this state that authorizes service upon the 35469  
secretary of state, and shall record the time of the delivery 35470  
and the action thereafter with respect thereto. 35471

(J) This section does not limit or affect the right to 35472  
serve any process, notice, or demand upon a corporation in any 35473  
other manner permitted by law. 35474

~~(K) Every corporation shall state in each annual report~~ 35475  
~~filed by it with the department of taxation the name and address~~ 35476  
~~of its statutory agent.~~ 35477

~~(L)~~ Except when an original appointment of an agent is 35478  
filed with the original articles, a written appointment of an 35479  
agent or a written statement filed by a corporation with the 35480  
secretary of state shall be signed by any authorized officer of 35481  
the corporation or by the incorporators of the corporation or a 35482  
majority of them if no directors have been elected. 35483

~~(M)~~-(L) For filing a written appointment of an agent other 35484  
than one filed with original articles, and for filing a 35485  
statement of change of address of an agent, the secretary of 35486  
state shall charge and collect the fee specified in division (R) 35487  
of section 111.16 of the Revised Code. 35488

~~(N)~~-(M) Upon the failure of a corporation to appoint 35489  
another agent or to file a statement of change of address of an 35490  
agent, the secretary of state shall give notice thereof by 35491  
ordinary or electronic mail to the corporation at the electronic 35492  
mail address provided to the secretary of state, or at the 35493  
address set forth in the notice of resignation or on the last 35494  
franchise tax return filed in this state by the corporation. 35495  
Unless the default is cured within thirty days after the mailing 35496  
by the secretary of state of the notice or within any further 35497  
period of time that the secretary of state grants, upon the 35498  
expiration of that period of time from the date of the mailing, 35499  
the articles of the corporation shall be canceled without 35500  
further notice or action by the secretary of state. The 35501  
secretary of state shall make a notation of the cancellation on 35502  
the secretary of state's records. 35503

A corporation whose articles have been canceled may be 35504  
reinstated by filing, within two years of the cancellation, on a 35505  
form prescribed by the secretary of state, an application for 35506  
reinstatement and the required appointment of agent or required 35507  
statement, and by paying the filing fee specified in division 35508  
(Q) of section 111.16 of the Revised Code. The rights, 35509  
privileges, and franchises of a corporation whose articles have 35510  
been reinstated are subject to section 1701.922 of the Revised 35511  
Code. The secretary of state shall furnish the tax commissioner 35512  
a monthly list of all corporations canceled and reinstated under 35513  
this division. 35514

~~(O)~~-(N) This section does not apply to banks, trust 35515  
companies, insurance companies, or any corporation defined under 35516  
the laws of this state as a public utility for taxation 35517

Code. 36515

(2) The treasurer of the county in which a county-operated 36516  
municipal court or other municipal court is located shall pay 36517  
the per diem compensation to which an assigned judge assigned 36518

**Sec. 1901.26.** (A) Subject to division (E) of this section, 36566  
costs in a municipal court shall be fixed and taxed as follows: 36567

(1) (a) The municipal court shall require an advance 36568  
deposit for the filing of any new civil action or proceeding 36569  
when required by division (C) of this section, subject to its 36570  
waiver pursuant to that division, and in all other cases, by 36571  
rule, shall establish a schedule of fees and costs to be taxed 36572  
in any civil or criminal action or proceeding. 36573

(b) (i) The legislative authority of a municipal 36574  
corporation may by ordinance establish a schedule of fees to be 36575  
taxed as costs in any civil, criminal, or traffic action or 36576  
proceeding in a municipal court for the performance by officers 36577  
or other employees of the municipal corporation's police 36578  
department or marshal's office of any of the services specified 36579  
in sections 311.17 and 509.15 of the Revised Code. No fee in the 36580  
schedule shall be higher than the fee specified in section 36581  
311.17 of the Revised Code for the performance of the same 36582  
service by the sheriff. If a fee established in the schedule 36583  
conflicts with a fee for the same service established in another 36584  
section of the Revised Code or a rule of court, the fee 36585  
established in the other section of the Revised Code or the rule 36586  
of court shall apply. 36587

(ii) When an officer or employee of a municipal police 36588  
department or marshal's office performs in a civil, criminal, or 36589

traffic action or proceeding in a municipal court a service 36590  
specified in section 311.17 or 509.15 of the Revised Code for 36591  
which a taxable fee has been established under this or any other 36592  
section of the Revised Code, the applicable legal fees and any 36593  
other extraordinary expenses, including overtime, provided for 36594  
the service shall be taxed as costs in the case. The clerk of 36595  
the court shall pay those legal fees and other expenses, when 36596  
collected, into the general fund of the municipal corporation 36597  
that employs the officer or employee. 36598

(iii) If a bailiff of a municipal court performs in a 36599  
civil, criminal, or traffic action or proceeding in that court a 36600  
service specified in section 311.17 or 509.15 of the Revised 36601  
Code for which a taxable fee has been established under this 36602  
section or any other section of the Revised Code, the fee for 36603  
the service is the same and is taxable to the same extent as if 36604  
the service had been performed by an officer or employee of the 36605  
police department or marshal's office of the municipal 36606  
corporation in which the court is located. The clerk of that 36607  
court shall pay the fee, when collected, into the general fund 36608  
of the entity or entities that fund the bailiff's salary, in the 36609  
same prorated amount as the salary is funded. 36610

(iv) Division (A) (1) (b) of this section does not authorize 36611  
or require any officer or employee of a police department or 36612  
marshal's office of a municipal corporation or any bailiff of a 36613  
municipal court to perform any service not otherwise authorized 36614  
by law. 36615

(2) The municipal court, by rule, may require an advance 36616  
deposit for the filing of any civil action or proceeding and 36617  
publication fees as provided in section 2701.09 of the Revised 36618  
Code. The court shall waive the requirement for advance deposit 36619

for a party that the court determines qualifies as an indigent 36620  
litigant as set forth in section 2323.311 of the Revised Code. 36621

(3) When a jury trial is demanded in any civil action or 36622  
proceeding, the party making the demand may be required to make 36623  
an advance deposit as fixed by rule of court, unless the court 36624  
determines that the party qualifies as an indigent litigant as 36625  
set forth in section 2323.311 of the Revised Code. If a jury is 36626  
called, the fees of a jury shall be taxed as costs. 36627

(4) In any civil or criminal action or proceeding, each 36628  
witness shall receive twelve dollars for each full day's 36629  
attendance and six dollars for each half day's attendance. Each 36630  
witness in a municipal court that is not a county-operated 36631  
municipal court also shall receive fifty and one-half cents for 36632  
each mile necessarily traveled to and from the witness's place 36633  
of residence to the action or proceeding. 36634

(5) A reasonable charge for driving, towing, carting, 36635  
storing, keeping, and preserving motor vehicles and other 36636  
personal property recovered or seized in any proceeding may be 36637  
taxed as part of the costs in a trial of the cause, in an amount 36638  
that shall be fixed by rule of court. 36639

(6) Chattel property seized under any writ or process 36640  
issued by the court shall be preserved pending final disposition 36641  
for the benefit of all persons interested and may be placed in 36642  
storage when necessary or proper for that preservation. The 36643  
custodian of any chattel property so stored shall not be 36644  
required to part with the possession of the property until a 36645  
reasonable charge, to be fixed by the court, is paid. 36646

(7) The municipal court, as it determines, may refund all 36647  
deposits and advance payments of fees and costs, including those 36648

for jurors and summoning jurors, when they have been paid by the 36649  
losing party. 36650

(8) Charges for the publication of legal notices required 36651  
by statute or order of court may be taxed as part of the costs, 36652  
as provided by section 7.13 of the Revised Code. 36653

(B) (1) (a) The municipal court may determine that, for the 36654  
efficient operation of the court, additional funds are necessary 36655  
to acquire and pay for special projects of the court including, 36656  
but not limited to, the acquisition of additional facilities or 36657  
the rehabilitation of existing facilities, the acquisition of 36658  
equipment, the hiring and training of staff, community service 36659  
programs, mediation or dispute resolution services, the 36660  
employment of magistrates, the training and education of judges, 36661  
acting judges, and magistrates, and other related services. Upon 36662  
that determination, the court by rule may charge a fee, in 36663  
addition to all other court costs, on the filing of each 36664  
criminal cause, civil action or proceeding, or judgment by 36665  
confession. Fees collected by a court for special projects of 36666  
the court under this division shall not be used for training or 36667  
education that takes place outside of the state. 36668

(b) If the municipal court offers a special program or 36669  
service in cases of a specific type, the municipal court by rule 36670  
may assess an additional charge in a case of that type, over and 36671  
above court costs, to cover the special program or service. The 36672  
municipal court shall adjust the special assessment 36673  
periodically, but not retroactively, so that the amount assessed 36674  
in those cases does not exceed the actual cost of providing the 36675  
service or program. 36676

(c) Any fee or charge assessed under division (B) (1) (a) or 36677  
(b) of this section on the filing of a civil action or 36678

proceeding shall be waived if the court determines that the 36679  
person on whom the fee or charge is assessed qualifies as an 36680  
indigent litigant as set forth in section 2323.311 of the 36681  
Revised Code. 36682

(d) All moneys collected under division (B) of this 36683  
section shall be paid to the county treasurer if the court is a 36684  
county-operated municipal court or to the city treasurer if the 36685  
court is not a county-operated municipal court for deposit into 36686  
either a general special projects fund or a fund established for 36687  
a specific special project. Moneys from a fund of that nature 36688  
shall be disbursed upon an order of the court in an amount no 36689  
greater than the actual cost to the court of a project. If a 36690  
specific fund is terminated because of the discontinuance of a 36691  
program or service established under division (B) of this 36692  
section, the municipal court may order that moneys remaining in 36693  
the fund be transferred to an account established under this 36694  
division for a similar purpose. 36695

(2) As used in division (B) of this section: 36696

(a) "Criminal cause" means a charge alleging the violation 36697  
of a statute or ordinance, or subsection of a statute or 36698  
ordinance, that requires a separate finding of fact or a 36699  
separate plea before disposition and of which the defendant may 36700  
be found guilty, whether filed as part of a multiple charge on a 36701  
single summons, citation, or complaint or as a separate charge 36702  
on a single summons, citation, or complaint. "Criminal cause" 36703  
does not include separate violations of the same statute or 36704  
ordinance, or subsection of the same statute or ordinance, 36705  
unless each charge is filed on a separate summons, citation, or 36706  
complaint. 36707

(b) "Civil action or proceeding" means any civil 36708

litigation that must be determined by judgment entry. 36709

(C) The municipal court shall collect in all its divisions 36710  
except the small claims division the sum of twenty-six dollars 36711  
as additional filing fees in each new civil action or proceeding 36712  
for the charitable public purpose of providing financial 36713  
assistance to legal aid societies that operate within the state 36714  
and to support the office of the state public defender. The 36715  
municipal court shall collect in its small claims division the 36716  
sum of eleven dollars as additional filing fees in each new 36717  
civil action or proceeding for the charitable public purpose of 36718  
providing financial assistance to legal aid societies that 36719  
operate within the state and to support the office of the state 36720  
public defender. This division does not apply to any execution 36721  
on a judgment, proceeding in aid of execution, or other post- 36722  
judgment proceeding arising out of a civil action. The filing 36723  
fees required to be collected under this division shall be in 36724  
addition to any other court costs imposed in the action or 36725  
proceeding and shall be collected at the time of the filing of 36726  
the action or proceeding. The court shall not waive the payment 36727  
of the additional filing fees in a new civil action or 36728  
proceeding unless the court waives the advanced payment of all 36729  
filing fees in the action or proceeding for the party that the 36730  
court determines is qualified as an indigent litigant as set 36731  
forth in section 2323.311 of the Revised Code. All such moneys 36732  
collected during a month except for an amount equal to up to one 36733  
per cent of those moneys retained to cover administrative costs 36734  
shall be transmitted on or before the twentieth day of the 36735  
following month by the clerk of the court to the treasurer of 36736  
state in a manner prescribed by the treasurer of state or by the 36737  
Ohio access to justice foundation. The treasurer of state shall 36738  
deposit four per cent of the funds collected under this division 36739

to the credit of the civil case filing fee fund established 36740  
under section 120.07 of the Revised Code and ninety-six per cent 36741  
of the funds collected under this division to the credit of the 36742  
legal aid fund established under section 120.52 of the Revised 36743  
Code. 36744

The court may retain up to one per cent of the moneys it 36745  
collects under this division to cover administrative costs, 36746  
including the hiring of any additional personnel necessary to 36747  
implement this division. If the court fails to transmit to the 36748  
treasurer of state the moneys the court collects under this 36749  
division in a manner prescribed by the treasurer of state or by 36750  
the Ohio access to justice foundation, the court shall forfeit 36751  
the moneys the court retains under this division to cover 36752

the Ohio access to justice foundation, the court shall forfeit 37503

security of the facility, evidence that the youth is a threat to 39009  
the safety and security of the facility may include, but is not 39010

juvenile court for a review hearing thirty days after the  
initial confinement decision, thirty days after any subsequent

projects of the court under this division shall not be used for 39364  
training or education that takes place outside of the state. 39365

program or additional services in cases of a specific type, the 39367  
court by rule may assess an additional charge in a case of that 39368  
type, over and above court costs, to cover the special program 39369  
or service. The court shall adjust the special assessment 39370

periodically, but not retroactively, so that the amount assessed 39371  
in those cases does not exceed the actual cost of providing the 39372  
service or program. 39373

(4) "Government unit" has the same meaning as in section 39754  
148.06 of the Revised Code. 39755

(D) For purposes of this section, "interest" shall be 39756  
determined as follows: 39757

(1) In bankruptcy proceedings, as of the date a petition 39758  
is filed with the bankruptcy court commencing a case under Title 39759  
11 of the United States Code; 39760

An interest, as determined under division (D) (1) or (2) of 39764  
this section, shall not include the amount of any lien otherwise 39765  
valid pursuant to section 2329.661 of the Revised Code. 39766

**Sec. 2501.16.** (A) Each court of appeals may appoint one or 39767  
more official reporters, law clerks, secretaries, and any other 39768  
employees that the court considers necessary for its efficient 39769  
operation. 39770

The clerk of the court of common pleas, acting as the 39771  
clerk of the court of appeals for the county, shall perform the 39772  
duties otherwise performed and collect the fees otherwise 39773  
collected by the clerk of the court of common pleas, as set 39774  
forth in section 2303.03 of the Revised Code, and shall maintain 39775  
the files and records of the court. The clerk of the court of 39776  
common pleas, acting as the clerk of the court of appeals for 39777  
the county, may refuse to accept for filing any pleading or 39778

paper submitted for filing by a person who has been found to be 39779  
a vexatious litigator under section 2323.52 of the Revised Code 39780  
and who has failed to obtain leave from the court of appeals to 39781  
proceed under that section. The overhead expenses pertaining to 39782  
the office of the clerk of the court of common pleas that result 39783  
from the clerk's acting as clerk of the court of appeals for the 39784  
county, other than wages and salaries, shall be paid from the 39785  
funds provided under sections 2501.18 and 2501.181 of the 39786  
Revised Code. 39787

Each officer and employee appointed pursuant to this 39788  
section shall take an oath of office, serve at the pleasure of 39789  
the court, and perform any duties that the court directs. Each 39790  
reporter shall have the powers that are vested in official 39791  
reporters of the court of common pleas under sections 2301.18 to 39792  
2301.26 of the Revised Code. Whenever an opinion, per curiam, or 39793  
report of a case has been prepared in accordance with section 39794  
2503.20 of the Revised Code, the official reporter immediately 39795  
shall forward one copy of the opinion, per curiam, or report to 39796  
the reporter of the supreme court, without expense to the 39797  
reporter. 39798

(B) The court of appeals may determine that, for the 39799  
efficient operation of the court, additional funds are necessary 39800  
to acquire and pay for special projects of the court, including, 39801  
but not limited to, the acquisition of additional facilities or 39802  
the rehabilitation of existing facilities, the acquisition of 39803  
equipment, the hiring and training of staff, the employment of 39804  
magistrates, the training and education of judges, acting 39805  
judges, and magistrates, community service programs, and other 39806  
related services. Upon that determination, the court by rule may 39807  
charge a fee, in addition to all other court costs, on the 39808  
filing of each case or cause over which the court has 39809

jurisdiction. Fees collected by a court for special projects of 39810  
the court under this division shall not be used for training or 39811  
education that takes place outside of the state. 39812

If the court of appeals offers a special program or 39813  
service in cases of a specific type, the court by rule may 39814  
assess an additional charge in a case of that type, over and 39815  
above court costs, to cover the special program or service. The 39816  
court shall adjust the special assessment periodically, but not 39817  
retroactively, so that the amount assessed in those cases does 39818  
not exceed the actual cost of providing the service or program. 39819

All moneys collected under division (B) of this section 39820  
shall be paid to the county treasurer of the county selected as 39821  
the principal seat of that court of appeals for deposit into 39822  
either a general special projects fund or a fund established for 39823  
a specific special project. Moneys from a fund of that nature 39824  
shall be disbursed upon an order of the court in an amount no 39825  
greater than the actual cost to the court of a project. If a 39826  
specific fund is terminated because of the discontinuance of a 39827  
program or service established under division (B) of this 39828  
section, the court may order that moneys remaining in the fund 39829  
be transferred to an account established under this division for 39830  
a similar purpose. 39831

**Sec. 2743.03.** (A) (1) There is hereby created a court of 39832  
claims. Except as provided under section 107.43 of the Revised 39833  
Code, the court of claims is a court of record and has 39834  
exclusive, original jurisdiction of all civil actions against 39835  
the state permitted by the waiver of immunity contained in 39836  
section 2743.02 of the Revised Code and exclusive jurisdiction 39837  
of the causes of action of all parties in civil actions that are 39838  
removed to the court of claims. The court shall have full equity 39839

powers in all actions within its jurisdiction and may entertain 39840  
and determine all counterclaims, cross-claims, and third-party 39841  
claims. 39842

(2) If the claimant in a civil action as described in 39843  
division (A)(1) of this section also files a claim for a 39844  
declaratory judgment, injunctive relief, or other equitable 39845  
relief against the state that arises out of the same 39846  
circumstances that gave rise to the civil action described in 39847  
division (A)(1) of this section, the court of claims has 39848  
exclusive, original jurisdiction to hear and determine that 39849  
claim in that civil action. This division does not affect, and 39850  
shall not be construed as affecting, the original jurisdiction 39851  
of another court of this state to hear and determine a civil 39852  
action in which the sole relief that the claimant seeks against 39853  
the state is a declaratory judgment, injunctive relief, or other 39854  
equitable relief. 39855

(3) In addition to its exclusive, original jurisdiction as 39856  
conferred by divisions (A)(1) and (2) of this section, the court 39857  
of claims has exclusive, original jurisdiction as follows: 39858

(a) As described in division (F) of section 2743.02, 39859  
division (B) of section 3335.03, and division (C) of section 39860  
5903.02 of the Revised Code; 39861

(b) Under section 2743.75 of the Revised Code to hear 39862  
complaints alleging a denial of access to public records in 39863  
violation of division (B) of section 149.43 of the Revised Code, 39864  
regardless of whether the public office or person responsible 39865  
for public records is an office or employee of the state or of a 39866  
political subdivision; 39867

(c) Under section 118.29 of the Revised Code to appoint a 39868

receiver. 39869

(B) The court of claims shall sit in Franklin county, its 39870  
hearings shall be public, and it shall consist of incumbent 39871  
justices or judges of the supreme court, courts of appeals, or 39872  
courts of common pleas, or retired justices or judges eligible 39873  
for active duty pursuant to division (C) of Section 6 of Article 39874  
IV, Ohio Constitution, sitting by temporary assignment of the 39875  
chief justice of the supreme court. The chief justice may direct 39876  
the court to sit in any county for cases on removal upon a 39877  
showing of substantial hardship and whenever justice dictates. 39878

(C) (1) A civil action against the state shall be heard and 39879  
determined by a single judge. Upon application by the claimant 39880  
or the state, the chief justice of the supreme court may assign 39881  
a panel of three judges to hear and determine a civil action 39882  
presenting novel or complex issues of law or fact. Concurrence 39883  
of two members of the panel is necessary for any judgment or 39884  
order. 39885

(2) Whenever the chief justice of the supreme court 39886  
believes an equitable resolution of a case will be expedited, 39887  
the chief justice may appoint magistrates in accordance with 39888  
Civil Rule 53 to hear the case. 39889

(3) When any dispute under division (B) of section 153.12 39890  
of the Revised Code is brought to the court of claims, upon 39891  
request of either party to the dispute, the chief justice of the 39892  
supreme court shall appoint a single referee or a panel of three 39893  
referees. The referees need not be attorneys, but shall be 39894  
persons knowledgeable about construction contract law, a member 39895  
of the construction industry panel of the American arbitration 39896  
association, or an individual or individuals deemed qualified by 39897  
the chief justice to serve. No person shall serve as a referee 39898

if that person has been employed by an affected state agency or 39899  
a contractor or subcontractor involved in the dispute at any 39900  
time in the preceding five years. Proceedings governing referees 39901  
shall be in accordance with Civil Rule 53, except as modified by 39902  
this division. The referee or panel of referees shall submit its 39903  
report, which shall include a recommendation and finding of 39904  
fact, to the judge assigned to the case by the chief justice, 39905  
within thirty days of the conclusion of the hearings. Referees 39906  
appointed pursuant to this division shall be compensated on a 39907  
per diem basis at the same rate as is paid to judges of the 39908  
court and also shall be paid their expenses. If a single referee 39909  
is appointed or a panel of three referees is appointed, then, 39910  
with respect to one referee of the panel, the compensation and 39911  
expenses of the referee shall not be taxed as part of the costs 39912  
in the case but shall be included in the budget of the court. If 39913  
a panel of three referees is appointed, the compensation and 39914  
expenses of the two remaining referees shall be taxed as costs 39915  
of the case. 39916

All costs of a case shall be apportioned among the 39917  
parties. The court may not require that any party deposit with 39918  
the court cash, bonds, or other security in excess of two 39919  
hundred dollars to guarantee payment of costs without the prior 39920  
approval in each case of the chief justice. 39921

(4) An appeal from a decision of the attorney general 39922  
pursuant to sections 2743.51 to 2743.72 of the Revised Code 39923  
shall be heard and determined by the court of claims. 39924

(D) The Rules of Civil Procedure shall govern practice and 39925  
procedure in all actions in the court of claims, except insofar 39926  
as inconsistent with this chapter. The supreme court may 39927  
promulgate rules governing practice and procedure in actions in 39928

the court as provided in Section 5 of Article IV, Ohio 39929  
Constitution. 39930

(E) (1) A party who files a counterclaim against the state 39931  
or makes the state a third-party defendant in an action 39932  
commenced in any court, other than the court of claims, shall 39933  
file a petition for removal in the court of claims. The petition 39934  
shall state the basis for removal, be accompanied by a copy of 39935  
all process, pleadings, and other papers served upon the 39936  
petitioner, and shall be signed in accordance with Civil Rule 39937  
11. A petition for removal based on a counterclaim shall be 39938  
filed within twenty-eight days after service of the counterclaim 39939  
of the petitioner. A petition for removal based on third-party 39940  
practice shall be filed within twenty-eight days after the 39941  
filing of the third-party complaint of the petitioner. 39942

(2) Within seven days after filing a petition for removal, 39943  
the petitioner shall give written notice to the parties, and 39944  
shall file a copy of the petition with the clerk of the court in 39945  
which the action was brought originally. The filing effects the 39946  
removal of the action to the court of claims, and the clerk of 39947  
the court where the action was brought shall forward all papers 39948  
in the case to the court of claims. The court of claims shall 39949  
adjudicate all civil actions removed. The court may remand a 39950  
civil action to the court in which it originated upon a finding 39951  
that the removal petition does not justify removal, or upon a 39952  
finding that the state is no longer a party. 39953

(3) Bonds, undertakings, or security and injunctions, 39954  
attachments, sequestrations, or other orders issued prior to 39955  
removal remain in effect until dissolved or modified by the 39956  
court of claims. 39957

the request of the victim the prosecutor shall file a motion 39989  
with the sentencing court specifying the government deferred 39990  
compensation program, alternative retirement plan, or public 39991  
retirement system and requesting that the court issue an order 39992  
requiring the government deferred compensation program, 39993  
alternative retirement plan, or public retirement system to 39994  
withhold the amount required as restitution from one or more of 39995  
the following: any payment to be made from a government deferred 39996  
compensation program, any payment or benefit under an 39997  
alternative retirement plan, or under a pension, annuity, 39998  
allowance, or any other benefit, other than a survivorship 39999

3307., 3309., or 5505. of the Revised Code on withdrawal of 40006  
contributions. The motion may be filed at any time subsequent to 40007  
the conviction of the offender or entry of a guilty plea. On the 40008  
filing of the motion, the clerk of the court in which the motion 40009  
is filed shall notify the offender and the government deferred 40010  
compensation program, alternative retirement plan, or public 40011  
retirement system, in writing, of all of the following: that the 40012  
motion was filed; that the offender will be granted a hearing on 40013  
the issuance of the requested order if the offender files a 40014  
written request for a hearing with the clerk prior to the 40015  
expiration of thirty days after the offender receives the 40016  
notice; that, if a hearing is requested, the court will schedule 40017  
a hearing as soon as possible and notify the offender and the 40018  
government deferred compensation program, alternative retirement 40019

plan, or public retirement system of the date, time, and place 40020  
of the hearing; that, if a hearing is conducted, it will be 40021  
limited to a consideration of whether the offender can show good 40022  
cause why the order should not be issued; that, if a hearing is 40023  
conducted, the court will not issue the order if the court 40024  
determines, based on evidence presented at the hearing by the 40025  
offender, that there is good cause for the order not to be 40026  
issued; that the court will issue the order if a hearing is not 40027  
requested or if a hearing is conducted but the court does not 40028  
determine, based on evidence presented at the hearing by the 40029  
offender, that there is good cause for the order not to be 40030  
issued; and that, if the order is issued, the government 40031  
deferred compensation program, alternative retirement plan, or 40032  
public retirement system specified in the motion will be 40033  
required to withhold the amount required as restitution from 40034  
payments to the offender. 40035

(B) In any case in which a motion requesting the issuance 40036  
of a withholding order as described in division (A) of this 40037  
section is filed, the offender may receive a hearing on the 40038  
motion by delivering a written request for a hearing to the 40039  
court prior to the expiration of thirty days after the 40040  
offender's receipt of the notice provided pursuant to division 40041  
(A) of this section. If the offender requests a hearing within 40042  
the prescribed time, the court shall schedule a hearing as soon 40043  
as possible after the request is made and notify the offender 40044  
and the government deferred compensation program, alternative 40045  
retirement plan, or public retirement system of the date, time, 40046  
and place of the hearing. A hearing scheduled under this 40047  
division shall be limited to a consideration of whether there is 40048  
good cause, based on evidence presented by the offender, for the 40049  
requested order not to be issued. If the court determines, based 40050

on evidence presented by the offender, that there is good cause 40051  
for the order not to be issued, the court shall deny the motion 40052  
and shall not issue the order. Good cause for not issuing the 40053  
order includes a determination by the court that the order would 40054  
severely impact the offender's ability to support the offender's 40055  
dependents. 40056

If the offender does not request a hearing within the 40057  
prescribed time or the court conducts a hearing but does not 40058  
determine, based on evidence presented by the offender, that 40059  
there is good cause for the order not to be issued, the court 40060  
shall order the government deferred compensation program, 40061  
alternative retirement plan, or public retirement system to 40062  
withhold the amount required as restitution from one or more of 40063  
the following: any payments to be made from a government 40064  
deferred compensation program, any payment or benefit under an 40065  
alternative retirement plan, or under a pension, annuity, 40066  
allowance, or under any other benefit, other than a survivorship 40067  
benefit, that has been or is in the future granted to the 40068  
offender; from any payment of accumulated employee contributions 40069  
standing to the offender's credit with the government deferred 40070  
compensation program, alternative retirement plan, or public 40071  
retirement system; or from any payment of any other amounts to 40072  
be paid to the offender upon withdrawal of contributions 40073  
pursuant to Chapter 145., 148., 742., 3307., 3309., or 5505. of 40074  
the Revised Code and to continue the withholding for that 40075  
purpose, in accordance with the order, out of each payment to be 40076  
made on or after the date of issuance of the order, until 40077  
further order of the court. On receipt of an order issued under 40078  
this division, the government deferred compensation program, 40079  
alternative retirement plan, or public retirement system shall 40080  
withhold the amount required as restitution, in accordance with 40081

the order, from any such payments and immediately forward the 40082  
amount withheld to the clerk of the court in which the order was 40083  
issued for payment to the person to whom restitution is to be 40084  
made. The order shall not apply to any portion of payments made 40085  
from a government deferred compensation program, alternative 40086  
retirement plan, or public retirement system to a person other 40087  
than the offender pursuant to a previously issued domestic court 40088  
order. 40089

(C) Service of a notice required by division (A) or (B) of 40090  
this section shall be effected in the same manner as provided in 40091  
the Rules of Civil Procedure for the service of process. 40092

(D) Upon the filing of charges under section 2907.02, 40093  
2907.03, 2907.04, or 2907.05 of the Revised Code against a 40094  
person who is a deferred compensation program participant, an 40095  
electing employee participating in an alternative retirement 40096  
plan, or a member of, or receiving a pension benefit, or 40097  
allowance, other than a survivorship benefit, from a public 40098  
retirement system for an offense against a child, student, 40099  
patient, or other person with whom the offender had contact in 40100  
the context of the offender's public employment, the prosecutor 40101  
shall send written notice that charges have been filed against 40102  
that person to the appropriate government deferred compensation 40103  
program, alternative retirement plan, or public retirement 40104  
system. The notice shall specifically identify the person 40105  
charged. 40106

(2) "Property" means any real or personal property or 40110

other asset in which a person has any legal title or interest. 40111

(B) No person shall knowingly do any of the following in 40112  
an application for enrollment in the medicaid program or in a 40113  
document that requires a disclosure of assets for the purpose of 40114  
determining eligibility for the medicaid program: 40115

(1) Make or cause to be made a false or misleading 40116  
statement; 40117

(2) Conceal an interest in property; 40118

(3) (a) Except as provided in division (B) (3) (b) of this 40119  
section, fail to disclose a transfer of property that occurred 40120  
during the period beginning thirty-six months before submission 40121  
of the application or document and ending on the date the 40122  
application or document was submitted; 40123

division shall be limited to a consideration of whether there is 41298  
good cause, based on evidence presented by the offender, for the 41299

offender had a mental illness, was a person with an intellectual 41691  
disability, or was a victim of a violation of section 2905.32 or 41692  
2907.21 of the Revised Code and that the mental illness, status 41693  
as a person with an intellectual disability, or fact that the 41694  
offender was a victim of a violation of section 2905.32 or 41695  
2907.21 of the Revised Code was a factor leading to the criminal 41696  
offense with which the offender is charged. The request also 41697  
shall include a waiver of the defendant's right to a speedy 41698  
trial, the preliminary hearing, the time period within which the 41699  
grand jury may consider an indictment against the offender, and 41700  
arraignment, unless the hearing, indictment, or arraignment has 41701  
already occurred. Unless an offender alleges that drug or 41702  
alcohol usage by the offender was a factor leading to the 41703  
criminal offense with which the offender is charged, the court 41704  
may reject an offender's request without a hearing. If the court 41705  
elects to consider an offender's request or the offender alleges 41706  
that drug or alcohol usage by the offender was a factor leading 41707  
to the criminal offense with which the offender is charged, the 41708

court shall conduct a hearing to determine whether the offender 41709  
is eligible under this section for intervention in lieu of 41710  
conviction and shall stay all criminal proceedings pending the 41711  
outcome of the hearing. If the court schedules a hearing, the 41712  
court shall order an assessment of the offender for the purpose 41713  
of determining the offender's program eligibility for 41714  
intervention in lieu of conviction and recommending an 41715  
appropriate intervention plan. 41716

If the offender alleges that drug or alcohol usage by the 41717  
offender was a factor leading to the criminal offense with which 41718  
the offender is charged, the court may order that the offender 41719  
be assessed by a community addiction services provider or a 41720  
properly credentialed professional for the purpose of 41721  
determining the offender's program eligibility for intervention 41722  
in lieu of conviction and recommending an appropriate 41723  
intervention plan. The community addiction services provider or 41724  
the properly credentialed professional shall provide a written 41725  
assessment of the offender to the court. 41726

(2) The victim notification provisions of division (E) of 41727  
section 2930.06 of the Revised Code apply in relation to any 41728  
hearing held under division (A)(1) of this section. 41729

(B) An offender is eligible for intervention in lieu of 41730  
conviction if the court finds all of the following: 41731

(1) The offender previously has not been convicted of or 41732  
pleaded guilty to any felony offense of violence. 41733

(2) The offense is not a felony of the first, second, or 41734  
third degree, is not an offense of violence, is not a felony sex 41735  
offense, is not a violation of division (A)(1) or (2) of section 41736  
2903.06 of the Revised Code, is not a violation of division (A) 41737

(1) of section 2903.08 of the Revised Code, is not a violation 41738  
of division (A) of section 4511.19 of the Revised Code or a 41739  
municipal ordinance that is substantially similar to that 41740  
division, and is not an offense for which a sentencing court is 41741  
required to impose a mandatory prison term. 41742

(3) The offender is not charged with a violation of 41743  
section 2925.02, 2925.04, or 2925.06 of the Revised Code, is not 41744  
charged with a violation of section 2925.03 of the Revised Code 41745  
that is a felony of the first, second, third, or fourth degree, 41746  
and is not charged with a violation of section 2925.11 of the 41747  
Revised Code that is a felony of the first or second degree. 41748

(4) If an offender alleges that drug or alcohol usage by 41749  
the offender was a factor leading to the criminal offense with 41750  
which the offender is charged, the court has ordered that the 41751  
offender be assessed by a community addiction services provider 41752  
or a properly credentialed professional for the purpose of 41753  
determining the offender's program eligibility for intervention 41754  
in lieu of conviction and recommending an appropriate 41755  
intervention plan, the offender has been assessed by a community 41756  
addiction services provider of that nature or a properly 41757  
credentialed professional in accordance with the court's order, 41758  
and the community addiction services provider or properly 41759  
credentialed professional has filed the written assessment of 41760  
the offender with the court. 41761

(5) If an offender alleges that, at the time of committing 41762  
the criminal offense with which the offender is charged, the 41763  
offender had a mental illness, was a person with an intellectual 41764  
disability, or was a victim of a violation of section 2905.32 or 41765  
2907.21 of the Revised Code and that the mental illness, status 41766  
as a person with an intellectual disability, or fact that the 41767

offender was a victim of a violation of section 2905.32 or 41768  
2907.21 of the Revised Code was a factor leading to that 41769  
offense, the offender has been assessed by a psychiatrist, 41770  
psychologist, independent social worker, licensed professional 41771  
clinical counselor, or independent marriage and family therapist 41772  
for the purpose of determining the offender's program 41773  
eligibility for intervention in lieu of conviction and 41774  
recommending an appropriate intervention plan. 41775

(6) The offender's drug usage, alcohol usage, mental 41776  
illness, or intellectual disability, or the fact that the 41777  
offender was a victim of a violation of section 2905.32 or 41778  
2907.21 of the Revised Code, whichever is applicable, was a 41779  
factor leading to the criminal offense with which the offender 41780  
is charged, intervention in lieu of conviction would not demean 41781  
the seriousness of the offense, and intervention would 41782  
substantially reduce the likelihood of any future criminal 41783  
activity. 41784

(7) The alleged victim of the offense was not sixty-five 41785  
years of age or older, permanently and totally disabled, under 41786  
thirteen years of age, or a peace officer engaged in the 41787  
officer's official duties at the time of the alleged offense. 41788

(8) If the offender is charged with a violation of section 41789  
2925.24 of the Revised Code, the alleged violation did not 41790  
result in physical harm to any person. 41791

(9) The offender is willing to comply with all terms and 41792  
conditions imposed by the court pursuant to division (D) of this 41793  
section. 41794

(10) The offender is not charged with an offense that 41795  
would result in the offender being disqualified under Chapter 41796

4506. of the Revised Code from operating a commercial motor 41797  
vehicle or would subject the offender to any other sanction 41798  
under that chapter. 41799

(C) At the conclusion of a hearing held pursuant to 41800  
division (A) of this section, the court shall determine whether 41801  
the offender will be granted intervention in lieu of conviction. 41802  
In making this determination, the court shall presume that 41803  
intervention in lieu of conviction is appropriate. If the court 41804  
finds under this division and division (B) of this section that 41805  
the offender is eligible for intervention in lieu of conviction, 41806  
the court shall grant the offender's request unless the court 41807  
finds specific reasons to believe that the candidate's 41808  
participation in intervention in lieu of conviction would be 41809  
inappropriate. 41810

If the court denies an eligible offender's request for 41811  
intervention in lieu of conviction, the court shall state the 41812  
reasons for the denial, with particularity, in a written entry. 41813

If the court grants the offender's request, the court 41814  
shall accept the offender's plea of guilty and waiver of the 41815  
defendant's right to a speedy trial, the preliminary hearing, 41816  
the time period within which the grand jury may consider an 41817  
indictment against the offender, and arraignment, unless the 41818  
hearing, indictment, or arraignment has already occurred. In 41819  
addition, the court then may stay all criminal proceedings and 41820  
order the offender to comply with all terms and conditions 41821  
imposed by the court pursuant to division (D) of this section. 41822  
If the court finds that the offender is not eligible or does not 41823  
grant the offender's request, the criminal proceedings against 41824  
the offender shall proceed as if the offender's request for 41825  
intervention in lieu of conviction had not been made. 41826

(D) If the court grants an offender's request for intervention in lieu of conviction, all of the following apply: 41827  
41828

(1) The court shall place the offender under the general control and supervision of one of the following, as if the offender was subject to a community control sanction imposed under section 2929.15, 2929.18, or 2929.25 of the Revised Code: 41829  
41830  
41831  
41832

(a) The county probation department, the adult parole authority, or another appropriate local probation or court services agency, if one exists; 41833  
41834  
41835

(b) If the court grants the request for intervention in lieu of conviction during the period commencing on April 4, 2023, and ending on October 15, 2025, a community-based correctional facility. 41836  
41837  
41838  
41839

(2) The court shall establish an intervention plan for the offender. 41840  
41841

(3) The terms and conditions of the intervention plan required under division (D)(2) of this section shall require the offender, for at least one year, but not more than five years, from the date on which the court grants the order of intervention in lieu of conviction, to abstain from the use of illegal drugs and alcohol, to participate in treatment and recovery support services, and to submit to regular random testing for drug and alcohol use and may include any other treatment terms and conditions, or terms and conditions similar to community control sanctions, which may include community service or restitution, that are ordered by the court. 41842  
41843  
41844  
41845  
41846  
41847  
41848  
41849  
41850  
41851  
41852

(E) If the court grants an offender's request for intervention in lieu of conviction and the court finds that the offender has successfully completed the intervention plan for 41853  
41854  
41855

the offender, including the requirement that the offender 41856  
abstain from using illegal drugs and alcohol for a period of at 41857  
least one year, but not more than five years, from the date on 41858  
which the court granted the order of intervention in lieu of 41859  
conviction, the requirement that the offender participate in 41860  
treatment and recovery support services, and all other terms and 41861  
conditions ordered by the court, the court shall dismiss the 41862  
proceedings against the offender. Successful completion of the 41863  
intervention plan and period of abstinence under this section 41864  
shall be without adjudication of guilt and is not a criminal 41865  
conviction for purposes of any disqualification or disability 41866  
imposed by law and upon conviction of a crime, and the court may 41867  
order the sealing or expungement of records related to the 41868  
offense in question, as a dismissal of the charges, in the 41869  
manner provided in sections 2953.31, 2953.33, 2953.37, and 41870  
2953.521 of the Revised Code and divisions (H), (K), and (L) of 41871  
section 2953.34 of the Revised Code. 41872

(F) If the court grants an offender's request for 41873  
intervention in lieu of conviction and the offender fails to 41874  
comply with any term or condition imposed as part of the 41875  
intervention plan for the offender, the supervising authority 41876  
for the offender promptly shall advise the court of this 41877  
failure, and the court shall hold a hearing to determine whether 41878  
the offender failed to comply with any term or condition imposed 41879  
as part of the plan. If the court determines that the offender 41880  
has failed to comply with any of those terms and conditions, it 41881  
may continue the offender on intervention in lieu of conviction, 41882  
continue the offender on intervention in lieu of conviction with 41883  
additional terms, conditions, and sanctions, including placing 41884  
the offender under the general control and supervision of a 41885  
community-based correctional facility, or enter a finding of 41886

guilty and impose an appropriate sanction under Chapter 2929. of 41887  
the Revised Code. If the court sentences the offender to a 41888  
prison term, the court, after consulting with the department of 41889  
rehabilitation and correction regarding the availability of 41890  
services, may order continued court-supervised activity and 41891  
treatment of the offender during the prison term and, upon 41892  
consideration of reports received from the department concerning 41893  
the offender's progress in the program of activity and 41894  
treatment, may consider judicial release under section 2929.20 41895  
of the Revised Code. 41896

(C) Any sentence to a prison term for a felony of the third, fourth, or fifth degree that is not subject to division (B) (1) or (4) of this section shall include a requirement that the offender be subject to a period of post-release control of up to two years after the offender's release from imprisonment, if the parole board, in accordance with division (D) of this section, determines that a period of post-release control is necessary for that offender. <u>For post-release control to be imposed, the offender must be committed to the department of rehabilitation and correction as set forth in section 5120.16 of the Revised Code.</u> This division applies with respect to all prison terms of a type described in this division, including a term of any such type that is a risk reduction sentence. Section 2929.191 of the Revised Code applies if, prior to July 11, 2006, a court imposed a sentence including a prison term of a type described in this division and failed to notify the offender pursuant to division (B) (2) (e) of section 2929.19 of the Revised Code regarding post-release control or to include in the judgment of conviction entered on the journal or in the sentence	41984 41985 41986 41987 41988 41989 41990 41991 41992 41993 41994 41995 41996 41997 41998 41999 42000 42001 42002

pursuant to division (D) (2) of section 2929.14 of the Revised Code a statement regarding post-release control. Pursuant to an agreement entered into under section 2967.29 of the Revised Code, a court of common pleas or parole board may impose sanctions or conditions on an offender who is placed on post-release control under this division.

(D) (1) Before the prisoner is released from imprisonment, the parole board or, pursuant to an agreement under section 2967.29 of the Revised Code, the court shall impose on a prisoner described in division (B) of this section, shall impose on a prisoner described in division (C) of this section who is to be released before the expiration of the prisoner's stated prison term under a risk reduction sentence, may impose on a prisoner described in division (C) of this section who is not to be released before the expiration of the prisoner's stated prison term under a risk reduction sentence, and shall impose on a prisoner described in division (B) (2) (b) of section 5120.031 or in division (B) (1) of section 5120.032 of the Revised Code, one or more post-release control sanctions to apply during the prisoner's period of post-release control. Whenever the board or court imposes one or more post-release control sanctions on a prisoner, the board or court, in addition to imposing the sanctions, also shall include as a condition of the post-release control that the offender not leave the state without permission of the court or the offender's parole or probation officer and that the offender abide by the law. The board or court may impose any other conditions of release under a post-release control sanction that the board or court considers appropriate, and the conditions of release may include any community residential sanction, community nonresidential sanction, or financial sanction that the sentencing court was authorized to

impose pursuant to sections 2929.16, 2929.17, and 2929.18 of the Revised Code. Prior to the release of a prisoner for whom it will impose one or more post-release control sanctions under this division, the parole board or court shall review the prisoner's criminal history, results from the single validated risk assessment tool, and the record of the prisoner's conduct while imprisoned. The parole board or court shall consider any recommendation regarding post-release control sanctions for the prisoner made by the office of victims' services. After considering those materials, the board or court shall determine, for a prisoner described in division (B) of this section, division (B) (2) (b) of section 5120.031, or division (B) (1) of section 5120.032 of the Revised Code and for a prisoner described in division (C) of this section who is to be released before the expiration of the prisoner's stated prison term under a risk reduction sentence, which post-release control sanction or combination of post-release control sanctions is reasonable under the circumstances or, for a prisoner described in division (C) of this section who is not to be released before the expiration of the prisoner's stated prison term under a risk reduction sentence, whether a post-release control sanction is necessary and, if so, which post-release control sanction or combination of post-release control sanctions is reasonable under the circumstances. In the case of a prisoner convicted of a felony of the fourth or fifth degree other than a felony sex offense, the board or court shall presume that monitored time is the appropriate post-release control sanction unless the board or court determines that a more restrictive sanction is warranted. A post-release control sanction imposed under this division takes effect upon the prisoner's release from imprisonment.

Regardless of whether the prisoner was sentenced to the 42065  
prison term prior to, on, or after July 11, 2006, prior to the 42066  
release of a prisoner for whom it will impose one or more post- 42067  
release control sanctions under this division, the parole board 42068  
shall notify the prisoner that, if the prisoner violates any 42069  
sanction so imposed or any condition of post-release control 42070  
described in division (B) of section 2967.131 of the Revised 42071  
Code that is imposed on the prisoner, the parole board may 42072  
impose a prison term of up to one-half of the stated prison term 42073  
originally imposed on the prisoner. 42074

At least thirty days before the prisoner is released from 42075  
imprisonment under post-release control, except as otherwise 42076  
provided in this paragraph, the department of rehabilitation and 42077  
correction shall notify the victim and the victim's immediate 42078  
family of the date on which the prisoner will be released, the 42079  
period for which the prisoner will be under post-release control 42080  
supervision, and the terms and conditions of the prisoner's 42081  
post-release control regardless of whether the victim or 42082  
victim's immediate family has requested the notification. The 42083  
notice described in this paragraph shall not be given to a 42084  
victim or victim's immediate family if the victim or the 42085  
victim's immediate family has requested pursuant to division (B) 42086  
(2) of section 2930.03 of the Revised Code that the notice not 42087  
be provided to the victim or the victim's immediate family. At 42088  
least thirty days before the prisoner is released from 42089  
imprisonment and regardless of whether the victim or victim's 42090  
immediate family has requested that the notice described in this 42091  
paragraph be provided or not be provided to the victim or the 42092  
victim's immediate family, the department also shall provide 42093  
notice of that nature to the prosecuting attorney in the case 42094  
and the law enforcement agency that arrested the prisoner if any 42095

officer of that agency was a victim of the offense. 42096

If the notice given under the preceding paragraph to the 42097  
victim or the victim's immediate family is based on an offense 42098  
committed prior to March 22, 2013, and if the department of 42099  
rehabilitation and correction has not previously successfully 42100  
provided any notice to the victim or the victim's immediate 42101  
family under division (B), (C), or (D) of section 2930.16 of the 42102  
Revised Code with respect to that offense and the offender who 42103  
committed it, the notice also shall inform the victim or the 42104  
victim's immediate family that the victim or the victim's 42105  
immediate family may request that the victim or the victim's 42106  
immediate family not be provided any further notices with 42107  
respect to that offense and the offender who committed it and 42108  
shall describe the procedure for making that request. The 42109  
department may give the notices to which the preceding paragraph 42110  
applies by any reasonable means, including regular mail, 42111  
telephone, and electronic mail. If the department attempts to 42112  
provide notice to any specified person under the preceding 42113  
paragraph but the attempt is unsuccessful because the department 42114  
is unable to locate the specified person, is unable to provide 42115  
the notice by its chosen method because it cannot determine the 42116  
mailing address, electronic mail address, or telephone number at 42117  
which to provide the notice, or, if the notice is sent by mail, 42118  
the notice is returned, the department shall make another 42119  
attempt to provide the notice to the specified person. If the 42120  
second attempt is unsuccessful, the department shall make at 42121  
least one more attempt to provide the notice. If the notice is 42122  
based on an offense committed prior to March 22, 2013, in each 42123  
attempt to provide the notice to the victim or victim's 42124  
immediate family, the notice shall include the opt-out 42125  
information described in this paragraph. The department, in the 42126

manner described in division (D) (2) of section 2930.16 of the Revised Code, shall keep a record of all attempts to provide the notice, and of all notices provided, under this paragraph and the preceding paragraph. The record shall be considered as if it was kept under division (D) (2) of section 2930.16 of the Revised Code. This paragraph, the preceding paragraph, and the notice-related provisions of divisions (E) (2) and (K) of section 2929.20, division (D) (1) of section 2930.16, division (H) of section 2967.12, division (E) (1) (b) of section 2967.19 as it existed prior to ~~the effective date of this amendment~~ April 4, 2023, division (A) (3) (b) of section 2967.26, and division (A) (2) of section 5149.101 of the Revised Code enacted in the act in which this paragraph and the preceding paragraph were enacted, shall be known as "Roberta's Law."

(2) If a prisoner who is placed on post-release control under this section is released before the expiration of the definite term that is the prisoner's stated prison term or the expiration of the minimum term that is part of the prisoner's indefinite prison term imposed under a non-life felony indefinite prison term by reason of credit earned under section 2967.193 or 2967.194 or a reduction under division (F) of section 2967.271 of the Revised Code and if the prisoner earned sixty or more days of credit, the adult parole authority may supervise the offender with an active global positioning system device for the first fourteen days after the offender's release from imprisonment. This division does not prohibit or limit the imposition of any post-release control sanction otherwise authorized by this section.

(3) After a prisoner is released from imprisonment and during the period of post-release control applicable to the releasee, the adult parole authority or, pursuant to an

agreement under section 2967.29 of the Revised Code, the court 42158  
may review the releasee's behavior under the post-release 42159  
control sanctions imposed upon the releasee under this section. 42160  
The authority or court may determine, based upon the review and 42161  
in accordance with the standards established under division (E) 42162  
of this section, that the releasee has satisfactorily complied 42163  
with the sanctions imposed, and if such a determination is made, 42164  
the authority may recommend a less restrictive sanction, reduce 42165  
the period of post-release control, or, no sooner than the 42166  
minimum period of time required under section 2967.16 of the 42167  
Revised Code, recommend that the parole board or court terminate 42168  
the duration of the period of post-release control. In no case 42169  
shall the board or court reduce the duration of the period of 42170  
control imposed for a felony sex offense described in division 42171  
(B) (1) of this section. 42172

(4) The department of rehabilitation and correction shall 42173  
develop factors that the parole board or court shall consider in 42174  
determining under division (D) (3) of this section whether to 42175  
terminate the period of control imposed on a releasee. 42176

(E) The department of rehabilitation and correction, in 42177  
accordance with Chapter 119. of the Revised Code, shall adopt 42178  
rules that do all of the following: 42179

(1) Establish standards for the imposition by the parole 42180  
board of post-release control sanctions under this section that 42181  
are consistent with the overriding purposes and sentencing 42182  
principles set forth in section 2929.11 of the Revised Code and 42183  
that are appropriate to the needs of releasees; 42184

(2) Establish standards that provide for a period of post- 42185  
release control of up to two years for all prisoners described 42186  
in division (C) of this section who are to be released before 42187

the expiration of their stated prison term under a risk 42188  
reduction sentence and standards by which the parole board can 42189  
determine which prisoners described in division (C) of this 42190  
section who are not to be released before the expiration of 42191  
their stated prison term under a risk reduction sentence should 42192  
be placed under a period of post-release control; 42193

(3) Establish standards to be used by the parole board in 42194  
reducing or terminating the duration of the period of post- 42195  
release control imposed by the court when authorized under 42196  
division (D) of this section, in imposing a more restrictive 42197  
post-release control sanction than monitored time on a prisoner 42198  
convicted of a felony of the fourth or fifth degree other than a 42199  
felony sex offense, or in imposing a less restrictive control 42200  
sanction on a releasee based on results from the single 42201  
validated risk assessment tool and on the releasee's activities 42202  
including, but not limited to, remaining free from criminal 42203  
activity and from the abuse of alcohol or other drugs, 42204  
successfully participating in approved rehabilitation programs, 42205  
maintaining employment, and paying restitution to the victim or 42206  
meeting the terms of other financial sanctions; 42207

(4) Establish standards to be used by the adult parole 42208  
authority in modifying a releasee's post-release control 42209  
sanctions pursuant to division (D)(2) of this section; 42210

(5) Establish standards to be used by the adult parole 42211  
authority or parole board in imposing further sanctions under 42212  
division (F) of this section on releasees who violate post- 42213  
release control sanctions, including standards that do the 42214  
following: 42215

(a) Classify violations according to the degree of 42216  
seriousness; 42217

(b) Define the circumstances under which formal action by the parole board is warranted;	42218 42219
(c) Govern the use of evidence at violation hearings;	42220
(d) Ensure procedural due process to an alleged violator;	42221
(e) Prescribe nonresidential community control sanctions for most misdemeanor and technical violations;	42222 42223
(f) Provide procedures for the return of a releasee to imprisonment for violations of post-release control.	42224 42225
(F) (1) Whenever the parole board imposes one or more post-release control sanctions on an offender under this section, the offender upon release from imprisonment shall be under the general jurisdiction of the adult parole authority and generally shall be supervised by the field services section through its staff of parole and field officers as described in section 5149.04 of the Revised Code, as if the offender had been placed on parole. If the offender upon release from imprisonment violates the post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code that are imposed on the offender, the public or private person or entity that operates or administers the sanction or the program or activity that comprises the sanction shall report the violation directly to the adult parole authority or to the officer of the authority who supervises the offender. The authority's officers may treat the offender as if the offender were on parole and in violation of the parole, and otherwise shall comply with this section.	42226 42227 42228 42229 42230 42231 42232 42233 42234 42235 42236 42237 42238 42239 42240 42241 42242 42243
(2) If the adult parole authority or, pursuant to an agreement under section 2967.29 of the Revised Code, the court determines that a releasee has violated a post-release control	42244 42245 42246

sanction or any conditions described in division (A) of section 42247  
2967.131 of the Revised Code imposed on the releasee and that a 42248  
more restrictive sanction is appropriate, the authority or court 42249  
may impose a more restrictive sanction on the releasee, in 42250  
accordance with the standards established under division (E) of 42251  
this section or in accordance with the agreement made under 42252  
section 2967.29 of the Revised Code, or may report the violation 42253  
to the parole board for a hearing pursuant to division (F) (3) of 42254  
this section. The authority or court may not, pursuant to this 42255  
division, increase the duration of the releasee's post-release 42256  
control or impose as a post-release control sanction a 42257  
residential sanction that includes a prison term, but the 42258  
authority or court may impose on the releasee any other 42259  
residential sanction, nonresidential sanction, or financial 42260  
sanction that the sentencing court was authorized to impose 42261  
pursuant to sections 2929.16, 2929.17, and 2929.18 of the 42262  
Revised Code. 42263

(3) The parole board or, pursuant to an agreement under 42264  
section 2967.29 of the Revised Code, the court may hold a 42265  
hearing on any alleged violation by a releasee of a post-release 42266  
control sanction or any conditions described in division (A) of 42267  
section 2967.131 of the Revised Code that are imposed upon the 42268  
releasee. Except as otherwise provided in this division, if 42269  
after the hearing the board or court finds that the releasee 42270  
violated the sanction or condition, the board or court may 42271  
increase the duration of the releasee's post-release control up 42272  
to the maximum duration authorized by division (B) or (C) of 42273  
this section or impose a more restrictive post-release control 42274  
sanction. If a releasee was acting pursuant to division (B) (2) 42275  
(b) of section 2925.11 or a related provision of section 42276  
2925.12, 2925.14, or 2925.141 of the Revised Code and in so 42277

doing violated the conditions of a post-release control sanction 42278  
based on a minor drug possession offense, as defined in that 42279  
section, or violated section 2925.12, division (C) (1) of section 42280  
2925.14, or section 2925.141 of the Revised Code, the board or 42281  
the court shall not impose any of the penalties described in 42282  
this division based on the violation. When appropriate, the 42283  
board or court may impose as a post-release control sanction a 42284  
residential sanction that includes a prison term. The board or 42285  
court shall consider a prison term as a post-release control 42286  
sanction imposed for a violation of post-release control when 42287  
the violation involves a deadly weapon or dangerous ordnance, 42288  
physical harm or attempted serious physical harm to a person, or 42289  
sexual misconduct. Unless a releasee's stated prison term was 42290  
reduced pursuant to section 5120.032 of the Revised Code, the 42291  
period of a prison term that is imposed as a post-release 42292  
control sanction under this division shall not exceed nine 42293  
months, and the maximum cumulative prison term for all 42294  
violations under this division shall not exceed one-half of the 42295  
definite prison term that was the stated prison term originally 42296  
imposed on the offender as part of this sentence or, with 42297  
respect to a stated non-life felony indefinite prison term, one- 42298  
half of the minimum prison term that was imposed as part of that 42299  
stated prison term originally imposed on the offender. If a 42300  
releasee's stated prison term was reduced pursuant to section 42301  
5120.032 of the Revised Code, the period of a prison term that 42302  
is imposed as a post-release control sanction under this 42303  
division and the maximum cumulative prison term for all 42304  
violations under this division shall not exceed the period of 42305  
time not served in prison under the sentence imposed by the 42306  
court. The period of a prison term that is imposed as a post- 42307  
release control sanction under this division shall not count as, 42308  
or be credited toward, the remaining period of post-release 42309

control. If, during the period of the releasee's post-release 42310  
control, the releasee serves as a post-release control sanction 42311  
the maximum prison time available as a sanction, the post- 42312  
release control shall terminate. 42313

If an offender is imprisoned for a felony committed while 42314  
under post-release control supervision and is again released on 42315  
post-release control for a period of time, the maximum 42316  
cumulative prison term for all violations under this division 42317  
shall not exceed one-half of the total stated prison terms of 42318  
the earlier felony, reduced by any prison term administratively 42319  
imposed by the parole board or court, plus one-half of the total 42320  
stated prison term of the new felony. 42321

(G) (1) If an offender is simultaneously subject to a 42322  
period of parole under an indefinite or life sentence and a 42323  
period of post-release control, or is simultaneously subject to 42324  
two periods of post-release control, the period of supervision 42325  
that expires last shall determine the length and form of 42326  
supervision for all the periods and the related sentences. 42327

(2) An offender shall receive credit for post-release 42328  
control supervision during the period of parole, and shall not 42329  
be eligible for final release under section 2967.16 of the 42330  
Revised Code until the post-release control period otherwise 42331  
would have ended. 42332

(3) If the period of parole ends prior to the end of the 42333  
period of post-release control, the requirements of parole 42334  
supervision shall be satisfied during the post-release control 42335  
period. 42336

(H) (1) A period of post-release control shall not be 42337  
imposed consecutively to any other post-release control period. 42338

(2) The period of post-release control for a releasee who 42339  
commits a felony while under post-release control for an earlier 42340  
felony shall be the longer of the period of post-release control 42341  
specified for the new felony under division (B) or (C) of this 42342  
section or the time remaining under the period of post-release 42343  
control imposed for the earlier felony as determined by the 42344  
parole board or court. 42345

**Sec. 2969.13.** All moneys that are collected pursuant to 42346  
section 2929.32 of the Revised Code and required to be deposited 42347  
in the crime victims recovery fund shall be credited ~~by the~~ 42348  
~~treasurer of state~~ to the fund. Any interest earned on the money 42349  
in the fund shall be credited to the fund. 42350

**Sec. 3101.08.** An ordained or licensed minister of any 42351  
religious society or congregation within this state who is 42352  
licensed to solemnize marriages, the governor or a former 42353  
governor of this state, a judge of a county court in accordance 42354  
with section 1907.18 of the Revised Code, a judge of a municipal 42355  
court in accordance with section 1901.14 of the Revised Code, a 42356  
probate judge in accordance with section 2101.27 of the Revised 42357  
Code, the mayor of a municipal corporation anywhere within this 42358  
state, the superintendent of Ohio deaf and blind education 42359  
services, or any religious society in conformity with the rules 42360  
of its church, may join together as husband and wife any persons 42361

(1) "Distributive award" means any payment or payments, in 42364  
real or personal property, that are payable in a lump sum or 42365

or in an action for legal separation; 42375

(b) If the court determines that the use of either or both 42376  
of the dates specified in division (A) (2) (a) of this section 42377  
would be inequitable, the court may select dates that it 42378  
considers equitable in determining marital property. If the 42379  
court selects dates that it considers equitable in determining 42380  
marital property, "during the marriage" means the period of time 42381  
between those dates selected and specified by the court. 42382

a determination, the court shall divide the marital and separate property equitably between the spouses, in accordance with this section. For purposes of this section, the court has jurisdiction over all property, excluding the social security benefits of a spouse other than as set forth in division (F) (9) of this section, in which one or both spouses have an interest.

(C) (1) Except as provided in this division or division (E) of this section, the division of marital property shall be equal. If an equal division of marital property would be inequitable, the court shall not divide the marital property equally but instead shall divide it between the spouses in the manner the court determines equitable. In making a division of marital property, the court shall consider all relevant factors, including those set forth in division (F) of this section.

(2) Each spouse shall be considered to have contributed equally to the production and acquisition of marital property.

(3) The court shall provide for an equitable division of marital property under this section prior to making any award of spousal support to either spouse under section 3105.18 of the Revised Code and without regard to any spousal support so awarded.

(4) If the marital property includes a participant account, as defined in section 148.01 of the Revised Code, the court shall not order the division or disbursement of the moneys and income described in division (A) (3) (a) (iv) of this section to occur in a manner that is inconsistent with the law, rules, or plan governing the deferred compensation program involved or prior to the time that the spouse in whose name the participant account is maintained commences receipt of the moneys and income credited to the account in accordance with that law, rules, and

plan. 42485

(D) Except as otherwise provided in division (E) of this 42486  
section or by another provision of this section, the court shall 42487  
disburse a spouse's separate property to that spouse. If a court 42488  
does not disburse a spouse's separate property to that spouse, 42489  
the court shall make written findings of fact that explain the 42490  
factors that it considered in making its determination that the 42491  
spouse's separate property should not be disbursed to that 42492  
spouse. 42493

(E) (1) The court may make a distributive award to 42494  
facilitate, effectuate, or supplement a division of marital 42495  
property. The court may require any distributive award to be 42496  
secured by a lien on the payor's specific marital property or 42497  
separate property. 42498

marital property in kind or in money would be impractical or 42502  
burdensome. 42503

(3) The court shall require each spouse to disclose in a 42504  
full and complete manner all marital property, separate 42505  
property, and other assets, debts, income, and expenses of the 42506

(F) In making a division of marital property and in 42521

(G) In any order for the division or disbursement of 42546  
property or a distributive award made pursuant to this section, 42547  
the court shall make written findings of fact that support the 42548  
determination that the marital property has been equitably 42549  
divided and shall specify the dates it used in determining the 42550  
meaning of "during the marriage." 42551

(H) Except as otherwise provided in this section, the 42552  
holding of title to property by one spouse individually or by 42553  
both spouses in a form of co-ownership does not determine 42554

(II) The chartered nonpublic school develops a written 44287  
plan in which the school, in consultation with the student's 44288  
parents, determines that an assessment or alternative assessment 44289  
with accommodations does not accurately assess the student's 44290  
academic performance. The plan shall include an academic profile 44291  
of the student's academic performance and shall be reviewed 44292  
annually to determine if the student's needs continue to require 44293  
excusal from taking the assessment. 44294

(ii) A student with significant cognitive disabilities to 44295  
whom an alternate assessment is administered in accordance with 44296

of section 3301.0712 of the Revised Code. 44301

(iii) In the case of any student so excused from taking an 44302  
assessment under division (C) (1) (c) of this section, the 44303

taking the assessment. 44305

(2) A district board may, for medical reasons or other 44306  
good cause, excuse a student from taking an assessment 44307  
administered under this section on the date scheduled, but that 44308  
assessment shall be administered to the excused student not 44309  
later than nine days following the scheduled date. The district 44310  
board shall annually report the number of students who have not 44311  
taken one or more of the assessments required by this section to 44312  
the department not later than the thirtieth day of June. 44313

(3) No school district board shall excuse any English learner from taking any particular assessment required to be administered under this section, except that any English learner who has been enrolled in United States schools for less than two years and for whom no appropriate accommodations are available based on guidance issued by the department shall not be required to take the assessment prescribed under division (B) (1) of section 3301.0712 of the Revised Code.

However, no board shall prohibit an English learner who is not required to take that assessment from taking the assessment.

A board may permit any English learner to take an assessment required to be administered under this section with appropriate accommodations, as determined by the department.

For each English learner, each school district shall annually assess that student's progress in learning English, in accordance with procedures approved by the department.

The guidance and procedures issued by the department for the purposes of division (C) (3) of this section shall comply with the rules adopted under section 3301.0731 of the Revised Code.

(c) No governing authority shall prohibit an English learner from taking an assessment from which the student was excused under division (C) (4) of this section.

(D) (1) In the school year next succeeding the school year in which the assessments prescribed by division (A) (1) or (B) (1) of section 3301.0710 of the Revised Code or former division (A) (1), (A) (2), or (B) of section 3301.0710 of the Revised Code as it existed prior to September 11, 2001, are administered to any student, the board of education of any school district in which the student is enrolled in that year shall provide to the student intervention services commensurate with the student's performance, including any intensive intervention required under section 3313.608 of the Revised Code, in any skill in which the student failed to demonstrate at least a score at the proficient level on the assessment.

(2) Following any administration of the assessments prescribed by division (D) of section 3301.0710 of the Revised Code to ninth grade students, each school district that has a three-year average graduation rate of not more than seventy-five per cent shall determine for each high school in the district whether the school shall be required to provide intervention services to any students who took the assessments. In determining which high schools shall provide intervention services based on the resources available, the district shall consider each school's graduation rate and scores on the practice assessments. The district also shall consider the scores received by ninth grade students on the English language arts and mathematics assessments prescribed under division (A) (1) (f) of section 3301.0710 of the Revised Code in the eighth grade in determining which high schools shall provide intervention services.

Each high school selected to provide intervention services 44374  
under this division shall provide intervention services to any 44375  
student whose results indicate that the student is failing to 44376  
make satisfactory progress toward being able to attain scores at 44377  
the proficient level on the Ohio graduation tests. Intervention 44378  
services shall be provided in any skill in which a student 44379  
demonstrates unsatisfactory progress and shall be commensurate 44380  
with the student's performance. Schools shall provide the 44381  
intervention services prior to the end of the school year, 44382  
during the summer following the ninth grade, in the next 44383  
succeeding school year, or at any combination of those times. 44384

(E) Except as provided in section 3313.608 of the Revised 44385  
Code and division (N) of this section, no school district board 44386  
of education shall utilize any student's failure to attain a 44387  
specified score on an assessment administered under this section 44388  
as a factor in any decision to deny the student promotion to a 44389  
higher grade level. However, a district board may choose not to 44390  
promote to the next grade level any student who does not take an 44391  
assessment administered under this section or make up an 44392  
assessment as provided by division (C) (2) of this section and 44393  
who is not exempt from the requirement to take the assessment 44394  
under division (C) (3) of this section. 44395

October was two thousand five hundred or more, but less than 44411  
seven thousand, not later than the Monday after all of the 44412

kindergarten through twelve during the first full school week of 44415  
October was seven thousand or more, not later than the Tuesday 44416  
after all of the assessments have been administered. 44417

However, any assessment that a student takes during the 44418  
make-up period described in division (C) (2) of this section 44419  
shall be submitted not later than the Friday following the day 44420  
the student takes the assessment. 44421

(2) The department or an entity with which the department 44422  
contracts for the scoring of the assessment shall send to each 44423  
school district board a list of the individual scores of all 44424

of the Revised Code, but in no case shall the scores be returned 44429  
later than the thirtieth day of June following the 44430  
administration; 44431

(b) In the case of the third-grade English language arts 44432

that assessment, but in no case shall the scores be returned 44434  
later than the fifteenth day of June following the 44435  
administration; 44436

(c) In the case of the writing component of an assessment 44437  
or end-of-course examination in the area of English language 44438  
arts, except for the third-grade English language arts 44439  
assessment, the results may be sent after forty-five days of the 44440  
administration of the writing component, but in no case shall 44441  
the scores be returned later than the thirtieth day of June 44442  
following the administration. 44443

(3) For assessments administered under this section by a 44444  
joint vocational school district, the department or entity shall 44445  
also send to each city, local, or exempted village school 44446

the department or an entity with which the department contracts 44484  
for the scoring of the assessment shall not release any 44485

may require the use of the data verification codes assigned to 44489  
students pursuant to division (D)(2) of section 3301.0714 of the 44490  
Revised Code to protect the confidentiality of student scores. 44491

Revised Code shall enter into an agreement with the cooperative 44510  
district that provides for the administration of any assessment 44511  
prescribed under this section to both of the following: 44512

(a) Students who are attending school in the cooperative 44513  
district and who, if the cooperative district were not 44514  
established, would be entitled to attend school in the city, 44515  
local, or exempted village school district pursuant to section 44516  
3313.64 or 3313.65 of the Revised Code; 44517

(b) Persons described in division (B) (8) (b) of this 44518  
section. 44519

Any assessment of students pursuant to such an agreement 44520  
shall be in lieu of any assessment of such students or persons 44521

pursuant to this section. 44522

(K) (1) (a) Except as otherwise provided in division (K) (1) 44523  
or (2) of this section, each chartered nonpublic school for 44524

made up of students who are participating in state scholarship 44526  
programs shall administer the assessments prescribed by division 44527  
(A) of section 3301.0710 of the Revised Code or an alternative 44528  
standardized assessment determined by the department. In 44529  
accordance with procedures and deadlines prescribed by the 44530  
department, the parent or guardian of a student enrolled in the 44531  
school who is not participating in a state scholarship program 44532  
may submit notice to the chief administrative officer of the 44533  
school that the parent or guardian does not wish to have the 44534  
student take the assessments prescribed for the student's grade 44535  
level under division (A) of section 3301.0710 of the Revised 44536  
Code. If a parent or guardian submits an opt-out notice, the 44537  
school shall not administer the assessments to that student. 44538  
This option does not apply to any assessment required for a high 44539  
school diploma under section 3313.612 of the Revised Code. 44540

(b) Any chartered nonpublic school that enrolls students 44541  
who are participating in state scholarship programs may 44542  
administer an alternative standardized assessment determined by 44543  
the department instead of the assessments prescribed by division 44544  
(A) of section 3301.0710 of the Revised Code. 44545

Each chartered nonpublic school subject to division (K) (1) 44546  
(a) or (b) of this section shall report the results of each 44547  
assessment administered under those divisions to the department. 44548

(2) A chartered nonpublic school may submit to the 44549  
director of education and workforce a request for a waiver from 44550  
administering the elementary assessments prescribed by division 44551

(A) of section 3301.0710 of the Revised Code. The director shall 44552  
approve or disapprove a request for a waiver submitted under 44553  
division (K) (2) of this section. 44554

To be eligible to submit a request for a waiver, a 44555  
chartered nonpublic school shall meet the following conditions: 44556

(a) At least ninety-five per cent of the students enrolled 44557  
in the school are children with disabilities, as defined under 44558  
section 3323.01 of the Revised Code, or have received a 44559  
diagnosis by a school district or from a physician, including a 44560  
neuropsychiatrist or psychiatrist, or a psychologist who is 44561  
authorized to practice in this or another state as having a 44562  
condition that impairs academic performance, such as dyslexia, 44563  
dyscalculia, attention deficit hyperactivity disorder, or 44564  
Asperger's syndrome. 44565

(b) The school has solely served a student population 44566  
described in division (K) (1) (a) of this section for at least ten 44567  
years. 44568

(c) The school provides to the department at least five 44569  
years of records of internal testing conducted by the school 44570  
that affords the department data required for accountability 44571  
purposes, including diagnostic assessments and nationally 44572  
standardized norm-referenced achievement assessments that 44573  
measure reading and math skills. 44574

(3) Any chartered nonpublic school that is not subject to 44575  
division (K) (1) of this section may participate in the 44576  
assessment program by administering any of the assessments 44577  
prescribed by division (A) of section 3301.0710 of the Revised 44578  
Code. The chief administrator of the school shall specify which 44579  
assessments the school will administer. Such specification shall 44580

be made in writing to the director prior to the first day of 44581  
August of any school year in which assessments are administered 44582  
and shall include a pledge that the nonpublic school will 44583  
administer the specified assessments in the same manner as 44584  
public schools are required to do under this section and rules 44585  
adopted by the department. 44586

(4) The department shall furnish the assessments 44587  
prescribed by section 3301.0710 of the Revised Code to each 44588  
chartered nonpublic school that is subject to division (K) (1) of 44589  
this section or participates under division (K) (3) of this 44590  
section. 44591

(L) If a chartered nonpublic school is educating students 44592  
in grades nine through twelve, the following shall apply: 44593

(1) Except as provided in division (L) (4) of this section, 44594  
for a student who is enrolled in a chartered nonpublic school 44595  
that is accredited through the independent schools association 44596  
of the central states and who is attending the school under a 44597  
state scholarship program, the student shall either take all of 44598  
the assessments prescribed by division (B) of section 3301.0712 44599  
of the Revised Code or take an alternative assessment approved 44600  
by the department under section 3313.619 of the Revised Code. 44601  
However, a student who is excused from taking an assessment 44602  
under division (C) of this section or has presented evidence to 44603  
the chartered nonpublic school of having satisfied the condition 44604  
prescribed by division (A) (1) of section 3313.618 of the Revised 44605  
Code to qualify for a high school diploma prior to the date of 44606  
the administration of the assessment prescribed under division 44607  
(B) (1) of section 3301.0712 of the Revised Code shall not be 44608  
required to take that assessment. No governing authority of a 44609  
chartered nonpublic school shall prohibit a student who is not 44610

required to take such assessment from taking the assessment. 44611

(2) For a student who is enrolled in a chartered nonpublic 44612  
school that is accredited through the independent schools 44613  
association of the central states, and who is not attending the 44614  
school under a state scholarship program, the student shall not 44615  
be required to take any assessment prescribed under section 44616  
3301.0712 or 3313.619 of the Revised Code. 44617

(3) (a) Except as provided in divisions (L) (3) (b) and (4) 44618  
of this section, for a student who is enrolled in a chartered 44619  
nonpublic school that is not accredited through the independent 44620  
schools association of the central states, regardless of whether 44621  
the student is attending or is not attending the school under a 44622  
state scholarship program, the student shall do one of the 44623  
following: 44624

(i) Take all of the assessments prescribed by division (B) 44625  
of section 3301.0712 of the Revised Code; 44626

(ii) Take only the assessment prescribed by division (B) 44627  
(1) of section 3301.0712 of the Revised Code, provided that the 44628  
student's school publishes the results of that assessment for 44629  
each graduating class. The published results of that assessment 44630  
shall include the overall composite scores, mean scores, twenty- 44631  
fifth percentile scores, and seventy-fifth percentile scores for 44632  
each subject area of the assessment. 44633

(iii) Take an alternative assessment approved by the 44634  
department under section 3313.619 of the Revised Code. 44635

(b) A student who is excused from taking an assessment 44636  
under division (C) of this section or has presented evidence to 44637  
the chartered nonpublic school of having satisfied the condition 44638  
prescribed by division (A) (1) of section 3313.618 of the Revised 44639

Code to qualify for a high school diploma prior to the date of 44640  
the administration of the assessment prescribed under division 44641  
(B) (1) of section 3301.0712 of the Revised Code shall not be 44642  
required to take that assessment. No governing authority of a 44643  
chartered nonpublic school shall prohibit a student who is not 44644  
required to take such assessment from taking the assessment. 44645

(4) The assessments prescribed by sections 3301.0712 and 44646  
3313.619 of the Revised Code shall not be administered to any 44647  
student attending the school, if the school meets all of the 44648  
following conditions: 44649

(a) At least ninety-five per cent of the students enrolled 44650  
in the school are children with disabilities, as defined under 44651  
section 3323.01 of the Revised Code, or have received a 44652  
diagnosis by a school district or from a physician, including a 44653  
neuropsychologist or psychiatrist, or a psychologist who is 44654  
authorized to practice in this or another state as having a 44655  
condition that impairs academic performance, such as dyslexia, 44656  
dyscalculia, attention deficit hyperactivity disorder, or 44657  
Asperger's syndrome. 44658

(b) The school has solely served a student population 44659  
described in division (L) (4) (a) of this section for at least ten 44660  
years. 44661

(c) The school makes available to the department at least 44662  
five years of records of internal testing conducted by the 44663  
school that affords the department data required for 44664  
accountability purposes, including growth in student achievement 44665  
in reading or mathematics, or both, as measured by nationally 44666  
norm-referenced assessments that have developed appropriate 44667  
standards for students. 44668

Division (L) (4) of this section applies to any student 44669  
attending such school regardless of whether the student receives 44670  
special education or related services and regardless of whether 44671  
the student is attending the school under a state scholarship 44672  
program. 44673

(M) (1) The superintendent of Ohio deaf and blind education 44674  
services shall administer the assessments described by sections 44675  
3301.0710 and 3301.0712 of the Revised Code for the state school 44676  
for the blind and the state school for the deaf. The 44677  
superintendent of Ohio deaf and blind education services shall 44678  
administer the assessments in the same manner as district boards 44679  
are required to do under this section and rules adopted by the 44680  
department and in conformity with division (C) (1) (a) of this 44681  
section. 44682

(2) The department shall furnish the assessments described 44683  
by sections 3301.0710 and 3301.0712 of the Revised Code to the 44684  
superintendent of Ohio deaf and blind education services. 44685

(N) Notwithstanding division (E) of this section, a school 44686  
district may use a student's failure to attain a score in at 44687

described by division (A) (1) (a) of section 3301.0710 of the 44689

(b), (c), (d), (e), or (f) of section 3301.0710 of the Revised 44691  
Code as a factor in retaining that student in the current grade 44692  
level. 44693

(O) (1) In the manner specified in divisions (O) (3) ~~and~~ 44694  
(4) ~~, (6), and (7)~~ of this section, the assessments required by 44695  
division (A) (1) of section 3301.0710 of the Revised Code shall 44696  
become public records pursuant to section 149.43 of the Revised 44697  
Code on the thirty-first day of July following the school year 44698

that the assessments were administered. 44699

(2) The department may field test proposed questions with 44700  
samples of students to determine the validity, reliability, or 44701  
appropriateness of questions for possible inclusion in a future 44702  
year's assessment. The department also may use anchor questions 44703  
on assessments to ensure that different versions of the same 44704  
assessment are of comparable difficulty. 44705

Field test questions and anchor questions shall not be 44706  
considered in computing scores for individual students. Field 44707  
test questions and anchor questions may be included as part of 44708  
the administration of any assessment required by division (A) (1) 44709  
or (B) of section 3301.0710 and division (B) of section 44710  
3301.0712 of the Revised Code. 44711

(3) Any field test question or anchor question 44712

~~(b) For subsequent administrations of each assessment 44722  
prior to the 2011-2012 school year, not less than forty per cent 44723  
of the questions on the assessment that are used to compute a 44724  
student's score shall be a public record. The department shall 44725  
determine which questions will be needed for reuse on a future 44726  
assessment and those questions shall not be public records and 44727~~

~~shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (O) (3) of this section.~~

~~(c) The administrations of each assessment in the 2011-2012, 2012-2013, and 2013-2014 school years shall not be a public record.~~

~~(i) Forty per cent of the questions and preferred answers on the assessments on the thirty-first day of July following the administration of the assessment;~~

~~(ii) Twenty per cent of the questions and preferred answers on the assessment on the thirty-first day of July one year after the administration of the assessment;~~

~~(iii) The remaining forty per cent of the questions and preferred answers on the assessment on the thirty-first day of~~

~~The entire content of an assessment shall become a public record within three years of its administration.~~ 44758  
44759

~~The department shall make the questions that become a public record under this division readily accessible to the public on the department's web site. Questions on the spring administration of each assessment shall be released on an annual basis, in accordance with this division.~~ 44760  
44761  
44762  
44763

(P) As used in this section: 44787

(1) "Three-year average" means the average of the most 44788  
recent consecutive three school years of data. 44789

(2) "Dropout" means a student who withdraws from school 44790  
before completing course requirements for graduation and who is 44791  
not enrolled in an education program approved by the department 44792  
or an education program outside the state. "Dropout" does not 44793  
include a student who has departed the country. 44794

(3) "Graduation rate" means the ratio of students 44795  
receiving a diploma to the number of students who entered ninth 44796

district are added to the calculation. Students who transfer out 44798  
of the district for reasons other than dropout are subtracted 44799  
from the calculation. If a student who was a dropout in any 44800  
previous year returns to the same school district, that student 44801  
shall be entered into the calculation as if the student had 44802  
entered ninth grade four years before the graduation year of the 44803  
graduating class that the student joins. 44804

(4) "State scholarship programs" means the educational 44805  
choice scholarship pilot program established under sections 44806  
3310.01 to 3310.17 of the Revised Code, the autism scholarship 44807  
program established under section 3310.41 of the Revised Code, 44808  
the Jon Peterson special needs scholarship program established 44809  
under sections 3310.51 to 3310.64 of the Revised Code, and the 44810  
pilot project scholarship program established under sections 44811  
3313.974 to 3313.979 of the Revised Code. 44812

(5) "Other public school" means a community school 44813  
established under Chapter 3314., a STEM school established under 44814

Chapter 3326., or a college-preparatory boarding school 44815  
established under Chapter 3328. of the Revised Code. 44816

(6) "English learner" has the same meaning as in section 44817  
3301.0731 of the Revised Code. 44818

(7) "Classical school" means a community school 44819  
established under Chapter 3314. of the Revised Code that is a 44820  
member of the Ohio classical school association, or its 44821  
successor organization, and uses a curriculum substantially 44822  
similar to that of a nationally recognized classical school 44823  
network. 44824

**Sec. 3301.0712.** (A) The department of education and 44825  
workforce and the chancellor of higher education shall develop a 44826  
system of college and work ready assessments as described in 44827  
division (B) of this section to assess whether each student upon 44828  
graduating from high school is ready to enter college or the 44829  
workforce. Beginning with students who enter the ninth grade for 44830  
the first time on or after July 1, 2014, the system shall 44831  
replace the Ohio graduation tests prescribed in division (B)(1) 44832  
of section 3301.0710 of the Revised Code as a measure of student 44833  
academic performance and one determinant of eligibility for a 44834  
high school diploma in the manner prescribed by rule adopted 44835  
under division (D) of this section. 44836

(B) The college and work ready assessment system shall 44837  
consist of the following: 44838

(1) (a) Except as provided in division (B)(1)(b) of this 44839  
section, nationally standardized assessments that measure 44840  
college and career readiness and are used for college admission. 44841  
The assessments shall be selected jointly by the department and 44842  
the chancellor, and one of which shall be selected by each 44843

school district or school to administer to its students. The 44844  
assessments prescribed under division (B) (1) of this section 44845  
shall be administered to all eleventh-grade students in the 44846  
spring of the school year. 44847

(b) Beginning with students who enter the ninth grade for 44848  
the first time on or after July 1, 2022, the parent or guardian 44849  
of a student may elect not to have a nationally standardized 44850  
assessment administered to that student. In that event, the 44851  
student's school district or school shall not administer the 44852  
nationally standardized assessment to that student. 44853

(2) (a) Except as provided in division (B) (2) (b) of this 44854  
section, seven end-of-course examinations, one in each of the 44855  
areas of English language arts I, English language arts II, 44856  
science, Algebra I, geometry, American history, and American 44857  
government. The end-of-course examinations shall be selected 44858  
jointly by the department and the chancellor in consultation 44859  
with faculty in the appropriate subject areas at institutions of 44860  
higher education of the university system of Ohio. Advanced 44861  
placement examinations and international baccalaureate 44862  
examinations, as prescribed under section 3313.6013 of the 44863  
Revised Code, in the areas of science, American history, and 44864  
American government may be used as end-of-course examinations in 44865  
accordance with division (B) (4) (a) (i) of this section. Final 44866  
course grades for courses taken under any other advanced 44867  
standing program, as prescribed under section 3313.6013 of the 44868  
Revised Code, in the areas of science, American history, and 44869  
American government may be used in lieu of end-of-course 44870  
examinations in accordance with division (B) (4) (a) (ii) of this 44871  
section. 44872

(b) Beginning with students who enter ninth grade for the 44873

first time on or after July 1, 2019, five end-of-course 44874  
examinations, one in each areas of English language arts II, 44875  
science, Algebra I, American history, and American government. 44876  
However, only the end-of-course examinations in English language 44877  
arts II and Algebra I shall be required for graduation. 44878

The department shall, as necessary to implement division 44879  
(B) (2) (b) of this section, seek a waiver from the United States 44880  
secretary of education for testing requirements prescribed under 44881  
federal law to allow for the use and implementation of Algebra I 44882  
as the primary assessment of high school mathematics. If the 44883  
department does not receive a waiver under this division, the 44884  
end-of-course examinations for students described in division 44885  
(B) (2) (b) of this section also shall include an end-of-course 44886  
examination in the area of geometry. However, the geometry end- 44887  
of-course examination shall not be required for graduation. 44888

(3) The end-of-course examinations in American history and 44889  
American government shall require demonstration of mastery of 44890  
the American history and American government content for social 44891  
studies standards adopted under division (A) (1) (b) of section 44892  
3301.079 of the Revised Code and the topics required under 44893  
division (M) of section 3313.603 of the Revised Code. 44894

At least twenty per cent of the end-of-course examination 44895  
in American government shall address the topics on American 44896  
history and American government described in division (M) of 44897  
section 3313.603 of the Revised Code. 44898

(4) (a) Notwithstanding anything to the contrary in this 44899  
section, both of the following shall apply: 44900

(i) If a student is enrolled in an appropriate advanced 44901  
placement or international baccalaureate course, that student 44902

shall take the advanced placement or international baccalaureate 44903  
examination in lieu of the science, American history, or 44904  
American government end-of-course examinations prescribed under 44905  
division (B) (2) of this section. The department shall specify 44906  
the score levels for each advanced placement examination and 44907  
international baccalaureate examination for purposes of 44908  
calculating the minimum cumulative performance score that 44909  
demonstrates the level of academic achievement necessary to earn 44910  
a high school diploma. 44911

(ii) If a student is enrolled in an appropriate course 44912  
under any other advanced standing program, as described in 44913  
section 3313.6013 of the Revised Code, that student shall not be 44914  
required to take the science, American history, or American 44915  
government end-of-course examination, whichever is applicable, 44916

student's final course grade shall be used in lieu of the 44918  
applicable end-of-course examination prescribed under that 44919  
section. The department, in consultation with the chancellor, 44920  
shall adopt guidelines for purposes of calculating the 44921  
corresponding final course grades that demonstrate the level of 44922  
academic achievement necessary to earn a high school diploma. 44923

Division (B) (4) (a) (ii) of this section shall apply only to 44924  
courses for which students receive transcribed credit, as 44925  
defined in section 3365.01 of the Revised Code. It shall not 44926  
apply to remedial or developmental courses. 44927

(b) No student shall take a substitute examination or 44928  
examination prescribed under division (B) (4) (a) of this section 44929  
in place of the end-of-course examinations in English language 44930  
arts I, English language arts II, Algebra I, or geometry 44931  
prescribed under division (B) (2) of this section. 44932

(c) The department shall consider additional assessments 44933  
that may be used as substitute examinations in lieu of the end- 44934  
of-course examinations prescribed under division (B) (2) of this 44935  
section. 44936

(5) The department shall do all of the following: 44937

(a) Determine and designate at least five ranges of scores 44938  
on each of the end-of-course examinations prescribed under 44939  
division (B) (2) of this section, and substitute examinations 44940  
prescribed under division (B) (4) of this section. Not later than 44941  
sixty days after the designation of ranges of scores, the 44942  
director of education and workforce shall conduct a public 44943  
presentation before the standing committees of the house of 44944  
representatives and the senate that consider primary and 44945  
secondary education legislation regarding the designated range 44946  
of scores. Each range of scores shall be considered to 44947  
demonstrate a level of achievement so that any student attaining 44948  
a score within such range has achieved one of the following: 44949

(i) An advanced level of skill; 44950

(ii) An accomplished level of skill; 44951

(iii) A proficient level of skill; 44952

3313.618 of the Revised Code. However, no new minimum cumulative performance score shall be determined after October 17, 2019.

(d) Develop a table of corresponding score equivalents for the end-of-course examinations and substitute examinations in order to calculate student performance consistently across the different examinations.

A score of two on an advanced placement examination or a score of two or three on an international baccalaureate examination shall be considered equivalent to a proficient level of skill as specified under division (B) (5) (a) (iii) of this section.

(6) (a) A student who meets both of the following conditions shall not be required to take an end-of-course examination:

(i) The student received high school credit prior to July 1, 2015, for a course for which the end-of-course examination is prescribed.

(ii) The examination was not available for administration prior to July 1, 2015.

Receipt of credit for the course described in division (B) (6) (a) (i) of this section shall satisfy the requirement to take the end-of-course examination. A student exempted under division (B) (6) (a) of this section may take the applicable end-of-course examination at a later date.

(b) For purposes of determining whether a student who is exempt from taking an end-of-course examination under division (B) (6) (a) of this section has attained the cumulative score prescribed by division (B) (5) (c) of this section, such student shall select either of the following:

proficient score on the end-of-course examination from which the 44991

lieu of a score on the end-of-course examination from which the 44994  
student is exempt. 44995

The department, in consultation with the chancellor, shall 44996  
adopt guidelines for purposes of calculating the corresponding 44997  
final course grades and the minimum cumulative performance score 44998  
that demonstrates the level of academic achievement necessary to 44999  
earn a high school diploma. 45000

(7) (a) Notwithstanding anything to the contrary in this 45001  
section, the department may replace the algebra I end-of-course 45002  
examination prescribed under division (B) (2) of this section 45003  
with an algebra II end-of-course examination, beginning with the 45004  
2016-2017 school year for students who enter ninth grade on or 45005  
after July 1, 2016. 45006

(b) If the department replaces the algebra I end-of-course 45007  
examination with an algebra II end-of-course examination as 45008  
authorized under division (B) (7) (a) of this section, both of the 45009  
following shall apply: 45010

(i) A student who is enrolled in an advanced placement or 45011  
international baccalaureate course in algebra II shall take the 45012  
advanced placement or international baccalaureate examination in 45013  
lieu of the algebra II end-of-course examination. 45014

(ii) A student who is enrolled in an algebra II course 45015  
under any other advanced standing program, as described in 45016  
section 3313.6013 of the Revised Code, shall not be required to 45017  
take the algebra II end-of-course examination. Instead, that 45018

student's final course grade shall be used in lieu of the 45019  
examination. 45020

(c) If a school district or school utilizes an integrated 45021  
approach to mathematics instruction, the district or school may 45022  
do either or both of the following: 45023

(i) Administer an integrated mathematics I end-of-course 45024  
examination in lieu of the prescribed algebra I end-of-course 45025  
examination; 45026

(ii) Administer an integrated mathematics II end-of-course 45027  
examination in lieu of the prescribed geometry end-of-course 45028  
examination. 45029

after July 1, 2014, but prior to July 1, 2015, and who wish to 45039  
retake the examination. 45040

(c) The department shall adopt rules prescribing the 45041  
requirements for the end-of-course examination in science for 45042  
students who entered the ninth grade for the first time on or 45043  
after July 1, 2014, but prior to July 1, 2015, and who have not 45044  
met the requirement prescribed by section 3313.618 of the 45045  
Revised Code by July 1, 2019, due to a student's failure to 45046  
satisfy division (A) (2) of section 3313.618 of the Revised Code. 45047

(9) The department shall not develop or administer an end-of-course examination in the area of world history. 45048  
45049

(10) The department, in consultation with the chancellor and the governor's office of workforce transformation, shall determine a competency score for both of the Algebra I and English language arts II end-of-course examinations for the purpose of graduation eligibility. 45050  
45051  
45052  
45053

them may be compiled and reported in terms of average 45296  
expenditure per pupil receiving the service in the school 45297  
district as a whole and average expenditure per pupil receiving 45298  
the service in each building in the school district and in terms 45299  
of a total cost for each category of service and, as a breakdown 45300  
of the total cost, a cost for each of the following components: 45301

(a) The cost of each instructional services category 45302

(b) The cost of the instructional support services, such 45306  
as services provided by a speech-language pathologist, classroom 45307  
aide, multimedia aide, or librarian, provided directly to 45308  
students in conjunction with each instructional services 45309  
category; 45310

(c) The cost of the administrative support services 45311

category of service directly provided to students and required 45318  
by guidelines adopted pursuant to division (B) (1) (b) of this 45319  
section. The guidelines shall require the cost units under 45320  
division (C) (4) of this section to be designed so that each of 45321  
them may be compiled and reported in terms of average 45322  
expenditure per pupil receiving the service in the school 45323  
district as a whole and average expenditure per pupil receiving 45324  
the service in each building in the school district and in terms 45325

(c) The cost of the administrative services related to 45338  
each services category in division (C) (4) (a) or (b) of this 45339  
section, such as the cost of any licensed or nonlicensed 45340

employees that develop, supervise, coordinate, or otherwise are 45341  
involved in administering or aiding the delivery of each 45342  
services category. 45343

(D) (1) The guidelines adopted under this section shall 45344  
require school districts to collect information about individual 45345  
students, staff members, or both in connection with any data 45346  
required by division (B) or (C) of this section or other 45347  
reporting requirements established in the Revised Code. The 45348  
guidelines may also require school districts to report 45349  
information about individual staff members in connection with 45350  
any data required by division (B) or (C) of this section or 45351  
other reporting requirements established in the Revised Code. 45352  
The guidelines shall not authorize school districts to request 45353  
social security numbers of individual students. The guidelines 45354  
shall prohibit the reporting under this section of a student's 45355  
name, address, and social security number to the department. The 45356  
guidelines shall also prohibit the reporting under this section 45357  
of any personally identifiable information about any student, 45358  
except for the purpose of assigning the data verification code 45359  
required by division (D) (2) of this section, to any other person 45360  
unless such person is employed by the school district or the 45361  
information technology center operated under section 3301.075 of 45362  
the Revised Code and is authorized by the district or technology 45363  
center to have access to such information or is employed by an 45364  
entity with which the department contracts for the scoring or 45365  
the development of state assessments. The guidelines may require 45366  
school districts to provide the social security numbers of 45367  
individual staff members and the county of residence for a 45368  
student. Nothing in this section prohibits the department from 45369  
providing a student's county of residence to the department of 45370  
taxation to facilitate the distribution of tax revenue. 45371

(2) (a) The guidelines shall provide for each school 45372  
district or community school to assign a data verification code 45373  
that is unique on a statewide basis over time to each student 45374  
whose initial Ohio enrollment is in that district or school and 45375  
to report all required individual student data for that student 45376  
utilizing such code. The guidelines shall also provide for 45377  
assigning data verification codes to all students enrolled in 45378  
districts or community schools on the effective date of the 45379  
guidelines established under this section. The assignment of 45380  
data verification codes for other entities, as described in 45381  
division (D) (2) (d) of this section, the use of those codes, and 45382  
the reporting and use of associated individual student data 45383  
shall be coordinated by the department of education and 45384  
workforce in accordance with state and federal law. 45385

School districts shall report individual student data to 45386  
the department through the information technology centers 45387  
utilizing the code. The entities described in division (D) (2) (d) 45388  
of this section shall report individual student data to the 45389  
department in the manner prescribed by the department. 45390

(b) (i) Except as provided in sections 3301.941, 3310.11, 45391  
3310.42, 3310.63, 3313.978, 3317.20, and 5747.057 of the Revised 45392  
Code, and in division (D) (2) (b) (ii) of this section, at no time 45393  
shall the department have access to information that would 45394  
enable any data verification code to be matched to personally 45395  
identifiable student data. 45396

(ii) For the purpose of making per-pupil payments to 45397  
community schools under section 3317.022 of the Revised Code, 45398  
the department shall have access to information that would 45399  
enable any data verification code to be matched to personally 45400  
identifiable student data. 45401

(c) Each school district and community school shall ensure 45402  
that the data verification code is included in the student's 45403  
records reported to any subsequent school district, community 45404  
school, or state institution of higher education, as defined in 45405  
section 3345.011 of the Revised Code, in which the student 45406  
enrolls. Any such subsequent district or school shall utilize 45407  
the same identifier in its reporting of data under this section. 45408

(d) (i) The director of any state agency that administers a 45409  
publicly funded program providing services to children who are 45410  
younger than compulsory school age, as defined in section 45411  
3321.01 of the Revised Code, including the directors of health, 45412  
job and family services, mental health and addiction services, 45413  
children and youth, and developmental disabilities, shall 45414  
request and receive, pursuant to sections 3301.0723 and 5180.33 45415  
of the Revised Code, a data verification code for a child who is 45416  
receiving those services. 45417

(ii) The director of developmental disabilities, director 45418  
of health, director of job and family services, director of 45419

commission on minority health, executive director of the 45422  
opportunities for Ohioans with disabilities agency, or director 45423  
of education and workforce, on behalf of a program that receives 45424  
public funds and provides services to children who are younger 45425  
than compulsory school age, may request and receive, pursuant to 45426  
section 3301.0723 of the Revised Code, a data verification code 45427  
for a child who is receiving services from the program. 45428

(E) The guidelines adopted under this section may require 45429  
school districts to collect and report data, information, or 45430  
reports other than that described in divisions (A), (B), and (C) 45431

of this section for the purpose of complying with other 45432  
reporting requirements established in the Revised Code. The 45433  
other data, information, or reports may be maintained in the 45434  
education management information system but are not required to 45435  
be compiled as part of the profile formats required under 45436  
division (G) of this section or the annual statewide report 45437  
required under division (H) of this section. 45438

(F) The board of education of each school district shall 45439  
annually collect and report to the department, in accordance 45440  
with the guidelines established by the department, the data 45441  
required pursuant to this section. A school district may collect 45442  
and report these data notwithstanding section 2151.357 or 45443  
3319.321 of the Revised Code. 45444

(G) The department shall, in accordance with the 45445  
procedures it adopts, annually compile the data reported by each 45446  
school district pursuant to division (D) of this section. The 45447  
department shall design formats for profiling each school 45448  
district as a whole and each school building within each 45449  
district and shall compile the data in accordance with these 45450  
formats. These profile formats shall: 45451

(1) Include all of the data gathered under this section in 45452  
a manner that facilitates comparison among school districts and 45453  
among school buildings within each school district; 45454

(2) Present the data on academic achievement levels as 45455  
assessed by the testing of student achievement maintained 45456  
pursuant to division (B)(1)(d) of this section. 45457

(H)(1) The department shall, in accordance with the 45458  
procedures it adopts, annually prepare a statewide report for 45459  
all school districts and the general public that includes the 45460

profile of each of the school districts developed pursuant to 45461  
division (G) of this section. Copies of the report shall be sent 45462  
to each school district. 45463

(2) The department shall, in accordance with the 45464  
procedures it adopts, annually prepare an individual report for 45465  
each school district and the general public that includes the 45466  
profiles of each of the school buildings in that school district 45467  
developed pursuant to division (G) of this section. 45468

(I) Any data that is collected or maintained pursuant to 45469  
this section and that identifies an individual pupil is not a 45470  
public record for the purposes of section 149.43 of the Revised 45471  
Code. 45472

(J) As used in this section: 45473

(1) "School district" means any city, local, exempted 45474  
village, or joint vocational school district and, in accordance 45475  
with section 3314.17 of the Revised Code, any community school. 45476  
As used in division (L) of this section, "school district" also 45477  
includes any educational service center or other educational 45478  
entity required to submit data using the system established 45479  
under this section. 45480

(2) "Cost" means any expenditure for operating expenses 45481  
made by a school district excluding any expenditures for debt 45482  
retirement except for payments made to any commercial lending 45483  
institution for any loan approved pursuant to section 3313.483 45484  
of the Revised Code. 45485

(K) Any person who removes data from the information 45486  
system established under this section for the purpose of 45487  
releasing it to any person not entitled under law to have access 45488  
to such information is subject to section 2913.42 of the Revised 45489

Code prohibiting tampering with data. 45490

(L) (1) In accordance with division (L) (2) of this section 45491  
and the rules adopted under division (L) (10) of this section, 45492  
the department may sanction any school district that reports 45493  
incomplete or inaccurate data, reports data that does not 45494  
conform to data requirements and descriptions published by the 45495  
department, fails to report data in a timely manner, or 45496  
otherwise does not make a good faith effort to report data as 45497  
required by this section. 45498

(2) If the department decides to sanction a school 45499  
district under this division, the department shall take the 45500  
following sequential actions: 45501

(a) Notify the district in writing that the department has 45502  
determined that data has not been reported as required under 45503  
this section and require the district to review its data 45504  
submission and submit corrected data by a deadline established 45505  
by the department. The department also may require the district 45506  
to develop a corrective action plan, which shall include 45507  
provisions for the district to provide mandatory staff training 45508  
on data reporting procedures. 45509

(b) Withhold up to ten per cent of the total amount of 45510  
state funds due to the district for the current fiscal year and, 45511  
if not previously required under division (L) (2) (a) of this 45512  
section, require the district to develop a corrective action 45513  
plan in accordance with that division; 45514

(c) Withhold an additional amount of up to twenty per cent 45515  
of the total amount of state funds due to the district for the 45516  
current fiscal year; 45517

(d) Direct department staff or an outside entity to 45518

investigate the district's data reporting practices and make 45519  
recommendations for subsequent actions. The recommendations may 45520  
include one or more of the following actions: 45521

- (i) Arrange for an audit of the district's data reporting 45522  
practices by department staff or an outside entity; 45523
- (ii) Conduct a site visit and evaluation of the district; 45524
- (iii) Withhold an additional amount of up to thirty per 45525  
cent of the total amount of state funds due to the district for 45526  
the current fiscal year; 45527
- (iv) Continue monitoring the district's data reporting; 45528
- (v) Assign department staff to supervise the district's 45529  
data management system; 45530
- (vi) Conduct an investigation to determine whether to 45531  
suspend or revoke the license of any district employee in 45532  
accordance with division (N) of this section; 45533
- (vii) If the district is issued a report card under 45534  
section 3302.03 of the Revised Code, indicate on the report card 45535  
that the district has been sanctioned for failing to report data 45536  
as required by this section; 45537
- (viii) If the district is issued a report card under 45538  
section 3302.03 of the Revised Code and incomplete or inaccurate 45539  
data submitted by the district likely caused the district to 45540  
receive a higher performance rating than it deserved under that 45541  
section, issue a revised report card for the district; 45542
- (ix) Any other action designed to correct the district's 45543  
data reporting problems. 45544

(3) Any time the department takes an action against a 45545

school district under division (L) (2) of this section, the 45546  
department shall make a report of the circumstances that 45547  
prompted the action. The department shall send a copy of the 45548  
report to the district superintendent or chief administrator and 45549  
maintain a copy of the report in its files. 45550

(4) If any action taken under division (L) (2) of this 45551  
section resolves a school district's data reporting problems to 45552  
the department's satisfaction, the department shall not take any 45553  
further actions described by that division. If the department 45554  
withheld funds from the district under that division, the 45555  
department may release those funds to the district, except that 45556  
if the department withheld funding under division (L) (2) (c) of 45557  
this section, the department shall not release the funds 45558  
withheld under division (L) (2) (b) of this section and, if the 45559  
department withheld funding under division (L) (2) (d) of this 45560  
section, the department shall not release the funds withheld 45561  
under division (L) (2) (b) or (c) of this section. 45562

(5) Notwithstanding anything in this section to the 45563  
contrary, the department may use its own staff or an outside 45564  
entity to conduct an audit of a school district's data reporting 45565  
practices any time the department has reason to believe the 45566  
district has not made a good faith effort to report data as 45567  
required by this section. If any audit conducted by an outside 45568  
entity under division (L) (2) (d) (i) or (5) of this section 45569  
confirms that a district has not made a good faith effort to 45570  
report data as required by this section, the district shall 45571  
reimburse the department for the full cost of the audit. The 45572  
department may withhold state funds due to the district for this 45573  
purpose. 45574

(6) Prior to issuing a revised report card for a school 45575

district under division (L) (2) (d) (viii) of this section, the 45576  
department may hold a hearing to provide the district with an 45577  
opportunity to demonstrate that it made a good faith effort to 45578  
report data as required by this section. The hearing shall be 45579  
conducted by a referee appointed by the department. Based on the 45580  
information provided in the hearing, the referee shall recommend 45581  
whether the department should issue a revised report card for 45582  
the district. If the referee affirms the department's contention 45583  
that the district did not make a good faith effort to report 45584  
data as required by this section, the district shall bear the 45585  
full cost of conducting the hearing and of issuing any revised 45586  
report card. 45587

(7) If the department determines that any inaccurate data 45588  
reported under this section caused a school district to receive 45589  
excess state funds in any fiscal year, the district shall 45590  
reimburse the department an amount equal to the excess funds, in 45591  
accordance with a payment schedule determined by the department. 45592  
The department may withhold state funds due to the district for 45593  
this purpose. 45594

(8) Any school district that has funds withheld under 45595  
division (L) (2) of this section may appeal the withholding in 45596  
accordance with Chapter 119. of the Revised Code. 45597

(9) In all cases of a disagreement between the department 45598  
and a school district regarding the appropriateness of an action 45599  
taken under division (L) (2) of this section, the burden of proof 45600  
shall be on the district to demonstrate that it made a good 45601  
faith effort to report data as required by this section. 45602

(10) The director of education and workforce shall adopt 45603  
rules under Chapter 119. of the Revised Code to implement 45604  
division (L) of this section. 45605

(M) No information technology center or school district shall acquire, change, or update its student administration software package to manage and report data required to be reported to the department unless it converts to a student software package that is certified by the department.

(N) The state board of education, in accordance with sections 3319.31 and 3319.311 of the Revised Code, may suspend or revoke a license as defined under division (A) of section 3319.31 of the Revised Code that has been issued to any school district employee found to have willfully reported erroneous, inaccurate, or incomplete data to the education management information system.

(O) No person shall release or maintain any information about any student in violation of this section. Whoever violates this division is guilty of a misdemeanor of the fourth degree.

~~(P) The department shall disaggregate the data collected under division (B)(1)(n) of this section according to the race and socioeconomic status of the students assessed.~~

~~(Q) If the department cannot compile any of the information required by division (I) of section 3302.03 of the Revised Code based upon the data collected under this section, the department shall develop a plan and a reasonable timeline for the collection of any data necessary to comply with that division.~~

diagnostic assessment was not administered by the district or 45642  
school the student previously attended in the current school 45643  
year, within thirty days after the date of transfer. If the 45644  
district or school into which the student transfers cannot 45645  
determine whether the student has taken any applicable 45646  
diagnostic assessment in the current school year, the district 45647  
or school may administer the diagnostic assessment to the 45648  
student. However, if a student transfers into the district prior 45649  
to the administration of the diagnostic assessments to all 45650  
students under division (B) of this section, the district may 45651  
administer the diagnostic assessments to that student on the 45652  
date or dates determined under that division. 45653

The board shall administer a diagnostic assessment to a student with a significant cognitive disability in accordance with guidelines adopted by the department of education and workforce. adopting benchmarks for assigning letter grades under divisions 46472  
(B) (1) (g) and (C) (1) (g) of this section, the department shall 46473  
determine progress made based on the reduction in the total 46474  
percentage of students scoring below grade level, or below 46475  
proficient, compared from year to year on the reading ~~and~~ 46476  
~~writing~~ diagnostic assessments administered under section 46477

for this measure. No grade shall be issued under divisions (B) 46482  
(1) (g) and (C) (1) (g) of this section for a district or building 46483  
in which less than five per cent of students have scored below 46484

building who have taken a national standardized test used for 46523  
college admission determinations and the percentage of those 46524  
students who are determined to be remediation-free in accordance 46525

Chapter 119. of the Revised Code that prescribe the methods by 46540  
which the performance measures under divisions (B) (1) (f) and (B) 46541  
(1) (g) of this section will be assessed and assigned a letter 46542  
grade, including performance benchmarks for each grade. 46543

At least forty-five days prior to the department's 46544  
adoption of rules to prescribe the methods by which the 46545  
performance measures under division (B) (1) of this section shall 46546  
be assessed and assigned a letter grade, the department shall 46547  
conduct a public presentation before the standing committees of 46548  
the house of representatives and the senate that consider 46549  
education legislation describing such methods, including 46550  
performance benchmarks. 46551

(4) There shall not be an overall letter grade for a 46552

shall issue grades as described in division (F) of this section 46557  
for each of the performance measures prescribed in division (C) 46558  
(1) of this section. The graded measures are as follows: 46559

department shall not include any subgroup data in the annual 46567  
measurable objectives that includes data from fewer than fifteen 46568  
students. 46569

(b) Performance index score for a school district or 46570  
building. Grades shall be awarded as a percentage of the total 46571

dimension for all subgroups under division (C) (1) (f) of this 46597  
section is a "C" or higher. 46598

For the metric prescribed by division (C) (1) (e) of this 46599

district or building disaggregated for each of the following 46607  
subgroups: students identified as gifted in superior cognitive 46608  
ability and specific academic ability fields under Chapter 3324. 46609

achievement on a statewide basis, as determined by a method 46612  
prescribed by the department. Each subgroup shall be a separate 46613  
graded measure. 46614

The department may adopt student academic progress 46615  
measures to be used instead of the value-added progress 46616  
dimension. If the department adopts such measures, it also shall 46617  
prescribe a method for assigning letter grades for the new 46618  
measures that is comparable to the method prescribed in division 46619  
(A) (1) (e) of this section. 46620

(g) Whether a school district or building is making 46621  
progress in improving literacy in grades kindergarten through 46622  
three, as determined using a method prescribed by the 46623  
department. The department shall adopt rules to prescribe 46624  
benchmarks and standards for assigning grades to a district or 46625  
building for purposes of division (C) (1) (g) of this section. The 46626  
department shall designate for a "C" grade a value that is not 46627  
lower than the statewide average value for this measure. No 46628  
grade shall be issued under division (C) (1) (g) of this section 46629  
for a district or building in which less than five per cent of 46630  
students have scored below grade level on the kindergarten 46631  
diagnostic assessment under division (B) (1) of section 3313.608 46632

of the Revised Code. 46633

(h) For a high mobility school district or building, an 46634  
additional value-added progress dimension score. For this 46635  
measure, the department shall use value-added data from the most 46636  
recent school year available and shall use assessment scores for 46637  
only those students to whom the district or building has 46638  
administered the assessments prescribed by section 3301.0710 of 46639  
the Revised Code for each of the two most recent consecutive 46640  
school years. 46641

As used in this division, "high mobility school district 46642  
or building" means a school district or building where at least 46643  
twenty-five per cent of its total enrollment is made up of 46644  
students who have attended that school district or building for 46645

better on advanced placement examinations; 46660

(c) The percentage of a district's or building's students 46661

who have earned at least three college credits through advanced 46662  
standing programs, such as the college credit plus program under 46663  
Chapter 3365. of the Revised Code and state-approved career- 46664  
technical courses offered through dual enrollment or statewide 46665  
articulation, that appear on a student's college transcript 46666  
issued by the institution of higher education from which the 46667  
student earned the college credit. The credits earned that are 46668  
reported under divisions (B) (2) (b) and (C) (2) (c) of this section 46669

shall include those that count toward the curriculum 46671  
requirements established for completion of a degree. 46672

examinations; 46683

(g) The results of the college and career-ready 46684  
assessments administered under division (B) (1) of section 46685

(3) The department shall adopt rules pursuant to Chapter 119. of the Revised Code that establish a method to assign an overall grade for a school district or school building for the 2017-2018 school year and each school year thereafter. The rules shall group the performance measures in divisions (C) (1) and (2) of this section into the following components:

(a) Gap closing, which shall include the performance measure in division (C) (1) (a) of this section;

(b) Achievement, which shall include the performance measures in divisions (C) (1) (b) and (c) of this section;

(c) Progress, which shall include the performance measures in divisions (C) (1) (e) and (f) of this section;

(d) Graduation, which shall include the performance measure in division (C) (1) (d) of this section;

(e) Kindergarten through third-grade literacy, which shall include the performance measure in division (C) (1) (g) of this section;

(f) Prepared for success, which shall include the performance measures in divisions (C) (2) (a), (b), (c), (d), (e), and (f) of this section. The department shall develop a method to determine a grade for the component in division (C) (3) (f) of this section using the performance measures in divisions (C) (2) (a), (b), (c), (d), (e), and (f) of this section. When available, the department may incorporate the performance measure under division (C) (2) (g) of this section into the component under division (C) (3) (f) of this section. When determining the overall grade for the prepared for success component prescribed by division (C) (3) (f) of this section, no individual student shall be counted in more than one performance

measure. However, if a student qualifies for more than one 46720  
performance measure in the component, the department may, in its 46721  
method to determine a grade for the component, specify an 46722  
additional weight for such a student that is not greater than or 46723  
equal to 1.0. In determining the overall score under division 46724  
(C) (3) (f) of this section, the department shall ensure that the 46725  
pool of students included in the performance measures aggregated 46726  
under that division are all of the students included in the 46727  
four- and five-year adjusted graduation cohort. 46728

In the rules adopted under division (C) (3) of this 46729  
section, the department shall adopt a method for determining a 46730  
grade for each component in divisions (C) (3) (a) to (f) of this 46731  
section. The department also shall establish a method to assign 46732  
an overall grade of "A," "B," "C," "D," or "F" using the grades 46733  
assigned for each component. The method the department adopts 46734  
for assigning an overall grade shall give equal weight to the 46735  
components in divisions (C) (3) (b) and (c) of this section. 46736

At least forty-five days prior to the department's 46737  
adoption of rules to prescribe the methods for calculating the 46738  
overall grade for the report card, as required by this division, 46739  
the department shall conduct a public presentation before the 46740  
standing committees of the house of representatives and the 46741  
senate that consider education legislation describing the format 46742  
for the report card, weights that will be assigned to the 46743  
components of the overall grade, and the method for calculating 46744  
the overall grade. 46745

(D) For the 2021-2022 school year and each school year 46746  
thereafter, all of the following apply: 46747

performance indicator under division (A) (2) of section 3302.02 46752  
of the Revised Code and the extent to which the district or 46753  
building meets gifted indicator performance benchmarks; 46754

chronic absenteeism indicator under division (A) (3) of section 46756  
3302.02 of the Revised Code; 46757

(c) Performance index score percentage for a district or 46758  
building, which shall be calculated by dividing the district's 46759  
or building's performance index score according to the 46760  
performance index system created by the department by the 46761  
maximum performance index score for a district or building. The 46762  
maximum performance index score shall be as follows: 46763

(i) For a building, the average of the highest two per 46764  
cent of performance index scores achieved by a building for the 46765  
school year for which a report card is issued; 46766

(ii) For a district, the average of the highest two per 46767  
cent of performance index scores achieved by a district for the 46768  
school year for which a report card is issued. 46769

(d) The overall score under the value-added progress 46770  
dimension of a district or building, for which the department 46771  
shall use three consecutive years of value-added data. In using 46772  
three years of value-added data to calculate the measure 46773  
prescribed under division (D) (1) (d) of this section, the 46774  
department shall assign a weight of fifty per cent to the most 46775  
recent year's data and a weight of twenty-five per cent to the 46776  
data of each of the other years. However, if three consecutive 46777  
years of value-added data is not available, the department shall 46778

use prior years of value-added data to calculate the measure, as 46779  
follows: 46780

(i) If two consecutive years of value-added data is not 46781  
available, the department shall use one year of value-added data 46782  
to calculate the measure. 46783

(ii) If two consecutive years of value-added data is 46784  
available, the department shall use two consecutive years of 46785  
value-added data to calculate the measure. In using two years of 46786  
value-added data to calculate the measure, the department shall 46787  
assign a weight of sixty-seven per cent to the most recent 46788  
year's data and a weight of thirty-three per cent to the data of 46789  
the other year. 46790

(e) The four-year adjusted cohort graduation rate. 46791

(f) The five-year adjusted cohort graduation rate. 46792

(g) The percentage of students in the district or building 46793  
who score proficient or higher on the reading segment of the 46794  
third grade English language arts assessment under section 46795  
3301.0710 of the Revised Code. 46796

To the extent possible, the department shall include the 46797  
results of the summer administration of the third grade reading 46798  
assessment under section 3301.0710 of the Revised Code in the 46799  
performance measures prescribed under divisions (D) (1) (g) and 46800  
(h) of this section. 46801

(h) Whether a district or building is making progress in 46802  
improving literacy in grades kindergarten through three, as 46803  
determined using a method prescribed by the department. The 46804  
method shall determine progress made based on the reduction in 46805  
the total percentage of students scoring below grade level, or 46806  
below proficient, compared from year to year on the reading 46807

segments of the diagnostic assessments administered under\_ 46808  
division (A) (1) of section 3301.0715 of the Revised Code, 46809  
~~including the kindergarten readiness assessment,~~ and the third 46810  
grade English language arts assessment under section 3301.0710 46811  
of the Revised Code, as applicable. The method shall not include 46812  
a deduction for students who did not pass the third grade 46813  
English language arts assessment under section 3301.0710 of the 46814  
Revised Code and were not on a reading improvement and 46815  
monitoring plan. 46816

The performance measure prescribed under division (D) (1) 46817  
(h) of this section shall not be included on the report card of 46818  
a district or building in which less than ten per cent of 46819  
students have scored below grade level on the diagnostic 46820  
assessment administered to students in kindergarten under 46821  
division (B) (1) of section 3313.608 of the Revised Code. 46822

(i) The percentage of students in a district or building 46823  
who are promoted to the fourth grade ~~and not subject to~~ 46824

~~Revised Code~~based on the student's score on the third grade 46826  
English language arts assessment under division (A) (3) of 46827  
section 3301.0710 of the Revised Code or demonstrate competency 46828  
on an alternative assessment under division (A) (2) (c) of section 46829  
3313.608 of the Revised Code; 46830

(j) A post-secondary readiness measure. This measure shall 46831  
be calculated by dividing the number of students included in the 46832  
four-year adjusted graduation rate cohort who demonstrate post- 46833  
secondary readiness by the total number of students included in 46834  
the denominator of the four-year adjusted graduation rate 46835  
cohort. Demonstration of post-secondary readiness shall include 46836  
a student doing any of the following: 46837

(i) Attaining a remediation-free score, in accordance with standards adopted under division (F) of section 3345.061 of the Revised Code, on a nationally standardized assessment prescribed under division (B) (1) of section 3301.0712 of the Revised Code;

of the Revised Code. 47055

offered prior to the fourth grade in the district or building. 47057

(3) Except as provided in division (D) (3) (f) of this 47058  
section, the department shall use the method prescribed under 47059  
rules adopted under division (D) (4) of this section to assign 47060  
performance ratings of "one star," "two stars," "three stars," 47061  
"four stars," or "five stars," as described in division (F) of 47062  
this section, for a district or building for the individual 47063  
components prescribed under division (D) (3) of this section. The 47064

department also shall assign an overall performance rating for a 47065  
district or building in accordance with division (D) (3) (g) of 47066  
this section. The method shall use the performance measures 47067  
prescribed under division (D) (1) of this section to calculate 47068  
performance ratings for components. The method may report data 47069  
under division (D) (2) of this section with corresponding 47070  
components, but shall not use the data to calculate performance 47071  
ratings for that component. The performance measures and 47072  
reported data shall be grouped together into components as 47073  
follows: 47074

(a) Gap closing. In addition to other criteria determined 47075  
appropriate by the department, performance ratings for the gap 47076  
closing component shall reflect whether each of the following 47077  
performance measures are met or not met: 47078

(i) The gifted performance indicator as described in 47079  
division (D) (1) (a) of this section; 47080

(ii) The chronic absenteeism indicator as described in 47081  
division (D) (1) (b) of this section; 47082

(iii) For English learners, an English language 47083  
proficiency improvement indicator established by the department; 47084

(iv) The subgroup graduation targets; 47085

(v) The subgroup achievement targets in both mathematics 47086  
and English language arts; 47087

(vi) The subgroup progress targets in both mathematics and 47088  
English language arts. 47089

Achievement and progress targets under division (D) (3) (a) 47090  
of this section shall be calculated individually, and districts 47091  
and buildings shall receive a status of met or not met on each 47092

measure. The department shall not require a subgroup of a 47093  
district or building to meet both the achievement and progress 47094  
targets at the same time to receive a status of met. 47095

The department shall not include any subgroup data in this 47096  
measure that includes data from fewer than fifteen students. Any 47097  
penalty for failing to meet the required assessment 47098  
participation rate must be partially in proportion to how close 47099  
the district or building was to meeting the rate requirement. 47100

(b) Achievement, which shall include the performance 47101  
measure in division (D) (1) (c) of this section and the reported 47102  
data in division (D) (2) (a) of this section. Performance ratings 47103  
for the achievement component shall be awarded as a percentage 47104  
of the maximum performance index score described in division (D) 47105  
(1) (c) of this section. 47106

(c) Progress, which shall include the performance measure 47107  
in division (D) (1) (d) of this section and the reported data in 47108  
divisions (D) (2) (b) and (c) of this section; 47109

(d) Graduation, which shall include the performance 47110  
measures in divisions (D) (1) (e) and (f) of this section and the 47111  
reported data in divisions (D) (2) (d) and (j) of this section. 47112  
The four-year adjusted cohort graduation rate shall be assigned 47113  
a weight of sixty per cent and the five-year adjusted cohort 47114  
graduation rate shall be assigned a weight of forty per cent. 47115

(e) Early literacy, which shall include the performance 47116  
measures in divisions (D) (1) (g), (h), and (i) of this section 47117  
and the reported data in ~~divisions (D) (2) (e) and (l)~~ division (D) 47118  
(2) (k) of this section. 47119

If the measure prescribed under division (D) (1) (h) of this 47120  
section is included in a report card, performance ratings for 47121

the early literacy component shall give a weight of forty per 47122  
cent to the measure prescribed under division (D) (1) (g) of this 47123  
section, a weight of thirty-five per cent to the measure 47124  
prescribed under division (D) (1) (i) of this section, and a 47125  
weight of twenty-five per cent to the measure prescribed under 47126  
division (D) (1) (h) of this section. 47127

If the measure prescribed under division (D) (1) (h) of this 47128  
section is not included in a report card of a district or 47129  
building, performance ratings for the early literacy component 47130  
shall give a weight of sixty per cent to the measure prescribed 47131  
under division (D) (1) (g) of this section and a weight of forty 47132  
per cent to the measure prescribed under division (D) (1) (i) of 47133  
this section. 47134

(f) College, career, workforce, and military readiness, 47135  
which shall include the performance measure in division (D) (1) 47136  
(j) of this section and the reported data in division ~~(D) (2) (f)~~ 47137  
(D) (2) (e) of this section. 47138

For the 2021-2022, 2022-2023, and 2023-2024 school years, 47139  
the department only shall report the data for, and not assign a 47140  
performance rating to, the college, career, workforce, and 47141  
military readiness component. The reported data shall include 47142  
the percentage of students who demonstrate post-secondary 47143  
readiness using any of the options described in division (D) (1) 47144  
(j) of this section. 47145

The department shall analyze the data included in the 47146  
performance measure prescribed in division (D) (1) (j) of this 47147  
section for the 2021-2022, 2022-2023, and 2023-2024 school 47148  
years. Using that data, the department shall develop and propose 47149  
rules for a method to assign a performance rating to the 47150  
college, career, workforce, and military readiness component 47151

based on that measure. The method to assign a performance rating 47152  
shall not include a tiered structure or per student bonuses. The 47153  
rules shall specify that a district or building shall not 47154  
receive lower than a performance rating of three stars for the 47155  
component if the district's or building's performance on the 47156  
component meets or exceeds a level of improvement set by the 47157  
department. Notwithstanding division (D) (4) (b) of this section, 47158  
more than half of the total districts and buildings may earn a 47159  
performance rating of three stars on this component to account 47160  
for the districts and buildings that earned a performance rating 47161  
of three stars because they met or exceeded the level of 47162  
improvement set by the department. 47163

The department shall submit the rules to the joint 47164  
committee on agency rule review. The committee shall conduct at 47165  
least one public hearing on the proposed rules and approve or 47166  
disapprove the rules. If the committee approves the rules, the 47167  
department shall adopt the rules in accordance with Chapter 119. 47168  
of the Revised Code. If the rules are adopted, the department 47169  
shall assign a performance rating to the college, career, 47170  
workforce, and military readiness component under the rules 47171  
beginning with the 2024-2025 school year, and for each school 47172  
year thereafter. If the committee disapproves the rules, the 47173  
component shall be included in the report card only as reported 47174  
data for the 2024-2025 school year, and each school year 47175  
thereafter. 47176

(g) (i) Except as provided for in division (D) (3) (g) (ii) of 47177  
this section, beginning with the 2022-2023 school year, under 47178  
the method prescribed under rules adopted in division (D) (4) of 47179  
this section, the department shall use the performance ratings 47180  
assigned for the components prescribed in divisions (D) (3) (a) to 47181  
(e) of this section to determine and assign an overall 47182

performance rating of "one star," "one and one-half stars," "two stars," "two and one-half stars," "three stars," "three and one-half stars," "four stars," "four and one-half stars," or "five stars" for a district or building. The method shall give equal weight to the components in divisions (D) (3) (b) and (c) of this section. The method shall give equal weight to the components in divisions (D) (3) (a), (d), and (e) of this section. The individual weights of each of the components prescribed in divisions (D) (3) (a), (d), and (e) of this section shall be equal to one-half of the weight given to the component prescribed in division (D) (3) (b) of this section.

(ii) If the joint committee on agency rule review approves the department's rules regarding the college, career, workforce, and military readiness component as described in division (D) (3) (f) of this section, for the 2024-2025 school year, and each school year thereafter, the department's method shall use the components in divisions (D) (3) (a), (b), (c), (d), (e), and (f) of this section to calculate the overall performance rating. The method shall give equal weight to the components in divisions (D) (3) (b) and (c) of this section. The method shall give equal weight to the components prescribed in divisions (D) (3) (a), (d), (e), and (f) of this section. The individual weights of each of the components prescribed in divisions (D) (3) (a), (d), (e), and (f) of this section shall be equal to one-half the weight given to the component prescribed in division (D) (3) (b) of this section.

If the joint committee on agency rule review disapproves the department's rules regarding the college, career, workforce, and military readiness component as described in division (D) (3) (f) of this section, division (D) (3) (g) (ii) of this section does not apply.

(4) (a) The department shall adopt rules in accordance with Chapter 119. of the Revised Code to establish the performance criteria, benchmarks, and rating system necessary to implement divisions (D) and (F) of this section, including the method for the department to assign performance ratings under division (D) (3) of this section.

(b) In establishing the performance criteria, benchmarks, and rating system, the department shall consult with stakeholder groups and advocates that represent parents, community members, students, business leaders, and educators from different school typology regions. The department shall use data from prior school years and simulations to ensure that there is meaningful differentiation among districts and buildings across all performance ratings and that, except as permitted in division (D) (3) (f) of this section, more than half of all districts or buildings do not earn the same performance rating in any component or overall performance rating.

(c) The department shall adopt the rules prescribed by division (D) (4) of this section not later than March 31, 2022. However, the department shall notify districts and buildings of the changes to the report card prescribed in law not later than one week after September 30, 2021.

(d) Prior to adopting or updating rules under division (D) (4) of this section, the director of education and workforce and the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider primary and secondary education legislation describing the format for the report card and the performance criteria, benchmarks, and rating system, including the method to assign performance ratings under division (D) (3) of this

section. 47244

(E) The department may develop a measure of student 47245  
academic progress for high school students using only data from 47246  
assessments in English language arts and mathematics. If the 47247  
department develops this measure, each school district and 47248  
applicable school building shall be assigned a separate letter 47249  
grade for it not sooner than the 2017-2018 school year. The 47250  
district's or building's grade for that measure shall not be 47251  
included in determining the district's or building's overall 47252  
letter grade. 47253

(F) (1) The letter grades assigned to a school district or 47254  
building under this section shall be as follows: 47255

(a) "A" for a district or school making excellent 47256  
progress; 47257

(b) "B" for a district or school making above average 47258  
progress; 47259

(c) "C" for a district or school making average progress; 47260

(d) "D" for a district or school making below average 47261  
progress; 47262

(e) "F" for a district or school failing to meet minimum 47263  
progress. 47264

(2) For the overall performance rating under division (D) 47265  
(3) of this section, the department shall include a descriptor 47266  
for each performance rating as follows: 47267

(a) "Significantly exceeds state standards" for a 47268  
performance rating of five stars; 47269

(b) "Exceeds state standards" for a performance rating of 47270

four stars or four and one-half stars; 47271

(c) "Meets state standards" for a performance rating of 47272

3313.413 of the Revised Code, when a board of education decides 49405  
to dispose of real or personal property that it owns in its 49406  
corporate capacity and that exceeds in value ten thousand 49407

school district library is limited, in the case of real 49442  
property, to a school district library within whose boundaries 49443  
the real property is situated, or, in the case of personal 49444

whole or in part within the school district of the selling board 49446  
of education. 49447

(D) When a board of education decides to trade as a part 49448  
or an entire consideration, an item of personal property on the 49449

(E) The president and the treasurer of the board of 49453  
education shall execute and deliver deeds or other necessary 49454  
instruments of conveyance to complete any sale or trade under 49455  
this section. 49456

(F) When a board of education has identified a parcel of 49457  
real property that it determines is needed for school purposes, 49458  
the board may, upon a majority vote of the members of the board, 49459  
acquire that property by exchanging real property that the board 49460  
owns in its corporate capacity for the identified real property 49461  
or by using real property that the board owns in its corporate 49462  
capacity as part or an entire consideration for the purchase 49463  
price of the identified real property. Any exchange or 49464  
acquisition made pursuant to this division shall be made by a 49465  
conveyance executed by the president and the treasurer of the 49466  
board. 49467

(G) When a school district board of education has property 49468  
that the board, by resolution, finds is not needed for school 49469  
district use, is obsolete, or is unfit for the use for which it 49470  
was acquired, the board may donate that property in accordance 49471  
with this division if the fair market value of the property is, 49472  
in the opinion of the board, two thousand five hundred dollars 49473  
or less. 49474

The property may be donated to an eligible nonprofit organization that is located in this state and is exempt from federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). Before donating any property under this division, the board shall adopt a resolution expressing its intent to make unneeded, obsolete, or unfit-for-use school district property available to these organizations. The resolution shall include guidelines and procedures the board considers to be necessary to implement the donation program and shall indicate whether the school district will conduct the donation program or the board will contract with a representative to conduct it. If a representative is known when the resolution is adopted, the resolution shall provide contact information such as the representative's name, address, and telephone number.

The resolution shall include within its procedures a requirement that any nonprofit organization desiring to obtain donated property under this division shall submit a written notice to the board or its representative. The written notice shall include evidence that the organization is a nonprofit organization that is located in this state and is exempt from federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of the organization's primary purpose; a description of the type or types of property the organization needs; and the name, address, and telephone number of a person designated by the organization's governing board to receive donated property and to serve as its agent. The written notice may be submitted electronically to the board or its representative.

After adoption of the resolution, the board shall continually post in the board's office notice of its intent to donate school district property that is unneeded, obsolete, or

unfit for use to eligible nonprofit organizations. If the school 49506  
district maintains a web site on the internet, the notice shall 49507  
be posted continually at that web site. 49508

The board or its representatives shall maintain a list of 49509  
all nonprofit organizations that notify the board or its 49510  
representative of their desire to obtain donated property under 49511  
this division and that the board or its representative 49512  
determines to be eligible, in accordance with the requirements 49513  
set forth in this section and in the donation program's 49514  
guidelines and procedures, to receive donated property. 49515

The board or its representative also shall maintain a list 49516  
of all school district property the board finds to be unneeded, 49517  
obsolete, or unfit for use and to be available for donation 49518  
under this division. The list shall be posted continually in a 49519  
conspicuous location in the board's office, and, if the school 49520  
district maintains a web site on the internet, the list shall be 49521  
posted continually at that web site. An item of property on the 49522  
list shall be donated to the eligible nonprofit organization 49523  
that first declares to the board or its representative its 49524  
desire to obtain the item unless the board previously has 49525  
established, by resolution, a list of eligible nonprofit 49526  
organizations that shall be given priority with respect to the 49527  
item's donation. Priority may be given on the basis that the 49528  
purposes of a nonprofit organization have a direct relationship 49529  
to specific school district purposes of programs provided or 49530  
administered by the board. A resolution giving priority to 49531  
certain nonprofit organizations with respect to the donation of 49532  
an item of property shall specify the reasons why the 49533  
organizations are given that priority. 49534

Members of the board shall consult with the Ohio ethics 49535

commission, and comply with Chapters 102. and 2921. of the 49536  
Revised Code, with respect to any donation under this division 49537  
to a nonprofit organization of which a board member, any member 49538  
of a board member's family, or any business associate of a board 49539  
member is a trustee, officer, board member, or employee. 49540

of those concerned therein shall be rejected. 49968

the credentials and training of intervention providers, and data 51306  
regarding qualifying student progress. 51307

(2) The department shall provide a report to the school 51308  
containing its review of the school's academic intervention 51309

intervention services in both mathematics and English language 51332  
arts demonstrates a skill greater than limited under this 51333  
section in one, but not both, subject areas, the student shall 51334  
continue to receive academic intervention services for the 51335  
subject area in which the student continues to demonstrate a 51336  
limited level of skill. 51337

The department shall certify the total educational cost to be paid for the child to both the school district providing the educational services and, if different, the school district that is responsible to pay tuition for the child. services. The department shall certify the total educational 52124  
cost to be paid for the child to both the home or facility 52125  
providing the educational services and the district that is 52126

home or facility. The district where the child's parent resides 52145  
shall accept all coursework completed by the child while in the 52146  
home or facility and shall award credit for that coursework in 52147

section, the board of education providing the education may 52168  
recover in a civil action the tuition and the expenses incurred 52169  
in prosecuting the action, including court costs and reasonable 52170  
attorney's fees. If the prosecuting attorney or city director of 52171  
law represents the board in such action, costs and reasonable 52172

attorney's, director's, or one of their designee's time spent 52174

the death of a parent, resides in a school district other than 52221  
the district in which the child attended school at the time of 52222  
the parent's death is entitled to continue to attend school in 52223  
the district in which the child attended school at the time of 52224  
the parent's death for the remainder of the school year, subject 52225  
to approval of that district board. 52226

(6) A child under the age of twenty-two years who resides 52227  
with a parent who is having a new house built in a school 52228  
district outside the district where the parent is residing is 52229  
entitled to attend school for a period of time in the district 52230  
where the new house is being built. In order to be entitled to 52231  
such attendance, the parent shall provide the district 52232  
superintendent with the following: 52233

(a) A sworn statement explaining the situation, revealing 52234

(b) A statement from the builder confirming that a new 52237

location indicated in the parent's statement. 52239

(7) A child under the age of twenty-two years residing 52240  
with a parent who has a contract to purchase a house in a school 52241  
district outside the district where the parent is residing and 52242  
who is waiting upon the date of closing of the mortgage loan for 52243  
the purchase of such house is entitled to attend school for a 52244

the location of the house being purchased, and stating the 52250

in the parent's statement. 52256

The district superintendent shall establish a period of 52257  
time not to exceed ninety days during which the child entitled 52258  
to attend school under division (F) (6) or (7) of this section 52259  
may attend without tuition obligation. A student attending a 52260  
school under division (F) (6) or (7) of this section shall be 52261  
eligible to participate in interscholastic athletics under the 52262  
auspices of that school, provided the board of education of the 52263  
school district where the student's parent resides, by a formal 52264  
action, releases the student to participate in interscholastic 52265  
athletics at the school where the student is attending, and 52266  
provided the student receives any authorization required by a 52267

public agency or private organization of which the school 52268  
district is a member exercising authority over interscholastic 52269  
sports. 52270

(8) A child whose parent is a full-time employee of a 52271  
city, local, or exempted village school district, or of an 52272  
educational service center, may be admitted to the schools of 52273  
the district where the child's parent is employed, or in the 52274  
case of a child whose parent is employed by an educational 52275  
service center, in the district that serves the location where 52276  
the parent's job is primarily located, provided the district 52277  
board of education establishes such an admission policy by 52278  
resolution adopted by a majority of its members. Any such policy 52279  
shall take effect on the first day of the school year and the 52280  
effective date of any amendment or repeal may not be prior to 52281  
the first day of the subsequent school year. The policy shall be 52282  
uniformly applied to all such children and shall provide for the 52283  
admission of any such child upon request of the parent. No child 52284  
may be admitted under this policy after the first day of classes 52285  
of any school year. 52286

(9) A child who is with the child's parent under the care 52287  
of a shelter for victims of domestic violence, as defined in 52288  
section 3113.33 of the Revised Code, is entitled to attend 52289  
school free in the district in which the child is with the 52290  
child's parent, and no other school district shall be required 52291  
to pay tuition for the child's attendance in that school 52292  
district. 52293

The enrollment of a child in a school district under this 52294  
division shall not be denied due to a delay in the school 52295  
district's receipt of any records required under section 52296  
3313.672 of the Revised Code or any other records required for 52297

enrollment. Any days of attendance and any credits earned by a 52298  
child while enrolled in a school district under this division 52299  
shall be transferred to and accepted by any school district in 52300  
which the child subsequently enrolls. The department of 52301  
education and workforce shall adopt rules to ensure compliance 52302  
with this division. 52303

(10) Any child under the age of twenty-two years whose 52304  
parent has moved out of the school district after the 52305  
commencement of classes in the child's senior year of high 52306  
school is entitled, subject to the approval of that district 52307  
board, to attend school in the district in which the child 52308  
attended school at the time of the parental move for the 52309  
remainder of the school year and for one additional semester or 52310  
equivalent term. A district board may also adopt a policy 52311  
specifying extenuating circumstances under which a student may 52312  
continue to attend school under division (F) (10) of this section 52313  
for an additional period of time in order to successfully 52314  
complete the high school curriculum for the individualized 52315  
education program developed for the student by the high school 52316  
pursuant to section 3323.08 of the Revised Code. 52317

(11) As used in this division, "grandparent" means a 52318  
parent of a parent of a child. A child under the age of twenty- 52319  
two years who is in the custody of the child's parent, resides 52320  
with a grandparent, and does not require special education is 52321  
entitled to attend the schools of the district in which the 52322  
child's grandparent resides, provided that, prior to such 52323  
attendance in any school year, the board of education of the 52324  
school district in which the child's grandparent resides and the 52325  
board of education of the school district in which the child's 52326  
parent resides enter into a written agreement specifying that 52327  
good cause exists for such attendance, describing the nature of 52328

this good cause, and consenting to such attendance. 52329

In lieu of a consent form signed by a parent, a board of 52330  
education may request the grandparent of a child attending 52331  
school in the district in which the grandparent resides pursuant 52332  
to division (F) (11) of this section to complete any consent form 52333  
required by the district, including any authorization required 52334  
by sections 3313.712, 3313.713, 3313.716, and 3313.718 of the 52335  
Revised Code. Upon request, the grandparent shall complete any 52336  
consent form required by the district. A school district shall 52337  
not incur any liability solely because of its receipt of a 52338  
consent form from a grandparent in lieu of a parent. 52339

Division (F) (11) of this section does not create, and 52340  
shall not be construed as creating, a new cause of action or 52341  
substantive legal right against a school district, a member of a 52342  
board of education, or an employee of a school district. This 52343  
section does not affect, and shall not be construed as 52344  
affecting, any immunities from defenses to tort liability 52345  
created or recognized by Chapter 2744. of the Revised Code for a 52346  
school district, member, or employee. 52347

(12) A child under the age of twenty-two years is entitled 52348  
to attend school in a school district other than the district in 52349  
which the child is entitled to attend school under division (B), 52350  
(C), or (E) of this section provided that, prior to such 52351  
attendance in any school year, both of the following occur: 52352

(a) The superintendent of the district in which the child 52353  
is entitled to attend school under division (B), (C), or (E) of 52354  
this section contacts the superintendent of another district for 52355  
purposes of this division; 52356

(b) The superintendents of both districts enter into a 52357

written agreement that consents to the attendance and specifies 52358  
that the purpose of such attendance is to protect the student's 52359  
physical or mental well-being or to deal with other extenuating 52360  
circumstances deemed appropriate by the superintendents. 52361

While an agreement is in effect under this division for a 52362  
student who is not receiving special education under Chapter 52363  
3323. of the Revised Code and notwithstanding Chapter 3327. of 52364  
the Revised Code, the board of education of neither school 52365  
district involved in the agreement is required to provide 52366  
transportation for the student to and from the school where the 52367  
student attends. 52368

A student attending a school of a district pursuant to 52369  
this division shall be allowed to participate in all student 52370  
activities, including interscholastic athletics, at the school 52371  
where the student is attending on the same basis as any student 52372  
who has always attended the schools of that district while of 52373  
compulsory school age. 52374

(13) All school districts shall comply with the "McKinney- 52375  
Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for 52376  
the education of homeless children. Each city, local, and 52377  
exempted village school district shall comply with the 52378  
requirements of that act governing the provision of a free, 52379  
appropriate public education, including public preschool, to 52380  
each homeless child. 52381

When a child loses permanent housing and becomes a 52382  
homeless person, as defined in 42 U.S.C.A. 11481(5), or when a 52383  
child who is such a homeless person changes temporary living 52384  
arrangements, the child's parent or guardian shall have the 52385  
option of enrolling the child in either of the following: 52386

(a) The child's school of origin, as defined in 42 U.S.C.A. 11432(g) (3) (C);	52387 52388
(b) The school that is operated by the school district in which the shelter where the child currently resides is located and that serves the geographic area in which the shelter is located.	52389 52390 52391 52392
(14) A child under the age of twenty-two years who resides with a person other than the child's parent is entitled to attend school in the school district in which that person resides if both of the following apply:	52393 52394 52395 52396
(a) That person has been appointed, through a military power of attorney executed under section 574(a) of the "National Defense Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 U.S.C. 1044b, or through a comparable document necessary to complete a family care plan, as the parent's agent for the care, custody, and control of the child while the parent is on active duty as a member of the national guard or a reserve unit of the armed forces of the United States or because the parent is a member of the armed forces of the United States and is on a duty assignment away from the parent's residence.	52397 52398 52399 52400 52401 52402 52403 52404 52405 52406
(b) The military power of attorney or comparable document includes at least the authority to enroll the child in school.	52407 52408
The entitlement to attend school in the district in which the parent's agent under the military power of attorney or comparable document resides applies until the end of the school year in which the military power of attorney or comparable document expires.	52409 52410 52411 52412 52413
(G) A board of education, after approving admission, may waive tuition for students who will temporarily reside in the	52414 52415

district and who are either of the following: 52416

(1) Residents or domiciliaries of a foreign nation who 52417  
request admission as foreign exchange students; 52418

(2) Residents or domiciliaries of the United States but 52419  
not of Ohio who request admission as participants in an exchange 52420  
program operated by a student exchange organization. 52421

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 52422  
3323.04, 3327.04, and 3327.06 of the Revised Code, a child may 52423  
attend school or participate in a special education program in a 52424  
school district other than in the district where the child is 52425  
entitled to attend school under division (B) of this section. 52426

(I) (1) Notwithstanding anything to the contrary in this 52427  
section or section 3313.65 of the Revised Code, a child under 52428  
twenty-two years of age may attend school in the school district 52429  
in which the child, at the end of the first full week of October 52430  
of the school year, was entitled to attend school as otherwise 52431  
provided under this section or section 3313.65 of the Revised 52432  
Code, if at that time the child was enrolled in the schools of 52433  
the district but since that time the child or the child's parent 52434  
has relocated to a new address located outside of that school 52435  
district and within the same county as the child's or parent's 52436  
address immediately prior to the relocation. The child may 52437  
continue to attend school in the district, and at the school to 52438  
which the child was assigned at the end of the first full week 52439  
of October of the current school year, for the balance of the 52440  
school year. Division (I) (1) of this section applies only if 52441  
both of the following conditions are satisfied: 52442

(a) The board of education of the school district in which 52443  
the child was entitled to attend school at the end of the first 52444

full week in October and of the district to which the child or 52445  
child's parent has relocated each has adopted a policy to enroll 52446  
children described in division (I) (1) of this section. 52447

(b) The child's parent provides written notification of 52448  
the relocation outside of the school district to the 52449  
superintendent of each of the two school districts. 52450

(2) At the beginning of the school year following the 52451  
school year in which the child or the child's parent relocated 52452  
outside of the school district as described in division (I) (1) 52453  
of this section, the child is not entitled to attend school in 52454  
the school district under that division. 52455

(3) Any person or entity owing tuition to the school 52456  
district on behalf of the child at the end of the first full 52457  
week in October, as provided in division (C) of this section, 52458  
shall continue to owe such tuition to the district for the 52459  
child's attendance under division (I) (1) of this section for the 52460  
lesser of the balance of the school year or the balance of the 52461  
time that the child attends school in the district under 52462  
division (I) (1) of this section. 52463

(4) A pupil who may attend school in the district under 52464  
division (I) (1) of this section shall be entitled to 52465  
transportation services pursuant to an agreement between the 52466  
district and the district in which the child or child's parent 52467  
has relocated unless the districts have not entered into such 52468  
agreement, in which case the child shall be entitled to 52469  
transportation services in the same manner as a pupil attending 52470  
school in the district under interdistrict open enrollment as 52471  
described in division (E) of section 3313.981 of the Revised 52472  
Code, regardless of whether the district has adopted an open 52473  
enrollment policy as described in division (B) (1) (b) or (c) of 52474

section 3313.98 of the Revised Code. 52475

(J) This division does not apply to a child receiving 52476  
special education. 52477

A school district required to pay tuition pursuant to 52478  
division (C) (2) or (3) of this section or section 3313.65 of the 52479  
Revised Code shall have an amount deducted under division (C) of 52480  
section 3317.023 of the Revised Code equal to its own tuition 52481  
rate for the same period of attendance. A school district 52482  
entitled to receive tuition pursuant to division (C) (2) or (3) 52483  
of this section or section 3313.65 of the Revised Code shall 52484  
have an amount credited under division (C) of section 3317.023 52485  
of the Revised Code equal to its own tuition rate for the same 52486  
period of attendance. If the tuition rate credited to the 52487  
district of attendance exceeds the rate deducted from the 52488  
district required to pay tuition, the department of education 52489  
and workforce shall pay the district of attendance the 52490  
difference from amounts deducted from all districts' payments 52491  
under division (C) of section 3317.023 of the Revised Code but 52492  
not credited to other school districts under such division and 52493  
from appropriations made for such purpose. The treasurer of each 52494  
school district shall, by the fifteenth day of January and July, 52495  
furnish the director of education and workforce a report of the 52496  
names of each child who attended the district's schools under 52497  
divisions (C) (2) and (3) of this section or section 3313.65 of 52498  
the Revised Code during the preceding six calendar months, the 52499  
duration of the attendance of those children, the school 52500  
district responsible for tuition on behalf of the child, and any 52501  
other information that the director requires. 52502

Upon receipt of the report the director, pursuant to 52503  
division (C) of section 3317.023 of the Revised Code, shall 52504

deduct each district's tuition obligations under divisions (C) 52505  
(2) and (3) of this section or section 3313.65 of the Revised 52506  
Code and pay to the district of attendance that amount plus any 52507  
amount required to be paid by the state. 52508

(K) In the event of a disagreement, the director of 52509  
education and workforce shall determine the school district in 52510  
which the parent resides. 52511

(L) Nothing in this section requires or authorizes, or 52512  
shall be construed to require or authorize, the admission to a 52513  
public school in this state of a pupil who has been permanently 52514  
excluded from public school attendance by the director pursuant 52515  
to sections 3301.121 and 3313.662 of the Revised Code. 52516

(M) In accordance with division (B) (1) of this section, a 52517  
child whose parent is a member of the national guard or a 52518  
reserve unit of the armed forces of the United States and is 52519  
called to active duty, or a child whose parent is a member of 52520  
the armed forces of the United States and is ordered to a 52521  
temporary duty assignment outside of the district, may continue 52522  
to attend school in the district in which the child's parent 52523  
lived before being called to active duty or ordered to a 52524  
temporary duty assignment outside of the district, as long as 52525  
the child's parent continues to be a resident of that district, 52526  
and regardless of where the child lives as a result of the 52527  
parent's active duty status or temporary duty assignment. 52528  
However, the district is not responsible for providing 52529  
transportation for the child if the child lives outside of the 52530  
district as a result of the parent's active duty status or 52531  
temporary duty assignment. 52532

superintendent of each school district subject to this section 52646  
either that the district is in compliance with the requirements 52647

under 64 Stat. 1100 (1950), 20 U.S.C.A. 236 et seq., as amended, 53000  
may adopt a resolution objecting to the enrollment of its native 53001  
students in adjacent or other districts if at least ten per cent 53002  
of its students are included in the determination of the United 53003  
States secretary of education made under section 20 U.S.C.A.— 53004  
238(a).— 53005~~

(2) If a board objects to enrollment of native students 53006

application, notification procedures, and record-keeping 53017  
requirements for all school boards that adopt policies 53018  
permitting the enrollment of adjacent or other district 53019

school board shall adopt a policy that conflicts with those 53021  
rules. 53022

(H) A resolution adopted by a board of education under 53023  
this section that entirely prohibits the enrollment of students 53024  
from adjacent and from other school districts does not abrogate 53025  
any agreement entered into under section 3313.841 or 3313.92 of 53026  
the Revised Code or any contract entered into under section 53027  
3313.90 of the Revised Code between the board of education 53028  
adopting the resolution and the board of education of any 53029  
adjacent or other district or prohibit these boards of education 53030  
from entering into any such agreement or contract. 53031

status as an active duty member of the armed forces. 53044

(2) In enrolling a student pursuant to division (I) of 53045  
this section, a district shall comply with procedures prescribed 53046

**Sec. 3314.011.** (A) Every community school established 53088  
under this chapter shall have a designated fiscal officer. 53089  
Except as provided for in division (C) of this section, the 53090  
fiscal officer shall be employed by or engaged under a contract 53091  
with the governing authority of the community school. 53092

(B) Except as otherwise provided in section 3.061 of the 53093

workforce shall require that the fiscal officer of any community 53095  
school, before entering upon duties as fiscal officer of the 53096  
school, execute a bond in an amount and with surety to be 53097  
approved by the governing authority of the school, payable to 53098  
the state, conditioned for the faithful performance of all the 53099  
official duties required of the fiscal officer. The bond shall 53100  
be deposited with the governing authority of the school, and a 53101  
copy thereof, certified by the governing authority, shall be 53102

(C) Prior to assuming the duties of fiscal officer, the 53104

is not licensed as a treasurer shall be permitted to serve as a 53108

fiscal officer for not more than one year following March 22, 53109

a license as required by this section. 53112

(D) (1) The governing authority of a community school may 53113

authority is the party responsible to employ or contract with 53115  
the designated fiscal officer, as prescribed by division (A) of 53116  
this section, so long as the school's sponsor also approves the 53117

**Sec. 3314.013.** (A) Until May 22, 2013, no internet- or 53132  
computer-based community school shall operate unless the school 53133  
was open for instruction as of May 1, 2005. No entity described 53134  
in division (C) (1) of section 3314.02 of the Revised Code shall 53135  
enter into a contract to sponsor an internet- or computer-based 53136  
community school, including a conversion school, between May 1, 53137

2005, and May 22, 2013, except as follows: 53138

(1) The entity may renew a contract that the entity 53139  
entered into with an internet- or computer-based community 53140  
school prior to May 1, 2005, if the school was open for 53141  
operation as of that date. 53142

(2) The entity may assume sponsorship of an existing 53143  
internet- or computer-based community school that was formerly 53144  
sponsored by another entity and may enter into a contract with 53145  
that community school in accordance with section 3314.03 of the 53146  
Revised Code. 53147

If a sponsor entered into a contract with an internet- or 53148  
computer-based community school, including a conversion school, 53149  
but the school was not open for operation as of May 1, 2005, the 53150  
contract shall be void and the entity shall not enter into 53151  
another contract with the school until May 22, 2013. 53152

(B) (1) Beginning on July 1, 2013, up to five new internet- 53153  
or computer-based community schools may open each year, subject 53154  
to approval of the director of education and workforce under 53155  
division (B) (2) of this section. 53156

(2) The director shall approve applications for new 53157  
internet- or computer-based community schools from only those 53158  
applicants demonstrating experience and quality. 53159

The department of education and workforce shall adopt 53160  
rules prescribing measures to determine experience and quality 53161  
of applicants in accordance with Chapter 119. of the Revised 53162  
Code. The measures shall include, but not be limited to, the 53163  
following considerations: 53164

(a) The sponsor's experience with online schools; 53165

(b) The operator's experience with online schools;	53166
(c) The sponsor's and operator's previous record for student performance;	53167 53168
(d) A preference for operators with previous experience in Ohio.	53169 53170

Notwithstanding the dates prescribed for adoption and signing on sponsor contracts in division (D) of section 3314.02 of the Revised Code, or the date for opening a school for instruction required by division (A) (25) of section 3314.03 of the Revised Code, a new internet- or computer-based community school approved for opening for the 2013-2014 school year under division (B) of this section may open and operate in that school year regardless of whether it has complied with those contract and opening dates. For each school year thereafter, the school shall comply with all applicable provisions of this chapter.	53171 53172 53173 53174 53175 53176 53177 53178 53179 53180 53181 53182 53183 53184 53185
(4) Notwithstanding divisions (B) (1) and (2) of this section, a sponsor rated "exemplary" on its most recent evaluation conducted under section 3314.016 of the Revised Code is permitted to open up to two new internet- or computer-based community schools that <del>will primarily serve students enrolled in a</del> <u>are dropout prevention and recovery program</u> community schools each year, not to exceed six new schools in a five-year period.	53186 53187 53188 53189 53190 53191 53192
(C) Nothing in division (A) or (B) of this section prohibits an internet- or computer-based community school from	53193 53194

increasing the number of grade levels it offers. 53195

**Sec. 3314.015.** (A) The department of education and 53196  
workforce shall be responsible for the oversight of any and all 53197  
sponsors of the community schools established under this chapter 53198  
and shall provide technical assistance to schools and sponsors 53199  
in their compliance with applicable laws and the terms of the 53200  
contracts entered into under section 3314.03 of the Revised Code 53201  
and in the development and start-up activities of those schools. 53202  
In carrying out its duties under this section, the department 53203  
shall do all of the following: 53204

(1) In providing technical assistance to proposing 53205  
parties, governing authorities, and sponsors, conduct training 53206  
sessions and distribute informational materials; 53207

(2) Approve entities to be sponsors of community schools; 53208

(3) Monitor and evaluate, as required under section 53209  
3314.016 of the Revised Code, the effectiveness of any and all 53210  
sponsors in their oversight of the schools with which they have 53211  
contracted; 53212

(4) By December thirty-first of each year, issue a report 53213  
to the governor, the speaker of the house of representatives, 53214  
the president of the senate, and the chairpersons of the house 53215  
and senate committees principally responsible for education 53216  
matters regarding the effectiveness of academic programs, 53217  
operations, and legal compliance and of the financial condition 53218  
of all community schools established under this chapter and on 53219  
the performance of community school sponsors; 53220

(5) From time to time, make legislative recommendations to 53221  
the general assembly designed to enhance the operation and 53222  
performance of community schools. 53223

(B) (1) Except as provided in sections 3314.021 and 53224  
3314.027 of the Revised Code, no entity shall enter into a 53225  
preliminary agreement under division (C) (2) of section 3314.02 53226  
of the Revised Code or renew an existing contract to sponsor a 53227  
community school until it has received approval from the 53228  
department to sponsor community schools under this chapter and 53229  
has entered into a written agreement with the department 53230  
regarding the manner in which the entity will conduct such 53231  
sponsorship. 53232

On and after July 1, 2017, each entity that sponsors a 53233  
community school in this state, except for an entity described 53234  
in sections 3314.021 and 3314.027 of the Revised Code, shall 53235  
attain approval from the department in order to continue 53236  
sponsoring schools regardless of whether that entity intends to 53237  
enter into a preliminary agreement or renew an existing 53238  
contract. 53239

All new and renewed agreements between the department and 53240  
a sponsor shall contain specific language addressing the 53241  
parameters under which the department can intervene and 53242  
potentially revoke sponsorship authority in the event that the 53243  
sponsor is unwilling or unable to fulfill its obligations. 53244  
Additionally, each agreement shall set forth any territorial 53245  
restrictions and limits on the number of schools that entity may 53246  
sponsor, provide for an annual evaluation process, and include a 53247  
stipulation permitting the department to modify the agreement 53248  
under the following circumstances: 53249

(a) Poor fiscal management; 53250

(b) Lack of academic progress. 53251

(2) The initial term of a sponsor's agreement with the 53252

department shall be for up to five years. 53253

(a) An agreement entered into with the department pursuant 53254  
to this section may be renewed for a term of up to ten years 53255  
using the following criteria: 53256

(i) The academic performance of students enrolled in each 53257  
community school the entity sponsors, as determined by the 53258  
department pursuant to division (B) (1) (a) of section 3314.016 of 53259  
the Revised Code; 53260

(ii) The sponsor's adherence to quality practices, as 53261  
determined by the department pursuant to division (B) (1) (b) of 53262  
section 3314.016 of the Revised Code; 53263

(iii) The sponsor's compliance with all applicable laws 53264  
and administrative rules. 53265

(b) Each agreement between the department and a sponsor 53266  
shall specify that entities with an overall rating of 53267  
"exemplary" for at least two consecutive years shall not be 53268  
subject to the limit on the number of community schools the 53269  
entity may sponsor or any territorial restrictions on 53270  
sponsorship, for so long as that entity continues to be rated 53271  
"exemplary." 53272

(c) The department shall adopt in accordance with Chapter 53273  
119. of the Revised Code rules containing criteria, procedures, 53274  
and deadlines for processing applications for approval of 53275  
sponsors, for oversight of sponsors, for notifying a sponsor of 53276  
noncompliance with applicable laws and administrative rules 53277  
under division (F) of this section, for revocation of the 53278  
approval of sponsors under division (C) of this section, and for 53279  
entering into written agreements with sponsors. The rules shall 53280  
require an entity to submit evidence of the entity's ability and 53281

willingness to comply with the provisions of division ~~(D)~~(C) of 53282  
section 3314.03 of the Revised Code. The rules also shall 53283  
require all entities approved as sponsors to demonstrate a 53284  
record of financial responsibility and successful implementation 53285  
of educational programs. If an entity seeking approval to 53286  
sponsor community schools in this state sponsors or operates 53287  
schools in another state, at least one of the schools sponsored 53288  
or operated by the entity must be comparable to or better than 53289  
the performance of Ohio schools in need of continuous 53290  
improvement under section 3302.03 of the Revised Code, as 53291  
determined by the department. 53292

Subject to section 3314.016 of the Revised Code, an entity 53293  
that sponsors community schools may enter into preliminary 53294  
agreements and sponsor up to one hundred schools, provided each 53295  
school and the contract for sponsorship meets the requirements 53296  
of this chapter. A sponsor that was rated "exemplary" on its 53297  
most recent rating under section 3314.016 of the Revised Code 53298  
may sponsor up to two hundred such schools. 53299

(3) The department shall determine, pursuant to criteria 53300  
specified in rules adopted in accordance with Chapter 119. of 53301  
the Revised Code, whether the mission proposed to be specified 53302  
in the contract of a community school to be sponsored by a state 53303  
university board of trustees or the board's designee under 53304  
division (C)(1)(e) of section 3314.02 of the Revised Code 53305  
complies with the requirements of that division. Such 53306  
determination of the department is final. 53307

(4) The department shall determine, pursuant to criteria 53308  
specified in rules adopted in accordance with Chapter 119. of 53309  
the Revised Code, if any tax-exempt entity under section 501(c) 53310  
(3) of the Internal Revenue Code that is proposed to be a 53311

sponsor of a community school is an education-oriented entity 53312  
for purpose of satisfying the condition prescribed in division 53313  
(C) (1) (f) (iii) of section 3314.02 of the Revised Code. Such 53314  
determination of the department is final. 53315

(C) If at any time the department finds that a sponsor is 53316  
not in compliance or is no longer willing to comply with its 53317  
contract with any community school or with the department's 53318  
rules for sponsorship, the department shall conduct a hearing in 53319  
accordance with Chapter 119. of the Revised Code on that matter. 53320  
If after the hearing, the department has confirmed the original 53321  
finding, it may revoke the sponsor's approval to sponsor 53322  
community schools. In that case, the department's office of Ohio 53323  
school sponsorship, established under section 3314.029 of the 53324  
Revised Code, may assume the sponsorship of any schools with 53325  
which the sponsor has contracted until the earlier of the 53326  
expiration of two school years or until a new sponsor as 53327  
described in division (C) (1) of section 3314.02 of the Revised 53328  
Code is secured by the school's governing authority. The office 53329  
of Ohio school sponsorship may extend the term of the contract 53330  
in the case of a school for which it has assumed sponsorship 53331  
under this division as necessary to accommodate the term of the 53332  
department's authorization to sponsor the school specified in 53333  
this division. Community schools sponsored under this division 53334  
shall not apply to the limit on directly authorized community 53335  
schools under division (A) (3) of section 3314.029 of the Revised 53336  
Code. However, nothing in this division shall preclude a 53337  
community school affected by this division from applying for 53338  
sponsorship under that section. 53339

(D) The decision of the department to disapprove an entity 53340  
for sponsorship of a community school or to revoke approval for 53341  
such sponsorship under division (C) of this section, may be 53342

appealed by the entity in accordance with section 119.12 of the Revised Code. 53343  
53344

(E) The department shall adopt procedures for use by a community school governing authority and sponsor when the school permanently closes and ceases operation, which shall include at least procedures for data reporting to the department, handling of student records, distribution of assets in accordance with section 3314.074 of the Revised Code, and other matters related to ceasing operation of the school. 53345

53348

53351

(F) (1) In lieu of revoking a sponsor's authority to sponsor community schools under division (C) of this section, if the department finds that a sponsor is not in compliance with applicable laws and administrative rules, the department shall declare in a written notice to the sponsor the specific laws or rules, or both, for which the sponsor is noncompliant. A sponsor notified under division (F) (1) of this section shall respond to the department not later than fourteen days after the notification with a proposed plan to remedy the conditions for which the sponsor was found to be noncompliant. The department shall approve or disapprove the plan not later than fourteen days after receiving it. If the plan is disapproved, the sponsor may submit a revised plan to the department not later than fourteen days after receiving notification of disapproval from the department or not later than sixty days after the date the sponsor received notification of noncompliance from the department, whichever is earlier. The department shall approve or disapprove the revised plan not later than fourteen days after receiving it or not later than sixty days after the date the sponsor received notification of noncompliance from the department, whichever is earlier. department until the sixtieth day after the date the sponsor 53375  
received notification of noncompliance from the department. 53376

If a plan or a revised plan is approved, the sponsor shall 53377  
implement it not later than sixty days after the date the 53378  
sponsor received notification of noncompliance from the 53379  
department or not later than thirty days after the plan is 53380  
approved, whichever is later. If a sponsor does not respond to 53381  
the department or implement an approved compliance plan by the 53382  
deadlines prescribed by division (F) (1) of this section, or if a 53383  
sponsor does not receive approval of a compliance plan on or 53384  
before the sixtieth day after the date the sponsor received 53385  
notification of noncompliance from the department, the 53386  
department shall declare in written notice to the sponsor that 53387  
the sponsor is in probationary status, and may limit the 53388  
sponsor's ability to sponsor additional schools. 53389

(2) A sponsor that has been placed on probationary status 53390  
under division (F) (1) of this section may apply to the 53391  
department for its probationary status to be lifted. The 53392  
application for a sponsor's probationary status to be lifted 53393  
shall include evidence, occurring after the initial notification 53394  
of noncompliance, of the sponsor's compliance with applicable 53395  
laws and administrative rules. Not later than fourteen days 53396  
after receiving an application from the sponsor, the department 53397  
shall decide whether or not to remove the sponsor's probationary 53398  
status. 53399

(G) In carrying out its duties under this chapter, the 53400  
department shall not impose requirements on community schools or 53401  
their sponsors that are not permitted by law or duly adopted 53402  
rules. 53403

(H) This section applies to entities that sponsor 53404  
conversion community schools and new start-up schools. 53405

(I) Nothing in divisions (C) to (F) of this section 53406  
prohibits the department from taking any action permitted or 53407  
required under the written agreement between the department and 53408  
a sponsoring entity without a hearing on the matter, in the 53409  
event that the sponsor is unwilling or unable to fulfill its 53410  
obligations. 53411

**Sec. 3314.016.** This section applies to any entity that 53412  
sponsors a community school, regardless of whether section 53413  
3314.021 or 3314.027 of the Revised Code exempts the entity from 53414  
the requirement to be approved for sponsorship under divisions 53415  
(A) (2) and (B) (1) of section 3314.015 of the Revised Code. The 53416  
office of Ohio school sponsorship established under section 53417  
3314.029 of the Revised Code shall be rated under division (B) 53418  
of this section, but divisions (A) and (C) of this section do 53419  
not apply to the office. 53420

(A) An entity that sponsors a community school shall be 53421  
permitted to enter into contracts under section 3314.03 of the 53422  
Revised Code to sponsor additional community schools only if the 53423  
entity meets all of the following criteria: 53424

(1) The entity is in compliance with all provisions of 53425  
this chapter requiring sponsors of community schools to report 53426  
data or information to the department of education and 53427  
workforce. 53428

(2) The entity is not rated as "ineffective" under 53429  
division ~~(B) (6)~~ (B) (5) of this section. 53430

(3) Except as set forth in sections 3314.021 and 3314.027 53431  
of the Revised Code, the entity has received approval from and 53432

entered into an agreement with the department pursuant to 53433  
section 3314.015 of the Revised Code. 53434

(B) (1) The department shall develop and implement an 53435  
evaluation system that annually rates and assigns an overall 53436  
rating to each entity that sponsors a community school. The 53437  
department, not later than the first day of February of each 53438  
year, shall post on the department's web site the framework for 53439  
the evaluation system, including technical documentation that 53440  
the department intends to use to rate sponsors for the next 53441  
school year. The department shall solicit public comment on the 53442  
evaluation system for thirty consecutive days. Not later than 53443  
the first day of April of each year, the department shall 53444  
compile and post on the department's web site all public 53445  
comments that were received during the public comment period. 53446  
The evaluation system shall be posted on the department's web 53447  
site by the fifteenth day of July of each school year. Any 53448  
changes to the evaluation system after that date shall take 53449  
effect the following year. The evaluation system shall be based 53450  
on the following components: 53451

(a) Academic performance of students enrolled in community 53452  
schools sponsored by the same entity. The academic performance 53453  
component shall be derived from the performance measures 53454  
prescribed for the state report cards under section 3302.03 or 53455  
3314.017 of the Revised Code, and shall be based on the 53456  
performance of the schools for the school year for which the 53457  
evaluation is conducted. In addition to the academic performance 53458  
for a specific school year, the academic performance component 53459  
shall also include year-to-year changes in the overall sponsor 53460  
portfolio. For a community school for which no graded 53461  
performance measures are applicable or available, the department 53462  
shall use nonreport card performance measures specified in the 53463

contract between the community school and the sponsor under 53464  
division (A) (4) of section 3314.03 of the Revised Code. 53465

(b) Adherence by a sponsor to the quality practices 53466  
prescribed by the department under division (B) (3) of this 53467  
section. ~~For a sponsor that was rated "effective" or "exemplary"~~ 53468  
~~on its most recent rating, the department may evaluate that~~ 53469  
~~sponsor's adherence to quality practices once over a period of~~ 53470  
~~three years. If the department elects to evaluate a sponsor once~~ 53471  
~~over a period of three years, the most recent rating for a~~ 53472  
~~sponsor's adherence to quality practices shall be used when~~ 53473  
~~determining an annual overall rating conducted under this~~ 53474  
~~section.~~ 53475

(c) Compliance with all applicable laws and administrative 53476  
rules by an entity that sponsors a community school. 53477

Under the evaluation system prescribed under division (B) 53478  
(1) of this section, the department shall not assign an overall 53479  
rating of "ineffective" or lower to an entity that sponsors a 53480  
community school solely because that entity received no points 53481  
on one of the components prescribed under that division. 53482

(2) In calculating an academic performance component, the 53483  
department shall exclude all community schools that have been in 53484  
operation for not more than two full school years, all community 53485  
schools whose contracts were not renewed or terminated by the 53486  
sponsor pursuant to section 3314.07 of the Revised Code before 53487  
the evaluation, and all community schools described in division 53488  
(B) (2) of section 3314.35 of the Revised Code. However, the 53489  
academic performance of the community schools described in 53490  
division (B) (2) of section 3314.35 of the Revised Code shall be 53491  
reported, but shall not be used as a factor when determining a 53492  
sponsoring entity's rating under this section. 53493

(3) The department, in consultation with entities that sponsor community schools, shall prescribe quality practices for community school sponsors and develop an instrument to measure adherence to those quality practices. The quality practices shall be based on standards developed by the national association of charter school authorizers or any other nationally organized community school organization.

~~(4) (a) The department may permit peer review of a sponsor's adherence to the quality practices prescribed under division (B) (3) of this section. Peer reviewers shall be limited to individuals employed by sponsors rated "effective" or "exemplary" on the most recent ratings conducted under this section.~~

~~(b) The department shall require individuals participating in peer review under division (B) (4) (a) of this section to complete training approved or established by the department.~~

~~(c) The department may enter into an agreement with another entity to provide training to individuals conducting peer review of sponsors. Prior to entering into an agreement with an entity, the department shall review and approve of the entity's training program.~~

~~(5) (4)~~ The director of education and workforce shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing standards for measuring compliance with applicable laws and rules under division (B) (1) (c) of this section.

~~(6) (5)~~ The department annually shall rate all entities that sponsor community schools as either "exemplary," "effective," "ineffective," or "poor," based on the components prescribed by division (B) of this section, where each component

is weighted equally. A separate rating shall be given by the 53523  
department for each component of the evaluation system. 53524

The department shall publish the ratings between the first 53525  
day of October and the fifteenth day of November. 53526

Prior to the publication of the final ratings, the 53527  
department shall designate and provide notice of a period of at 53528  
least ten business days during which each sponsor may review the 53529  
information used by the department to determine the sponsor's 53530  
rating on the components prescribed by division (B)(1) of this 53531  
section. If the sponsor believes there is an error in the 53532  
department's evaluation, the sponsor may request adjustments to 53533  
the rating of any of those components based on documentation 53534  
previously submitted as part of an evaluation. The sponsor shall 53535  
provide to the department any necessary evidence or information 53536  
to support the requested adjustments. The department shall 53537  
review the evidence and information, determine whether an 53538  
adjustment is valid, and promptly notify the sponsor of its 53539  
determination and reasons. If any adjustments to the data could 53540  
result in a change to the rating on the applicable component or 53541  
to the overall rating, the department shall recalculate the 53542  
ratings prior to publication. 53543

The department shall provide training on an annual basis 53544  
regarding the evaluation system prescribed under this section. 53545  
The training shall, at a minimum, describe methodology, 53546  
timelines, and data required for the evaluation system. The 53547  
first training session shall occur not later than March 2, 2016. 53548  
Beginning in 2018, the training shall be made available to each 53549  
entity that sponsors a community school by the fifteenth day of 53550  
July of each year and shall include guidance on any changes made 53551  
to the evaluation system. 53552

~~(7) (a)~~ (6) (a) Entities with an overall rating of 53553  
"exemplary" ~~for the two most recent years in which the entity~~ 53554  
~~was evaluated~~ may take advantage of the following incentives: 53555

(i) Renewal of the written agreement with the department, 53556  
not to exceed ten years, provided that the entity consents to 53557  
continued evaluation of adherence to quality practices as 53558  
described in division (B) (1) (b) of this section; 53559

(ii) The ability to extend the term of the contract 53560  
between the sponsoring entity and the community school beyond 53561  
the term described in the written agreement with the department; 53562

(iii) An exemption from the preliminary agreement and 53563  
contract adoption and execution deadline requirements prescribed 53564  
in division (D) of section 3314.02 of the Revised Code; 53565

(iv) An exemption from the automatic contract expiration 53566  
requirement, should a new community school fail to open by the 53567  
thirtieth day of September of the calendar year in which the 53568  
community school contract is executed; 53569

(v) No limit on the number of community schools the entity 53570  
may sponsor; 53571

(vi) No territorial restrictions on sponsorship. 53572

An entity may continue to sponsor any community schools 53573  
with which it entered into agreements under division ~~(B) (7) (a)~~ 53574  
(B) (6) (a) (v) or (vi) of this section while rated "exemplary," 53575  
notwithstanding the fact that the entity later receives a lower 53576  
overall rating. 53577

(b) Entities with an overall rating of "exemplary" shall 53578  
not be evaluated by the department for five full school years 53579  
following the school year for which the entity received the 53580

"exemplary" rating. Entities with an overall rating of 53581  
~~"exemplary" or "effective" for the three most recent years in~~ 53582  
~~which the entity was evaluated shall~~ not be evaluated by the 53583  
department ~~once every~~ for three full school years following the 53584  
school year for which the entity received the "effective" 53585  
rating. 53586

(c) (i) Entities that receive an overall rating of 53587  
"ineffective" shall be prohibited from sponsoring any new or 53588  
additional community schools during the time in which the 53589  
sponsor is rated as "ineffective" and shall be subject to a 53590  
quality improvement plan based on correcting the deficiencies 53591  
that led to the "ineffective" rating, with timelines and 53592  
benchmarks that have been established by the department. 53593

(ii) Entities that receive an overall rating of 53594  
"ineffective" on their three most recent ratings shall have all 53595  
sponsorship authority revoked. Within thirty days after 53596  
receiving its third rating of "ineffective," the entity may 53597  
appeal the revocation of its sponsorship authority to the 53598  
director, who shall appoint an independent hearing officer to 53599  
conduct a hearing in accordance with Chapter 119. of the Revised 53600  
Code. The hearing shall be conducted within thirty days after 53601  
receipt of the notice of appeal. Within forty-five days after 53602  
the hearing is completed, the director shall determine whether 53603  
the revocation is appropriate based on the hearing conducted by 53604  
the independent hearing officer, and if determined appropriate, 53605  
the revocation shall be confirmed. 53606

(d) Entities that receive an overall rating of "poor" 53607  
shall have all sponsorship authority revoked. Within thirty days 53608  
after receiving a rating of "poor," the entity may appeal the 53609  
revocation of its sponsorship authority to the director, who 53610

shall appoint an independent hearing officer to conduct a 53611  
hearing in accordance with Chapter 119. of the Revised Code. The 53612  
hearing shall be conducted within thirty days after receipt of 53613  
the notice of appeal. Within forty-five days after the hearing 53614  
is completed, the director shall determine whether the 53615  
revocation is appropriate based on the hearing conducted by the 53616  
independent hearing officer, and if determined appropriate, the 53617  
revocation shall be confirmed. 53618

~~(8)~~ (7) For the 2014-2015 school year and each school year 53619  
thereafter, student academic performance prescribed under 53620  
division (B) (1) (a) of this section shall include student 53621  
academic performance data from dropout prevention and recovery 53622  
~~community schools that primarily serve students enrolled in a~~ 53623  
~~dropout prevention and recovery program.~~ 53624

(8) The department shall publish annually academic 53625  
performance data for each sponsor in accordance with division 53626  
(B) (1) (a) of this section, regardless of whether the sponsor is 53627  
being evaluated under this section for that school year. 53628

(C) If the governing authority of a community school 53629  
enters into a contract with a sponsor prior to the date on which 53630  
the sponsor is prohibited from sponsoring additional schools 53631  
under division (A) of this section and the school has not opened 53632  
for operation as of that date, that contract shall be void and 53633  
the school shall not open until the governing authority secures 53634  
a new sponsor by entering into a contract with the new sponsor 53635  
under section 3314.03 of the Revised Code. However, the 53636  
department's office of Ohio school sponsorship, established 53637  
under section 3314.029 of the Revised Code, may assume the 53638  
sponsorship of the school until the earlier of the expiration of 53639  
two school years or until a new sponsor is secured by the 53640

school's governing authority. A community school sponsored by 53641  
the department under this division shall not be included when 53642  
calculating the maximum number of directly authorized community 53643  
schools permitted under division (A) (3) of section 3314.029 of 53644  
the Revised Code. 53645

(D) When an entity's authority to sponsor schools is 53646  
revoked pursuant to division ~~(B) (7) (e)~~ (B) (6) (c) or (d) of this 53647  
section, the office of Ohio school sponsorship shall assume 53648  
sponsorship of any schools with which the original sponsor has 53649  
contracted for the remainder of that school year. The office may 53650  
continue sponsoring those schools until the earlier of: 53651

(1) The expiration of two school years from the time that 53652  
sponsorship is revoked; 53653

(2) When a new sponsor is secured by the governing 53654  
authority pursuant to division (C) (1) of section 3314.02 of the 53655  
Revised Code. 53656

Any community school sponsored under this division shall 53657  
not be counted for purposes of directly authorized community 53658  
schools under division (A) (3) of section 3314.029 of the Revised 53659  
Code. 53660

(E) The department shall recalculate the rating for the 53661  
2017-2018 school year for each sponsor of a community school 53662  
that receives recalculated ratings pursuant to division (I) of 53663  
section 3314.017 of the Revised Code. 53664

**Sec. 3314.017.** (A) The department of education and 53665  
workforce shall prescribe by rules, adopted in accordance with 53666  
Chapter 119. of the Revised Code, an academic performance rating 53667  
and report card system that satisfies the requirements of this 53668  
section for dropout prevention and recovery community schools 53669

~~that primarily serve students enrolled in dropout prevention and~~ 53670  
~~recovery programs as described in division (B) (1) of section~~ 53671  
~~3314.35 of the Revised Code, to be used in lieu of the system~~ 53672  
prescribed under sections 3302.03 and 3314.012 of the Revised 53673  
Code beginning with the 2012-2013 school year. Each such school 53674  
shall comply with the testing and reporting requirements of the 53675  
system as prescribed by the department. 53676

(B) Nothing in this section shall at any time relieve a 53677  
school from its obligations under the "No Child Left Behind Act 53678  
of 2001" to make "adequate yearly progress," as both that act 53679  
and that term are defined in section 3302.01 of the Revised 53680  
Code, or a school's amenability to the provisions of section 53681  
3302.04 or 3302.041 of the Revised Code. The department shall 53682  
continue to report each school's performance as required by the 53683  
act and to enforce applicable sanctions under section 3302.04 or 53684  
3302.041 of the Revised Code. 53685

(C) The rules adopted by the department shall prescribe 53686  
the following performance indicators for the rating and report 53687  
card system required by this section: 53688

(1) Graduation rate for each of the following student 53689  
cohorts: 53690

(a) The number of students who graduate in four years or 53691  
less with a regular high school diploma divided by the number of 53692  
students who form the adjusted cohort for the graduating class; 53693

(b) The number of students who graduate in five years with 53694  
a regular high school diploma divided by the number of students 53695  
who form the adjusted cohort for the four-year graduation rate; 53696

(c) The number of students who graduate in six years with 53697  
a regular high school diploma divided by the number of students 53698

who form the adjusted cohort for the four-year graduation rate;	53699

(e) The number of students who graduate in eight years	53704
with a regular high school diploma divided by the number of	53705
students who form the adjusted cohort for the four-year	53706
graduation rate.	53707
(2) The percentage of twelfth-grade students currently	53708
enrolled in the school who have attained the designated passing	53709
score on all of the state high school achievement assessments	53710
required under division (B) (1) of section 3301.0710 of the	53711
Revised Code or the cumulative performance score on the end-of-	53712
course examinations prescribed under division (B) (2) of section	53713
3301.0712 of the Revised Code, whichever applies, and other	53714
students enrolled in the school, regardless of grade level, who	53715
are within three months of their twenty-second birthday and have	53716
attained the designated passing score on all of the state high	53717

for students enrolled in dropout prevention and recovery	53726
programs, adopted or approved by the department.	53727

(D) (1) The department's rules shall prescribe the expected performance levels and benchmarks for each of the indicators prescribed by division (C) of this section based on the data gathered by the department under division (G) of this section and simulations created by the department. Based on a school's level of attainment or nonattainment of the expected performance levels and benchmarks for each of the indicators, the department shall rate each school in one of the following categories:

- (a) Exceeds standards;
- (b) Meets standards;
- (c) Does not meet standards.

(2) The department's rules shall establish all of the following:

- (a) Performance levels and benchmarks for the indicators described in divisions (C) (1) to (3) of this section;
- (b) Both of the following:
  - (i) Performance levels and benchmarks for the indicator described in division (C) (4) of this section;

    - (II) Thirty per cent of the score shall be based on the

indicators described in division (C)(4) of this section. 53755

(III) Twenty per cent of the score shall be based on the 53756  
indicators described in division (C)(2) of this section. 53757

(IV) Twenty per cent of the score shall be based on the 53758

consecutive years, a school shall be rated not less than "meets 53762  
standards." 53763

The rating and the relevant performance data for each 53764  
school shall be posted on the department's web site, and a copy 53765  
of the rating and data shall be provided to the governing 53766  
authority of the community school. 53767

~~(E)(1) For the 2012-2013 school year, the department shall 53768  
issue a report card including the following performance- 53769

service center, the facility may not be used for such community	54899
school unless the district or service center board owning the	54900
facility enters into an agreement for the community school to	54901
utilize the facility. Use of the facility may be under any terms	54902
and conditions agreed to by the district or service center board	54903
and the school.	54904
(D) Two or more separate community schools may be located	54905
in the same facility.	54906
(E) In the case of a community school that is located in	54907
multiple facilities, beginning July 1, 2012, the department	54908
shall assign a unique identification number to the school and to	54909

each facility maintained by the school. Each number shall be 54910  
used for identification purposes only. Nothing in this division 54911  
shall be construed to require the department to calculate the 54912  
amount of funds paid under this chapter, or to compute any data 54913  
required for the report cards issued under section 3314.012 of 54914  
the Revised Code, for each facility separately. The department 54915  
shall make all such calculations or computations for the school 54916  
as a whole. 54917

~~(F)(1) In the case of a community school that exists prior 54918  
to September 30, 2021, to which division (B)(3) of this section 54919  
applies, if only one of the school districts in which the school 54920  
is established was located in a challenged school district prior 54921  
to September 30, 2021, that district continues to be considered 54922  
the school's primary location and the district in which the 54923

section 3314.03 and divisions (C) and (H) of section 3314.06 of 54925  
the Revised Code and for all other purposes of this chapter 54926  
unless and until the school's governing authority designates a 54927  
different school district as the school's primary location in 54928  
accordance with division (F)(2) of this section. If both of the 54929  
school districts in which the school is established were 54930  
challenged school districts on that date, and the primary 54931  
location was already designated by the school's governing 54932  
authority pursuant to the requirements of this section as it 54933  
existed prior to September 30, 2021, that designation remains 54934  
unless and until the school's governing authority designates a 54935  
different primary location. 54936~~

~~(2)(a) On and after September 30, 2021, when a new start- 54937  
up community school is established in two school districts under 54938  
the same contract, the school's governing authority shall 54939  
designate one of those districts to be considered the school's 54940~~

~~primary location and the district in which the school is located 54941  
for the purposes of division (A) (19) of section 3314.03 and 54942  
divisions (C) and (H) of section 3314.06 of the Revised Code and 54943  
for all other purposes of this chapter and shall notify the 54944  
department of education and workforce of that designation. 54945~~

~~(b) A community school governing authority that elects to 54946  
modify a community school's primary location, whether in 54947  
accordance with division (F) (1) of this section or otherwise, 54948  
shall notify the department of that modification. 54949~~

**Sec. 3314.07.** (A) The expiration of the contract for a 54950

date provided in the contract. A successor contract may be 54952  
entered into pursuant to division ~~(E)~~ (D) of section 3314.03 of 54953  
the Revised Code unless the contract is terminated or not 54954

its expiration if the sponsor has suspended the operation of the 54967  
contract under section 3314.072 of the Revised Code. 54968

(3) Not later than the fifteenth day of January in the 54969  
year in which the sponsor intends to terminate or take actions 54970  
not to renew the community school's contract, the sponsor shall 54971  
notify the school of the proposed action in writing. The notice 54972  
shall include the reasons for the proposed action in detail, the 54973  
effective date of the termination or nonrenewal, and a statement 54974  
that the school may, within fourteen days of receiving the 54975  
notice, request an informal hearing before the sponsor. Such 54976  
request must be in writing. The informal hearing shall be held 54977  
within fourteen days of the receipt of a request for the 54978  
hearing. Not later than fourteen days after the informal 54979  
hearing, the sponsor shall issue a written decision either 54980  
affirming or rescinding the decision to terminate or not renew 54981  
the contract. 54982

(4) The termination of a contract under this section shall 54983  
be effective upon the occurrence of the later of the following 54984

shall close permanently at the end of the current school year or 54996  
on a date specified in the notification of termination or 54997  
nonrenewal under division (B) (3) of this section. Any community 54998

school whose contract is terminated or not renewed for failure 54999  
to meet student performance requirements stated in the contract, 55000  
or for failure to meet generally accepted standards of fiscal 55001  
management under this division shall not enter into a contract 55002  
with any other sponsor. 55003

any reason shall be admitted to the schools of the district in 55006  
which the child is entitled to attend under section 3313.64 or 55007

purpose of admitting students under section 3313.97 or 3313.98 55009  
of the Revised Code shall be waived for students to whom this 55010

contract with its sponsor, the community school shall notify its 55013  
sponsor in writing of that fact at least one hundred eighty days 55014  
prior to the expiration of the contract. Such a community school 55015  
may enter into a contract with a new sponsor in accordance with 55016  
section 3314.03 of the Revised Code upon the expiration of the 55017  
previous contract. 55018

(E) A sponsor of a community school and the officers, 55019  
directors, or employees of such a sponsor are immune from civil 55020  
liability for any action authorized under this chapter or the 55021  
contract entered into with the school under section 3314.03 of 55022  
the Revised Code that is taken to fulfill the sponsor's 55023  
responsibility to oversee and monitor the school. The sponsor 55024

arising from any of the following: 55027

(E) A community school may not levy taxes or issue bonds 55167  
secured by tax revenues. 55168

(F) No community school shall charge tuition for the 55169

community school may charge tuition for the enrollment of any 55171  
student who is not a resident of this state. 55172

(G) (1) (a) A community school may borrow money to pay any 55173  
necessary and actual expenses of the school in anticipation of 55174  
the receipt of any portion of the payments to be received by the 55175  
school pursuant to section 3317.022 of the Revised Code. The 55176  
school may issue notes to evidence such borrowing. The proceeds 55177  
of the notes shall be used only for the purposes for which the 55178  
anticipated receipts may be lawfully expended by the school. 55179

(b) A school may also borrow money for a term not to 55180  
exceed fifteen years for the purpose of acquiring facilities. 55181

(2) The state is not liable for debt incurred by the 55182  
governing authority of a community school. 55183

(H) The department shall adjust the amounts paid under 55184  
section 3317.022 of the Revised Code to reflect any enrollment 55185  
of students in community schools for less than the equivalent of 55186  
a full school year. The department shall adopt in accordance 55187  
with Chapter 119. of the Revised Code rules governing the 55188  
payments to community schools under section 3317.022 of the 55189  
Revised Code including initial payments in a school year and 55190  
adjustments and reductions made in subsequent periodic payments 55191  
to community schools as provided under section 3317.022 of the 55192  
Revised Code. For purposes of this division: 55193

(1) A student shall be considered enrolled in the 55194  
community school for any portion of the school year the student 55195  
is participating at a college under Chapter 3365. of the Revised 55196  
Code. 55197

(2) A student shall be considered to be enrolled in a 55198  
community school for the period of time beginning on the later 55199  
of the date on which the school both has received documentation 55200  
of the student's enrollment from a parent and the student has 55201

commenced participation in learning opportunities as defined in 55202  
the contract with the sponsor, or thirty days prior to the date 55203  
on which the student is entered into the education management 55204  
information system established under section 3301.0714 of the 55205  
Revised Code. For purposes of applying this division and 55206  
divisions (H) (3) and (4) of this section to a community school 55207  
student, "learning opportunities" shall be defined in the 55208  
contract, which shall describe both classroom-based and non- 55209  
classroom-based learning opportunities and shall be in 55210  
compliance with criteria and documentation requirements for 55211  
student participation which shall be established by the 55212  
department. Any student's instruction time in non-classroom- 55213  
based learning opportunities shall be certified by an employee 55214  
of the community school. A student's enrollment shall be 55215  
considered to cease on the date on which any of the following 55216  
occur: 55217

(a) The community school receives documentation from a 55218  
parent terminating enrollment of the student. 55219

(b) The community school is provided documentation of a 55220  
student's enrollment in another public or private school. 55221

(c) The community school ceases to offer learning 55222  
opportunities to the student pursuant to the terms of the 55223  
contract with the sponsor or the operation of any provision of 55224  
this chapter. 55225

Except as otherwise specified in this paragraph, beginning 55226  
in the 2011-2012 school year, any student who completed the 55227  
prior school year in an internet- or computer-based community 55228  
school shall be considered to be enrolled in the same school in 55229  
the subsequent school year until the student's enrollment has 55230  
ceased as specified in division (H) (2) of this section. The 55231

department shall continue paying amounts for the student under 55232  
section 3317.022 of the Revised Code without interruption at the 55233  
start of the subsequent school year. However, if the student 55234  
without a legitimate excuse fails to participate in the first 55235  
seventy-two consecutive hours of learning opportunities offered 55236  
to the student in that subsequent school year, the student shall 55237  
be considered not to have re-enrolled in the school for that 55238  
school year and the department shall recalculate the payments to 55239  
the school for that school year to account for the fact that the 55240  
student is not enrolled. 55241

(3) The department shall determine each community school 55242  
student's percentage of full-time equivalency based on the 55243  
percentage of learning opportunities offered by the community 55244  
school to that student, reported either as number of hours or 55245  
number of days, is of the total learning opportunities offered 55246  
by the community school to a student who attends for the 55247  
school's entire school year. However, no internet- or computer- 55248  
based community school shall be credited for any time a student 55249  
spends participating in learning opportunities beyond ten hours 55250  
within any period of twenty-four consecutive hours. Whether it 55251  
reports hours or days of learning opportunities, each community 55252  
school shall offer not less than nine hundred twenty hours of 55253  
learning opportunities during the school year. 55254

(4) With respect to the calculation of full-time 55255  
equivalency under division (H) (3) of this section, the 55256  
department shall waive the number of hours or days of learning 55257  
opportunities not offered to a student because the community 55258  
school was closed during the school year due to disease 55259  
epidemic, hazardous weather conditions, law enforcement 55260  
emergencies, inoperability of school buses or other equipment 55261  
necessary to the school's operation, damage to a school 55262

building, or other temporary circumstances due to utility 55263  
failure rendering the school building unfit for school use, so 55264  
long as the school was actually open for instruction with 55265  
students in attendance during that school year for not less than 55266  
the minimum number of hours required by this chapter. The 55267  
department shall treat the school as if it were open for 55268  
instruction with students in attendance during the hours or days 55269  
waived under this division. 55270

(I) The department of education and workforce shall reduce 55271  
the amounts paid under section 3317.022 of the Revised Code to 55272  
reflect payments made to colleges under section 3365.07 of the 55273  
Revised Code. 55274

(J) (1) No student shall be considered enrolled in any 55275  
internet- or computer-based community school or, if applicable 55276  
to the student, in any community school that is required to 55277  
provide the student with a computer pursuant to division (C) of 55278  
section 3314.22 of the Revised Code, unless both of the 55279  
following conditions are satisfied: 55280

(a) The student possesses or has been provided with all 55281

which the district may be permitted to deposit an amount less 55967  
than required by that division or permitted to make no deposit 55968  
into the district capital and maintenance fund for that year. 55969  
The director may grant a waiver under division (D) (3) of this 55970  
section if the district demonstrates to the satisfaction of the 55971

a school district. 56051

The guidelines shall not include a requirement that a 56052  
school district submit financial statements according to 56053  
generally accepted accounting principles. 56054

(B) (1) If the director determines from a school district's 56055

those conditions exist within the district, after consulting 56059  
with the district board of education concerning the practices or 56060

state of fiscal watch under division (A) (4) of section 3316.03 56071  
of the Revised Code, the director shall declare a school 56072  
district to be under a fiscal caution if the conditions 56073

(C) When the director declares a district to be under fiscal caution, the director shall promptly notify the district board of education of that declaration and shall request the board to provide written proposals for discontinuing or correcting the fiscal practices or budgetary conditions that prompted the declaration and for preventing the district from experiencing further fiscal difficulties that could result in the district being declared to be in a state of fiscal watch or fiscal emergency.

(D) The director, or a designee, may visit and inspect any district that is declared to be under a fiscal caution. The department of education and workforce shall provide technical assistance to the district board in implementing proposals to eliminate the practices or budgetary conditions that prompted the declaration of fiscal caution and may make recommendations concerning the board's proposals.

(b) Divide the amount determined under division (A) (1) (a) of this section by the district's base cost enrolled ADM for the fiscal year for which the calculation is made.

(2) Calculate the district's local share federal adjusted gross income per pupil for that fiscal year as follows:

(a) Determine the minimum of the following:

(i) The average of the total federal adjusted gross income of the district's residents for the three most recent tax years

for which data is available, as certified under section 3317.021 57477  
of the Revised Code; 57478

district's residents for the most recent tax year for which data 57480  
is available, as certified under section 3317.021 of the Revised 57481  
Code. 57482

(a) For any fiscal year which the general assembly has 59607  
specified that transportation payments to school districts be 59608  
based on an across-the-board percentage of the district's 59609  
payment for the previous school year, the per pupil payment to 59610  
the community school shall be the following quotient: 59611

(i) The total amount calculated for the school district in 59612

under section 3317.03 of the Revised Code, plus the number of 59618  
students enrolled in the community school not counted in the 59619  
district's transportation ADM who are transported under division 59620  
(B) (1) or (2) of section 3314.091 of the Revised Code. 59621

(b) For any fiscal year which the general assembly has 59622

entitled to attend school would have used a method of 59630  
transportation for the student for which payments are computed 59631

and paid under division (E) of this section, 1.0 times the 59632  
statewide transportation cost per student, as calculated in 59633  
division (C) of this section; 59634

(II) If the school district in which the student is 59635  
entitled to attend school would have used a method of 59636  
transportation for the student for which payments are computed 59637  
and paid in a manner described in division (G) of this section, 59638  
the amount that would otherwise be computed for and paid to the 59639  
district. 59640

thereafter, an amount calculated in a manner determined by the 59642  
general assembly. 59643

The community school, however, is not required to use the 59644  
same method to transport the student. 59645

As used in this division, "entitled to attend school" 59646  
means entitled to attend school under section 3313.64 or 3313.65 59647  
of the Revised Code. 59648

(2) A community school shall be paid under division (I) (2) 59649

section 3314.091 of the Revised Code, and whose transportation 59652  
to and from school is actually provided, who actually utilized 59653  
transportation arranged, or for whom a payment in lieu of 59654  
transportation is made by the community school's governing 59655  
authority. To qualify for the payments, the community school 59656  
shall report to the department, in the form and manner required 59657

education students who are preschool children with disabilities 59680  
X the multiple specified in division (A) of section 3317.013 of 59681  
the Revised Code X the statewide average base cost per pupil for 59682  
that fiscal year X the district's state share percentage X 0.50; 59683

(2) The district's or institution's category two special 59684

that fiscal year X the district's state share percentage X 0.50; 59688

(3) The district's or institution's category three special 59689

education students who are preschool children with disabilities 59690  
X the multiple specified in division (C) of section 3317.013 of 59691  
the Revised Code X the statewide average base cost per pupil for 59692  
that fiscal year X the district's state share percentage X 0.50; 59693

(4) The district's or institution's category four special 59694  
education students who are preschool children with disabilities 59695  
X the multiple specified in division (D) of section 3317.013 of 59696  
the Revised Code X the statewide average base cost per pupil for 59697  
that fiscal year X the district's state share percentage X 0.50; 59698

(5) The district's or institution's category five special 59699

The special education disability categories for preschool 59713  
children used in this section are the same categories prescribed 59714  
in section 3317.013 of the Revised Code. 59715

which the students are entitled to attend school, the department 59731  
shall deduct from the district's payment computed under division 59732  
(A) of this section the total amount of those funds that are 59733  
attributable to the students served by the county DD board and 59734  
pay that amount to that board. 59735

which the remitted money was appropriated, the board may apply 60184  
to the department for a refund of money, not to exceed the 60185

resolution. Such a resolution may be adopted at any time before 61644  
such an agreement is entered into and before the tax levied 61645  
pursuant to section 3318.06 of the Revised Code expires. If the 61646  
resolution is combined with a resolution to issue bonds to pay 61647

The school district board and the county auditor shall proceed in the same manner as required for a tax levy under section 5705.03 of the Revised Code. school district's eligibility for state assistance under those 61929  
sections, and may apply that expenditure toward meeting the 61930  
school district's portion of the basic project cost of the total 61931  
of the district's classroom facilities needs, as recalculated 61932  
under division (E) of this section, when the district becomes 61933  
eligible for state assistance under sections 3318.01 to 3318.20 61934  
or section 3318.364 of the Revised Code. 61935

Any school district that is reasonably expected to receive 61936  
assistance under sections 3318.01 to 3318.20 of the Revised Code 61937  
within two fiscal years from the date the school district adopts 61938  
its resolution under division (B) of this section shall not be 61939  
eligible to participate in the program established under this 61940  
section unless that school district divides its project under 61941  
those sections into segments as authorized by section 3318.034 61942  
of the Revised Code. In the case of a school district that has 61943  
segmented its project as authorized in section 3318.034 of the 61944

Revised Code, the district shall select a discrete portion of 61945  
one or more future segments of its project, to which the 61946  
district may apply local resources under an agreement under this 61947  
section prior to further state assistance for those future 61948  
segments under sections 3318.01 to 3318.20 of the Revised Code. 61949

(2) To participate in the program, a school district board 61950  
shall first adopt a resolution, by a vote of two-thirds of all 61951  
of its members, certifying to the commission the board's intent 61952  
to participate in the program. 61953

The resolution shall specify the approximate date that the 61954  
board intends to seek elector approval of any bond or tax 61955  
measures or to apply other local resources to use to pay the 61956  
cost of classroom facilities to be constructed under this 61957  
section. The resolution may specify the application of local 61958  
resources or elector-approved bond or tax measures after the 61959  
resolution is adopted by the board, and in such case the board 61960  
may proceed with a discrete portion of its project under this 61961  
section as soon as the commission and the controlling board have 61962  
approved the basic project cost of the district's classroom 61963  
facilities needs as specified in division (D) of this section. 61964  
The board shall submit its resolution to the commission not 61965  
later than ten days after the date the resolution is adopted by 61966  
the board. 61967

The commission shall not consider any resolution that is 61968  
submitted pursuant to division (B)(2) of this section, as 61969  
amended by this amendment, sooner than September 14, 2000. 61970

(3) For purposes of determining when a district that 61971  
enters into an agreement under this section becomes eligible for 61972  
assistance under sections 3318.01 to 3318.20 of the Revised Code 61973  
or priority for assistance under section 3318.364 of the Revised 61974

Code, the commission shall use the district's percentile ranking 61975  
determined at the time the district entered into the agreement 61976  
under this section, as prescribed by division (A)(2) of this 61977  
section. 61978

(4) Any project under this section shall comply with 61979  
section 3318.03 of the Revised Code and with any specifications 61980  
for plans and materials for classroom facilities adopted by the 61981  
commission under section 3318.04 of the Revised Code. 61982

(5) If a school district that enters into an agreement 61983  
under this section has not begun a project applying local 61984  
resources as provided for under that agreement at the time the 61985  
district is notified by the commission that it is eligible to 61986  
receive state assistance for its project under sections 3318.01 61987  
to 3318.20 of the Revised Code or for a segment of its project, 61988  
if the district previously segmented its project as authorized 61989  
in section 3318.034 of the Revised Code, all assessment and 61990  
agreement documents entered into under this section are void. 61991

(6) Only construction of or repairs to classroom 61992  
facilities that have been approved by the commission and have 61993  
been therefore included as part of a district's basic project 61994  
cost qualify for application of local resources under this 61995  
section. 61996

(C) Based on the results of on-site visits and assessment, 61997  
the commission shall determine the basic project cost of the 61998  
school district's classroom facilities needs. The commission 61999  
shall determine the school district's portion of such basic 62000  
project cost, which shall be the greater of: 62001

(1) The required percentage of the basic project costs, 62002  
determined based on the school district's percentile ranking; 62003

(2) An amount necessary to raise the school district's net bonded indebtedness, as of the fiscal year the commission and the school district enter into the agreement under division (B) of this section, to within five thousand dollars of the required level of indebtedness.

(D) (1) When the commission determines the basic project cost of the classroom facilities needs of a school district and the school district's portion of that basic project cost under division (C) of this section, the project shall be conditionally approved. Such conditional approval shall be submitted to the controlling board for approval thereof. The controlling board shall forthwith approve or reject the commission's determination, conditional approval, and the amount of the state's portion of the basic project cost; however, no state funds shall be encumbered under this section. Upon approval by the controlling board, the school district board may identify a discrete part of its classroom facilities needs, which shall include only new construction of or additions or major repairs to a particular building, to address with local resources. Upon identifying a part of the school district's basic project cost to address with local resources, the school district board may allocate any available school district moneys to pay the cost of that identified part, including the proceeds of an issuance of bonds if approved by the electors of the school district.

All local resources utilized under this division shall first be deposited in the project construction account required under section 3318.08 of the Revised Code.

(2) Unless the school district board exercises its option under division (D) (3) of this section, for a school district to qualify for participation in the program authorized under this

section, one of the following conditions shall be satisfied: 62034

(a) The electors of the school district by a majority vote 62035  
shall approve the levy of taxes outside the ten-mill limitation 62036  
for a period of twenty-three years at the rate of not less than 62037  
one-half mill for each dollar of valuation to be used to pay the 62038  
cost of maintaining or upgrading, if approved by the commission, 62039  
the classroom facilities included in the basic project cost as 62040  
determined by the commission. The form of the ballot to be used 62041  
to submit the question whether to approve the tax required under 62042  
this division to the electors of the school district shall be 62043  
the form for an additional levy of taxes prescribed in section 62044  
3318.361 of the Revised Code, which may be combined in a single 62045  
ballot question with the questions prescribed under section 62046  
5705.218 of the Revised Code. 62047

(b) As authorized under division (C) of section 3318.05 of 62048  
the Revised Code, the school district board shall earmark from 62049  
the proceeds of a permanent improvement tax levied under section 62050  
5705.21 of the Revised Code, an amount equivalent to the 62051  
additional tax otherwise required under division (D) (2) (a) of 62052  
this section for the maintenance of the classroom facilities 62053  
included in the basic project cost as determined by the 62054  
commission. 62055

(c) As authorized under section 3318.051 of the Revised 62056  
Code, the school district board shall, if approved by the 62057  
commission, annually transfer into the maintenance fund required 62058  
under section 3318.05 of the Revised Code the amount prescribed 62059  
in section 3318.051 of the Revised Code in lieu of the tax 62060  
otherwise required under division (D) (2) (a) of this section for 62061  
the maintenance of the classroom facilities included in the 62062  
basic project cost as determined by the commission. 62063

(d) If the school district board has rescinded the agreement to make transfers under section 3318.051 of the Revised Code, as provided under division (F) of that section, the electors of the school district, in accordance with section 3318.063 of the Revised Code, first shall approve the levy of taxes outside the ten-mill limitation for the period specified in that section at a rate of not less than one-half mill for each dollar of valuation.

(e) The school district board shall apply the proceeds of a tax to leverage bonds as authorized under section 3318.052 of the Revised Code or dedicate a local donated contribution in the manner described in division (B) of section 3318.084 of the Revised Code in an amount equivalent to the additional tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(3) A school district board may opt to delay taking any of the actions described in division (D)(2) of this section until the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code. In order to exercise this option, the board shall certify to the commission a resolution indicating the board's intent to do so prior to entering into an agreement under division (B) of this section.

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this

section to submit a proposal for approval of a bond issue; 62094

(b) In accordance with section 3318.361 of the Revised 62095  
Code if it is not necessary to also submit a proposal for 62096  
approval of a bond issue pursuant to division (E) of this 62097  
section. 62098

(5) No state assistance under sections 3318.01 to 3318.20 62099  
of the Revised Code shall be released until a school district 62100  
board that adopts and certifies a resolution under division (D) 62101  
of this section also demonstrates to the satisfaction of the 62102  
commission compliance with the provisions of division (D) (2) of 62103  
this section. 62104

Any amount required for maintenance under division (D) (2) 62105  
of this section shall be deposited into a separate fund as 62106  
specified in division (D) of section 3318.05 of the Revised 62107  
Code. 62108

(E) (1) If the school district becomes eligible for state 62109  
assistance under sections 3318.01 to 3318.20 of the Revised Code 62110  
for its entire project or for future segments, if the district 62111  
previously segmented its project as authorized in section 62112  
3318.034 of the Revised Code, based on its percentile ranking 62113  
under division (B) (3) of this section or is offered assistance 62114  
under section 3318.364 of the Revised Code, the commission shall 62115  
conduct a new assessment of the school district's classroom 62116  
facilities needs and shall recalculate the basic project cost 62117  
based on this new assessment. The basic project cost 62118  
recalculated under this division shall include the amount of 62119  
expenditures made by the school district board under division 62120  
(D) (1) of this section. The commission shall then recalculate 62121  
the school district's portion of the new basic project cost, 62122  
which shall be the percentage of the original basic project cost 62123

assigned to the school district as its portion under division 62124  
(C) of this section. The commission shall deduct the expenditure 62125  
of school district moneys made under division (D) (1) of this 62126  
section from the school district's portion of the basic project 62127  
cost as recalculated under this division. If the amount of 62128  
school district resources applied by the school district board 62129  
to the school district's portion of the basic project cost under 62130  
this section is less than the total amount of such portion as 62131  
recalculated under this division, the school district board by a 62132  
majority vote of all of its members shall, if it desires to seek 62133  
state assistance under sections 3318.01 to 3318.20 of the 62134  
Revised Code, adopt a resolution as specified in section 3318.06 62135  
of the Revised Code to submit to the electors of the school 62136  
district the question of approval of a bond issue in order to 62137  
pay any additional amount of school district portion required 62138  
for state assistance. Any tax levy approved under division (D) 62139  
of this section satisfies the requirements to levy the 62140  
additional tax under section 3318.06 of the Revised Code. 62141

(2) If the amount of school district resources applied by 62142  
the school district board to the school district's portion of 62143  
the basic project cost under this section is more than the total 62144  
amount of such portion as recalculated under this division, 62145  
within two years after the school district's portion is 62146  
recalculated under division (E) (1) of this section the 62147  
commission may grant to the school district the difference 62148  
between the two calculated portions, but at no time shall the 62149  
commission expend any state funds on a project in an amount 62150  
greater than the state's portion of the basic project cost as 62151  
recalculated under this division. 62152

Any reimbursement under this division shall be only for 62153  
local resources the school district has applied toward 62154

construction cost expenditures for the classroom facilities 62155  
approved by the commission, which shall not include any 62156  
financing costs associated with that construction. 62157

The school district board shall use any moneys reimbursed 62158  
to the district under this division to pay off any debt service 62159  
the district owes for classroom facilities constructed under its 62160  
project under this section before such moneys are applied to any 62161  
other purpose. However, the district board first may deposit 62162  
moneys reimbursed under this division into the district's 62163  
general fund or a permanent improvement fund to replace local 62164  
resources the district withdrew from those funds, as long as, 62165  
and to the extent that, those local resources were used by the 62166  
district for constructing classroom facilities included in the 62167  
district's basic project cost. 62168

**Sec. 3318.361.** A school district board opting to qualify 62169  
for state assistance pursuant to section 3318.36 of the Revised 62170  
Code through levying the tax specified in division (D) (2) (a) or 62171  
(D) (4) of that section shall declare by resolution that the 62172  
question of a tax levy specified in division (D) (2) (a) or (4), 62173  
as applicable, of section 3318.36 of the Revised Code shall be 62174  
submitted to the electors of the school district at the next 62175  
general or primary election, if there be a general or primary 62176  
election not less than ninety and not more than one hundred ten 62177  
days after the day of the adoption of such resolution or, if 62178  
not, at a special election to be held at a time specified in the 62179  
resolution which shall be not less than ninety days after the 62180  
day of the adoption of the resolution and which shall be in 62181  
accordance with the requirements of section 3501.01 of the 62182  
Revised Code. Such resolution shall specify both of the 62183  
following: 62184

(A) That the rate which it is necessary to levy shall be 62185  
at the rate of not less than one-half mill for each one dollar 62186  
of taxable value, and that such tax shall be levied for a period 62187  
of twenty-three years; 62188

(B) That the proceeds of the tax shall be used to pay the 62189  
cost of maintaining the classroom facilities included in the 62190  
project or upgrading those facilities if approved by the Ohio 62191  
facilities construction commission. 62192

A copy of such resolution shall after its passage and not 62193  
less than ninety days prior to the date set therein for the 62194  
election be certified to the county board of elections. 62195

Notice of the election shall include the levy's estimated 62196  
annual collections, the fact that the tax levy shall be at the 62197  
rate of not less than one-half mill for each one dollar of 62198  
taxable value for a period of twenty-three years, and that the 62199  
proceeds of the tax shall be used to pay the cost of maintaining 62200  
or upgrading the classroom facilities included in the project. 62201  
The notice shall also express the rate in dollars for each one 62202  
hundred thousand dollars of ~~the county auditor's appraised~~ 62203  
market value. 62204

The form of the ballot to be used at such election shall 62205  
be: 62206

"Shall a levy of taxes be made for a period of twenty- 62207  
three years to benefit the \_\_\_\_\_ (here insert name of 62208  
school district) school district, the proceeds of which shall be 62209  
used to pay the cost of maintaining (or upgrading if approved by 62210  
the Ohio facilities construction commission) the classroom 62211  
facilities included in the project, that the county auditor 62212  
estimates will collect \$\_\_\_\_\_ annually, at the rate of 62213

\_\_\_\_\_ (here insert the number of mills, which shall not be 62214  
less than one-half mill) mills for each \$1 of taxable value, 62215  
which amounts to \$\_\_\_\_\_ for each \$100,000 of ~~the county~~ 62216

**Sec. 3318.40.** (A) (1) Sections 3318.40 to 3318.45 of the 62219  
Revised Code apply only to joint vocational school districts. 62220

(2) As used in sections 3318.40 to 3318.45 of the Revised 62221  
Code: 62222

(a) "Ohio facilities construction commission," "classroom 62223  
facilities," "project," and "basic project cost" have the same 62224  
meanings as in section 3318.01 of the Revised Code. 62225

(b) "Acquisition of classroom facilities" means 62226  
constructing, reconstructing, repairing, or making additions to 62227  
classroom facilities. 62228

(B) There is hereby established the vocational school 62229  
facilities assistance program. Under the program, the Ohio 62230  
facilities construction commission shall provide assistance to 62231  
joint vocational school districts for the acquisition of 62232  
classroom facilities suitable to the vocational education 62233  
programs of the districts in accordance with sections 3318.40 to 62234  
3318.45 of the Revised Code. ~~For purposes of the program,~~ 62235  
~~beginning July 1, 2003, the~~ The commission ~~annually~~ may set 62236  
aside ~~up to two per cent~~ a portion of the aggregate amount 62237  
appropriated to it for classroom facilities assistance projects 62238  
in the public school building fund, established under section 62239

3318.15 of the Revised Code, and the school building program 62240  
assistance fund, established under section 3318.25 of the 62241  
Revised Code, to provide assistance to at least two joint 62242  
vocational school districts per biennium. The amount set aside 62243  
for this purpose shall be determined by the commission. 62244

(C) The commission shall not provide assistance for any 62245  
distinct part of a project under sections 3318.40 to 3318.45 of 62246  
the Revised Code that when completed will be used exclusively 62247  
for an adult education program or exclusively for operation of a 62248  
driver training school for instruction leading to the issuance 62249  
of a commercial driver's license under Chapter 4506. of the 62250  
Revised Code, except for life safety items and basic building 62251  
components necessary for complete and continuous construction or 62252  
renovation of a classroom facility as determined by the 62253  
commission. 62254

(D) The commission shall not provide assistance under 62255  
sections 3318.40 to 3318.45 of the Revised Code to acquire 62256  
classroom facilities for vocational educational instruction at a 62257  
location under the control of a school district that is a member 62258  
of a joint vocational school district. Any assistance to acquire 62259  
classroom facilities for vocational educational instruction at 62260  
such location shall be provided to the school district that is a 62261  
member of the joint vocational school district through other 62262  
provisions of this chapter when that member school district is 62263  
eligible for assistance under those provisions. 62264

(E) By September 1, 2003, the commission shall assess the 62265  
classroom facilities needs of at least five joint vocational 62266  
school districts, according to the order of priority prescribed 62267  
in division (B) of section 3318.42 of the Revised Code, and 62268  
based on the results of those assessments shall determine the 62269

extent to which amendments to the specifications adopted under 62270  
section 3318.311 of the Revised Code are warranted. The 62271  
commission, thereafter, may amend the specifications as provided 62272  
in that section. 62273

(F) After the commission has conducted the assessments 62274  
prescribed in division (E) of this section, the commission shall 62275  
establish, by rule adopted in accordance with section 111.15 of 62276  
the Revised Code, guidelines for the commission to use in 62277  
deciding whether to waive compliance with the design 62278  
specifications adopted under section 3318.311 of the Revised 62279  
Code when determining the number of facilities and the basic 62280  
project cost of projects as prescribed in division (A) (1) (a) of 62281  
section 3318.41 of the Revised Code. The guidelines shall 62282  
address the following situations: 62283

(1) Under what circumstances, if any, particular classroom 62284  
facilities are adequate to meet the needs of the school district 62285  
even though the facilities do not comply with the specifications 62286  
adopted under section 3318.311 of the Revised Code; 62287

(2) Under what circumstances, if any, particular classroom 62288  
facilities will be renovated or repaired rather than replaced by 62289  
construction of new facilities. 62290

**Sec. 3318.45.** (A) Unless division (B) of section 3318.44 62291  
of the Revised Code applies, if a joint vocational school 62292  
district board of education proposes to issue securities to 62293  
generate all or part of the school district's portion of the 62294  
basic project cost of the school district's project under 62295  
sections 3318.40 to 3318.45 of the Revised Code, the school 62296  
district board shall adopt a resolution, by a vote of two-thirds 62297  
of all of its members, in accordance with Chapter 133. and 62298  
section 3311.20 of the Revised Code. Unless the school district 62299

board seeks authority to issue securities in more than one 62300  
series, the school district board shall adopt the form of the 62301  
ballot prescribed in section 133.18 of the Revised Code. 62302

(B) If authority is sought to issue bonds in more than one 62303  
series, the form of the ballot shall be: 62304

"Shall bonds be issued by the \_\_\_\_\_ (here insert name 62305  
of joint vocational school district) joint vocational school 62306  
district to pay the local share of school construction under the 62307

Program in the total principal amount of \$\_\_\_\_\_ (total 62309  
principal amount of the bond issue), to be issued in \_\_\_\_\_ 62310  
(number of series) series, each series to be repaid annually 62311  
over not more than \_\_\_\_\_ (maximum number of years over which 62312  
the principal of each series may be paid) years, and an annual 62313  
levy of property taxes be made outside the ten-mill limitation 62314  
to pay the annual debt charges on the bonds and on any notes 62315  
issued in anticipation of the bonds, at a rate estimated by the 62316  
county auditor to average over the repayment period of each 62317  
series as follows: \_\_\_\_\_ [insert the following for each 62318  
series: "the \_\_\_\_\_ series, in a principal amount of 62319

section, the superintendent of a school district may allow an 62657

employee who does not hold a permit or license issued under this section to work as a substitute for an educational assistant who is absent on account of illness or on a leave of absence, or to fill a temporary position created by an emergency, provided that the superintendent believes the employee's application materials indicate that the employee is qualified to obtain a permit or license under this section.
