

Sub. H. B. No. 96
As Passed by the Senate
EDUCD101

_____ moved to amend as follows:

After line 63822, insert:

"Sec. 3327.017. (A) As used in this section:

(1) "Eligible student" has the same meaning as in section 3327.016 of the Revised Code.

(2) "Mass transit system" has the same meaning as in section 4511.78 of the Revised Code.

(B) No city, local, or exempted village school district shall provide or arrange for transportation for any eligible student enrolled in any of grades kindergarten through eight in a community school established under Chapter 3314. of the Revised Code or chartered nonpublic school to and from school using vehicles operated by a mass transit system, unless the district enters into an agreement with that school authorizing such transportation. An agreement under division (B) of this section shall not be effective unless both the school district and community or chartered nonpublic school approve it.

(C) A city, local, or exempted village school district that elects to provide or arrange for transportation for any

eligible student enrolled in any of grades nine through twelve 19
in a community or chartered nonpublic school to and from school 20
using vehicles operated by a mass transit system shall ensure 21
that the student is assigned to a route that does not require 22
the student to make more than one transfer. With respect to a 23
mass transit system with a central transfer hub located in a 24
county that has a population between five hundred thirty 25
thousand and five hundred forty thousand according to the most 26
recent federal decennial census, the city, local, or exempted 27
village school district shall ensure that any transfer does not 28
occur at the central transfer hub for the mass transit system." 29

Update the title, amend, enact, or repeal clauses accordingly 30

The motion was _____ agreed to.

SYNOPSIS

31

Student transportation via mass transit system

32

R.C. 3327.017

33

Requires a city, local, or exempted village school 34
district located in a county with a population between 530,000 35
and 540,000 according to the most recent federal decennial 36
census (currently only Montgomery County) and that uses mass 37
transit systems to transport students to and from a community or 38
chartered nonpublic school to ensure that any transfer between 39
routes does not occur at the central hub for the mass transit 40
system. 41
