As Passed by the Senate
BORCD85

_____ moved to amend as follows:

After line 64496, insert:

"Sec. 3333.041. (A) On or before the last day of December
of each year, the chancellor of higher education shall submit to
the governor and, in accordance with section 101.68 of the
Revised Code, the general assembly a report or reports
concerning all of the following:

(1) The status of graduates of Ohio school districts at
state institutions of higher education during the twelve-month
period ending on the thirtieth day of September of the current
calendar year. The report shall list, by school district, the
number of graduates of each school district who attended a state
institution of higher education and the percentage of each
district's graduates enrolled in a state institution of higher
education during the reporting period who were required during
such period by the college or university, as a prerequisite to
enrolling in those courses generally required for first-year
students, to enroll in a remedial course in English, including
composition or reading, mathematics, and any other area
designated by the chancellor. The chancellor also shall make the

54

(B) On or before the fifteenth day of February of each
year, the chancellor shall submit to the governor and, in
accordance with section 101.68 of the Revised Code, the general
assembly a report concerning aggregate academic growth data for
students assigned to graduates of teacher preparation programs
approved under section 3333.048 of the Revised Code who teach
English language arts or mathematics in any of grades four to
eight in a public school in Ohio. For this purpose, the
chancellor shall use the value-added progress dimension
prescribed by section 3302.021 of the Revised Code or the
alternative student academic progress measure if adopted under
division (C)(1)(e) of section 3302.03 of the Revised Code. The
chancellor shall aggregate the data by graduating class for each
approved teacher preparation program, except that if a
particular class has ten or fewer graduates to which this
division applies, the chancellor shall report the data for a
group of classes over a three-year period. In no case shall the
report identify any individual graduate. The department of
education and workforce shall share any data necessary for the
report with the chancellor.
