Governor's Merit Scholarship residency requirement	9
R.C. 3333.1210	10
Removes Senate version provisions that do all of the	11

Legislative Service Commission

following:	12
- Requires each student to sign a promissory note payable	13
to the state for the amount of Governor's Merit scholarships the	14
student received in the event that the individual does not	15
satisfy the residency requirement, disenrolls without	16
graduating, or transfers to an institution of higher education	17
in another state.	18
- Prohibits the promissory note from taking immediate	19
effect if an eligible student pursues a graduate degree out of	20
state but moves back to Ohio after completion of the graduate	21
degree and satisfies the residency requirement.	22
- Cancels the balance of the promissory note if the	23
student completes the residency requirement, dies, or becomes	24
totally and permanently disabled.	25
Instead, only requires students who accept a Governor's	26
Merit scholarship to sign a statement of commitment to reside in	27
the state for the three years immediately following graduation.	28
