Removes a provision, added by the Senate, that would have	36
required a two-thirds majority vote of a school board or other	37
governing authority of a school district, joint vocational	38
school district, regional student education district, career-	39
technical cooperative education district, or a qualifying school	40
district partnership to approve submission of a tax levy to	41
voters. Current law requires a two-thirds threshold for certain	42
types of education levies.	43
