A RESOLUTION

Honoring the Miami Fort Generating Station on its One
Hundredth Anniversary.

WHEREAS, The members of the House of Representatives of the 136th
General Assembly of Ohio are pleased to extend special recognition to
the Miami Fort Generating Station as it celebrates the One Hundredth
Anniversary of its founding; and

WHEREAS, This is, indeed, an important occasion, and it provides
an ideal time to acknowledge the illustrious history and vital
contributions of the Miami Fort Generating Station. Commencing
operation in 1925, this coal-burning power station has experienced
tremendous growth and expansion, including the addition of two new
units, and it currently generates 800 megawatts of electricity each
day; and

WHEREAS, Over the years, Ohio has faced an ever increasing demand
upon its utility infrastructure, and the Miami Fort Generating Station
has kept pace with these challenges, adopting new technologies and
updating equipment to better meet the needs of our state's residents.
Indeed, the facility has continually demonstrated its exemplary
commitment to the highest industry standards of efficiency and
workplace safety, and its impressive record of service over the past
century readily explains why it is so widely held in high esteem; and

WHEREAS, The noteworthy success of the Miami Fort Generating
Station is attributable largely to the loyal service of the qualified
and committed staff, as well as to the innovation and foresight of the
management, and all those who have been involved with operations are
to be applauded on their tremendous efforts. It is through the work of
citizens such as these that Ohio continues to be a pleasant place in
which to live; therefore be it

RESOLVED, That we, the members of the House of Representatives of 27
the 136th General Assembly of Ohio, in adopting this Resolution, pay 28
tribute to the Miami Fort Generating Station on its One Hundredth 29
Anniversary and salute it as an exemplary facility; and be it further 30

RESOLVED, That the Clerk of the House of Representatives transmit 31
a duly authenticated copy of this Resolution to the Miami Fort 32
Generating Station. 33
