dollars in credit-eligible contributions under this section for 218
program three rural business growth funds. 219

(2) If the agency denies an application for certification 220
as a fund, and approving a subsequently submitted application 221
would result in exceeding the dollar limitation on eligible 222

investment authority or credit-eligible contributions prescribed	223
by division (B) (1) of this section assuming the previously	224
denied application were completed, clarified, or cured under	225
division (D) of this section, the agency shall refrain from	226
making a determination on the subsequently submitted application	227
until the previously denied application is reconsidered or the	228
fifteen-day period for submitting additional information	229
respecting that application has passed, whichever comes first.	230
(C) The agency shall deny an application submitted under	231
this section if any of the following are true:	232
(1) The application is incomplete.	233
(2) The application fee is not paid in full.	234
(3) The applicant does not satisfy all the criteria	235
described in division (A) (2) of this section.	236
(4) The revenue impact assessment submitted under division	237
(A) (5) of this section does not demonstrate that the applicant's	238
business plan will result in a positive economic impact on this	239
state over a ten-year period that exceeds the cumulative amount	240
of tax credits that would be issued under section 122.152 of the	241
Revised Code if the application were approved.	242
(5) The credit-eligible capital contributions described in	243
affidavits submitted under division (A) (6) of this section do	244
not equal sixty per cent of the total amount of eligible	245
investment authority sought under the applicant's business plan.	246
(6) The agency has already approved the maximum total	247
eligible investment authority and credit-eligible capital	248
contributions allowed under division (B) of this section.	249
(D) If the agency denies an application under division (C)	250

of this section, the agency shall send notice of its 251
determination to the applicant. The notice shall include the 252
reason or reasons that the application was denied. If the 253
application was denied for any reason other than the reason 254
specified in division (C) (6) of this section, the applicant may 255
provide additional information to the agency to complete, 256
clarify, or cure defects in the application. The additional 257
information must be submitted within fifteen days after the date 258
the notice of denial was dispatched by the agency. If the person 259
submits additional information within fifteen days, the agency 260
shall reconsider the application within thirty days after 261
receiving the additional information. The application shall be 262
reviewed and considered before any pending application submitted 263
after the original submission date of the reconsidered 264
application. If the person does not submit additional 265
information within fifteen days after dispatch of the notice of 266
denial, the person may submit a new application with a new 267
submission date at any time. 268

(E) If approving multiple simultaneously submitted 269
applications would result in exceeding the overall eligible 270
investment limit prescribed by division (B) of this section, the 271
agency shall proportionally reduce the eligible investment 272
authority and the credit-eligible capital contributions for each 273
approved application as necessary to avoid exceeding the limit. 274

(F) The agency shall not deny a rural business growth fund 275
application or reduce the requested eligible investment 276
authority for reasons other than those described in divisions 277
(C) and (E) of this section. If the agency approves such an 278
application, the agency shall issue a written notice to the 279
applicant certifying that the applicant qualifies as a rural 280
business growth fund and specifying the amount of the 281

applicant's eligible investment authority.	282
(G) A fund shall do all of the following within sixty days	283
after receiving the certification issued under division (F) of	284
this section:	285
(1) Collect the credit-eligible capital contributions from	286
each investor whose affidavit was included in the application.	287
If the rural business growth fund's requested eligible	288
investment authority is proportionally reduced under division	289
(E) of this section, the investor's required credit-eligible	290
capital contribution shall be reduced by the same proportion.	291
(2) Collect one or more investments of cash that, when	292
added to the contributions collected under division (G) (1) of	293
this section, equal the fund's eligible investment authority. At	294
least ten per cent of the fund's eligible investment authority	295
shall be comprised of equity investments contributed directly or	296
indirectly by affiliates of the fund, including employees,	297
officers, and directors of such affiliates.	298
(H) Within sixty-five days after receiving the	299
certification issued under division (F) (1) of this section, the	300
fund shall send to the agency documentation sufficient to prove	301
that the amounts described in divisions (G) (1) and (2) of this	302
section have been collected. The fund shall identify any	303
affiliate of an investor described in division (G) (1) of this	304
section that will seek to claim the credit allowed by section	305
122.152 of the Revised Code. If the fund fails to fully comply	306
with division (G) of this section, the fund's certification	307
shall lapse.	308
Eligible investment authority and corresponding credit-	309
eligible capital contributions that lapse under this division do	310

not count toward limits on total eligible investment authority 311
and credit-eligible capital contributions prescribed by division 312
(B) of this section. Once eligible investment authority has 313
lapsed, the agency shall first award lapsed authority pro rata 314
to each fund that was awarded less than the requested eligible 315
investment authority because of the operation of division (E) of 316
this section. Any remaining eligible investment authority may be 317
awarded by the agency to new applicants. 318

(I) After receiving documentation sufficient to prove that 319
the amounts described in divisions (G) (1) and (2) of this 320
section have been collected, the agency shall issue the 321
following notices: 322

(1) To each investor or affiliate identified in division 323
(H) of this section, a notice of the amount and utilization 324
schedule of the tax credits allocated to that investor or 325
affiliate as a result of its credit-eligible capital 326
contribution; 327

(2) To the superintendent of insurance, a notice of the 328
amount and utilization schedule of the tax credits allocated to 329
each investor described in division (G) (1) of this section and 330
any affiliate of such investor who will seek to claim the credit 331
allowed by section 122.152 of the Revised Code. 332

(J) Application fees submitted to the agency pursuant to 333
division (A) (7) of this section shall be credited to the tax 334
incentives operating fund created under section 122.174 of the 335
Revised Code, and shall be used by the agency to administer 336
sections 122.15 to 122.156 of the Revised Code. 337

Sec. 122.152. (A) There is hereby allowed a nonrefundable 338
tax credit for owners of tax credit certificates issued by the 339

development services agency under division (B) of this section. 340
The credit may be claimed against the tax imposed by section 341
3901.86, 5725.18, 5729.03, or 5729.06 of the Revised Code. 342

(B) On the closing date, a taxpayer that made a credit- 343
eligible capital contribution to a rural business growth fund 344
shall be eligible for a credit equal to the amount specified in 345
the notice issued under division (I)(1) of section 122.151 of 346
the Revised Code. On or before the third, fourth, fifth, and 347
sixth anniversary dates of the closing date, the agency shall 348
issue a tax credit certificate to the taxpayer specifying the 349
corresponding anniversary date and a credit amount equal to one- 350
fourth of the total credit authorized under this section. The 351
taxpayer or its identified affiliate may claim the credit amount 352
for the taxable year that includes the date specified on the 353
certificate. The taxpayer making a credit-eligible capital 354
contribution and the issuance of a tax credit certificate by the 355
agency does not represent a verification or certification by the 356
agency of compliance with the recapture provisions of section 357
122.153 of the Revised Code. The tax credit issued under this 358
division is subject to recapture under section 122.153 of the 359
Revised Code. 360

(C) The credit shall be claimed in the order required 361
under section 5725.98 or 5729.98 of the Revised Code as 362
applicable. If the amount of the credit for a taxable year 363
exceeds the tax otherwise due for that year, the excess may be 364
carried forward for not more than four ensuing taxable years for 365
tax credits issued under program one and program two, and not 366
more than two ensuing taxable years for tax credits issued under 367
program three. A taxpayer claiming a credit under this section 368
shall submit a copy of the tax credit certificate with the 369
taxpayer's annual statement for each taxable year in which the 370

credit is claimed.	371
Sec. 122.153. (A) The department of development shall not	372
be required to issue a tax credit certificate under section	373
122.152 of the Revised Code if either <u>any</u> of the following	374
applies:	375
(1) The credit-eligible capital contribution was made in a	376

authority in growth investments within one year of the closing	387
date;	388

authority in growth investments within two years of the closing	390
date; and	391
(c) Invest one hundred per cent of its eligible investment	392
authority in growth investments within three years of the	393
closing date, including seventy-five per cent of its eligible	394
investment authority in rural business concerns that have their	395
principal business operations in tier two or tier three rural	396
areas, and twenty-five per cent of its eligible investment	397
authority in rural business concerns that have their principal	398

business operations in tier three rural areas. The amount by 399
which a rural business growth fund's growth investments in rural 400
business concerns that have their principal business operations 401

fund's eligible investment authority shall not count towards the 403
satisfaction of the requirements prescribed by division (A) (2) 404
(c) of this section. 405

(3) The credit eligible contribution was made in a program 406
three rural business growth fund that fails to: 407

(a) Invest twenty-five per cent of its eligible investment 408
authority in growth investments within one year of the closing 409
date; 410

(b) Invest fifty per cent of its eligible investment 411
authority in growth investments within two years of the closing 412
date; and 413

(c) Invest one hundred per cent of its eligible investment 414
authority in growth investments within three years of the 415
closing date, including not less than fifty per cent of its 416
eligible investment authority in rural business concerns that 417
have their principal business operations in tier four rural 418
areas, and not less than seventy-five per cent of its eligible 419
investment authority in rural business concerns that have their 420
principal business operations in tier two, tier three, or tier 421
four rural areas. The amount by which a rural business growth 422
fund's growth investments in rural business concerns that have 423
their principal business operations in tier one rural areas 424
exceeds twenty-five per cent of the fund's eligible investment 425
authority shall not count towards the satisfaction of the 426
requirements prescribed by division (A) (3) (c) of this section. 427

(B) The agency shall recapture tax credits claimed under 428
section 122.152 of the Revised Code if any of the following 429
occur with respect to the rural business growth fund: 430

(1) The fund, after investing one hundred per cent of its 431
eligible investment authority in growth investments in this 432
state, fails to maintain that investment until the sixth 433
anniversary of the closing date. For the purposes of this 434
division, an investment is maintained even if the investment is 435
sold or repaid so long as the fund reinvests an amount equal to 436
the capital returned or recovered by the fund from the original 437
investment, exclusive of any profits realized, in other growth 438
investments in this state within one year of the receipt of such 439
capital. 440

(2) The fund makes a distribution or payment after the 441
fund complies with division (G) of section 122.151 of the 442
Revised Code and before the fund decertifies under division ~~(D)~~ 443
(E) of this section that results in the fund having less than 444

invested in growth investments in this state. 446

an investor in the fund. Division ~~(A)(3)~~ (B)(3) of this section 451
does not apply to investments in publicly traded securities by a 452
rural business concern or an owner or affiliate of a rural 453
business concern. 454

Before recapturing one or more tax credits under this 455
division, the agency shall notify the fund of the reasons for 456
the pending recapture. If the fund corrects the violations 457

outlined in the notice to the satisfaction of the agency within 458
thirty days of the date the notice was dispatched, the agency 459
shall not recapture the tax credits. 460

(C) (1) The amount by which one or more growth investments 461

business concern exceeds twenty per cent of the fund's eligible 463
investment authority shall not be counted as a growth investment 464
for the purposes of this section. The amount by which one or 465
more growth investments by a program two rural business growth 466
fund in the same business concern exceeds five million dollars 467

this section. The amount by which one or more growth investments 469
by a program three rural business growth fund in the same 470
business concern exceeds seven million five hundred thousand 471
dollars shall not be counted as a growth investment for purposes 472
of this section. A growth investment returned or repaid by a 473
rural business concern to a program ~~one~~, program two, or 474
program three rural business growth fund and then reinvested by 475
the fund in the same rural business concern does not count as an 476

of the limitations prescribed by division (C) (1) of this 478
section. 479

(2) The aggregate amount of growth investments by all 480
rural business growth funds in the same rural business concern, 481
including amounts reinvested in a rural business concern 482
following a returned or repayment of a growth investment, shall 483
not exceed fifteen million dollars. 484

(3) A growth investment in an affiliate of a rural 485
business concern shall be treated as a growth investment in that 486
rural business concern for the purposes of division (C) of this 487

section. 488

(D) If the agency recaptures a tax credit under this 489
section, the agency shall notify the superintendent of insurance 490
of the recapture. The superintendent shall make an assessment 491
under Chapter 5725. or 5729. of the Revised Code for the amount 492
of the credit claimed by each certificate owner associated with 493
the fund before the recapture was finalized. The time 494
limitations on assessments under those chapters do not apply to 495
an assessment under this division, but the superintendent shall 496
make the assessment within one year after the date the agency 497
notifies the superintendent of the recapture. Following the 498
recapture of a tax credit under this section, no tax credit 499
certificate associated with the fund may be utilized. 500
Notwithstanding division (B) of section 122.152 of the Revised 501
Code, if a tax credit is recaptured under this section the 502
agency shall not issue future tax credit certificates to 503
taxpayers that made credit-eligible capital contributions to the 504
fund. 505

(E) (1) On or after the sixth anniversary of the closing 506
date, a fund that has not committed any of the acts described in 507
division (B) of this section may apply to the agency to 508
decertify as a rural business growth fund. The agency shall 509
respond to the application within sixty days after receiving the 510
application. In evaluating the application, the fact that no tax 511
credit has been recaptured with respect to the fund shall be 512
sufficient evidence to prove that the fund is eligible for 513
decertification. The agency shall not unreasonably deny an 514
application submitted under this division. 515

(2) The agency shall send notice of its determination with 516
respect to an application submitted under division (E) (1) of 517

this section to the fund. If the application is denied, the 518
notice shall include the reason or reasons for the 519
determination. 520

(3) The agency shall not recapture a tax credit due to any 521
actions of a fund that occur after the date the fund's 522
application for decertification is approved. Division (E) (3) of 523
this section does not prohibit the agency from recapturing a tax 524
credit due to the actions of a fund that occur before the date 525
the fund's application for decertification is approved, even if 526
those actions are discovered after that date. 527

Sec. 122.154. (A) Each rural business growth fund shall 528
submit a report to the department of development on or before 529
the first day of each March following the end of the calendar 530
year that includes the closing date until the calendar year 531
after the fund has decertified. The report shall provide an 532
itemization of the fund's growth investments and shall include 533
the following documents and information: 534

(1) A bank statement evidencing each growth investment; 535

(2) The name, location, and industry class of each 536
business that received a growth investment from the fund and 537
evidence that the business qualified as a rural business concern 538
at the time the investment was made. If the fund obtained a 539
written opinion from the agency on the business's status as a 540
rural business concern under section 122.156 of the Revised 541
Code, or if the fund makes a written request for such an opinion 542
and the agency failed to respond within thirty days as required 543
by that section, a copy of the agency's favorable opinion or a 544
dated copy of the fund's unanswered request, as applicable, 545
shall be sufficient evidence that the business qualified as a 546
rural business concern at the time the investment was made. 547

(3) The number of employment positions that existed at	548
each business described in division (A) (2) of this section on	549
the date the business received the growth investment;	550
(4) The number of new full-time equivalent employees	551
resulting from each of the fund's growth investments made or	552
maintained in the preceding calendar year;	553
(5) Any other information required by the agency.	554
(B) Each fund shall submit a report to the agency on or	555
before the fifth business day after the first, second, and for	556
program two <u>and program three</u> funds, third anniversaries of the	557
closing date that provides documentation sufficient to prove	558
that the fund has met the investment thresholds described in	559
division (A) of section 122.153 of the Revised Code and has not	560
implicated any of the other recapture provisions described in	561
division (B) of that section.	562
(C) Each certified rural business growth fund shall pay	563
the agency an annual fee of twenty thousand dollars. The initial	564
annual fee required of a fund shall be due and payable to the	565
agency along with the submission of documentation required under	566
division (H) of section 122.151 of the Revised Code. Each	567
subsequent annual fee is due and payable on the last day of	568
February following the first and each ensuing anniversary of the	569
closing date. If the fund is required to submit an annual report	570
under division (A) of this section, the annual fee shall be	571
submitted along with the report. No fund shall be required to	572
pay an annual fee after the fund has decertified under section	573
122.153 of the Revised Code. Annual fees paid to the agency	574
under this section shall be credited to the tax incentives	575
operating fund created under section 122.174 of the Revised	576
Code.	577

(D) The director of development, after consultation with 578
the superintendent of insurance and in accordance with Chapter 579
119. of the Revised Code, may adopt rules necessary to implement 580
sections 122.15 to 122.156 of the Revised Code. 581

Sec. 122.155. (A) (1) For each calendar year in which a 582
rural business growth fund makes or maintains a growth 583
investment in a rural business concern in this state, the fund 584
shall determine the number of new full-time equivalent employees 585
produced at the business concern as a result of the investment. 586
New full-time equivalent employees shall be computed by 587
subtracting the number of full-time equivalent employees at the 588
rural business concern on the date of the fund's initial growth 589
investment in the rural business concern from the number of 590
full-time equivalent employees at the rural business concern on 591
the last day of the calendar year. If the computation results in 592
a number less than zero, the number of new full-time equivalent 593
employees, produced by the fund's growth investment for that 594
calendar year period shall be zero. Only employees with an 595
hourly wage rate of at least one hundred fifty per cent of the 596
federal minimum wage may be considered in computing the number 597
of new full-time equivalent employees for the purposes of this 598
section. 599

(2) A fund may determine and include, for the purposes of 600
this section and section 122.154 of the Revised Code, the number 601
of new full-time equivalent employees produced at a rural 602
business concern after the year in which the fund's growth 603
investment is repaid or redeemed. The new full-time equivalent 604
employees shall be computed in the same manner as in division 605
(A) (1) of this section based on reporting information provided 606
by the rural business concern to the fund. 607

(B) After a fund's application for decertification is 608
approved under section 122.153 of the Revised Code, the fund 609
shall determine the state reimbursement amount. The state 610
reimbursement amount for program one and program two shall equal 611
the amount by which the fund's credit-eligible capital 612
contributions exceed the product obtained by multiplying thirty 613
thousand dollars by the aggregate number of new full-time 614
equivalent employees for the fund. The state reimbursement 615
amount for program three shall equal the amount by which the 616
fund's credit-eligible capital contributions exceed the product 617
obtained by multiplying thirty thousand dollars by the aggregate 618
number of new full-time equivalent employees for the fund for 619
investments located in tier one or tier two rural areas and by 620
multiplying sixty thousand dollars by the aggregate number of 621
new full-time equivalent employees for the fund for investments 622
located in tier three or tier four rural areas. If that product 623
is greater than the fund's credit-eligible capital 624
contributions, the state reimbursement amount shall equal zero. 625
In the absence of additional information provided by the fund or 626
discovered by the agency, the number of new full-time equivalent 627
employees for the purposes of this division equals the sum of 628
all new full-time equivalent employees reported by the fund on 629
the annual reports required under section 122.154 of the Revised 630
Code. 631

(C) After the state reimbursement amount is computed under 632
division (B) of this section, the fund shall not be permitted to 633
make ~~further any~~ distributions to equity holders of the fund, 634
including investors that are equity holders of the funds ~~without~~ 635
~~first remitting~~, in excess of the fund's net earnings or cause 636
the total amount of all distributions to exceed sixty per cent 637
of the fund's eligible investment authority, until the fund 638

remits the state reimbursement amount to the agency. All amounts 639
received by the agency under this division shall be credited to 640
the general revenue fund. 641

(D) The director of development services, upon the request 642
of a fund, may waive all or a portion of the remission required 643
under division (C) of this section if the director determines, 644
based on an affidavit of the chief executive officer or 645
president of a rural business concern, that the growth 646
investments of the fund resulted in the retention of employment 647
positions that would have otherwise been eliminated at rural 648
business concerns in this state. The amount waived shall not 649
exceed the product of thirty thousand dollars multiplied by the 650
number of retained employment positions multiplied by the number 651
of years in which the fund made or maintained a growth 652
investment in the rural business concern that retained the 653
employment positions. 654
