the Revised Code be enacted to read as follows: 20

Sec. 319.65. (A) As used in this section, "municipal lien" 21
means a lien certified under sections 701.10, 729.49, 735.29, 22
and 743.04 of the Revised Code. 23

(B) Additional certification required to be submitted to 24
the county auditor for a municipal lien shall consist of the 25
parcel number of the property on which the lien is requested, 26
the name of the property owner, the name of the person who 27
contracted for the service for which the lien is sought, and 28
confirmation from the person, board, or entity that certified 29
the lien and submitted the additional certification that all of 30
the information submitted to the auditor has been verified. 31

Sec. 321.261. (A) In each county treasury there shall be 32
created the treasurer's delinquent tax and assessment collection 33
fund and the prosecuting attorney's delinquent tax and 34
assessment collection fund. Except as otherwise provided in this 35
division, two and one-half per cent of all delinquent real 36
property, personal property, and manufactured and mobile home 37
taxes and assessments collected by the county treasurer shall be 38
deposited in the treasurer's delinquent tax and assessment 39
collection fund, and two and one-half per cent of such 40
delinquent taxes and assessments shall be deposited in the 41
prosecuting attorney's delinquent tax and assessment collection 42
fund. The board of county commissioners shall appropriate to the 43
county treasurer from the treasurer's delinquent tax and 44
assessment collection fund, and shall appropriate to the 45
prosecuting attorney from the prosecuting attorney's delinquent 46
tax and assessment collection fund, money to the credit of the 47

section, the appropriation shall be used only for the following 49
purposes: 50

(1) By the county treasurer or the county prosecuting attorney in connection with the collection of delinquent real property, personal property, and manufactured and mobile home taxes and assessments, including proceedings related to foreclosure of the state's lien for such taxes against such property;

(2) With respect to any portion of the amount appropriated from the treasurer's delinquent tax and assessment collection fund for the benefit of a county land reutilization corporation organized under Chapter 1724. of the Revised Code, the county land reutilization corporation. Upon the deposit of amounts in the treasurer's delinquent tax and assessment collection fund, any amounts allocated at the direction of the treasurer to the support of the county land reutilization corporation shall be paid out of such fund to the corporation upon a warrant of the county auditor.

If the balance in the treasurer's or prosecuting attorney's delinquent tax and assessment collection fund exceeds three times the amount deposited into the fund in the preceding year, the treasurer or prosecuting attorney, on or before the twentieth day of October of the current year, may direct the county auditor to forgo the allocation of delinquent taxes and assessments to that officer's respective fund in the ensuing year, except amounts deposited to the fund under section 701.10, 729.49, 735.29, or 743.04 of the Revised Code. If the county auditor receives such direction, the auditor shall cause the portion of such taxes and assessments that otherwise would be credited to the fund under this section in that ensuing year to be allocated and distributed among taxing units' funds as otherwise provided in this chapter and other applicable law.

(B) During the period of time that a county land 81
reutilization corporation is functioning as such on behalf of a 82
county, the board of county commissioners, upon the request of 83
the county treasurer, may designate by resolution that an 84
additional amount, not exceeding five per cent of all 85
collections of delinquent real property, personal property, and 86
manufactured and mobile home taxes and assessments, excluding 87
amounts required to be deposited to the fund under section 88
701.10, 729.49, 735.29, or 743.04 of the Revised Code, shall be 89
deposited in the treasurer's delinquent tax and assessment 90
collection fund and be available for appropriation by the board 91
for the use of the corporation. Any such amounts so deposited 92
and appropriated under this division shall be paid out of the 93
treasurer's delinquent tax and assessment collection fund to the 94
corporation upon a warrant of the county auditor. 95

(C) Annually by the first day of December, the county 96
treasurer and the prosecuting attorney each shall submit a 97
report to the board of county commissioners regarding the use of 98
the moneys appropriated from their respective delinquent tax and 99
assessment collection funds. Each report shall specify the 100
amount appropriated from the fund during the current calendar 101
year, an estimate of the amount so appropriated that will be 102
expended by the end of the year, a summary of how the amount 103
appropriated has been expended in connection with delinquent tax 104
collection activities or land reutilization, and an estimate of 105
the amount that will be credited to the fund during the ensuing 106
calendar year. 107

The annual report of a county land reutilization 108

prosecuting attorney determines that the balance to the credit 114
of that officer's corresponding delinquent tax and assessment 115
collection fund exceeds the amount required to be used as 116
prescribed by division (A) of this section, the county treasurer 117
or prosecuting attorney may expend the excess to prevent 118
residential mortgage foreclosures in the county and to address 119
problems associated with other foreclosed real property. The 120
amount used for that purpose in any year may not exceed the 121
amount that would cause the fund to have a reserve of less than 122
twenty per cent of the amount expended in the preceding year for 123
the purposes of division (A) of this section. 124

Money authorized to be expended under division (D) (1) of 125
this section shall be used to provide financial assistance in 126

mortgages, including for the payment of late fees, to clear 128
arrearage balances, and to augment moneys used in the county's 129
foreclosure prevention program. The money also may be used to 130
assist county land reutilization corporations, municipal 131
corporations, or townships in the county, upon their application 132
to the county treasurer, prosecuting attorney, or the county 133
department of development, in the nuisance abatement of 134
deteriorated residential buildings in foreclosure, or vacant, 135
abandoned, tax-delinquent, or blighted real property, including 136
paying the costs of boarding up such buildings, lot maintenance, 137
and demolition. 138

(2) In a county having a population of more than one 139
hundred thousand according to the department of development's 140
2006 census estimate, if the county treasurer or prosecuting 141

attorney determines that the balance to the credit of that 142
officer's corresponding delinquent tax and assessment collection 143
fund exceeds the amount required to be used as prescribed by 144
division (A) of this section, the county treasurer or 145
prosecuting attorney may expend the excess to assist county land 146
reutilization corporations, townships, or municipal corporations 147
located in the county as provided in division (D) (2) of this 148
section, provided that the combined amount so expended each year 149
in a county shall not exceed five million dollars. Upon 150
application for the funds by a county land reutilization 151
corporation, township, or municipal corporation, the county 152
treasurer or prosecuting attorney may assist the county land 153
reutilization corporation, township, or municipal corporation in 154
abating foreclosed residential nuisances, including paying the 155
costs of securing such buildings, lot maintenance, and 156
demolition. At the prosecuting attorney's discretion, the 157
prosecuting attorney also may apply the funds to costs of 158

governing real estate and related transactions, including fraud 160
and abuse. 161
