122.0815 of the Revised Code, the director shall make a 1494  
recommendation to the controlling board asking for approval to 1495  
make the discretionary grant for the eligible project. If the 1496

requirements of section 122.0815 of the Revised Code, the 1498  
department shall notify the applicant of the deficiencies and 1499  
work with the applicant to correct the deficiencies. If the 1500

deficiencies are corrected, the director shall make a 1501  
recommendation to the controlling board asking for approval to 1502  
make the discretionary grant for the eligible project. 1503

**Sec. 122.0814.** If the controlling board approves a grant 1504  
for an eligible project pursuant to the annual competitive 1505  
process or the discretionary process, the director of housing 1506  
and development shall enter into an agreement with the eligible 1507  
applicant to provide the grant for the project. The agreement 1508  
shall be executed prior to the payment or disbursement of any 1509  
funds under the grant and shall contain the following 1510  
provisions: 1511

eligible applicant who will serve as the manager of the eligible 1513  
project; 1514

(B) A detailed description of the scope of the work 1515  
required under the eligible project, including anticipated 1516  
sources and uses of funds; 1517

(C) A designation of the percentage of the estimated total 1518  
cost of the project for which the grant will provide funding, 1519  
which shall not exceed seventy-five per cent of the cost; 1520

(D) Provisions for the recovery by the department of 1521  
housing and development of grant funds for failure to meet the 1522  
terms of the agreement; 1523

(E) A requirement that annual reports be made by the 1524  
eligible applicant on the progress of the eligible project and 1525  
any other information about the status of the project as 1526  
required by the guidelines and rules established for the job 1527  
ready site program; 1528

(F) Any other provisions the director determines 1529

necessary. 1530

**Sec. 122.0815.** (A) A project shall meet the following 1531  
requirements in order to be considered for a grant under the 1532  
annual competitive process: 1533

(1) The application for the grant is made by an eligible 1534  
applicant. 1535

(2) The project for which the application is made is an 1536  
eligible project. 1537

(3) The eligible applicant commits to all the following: 1538

(a) To use the grant to pay only allowable costs for the 1539  
eligible project; 1540

(b) Not to use the grant to fund more than seventy-five 1541  
per cent of the total cost of the eligible project; 1542

with any other criteria the director of housing and development 1549  
determines is necessary. 1550

(B) A project shall meet the requirements described in 1551  
divisions (A) (1) to (4) of this section in order to be 1552  
considered for a grant under the discretionary process. 1553

**Sec. 122.0816.** The department of housing and development 1554  
and the executive committees of district public works 1555  
integrating committees shall apply the following factors to 1556

eligible projects under the annual competitive process to 1557  
determine a priority order for the eligible projects subject to 1558  
that process: 1559

(A) The potential economic impact of the eligible project; 1560

(B) The potential impact of the eligible project on 1561  
economic distress; 1562

(C) The amount of local, federal, and private funding 1563  
available for the eligible project; 1564

(D) The demonstrated need for the eligible project; 1565

if appropriate; 1567

(F) The level of financial need; 1568

(G) Any other factor the director of housing and 1569  
development determines should be considered. 1570

**Sec. 122.0817.** In accordance with the guidelines 1571  
established to govern the discretionary process and the rules 1572  
adopted to govern the annual competitive process for the job 1573  
ready site program, the director of housing and development 1574  
shall publish an annual report that includes the following: 1575

(A) Details on each grant awarded pursuant to the program; 1576

(B) The status of projects funded in previous years; 1577

(C) The amount of grants awarded for projects in 1578  
economically distressed areas and, to the extent possible, the 1579  
impact of those grants in those areas. 1580

**Sec. 122.09.** (A) As used in this section: 1581

(1) "Development costs" means expenditures paid or 1582

incurred by the property owner in completing a certified 1583  
transformational mixed use development project, including 1584  
architectural or engineering fees paid or incurred in connection 1585  
with the project and expenses incurred before the date the 1586  
project is certified by the tax credit authority under division 1587  
(C) of this section. In the case of a certified transformational 1588  
mixed use development project that is part of a larger 1589  
contiguous project that is planned to be completed in phases, 1590  
"development costs" include only expenditures associated with 1591  
the portion of the project that is certified by the tax credit 1592  
authority and do not include expenditures incurred for other 1593  
phases of the project. 1594

(2) "Owner" means a person or persons holding a fee simple 1595  
or leasehold interest in real property, including interests in 1596  
real property acquired through a capital lease arrangement. 1597  
"Owner" does not include the state or a state agency, or any 1598  
political subdivision as defined in section 9.23 of the Revised 1599  
Code. For the purpose of this division, "fee simple interest," 1600  
"leasehold interest," and "capital lease" shall be construed in 1601  
accordance with generally accepted accounting principles. 1602

(3) "Transformational mixed use development" means a 1603  
project that consists of new construction or the redevelopment, 1604  
rehabilitation, expansion, or other improvement of vacant 1605  
buildings or structures, or a combination of the foregoing, and 1606  
that: 1607

(a) Will have a transformational economic impact on the 1608  
development site and the surrounding area; 1609

(b) Integrates some combination of retail, office, 1610  
residential, recreation, structured parking, and other similar 1611  
uses into one mixed use development; and 1612

(c) Satisfies one of the following criteria: 1613

(i) If the development site is located within ten miles of 1614  
a major city, the project includes at least one new or 1615  
previously vacant building that is fifteen or more stories in 1616  
height or has a floor area of at least three hundred fifty 1617  
thousand square feet, or after completion will be the site of 1618  
employment accounting for at least four million dollars in 1619  
annual payroll, or includes two or more buildings that are 1620  
connected to each other, are located on the same parcel or on 1621  
contiguous parcels, and that collectively have a floor area of 1622  
at least three hundred fifty thousand square feet; 1623

(ii) If the development site is not located within ten 1624  
miles of a major city, the project includes at least one new or 1625  
previously vacant building that is two or more stories in height 1626  
or has a floor area of at least seventy-five thousand square 1627  
feet or two or more new buildings that are located on the same 1628  
parcel or on contiguous parcels and that collectively have a 1629  
floor area of at least seventy-five thousand square feet. 1630

"Transformational mixed use development" may include a 1631  
portion of a larger contiguous project that is planned to be 1632  
completed in phases as long as the phases collectively meet the 1633  
criteria described in division (A) (3) of this section. 1634

(4) "Increase in tax collections" means the difference, if 1635  
positive, of the amount of state and local taxes derived from 1636  
economic activity occurring within the development site and the 1637  
surrounding area during a period of time minus the amount of 1638  
such taxes that are estimated to be derived from such economic 1639  
activity in that site and surrounding area during the same 1640  
period if the transformational mixed use project were not 1641  
completed. 1642

(5) "Completion period" means the time period beginning on 1643  
the day after a transformational mixed use development is 1644  
certified by the tax credit authority and ending on the fifth 1645  
anniversary of the day the project is completed. 1646

(6) "Insurance company" means a person subject to the tax 1647  
imposed under section 5725.18 or 5729.03 of the Revised Code. 1648

(7) "Contribute capital" means to invest, loan, or donate 1649  
cash in exchange for an equity interest in an asset, a debt 1650  
instrument, or no consideration. 1651

(8) "Major city" means a municipal corporation that has a 1652  
population greater than one hundred thousand. 1653

(9) "Tax credit authority" means the tax credit authority 1654  
created under section 122.17 of the Revised Code. 1655

(10) "Adjusted development costs" means the development 1656  
costs attributed to a complete transformational mixed use 1657  
development project minus the sum of the capital contributions 1658  
of any insurance companies that are preliminarily approved for a 1659  
tax credit in connection with the same project. 1660

(11) A "property owner's share" of the increase in tax 1661  
collections equals the product obtained by multiplying the total 1662  
increase in tax collections since the date the transformational 1663  
mixed use development project was certified by a fraction, the 1664  
numerator of which is the adjusted development costs and the 1665  
denominator of which is the actual development costs attributed 1666  
to the project. 1667

(12) An "insurance company's share" of the increase in tax 1668  
collections equals the product obtained by multiplying the total 1669  
increase in tax collections since the date the transformational 1670  
mixed use development project was certified by a fraction, the 1671

numerator of which is the insurance company's capital 1672  
contribution to the project and the denominator of which is the 1673  
actual development costs attributed to the project. 1674

(B) The owner of one or more parcels of land in this state 1675  
within which a transformational mixed use development is planned 1676  
or an insurance company that contributes capital to be used in 1677  
the planning or construction of such a development may apply to 1678  
the tax credit authority for certification of the development 1679  
and preliminary approval of a tax credit. Each application shall 1680  
be filed in the form and manner prescribed by the director of 1681  
housing and development and shall, at minimum, include a 1682  
development plan comprised of all of the following information: 1683

(1) The location of the development site and an indication 1684  
of whether it is located within ten miles of a major city; 1685

(2) A detailed description of the proposed 1686  
transformational mixed use development including site plans, 1687  
construction drawings, architectural renderings, or other means 1688  
sufficient to convey the appearance, size, purposes, capacity, 1689  
and scope of the project and, if applicable, previously 1690  
completed and future phases of the project; 1691

(3) A viable financial plan that estimates the development 1692  
costs that have been or will be incurred in the completion of 1693  
the project and that designates a source of financing or a 1694  
strategy for obtaining financing; 1695

(4) An estimated schedule for the progression and 1696  
completion of the project including, if applicable, previously 1697  
completed and future phases of the project; 1698

(5) An assessment of the projected economic impact of the 1699  
project on the development site and the surrounding area; 1700

(6) Evidence that the increase in tax collections during 1701  
the completion period will exceed ten per cent of the estimated 1702  
development costs reported under division (B) (3) of this 1703  
section; 1704

(7) If the applicant is an insurance company that is not 1705  
the property owner, the amount of the insurance company's 1706  
capital contribution to the development and the date on which it 1707  
was or will be made; 1708

(8) Evidence that the project will not be completed unless 1709  
the applicant receives the credit. 1710

(C) (1) In determining whether to certify a project that is 1711  
the subject of an application submitted under division (B) of 1712  
this section, the tax credit authority shall consider the 1713  
potential impact of the transformational mixed use development 1714  
on the development site and the surrounding area in terms of 1715  
architecture, accessibility to pedestrians, retail entertainment 1716  
and dining sales, job creation, property values, connectivity, 1717  
and revenue from sales, income, lodging, and property taxes. The 1718  
tax credit authority shall not certify a project unless it 1719  
satisfies the following conditions: 1720

(a) The project qualifies as a transformational mixed use 1721  
development and satisfies all other criteria prescribed by this 1722  
section or by rule of the director of housing and development; 1723

(b) The estimated increase in tax collections during the 1724  
completion period exceeds ten per cent of the estimated 1725  
development costs for the project reported under division (B) (3) 1726  
of this section; 1727

(c) The project will not be completed unless the applicant 1728  
receives the credit; 1729

(d) If the development site is located within ten miles of 1730  
a major city, the estimated development costs to complete the 1731  
project plus, if applicable, the estimated expenditures that 1732  
have been or will be incurred to complete all other contiguous 1733  
phases of the project, exceed fifty million dollars. 1734

In making its determination of whether or not to approve 1735  
an application, the tax credit authority may conduct an 1736  
interview of the applicant. 1737

(2) If the tax credit authority approves an application, 1738  
the authority shall issue a statement certifying the associated 1739  
transformational mixed use development project and preliminarily 1740  
approving a tax credit. The statement shall stipulate that 1741  
receipt of a tax credit certificate is contingent upon 1742  
completion of the transformational mixed use development as 1743  
described in the development plan. The statement shall specify 1744  
the estimated amount of the tax credit, but state that the 1745  
amount of the credit is dependent upon determination of the 1746  
actual development costs attributed to the project and, unless 1747  
the tax credit authority grants a request by the property owner 1748  
under division (F) of this section, of the increase in tax 1749  
collections during the completion period. 1750

(3) Except as otherwise provided in this division, if the 1751  
applicant is an insurance company that is not the property 1752  
owner, the estimated amount of the tax credit shall equal ten 1753  
per cent of the insurance company's capital contribution to the 1754  
project as reported in the development plan pursuant to division 1755  
(B) (7) of this section. Except as otherwise provided in this 1756  
division, if the applicant is the property owner, the estimated 1757  
amount of the tax credit shall equal ten per cent of the 1758  
estimated development costs for the project as reported in the 1759

development plan pursuant to division (B) (3) of this section 1760  
minus any estimated credit amounts that have been preliminarily 1761  
approved for insurance companies contributing capital to the 1762  
project. The estimated credit amounts may be reduced by the tax 1763  
credit authority as a condition of certifying the project if 1764  
such a reduction is necessary to comply with the limitations on 1765  
the amount of credits that may be preliminarily approved as 1766  
prescribed by division (C) (5) of this section. The estimated 1767  
credit amounts shall not be adjusted after the statement 1768  
described in division (C) (2) of this section has been issued. 1769

(4) If the tax credit authority denies an application, the 1770  
authority shall notify the applicant of the reason or reasons 1771  
for such determination. The authority's determination is final, 1772  
but an applicant may revise and resubmit a previously denied 1773  
application. 1774

(5) (a) The tax credit authority shall not certify any 1775  
transformational mixed use development projects after June 30, 1776  
2025. 1777

(b) The tax credit authority may not preliminarily approve 1778  
more than one hundred million dollars of estimated tax credits 1779  
in each of fiscal years 2022, 2023, 2024, and 2025. 1780

(c) Not more than eighty million dollars of estimated tax 1781  
credits in each such fiscal year may be preliminarily approved 1782  
in connection with projects that are located within ten miles of 1783  
a major city. 1784

(d) Not more than forty million dollars of estimated tax 1785  
credits may be preliminarily approved in connection with the 1786  
same transformational mixed use development project. 1787

(6) If the dollar amount of tax credits applied for under 1788

division (B) of this section in connection with projects that 1789  
are located within ten miles of a major city exceeds eighty 1790  
million dollars for a fiscal year, the tax credit authority 1791  
shall rank those applications and certify the associated 1792  
projects in order, starting with the project that presents the 1793  
best combination of economic value and transformational impact. 1794  
If the dollar amount of tax credits applied for in connection 1795  
with projects not located within ten miles of a major city 1796  
exceeds twenty million dollars for a fiscal year, the tax credit 1797  
authority shall rank those applications and certify the 1798  
associated projects in order, starting with the project that 1799  
presents the best combination of economic value and 1800  
transformational impact. In either case, the authority shall 1801  
consider the following factors in ranking the applications: 1802

(a) The projected increase in tax collections during the 1803  
completion period as a percentage of the total amount of 1804  
estimated tax credits that would be preliminarily approved in 1805  
connection with the project; 1806

(b) The economic impact of the project on the development 1807  
site and the surrounding area and the impact of the project in 1808  
terms of architecture, accessibility to pedestrians, retail 1809  
entertainment and dining sales, job creation, property values, 1810  
and connectivity; 1811

(c) The expeditiousness of the schedule for completing the 1812  
project, realizing the increase in tax collections, and 1813  
attaining the economic and other impacts on the development site 1814  
and the surrounding area. 1815

(D) Within twelve months of the date a project is 1816  
certified, the property owner shall provide the tax credit 1817  
authority with an updated schedule for the progression and 1818

completion of the project and documentation sufficient to 1819  
demonstrate that construction of the project has begun. If the 1820  
property owner does not provide the schedule and documentation 1821  
or if construction of the project has not begun within the time 1822  
prescribed by this division, the tax credit authority shall 1823  
rescind certification of the project and send notice of the 1824  
rescission to the property owner and each insurance company that 1825  
is preliminarily approved for a tax credit in connection with 1826  
the project. A property owner that receives notice of rescission 1827  
may submit a new application concerning the same project under 1828  
division (B) of this section. 1829

(E) An applicant that is the property owner and is 1830  
preliminarily approved for a tax credit under this section may 1831  
sell or transfer the rights to that credit to one or more 1832  
persons for the purpose of raising capital for the certified 1833  
project. The applicant shall notify the tax credit authority 1834  
upon selling or transferring the rights to the credit. The 1835  
notice shall identify the person or persons to which the credit 1836  
was sold or transferred and the credit amount sold or 1837  
transferred to each such person. Only an applicant that owns the 1838  
property may sell or transfer a credit under this division. A 1839  
credit may be divided among multiple purchasers through more 1840  
than one transaction but once a particular credit amount is 1841  
acquired by a person other than the applicant it may not be sold 1842  
or transferred again. 1843

(F) After a transformational mixed use development project 1844  
is certified and before it is completed, the property owner may 1845  
request that the value of the tax credit certificates awarded in 1846  
connection with the project be computed using the alternative 1847  
method described in division (I) of this section. The tax credit 1848  
authority shall grant the request if the authority determines, 1849

and a third party engaged by the authority at the expense of the 1850  
property owner affirms, that it is reasonably certain that the 1851  
increase in tax collections will exceed ten per cent of the 1852  
estimated development costs within one year after the project is 1853  
completed. Otherwise, the authority shall deny the request and 1854  
the amount of each credit awarded in connection with the project 1855  
shall be computed under division (H) of this section. The 1856  
authority's determination under this division shall be delivered 1857  
in writing and is final and not appealable. 1858

(G) (1) The property owner shall notify the tax credit 1859  
authority upon completion of a certified transformational mixed 1860  
use development project. The notification shall include a report 1861  
prepared by a third-party certified public accountant that 1862  
contains a detailed accounting of the actual development costs 1863  
attributed to the project. 1864

(2) Upon receiving such a notice, unless the tax credit 1865  
authority has previously granted a request by the property owner 1866  
under division (F) of this section, the authority shall 1867  
determine the increase in tax collections since the date the 1868  
project was certified by consulting with the tax commissioner 1869  
and with the tax administrator of any municipal corporation that 1870  
levies an income tax within the project site and the surrounding 1871  
area. The tax commissioner and the tax administrators that are 1872  
consulted pursuant to this division shall provide the tax credit 1873  
authority with any information that is necessary to determine 1874  
the increase in tax collections. 1875

(3) After determining the increase in tax collections 1876  
under division (G) (2) of this section, if required, and 1877  
computing the value of the tax credit under division (H) or (I) 1878  
of this section, as applicable, the tax credit authority shall 1879

issue a tax credit certificate to each applicant that is 1880  
preliminarily approved for a credit associated with the project 1881  
or to the person or persons to which such an applicant sold or 1882  
transferred the rights to the credit under division (E) of this 1883  
section. If the amount of the tax credit awarded to the property 1884  
owner is less than the credit amount estimated under division 1885  
(C) of this section and the property owner sold or transferred 1886  
the rights to the credit, the tax credit authority shall reduce 1887  
the amount of each tax credit certificate issued to each 1888  
purchaser or recipient on a pro rata basis unless the property 1889  
owner requests an alternative allocation of the credit. 1890

(H) (1) Unless the tax credit authority granted a request 1891  
by the property owner under division (F) of this section, the 1892  
aggregate value of the tax credit certificates issued under 1893  
division (G) of this section to the property owner and to any 1894  
persons to whom the property owner sold or transferred the 1895  
rights to the credit shall equal the lesser of the following: 1896

(a) Ten per cent of the adjusted development costs; 1897

(b) Five per cent of the adjusted development costs plus 1898  
any amount by which the property owner's share of the increase 1899  
in tax collections since the date the project was certified 1900  
exceeds five per cent of the adjusted development costs; 1901

(c) The estimated credit amount specified in the tax 1902  
credit authority's statement certifying the project and 1903  
preliminarily approving the tax credit under division (C) of 1904  
this section. 1905

(2) The value of a tax credit certificate issued under 1906  
division (G) of this section to an insurance company that 1907  
contributed capital to the project shall equal the lesser of the 1908

following:	1909
(a) Ten per cent of the insurance company's actual capital contribution;	1910 1911
(b) Five per cent of such capital contribution plus any amount by which the insurance company's share of the increase in tax collections since the date the project was certified exceeds five per cent of the insurance company's capital contribution;	1912 1913 1914 1915
(c) The estimated credit amount specified in the tax credit authority's statement certifying the project and preliminarily approving the tax credit under division (C) of this section.	1916 1917 1918 1919
(I) If the tax credit authority granted a request by the property owner under division (F) of this section, the value of the tax credit certificates issued in connection with the transformational mixed use development project shall be computed as follows:	1920 1921 1922 1923 1924
(1) For the property owner or any person to which the property owner sold or transferred the rights to the credit, ten per cent of the actual development costs attributed to the project. If the amount of the credit is less than the credit amount estimated under division (C) of this section and the property owner sold or transferred the rights to the credit to more than one person, the authority shall reduce the amount of each tax credit certificate on a pro rata basis unless the property owner requests an alternative allocation of the credit.	1925 1926 1927 1928 1929 1930 1931 1932 1933
(2) For an insurance company that contributed capital to the project, ten per cent of the insurance company's actual capital contribution.	1934 1935 1936
(J) If the value of a tax credit certificate was computed	1937

described by division (G) of this section. If the tax credit 1946  
authority determines that the value of the tax credit 1947  
certificates computed under division (H) of this section would 1948  
be greater if computed based on the updated increase in tax 1949  
collections, the authority shall issue an additional tax credit 1950  
certificate to each person that previously received a 1951

each additional tax credit certificate shall equal the amount by 1953  
which the tax credit certificate computed under division (H) of 1954  
this section upon completion of the project would have been 1955  
greater had the value of such certificate been computed based on 1956  
the updated increase in tax collections, less the value of any 1957  
additional tax credit certificates previously issued under this 1958

actual development costs of that project or (2) the sum of all 1963  
estimated credit amounts preliminarily approved by the tax 1964  
credit authority in connection with the project. 1965

(L) Issuance of a tax credit certificate under this 1966  
section does not represent a verification or certification by 1967  
the tax credit authority of the actual development costs of the 1968

project or the capital contributions to the project by an 1969  
insurance company. Such amounts are subject to inspection and 1970  
examination by the superintendent of insurance. 1971

(M) Upon the issuance of a tax credit certificate under 1972  
division (G) or (J) of this section, the tax credit authority 1973  
shall certify to the superintendent of insurance (1) the name of 1974  
each person that was issued a tax credit certificate, (2) 1975  
whether the person is the property owner, an insurance company 1976  
that contributed capital to the development, or a person that 1977  
acquired the rights to the tax credit certificate from the 1978  
property owner, (3) the credit amount shown on each tax credit 1979  
certificate, and (4) any other information required by the rules 1980  
adopted under this section. A person that holds the rights to a 1981  
tax credit certificate issued under this section and that is an 1982  
insurance company may claim a tax credit under section 5725.35 1983  
or 5729.18 of the Revised Code. 1984

The tax credit authority shall update the published information 1989

are fully claimed. The published information shall include all 1991

by division (B) (1) of this section assuming the previously 2463  
denied application were completed, clarified, or cured under 2464

(3) The applicant does not satisfy all the criteria 2474  
described in division (A) (2) of this section. 2475

(4) The revenue impact assessment submitted under division 2476  
(A) (5) of this section does not demonstrate that the applicant's 2477  
business plan will result in a positive economic impact on this 2478  
state over a ten-year period that exceeds the cumulative amount 2479  
of tax credits that would be issued under section 122.152 of the 2480

(5) The credit-eligible capital contributions described in 2482

determination to the applicant. The notice shall include the 2491  
reason or reasons that the application was denied. If the 2492  
application was denied for any reason other than the reason 2493

specified in division (C) (6) of this section, the applicant may 2494  
provide additional information to the agency to complete, 2495  
clarify, or cure defects in the application. The additional 2496  
information must be submitted within fifteen days after the date 2497  
the notice of denial was dispatched by the agency. If the person 2498  
submits additional information within fifteen days, the agency 2499  
shall reconsider the application within thirty days after 2500  
receiving the additional information. The application shall be 2501  
reviewed and considered before any pending application submitted 2502  
after the original submission date of the reconsidered 2503  
application. If the person does not submit additional 2504  
information within fifteen days after dispatch of the notice of 2505  
denial, the person may submit a new application with a new 2506  
submission date at any time. 2507

(E) If approving multiple simultaneously submitted 2508  
applications would result in exceeding the overall eligible 2509  
investment limit prescribed by division (B) of this section, the 2510  
agency shall proportionally reduce the eligible investment 2511  
authority and the credit-eligible capital contributions for each 2512  
approved application as necessary to avoid exceeding the limit. 2513

(F) The agency shall not deny a rural business growth fund 2514  
application or reduce the requested eligible investment 2515  
authority for reasons other than those described in divisions 2516  
(C) and (E) of this section. If the agency approves such an 2517  
application, the agency shall issue a written notice to the 2518  
applicant certifying that the applicant qualifies as a rural 2519  
business growth fund and specifying the amount of the 2520  
applicant's eligible investment authority. 2521

(G) A fund shall do all of the following within sixty days 2522  
after receiving the certification issued under division (F) of 2523

this section: 2524

(1) Collect the credit-eligible capital contributions from 2525  
each investor whose affidavit was included in the application. 2526  
If the rural business growth fund's requested eligible 2527  
investment authority is proportionally reduced under division 2528  
(E) of this section, the investor's required credit-eligible 2529  
capital contribution shall be reduced by the same proportion. 2530

(2) Collect one or more investments of cash that, when 2531  
added to the contributions collected under division (G) (1) of 2532  
this section, equal the fund's eligible investment authority. At 2533  
least ten per cent of the fund's eligible investment authority 2534  
shall be comprised of equity investments contributed directly or 2535  
indirectly by affiliates of the fund, including employees, 2536  
officers, and directors of such affiliates. 2537

(H) Within sixty-five days after receiving the 2538  
certification issued under division (F) (1) of this section, the 2539  
fund shall send to the agency documentation sufficient to prove 2540  
that the amounts described in divisions (G) (1) and (2) of this 2541  
section have been collected. The fund shall identify any 2542  
affiliate of an investor described in division (G) (1) of this 2543  
section that will seek to claim the credit allowed by section 2544  
122.152 of the Revised Code. If the fund fails to fully comply 2545  
with division (G) of this section, the fund's certification 2546  
shall lapse. 2547

Eligible investment authority and corresponding credit- 2548  
eligible capital contributions that lapse under this division do 2549  
not count toward limits on total eligible investment authority 2550  
and credit-eligible capital contributions prescribed by division 2551  
(B) of this section. Once eligible investment authority has 2552  
lapsed, the agency shall first award lapsed authority pro rata 2553

to each fund that was awarded less than the requested eligible 2554  
investment authority because of the operation of division (E) of 2555  
this section. Any remaining eligible investment authority may be 2556  
awarded by the agency to new applicants. 2557

(I) After receiving documentation sufficient to prove that 2558  
the amounts described in divisions (G) (1) and (2) of this 2559  
section have been collected, the agency shall issue the 2560  
following notices: 2561

(1) To each investor or affiliate identified in division 2562  
(H) of this section, a notice of the amount and utilization 2563  
schedule of the tax credits allocated to that investor or 2564  
affiliate as a result of its credit-eligible capital 2565  
contribution; 2566

(2) To the superintendent of insurance, a notice of the 2567  
amount and utilization schedule of the tax credits allocated to 2568  
each investor described in division (G) (1) of this section and 2569  
any affiliate of such investor who will seek to claim the credit 2570  
allowed by section 122.152 of the Revised Code. 2571

(J) Application fees submitted to the agency pursuant to 2572  
division (A) (7) of this section shall be credited to the tax 2573  
incentives operating fund created under section 122.174 of the 2574  
Revised Code, and shall be used by the agency to administer 2575

this section. The taxpayer or its identified affiliate may claim 2592  
the credit amount for the taxable year that includes the date 2593  
specified on the certificate. The taxpayer making a credit- 2594  
eligible capital contribution and the issuance of a tax credit 2595  
certificate by the ~~agency-~~department does not represent a 2596  
verification or certification by the ~~agency-~~department of 2597  
compliance with the recapture provisions of section 122.153 of 2598  
the Revised Code. The tax credit issued under this division is 2599  
subject to recapture under section 122.153 of the Revised Code. 2600

(C) The credit shall be claimed in the order required 2601  
under section 5725.98 or 5729.98 of the Revised Code as 2602  
applicable. If the amount of the credit for a taxable year 2603

carried forward for not more than four ensuing taxable years. A 2605  
taxpayer claiming a credit under this section shall submit a 2606  
copy of the tax credit certificate with the taxpayer's annual 2607

**Sec. 122.153.** (A) The department of housing and 2609  
development shall not be required to issue a tax credit 2610  
certificate under section 122.152 of the Revised Code if either 2611

program one rural business growth fund that fails to:	2614
(a) Invest fifty per cent of its eligible investment	2615

satisfaction of the requirements prescribed by division (A) (2)	2641

(c) of this section. 2642

(B) The agency shall recapture tax credits claimed under 2643  
section 122.152 of the Revised Code if any of the following 2644  
occur with respect to the rural business growth fund: 2645

eligible investment authority in growth investments in this 2647  
state, fails to maintain that investment until the sixth 2648  
anniversary of the closing date. For the purposes of this 2649  
division, an investment is maintained even if the investment is 2650  
sold or repaid so long as the fund reinvests an amount equal to 2651  
the capital returned or recovered by the fund from the original 2652  
investment, exclusive of any profits realized, in other growth 2653  
investments in this state within one year of the receipt of such 2654  
capital. 2655

(2) The fund makes a distribution or payment after the 2656

an investor in the fund. Division ~~(A) (3)~~ (B) (3) of this section 2666  
does not apply to investments in publicly traded securities by a 2667  
rural business concern or an owner or affiliate of a rural 2668  
business concern. 2669

Before recapturing one or more tax credits under this 2670

division, the agency shall notify the fund of the reasons for 2671  
the pending recapture. If the fund corrects the violations 2672  
outlined in the notice to the satisfaction of the agency within 2673  
thirty days of the date the notice was dispatched, the agency 2674  
shall not recapture the tax credits. 2675

(C) (1) The amount by which one or more growth investments 2676  
by a program one rural business growth fund in the same rural 2677  
business concern exceeds twenty per cent of the fund's eligible 2678  
investment authority shall not be counted as a growth investment 2679  
for the purposes of this section. The amount by which one or 2680  
more growth investments by a program two rural business growth 2681  
fund in the same business concern exceeds five million dollars 2682

this section. A growth investment returned or repaid by a rural 2684  
business concern to a program one or program two rural business 2685  
growth fund and then reinvested by the fund in the same rural 2686  
business concern does not count as an investment in the same 2687  
rural business concern for the purposes of the limitations 2688  
prescribed by division (C) (1) of this section. 2689

(2) The aggregate amount of growth investments by all 2690  
rural business growth funds in the same rural business concern, 2691  
including amounts reinvested in a rural business concern 2692  
following a returned or repayment of a growth investment, shall 2693  
not exceed fifteen million dollars. 2694

(3) A growth investment in an affiliate of a rural 2695  
business concern shall be treated as a growth investment in that 2696  
rural business concern for the purposes of division (C) of this 2697  
section. 2698

(D) If the agency recaptures a tax credit under this 2699  
section, the agency shall notify the superintendent of insurance 2700

of the recapture. The superintendent shall make an assessment 2701  
under Chapter 5725. or 5729. of the Revised Code for the amount 2702  
of the credit claimed by each certificate owner associated with 2703  
the fund before the recapture was finalized. The time 2704  
limitations on assessments under those chapters do not apply to 2705  
an assessment under this division, but the superintendent shall 2706  
make the assessment within one year after the date the agency 2707  
notifies the superintendent of the recapture. Following the 2708  
recapture of a tax credit under this section, no tax credit 2709  
certificate associated with the fund may be utilized. 2710  
Notwithstanding division (B) of section 122.152 of the Revised 2711  
Code, if a tax credit is recaptured under this section the 2712  
agency shall not issue future tax credit certificates to 2713  
taxpayers that made credit-eligible capital contributions to the 2714  
fund. 2715

(E) (1) On or after the sixth anniversary of the closing 2716  
date, a fund that has not committed any of the acts described in 2717

decertify as a rural business growth fund. The agency shall 2719  
respond to the application within sixty days after receiving the 2720  
application. In evaluating the application, the fact that no tax 2721  
credit has been recaptured with respect to the fund shall be 2722  
sufficient evidence to prove that the fund is eligible for 2723  
decertification. The agency shall not unreasonably deny an 2724  
application submitted under this division. 2725

(2) The agency shall send notice of its determination with 2726  
respect to an application submitted under division (E) (1) of 2727  
this section to the fund. If the application is denied, the 2728  
notice shall include the reason or reasons for the 2729  
determination. 2730

(3) The agency shall not recapture a tax credit due to any actions of a fund that occur after the date the fund's application for decertification is approved. Division (E) (3) of this section does not prohibit the agency from recapturing a tax credit due to the actions of a fund that occur before the date the fund's application for decertification is approved, even if those actions are discovered after that date.

**Sec. 122.154.** (A) Each rural business growth fund shall submit a report to the department of housing and development on or before the first day of each March following the end of the calendar year that includes the closing date until the calendar year after the fund has decertified. (3) The number of employment positions that existed at each business described in division (A) (2) of this section on the date the business received the growth investment;

(4) The number of new full-time equivalent employees 2761  
resulting from each of the fund's growth investments made or 2762  
maintained in the preceding calendar year; 2763

(5) Any other information required by the agency. 2764

(B) Each fund shall submit a report to the agency on or 2765  
before the fifth business day after the first, second, and for 2766  
program two funds, third anniversaries of the closing date that 2767  
provides documentation sufficient to prove that the fund has met 2768  
the investment thresholds described in division (A) of section 2769  
122.153 of the Revised Code and has not implicated any of the 2770  
other recapture provisions described in division (B) of that 2771  
section. 2772

the agency an annual fee of twenty thousand dollars. The initial 2774  
annual fee required of a fund shall be due and payable to the 2775  
agency along with the submission of documentation required under 2776  
division (H) of section 122.151 of the Revised Code. Each 2777  
subsequent annual fee is due and payable on the last day of 2778  
February following the first and each ensuing anniversary of the 2779  
closing date. If the fund is required to submit an annual report 2780  
under division (A) of this section, the annual fee shall be 2781  
submitted along with the report. No fund shall be required to 2782  
pay an annual fee after the fund has decertified under section 2783  
122.153 of the Revised Code. Annual fees paid to the agency 2784

2792

**Sec. 122.155.** (A) (1) For each calendar year in which a rural business growth fund makes or maintains a growth investment in a rural business concern in this state, the fund shall determine the number of new full-time equivalent employees produced at the business concern as a result of the investment. New full-time equivalent employees shall be computed by subtracting the number of full-time equivalent employees at the rural business concern on the date of the fund's initial growth investment in the rural business concern from the number of full-time equivalent employees at the rural business concern on the last day of the calendar year. If the computation results in a number less than zero, the number of new full-time equivalent employees, produced by the fund's growth investment for that calendar year period shall be zero. Only employees with an hourly wage rate of at least one hundred fifty per cent of the federal minimum wage may be considered in computing the number of new full-time equivalent employees for the purposes of this section. 2793

2796  
2797  
2798

2800  
2801  
2802  
2803  
2804  
2805  
2806  
2807  
2808  
2809  
2810

(2) A fund may determine and include, for the purposes of this section and section 122.154 of the Revised Code, the number of new full-time equivalent employees produced at a rural business concern after the year in which the fund's growth investment is repaid or redeemed. The new full-time equivalent employees shall be computed in the same manner as in division (A) (1) of this section based on reporting information provided by the rural business concern to the fund. 2811  
2812  
2813  
2814  
2815  
2816  
2817  
2818

(B) After a fund's application for decertification is approved under section 122.153 of the Revised Code, the fund 2819  
2820

shall determine the state reimbursement amount. The state 2821  
reimbursement amount shall equal the amount by which the fund's 2822  
credit-eligible capital contributions exceed the product 2823  
obtained by multiplying thirty thousand dollars by the aggregate 2824  
number of new full-time equivalent employees for the fund. If 2825  
that product is greater than the fund's credit-eligible capital 2826  
contributions, the state reimbursement amount shall equal zero. 2827  
In the absence of additional information provided by the fund or 2828  
discovered by the agency, the number of new full-time equivalent 2829  
employees for the purposes of this division equals the sum of 2830  
all new full-time equivalent employees reported by the fund on 2831  
the annual reports required under section 122.154 of the Revised 2832

including investors that are equity holders of the funds without 2837  
first remitting the state reimbursement amount to the agency. 2838  
All amounts received by the agency under this division shall be 2839  
credited to the general revenue fund. 2840

(D) The director of housing and development~~services~~, upon 2841  
the request of a fund, may waive all or a portion of the 2842  
remission required under division (C) of this section if the 2843  
director determines, based on an affidavit of the chief 2844  
executive officer or president of a rural business concern, that 2845  
the growth investments of the fund resulted in the retention of 2846  
employment positions that would have otherwise been eliminated 2847  
at rural business concerns in this state. The amount waived 2848  
shall not exceed the product of thirty thousand dollars 2849  
multiplied by the number of retained employment positions 2850  
multiplied by the number of years in which the fund made or 2851

maintained a growth investment in the rural business concern 2852  
that retained the employment positions. 2853

**Sec. 122.156.** A rural business growth fund, before 2854

prescribed by section 122.15 of the Revised Code. The request 2858  
shall be submitted in a form prescribed by rule of the agency. 2859  
The agency shall issue a written opinion to the fund within 2860  
thirty business days of receiving such a request. 2861  
Notwithstanding division (J) of section 122.15 of the Revised 2862

rural business concern or if the agency fails to timely issue 2864  
the written opinion as required under this section, the business 2865  
shall be considered a rural business concern for the purposes of 2866

evaluation date applicable to the megaproject operator.	3210
(b) The megaproject operator of the project agrees, in an	3211
agreement with the tax credit authority under division (D) of	3212
this section, that, on and after the metric evaluation date	3213
applicable to the megaproject operator and until the end of the	3214
last year for which the megaproject qualifies for the credit	3215
authorized under this section, the megaproject operator will	3216
compensate the project's employees at an average hourly wage of	3217
at least three hundred per cent of the federal minimum wage	3218
under 29 U.S.C. 206, exclusive of employee benefits, as	3219
determined at the time the tax credit authority approves the	3220
project for a credit under this section.	3221
(c) The megaproject operator agrees, in an agreement with	3222
the tax credit authority under division (D) of this section, to	3223
satisfy either of the following by the metric evaluation date	3224
applicable to the project:	3225
(i) The megaproject operator makes at least one billion	3226

dollars, as adjusted under division (V) (1) of this section, in 3227  
fixed-asset investments in the project. 3228

(ii) The megaproject operator creates at least seventy- 3229  
five million dollars, as adjusted under division (V) (1) of this 3230  
section, in Ohio employee payroll at the project. 3231

(d) The megaproject operator agrees, in an agreement with 3232  
the tax credit authority under division (D) of this section, 3233  
that if the project satisfies division (A) (11) (c) (ii) of this 3234  
section, then, on and after the metric evaluation date and until 3235  
the end of the last year for which the megaproject qualifies for 3236  
the credit authorized under this section, the megaproject 3237  
operator will maintain at least the amount in Ohio employee 3238  
payroll at the project required under that division for each 3239  
year in that period. 3240

(12) "Megaproject operator" means a taxpayer that, 3241  
separately or collectively with other taxpayers, undertakes and 3242  
operates a megaproject. Such a taxpayer becomes a megaproject 3243  
operator effective the first day of the calendar year in which 3244  
the taxpayer and the tax credit authority enter into an 3245  
agreement under division (D) of this section with respect to the 3246  
megaproject. More than one taxpayer may be designated by the tax 3247  
credit authority as a megaproject operator for the same 3248  
megaproject. 3249

(13) "Megaproject supplier" means a supplier in this state 3250  
that meets either or both of the following requirements: 3251

(a) The supplier sells tangible personal property directly 3252  
to a megaproject operator of a megaproject that satisfies the 3253  
criteria described in division (A) (11) (a) (ii) of this section 3254  
for use at a megaproject site, provided that such property was 3255

subject to substantial manufacturing, assembly, or processing in 3256  
this state at a facility owned or operated by the supplier; 3257

(b) The supplier sells tangible personal property directly 3258  
to a megaproject operator for use at a megaproject site, 3259  
provided that the supplier agrees, in an agreement with the tax 3260  
credit authority under division (D) of this section, to meet all 3261  
of the following requirements: 3262

(i) By the metric evaluation date applicable to the 3263  
supplier, makes at least one hundred million dollars, as 3264  
adjusted under division (V) (2) of this section, in fixed-asset 3265  
investments in this state; 3266

(ii) By the metric evaluation date applicable to the 3267  
supplier, creates at least ten million dollars, as adjusted 3268  
under division (V) (2) of this section, in Ohio employee payroll; 3269

(iii) On and after the metric evaluation date applicable 3270  
to the supplier, until the end of the last year for which the 3271  
supplier qualifies for the credit authorized under this section, 3272  
maintains at least the amount in Ohio employee payroll required 3273  
under division (A) (13) (b) (ii) of this section for each year in 3274  
that period. 3275

(B) The tax credit authority may make grants under this 3276  
section to foster job creation in this state. Such a grant shall 3277  
take the form of a refundable credit allowed against the tax 3278  
imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 3279  
or 5747.02 or levied under Chapter 5751. of the Revised Code. 3280  
The credit shall be claimed for the taxable years or tax periods 3281  
specified in the taxpayer's agreement with the tax credit 3282  
authority under division (D) of this section. With respect to 3283  
taxes imposed under section 5726.02, 5733.06, or 5747.02 or 3284

Chapter 5751. of the Revised Code, the credit shall be claimed 3285  
in the order required under section 5726.98, 5733.98, 5747.98, 3286  
or 5751.98 of the Revised Code. The amount of the credit 3287  
available for a taxable year or for a calendar year that 3288  
includes a tax period equals the excess payroll for that year 3289  
multiplied by the percentage specified in the agreement with the 3290  
tax credit authority. 3291

(C) (1) A taxpayer or potential taxpayer who proposes a 3292  
project to create new jobs in this state may apply to the tax 3293  
credit authority to enter into an agreement for a tax credit 3294  
under this section. 3295

An application shall not propose to include both home- 3296  
based employees and employees who are not home-based employees 3297  
in the computation of Ohio employee payroll for the purposes of 3298  
the same tax credit agreement, except that a qualifying work- 3299  
from-home employee shall not be considered to be a home-based 3300  
employee unless so designated by the applicant. If a taxpayer or 3301  
potential taxpayer employs both home-based employees and 3302  
employees who are not home-based employees in a project, the 3303  
taxpayer shall submit separate applications for separate tax 3304  
credit agreements for the project, one of which shall include 3305  
home-based employees in the computation of Ohio employee payroll 3306  
and one of which shall include all other employees in the 3307  
computation of Ohio employee payroll. 3308

The director of housing and development shall prescribe 3309  
the form of the application. After receipt of an application, 3310  
the authority may enter into an agreement with the taxpayer for 3311  
a credit under this section if it determines all of the 3312  
following: 3313

(a) The taxpayer's project will increase payroll; 3314

(b) The taxpayer's project is economically sound and will 3315  
benefit the people of this state by increasing opportunities for 3316  
employment and strengthening the economy of this state; 3317

(c) Receiving the tax credit is a major factor in the 3318  
taxpayer's decision to go forward with the project. 3319

(2) (a) A taxpayer that chooses to begin the project prior 3320  
to receiving the determination of the authority may, upon 3321  
submitting the taxpayer's application to the authority, request 3322  
that the chief investment officer of the nonprofit corporation 3323  
formed under section 187.01 of the Revised Code and the director 3324  
review the taxpayer's application and recommend to the authority 3325  
that the taxpayer's application be considered. As soon as 3326  
possible after receiving such a request, the chief investment 3327  
officer and the director shall review the taxpayer's application 3328  
and, if they determine that the application warrants 3329  
consideration by the authority, make that recommendation to the 3330  
authority not later than six months after the application is 3331  
received by the authority. 3332

(b) The authority shall consider any taxpayer's 3333  
application for which it receives a recommendation under 3334  
division (C) (2) (a) of this section. If the authority determines 3335  
that the taxpayer does not meet all of the criteria set forth in 3336  
division (C) (1) of this section, the authority and the 3337  
department of housing and development shall proceed in 3338  
accordance with rules adopted by the director pursuant to 3339  
division (I) of this section. 3340

(D) An agreement under this section shall include all of 3341  
the following: 3342

(1) A detailed description of the project that is the 3343

subject of the agreement; 3344

(2) (a) The term of the tax credit, which, except as 3345  
provided in division (D) (2) (b) or (C) of this section, shall not 3346  
exceed fifteen years, and the first taxable year, or first 3347  
calendar year that includes a tax period, for which the credit 3348  
may be claimed; 3349

(b) If the tax credit is computed on the basis of home- 3350  
based employees, the term of the credit shall expire on or 3351  
before the last day of the taxable or calendar year ending 3352  
before the beginning of the seventh year after September 6, 3353  
2012, the effective date of H.B. 327 of the 129th general 3354  
assembly. 3355

(c) If the taxpayer is a megaproject operator or a 3356  
megaproject supplier that meets the requirements described in 3357  
division (A) (13) (b) of this section, the term of the tax credit 3358  
shall not exceed thirty years. 3359

(3) A requirement that the taxpayer shall maintain 3360  
operations at the project location for at least the greater of 3361  
seven years or the term of the credit plus three years; 3362

(4) The percentage, as determined by the tax credit 3363  
authority, of excess payroll that will be allowed as the amount 3364  
of the credit for each taxable year or for each calendar year 3365  
that includes a tax period; 3366

(5) The pay increase factor to be applied to the 3367  
taxpayer's baseline payroll; 3368

(6) A requirement that the taxpayer annually shall report 3369  
to the director of housing and development full-time equivalent 3370  
employees, payroll, Ohio employee payroll, investment, the 3371  
provision of health care benefits and tuition reimbursement if 3372

required in the agreement, and other information the director 3373  
needs to perform the director's duties under this section; 3374

(7) A requirement that the director of housing and 3375  
development annually review the information reported under 3376  
division (D)(6) of this section and verify compliance with the 3377  
agreement; if the taxpayer is in compliance, a requirement that 3378  
the director issue a certificate to the taxpayer stating that 3379  
the information has been verified and identifying the amount of 3380  
the credit that may be claimed for the taxable or calendar year. 3381  
If the taxpayer is a megaproject supplier, the director shall 3382  
issue such a certificate to the megaproject supplier and to any 3383  
megaproject operator (a) to which the megaproject supplier 3384  
directly sells tangible personal property and (b) that is 3385  
authorized to claim the credit pursuant to division (D)(10) of 3386  
this section. 3387

(8) A provision providing that the taxpayer may not 3388  
relocate a substantial number of employment positions from 3389  
elsewhere in this state to the project location unless the 3390  
director of housing and development determines that the 3391  
legislative authority of the county, township, or municipal 3392  
corporation from which the employment positions would be 3393  
relocated has been notified by the taxpayer of the relocation. 3394

For purposes of this section, the movement of an 3395  
employment position from one political subdivision to another 3396  
political subdivision shall be considered a relocation of an 3397  
employment position unless the employment position in the first 3398  
political subdivision is replaced. The movement of a qualifying 3399  
work-from-home employee to a different residence located in this 3400  
state or to the project location shall not be considered a 3401  
relocation of an employment position. 3402

(9) If the tax credit is computed on the basis of home-based employees, that the tax credit may not be claimed by the taxpayer until the taxable year or tax period in which the taxpayer employs at least two hundred employees more than the number of employees the taxpayer employed on June 30, 2011;

(10) If the taxpayer is a megaproject supplier, the percentage of the annual tax credit certified under division (D) (7) of this section, up to one hundred per cent, that may be claimed by each megaproject operator to which the megaproject supplier directly sells tangible personal property, rather than by that megaproject supplier, on the condition that the megaproject operator continues to qualify as a megaproject operator;

(11) If the taxpayer is a megaproject operator or megaproject supplier, a requirement that the taxpayer meet and maintain compliance with all thresholds and requirements to which the taxpayer agreed, pursuant to division (A) (11) or (13) of this section, respectively, as a condition of the operator's project qualifying as a megaproject or the supplier qualifying as a megaproject supplier until the end of the last year for which the taxpayer qualifies for the credit authorized under this section. In each year that a megaproject operator or megaproject supplier is subject to an agreement with the tax credit authority under this section and meets the requirements of this division, the director of housing and development shall issue a certificate to the megaproject operator or megaproject supplier stating that the megaproject operator or megaproject supplier continues to meet those requirements.

(12) If the taxpayer is a megaproject operator, a requirement that the megaproject operator submit, in a form

acceptable to the director of housing and development, an 3433  
economic impact report with respect to each megaproject for 3434  
which the megaproject operator is designated, summarizing all of 3435  
the following for the reporting year: 3436

(a) The aggregate amount of purchases made by the 3437  
megaproject operator for such megaproject from megaproject 3438  
suppliers; 3439

(b) The aggregate amount of purchases made by the 3440  
megaproject operator for such megaproject from suppliers other 3441  
than megaproject suppliers; 3442

(c) A summary of the construction activity for any 3443  
facilities at the site of the megaproject in that year; 3444

(d) The aggregate amount expended by the megaproject 3445  
operator on research and development at the site of the 3446  
megaproject in that year; 3447

(e) The number of employees working at the site of the 3448  
megaproject and the counties in which those employees reside; 3449

(f) A summary of the supply chain activity in support of 3450  
the megaproject, including a list of the twenty-five suppliers 3451  
with a physical presence in Ohio from which the megaproject 3452  
operator made the most purchases in that year. 3453

The economic impact report shall be due on or before the 3454  
first day of July of each year, beginning in the year specified 3455  
in the agreement with the tax credit authority. The information 3456  
required in the report shall be certified as true and correct by 3457  
an officer of the megaproject operator. If there is more than 3458  
one megaproject operator designated for a single megaproject, 3459  
all of the megaproject operators designated for the megaproject 3460  
may jointly submit a single report. Any information contained in 3461

the report is a public record for purposes of section 149.43 of 3462  
the Revised Code and shall be published on the department of 3463  
housing and development's web site. 3464

(E) (1) If a taxpayer fails to meet or comply with any 3465  
condition or requirement set forth in a tax credit agreement, 3466  
the tax credit authority may amend the agreement to reduce the 3467  
percentage or term of the tax credit. The reduction of the 3468  
percentage or term may take effect in the current taxable or 3469  
calendar year. 3470

(2) If the tax credit authority determines that a taxpayer 3471  
that is a megaproject operator of a megaproject described in 3472  
division (A) (11) (a) (ii) of this section is not fully compliant 3473  
with the requirements of the agreement, the authority may impose 3474  
a recoupment payment on the taxpayer in accordance with the 3475  
following: 3476

(a) If, on the metric evaluation date, the taxpayer fails 3477  
to substantially meet the capital investment, full-time 3478  
equivalent employee, or payroll requirements included in the 3479  
agreement, an amount determined at the discretion of the 3480  
authority, not to exceed the sum of the following for all years 3481  
prior to the metric evaluation date: (i) the amount of taxes 3482  
that would have been imposed under Chapters 5739. and 5741. of 3483  
the Revised Code in the absence of the agreement, and (ii) the 3484  
amount of taxes that would have been imposed under Chapter 5751. 3485  
of the Revised Code on receipts realized from sales to the 3486  
taxpayer in the absence of the agreement; 3487

(b) If the taxpayer fails to substantially maintain the 3488  
capital investment, full-time equivalent employee, or payroll 3489  
requirements included in the agreement in any year after the 3490  
metric evaluation date, an amount determined at the discretion 3491

of the authority, not to exceed the sum of the following for the 3492  
calendar year in which taxpayer failed to meet the requirements: 3493  
(i) the amount of taxes that would have been imposed under 3494  
Chapters 5739. and 5741. of the Revised Code in the absence of 3495  
the agreement, and (ii) the amount of taxes that would have been 3496  
imposed under Chapter 5751. of the Revised Code on receipts 3497  
realized from sales to the taxpayer in the absence of the 3498  
agreement. 3499

(3) The tax credit authority may, subject to any 3500  
requirements of the tax credit agreement, take into 3501  
consideration the taxpayer's prior performance and any market 3502  
conditions impacting the taxpayer when determining the amount of 3503  
the recoupment payment described in division (E) (2) of this 3504  
section. 3505

(F) Projects that consist solely of point-of-final- 3506  
purchase retail facilities are not eligible for a tax credit 3507  
under this section. If a project consists of both point-of- 3508  
final-purchase retail facilities and nonretail facilities, only 3509  
the portion of the project consisting of the nonretail 3510  
facilities is eligible for a tax credit and only the excess 3511  
payroll from the nonretail facilities shall be considered when 3512  
computing the amount of the tax credit. If a warehouse facility 3513  
is part of a point-of-final-purchase retail facility and 3514  
supplies only that facility, the warehouse facility is not 3515  
eligible for a tax credit. Catalog distribution centers are not 3516  
considered point-of-final-purchase retail facilities for the 3517  
purposes of this division, and are eligible for tax credits 3518  
under this section. 3519

(G) Financial statements and other information submitted 3520  
to the department of housing and development or the tax credit 3521

authority by an applicant or recipient of a tax credit under 3522  
this section, and any information taken for any purpose from 3523  
such statements or information, are not public records subject 3524  
to section 149.43 of the Revised Code. However, the chairperson 3525  
of the authority may make use of the statements and other 3526  
information for purposes of issuing public reports or in 3527  
connection with court proceedings concerning tax credit 3528  
agreements under this section. Upon the request of the tax 3529  
commissioner or, if the applicant or recipient is an insurance 3530  
company, upon the request of the superintendent of insurance, 3531  
the chairperson of the authority shall provide to the 3532  
commissioner or superintendent any statement or information 3533  
submitted by an applicant or recipient of a tax credit in 3534  
connection with the credit. The commissioner or superintendent 3535  
shall preserve the confidentiality of the statement or 3536  
information. 3537

(H) A taxpayer claiming a credit under this section shall 3538  
submit to the tax commissioner or, if the taxpayer is an 3539  
insurance company, to the superintendent of insurance, a copy of 3540  
the director of housing and development's certificate of 3541  
verification under division (D) (7) of this section with the 3542  
taxpayer's tax report or return for the taxable year or for the 3543  
calendar year that includes the tax period. Failure to submit a 3544  
copy of the certificate with the report or return does not 3545  
invalidate a claim for a credit if the taxpayer submits a copy 3546  
of the certificate to the commissioner or superintendent within 3547  
the time prescribed by section 5703.0510 of the Revised Code or 3548  
within thirty days after the commissioner or superintendent 3549  
requests it. 3550

(I) The director of housing and development, after 3551  
consultation with the tax commissioner and the superintendent of 3552

insurance and in accordance with Chapter 119. of the Revised 3553  
Code, shall adopt rules necessary to implement this section, 3554  
including rules that establish a procedure to be followed by the 3555  
tax credit authority and the department of housing and 3556  
development in the event the authority considers a taxpayer's 3557  
application for which it receives a recommendation under 3558  
division (C) (2) (a) of this section but does not approve it. The 3559  
rules may provide for recipients of tax credits under this 3560  
section to be charged fees to cover administrative costs of the 3561  
tax credit program. For the purposes of these rules, a 3562  
qualifying work-from-home employee shall be considered to be an 3563  
employee employed at the applicant's project location. The fees 3564  
collected shall be credited to the tax incentives operating fund 3565  
created in section 122.174 of the Revised Code. At the time the 3566  
director gives public notice under division (A) of section 3567  
119.03 of the Revised Code of the adoption of the rules, the 3568  
director shall submit copies of the proposed rules to the 3569  
chairpersons of the standing committees on economic development 3570  
in the senate and the house of representatives. 3571

(J) For the purposes of this section, a taxpayer may 3572  
include a partnership, a corporation that has made an election 3573  
under subchapter S of chapter one of subtitle A of the Internal 3574  
Revenue Code, or any other business entity through which income 3575  
flows as a distributive share to its owners. A partnership, S- 3576  
corporation, or other such business entity may elect to pass the 3577  
credit received under this section through to the persons to 3578  
whom the income or profit of the partnership, S-corporation, or 3579  
other entity is distributed. The election shall be made on the 3580  
annual report required under division (D) (6) of this section. 3581  
The election applies to and is irrevocable for the credit for 3582  
which the report is submitted. If the election is made, the 3583

credit shall be apportioned among those persons in the same 3584  
proportions as those in which the income or profit is 3585  
distributed. 3586

(K) (1) If the director of housing and development 3587  
determines that a taxpayer who has received a credit under this 3588  
section is not complying with the requirements of the agreement, 3589  
the director shall notify the tax credit authority of the 3590  
noncompliance. After receiving such a notice, and after giving 3591  
the taxpayer an opportunity to explain the noncompliance, the 3592  
tax credit authority may require the taxpayer to refund to this 3593  
state a portion of the credit in accordance with the following: 3594

(a) If the taxpayer fails to comply with the requirement 3595  
under division (D) (3) of this section, an amount determined in 3596  
accordance with the following: 3597

(i) If the taxpayer maintained operations at the project 3598  
location for a period less than or equal to the term of the 3599  
credit, an amount not exceeding one hundred per cent of the sum 3600  
of any credits allowed and received under this section; 3601

(ii) If the taxpayer maintained operations at the project 3602  
location for a period longer than the term of the credit, but 3603  
less than the greater of seven years or the term of the credit 3604  
plus three years, an amount not exceeding seventy-five per cent 3605  
of the sum of any credits allowed and received under this 3606  
section. 3607

(b) If, on the metric evaluation date, the taxpayer fails 3608  
to substantially meet the job creation, payroll, or investment 3609  
requirements included in the agreement, an amount determined at 3610  
the discretion of the authority; 3611

(c) If the taxpayer fails to substantially maintain the 3612

number of new full-time equivalent employees or amount of 3613  
payroll required under the agreement at any time during the term 3614  
of the agreement after the metric evaluation date, an amount 3615  
determined at the discretion of the authority. 3616

(2) If a taxpayer files for bankruptcy and fails as 3617  
described in division (K) (1) (a), (b), or (c) of this section, 3618  
the director may immediately commence an action to recoup an 3619  
amount not exceeding one hundred per cent of the sum of any 3620  
credits received by the taxpayer under this section. 3621

(3) In determining the portion of the tax credit to be 3622  
refunded to this state, the tax credit authority shall consider 3623  
the effect of market conditions on the taxpayer's project and 3624  
whether the taxpayer continues to maintain other operations in 3625  
this state. After making the determination, the authority shall 3626  
certify the amount to be refunded to the tax commissioner or 3627  
superintendent of insurance, as appropriate. If the amount is 3628  
certified to the commissioner, the commissioner shall make an 3629  
assessment for that amount against the taxpayer under Chapter 3630  
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 3631  
amount is certified to the superintendent, the superintendent 3632  
shall make an assessment for that amount against the taxpayer 3633  
under Chapter 5725. or 5729. of the Revised Code. The time 3634  
limitations on assessments under those chapters do not apply to 3635  
an assessment under this division, but the commissioner or 3636  
superintendent, as appropriate, shall make the assessment within 3637  
one year after the date the authority certifies to the 3638  
commissioner or superintendent the amount to be refunded. Within 3639  
ninety days after certifying the amount to be refunded, if 3640  
circumstances have changed, the authority may adjust the amount 3641  
to be refunded and certify the adjusted amount to the 3642  
commissioner or superintendent. The authority may only adjust 3643

the amount to be refunded one time and only if the amount 3644  
initially certified by the authority has not been repaid, in 3645  
whole or in part, by the taxpayer or certified to the attorney 3646  
general for collection under section 131.02 of the Revised Code. 3647

(L) On or before the first day of August each year, the 3648  
director of housing and development shall submit a report to the 3649  
governor, the president of the senate, and the speaker of the 3650  
house of representatives on the tax credit program under this 3651  
section. The report shall include information on the number of 3652  
agreements that were entered into under this section during the 3653  
preceding calendar year, a description of the project that is 3654  
the subject of each such agreement, and an update on the status 3655  
of projects under agreements entered into before the preceding 3656  
calendar year. 3657

(M) There is hereby created the tax credit authority, 3658  
which consists of the director of housing and development and 3659  
four other members appointed as follows: the governor, the 3660  
president of the senate, and the speaker of the house of 3661  
representatives each shall appoint one member who shall be a 3662  
specialist in economic development; the governor also shall 3663  
appoint a member who is a specialist in taxation. Terms of 3664  
office shall be for four years. Each member shall serve on the 3665  
authority until the end of the term for which the member was 3666  
appointed. Vacancies shall be filled in the same manner provided 3667  
for original appointments. Any member appointed to fill a 3668  
vacancy occurring prior to the expiration of the term for which 3669  
the member's predecessor was appointed shall hold office for the 3670  
remainder of that term. Members may be reappointed to the 3671  
authority. Members of the authority shall receive their 3672  
necessary and actual expenses while engaged in the business of 3673  
the authority. The director of housing and development shall 3674

serve as chairperson of the authority, and the members annually 3675  
shall elect a vice-chairperson from among themselves. Three 3676  
members of the authority constitute a quorum to transact and 3677  
vote on the business of the authority. The majority vote of the 3678  
membership of the authority is necessary to approve any such 3679  
business, including the election of the vice-chairperson. 3680

The director of housing and development may appoint a 3681  
professional employee of the department of housing and 3682  
development to serve as the director's substitute at a meeting 3683  
of the authority. The director shall make the appointment in 3684  
writing. In the absence of the director from a meeting of the 3685  
authority, the appointed substitute shall serve as chairperson. 3686  
In the absence of both the director and the director's 3687  
substitute from a meeting, the vice-chairperson shall serve as 3688  
chairperson. 3689

(N) For purposes of the credits granted by this section 3690  
against the taxes imposed under sections 5725.18 and 5729.03 of 3691  
the Revised Code, "taxable year" means the period covered by the 3692  
taxpayer's annual statement to the superintendent of insurance. 3693

(O) On or before the first day of March of each of the 3694  
five calendar years beginning with 2014, each taxpayer subject 3695  
to an agreement with the tax credit authority under this section 3696  
on the basis of home-based employees shall report the number of 3697  
home-based employees and other employees employed by the 3698  
taxpayer in this state to the department of housing and 3699  
development. 3700

(P) On or before the first day of January of 2019, the 3701  
director of housing and development shall submit a report to the 3702  
governor, the president of the senate, and the speaker of the 3703  
house of representatives on the effect of agreements entered 3704

into under this section in which the taxpayer included home- 3705  
based employees in the computation of income tax revenue, as 3706  
that term was defined in this section prior to the amendment of 3707  
this section by H.B. 64 of the 131st general assembly. The 3708  
report shall include information on the number of such 3709  
agreements that were entered into in the preceding six years, a 3710  
description of the projects that were the subjects of such 3711  
agreements, and an analysis of nationwide home-based employment 3712  
trends, including the number of home-based jobs created from 3713  
July 1, 2011, through June 30, 2017, and a description of any 3714  
home-based employment tax incentives provided by other states 3715  
during that time. 3716

(Q) The director of housing and development may require 3717  
any agreement entered into under this section for a tax credit 3718  
computed on the basis of home-based employees to contain a 3719  
provision that the taxpayer makes available health care benefits 3720  
and tuition reimbursement to all employees. 3721

(R) Original agreements approved by the tax credit 3722  
authority under this section in 2014 or 2015 before September 3723  
29, 2015, may be revised at the request of the taxpayer to 3724  
conform with the amendments to this section and sections 3725  
5733.0610, 5736.50, 5747.058, and 5751.50 of the Revised Code by 3726  
H.B. 64 of the 131st general assembly, upon mutual agreement of 3727  
the taxpayer and the department of housing and development, and 3728  
approval by the tax credit authority. 3729

(S) (1) As used in division (S) of this section: 3730

(a) "Eligible agreement" means an agreement approved by 3731  
the tax credit authority under this section on or before 3732  
December 31, 2013. 3733

(b) "Income tax revenue" has the same meaning as under 3734  
this section as it existed before September 29, 2015, the 3735  
effective date of the amendment of this section by H.B. 64 of 3736  
the 131st general assembly. 3737

(2) In calendar year 2016 and thereafter, the tax credit 3738  
authority shall annually determine a withholding adjustment 3739  
factor to be used in the computation of income tax revenue for 3740  
eligible agreements. The withholding adjustment factor shall be 3741  
a numerical percentage that equals the percentage that employer 3742  
income tax withholding rates have been increased or decreased as 3743  
a result of changes in the income tax rates prescribed by 3744  
section 5747.02 of the Revised Code by amendment of that section 3745  
taking effect on or after June 29, 2013. 3746

(3) Except as provided in division (S) (4) of this section, 3747  
for reporting periods ending in 2015 and thereafter for 3748  
taxpayers subject to eligible agreements, the tax credit 3749  
authority shall adjust the income tax revenue reported on the 3750  
taxpayer's annual report by multiplying the withholding 3751  
adjustment factor by the taxpayer's income tax revenue and doing 3752  
one of the following: 3753

(a) If the income tax rates prescribed by section 5747.02 3754  
of the Revised Code have decreased by amendment of that section 3755  
taking effect on or after June 29, 2013, add the product to the 3756  
taxpayer's income tax revenue. 3757

(b) If the income tax rates prescribed by section 5747.02 3758  
of the Revised Code have increased by amendment of that section 3759  
taking effect on or after June 29, 2013, subtract the product 3760  
from the taxpayer's income tax revenue. 3761

(4) Division (S) (3) of this section shall not apply unless 3762

all of the following apply for the reporting period with respect 3763  
to the eligible agreement: 3764

(a) The taxpayer has achieved one hundred per cent of the 3765  
new employment commitment identified in the agreement. 3766

(b) If applicable, the taxpayer has achieved one hundred 3767  
per cent of the new payroll commitment identified in the 3768  
agreement. 3769

(c) If applicable, the taxpayer has achieved one hundred 3770  
per cent of the investment commitment identified in the 3771  
agreement. 3772

(5) Failure by a taxpayer to have achieved any of the 3773  
applicable commitments described in divisions (S) (4) (a) to (c) 3774  
of this section in a reporting period does not disqualify the 3775  
taxpayer for the adjustment under division (S) of this section 3776  
for an ensuing reporting period. 3777

(T) For reporting periods ending in calendar year 2020 or 3778  
thereafter, any taxpayer may include qualifying work-from-home 3779  
employees in its report required under division (D) (6) of this 3780  
section, and the compensation of such employees shall qualify as 3781  
Ohio employee payroll under division (A) (3) (a) of this section, 3782  
even if the taxpayer's application to the tax credit authority 3783  
to enter into an agreement for a tax credit under this section 3784  
was approved before September 29, 2017, the effective date of 3785  
the amendment of this section by H.B. 49 of the 132nd general 3786  
assembly. 3787

(U) The director of housing and development shall notify 3788  
the tax commissioner if the director determines that a 3789  
megaproject operator or megaproject supplier is not in 3790  
compliance with the agreement pursuant to a review conducted 3791

under division (D) (11) of this section.	3792
(V) Beginning in 2025 and in each fifth calendar year	3793
thereafter, the tax commissioner shall adjust the following	3794
amounts in September of that year:	3795
(1) The fixed-asset investment threshold described in	3796
division (A) (11) (c) (i) of this section and the Ohio employee	3797
payroll threshold described in division (A) (11) (c) (ii) of this	3798
section by completing the following calculations:	3799
(a) Determine the percentage increase in the gross	3800
domestic product deflator determined by the bureau of economic	3801
analysis of the United States department of commerce from the	3802
first day of January of the fifth preceding calendar year to the	3803
last day of December of the preceding calendar year;	3804
(b) Multiply that percentage increase by the fixed-asset	3805
investment threshold and the Ohio employee payroll threshold for	3806
the current year;	3807
(c) Add the resulting products to the corresponding fixed-	3808
asset investment threshold and Ohio employee payroll threshold	3809
for the current year;	3810
(d) Round the resulting fixed-asset investment sum to the	3811
nearest multiple of ten million dollars and the Ohio employee	3812
payroll sum to the nearest multiple of one million dollars.	3813
(2) The fixed-asset investment threshold described in	3814
division (A) (13) (b) (i) of this section and the Ohio employee	3815
payroll threshold described in division (A) (13) (b) (ii) of this	3816
section by completing the calculations described in divisions	3817
(V) (1) (a) to (c) of this section and rounding the resulting	3818
fixed-asset investment sum to the nearest multiple of one	3819
million dollars and the Ohio employee payroll sum to the nearest	3820

multiple of one hundred thousand dollars. 3821

The commissioner shall certify the amount of the 3822  
adjustments under divisions (V) (1) and (2) of this section to 3823  
the director of housing and development and to the tax credit 3824  
authority not later than the first day of December of the year 3825  
the commissioner computes the adjustment. Each certified amount 3826  
applies to the ensuing calendar year and each calendar year 3827  
thereafter until the tax commissioner makes a new adjustment. 3828  
The tax commissioner shall not calculate a new adjustment in any 3829  
year in which the resulting amount from the adjustment would be 3830  
less than the corresponding amount for the current year. 3831

provided in divisions (C), (D), and (E) of this section and that 3850  
satisfies either of the following requirements: 3851

(a) If engaged at the project site primarily in 3852

for the capital investment project at the project site during a 3869

calendar year that includes a day of the taxpayer's taxable year 3871

hours that are counted for a credit under section 122.17 of the 3884

(4) "Ohio employee payroll" has the same meaning as in 3886  
section 122.17 of the Revised Code. 3887

(5) "Manufacturer" has the same meaning as in section 3888  
5739.011 of the Revised Code. 3889

(6) "Project site" means an integrated complex of 3890

5733.042 of the Revised Code as that section existed on the 3895  
effective date of its amendment by Am. Sub. H.B. 215 of the 3896  
122nd general assembly, September 29, 1997. 3897

(8) "Taxable year" includes, in the case of a domestic or 3898  
foreign insurance company, the calendar year ending on the 3899  
thirty-first day of December preceding the day the 3900  
superintendent of insurance is required to certify to the 3901

status has been granted and remains active, including special 3907

purpose subzones for which a permit has been granted and remains 3908  
active. 3909

(B) The tax credit authority created under section 122.17 3910  
of the Revised Code may grant a nonrefundable tax credit to an 3911  
eligible business under this section for the purpose of 3912  
fostering job retention in this state. Upon application by an 3913  
eligible business and upon consideration of the determination of 3914  
the director of budget and management, tax commissioner, and the 3915  
superintendent of insurance in the case of an insurance company, 3916  
the recommendation and determination of the director of housing 3917  
and development under division (C)(1) of this section, and a 3918  
review of the criteria described in division (C)(2) of this 3919  
section, the tax credit authority may grant the credit against 3920  
the tax imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 3921  
5736.02, 5747.02, or 5751.02 of the Revised Code. 3922

The credit authorized in this section may be granted for a 3923  
period up to fifteen taxable years or, in the case of the tax 3924  
levied by section 5736.02 or 5751.02 of the Revised Code, for a 3925  
period of up to fifteen calendar years. The credit amount for a 3926  
taxable year or a calendar year that includes the tax period for 3927  
which a credit may be claimed equals the Ohio employee payroll 3928  
for that year multiplied by the percentage specified in the 3929  
agreement with the tax credit authority. The credit shall be 3930

5729.98, 5733.98, 5747.98, or 5751.98 of the Revised Code. In 3932  
determining the percentage and term of the credit, the tax 3933  
credit authority shall consider both the number of full-time 3934  
equivalent employees and the value of the capital investment 3935  
project. The credit amount may not be based on the Ohio employee 3936  
payroll for a calendar year before the calendar year in which 3937  
the tax credit authority specifies the tax credit is to begin, 3938

and the credit shall be claimed only for the taxable years or 3939  
tax periods specified in the eligible business' agreement with 3940  
the tax credit authority. In no event shall the credit be 3941  
claimed for a taxable year or tax period terminating before the 3942  
date specified in the agreement. 3943

If a credit allowed under this section for a taxable year 3944  
or tax period exceeds the taxpayer's tax liability for that year 3945  
or period, the excess may be carried forward for the three 3946  
succeeding taxable or calendar years, but the amount of any 3947  
excess credit allowed in any taxable year or tax period shall be 3948  
deducted from the balance carried forward to the succeeding year 3949  
or period. 3950

(C) (1) A taxpayer that proposes a capital investment 3951  
project to retain jobs in this state may apply to the tax credit 3952  
authority to enter into an agreement for a tax credit under this 3953  
section. The director of housing and development shall prescribe 3954  
the form of the application. After receipt of an application, 3955  
the authority shall forward copies of the application to the 3956  
director of budget and management, the tax commissioner, and the 3957  
superintendent of insurance in the case of an insurance company, 3958  
each of whom shall review the application to determine the 3959  
economic impact the proposed project would have on the state and 3960  
the affected political subdivisions and shall submit a summary 3961  
of their determinations to the authority. The authority shall 3962  
also forward a copy of the application to the director of 3963  
housing and development, who shall review the application to 3964  
determine the economic impact the proposed project would have on 3965  
the state and the affected political subdivisions and shall 3966  
submit a summary of the director's determinations and 3967  
recommendations to the authority. 3968

(2) The director of housing and development, in reviewing applications and making recommendations to the tax credit authority, and the authority, in selecting taxpayers with which to enter into an agreement under division (D) of this section, shall give priority to applications that meet one or more of the following criteria, with greater priority given to applications that meet more of the criteria: (a) Within the preceding five years, the applicant has not received a credit under this section or section 122.17 of the Revised Code for a project at the same project site as that proposed in the application.

(b) The applicant is not currently receiving a credit under this section or section 122.17 of the Revised Code.

(c) The applicant has operated at the project site for at least the preceding ten years.

(d) The project involves a significant upgrade of the project site, rather than only routine maintenance of existing facilities, such as an increase in capacity of a facility, new product development, or technology upgrades or other facility modernization.

(e) The applicant intends to use machinery, equipment, and materials supplied by Ohio businesses in the project when possible.

(D) Upon review and consideration of the determinations, recommendations, and criteria described in division (C) of this section, the tax credit authority may enter into an agreement with the taxpayer for a credit under this section if the authority determines all of the following:

(1) The taxpayer's capital investment project will result in the retention of employment in this state.

(2) The taxpayer is economically sound and has the ability to complete the proposed capital investment project. 3998  
3999

(3) The taxpayer intends to and has the ability to maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years. 4000  
4001  
4002  
4003

(4) Receiving the credit is a major factor in the taxpayer's decision to begin, continue with, or complete the project. 4004  
4005  
4006

(E) An agreement under this section shall include all of the following: 4007  
4008

(1) A detailed description of the project that is the subject of the agreement, including the amount of the investment, the period over which the investment has been or is being made, the number of full-time equivalent employees at the project site, and the anticipated Ohio employee payroll to be generated. 4009  
4010  
4011  
4012  
4013  
4014

(2) The term of the credit, the percentage of the tax credit, the maximum annual value of tax credits that may be allowed each year, and the first year for which the credit may be claimed. 4015  
4016  
4017  
4018

(3) A requirement that the taxpayer maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years. 4019  
4020  
4021

(4) (a) If the taxpayer is engaged at the project site primarily in significant corporate administrative functions, a requirement that the taxpayer either retain at least five hundred full-time equivalent employees at the project site and within this state for the entire term of the credit, maintain an 4022  
4023  
4024  
4025  
4026

annual Ohio employee payroll of at least thirty-five million 4027  
dollars for the entire term of the credit, or remain located in 4028  
a foreign trade zone for the entire term of the credit; 4029

(b) If the taxpayer is engaged at the project site 4030  
primarily as a manufacturer, a requirement that the taxpayer 4031  
maintain at least the number of full-time equivalent employees 4032  
specified in the agreement pursuant to division (E) (1) of this 4033  
section at the project site and within this state for the entire 4034  
term of the credit. 4035

(5) A requirement that the taxpayer annually report to the 4036  
director of housing and development full-time equivalent 4037  
employees, Ohio employee payroll, capital investment, and other 4038  
information the director needs to perform the director's duties 4039  
under this section. 4040

(6) A requirement that the director of housing and 4041  
development annually review the annual reports of the taxpayer 4042  
to verify the information reported under division (E) (5) of this 4043  
section and compliance with the agreement. Upon verification, 4044  
the director shall issue a certificate to the taxpayer stating 4045  
that the information has been verified and identifying the 4046  
amount of the credit for the taxable year or calendar year that 4047  
includes the tax period. In determining the number of full-time 4048  
equivalent employees, no position shall be counted that is 4049  
filled by an employee who is included in the calculation of a 4050  
tax credit under section 122.17 of the Revised Code. 4051

(7) A provision providing that the taxpayer may not 4052  
relocate a substantial number of employment positions from 4053  
elsewhere in this state to the project site unless the director 4054  
of housing and development determines that the taxpayer notified 4055  
the legislative authority of the county, township, or municipal 4056

corporation from which the employment positions would be 4057  
relocated. 4058

For purposes of this section, the movement of an 4059  
employment position from one political subdivision to another 4060  
political subdivision shall be considered a relocation of an 4061  
employment position unless the movement is confined to the 4062  
project site. The transfer of an employment position from one 4063  
political subdivision to another political subdivision shall not 4064  
be considered a relocation of an employment position if the 4065  
employment position in the first political subdivision is 4066  
replaced by another employment position. 4067

(8) A waiver by the taxpayer of any limitations periods 4068  
relating to assessments or adjustments resulting from the 4069  
taxpayer's failure to comply with the agreement. 4070

(F) If a taxpayer fails to meet or comply with any 4071  
condition or requirement set forth in a tax credit agreement, 4072  
the tax credit authority may amend the agreement to reduce the 4073  
percentage or term of the credit. The reduction of the 4074  
percentage or term may take effect in the current taxable or 4075  
calendar year. 4076

(G) Financial statements and other information submitted 4077  
to the department of housing and development or the tax credit 4078  
authority by an applicant for or recipient of a tax credit under 4079  
this section, and any information taken for any purpose from 4080  
such statements or information, are not public records subject 4081  
to section 149.43 of the Revised Code. However, the chairperson 4082  
of the authority may make use of the statements and other 4083  
information for purposes of issuing public reports or in 4084  
connection with court proceedings concerning tax credit 4085  
agreements under this section. Upon the request of the tax 4086

commissioner, or the superintendent of insurance in the case of 4087  
an insurance company, the chairperson of the authority shall 4088  
provide to the commissioner or superintendent any statement or 4089  
other information submitted by an applicant for or recipient of 4090  
a tax credit in connection with the credit. The commissioner or 4091  
superintendent shall preserve the confidentiality of the 4092  
statement or other information. 4093

(H) A taxpayer claiming a tax credit under this section 4094  
shall submit to the tax commissioner or, in the case of an 4095  
insurance company, to the superintendent of insurance, a copy of 4096  
the director of housing and development's certificate of 4097  
verification under division (E) (6) of this section with the 4098  
taxpayer's tax report or return for the taxable year or for the 4099  
calendar year that includes the tax period. Failure to submit a 4100  
copy of the certificate with the report or return does not 4101  
invalidate a claim for a credit if the taxpayer submits a copy 4102  
of the certificate to the commissioner or superintendent within 4103  
the time prescribed by section 5703.0510 of the Revised Code or 4104  
within thirty days after the commissioner or superintendent 4105  
requests it. 4106

(I) For the purposes of this section, a taxpayer may 4107  
include a partnership, a corporation that has made an election 4108  
under subchapter S of chapter one of subtitle A of the Internal 4109  
Revenue Code, or any other business entity through which income 4110  
flows as a distributive share to its owners. A partnership, S- 4111  
corporation, or other such business entity may elect to pass the 4112  
credit received under this section through to the persons to 4113  
whom the income or profit of the partnership, S-corporation, or 4114  
other entity is distributed. The election shall be made on the 4115  
annual report required under division (E) (5) of this section. 4116  
The election applies to and is irrevocable for the credit for 4117

which the report is submitted. If the election is made, the 4118  
credit shall be apportioned among those persons in the same 4119  
proportions as those in which the income or profit is 4120  
distributed. 4121

(J) (1) If the director of housing and development 4122  
determines that a taxpayer that received a certificate under 4123  
division (E) (6) of this section is not complying with the 4124  
requirements of the agreement, the director shall notify the tax 4125  
credit authority of the noncompliance. After receiving such a 4126  
notice, and after giving the taxpayer an opportunity to explain 4127  
the noncompliance, the authority may terminate the agreement and 4128  
require the taxpayer, or any related member or members that 4129  
claimed the tax credit under division (N) of this section, to 4130  
refund to the state all or a portion of the credit claimed in 4131  
previous years, as follows: 4132

(a) If the taxpayer fails to comply with the requirement 4133  
under division (E) (3) of this section, an amount determined in 4134  
accordance with the following: 4135

(i) If the taxpayer maintained operations at the project 4136  
site for less than or equal to the term of the credit, an amount 4137  
not to exceed one hundred per cent of the sum of any tax credits 4138  
allowed and received under this section. 4139

(ii) If the taxpayer maintained operations at the project 4140  
site longer than the term of the credit, but less than the 4141  
greater of seven years or the term of the credit plus three 4142  
years, the amount required to be refunded shall not exceed 4143  
seventy-five per cent of the sum of any tax credits allowed and 4144  
received under this section. 4145

(b) If the taxpayer fails to substantially, satisfy the 4146

employment, payroll, or location requirements required under the 4147  
agreement, as prescribed under division (E) (4) (a) or (b), as 4148  
applicable to the taxpayer, at any time during the term of the 4149  
agreement or during the post-term reporting period, an amount 4150  
determined at the discretion of the authority. 4151

(2) If a taxpayer files for bankruptcy and fails as 4152  
described in division (J) (1) (a) or (b) of this section, the 4153  
director may immediately commence an action to recoup an amount 4154  
not exceeding one hundred per cent of the sum of any credits 4155  
received by the taxpayer under this section. 4156

(3) In determining the portion of the credit to be 4157  
refunded to this state, the authority shall consider the effect 4158  
of market conditions on the taxpayer's project and whether the 4159  
taxpayer continues to maintain other operations in this state. 4160  
After making the determination, the authority shall certify the 4161  
amount to be refunded to the tax commissioner or the 4162  
superintendent of insurance. If the taxpayer, or any related 4163  
member or members who claimed the tax credit under division (N) 4164  
of this section, is not an insurance company, the commissioner 4165  
shall make an assessment for that amount against the taxpayer 4166  
under Chapter 5726., 5733., 5736., 5747., or 5751. of the 4167  
Revised Code. If the taxpayer, or any related member or members 4168  
that claimed the tax credit under division (N) of this section, 4169  
is an insurance company, the superintendent of insurance shall 4170  
make an assessment under section 5725.222 or 5729.102 of the 4171  
Revised Code. The time limitations on assessments under those 4172  
chapters and sections do not apply to an assessment under this 4173  
division, but the commissioner or superintendent shall make the 4174  
assessment within one year after the date the authority 4175  
certifies to the commissioner or superintendent the amount to be 4176  
refunded. Within ninety days after certifying the amount to be 4177

refunded, if circumstances have changed, the authority may 4178  
adjust the amount to be refunded and certify the adjusted amount 4179  
to the commissioner or superintendent. The authority may only 4180  
adjust the amount to be refunded one time and only if the amount 4181  
initially certified by the authority has not been repaid, in 4182  
whole or in part, by the taxpayer or certified to the attorney 4183  
general for collection under section 131.02 of the Revised Code. 4184

(K) The director of housing and development, after 4185  
consultation with the tax commissioner and the superintendent of 4186  
insurance and in accordance with Chapter 119. of the Revised 4187  
Code, shall adopt rules necessary to implement this section. The 4188  
rules may provide for recipients of tax credits under this 4189  
section to be charged fees to cover administrative costs of the 4190  
tax credit program. The fees collected shall be credited to the 4191  
tax incentives operating fund created in section 122.174 of the 4192  
Revised Code. At the time the director gives public notice under 4193  
division (A) of section 119.03 of the Revised Code of the 4194  
adoption of the rules, the director shall submit copies of the 4195  
proposed rules to the chairpersons of the standing committees on 4196  
economic development in the senate and the house of 4197  
representatives. 4198

(L) On or before the first day of August of each year, the 4199  
director of housing and development shall submit a report to the 4200  
governor, the president of the senate, and the speaker of the 4201  
house of representatives on the tax credit program under this 4202  
section. The report shall include information on the number of 4203  
agreements that were entered into under this section during the 4204  
preceding calendar year, a description of the project that is 4205  
the subject of each such agreement, and an update on the status 4206  
of projects under agreements entered into before the preceding 4207  
calendar year. 4208

(M) The aggregate amount of nonrefundable tax credits 4209  
issued under this section during any calendar year for capital 4210  
investment projects reviewed and approved by the tax credit 4211  
authority may not exceed the following amounts: 4212

(1) For 2010, thirteen million dollars; 4213

(2) For 2011 through 2023, the amount of the limit for the 4214  
preceding calendar year plus thirteen million dollars; 4215

(3) For 2024 and each year thereafter, one hundred ninety- 4216  
five million dollars. 4217

The limitations in division (M) of this section do not 4218  
apply to credits for capital investment projects approved by the 4219  
tax credit authority before July 1, 2009. 4220

(N) This division applies only to an eligible business 4221  
that is part of an affiliated group that includes a diversified 4222  
savings and loan holding company or a grandfathered unitary 4223  
savings and loan holding company, as those terms are defined in 4224  
section 5726.01 of the Revised Code. Notwithstanding any 4225  
contrary provision of the agreement between such an eligible 4226  
business and the tax credit authority, any credit granted under 4227  
this section against the tax imposed by section 5725.18, 4228  
5729.03, 5733.06, 5747.02, or 5751.02 of the Revised Code to the 4229  
eligible business, at the election of the eligible business and 4230  
without any action by the tax credit authority, may be shared 4231  
with any member or members of the affiliated group that includes 4232  
the eligible business, which member or members may claim the 4233  
credit against the taxes imposed by section 5725.18, 5726.02, 4234  
5729.03, 5733.06, 5747.02, or 5751.02 of the Revised Code. 4235  
Credits shall be claimed by the eligible business in sequential 4236  
order, as applicable, first claiming the credits to the fullest 4237

extent possible against the tax that the certificate holder is 4238  
subject to, then against the tax imposed by, sequentially, 4239  
section 5729.03, 5725.18, 5747.02, 5751.02, and lastly 5726.02 4240  
of the Revised Code. The credits may be allocated among the 4241  
members of the affiliated group in such manner as the eligible 4242  
business elects, but subject to the sequential order required 4243  
under this division. This division applies to credits granted 4244  
before, on, or after March 27, 2013, the effective date of H.B. 4245  
510 of the 129th general assembly. Credits granted before that 4246

taxable years specified in the agreement end. 4249

As used in this division, "affiliated group" means a group 4250

interests by common owners during all or any portion of the 4254  
taxable year, and the common owners. "Affiliated group" 4255  
includes, but is not limited to, any person eligible to be 4256  
included in a consolidated elected taxpayer group under section 4257  
5751.011 of the Revised Code or a combined taxpayer group under 4258

authority shall annually determine a withholding adjustment 4269  
factor to be used in the computation of income tax revenue for 4270  
eligible agreements. The withholding adjustment factor shall be 4271  
a numerical percentage that equals the percentage that employer 4272  
income tax withholding rates have been increased or decreased as 4273  
a result of changes in the income tax rates prescribed by 4274  
section 5747.02 of the Revised Code by amendment of that section 4275  
taking effect on or after June 29, 2013. 4276

(3) Except as provided in division (O) (4) of this section, 4277  
for reporting periods ending in 2015 and thereafter for 4278  
taxpayers subject to eligible agreements, the tax credit 4279  
authority shall adjust the income tax revenue reported on the 4280  
taxpayer's annual report by multiplying the withholding 4281  
adjustment factor by the taxpayer's income tax revenue and doing 4282  
one of the following: 4283

(a) If the income tax rates prescribed by section 5747.02 4284  
of the Revised Code have decreased by amendment of this section 4285  
taking effect on or after June 29, 2013, add the product to the 4286  
taxpayer's income tax revenue. 4287

(b) If the income tax rates prescribed by section 5747.02 4288  
of the Revised Code have increased by amendment of this section 4289  
taking effect on or after June 29, 2013, subtract the product 4290  
from the taxpayer's income tax revenue. 4291

(5) Failure by a taxpayer to have achieved any of the 4304  
applicable commitments described in divisions (O) (4) (a) to (c) 4305  
of this section in a reporting period does not disqualify the 4306

with the tax return for the taxable year for which the grant is 4328  
claimed. In no event shall the grant reduce a taxpayer's tax 4329  
liability below the minimum tax owed for the taxable year. The 4330  
grant request form shall provide the information required to 4331  
allow the grant for the taxable year and is subject to audit by 4332  
the director and the commissioner. Any portion of the grant in 4333

Revised Code. Upon the director's request, the commissioner 4336  
shall provide completed grant request forms filed under this 4337  
section to the director in a mutually agreed upon format. 4338

under section 5733.33 of the Revised Code for a taxable year 4340  
ending prior to July 1, 2005, for a reason not specified in 4341

4488  
4489  
4490  
4491  
4492  
4493

(2) (a) Except as otherwise provided in division (B) (2) (b) of this section, a grant may be claimed under this section in excess of one million dollars only if the cost of all 4494  
4495  
4496

manufacturing machinery and equipment owned in this state by the 4497  
taxpayer claiming the grant on the last day of the calendar year 4498  
exceeds the cost of all manufacturing machinery and equipment 4499  
owned in this state by the taxpayer on the first day of that 4500  
calendar year. 4501

As used in division (B) (2) (a) of this section, "calendar 4502  
year" means the calendar year in which the machinery and 4503  
equipment for which the grant is claimed was purchased. 4504

(b) Division (B) (2) (a) of this section does not apply if 4505  
the taxpayer claiming the grant applies for and is issued a 4506  
waiver of the requirement of that division. A taxpayer may apply 4507  
to the director of housing and development for such a waiver in 4508  
the manner prescribed by the director, and the director may 4509  
issue such a waiver if the director determines that granting the 4510  
grant is necessary to increase or retain employees in this 4511  
state, and that the grant has not caused relocation of 4512  
manufacturing machinery and equipment among counties within this 4513  
state for the primary purpose of qualifying for the grant. 4514

(C) (1) Except as otherwise provided in division (C) (2) and 4515  
division (I) of this section, the grant amount is equal to seven 4516  
and one-half per cent of the excess of the cost of the new 4517  
manufacturing machinery and equipment purchased during the 4518  
calendar year for use in a county over the county average new 4519  
manufacturing machinery and equipment investment for that 4520  
county. 4521

(2) Subject to division (I) of this section, as used in 4522  
division (C) (2) of this section, "county excess" means the 4523

(C) (1) of this section. 4525

Subject to division (I) of this section, a taxpayer with a county excess, whose purchases included purchases for use in any eligible area in the county, the grant amount is equal to thirteen and one-half per cent of the cost of the new manufacturing machinery and equipment purchased during the calendar year for use in the eligible areas in the county, provided that the cost subject to the thirteen and one-half per cent rate shall not exceed the county excess. If the county excess is greater than the cost of the new manufacturing machinery and equipment purchased during the calendar year for use in eligible areas in the county, the grant amount also shall include an amount equal to seven and one-half per cent of the amount of the difference.

(3) If a taxpayer is allowed a grant for purchases of new manufacturing machinery and equipment in more than one county or eligible area, it shall aggregate the amount of those grants each year.

(4) Except as provided in division (J) of this section, the taxpayer shall claim one-seventh of the grant amount for the taxable year ending in the calendar year in which the new manufacturing machinery and equipment is purchased for use in the county by the taxpayer or partnership. One-seventh of the taxpayer grant amount is allowed for each of the six ensuing taxable years. Except for carried-forward amounts, the taxpayer is not allowed any grant amount remaining if the new manufacturing machinery and equipment is sold by the taxpayer or partnership or is transferred by the taxpayer or partnership out of the county before the end of the seven-year period unless, at the time of the sale or transfer, the new manufacturing machinery and equipment has been fully depreciated for federal income tax purposes.

(5) (a) A taxpayer that acquires manufacturing machinery 4557  
and equipment as a result of a merger with the taxpayer with 4558  
whom commenced the original use in this state of the 4559  
manufacturing machinery and equipment, or with a taxpayer that 4560  
was a partner in a partnership with whom commenced the original 4561  
use in this state of the manufacturing machinery and equipment, 4562  
is entitled to any remaining or carried-forward grant amounts to 4563  
which the taxpayer was entitled. 4564

(b) A taxpayer that enters into an agreement under 4565  
division (C) (3) of section 5709.62 of the Revised Code and that 4566  
acquires manufacturing machinery or equipment as a result of 4567  
purchasing a large manufacturing facility, as defined in section 4568  
5709.61 of the Revised Code, from another taxpayer with whom 4569  
commenced the original use in this state of the manufacturing 4570  
machinery or equipment, and that operates the large 4571  
manufacturing facility so purchased, is entitled to any 4572  
remaining or carried-forward grant amounts to which the other 4573  
taxpayer who sold the facility would have been entitled under 4574  
this section had the other taxpayer not sold the manufacturing 4575  
facility or equipment. 4576

(c) New manufacturing machinery and equipment is not 4577  
considered sold if a pass-through entity transfers to another 4578  
pass-through entity substantially all of its assets as part of a 4579  
plan of reorganization under which substantially all gain and 4580  
loss is not recognized by the pass-through entity that is 4581  
transferring the new manufacturing machinery and equipment to 4582  
the transferee and under which the transferee's basis in the new 4583  
manufacturing machinery and equipment is determined, in whole or 4584  
in part, by reference to the basis of the pass-through entity 4585  
that transferred the new manufacturing machinery and equipment 4586  
to the transferee. 4587

(d) Division (C) (5) of this section applies only if the 4588  
acquiring taxpayer or transferee does not sell the new 4589  
manufacturing machinery and equipment or transfer the new 4590  
manufacturing machinery and equipment out of the county before 4591  
the end of the seven-year period to which division (C) (4) of 4592  
this section refers. 4593

(e) Division (C) (5) (b) of this section applies only to the 4594  
extent that the taxpayer that sold the manufacturing machinery 4595  
or equipment, upon request, timely provides to the tax 4596  
commissioner any information that the tax commissioner considers 4597  
to be necessary to ascertain any remaining or carried-forward 4598  
amounts to which the taxpayer that sold the facility would have 4599  
been entitled under this section had the taxpayer not sold the 4600  
manufacturing machinery or equipment. Nothing in division (C) (5) 4601  
(b) or (e) of this section shall be construed to allow a 4602  
taxpayer to claim any grant amount with respect to the acquired 4603  
manufacturing machinery or equipment that is greater than the 4604  
amount that would have been available to the other taxpayer that 4605  
sold the manufacturing machinery or equipment had the other 4606  
taxpayer not sold the manufacturing machinery or equipment. 4607

(D) The taxpayer shall claim the grant allowed by this 4608  
section in the manner provided by section 122.172 of the Revised 4609  
Code. Any portion of the grant in excess of the taxpayer's tax 4610  
liability for the taxable year shall not be refundable but may 4611  
be carried forward for the next three consecutive taxable years. 4612

(E) A taxpayer purchasing new manufacturing machinery and 4613  
equipment and intending to claim the grant shall file, with the 4614  
director of housing and development, a notice of intent to claim 4615  
the grant on a form prescribed by the director of housing and 4616  
development. The director of housing and development shall 4617

inform the tax commissioner of the notice of intent to claim the 4618  
grant. No grant may be claimed under this section for any 4619  
manufacturing machinery and equipment with respect to which a 4620  
notice was not filed by the date of a timely filed return, 4621  
including extensions, for the taxable year that includes 4622  
September 30, 2005, but a notice filed on or before such date 4623  
under division (E) of section 5733.33 of the Revised Code of the 4624  
intent to claim the credit under that section also shall be 4625  
considered a notice of the intent to claim a grant under this 4626  
section. 4627

(F) The director of housing and development shall annually 4628  
certify, by the first day of January of each year during the 4629  
qualifying period, the eligible areas for the tax grant for the 4630  
calendar year that includes that first day of January. The 4631  
director shall send a copy of the certification to the tax 4632  
commissioner. 4633

(G) New manufacturing machinery and equipment for which a 4634  
taxpayer claims the credit under section 5733.31 or 5733.311 of 4635  
the Revised Code shall not be considered new manufacturing 4636  
machinery and equipment for purposes of the grant under this 4637  
section. 4638

(H) (1) Notwithstanding sections 5733.11 and 5747.13 of the 4639  
Revised Code, but subject to division (H) (2) of this section, 4640  
the tax commissioner may issue an assessment against a person 4641  
with respect to a grant claimed under this section for new 4642  
manufacturing machinery and equipment described in division (A) 4643  
(1) (b) or (2) (b) of this section, if the machinery or equipment 4644  
subsequently does not qualify for the grant. 4645

(2) Division (H) (1) of this section shall not apply after 4646  
the twenty-fourth month following the last day of the period 4647

described in divisions (A) (1) (b) and (2) (b) of this section. 4648

(I) Notwithstanding any other provision of this section to 4649  
the contrary, in the case of a qualifying controlled group, the 4650  
grant available under this section to a taxpayer or taxpayers in 4651  
the qualifying controlled group shall be computed as if all 4652  
corporations in the group were a single corporation. The grant 4653  
shall be allocated to such a taxpayer or taxpayers in the group 4654  
in any amount elected for the taxable year by the group. The 4655  
election shall be revocable and amendable during the period 4656  
described in division (B) of section 5733.12 of the Revised 4657  
Code. 4658

This division applies to all purchases of new 4659  
manufacturing machinery and equipment made on or after January 4660  
1, 2001, and to all baseline years used to compute any grant 4661  
attributable to such purchases; provided, that this division may 4662  
be applied solely at the election of the qualifying controlled 4663  
group with respect to all purchases of new manufacturing 4664  
machinery and equipment made before that date, and to all 4665  
baseline years used to compute any grant attributable to such 4666  
purchases. The qualifying controlled group at any time may elect 4667  
to apply this division to purchases made prior to January 1, 4668  
2001, subject to the following: 4669

(1) The election is irrevocable; 4670

(2) The election need not accompany a timely filed report, 4671  
but the election may accompany a subsequently filed but timely 4672  
application for refund, a subsequently filed but timely amended 4673  
report, or a subsequently filed but timely petition for 4674  
reassessment. 4675

(J) Except as provided in division (B) of section 122.172 4676

5733.33 of the Revised Code. If the tax imposed by section 4679  
5733.06 of the Revised Code for which a grant is allowed under 4680  
this section has been prorated under division (G) (2) of section 4681  
5733.01 of the Revised Code, the grant shall be prorated by the 4682

with the agreement. Upon verification, the director shall issue 4857  
a certificate to each such taxpayer stating that the information 4858  
has been verified and that the taxpayer remains eligible for the 4859  
exemption specified in the agreement. 4860

(7) A provision providing that the taxpayers subject to 4861  
the agreement may not relocate a substantial number of 4862

determines that the appropriate taxpayer notified the 4865  
legislative authority of the county, township, or municipal 4866  
corporation from which the employment positions would be 4867  
relocated. For purposes of this paragraph, the movement of an 4868  
employment position from one political subdivision to another 4869  
political subdivision shall be considered a relocation of an 4870  
employment position unless the movement is confined to the 4871  
project site. The transfer of an employment position from one 4872  
political subdivision to another political subdivision shall not 4873  
be considered a relocation of an employment position if the 4874  
employment position in the first political subdivision is 4875  
replaced by another employment position. 4876

(8) A waiver by each taxpayer subject to the agreement of 4877  
any limitations periods relating to assessments or adjustments 4878  
resulting from the taxpayer's failure to comply with the 4879  
agreement. 4880

(F) The term of an agreement under this section shall be 4881  
determined by the tax credit authority, and the amount of the 4882

exemption shall not exceed one hundred per cent of such taxes 4883  
that would otherwise be owed in respect to the exempted computer 4884  
data center equipment. 4885

(G) If any taxpayer subject to an agreement under this 4886  
section fails to meet or comply with any condition or 4887  
requirement set forth in the agreement, the tax credit authority 4888  
may amend the agreement to reduce the percentage of the 4889  
exemption or term during which the exemption applies to the 4890  
computer data center equipment used or to be used by the 4891  
noncompliant taxpayer at an eligible computer data center. The 4892

to the department of housing and development services or the tax 4896  
credit authority by an applicant for or recipient of an 4897  
exemption under this section, and any information taken for any 4898  
purpose from such statements or information, are not public 4899  
records subject to section 149.43 of the Revised Code. However, 4900  
the chairperson of the authority may make use of the statements 4901  
and other information for purposes of issuing public reports or 4902  
in connection with court proceedings concerning tax exemption 4903  
agreements under this section. Upon the request of the tax 4904  
commissioner, the chairperson of the authority shall provide to 4905  
the tax commissioner any statement or other information 4906  
submitted by an applicant for or recipient of an exemption under 4907  
this section. The tax commissioner shall preserve the 4908

(I) The tax commissioner shall issue a direct payment 4910  
permit under section 5739.031 of the Revised Code to each 4911

payment permit shall authorize the taxpayer to pay any sales and 4913  
use taxes due on purchases of computer data center equipment 4914  
used or to be used in an eligible computer data center and to 4915  
pay any sales and use taxes due on purchases of tangible 4916  
personal property or taxable services other than computer data 4917  
center equipment used or to be used in an eligible computer data 4918  
center directly to the tax commissioner. Each such taxpayer 4919  
shall pay pursuant to such direct payment permit all sales tax 4920  
levied on such purchases under sections 5739.02, 5739.021, 4921  
5739.023, and 5739.026 of the Revised Code and all use tax 4922

commissioner a return that shows the amount of computer data 4928  
center equipment purchased for use at the eligible computer data 4929  
center, the amount of tangible personal property and taxable 4930  
services other than computer data center equipment purchased for 4931  
use at the eligible computer data center, the amount of tax 4932  
under Chapter 5739. or 5741. of the Revised Code that would be 4933  
due in the absence of the agreement under this section, the 4934  
exemption percentage for computer data center equipment 4935  
specified in the agreement, and the amount of tax due under 4936  
Chapter 5739. or 5741. of the Revised Code as a result of the 4937  
agreement under this section. Each such taxpayer shall pay the 4938  
tax shown on the return to be due in the manner and at the times 4939  
as may be further prescribed by the tax commissioner. Each such 4940  
taxpayer shall include a copy of the director of ~~development-~~ 4941  
~~services'~~ housing and development's certificate of verification 4942  
issued under division (E) (6) of this section. Failure to submit 4943

a copy of the certificate with the return does not invalidate 4944  
the claim for exemption if the taxpayer submits a copy of the 4945  
certificate to the tax commissioner within the time prescribed 4946  
by section 5703.0510 of the Revised Code. 4947

(J) If the director of housing and development services— 4948  
determines that one or more taxpayers received an exemption from 4949  
taxes due on the purchase of computer data center equipment 4950  
purchased for use at a computer data center that no longer 4951  
complies with the requirement under division (E)(3) of this 4952  
section, the director shall notify the tax credit authority and, 4953  
if applicable, the taxpayer that applied to enter the agreement 4954  
for the exemption under division (C) of this section of the 4955  
noncompliance. After receiving such a notice, and after giving 4956  
each taxpayer subject to the agreement an opportunity to explain 4957  
the noncompliance, the authority may terminate the agreement and 4958  
require each such taxpayer to pay to the state all or a portion 4959  
of the taxes that would have been owed in regards to the exempt 4960  
equipment in previous years, all as determined under rules 4961  
adopted pursuant to division (K) of this section. In determining 4962  
the portion of the taxes that would have been owed on the 4963  
previously exempted equipment to be paid to this state by a 4964  
taxpayer, the authority shall consider the effect of market 4965  
conditions on the eligible computer data center, whether the 4966  
taxpayer continues to maintain other operations in this state, 4967  
and, with respect to agreements involving multiple taxpayers, 4968  
the taxpayer's level of responsibility for the noncompliance. 4969  
After making the determination, the authority shall certify to 4970  
the tax commissioner the amount to be paid by each taxpayer 4971  
subject to the agreement. The tax commissioner shall make an 4972  
assessment for that amount against each such taxpayer under 4973  
Chapter 5739. or 5741. of the Revised Code. The time limitations 4974

on assessments under those chapters do not apply to an 4975  
assessment under this division, but the tax commissioner shall 4976  
make the assessment within one year after the date the authority 4977  
certifies to the tax commissioner the amount to be paid by the 4978  
taxpayer. 4979

(K) The director of housing and development~~services~~, 4980  
after consultation with the tax commissioner and in accordance 4981  
with Chapter 119. of the Revised Code, shall adopt rules 4982

administration of this section. The fees collected shall be 4986  
credited to the tax incentives operating fund created in section 4987  
122.174 of the Revised Code. At the time the director gives 4988  
public notice under division (A) of section 119.03 of the 4989  
Revised Code of the adoption of the rules, the director shall 4990  
submit copies of the proposed rules to the chairpersons of the 4991  
standing committees on economic development in the senate and 4992  
the house of representatives. 4993

director of housing and development ~~services~~ shall submit a 4995

authority and another taxpayer or group of taxpayers. In such a 5007  
case, the taxpayer shall be entitled to all benefits and bound 5008  
by all obligations contained in the agreement and all 5009  
requirements described in this section. When an agreement 5010  
includes multiple taxpayers, each taxpayer shall be entitled to 5011  
a direct payment permit as authorized in division (I) of this 5012  
section. 5013

**Sec. 122.4024.** The department of housing and development ~~services agency~~ shall establish an automatic notification process through which interested parties may receive electronic mail notifications when the ~~agency~~ department publishes application and other information on its web site pursuant to sections 122.40 to 122.4077 of the Revised Code.

**Sec. 122.4030.** (A) As used in section 122.4023 and sections 122.4030 to 122.4035 of the Revised Code, "challenging provider" means either of the following:

shall provide, by electronic mail or such other means as may be 7074  
established by the department, a complete copy of such challenge 7075  
to the applicant whose application is the subject of a 7076  
challenge. 7077

(C) No challenge to an application may be accepted before 7078

department's web site pursuant to division (C)(2) of section 7080  
122.4019 of the Revised Code. 7081

**Sec. 122.4031.** (A) To successfully challenge an 7082  
application, a challenging provider shall provide sufficient 7083

demonstrating that all or part of a project under the 7085  
application is ineligible for a grant. The challenge shall, at 7086

(2) Sufficient evidence attesting to the challenging 7091  
provider's existing or planned offering of tier two broadband 7092  
service to all or part of the eligible project, which evidence 7093  
shall include the following: 7094

(a) With regard to existing tier two broadband service, a 7095  
signed, notarized statement submitted by the challenging 7096

provider that sufficiently identifies the part of the eligible 7097

service and the aggregate number of eligible addresses to which 7099  
the challenging provider offers tier two broadband service; 7100

(b) With regard to the planned provision of tier two 7101  
broadband service by a challenging provider as described in 7102  
division (B) of section 122.4016 of the Revised Code, both of 7103  
the following: 7104

(ii) A summary of the construction efforts that includes 7109  
the dates when tier two broadband construction is expected to be 7110

(B) To demonstrate that all or part of a project under the 7113  
application is ineligible for a grant, a challenging provider 7114  
shall present shapefile data and residential addresses 7115  
identifying each challenged residential address and the basis 7116

shall not be acceptable as evidence of ineligibility of all or 7118  
part of a project. 7119

(C) The department shall reject any challenge regarding a 7120  
residential address where the provision of tier two broadband 7121  
service is planned to be provided if the challenging provider 7122  
has also submitted an application for funding for the same 7123  
residential address. 7124

**Sec. 122.4032.** If an application filed during an 7125

application submission period established by the department of 7126  
housing and development under section 122.4019 of the Revised 7127  
Code is not challenged pursuant to sections 122.4030 to 122.4035 7128  
of the Revised Code, the lack of a challenge does not do either 7129  
of the following: 7130

(A) Create a presumption that residential addresses 7131  
included in an application submitted in a subsequent submission 7132  
period are eligible addresses under the Ohio residential 7133  
broadband expansion grant program; 7134

(B) Prohibit a challenging provider from filing a 7135  
challenge to an application that is being refiled during a 7136

or part of the application; 7143

(2) Reject the challenge, approve the application, and 7144  
proceed with the application process. 7145

(B) The authority shall allow the broadband provider that 7146  
submitted the application being challenged to revise the 7147  
application consistent with sections 122.40 to 122.4077 of the 7148  
Revised Code, if the authority upholds a challenge to all or 7149  
part of the application. 7150

(C) The authority shall notify both the broadband provider 7151  
that submitted the application and the challenging provider of 7152  
any decision made under this section by providing a copy of the 7153  
decision by certified mail or electronic mail. The authority 7154

shall update the status of the application on the department of 7155  
housing and development ~~services agency~~ web site. 7156

**Sec. 122.4034.** (A) If the broadband expansion program 7157  
authority suspends all or part of an application, the broadband 7158  
provider that submitted the application may revise and resubmit 7159  
the application not later than fourteen days after receiving the 7160  
suspension notification sent by the authority pursuant to 7161  
section 122.4033 of the Revised Code. The broadband provider may 7162  
request, and the authority may grant for good cause shown, an 7163  
extension period of not more than fourteen days in which the 7164  
broadband provider may resubmit the application. 7165

(B) When revising the application, the broadband provider 7166  
shall not expand the scope or impact of the original 7167  
application, nor shall the provider add any new residential 7168  
addresses to the eligible project. 7169

(C) The broadband provider shall provide a copy of the 7170  
revised application to the authority by electronic mail or by 7171  
uploading it to the department of housing and development's 7172  
designated web site for applications. The department shall 7173  
publish the revised application on the department's public web 7174  
site and provide the application to the challenging provider by 7175  
electronic mail or such other means as may be established by the 7176  
department, provided that any information determined to be 7177  
proprietary or a trade secret under section 122.4023 of the 7178  
Revised Code is redacted. 7179

(D) Any failure to respond to the notification or properly 7180  
revise the application to the authority's satisfaction shall be 7181  
considered a withdrawal of the application. 7182

**Sec. 122.4035.** Upon receipt of a revised application under 7183

section 122.4034 of the Revised Code, the broadband expansion 7184  
program authority shall review the revised application and 7185  
decide whether to accept it or uphold the challenge under 7186  
sections 122.4030 to 122.4035 of the Revised Code within 7187  
fourteen days. The authority shall provide a copy of its 7188  
decision to both the broadband provider that submitted the 7189  
revised application and the challenging provider by certified 7190  
mail or electronic mail and shall update the status of the 7191  
application on the ~~development services agency's~~ department of 7192  
housing and development's web site. The decision shall be 7193  
considered final, and further challenges to the revised 7194  
application are prohibited. 7195

**Sec. 122.4036.** If the broadband expansion program 7196  
authority upholds a challenge to an application under sections 7197  
122.4030 to 122.4035 of the Revised Code and the challenging 7198  
provider fails to provide tier two broadband service as 7199  
described in the challenge, the challenging provider, after a 7200  
reasonable opportunity to be heard, may be required to do either 7201  
or both of the following, in addition to being subject to other 7202  
remedies available under the law: 7203

(A) Pay to the department of housing and development 7204  
~~services agency~~ the amount of the original broadband funding gap 7205

deposited into the Ohio residential broadband expansion grant 7215  
program fund, which is hereby created in the state treasury. All 7216  
amounts in the fund, including interest earned on those amounts, 7217  
shall be used by the department of housing and development 7218

Revised Code. 7220

**Sec. 122.4040.** The department of housing and development, 7221  
in consultation with the broadband expansion program authority, 7222  
shall establish a scoring system to evaluate and select 7223  
applications for program grants. The scoring system shall be 7224  
available on the department's web site at least thirty days 7225  
before the beginning of the application submission period set by 7226  
the department by rule. A description of any differences in 7227  
application, scoring system, or other program requirements 7228  
adopted under division (C) of section 122.4017 of the Revised 7229  
Code shall be available with the application on the department's 7230

application submission period. 7232

**Sec. 122.4043.** (A) The broadband expansion program 7233  
authority shall award program grants under the Ohio residential 7234  
broadband expansion grant program after reviewing applications 7235  
sent to the authority by the department of housing and 7236  
~~development services agency~~. Awards shall be granted after the 7237  
authority scores applications based on the scoring system under 7238  
sections 122.4040 and 122.4041 of the Revised Code. 7239

(B) In awarding program grants, the authority shall 7240  
consider all regulatory obligations under applicable law. The 7241  
authority may not consider any of the following: 7242

(1) Proposed project conditions that require open access 7243

networks or that establish a specific rate, service, or other 7244  
obligation not specified for the Ohio residential broadband 7245  
expansion grant program; 7246

(2) Factors that would constrain a broadband provider that 7247  
receives a grant from offering or providing tier two broadband 7248  
service in the same manner as the service is offered by 7249  
broadband providers in other areas of the state without funding 7250  
from the Ohio residential broadband expansion grant program. 7251

(C) Upon making the program grant awards, the authority 7252  
shall notify the broadband providers that submitted applications 7253  
of the award decisions. The authority shall publish the program 7254  
grant awards on the ~~agency's~~ department's web site. 7255

**Sec. 122.4044.** After the broadband expansion program 7256

the ~~agency~~ department by rules adopted under section 122.4077 of 7266  
the Revised Code. 7267

(C) The remaining portion shall be disbursed not later 7268  
than sixty days after the broadband provider notifies the 7269  
authority that it has completed construction of the project. 7270

**Sec. 122.4045.** (A) The department of housing and 7271  
development may, through an independent third party, conduct 7272

speed verification tests of an eligible project that receives a program grant. Such tests shall occur as follows:

(B) To evaluate compliance with tier two broadband service standards, speed verification tests conducted under this section shall be conducted on at least two different days and at two different times on each of those days.

(C) The ~~agency~~ department may withhold payments under this section for failure to meet at least the minimum speeds required under division (A) (8) of section 122.4020 of the Revised Code. Payments may be held until such speeds are achieved.

**Sec. 122.4046.** (A) If the department of housing and development ~~services~~ ~~agency~~ determines that a broadband provider that has been awarded a program grant under the Ohio residential broadband expansion grant program has not complied with the requirements of the program, the ~~agency~~ department shall notify the provider of the noncompliance. In accordance with rules adopted by the ~~agency~~ department under section 122.4077 of the Revised Code, the ~~agency~~ department shall give the provider an opportunity to explain or cure the noncompliance.

(B) After reviewing the broadband provider's explanation or effort to cure the noncompliance, the following shall apply:

residential broadband expansion grant program. 7349

**Sec. 122.4063.** (A) Nothing in sections 122.40 to 122.4077 7350

of housing and development ~~services agency~~, the broadband 7352  
expansion program authority, or any other governmental entity to 7353  
any ownership or other rights to broadband infrastructure 7354

similar transaction associated with broadband infrastructure 7359  
constructed by a broadband provider pursuant to a program grant 7360  
awarded to an eligible project. No assignment, sale, change in 7361

them shall be in a format specified by the department of housing 7377  
and development and shall be publicly available on the 7378  
department's web site. 7379

(B) In each report, the broadband provider shall include 7380

housing and development for approval of the release of moneys 8444  
from its program reserve account. 8445

(B) The claim may include the amount of principal plus 8446  
accrued interest owed. The amount of principal included in the 8447  
claim may not exceed the principal amount covered by the 8448

may not exceed the accrued interest attributable to the covered 8450  
principal amount. 8451

(C) The participating financial institution shall 8452  
determine the timing and amount of delinquency on a capital 8453  
access loan in a manner consistent with the participating 8454  
financial institution's normal method for making these 8455  
determinations on similar nonprogram loans. 8456

(D) If the participating financial institution files two 8457  
or more claims at the same time or approximately the same time 8458  
and there are insufficient funds in its program reserve account 8459  
at that time to cover the entire amount of the claims, the 8460  
participating financial institution may specify an order of 8461  
priority in which the department shall approve the release of 8462  
funds from the account in relation to the claims. 8463

(E) If subsequent to the payment of a claim, a 8464

participating financial institution recovers from an eligible 8465  
business any amount covered by the paid claim, the participating 8466  
financial institution shall promptly deposit the amount 8467  
recovered into its program reserve account, less any reasonable 8468  
expenses incurred. 8469

series as a separate tax credit-eligible production. A 10438  
production company shall apply for certification of a motion 10439

Within ninety days after certification of a motion picture	10479
or Broadway theatrical production as a tax credit-eligible	10480
production, and any time thereafter upon the request of the	10481
director, the production company shall present to the director	10482
sufficient evidence of reviewable progress. If the production	10483
company fails to present sufficient evidence, the director may	10484
rescind the certification. If the production of a motion picture	10485
or Broadway theatrical production does not begin within ninety	10486
days after the date it is certified as a tax credit-eligible	10487
production, the director shall rescind the certification unless	10488
the director finds that the production company shows good cause	10489
for the delay, meaning that the production was delayed due to	10490
unforeseeable circumstances beyond the production company's	10491
control or due to action or inaction by a government agency.	10492
Upon rescission, the director shall notify the applicant that	10493
the certification has been rescinded. Nothing in this section	10494
prohibits an applicant whose tax credit-eligible production	10495
certification has been rescinded from submitting a subsequent	10496
application for certification.	10497
(C) (1) A production company whose motion picture or	10498
Broadway theatrical production has been certified as a tax	10499

credit-eligible production may apply to the director of housing 10500  
and development on or after July 1, 2009, for a refundable 10501  
credit against the tax imposed by section 5726.02, 5733.06, 10502  
5747.02, or 5751.02 of the Revised Code. The director in 10503  
consultation with the tax commissioner shall prescribe the form 10504  
and manner of the application and the information or 10505  
documentation required to be submitted with the application. 10506

The credit is determined as follows: 10507

(a) If the total budgeted eligible expenditures stated in 10508  
the application submitted under division (B) of this section or 10509  
the actual eligible expenditures as finally determined under 10510  
division (D) of this section, whichever is least, is less than 10511  
or equal to three hundred thousand dollars, no credit is 10512  
allowed; 10513

(b) If the total budgeted eligible expenditures stated in 10514  
the application submitted under division (B) of this section or 10515  
the actual eligible expenditures as finally determined under 10516  
division (D) of this section, whichever is least, is greater 10517  
than three hundred thousand dollars, the credit equals thirty 10518  
per cent of the least of such budgeted or actual eligible 10519  
expenditure amounts. 10520

(2) Except as provided in division (C) (4) of this section, 10521  
if the director of housing and development approves a production 10522  
company's application for a credit, the director shall issue a 10523  
tax credit certificate to the company. The director in 10524  
consultation with the tax commissioner shall prescribe the form 10525  
and manner of issuing certificates. The director shall assign a 10526  
unique identifying number to each tax credit certificate and 10527  
shall record the certificate in a register devised and 10528  
maintained by the director for that purpose. The certificate 10529

shall state the amount of the eligible expenditures on which the credit is based and the amount of the credit. Upon the issuance of a certificate, the director shall certify to the tax commissioner the name of the production company to which the certificate was issued, the amount of eligible expenditures shown on the certificate, the amount of the credit, and any other information required by the rules adopted to administer this section.

(3) The amount of eligible expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Once the eligible expenditures are finally determined under section 5703.19 of the Revised Code and division (D) of this section, the credit amount is not subject to adjustment unless the director determines an error was committed in the computation of the credit amount.

(4) No tax credit certificate may be issued before the completion of the tax credit-eligible production. The amount of tax credit allowed per fiscal year shall not exceed the sum of (a) fifty million dollars, (b) the difference between the maximum credit amount for that fiscal year under section 122.852 of the Revised Code and the amount the director of housing and development elects to allow under this section pursuant to division (D)(1) of section 122.852 of the Revised Code, and (c) the difference between the maximum amount of credits that could have been awarded in the previous fiscal year under this section and the amount actually awarded. Out of that sum, five million dollars shall be reserved for Broadway theatrical productions, and the balance may be allowed for any tax credit-eligible production. For any fiscal year in which less than five million

dollars of tax credits are allowed for Broadway theatrical productions, the amount of the five million dollars not allowed and added to the maximum annual amount for the following fiscal year shall be reserved for Broadway theatrical productions in the following fiscal year.

(5) The director shall review and approve applications for tax credits in two rounds each fiscal year. The first round of credits shall be awarded not later than the last day of July of the fiscal year, and the second round of credits shall be awarded not later than the last day of the ensuing January. The amount of credits awarded in the first round of applications each fiscal year shall not exceed one-half of the maximum allowance for the fiscal year calculated under division (C) (4) of this section, two million five hundred thousand dollars of which shall be reserved for Broadway theatrical productions. For each round, the director shall rank applications on the basis of the extent of positive economic impact each tax credit-eligible production is likely to have in this state and the effect on developing a permanent workforce in motion picture or theatrical production industries in the state. For the purpose of such ranking, the director shall give priority to tax-credit eligible productions that are television series or miniseries due to the long-term commitment typically associated with such productions. The economic impact ranking shall be based on the production company's total expenditures in this state directly associated with the tax credit-eligible production. The effect on developing a permanent workforce in the motion picture or theatrical production industries shall be evaluated first by the number of new jobs created and second by amount of payroll added with respect to employees in this state.

The director shall approve productions in the order of

their ranking, from those with the greatest positive economic 10592  
impact and workforce development effect to those with the least 10593  
positive economic impact and workforce development effect. 10594

(D) A production company whose motion picture or Broadway 10595  
theatrical production has been certified as a tax credit- 10596  
eligible production shall engage, at the company's expense, an 10597  
independent certified public accountant to examine the company's 10598  
production, postproduction, and advertising and promotion 10599  
expenditures to identify the expenditures that qualify as 10600  
eligible expenditures. The certified public accountant shall 10601  
issue a report to the company and to the director of housing and 10602  
development certifying the company's eligible expenditures and 10603  
any other information required by the director. Upon receiving 10604  
and examining the report, the director may disallow any 10605  
expenditure the director determines is not an eligible 10606  
expenditure. If the director disallows an expenditure, the 10607  
director shall issue a written notice to the production company 10608  
stating that the expenditure is disallowed and the reason for 10609  
the disallowance. Upon examination of the report and 10610  
disallowance of any expenditures, the director shall determine 10611  
finally the lesser of the total budgeted eligible expenditures 10612  
stated in the application submitted under division (B) of this 10613  
section or the actual eligible expenditures for the purpose of 10614  
computing the amount of the credit. 10615

(E) No credit shall be allowed under section 5726.55, 10616  
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 10617  
director has reviewed the report and made the determination 10618  
prescribed by division (D) of this section. 10619

(F) This state reserves the right to refuse the use of 10620  
this state's name in the credits of any tax credit-eligible 10621

motion picture production or program of any Broadway theatrical production. 10622  
10623

(G) (1) The director of housing and development in 10624  
consultation with the tax commissioner shall adopt rules for the 10625  
administration of this section, including rules setting forth 10626  
and governing the criteria for determining whether a motion 10627  
picture or Broadway theatrical production is a tax credit- 10628  
eligible production; activities that constitute the production 10629  
or postproduction of a motion picture or Broadway theatrical 10630  
production; reporting sufficient evidence of reviewable 10631  
progress; expenditures that qualify as eligible expenditures; a 10632  
schedule and deadlines for applications to be submitted and 10633  
reviewed; a competitive process for approving credits based on 10634  
likely economic impact in this state and development of a 10635  
permanent workforce in motion picture or theatrical production 10636  
industries in this state; consideration of geographic 10637  
distribution of credits; and implementation of the program 10638  
described in division (H) of this section. The rules shall be 10639  
adopted under Chapter 119. of the Revised Code. 10640

(2) To cover the administrative costs of the program, the 10641  
director shall require each applicant to pay an application fee 10642  
equal to the lesser of ten thousand dollars or one per cent of 10643  
the estimated value of the tax credit as stated in the 10644  
application. The fees collected shall be credited to the tax 10645  
incentives operating fund created in section 122.174 of the 10646  
Revised Code. All grants, gifts, fees, and contributions made to 10647  
the director for marketing and promotion of the motion picture 10648  
industry within this state shall also be credited to the fund. 10649

(H) The director of housing and development shall 10650  
establish a program for the training of Ohio residents who are 10651

or wish to be employed in the film or multimedia industry. Under 10652  
the program, the director shall: 10653

(1) Certify individuals as film and multimedia trainees. 10654  
In order to receive such a certification, an individual must be 10655  
an Ohio resident, have participated in relevant on-the-job 10656  
training or have completed a relevant training course approved 10657  
by the director, and have met any other requirements established 10658  
by the director. 10659

(2) Accept applications from production companies that 10660  
intend to hire and provide on-the-job training to one or more 10661  
certified film and multimedia trainees who will be employed in 10662  
the company's tax credit-eligible production; 10663

(3) Upon completion of a tax-credit eligible production, 10664  
and upon the receipt of any salary information and other 10665  
documentation required by the director, authorize a 10666  
reimbursement payment to each production company whose 10667  
application was approved under division (H) (2) of this section. 10668  
The payment shall equal fifty per cent of the salaries paid to 10669  
film and multimedia trainees employed in the production. 10670

longer qualifies for certification, the director shall issue a 10731  
written notice of revocation to the venture capital operating 10732  
company and the tax commissioner. The notice shall state the 10733  
effective date of the revocation, which shall be the date the 10734

(2) (a) and (b) of this section attributable to each individual 10795

Revised Code. A pass-through entity that receives a certificate 10806  
issued under this division from an Ohio venture capital 10807

accordance with Chapter 119. of the Revised Code as are 10821  
necessary to administer this section. 10822

**Sec. 122.852.** (A) As used in this section: 10823

(1) "Capital improvement project" means a project that 10824  
consists of acquiring, constructing, rehabilitating, repairing, 10825  
redeveloping, expanding, or improving facilities located, or 10826  
equipment used in this state for production and postproduction 10827  
of motion pictures or Broadway theatrical productions. 10828

(2) "Qualified expenditures" means expenditures incurred 10829  
by a production company after June 30, 2023, for goods and 10830  
services purchased and consumed directly for a capital 10831  
improvement project. "Qualified expenditures" include accounting 10832  
or auditing expenditures incurred in connection with the report 10833  
required by division (F) of this section if paid to an 10834  
independent certified public accountant certified, or an 10835  
accounting firm registered under Chapter 4701. of the Revised 10836  
Code. "Qualified expenditures" do not include eligible 10837  
expenditures for which a production company received a tax 10838  
credit under section 122.85 of the Revised Code. 10839

(3) "Certificate owner" means a production company to 10840  
which a tax credit certificate is issued under division (H) of 10841

(4) "Production company," "eligible expenditures," "motion 10844  
picture," and "broadway theatrical production" have the same 10845  
meanings as in section 122.85 of the Revised Code. 10846

(B) For the purpose of encouraging and developing strong 10847  
film and theater industries in this state, the director of 10848  
housing and development may award a refundable credit against 10849  
the tax imposed by section 5726.02, 5747.02, or 5751.02 of the 10850  
Revised Code to a production company that completes a capital 10851  
improvement project expected to have a positive economic impact 10852  
in this state as a whole, or in any community in this state in 10853  
which the facilities or equipment involved in the project are or 10854  
will be located. A production company may apply to the director 10855  
for a credit on a form and in the manner prescribed by rules 10856  
adopted under division (J) of this section. An application may 10857  
be submitted before, during, or after completion of the capital 10858

improvement project, but not sooner than July 1, 2024, and shall 10859  
include all of the following information: 10860

(1) The name, address, telephone number, and taxpayer 10861  
identification number of the production company; 10862

(2) A detailed description of the capital improvement 10863  
project including the location of the facilities or equipment 10864  
involved in the project and an explanation of how those 10865  
facilities or equipment are intended to be used in the 10866  
production or postproduction of motion pictures or Broadway 10867  
theatrical productions in this state; 10868

(3) (a) If the capital improvement project is complete at 10869  
the time the application is submitted, a schedule documenting 10870  
the progression of the project from its commencement to its 10871  
completion; 10872

(b) If the capital improvement project is not complete at 10873  
the time the application is submitted, a schedule for the 10874  
progression, completion, and, if applicable, commencement of the 10875  
project. 10876

(4) An estimate of the amount of the project's qualified 10877  
expenditures that have been or will be incurred by the 10878  
production company and, if the project is not complete at the 10879  
time the application is submitted, documentation of the 10880  
company's financial ability to complete the project, including 10881  
documentation that shows the company has secured funding, other 10882  
than the tax credit authorized by this section, equal to at 10883  
least fifty per cent of the total cost of the project; 10884

(5) The estimated credit amount, which shall equal the 10885  
lesser of five million dollars or twenty-five per cent of the 10886  
production company's estimated qualified expenditures; 10887

(6) The estimated economic impact of the capital 10888  
improvement project in this state as a whole, and in any 10889  
community in this state in which the facilities or equipment 10890  
involved in the project are or will be located; 10891

(7) Any other information considered necessary by the 10892  
director. 10893

(C) The director shall review, evaluate, and approve 10894  
applications in one round per fiscal year. For each round, the 10895  
director shall rank applications on the basis of the capital 10896  
improvement project's likely positive economic impact and effect 10897  
on developing a permanent workforce in motion picture or 10898  
theatrical production industries in the state as a whole, and in 10899  
any community in this state in which the facilities or equipment 10900  
involved in the project are or will be located. The effect on 10901  
developing a permanent workforce in the motion picture or 10902  
theatrical production industries shall be evaluated first by the 10903  
number of new jobs created and second by amount of payroll added 10904  
with respect to employees in this state. Subject to division (D) 10905  
(2) of this section, the director shall approve applications in 10906  
the order of their ranking, from those with the greatest 10907  
positive economic impact and workforce development effect to 10908  
those with the least positive economic impact and workforce 10909  
development effect. The director shall not approve an 10910  
application or issue a tax credit certificate for a capital 10911  
improvement project that is not likely to have a positive 10912  
economic impact or workforce development impact in either the 10913  
state as a whole, or any community in this state in which the 10914  
facilities or equipment involved in the project are or will be 10915  
located. 10916

(D) (1) The director shall not approve more than twenty- 10917

five million dollars in estimated tax credits in total per 10918  
fiscal year provided that, for any fiscal year in which the 10919  
amount of estimated credits approved under this section is less 10920  
than the maximum annual amount, the amount not approved for that 10921  
fiscal year shall be added to the maximum annual amount that may 10922  
be approved for the following fiscal year. 10923

If the director rescinds approval of a capital improvement 10924  
project under division (E) (2) of this section, the estimated 10925  
credit amount attributed to that project shall be added back to 10926  
the maximum total annual credit amount for that fiscal year. If 10927  
the actual credit amount computed under division (H) of this 10928  
section is less than the estimated credit amount approved by the 10929  
director, the difference shall be added back to the maximum 10930  
total annual credit amount for that fiscal year. 10931

In any fiscal year, the director may reduce the maximum 10932  
amount calculated under division (D) (1) of this section and 10933  
increase the maximum amount calculated under division (C) (4) of 10934  
section 122.85 of the Revised Code by the amount of that 10935  
reduction. 10936

(2) The director shall not approve more than five million 10937  
dollars in estimated tax credits per fiscal year for capital 10938  
improvement projects located in any single county. 10939

(E) (1) Within ninety days after the director of housing 10940  
and development approves a capital improvement project that was 10941  
not complete at the time of the production company's 10942  
application, the production company shall submit sufficient 10943  
evidence of reviewable progress to the director. The director 10944  
may request additional updates from the production company 10945  
regarding the progression of the project as often as the 10946  
director considers necessary until the project is complete or 10947

approval of the project is rescinded. The production company 10948  
shall respond to each such request within thirty days. 10949

(2) The director may rescind approval of a capital 10950  
improvement project if the production company fails to timely 10951  
submit evidence of reviewable progress or respond to the 10952  
director's request for a project update, as required by division 10953  
(E) (1) of this section, or if the director determines that the 10954  
progression of the project is significantly behind the schedule 10955  
submitted in the tax credit application. The director shall 10956  
rescind approval of a project that does not begin within ninety 10957  
days after the date the application is approved unless the 10958  
production company shows good cause for the delay, meaning that 10959  
the project was delayed due to unforeseeable circumstances 10960  
beyond the production company's control or due to action or 10961  
inaction by a government agency. 10962

(3) The director shall notify the production company upon 10963  
rescinding approval of a capital improvement project. Nothing in 10964  
this section prohibits the production company from reapplying 10965  
for approval of the same capital improvement project. 10966

(F) (1) A production company whose capital improvement 10967  
project is approved by the director of housing and development 10968  
shall engage, at the company's expense, an independent certified 10969  
public accountant to examine the company's qualified 10970  
expenditures. Within ninety days after the director approves the 10971  
project or within ninety days after a project approved by the 10972  
director is complete, whichever is later, the certified public 10973  
accountant shall issue a report to the company and to the 10974  
director that includes all of the following: 10975

(a) The amount of the company's actual qualified 10976  
expenditures; 10977

(b) Completed copies of all accounting and auditing forms	10978
required by the director in connection with the capital	10979
improvement project;	10980
(c) An itemized review of all contract and expense items	10981
of ten thousand dollars or more that are reported as qualified	10982
expenditures;	10983
(d) An itemized review of at least one-half of the	10984
contract and expense items of less than ten thousand dollars	10985
that are reported as qualified expenditures, both in terms of	10986
the total number of such contracts and items and the total	10987
amount of qualified expenditures reported for such contracts and	10988
items;	10989
(e) Certification that all goods and services reported as	10990
qualified expenditures were purchased and consumed in this	10991
state.	10992
(2) Upon receiving and examining the report, the director	10993
may disallow any expenditure the director determines is not a	10994
qualified expenditure. If the director disallows an expenditure,	10995
the director shall issue a written notice to the production	10996
company stating that the expenditure is disallowed and the	10997
reason for the disallowance. Upon examination of the report and	10998
disallowance of any expenditures, the director shall determine	10999
the production company's actual qualified expenditures for the	11000
purpose of computing the amount of the credit.	11001
(3) Qualified expenditures reported by the production	11002
company are subject to inspection and examination by the tax	11003
commissioner or employees of the commissioner under section	11004
5703.19 of the Revised Code and any other applicable law. Once	11005
the qualified expenditures are finally determined under division	11006

(F) (2) of this section, the credit amount is not subject to 11007  
adjustment unless the director determines an error was committed 11008  
in the computation of the credit amount. 11009

(G) After reviewing the report and making the 11010  
determination prescribed by division (F) of this section, the 11011  
director of housing and development shall issue a tax credit 11012  
certificate to the production company. The director, in 11013  
consultation with the tax commissioner, shall prescribe the form 11014  
and manner of issuing certificates. The director shall assign a 11015  
unique identifying number to each tax credit certificate and 11016  
shall record the certificate in a register devised and 11017  
maintained by the director for that purpose. The certificate 11018  
shall state the amount of the credit and the amount of the 11019  
qualified expenditures upon which the credit is based. Upon 11020  
issuance of a certificate, the director shall certify to the tax 11021  
commissioner the name of the production company to which the 11022  
certificate was issued, the amount of qualified expenditures 11023  
shown on the certificate, the amount of the credit, and any 11024  
other information required by the rules adopted to administer 11025  
this section. 11026

(H) The credit amount stated on the tax credit certificate 11027  
shall equal the lesser of the following: 11028

(1) Twenty-five per cent of the production company's 11029  
actual qualified expenditures, as determined by the director of 11030  
housing and development under division (F) of this section; 11031

(2) The estimated credit amount specified in the 11032  
production company's tax credit application under division (B) 11033  
(5) of this section; 11034

(3) Five million dollars. 11035

(I) (1) A production company to which a tax credit certificate is issued under division (H) of this section may transfer the authority to claim all or a portion of the amount of the tax credit the production company is authorized to claim pursuant to that certificate under section 5726.59, 5747.67, or 5751.55 of the Revised Code to one or more other persons. Within thirty days after a transfer under this division, the production company shall submit the following information to the director of housing and development, on a form prescribed by the director:

(a) Information necessary for the director to identify the certificate that is the basis for the transfer;

(b) The portion or amount of the tax credit transferred to each transferee;

(c) The portion or amount of the tax credit that the production company retains the authority to claim;

(d) The tax identification number of each transferee;

(e) The date of the transfer;

(f) Any other information required by the director;

(g) Any information required by the tax commissioner.

The director shall deliver a copy of any submission received under division (I) (1) of this section to the tax commissioner.

(2) A transferee may not claim a credit under section 5726.59, 5747.67, or 5751.55 of the Revised Code unless and until the transferring production company complies with division (I) (1) of this section. A transferee may claim the transferred amount of any credit or portion of a credit for the same taxable

year or tax period for which the transferring production company 11064  
was authorized to claim the credit or portion of a credit 11065  
pursuant to the certificate. A production company shall make no 11066  
transfer under division (I)(1) of this section after the last 11067  
day of the tax period or taxable year for which the production 11068  
company is required to claim the credit pursuant to the 11069  
certificate. 11070

A production company may make not more than one transfer 11071  
under division (I)(1) of this section for each tax credit 11072  
certificate, but pursuant to that transaction, may allocate the 11073  
authority to claim a portion of the credit to more than one 11074  
transferee. A production company may not authorize more than one 11075  
transferee to claim the same portion of a credit. No transferee 11076  
may transfer the right to claim the credit to another person. 11077

(J) The director of housing and development, in 11078  
consultation with the tax commissioner, shall adopt rules in 11079  
accordance with Chapter 119. of the Revised Code for the 11080  
administration of this section, including rules setting forth 11081  
and governing the criteria for reporting sufficient evidence of 11082  
reviewable progress; expenditures that are qualified 11083  
expenditures; a schedule and deadlines for applications to be 11084  
submitted and reviewed; a competitive process for approving 11085  
credits based on likely economic impact and development of a 11086  
permanent workforce in motion picture or theatrical production 11087  
industries; and consideration of geographic distribution of 11088  
credits. 11089

To cover the administrative costs of the program, the 11090  
director shall require each applicant to pay an application fee 11091  
equal to the lesser of ten thousand dollars or one per cent of 11092  
the estimated value of the tax credit as stated in the 11093

application. The fees collected shall be credited to the tax 11094  
incentives operating fund created in section 122.174 of the 11095  
Revised Code. 11096

The lease shall contain a provision that construction or 12489  
renovation of the buildings, roads, structures, and other 12490

department, division, bureau, office, unit, board, commission, 12526  
authority, quasi-governmental entity, or institution. The 12527  
department may require minimum energy efficiency standards for 12528  
purchased products and equipment based on federal testing and 12529

labeling if available or on standards developed by the 12530  
department. When possible, the rules shall apply to the 12531

each fiscal year, except for those passenger automobiles 12558  
acquired for use in law enforcement or emergency rescue work, 12559  
achieve a fleet average fuel economy of not less than the fleet 12560  
average fuel economy for that fiscal year as the department 12561  
shall prescribe by rule. The department shall adopt the rule 12562  
prior to the beginning of the fiscal year, in accordance with 12563

number of passenger vehicles acquired during the fiscal year, 12571  
except for those passenger vehicles acquired for use in law 12572  
enforcement or emergency rescue work, by a sum of terms, each of 12573  
which is a fraction created by dividing the number of passenger 12574  
vehicles of a given make, model, and year, except for passenger 12575  
vehicles acquired for use in law enforcement or emergency rescue 12576  
work, acquired during the fiscal year by the fuel economy 12577  
measured by the administrator of the United States environmental 12578  
protection agency, for the given make, model, and year of 12579  
vehicle, that constitutes an average fuel economy for combined 12580  
city and highway driving. 12581

appraiser. 12596

benefit of an institution of higher education, provided all of 12598  
the following are true: 12599

(i) The board of trustees of the institution of higher 12600  
education, or, in the case of a university branch district, any 12601

sale; 12603

(ii) The real property is appraised at not more than ten 12604  
million dollars by an independent third-party appraiser; 12605

(iii) The controlling board approves the sale. 12606

of the legislative branch of state government are not subject to 12678  
the control and jurisdiction of the department of administrative 12679  
services. 12680

An agency of the legislative branch of state government 12681  
that uses office space in a building under the management and 12682  
control of the department of administrative services may 12683  
exercise the agency's authority to improve the agency's office 12684  
space as authorized under this division only if, upon review, 12685  
the department of administrative services concludes the proposed 12686

the building. 12688

If an agency of the legislative branch of state 12689  
government, except the capitol square review and advisory board, 12690  
so requests, the agency and the director of administrative 12691  
services may enter into a contract under which the department of 12692

12707
- (2) "Energy consumption analysis" means the evaluation of all energy consuming systems, components, and equipment by demand and type of energy, including the internal energy load imposed on a facility by its occupants and the external energy load imposed by climatic conditions. 12708  
12709  
12710  
12711  
12712
- (3) "Facility" means a building or other structure, or part of a building or other structure, that includes provision for a heating, refrigeration, ventilation, cooling, lighting, hot water, or other major energy consuming system, component, or equipment. 12713

12715  
12716  
12717

- (5) "Political subdivision" means a county, township, municipal corporation, board of education of any school district, or any other body corporate and politic that is responsible for government activities in a geographic area smaller than that of the state. 12722

12733  
12734

(B) The Ohio facilities construction commission shall 12735  
develop energy efficiency and conservation programs for new 12736  
construction design and review and for existing building audit 12737  
and retrofit. 12738

The commission may accept and administer grants from 12739  
public and private sources for carrying out any of its duties 12740  
under this section. 12741

(C) No state agency, department, division, bureau, office, 12742  
unit, board, commission, authority, quasi-governmental entity, 12743

Construction shall proceed only upon the disclosure to the 12749  
commission, for the facility chosen, of the life-cycle costs as 12750  
determined in this section and the capitalization of the initial 12751  
construction costs of the building. The results of life-cycle 12752

of a building design. That analysis shall be required only for 12754  
construction of buildings with an area of twenty thousand square 12755  
feet or greater, except the commission may waive this 12756

area of less than twenty thousand square feet. For projects with 12758  
an estimated construction cost exceeding fifty million dollars, 12759  
the analysis shall include a review of cogeneration as an energy 12760  
source. 12761

Nothing in this section shall deprive or limit any state 12762  
agency that has review authority over design or construction 12763  
plans from requiring a life-cycle cost analysis or energy 12764

consumption analysis. 12765

(D) For the purposes of assisting the commission in its 12766  
responsibility for state-funded facilities pursuant to section 12767  
123.21 of the Revised Code and of cost-effectively reducing the 12768  
energy consumption of those and any other state-funded 12769  
facilities, thereby promoting fiscal, economic, and 12770  
environmental benefits to this state, the commission shall 12771  
promulgate rules specifying cost-effective, energy efficiency 12772  
and conservation standards that may govern the design, 12773  
construction, operation, and maintenance of all state-funded 12774  
facilities, except facilities of state institutions of higher 12775  
education or facilities operated by a political subdivision. The 12776  
department of housing and development ~~services agency~~ shall 12777  
cooperate in providing information and technical expertise to 12778  
the commission to ensure promulgation of rules of maximum 12779  
effectiveness. The standards prescribed by rules promulgated 12780  
under this division may draw from or incorporate, by reference 12781  
or otherwise and in whole or in part, standards already 12782

standards organization or program. The rules also may include 12784  
any of the following: 12785

shall determine, for the economic life of such state-funded 12787  
facility, the reasonably expected costs of facility ownership, 12788  
operation, and maintenance including labor and materials. Life- 12789  
cycle cost may be expressed as an annual cost for each year of 12790  
the facility's use. 12791

A life-cycle cost analysis additionally may include an 12792  
energy consumption analysis that conforms to division (D) (2) of 12793  
this section. 12794

(2) Specifications for an energy consumption analysis of 12795  
the facility's heating, refrigeration, ventilation, cooling, 12796  
lighting, hot water, and other major energy consuming systems, 12797  
components, and equipment. 12798

A life-cycle cost analysis and energy consumption analysis 12799  
shall be based on the best currently available methods of 12800  
analysis, such as those of the national institute of standards 12801  
and technology, the United States department of energy or other 12802  
federal agencies, professional societies, and directions 12803  
developed by the department. 12804

funded facility, except a facility of a state institution of 12809  
higher education or a facility operated by a political 12810  
subdivision, may receive a waiver of compliance with any 12811  
provision of the rules required by divisions (D) (1) to (3) of 12812  
this section. 12813

office, unit, board, commission, authority, quasi-governmental 12815  
entity, institution, and state institution of higher education 12816  
shall comply with any applicable provision of this section or of 12817  
a rule promulgated pursuant to division (D) of this section. 12818

**Sec. 125.08.** Any person who is certified by the director 12819  
of housing and development in accordance with the rules adopted 12820  
under division (B) (1) of section 122.921 of the Revised Code as 12821  
a minority business enterprise may have that person's name 12822  
placed on a special minority business enterprise notification 12823

list to be used in connection with contracts awarded under 12824  
section 125.081 of the Revised Code. The minority business 12825  
enterprise notification list shall be used for bidding on 12826  
contracts set aside for minority business enterprises only. 12827

**Sec. 125.081.** (A) From the purchases that the department 12828  
of administrative services is required by law to make through 12829

shall select a number of such purchases, the aggregate value of 12831  
which equals approximately fifteen per cent of the estimated 12832  
total value of all such purchases to be made in the current 12833  
fiscal year. The director shall set aside the purchases selected 12834  
for competition only by minority business enterprises, as 12835  
defined in division (E)(1) of section 122.71 of the Revised 12836  
Code. The competitive selection procedures for such purchases 12837  
set aside shall be the same as for all other purchases the 12838  
department is required to make through competitive selection, 12839  
except that only minority business enterprises certified by the 12840  
director of housing and development in accordance with the rules 12841  
adopted under division (B)(1) of section 122.921 of the Revised 12842  
Code and listed under section 125.08 of the Revised Code shall 12843  
be qualified to compete. 12844

(B) To the extent that any agency of the state, other than 12845  
the department of administrative services, the legislative and 12846  
judicial branches, boards of elections, and the adjutant 12847  
general, is authorized to make purchases, the agency shall set 12848  
aside a number of purchases, the aggregate value of which equals 12849  
approximately fifteen per cent of the aggregate value of such 12850  
purchases for the current fiscal year for competition by 12851  
minority business enterprises only. The procedures for such 12852  
purchases shall be the same as for all other such purchases made 12853  
by the agency, except that only minority business enterprises 12854

certified by the director of housing and development in 12855  
accordance with rules adopted under division (B) (1) of section 12856  
123.151 of the Revised Code shall be qualified to compete. 12857

(C) In the case of purchases set aside under division (A) 12858  
or (B) of this section, if no bid is submitted by a minority 12859  
business enterprise, the purchase shall be made according to 12860  
usual procedures. The contracting agency shall from time to time 12861  
set aside such additional purchases for which only minority 12862  
business enterprises may compete, as are necessary to replace 12863  
those purchases previously set aside for which no minority 12864  
business enterprises bid and to ensure that, in any fiscal year, 12865  
the aggregate amount of contracts awarded to minority business 12866  
enterprises will equal approximately fifteen per cent of the 12867  
total amount of contracts awarded by the agency. 12868

(D) The provisions of this section shall not preclude any 12869  
minority business enterprise from competing for any other state 12870  
purchases that are not specifically set aside for minority 12871  
business enterprises. 12872

(E) No funds of any state agency shall be expended in any 12873  
fiscal year for any purchase for which competitive selection is 12874  
required, until the director of the department of administrative 12875  
services certifies to the clerk of the senate and the clerk of 12876  
the house of representatives of the general assembly that 12877  
approximately fifteen per cent of the aggregate amount of the 12878  
projected expenditure for such purchases in the fiscal year has 12879  
been set aside as provided for in this section. 12880

(F) Any person who intentionally misrepresents self as 12881  
owning, controlling, operating, or participating in a minority 12882  
business enterprise for the purpose of obtaining contracts, 12883  
subcontracts, or any other benefits under this section shall be 12884

guilty of theft by deception as provided for in section 2913.02 12885  
of the Revised Code. 12886

government certified under 16 U.S.C. 470a(c), or a local	13306
historic district certified under 36 C.F.R. 67.8 and 67.9.	13307
(7) "Rehabilitation" means the process of repairing or	13308
altering an historic building or buildings, making possible an	13309
efficient use while preserving those portions and features of	13310
the building and its site and environment that are significant	13311
to its historic, architectural, and cultural values.	13312
(8) "Rehabilitation period" means one of the following:	13313
(a) If the rehabilitation initially was not planned to be	13314
completed in stages, a period chosen by the owner or qualified	13315
lessee not to exceed twenty-four months during which	13316
rehabilitation occurs;	13317
(b) If the rehabilitation initially was planned to be	13318
completed in stages, a period chosen by the owner or qualified	13319
lessee not to exceed sixty months during which rehabilitation	13320
occurs. Each stage shall be reviewed as a phase of a	13321
rehabilitation as determined under 26 C.F.R. 1.48-12 or a	13322
successor to that section.	13323
(9) "State historic preservation officer" or "officer"	13324
means the state historic preservation officer appointed by the	13325

governor under 16 U.S.C. 470a. 13326

(10) "Catalytic project" means the rehabilitation of an 13327  
historic building, the rehabilitation of which will foster 13328  
economic development within two thousand five hundred feet of 13329  
the historic building. 13330

(B) The owner or qualified lessee of an historic building 13331  
may apply to the director of housing and development for a 13332  
rehabilitation tax credit certificate for qualified 13333  
rehabilitation expenditures paid or incurred by such owner or 13334  
qualified lessee after April 4, 2007, for rehabilitation of an 13335  
historic building. If the owner of an historic building enters a 13336  
pass-through agreement with a qualified lessee for the purposes 13337  
of the federal rehabilitation tax credit under 26 U.S.C. 47, the 13338  
qualified rehabilitation expenditures paid or incurred by the 13339  
owner after April 4, 2007, may be attributed to the qualified 13340  
lessee. 13341

The form and manner of filing such applications shall be 13342  
prescribed by rule of the director. Each application shall state 13343  
the amount of qualified rehabilitation expenditures the 13344  
applicant estimates will be paid or incurred and shall indicate 13345  
whether the historic building was used as a theater before, and 13346  
is intended to be used as a theater after, the rehabilitation. 13347  
The director may require applicants to furnish documentation of 13348  
such estimates. 13349

The director, after consultation with the tax commissioner 13350  
and in accordance with Chapter 119. of the Revised Code, shall 13351  
adopt rules that establish all of the following: 13352

(1) Forms and procedures by which applicants may apply for 13353  
rehabilitation tax credit certificates; 13354

(2) Criteria for reviewing, evaluating, and approving applications for certificates within the limitations under division (D) of this section, criteria for assuring that the certificates issued encompass a mixture of high and low qualified rehabilitation expenditures, and criteria for issuing certificates under division (C) (3) (b) of this section;

(3) Eligibility requirements for obtaining a certificate under this section;

(4) The form of rehabilitation tax credit certificates;

(5) Reporting requirements and monitoring procedures;

(6) Procedures and criteria for conducting cost-benefit analyses of historic buildings that are the subjects of applications filed under this section. The purpose of a cost-benefit analysis shall be to determine whether rehabilitation of the historic building will result in a net revenue gain in state and local taxes once the building is used.

(7) Any other rules necessary to implement and administer this section.

(C) The director shall review the applications with the assistance of the state historic preservation officer and determine whether all of the following criteria are met:

(1) That the building that is the subject of the application is an historic building and the applicant is the owner or qualified lessee of the building;

(2) That the rehabilitation will satisfy standards prescribed by the United States secretary of the interior under 16 U.S.C. 470, et seq., as amended, and 36 C.F.R. 67.7 or a successor to that section;

(3) That receiving a rehabilitation tax credit certificate 13383  
under this section is a major factor in: 13384

(a) The applicant's decision to rehabilitate the historic 13385  
building; or 13386

(b) To increase the level of investment in such 13387  
rehabilitation. 13388

(4) The historic building that is the subject of the 13389  
application is not, and will not upon completion of the 13390  
rehabilitation project be, part of a qualified low-income 13391  
housing project allocated a tax credit pursuant to section 42 of 13392  
the Internal Revenue Code. 13393

An applicant shall demonstrate to the satisfaction of the 13394  
state historic preservation officer and director that the 13395  
rehabilitation will satisfy the standards described in division 13396  
(C) (2) of this section before the applicant begins the physical 13397  
rehabilitation of the historic building. 13398

(D) (1) If the director determines that an application 13399  
meets the criteria in division (C) of this section, the director 13400  
shall conduct a cost-benefit analysis for the historic building 13401  
that is the subject of the application to determine whether 13402  
rehabilitation of the historic building will result in a net 13403  
revenue gain in state and local taxes once the building is used. 13404  
The director shall consider the results of the cost-benefit 13405  
analysis in determining whether to approve the application. The 13406  
director shall also consider the potential economic impact and 13407  
the regional distributive balance of the credits throughout the 13408  
state. The director shall not consider whether the historic 13409  
building is located in or will benefit an economically 13410  
distressed area, including by weighting preference based on the 13411

poverty rate in the jurisdiction or census tract in which the 13412  
building is located. The director may approve an application 13413  
only after completion of the cost-benefit analysis. 13414

(2) A rehabilitation tax credit certificate shall not be 13415  
issued for an amount greater than the estimated amount furnished 13416  
by the applicant on the application for such certificate and 13417  
approved by the director. The director shall not approve more 13418  
than a total of one hundred twenty million dollars of 13419  
rehabilitation tax credits for each of fiscal years 2023 and 13420  
2024, and sixty million dollars of rehabilitation tax credits 13421  
for each fiscal year thereafter but the director may reallocate 13422  
unused tax credits from a prior fiscal year for new applicants 13423  
and such reallocated credits shall not apply toward the dollar 13424  
limit of this division. 13425

(3) For rehabilitations with a rehabilitation period not 13426  
exceeding twenty-four months as provided in division (A) (8) (a) 13427  
of this section, a rehabilitation tax credit certificate shall 13428  
not be issued before the rehabilitation of the historic building 13429  
is completed. 13430

(4) For rehabilitations with a rehabilitation period not 13431  
exceeding sixty months as provided in division (A) (8) (b) of this 13432  
section, a rehabilitation tax credit certificate shall not be 13433  
issued before a stage of rehabilitation is completed. After all 13434  
stages of rehabilitation are completed, if the director cannot 13435  
determine that the criteria in division (C) of this section are 13436  
satisfied for all stages of rehabilitations, the director shall 13437  
certify this finding to the tax commissioner, and any 13438  
rehabilitation tax credits received by the applicant shall be 13439  
repaid by the applicant and may be collected by assessment as 13440  
unpaid tax by the commissioner. 13441

(5) The director shall require the applicant to provide a third-party cost certification by a certified public accountant of the actual costs attributed to the rehabilitation of the historic building when qualified rehabilitation expenditures exceed two hundred thousand dollars.

If an applicant whose application is approved for receipt of a rehabilitation tax credit certificate fails to provide to the director sufficient evidence of reviewable progress, including a viable financial plan, copies of final construction drawings, and evidence that the applicant has obtained all historic approvals within twelve months after the date the applicant received notification of approval, and if the applicant fails to provide evidence to the director that the applicant has secured and closed on financing for the rehabilitation within eighteen months after receiving notification of approval, the director may rescind the approval of the application. The director shall notify the applicant if the approval has been rescinded. Credits that would have been available to an applicant whose approval was rescinded shall be available for other qualified applicants. Nothing in this division prohibits an applicant whose approval has been rescinded from submitting a new application for a rehabilitation tax credit certificate.

(6) The director may approve the application of, and issue a rehabilitation tax credit certificate to, the owner of a catalytic project, provided the application otherwise meets the criteria described in divisions (C) and (D) of this section. The director may not approve more than one application for a rehabilitation tax credit certificate under division (D) (6) of this section during each state fiscal biennium. The director shall not approve an application for a rehabilitation tax credit

certificate under division (D) (6) of this section during the 13473  
state fiscal biennium beginning July 1, 2017, or during any 13474  
state fiscal biennium thereafter. The director shall consider 13475  
the following criteria in determining whether to approve an 13476  
application for a certificate under division (D) (6) of this 13477  
section: 13478

(a) Whether the historic building is a catalytic project; 13479

(b) The effect issuance of the certificate would have on 13480  
the availability of credits for other applicants that qualify 13481  
for a credit certificate within the credit dollar limit 13482  
described in division (D) (2) of this section; 13483

(c) The number of jobs, if any, the catalytic project will 13484  
create. 13485

(7) (a) The owner or qualified lessee of a historic 13486  
building may apply for a rehabilitation tax credit certificate 13487  
under both divisions (B) and (D) (6) of this section. In such a 13488  
case, the director shall consider each application at the time 13489  
the application is submitted. 13490

(b) The director shall not issue more than one certificate 13491  
under this section with respect to the same qualified 13492  
rehabilitation expenditures. 13493

(8) The director shall give consideration for tax credits 13494  
awarded under this section to rehabilitations of historic 13495  
buildings used as a theater before, and intended to be used as a 13496  
theater after, the rehabilitation. In determining whether to 13497  
approve an application for such a rehabilitation, the director 13498  
shall consider the extent to which the rehabilitation will 13499  
increase attendance at the theater and increase the theater's 13500  
gross revenue. 13501

(9) The director shall rescind the approval of any application if the building that is the subject of the application is part of a qualified low-income housing project allocated a tax credit pursuant to section 42 of the Internal Revenue Code at any time before the building's rehabilitation is complete.

(E) Issuance of a certificate represents a finding by the director of the matters described in divisions (C) (1), (2), and (3) of this section only; issuance of a certificate does not represent a verification or certification by the director of the amount of qualified rehabilitation expenditures for which a tax credit may be claimed under section 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the Revised Code. The amount of qualified rehabilitation expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Upon the issuance of a certificate, the director shall certify to the tax commissioner, in the form and manner requested by the tax commissioner, the name of the applicant, the amount of qualified rehabilitation expenditures shown on the certificate, and any other information required by the rules adopted under this section.

(F) (1) On or before the first day of August each year, the director and tax commissioner jointly shall submit to the president of the senate and the speaker of the house of representatives a report on the tax credit program established under this section and sections 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, and 5747.76 of the Revised Code. The report shall present an overview of the program and shall include information on the number of rehabilitation tax credit

certificates issued under this section during the preceding 13533  
fiscal year, an update on the status of each historic building 13534  
for which an application was approved under this section, the 13535  
dollar amount of the tax credits granted under sections 13536  
5725.151, 5725.34, 5726.52, 5729.17, 5733.47, and 5747.76 of the 13537  
Revised Code, and any other information the director and 13538  
commissioner consider relevant to the topics addressed in the 13539  
report. 13540

(2) On or before December 1, 2015, the director and tax 13541  
commissioner jointly shall submit to the president of the senate 13542  
and the speaker of the house of representatives a comprehensive 13543  
report that includes the information required by division (F)(1) 13544  
of this section and a detailed analysis of the effectiveness of 13545  
issuing tax credits for rehabilitating historic buildings. The 13546  
report shall be prepared with the assistance of an economic 13547  
research organization jointly chosen by the director and 13548  
commissioner. 13549

(G) There is hereby created in the state treasury the 13550  
historic rehabilitation tax credit operating fund. The director 13551  
is authorized to charge reasonable application and other fees in 13552  
connection with the administration of tax credits authorized by 13553  
this section and sections 5725.151, 5725.34, 5726.52, 5729.17, 13554  
5733.47, and 5747.76 of the Revised Code. Any such fees 13555  
collected shall be credited to the fund and used to pay 13556  
reasonable costs incurred by the department of housing and 13557  
development in administering this section and sections 5725.151, 13558  
5725.34, 5726.52, 5729.17, 5733.47, and 5747.76 of the Revised 13559  
Code. 13560

The Ohio historic preservation office is authorized to 13561  
charge reasonable fees in connection with its review and 13562

approval of applications under this section. Any such fees 13563  
collected shall be credited to the fund and used to pay 13564  
administrative costs incurred by the Ohio historic preservation 13565  
office pursuant to this section. 13566

(H) Notwithstanding sections 5725.151, 5725.34, 5726.52, 13567  
5729.17, 5733.47, and 5747.76 of the Revised Code, the 13568  
certificate owner of a tax credit certificate issued under 13569  
division (D)(6) of this section may claim a tax credit equal to 13570  
twenty-five per cent of the dollar amount indicated on the 13571  
certificate for a total credit of not more than twenty-five 13572  
million dollars. The credit claimed by such a certificate owner 13573  
for any calendar year, tax year, or taxable year under section 13574  
5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the 13575  
Revised Code shall not exceed five million dollars. If the 13576  
certificate owner is eligible for more than five million dollars 13577  
in total credits, the certificate owner may carry forward the 13578  
balance of the credit in excess of the amount claimed for that 13579  
year for not more than five ensuing calendar years, tax years, 13580  
or taxable years. If the credit claimed in any calendar year, 13581  
tax year, or taxable year exceeds the tax otherwise due, the 13582  
excess shall be refunded to the taxpayer. 13583

(I) Notwithstanding sections 5725.151, 5725.34, 5726.52, 13584  
5729.17, 5733.47, and 5747.76 of the Revised Code, the following 13585  
apply to a tax credit approved under this section after 13586  
September 13, 2022, and before July 1, 2024: 13587

(1) The certificate holder may claim a tax credit equal to 13588  
thirty-five per cent of the dollar amount indicated on the tax 13589  
credit certificate if any county, township, or municipal 13590  
corporation within which the project is located has a population 13591  
of less than three hundred thousand according to the 2020 13592

decennial census. The tax credit equals twenty-five per cent of 13593  
the dollar amount indicated on the certificate if the project is 13594  
not located within such a county, township, or municipal 13595  
corporation. 13596

(2) The total tax credit claimed under section 5725.151, 13597  
5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the Revised 13598  
Code for any one project shall not exceed ten million dollars 13599  
for any calendar year, tax year, or taxable year. 13600

(3) If the credit claimed in any calendar year, tax year, 13601  
or taxable year exceeds the tax otherwise due, the excess shall 13602  
be refunded to the taxpayer, subject to division (I)(2) of this 13603  
section. 13604

(J) The director of housing and development, in 13605  
consultation with the director of budget and management, shall 13606  
develop and adopt a system of tracking any information necessary 13607  
to anticipate the impact of credits issued under this section on 13608  
tax revenues for current and future fiscal years. Such 13609  
information may include the number of applications approved, the 13610  
estimated rehabilitation expenditures and rehabilitation period 13611  
associated with such applications, the number and amount of tax 13612  
credit certificates issued, and any other information the 13613  
director of budget and management requires for the purposes of 13614  
this division. 13615

(K) For purposes of this section and Chapter 122:19-1 of 13616  
the Ohio Administrative Code, a tax credit certificate issued 13617  
under this section is effective on the date that all historic 13618  
buildings rehabilitated by the project are "placed in service," 13619  
as that term is used in section 47 of the Internal Revenue Code. 13620

**Sec. 150.02.** (A) There is hereby created the Ohio venture 13621

capital authority, which shall exercise the powers and perform 13622  
the duties prescribed by this chapter. The exercise by the 13623  
authority of its powers and duties is hereby declared to be an 13624  
essential state governmental function. The authority is subject 13625  
to all laws generally applicable to state agencies and public 13626  
officials, including, but not limited to, Chapter 119. and 13627  
sections 121.22 and 149.43 of the Revised Code, to the extent 13628  
those laws do not conflict with this chapter. 13629

(B) The authority shall consist of three members appointed 13630  
by the governor, one of whom the governor shall select from a 13631  
list of three nominees provided by the president of the senate, 13632  
and one of whom the governor shall select from a list of three 13633  
nominees provided by the speaker of the house of 13634  
representatives. If the governor rejects all the nominees 13635  
provided in either list, the governor shall request that the 13636  
president of the senate or speaker of the house, as the case may 13637  
be, provide another list of three nominees, and the president or 13638  
speaker, as the case may be, shall provide another list of three 13639  
nominees. All nominated and appointed members shall have 13640  
experience in the field of banking, investments, commercial law, 13641  
or industry relevant to the purpose of the Ohio venture capital 13642  
program as stated in section 150.01 of the Revised Code. The 13643  
director of housing and development and tax commissioner or 13644  
their designees shall serve as advisors to the authority but 13645  
shall not be members and shall not vote on any matter before the 13646  
authority. 13647

Initial appointees to the authority shall serve staggered 13648  
terms, with one term expiring on January 31, 2004, two terms 13649  
expiring on January 31, 2005, two terms expiring on January 31, 13650  
2006, and two terms expiring on January 31, 2007. The terms of 13651  
all members serving on the authority on January 31, 2010, expire 13652

on that date, and the three appointees appointed pursuant to the 13653  
amendment of this section by H.B. 1 of the 128th general 13654  
assembly shall begin their terms February 1, 2010, with one term 13655  
expiring January 31, 2012, one term expiring January 31, 2013, 13656  
and one term expiring January 31, 2014. Thereafter, terms of 13657  
office for all appointees shall be for four years, with each 13658  
term ending on the same day of the same month as did the term 13659  
that it succeeds. A vacancy on the authority shall be filled in 13660  
the same manner as the original appointment, except that a 13661  
person appointed to fill a vacancy shall be appointed to the 13662  
remainder of the unexpired term. Any appointed member of the 13663  
authority is eligible for reappointment. 13664

A member of the authority may be removed by the member's 13665  
appointing authority for misfeasance, malfeasance, willful 13666  
neglect of duty, or other cause, after notice and a public 13667  
hearing, unless the notice and hearing are waived in writing by 13668  
the member. 13669

(C) Members of the authority shall serve without 13670  
compensation, but shall receive their reasonable and necessary 13671  
expenses incurred in the conduct of authority business. The 13672  
governor shall designate a member of the authority to serve as 13673  
chairperson. A majority of the members of the authority 13674  
constitutes a quorum, and the affirmative vote of a majority of 13675  
the members present is necessary for any action taken by the 13676  
authority. A vacancy in the membership of the authority does not 13677  
impair the right of a quorum to exercise all rights and perform 13678  
all duties of the authority. 13679

(D) The department of housing and development shall 13680  
provide the authority with office space and such technical 13681  
assistance as the authority requires. 13682

(E) The authority and an issuer may cooperate in promoting the public purposes of the Ohio venture capital program as stated in section 150.01 of the Revised Code and may enter into such agreements as the authority and the issuer deem appropriate, with a view to cooperative action and safeguarding of the respective interests of the parties thereto. Such agreements may provide for the rights, duties, and responsibilities of the parties and any limitations thereon, the terms on which any tax credits that may be issued to a trustee for the benefit of the issuer pursuant to division (E) of section 150.07 of the Revised Code are to be issued and claimed, and such other terms as may be mutually satisfactory to the parties including, but not limited to, requirements for reporting, and a plan, prepared by a program administrator and acceptable to the authority and the issuer, designed to evidence and ensure compliance with division (D) of section 150.03 of the Revised Code and Section 2p of Article VIII, Ohio Constitution.

However, when the governor has requested and received a second list of three additional names, the governor shall make the appointment from one of the names on the first list or the second list. Appointment by the governor is subject to the advice and consent of the senate.

their denominations and method of execution, and establish 14136  
within or without the state a place or places for the payment of 14137  
principal or interest. 14138

(B) The issuing authority may provide for sales of bonds 14139

(C) The contract of guarantee may make provision for the 14703  
conditions of, time for and manner of fulfillment of the 14704  
guarantee commitment, subrogation of the state to the rights of 14705  
the parties guaranteed and exercise of such parties' rights by 14706  
the state, giving the state the options of making payment of the 14707  
principal amount guaranteed in one or more installments and, if 14708

discretion of the director, a lien provided for under section 14714  
9.661 of the Revised Code, and may contain covenants on behalf 14715

moneys to the loan guarantee fund to fulfill such guarantees and 14720  
covenants authorized by division (R)(1) of section 166.08 of the 14721  
Revised Code, and covenants restricting the aggregate amount of 14722  
guarantees that may be contracted under this section and 14723  
obligations that may be issued under section 166.08 of the 14724  
Revised Code, and terms pertinent to either, to better secure 14725

the parties guaranteed. 14726

(D) The "loan guarantee fund" of the economic development 14727  
program is hereby created as a special revenue fund and a trust 14728  
fund which shall be in the custody of the treasurer of state but 14729  
shall be separate and apart from and not a part of the state 14730  
treasury to consist of all grants, gifts, and contributions of 14731  
moneys or rights to moneys lawfully designated for or deposited 14732  
in such fund, all moneys and rights to moneys lawfully 14733  
appropriated and transferred to such fund, including moneys 14734  
received from the issuance of obligations under section 166.08 14735  
of the Revised Code, and moneys deposited to such fund pursuant 14736  
to division (F) of this section; provided that the loan 14737  
guarantee fund shall not be comprised, in any part, of moneys 14738  
raised by taxation. 14739

(E) The director may fix service charges for making a 14740  
guarantee. Such charges shall be payable at such times and place 14741  
and in such amounts and manner as may be prescribed by the 14742  
director. 14743

(F) The treasurer of state shall serve as agent for the 14744  
director in the making of deposits and withdrawals and 14745  
maintenance of records pertaining to the loan guarantee fund. 14746  
Prior to the director's entry into a contract providing for the 14747  
making of a guarantee payable from the loan guarantee fund, the 14748  
treasurer of state shall cause to be transferred from the 14749  
facilities establishment fund to the loan guarantee fund an 14750  
amount sufficient to make the aggregate balance therein, taking 14751  
into account the proposed loan guarantee, equal to the loan 14752  
guarantee reserve requirement. Thereafter, the treasurer of 14753  
state shall cause the balance in the loan guarantee fund to be 14754  
at least equal to the loan guarantee reserve requirement. Funds 14755

from the loan guarantee fund shall be disbursed under a 14756  
guarantee made pursuant to this section to satisfy a guaranteed 14757  
repayment or payment which is in default. The treasurer of state 14758  
shall first withdraw and transfer moneys then on deposit in the 14759  
loan guarantee fund. Whenever these moneys are inadequate to 14760  
meet the requirements of a guarantee, the treasurer of state 14761  
shall, without need of appropriation or further action by the 14762  
director, provide for a withdrawal and transfer to the loan 14763  
guarantee fund and then to the guaranteed party of moneys in 14764  
such amount as is necessary to meet the guarantee from 14765  
unencumbered and available moneys in the facilities 14766  
establishment fund. Such disbursements shall be made in the 14767  
manner and at the times provided in such guarantees. Within 14768  
ninety days following a disbursement of moneys from the loan 14769  
guarantee fund, the treasurer of state, without need of 14770  
appropriation or further action by the director, shall provide 14771  
for a withdrawal and transfer to the loan guarantee fund from 14772  
unencumbered and available moneys in the facilities 14773  
establishment fund, including moneys from the repayment of loans 14774  
made from that fund, of an amount sufficient to cause the 14775  
balance in the loan guarantee fund to be at least equal to the 14776  
loan guarantee reserve requirement. 14777

(G) Any guaranteed parties under this section, except to 14778  
the extent that their rights are restricted by the guarantee 14779  
documents, may by any suitable form of legal proceedings, 14780  
protect and enforce any rights under the laws of this state or 14781  
granted by such guarantee or guarantee documents. Such rights 14782  
include the right to compel the performance of all duties of the 14783  
director and the treasurer of state required by this section or 14784  
the guarantee or guarantee documents; and in the event of 14785  
default with respect to the payment of any guarantees, to apply 14786

to a court having jurisdiction of the cause to appoint a 14787  
receiver to receive and administer the moneys pledged to such 14788  
guarantee with full power to pay, and to provide for payment of, 14789  
such guarantee, and with such powers, subject to the direction 14790  
of the court, as are accorded receivers in general equity cases, 14791  
excluding any power to pledge or apply additional revenues or 14792  
receipts or other income or moneys of the state or governmental 14793  
agencies of the state to the payment of such guarantee. Each 14794  
duty of the director and the treasurer of state and their 14795  
officers and employees, and of each governmental agency and its 14796  
officers, members, or employees, required or undertaken pursuant 14797  
to this section or a guarantee made under authority of this 14798  
section, is hereby established as a duty of the director and the 14799  
treasurer of state, and of each such officer, member, or 14800  
employee having authority to perform such duty, specifically 14801  
enjoined by the law resulting from an office, trust, or station 14802  
within the meaning of section 2731.01 of the Revised Code. The 14803  
persons who are at the time the director and treasurer of state, 14804  
or their officers or employees, are not liable in their personal 14805  
capacities on any guarantees or contracts to make guarantees by 14806  
the director. 14807

(H) The determinations of the director under divisions (B) 14808  
and (C) of this section shall be conclusive for purposes of the 14809  
validity of a guarantee evidenced by a contract signed by the 14810  
director, and such guarantee shall be incontestable as to moneys 14811  
advanced under loans to which such guarantees are by their terms 14812  
applicable. 14813

**Sec. 166.07.** (A) The director of housing and development, 14814  
with the approval of the controlling board and subject to the 14815  
other applicable provisions of this chapter, may lend moneys in 14816  
the facilities establishment fund to persons for the purpose of 14817

paying allowable costs of an eligible project if the director	14818
determines that:	14819
(1) The project is an eligible project and is economically	14820
sound;	14821
(2) The borrower is unable to finance the necessary	14822
allowable costs through ordinary financial channels upon	14823
comparable terms;	14824
(3) The amount to be lent from the facilities	14825
establishment fund will not exceed seventy-five per cent of the	14826
total allowable costs of the eligible project, except that if	14827
any part of the amount to be lent from the facilities	14828
establishment fund is derived from the issuance and sale of	14829
project financing obligations the amount to be lent will not	14830
exceed ninety per cent of the total allowable costs of the	14831
eligible project;	14832
(4) The eligible project could not be achieved in the	14833
local area in which it is to be located if the portion of the	14834
project to be financed by the loan instead were to be financed	14835
by a loan guaranteed under section 166.06 of the Revised Code;	14836
(5) The repayment of the loan from the facilities	14837
establishment fund will be adequately secured by a mortgage,	14838
assignment, pledge, or lien provided for under section 9.661 of	14839
the Revised Code, at such level of priority as the director may	14840
require;	14841
(6) The borrower will hold at least a ten per cent equity	14842
interest in the eligible project at the time the loan is made.	14843
(B) The determinations of the director under division (A)	14844
of this section shall be conclusive for purposes of the validity	14845
of a loan commitment evidenced by a loan agreement signed by the	14846

director. 14847

(C) ~~there~~ There is hereby established the micro-lending 14848  
program for the purpose of paying the allowable costs of 14849  
eligible projects of eligible small businesses. From any amount 14850  
that the general assembly designates for the purpose of the 14851  
micro-lending program, the director of housing and development 14852  
shall, either directly or indirectly, make loans under this 14853  
section to eligible small businesses. The director shall 14854  
establish eligibility criteria and loan terms for the program 14855  
that supplement eligibility criteria and loan terms otherwise 14856  
prescribed for loans under this section, and may prescribe 14857  
reduced service charges and fees. For the purpose of lending 14858  
under the micro-lending program, the director of housing and 14859  
development shall give precedence to projects of eligible small 14860  
businesses that foster the development of small entrepreneurial 14861  
enterprises, notwithstanding the considerations prescribed by 14862  
divisions (A) (1) (a) and (b) of section 166.05 of the Revised 14863  
Code to the extent those considerations otherwise may have the 14864  
effect of disqualifying projects of eligible small businesses. 14865  
The director may enter into agreements with for-profit or ~~non-~~ 14866  
~~profit~~ nonprofit organizations in this state to originate and 14867  
administer loans made. 14868

Fees, charges, rates of interest, times of payment of 14869  
interest and principal, and other terms, conditions, and 14870  
provisions of and security for loans made from the facilities 14871  
establishment fund pursuant to this section shall be such as the 14872  
director determines to be appropriate and in furtherance of the 14873  
purpose for which the loans are made. The moneys used in making 14874  
such loans shall be disbursed from the facilities establishment 14875  
fund upon order of the director. The director shall give special 14876  
consideration in setting the required job creation ratios and 14877

interest rates for loans that are for voluntary actions. 14878

(D) The director may take actions necessary or appropriate 14879  
to collect or otherwise deal with any loan made under this 14880  
section, including any action authorized by section 9.661 of the 14881  
Revised Code. 14882

(E) The director may fix service charges for the making of 14883  
a loan. Such charges shall be payable at such times and place 14884  
and in such amounts and manner as may be prescribed by the 14885  
director. 14886

(C) The holders or owners of such obligations shall have 15014  
no right to have moneys raised by taxation obligated or pledged, 15015  
and moneys raised by taxation shall not be obligated or pledged, 15016  
for the payment of bond service charges. Such holders or owners 15017  
shall have no rights to payment of bond service charges from any 15018  
moneys accruing to the state from the lease, sale, or other 15019  
disposition, or use, of project facilities, or from payment of 15020  
the principal of or interest on loans made, or fees charged for 15021  
guarantees made, or from any money or property received by the 15022  
director, treasurer of state, or the state under Chapter 122. of 15023  
the Revised Code, or from any other use of the proceeds of the 15024  
sale of the obligations, and no such moneys may be used for the 15025  
payment of bond service charges, except for accrued interest, 15026  
capitalized interest, and reserves funded from proceeds received 15027  
upon the sale of the obligations and except as otherwise 15028  
expressly provided in the applicable bond proceedings pursuant 15029  
to written directions by the director. The right of such holders 15030  
and owners to payment of bond service charges is limited to all 15031

or that portion of the pledged receipts and those special funds 15032  
pledged thereto pursuant to the bond proceedings in accordance 15033  
with this section, and each such obligation shall bear on its 15034  
face a statement to that effect. 15035

(D) Obligations shall be authorized by resolution or order 15036  
of the issuing authority and the bond proceedings shall provide 15037  
for the purpose thereof and the principal amount or amounts, and 15038  
shall provide for or authorize the manner or agency for 15039  
determining the principal maturity or maturities, not exceeding 15040  
twenty-five years from the date of issuance, the interest rate 15041  
or rates or the maximum interest rate, the date of the 15042  
obligations and the dates of payment of interest thereon, their 15043  
denomination, and the establishment within or without the state 15044  
of a place or places of payment of bond service charges. 15045  
Sections 9.98 to 9.983 of the Revised Code are applicable to 15046  
obligations issued under this section, subject to any applicable 15047  
limitation under section 166.11 of the Revised Code. The purpose 15048  
of such obligations may be stated in the bond proceedings in 15049  
terms describing the general purpose or purposes to be served. 15050  
The bond proceedings also shall provide, subject to the 15051  
provisions of any other applicable bond proceedings, for the 15052  
pledge of all, or such part as the issuing authority may 15053  
determine, of the pledged receipts and the applicable special 15054  
fund or funds to the payment of bond service charges, which 15055  
pledges may be made either prior or subordinate to other 15056  
expenses, claims, or payments, and may be made to secure the 15057  
obligations on a parity with obligations theretofore or 15058  
thereafter issued, if and to the extent provided in the bond 15059  
proceedings. The pledged receipts and special funds so pledged 15060  
and thereafter received by the state are immediately subject to 15061  
the lien of such pledge without any physical delivery thereof or 15062

further act, and the lien of any such pledges is valid and 15063  
binding against all parties having claims of any kind against 15064  
the state or any governmental agency of the state, irrespective 15065  
of whether such parties have notice thereof, and shall create a 15066  
perfected security interest for all purposes of Chapter 1309. of 15067  
the Revised Code, without the necessity for separation or 15068  
delivery of funds or for the filing or recording of the bond 15069  
proceedings by which such pledge is created or any certificate, 15070  
statement or other document with respect thereto; and the pledge 15071  
of such pledged receipts and special funds is effective and the 15072  
money therefrom and thereof may be applied to the purposes for 15073  
which pledged without necessity for any act of appropriation. 15074  
Every pledge, and every covenant and agreement made with respect 15075  
thereto, made in the bond proceedings may therein be extended to 15076  
the benefit of the owners and holders of obligations authorized 15077  
by this section, and to any trustee therefor, for the further 15078  
security of the payment of the bond service charges. 15079

(E) The bond proceedings may contain additional provisions 15080  
as to: 15081

(1) The redemption of obligations prior to maturity at the 15082  
option of the issuing authority at such price or prices and 15083  
under such terms and conditions as are provided in the bond 15084  
proceedings; 15085

(2) Other terms of the obligations; 15086

(3) Limitations on the issuance of additional obligations; 15087

(4) The terms of any trust agreement or indenture securing 15088  
the obligations or under which the same may be issued; 15089

(5) The deposit, investment and application of special 15090  
funds, and the safeguarding of moneys on hand or on deposit, 15091

without regard to Chapter 131. or 135. of the Revised Code, but 15092  
subject to any special provisions of this chapter, with respect 15093  
to particular funds or moneys, provided that any bank or trust 15094  
company which acts as depository of any moneys in the special 15095  
funds may furnish such indemnifying bonds or may pledge such 15096  
securities as required by the issuing authority; 15097

(6) Any or every provision of the bond proceedings being 15098  
binding upon such officer, board, commission, authority, agency, 15099  
department, or other person or body as may from time to time 15100  
have the authority under law to take such actions as may be 15101  
necessary to perform all or any part of the duty required by 15102  
such provision; 15103

(7) Any provision that may be made in a trust agreement or 15104  
indenture; 15105

(8) Any other or additional agreements with the holders of 15106  
the obligations, or the trustee therefor, relating to the 15107  
obligations or the security therefor, including the assignment 15108  
of mortgages or other security obtained or to be obtained for 15109  
loans under section 122.43, 166.07, or 166.16 of the Revised 15110  
Code. 15111

(F) The obligations may have the great seal of the state 15112  
or a facsimile thereof affixed thereto or printed thereon. The 15113  
obligations and any coupons pertaining to obligations shall be 15114  
signed or bear the facsimile signature of the issuing authority. 15115  
Any obligations or coupons may be executed by the person who, on 15116  
the date of execution, is the proper issuing authority although 15117  
on the date of such bonds or coupons such person was not the 15118  
issuing authority. If the issuing authority whose signature or a 15119  
facsimile of whose signature appears on any such obligation or 15120  
coupon ceases to be the issuing authority before delivery 15121

thereof, such signature or facsimile is nevertheless valid and 15122  
sufficient for all purposes as if the former issuing authority 15123  
had remained the issuing authority until such delivery; and if 15124  
the seal to be affixed to obligations has been changed after a 15125  
facsimile of the seal has been imprinted on such obligations, 15126  
such facsimile seal shall continue to be sufficient as to such 15127  
obligations and obligations issued in substitution or exchange 15128  
therefor. 15129

(G) All obligations are negotiable instruments and 15130  
securities under Chapter 1308. of the Revised Code, subject to 15131  
the provisions of the bond proceedings as to registration. The 15132  
obligations may be issued in coupon or in registered form, or 15133  
both, as the issuing authority determines. Provision may be made 15134  
for the registration of any obligations with coupons attached 15135  
thereto as to principal alone or as to both principal and 15136  
interest, their exchange for obligations so registered, and for 15137  
the conversion or reconversion into obligations with coupons 15138  
attached thereto of any obligations registered as to both 15139  
principal and interest, and for reasonable charges for such 15140  
registration, exchange, conversion, and reconversion. 15141

(H) Obligations may be sold at public sale or at private 15142  
sale, as determined in the bond proceedings. 15143

Obligations issued to provide moneys for the loan 15144  
guarantee fund or the innovation Ohio loan guarantee fund may, 15145  
as determined by the issuing authority, be sold at private sale, 15146  
and without publication of a notice of sale. 15147

(I) Pending preparation of definitive obligations, the 15148  
issuing authority may issue interim receipts or certificates 15149  
which shall be exchanged for such definitive obligations. 15150

(J) In the discretion of the issuing authority, 15151  
obligations may be secured additionally by a trust agreement or 15152  
indenture between the issuing authority and a corporate trustee 15153  
which may be any trust company or bank having a place of 15154  
business within the state. Any such agreement or indenture may 15155  
contain the resolution or order authorizing the issuance of the 15156  
obligations, any provisions that may be contained in any bond 15157  
proceedings, and other provisions which are customary or 15158  
appropriate in an agreement or indenture of such type, 15159  
including, but not limited to: 15160

(1) Maintenance of each pledge, trust agreement, 15161  
indenture, or other instrument comprising part of the bond 15162  
proceedings until the state has fully paid the bond service 15163  
charges on the obligations secured thereby, or provision 15164  
therefor has been made; 15165

(2) In the event of default in any payments required to be 15166  
made by the bond proceedings, or any other agreement of the 15167  
issuing authority made as a part of the contract under which the 15168  
obligations were issued, enforcement of such payments or 15169  
agreement by mandamus, the appointment of a receiver, suit in 15170  
equity, action at law, or any combination of the foregoing; 15171

(3) The rights and remedies of the holders of obligations 15172  
and of the trustee, and provisions for protecting and enforcing 15173  
them, including limitations on rights of individual holders of 15174  
obligations; 15175

(4) The replacement of any obligations that become 15176  
mutilated or are destroyed, lost, or stolen; 15177

(5) Such other provisions as the trustee and the issuing 15178  
authority agree upon, including limitations, conditions, or 15179

qualifications relating to any of the foregoing. 15180

(K) Any holders of obligations or trustees under the bond 15181  
proceedings, except to the extent that their rights are 15182  
restricted by the bond proceedings, may by any suitable form of 15183  
legal proceedings, protect and enforce any rights under the laws 15184  
of this state or granted by such bond proceedings. Such rights 15185  
include the right to compel the performance of all duties of the 15186  
issuing authority, the director of housing and development, the 15187  
Ohio air quality development authority, or the division of 15188  
liquor control required by this chapter or the bond proceedings; 15189  
to enjoin unlawful activities; and in the event of default with 15190  
respect to the payment of any bond service charges on any 15191  
obligations or in the performance of any covenant or agreement 15192  
on the part of the issuing authority, the director of housing 15193  
and development, the Ohio air quality development authority, or 15194  
the division of liquor control in the bond proceedings, to apply 15195  
to a court having jurisdiction of the cause to appoint a 15196  
receiver to receive and administer the pledged receipts and 15197  
special funds, other than those in the custody of the treasurer 15198  
of state, which are pledged to the payment of the bond service 15199  
charges on such obligations or which are the subject of the 15200  
covenant or agreement, with full power to pay, and to provide 15201  
for payment of bond service charges on, such obligations, and 15202  
with such powers, subject to the direction of the court, as are 15203  
accorded receivers in general equity cases, excluding any power 15204  
to pledge additional revenues or receipts or other income or 15205  
moneys of the issuing authority or the state or governmental 15206  
agencies of the state to the payment of such principal and 15207  
interest and excluding the power to take possession of, 15208  
mortgage, or cause the sale or otherwise dispose of any project 15209  
facilities. 15210

Each duty of the issuing authority and the issuing 15211  
authority's officers and employees, and of each governmental 15212  
agency and its officers, members, or employees, undertaken 15213  
pursuant to the bond proceedings or any agreement or lease, 15214  
lease-purchase agreement, or loan made under authority of this 15215  
chapter, and in every agreement by or with the issuing 15216  
authority, is hereby established as a duty of the issuing 15217  
authority, and of each such officer, member, or employee having 15218  
authority to perform such duty, specifically enjoined by the law 15219  
resulting from an office, trust, or station within the meaning 15220  
of section 2731.01 of the Revised Code. 15221

The person who is at the time the issuing authority, or 15222  
the issuing authority's officers or employees, are not liable in 15223  
their personal capacities on any obligations issued by the 15224  
issuing authority or any agreements of or with the issuing 15225  
authority. 15226

(L) The issuing authority may authorize and issue 15227  
obligations for the refunding, including funding and retirement, 15228  
and advance refunding with or without payment or redemption 15229  
prior to maturity, of any obligations previously issued by the 15230  
issuing authority. Such obligations may be issued in amounts 15231  
sufficient for payment of the principal amount of the prior 15232  
obligations, any redemption premiums thereon, principal 15233  
maturities of any such obligations maturing prior to the 15234  
redemption of the remaining obligations on a parity therewith, 15235  
interest accrued or to accrue to the maturity dates or dates of 15236  
redemption of such obligations, and any allowable costs 15237  
including expenses incurred or to be incurred in connection with 15238  
such issuance and such refunding, funding, and retirement. 15239  
Subject to the bond proceedings therefor, the portion of 15240  
proceeds of the sale of obligations issued under this division 15241

to be applied to bond service charges on the prior obligations 15242  
shall be credited to an appropriate account held by the trustee 15243  
for such prior or new obligations or to the appropriate account 15244  
in the bond service fund for such obligations. Obligations 15245  
authorized under this division shall be deemed to be issued for 15246  
those purposes for which such prior obligations were issued and 15247  
are subject to the provisions of this section pertaining to 15248  
other obligations, except as otherwise provided in this section; 15249  
provided that, unless otherwise authorized by the general 15250  
assembly, any limitations imposed by the general assembly 15251  
pursuant to this section with respect to bond service charges 15252  
applicable to the prior obligations shall be applicable to the 15253  
obligations issued under this division to refund, fund, advance 15254  
refund or retire such prior obligations. 15255

(M) The authority to issue obligations under this section 15256  
includes authority to issue obligations in the form of bond 15257  
anticipation notes and to renew the same from time to time by 15258  
the issuance of new notes. The holders of such notes or interest 15259  
coupons pertaining thereto shall have a right to be paid solely 15260  
from the pledged receipts and special funds that may be pledged 15261  
to the payment of the bonds anticipated, or from the proceeds of 15262  
such bonds or renewal notes, or both, as the issuing authority 15263  
provides in the resolution or order authorizing such notes. Such 15264  
notes may be additionally secured by covenants of the issuing 15265  
authority to the effect that the issuing authority and the state 15266  
will do such or all things necessary for the issuance of such 15267  
bonds or renewal notes in appropriate amount, and apply the 15268  
proceeds thereof to the extent necessary, to make full payment 15269  
of the principal of and interest on such notes at the time or 15270  
times contemplated, as provided in such resolution or order. For 15271  
such purpose, the issuing authority may issue bonds or renewal 15272

notes in such principal amount and upon such terms as may be 15273  
necessary to provide funds to pay when required the principal of 15274  
and interest on such notes, notwithstanding any limitations 15275  
prescribed by or for purposes of this section. Subject to this 15276  
division, all provisions for and references to obligations in 15277  
this section are applicable to notes authorized under this 15278  
division. 15279

The issuing authority in the bond proceedings authorizing 15280  
the issuance of bond anticipation notes shall set forth for such 15281  
bonds an estimated interest rate and a schedule of principal 15282  
payments for such bonds and the annual maturity dates thereof, 15283  
and for purposes of any limitation on bond service charges 15284  
prescribed under division (A) of section 166.11 of the Revised 15285  
Code, the amount of bond service charges on such bond 15286  
anticipation notes is deemed to be the bond service charges for 15287  
the bonds anticipated thereby as set forth in the bond 15288  
proceedings applicable to such notes, but this provision does 15289  
not modify any authority in this section to pledge receipts and 15290  
special funds to, and covenant to issue bonds to fund, the 15291  
payment of principal of and interest and any premium on such 15292  
notes. 15293

(N) Obligations issued under this section are lawful 15294  
investments for banks, societies for savings, savings and loan 15295  
associations, deposit guarantee associations, trust companies, 15296  
trustees, fiduciaries, insurance companies, including domestic 15297  
for life and domestic not for life, trustees or other officers 15298  
having charge of sinking and bond retirement or other special 15299  
funds of political subdivisions and taxing districts of this 15300  
state, the commissioners of the sinking fund of the state, the 15301  
administrator of workers' compensation, the state teachers 15302  
retirement system, the public employees retirement system, the 15303

school employees retirement system, and the Ohio police and fire 15304  
pension fund, notwithstanding any other provisions of the 15305  
Revised Code or rules adopted pursuant thereto by any 15306  
governmental agency of the state with respect to investments by 15307  
them, and are also acceptable as security for the deposit of 15308  
public moneys. 15309

(O) Unless otherwise provided in any applicable bond 15310  
proceedings, moneys to the credit of or in the special funds 15311  
established by or pursuant to this section may be invested by or 15312  
on behalf of the issuing authority only in notes, bonds, or 15313

authority determines, and such investments may be sold at such 15335  
times as the issuing authority determines or authorizes. 15336

(P) Provision may be made in the applicable bond 15337  
proceedings for the establishment of separate accounts in the 15338  
bond service fund and for the application of such accounts only 15339  
to the specified bond service charges on obligations pertinent 15340  
to such accounts and bond service fund and for other accounts 15341

the credit of or in the several special funds established 15344  
pursuant to this section shall be disbursed on the order of the 15345  
treasurer of state, provided that no such order is required for 15346  
the payment from the bond service fund when due of bond service 15347

(Q) The issuing authority may pledge all, or such portion 15349  
as the issuing authority determines, of the pledged receipts to 15350  
the payment of bond service charges on obligations issued under 15351

receipts are sufficient in amount to meet bond service charges, 15366  
and the establishment and maintenance of any reserves and other 15367  
requirements provided for in the bond proceedings, and, as 15368  
necessary, to meet covenants contained in contracts of guarantee 15369  
made under section 166.06 of the Revised Code; 15370

(2) Take or permit no action, by statute or otherwise, 15371  
that would impair the exemption from federal income taxation of 15372  
the interest on the obligations. 15373

(S) There is hereby created the economic development bond 15374  
service fund, which shall be in the custody of the treasurer of 15375  
state but shall be separate and apart from and not a part of the 15376  
state treasury. All moneys received by or on account of the 15377  
issuing authority or state agencies and required by the 15378  
applicable bond proceedings, consistent with this section, to be 15379  
deposited, transferred, or credited to a bond service fund or 15380  
the economic development bond service fund, and all other moneys 15381  
transferred or allocated to or received for the purposes of the 15382  
fund, shall be deposited and credited to such fund and to any 15383  
separate accounts therein, subject to applicable provisions of 15384  
the bond proceedings, but without necessity for any act of 15385  
appropriation. During the period beginning with the date of the 15386  
first issuance of obligations and continuing during such time as 15387  
any such obligations are outstanding, and so long as moneys in 15388  
the pertinent bond service funds are insufficient to pay all 15389  
bond services charges on such obligations becoming due in each 15390  
year, a sufficient amount of the gross profit on the sale of 15391  
spirituous liquor included in pledged receipts are committed and 15392  
shall be paid to the bond service fund or economic development 15393  
bond service fund in each year for the purpose of paying the 15394  
bond service charges becoming due in that year without necessity 15395

for further act of appropriation for such purpose and 15396  
notwithstanding anything to the contrary in Chapter 4301. of the 15397  
Revised Code. The economic development bond service fund is a 15398  
trust fund and is hereby pledged to the payment of bond service 15399  
charges to the extent provided in the applicable bond 15400  
proceedings, and payment thereof from such fund shall be made or 15401  
provided for by the treasurer of state in accordance with such 15402  
bond proceedings without necessity for any act of appropriation. 15403

(T) The obligations, the transfer thereof, and the income 15404  
therefrom, including any profit made on the sale thereof, shall 15405  
at all times be free from taxation within the state. 15406

**Sec. 166.09.** There shall be credited to the facilities 15407

from the loan guarantee fund and from the sale, lease, or other 15411  
disposition of property acquired or constructed from moneys in 15412  
the facilities establishment fund with moneys derived from the 15413  
proceeds of the sale of obligations under section 166.08 of the 15414  
Revised Code. Such moneys shall be applied as provided in this 15415  
chapter pursuant to appropriations made by the general assembly. 15416  
Notwithstanding the foregoing, any amounts recovered on loan 15417  
guarantees shall be deposited to the credit of the loan 15418  
guarantee fund to the extent necessary to restore that fund to 15419  
the level required by any guarantee contract, and the other 15420  
moneys referred to in the first sentence of this section may be 15421  
deposited to the credit of separate accounts within the 15422  
facilities establishment fund or in the bond service fund and 15423  
pledged to the security of obligations, applied to the payment 15424  
of bond service charges without need for appropriation, released 15425  
from any such pledge and transferred to the facilities 15426

establishment fund or other account therein, all as and to the 15427  
extent provided in the bond proceedings pursuant to written 15428  
directions by the director of housing and development. Accounts 15429  
may be established by the director in the facilities 15430  
establishment fund for particular projects or otherwise. Income 15431  
from the investment of moneys in the facilities establishment 15432  
fund shall be credited to that fund and, as may be provided in 15433  
bond proceedings, to particular accounts therein. The treasurer 15434  
of state may withdraw from the facilities establishment fund or, 15435  
subject to provisions of the applicable bond proceedings, from 15436  
any special funds established pursuant to the bond proceedings, 15437  
or from any accounts in such funds, any amounts of investment 15438  
income required to be rebated and paid to the federal government 15439  
in order to maintain the exemption from federal income taxation 15440  
of interest on obligations issued under this chapter, which 15441  
withdrawal and payment may be made without necessity for 15442  
appropriation. 15443

to the innovation Ohio loan guarantee fund an amount sufficient 15722  
to make the aggregate balance therein, taking into account the 15723  
proposed loan guarantee equal to the innovation Ohio loan 15724  
guarantee reserve requirement. Thereafter, the treasurer of 15725  
state shall cause the balance in the innovation Ohio loan 15726  
guarantee fund to be at least equal to the innovation Ohio loan 15727

without need of appropriation or further action by the director, 15737  
provide for a withdrawal and transfer to the innovation Ohio 15738  
loan guarantee fund and then to the guaranteed party of moneys 15739

that fund, of an amount sufficient to cause the balance in the 15750  
innovation Ohio loan guarantee fund to be at least equal to the 15751  
innovation Ohio loan guarantee reserve requirement. 15752

(G) Any guaranteed parties under this section, except to 15753  
the extent that their rights are restricted by the guarantee 15754  
documents, may by any suitable form of legal proceedings, 15755

the guarantee or guarantee documents; and in the event of 15760  
default with respect to the payment of any guarantees, to apply 15761  
to a court having jurisdiction of the cause to appoint a 15762

guarantee with full power to pay, and to provide for payment of, 15764  
such guarantee, and with such powers, subject to the direction 15765  
of the court, as are accorded receivers in general equity cases, 15766  
excluding any power to pledge or apply additional revenues or 15767  
receipts or other income or moneys of this state or governmental 15768  
agencies of the state to the payment of such guarantee. Each 15769  
duty of the director and the treasurer of state and their 15770  
officers and employees, and of each governmental agency and its 15771  
officers, members, or employees, required or undertaken pursuant 15772

director, and such guarantee shall be incontestable as to money 15786  
advanced under loans to which such guarantees are by their terms 15787  
applicable. 15788

**Sec. 166.16.** (A) The director of housing and development, 15789  
with the approval of the controlling board and subject to the 15790

discretion. The director shall then transfer to the agency the 16384  
amount of funds requested. 16385

director allows under section 169.08 of the Revised Code, in 16388

commerce incurs in the administration and enforcement of this 16392  
chapter. 16393

proportionate share of the administrative costs of the 16395  
department of commerce in accordance with procedures the 16396  
director of commerce prescribes. The assessment shall be paid 16397

classification held in the financial organization or paid to the 16404  
director. The director shall be notified annually, and at other 16405  
times as the director may request, of the amount of the earnings 16406

retains shall be paid to the director or credited as specified 16408  
in the agreement under which the organization retains the funds. 16409

audit the fund and its administration by the broadband expansion 17915  
program authority and the department of housing and development 17916  
for compliance with the requirements of sections 191.02 to 17917

owns, operates, or maintains a qualifying airport may, by 17957  
resolution adopted before January 1, 2024, create an airport 17958

implementing plans for public infrastructure improvements that 17960  
benefit the qualifying airport and to finance expenditures to 17961  
attract or retain airlines, increase the number of scheduled 17962  
flights to and from the qualifying airport, or increase use of 17963  
the airport by aircraft having greater passenger capacity or 17964  
greater first-class seating availability. The resolution shall 17965  
include a development plan for the district that, at minimum, 17966  
specifies all of the following: 17967

(1) The manner in which the nonprofit corporation that is 17968  
to govern the district will be formed, operated, and organized; 17969

this division, a parcel is located within five miles of a 17978  
qualifying airport if the distance between any portion of the 17979  
parcel and any portion of the qualifying airport is five miles 17980  
or less. 17981

(B) After adopting a resolution under division (A) of this 17982

section, the board of trustees of the regional airport 17983  
authority, board of directors of the port authority, or 17984  
legislative authority of the municipal corporation shall submit 17985  
a copy to the director of housing and development. 17986

(C) An airport development district is not a political 17987

district shall be considered a public agency under section 17989  
102.01 of the Revised Code and a public authority under section 17990  
4115.03 of the Revised Code. Districts are subject to sections 17991  
121.22 and 121.23 of the Revised Code, but are not subject to 17992  
sections 121.81 to 121.82 of the Revised Code. 17993

**Sec. 321.261.** (A) In each county treasury there shall be 17994  
created the treasurer's delinquent tax and assessment collection 17995  
fund and the prosecuting attorney's delinquent tax and 17996  
assessment collection fund. Except as otherwise provided in this 17997  
division, two and one-half per cent of all delinquent real 17998  
property, personal property, and manufactured and mobile home 17999  
taxes and assessments collected by the county treasurer shall be 18000  
deposited in the treasurer's delinquent tax and assessment 18001  
collection fund, and two and one-half per cent of such 18002  
delinquent taxes and assessments shall be deposited in the 18003  
prosecuting attorney's delinquent tax and assessment collection 18004  
fund. The board of county commissioners shall appropriate to the 18005  
county treasurer from the treasurer's delinquent tax and 18006  
assessment collection fund, and shall appropriate to the 18007  
prosecuting attorney from the prosecuting attorney's delinquent 18008  
tax and assessment collection fund, money to the credit of the 18009  
respective fund, and except as provided in division (D) of this 18010  
section, the appropriation shall be used only for the following 18011  
purposes: 18012

(1) By the county treasurer or the county prosecuting attorney in connection with the collection of delinquent real property, personal property, and manufactured and mobile home taxes and assessments, including proceedings related to foreclosure of the state's lien for such taxes against such property;

(2) With respect to any portion of the amount appropriated from the treasurer's delinquent tax and assessment collection fund for the benefit of a county land reutilization corporation organized under Chapter 1724. of the Revised Code, the county land reutilization corporation. Upon the deposit of amounts in the treasurer's delinquent tax and assessment collection fund, any amounts allocated at the direction of the treasurer to the support of the county land reutilization corporation shall be paid out of such fund to the corporation upon a warrant of the county auditor.

If the balance in the treasurer's or prosecuting attorney's delinquent tax and assessment collection fund exceeds three times the amount deposited into the fund in the preceding year, the treasurer or prosecuting attorney, on or before the twentieth day of October of the current year, may direct the county auditor to forgo the allocation of delinquent taxes and assessments to that officer's respective fund in the ensuing year. If the county auditor receives such direction, the auditor shall cause the portion of taxes and assessments that otherwise would be credited to the fund under this section in that ensuing year to be allocated and distributed among taxing units' funds as otherwise provided in this chapter and other applicable law.

(B) During the period of time that a county land reutilization corporation is functioning as such on behalf of a

county, the board of county commissioners, upon the request of 18043  
the county treasurer, may designate by resolution that an 18044  
additional amount, not exceeding five per cent of all 18045  
collections of delinquent real property, personal property, and 18046  
manufactured and mobile home taxes and assessments, shall be 18047  
deposited in the treasurer's delinquent tax and assessment 18048  
collection fund and be available for appropriation by the board 18049  
for the use of the corporation. Any such amounts so deposited 18050  
and appropriated under this division shall be paid out of the 18051  
treasurer's delinquent tax and assessment collection fund to the 18052  
corporation upon a warrant of the county auditor. 18053

(C) Annually by the first day of December, the county 18054  
treasurer and the prosecuting attorney each shall submit a 18055  
report to the board of county commissioners regarding the use of 18056  
the moneys appropriated from their respective delinquent tax and 18057  
assessment collection funds. Each report shall specify the 18058  
amount appropriated from the fund during the current calendar 18059  
year, an estimate of the amount so appropriated that will be 18060  
expended by the end of the year, a summary of how the amount 18061  
appropriated has been expended in connection with delinquent tax 18062  
collection activities or land reutilization, and an estimate of 18063  
the amount that will be credited to the fund during the ensuing 18064  
calendar year. 18065

The annual report of a county land reutilization 18066  
corporation required by section 1724.05 of the Revised Code 18067  
shall include information regarding the amount and use of the 18068  
moneys that the corporation received from the treasurer's 18069  
delinquent tax and assessment collection fund. 18070

(D) (1) In any county, if the county treasurer or 18071  
prosecuting attorney determines that the balance to the credit 18072

of that officer's corresponding delinquent tax and assessment 18073  
collection fund exceeds the amount required to be used as 18074  
prescribed by division (A) of this section, the county treasurer 18075  
or prosecuting attorney may expend the excess to prevent 18076  
residential mortgage foreclosures in the county and to address 18077  
problems associated with other foreclosed real property. The 18078  
amount used for that purpose in any year may not exceed the 18079  
amount that would cause the fund to have a reserve of less than 18080  
twenty per cent of the amount expended in the preceding year for 18081  
the purposes of division (A) of this section. 18082

Money authorized to be expended under division (D) (1) of 18083  
this section shall be used to provide financial assistance in 18084  
the form of loans to borrowers in default on their home 18085  
mortgages, including for the payment of late fees, to clear 18086  
arrearage balances, and to augment moneys used in the county's 18087  
foreclosure prevention program. The money also may be used to 18088  
assist county land reutilization corporations, municipal 18089  
corporations, or townships in the county, upon their application 18090  
to the county treasurer, prosecuting attorney, or the county 18091  
department of housing and development, in the nuisance abatement 18092  
of deteriorated residential buildings in foreclosure, or vacant, 18093  
abandoned, tax-delinquent, or blighted real property, including 18094  
paying the costs of boarding up such buildings, lot maintenance, 18095  
and demolition. 18096

(2) In a county having a population of more than one 18097  
hundred thousand according to the department of housing and 18098  
development's 2006 census estimate, if the county treasurer or 18099  
prosecuting attorney determines that the balance to the credit 18100  
of that officer's corresponding delinquent tax and assessment 18101  
collection fund exceeds the amount required to be used as 18102  
prescribed by division (A) of this section, the county treasurer 18103

or prosecuting attorney may expend the excess to assist county 18104  
land reutilization corporations, townships, or municipal 18105  
corporations located in the county as provided in division (D) 18106  
(2) of this section, provided that the combined amount so 18107  
expended each year in a county shall not exceed five million 18108  
dollars. Upon application for the funds by a county land 18109  
reutilization corporation, township, or municipal corporation, 18110  
the county treasurer or prosecuting attorney may assist the 18111  
county land reutilization corporation, township, or municipal 18112  
corporation in abating foreclosed residential nuisances, 18113  
including paying the costs of securing such buildings, lot 18114  
maintenance, and demolition. At the prosecuting attorney's 18115  
discretion, the prosecuting attorney also may apply the funds to 18116  
costs of prosecuting alleged violations of criminal and civil 18117  
laws governing real estate and related transactions, including 18118  
fraud and abuse. 18119

**Sec. 321.262.** Notwithstanding section 321.261 of the 18120  
Revised Code, in a county having a population of more than four 18121  
hundred thousand according to the department of housing and 18122  
development's 2006 census estimate, if the county treasurer or 18123  
prosecuting attorney determines that the amount appropriated to 18124  
the office from the county's delinquent tax and assessment 18125  
collection fund exceeds the amount required to be used as 18126  
prescribed by that section, the county treasurer or prosecuting 18127  
attorney may expend the excess to provide financial assistance 18128  
in the form of loans to borrowers in default on their home 18129  
mortgages, including for the payment of late fees, to clear 18130  
arrearage balances, and to augment moneys used in the county's 18131  
foreclosure prevention program, provided that the combined 18132  
amount so expended each year in the county shall not exceed 18133  
three million dollars. 18134

**Sec. 333.03.** (A) A person seeking to enter into an agreement and obtain payments under section 333.02 of the Revised Code shall provide both of the following to the board of county commissioners:

(1) A certification by the person's chief financial officer, or the equivalent if that position does not exist, that the criteria listed in division (B) of section 333.01 of the Revised Code will be met; and

(2) An application on a form or in a format acceptable to the board that describes the proposed impact facility, including the projected level of investment in and new jobs to be created at the facility, the rationale used for determining that more than fifty per cent of the facility's visitors live at least fifty miles from the facility, the types of activities to be conducted at the facility, the projected levels of sales to occur at the facility, a calculation of the facility's square footage that will be dedicated to educational or exhibition activities, and any other information the board of county commissioners reasonably requests about the expected operations of the facility.

(B) The board of county commissioners shall request the director of housing and development ~~services~~ to certify that the proposed facility meets the criteria for an impact facility listed in division (B) of section 333.01 of the Revised Code. The board of county commissioners may, but need not, make findings of fact that a proposed facility meets the criteria for an impact facility listed in division (B) of section 333.01 of the Revised Code before or after requesting the certification. If the director of housing and development ~~services~~ certifies a proposed facility as an impact facility under this section, and

if the board makes such findings, the findings and certification 18165  
are conclusive and not subject to reopening at any time. 18166

**Sec. 333.04.** (A) After review of the items submitted under 18167  
division (A) of section 333.03 of the Revised Code, and after 18168  
receipt of the certification from the director of housing and 18169  
~~development services~~ under division (B) of that section, a board 18170  
of county commissioners, before June 1, 2015, may enter into an 18171

that the board has determined all of the following: 18173

begun prior to the day the agreement is entered into; 18176

(3) The impact facility will benefit the county by 18177  
increasing employment opportunities and strengthening the local 18178  
and regional economy; and 18179

(4) Receiving payments from the board of county 18180  
commissioners is a major factor in the person's decision to go 18181  
forward with construction of the impact facility. 18182

(B) An agreement entered into under this section shall 18183  
include all of the following: 18184

(1) A description of the impact facility that is the 18185  
subject of the agreement, including the existing investment 18186  
level, if any, the proposed amount of investments, the scheduled 18187  
starting and completion dates for the facility, and the number 18188  
and type of full-time equivalent positions to be created at the 18189  
facility; 18190

(2) The percentage of the county sales and use tax 18191  
collected at the impact facility that will be used to make 18192

payments to the person entering into the agreement;	18193
(3) The term of the payments and the first calendar quarter in which the person may apply for a payment under section 333.06 of the Revised Code;	18194 18195 18196
(4) A requirement that the amount of payments made to the person during the term established under division (B) (3) of this section shall not exceed the person's qualifying investment, and that all payments cease when that amount is reached;	18197 18198 18199 18200
(5) A requirement that the person maintain operations at the impact facility for at least the term established under division (B) (3) of this section;	18201 18202 18203
(6) A requirement that the person annually certify to the board of county commissioners, on or before a date established by the board in the agreement, the level of investment in, the number of employees and type of full-time equivalent positions at, and the amount of county sales and use tax collected and remitted to the tax commissioner or treasurer of state from sales made at, the facility;	18204 18205 18206 18207 18208 18209 18210
(7) A provision stating that the creation of the proposed impact facility does not involve the relocation of any full-time equivalent positions or any tangible personal property to the impact facility from another facility owned by the person, or a related member of the person, that is located in another political subdivision of this state, other than the political subdivision in which the impact facility is or will be located;	18211 18212 18213 18214 18215 18216 18217

(C) No payment may be made under this chapter to a person	18221

that is found to be in violation of the provision described in 18222

division, if a person fails to meet or comply with any provision 18225  
of an agreement entered into under section 333.02 of the Revised 18226  
Code, the board of county commissioners may amend the agreement 18227  
to reduce the percentage or term, or both, of the payments the 18228  
person is entitled to receive under the agreement. The reduction 18229  
shall commence in the calendar quarter immediately following the 18230  
calendar quarter in which the board amends the agreement. If a 18231  
person fails to comply with the provision described in division 18232  
(B) (7) of section 333.04 of the Revised Code, no payments may be 18233  
made under this chapter to that person after the person is found 18234  
to be in violation. 18235

(B) A board of county commissioners shall submit to the 18236  
department of housing and development and to the tax 18237  
commissioner a copy of each agreement entered into under section 18238  
333.02 of the Revised Code and any modifications to an agreement 18239  
within thirty days after finalization or modification of the 18240  
agreement. 18241

**Sec. 340.13.** (A) As used in this section: 18242

(1) "Minority business enterprise" has the same meaning as 18243  
in section 122.71 of the Revised Code. 18244

(2) "EDGE business enterprise" has the same meaning as in 18245  
section 122.922 of the Revised Code. 18246

(B) Any minority business enterprise that desires to bid 18247  
on a contract under division (C) of this section shall first 18248  
apply to the department of housing and development for 18249  
certification as a minority business enterprise. Any EDGE 18250

business enterprise that desires to bid on a contract under 18251  
division (D) of this section shall first apply to the department 18252  
of housing and development for certification as an EDGE business 18253  
enterprise. The director of housing and development shall 18254  
approve the application of any minority business enterprise or 18255  
EDGE business enterprise that complies with the rules adopted 18256  
under section 122.71 or 122.922 of the Revised Code, 18257  
respectively. The director shall prepare and maintain a list of 18258  
minority business enterprises and EDGE business enterprises 18259  
certified under those sections. 18260

(C) From the contracts to be awarded for the purchases of 18261  
equipment, materials, supplies, or services, other than 18262  
contracts entered into under section 340.036 of the Revised 18263  
Code, each board of alcohol, drug addiction, and mental health 18264  
services shall select a number of contracts with an aggregate 18265  
value of approximately fifteen per cent of the total estimated 18266  
value of contracts to be awarded in the current fiscal year. The 18267  
board shall set aside the contracts so selected for bidding by 18268  
minority business enterprises only. The bidding procedures for 18269  
such contracts shall be the same as for all other contracts 18270  
awarded under section 307.86 of the Revised Code, except that 18271  
only minority business enterprises certified and listed pursuant 18272  
to division (B) of this section shall be qualified to submit 18273  
bids. 18274

(D) To the extent that a board is authorized to enter into 18275  
contracts for construction, the board shall strive to attain a 18276  
yearly contract dollar procurement goal the aggregate value of 18277  
which equals approximately five per cent of the aggregate value 18278  
of construction contracts for the current fiscal year for EDGE 18279  
business enterprises only. 18280

(E) (1) In the case of contracts set aside under division 18281  
(C) of this section, if no bid is submitted by a minority 18282  
business enterprise, the contract shall be awarded according to 18283  
normal bidding procedures. The board shall from time to time set 18284  
aside such additional contracts as are necessary to replace 18285  
those contracts previously set aside on which no minority 18286  
business enterprise bid. 18287

(2) If a board, after having made a good faith effort, is 18288  
unable to comply with the goal of procurement for contracting 18289  
with EDGE business enterprises pursuant to division (D) of this 18290  
section, the board may apply in writing, on a form prescribed by 18291  
the department of administrative services, to the director of 18292  
mental health and addiction services for a waiver or 18293  
modification of the goal. 18294

(F) This section does not preclude any minority business 18295  
enterprise or EDGE business enterprise from bidding on any other 18296  
contract not specifically set aside for minority business 18297  
enterprises or subject to procurement goals for EDGE business 18298  
enterprises. 18299

(G) Within ninety days after the beginning of each fiscal 18300  
year, each board shall file a report with the department of 18301  
mental health and addiction services that shows for that fiscal 18302  
year the name of each minority business enterprise and EDGE 18303  
business enterprise with which the board entered into a 18304  
contract, the value and type of each such contract, the total 18305  
value of contracts awarded under divisions (C) and (D) of this 18306  
section, the total value of contracts awarded for the purchases 18307  
of equipment, materials, supplies, or services, other than 18308  
contracts entered into under section 340.036 of the Revised 18309  
Code, and the total value of contracts entered into for 18310

construction. 18311

(H) Any person who intentionally misrepresents self as 18312  
owning, controlling, operating, or participating in a minority 18313  
business enterprise or an EDGE business enterprise for the 18314  
purpose of obtaining contracts or any other benefits under this 18315  
section shall be guilty of theft by deception as provided for in 18316  
section 2913.02 of the Revised Code. 18317

**Sec. 703.34.** (A) As used in this section, "condition for 18318  
the dissolution of a village" means any of the following: 18319

(1) The village has been declared to be in a fiscal 18320  
emergency under Chapter 118. of the Revised Code and has been in 18321  
fiscal emergency for at least three consecutive years with 18322  
little or no improvement on the conditions that caused the 18323  
fiscal emergency declaration. 18324

(2) The village has failed to properly follow applicable 18325  
election laws for at least two consecutive election cycles for 18326  
any one elected office in the village. 18327

(3) The village has been declared during an audit 18328  
conducted under section 117.11 of the Revised Code to be 18329  
unauditable under section 117.41 of the Revised Code in at least 18330  
two consecutive audits. 18331

(4) The village does not provide at least two services 18332  
typically provided by municipal government, such as police or 18333  
fire protection, garbage collection, water or sewer service, 18334

services. "Services" does not include any administrative service 18336  
or legislative action. 18337

(5) The village has failed for any fiscal year to adopt 18338  
the tax budget required by section 5705.28 of the Revised Code. 18339

(6) A village elected official has been convicted of theft 18340  
in office, either under section 2921.41 of the Revised Code or 18341  
an equivalent criminal statute at the federal level, at least 18342  
two times in a period of ten years. The convicted official with 18343  
respect to those convictions may be the same person or different 18344  
persons. 18345

(B) If the auditor of state finds, in an audit report 18346  
issued under division (A) or (B) of section 117.11 of the 18347  
Revised Code of a village that has a population of one hundred 18348  
fifty persons or less and consists of less than two square 18349  
miles, that the village meets at least two conditions for the 18350  
dissolution of a village, the auditor of state shall send a 18351  
certified copy of the report together with a letter to the 18352  
attorney general requesting the attorney general to institute 18353  
legal action to dissolve the village in accordance with division 18354  
(C) of this section. The report and letter shall be sent to the 18355  
attorney general within ten business days after the auditor of 18356  
state's transmittal of the report to the village. The audit 18357  
report transmitted to the village shall be accompanied by a 18358  
notice to the village of the auditor's intent to refer the 18359  
report to the attorney general for legal action in accordance 18360  
with this section. 18361

(C) Within twenty days of receipt of the auditor of 18362  
state's report and letter, the attorney general may file a legal 18363  
action in the court of common pleas on behalf of the state to 18364  
request the dissolution of the village that is the subject of 18365  
the audit report. If a legal action is filed, the court shall 18366  
hold a hearing within ninety days after the date the attorney 18367  
general files the legal action with the court. Notice of the 18368  
hearing shall be filed with the attorney general, the clerk of 18369  
the village that is the subject of the action, and each fiscal 18370

At the hearing on dissolution, the court shall determine 18373  
if the village has a population of one hundred fifty persons or 18374  
less, consists of less than two square miles, and meets at least 18375  
two conditions for the dissolution of a village. If the court so 18376  
finds, the court shall order the dissolution of the village, 18377  
which shall proceed in accordance with sections 703.31 to 703.39 18378  
of the Revised Code. The attorney general shall file a certified 18379  
copy of the court's order of dissolution with the secretary of 18380  
state and the county recorder of the county in which the village 18381  
is situated, who shall record it in their respective offices. 18382

(D) For purposes of this section, the population of a 18383  
village shall be the population determined either at the last 18384  
preceding federal decennial census or according to population 18385  
estimates certified by the department of housing and development 18386  
between decennial censuses. 18387

(E) The procedure in this section is in addition to the 18388  
procedure of section 703.33 of the Revised Code for the 18389  
dissolution of a village. 18390

**Sec. 709.024.** (A) A petition filed under section 709.021 18391  
of the Revised Code that requests to follow this section is for 18392  
the special procedure of annexing land into a municipal 18393  
corporation for the purpose of undertaking a significant 18394  
economic development project. As used in this section, 18395  
"significant economic development project" means one or more 18396  
economic development projects that can be classified as 18397  
industrial, distribution, high technology, research and 18398  
development, or commercial, which projects may include ancillary 18399  
residential and retail uses and which projects shall satisfy all 18400

of the following: 18401

(1) Total private real and personal property investment in 18402  
a project shall be in excess of ten million dollars through land 18403  
and infrastructure, new construction, reconstruction, 18404  
installation of fixtures and equipment, or the addition of 18405  
inventory, excluding investment solely related to the ancillary 18406  
residential and retail elements, if any, of the project. As used 18407  
in this division, "private real and personal property 18408  
investment" does not include payments in lieu of taxes, however 18409  
characterized, under Chapter 725. or 1728. or sections 5709.40 18410  
to 5709.43, 5709.45 to 5709.47, 5709.73 to 5709.75, or 5709.78 18411  
to 5709.81 of the Revised Code. 18412

(2) There shall be created by the project an additional 18413  
annual payroll in excess of one million dollars, excluding 18414  
payroll arising solely out of the retail elements, if any, of 18415  
the project. 18416

(3) The project has been certified by the state director 18417  
of housing and development as meeting the requirements of 18418  
divisions (A) (1) and (2) of this section. 18419

(B) Upon the filing of the petition under section 709.021 18420  
of the Revised Code in the office of the clerk of the board of 18421  
county commissioners, the clerk shall cause the petition to be 18422  
entered upon the journal of the board at its next regular 18423  
session. This entry shall be the first official act of the board 18424  
on the petition. Within five days after the filing of the 18425  
petition, the agent for the petitioners shall notify in the 18426  
manner and form specified in this division the clerk of the 18427  
legislative authority of the municipal corporation to which 18428  
annexation is proposed, the fiscal officer of each township any 18429  
portion of which is included within the territory proposed for 18430

annexation, the clerk of the board of county commissioners of 18431  
each county in which the territory proposed for annexation is 18432  
located other than the county in which the petition is filed, 18433  
and the owners of property adjacent to the territory proposed 18434  
for annexation or adjacent to a road that is adjacent to that 18435  
territory and located directly across that road from that 18436  
territory. The notice shall refer to the time and date when the 18437  
petition was filed and the county in which it was filed and 18438  
shall have attached or shall be accompanied by a copy of the 18439  
petition and any attachments or documents accompanying the 18440  
petition as filed. 18441

Notice to a property owner is sufficient if sent by 18442  
regular United States mail to the tax mailing address listed on 18443  
the county auditor's records. Notice to the appropriate 18444  
government officer shall be given by certified mail, return 18445  
receipt requested, or by causing the notice to be personally 18446  
served on the officer, with proof of service by affidavit of the 18447  
person who delivered the notice. Proof of service of the notice 18448  
on each appropriate government officer shall be filed with the 18449  
board of county commissioners with which the petition was filed. 18450

(C) (1) Within thirty days after the petition is filed, the 18451  
legislative authority of the municipal corporation to which 18452  
annexation is proposed and each township any portion of which is 18453  
included within the territory proposed for annexation may adopt 18454  
and file with the board of county commissioners an ordinance or 18455  
resolution consenting or objecting to the proposed annexation. 18456  
An objection to the proposed annexation shall be based solely 18457  
upon the petition's failure to meet the conditions specified in 18458  
division (F) of this section. Failure of the municipal 18459  
corporation or any of those townships to timely file an 18460  
ordinance or resolution consenting or objecting to the proposed 18461

annexation shall be deemed to constitute consent by that 18462  
municipal corporation or township to the proposed annexation. 18463

(2) Within twenty days after receiving the notice required 18464  
by division (B) of this section, the legislative authority of 18465  
the municipal corporation shall adopt, by ordinance or 18466  
resolution, a statement indicating what services the municipal 18467  
corporation will provide or cause to be provided, and an 18468  
approximate date by which it will provide or cause them to be 18469  
provided, to the territory proposed for annexation, upon 18470  
annexation. If a hearing is to be conducted under division (E) 18471  
of this section, the legislative authority shall file the 18472  
statement with the clerk of the board of county commissioners at 18473  
least twenty days before the date of the hearing. 18474

(D) If all parties to the annexation proceedings consent 18475  
to the proposed annexation, a hearing shall not be held, and the 18476  
board, at its next regular session, shall enter upon its journal 18477  
a resolution granting the annexation. There is no appeal in law 18478  
or in equity from the board's entry of a resolution under this 18479  
division. The clerk of the board shall proceed as provided in 18480  
division (C) (1) of section 709.033 of the Revised Code. 18481

(E) Unless the petition is granted under division (D) of 18482  
this section, a hearing shall be held on the petition. The board 18483  
of county commissioners shall hear the petition at its next 18484  
regular session and shall notify the agent for the petitioners 18485  
of the hearing's date, time, and place. The agent for the 18486  
petitioners shall give, within five days after receipt of the 18487  
notice of the hearing from the board, to the parties and 18488  
property owners entitled to notice under division (B) of this 18489  
section, notice of the date, time, and place of the hearing. 18490  
Notice to a property owner is sufficient if sent by regular 18491

United States mail to the tax mailing address listed on the 18492  
county auditor's records. At the hearing, the parties and any 18493  
owner of real estate within the territory proposed to be annexed 18494  
are entitled to appear for the purposes described in division 18495  
(C) of section 709.032 of the Revised Code. 18496

(F) Within thirty days after a hearing under division (E) 18497  
of this section, the board of county commissioners shall enter 18498  
upon its journal a resolution granting or denying the proposed 18499  
annexation. The resolution shall include specific findings of 18500  
fact as to whether or not each of the conditions listed in this 18501  
division has been met. If the board grants the annexation, the 18502  
clerk of the board shall proceed as provided in division (C) (1) 18503  
of section 709.033 of the Revised Code. 18504

The board shall enter a resolution granting the annexation 18505  
if it finds, based upon a preponderance of the substantial, 18506  
reliable, and probative evidence on the whole record, that each 18507  
of the following conditions has been met: 18508

(1) The petition meets all the requirements set forth in, 18509  
and was filed in the manner provided in, section 709.021 of the 18510  
Revised Code. 18511

(2) The persons who signed the petition are owners of real 18512  
estate located in the territory proposed to be annexed in the 18513  
petition and constitute all of the owners of real estate in that 18514  
territory. 18515

(3) No street or highway will be divided or segmented by 18516  
the boundary line between a township and the municipal 18517  
corporation as to create a road maintenance problem, or if the 18518  
street or highway will be so divided or segmented, the municipal 18519  
corporation has agreed, as a condition of the annexation, that 18520

it will assume the maintenance of that street or highway. For 18521  
the purposes of this division, "street" or "highway" has the 18522  
same meaning as in section 4511.01 of the Revised Code. 18523

(4) The municipal corporation to which the territory is 18524  
proposed to be annexed has adopted an ordinance or resolution as 18525  
required by division (C) (2) of this section. 18526

(5) The state director of housing and development has 18527  
certified that the project meets the requirements of divisions 18528  
(A) (1) and (2) of this section and thereby qualifies as a 18529  
significant economic development project. The director's 18530  
certification is binding on the board of county commissioners. 18531

(G) An owner who signed the petition may appeal a decision 18532  
of the board of county commissioners denying the proposed 18533  
annexation under section 709.07 of the Revised Code. No other 18534  
person has standing to appeal the board's decision in law or in 18535  
equity. If the board grants the annexation, there shall be no 18536  
appeal in law or in equity. 18537

(H) Notwithstanding anything to the contrary in section 18538  
503.07 of the Revised Code, unless otherwise provided in an 18539  
annexation agreement entered into pursuant to section 709.192 of 18540  
the Revised Code or in a cooperative economic development 18541  
agreement entered into pursuant to section 701.07 of the Revised 18542  
Code, territory annexed into a municipal corporation pursuant to 18543  
this section shall not at any time be excluded from the township 18544  
under section 503.07 of the Revised Code and, thus, remains 18545  
subject to the township's real property taxes. 18546

(I) A municipal corporation to which annexation is 18547  
proposed is entitled in its sole discretion to provide to the 18548  
territory proposed for annexation, upon annexation, services in 18549

addition to the services described in the ordinance or 18550  
resolution adopted by the legislative authority of the municipal 18551  
corporation under division (C) (2) of this section. 18552

**Sec. 709.192.** (A) The legislative authority of one 18553  
municipal corporation, by ordinance or resolution, and the board 18554  
of township trustees of one or more townships, by resolution, 18555  
may enter into annexation agreements under this section. 18556

(B) An annexation agreement may be entered into for any 18557  
period of time and may be amended at any time in the same manner 18558  
as it was initially authorized. 18559

(C) Annexation agreements may provide for any of the 18560  
following: 18561

be made and any areas that will not be annexed; 18564

(3) Land use planning matters; 18565

between a municipal corporation and a township in areas annexed 18578  
~~after the effective date of this section~~ March 27, 2002; 18579

(10) The issuance of notes and bonds and other debt 18580  
obligations by a municipal corporation or township for public 18581  
purposes authorized by or under an annexation agreement and 18582  
provision for the allocation of the payment of the principal of, 18583  
interest on, and other charges and costs of issuing and 18584  
servicing the repayment of the debt; 18585

(11) Agreements by a municipal corporation and township, 18586

of public services, facilities, and permanent improvements; 18589

(12) The application of tax abatement statutes within the 18590  
territory covered by the annexation agreement subsequent to its 18591  
execution; 18592

the Revised Code to exclude newly annexed territory from the 18594  
original township and providing services to that territory; 18595

(14) Payments in lieu of taxes, if any, to be paid to a 18596  
township by a municipal corporation, which payments may be in 18597  
addition to or in lieu of other payments required by law to be 18598

the powers granted to municipal corporations by Article XVIII, 18603

proceeds of any tax levy, although those proceeds may be used to 18607  
make payments authorized in an annexation agreement. 18608

(E) If any party to an annexation agreement believes 18609  
another party has failed to perform its part of any provision of 18610  
that agreement, including the failure to make any payment of 18611  
moneys due under the agreement, that party shall give notice to 18612  
the other party clearly stating what breach has occurred. The 18613  
party receiving the notice has ninety days from the receipt of 18614  
that notice to cure the breach. If the breach has not been cured 18615  
within that ninety-day period, the party that sent the notice 18616  
may sue for recovery of the money due under the agreement, sue 18617  
for specific enforcement of the agreement, or terminate the 18618  
agreement upon giving notice of termination to all the other 18619  
parties. 18620

with the written consent of the legislative authority of the 18625  
municipal corporation and each of the boards of township 18626  
trustees that are parties to the agreement. 18627

(G) The board of county commissioners, by resolution, or 18628  
any person, upon request, may become a party to an annexation 18629  
agreement, but only upon the approval of the legislative 18630  
authority of the municipal corporation and each of the boards of 18631  
township trustees that are parties to the agreement, except 18632  
that, if the state is a party to the agreement, the director of 18633  
housing and development is responsible for giving the approval. 18634

(H) The powers granted by this section and any annexation 18635

agreement entered into under this section shall be liberally 18636  
construed to allow parties to these agreements to carry out the 18637  
agreements' provisions relevant to government improvements, 18638  
facilities, and services, and to promote and support economic 18639  
development and the creation and preservation of economic 18640  
opportunities. 18641

**Sec. 715.70.** (A) This section and section 715.71 of the 18642  
Revised Code apply only to: 18643

(1) Municipal corporations and townships within a county 18644  
that has adopted a charter under Sections 3 and 4 of Article X, 18645  
Ohio Constitution; 18646

(2) Municipal corporations and townships that have created 18647  
a joint economic development district comprised entirely of real 18648  
property owned by a municipal corporation at the time the 18649  
district was created under this section. The real property owned 18650  
by the municipal corporation shall include an airport owned by 18651  
the municipal corporation and located entirely beyond the 18652  
municipal corporation's corporate boundary. 18653

(3) Municipal corporations or townships that are part of 18654  
or contiguous to a transportation improvement district created 18655  
under Chapter 5540. of the Revised Code and that have created a 18656  
joint economic development district under this section or 18657  
section 715.71 of the Revised Code prior to November 15, 1995; 18658

(4) Municipal corporations that have previously entered 18659  
into a contract creating a joint economic development district 18660  
pursuant to division (A) (2) of this section, even if the 18661  
territory to be included in the district does not meet the 18662  
requirements of that division. 18663

(B) (1) One or more municipal corporations and one or more 18664

townships may enter into a contract approved by the legislative 18665  
authority of each contracting party pursuant to which they 18666  
create as a joint economic development district an area or areas 18667  
for the purpose of facilitating economic development to create 18668  
or preserve jobs and employment opportunities and to improve the 18669  
economic welfare of the people in the state and in the area of 18670  
the contracting parties. A municipal corporation described in 18671  
division (A) (4) of this section may enter into a contract with 18672  
other municipal corporations and townships to create a new joint 18673  
economic development district. In a district that includes a 18674  
municipal corporation described in division (A) (4) of this 18675  
section, the territory of each of the contracting parties shall 18676  
be contiguous to the territory of at least one other contracting 18677  
party, or contiguous to the territory of a township or municipal 18678  
corporation that is contiguous to another contracting party, 18679  
even if the intervening township or municipal corporation is not 18680  
a contracting party. The area or areas of land to be included in 18681  
the district shall not include any parcel of land owned in fee 18682  
by a municipal corporation or a township or parcel of land that 18683  
is leased to a municipal corporation or a township, unless the 18684  
municipal corporation or township is a party to the contract or 18685  
unless the municipal corporation or township has given its 18686  
consent to have its parcel of land included in the district by 18687  
the adoption of a resolution. As used in this division, "parcel 18688  
of land" means any parcel of land owned by a municipal 18689  
corporation or a township for at least a six-month period within 18690  
a five-year period prior to the creation of a district, but 18691  
"parcel of land" does not include streets or public ways and 18692  
sewer, water, and other utility lines whether owned in fee or 18693  
otherwise. 18694

The district created shall be located within the territory 18695

of one or more of the participating parties and may consist of 18696  
all or a portion of such territory. The boundaries of the 18697  
district shall be described in the contract or in an addendum to 18698  
the contract. 18699

(2) Prior to the public hearing to be held pursuant to 18700  
division (D)(2) of this section, the participating parties shall 18701  
give a copy of the proposed contract to each municipal 18702  
corporation located within one-quarter mile of the proposed 18703  
joint economic development district and not otherwise a party to 18704  
the contract, and afford the municipal corporation the 18705  
reasonable opportunity, for a period of thirty days following 18706  
receipt of the proposed contract, to make comments and 18707  
suggestions to the participating parties regarding elements 18708  
contained in the proposed contract. 18709

(3) The district shall not exceed two thousand acres in 18710  
area. The territory of the district shall not completely 18711  
surround territory that is not included within the boundaries of 18712  
the district. 18713

(4) Sections 503.07 to 503.12 of the Revised Code do not 18714  
apply to territory included within a district created pursuant 18715  
to this section as long as the contract creating the district is 18716  
in effect, unless the legislative authority of each municipal 18717  
corporation and the board of township trustees of each township 18718  
included in the district consent, by ordinance or resolution, to 18719  
the application of those sections of the Revised Code. 18720

(5) Upon the execution of the contract creating the 18721  
district by the parties to the contract, a participating 18722  
municipal corporation or township included within the district 18723  
shall file a copy of the fully executed contract with the county 18724  
recorder of each county within which a party to the contract is 18725

located, in the miscellaneous records of the county. No 18726  
annexation proceeding pursuant to Chapter 709. of the Revised 18727  
Code that proposes the annexation to, merger, or consolidation 18728  
with a municipal corporation of any unincorporated territory 18729  
within the district shall be commenced for a period of three 18730  
years after the contract is filed with the county recorder of 18731  
each county within which a party to the contract is located 18732  
unless each board of township trustees whose territory is 18733  
included, in whole or part, within the district and the 18734  
territory proposed to be annexed, merged, or consolidated adopts 18735  
a resolution consenting to the commencement of the proceeding 18736  
and a copy of the resolution is filed with the legislative 18737  
authority of each county within which a party to the contract is 18738  
located or unless the contract is terminated during this period. 18739

The contract entered into between the municipal 18740  
corporations and townships pursuant to this section may provide 18741  
for the prohibition of any annexation by the participating 18742  
municipal corporations of any unincorporated territory within 18743  
the district beyond the three-year mandatory prohibition of any 18744  
annexation provided for in division (B) (5) of this section. 18745

(C) (1) After the legislative authority of a municipal 18746  
corporation and the board of township trustees have adopted an 18747  
ordinance and resolution approving a contract to create a joint 18748  
economic development district pursuant to this section, and 18749  
after a contract has been signed, the municipal corporations and 18750  
townships shall jointly file a petition with the legislative 18751  
authority of each county within which a party to the contract is 18752  
located. 18753

(a) The petition shall contain all of the following: 18754

(i) A statement that the area or areas of the district are 18755

not greater than two thousand acres and are located within the territory of one or more of the contracting parties; 18756  
18757

(ii) A brief summary of the services to be provided by each party to the contract or a reference to the portion of the contract describing those services; 18758  
18759  
18760

(iii) A description of the area or areas to be designated as the district; 18761  
18762

(iv) The signature of a representative of each of the contracting parties. 18763  
18764

(b) The following documents shall be filed with the petition: 18765  
18766

(i) A signed copy of the contract, together with copies of district maps and plans related to or part of the contract; 18767  
18768

(ii) A certified copy of the ordinances and resolutions of the contracting parties approving the contract; 18769  
18770

(iii) A certificate from each of the contracting parties indicating that the public hearings required by division (D) (2) of this section have been held, the date of the hearings, and evidence of publication of the notice of the hearings; 18771  
18772  
18773  
18774

(iv) One or more signed statements of persons who are owners of property located in whole or in part within the area to be designated as the district, requesting that the property be included within the district, provided that those statements shall represent a majority of the persons owning property located in whole or in part within the district and persons owning a majority of the acreage located within the district. A signature may be withdrawn by the signer up to but not after the time of the public hearing required by division (D) (2) of this 18775  
18776  
18777  
18778  
18779  
18780  
18781  
18782  
18783

section. 18784

(2) The legislative authority of each county within which 18785  
a party to the contract is located shall adopt a resolution 18786  
approving the petition for the creation of the district if the 18787  
petition and other documents have been filed in accordance with 18788  
the requirements of division (C) (1) of this section. If the 18789  
petition and other documents do not substantially meet the 18790  
requirements of that division, the legislative authority of any 18791  
county within which a party to the contract is located may adopt 18792  
a resolution disapproving the petition for the creation of the 18793  
district. The legislative authority of each county within which 18794  
a party to the contract is located shall adopt a resolution 18795  
approving or disapproving the petition within thirty days after 18796  
the petition was filed. If the legislative authority of each 18797  
such county does not adopt the resolution within the thirty-day 18798  
period, the petition shall be deemed approved and the contract 18799  
shall go into effect immediately after that approval or at such 18800  
other time as the contract specifies. 18801

(D) (1) The contract creating the district shall set forth 18802  
or provide for the amount or nature of the contribution of each 18803  
municipal corporation and township to the development and 18804  
operation of the district and may provide for the sharing of the 18805  
costs of the operation of and improvements for the district. The 18806  
contributions may be in any form to which the contracting 18807  
municipal corporations and townships agree and may include but 18808  
are not limited to the provision of services, money, real or 18809  
personal property, facilities, or equipment. The contract may 18810  
provide for the contracting parties to share revenue from taxes 18811  
levied on property by one or more of the contracting parties if 18812  
those revenues may lawfully be applied to that purpose under the 18813  
legislation by which those taxes are levied. The contract shall 18814

provide for new, expanded, or additional services, facilities, 18815  
or improvements, including expanded or additional capacity for 18816  
or other enhancement of existing services, facilities, or 18817  
improvements, provided that those services, facilities, or 18818  
improvements, or expanded or additional capacity for or 18819  
enhancement of existing services, facilities, or improvements, 18820  
required herein have been provided within the two-year period 18821  
prior to the execution of the contract. 18822

(2) Before the legislative authority of a municipal 18823  
corporation or a board of township trustees passes any ordinance 18824  
or resolution approving a contract to create a joint economic 18825  
development district pursuant to this section, the legislative 18826  
authority of the municipal corporation and the board of township 18827  
trustees shall each hold a public hearing concerning the joint 18828  
economic development district contract and shall provide thirty 18829  
days' public notice of the time and place of the public hearing 18830  
in a newspaper of general circulation in the municipal 18831  
corporation and the township. The board of township trustees may 18832  
provide additional notice to township residents in accordance 18833  
with section 9.03 of the Revised Code, and any additional notice 18834  
shall include the public hearing announcement; a summary of the 18835  
terms of the contract; a statement that the entire text of the 18836  
contract and district maps and plans are on file for public 18837  
examination in the office of the township fiscal officer; and 18838  
information pertaining to any tax changes that will or may occur 18839  
as a result of the contract. 18840

During the thirty-day period prior to the public hearing, 18841  
a copy of the text of the contract together with copies of 18842  
district maps and plans related to or part of the contract shall 18843  
be on file, for public examination, in the offices of the clerk 18844  
of the legislative authority of the municipal corporation and of 18845

the township fiscal officer. The public hearing provided for in 18846  
division (D) (2) of this section shall allow for public comment 18847  
and recommendations from the public on the proposed contract. 18848  
The contracting parties may include in the contract any of those 18849  
recommendations prior to the approval of the contract. 18850

(3) Any resolution of the board of township trustees that 18851  
approves a contract that creates a joint economic development 18852  
district pursuant to this section shall be subject to a 18853  
referendum of the electors of the township. When a referendum 18854  
petition, signed by ten per cent of the number of electors in 18855  
the township who voted for the office of governor at the most 18856  
recent general election for the office of governor, is presented 18857  
to the board of township trustees within thirty days after the 18858  
board of township trustees adopted the resolution, ordering that 18859  
the resolution be submitted to the electors of the township for 18860  
their approval or rejection, the board of township trustees 18861  
shall, after ten days and not later than four p.m. of the 18862  
ninetieth day before the election, certify the text of the 18863  
resolution to the board of elections. The board of elections 18864  
shall submit the resolution to the electors of the township for 18865  
their approval or rejection at the next general, primary, or 18866  
special election occurring subsequent to ninety days after the 18867  
certifying of the petition to the board of elections. 18868

(4) Upon the creation of a district under this section or 18869  
section 715.71 of the Revised Code, one of the contracting 18870  
parties shall file a copy of the following with the director of 18871  
housing and development: 18872

(a) The petition and other documents described in division 18873  
(C) (1) of this section, if the district is created under this 18874  
section; 18875

(b) The documents described in division (D) of section 18876  
715.71 of the Revised Code, if the district is created under 18877  
this section. 18878

(E) The district created by the contract shall be governed 18879  
by a board of directors that shall be established by or pursuant 18880  
to the contract. The board is a public body for the purposes of 18881  
section 121.22 of the Revised Code. The provisions of Chapter 18882  
2744. of the Revised Code apply to the board and the district. 18883  
The members of the board shall be appointed as provided in the 18884  
contract from among the elected members of the legislative 18885  
authorities and the elected chief executive officers of the 18886  
contracting parties, provided that there shall be at least two 18887  
members appointed from each of the contracting parties. 18888

(F) The contract shall enumerate the specific powers, 18889  
duties, and functions of the board of directors of a district, 18890  
and the contract shall provide for the determination of 18891  
procedures that are to govern the board of directors. The 18892  
contract may grant to the board the power to adopt a resolution 18893  
to levy an income tax within the district. The income tax shall 18894  
be used for the purposes of the district and for the purposes of 18895  
the contracting municipal corporations and townships pursuant to 18896  
the contract. The income tax may be levied in the district based 18897  
on income earned by persons working or residing within the 18898  
district and based on the net profits of businesses located in 18899  
the district. The income tax shall follow the provisions of 18900  
Chapter 718. of the Revised Code, except that a vote shall be 18901  
required by the electors residing in the district to approve the 18902  
rate of income tax. If no electors reside within the district, 18903  
then division (F)(4) of this section applies. The rate of the 18904  
income tax shall be no higher than the highest rate being levied 18905  
by a municipal corporation that is a party to the contract. 18906

(1) Within one hundred eighty days after the first meeting of the board of directors, the board may levy an income tax, provided that the rate of the income tax is first submitted to and approved by the electors of the district at the succeeding regular or primary election, or a special election called by the board, occurring subsequent to ninety days after a certified copy of the resolution levying the income tax and calling for the election is filed with the board of elections. If the voters approve the levy of the income tax, the income tax shall be in force for the full period of the contract establishing the district. Any increase in the rate of an incometax that was first levied within one hundred eighty days after the first meeting of the board of directors shall be approved by a vote of the electors of the district, shall be in force for the remaining period of the contract establishing the district, and shall not be subject to division (F) (2) of this section.

(2) Any resolution of the board of directors levying an income tax that is adopted subsequent to one hundred eighty days after the first meeting of the board of directors shall be subject to a referendum as provided in division (F) (2) of this section. Any resolution of the board of directors levying an income tax that is adopted subsequent to one hundred eighty days after the first meeting of the board of directors shall be subject to an initiative proceeding to amend or repeal the resolution levying the income tax as provided in division (F) (2) of this section. When a referendum petition, signed by ten per cent of the number of electors in the district who voted for the office of governor at the most recent general election for the office of governor, is filed with the county auditor of each county within which a party to the contract is located within thirty days after the resolution is adopted by the board or when

an initiative petition, signed by ten per cent of the number of 18938  
electors in the district who voted for the office of governor at 18939  
the most recent general election for the office of governor, is 18940  
filed with the county auditor of each such county ordering that 18941  
a resolution to amend or repeal a prior resolution levying an 18942  
income tax be submitted to the electors within the district for 18943  
their approval or rejection, the county auditor of each such 18944  
county, after ten days and not later than four p.m. of the 18945  
ninetieth day before the election, shall certify the text of the 18946  
resolution to the board of elections of that county. The county 18947  
auditor of each such county shall retain the petition. The board 18948  
of elections shall submit the resolution to such electors, for 18949  
their approval or rejection, at the next general, primary, or 18950  
special election occurring subsequent to ninety days after the 18951  
certifying of such petition to the board of elections. 18952

(3) Whenever a district is located in the territory of 18953  
more than one contracting party, a majority vote of the 18954  
electors, if any, in each of the several portions of the 18955  
territory of the contracting parties constituting the district 18956  
approving the levy of the tax is required before it may be 18957  
imposed pursuant to this division. 18958

(4) If there are no electors residing in the district, no 18959  
election for the approval or rejection of an income tax shall be 18960  
held pursuant to this section, provided that where no electors 18961  
reside in the district, the maximum rate of the income tax that 18962  
may be levied shall not exceed one per cent. 18963

(5) The board of directors of a district levying an income 18964  
tax shall enter into an agreement with one of the municipal 18965  
corporations that is a party to the contract to administer, 18966  
collect, and enforce the income tax on behalf of the district. 18967

The resolution levying the income tax shall provide the same 18968  
credits, if any, to residents of the district for income taxes 18969  
paid to other such districts or municipal corporations where the 18970  
residents work, as credits provided to residents of the 18971  
municipal corporation administering the income tax. 18972

(6) (a) The board shall publish or post public notice of 18973  
any resolution adopted levying an income tax in a newspaper of 18974  
general circulation within the district once a week for two 18975  
consecutive weeks or as provided in section 7.16 of the Revised 18976  
Code, before the resolution takes effect. In districts in which 18977  
no newspaper is generally circulated, notice shall be 18978  
accomplished by posting copies in not less than five of the most 18979  
public places in the district, as determined by the board, for a 18980  
period of not less than fifteen days before the effective date 18981  
of the resolution. 18982

(b) Except as otherwise specified by this division, any 18983  
referendum or initiative proceeding within a district shall be 18984  
conducted in the same manner as is required for such proceedings 18985  
within a municipal corporation pursuant to sections 731.28 to 18986  
731.40 of the Revised Code. 18987

(G) Membership on the board of directors does not 18988  
constitute the holding of a public office or employment within 18989  
the meaning of any section of the Revised Code or any charter 18990  
provision prohibiting the holding of other public office or 18991  
employment, and shall not constitute an interest, either direct 18992  
or indirect, in a contract or expenditure of money by any 18993  
municipal corporation, township, county, or other political 18994  
subdivision with which the member may be connected. No member of 18995  
a board of directors shall be disqualified from holding any 18996  
public office or employment, nor shall such member forfeit or be 18997

disqualified from holding any such office or employment, by 18998  
reason of the member's membership on the board of directors, 18999  
notwithstanding any law or charter provision to the contrary. 19000

(H) The powers and authorizations granted pursuant to this 19001  
section or section 715.71 of the Revised Code are in addition to 19002  
and not in derogation of all other powers granted to municipal 19003  
corporations and townships pursuant to law. When exercising a 19004  
power or performing a function or duty under a contract 19005  
authorized pursuant to this section or section 715.71 of the 19006  
Revised Code, a municipal corporation may exercise all of the 19007  
powers of a municipal corporation, and may perform all the 19008  
functions and duties of a municipal corporation, within the 19009  
district, pursuant to and to the extent consistent with the 19010  
contract. When exercising a power or performing a function or 19011  
duty under a contract authorized pursuant to this section or 19012  
section 715.71 of the Revised Code, a township may exercise all 19013  
of the powers of a township, and may perform all the functions 19014  
and duties of a township, within the district, pursuant to and 19015  
to the extent consistent with the contract. The district board 19016  
of directors has no powers except those specifically set forth 19017  
in the contract as agreed to by the participating parties. No 19018  
political subdivision shall authorize or grant any tax exemption 19019  
pursuant to Chapter 1728. or section 3735.67, 5709.62, 5709.63, 19020  
or 5709.632 of the Revised Code on any property located within 19021  
the district without the consent of the contracting parties. The 19022  
prohibition for any tax exemption pursuant to this division 19023  
shall not apply to any exemption filed, pending, or approved, or 19024  
for which an agreement has been entered into, before the 19025  
effective date of the contract entered into by the parties. 19026

(I) Municipal corporations and townships may enter into 19027  
binding agreements pursuant to a contract authorized under this 19028

section or section 715.71 of the Revised Code with respect to 19029

to, merger of, or consolidation with a municipal corporation 19273  
that is a contracting party of any unincorporated territory 19274

(7) The contract may designate property as a community 19278  
entertainment district, or may be amended to designate property 19279

(D) of section 4301.80 of the Revised Code. A contract or 19281  
amendment designating a community entertainment district shall 19282  
include all information and documentation described in divisions 19283  
(B)(1) to (6) of section 4301.80 of the Revised Code. The public 19284  
notice required under division (I) of this section shall specify 19285  
that the contract designates a community entertainment district 19286  
and describe the location of that district. Except as provided 19287

service plan or agreement, the contract shall include all of the 19295

(c) Evidence or estimates indicating that the construction of the public utility infrastructure needed to serve at least some portion of the district will be completed within five years after the creation of the district.	19304 19305 19306 19307
(G) The contract creating a joint economic development district shall continue in existence throughout its term and shall be binding on the contracting parties and on any parties succeeding to the contracting parties, whether by annexation, merger, or consolidation. Except as provided in division (H) of this section, the contract may be amended, renewed, or terminated with the approval of the contracting parties or any parties succeeding to the contracting parties. If the contract is amended to add or remove an area to or from an existing district, the amendment shall be adopted in the manner prescribed under division (L) of this section.	19308 19309 19310 19311 19312 19313 19314 19315 19316 19317 19318
(H) If two or more contracting parties previously have entered into a separate contract for utility services, then amendment, renewal, or termination of the separate contract for utility services shall not constitute any part of the consideration for the contract creating a joint economic development district. A contract creating a joint economic	19319 19320 19321 19322 19323 19324

development district shall be rebuttably presumed to violate 19325  
this division if it is entered into within two years prior or 19326  
five years subsequent to the amendment, renewal, or termination 19327  
of a separate contract for utility services that two or more 19328  
contracting parties previously have entered into. The 19329  
presumption stated in this division may be rebutted by clear and 19330  
convincing evidence of both of the following: 19331

(1) That other substantial consideration existed to 19332  
support the contract creating a joint economic development 19333  
district; 19334

(2) That the contracting parties entered into the contract 19335  
creating a joint economic development district freely and 19336  
without duress or coercion related to the amendment, renewal, or 19337  
termination of the separate contract for utility services. 19338

A contract creating a joint economic development district 19339  
that violates this division is void and unenforceable. 19340

(I) (1) Before the legislative authority of any of the 19341  
contracting parties adopts an ordinance or resolution approving 19342  
a contract to create a district, the legislative authority of 19343  
each of the contracting parties shall hold a public hearing 19344  
concerning the contract and district. Each legislative authority 19345  
shall provide at least thirty days' public notice of the time 19346  
and place of the public hearing in a newspaper of general 19347  
circulation in the municipal corporation, township, or county, 19348  
as applicable. During the thirty-day period prior to the public 19349  
hearing and until the date that an ordinance or resolution is 19350  
adopted under division (K) of this section to approve the joint 19351  
economic development district contract, all of the following 19352  
documents shall be available for public inspection in the office 19353

corporation and county that is a contracting party and in the office of the fiscal officer of a township that is a contracting party:

(a) A copy of the contract creating the district, including the economic development plan for the district and the schedule for the provision of new, expanded, or additional services, facilities, or improvements described in division (F) (3) of this section;

(b) A description of the area or areas to be included in the district, including a map in sufficient detail to denote the specific boundaries of the area or areas and to indicate any zoning restrictions applicable to the area or areas, and the parcel number, provided for under section 319.28 of the Revised Code, of any parcel located within the boundaries of the joint economic development district and excluded from the district under division (E) (2) of this section;

(c) If the contract authorizes the board of directors of the district to adopt a resolution to levy an income tax within the district or within portions of the district, a schedule for the collection of the tax.

(2) At least thirty days before the first public hearing is to be held by one or more legislative authorities on a proposed district, notice shall be sent in writing to each non-contracting municipal corporation that is located within one-half of one mile of the proposed district or that is identified in a water or sewer service plan or agreement as a future provider of water or sewer services to all or part of the proposed district.

(3) A public hearing held under this division shall allow

for public comment and recommendations on the contract and 19384  
district. The contracting parties may include in the contract 19385  
any of those recommendations prior to approval of the contract. 19386

(J) (1) Before any of the contracting parties approves a 19387  
contract under division (K) of this section, the contracting 19388  
parties shall circulate one or more petitions to record owners 19389  
of real property located within the proposed joint economic 19390  
development district and owners of businesses operating within 19391  
the proposed district. The petitions shall state that all of the 19392  
documents described in divisions (I) (1) (a) to (c) of this 19393  
section are available for public inspection in the office of the 19394  
clerk of the legislative authority of each municipal corporation 19395  
and county that is a contracting party or the office of the 19396  
fiscal officer of each township that is a contracting party. The 19397  
petitions shall clearly indicate that, by signing the petition, 19398  
the record owner or owner consents to the proposed joint 19399  
economic development district. 19400

A contracting party may send written notice of the 19401  
petitions by certified mail with return receipt requested to the 19402  
last known mailing addresses of any or all of the record owners 19403  
of real property located within the proposed district or the 19404  
owners of businesses operating within the proposed district. The 19405  
contracting parties shall equally share the costs of complying 19406  
with this division. 19407

(2) If any portion of property located within the proposed 19408  
joint economic development district is also either located 19409  
within one-half of one mile of a non-contracting municipal 19410  
corporation or covered by or subject to a water or sewer service 19411  
plan or agreement under which a non-contracting municipal 19412  
corporation is identified as a future provider of water or sewer 19413

services to all or part of the proposed district, then that 19414  
property and any property contiguous to that property if owned 19415  
by the same person shall be excluded from the joint economic 19416  
development district unless the owner of the property signs the 19417  
petition. 19418

(K) (1) After the public hearings required under division 19419  
(I) of this section have been held and the petitions described 19420  
in division (J) of this section have been signed by the majority 19421  
of the record owners of real property located within the 19422  
proposed joint economic development district and by a majority 19423  
of the owners of businesses, if any, operating within the 19424  
proposed district, each contracting party may adopt an ordinance 19425  
or resolution approving the contract to create a joint economic 19426  
development district. Not later than ten days after all of the 19427  
contracting parties have adopted ordinances or resolutions 19428  
approving the district contract, each contracting party shall 19429  
give notice of the proposed district to all of the following: 19430

(a) Each record owner of real property to be included in 19431  
the district and in the territory of that contracting party who 19432  
did not sign the petitions described in division (J) of this 19433  
section; 19434

(b) An owner of each business operating within the 19435  
district and in the territory of that contracting party no owner 19436  
of which signed the petitions described in division (J) of this 19437  
section. 19438

(2) Such notices shall be given by certified mail and 19439  
shall specify that the property or business is located within an 19440  
area to be included in the district and that all of the 19441  
documents described in divisions (I) (1) (a) to (c) of this 19442  
section are available for public inspection in the office of the 19443

clerk of the legislative authority of each municipal corporation 19444  
and county that is a contracting party or the office of the 19445  
fiscal officer of each township that is a contracting party. The 19446  
contracting parties shall equally share the costs of complying 19447  
with division (K) of this section. 19448

(L) (1) The contracting parties may amend the joint 19449  
economic development district contract to add any area that was 19450  
not originally included in the district if the area satisfies 19451  
the criteria prescribed under division (E) of this section. The 19452  
contracting parties may also amend the district contract to 19453  
remove any area originally included in the district or exclude 19454  
one or more parcels located within the district pursuant to 19455  
division (E) (2) of this section. 19456

(2) An amendment adding an area to a district, removing an 19457  
area from the district, or excluding one or more parcels from 19458  
the district may be approved only by a resolution or ordinance 19459  
adopted by each of the contracting parties. The contracting 19460  
parties shall conduct public hearings on the amendment and 19461  
provide notice in the manner required under division (I) of this 19462  
section for original contracts. The contracting parties shall 19463  
make available for public inspection a copy of the amendment, a 19464  
description of the area to be added, removed, or excluded to or 19465  
from the district, and a map of that area in sufficient detail 19466  
to denote the specific boundaries of the area and to indicate 19467  
any zoning restrictions applicable to the area. 19468

(3) Before adopting a resolution or ordinance approving 19469  
the addition of an area to the district, the contracting parties 19470  
shall circulate petitions to the record owners of real property 19471  
located within the proposed addition to the district and owners 19472  
of businesses operating within the proposed addition to the 19473

district in the same manner required under division (J) of this 19474  
section for original contracts. The contracting parties may 19475  
notify such record owners of real property and owners of 19476  
businesses that the petitions are available for signing in the 19477  
same manner provided by that division. The contracting parties 19478  
shall equally share the costs of complying with this division. 19479

(4) The contracting parties to a joint economic 19480  
development district may vote to approve an amendment to the 19481  
district contract under this division after the public hearings 19482  
required under division (L) (2) of this section are completed 19483  
and, if the amendment adds an area or areas to the district, the 19484  
petitions required under division (L) (3) of this section have 19485  
been signed by the majority of record owners of real property 19486  
located within the area or areas added to the district and by a 19487  
majority of the owners of businesses, if any, operating within 19488  
the proposed addition to the district. 19489

(5) Not later than ten days after all of the contracting 19490  
parties have adopted ordinances or resolutions approving an 19491  
amendment adding one or more areas to the district, each 19492  
contracting party shall give notice of the addition to all of 19493  
the following: 19494

(a) Each record owner of real property to be included in 19495  
the addition to the district and in the territory of that 19496  
contracting party who did not sign the petitions described in 19497  
division (L) (3) of this section; 19498

(b) An owner of each business operating within the 19499  
addition to the district and in the territory of that 19500  
contracting party no owner of which signed the petitions 19501  
described in division (L) (3) of this section. 19502

The contracting parties shall equally share the costs of 19503  
complying with division (L) (5) of this section. 19504

(M) (1) A board of township trustees that is a party to a 19505  
contract creating a joint economic development district may 19506  
choose not to submit its resolution approving the contract to 19507  
the electors of the township if all of the following conditions 19508  
are satisfied: 19509

(a) The resolution has been approved by a unanimous vote 19510  
of the members of the board of township trustees or, if a county 19511  
is one of the contracting parties under division (D) of this 19512  
section, the resolution has been approved by a majority vote of 19513  
the members of the board of township trustees; 19514

(b) The contracting parties have circulated petitions as 19515  
required under division (J) of this section and obtained the 19516  
signatures required under division (L) of this section; 19517

(c) The territory to be included in the proposed district 19518  
is zoned in a manner appropriate to the function of the 19519  
district. 19520

(2) If the board of township trustees has not invoked its 19521  
authority under division (M) (1) of this section, the board, at 19522  
least ninety days before the date of the election, shall file 19523  
its resolution approving the district contract with the board of 19524  
elections for submission to the electors of the township for 19525  
approval at the next succeeding general, primary, or special 19526  
election. 19527

(3) Any contract creating a district in which a board of 19528  
township trustees is a party shall provide that the contract is 19529  
not effective before the thirty-first day after its approval, 19530  
including approval by the electors of the township if required 19531

by this section. 19532

(4) If the board of township trustees invokes its 19533  
authority under division (M) (1) of this section and does not 19534  
submit the district contract to the electors for approval, the 19535  
resolution of the board of township trustees approving the 19536  
contract is subject to a referendum of the electors of the 19537  
township when requested through a petition. When signed by ten 19538  
per cent of the number of electors in the township who voted for 19539  
the office of governor at the most recent general election, a 19540  
referendum petition asking that the resolution be submitted to 19541  
the electors of the township may be presented to the board of 19542  
township trustees. Such a petition shall be presented within 19543  
thirty days after the board of township trustees adopts the 19544  
resolution approving the district contract. The board of 19545  
township trustees shall, not later than four p.m. of the tenth 19546  
day after receipt of the petition, certify the text of the 19547  
resolution to the board of elections. The board of elections 19548  
shall submit the resolution to the electors of the township for 19549  
their approval or rejection at the next general, primary, or 19550  
special election occurring at least ninety days after 19551  
certification of the resolution. 19552

(N) The ballot respecting a resolution to create a 19553  
district or a referendum of such a resolution shall be in the 19554  
following form: 19555

"Shall the resolution of the board of township trustees 19556  
approving the contract with ..... (here insert name of 19557  
every other contracting party) for the creation of a joint 19558  
economic development district be approved? 19559

FOR THE RESOLUTION AND CONTRACT 19560

AGAINST THE RESOLUTION AND CONTRACT"	19561
If a majority of the electors of the township voting on	19562
the issue vote for the resolution and contract, the resolution	19563

been held, the date of the hearings, and evidence that notice of	19577
the hearings was published as required by that division;	19578
(4) A copy of the signed petitions required under	19579
divisions (J) and (K) of this section.	19580
(P) A board of directors shall govern each district	19581

(1) If there are businesses operating and persons employed	19583

that are contracting parties;	19587

section shall serve a term of three years; and the members 19604  
described in divisions (P) (1) (d) and (e) of this section shall 19605  
serve terms of four years. Thereafter, terms for each member 19606  
shall be for four years, each term ending on the same day of the 19607  
same month of the year as did the term that it succeeds. A 19608  
member may be reappointed to the board, but no member shall 19609  
serve more than two consecutive terms on the board. 19610

The member described in division (P) (1) (e) of this section 19611  
shall serve as chairperson of the board described under division 19612  
(P) (1) of this section. 19613

member selected by the members described in divisions (P) (2) (a) 19623  
and (b) of this section. 19624

The members of the board shall be appointed as provided in 19625  
the district contract. Of the members initially appointed to the 19626  
board, the member described in division (P) (2) (a) of this 19627

section shall serve a term of three years. Thereafter, terms for 19631  
each member shall be for four years, each term ending on the 19632

The member described in division (P) (2) (c) of this section 19636  
shall serve as chairperson of a board described under division 19637  
(P) (2) of this section. 19638

(3) A board described under division (P) (1) or (2) of this 19639  
section has no powers except as described in this section and in 19640  
the contract creating the district. 19641

(4) Membership on the board of directors of a joint 19642  
economic development district created under this section is not 19643  
the holding of a public office or employment within the meaning 19644  
of any section of the Revised Code prohibiting the holding of 19645

other public office or employment. Membership on such a board is 19646  
not a direct or indirect interest in a contract or expenditure 19647  
of money by a municipal corporation, township, county, or other 19648  
political subdivision with which a member may be affiliated. 19649  
Notwithstanding any provision of law to the contrary, no member 19650  
of a board of directors of a joint economic development district 19651  
shall forfeit or be disqualified from holding any public office 19652  
or employment by reason of membership on the board. 19653

(5) The board of directors of a joint economic development 19654  
district is a public body for the purposes of section 121.22 of 19655  
the Revised Code. Chapter 2744. of the Revised Code applies to 19656  
such a board and the district. 19657

(Q) (1) On or before the date occurring six months after 19658  
the effective date of the district contract, an owner of a 19659  
business operating within the district may, on behalf of the 19660  
business and its employees, file a complaint with the court of 19661  
common pleas of the county in which the majority of the 19662  
territory of the district is located requesting exemption from 19663  
any income tax imposed by the board of directors of the district 19664  
under division (F) (5) of this section if all of the following 19665  
apply: 19666

(a) The business operated within an unincorporated area of 19667  
the district before the effective date of the district contract; 19668

(b) No owner of the business signed a petition described 19669  
in division (J) of this section; 19670

(c) Neither the business nor its employees has derived or 19671  
will derive any material benefit from the new, expanded, or 19672  
additional services, facilities, or improvements described in 19673  
the economic development plan for the district, or the material 19674

benefit that has, or will be, derived is negligible in 19675  
comparison to the income tax revenue generated from the net 19676  
profits of the business and the income of employees of the 19677  
business. 19678

The legislative authority of each contracting party shall 19679  
be made a party to the proceedings and the business owner filing 19680  
the complaint shall serve notice of the complaint by certified 19681  
mail to each such contracting party. The court shall not accept 19682  
any complaint filed more than six months after the effective 19683  
date of the district contract. 19684

(2) Any or all of the contracting parties may submit a 19685  
written answer to the complaint submitted under division (Q) (1) 19686  
of this section to the court within thirty days after notice of 19687  
the complaint was served upon them. Such a contracting party 19688  
shall submit to the court, along with the answer, documentation 19689  
sufficient to prove that the contracting party sent copies of 19690  
the answer to the owner of the business who filed the complaint. 19691

(3) The court shall review each complaint submitted by a 19692  
business owner under division (Q) (1) of this section and each 19693  
answer submitted by a contracting party under division (Q) (2) of 19694  
this section. The court may make a determination on the record 19695  
and the evidence thus submitted, or it may conduct a hearing and 19696  
request the presence of the business owner and the contracting 19697  
parties to present evidence relevant to the complaint. The court 19698  
shall make a determination on the complaint not sooner than 19699  
thirty days but not later than sixty days after the complaint is 19700  
filed by the business owner. The court may make a determination 19701  
more than sixty days after the complaint is filed if the 19702  
business owner and all contracting parties to the district 19703  
consent. 19704

(4) The court shall grant the exemption requested in the complaint if all of the criteria described in divisions (Q) (1) (a) to (c) of this section are met.

(5) If all the criteria described in divisions (Q) (1) (a) to (c) of this section are not met, the court shall deny the complaint and the exemption.

(6) The court shall send notice of the determination with respect to the complaint to the owner of the business and each contracting party. If the court grants the exemption, the net profits of the business from operations within the district and the income of its employees from employment within the district are exempt from any income tax imposed by the board of directors of the district. If the court denies the exemption, the net profits of the business and the income of its employees shall be taxed according to the terms of the district contract and any taxes, penalties, and interest accrued before the date of the court's determination shall be paid in full. In addition, no owner of the business may submit another complaint under division (Q) (1) of this section for the same district contract. The court's determination on a complaint filed under division (Q) of this section is final.

(7) Chapter 2506. of the Revised Code does not apply to the proceedings described in division (Q) of this section.

(R) (1) No proceeding pursuant to Chapter 709. of the Revised Code that proposes the annexation to, merger of, or consolidation with a municipal corporation of any unincorporated territory within a joint economic development district may be commenced at any time between the effective date of the contract creating the district and the date the contract expires, terminates, or is otherwise rendered unenforceable. This

division does not apply if each board of township trustees whose territory is included within the district and whose territory is proposed to be annexed, merged, or consolidated adopts a resolution consenting to the commencement of the proceeding. Each such board of township trustees shall file a copy of the resolution with the clerk of the legislative authority of each county within which a contracting party is located.

(2) The contract creating a joint economic development district may prohibit any annexation proceeding by a contracting municipal corporation of any unincorporated territory within the district or zone beyond the period described in division (R)(1) of this section.

(3) No contracting party is divested or relieved of its rights or obligations under the contract creating a joint economic development district because of annexation, merger, or consolidation.

(S) Contracting parties may enter into agreements pursuant to the contract creating a joint economic development district with respect to the substance and administration of zoning and other land use regulations, building codes, permanent public improvements, and other regulatory and proprietary matters determined to be for a public purpose. No contract, however, shall exempt the territory within the district from the procedures of land use regulation applicable pursuant to municipal corporation, township, and county regulations, including, but not limited to, zoning procedures.

(T) The powers granted under this section are in addition to and not in the derogation of all other powers possessed by or granted to municipal corporations, townships, and counties pursuant to law.

(1) When exercising a power or performing a function or duty under a contract entered into under this section, a municipal corporation may exercise all the powers of a municipal corporation, and may perform all the functions and duties of a municipal corporation, within the district, pursuant to and to the extent consistent with the contract. 19765

**Sec. 902.04.** (A) An issuer may from time to time issue bonds to carry out the lawful purposes set forth in this chapter including, but not limited to, the purchase of loans or other evidence of debt from and the making of loans to or through 19791  
19792  
19793  
19794

lending institutions, the payment of the costs of insurance, 19795  
letters of credit, certificates of deposit, and purchase 19796  
agreements related to the bonds or loans, underwriting, legal, 19797  
accounting, financial consulting, rating, printing, and other 19798  
services relating to the issuance and sale of the bonds, fees of 19799  
any trustee, paying agent, bond registrar, depository, transfer 19800  
agent, and authenticating agent, interest on the bonds, 19801  
establishment of reserve funds securing the bonds, and any other 19802  
costs reasonably related to the issuance, sale, marketing, 19803  
servicing, insuring, guaranteeing, and otherwise securing of the 19804  
bonds. Any issuer may from time to time, whenever it considers 19805  
refunding to be expedient, issue bonds to refund any bonds 19806  
issued under this chapter whether the bonds to be refunded have 19807  
or have not matured, and may issue bonds partly to refund bonds 19808  
then outstanding and partly for any other authorized purpose. 19809  
The terms of the issuance and sale of refunding bonds shall be 19810  
as provided in this chapter for an original issue of bonds. 19811

(B) Bonds, and the issuance of bonds, pursuant to this 19812  
chapter need not comply with any other law applicable to the 19813  
issuance of bonds. The deposit, application, safeguarding, and 19814  
investment of funds of an issuer received or held under bond 19815  
proceedings of the issuer shall not be subject to Chapters 131. 19816  
and 135. of the Revised Code. 19817

(C) (1) Bonds issued pursuant to this chapter do not 19818  
constitute a debt, or the pledge of the faith and credit, of the 19819  
state or any political subdivision thereof, and the holders or 19820  
owners of such bonds have no right to have taxes levied by the 19821  
general assembly or taxing authority of any political 19822  
subdivision for the payment of the principal thereof or interest 19823  
thereon. Moneys raised by taxation shall not be obligated or 19824  
pledged for the payment of principal of or interest on such 19825

bonds, but such bonds shall be payable solely from the revenues 19826  
and security interests pledged for their payment as authorized 19827  
by this chapter, unless bonds are issued in anticipation of the 19828  
issuance of or are refunded by refunding bonds issued pursuant 19829  
to this chapter, which refunding bonds shall be payable solely 19830  
from revenues and security interests pledged for their payment 19831  
as authorized by this chapter. Bond anticipation notes may be 19832  
secured solely or additionally by a covenant of the issuer that 19833  
it will do all things necessary for the issuance of the bonds 19834  
anticipated or renewal notes in appropriate amount and either 19835  
exchange such bonds or renewal notes for such notes or apply the 19836  
proceeds therefrom to the extent necessary to make full payment 19837  
of the principal of and interest on such notes. 19838

(2) Any pledge of revenues to the payment of bonds is 19839  
valid and binding from the time the pledge is made and the 19840  
revenues so pledged and thereafter received by the issuer are 19841  
immediately subject to the lien of such pledge without any 19842  
separation or physical delivery thereof, or further act, and the 19843  
lien of any such pledge is valid and binding as against all 19844  
parties having claims of any kind in tort, contract, or 19845  
otherwise against the issuer, irrespective of whether such 19846  
parties have notice thereof, and creates a perfected security 19847  
interest for all purposes of Chapter 1309. of the Revised Code. 19848  
Neither the resolution or ordinance nor any trust agreement or 19849  
indenture by which a pledge is created need be filed or recorded 19850  
except in the records of the issuer. 19851

(3) All bonds shall contain on the face thereof a 19852  
statement to the effect that the bonds, as to both principal and 19853  
interest, are not debts of the state or any political 19854  
subdivision thereof, but are payable solely from the revenues 19855  
and security interests pledged for their payment. 19856

(D) (1) The bonds shall be authorized by one or more 19857  
resolutions or ordinances of the issuing authority, shall bear 19858  
such date or dates, and shall mature at such time or times, not 19859  
exceeding forty years from the date of issue, and have such 19860  
redemption and purchase provisions as are authorized by or 19861  
pursuant to such resolutions or ordinances. The bonds shall bear 19862  
interest at such rate or rates, or at a variable rate or rates, 19863  
as provided in or authorized by or pursuant to such resolutions 19864  
or ordinances. The bonds shall be in such denominations, be in 19865  
such form, either coupon, registered or book entry, carry such 19866  
registration privileges, be payable in such medium of payment, 19867  
at such place or places, and be subject to such terms of 19868  
redemption as the issuing authority may authorize. The bonds may 19869  
be sold by the issuing authority at public or private sale, at 19870  
not less than such price or prices as the issuer determines. 19871  
Notwithstanding any other provision of this chapter or Chapter 19872  
165., 761., or 1724. of the Revised Code, the commission shall 19873  
have exclusive power to authorize the issuance and sale of bonds 19874  
for agricultural purposes under a composite financing 19875  
arrangement in excess of five hundred thousand dollars; provided 19876

of this section for the purposes of developing, constructing, or 20297  
operating experimental, pilot, and demonstration facilities or 20298  
programs which develop, test, or demonstrate more efficient and 20299  
environmentally acceptable methods of extracting energy 20300  
resources; new concepts, programs, or technology for the 20301  
conservation of energy; new concepts, programs, or technology 20302  
for the efficient and environmentally acceptable utilization of 20303  
present, new, or alternative energy sources; or concepts, 20304

programs, or technology which develop resources of the state. 20305  
Grants may be made, without limitation, for projects and 20306  
programs such as experimental demonstrations of the use of Ohio 20307  
coal in processes which would facilitate its widespread use as a 20308  
source of energy; experimental demonstrations of new or improved 20309  
coal, natural gas, and natural petroleum extraction techniques 20310  
and of reclamation techniques at the extraction sites; 20311  
experimental demonstrations or development of solar heating and 20312  
cooling and potentially energy-efficient construction in public 20313  
buildings, schools, offices, commercial establishments, and 20314  
residential homes; development of programs or experimental 20315  
demonstrations of the utilization of waste products in energy 20316  
production and mineral and energy conservation; and development 20317  
of programs or experimental demonstrations of technologies which 20318  
would permit utility pricing policies which may reduce the 20319  
consumer costs of energy. 20320

section 1551.15 of the Revised Code, and any information taken 20326  
from those materials or data for any purpose, to the extent that 20327  
those materials or data consist of trade secrets or other 20328

for the people of this state through the development and 20334

efficient utilization of energy resources of the state is in all 20335  
respects for the benefit of the people of the state, and is 20336

(B) Contract for the operation of, and establish rules for 20347  
the use of, facilities over which the director has supervision 20348  
or control, which rules may include the limitation of ingress to 20349

the security of such facilities and to provide for the safety of 20351  
those on the premises of such facilities; 20352

(C) Purchase such fire and extended coverage insurance and 20353

the department of housing and development, or utilizes the 20375  
facilities of the department under sections 1551.01 to 1551.25 20376  
of the Revised Code shall agree in writing that all know-how, 20377

by the department of housing and development for purposes of 20399  
sections 1551.01 to 1551.25 of the Revised Code are subject to 20400  
appropriation by the general assembly. 20401

(B) The director of housing and development may enter into 20402  
agreements, make grants, or enter into contracts for the 20403  
purposes of effecting the construction and operation in this 20404  
state of experimental, pilot, or demonstration energy resource 20405  
development facilities. Before making grants or entering 20406  
contracts, the director shall determine that all of the 20407  
following criteria are met: 20408

(1) The urgency of public need for the potential results 20409  
of the experimental, pilot, or demonstration project is high, 20410  
and there is little likelihood that similar results would be 20411  
achieved in this state in a timely manner in the absence of 20412  
state assistance; 20413

(2) The potential opportunities for private interests to 20414  
recapture the investment in the undertaking through the normal 20415  
commercial exploitation of proprietary knowledge appear to be 20416  
inadequate to encourage timely results in this state; 20417

(3) The extent of the problems treated and the objectives 20418  
sought by the project are consistent with the purposes of 20419  
sections 1551.01 to 1551.25 of the Revised Code and of general 20420  
significance to the state. 20421

This determination by the director shall include the facts 20422

or reasons justifying it and shall be journalized by the 20423  
director. 20424

(C) The director may use funds as appropriated, donated, 20425  
granted, or received for any of the following purposes: 20426

(1) Construction and related architectural or engineering 20427  
studies or purchase of physical plant and equipment for an 20428  
experimental, pilot, or demonstration energy resource 20429  
development facility; 20430

(2) Acquisition and improvement of land, construction of 20431  
roads, and provision of other public facilities incidental and 20432  
necessary to the accomplishment of experimental, pilot, or 20433  
demonstration energy resource development facilities; 20434

(3) Operation of an energy resource development 20435  
experimental, pilot, or demonstration project or facility, which 20436  
could include but not be limited to labor, feedstocks, and 20437  
repair or replacement parts; 20438

(4) Purchase of all or a portion of the usable output of 20439  
energy resource development experimental, pilot, or 20440  
demonstration projects and the disposition of this output for 20441  
use in the facilities of governmental agencies. 20442

(D) Each grant made pursuant to this section shall be 20443  
accomplished through written agreements between the department 20444  
and the person or governmental agency which would effect the 20445  
construction and operation of the project or facility, and 20446  
between the department and the persons and governmental agencies 20447  
which would share the expenses and costs of the project or 20448  
facility. In addition to such other terms as may be required by 20449  
law or advised by counsel, each agreement shall provide for each 20450  
of the following conditions: 20451

(1) The limitation of the department's financial obligations in the project or facility to a specified dollar amount which shall not exceed one-third of the total costs of the project or facility;

(2) The financial participation in the project or facility by the federal government or its agencies, by private corporations doing business in this state, by local governmental agencies, or by other organizations;

(3) The disposition of the assets of the project or facility, should it be terminated or abandoned, in such manner that the department shall be repaid in the same proportion as its share in the total of moneys, property, or other assets expended, contributed, or invested in the project or facility;

(4) The criteria for the identification if and when the project or facility is commercially viable through the profitable disposition of its output;

(5) The termination of the department's financial support at such time the project or facility is commercially viable and the repayment of the department through the future profits, if any, of the project or facility.

**Sec. 1551.19.** The director of housing and development shall adopt, consistent with the "Energy Policy and Conservation Act of 1975," 89 Stat. 871, 42 U.S.C.A. 6291, as amended:

(A) Mandatory lighting efficiency rules for all existing public buildings above a minimum size established by the director which are owned, leased, or controlled by the state, except by state colleges and universities;

(B) Lighting efficiency recommendations for all other existing public buildings larger than the minimum size

established by the director, including those which are owned, 20481  
leased, or controlled by state colleges and universities. 20482

For the purposes of this section, "public building" means 20483  
any building that is open to the public during normal business 20484  
hours. 20485

**Sec. 1551.20.** (A) As used in this section, "solar or wind 20486  
energy system" means any method used directly to provide space 20487  
heating or cooling, hot water, industrial process heat, or 20488  
mechanical or electric power by the collection, conversion, or 20489  
storage of solar or wind energy including, but not limited to, 20490  
active or passive solar systems. It does not include any 20491  
equipment that is part of a conventional system for such 20492  
purposes, that is, a system that does not use solar or wind 20493  
energy; nor does it include a roof or any windows or walls that 20494  
would be contained in a similar structure not designed or 20495  
modified to use solar energy for space heating or cooling, 20496  
except for those modifications to the design or construction of 20497  
such roof, windows, or walls that are necessary to their 20498  
improved use to capture solar energy for space heating or 20499  
cooling. 20500

As used in this section, "hydrothermal energy system" 20501  
means any method used directly to provide a heating or cooling 20502  
effect by causing a thermal exchange with the earth utilizing 20503  
any water source, including ground or surface water by use of 20504  
appropriate heat exchange equipment. 20505

(B) The director of housing and development shall adopt 20506  
rules in accordance with Chapter 119. of the Revised Code 20507  
establishing guidelines for identifying solar, wind, or 20508  
hydrothermal energy systems and components thereof, and 20509  
guidelines for the safety and thermal efficiency of such 20510

systems. The rules shall distinguish such systems from 20511  
conventional systems and components thereof, and shall 20512  
distinguish from conventional roof, window, or wall design or 20513  
construction those modifications to the design or construction 20514  
of roofs, windows, or walls that are necessary to their improved 20515  
use to capture solar energy for space heating or cooling. The 20516  
rules shall determine the eligibility of solar, wind, and 20517  
hydrothermal energy systems for the tax exemption under section 20518  
5709.53 of the Revised Code. 20519

(C) At the request of any person who designs, 20520  
manufactures, installs, or constructs solar, wind, or 20521  
hydrothermal energy systems, the director shall review the 20522  
detailed construction plans and design calculations for any such 20523  
system to determine whether the system complies with the 20524  
guidelines adopted under division (B) of this section. If the 20525  
system complies with the guidelines, the director shall enter 20526  
the name of the system on a list of solar, wind, or hydrothermal 20527  
energy systems eligible for the tax exemption under section 20528  
5709.53 of the Revised Code. 20529

(D) At the request of any person who desires to design or 20530  
install a solar, wind, or hydrothermal energy system for ~~his~~ the 20531  
person's own use, the director shall review the plans for or a 20532  
narrative description of the system, and the list of components 20533  
and materials to be incorporated therein to determine whether 20534  
the system complies with the guidelines adopted under division 20535  
(B) of this section. If the system complies, the director shall 20536  
issue a certificate to that effect to the applicant. 20537

**Sec. 1551.311.** The general assembly hereby finds and 20538  
declares that the future of the Ohio coal industry lies in the 20539  
development of clean coal technology and that the 20540

disproportionate economic impact on the state under Title IV of 20541  
the "Clean Air Act Amendments of 1990," 104 Stat. 2584, 42 20542  
U.S.C.A. 7651, warrants maximum federal assistance to this state 20543  
for such development. It is therefore imperative that the 20544  
department of housing and development, its Ohio coal development 20545  
office, the Ohio coal industry, the Ohio Washington office in 20546  
the office of the governor, and the state's congressional 20547  
delegation make every effort to acquire any federal assistance 20548  
available for the development of clean coal technology, 20549  
including assisting entities eligible for grants in their 20550  
acquisition. The Ohio coal development agenda required by 20551  
section 1551.34 of the Revised Code shall include, in addition 20552  
to the other information required by that section, a description 20553  
of such efforts and a description of the current status of the 20554  
development of clean coal technology in this state and 20555  
elsewhere. 20556

**Sec. 1551.32.** (A) There is hereby established within the 20557

utilizing the specific technology, to more efficiently produce, 20566  
beneficiate, market, or use Ohio coal; 20567

(2) Encourage, promote, and support the market acceptance 20568  
and increased market use of Ohio coal through technology and 20569  
market development; 20570

(3) Assist in the financing of coal development facilities;	20571 20572
(4) Encourage, promote, and support, in state-owned buildings, facilities, and operations, use of Ohio coal and electricity sold by utilities and others in this state that use Ohio coal for generation;	20573 20574 20575 20576

any such facility or project has as its purpose the enhanced use 20623  
of Ohio coal in an environmentally acceptable, cost effective 20624  
manner, promotes energy conservation, is cost effective, and is 20625  
environmentally sound, the director shall submit to the public 20626  
utilities commission a report recommending that the commission 20627

allow the recovery of costs associated with the facility or 20628

office determines to be appropriate and in furtherance of the 20645  
purposes for which the loans are made. The mortgage lien 20646  
securing any moneys lent by the director of the office may be 20647  
subordinate to the mortgage lien securing any moneys lent or 20648

3345.011 of the Revised Code. The director of environmental 20663  
protection shall serve on the committee as an ex officio member. 20664

office considers appropriate. 20688

(C) The technical advisory committee may hold an executive session at any regular or special meeting for the purpose of considering research and development project proposals or applications for assistance submitted to the Ohio coal development office under section 1551.33, or sections 1555.01 to 1555.06, of the Revised Code, to the extent that the proposals or applications consist of trade secrets or other proprietary information.

the director of the office determines necessary or proper under 20831  
this chapter. Any moneys received by the director from the 20832  
proceeds of any such insurance with respect to a coal research 20833  
and development project and any moneys received by the director 20834

progress and findings of those projects. Such engineers, 20850  
experts, and employees shall not receive any additional 20851  
compensation over that which they receive from the department, 20852  
agency, commission, or educational institution by which they are 20853

**Sec. 1555.04.** (A) With respect to coal research and 20859  
development projects financed wholly or partially from a loan or 20860

development office, in addition to other powers under this 20862  
chapter, with the advice of the technical advisory committee 20863  
created in section 1551.35 of the Revised Code and the approval 20864

evidence such indebtedness and mortgages, liens, pledges, 20867  
assignments, or other security interests to secure such 20868  
indebtedness, which may be prior or subordinate to or on a 20869

assignments, other security interests, or liens or encumbrances, 20871  
and take such actions as the director of the office considers 20872

appropriate to protect such security and safeguard against 20873  
losses, including, without limitation, foreclosure and the 20874  
bidding upon and purchase of property upon foreclosure or other 20875  
sale. 20876

(B) The authority granted by this section is cumulative 20877  
and supplementary to all other authority granted in this 20878  
chapter. The authority granted by this section does not alter or 20879  
impair any similar authority granted elsewhere in this chapter 20880  
with respect to other projects. 20881

**Sec. 1555.05.** (A) Subject to any limitations as to 20882  
aggregate amounts thereof that may from time to time be 20883  
prescribed by the general assembly and to other applicable 20884  
provisions of this chapter, and subject to the one-hundred- 20885  
million-dollar limitation provided in Section 15 of Article 20886  
VIII, Ohio Constitution, the director of the Ohio coal 20887  
development office, on behalf of this state, with the advice of 20888  
the technical advisory committee created in section 1551.35 of 20889  
the Revised Code and the approval of the director of housing and 20890  
development, may enter into contracts to guarantee the repayment 20891  
or payment of the unpaid principal amount of loans made to pay 20892  
the costs of coal research and development projects. 20893

(B) The contract of guarantee may make provision for the 20894  
conditions of, time for, and manner of fulfillment of the 20895  
guarantee commitment, subrogation of this state to the rights of 20896  
the parties guaranteed and exercise of such parties' rights by 20897  
the state, giving the state the option of making payment of the 20898  
principal amount guaranteed in one or more installments and, if 20899  
deferred, to pay interest thereon from the source specified in 20900  
division (A) of this section, and any other terms or conditions 20901  
customary to such guarantees and as the director of the office 20902

may approve, and may contain provisions for securing the 20903  
guarantee in the manner consistent with this section, covenants 20904  
on behalf of this state to issue obligations under section 20905  
1555.08 of the Revised Code to provide moneys to fulfill such 20906  
guarantees and covenants, and covenants restricting the 20907  
aggregate amount of guarantees that may be contracted under this 20908  
section and obligations that may be issued under section 151.07 20909  
of the Revised Code, and terms pertinent to either, to better 20910  
secure the parties guaranteed. 20911

(C) The director of the office may fix service charges for 20912  
making a guarantee. Such charges shall be payable at such times 20913  
and place and in such amounts and manner as may be prescribed by 20914  
the director. Moneys received from such charges shall be 20915  
credited to the coal research and development bond service fund. 20916

(D) Any guaranteed parties under this section, by any 20917  
suitable form of legal proceedings and except to the extent that 20918  
their rights are restricted by the guarantee documents, may 20919  
protect and enforce any rights under the laws of this state or 20920  
granted by such guarantee or guarantee documents. Such rights 20921  
include the right to compel the performance of all duties of the 20922  
office required by this section or the guarantee or guarantee 20923  
documents; and in the event of default with respect to the 20924  
payment of any guarantees, to apply to a court having 20925  
jurisdiction of the cause to appoint a receiver to receive and 20926  
administer the moneys pledged to such guarantee with full power 20927  
to pay, and to provide for payment of, such guarantee, and with 20928  
such powers, subject to the direction of the court, as are 20929  
accorded receivers in general equity cases, excluding any power 20930  
to pledge or apply additional revenues or receipts or other 20931  
income or moneys of this state. Each duty of the office and its 20932  
director and employees required or undertaken under this section 20933

or a guarantee made under this section is hereby established as 20934  
a duty of the office and of its director and each such employee 20935  
having authority to perform such duty, specifically enjoined by 20936  
the law resulting from an office, trust, or station within the 20937  
meaning of section 2731.01 of the Revised Code. The persons who 20938  
are at the time the director of the office, or its employees, 20939  
are not liable in their personal capacities on any guarantees or 20940  
contracts to make guarantees by the director. 20941

**Sec. 1555.06.** Upon application by the director of the Ohio 20942  
coal development office with the approval of the director of 20943  
housing and development, the controlling board, from 20944  
appropriations available to the board, may provide funds for 20945  
surveys or studies by the office of any proposed coal research 20946  
and development project subject to repayment by the office from 20947  
funds available to it, within the time fixed by the board. Funds 20948  
to be repaid shall be charged by the office to the appropriate 20949  
coal research and development project and the amount thereof 20950  
shall be a cost of the project. This section does not abrogate 20951  
the authority of the controlling board to otherwise provide 20952  
funds for use by the office in the exercise of the powers 20953  
granted to it by this chapter. 20954

**Sec. 1555.08.** (A) Subject to the limitations provided in 20955  
Section 15 of Article VIII, Ohio Constitution, the commissioners 20956  
of the sinking fund, upon certification by the director of the 20957  
Ohio coal development office of the amount of moneys or 20958  
additional moneys needed in the coal research and development 20959  
fund for the purpose of making grants or loans for allowable 20960  
costs, or needed for capitalized interest, for funding reserves, 20961  
and for paying costs and expenses incurred in connection with 20962  
the issuance, carrying, securing, paying, redeeming, or 20963  
retirement of the obligations or any obligations refunded 20964

thereby, including payment of costs and expenses relating to 20965  
letters of credit, lines of credit, insurance, put agreements, 20966  
standby purchase agreements, indexing, marketing, remarketing 20967  
and administrative arrangements, interest swap or hedging 20968  
agreements, and any other credit enhancement, liquidity, 20969  
remarketing, renewal, or refunding arrangements, all of which 20970  
are authorized by this section, or providing moneys for loan 20971  
guarantees, shall issue obligations of the state under this 20972  
section in amounts authorized by the general assembly; provided 20973  
that such obligations may be issued to the extent necessary to 20974  
satisfy the covenants in contracts of guarantee made under 20975  
section 1555.05 of the Revised Code to issue obligations to meet 20976  
such guarantees, notwithstanding limitations otherwise 20977  
applicable to the issuance of obligations under this section 20978  
except the one-hundred-million-dollar limitation provided in 20979  
Section 15 of Article VIII, Ohio Constitution. The proceeds of 20980  
such obligations, except for the portion to be deposited in the 20981  
coal research and development bond service fund as may be 20982  
provided in the bond proceedings, shall as provided in the bond 20983  
proceedings be deposited in the coal research and development 20984  
fund. The commissioners of the sinking fund may appoint 20985  
trustees, paying agents, and transfer agents and may retain the 20986  
services of financial advisors, accounting experts, and 20987  
attorneys, and retain or contract for the services of marketing, 20988  
remarketing, indexing, and administrative agents, other 20989  
consultants, and independent contractors, including printing 20990  
services, as are necessary in their judgment to carry out this 20991  
section. 20992

(B) The full faith and credit of the state of Ohio is 20993  
hereby pledged to obligations issued under this section. The 20994  
right of the holders and owners to payment of bond service 20995

charges is limited to all or that portion of the moneys pledged 20996  
thereto pursuant to the bond proceedings in accordance with this 20997  
section, and each such obligation shall bear on its face a 20998  
statement to that effect. 20999

(C) Obligations shall be authorized by resolution of the 21000  
commissioners of the sinking fund on request of the director of 21001  
the Ohio coal development office as provided in section 1555.02 21002  
of the Revised Code and the bond proceedings shall provide for 21003  
the purpose thereof and the principal amount or amounts, and 21004  
shall provide for or authorize the manner or agency for 21005  
determining the principal maturity or maturities, not exceeding 21006  
forty years from the date of issuance, the interest rate or 21007  
rates or the maximum interest rate, the date of the obligations 21008  
and the dates of payment of interest thereon, their 21009  
denomination, and the establishment within or without the state 21010  
of a place or places of payment of bond service charges. 21011  
Sections 9.98 to 9.983 of the Revised Code apply to obligations 21012  
issued under this section. The purpose of such obligations may 21013  
be stated in the bond proceedings in terms describing the 21014  
general purpose or purposes to be served. The bond proceedings 21015  
shall also provide, subject to the provisions of any other 21016  
applicable bond proceedings, for the pledge of all, or such part 21017  
as the commissioners of the sinking fund may determine, of the 21018  
moneys credited to the coal research and development bond 21019  
service fund to the payment of bond service charges, which 21020  
pledges may be made either prior or subordinate to other 21021  
expenses, claims, or payments and may be made to secure the 21022  
obligations on a parity with obligations theretofore or 21023  
thereafter issued, if and to the extent provided in the bond 21024  
proceedings. The moneys so pledged and thereafter received by 21025  
the state are immediately subject to the lien of such pledge 21026

without any physical delivery thereof or further act, and the 21027  
lien of any such pledges is valid and binding against all 21028  
parties having claims of any kind against the state or any 21029  
governmental agency of the state, irrespective of whether such 21030  
parties have notice thereof, and shall create a perfected 21031  
security interest for all purposes of Chapter 1309. of the 21032  
Revised Code, without the necessity for separation or delivery 21033  
of funds or for the filing or recording of the bond proceedings 21034  
by which such pledge is created or any certificate, statement, 21035  
or other document with respect thereto; and the pledge of such 21036  
moneys is effective and the money therefrom and thereof may be 21037  
applied to the purposes for which pledged without necessity for 21038  
any act of appropriation. Every pledge, and every covenant and 21039  
agreement made with respect thereto, made in the bond 21040  
proceedings may therein be extended to the benefit of the owners 21041  
and holders of obligations authorized by this section, and to 21042  
any trustee therefor, for the further security of the payment of 21043  
the bond service charges. 21044

(D) The bond proceedings may contain additional provisions 21045  
as to: 21046

(1) The redemption of obligations prior to maturity at the 21047  
option of the commissioners of the sinking fund at such price or 21048  
prices and under such terms and conditions as are provided in 21049  
the bond proceedings; 21050

(2) Other terms of the obligations; 21051

(3) Limitations on the issuance of additional obligations; 21052

(4) The terms of any trust agreement or indenture securing 21053  
the obligations or under which the obligations may be issued; 21054

(5) The deposit, investment, and application of the coal 21055

research and development bond service fund, and the safeguarding 21056  
of moneys on hand or on deposit, without regard to Chapter 131. 21057  
or 135. of the Revised Code, but subject to any special 21058  
provisions of this chapter, with respect to particular moneys; 21059  
provided, that any bank or trust company which acts as 21060  
depository of any moneys in the fund may furnish such 21061  
indemnifying bonds or may pledge such securities as required by 21062  
the commissioners of the sinking fund; 21063

(6) Any other provision of the bond proceedings being 21064  
binding upon the commissioners of the sinking fund, or such 21065  
other body or person as may from time to time have the authority 21066  
under law to take such actions as may be necessary to perform 21067  
all or any part of the duty required by such provision; 21068

(7) Any provision which may be made in a trust agreement 21069  
or indenture; 21070

(8) Any other or additional agreements with the holders of 21071  
the obligations, or the trustee therefor, relating to the 21072  
obligations or the security therefor, including the assignment 21073  
of mortgages or other security obtained or to be obtained for 21074  
loans under this chapter. 21075

(E) The obligations may have the great seal of the state 21076  
or a facsimile thereof affixed thereto or printed thereon. The 21077  
obligations shall be signed by such members of the commissioners 21078  
of the sinking fund as are designated in the resolution 21079  
authorizing the obligations or bear the facsimile signatures of 21080  
such members. Any coupons attached to the obligations shall bear 21081  
the facsimile signature of the treasurer of state. Any 21082  
obligations may be executed by the persons who, on the date of 21083  
execution, are the commissioners although on the date of such 21084  
bonds the persons were not the commissioners. Any coupons may be 21085

executed by the person who, on the date of execution, is the treasurer of state although on the date of such coupons the person was not the treasurer of state. In case any officer or commissioner whose signature or a facsimile of whose signature appears on any such obligations or any coupons ceases to be such officer or commissioner before delivery thereof, such signature or facsimile is nevertheless valid and sufficient for all purposes as if the individual had remained such officer or commissioner until such delivery; and in case the seal to be affixed to obligations has been changed after a facsimile of the seal has been imprinted on such obligations, such facsimile seal shall continue to be sufficient as to such obligations and obligations issued in substitution or exchange therefor.

(F) All obligations except loan guarantees are negotiable instruments and securities under Chapter 1308. of the Revised Code, subject to the provisions of the bond proceedings as to registration. The obligations may be issued in coupon or in registered form, or both, as the commissioners of the sinking fund determine. Provision may be made for the registration of any obligations with coupons attached thereto as to principal alone or as to both principal and interest, their exchange for obligations so registered, and for the conversion or reconversion into obligations with coupons attached thereto of any obligations registered as to both principal and interest, and for reasonable charges for such registration, exchange, conversion, and reconversion.

(G) Obligations may be sold at public sale or at private sale, as determined in the bond proceedings.

(H) Pending preparation of definitive obligations, the commissioners of the sinking fund may issue interim receipts or

certificates which shall be exchanged for such definitive obligations. 21116  
21117

(I) In the discretion of the commissioners of the sinking fund, obligations may be secured additionally by a trust agreement or indenture between the commissioners and a corporate trustee, which may be any trust company or bank having a place of business within the state. trust company, bank, or national banking association authorized 21980  
to exercise trust powers within the state. Any such agreement or 21981  
indenture may contain the order authorizing the issuance of the 21982  
obligations, any provisions that may be contained in any bond 21983

proceedings, and other provisions which are customary or 21984  
appropriate in an agreement or indenture of such type, 21985  
including, but not limited to: 21986

trust agreement, indenture, or other instrument comprising part 21988  
of the bond proceedings until the bond service charges on the 21989  
obligations secured thereby have been fully paid, or provision 21990  
therefor has been made in accordance with the bond proceedings; 21991

(2) In the event of default in any payments required to be 21992

or acquired pursuant to the trust agreement or indenture. 22007

(J) Any holder of obligations or a trustee under the bond 22008  
proceedings, except to the extent that rights are restricted by 22009  
the bond proceedings, may by any suitable form of legal 22010  
proceedings, protect and enforce any rights under the laws of 22011  
this state or granted by such bond proceedings. Such rights 22012

include the right to compel the performance of all duties of the 22013  
issuing authority or the director of housing and development 22014  
required by this chapter or the bond proceedings; to enjoin 22015  
unlawful activities; and, in the event of default with respect 22016  
to the payment of any bond service charges on any obligations or 22017  
in the performance of any covenant or agreement on the part of 22018

receipts pledged to the payment of the bond service charges on 22022  
such obligations or which are the subject of the covenant or 22023  
agreement, with full power to pay and to provide for payment of 22024  
bond service charges on such obligations and with such powers, 22025  
subject to the direction of the court, as are accorded receivers 22026  
in general equity cases, excluding any power to pledge revenues 22027  
or receipts or other income or moneys, other than pledged 22028  
receipts, and excluding any power to take possession of, or 22029  
cause the sale or otherwise dispose of, any property other than 22030  
the pledged receipts. 22031

agency including the director of housing and development, of the 22033  
designated administrator, and of any of the officers, members, 22034  
or employees of any of the foregoing, undertaken pursuant to the 22035  
bond proceedings or any agreement made under authority of this 22036  
chapter, and each duty in every agreement by or with the issuing 22037  
authority under this chapter, each governmental agency including 22038  
the director of housing and development, and the designated 22039  
administrator, is hereby established as a duty of the issuing 22040  
authority, the governmental agency, or the designated 22041  
administrator, respectively, and of each such officer, member, 22042  
or employee having authority to perform such duty, specifically 22043

enjoined by the law resulting from an office, trust, or station 22044  
within the meaning of section 2731.01 of the Revised Code. 22045

The person who is at the time the issuing authority or the 22046  
director of housing and development, or the officers or 22047  
employees of either of them, are not liable in their personal 22048  
capacities on any obligations or any agreements of or with the 22049  
issuing authority or the director of housing and development. 22050

(K) The issuing authority may issue obligations for the 22051  
refunding, including funding and retirement, and advance 22052  
refunding with or without payment or redemption prior to 22053  
maturity, of any obligations previously issued. Such obligations 22054  
may be issued in amounts sufficient for payment of the principal 22055  
amount of the prior obligations, any redemption premiums 22056  
thereon, principal maturities of any such obligations maturing 22057  
prior to the redemption of the remaining obligations on a parity 22058  
therewith, interest accrued or to accrue to the maturity dates 22059  
or dates of redemption of such obligations, and expenses 22060  
incurred or to be incurred in connection with such issuance and 22061  
such refunding, funding, and retirement. Subject to the bond 22062  
proceedings therefor, the portion of proceeds of the sale of 22063  
obligations issued under this division to be applied to bond 22064  
service charges on the prior obligations shall be credited to an 22065  
appropriate account held by the trustee for such prior or new 22066  
obligations or to the appropriate account in the bond service 22067  
fund for such obligations. Obligations authorized under this 22068  
division shall be deemed to be issued for those purposes for 22069  
which such prior obligations were issued and are subject to the 22070  
provisions of this section pertaining to other obligations, 22071  
except as otherwise provided in this section. 22072

(L) The authority to issue obligations under this section 22073

includes authority to issue obligations in the form of bond 22074  
anticipation notes and to renew the same from time to time by 22075  
the issuance of new notes. The holders of such notes or interest 22076  
coupons pertaining thereto shall have a right to be paid solely 22077  
from the pledged receipts and special funds that may be pledged 22078  
to the payment of the bonds anticipated, or from the proceeds of 22079  
such anticipated bonds or renewal notes, or both, as the issuing 22080  
authority provides in the order authorizing such notes. Such 22081  
notes may be additionally secured by covenants of the issuing 22082  
authority and the director of housing and development to the 22083  
effect that the issuing authority and the director of housing 22084  
and development will do such or all things necessary for the 22085  
issuance of such bonds or renewal notes in appropriate amounts, 22086  
and apply the proceeds thereof to the extent necessary, to make 22087  
full payment of the principal of and interest on such notes at 22088  
the time or times contemplated, as provided in such order. For 22089  
this purpose, the issuing authority shall issue bonds or renewal 22090  
notes in such principal amount and upon such terms as may be 22091  
necessary to provide funds to pay, when required, the principal 22092  
of and interest and any premium on such notes. Subject to this 22093  
division, all provisions for and references to obligations in 22094  
this section are applicable to notes authorized under this 22095  
division. 22096

The issuing authority in the bond proceedings authorizing 22097  
the issuance of bond anticipation notes shall set forth for such 22098  
bonds an estimated interest rate and a schedule of principal 22099  
payments for such bonds and the annual maturity dates thereof, 22100  
but this provision does not modify any authority in this section 22101  
to pledge receipts to, to grant a security interest in those 22102  
receipts for the purpose of securing, and to covenant to issue 22103  
bonds to fund, the payment of principal of and interest and any 22104

premium on such notes, or to provide in the bond proceedings 22105  
authorizing the issuance of the anticipated bonds interest rates 22106  
and a schedule of principal payments for such bonds and the 22107  
annual maturity dates thereof which differ from the estimates in 22108  
the bond proceedings authorizing the issuance of such bond 22109  
anticipation notes. 22110

the state; the administrator of workers' compensation, subject 22119  
to the approval of the workers' compensation board; the state 22120  
teachers retirement system; the public employees retirement 22121  
system; the school employees retirement system; and the Ohio 22122  
police and fire pension fund, notwithstanding any other 22123  
provisions of the Revised Code or rules adopted pursuant to 22124  
those provisions by any agency of the state with respect to 22125  
investments by them, and are also eligible as security for the 22126  
repayment of the deposit of public moneys. 22127

(N) Provision may be made in the applicable bond 22128  
proceedings for the establishment of separate accounts in the 22129  
bond service fund and for the application of such accounts only 22130  
to the specified bond service charges on obligations pertinent 22131  
to such accounts and bond service fund and for other accounts 22132  
therein within the general purposes of such fund. Unless 22133  
otherwise provided in any applicable bond proceedings, moneys to 22134  
the credit of or in the several special funds established 22135

pursuant to this section shall be invested and disbursed as 22136  
provided in the bond proceedings. 22137

(O) The issuing authority shall pledge and grant a 22138  
security interest in all, or such portion as the issuing 22139  
authority determines, of the pledged receipts to the payment of 22140  
bond service charges on obligations, and for the establishment 22141  
and maintenance of any reserves, as provided in the bond 22142  
proceedings, and make other provisions therein with respect to 22143  
pledged receipts as authorized by this chapter, which provisions 22144  
are controlling notwithstanding any other provisions of law 22145  
pertaining thereto. 22146

(P) The obligations, the transfer thereof, and the 22147  
interest, accreted amount, and other income therefrom, including 22148  
any profit made on the sale thereof, shall at all times be free 22149  
from taxation, direct or indirect, within this state. 22150

**Sec. 3735.27.** (A) Whenever the director of housing and 22151  
development has determined that there is need for a housing 22152  
authority in any portion of any county that comprises two or 22153

subdivisions but is less than all the territory within the 22155  
county, a metropolitan housing authority shall be declared to 22156

a determination from the department of housing and development 22159  
declaring that there is need for a housing authority within 22160  
those territorial limits after finding either of the following: 22161

(1) Unsanitary or unsafe inhabited housing accommodations 22162

in decent, safe, and sanitary dwellings without congestion. 22168

In determining whether dwelling accommodations are unsafe 22169  
or unsanitary, the director may take into consideration the 22170  
degree of congestion, the percentage of land coverage, the 22171  
light, air, space, and access available to the inhabitants of 22172  
the dwelling accommodations, the size and arrangement of rooms, 22173  
the sanitary facilities, and the extent to which conditions 22174  
exist in the dwelling accommodations that endanger life or 22175  
property by fire or other causes. 22176

The territorial limits of a metropolitan housing authority 22177  
as defined by the director under this division shall be fixed 22178  
for the authority upon proof of a letter from the director 22179  
declaring the need for the authority to function in those 22180  
territorial limits. Any such letter from the director, any 22181  
certificate of determination issued by the director, and any 22182  
certificate of appointment of members of the authority shall be 22183

by the appointing authority that made the initial appointment. 22239

(3) For purposes of this division, population shall be 22240

most populous city for the term established by the initial 22321  
appointment, or for any succeeding term, shall be a person who 22322  
resides in a dwelling unit owned or managed by the authority. If 22323  
there is an elected, representative body of all residents of the 22324  
authority, the mayor of the most populous city shall, whenever 22325  
there is a vacancy in the resident term, provide written notice 22326  
of the vacancy to the representative body. If the representative 22327  
body submits to the mayor of the most populous city, in writing 22328  
and within sixty days after the date on which it was notified of 22329  
the vacancy, the names of at least five residents of the 22330  
authority who are willing and qualified to serve as a member, 22331  
the mayor of the most populous city shall appoint to the 22332  
resident term one of the residents recommended by the 22333  
representative body. At no time shall residents constitute a 22334  
majority of the members of the authority. 22335

(e) One member shall be nominated by the township 22336  
association of the county. The name of the nominee submitted by 22337  
the township association of the county shall be sent to the 22338  
board of county commissioners and the executive director of the 22339  
metropolitan housing authority, if applicable. The board of 22340  
county commissioners shall accept or reject the nominee. 22341

(f) One member shall be nominated by the municipal league 22342  
of the county. The name of the nominee submitted by the 22343

municipal league of the county shall be sent to the board of 22344  
county commissioners and the executive director of the 22345  
metropolitan housing authority, if applicable. The nominee shall 22346  
not be a resident of the district's most populous city and shall 22347  
represent a city that is substantially impacted as described in 22348  
division (I) of this section. The board of county commissioners 22349  
shall accept or reject the nominee. 22350

(2) At the time of the initial appointment of the 22351  
authority described in division (D) (1) of this section, the 22352  
member appointed by the probate court shall be appointed for a 22353  
period of four years; the member appointed by the court of 22354  
common pleas shall be appointed for three years; the member 22355  
appointed by the board of county commissioners shall be 22356  
appointed for two years; one member appointed by the mayor of 22357  
the most populous city in the district shall be appointed for 22358  
one year, and the other member appointed by the mayor of the 22359  
most populous city in the district shall be appointed for five 22360  
years; the member nominated by the township association of the 22361  
county shall be appointed for the same number of years as the 22362  
nonresident member of the authority appointed by the mayor of 22363  
the most populous city in the district; and the member nominated 22364  
by the municipal league of the county shall be appointed for the 22365  
same number of years as the resident member of the authority 22366  
appointed by the mayor of the most populous city in the 22367  
district. 22368

After the initial appointments, all members of the 22369  
authority shall be appointed for five-year terms, and any 22370  
vacancy occurring upon the expiration of a term shall be filled 22371  
by the authority that made the initial appointment or 22372  
nomination. 22373

(E) (1) For any metropolitan housing authority district 22374  
located in a county that had, as of the 2000 federal census, a 22375  
population of at least four hundred thousand and no city with a 22376  
population greater than thirty per cent of the total population 22377  
of the county, one member of the authority shall be appointed by 22378  
the probate court, one member shall be appointed by the court of 22379  
common pleas, one member shall be appointed by the chief 22380  
executive officer of the most populous city in the district, and 22381  
two members shall be appointed by the board of county 22382  
commissioners. 22383

(2) At the time of the initial appointment of a 22384  
metropolitan housing authority pursuant to this division, the 22385  
member appointed by the probate court shall be appointed for a 22386  
period of four years, the member appointed by the court of 22387  
common pleas shall be appointed for three years, the member 22388  
appointed by the chief executive officer of the most populous 22389  
city shall be appointed for two years, one member appointed by 22390  
the board of county commissioners shall be appointed for one 22391  
year, and the other member appointed by the board of county 22392  
commissioners shall be appointed for five years. Thereafter, all 22393  
members of the authority shall be appointed for five-year terms, 22394  
with each term ending on the same day of the same month as the 22395  
term that it succeeds. Vacancies shall be filled in the manner 22396  
provided in the original appointments. Any member appointed to 22397  
fill a vacancy occurring prior to the expiration of the term 22398  
shall hold office as a member for the remainder of that term. 22399

(F) (1) One resident member shall be appointed to a 22400  
metropolitan housing authority when required by federal law. The 22401  
chief executive officer of the most populous city in the 22402  
district shall appoint that resident member for a term of five 22403  
years. Subsequent terms of that resident member also shall be 22404

for five years, and any vacancy in the position of the resident member shall be filled by the chief executive officer of the most populous city in the district. Any member appointed to fill such a vacancy shall hold office as a resident member for the remainder of that term. If, at any time, a resident member no longer qualifies as a resident, another resident member shall be appointed by the appointing authority who originally appointed the resident member to serve for the unexpired portion of that term.

(2) On and after September 29, 2005, any metropolitan housing authority to which two additional members were appointed pursuant to former division (E)(1) of this section as enacted by Amended Substitute House Bill No. 95 of the 125th general assembly shall continue to have those additional members. Their terms shall be for five years, and vacancies in their positions shall be filled in the manner provided for their original appointment under former division (E)(1) of this section as so enacted.

(G) Public officials, other than the officers having the appointing power under this section, shall be eligible to serve as members, officers, or employees of a metropolitan housing authority notwithstanding any statute, charter, or law to the contrary. Not more than two such public officials shall be members of the authority at any one time.

All members of an authority shall serve without compensation but shall be entitled to be reimbursed for all necessary expenses incurred.

After a metropolitan housing authority district is formed, the director may enlarge the territory within the district to include other political subdivisions, or portions of other

political subdivisions, but the territorial limits of the 22435  
district shall be less than that of the county. 22436

(H) (1) Any vote taken by a metropolitan housing authority 22437  
shall require a majority affirmative vote to pass. A tie vote 22438  
shall constitute a defeat of any measure receiving equal numbers 22439  
of votes for and against it. 22440

(2) The members of a metropolitan housing authority shall 22441  
act in the best interest of the district and shall not act 22442  
solely as representatives of their respective appointing 22443  
authorities. 22444

(I) "Substantially impacted" as used in division (D) (1) (f) 22445  
of this section means a city within a metropolitan housing 22446  
authority that, based on the percentage of housing units that 22447  
are subsidized housing, is in the top one-third of cities within 22448  
the county. 22449

**Sec. 3735.39.** Whenever a metropolitan housing authority 22450  
desires to discontinue its operations it shall make application 22451  
to the director of housing and development, for authority to 22452  
dissolve. If such application is granted, the director shall 22453  
take possession and dispose of all property belonging to the 22454  
authority, and, after paying the debts and liabilities of the 22455  
authority and the expenses of administering the dissolution, the 22456  
balance remaining shall be paid into the sinking fund of the 22457  
county in which the authority existed. 22458

**Sec. 3735.66.** The legislative authority of a political 22459  
subdivision may survey the housing within the municipal 22460  
corporation in the case of a municipal corporation, the 22461  
unincorporated area of the township in the case of a limited 22462  
home rule township, and the unincorporated area of the county in 22463

the case of a county. After the survey, the legislative 22464  
authority may adopt a resolution describing the boundaries of 22465  
community reinvestment areas which contain the conditions 22466  
required for the finding under division (B) of section 3735.65 22467  
of the Revised Code. The findings resulting from the survey 22468  
shall be incorporated in the resolution describing the 22469  
boundaries of an area. The legislative authority may stipulate 22470  
in the resolution that only new structures or remodeling 22471  
classified as to use as commercial, industrial, or residential, 22472  
or some combination thereof, and otherwise satisfying the 22473  
requirements of section 3735.67 of the Revised Code are eligible 22474  
for exemption from taxation under that section. If the 22475  
resolution does not include such a stipulation, all new 22476  
structures and remodeling satisfying the requirements of section 22477  
3735.67 of the Revised Code are eligible for exemption from 22478  
taxation regardless of classification. Whether or not the 22479  
resolution includes such a stipulation, the classification of 22480  
the structures or remodeling eligible for exemption in the area 22481  
shall at all times be consistent with zoning restrictions 22482  
applicable to the area. For the purposes of sections 3735.65 to 22483  
3735.70 of the Revised Code, whether a structure or remodeling 22484  
composed of multiple units is classified as commercial or 22485  
residential shall be determined by resolution or ordinance of 22486  
the legislative authority or, in the absence of such a 22487  
determination, by the classification of the use of the structure 22488  
or remodeling under the applicable zoning regulations. 22489

If construction or remodeling classified as residential is 22490  
eligible for exemption from taxation, the resolution shall 22491  
specify a percentage, not to exceed one hundred per cent, of the 22492  
assessed valuation of such property to be exempted. The 22493  
percentage specified shall apply to all residential construction 22494

or remodeling for which exemption is granted. 22495

Territory of a community reinvestment area designated by a 22496  
municipal corporation shall include only territory of the 22497  
municipal corporation. Territory of an area designated by a 22498  
limited home rule township shall include only unincorporated 22499  
territory of the township that is not already included in an 22500  
area designated by a county. Territory of an area designated by 22501  
a county shall include only unincorporated territory of the 22502  
county that is not already included in an area designated by a 22503  
limited home rule township. 22504

Upon the adoption of the resolution, the legislative 22505  
authority shall send, by certified mail, one copy of the 22506  
resolution and a map of the community reinvestment area in 22507  
sufficient detail to denote the specific boundaries of the area, 22508  
to the director of housing and development. 22509

The resolution adopted pursuant to this section shall be 22510  
published in a newspaper of general circulation in the political 22511  
subdivision that adopted the resolution once a week for two 22512  
consecutive weeks or as provided in section 7.16 of the Revised 22513  
Code, immediately following its adoption. 22514

Each legislative authority adopting a resolution pursuant 22515  
to this section shall designate a housing officer. The 22516  
legislative authority or housing officer shall not grant any 22517  
exemption from taxation under section 3735.67 of the Revised 22518  
Code until the director assigns to each community reinvestment 22519  
area a unique designation by which the area shall be identified 22520  
for purposes of sections 3735.65 to 3735.70 of the Revised Code. 22521

**Sec. 3735.671.** (A) If construction or remodeling of 22522  
commercial or industrial property is to be exempted from 22523

taxation pursuant to section 3735.67 of the Revised Code, the 22524  
legislative authority and the owner of the property, prior to 22525  
the commencement of construction or remodeling, shall enter into 22526  
a written agreement, binding on both parties for a period of 22527  
time that does not end prior to the end of the period of the 22528  
exemption, that includes all of the information and statements 22529  
described in divisions (B)(1) to (8) of this section. Agreements 22530  
may include terms not described in those divisions or otherwise 22531  
prescribed by the model agreement adopted by the director of 22532  
housing and development under division (B) of this section, but 22533  
such terms shall in no way derogate from the information and 22534  
statements described in divisions (B)(1) to (8) of this section. 22535

(1) Except as otherwise provided in division (A)(2) or (3) 22536  
of this section, an agreement entered into under this section 22537  
shall not be approved by the legislative authority unless the 22538  
board of education of the city, local, or exempted village 22539  
school district within the territory of which the property is or 22540  
will be located approves the agreement. For the purpose of 22541  
obtaining such approval, the legislative authority shall certify 22542  
a copy of the agreement to the board of education not later than 22543  
forty-five days prior to approving the agreement, excluding 22544  
Saturday, Sunday, and a legal holiday as defined in section 1.14 22545  
of the Revised Code. The board of education, by resolution 22546  
adopted by a majority of the board, shall approve or disapprove 22547  
the agreement and certify a copy of the resolution to the 22548  
legislative authority not later than fourteen days prior to the 22549  
date stipulated by the legislative authority as the date upon 22550  
which approval of the agreement is to be formally considered by 22551  
the legislative authority. The board of education may include in 22552  
the resolution conditions under which the board would approve 22553  
the agreement. The legislative authority may approve an 22554

agreement at any time after the board of education certifies its 22555  
resolution approving the agreement to the legislative authority, 22556  
or, if the board approves the agreement conditionally, at any 22557  
time after the conditions are agreed to by the board and the 22558  
legislative authority. 22559

(2) Approval of an agreement by the board of education is 22560  
not required under division (A)(1) of this section if, for each 22561  
tax year the real property is exempted from taxation, the sum of 22562  
the following quantities, as estimated at or prior to the time 22563  
the agreement is formally approved by the legislative authority, 22564  
equals or exceeds twenty-five per cent of the amount of taxes, 22565  
as estimated at or prior to that time, that would have been 22566  
charged and payable that year upon the real property had that 22567  
property not been exempted from taxation: 22568

(a) The amount of taxes charged and payable on any portion 22569  
of the assessed valuation of the new structure or of the 22570  
increased assessed valuation of an existing structure after 22571  
remodeling began that will not be exempted from taxation under 22572  
the agreement; 22573

(b) The amount of taxes charged and payable on tangible 22574  
personal property located on the premises of the new structure 22575  
or of the structure to be remodeled under the agreement, whether 22576  
payable by the owner of the structure or by a related member, as 22577  
defined in section 5733.042 of the Revised Code without regard 22578  
to division (B) of that section. 22579

(c) The amount of any cash payment by the owner of the new 22580  
structure or structure to be remodeled to the school district, 22581  
the dollar value, as mutually agreed to by the owner and the 22582  
board of education, of any property or services provided by the 22583  
owner of the property to the school district, whether by gift, 22584

loan, or otherwise, and any payment by the legislative authority 22585  
to the school district pursuant to section 5709.82 of the 22586  
Revised Code. 22587

The estimates of quantities used for purposes of division 22588  
(A) (2) of this section shall be estimated by the legislative 22589  
authority. The legislative authority shall certify to the board 22590  
of education that the estimates have been made in good faith. 22591  
Departures of the actual quantities from the estimates 22592  
subsequent to approval of the agreement by the board of 22593  
education do not invalidate the agreement. 22594

(3) If a board of education has adopted a resolution 22595  
waiving its right to approve agreements and the resolution 22596  
remains in effect, approval of an agreement by the board is not 22597  
required under division (A) (1) of this section. If a board of 22598  
education has adopted a resolution allowing a legislative 22599  
authority to deliver the notice required under this division 22600  
fewer than forty-five business days prior to the legislative 22601  
authority's execution of the agreement, the legislative 22602  
authority shall deliver the notice to the board not later than 22603  
the number of days prior to such execution as prescribed by the 22604  
board in its resolution. If a board of education adopts a 22605  
resolution waiving its right to approve agreements or shortening 22606  
the notification period, the board shall certify a copy of the 22607  
resolution to the legislative authority. If the board of 22608  
education rescinds such a resolution, it shall certify notice of 22609  
the rescission to the legislative authority. 22610

(4) If the owner of the property or the legislative 22611  
authority agree to make any payment to the school district as 22612  
described in division (A) (2) (c) of this section, the owner or 22613  
legislative authority shall agree to make payments to the joint 22614

vocational school district within which the property is located 22615  
at the same rate or amount and under the same terms received by 22616  
the city, local, or exempted village school district. 22617

(B) The director of housing and development shall adopt 22618  
rules in accordance with Chapter 119. of the Revised Code 22619  
prescribing the form of a model agreement that a legislative 22620  
authority may, in its discretion, use as the basis for an 22621  
agreement to be executed under this section. The model agreement 22622  
may include any term necessary for the administration and 22623  
enforcement of such agreements by the director and legislative 22624  
authority, but must include all of the following: 22625

(1) A space to include the description of real property to 22626  
be exempted from taxation under the agreement and to identify 22627  
the property's owners; 22628

(2) A space to denote the percentage of the assessed 22629  
valuation of real property exempted from taxation and the period 22630  
for which the exemption is granted; 22631

(3) A statement requiring the owner to pay real property 22632  
taxes not exempted under the agreement, as required by law, and 22633  
requiring rescission of the agreement if the owner fails to pay 22634  
those taxes beginning in and after the year any such taxes are 22635  
charged; 22636

(4) A statement that the owner certifies, at the time the 22637  
agreement is executed, that the owner does not owe any 22638  
delinquent property taxes or taxes for which the owner is liable 22639  
under Chapter 5735., 5739., 5741., 5743., 5747., or 5753. of the 22640  
Revised Code, or, if such delinquent taxes are owed, that the 22641  
owner is paying the delinquent taxes pursuant to an undertaking 22642  
enforceable by the state or an agent or instrumentality thereof, 22643

has filed a petition in bankruptcy, or has had a bankruptcy  
petition filed against the owner; 22644  
22645

(5) A statement requiring the owner to provide to the 22646  
property tax incentive review council any information reasonably 22647  
required by the council to evaluate the applicant's compliance 22648  
with the agreement; 22649

(6) A statement that the agreement is not transferable or 22650  
assignable without the approval of the legislative authority; 22651

(7) A statement describing the circumstances under which 22652  
the legislative authority may revoke an agreement for 22653  
noncompliance; 22654

(8) A statement requiring the owner to provide an estimate 22655  
of the following for each agreement: 22656

(a) The number of employment opportunities created due to 22657  
the remodeling or construction, as well as the payroll 22658  
attributable to those opportunities; 22659

(b) The number of employment opportunities retained due to 22660  
the remodeling or construction, as well as the payroll 22661  
attributable to those opportunities. 22662

The model agreement shall also provide that a legislative 22663  
authority may, but is not required to, include a statement 22664  
describing the manner by which the legislative authority may 22665  
recover already-received benefits, which may include an action 22666  
brought in law or equity, a lien on the exempted property in the 22667  
amount to be recovered, or other means. In the case of a lien on 22668  
the exempted property, the lien shall attach, and may be 22669  
perfected, collected, and enforced, in the same manner as a 22670  
mortgage lien on real property, and otherwise has the same force 22671  
and effect as a mortgage lien on real property. 22672

Once the director adopts rules prescribing a model 22673  
agreement under this division, the model agreement may not be 22674  
changed unless the director adopts, amends, or rescinds those 22675  
rules in accordance with Chapter 119. of the Revised Code. 22676

(C) If any person that is party to an agreement granting 22677  
an exemption from taxation discontinues operations at the 22678  
structure to which that exemption applies prior to the 22679  
expiration of the term of the agreement, that person, any 22680  
successor to that person, and any related member shall not enter 22681  
into an agreement under this section or section 5709.62, 22682  
5709.63, or 5709.632 of the Revised Code, and no legislative 22683  
authority shall enter into such an agreement with such a person, 22684  
successor, or related member prior to the expiration of three 22685  
years after the person's discontinuation of operations. As used 22686  
in this division, "successor" means a person to which the assets 22687  
or equity of another person has been transferred, which transfer 22688  
resulted in the full or partial nonrecognition of gain or loss, 22689  
or resulted in a carryover basis, both as determined by rule 22690  
adopted by the tax commissioner. "Related member" has the same 22691  
meaning as defined in section 5733.042 of the Revised Code 22692  
without regard to division (B) of that section. 22693

The director of housing and development shall review all 22694  
agreements submitted to the director under section 3735.672 of 22695  
the Revised Code for the purpose of enforcing this division. If 22696  
the director determines there has been a violation of this 22697  
division, the director shall notify the legislative authority of 22698  
such violation, and the legislative authority immediately shall 22699  
revoke the exemption granted under the agreement. 22700

**Sec. 3735.672.** (A) On or before the thirty-first day of 22701  
March each year, a legislative authority that has entered into 22702

an agreement with a party under section 3735.671 of the Revised Code shall submit to the director of housing and development a report on all such agreements in effect during the preceding calendar year. The report shall include the following:

(1) The total number of community reinvestment areas designated by the political subdivision, and the total population of each area according to the most recent data available;

(2) The total number of agreements within each area;

(3) The number of agreements approved and executed during the calendar year for which the report is submitted, the total number of agreements in effect on the thirty-first day of December of the preceding calendar year, the number of agreements that expired during the calendar year for which the report is submitted, and the number of agreements scheduled to expire during the calendar year in which the report is submitted. For each agreement that expired during the calendar year for which the report is submitted, the legislative authority shall include the amount of taxes exempted under the agreement.

(4) The number of agreements the terms of which a party has failed to comply with, indicating separately for each such agreement the value of the real property exempted pursuant to the agreement and a comparison of the estimated and actual amounts described in division (B) (8) of section 3735.671 of the Revised Code;

(5) Any changes to zoning restrictions in any part of a community reinvestment area, including a map of the area indicating the new zoning restrictions in the area;

necessary to issue license plates bearing the logo of that team. 24285

(F) A sports commission shall expend the money it receives 24286  
pursuant to section 4501.21 of the Revised Code to attract 24287  
amateur regional, national, and international sporting events to 24288  
the municipal corporation, county, or township in which it is 24289  
located, and it may sponsor such events. Prior to attracting or 24290  
sponsoring such events, the sports commission shall perform an 24291  
economic analysis to determine whether the proposed event will 24292  
have a positive economic effect on the greater area in which the 24293  
event will be held. A sports commission shall not expend any 24294  
money it receives under that section to attract or sponsor an 24295  
amateur regional, national, or international sporting event if 24296  
its economic analysis does not result in a finding that the 24297  
proposed event will have a positive economic effect on the 24298  
greater area in which the event will be held. 24299

A sports commission that receives money pursuant to that 24300  
section, in addition to any other duties imposed on it by law 24301  
and notwithstanding the scope of those duties, also shall 24302

encourage the economic development of this state through the 24303  
promotion of tourism within all areas of this state. A sports 24304  
commission that receives ten thousand dollars or more during any 24305  
calendar year shall submit a written report to the director of 24306  
housing and development, on or before the first day of October 24307  
of the next succeeding year, detailing its efforts and 24308  
expenditures in the promotion of tourism during the calendar 24309  
year in which it received the ten thousand dollars or more. 24310

As used in this division, "promotion of tourism" means the 24311  
encouragement through advertising, educational and informational 24312  
means, and public relations, both within the state and outside 24313  
of it, of travel by persons away from their homes for pleasure, 24314  
personal reasons, or other purposes, except to work, to this 24315  
state or to the region in which the sports commission is 24316  
located. 24317

(G) If a professional sports team located in this state 24318  
desires to have its logo appear on license plates issued by this 24319  
state and it does not desire to do so pursuant to division (E) 24320  
of this section, it shall do so pursuant to this division. The 24321  
professional sports team shall notify a community charity of 24322  
that desire. That community charity may negotiate with the 24323  
professional sports team to permit the display of the team's 24324  
logo on license plates issued by this state, enter into a 24325  
contract with the team to permit such display, and pay to the 24326  
team any licensing or rights fee that must be paid in connection 24327  
with the issuance of the license plates. Upon execution of a 24328  
contract, the community charity shall provide a copy of it to 24329  
the registrar along with any other documentation the registrar 24330  
may require. Upon receipt of the contract and any required 24331  
additional documentation, and when the numerical requirement 24332  
contained in section 4503.78 of the Revised Code has been met 24333

relative to that particular professional sports team, the 24334  
registrar shall take the measures necessary to issue license 24335  
plates bearing the logo of that team. 24336

(H) (1) A community charity shall expend the money it 24337  
receives pursuant to section 4501.21 of the Revised Code solely 24338  
to provide financial support to a sports commission for the 24339  
purposes described in division (F) of this section and to 24340  
nonprofit organizations located in this state that seek to 24341  
improve the lives of those who are less fortunate and who reside 24342  
in the region and state in which is located the sports team with 24343  
which the community charity entered into a contract pursuant to 24344  
division (G) of this section. Such organizations shall achieve 24345  
this purpose through activities such as youth sports programs; 24346  
educational, health, social, and community service programs; or 24347  
services such as emergency assistance or employment, education, 24348  
housing, and nutrition services. 24349

The community charity shall not expend any money it 24350  
receives pursuant to section 4501.21 of the Revised Code if the 24351  
expenditure will be received by a nonprofit organization that 24352  
will use the money in a manner or for a purpose that is not 24353  
described in this division. 24354

(2) The community charity shall provide a written 24355  
quarterly report to the director of housing and development and 24356  
the director of job and family services detailing the 24357  
expenditures of the money it receives pursuant to section 24358  
4501.21 of the Revised Code. The report shall include the amount 24359  
of such money received and an accounting of all expenditures of 24360  
such money. 24361

(I) For purposes of this section: 24362

division (H) (1) of this section. 24393

**Sec. 4582.58.** (A) All final actions of the port authority 24394  
shall be journalized and the journal and the records of the port 24395  
authority shall be open to public inspection at all reasonable 24396  
times. Not later than the first day of April every year, every 24397  
port authority shall submit a report to the director of housing 24398  
and development detailing the projects and activities of the 24399  
port authority during the previous calendar year. The report 24400  
shall include, but not be limited to, all aspects of those 24401  
projects and activities, including the progress and status of 24402  
the projects and their costs, and any other information the 24403  
director determines should be included in the report. 24404

(B) Financial and proprietary information, including trade 24405  
secrets, submitted by or on behalf of an employer to a port 24406  
authority or to a nonprofit corporation engaged by contract to 24407

connection with the relocation, location, expansion, 24409  
improvement, or preservation of the business of that employer is 24410

trustees of a nonprofit corporation described in division (B) of 24419  
this section, and any committee or subcommittee of either, when 24420  
considering information that is not a public record under this 24421  
section, may close any meeting during the consideration of that 24422

information pursuant to a vote of the majority of the members 24423  
present on a motion stating that such information is to be 24424  
considered. No other matters shall be considered during the 24425  
closed session. 24426

However, when the governor has reconvened the council and the council has provided

resources, the director of agriculture, and a representative of 24525  
the public who shall be an engineer and shall be appointed by 24526  
the governor, from a list of three nominees submitted to the 24527

conducted by the board or representatives of its members. 24537

In addition, the board shall include four legislative 24538

shall appoint one legislative member, and the president of the 24542  
senate and minority leader of each house shall each appoint one 24543  
legislative member. Each such legislative leader shall designate 24544  
an alternate to attend meetings of the board when the regular 24545

pursuant to section 4906.07 of the Revised Code, and perform 24568  
such other duties as the board may prescribe. 24569

(C) The chairperson of the public utilities commission may 24570  
assign or transfer duties among the commission's staff. However, 24571  
the board's authority to grant certificates under section 24572  
4906.10 of the Revised Code shall not be exercised by any 24573  
officer, employee, or body other than the board itself. 24574

(D) (1) The chairperson may call to the chairperson's 24575  
assistance, temporarily, any employee of the environmental 24576  
protection agency, the department of natural resources, the 24577  
department of agriculture, the department of health, or the 24578  
department of housing and development, for the purpose of making 24579  
studies, conducting hearings, investigating applications, or 24580  
preparing any report required or authorized under this chapter. 24581  
Such employees shall not receive any additional compensation 24582  
over that which they receive from the agency by which they are 24583  
employed, but they shall be reimbursed for their actual and 24584  
necessary expenses incurred while working under the direction of 24585  
the chairperson. All contracts for special services are subject 24586  
to the approval of the chairperson. 24587

(2) Subject to controlling board approval, the board may 24588  
contract for the services of any expert or analyst, other than 24589  
an employee described in division (D) (1) of this section, for 24590  
the purposes of carrying out the board's powers and duties as 24591  
described in Chapter 4906. of the Revised Code. Any such expert 24592  
or analyst shall be compensated from the application fee, or if 24593  
necessary, supplemental application fees assessed in accordance 24594  
with division (F) of section 4906.06 of the Revised Code. 24595

(E) The board's offices shall be located in those of the 24596  
public utilities commission. 24597

**Sec. 4928.06.** (A) Beginning on the starting date of 24598  
competitive retail electric service, the public utilities 24599

commission shall ensure that the policy specified in section 24600  
4928.02 of the Revised Code is effectuated. To the extent 24601  
necessary, the commission shall adopt rules to carry out this 24602  
chapter. Initial rules necessary for the commencement of the 24603  
competitive retail electric service under this chapter shall be 24604  
adopted within one hundred eighty days after the effective date 24605  
of this section. Except as otherwise provided in this chapter, 24606  
the proceedings and orders of the commission under the chapter 24607  
shall be subject to and governed by Chapter 4903. of the Revised 24608  
Code. 24609

(B) If the commission determines, on or after the starting 24610  
date of competitive retail electric service, that there is a 24611  
decline or loss of effective competition with respect to a 24612  
competitive retail electric service of an electric utility, 24613  
which service was declared competitive by commission order 24614  
issued pursuant to division (A) of section 4928.04 of the 24615  
Revised Code, the commission shall ensure that that service is 24616  
provided at compensatory, fair, and nondiscriminatory prices and 24617  
terms and conditions. 24618

(C) In addition to its authority under section 4928.04 of 24619  
the Revised Code and divisions (A) and (B) of this section, the 24620  
commission, on an ongoing basis, shall monitor and evaluate the 24621  
provision of retail electric service in this state for the 24622  
purpose of discerning any noncompetitive retail electric service 24623  
that should be available on a competitive basis on or after the 24624  
starting date of competitive retail electric service pursuant to 24625  
a declaration in the Revised Code, and for the purpose of 24626  
discerning any competitive retail electric service that is no 24627  
longer subject to effective competition on or after that date. 24628  
Upon such evaluation, the commission periodically shall report 24629  
its findings and any recommendations for legislation to the 24630

standing committees of both houses of the general assembly that 24631  
have primary jurisdiction regarding public utility legislation. 24632  
Until 2008, the commission and the consumer's counsel also shall 24633  
provide biennial reports to those standing committees, regarding 24634  
the effectiveness of competition in the supply of competitive 24635  
retail electric services in this state. In addition, until the 24636  
end of all market development periods as determined by the 24637  
commission under section 4928.40 of the Revised Code, those 24638  
standing committees shall meet at least biennially to consider 24639  
the effect on this state of electric service restructuring and 24640  
to receive reports from the commission, consumers' counsel, and 24641  
director of housing and development. 24642

(D) In determining, for purposes of division (B) or (C) of 24643  
this section, whether there is effective competition in the 24644  
provision of a retail electric service or reasonably available 24645  
alternatives for that service, the commission shall consider 24646  
factors including, but not limited to, all of the following: 24647

(1) The number and size of alternative providers of that 24648  
service; 24649

(2) The extent to which the service is available from 24650  
alternative suppliers in the relevant market; 24651

(3) The ability of alternative suppliers to make 24652  
functionally equivalent or substitute services readily available 24653  
at competitive prices, terms, and conditions; 24654

(4) Other indicators of market power, which may include 24655  
market share, growth in market share, ease of entry, and the 24656  
affiliation of suppliers of services. 24657

The burden of proof shall be on any entity requesting, 24658  
under division (B) or (C) of this section, a determination by 24659

the commission of the existence of or a lack of effective 24660  
competition or reasonably available alternatives. 24661

(E) (1) Beginning on the starting date of competitive 24662  
retail electric service, the commission has authority under 24663  
Chapters 4901. to 4909. of the Revised Code, and shall exercise 24664  
that authority, to resolve abuses of market power by any 24665  
electric utility that interfere with effective competition in 24666  
the provision of retail electric service. 24667

(2) In addition to the commission's authority under 24668  
division (E) (1) of this section, the commission, beginning the 24669  
first year after the market development period of a particular 24670  
electric utility and after reasonable notice and opportunity for 24671  
hearing, may take such measures within a transmission 24672  
constrained area in the utility's certified territory as are 24673  
necessary to ensure that retail electric generation service is 24674  
provided at reasonable rates within that area. The commission 24675  
may exercise this authority only upon findings that an electric 24676  
utility is or has engaged in the abuse of market power and that 24677  
that abuse is not adequately mitigated by rules and practices of 24678  
any independent transmission entity controlling the transmission 24679  
facilities. Any such measure shall be taken only to the extent 24680  
necessary to protect customers in the area from the particular 24681  
abuse of market power and to the extent the commission's 24682  
authority is not preempted by federal law. The measure shall 24683  
remain in effect until the commission, after reasonable notice 24684  
and opportunity for hearing, determines that the particular 24685  
abuse of market power has been mitigated. 24686

(F) An electric utility, electric services company, 24687  
electric cooperative, or governmental aggregator subject to 24688  
certification under section 4928.08 of the Revised Code shall 24689

provide the commission with such information, regarding a 24690  
competitive retail electric service for which it is subject to 24691  
certification, as the commission considers necessary to carry 24692  
out this chapter. An electric utility shall provide the 24693  
commission with such information as the commission considers 24694  
necessary to carry out divisions (B) to (E) of this section. The 24695  
commission shall take such measures as it considers necessary to 24696  
protect the confidentiality of any such information. 24697

The commission shall require each electric utility to file 24698  
with the commission on and after the starting date of 24699  
competitive retail electric service an annual report of its 24700  
intrastate gross receipts and sales of kilowatt hours of 24701

Ohio energy credit program, will be insufficient to cover the 24807  
administrative costs of the low-income customer assistance 24808

programs and the consumer education program and provide adequate 24809  
funding for those programs, the director shall file a petition 24810

(6) "Title IV-A program" has the same meaning as in 25546  
section 5101.80 of the Revised Code. 25547

(B) Each board of county commissioners shall pay the 25548  
county share of public assistance expenditures in accordance 25549  
with section 5101.161 of the Revised Code. Except as provided in 25550  
division (C) of this section, a county's share of public 25551  
assistance expenditures is the sum of all of the following for 25552  
state fiscal year 1998 and each state fiscal year thereafter: 25553

(1) The amount that is twenty-five per cent of the 25554  
county's total expenditures for disability financial assistance 25555  
and county administration of that program during the state 25556  
fiscal year ending in the previous calendar year that the 25557  
department of job and family services determines are allowable. 25558

(2) The amount that is ten per cent, or other percentage 25559  
determined under division (D) of this section, of the county's 25560  
total expenditures for county administration of the supplemental 25561

the county under division (E) of this section for the state 25567  
fiscal year ending in the previous calendar year; 25568

(3) A percentage of the actual amount of the county share of program and administrative expenditures during federal fiscal year 1994 for assistance and services, other than child care, provided under Titles IV-A and IV-F of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as those titles existed prior to the enactment of the "Personal Responsibility and Work Opportunity Reconciliation Act of 1996," 110 Stat. 2105. The department of job and family services shall determine the actual amount of the county share from expenditure reports submitted to the United States department of health and human services. The percentage shall be the percentage established in rules adopted under division (F) of this section.

(C) (1) If a county's share of public assistance expenditures determined under division (B) of this section for a state fiscal year exceeds one hundred five per cent of the county's share for those expenditures for the immediately preceding state fiscal year, the department of job and family services shall reduce the county's share for expenditures under divisions (B) (1) and (2) of this section so that the total of the county's share for expenditures under division (B) of this section equals one hundred five per cent of the county's share of those expenditures for the immediately preceding state fiscal year.

(2) A county's share of public assistance expenditures determined under division (B) of this section may be increased pursuant to section 5101.163 of the Revised Code and a sanction under section 5101.24 of the Revised Code. An increase made pursuant to section 5101.163 of the Revised Code may cause the county's share to exceed the limit established by division (C) (1) of this section.

(D) (1) If the per capita tax duplicate of a county is less than the per capita tax duplicate of the state as a whole and division (D) (2) of this section does not apply to the county, the percentage to be used for the purpose of division (B) (2) of this section is the product of ten multiplied by a fraction of which the numerator is the per capita tax duplicate of the county and the denominator is the per capita tax duplicate of the state as a whole. The department of job and family services shall compute the per capita tax duplicate for the state and for each county by dividing the tax duplicate for the most recent available year by the current estimate of population prepared by the development services agency.

(2) If the percentage of families in a county with an annual income of less than three thousand dollars is greater than the percentage of such families in the state and division (D) (1) of this section does not apply to the county, the percentage to be used for the purpose of division (B) (2) of this section is the product of ten multiplied by a fraction of which the numerator is the percentage of families in the state with an annual income of less than three thousand dollars a year and the denominator is the percentage of such families in the county. The department of job and family services shall compute the percentage of families with an annual income of less than three thousand dollars for the state and for each county by multiplying the most recent estimate of such families published by the department of housing and development services agency, by a fraction, the numerator of which is the estimate of average annual personal income published by the bureau of economic analysis of the United States department of commerce for the year on which the census estimate is based and the denominator of which is the most recent such estimate published by the

bureau. 25630

(3) If the per capita tax duplicate of a county is less 25631  
than the per capita tax duplicate of the state as a whole and 25632  
the percentage of families in the county with an annual income 25633  
of less than three thousand dollars is greater than the 25634  
percentage of such families in the state, the percentage to be 25635  
used for the purpose of division (B) (2) of this section shall be 25636  
determined as follows: 25637

(a) Multiply ten by the fraction determined under division 25638  
(D) (1) of this section; 25639

(b) Multiply the product determined under division (D) (3) 25640  
(a) of this section by the fraction determined under division 25641  
(D) (2) of this section. 25642

(4) The department of job and family services shall 25643  
determine, for each county, the percentage to be used for the 25644  
purpose of division (B) (2) of this section not later than the 25645  
first day of July of the year preceding the state fiscal year 25646  
for which the percentage is used. 25647

(E) The department of job and family services shall credit 25648  
to a county the amount of federal reimbursement the department 25649  
receives from the United States departments of agriculture and 25650  
health and human services for the county's expenditures for 25651  
administration of the supplemental nutrition assistance program 25652  
and medicaid (excluding administrative expenditures for 25653  
transportation services covered by the medicaid program) that 25654  
the department determines are allowable administrative 25655  
expenditures. 25656

(F) (1) The director of job and family services shall adopt 25657  
rules in accordance with section 111.15 of the Revised Code to 25658

(a) The method the department is to use to change a 25660  
county's share of public assistance expenditures determined 25661  
under division (B) of this section as provided in division (C) 25662  
of this section; 25663

(b) The allocation methodology and formula the department 25664  
will use to determine the amount of funds to credit to a county 25665  
under this section; 25666

(c) The method the department will use to change the 25667  
payment of the county share of public assistance expenditures 25668  
from a calendar-year basis to a state fiscal year basis; 25669

(d) The percentage to be used for the purpose of division 25670  
(B) (3) of this section, which shall, except as provided in 25671  
section 5101.163 of the Revised Code, meet both of the following 25672  
requirements: 25673

(i) The percentage shall not be less than seventy-five per 25674  
cent nor more than eighty-two per cent; 25675

(ii) The percentage shall not exceed the percentage that 25676  
the state's qualified state expenditures is of the state's 25677  
historic state expenditures as those terms are defined in 42 25678  
U.S.C. 609(a) (7). 25679

(e) Other procedures and requirements necessary to 25680  
implement this section. 25681

(2) The director of job and family services may amend the 25682  
rule adopted under division (F) (1) (d) of this section to modify 25683  
the percentage on determination that the amount the general 25684  
assembly appropriates for Title IV-A programs makes the 25685  
modification necessary. The rule shall be adopted and amended as 25686

if an internal management rule and in consultation with the 25687  
director of budget and management. 25688

(3) An applicant is eligible for a payment if either of the following applies to the applicant:	25987 25988

the person or agency that the applicant is not permanently and 26033  
totally disabled, the director shall determine the applicant 26034

ineligible for any credit or payment. If such additional 26035  
certification is unavailable or refused for any other reason, 26036  
the director may determine the applicant to be eligible for a 26037

section. At the same time, the director ~~tax commissioner~~ shall 26044  
notify the applicant, regardless of whether the applicant's 26045  
application is approved or disapproved, that the applicant may 26046  
be eligible to participate in a state or federal weatherization 26047  
program and should contact the applicant's community action 26048  
agency for further information. If an application is 26049  
disapproved, the applicant may appeal to the director for a 26050  
hearing on the matter. A notice of disapproval shall include a 26051

this chapter. Any such appeal shall be on an appeal form 26053

the total income amounts set forth in sections 5117.07 and 26058  
5117.09 of the Revised Code to be used for applications 26059  
submitted for the heating season commencing in the next calendar 26060  
year, by completing the following steps: 26061

(1) Determine the percentage increase in the gross 26062  
domestic product deflator determined by the bureau of economic 26063  
analysis of the United States department of commerce for the 26064

preceding year; 26065

(2) Multiply that percentage increase by each of the total 26066  
income amounts for the preceding year; 26067

(3) Add the resulting products to each of the total income 26068  
amounts for the preceding year; 26069

(4) Round the resulting sums upward to the nearest 26070  
multiple of ten dollars. 26071

The ~~commissioner~~ director shall not make the adjustment in 26072  
any year in which the amounts resulting from the adjustment 26073  
would be less than the total income amounts for the preceding 26074  
year. 26075

(B) In September of each year, the ~~tax commissioner~~ 26076  
director of housing and development also shall adjust the 26077  
current total income amounts set forth in sections 5117.07 and 26078  
5117.09 of the Revised Code. For any year, the current total 26079  
income amounts shall equal one-half of the respective total 26080  
income amounts set forth in those sections and adjusted under 26081  
division (A) of this section for that year. 26082

(C) ~~Each year, the tax commissioner shall provide both the~~ 26083  
~~adjusted total income amounts referred to in division (A) of~~ 26084  
~~this section and the current total income amounts referred to in~~ 26085  
~~division (B) of this section to the director of development.~~ 26086

~~(D)~~ The director of housing and development and each 26087  
energy company and energy dealer shall use the adjusted total 26088  
income amounts and the current total income amounts determined 26089  
under divisions (A) and (B) of this section in performing their 26090  
duties under sections 5117.01 to 5117.12 of the Revised Code. 26091

**Sec. 5117.08.** (A) (1) On or before the tenth day of 26092

October, the director of housing and development shall begin to 26093  
prepare and certify to each energy company that provides energy 26094  
for home heating a list containing the name and account number 26095  
of each head of household determined eligible for a credit under 26096  
divisions (A) and (B) of section 5117.07 of the Revised Code and 26097  
served by that company, the address of the household, and the 26098  
source of the heat produced by the primary heating system in the 26099  
residence of the applicant. The director, for good cause, may 26100  
certify addenda to such lists, containing the names of any heads 26101  
of household whose names were not included in the earlier lists 26102  
but who, except for failure to meet the deadline requirements of 26103  
sections 5117.01 to 5117.12 of the Revised Code, would have been 26104  
certified in the original lists. Within thirty days of receipt 26105  
of such list and in any month for which a credit is required 26106  
under sections 5117.01 to 5117.12 of the Revised Code, the 26107  
company may verify that each head of household on the director's 26108  
list receives energy for home heating at the household address 26109  
appearing on such list or that the source of heat produced by 26110  
the primary heating system in the household is energy supplied 26111  
by the company. If the company determines that a person listed 26112  
does not receive energy for home heating at such address or that 26113  
the source of the heat produced by the primary heating system in 26114  
the residence of such person is not supplied by the company, it 26115  
shall notify the director of such fact and may refuse to grant 26116  
the credit provided under division (A) of section 5117.07 of the 26117  
Revised Code. Upon receipt of such notice, the director shall 26118  
determine the accuracy of the determination of the company and, 26119  
should the director not concur with the company, shall order the 26120  
company to provide the credit. 26121

(2) The good faith exercise by any company of any power of 26122  
refusal granted under division (A) (1) of this section does not 26123

subject such company to any penalty or liability provided under 26124  
division (A) of section 5117.11 of the Revised Code. 26125

(B) (1) Nothing in sections 5117.01 to 5117.12 of the 26126  
Revised Code shall be construed to abridge the right of an 26127  
otherwise eligible applicant to receive a credit or payment 26128  
because the applicant has either changed the location of the 26129  
applicant's residence or the nature of the occupancy of the 26130  
applicant's residence, as between a tenant or an owner, at a 26131  
time that could, as a result of the operation of sections 26132  
5117.01 to 5117.12 of the Revised Code, cause the applicant to 26133  
be disqualified from receiving, or continuing to receive, the 26134  
credit or payment. 26135

(2) Where a person who submits a form or information 26136  
required under sections 5117.01 to 5117.10 of the Revised Code 26137  
does so in a timely fashion but, because of the occurrence of an 26138  
error or omission with respect to such form or information, 26139  
either on the person's own part or on the part of those persons 26140  
required by sections 5117.01 to 5117.12 of the Revised Code to 26141  
take administrative, executive, or ministerial action regarding 26142  
such form or information, the certification of eligibility by 26143  
the director to an energy company takes place after the 26144  
expiration of a deadline imposed under sections 5117.01 to 26145  
5117.12 of the Revised Code, the company shall grant the credit 26146  
within thirty days and, whenever appropriate, grant the credit 26147  
on a retroactive basis. 26148

(3) The director shall adopt a rule ensuring that the 26149  
requirements of divisions (B) (1) and (2) of this section are 26150  
effectuated. 26151

**Sec. 5117.09.** (A) (1) With respect to each of its 26152  
residential customers, every energy company shall, after receipt 26153

of a certification list provided under division (A) of section 26154  
5117.08 of the Revised Code, cause the granting of a credit in 26155  
accordance with this section against the monthly billing of each 26156  
household appearing on the list except as provided in division 26157  
(A) of section 5117.08 of the Revised Code. In the case of an 26158  
applicant who has a total income of five thousand dollars or 26159  
less or a current total income of two thousand five hundred 26160  
dollars or less, the credit shall amount to thirty per cent of 26161  
the current monthly bill rendered to such household by the 26162  
company for the billing months of December, January, February, 26163  
March, and April following the receipt of a list on which the 26164  
household appears. In the case of an applicant who has a total 26165  
income of more than five thousand dollars but not more than nine 26166  
thousand dollars or a current total income of more than two 26167  
thousand five hundred dollars but not more than four thousand 26168  
five hundred dollars, the credit shall amount to twenty-five per 26169  
cent of the current monthly bill rendered to such household by 26170  
the company for the billing months of December, January, 26171  
February, March, and April following the receipt of a list on 26172  
which the household appears. If purchased power costs are 26173  
incurred by an energy company during the billing month for which 26174  
a credit is provided under this division, the credit shall also 26175  
be applied to such costs, whether or not the costs are charged 26176  
to a current monthly bill for such months. 26177

(2) The total income and current total income amounts set 26178  
forth in division (A)(1) of this section are subject to 26179  
adjustment under section 5117.071 of the Revised Code. 26180

(B) Every energy company shall read the meter of each of 26181  
its qualified residential customers who may receive a credit 26182  
under division (A) of this section at least one time for the 26183  
service period of November and at least one time in the service 26184

period for the current monthly bill rendered for the billing 26185  
month of April. In the event a company is unable to read a meter 26186  
because of failure to gain access after a good faith effort or 26187  
because a certification list was supplied to the utility fewer 26188  
than thirty days prior to the normal date of meter reading, the 26189  
company may render a calculated bill. In such instances, the 26190  
company shall make an adjustment to the amount of the credit 26191  
granted to the customer based upon the next actual reading of 26192  
the meter if the reading shows the previous calculation to have 26193  
been in error and set forth the amount of such adjustments in 26194  
the report required to be filed with the director of housing and 26195  
development under division (D) of this section. 26196

(C) On each billing that is subject to a credit under 26197  
division (A) of this section, there shall appear in ten-point 26198  
type both the amount of the credit and to the left of such 26199  
amount "Ohio Energy Credit." 26200

(D) On or before the fifteenth day of each month following 26201  
one in which credits were provided under division (A) of this 26202  
section, each energy company shall, on a form prescribed by the 26203  
director and requesting information that the director 26204  
~~commissioner~~ determines is necessary for the purpose of 26205  
verifying the propriety of the payment of credits, certify to 26206  
the director the total amount of all credits it granted pursuant 26207  
to division (A) of this section during the preceding month. Not 26208  
later than thirty days after receipt of such certification, the 26209  
director shall pay the company the amount certified. If the 26210  
director determines that a company previously received amounts 26211  
greater than the amounts of credits properly granted, such 26212  
company, upon notice from the director, shall reimburse the 26213  
director in the amount of the overpayments. Such reimbursements 26214  
shall be deposited in the general revenue fund. 26215

(E) (1) Any energy company that purposely fails to grant 26216  
the credit provided under division (A) of this section is liable 26217  
to each person entitled to the credit and certified to the 26218  
company by the director pursuant to division (A) of section 26219  
5117.08 of the Revised Code in treble the amount of the total 26220  
credit not granted. The consumers' counsel, on behalf of any 26221  
person or persons not granted the credit, may bring an action to 26222  
recover such treble damages in the court of common pleas of the 26223  
county in which is located the office of the company nearest the 26224  
household of any such person or persons. The consumers' counsel 26225  
also, on behalf of any persons not granted the credit, may bring 26226  
a class action to recover such treble damages in the court of 26227  
common pleas of any county in which is located an office of the 26228  
company and, if feasible, in which is located a significant 26229  
number of members of the class. Any treble damage recovery under 26230  
this division does not, in any manner, diminish any other 26231  
liability provided under sections 5117.01 to 5117.12 of the 26232  
Revised Code. Clerical errors shall not be considered an offense 26233  
or incur liability under this division. 26234

(2) An action shall be brought by the consumers' counsel 26235  
under division (E) (1) of this section only after the consumers' 26236  
counsel has made a good faith attempt to dispose of the claim by 26237  
settlement, including a good faith request for only such 26238  
information in the possession of an energy company as is needed 26239  
to determine the existence or extent of such a right of action. 26240

(3) Nothing in division (E) (1) of this section shall be 26241  
construed to prevent persons acting without the assistance of 26242  
the consumers' counsel from bringing an action or class action 26243  
under such division. 26244

**Sec. 5117.10.** (A) On or before the fifteenth day of 26245

(B) The director may withhold from any payment to which a 26250  
person would otherwise be entitled under division (A) of this 26251  
section any amount that the director determines was erroneously 26252  
received by such person in a preceding year under this or the 26253  
program established under Am. Sub. H.B. 230, as amended by Am. 26254  
H.B. 937, Am. Sub. H.B. 1073, Am. Sub. S.B. 493, and Am. Sub. 26255  
S.B. 523 of the 112th general assembly, provided the director 26256  
has employed all other legal methods reasonably available to 26257  
obtain reimbursement for the erroneous payment or credit prior 26258  
to the commencement of the current program year. 26259

(C) Payments made under this section and credits granted 26260  
under section 5117.09 of the Revised Code shall not be 26261  
considered income for the purpose of determining eligibility or 26262  
the level of benefits or assistance under section 329.042 or 26263  
Chapter 5107. of the Revised Code; the medicaid program; 26264

amended; or any other program under which eligibility or the 26267  
level of benefits or assistance is based upon need measured by 26268  
income. 26269

August of each year, each energy company shall file a written 26271

The report shall include such information as is prescribed by 26277  
the director. The information shall be based on actual reviews 26278  
of residential customer accounts and shall be presented in 26279  
verifiable form. The director may consult with the public 26280

the department shall not grant an opportunity for submitting a 26553  
plan of correction. 26554

(H) (1) If a suspension of admissions of residents to a 26555  
facility is proposed because the director has determined that 26556  
the licensee has demonstrated a pattern of serious noncompliance 26557  
or that a violation creates a substantial risk to the health and 26558  
safety of residents, the director may issue an order imposing 26559  
the suspension of admissions before providing an opportunity for 26560  
an adjudication under Chapter 119. of the Revised Code. The 26561

director shall lift the order for the suspension of admissions 26562

suspension of admissions to a facility shall be conducted in 26566

(b) If a timely request for a hearing that includes the 26573  
licensee's current address is made, the hearing shall commence 26574  
not later than thirty days after the department receives the 26575  
request. 26576

(c) After commencing, the hearing shall continue 26577  
uninterrupted, except for Saturdays, Sundays, and legal 26578  
holidays, unless other interruptions are agreed to by the 26579  
licensee and the director. 26580

(d) If the hearing is conducted by a hearing examiner, the 26581  
hearing examiner shall file a report and recommendations with 26582  
the department not later than ten days after the last of the 26583

(e) The hearing examiner shall send a written copy of the report and recommendations, by certified mail, to the licensee, or the licensee's attorney, if applicable, not later than five days after the report is filed with the department.

(f) Not later than five days after receiving the report and recommendations, the licensee may file objections with the department.

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the department shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the department shall lift the order for the suspension of admissions if the department determines the violation that formed the basis for the order has been corrected.

(I) The department may issue an interim license to operate a residential facility if both of the following conditions are met:

(1) The department determines that the closing of or the need to remove residents from another residential facility has created an emergency situation requiring immediate removal of residents and an insufficient number of licensed beds are available.

(2) The residential facility applying for an interim license meets standards established for interim licenses in rules adopted by the director under division (N) of this section.

An interim license shall be valid for ninety days and may be renewed by the director no more than twice. Proceedings

(B) Any minority business enterprise that desires to bid on a contract under division (C) or (D) of this section shall first apply to the department of <u>housing and development</u> for certification as a minority business enterprise. The director of <u>housing and development</u> shall approve the application of any minority business enterprise that complies with the rules adopted under section 122.71 of the Revised Code. The director shall prepare and maintain a list of minority business enterprises certified under this section.	26857 26858 26859 26860 26861 26862 26863 26864 26865
(C) From the contracts to be awarded for the purchases of equipment, materials, supplies, insurance, and nonprogram services, other than contracts entered into and exempt under	26866 26867 26868

sections 307.86 and 5126.05 of the Revised Code, each county board of developmental disabilities shall select a number of contracts with an aggregate value of approximately fifteen per cent of the total estimated value of such contracts to be awarded in the current calendar year. The board shall set aside the contracts so selected for bidding by minority business enterprises only. The bidding procedures for such contracts shall be the same as for all other contracts awarded under section 307.86 of the Revised Code, except that only minority business enterprises certified and listed under division (B) of this section shall be qualified to submit bids. Contracts set aside and awarded under this section shall not include contracts for the purchase of services such as direct and ancillary services, service and support administration, residential services, and family support services.

(D) To the extent that a board is authorized to enter into contracts for construction which are not exempt from the competitive bidding requirements of section 307.86 of the Revised Code, the board shall set aside a number of contracts the aggregate value of which equals approximately five per cent of the aggregate value of construction contracts for the current calendar year for bidding by minority business enterprises only. The bidding procedures for the contracts set aside for minority business enterprises shall be the same as for all other contracts awarded by the board, except that only minority business enterprises certified and listed under division (B) of this section shall be qualified to submit bids.

Any contractor awarded a construction contract pursuant to this section shall make every effort to ensure that certified minority business subcontractors and materials suppliers participate in the contract. In the case of contracts specified

in this division, the total value of subcontracts awarded to and 26900  
materials and services purchased from minority businesses shall 26901  
be at least ten per cent of the total value of the contract, 26902  
wherever possible and whenever the contractor awards 26903  
subcontracts or purchases materials or services. 26904

(E) In the case of contracts set aside under divisions (C) 26905  
and (D) of this section, if no bid is submitted by a minority 26906  
business enterprise, the contract shall be awarded according to 26907  
normal bidding procedures. The board shall from time to time set 26908  
aside such additional contracts as are necessary to replace 26909  
those contracts previously set aside on which no minority 26910  
business enterprise bid. 26911

(F) This section does not preclude any minority business 26912  
enterprise from bidding on any other contract not specifically 26913  
set aside for minority business enterprises. 26914

(G) Within ninety days after the beginning of each 26915  
calendar year, each county board of developmental disabilities 26916  
shall file a report with the department of developmental 26917  
disabilities that shows for that calendar year the name of each 26918  
minority business enterprise with which the board entered into a 26919  
contract, the value and type of each such contract, the total 26920  
value of contracts awarded under divisions (C) and (D) of this 26921  
section, the total value of contracts awarded for the purchases 26922  
of equipment, materials, supplies, or services, other than 26923  
contracts entered into under the exemptions of sections 307.86 26924  
and 5126.05 of the Revised Code, and the total value of 26925  
contracts entered into for construction. 26926

(H) Any person who intentionally misrepresents that person 26927  
as owning, controlling, operating, or participating in a 26928  
minority business enterprise for the purpose of obtaining 26929

contracts or any other benefits under this section shall be 26930  
guilty of theft by deception as provided for in section 2913.02 26931  
of the Revised Code. 26932

**Sec. 5126.18.** (A) As used in this section: 26933

(1) "Taxable value" means the taxable value of a county 26934  
certified under division (B) of this section. 26935

(2) "Per-mill yield" means the quotient obtained by 26936  
dividing the taxable value of a county by one thousand. 26937

(3) "Population" of a county means that shown by the 26938  
federal census for a census year or, for a noncensus year, the 26939  
population as estimated by the department of housing and 26940  
development. 26941

(4) "Six-year moving average" means the average of the 26942  
per-mill yields of a county for the most recent six years. 26943

(5) "Yield per person" means the quotient obtained by 26944  
dividing the six-year moving average of a county by the 26945  
population of that county. 26946

(6) "Tax equity payments" means payments to county boards 26947  
of developmental disabilities under this section or a prior 26948  
version of this section from money appropriated by the general 26949  
assembly to the department of developmental disabilities for 26950  
that purpose. 26951

(7) "Eligible county" means a county determined under 26952  
division (C) of this section to be eligible for tax equity 26953  
payments for the two-year period for which that determination is 26954  
made. 26955

(8) "Threshold county" means the county with the lowest 26956  
yield per person that is determined not to be eligible to 26957

receive tax equity payments. 26958

(B) At the request of the director of developmental 26959  
disabilities, the tax commissioner shall certify to the director 26960  
the taxable value of property on each county's most recent tax 26961  
list of real and public utility property. The director may 26962  
request any other tax information necessary for the purposes of 26963  
this section. 26964

(C) Beginning in 2011, on or before the thirty-first day 26965  
of May of that year and of every second year thereafter, the 26966  
director of developmental disabilities shall determine whether a 26967  
county is eligible to receive tax equity payments for the 26968  
ensuing two fiscal years as follows: 26969

(1) The director shall determine the six-year moving 26970  
average, population, and yield per person of each county in the 26971  
state, based on the most recent information available. 26972

(2) The director shall calculate a tax equity funding 26973  
threshold by adding the population of the county with the lowest 26974  
yield per person and the populations of individual counties in 26975  
order from lowest yield per person to highest yield per person 26976  
until the addition of the population of another county would 26977  
increase the aggregate sum to over thirty per cent of the total 26978  
state population. A county is eligible to receive tax equity 26979  
payments for the two-year period if its population is included 26980  
in the calculation of the threshold and the addition of its 26981  
population does not increase such sum to over thirty per cent of 26982  
the total state population. 26983

(D) (1) Except as provided in divisions (D) (2) and (3) of 26984  
this section, beginning in fiscal year 2012 and for each fiscal 26985  
year thereafter, the director shall make tax equity payments to 26986

each eligible county equal to the population of the county 26987  
multiplied by the difference between the yield per person of the 26988  
threshold county and the yield per person of the eligible 26989  
county. For purposes of this division, the population and yield 26990  
per person of a county equal the population and yield per person 26991  
most recently determined for that county under division (C) (1) 26992  
of this section. The payments shall be made in quarterly 26993  
installments of equal amounts not later than the thirtieth day 26994  
of September, the thirty-first day of December, the thirty-first 26995  
day of March, and the thirtieth day of June of each fiscal year. 26996

(2) In fiscal year 2012, if the amount determined under 26997  
division (D) (1) of this section for an eligible county is at 26998  
least twenty thousand dollars greater than or twenty thousand 26999  
dollars less than the amount of tax equity payments the county 27000  
received in fiscal year 2011, the county's tax equity payments 27001  
for fiscal years 2012 through 2014 shall equal the following: 27002

(a) For fiscal year 2012, one-fourth of the amount 27003  
calculated for the eligible county under division (D) (1) of this 27004  
section plus three-fourths of the amount of tax equity payments 27005  
the county received in fiscal year 2011; 27006

(b) For fiscal year 2013, one-half of the amount 27007  
calculated for the eligible county under division (D) (1) of this 27008  
section plus one-half of the amount of tax equity payments the 27009  
county received in fiscal year 2011; 27010

(c) For fiscal year 2014, three-fourths of the amount 27011  
calculated for the eligible county under division (D) (1) of this 27012  
section plus one-fourth of the amount of tax equity payments the 27013  
county received in fiscal year 2011. 27014

(3) In any fiscal year, if the total amount of tax equity 27015

payments for all eligible counties as determined under divisions 27016  
(D) (1) and (2) of this section is greater than the amount 27017  
appropriated to the department of developmental disabilities for 27018  
the purpose of making such payments in that fiscal year, the 27019  
director shall reduce the payments to each eligible county board 27020  
in equal proportion. If the total amount of tax equity payments 27021  
as determined under that division is less than the amount 27022  
appropriated to the department for that purpose, the director 27023  
shall determine how to allocate the excess money after 27024  
consultation with the Ohio association of county boards serving 27025  
people with developmental disabilities. 27026

(4) Tax equity payments shall be paid only to an eligible 27027  
county board of developmental disabilities and not to a regional 27028  
council established under section 5126.13 of the Revised Code or 27029  
any other entity. 27030

(E) (1) Except as provided in division (E) (2) of this 27031  
section, a county board of developmental disabilities shall use 27032  
tax equity payments solely to pay the nonfederal share of 27033  
medicaid expenditures it is required to pay under sections 27034  
5126.059 and 5126.0510 of the Revised Code. Tax equity payments 27035  
shall not be used to pay any salary or other compensation to 27036  
county board personnel. 27037

(2) Upon the written request of a county board, the 27038  
director of developmental disabilities may authorize a county 27039  
board to use tax equity payments for infrastructure improvements 27040  
necessary to support medicaid waiver administration. 27041

(3) The director may audit any county board receiving tax 27042  
equity payments to ensure appropriate use of the payments in 27043  
accordance with this section. If the director determines that a 27044  
county board is using payments inappropriately, the director 27045

shall notify the county board in writing of the determination. 27046  
Within thirty days after receiving the director's notification, 27047  
the county board shall submit a written plan of correction to 27048  
the director. The director may accept or reject the plan. If the 27049  
director rejects the plan, the director may require the county 27050  
board to repay all or a portion of the amount of tax equity 27051  
payments used inappropriately. The director shall distribute any 27052  
tax equity payments returned under this division to other 27053  
eligible county boards in accordance with a plan developed by 27054  
the director after consultation with the Ohio association of 27055  
county boards serving people with developmental disabilities. 27056

**Sec. 5501.031.** The department of transportation shall: 27057

(A) Consider energy conservation as an integral factor 27058  
along with economics, engineering, safety, and the environment 27059  
in the planning, design, and utilization of transportation 27060  
facilities; 27061

(B) Reevaluate existing plans for highways and other 27062  
transportation modes and require regional transportation studies 27063  
and local planning agencies operating under state coordination 27064  
or with state funds to cooperate in such reevaluation. Such 27065  
reevaluation shall consider shifts to energy conservation modes 27066  
and improvement in modal energy efficiencies, and shall include 27067  
both technological alternatives and administrative or management 27068  
strategies. Short-term conservation measures must be adaptable 27069  
to long-term conservation requirements to include permanent 27070  
reductions in gasoline usage and revitalization of railroads. 27071

(C) Take all necessary steps to increase the level of 27072  
awareness of transportation professions and related government 27073  
sectors of those techniques that are immediately available to 27074  
reduce petroleum consumption in improving operation and 27075

maintenance of transportation facilities; 27076

(D) Review construction specifications and design 27077  
standards for highway construction and maintenance, with a view 27078  
to pursuing the elimination of those found to be unnecessary and 27079  
wasteful of energy; 27080

(E) Submit recommendations to the department of housing 27081  
and development and to the general assembly, designed to reduce 27082  
the energy intensive nature of the existing transportation 27083  
system, control the growth of gasoline demand, and support other 27084  
efforts to conserve energy; 27085

(F) In cooperation with the department of housing and 27086  
development, encourage and promote the establishment of carpool 27087  
and vanpool programs including preferential parking for vehicles 27088  
used in carpools or vanpools. The department of transportation 27089  
shall also study the feasibility of preferential traffic control 27090  
for public transportation vehicles and variable working hours as 27091  
additional conservation measures. 27092

The department shall undertake to utilize to the fullest 27093  
extent funds made available under federal or state programs for 27094  
the development of park-and-ride lots to serve carpools and 27095  
vanpools and encourage the use of public transportation 27096  
facilities. Potential locations and funds for park-and-ride lots 27097  
shall be identified in at least one location in each standard 27098  
metropolitan statistical area in the state. These locations 27099  
shall be reported to the department of housing and development. 27100

**Sec. 5531.08.** (A) In order to expedite a highway project 27101  
involving the expenditure of federal and state funds and to 27102  
utilize all privileges provided by the "Intermodal Surface 27103  
Transportation Efficiency Act of 1991," 105 Stat. 1914, 49 27104

U.S.C.A. 101, the director of transportation may designate a project team for the purposes of certifying design review and performing field and office inspections and cost estimates, on behalf of the federal highway administration.

(B) (1) Upon a written determination by the director that it would be in the best interests of the traveling public, the director, upon the written request of a county, township, or municipal corporation, may utilize moneys in the highway operating fund created by section 5735.051 of the Revised Code to pay that portion of the construction cost of a highway project which the county, township, or municipal corporation normally would be required to pay.

(2) The director shall not utilize moneys in the highway operating fund for a highway project in the manner described in division (B) (1) of this section unless all of the following apply:

(a) The preliminary engineering design of the project is complete, all necessary rights-of-way have been obtained, and all federal, state, and local environmental studies and permits have been performed or obtained;

(b) The director of transportation has submitted the proposed project to the director of housing and development for an evaluation of the potential economic benefit to the area. The county, township, or municipal corporation certifies to the director of housing and development that the project will create not less than five permanent living wage jobs. This requirement shall be fulfilled during the three-year period following the completion date of the project, and the county, township, or municipal corporation may define the geographic area within which the jobs will be created.

(c) The quotient resulting from the division of the total amount of moneys utilized to cover the portion of the construction cost of the highway project that a county, township, or municipal corporation would normally be required to pay, divided by the number of permanent living wage jobs certified to the director of housing and development by the county, township, or municipal corporation pursuant to division (B) (2) (b) of this section is less than or equal to ten thousand dollars.

(C) Upon a written determination by the director of transportation that it would be in the best interests of the traveling public, the director, upon the written request of a county, township, or municipal corporation, may declare a waiver of that portion of the cost of a highway project which the county, township, or municipal corporation normally would be required to pay.

(D) The director of housing and development shall do all of the following:

(1) Review all requests submitted by a county, township, or municipal corporation to the director of transportation pursuant to division (B) of this section for the expenditure of moneys from the highway operating fund;

(2) Submit findings and recommendations to the director of transportation upon completion of the review process;

(3) Monitor the results of a highway project for which moneys in the highway operating fund are utilized in order to ascertain whether the number of permanent living wage jobs certified to the director of transportation pursuant to division (B) (2) (b) of this section actually are created as a result of

the highway project within the three-year period following the 27164  
completion of the project, and submit reports relating to this 27165  
subject to the director as necessary. 27166

(E) The director of transportation may award eligible 27167  
federal funds or state general revenue funds to local units of 27168  
government, including regional transit authorities providing 27169  
public transportation service and metropolitan planning 27170  
organizations. These funds may be used for such purposes as 27171  
alleviating traffic congestion or improving air quality in 27172  
nonattainment areas of the state as defined by the "Clean Air 27173  
Act of 1990," 104 Stat. 2399, 42 U.S.C.A. 7401. The funds also 27174  
may be used to acquire or construct park-and-ride facilities, to 27175  
purchase traffic devices to improve vehicular flow, and for 27176  
other travel demand management activities that meet the mandates 27177  
of the Clean Air Act in nonattainment areas of the state. 27178

(F) As used in this section, "living wage job" means an 27179  
employment position paying an annual average gross wage amount 27180  
per full-time person of not less than twenty thousand dollars 27181  
per year. 27182

**Sec. 5703.0510.** (A) Notwithstanding any other provision of 27183  
the Revised Code that requires a taxpayer to provide a tax 27184  
credit certificate to the tax commissioner upon the 27185  
commissioner's request, any person claiming a credit against a 27186  
tax or fee administered by the commissioner shall provide a copy 27187  
of any accompanying certificate issued by the director of 27188  
housing and development services or by another state agency, if 27189  
applicable, demonstrating the person's eligibility for the 27190  
credit claimed. 27191

(B) If the commissioner prescribes a form for the purpose 27192  
of tracking the credits claimed by a person against any tax or 27193

fee administered by the commissioner, the person shall provide 27194  
the completed form and a copy of any certificate described in 27195  
division (A) of this section on or before the due date of the 27196  
return, report, or schedule for the tax or fee against which the 27197  
credit is claimed. 27198

(C) If a person fails to provide a certificate or form as 27199  
required under this section, the commissioner shall deny the 27200  
credit claimed by the person until such certificate or form is 27201  
provided to the commissioner. Any amount denied under this 27202  
section may be assessed in the same manner as the underlying tax 27203  
or fee. 27204

**Sec. 5709.12.** (A) As used in this section, "independent 27205  
living facilities" means any residential housing facilities and 27206  
related property that are not a nursing home, residential care 27207  
facility, or residential facility as defined in division (A) of 27208  
section 5701.13 of the Revised Code. 27209

(B) Lands, houses, and other buildings belonging to a 27210  
county, township, or municipal corporation and used exclusively 27211  
for the accommodation or support of the poor, or leased to the 27212  
state or any political subdivision for public purposes shall be 27213  
exempt from taxation. Real and tangible personal property 27214  
belonging to institutions that is used exclusively for 27215  
charitable purposes shall be exempt from taxation, including 27216  
real property belonging to an institution that is a nonprofit 27217  
corporation that receives a grant under the Thomas Alva Edison 27218  
grant program authorized by division (C) of section 122.33 of 27219  
the Revised Code at any time during the tax year and being held 27220  
for leasing or resale to others. If, at any time during a tax 27221  
year for which such property is exempted from taxation, the 27222  
corporation ceases to qualify for such a grant, the director of 27223

housing and development shall notify the tax commissioner, and 27224  
the tax commissioner shall cause the property to be restored to 27225  
the tax list beginning with the following tax year. All property 27226  
owned and used by a nonprofit organization exclusively for a 27227  
home for the aged, as defined in section 5701.13 of the Revised 27228  
Code, also shall be exempt from taxation. 27229

(C) (1) If a home for the aged described in division (B) (1) 27230  
of section 5701.13 of the Revised Code is operated in 27231  
conjunction with or at the same site as independent living 27232  
facilities, the exemption granted in division (B) of this 27233  
section shall include kitchen, dining room, clinic, entry ways, 27234  
maintenance and storage areas, and land necessary for access 27235  
commonly used by both residents of the home for the aged and 27236  
residents of the independent living facilities. Other facilities 27237  
commonly used by both residents of the home for the aged and 27238  
residents of independent living units shall be exempt from 27239  
taxation only if the other facilities are used primarily by the 27240  
residents of the home for the aged. Vacant land currently unused 27241  
by the home, and independent living facilities and the lands 27242  
connected with them are not exempt from taxation. Except as 27243  
provided in division (A) (1) of section 5709.121 of the Revised 27244  
Code, property of a home leased for nonresidential purposes is 27245  
not exempt from taxation. 27246

(2) Independent living facilities are exempt from taxation 27247  
if they are operated in conjunction with or at the same site as 27248  
a home for the aged described in division (B) (2) of section 27249  
5701.13 of the Revised Code; operated by a corporation, 27250  
association, or trust described in division (B) (1) (b) of that 27251  
section; operated exclusively for the benefit of members of the 27252  
corporation, association, or trust who are retired, aged, or 27253  
infirm; and provided to those members without charge in 27254

consideration of their service, without compensation, to a 27255  
charitable, religious, fraternal, or educational institution. 27256  
For the purposes of division (C) (2) of this section, 27257  
"compensation" does not include furnishing room and board, 27258  
clothing, health care, or other necessities, or stipends or 27259  
other de minimis payments to defray the cost thereof. 27260

(D) (1) A private corporation established under federal 27261  
law, as defined in 36 U.S.C. 1101, Pub. L. No. 102-199, 105 27262  
Stat. 1629, as amended, the objects of which include encouraging 27263  
the advancement of science generally, or of a particular branch 27264  
of science, the promotion of scientific research, the 27265  
improvement of the qualifications and usefulness of scientists, 27266  
or the increase and diffusion of scientific knowledge is 27267  
conclusively presumed to be a charitable or educational 27268  
institution. A private corporation established as a nonprofit 27269  
corporation under the laws of a state that is exempt from 27270  
federal income taxation under section 501(c) (3) of the Internal 27271  
Revenue Code of 1986, 100 Stat. 2085, 26 U.S.C.A. 1, as amended, 27272  
and that has as its principal purpose one or more of the 27273  
foregoing objects also is conclusively presumed to be a 27274  
charitable or educational institution. 27275

The fact that an organization described in this division 27276  
operates in a manner that results in an excess of revenues over 27277  
expenses shall not be used to deny the exemption granted by this 27278  
section, provided such excess is used, or is held for use, for 27279  
exempt purposes or to establish a reserve against future 27280  
contingencies; and, provided further, that such excess may not 27281  
be distributed to individual persons or to entities that would 27282  
not be entitled to the tax exemptions provided by this chapter. 27283  
Nor shall the fact that any scientific information diffused by 27284  
the organization is of particular interest or benefit to any of 27285

its individual members be used to deny the exemption granted by 27286  
this section, provided that such scientific information is 27287  
available to the public for purchase or otherwise. 27288

(2) Division (D)(2) of this section does not apply to real 27289  
property exempted from taxation under this section and division 27290  
(A)(3) of section 5709.121 of the Revised Code and belonging to 27291  
a nonprofit corporation described in division (D)(1) of this 27292  
section that has received a grant under the Thomas Alva Edison 27293  
grant program authorized by division (C) of section 122.33 of 27294  
the Revised Code during any of the tax years the property was 27295  
exempted from taxation. 27296

When a private corporation described in division (D)(1) of 27297  
this section sells all or any portion of a tract, lot, or parcel 27298  
of real estate that has been exempt from taxation under this 27299  
section and section 5709.121 of the Revised Code, the portion 27300  
sold shall be restored to the tax list for the year following 27301  
the year of the sale and, except in connection with a sale and 27302  
transfer of such a tract, lot, or parcel to a county land 27303  
reutilization corporation organized under Chapter 1724. of the 27304  
Revised Code, a charge shall be levied against the sold property 27305  
in an amount equal to the tax savings on such property during 27306  
the four tax years preceding the year the property is placed on 27307  
the tax list. The tax savings equals the amount of the 27308  
additional taxes that would have been levied if such property 27309  
had not been exempt from taxation. 27310

The charge constitutes a lien of the state upon such 27311  
property as of the first day of January of the tax year in which 27312  
the charge is levied and continues until discharged as provided 27313  
by law. The charge may also be remitted for all or any portion 27314  
of such property that the tax commissioner determines is 27315

entitled to exemption from real property taxation for the year 27316  
such property is restored to the tax list under any provision of 27317  
the Revised Code, other than sections 725.02, 1728.10, 3735.67, 27318  
5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.71, 5709.73, 27319  
5709.78, and 5709.84, upon an application for exemption covering 27320  
the year such property is restored to the tax list filed under 27321  
section 5715.27 of the Revised Code. 27322

(E) (1) Real property held by an organization organized and 27323  
operated exclusively for charitable purposes as described under 27324  
section 501(c) (3) of the Internal Revenue Code and exempt from 27325  
federal taxation under section 501(a) of the Internal Revenue 27326  
Code, 26 U.S.C.A. 501(a) and (c) (3), as amended, for the purpose 27327  
of constructing or rehabilitating residences for eventual 27328  
transfer to qualified low-income families through sale, lease, 27329  
or land installment contract, shall be exempt from taxation. 27330

The exemption shall commence on the day title to the 27331  
property is transferred to the organization and shall continue 27332  
to the end of the tax year in which the organization transfers 27333  
title to the property to a qualified low-income family. In no 27334  
case shall the exemption extend beyond the second succeeding tax 27335  
year following the year in which the title was transferred to 27336  
the organization. If the title is transferred to the 27337  
organization and from the organization to a qualified low-income 27338  
family in the same tax year, the exemption shall continue to the 27339  
end of that tax year. The proportionate amount of taxes that are 27340  
a lien but not yet determined, assessed, and levied for the tax 27341  
year in which title is transferred to the organization shall be 27342  
remitted by the county auditor for each day of the year that 27343  
title is held by the organization. 27344

Upon transferring the title to another person, the 27345

organization shall file with the county auditor an affidavit 27346  
affirming that the title was transferred to a qualified low- 27347  
income family or that the title was not transferred to a 27348  
qualified low-income family, as the case may be; if the title 27349  
was transferred to a qualified low-income family, the affidavit 27350  
shall identify the transferee by name. If the organization 27351  
transfers title to the property to anyone other than a qualified 27352  
low-income family, the exemption, if it has not previously 27353  
expired, shall terminate, and the property shall be restored to 27354  
the tax list for the year following the year of the transfer and 27355  
a charge shall be levied against the property in an amount equal 27356  
to the amount of additional taxes that would have been levied if 27357  
such property had not been exempt from taxation. The charge 27358  
constitutes a lien of the state upon such property as of the 27359  
first day of January of the tax year in which the charge is 27360  
levied and continues until discharged as provided by law. 27361

The application for exemption shall be filed as otherwise 27362  
required under section 5715.27 of the Revised Code, except that 27363  
the organization holding the property shall file with its 27364  
application documentation substantiating its status as an 27365  
organization organized and operated exclusively for charitable 27366  
purposes under section 501(c)(3) of the Internal Revenue Code 27367  
and its qualification for exemption from federal taxation under 27368  
section 501(a) of the Internal Revenue Code, and affirming its 27369  
intention to construct or rehabilitate the property for the 27370  
eventual transfer to qualified low-income families. 27371

As used in this division, "qualified low-income family" 27372  
means a family whose income does not exceed two hundred per cent 27373  
of the official federal poverty guidelines as revised annually 27374  
in accordance with section 673(2) of the "Omnibus Budget 27375  
Reconciliation Act of 1981," 95 Stat. 511, 42 U.S.C.A. 9902, as 27376

amended, for a family size equal to the size of the family whose  
income is being determined.

(2) Real property constituting a retail store, including  
the land on which the retail store is located, that is owned and  
operated by an organization described in division (E) (1) of this  
section shall be exempt from taxation if the retail store sells  
primarily donated items suitable for residential housing  
purposes and if the proceeds of such sales are used solely for  
the purposes of the organization.

(F) (1) Real property that is acquired and held by a county  
land reutilization corporation organized under Chapter 1724. of  
the Revised Code and that is not exempt from taxation under  
Chapter 5722. of the Revised Code shall be deemed real property  
used for a public purpose and shall be exempt from taxation  
until sold or transferred by the corporation. Notwithstanding  
section 5715.27 of the Revised Code, a county land reutilization  
corporation is not required to apply to any county or state  
agency in order to qualify for the exemption.

(2) Real property that is acquired and held by an electing  
subdivision other than a county land reutilization corporation  
on or after April 9, 2009, for the public purpose of  
implementing an effective land reutilization program or for a  
related public purpose, and that is not exempt from taxation  
under Chapter 5722. of the Revised Code, shall be exempt from  
taxation until sold or transferred by the electing subdivision.  
Notwithstanding section 5715.27 of the Revised Code, an electing  
subdivision is not required to apply to any county or state  
agency in order to qualify for an exemption with respect to  
property acquired or held for such purposes on or after such  
date, regardless of how the electing subdivision acquires the

property. 27407

As used in this section, "electing subdivision" and "land 27408  
reutilization program" have the same meanings as in section 27409  
5722.01 of the Revised Code, and "county land reutilization 27410  
corporation" means a county land reutilization corporation 27411  
organized under Chapter 1724. of the Revised Code and any 27412

corporation that is identified as "a wholly owned subsidiary of 27414  
a county land reutilization corporation" in the deed of 27415  
conveyance transferring title to the subsidiary. 27416

In lieu of the application for exemption otherwise 27417  
required to be filed as required under section 5715.27 of the 27418  
Revised Code, a county land reutilization corporation holding 27419  
the property shall, upon the request of any county or state 27420  
agency, submit its articles of incorporation substantiating its 27421  
status as a county land reutilization corporation. 27422

(G) Real property that is owned by an organization 27423  
described under section 501(c) (3) of the Internal Revenue Code 27424  
and exempt from federal income taxation under section 501(a) of 27425  
the Internal Revenue Code and that is used by that organization 27426  
exclusively for receiving, processing, or distributing human 27427  
blood, tissues, eyes, or organs or for research and development 27428  
thereof shall be exempt from taxation. 27429

(H) Real property that is owned by an organization 27430  
described under section 501(c) (3) of the Internal Revenue Code 27431  
and exempt from federal income taxation under section 501(a) of 27432  
the Internal Revenue Code and that received a loan from the 27433  
federal small business administration as a participating 27434  
intermediary in the federal microloan program under 15 U.S.C. 27435  
636(m) shall be exempt from taxation if the property is used by 27436

that organization primarily for small business lending, economic 27437  
development, job training, entrepreneur education, or associated 27438  
administrative purposes as such a participating intermediary. 27439

**Sec. 5709.211.** (A) Before issuing an exempt facility 27440  
certificate pursuant to section 5709.21 of the Revised Code, the 27441  
tax commissioner shall provide a copy of a properly completed 27442  
application to, and obtain the opinion of, one of the following 27443  
persons: 27444

(1) The director of environmental protection in the case 27445  
of an exempt facility described in division (B) or (F) of 27446  
section 5709.20 of the Revised Code or, when applicable, 27447  
division (L) of that section; 27448

(2) The director of natural resources in the case of an 27449  
exempt facility described in division (L) of section 5709.20 of 27450  
the Revised Code, when applicable; 27451

(3) The director of housing and development in the case of 27452  
an application for an exempt facility described in division (D), 27453  
(I), or (K) of section 5709.20 of the Revised Code. 27454

The opinion shall provide the commissioner with a 27455  
recommendation of whether the property is primarily designed, 27456  
constructed, installed, and used as an exempt facility. The 27457  
applicant shall provide additional information upon request by 27458  
the tax commissioner, the director of environmental protection, 27459  
the director of natural resources, or the director of housing 27460  
and development, and allow them to inspect the property listed 27461  
in the application for the purposes of sections 5709.20 to 27462  
5709.27 of the Revised Code. The tax commissioner shall provide 27463  
to the applicant a copy of the opinion issued by the director of 27464  
environmental protection, director of natural resources, or 27465

director of the department of housing and development, as 27466  
applicable. 27467

(B) The opinions of the director of the environmental 27468  
protection agency, the director of natural resources, and the 27469  
director of housing and development under division (A) of this 27470  
section or division (C) (4) of section 5709.22 of the Revised 27471  
Code are not final actions or orders subject to appeal. 27472

**Sec. 5709.212.** (A) With every application for an exempt 27473  
facility certificate filed pursuant to section 5709.21 of the 27474  
Revised Code, the applicant shall pay a fee equal to one-half of 27475  
one per cent of the total exempt facility project cost, not to 27476  
exceed two thousand dollars. If the director of environmental 27477  
protection is required to provide the opinion for an 27478  
application, the fee shall be credited to the non-Title V clean 27479  
air fund created in section 3704.035 of the Revised Code for use 27480  
in administering section 5709.211 of the Revised Code, unless 27481  
the application is for an industrial water pollution control 27482  
facility. In such a case, the fee shall be credited to the 27483  
surface water protection fund created in section 6111.038 of the 27484  
Revised Code for use in administering section 5709.211 of the 27485  
Revised Code. If the director of housing and development or 27486  
director of natural resources is required to provide the opinion 27487  
for an application, the fee for each exempt facility application 27488  
shall be credited to the exempt facility inspection fund, which 27489  
is hereby created in the state treasury, for appropriation to 27490  
the department of housing and development ~~services agency or~~ 27491  
department of natural resources, as applicable, for use in 27492  
administering section 5709.211 of the Revised Code. 27493

An applicant is not entitled to any tax exemption under 27494  
section 5709.25 of the Revised Code until the fee required by 27495

this section is paid. The fee required by this section is not 27496  
refundable, and is due with the application for an exempt 27497  
facility certificate even if an exempt facility certificate 27498  
ultimately is not issued or is withdrawn. Any application 27499  
submitted without payment of the fee shall be deemed incomplete 27500  
until the fee is paid. 27501

(B) The application fee imposed under division (A) of this 27502  
section for a jointly owned facility shall be equal to one-half 27503  
of one per cent of the total exempt facility project cost, not 27504  
to exceed two thousand dollars for each facility that is the 27505  
subject of the application. 27506

**Sec. 5709.22.** (A) After receiving an opinion from the 27507  
director of environmental protection, the director of natural 27508  
resources, or the director of housing and development, the tax 27509  
commissioner shall promptly ascertain if an application filed 27510  
under section 5709.21 of the Revised Code shall be allowed or 27511  
disallowed in whole or in part. The commissioner shall give 27512  
written notice of the proposed finding to the applicant and the 27513  
county auditor of the county in which the facility described in 27514  
the application is located. Within sixty days after sending 27515  
written notice of the proposed finding, the applicant or the 27516  
county auditor may file a request for reconsideration, in 27517  
writing, to the commissioner and may request that the 27518  
commissioner conduct a hearing on the application. If no request 27519  
for reconsideration is filed, the commissioner's proposed 27520  
findings shall be final and, if applicable, the commissioner 27521  
shall issue an exempt facility certificate, which shall not be 27522  
subject to appeal pursuant to section 5717.02 of the Revised 27523  
Code. 27524

(B) If a reconsideration of the tax commissioner's 27525

proposed finding is requested by the applicant or the county auditor, the commissioner shall notify the applicant and the auditor of the time and place of the hearing, which the commissioner may continue from time to time as the commissioner finds necessary. The commissioner also shall notify the environmental protection agency, department of natural resources, or department of housing and development, as applicable, of the hearing. The environmental protection agency, department of natural resources, or department of housing and development shall participate in the hearing if requested in writing by the commissioner, the applicant, or the county auditor. After conducting the hearing, the commissioner shall issue a final determination, with a copy of it served on the applicant and applicable county auditors in the manner prescribed by section 5703.37 of the Revised Code. The final determination is subject to appeal pursuant to section 5717.02 of the Revised Code. Once all appeals are exhausted, the commissioner shall issue, if applicable, the exempt facility certificate based on the outcome of the appeal.

(C) The tax commissioner, on the commissioner's own initiative or on complaint by the county auditor of any county in which property to which the exempt facility certificate relates is located, shall revoke the certificate, or modify it by restricting its operation, if it appears to the commissioner that any of the following has occurred:

(1) The certificate was obtained by fraud or misrepresentation;

(2) The holder of the certificate has failed substantially to proceed with the construction, reconstruction, installation, or acquisition of an exempt facility;

director of environmental protection, the director of natural	27562
resources, or the director of <u>housing and</u> development that a	27563
certificate should not have been issued;	27564
(c) When the tax commissioner determines that the issuance	27565
of the certificate may have been improper as the result of a	27566
final adjudication by the board of tax appeals, or by a court	27567
with jurisdiction on appeal from that board, that is adverse to	27568
the original exempt status of the facility, regardless of	27569
whether the holder of the certificate was a party to such	27570
adjudication.	27571
(D) If the revocation or modification of a certificate	27572
under division (C) (4) of this section is an action found to be	27573
frivolous for the purposes of section 5703.54 of the Revised	27574
Code the certificate holder may claim damages as provided under	27575
division (B) of that section.	27576
(E) Upon service of notice to the holder of an exempt	27577
facility certificate, in the manner provided in section 5703.37	27578
of the Revised Code, of the tax commissioner's revocation or	27579
modification of the certificate under division (C) of this	27580
section, the certificate shall cease to be in force or shall	27581
remain in force only as modified, as the case may require. The	27582
notice is subject to appeal under section 5717.02 of the Revised	27583
Code. Once all appeals are exhausted, the commissioner shall	27584

issue a modified certificate, if applicable, and the holder of 27585  
the certificate shall be allowed to claim a refund within one 27586  
hundred eighty days, notwithstanding any other time limitation 27587  
provided by law of the taxes paid as a result of the certificate 27588  
being revoked or modified. 27589

used or to be used for residential purposes may be declared a 27678  
public purpose under this division only if the parcel is located 27679  
in a blighted area of an impacted city. For this purpose, 27680  
"parcel that is used or to be used for residential purposes" 27681  
means a parcel that, as improved, is used or to be used for 27682  
purposes that would cause the tax commissioner to classify the 27683  
parcel as residential property in accordance with rules adopted 27684  
by the commissioner under section 5713.041 of the Revised Code. 27685  
Except as otherwise provided under division (D) of this section 27686  
or section 5709.51 of the Revised Code, not more than seventy- 27687  
five per cent of an improvement thus declared to be a public 27688  
purpose may be exempted from real property taxation for a period 27689  
of not more than ten years. The ordinance shall specify the 27690  
percentage of the improvement to be exempted from taxation and 27691  
the life of the exemption. 27692

An ordinance adopted or amended under this division shall 27693  
designate the specific public infrastructure improvements made, 27694  
to be made, or in the process of being made by the municipal 27695  
corporation that directly benefit, or that once made will 27696  
directly benefit, the parcels for which improvements are 27697  
declared to be a public purpose. The service payments provided 27698  
for in section 5709.42 of the Revised Code shall be used to 27699  
finance the public infrastructure improvements designated in the 27700  
ordinance, for the purpose described in division (D)(1) of this 27701  
section or as provided in section 5709.43 of the Revised Code. 27702

(C) (1) The legislative authority of a municipal corporation may adopt an ordinance creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (C) (2) of this section, exempt from taxation as provided in this section, but no legislative authority of a municipal corporation that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt an ordinance that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the municipal corporation that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the municipal corporation for the preceding tax year. The ordinance shall delineate the boundary of the proposed district and specifically identify each parcel within the district. A proposed district may not include any parcel, other than a nonperforming parcel, that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. On and after the effective date of the district, a nonperforming parcel within the district is no longer exempted from taxation under division (B) of this section or included within an incentive district under any previous ordinance, and the parcel's owner is no longer required to make payments in lieu of taxes under such a previous ordinance in accordance with section 5709.42 of the Revised Code. Any exemption application filed with the tax commissioner under section 5715.27 of the Revised Code under the second ordinance shall identify the nonperforming parcels included in the second

district, the original ordinance under which the nonperforming 27735  
parcels were originally exempted, and the value history of each 27736  
nonperforming parcel since the enactment of the original 27737  
ordinance. An ordinance may create more than one such district, 27738  
and more than one ordinance may be adopted under division (C) (1) 27739  
of this section. 27740

(2) (a) Not later than thirty days prior to adopting an 27741  
ordinance under division (C) (1) of this section, if the 27742  
municipal corporation intends to apply for exemptions from 27743  
taxation under section 5709.911 of the Revised Code on behalf of 27744  
owners of real property located within the proposed incentive 27745  
district, the legislative authority of the municipal corporation 27746  
shall conduct a public hearing on the proposed ordinance. Not 27747  
later than thirty days prior to the public hearing, the 27748  
legislative authority shall give notice of the public hearing 27749  
and the proposed ordinance by first class mail to every real 27750  
property owner whose property is located within the boundaries 27751  
of the proposed incentive district that is the subject of the 27752  
proposed ordinance. The notice shall include a map of the 27753  
proposed incentive district on which the legislative authority 27754  
of the municipal corporation shall have delineated an overlay. 27755  
The notice shall inform the property owner of the owner's right 27756  
to exclude the owner's property from the incentive district if 27757  
the owner's entire parcel of property will not be located within 27758  
the overlay, by submitting a written response in accordance with 27759  
division (C) (2) (b) of this section. The notice also shall 27760  
include information detailing the required contents of the 27761  
response, the address to which the response may be mailed, and 27762  
the deadline for submitting the response. 27763

(b) Any owner of real property located within the 27764  
boundaries of an incentive district proposed under division (C) 27765

(1) of this section whose entire parcel of property is not 27766  
located within the overlay may exclude the property from the 27767  
proposed incentive district by submitting a written response to 27768  
the legislative authority of the municipal corporation not later 27769  
than forty-five days after the postmark date on the notice 27770  
required under division (C) (2) (a) of this section. The response 27771  
shall be sent by first class mail or delivered in person at a 27772  
public hearing held by the legislative authority under division 27773  
(C) (2) (a) of this section. The response shall conform to any 27774  
content requirements that may be established by the municipal 27775  
corporation and included in the notice provided under division 27776  
(C) (2) (a) of this section. In the response, property owners may 27777  
identify a parcel by street address, by the manner in which it 27778  
is identified in the ordinance, or by other means allowing the 27779  
identity of the parcel to be ascertained. 27780

(c) Before adopting an ordinance under division (C) (1) of 27781  
this section, the legislative authority of a municipal 27782  
corporation shall amend the ordinance to exclude any parcel 27783  
located wholly or partly outside the overlay for which a written 27784  
response has been submitted under division (C) (2) (b) of this 27785  
section. A municipal corporation shall not apply for exemptions 27786  
from taxation under section 5709.911 of the Revised Code for any 27787  
such parcel, and service payments may not be required from the 27788  
owner of the parcel. Improvements to a parcel excluded from an 27789  
incentive district under this division may be exempted from 27790  
taxation under division (B) of this section pursuant to an 27791  
ordinance adopted under that division or under any other section 27792  
of the Revised Code under which the parcel qualifies. 27793

(3) (a) An ordinance adopted under division (C) (1) of this 27794  
section shall specify the life of the incentive district and the 27795  
percentage of the improvements to be exempted, shall designate 27796

the public infrastructure improvements made, to be made, or in 27797  
the process of being made, that benefit or serve, or, once made, 27798  
will benefit or serve parcels in the district. The ordinance 27799  
also shall identify one or more specific projects being, or to 27800  
be, undertaken in the district that place additional demand on 27801  
the public infrastructure improvements designated in the 27802  
ordinance. The project identified may, but need not be, the 27803  
project under division (C) (3) (b) of this section that places 27804  
real property in use for commercial or industrial purposes. 27805  
Except as otherwise permitted under that division, the service 27806  
payments provided for in section 5709.42 of the Revised Code 27807  
shall be used to finance the designated public infrastructure 27808  
improvements, for the purpose described in division (D) (1), (E), 27809  
or (F) of this section, or as provided in section 5709.43 of the 27810  
Revised Code. 27811

An ordinance adopted under division (C) (1) of this section 27812  
on or after March 30, 2006, shall not designate police or fire 27813  
equipment as public infrastructure improvements, and no service 27814  
payment provided for in section 5709.42 of the Revised Code and 27815  
received by the municipal corporation under the ordinance shall 27816  
be used for police or fire equipment. 27817

(b) An ordinance adopted under division (C) (1) of this 27818  
section may authorize the use of service payments provided for 27819  
in section 5709.42 of the Revised Code for the purpose of 27820  
housing renovations within the incentive district, provided that 27821  
the ordinance also designates public infrastructure improvements 27822  
that benefit or serve the district, and that a project within 27823  
the district places real property in use for commercial or 27824  
industrial purposes. Service payments may be used to finance or 27825  
support loans, deferred loans, and grants to persons for the 27826  
purpose of housing renovations within the district. The 27827

ordinance shall designate the parcels within the district that  
are eligible for housing renovation. The ordinance shall state  
separately the amounts or the percentages of the expected  
aggregate service payments that are designated for each public  
infrastructure improvement and for the general purpose of  
housing renovations.

(4) Except with the approval of the board of education of  
each city, local, or exempted village school district within the  
territory of which the incentive district is or will be located,  
and subject to division (E) of this section, the life of an  
incentive district shall not exceed ten years, and the  
percentage of improvements to be exempted shall not exceed  
seventy-five per cent. With approval of the board of education,  
the life of a district may be not more than thirty years, and  
the percentage of improvements to be exempted may be not more  
than one hundred per cent. The approval of a board of education  
shall be obtained in the manner provided in division (D) of this  
section.

(D) (1) If the ordinance declaring improvements to a parcel  
to be a public purpose or creating an incentive district  
specifies that payments in lieu of taxes provided for in section  
5709.42 of the Revised Code shall be paid to the city, local, or  
exempted village, and joint vocational school district in which  
the parcel or incentive district is located in the amount of the  
taxes that would have been payable to the school district if the  
improvements had not been exempted from taxation, the percentage  
of the improvement that may be exempted from taxation may exceed  
seventy-five per cent, and the exemption may be granted for up  
to thirty years, without the approval of the board of education  
as otherwise required under division (D) (2) of this section.

(2) Improvements with respect to a parcel may be exempted 27858  
from taxation under division (B) of this section, and 27859  
improvements to parcels within an incentive district may be 27860  
exempted from taxation under division (C) of this section, for 27861  
up to ten years or, with the approval under this paragraph of 27862  
the board of education of the city, local, or exempted village 27863  
school district within which the parcel or district is located, 27864  
for up to thirty years. The percentage of the improvement 27865  
exempted from taxation may, with such approval, exceed seventy- 27866  
five per cent, but shall not exceed one hundred per cent. Not 27867  
later than forty-five business days prior to adopting an 27868  
ordinance under this section declaring improvements to be a 27869  
public purpose that is subject to approval by a board of 27870  
education under this division, the legislative authority shall 27871  
deliver to the board of education a notice stating its intent to 27872  
adopt an ordinance making that declaration. The notice regarding 27873  
improvements with respect to a parcel under division (B) of this 27874  
section shall identify the parcels for which improvements are to 27875  
be exempted from taxation, provide an estimate of the true value 27876  
in money of the improvements, specify the period for which the 27877  
improvements would be exempted from taxation and the percentage 27878  
of the improvement that would be exempted, and indicate the date 27879  
on which the legislative authority intends to adopt the 27880  
ordinance. The notice regarding improvements to parcels within 27881  
an incentive district under division (C) of this section shall 27882  
delineate the boundaries of the district, specifically identify 27883  
each parcel within the district, identify each anticipated 27884  
improvement in the district, provide an estimate of the true 27885  
value in money of each such improvement, specify the life of the 27886  
district and the percentage of improvements that would be 27887  
exempted, and indicate the date on which the legislative 27888  
authority intends to adopt the ordinance. The board of 27889

education, by resolution adopted by a majority of the board, may 27890  
approve the exemption for the period or for the exemption 27891  
percentage specified in the notice; may disapprove the exemption 27892  
for the number of years in excess of ten, may disapprove the 27893  
exemption for the percentage of the improvement to be exempted 27894  
in excess of seventy-five per cent, or both; or may approve the 27895  
exemption on the condition that the legislative authority and 27896  
the board negotiate an agreement providing for compensation to 27897  
the school district equal in value to a percentage of the amount 27898  
of taxes exempted in the eleventh and subsequent years of the 27899  
exemption period or, in the case of exemption percentages in 27900  
excess of seventy-five per cent, compensation equal in value to 27901  
a percentage of the taxes that would be payable on the portion 27902  
of the improvement in excess of seventy-five per cent were that 27903  
portion to be subject to taxation, or other mutually agreeable 27904  
compensation. If an agreement is negotiated between the 27905  
legislative authority and the board to compensate the school 27906  
district for all or part of the taxes exempted, including 27907  
agreements for payments in lieu of taxes under section 5709.42 27908  
of the Revised Code, the legislative authority shall compensate 27909  
the joint vocational school district within which the parcel or 27910  
district is located at the same rate and under the same terms 27911  
received by the city, local, or exempted village school 27912  
district. 27913

(3) The board of education shall certify its resolution to 27914  
the legislative authority not later than fourteen days prior to 27915  
the date the legislative authority intends to adopt the 27916  
ordinance as indicated in the notice. If the board of education 27917  
and the legislative authority negotiate a mutually acceptable 27918  
compensation agreement, the ordinance may declare the 27919  
improvements a public purpose for the number of years specified 27920

in the ordinance or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. In either case, if the board and the legislative authority fail to negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board fails to certify a resolution to the legislative authority within the time prescribed by this division, the legislative authority thereupon may adopt the ordinance and may declare the improvements a public purpose for up to thirty years, or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. The legislative authority may adopt the ordinance at any time after the board of education certifies its resolution approving the exemption to the legislative authority, or, if the board approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board and the legislative authority.

(4) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of exemptions by the board is not required under division (D) of this section. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under division (D) of this section fewer than forty-five business days prior to the legislative authority's adoption of the ordinance, the legislative authority shall deliver the notice to the board not later than the number of days prior to

such adoption as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(5) If the legislative authority is not required by division (D) of this section to notify the board of education of the legislative authority's intent to declare improvements to be a public purpose, the legislative authority shall comply with the notice requirements imposed under section 5709.83 of the Revised Code, unless the board has adopted a resolution under that section waiving its right to receive such a notice.

(6) Nothing in division (D) of this section prohibits the legislative authority of a municipal corporation from amending the ordinance or resolution under section 5709.51 of the Revised Code to extend the term of the exemption.

(E) (1) If a proposed ordinance under division (C) (1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the ordinance the legislative authority of the municipal corporation shall deliver to the board of county commissioners of the county within which the incentive district will be located a notice that states its intent to adopt an ordinance creating an incentive district. The notice shall include a copy of the proposed ordinance, identify the parcels for which improvements are to be exempted from taxation, provide

an estimate of the true value in money of the improvements, 27982  
specify the period of time for which the improvements would be 27983  
exempted from taxation, specify the percentage of the 27984  
improvements that would be exempted from taxation, and indicate 27985  
the date on which the legislative authority intends to adopt the 27986  
ordinance. 27987

(2) The board of county commissioners, by resolution 27988  
adopted by a majority of the board, may object to the exemption 27989  
for the number of years in excess of ten, may object to the 27990  
exemption for the percentage of the improvement to be exempted 27991  
in excess of seventy-five per cent, or both. If the board of 27992  
county commissioners objects, the board may negotiate a mutually 27993  
acceptable compensation agreement with the legislative 27994  
authority. In no case shall the compensation provided to the 27995  
board exceed the property taxes forgone due to the exemption. If 27996  
the board of county commissioners objects, and the board and 27997  
legislative authority fail to negotiate a mutually acceptable 27998  
compensation agreement, the ordinance adopted under division (C) 27999  
(1) of this section shall provide to the board compensation in 28000  
the eleventh and subsequent years of the exemption period equal 28001  
in value to not more than fifty per cent of the taxes that would 28002  
be payable to the county or, if the board's objection includes 28003  
an objection to an exemption percentage in excess of seventy- 28004  
five per cent, compensation equal in value to not more than 28005  
fifty per cent of the taxes that would be payable to the county, 28006  
on the portion of the improvement in excess of seventy-five per 28007  
cent, were that portion to be subject to taxation. The board of 28008  
county commissioners shall certify its resolution to the 28009  
legislative authority not later than thirty days after receipt 28010  
of the notice. 28011

(3) If the board of county commissioners does not object 28012

or fails to certify its resolution objecting to an exemption 28013  
within thirty days after receipt of the notice, the legislative 28014  
authority may adopt the ordinance, and no compensation shall be 28015  
provided to the board of county commissioners. If the board 28016  
timely certifies its resolution objecting to the ordinance, the 28017  
legislative authority may adopt the ordinance at any time after 28018  
a mutually acceptable compensation agreement is agreed to by the 28019  
board and the legislative authority, or, if no compensation 28020  
agreement is negotiated, at any time after the legislative 28021  
authority agrees in the proposed ordinance to provide 28022  
compensation to the board of fifty per cent of the taxes that 28023  
would be payable to the county in the eleventh and subsequent 28024  
years of the exemption period or on the portion of the 28025  
improvement in excess of seventy-five per cent, were that 28026  
portion to be subject to taxation. 28027

(F) Service payments in lieu of taxes that are 28028  
attributable to any amount by which the effective tax rate of 28029  
either a renewal levy with an increase or a replacement levy 28030  
exceeds the effective tax rate of the levy renewed or replaced, 28031  
or that are attributable to an additional levy, for a levy 28032  
authorized by the voters for any of the following purposes on or 28033  
after January 1, 2006, and which are provided pursuant to an 28034  
ordinance creating an incentive district under division (C) (1) 28035  
of this section that is adopted on or after January 1, 2006, or 28036  
a later date as specified in this division, shall be distributed 28037  
to the appropriate taxing authority as required under division 28038  
(C) of section 5709.42 of the Revised Code in an amount equal to 28039  
the amount of taxes from that additional levy or from the 28040  
increase in the effective tax rate of such renewal or 28041  
replacement levy that would have been payable to that taxing 28042  
authority from the following levies were it not for the 28043

exemption authorized under division (C) of this section:	28044
(1) A tax levied under division (L) of section 5705.19 or	28045
section 5705.191 or 5705.222 of the Revised Code for community	28046
developmental disabilities programs and services pursuant to	28047

for county hospitals;	28053
(4) A tax levied by a joint-county district or by a county	28054
under section 5705.19, 5705.191, or 5705.221 of the Revised Code	28055
for alcohol, drug addiction, and mental health services or	28056
facilities;	28057
(5) A tax levied under section 5705.23 of the Revised Code	28058
for library purposes;	28059
(6) A tax levied under section 5705.24 of the Revised Code	28060
for the support of children services and the placement and care	28061
of children;	28062
(7) A tax levied under division (Z) of section 5705.19 of	28063
the Revised Code for the provision and maintenance of zoological	28064
park services and facilities under section 307.76 of the Revised	28065
Code;	28066
(8) A tax levied under section 511.27 or division (H) of	28067
section 5705.19 of the Revised Code for the support of township	28068
park districts;	28069
(9) A tax levied under division (A), (F), or (H) of	28070
section 5705.19 of the Revised Code for parks and recreational	28071

division (B) of section 755.14 of the Revised Code; 28073

(10) A tax levied under section 1545.20 or 1545.21 of the 28074  
Revised Code for park district purposes; 28075

Code for the purpose of making appropriations for public 28077

welfare; public health and hospitalization; and support of 28079  
general hospitals; 28080

(12) A tax levied under section 3709.29 of the Revised 28081  
Code for a general health district program. 28082

(13) A tax levied by a township under section 505.39, 28083  
division (I) of section 5705.19, or division (JJ) of section 28084  
5705.19 of the Revised Code to the extent the proceeds are used 28085  
for the purposes described in division (I) of that section, for 28086  
the purpose of funding fire, emergency medical, and ambulance 28087  
services as described in that section and those divisions. 28088  
Division (F) (13) of this section applies only if the township 28089  
levying the tax provides fire, emergency medical, or ambulance 28090  
services in the incentive district, and only to incentive 28091  
districts created by an ordinance adopted on or after the 28092  
effective date of the amendment of this section by H.B. 69 of 28093  
the 132nd general assembly, March 23, 2018. The board of 28094  
township trustees may, by resolution, waive the application of 28095  
this division or negotiate with the municipal corporation that 28096  
created the district for a lesser amount of payments in lieu of 28097  
taxes. 28098

(G) An exemption from taxation granted under this section 28099  
commences with the tax year specified in the ordinance so long 28100

as the year specified in the ordinance commences after the 28101  
effective date of the ordinance. If the ordinance specifies a 28102  
year commencing before the effective date of the resolution or 28103  
specifies no year whatsoever, the exemption commences with the 28104  
tax year in which an exempted improvement first appears on the 28105  
tax list and duplicate of real and public utility property and 28106  
that commences after the effective date of the ordinance. In 28107  
lieu of stating a specific year, the ordinance may provide that 28108  
the exemption commences in the tax year in which the value of an 28109  
improvement exceeds a specified amount or in which the 28110  
construction of one or more improvements is completed, provided 28111  
that such tax year commences after the effective date of the 28112  
ordinance. With respect to the exemption of improvements to 28113  
parcels under division (B) of this section, the ordinance may 28114  
allow for the exemption to commence in different tax years on a 28115  
parcel-by-parcel basis, with a separate exemption term specified 28116  
for each parcel. 28117

Except as otherwise provided in this division or section 28118  
5709.51 of the Revised Code, the exemption ends on the date 28119  
specified in the ordinance as the date the improvement ceases to 28120  
be a public purpose or the incentive district expires, or ends 28121  
on the date on which the public infrastructure improvements and 28122  
housing renovations are paid in full from the municipal public 28123  
improvement tax increment equivalent fund established under 28124  
division (A) of section 5709.43 of the Revised Code, whichever 28125  
occurs first. The exemption of an improvement with respect to a 28126  
parcel or within an incentive district may end on a later date, 28127  
as specified in the ordinance, if the legislative authority and 28128  
the board of education of the city, local, or exempted village 28129  
school district within which the parcel or district is located 28130  
have entered into a compensation agreement under section 5709.82 28131

of the Revised Code with respect to the improvement, and the board of education has approved the term of the exemption under division (D)(2) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. Exemptions shall be claimed and allowed in the same manner as in the case of other real property exemptions. If an exemption status changes during a year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) Additional municipal financing of public infrastructure improvements and housing renovations may be provided by any methods that the municipal corporation may otherwise use for financing such improvements or renovations. If the municipal corporation issues bonds or notes to finance the public infrastructure improvements and housing renovations and pledges money from the municipal public improvement tax increment equivalent fund to pay the interest on and principal of the bonds or notes, the bonds or notes are not subject to Chapter 133. of the Revised Code.

(I) The municipal corporation, not later than fifteen days after the adoption of an ordinance under this section, shall submit to the director of housing and development a copy of the ordinance. On or before the thirty-first day of March of each year, the municipal corporation shall submit a status report to the director. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that an exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the funds created under section 5709.43 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed

with such expenditures; and a quantitative summary of changes in employment and private investment resulting from each project. 28163  
28164

(J) Nothing in this section shall be construed to prohibit a legislative authority from declaring to be a public purpose improvements with respect to more than one parcel. 28165  
28166  
28167

(K) If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L) (2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section. 28168  
28169  
28170  
28171  
28172  
28173

(L) (1) Notwithstanding the limitations on the life of an incentive district and the number of years that improvements to a parcel or parcels within an incentive district may be exempted from taxation prescribed by divisions (C) and (D) of this section, the legislative authority of a municipal corporation may amend an ordinance originally adopted under division (C) of this section before January 1, 2006, to extend the life of an incentive district created by that ordinance. The extension shall be for a period not to exceed fifteen years and shall not increase the percentage of the value of improvements exempted from taxation. 28174  
28175  
28176  
28177  
28178  
28179  
28180  
28181  
28182  
28183  
28184

(2) Before adopting an amendment authorized by division (L) (1) of this section, the legislative authority of the municipal corporation shall provide notice of the amendment to each board of education of the city, local, or exempted village school district in which the incentive district is located, in the same manner as provided under division (D) of this section, and shall obtain the approval of each such board in the manner required under that division, except both of the following 28185  
28186  
28187  
28188  
28189  
28190  
28191  
28192

apply: 28193

(a) The board of education may approve the exemption on 28194  
the condition that the legislative authority and the board 28195  
negotiate an agreement providing for mutually agreeable 28196  
compensation to the school district. 28197

(b) If the board of education fails to certify a 28198  
resolution approving the amendment to the legislative authority 28199  
within the time prescribed by division (D) of this section, the 28200  
legislative authority shall not adopt the amendment authorized 28201  
under division (L) of this section. 28202

(3) No approval otherwise required by division (L) (2) of 28203  
this section shall be required from a board of education if 28204  
either of the following apply: 28205

(a) The amendment provides for compensation to the city, 28206  
local, or exempted village school district in which the 28207  
incentive district is located equal in value to the amount of 28208  
taxes that would be payable to the school district if the 28209  
improvements exempted from taxation had not been exempted for 28210  
the additional period. 28211

(b) The board of education has adopted a resolution 28212  
waiving its right to approve exemptions from taxation pursuant 28213  
to division (D) (4) of this section. If the board has adopted 28214  
such a resolution, the municipal corporation shall comply with 28215  
the notice requirements imposed by section 5709.83 of the 28216  
Revised Code before taking formal action to adopt an amendment 28217  
authorized under division (L) (1) of this section unless the 28218  
board has adopted a resolution under that section waiving its 28219  
right to receive that notice. 28220

(4) Not later than fourteen days before adopting an 28221

amendment authorized by division (L)(1) of this section, the 28222  
legislative authority of the municipal corporation shall deliver 28223  
a notice identical to a notice required under section 5709.83 of 28224  
the Revised Code to the board of county commissioners of each 28225  
county in which the incentive district is located. 28226

**Sec. 5709.41.** (A) As used in this section: 28227

(1) "Business day" means a day of the week excluding 28228  
Saturday, Sunday, and a legal holiday as defined under section 28229  
1.14 of the Revised Code. 28230

(2) "Improvement" means the increase in assessed value of 28231  
any parcel of property subsequent to the acquisition of the 28232  
parcel by a municipal corporation engaged in urban redevelopment 28233  
or by a township engaged in redevelopment. 28234

(B) The legislative authority of a municipal corporation 28235  
or township, by ordinance or resolution, may declare to be a 28236  
public purpose any improvement to a parcel of real property if 28237  
both of the following apply: 28238

(1) The municipal corporation or township held fee title 28239  
to the parcel prior to the adoption of the ordinance or 28240  
resolution; 28241

(2) The parcel is leased, or the fee of the parcel is 28242  
conveyed, to any person either before or after adoption of the 28243  
ordinance or resolution. 28244

Improvements used or to be used for residential purposes 28245  
may be declared a public purpose under this section only if the 28246  
parcel is located in a blighted area of an impacted city, in the 28247  
case of a municipal corporation, or in a blighted area, in the 28248  
case of a township, as those terms are defined in section 28249  
1728.01 of the Revised Code. For this purpose, "parcel that is 28250

used or to be used for residential purposes" means a parcel 28251  
that, as improved, is used or to be used for purposes that would 28252  
cause the tax commissioner to classify the parcel as residential 28253  
property in accordance with rules adopted by the commissioner 28254  
under section 5713.041 of the Revised Code. 28255

(C) Except as otherwise provided in division (C) (1), (2), 28256  
or (3) of this section, not more than seventy-five per cent of 28257  
an improvement thus declared to be a public purpose may be 28258  
exempted from real property taxation. The ordinance or 28259  
resolution shall specify the percentage of the improvement to be 28260  
exempted from taxation. If a parcel is located in a new 28261  
community district in which the new community authority imposes 28262  
a community development charge on the basis of rentals received 28263  
from leases of real property as described in division (L) (2) of 28264  
section 349.01 of the Revised Code, the parcel may not be 28265  
exempted from taxation under this section. 28266

(1) If the ordinance or resolution declaring improvements 28267  
to a parcel to be a public purpose specifies that payments in 28268  
lieu of taxes provided for in section 5709.42 or 5709.74 of the 28269  
Revised Code shall be paid to the city, local, or exempted 28270  
village school district in which the parcel is located in the 28271  
amount of the taxes that would have been payable to the school 28272  
district if the improvements had not been exempted from 28273  
taxation, the percentage of the improvement that may be exempted 28274  
from taxation may exceed seventy-five per cent, and the 28275  
exemption may be granted for up to thirty years, without the 28276  
approval of the board of education as otherwise required under 28277  
division (C) (2) of this section. 28278

(2) Improvements may be exempted from taxation for up to 28279  
ten years or, with the approval of the board of education of the 28280

city, local, or exempted village school district within the 28281  
territory of which the improvements are or will be located, for 28282  
up to thirty years. The percentage of the improvement exempted 28283  
from taxation may, with such approval, exceed seventy-five per 28284  
cent, but shall not exceed one hundred per cent. Not later than 28285  
forty-five business days prior to adopting an ordinance or 28286  
resolution under this section, the legislative authority shall 28287  
deliver to the board of education a notice stating its intent to 28288  
declare improvements to be a public purpose under this section. 28289  
The notice shall describe the parcel and the improvements, 28290  
provide an estimate of the true value in money of the 28291  
improvements, specify the period for which the improvements 28292  
would be exempted from taxation and the percentage of the 28293  
improvements that would be exempted, and indicate the date on 28294  
which the legislative authority intends to adopt the ordinance 28295  
or resolution. The board of education, by resolution adopted by 28296  
a majority of the board, may approve the exemption for the 28297  
period or for the exemption percentage specified in the notice, 28298  
may disapprove the exemption for the number of years in excess 28299  
of ten, may disapprove the exemption for the percentage of the 28300  
improvements to be exempted in excess of seventy-five per cent, 28301  
or both, or may approve the exemption on the condition that the 28302  
legislative authority and the board negotiate an agreement 28303  
providing for compensation to the school district equal in value 28304  
to a percentage of the amount of taxes exempted in the eleventh 28305  
and subsequent years of the exemption period, or, in the case of 28306  
exemption percentages in excess of seventy-five per cent, 28307  
compensation equal in value to a percentage of the taxes that 28308  
would be payable on the portion of the improvement in excess of 28309  
seventy-five per cent were that portion to be subject to 28310  
taxation. The board of education shall certify its resolution to 28311  
the legislative authority not later than fourteen days prior to 28312

the date the legislative authority intends to adopt the 28313  
ordinance or resolution as indicated in the notice. If the board 28314  
of education approves the exemption on the condition that a 28315  
compensation agreement be negotiated, the board in its 28316  
resolution shall propose a compensation percentage. If the board 28317  
of education and the legislative authority negotiate a mutually 28318  
acceptable compensation agreement, the ordinance or resolution 28319  
may declare the improvements a public purpose for the number of 28320  
years specified in the ordinance or resolution or, in the case 28321  
of exemption percentages in excess of seventy-five per cent, for 28322  
the exemption percentage specified in the ordinance or 28323  
resolution. In either case, if the board and the legislative 28324  
authority fail to negotiate a mutually acceptable compensation 28325  
agreement, the ordinance or resolution may declare the 28326  
improvements a public purpose for not more than ten years, but 28327  
shall not exempt more than seventy-five per cent of the 28328  
improvements from taxation. If the board fails to certify a 28329  
resolution to the legislative authority within the time 28330  
prescribed by this division, the legislative authority thereupon 28331  
may adopt the ordinance or resolution and may declare the 28332  
improvements a public purpose for up to thirty years. The 28333  
legislative authority may adopt the ordinance or resolution at 28334  
any time after the board of education certifies its resolution 28335  
approving the exemption to the legislative authority, or, if the 28336  
board approves the exemption on the condition that a mutually 28337  
acceptable compensation agreement be negotiated, at any time 28338  
after the compensation agreement is agreed to by the board and 28339  
the legislative authority. If a mutually acceptable compensation 28340  
agreement is negotiated between the legislative authority and 28341  
the board, including agreements for payments in lieu of taxes 28342  
under section 5709.42 or 5709.74 of the Revised Code, the 28343  
legislative authority shall compensate the joint vocational 28344

school district within the territory of which the improvements 28345  
are or will be located at the same rate and under the same terms 28346  
received by the city, local, or exempted village school 28347  
district. 28348

(3) If a board of education has adopted a resolution 28349  
waiving its right to approve exemptions from taxation and the 28350  
resolution remains in effect, approval of exemptions by the 28351  
board is not required under this division. If a board of 28352  
education has adopted a resolution allowing a legislative 28353  
authority to deliver the notice required under this division 28354  
fewer than forty-five business days prior to the legislative 28355  
authority's adoption of the ordinance or resolution, the 28356  
legislative authority shall deliver the notice to the board not 28357  
later than the number of days prior to such adoption as 28358  
prescribed by the board in its resolution. If a board of 28359  
education adopts a resolution waiving its right to approve 28360  
exemptions or shortening the notification period, the board 28361  
shall certify a copy of the resolution to the legislative 28362  
authority. If the board of education rescinds such a resolution, 28363  
it shall certify notice of the rescission to the legislative 28364  
authority. 28365

(4) If the legislative authority is not required by 28366  
division (C) (1), (2), or (3) of this section to notify the board 28367  
of education of the legislative authority's intent to declare 28368  
improvements to be a public purpose, the legislative authority 28369  
shall comply with the notice requirements imposed under section 28370  
5709.83 of the Revised Code, unless the board has adopted a 28371  
resolution under that section waiving its right to receive such 28372  
a notice. 28373

(5) Nothing in division (C) of this section prohibits the 28374

legislative authority of a municipal corporation or township 28375  
from amending the ordinance or resolution under section 5709.51 28376  
of the Revised Code to extend the term of the exemption. 28377

(D) An exemption granted under this section commences with 28378  
the tax year specified in the ordinance or resolution so long as 28379  
the year specified in the ordinance or resolution commences 28380  
after the effective date of the ordinance or resolution. If the 28381  
ordinance or resolution specifies a year commencing before the 28382  
effective date of the ordinance or resolution or specifies no 28383  
year, the exemption commences with the tax year in which an 28384  
exempted improvement first appears on the tax list and that 28385  
commences after the effective date of the ordinance or 28386  
resolution. In lieu of stating a specific year, the ordinance or 28387  
resolution may provide that the exemption commences in the tax 28388  
year in which the value of an improvement exceeds a specified 28389  
amount or in which the construction of one or more improvements 28390  
is completed, provided that such tax year commences after the 28391  
effective date of the ordinance or resolution. In lieu of 28392  
stating a specific year, the ordinance or resolution may allow 28393  
for the exemption to commence in different tax years on a 28394  
parcel-by-parcel basis, with a separate exemption term specified 28395  
for each parcel. The exemption ends on the date specified in the 28396  
ordinance or resolution as the date the improvement ceases to be 28397  
a public purpose. The exemption shall be claimed and allowed in 28398  
the same or a similar manner as in the case of other real 28399  
property exemptions. If an exemption status changes during a tax 28400  
year, the procedure for the apportionment of the taxes for that 28401  
year is the same as in the case of other changes in tax 28402  
exemption status during the year. 28403

(E) A municipal corporation or township, not later than 28404  
fifteen days after the adoption of an ordinance or resolution 28405

granting a tax exemption under this section, shall submit to the 28406  
director of housing and development a copy of the ordinance or 28407  
resolution. On or before the thirty-first day of March each 28408  
year, the municipal corporation or township shall submit a 28409  
status report to the director of housing and development 28410  
outlining the progress of the project during each year that the 28411  
exemption remains in effect. 28412

**Sec. 5709.45.** (A) As used in sections 5709.45 to 5709.47 28413  
of the Revised Code: 28414

(1) "Downtown redevelopment district" or "district" means 28415  
an area not more than ten acres enclosed by a continuous 28416

(2) "Historic building" and "rehabilitation" have the same 28419  
meanings as in section 149.311 of the Revised Code. 28420

(3) "Public infrastructure improvement" has the same 28421  
meaning as in section 5709.40 of the Revised Code. 28422

(4) "Improvement" means the increase in the assessed value 28423  
of real property that would first appear on the tax list after 28424  
the effective date of an ordinance adopted under this section 28425  
were it not for the exemption granted by the ordinance. 28426

(5) "Innovation district" means an area located entirely 28427  
within a downtown redevelopment district, enclosed by a 28428  
continuous boundary, and equipped with a high-speed broadband 28429  
network capable of download speeds of at least one hundred 28430  
gigabits per second. 28431

(6) "Qualified business" means a business primarily 28432  
engaged, or primarily organized to engage, in a trade or 28433  
business that involves research and development, technology 28434

transfer, bio-technology, information technology, or the 28435  
application of new technology developed through research and 28436  
development or acquired through technology transfer. 28437

(7) "Information technology" means the branch of 28438  
technology devoted to the study and application of data and the 28439  
processing thereof; the automatic acquisition, storage, 28440

display, switching, interchange, transmission or reception of 28442  
data, and the development or use of hardware, software, 28443  
firmware, and procedures associated with this processing. 28444  
"Information technology" includes matters concerned with the 28445  
furtherance of computer science and technology, design, 28446  
development, installation, and implementation of information 28447  
systems and applications that in turn will be licensed or sold 28448  
to a specific target market. "Information technology" does not 28449  
include the creation of a distribution method for existing 28450  
products and services. 28451

(8) "Research and development" means designing, creating, 28452  
or formulating new or enhanced products, equipment, or 28453  
processes, and conducting scientific or technological inquiry 28454  
and experimentation in the physical sciences with the goal of 28455  
increasing scientific knowledge that may reveal the bases for 28456  
new or enhanced products, equipment, or processes. 28457

(9) "Technology transfer" means the transfer of technology 28458  
from one sector of the economy to another, including the 28459  
transfer of military technology to civilian applications, 28460  
civilian technology to military applications, or technology from 28461  
public or private research laboratories to military or civilian 28462  
applications. 28463

(B) For the purposes of promoting rehabilitation of 28464

historic buildings, creating jobs, and encouraging economic 28465  
development in commercial and mixed-use commercial and 28466  
residential areas, and for the purpose of funding transportation 28467  
improvements that will benefit such areas, the legislative 28468  
authority of a municipal corporation may adopt an ordinance 28469  
creating a downtown redevelopment district and declaring 28470  
improvements to parcels within the district to be a public 28471  
purpose and exempt from taxation. Downtown redevelopment 28472  
districts shall not be created in areas used exclusively for 28473  
residential purposes and shall not be utilized for development 28474  
or redevelopment of residential areas. 28475

The ordinance shall specify all of the following: 28476

(1) The boundary of the district; 28477

(2) The county treasurer's permanent parcel number 28478  
associated with each parcel included in the district; 28479

(3) The parcel or parcels within the district that include 28480  
a historic building that is being or will be rehabilitated; 28481

(4) The proposed life of the district; 28482

(5) An economic development plan for the district that 28483  
includes all of the following: 28484

(a) A statement describing the principal purposes and 28485  
goals to be served by creating the district; 28486

(b) An explanation of how the municipal corporation will 28487  
collaborate with businesses and property owners within the 28488  
district to develop strategies for achieving such purposes and 28489  
goals; 28490

(c) A plan for using the service payments provided for in 28491  
section 5709.46 of the Revised Code to promote economic 28492

development and job creation within the district. 28493

Not more than seventy per cent of improvements to parcels 28494  
within a downtown redevelopment district may be exempted from 28495  
taxation under this section. A district may not include a parcel 28496  
that is exempted from taxation under this section or section 28497  
5709.40 or 5709.41 of the Revised Code on the effective date of 28498  
the ordinance. Except as provided in division (F) of this 28499  
section, the life of a downtown redevelopment district shall not 28500  
exceed ten years. 28501

A municipal corporation may adopt more than one ordinance 28502  
under division (B) of this section. A single such ordinance may 28503  
create more than one downtown redevelopment district. 28504

(C) For the purposes of attracting and facilitating growth 28505  
of qualified businesses and supporting the economic development 28506  
efforts of business incubators and accelerators, the legislative 28507  
authority of a municipal corporation may designate an innovation 28508  
district within a proposed or existing downtown redevelopment 28509  
district. The life of the innovation district shall be identical 28510  
to the downtown redevelopment district in which the innovation 28511  
district is located. In addition to the requirements in division 28512  
(B) of this section, an ordinance creating a downtown 28513  
redemption district that includes an innovation district 28514  
shall specify all of the following: 28515

(1) The boundary of the innovation district; 28516

(2) The permanent parcel number associated with each 28517  
parcel included in the innovation district; 28518

(3) An economic development plan for the innovation 28519  
district that meets the criteria prescribed by division (B) (5) 28520  
of this section. 28521

(D) At least thirty days before adopting an ordinance 28522  
under division (B) of this section, the legislative authority of 28523  
the municipal corporation shall conduct a public hearing on the 28524  
proposed ordinance and the accompanying economic development 28525  
plan. At least thirty days before the public hearing, the 28526  
legislative authority shall give notice of the public hearing 28527  
and the proposed ordinance by first class mail to every real 28528  
property owner whose property is located within the boundaries 28529  
of the proposed district that is the subject of the proposed 28530  
ordinance. 28531

(E) Revenue derived from downtown redevelopment district 28532  
service payments may be used by the municipal corporation for 28533  
any of the following purposes: 28534

(1) To finance or support loans, deferred loans, or grants 28535  
to owners of historic buildings within the downtown 28536  
redevelopment district. Such loans or grants shall be awarded 28537  
upon the condition that the loan or grant amount may be used by 28538  
the owner only to rehabilitate the historic building. A 28539  
municipal corporation that awards a loan or grant under this 28540  
division shall develop a plan for tracking the loan or grant 28541  
recipient's use of the loan or grant and monitoring the progress 28542  
of the recipient's rehabilitation project. 28543

(2) To make contributions to a special improvement 28544  
district for use under section 1710.14 of the Revised Code, to a 28545  
community improvement corporation for use under section 1724.12 28546  
of the Revised Code, or to a nonprofit corporation, as defined 28547  
in section 1702.01 of the Revised Code, the primary purpose of 28548  
which is redeveloping historic buildings and historic districts 28549  
for use by the corporation to rehabilitate a historic building 28550  
within the downtown redevelopment district or to otherwise 28551

promote or enhance the district. Amounts contributed under 28552  
division (E) (2) of this section shall not exceed the property 28553  
tax revenue that would have been generated by twenty per cent of 28554  
the assessed value of the exempted improvements within the 28555  
downtown redevelopment district. 28556

(3) To finance or support loans to owners of one or more 28557  
buildings located within the district that do not qualify as 28558

make repairs and improvements to the building or buildings. A 28561  
municipal corporation that awards a loan under this division 28562  
shall develop a plan for tracking the loan recipient's use of 28563  
the loan and monitoring the progress of the recipient's repairs 28564  
or improvements. 28565

(4) To finance public infrastructure improvements within 28566  
the downtown redevelopment district. If revenue generated by the 28567  
downtown redevelopment district will be used to finance public 28568  
infrastructure improvements, the economic development plan 28569  
described by division (B) (5) of this section shall identify 28570  
specific projects that are being or will be undertaken within 28571  
the district and describe how such infrastructure improvements 28572  
will accommodate additional demands on the existing 28573  
infrastructure within the district. A municipal corporation 28574  
shall not use service payments derived from a downtown 28575  
redevelopment district to repair or replace police or fire 28576  
equipment. 28577

(5) To finance or support loans, deferred loans, or grants 28578  
to qualified businesses or to incubators and accelerators that 28579  
provide services and capital to qualified businesses within an 28580  
innovation district. Such loans or grants shall be awarded upon 28581

the condition that the loan or grant shall be used by the 28582  
recipient to start or develop one or more qualified businesses 28583  
within the innovation district. A municipal corporation that 28584  
awards a loan or grant under this division shall develop a plan 28585  
for tracking the loan or grant recipient's use of the loan or 28586  
grant and monitoring the establishment and growth of the 28587  
qualified business. 28588

(F) Notwithstanding division (B) of this section, 28589  
improvements to parcels located within a downtown redevelopment 28590  
district may be exempted from taxation under this section for up 28591  
to thirty years if either of the following apply: 28592

(1) The ordinance creating the redevelopment district 28593  
specifies that payments in lieu of taxes shall be paid to the 28594  
city, local, or exempted village, and joint vocational school 28595  
district or districts in which the redevelopment district is 28596  
located in the amount of the taxes that would have been payable 28597  
to the school district or districts if the improvements had not 28598  
been exempted from taxation. 28599

(2) The municipal corporation creating the district 28600  
obtains the approval under division (G) of this section of the 28601  
board of education of each city, local, and exempted village 28602  
school district within which the district will be located. 28603

(G) (1) The legislative authority of a municipal 28604  
corporation seeking the approval of a school district for the 28605  
purpose of division (G) (2) of this section shall send notice of 28606  
the proposed ordinance to the school district not later than 28607  
forty-five business days before it intends to adopt the 28608  
ordinance. The notice shall include a copy of the proposed 28609  
ordinance and shall indicate the date on which the legislative 28610  
authority intends to adopt the ordinance. The board of education 28611

of the school district, by resolution adopted by a majority of the board, may do any of the following:

(a) Approve the exemption for the number of years specified in the proposed ordinance;

(b) Disapprove the exemption for the number of years in excess of ten;

(c) Approve the exemption on the condition that the legislative authority and the board negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or other mutually agreeable compensation. If an agreement is negotiated under this division, the legislative authority shall compensate all joint vocational school districts within which the downtown redevelopment district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

(2) The board of education shall certify a resolution adopted under division (G) (1) of this section to the legislative authority of the municipal corporation not later than fourteen days before the date the legislative authority intends to adopt the ordinance as indicated in the notice. If the board of education approves the ordinance or negotiates a mutually acceptable compensation agreement with the legislative authority, the legislative authority may enact the ordinance in its current form. If the board disapproves of the ordinance and fails to negotiate a mutually acceptable compensation agreement with the legislative authority, the legislative authority may exempt improvements to parcels within the downtown redevelopment district for not more than ten years. If the board fails to

certify a resolution to the legislative authority within the 28642  
time prescribed by this division, the legislative authority may 28643  
adopt the ordinance and may exempt improvements to parcels 28644  
within the downtown redevelopment district for the period of 28645  
time specified in the notice delivered to the board of 28646  
education. The legislative authority may adopt the ordinance at 28647  
any time after the board of education certifies its resolution 28648  
approving the exemption to the legislative authority or, if the 28649  
board approves the exemption on the condition that a mutually 28650  
acceptable compensation agreement be negotiated, at any time 28651  
after the compensation agreement is agreed to by the board and 28652  
the legislative authority. 28653

(3) If a board of education has adopted a resolution 28654  
waiving its right to approve exemptions from taxation under this 28655  
section and the resolution remains in effect, approval of 28656  
exemptions by the board is not required under division (G) of 28657  
this section. If a board of education has adopted a resolution 28658  
allowing a legislative authority to deliver the notice required 28659  
under division (G) (1) of this section fewer than forty-five 28660  
business days before the legislative authority's adoption of the 28661  
ordinance, the legislative authority shall deliver the notice to 28662  
the board not later than the number of days before such adoption 28663  
as prescribed by the board in its resolution. If a board of 28664  
education adopts a resolution waiving its right to approve 28665  
agreements or shortening the notification period, the board 28666  
shall certify a copy of the resolution to the legislative 28667  
authority. If the board of education rescinds such a resolution, 28668  
it shall certify notice of the rescission to the legislative 28669  
authority. 28670

(4) If the legislative authority is not required by 28671  
division (G) of this section to notify the board of education of 28672

the legislative authority's intent to create a downtown 28673  
redevelopment district, the legislative authority shall comply 28674  
with the notice requirements imposed under section 5709.83 of 28675  
the Revised Code, unless the board has adopted a resolution 28676  
under that section waiving its right to receive such a notice. 28677

(H) Service payments in lieu of taxes that are 28678  
attributable to any amount by which the effective tax rate of 28679  
either a renewal levy with an increase or a replacement levy 28680  
exceeds the effective tax rate of the levy renewed or replaced, 28681  
or that are attributable to an additional levy, for a levy 28682  
authorized by the voters for any of the following purposes on or 28683  
after January 1, 2006, and which are provided pursuant to an 28684  
ordinance creating a downtown redevelopment district under 28685  
division (B) of this section shall be distributed to the 28686  
appropriate taxing authority as required under division (C) of 28687  
section 5709.46 of the Revised Code in an amount equal to the 28688  
amount of taxes from that additional levy or from the increase 28689  
in the effective tax rate of such renewal or replacement levy 28690  
that would have been payable to that taxing authority from the 28691  
following levies were it not for the exemption authorized under 28692  
division (B) of this section: 28693

(1) A tax levied under division (L) of section 5705.19 or 28694  
section 5705.191 of the Revised Code for community developmental 28695  
disabilities programs and services pursuant to Chapter 5126. of 28696  
the Revised Code; 28697

(2) A tax levied under division (Y) of section 5705.19 of 28698  
the Revised Code for providing or maintaining senior citizens 28699  
services or facilities; 28700

(3) A tax levied under section 5705.22 of the Revised Code 28701  
for county hospitals; 28702

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;	28703 28704 28705 28706

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;	28716 28717 28718
(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;	28719 28720 28721 28722

Code for a general health district program. 28731

(I) An exemption from taxation granted under this section 28732  
commences with the tax year specified in the ordinance so long 28733  
as the year specified in the ordinance commences after the 28734  
effective date of the ordinance. If the ordinance specifies a 28735  
year commencing before the effective date of the ordinance or 28736  
specifies no year whatsoever, the exemption commences with the 28737  
tax year in which an exempted improvement first appears on the 28738  
tax list and that commences after the effective date of the 28739  
ordinance. In lieu of stating a specific year, the ordinance may 28740  
provide that the exemption commences in the tax year in which 28741  
the value of an improvement exceeds a specified amount or in 28742  
which the construction of one or more improvements is completed, 28743  
provided that such tax year commences after the effective date 28744  
of the ordinance. 28745

Except as otherwise provided in this division, the 28746  
exemption ends on the date specified in the ordinance as the 28747  
date the improvement ceases to be a public purpose or the 28748  
downtown redevelopment district expires, whichever occurs first. 28749  
The exemption of an improvement within a downtown redevelopment 28750  
district may end on a later date, as specified in the ordinance, 28751  
if the legislative authority and the board of education of the 28752  
city, local, or exempted village school district within which 28753  
the parcel or district is located have entered into a 28754  
compensation agreement under section 5709.82 of the Revised Code 28755  
with respect to the improvement, and the board of education has 28756  
approved the term of the exemption under division (G) of this 28757  
section, but in no case shall the improvement be exempted from 28758  
taxation for more than thirty years. Exemptions shall be claimed 28759  
and allowed in the same manner as in the case of other real 28760  
property exemptions. If an exemption status changes during a 28761

year, the procedure for the apportionment of the taxes for that 28762  
year is the same as in the case of other changes in tax 28763  
exemption status during the year. 28764

(J) Additional municipal financing of the projects and 28765  
services described in division (E) of this section may be 28766  
provided by any methods that the municipal corporation may 28767  
otherwise use for financing such projects and services. If the 28768  
municipal corporation issues bonds or notes to finance such 28769  
projects and services and pledges money from the municipal 28770  
downtown redevelopment district fund to pay the interest on and 28771  
principal of the bonds or notes, the bonds or notes are not 28772  
subject to Chapter 133. of the Revised Code. 28773

(K) The municipal corporation, not later than fifteen days 28774  
after the adoption of an ordinance under this section, shall 28775  
submit to the director of housing and development ~~services~~ a 28776  
copy of the ordinance. On or before the thirty-first day of 28777  
March of each year, the municipal corporation shall submit a 28778  
status report to the director of housing and development— 28779  
~~services~~. The report shall indicate, in the manner prescribed by 28780  
the director, the progress of the projects and services during 28781  
each year that an exemption remains in effect, including a 28782  
summary of the receipts from service payments in lieu of taxes; 28783  
expenditures of money from the funds created under section 28784  
5709.47 of the Revised Code; a description of the projects and 28785  
services financed with such expenditures; and a quantitative 28786  
summary of changes in employment and private investment 28787  
resulting from each project and service. 28788

(L) Nothing in this section shall be construed to prohibit 28789  
a legislative authority from declaring to be a public purpose 28790  
improvements with respect to more than one parcel. 28791

(M) (1) The owner of real property located in a downtown redevelopment district may enter into an agreement with the municipal corporation that created the district to impose a redevelopment charge on the property to cover all or part of the cost of services, facilities, and improvements provided within the district under division (E) of this section. The agreement shall include the following:

(a) The amount of the redevelopment charge. The redevelopment charge may be a fixed dollar amount or an amount determined on the basis of the assessed valuation of the property or all or part of the profits, gross receipts, or other revenues of a business operating on the property, including rentals received from leases of the property. If the property is leased to one or more tenants, the redevelopment charge may be itemized as part of the lease rate.

(b) The termination date of the redevelopment charge. The redevelopment charge shall not be charged after the expiration or termination of the downtown redevelopment district.

(c) The terms by which the municipal corporation shall collect the redevelopment charge.

(d) The purposes for which the redevelopment charge may be used by the municipal corporation. The redevelopment charge shall be used only for those purposes described by division (E) of this section. The agreement may specify any or all of such purposes.

(2) Redevelopment charges collected by a municipal corporation under division (M) of this section shall be deposited to the municipal downtown redevelopment district fund created under section 5709.47 of the Revised Code.

(3) An agreement by a property owner under division (M) of this section is hereby deemed to be a covenant running with the land. The covenant is fully binding on behalf of and enforceable by the municipal corporation against any person acquiring an interest in the land and all of that person's successors and assigns.

(4) No purchase agreement for real estate or any interest in real estate upon which a redevelopment charge is levied shall be enforceable by the seller or binding upon the purchaser unless the purchase agreement specifically refers to the redevelopment charge. If a conveyance of such real estate or interest in such real estate is made pursuant to a purchase agreement that does not make such reference, the redevelopment charge shall continue to be a covenant running with the land fully binding on behalf of and enforceable by the municipal corporation against the person accepting the conveyance pursuant to the purchase agreement.

(5) If a redevelopment charge is not paid when due, the overdue amount shall be collected according to the terms of the agreement. the percentage of improvements to be exempted shall not exceed 28883  
seventy-five per cent, and the duration of the exemption shall 28884  
not exceed ten years. 28885

(c) In no case may the life of the exemption exceed the 28886  
remaining number of years the cooperative agreement for the 28887

district may be exempted from taxation for up to thirty years, 28897  
and the percentage of improvements that may be exempted may 28898  
equal up to one hundred per cent, if either of the following 28899  
apply: 28900

(1) The governing board, before adopting a resolution 28901  
under division (B) of this section, obtains the approval under 28902  
division (F) of this section of the board of education of each 28903

each city, local, or exempted village, and joint vocational 28908

the improvements had not been exempted from taxation. 28912

(F) (1) A governing board seeking the approval of a school 28913  
district for the purpose of division (E) (1) of this section 28914

after the board of education certifies its resolution approving 28954  
the exemption, or, if the board of education approves the 28955  
exemption on the condition that a mutually acceptable 28956  
compensation agreement be negotiated, at any time after the 28957  
compensation agreement is agreed to by the board of education 28958  
and the governing board. 28959

(3) A board of education may adopt a resolution waiving 28960  
its right to approve or receive notice of transportation 28961  
financing districts proposed under this section. If a board of 28962  
education has adopted such a resolution, the terms of that 28963  
resolution supersede the requirements of division (F) (1) of this 28964  
section. The governing board may negotiate an agreement with a 28965  
board of education providing for some mutually agreeable 28966  
compensation in exchange for the board of education adopting 28967  
such a resolution. If a board of education has adopted such an 28968  
ordinance or resolution, it shall certify a copy to the 28969

governing board. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the governing board.

(4) If the governing board is not required by division (F) of this section to notify the board of education of the governing board's intent to create a transportation financing district, the governing board shall comply with the notice requirements imposed under section 5709.83 of the Revised Code, unless the board of education has adopted a resolution under that section waiving its right to receive such a notice.

(G) The governing board shall notify and obtain the approval of every real property owner whose property is included in the proposed transportation financing district. The approval shall include a signed agreement between the property owner and the governing board that specifies the projects and purposes for which the service payments made by the owner under section 5709.49 of the Revised Code will be used. Such an agreement does not supersede any compensation agreement between the governing board and a school district under division (F) of this section. If the property owner and the governing board do not reach an agreement under this division, the parcel shall be excluded from the district.

(H) (1) Upon adopting a resolution creating a transportation financing district, the governing board shall send a copy of the resolution and documentation sufficient to prove that the requirements of divisions (F) and (G) of this section have been met to the director of housing and development. The director shall evaluate the resolution and documentation to determine if the governing board has fully complied with the requirements of this section. If the director

approves the resolution, the director shall send notice of 29000  
approval to the governing board. If the director does not 29001  
approve the resolution, the director shall send a notice of 29002  
denial to the governing board that includes the reason or 29003  
reasons for the denial. If the director does not make a 29004  
determination within ninety days after receiving a resolution 29005  
under this section, the director is deemed to have approved the 29006  
resolution. No resolution creating a transportation financing 29007  
district is effective without actual or constructive approval by 29008  
the director under this section. 29009

(2) An exemption from taxation granted under this section 29010  
commences with the tax year specified in the resolution so long 29011  
as the year specified in the resolution commences after the 29012  
effective date of the resolution. If the resolution specifies a 29013  
year commencing before the effective date of the resolution or 29014  
specifies no year whatsoever, the exemption commences with the 29015  
tax year in which an exempted improvement first appears on the 29016  
tax list and that commences after the effective date of the 29017  
resolution. 29018

(3) Except as otherwise provided in this division, the 29019  
exemption ends on the date specified in the resolution as the 29020  
date the improvement ceases to be a public purpose or the 29021  
regional transportation improvement project funded by the 29022  
service payments dissolves under section 5595.13 of the Revised 29023  
Code, whichever occurs first. Exemptions shall be claimed and 29024  
allowed in the same manner as in the case of other real property 29025  
exemptions. If an exemption status changes during a year, the 29026  
procedure for the apportionment of the taxes for that year is 29027  
the same as in the case of other changes in tax exemption status 29028  
during the year. 29029

(I) The resolution creating a transportation financing district may be amended at any time by majority vote of the governing board and with the approval of the director of housing and development obtained in the same manner as approval of the original resolution. Such an amendment may include adding a parcel to the district that was previously excluded under division (G) of this section, so long as the governing board and the owner of the parcel reach an agreement on the use of service payments as provided under that division.

**Sec. 5709.51.** (A) The legislative authority of a municipal corporation, a board of township trustees, or a board of county commissioners may amend or provide in an ordinance or resolution adopted in accordance with division (B) of section 5709.40, section 5709.41, division (B) of section 5709.73, or division (A) of section 5709.78 of the Revised Code, as applicable, to extend the exemption from taxation of improvements to the parcel or parcels designated in the ordinance or resolution for an additional period of not more than thirty years if all of the following conditions are met:

(1) Either (a) the service payments made pursuant to section 5709.42, 5709.74, or 5709.79 of the Revised Code by the owner or owners of the parcel or parcels designated in the ordinance or resolution exceeded one million five hundred thousand dollars in the calendar year preceding the adoption of the amendment or (b) the legislative authority of the municipal corporation, a board of township trustees, or a board of county commissioners determines that the service payments to be made pursuant to section 5709.42, 5709.74, or 5709.79 of the Revised Code by the owner or owners of the parcel or parcels designated in the ordinance or resolution will exceed one million five hundred thousand dollars in any future year.

(2) The service payments described in division (A) (1) of this section did not exceed one million five hundred thousand dollars in any calendar year before the calendar year immediately preceding the adoption of the amendment. This condition applies only to amendments adopted under this section on or after January 1, 2024.

(3) The amendment extending or the ordinance or resolution approving the exemption provides for compensation to the city, local, or exempted village school district in which the parcel or parcels are located equal in value to the amount of taxes that would be payable to the school district if the improvements had not been exempted from taxation for the additional period.

(B) Not later than fifteen days after adopting or amending an ordinance or resolution under this section, the legislative authority of the municipal corporation, board of township trustees, or board of county commissioners shall send a copy of the amendment to the director of housing and development.

(C) The amendment to this section by H.B. 33 of the 135th general assembly applies to any proceedings commenced after ~~the effective date of that amendment~~ October 3, 2023, and, insofar as the amendment supports the actions taken, also applies to proceedings that, on that date, are pending, in progress, or completed, notwithstanding the applicable law previously in effect or any provision to the contrary in a prior resolution, ordinance, order, advertisement, notice, or other proceeding. Any proceedings pending or in progress on ~~the effective date of that amendment~~ October 3, 2023, shall be deemed to have been taken in conformity with that amendment.

(d) There is a prevalence of commercial or industrial 29111  
structures in the area that are vacant or demolished, or are 29112

which such facilities are situated, or adjacent parcels. The 29150  
director of housing and development annually shall review all 29151  
agreements in such zones to determine whether the agreements 29152

that the agreements have not resulted in such development, the 29154

director and the director has certified the zone under this 29355  
section as amended by that act; however, all agreements entered 29356  
into under this section as it existed prior to July 1, 1994, and 29357

division (A) (1) of section 5709.61 of the Revised Code, and 29362

enterprise intends to hire, or of the number of employees whom 29376  
the enterprise intends to retain, within the zone at a facility 29377  
that is a project site, and an estimate of the amount of payroll 29378

fixtures, and inventory; 29384

(3) A listing of the enterprise's current investment, if 29385  
any, in a facility as of the date of the proposal's submission. 29386

The enterprise shall review and update the listings 29387  
required under this division to reflect material changes, and 29388  
any agreement entered into under division (C) of this section 29389  
shall set forth final estimates and listings as of the time the 29390  
agreement is entered into. The legislative authority may, on a 29391  
separate form and at any time, require any additional 29392  
information necessary to determine whether an enterprise is in 29393  
compliance with an agreement and to collect the information 29394  
required to be reported under section 5709.68 of the Revised 29395  
Code. 29396

(C) Upon receipt and investigation of a proposal under 29397  
division (B) of this section, if the legislative authority finds 29398  
that the enterprise submitting the proposal is qualified by 29399  
financial responsibility and business experience to create and 29400  
preserve employment opportunities in the zone and improve the 29401  
economic climate of the municipal corporation, the legislative 29402  
authority may do one of the following: 29403

(1) Enter into an agreement with the enterprise under 29404  
which the enterprise agrees to establish, expand, renovate, or 29405  
occupy a facility and hire new employees, or preserve employment 29406  
opportunities for existing employees, in return for one or more 29407  
of the following incentives: 29408

(a) Exemption for a specified number of years, not to 29409

29477  
29478  
29479  
29480  
29481  
29482  
29483  
29484  
29485  
29486

(2) Notwithstanding any provision of the Revised Code to the contrary, the exemptions described in divisions (C) (1) (a), (b), and (c), (C) (2) (a), (b), and (c), and (C) (3) of this section may be for up to fifteen years and the exemption described in division (C) (4) of this section may be for up to thirty years if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a number of years in excess of ten. 29487  
29488  
29489  
29490  
29491

29493  
29494  
29495

(3) For the purpose of obtaining the approval of a city, local, or exempted village school district under division (D) (1) or (2) of this section, the legislative authority shall deliver to the board of education a notice not later than forty-five days prior to approving the agreement, excluding Saturdays, Sundays, and legal holidays as defined in section 1.14 of the Revised Code. The notice shall state the percentage to be exempted, an estimate of the true value of the property to be 29496

29503

exempted, and the number of years the property is to be 29504  
exempted. The board of education, by resolution adopted by a 29505  
majority of the board, shall approve or disapprove the agreement 29506  
and certify a copy of the resolution to the legislative 29507  
authority not later than fourteen days prior to the date 29508  
stipulated by the legislative authority as the date upon which 29509  
approval of the agreement is to be formally considered by the 29510  
legislative authority. The board of education may include in the 29511  
resolution conditions under which the board would approve the 29512  
agreement, including the execution of an agreement to compensate 29513  
the school district under division (B) of section 5709.82 of the 29514  
Revised Code. The legislative authority may approve the 29515  
agreement at any time after the board of education certifies its 29516  
resolution approving the agreement to the legislative authority, 29517  
or, if the board approves the agreement conditionally, at any 29518  
time after the conditions are agreed to by the board and the 29519  
legislative authority. If an agreement is negotiated between the 29520  
legislative authority and the board to compensate the school 29521  
district for all or part of the taxes exempted, the legislative 29522  
authority shall compensate the joint vocational school district 29523  
within which the property is located at the same rate and under 29524

school district. 29526

If a board of education has adopted a resolution waiving 29527  
its right to approve agreements and the resolution remains in 29528  
effect, approval of an agreement by the board is not required 29529  
under this division. If a board of education has adopted a 29530  
resolution allowing a legislative authority to deliver the 29531  
notice required under this division fewer than forty-five 29532  
business days prior to the legislative authority's approval of 29533  
the agreement, the legislative authority shall deliver the 29534

notice to the board not later than the number of days prior to 29535  
such approval as prescribed by the board in its resolution. If a 29536  
board of education adopts a resolution waiving its right to 29537  
approve agreements or shortening the notification period, the 29538  
board shall certify a copy of the resolution to the legislative 29539  
authority. If the board of education rescinds such a resolution, 29540  
it shall certify notice of the rescission to the legislative 29541  
authority. 29542

(4) The legislative authority shall comply with section 29543  
5709.83 of the Revised Code unless the board of education has 29544  
adopted a resolution under that section waiving its right to 29545  
receive such notice. 29546

(E) This division applies to zones certified by the 29547  
director of housing and development services—under this section 29548  
prior to July 22, 1994. 29549

The legislative authority that designated a zone to which 29550  
this division applies may enter into an agreement with an 29551  
enterprise if the legislative authority finds that the 29552  
enterprise satisfies one of the criteria described in divisions 29553  
(E) (1) to (5) of this section: 29554

(1) The enterprise currently has no operations in this 29555  
state and, subject to approval of the agreement, intends to 29556  
establish operations in the zone; 29557

(2) The enterprise currently has operations in this state 29558  
and, subject to approval of the agreement, intends to establish 29559  
operations at a new location in the zone that would not result 29560  
in a reduction in the number of employee positions at any of the 29561  
enterprise's other locations in this state; 29562

(3) The enterprise, subject to approval of the agreement, 29563

intends to relocate operations, currently located in another 29564  
state, to the zone; 29565

(4) The enterprise, subject to approval of the agreement, 29566  
intends to expand operations at an existing site in the zone 29567  
that the enterprise currently operates; 29568

(5) The enterprise, subject to approval of the agreement, 29569  
intends to relocate operations, currently located in this state, 29570  
to the zone, and the director of housing and development 29571  
~~services~~ has issued a waiver for the enterprise under division 29572  
(B) of section 5709.633 of the Revised Code. 29573

The agreement shall require the enterprise to agree to 29574  
establish, expand, renovate, or occupy a facility in the zone 29575  
and hire new employees, or preserve employment opportunities for 29576  
existing employees, in return for one or more of the incentives 29577  
described in division (C) of this section. 29578

(F) All agreements entered into under this section shall 29579  
be in the form prescribed under section 5709.631 of the Revised 29580  
Code. After an agreement is entered into under this section, if 29581  
the legislative authority revokes its designation of a zone, or 29582  
if the director of housing and development ~~services~~ revokes a 29583  
zone's certification, any entitlements granted under the 29584  
agreement shall continue for the number of years specified in 29585  
the agreement. 29586

(G) Except as otherwise provided in this division, an 29587  
agreement entered into under this section shall require that the 29588  
enterprise pay an annual fee equal to the greater of one per 29589  
cent of the dollar value of incentives offered under the 29590  
agreement or five hundred dollars; provided, however, that if 29591  
the value of the incentives exceeds two hundred fifty thousand 29592

dollars, the fee shall not exceed two thousand five hundred 29593  
dollars. The fee shall be payable to the legislative authority 29594  
once per year for each year the agreement is effective on the 29595  
days and in the form specified in the agreement. Fees paid shall 29596  
be deposited in a special fund created for such purpose by the 29597  
legislative authority and shall be used by the legislative 29598  
authority exclusively for the purpose of complying with section 29599  
5709.68 of the Revised Code and by the tax incentive review 29600  
council created under section 5709.85 of the Revised Code 29601  
exclusively for the purposes of performing the duties prescribed 29602  
under that section. The legislative authority may waive or 29603  
reduce the amount of the fee charged against an enterprise, but 29604  
such a waiver or reduction does not affect the obligations of 29605  
the legislative authority or the tax incentive review council to 29606  
comply with section 5709.68 or 5709.85 of the Revised Code. 29607

(H) When an agreement is entered into pursuant to this 29608  
section, the legislative authority authorizing the agreement 29609  
shall forward a copy of the agreement to the director of housing 29610  
and development services and to the tax commissioner within 29611  
fifteen days after the agreement is entered into. If any 29612  
agreement includes terms not provided for in section 5709.631 of 29613  
the Revised Code affecting the revenue of a city, local, 29614  
exempted village, or joint vocational school district or causing 29615  
revenue to be forgone by the district, including any 29616  
compensation to be paid to the school district pursuant to 29617  
section 5709.82 of the Revised Code, those terms also shall be 29618  
forwarded in writing to the director of housing and development 29619  
services along with the copy of the agreement forwarded under 29620  
this division. 29621

(I) After an agreement is entered into, the enterprise 29622  
shall file with each personal property tax return required to be 29623

filed, or annual report required to be filed under section 29624  
5727.08 of the Revised Code, while the agreement is in effect, 29625  
an informational return, on a form prescribed by the tax 29626  
commissioner for that purpose, setting forth separately the 29627  
property, and related costs and values, exempted from taxation 29628  
under the agreement. 29629

(J) Enterprises may agree to give preference to residents 29630  
of the zone within which the agreement applies relative to 29631  
residents of this state who do not reside in the zone when 29632  
hiring new employees under the agreement. 29633

(K) An agreement entered into under this section may 29634  
include a provision requiring the enterprise to create one or 29635  
more temporary internship positions for students enrolled in a 29636  
course of study at a school or other educational institution in 29637  
the vicinity, and to create a scholarship or provide another 29638  
form of educational financial assistance for students holding 29639  
such a position in exchange for the student's commitment to work 29640  
for the enterprise at the completion of the internship. 29641

(L) The tax commissioner's authority in determining the 29642  
accuracy of any exemption granted by an agreement entered into 29643  
under this section is limited to divisions (C) (1) (a) and (b), 29644  
(C) (2) (a), (b), and (c), (C) (3) and (4), (D), and (I) of this 29645  
section and divisions (B) (1) to (10) of section 5709.631 of the 29646  
Revised Code and, as authorized by law, to enforcing any 29647  
modification to, or revocation of, that agreement by the 29648  
legislative authority of a municipal corporation or the director 29649  
of housing and development~~services~~. 29650

**Sec. 5709.63.** (A) With the consent of the legislative 29651  
authority of each affected municipal corporation or of a board 29652  
of township trustees, a board of county commissioners may, in 29653

the manner set forth in section 5709.62 of the Revised Code, 29654  
designate one or more areas in one or more municipal 29655  
corporations or in unincorporated areas of the county as 29656  
proposed enterprise zones. A board of county commissioners may 29657  
designate no more than one area within a township, or within 29658  
adjacent townships, as a proposed enterprise zone. The board 29659  
shall petition the director of housing and development ~~services~~ 29660  
for certification of the area as having the characteristics set 29661  
forth in division (A) (1) or (2) of section 5709.61 of the 29662  
Revised Code as amended by Substitute Senate Bill No. 19 of the 29663  
120th general assembly. Except as otherwise provided in division 29664  
(D) of this section, on and after July 1, 1994, boards of county 29665  
commissioners shall not enter into agreements under this section 29666  
unless the board has petitioned the director and the director 29667  
has certified the zone under this section as amended by that 29668  
act; however, all agreements entered into under this section as 29669  
it existed prior to July 1, 1994, and the incentives granted 29670  
under those agreements shall remain in effect for the period 29671  
agreed to under those agreements. The director shall make the 29672  
determination in the manner provided under section 5709.62 of 29673  
the Revised Code. 29674

Any enterprise wishing to enter into an agreement with the 29675  
board under division (B) or (D) of this section shall submit a 29676  
proposal to the board on the form and accompanied by the 29677  
application fee prescribed under division (B) of section 5709.62 29678  
of the Revised Code. The enterprise shall review and update the 29679  
estimates and listings required by the form in the manner 29680  
required under that division. The board may, on a separate form 29681  
and at any time, require any additional information necessary to 29682  
determine whether an enterprise is in compliance with an 29683  
agreement and to collect the information required to be reported 29684

under section 5709.68 of the Revised Code. 29685

(B) If the board of county commissioners finds that an 29686  
enterprise submitting a proposal is qualified by financial 29687  
responsibility and business experience to create and preserve 29688  
employment opportunities in the zone and to improve the economic 29689  
climate of the municipal corporation or municipal corporations 29690  
or the unincorporated areas in which the zone is located and to 29691  
which the proposal applies, the board, with the consent of the 29692  
legislative authority of each affected municipal corporation or 29693  
of the board of township trustees, may do one of the following: 29694

(1) Enter into an agreement with the enterprise under 29695  
which the enterprise agrees to establish, expand, renovate, or 29696  
occupy a facility in the zone and hire new employees, or 29697  
preserve employment opportunities for existing employees, in 29698  
return for the following incentives: 29699

(a) When the facility is located in a municipal 29700  
corporation, the board may enter into an agreement for one or 29701  
more of the incentives provided in division (C) of section 29702  
5709.62 of the Revised Code, subject to division (D) of that 29703  
section; 29704

(b) When the facility is located in an unincorporated 29705  
area, the board may enter into an agreement for one or more of 29706  
the following incentives: 29707

business at a project site as a result of the agreement. If an 29711  
exemption for inventory is specifically granted in the agreement 29712  
pursuant to this division, the exemption applies to inventory 29713

required to be listed pursuant to sections 5711.15 and 5711.16 29714  
of the Revised Code, except, in the instance of an expansion or 29715  
other situations in which an enterprise was in business at the 29716  
facility prior to the establishment of the zone, the inventory 29717  
that is exempt is that amount or value of inventory in excess of 29718  
the amount or value of inventory required to be listed in the 29719  
personal property tax return of the enterprise in the return for 29720  
the tax year in which the agreement is entered into. 29721

(ii) Exemption for a specified number of years, not to 29722  
exceed fifteen, of a specified portion, up to sixty per cent, of 29723  
the increase in the assessed valuation of real property 29724  
constituting the project site subsequent to formal approval of 29725  
the agreement by the board; 29726

(iii) Provision for a specified number of years, not to 29727  
exceed fifteen, of any optional services or assistance the board 29728  
is authorized to provide with regard to the project site; 29729

(iv) The incentive described in division (C) (2) of section 29730  
5709.62 of the Revised Code. 29731

(2) Enter into an agreement with an enterprise that plans 29732  
to purchase and operate a large manufacturing facility that has 29733  
ceased operation or has announced its intention to cease 29734  
operation, in return for exemption for a specified number of 29735  
years, not to exceed fifteen, of a specified portion, up to one 29736  
hundred per cent, of tangible personal property used in business 29737  
at the project site as a result of the agreement, or of real 29738  
property constituting the project site, or both; 29739

(3) Enter into an agreement with an enterprise that either 29740  
is the owner of real property constituting the site of a 29741  
megaproject or is a megaproject supplier in return for an 29742

exemption for a specified number of years, not to exceed thirty, 29743  
of a specified portion, up to one hundred per cent, of the 29744  
increase in the assessed value of real property constituting the 29745  
site of a megaproject or real property owned and occupied by the 29746  
megaproject supplier, respectively, beginning after the tax year 29747  
in which the agreement is formally approved by the legislative 29748  
authority. 29749

(C) (1) (a) Notwithstanding divisions (B) (1) (b) (i) and (ii) 29750  
of this section, the portion of the assessed value of tangible 29751  
personal property or of the increase in the assessed valuation 29752  
of real property exempted from taxation under those divisions 29753  
may exceed sixty per cent in any year for which that portion is 29754  
exempted if the average percentage exempted for all years in 29755  
which the agreement is in effect does not exceed fifty per cent, 29756  
or if the board of education of the city, local, or exempted 29757  
village school district within the territory of which the 29758  
property is or will be located approves a percentage in excess 29759  
of sixty per cent. 29760

(b) Notwithstanding any provision of the Revised Code to 29761  
the contrary, the exemptions described in divisions (B) (1) (b) 29762  
(i), (ii), (iii), and (iv) and (B) (2) of this section may be for 29763  
up to fifteen years and the exemption described in division (B) 29764  
(3) of this section may be for up to thirty years if the board 29765  
of education of the city, local, or exempted village school 29766  
district within the territory of which the property is or will 29767  
be located approves a number of years in excess of ten. 29768

(c) For the purpose of obtaining the approval of a city, 29769  
local, or exempted village school district under division (C) (1) 29770  
(a) or (b) of this section, the board of county commissioners 29771  
shall deliver to the board of education a notice not later than 29772

forty-five days prior to approving the agreement, excluding 29773  
Saturdays, Sundays, and legal holidays as defined in section 29774  
1.14 of the Revised Code. The notice shall state the percentage 29775  
to be exempted, an estimate of the true value of the property to 29776  
be exempted, and the number of years the property is to be 29777  
exempted. The board of education, by resolution adopted by a 29778  
majority of the board, shall approve or disapprove the agreement 29779  
and certify a copy of the resolution to the board of county 29780  
commissioners not later than fourteen days prior to the date 29781  
stipulated by the board of county commissioners as the date upon 29782  
which approval of the agreement is to be formally considered by 29783  
the board of county commissioners. The board of education may 29784  
include in the resolution conditions under which the board would 29785  
approve the agreement, including the execution of an agreement 29786  
to compensate the school district under division (B) of section 29787  
5709.82 of the Revised Code. The board of county commissioners 29788  
may approve the agreement at any time after the board of 29789

(2) The enterprise currently has operations in this state 29835  
and, subject to approval of the agreement, intends to establish 29836  
operations at a new location in the zone that would not result 29837  
in a reduction in the number of employee positions at any of the 29838  
enterprise's other locations in this state; 29839

(3) The enterprise, subject to approval of the agreement, 29840  
intends to relocate operations, currently located in another 29841  
state, to the zone; 29842

intends to expand operations at an existing site in the zone 29844  
that the enterprise currently operates; 29845

(5) The enterprise, subject to approval of the agreement, 29846

establish, expand, renovate, or occupy a facility in the zone 29852  
and hire new employees, or preserve employment opportunities for 29853

council created under section 5709.85 of the Revised Code 29878  
exclusively for the purposes of performing the duties prescribed 29879  
under that section. The board may waive or reduce the amount of 29880  
the fee charged against an enterprise, but such waiver or 29881

for the enterprise at the completion of the internship. 29926

unincorporated areas of the county as proposed urban jobs and 30195  
enterprise zones, except that a board of county commissioners 30196  
may designate no more than one area within a township, or within 30197  
adjacent townships, as a proposed urban jobs and enterprise 30198  
zone. 30199

(3) The legislative authority or board of county 30200  
commissioners may petition the director of housing and 30201  
development ~~services~~ for certification of the area as having the 30202  
characteristics set forth in division (A) (3) of section 5709.61 30203  
of the Revised Code. Within sixty days after receiving such a 30204  
petition, the director shall determine whether the area has the 30205  
characteristics set forth in that division and forward the 30206  
findings to the legislative authority or board of county 30207  
commissioners. If the director certifies the area as having 30208  
those characteristics and thereby certifies it as a zone, the 30209  
legislative authority or board may enter into agreements with 30210  
enterprises under division (B) of this section. Any enterprise 30211  
wishing to enter into an agreement with a legislative authority 30212  
or board of county commissioners under this section and 30213  
satisfying one of the criteria described in divisions (B) (1) to 30214  
(5) of this section shall submit a proposal to the legislative 30215  
authority or board on the form prescribed under division (B) of 30216  
section 5709.62 of the Revised Code and shall review and update 30217  
the estimates and listings required by the form in the manner 30218  
required under that division. The legislative authority or board 30219  
may, on a separate form and at any time, require any additional 30220  
information necessary to determine whether an enterprise is in 30221  
compliance with an agreement and to collect the information 30222  
required to be reported under section 5709.68 of the Revised 30223  
Code. 30224

(B) Prior to entering into an agreement with an enterprise, the legislative authority or board of county commissioners shall determine whether the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and to improve the economic climate of the municipal corporation or municipal corporations or the unincorporated areas in which the zone is located and to which the proposal applies, and whether the enterprise satisfies one of the following criteria:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of housing and development services has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

(C) If the legislative authority or board determines that the enterprise is so qualified and satisfies one of the criteria described in divisions (B) (1) to (5) of this section, the legislative authority or board may, after complying with section 5709.83 of the Revised Code and, in the case of a board of commissioners, with the consent of the legislative authority of each affected municipal corporation or of the board of township trustees, enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(1) When the facility is located in a municipal corporation, a legislative authority or board of commissioners may enter into an agreement for one or more of the incentives provided in divisions (C) (1), (2), and (3) of section 5709.62 of the Revised Code, subject to division (D) of that section, or for the incentive provided in division (C) (4) of that section if the enterprise is the owner of real property constituting the site of a megaproject or is a megaproject supplier.

(2) When the facility is located in an unincorporated area, a board of commissioners may enter into an agreement for one or more of the incentives provided in divisions (B) (1) (b) and (B) (2) of section 5709.63 of the Revised Code, subject to division (C) of that section, or for the incentive provided in division (B) (3) of that section if the enterprise is the owner of real property constituting the site of a megaproject or is a megaproject supplier.

(D) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised

Code. After an agreement under this section is entered into, if 30284  
the legislative authority or board of county commissioners 30285  
revokes its designation of the zone, or if the director of 30286  
housing and development services—revokes the zone's 30287  
certification, any entitlements granted under the agreement 30288  
shall continue for the number of years specified in the 30289  
agreement. 30290

(E) Except as otherwise provided in this division, an 30291  
agreement entered into under this section shall require that the 30292  
enterprise pay an annual fee equal to the greater of one per 30293  
cent of the dollar value of incentives offered under the 30294  
agreement or five hundred dollars; provided, however, that if 30295  
the value of the incentives exceeds two hundred fifty thousand 30296  
dollars, the fee shall not exceed two thousand five hundred 30297  
dollars. The fee shall be payable to the legislative authority 30298  
or board of commissioners once per year for each year the 30299  
agreement is effective on the days and in the form specified in 30300  
the agreement. Fees paid shall be deposited in a special fund 30301  
created for such purpose by the legislative authority or board 30302  
and shall be used by the legislative authority or board 30303  
exclusively for the purpose of complying with section 5709.68 of 30304  
the Revised Code and by the tax incentive review council created 30305  
under section 5709.85 of the Revised Code exclusively for the 30306  
purposes of performing the duties prescribed under that section. 30307  
The legislative authority or board may waive or reduce the 30308  
amount of the fee charged against an enterprise, but such waiver 30309  
or reduction does not affect the obligations of the legislative 30310  
authority or board or the tax incentive review council to comply 30311  
with section 5709.68 or 5709.85 of the Revised Code, 30312  
respectively. 30313

(F) With the approval of the legislative authority of a 30314

municipal corporation or the board of township trustees of a township in which a zone is designated under division (A) (2) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board to negotiate and administer agreements with regard to that zone under this section.

(G) When an agreement is entered into pursuant to this section, the legislative authority or board of commissioners authorizing the agreement shall forward a copy of the agreement to the director of housing and development services and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, exempted village, or joint vocational school district or causing revenue to be forgone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of housing and development services along with the copy of the agreement forwarded under this division.

(H) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(I) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in

the vicinity, and to create a scholarship or provide another 30345  
form of educational financial assistance for students holding 30346  
such a position in exchange for the student's commitment to work 30347  
for the enterprise at the completion of the internship. 30348

**Sec. 5709.633.** (A) (1) Except as otherwise provided in 30349  
division (B) of this section, no legislative authority or board 30350  
of county commissioners shall enter into an agreement with an 30351  
enterprise under division (E) of section 5709.62, division (D) 30352  
of section 5709.63, or section 5709.632 of the Revised Code if 30353  
that enterprise or a successor enterprise currently has 30354  
operations at another location in this state and those 30355  
operations will be relocated to an enterprise zone upon or as a 30356  
result of that agreement. 30357

(2) Except as otherwise provided in division (B) of this 30358  
section, if an enterprise subject to an agreement granting an 30359  
exemption from taxation under section 5709.62, 5709.63, or 30360  
5709.632 of the Revised Code expands its operations or relocates 30361  
its operations to another location in this state that results in 30362  
a reduction of its operations at any Ohio location, or 30363  
discontinues operations at the project site to which that 30364  
exemption applies prior to the expiration of the term of the 30365  
agreement, no legislative authority shall enter into an 30366  
agreement with such an enterprise, a related member, or a 30367  
successor enterprise under section 5709.62, 5709.63, or 5709.632 30368  
of the Revised Code prior to five years after such expansion, 30369  
relocation, or discontinuation of operations. The director of 30370  
housing and development shall review all agreements entered into 30371  
under those sections to determine whether there has been a 30372  
violation of this paragraph and whether the requirements to be a 30373  
facility have been met. If the director discovers there has been 30374  
a violation of this paragraph or the requirements to be a 30375

facility have not been met, the agreement is void, and all 30376  
incentives granted under the agreement shall cease immediately. 30377  
The director shall certify to the legislative authority and to 30378  
the board of education of the city, local, or exempted village 30379  
school district to which operations were relocated that the 30380  
agreement is void. 30381

(B) Divisions (A) (1) and (2) of this section do not apply 30382  
if the director of housing and development waives application of 30383  
those divisions. The director may waive application of division 30384  
(A) (1) of this section if the enterprise or successor enterprise 30385  
demonstrates, by documentation satisfactory to the director, 30386  
that the relocation was necessitated by or results from one of 30387  
the circumstances described in divisions (B) (1) to (3) of this 30388  
section, and the director determines that under the circumstance 30389  
claimed and in light of the possible relocation issuance of a 30390  
waiver is absolutely necessary to attract or retain employment 30391  
opportunities in this state. The director may waive application 30392  
of division (A) (2) of this section, except for the provision 30393  
that the requirements to be a facility must be met, if the 30394  
enterprise, related member, or successor enterprise 30395  
demonstrates, by documentation satisfactory to the director, 30396  
that the discontinuation of operations was necessitated by or 30397  
resulted from one of the circumstances described in divisions 30398  
(B) (1) to (3) of this section, and the director determines that 30399  
under the circumstance claimed and in light of the possible 30400  
relocation issuance of a waiver is absolutely necessary to 30401  
attract or retain employment opportunities in this state. 30402

The circumstance that may be claimed shall be one of the 30403  
following: 30404

(1) The project site at which operations are or will be 30405

discontinued cannot accommodate expansion plans of the 30406  
enterprise due to inadequate land suitable for such expansion. 30407

(2) Conditions in the markets in which the enterprise 30408  
participates require that the enterprise relocate operations in 30409  
order for the enterprise to become or remain competitive in that 30410  
market. These conditions include, but are not limited to, any of 30411  
the following: 30412

(a) New or modified contracts with customers or suppliers, 30413  
such as "just-in-time" supply or similar arrangements; 30414

(b) Changes in the enterprise's production methods; 30415

(c) Loss or impending loss of an existing contract 30416  
requires expansion into another market in order to maintain 30417  
production levels; 30418

(d) Changes in ownership or other changes in control of 30419  
the enterprise, or of a controlled group of corporations of 30420  
which the enterprise is a subsidiary, that result from a 30421  
decision on the part of owners or officers located outside this 30422  
state. 30423

(3) The enterprise currently is subject to a consolidation 30424  
of its operations, or such a consolidation is imminent. For 30425  
purposes of division (B) (3) of this section, "consolidation" 30426  
means an enterprise combines the operations of two or more 30427  
existing facilities and one of the following conditions is 30428  
satisfied: 30429

(a) At least one of the facilities currently is not 30430  
located in this state, and the relocation of the operations of 30431  
that facility would result in both of the following during the 30432  
term of the agreement: 30433

(i) The number of employees employed by the enterprise at 30434  
its existing facilities in this state to which operations are 30435  
relocated increases by not less than twenty-five per cent after 30436  
the date the agreement is formally approved by the legislative 30437  
authority; 30438

(ii) The assessed value of tangible personal property 30439  
first used in business at the project site, or the assessed 30440  
value of real property constituting the project site, increases 30441  
by not less than twenty-five per cent after the date the 30442  
agreement is formally approved by the legislative authority. 30443

(b) All of the facilities currently are in this state, and 30444  
the relocation of the operations of any of those facilities 30445  
would result in both of the following during the term of the 30446  
agreement: 30447

(i) The number of employees employed by the enterprise at 30448  
its existing facilities in this state to which operations are 30449  
relocated increases by not less than twenty-five per cent after 30450  
the date the agreement is formally approved by the legislative 30451  
authority; 30452

(ii) The assessed value of tangible personal property 30453  
first used in business at the project site, or the assessed 30454  
value of real property constituting the project site, increases 30455  
by not less than fifty per cent over the assessed value, 30456  
determined at the time of relocation, of tangible personal 30457  
property located at, and of real property constituting, the 30458  
facilities in this state from which operations would be 30459  
relocated. 30460

For purposes of divisions (B) (3) (a) and (b) of this 30461  
section, "assessed value of tangible personal property" and 30462

"assessed value of real property" mean the value of such 30463  
property as assessed for purposes of property taxation and 30464  
entered on the tax lists and duplicates of the county. 30465

(C) To apply for a waiver under division (B) of this 30466  
section, the enterprise and the legislative authority intending 30467  
to enter into an agreement under section 5709.62, 5709.63, or 30468  
5709.632 of the Revised Code shall petition the director of 30469  
housing and development in a form acceptable to the director. 30470  
The petition shall be accompanied by documentation demonstrating 30471  
one or more of the circumstances described in divisions (B) (1), 30472  
(2), or (3) of this section. Not later than thirty days after 30473  
receiving such a petition, the director shall investigate the 30474  
petition and accompanying documentation to determine the 30475  
validity of the circumstance claimed therein, and shall issue to 30476  
the enterprise and to the legislative authority the 30477  
determination, in writing, waiving, or refusing to waive 30478  
application of division (A) of this section. 30479

**Sec. 5709.64.** (A) If an enterprise has been granted an 30480  
incentive for the current calendar year under an agreement 30481  
entered pursuant to section 5709.62, 5709.63, or 5709.632 of the 30482  
Revised Code, it may apply, on or before the thirtieth day of 30483  
April of that year, to the director of housing and development, 30484  
on a form prescribed by the director, for a tax incentive 30485  
qualification certificate. The enterprise qualifies for an 30486  
initial certificate if, on or before the last day of the 30487  
calendar year immediately preceding that in which application is 30488  
made, it satisfies all of the following requirements: 30489

(1) The enterprise has established, expanded, renovated, 30490  
or occupied a facility pursuant to the agreement under section 30491  
5709.62, 5709.63, or 5709.632 of the Revised Code. 30492

(2) The enterprise has hired new employees to fill 30493  
nonretail positions at the facility, at least twenty-five per 30494  
cent of whom at the time they were employed were at least one of 30495  
the following: 30496

(a) Unemployed persons who had resided at least six months 30497  
in the county in which the enterprise's project site is located; 30498

(b) JPTA eligible employees who had resided at least six 30499  
months in the county in which the enterprise's project site is 30500  
located; 30501

(c) Participants of the Ohio works first program under 30502  
Chapter 5107. of the Revised Code or the prevention, retention, 30503  
and contingency program under Chapter 5108. of the Revised Code 30504  
or recipients of general assistance under former Chapter 5113. 30505  
of the Revised Code, financial assistance under former Chapter 30506  
5115. of the Revised Code, or unemployment compensation benefits 30507  
who had resided at least six months in the county in which the 30508  
enterprise's project site is located; 30509

(d) Eligible individuals with disabilities, as defined 30510  
under division (A) of section 3304.11 of the Revised Code, who 30511  
had resided at least six months in the county in which the 30512  
enterprise's project site is located; 30513

(e) Residents for at least one year of a zone located in 30514  
the county in which the enterprise's project site is located. 30515

The director of housing and development shall, by rule, 30516  
establish criteria for determining what constitutes a nonretail 30517  
position at a facility. 30518

(3) The average number of positions attributable to the 30519  
enterprise in the municipal corporation during the calendar year 30520  
immediately preceding the calendar year in which application is 30521

made exceeds the maximum number of positions attributable to the 30522  
enterprise in the municipal corporation during the calendar year 30523  
immediately preceding the first year the enterprise satisfies 30524  
the requirements set forth in divisions (A) (1) and (2) of this 30525  
section. If the enterprise is engaged in a business which, 30526  
because of its seasonal nature, customarily enables the 30527  
enterprise to operate at full capacity only during regularly 30528  
recurring periods of the year, the average number of positions 30529  
attributable to the enterprise in the municipal corporation 30530  
during each period of the calendar year immediately preceding 30531  
the calendar year in which application is made must exceed only 30532  
the maximum number of positions attributable to the enterprise 30533  
in each corresponding period of the calendar year immediately 30534  
preceding the first year the enterprise satisfies the 30535  
requirements of divisions (A) (1) and (2) of this section. The 30536  
director of housing and development shall, by rule, prescribe 30537  
methods for determining whether an enterprise is engaged in a 30538  
seasonal business and for determining the length of the 30539  
corresponding periods to be compared. 30540

(4) The enterprise has not closed or reduced employment at 30541  
any place of business in the state for the primary purpose of 30542  
establishing, expanding, renovating, or occupying a facility. 30543  
The legislative authority of any municipal corporation or the 30544  
board of county commissioners of any county that concludes that 30545  
an enterprise has closed or reduced employment at a place of 30546  
business in that municipal corporation or county for the primary 30547  
purpose of establishing, expanding, renovating, or occupying a 30548  
facility in a zone may appeal to the director to determine 30549  
whether the enterprise has done so. Upon receiving such an 30550  
appeal, the director shall investigate the allegations and make 30551  
such a determination before issuing an initial or renewal tax 30552

incentive qualification certificate under this section. 30553

Within sixty days after receiving an application under 30554  
this division, the director shall review, investigate, and 30555  
verify the application and determine whether the enterprise 30556  
qualifies for a certificate. The application shall include an 30557  
affidavit executed by the applicant verifying that the 30558  
enterprise satisfies the requirements of division (A) (2) of this 30559  
section, and shall contain such information and documents as the 30560  
director requires, by rule, to ascertain whether the enterprise 30561  
qualifies for a certificate. If the director finds the 30562  
enterprise qualified, the director shall issue a tax incentive 30563  
qualification certificate, which shall bear as its date of 30564  
issuance the thirtieth day of June of the year of application, 30565  
and shall state that the applicant is entitled to receive, for 30566  
the taxable year that includes the certificate's date of 30567  
issuance, the tax incentives provided under section 5709.65 of 30568  
the Revised Code with regard to the facility to which the 30569  
certificate applies. If an enterprise is issued an initial 30570  
certificate, it may apply, on or before the thirtieth day of 30571  
April of each succeeding calendar year for which it has been 30572  
granted an incentive under an agreement entered pursuant to 30573  
section 5709.62, 5709.63, or 5709.632 of the Revised Code, for a 30574  
renewal certificate. Subsequent to its initial certification, 30575  
the enterprise qualifies for up to three successive renewal 30576  
certificates if, on or before the last day of the calendar year 30577  
immediately preceding that in which the application is made, it 30578  
satisfies all the requirements of divisions (A) (1) to (4) of 30579  
this section, and neither the zone's designation nor the zone's 30580  
certification has been revoked prior to the fifteenth day of 30581  
June of the year in which the application is made. The 30582  
application shall include an affidavit executed by the applicant 30583

verifying that the enterprise satisfies the requirements of 30584  
division (A) (2) of this section. An enterprise with ten or more 30585  
supervisory personnel at the facility to which a certificate 30586  
applies qualifies for any subsequent renewal certificates only 30587  
if it meets all of the foregoing requirements and, in addition, 30588  
at least ten per cent of those supervisory personnel are 30589  
employees who, when first hired by the enterprise, satisfied at 30590  
least one of the criteria specified in divisions (A) (2) (a) to 30591  
(e) of this section. If the enterprise qualifies, a renewal 30592  
certificate shall be issued bearing as its date of issuance the 30593  
thirtieth day of June of the year of application. The director 30594  
shall send copies of the initial certificate, and each renewal 30595  
certificate, by certified mail, to the enterprise, the tax 30596  
commissioner, the board of county commissioners, and the chief 30597  
executive of the municipal corporation in which the facility to 30598  
which the certificate applies is located. 30599

(B) If the director determines that an enterprise is not 30600  
qualified for an initial or renewal tax incentive qualification 30601  
certificate, the director shall send notice of this 30602  
determination, specifying the reasons for it, by certified mail, 30603  
to the applicant, the tax commissioner, the board of county 30604  
commissioners, and the chief executive of the municipal 30605  
corporation in which the facility to which the certificate would 30606  
have applied is located. Within thirty days after receiving such 30607  
a notice, an enterprise may request, in writing, a hearing 30608  
before the director for the purpose of reviewing the application 30609  
and the reasons for the determination. Within sixty days after 30610  
receiving a request for a hearing, the director shall afford one 30611  
and, within thirty days after the hearing, shall issue a 30612  
redetermination of the enterprise's qualification for a 30613  
certificate. If the enterprise is found to be qualified, the 30614

director shall proceed in the manner provided under division (A) 30615  
of this section. If the enterprise is found to be unqualified, 30616  
the director shall send notice of this finding, by certified 30617  
mail, to the applicant, the tax commissioner, the board of 30618  
county commissioners, and the chief executive of the municipal 30619  
corporation in which the facility to which the certificate would 30620  
have applied is located. The director's redetermination that an 30621  
enterprise is unqualified may be appealed to the board of tax 30622  
appeals in the manner provided under section 5717.02 of the 30623  
Revised Code. 30624

**Sec. 5709.66.** (A) If an enterprise has been granted an 30625  
incentive for the current calendar year under an agreement 30626  
entered into pursuant to section 5709.62 or 5709.63 of the 30627  
Revised Code and satisfies both of the requirements described in 30628  
divisions (A) (1) and (2) of this section at the time of 30629  
application, it may apply to the director of housing and 30630  
development, on a form prescribed by the director, for the 30631  
employee tax credit certificate under division (B) of this 30632  
section. 30633

(1) The enterprise has established, expanded, renovated, 30634  
or occupied a facility pursuant to an agreement under section 30635  
5709.62 or 5709.63 of the Revised Code in a zone that is 30636  
certified by the director of housing and development as having 30637  
one of the characteristics described in divisions (A) (1) (a) or 30638  
(b) and at least one of the characteristics described in 30639  
divisions (A) (1) (c) to (h) of section 5709.61 of the Revised 30640  
Code. 30641

(2) The enterprise or any predecessor enterprise has not 30642  
closed or reduced employment at any place of business in this 30643  
state within the twelve months preceding application unless the 30644

enterprise, since the date the agreement was formally approved 30645  
by the legislative authority, has hired new employees equal in 30646  
number to not less than fifty per cent of the total number of 30647  
employees employed by the enterprise at other locations in this 30648  
state on that date. The legislative authority of any municipal 30649  
corporation or county that concludes that an enterprise or any 30650  
predecessor enterprise has closed or reduced employment at a 30651  
place of business in that municipal corporation or county may 30652  
appeal to the director to determine whether the enterprise or 30653  
any predecessor enterprise has done so. Upon receiving such an 30654  
appeal, the director shall investigate the allegations and 30655  
determine whether the enterprise satisfies the requirement of 30656  
division (A) (2) of this section before proceeding under division 30657  
(B) of this section. 30658

Within sixty days after receiving an application under 30659  
this section, the director shall review, investigate, and verify 30660  
the application and determine whether the enterprise is eligible 30661  
for the employee tax credit certificate under division (B) of 30662  
this section. The application shall contain such information and 30663  
documents as the director requires, by rule, to ascertain 30664  
whether the enterprise is eligible for the certificate. On 30665  
finding that the enterprise is eligible, the director shall 30666  
proceed under division (B) of this section. 30667

On determining that an enterprise is not eligible for the 30668  
certificate under division (B) of this section, the director 30669  
shall send notice of this determination, specifying the reasons 30670  
for it, by certified mail, to the applicant, the board of county 30671  
commissioners, and the chief executive of the municipal 30672  
corporation in which the facility to which the certificate would 30673  
have been given is located. Within thirty days after receiving 30674  
such a notice, an enterprise may request, in writing, a hearing 30675

before the director for the purpose of reviewing the application 30676  
and the reasons for the determination. Within sixty days after 30677  
receiving a request for a hearing, the director shall afford one 30678  
and, within thirty days after the hearing, shall issue a 30679  
redetermination of the enterprise's eligibility for the 30680  
incentives. If the enterprise is found to be eligible, the 30681  
director shall proceed under division (B) of this section. If 30682  
the enterprise is found to be ineligible, the director shall 30683  
send notice of this finding, by certified mail, to the 30684  
applicant, the board of commissioners of the county or the chief 30685  
executive of the municipal corporation in which the facility to 30686  
which the certificate would have been given is located. The 30687  
director's redetermination that an enterprise is ineligible may 30688  
be appealed to the board of tax appeals under section 5717.02 of 30689  
the Revised Code. 30690

(B) (1) If the director determines an enterprise to be 30691  
eligible under division (A) of this section, the director shall 30692  
determine if the enterprise is entitled to an employee tax 30693  
credit certificate. An enterprise is entitled to an employee tax 30694  
credit certificate for each eligible employee the enterprise 30695  
hires. A taxpayer who is issued an employee tax credit 30696  
certificate under this section may claim a nonrefundable credit 30697  
of one thousand dollars against the taxpayer's aggregate tax 30698  
liability under either section 5733.06 or 5747.02 of the Revised 30699  
Code for each taxable year of the agreement entered into under 30700  
section 5709.62 or 5709.63 of the Revised Code in which an 30701  
eligible employee is employed for the taxpayer's full taxable 30702  
year. If the eligible employee is employed for less than the 30703  
taxpayer's full taxable year, the taxpayer may claim a reduced 30704  
credit against the aggregate amount of tax due under either 30705  
section 5733.06 or 5747.02 of the Revised Code. The reduced 30706

credit shall be computed by dividing the total number of days in 30707  
the taxable year into one thousand dollars and multiplying the 30708  
quotient by the number of days the eligible employee was 30709  
employed in the taxable year. For purposes of the computation, 30710  
the eligible employee shall be deemed to have been employed for 30711  
each day of the taxable year commencing on the date of 30712  
employment or ending on the date of termination of employment. 30713

The credit provided under this division to a noncorporate 30714  
enterprise or an enterprise that is an S corporation as defined 30715  
in section 1361 of the Internal Revenue Code shall be divided 30716  
pro rata among the owners or shareholders of the enterprise 30717  
subject to the tax imposed by section 5747.02 of the Revised 30718  
Code, based on their proportionate ownership interests in the 30719  
enterprise. The enterprise shall file with the tax commissioner, 30720  
on a form prescribed by the tax commissioner, a statement 30721  
showing the total available credit and the portion of that 30722  
credit attributed to each owner or shareholder. The statement 30723  
shall identify each owner or shareholder by name and social 30724  
security number and shall be filed with the tax commissioner by 30725  
the date prescribed by the tax commissioner, which shall be no 30726  
earlier than the fifteenth day of the month following the close 30727  
of the enterprise's taxable year for which the credit is 30728  
claimed. 30729

The taxpayer shall claim the credit in the order required 30730  
under section 5733.98 or 5747.98 of the Revised Code. If the 30731  
credit provided under this division exceeds the taxpayer's tax 30732  
liability for the taxable year after allowance for any other 30733  
credits that precede the credit under this section in that 30734  
order, the credit may be carried forward for the next three 30735  
succeeding taxable years, but the amount of any excess credit 30736  
allowed in any such year shall be deducted from the balance 30737

carried forward to the succeeding taxable year. 30738

holding the certificate complies with all such rules. The 30767

director of job and family services shall administer the 30768  
incentive provided under division (B)(1) of section 5709.66 of 30769  
the Revised Code and shall adopt rules necessary to carry out 30770  
that duty. No extension of benefits certificate shall be issued 30771  
or remain in effect unless the enterprise applying for or 30772  
holding the certificate complies with all such rules. 30773

(B) Not later than the first day of August each year, the 30774

5709.63, or division (G) of section 5709.632 of the Revised 30793

The report shall include a finding by the director as to 30795  
whether the incentives provided under sections 5709.61 to 30796

5709.69 of the Revised Code have resulted in the creation of 30797  
more positions in the state than would have been created without 30798  
the incentives. The director shall send a copy of the report to 30799

prevail in the absence of the use of such authority. Such 30817  
authority is not intended by the ~~General Assembly~~general 30818

municipal corporation in this state and has entered into or 30991  
intends to enter into an agreement under section 5709.62, 30992  
5709.63, or 5709.632 of the Revised Code with that county or 30993  
municipal corporation, the legislative authority or an officer 30994  
of the county or municipal corporation to which the enterprise 30995  
intends to relocate or relocates shall serve the legislative 30996  
authority of the county or municipal corporation from which the 30997  
enterprise intends to relocate or relocates with notice of the 30998  
enterprise's intention to relocate, accompanied by a copy of the 30999  
agreement to be entered into or entered into pursuant to section 31000  
5709.62, 5709.63, or 5709.632 of the Revised Code and a 31001  
statement of the enterprise's reasons for relocation. The 31002  
legislative authority or officer also shall serve such notice 31003  
upon the director of housing and development. In both cases, 31004  
service shall be by personal service or certified mail, return 31005  
receipt requested, not later than thirty days prior to the day 31006  
of the first public meeting at which the agreement is 31007

deliberated by the legislative authority of the county or 31008  
municipal corporation to which the enterprise intends to 31009  
relocate or relocates. With the approval of the director of 31010  
housing and development, service shall be not later than fifteen 31011  
days prior to the day of the first public meeting of the 31012  
legislative authority at which the agreement is deliberated. The 31013  
legislative authority or officer required to serve notice shall 31014  
seek such approval by applying to the director at the earliest 31015  
possible time prior to that meeting. The director may approve 31016  
the later service if the director determines that earlier notice 31017  
is not possible or would be likely to jeopardize realization of 31018  
the project. If approval for a later notice is applied for, the 31019  
legislative authority or officer need not serve notice to the 31020  
director as otherwise required by this section. 31021

If the legislative authority or officer required to serve 31022  
such notices fails to do so as prescribed by this section, the 31023  
legislative authority shall not enter into an agreement under 31024  
those sections with that enterprise. 31025

This section applies only to relocations of operations 31026  
that result or would result in the reduction of employment or 31027  
the cessation of operations at a place of business in this 31028  
state. 31029

**Sec. 5709.73.** (A) As used in this section and section 31030  
5709.74 of the Revised Code: 31031

(1) "Business day" means a day of the week excluding 31032  
Saturday, Sunday, and a legal holiday as defined in section 1.14 31033  
of the Revised Code. 31034

(2) "Further improvements" or "improvements" means the 31035  
increase in the assessed value of real property that would first 31036

appear on the tax list and duplicate of real and public utility 31037  
property after the effective date of a resolution adopted under 31038  
this section were it not for the exemption granted by that 31039  
resolution. For purposes of division (B) of this section, 31040  
"improvements" do not include any property used or to be used 31041  
for residential purposes. For this purpose, "property that is 31042  
used or to be used for residential purposes" means property 31043  
that, as improved, is used or to be used for purposes that would 31044  
cause the tax commissioner to classify the property as 31045  
residential property in accordance with rules adopted by the 31046  
commissioner under section 5713.041 of the Revised Code. 31047

(3) "Housing renovation" means a project carried out for 31048  
residential purposes. 31049

(4) "Incentive district" has the same meaning as in 31050  
section 5709.40 of the Revised Code, except that a blighted area 31051  
is in the unincorporated area of a township. 31052

(5) "Overlay" has the same meaning as in section 5709.40 31053  
of the Revised Code, except that the overlay is delineated by 31054  
the board of township trustees. 31055

(6) "Project" and "public infrastructure improvement" have 31056  
the same meanings as in section 5709.40 of the Revised Code. 31057

(7) "Urban township" has the same meaning as in section 31058  
504.01 of the Revised Code. 31059

(8) "Nonperforming parcel" means a parcel to which all of 31060  
the following apply: 31061

(a) The parcel is exempted from taxation under division 31062  
(B) of this section or has been included in a district created 31063  
under division (C) of this section. 31064

(b) The parcel's owner is required to make payments in lieu of taxes in accordance with section 5709.74 of the Revised Code. 31065  
31066  
31067

(c) No such payments have been remitted to the county treasurer since the inception of the exemption or district. 31068  
31069

(B) A board of township trustees may adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except for a resolution adopted by the board of an urban township, the resolution shall be adopted by a unanimous vote of the board. Except as otherwise provided under division (D) of this section or section 5709.51 of the Revised Code, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption. 31070

31083

(C) (1) A board of township trustees may adopt a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (C) (2) of this section, exempt from taxation as provided in this section. Except for a resolution adopted by the board of an urban township, the resolution shall be adopted by a unanimous vote of the board. A board of township trustees of a township that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, may not adopt a resolution that creates an incentive district if the sum of the taxable value of real 31084

property in the proposed district for the preceding tax year and 31095  
the taxable value of all real property in the township that 31096  
would have been taxable in the preceding year were it not for 31097  
the fact that the property was in an existing incentive district 31098  
and therefore exempt from taxation exceeds twenty-five per cent 31099  
of the taxable value of real property in the township for the 31100  
preceding tax year. The district shall be located within the 31101  
unincorporated area of the township and shall not include any 31102  
territory that is included within a district created under 31103  
division (B) of section 5709.78 of the Revised Code. The 31104  
resolution shall delineate the boundary of the proposed district 31105  
and specifically identify each parcel within the district. A 31106  
proposed district may not include any parcel, other than a 31107  
nonperforming parcel, that is or has been exempted from taxation 31108  
under division (B) of this section or that is or has been within 31109  
another district created under this division. On and after the 31110  
effective date of the district, a nonperforming parcel within 31111  
the district is no longer exempted from taxation under division 31112  
(B) of this section or included within an incentive district 31113  
under any previous resolution, and the parcel's owner is no 31114  
longer required to make payments in lieu of taxes under such a 31115  
previous resolution in accordance with section 5709.74 of the 31116  
Revised Code. Any exemption application filed with the tax 31117  
commissioner under section 5715.27 of the Revised Code under the 31118  
second resolution shall identify the nonperforming parcels 31119  
included in the second district, the original resolution under 31120  
which the nonperforming parcels were originally exempted, and 31121  
the value history of each nonperforming parcel since the 31122  
enactment of the original resolution. A resolution may create 31123  
more than one such district, and more than one resolution may be 31124  
adopted under division (C) (1) of this section. 31125

(2) (a) Not later than thirty days prior to adopting a resolution under division (C) (1) of this section, if the township intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution. The notice shall include a map of the proposed incentive district on which the board of township trustees shall have delineated an overlay. The notice shall inform the property owner of the owner's right to exclude the owner's property from the incentive district if both of the following conditions are met:

(i) The owner's entire parcel of property will not be located within the overlay.

(ii) The owner has submitted a statement to the board of county commissioners of the county in which the parcel is located indicating the owner's intent to seek a tax exemption for improvements to the owner's parcel under division (A) or (B) of section 5709.78 of the Revised Code within the next five years.

When both of the preceding conditions are met, the owner may exclude the owner's property from the incentive district by submitting a written response in accordance with division (C) (2) (b) of this section. The notice also shall include information detailing the required contents of the response, the address to

which the response may be mailed, and the deadline for 31156  
submitting the response. 31157

(b) Any owner of real property located within the 31158  
boundaries of an incentive district proposed under division (C) 31159  
(1) of this section who meets the conditions specified in 31160  
divisions (C) (2) (a) (i) and (ii) of this section may exclude the 31161  
property from the proposed incentive district by submitting a 31162  
written response to the board not later than forty-five days 31163  
after the postmark date on the notice required under division 31164  
(C) (2) (a) of this section. The response shall include a copy of 31165  
the statement submitted under division (C) (2) (a) (ii) of this 31166  
section. The response shall be sent by first class mail or 31167  
delivered in person at a public hearing held by the board under 31168  
division (C) (2) (a) of this section. The response shall conform 31169  
to any content requirements that may be established by the board 31170  
and included in the notice provided under division (C) (2) (a) of 31171  
this section. In the response, property owners may identify a 31172  
parcel by street address, by the manner in which it is 31173  
identified in the resolution, or by other means allowing the 31174  
identity of the parcel to be ascertained. 31175

(c) Before adopting a resolution under division (C) (1) of 31176  
this section, the board shall amend the resolution to exclude 31177  
any parcel for which a written response has been submitted under 31178  
division (C) (2) (b) of this section. A township shall not apply 31179  
for exemptions from taxation under section 5709.911 of the 31180  
Revised Code for any such parcel, and service payments may not 31181  
be required from the owner of the parcel. Improvements to a 31182  
parcel excluded from an incentive district under this division 31183  
may be exempted from taxation under division (B) of this section 31184  
pursuant to a resolution adopted under that division or under 31185  
any other section of the Revised Code under which the parcel 31186

qualifies. 31187

(3) (a) A resolution adopted under division (C) (1) of this 31188  
section shall specify the life of the incentive district and the 31189  
percentage of the improvements to be exempted, shall designate 31190  
the public infrastructure improvements made, to be made, or in 31191  
the process of being made, that benefit or serve, or, once made, 31192  
will benefit or serve parcels in the district. The resolution 31193  
also shall identify one or more specific projects being, or to 31194  
be, undertaken in the district that place additional demand on 31195  
the public infrastructure improvements designated in the 31196  
resolution. The project identified may, but need not be, the 31197  
project under division (C) (3) (b) of this section that places 31198  
real property in use for commercial or industrial purposes. 31199

A resolution adopted under division (C) (1) of this section 31200  
on or after March 30, 2006, shall not designate police or fire 31201  
equipment as public infrastructure improvements, and, except as 31202  
provided in division (F) of this section, no service payment 31203  
provided for in section 5709.74 of the Revised Code and received 31204  
by the township under the resolution shall be used for police or 31205  
fire equipment. 31206

(b) A resolution adopted under division (C) (1) of this 31207  
section may authorize the use of service payments provided for 31208  
in section 5709.74 of the Revised Code for the purpose of 31209  
housing renovations within the incentive district, provided that 31210  
the resolution also designates public infrastructure 31211  
improvements that benefit or serve the district, and that a 31212  
project within the district places real property in use for 31213  
commercial or industrial purposes. Service payments may be used 31214  
to finance or support loans, deferred loans, and grants to 31215  
persons for the purpose of housing renovations within the 31216

district. The resolution shall designate the parcels within the 31217  
district that are eligible for housing renovations. The 31218  
resolution shall state separately the amount or the percentages 31219  
of the expected aggregate service payments that are designated 31220  
for each public infrastructure improvement and for the purpose 31221  
of housing renovations. 31222

(4) Except with the approval of the board of education of 31223  
each city, local, or exempted village school district within the 31224  
territory of which the incentive district is or will be located, 31225  
and subject to division (E) of this section, the life of an 31226  
incentive district shall not exceed ten years, and the 31227  
percentage of improvements to be exempted shall not exceed 31228  
seventy-five per cent. With approval of the board of education, 31229  
the life of a district may be not more than thirty years, and 31230  
the percentage of improvements to be exempted may be not more 31231  
than one hundred per cent. The approval of a board of education 31232  
shall be obtained in the manner provided in division (D) of this 31233  
section. 31234

(D) Improvements with respect to a parcel may be exempted 31235  
from taxation under division (B) of this section, and 31236  
improvements to parcels within an incentive district may be 31237  
exempted from taxation under division (C) of this section, for 31238  
up to ten years or, with the approval of the board of education 31239  
of the city, local, or exempted village school district within 31240  
which the parcel or district is located, for up to thirty years. 31241  
The percentage of the improvements exempted from taxation may, 31242  
with such approval, exceed seventy-five per cent, but shall not 31243  
exceed one hundred per cent. Not later than forty-five business 31244  
days prior to adopting a resolution under this section declaring 31245  
improvements to be a public purpose that is subject to approval 31246  
by a board of education under this division, the board of 31247

township trustees shall deliver to the board of education a 31248  
notice stating its intent to adopt a resolution making that 31249  
declaration. The notice regarding improvements with respect to a 31250  
parcel under division (B) of this section shall identify the 31251  
parcels for which improvements are to be exempted from taxation, 31252  
provide an estimate of the true value in money of the 31253  
improvements, specify the period for which the improvements 31254  
would be exempted from taxation and the percentage of the 31255  
improvements that would be exempted, and indicate the date on 31256  
which the board of township trustees intends to adopt the 31257  
resolution. The notice regarding improvements made under 31258  
division (C) of this section to parcels within an incentive 31259  
district shall delineate the boundaries of the district, 31260  
specifically identify each parcel within the district, identify 31261  
each anticipated improvement in the district, provide an 31262  
estimate of the true value in money of each such improvement, 31263  
specify the life of the district and the percentage of 31264  
improvements that would be exempted, and indicate the date on 31265  
which the board of township trustees intends to adopt the 31266  
resolution. The board of education, by resolution adopted by a 31267  
majority of the board, may approve the exemption for the period 31268  
or for the exemption percentage specified in the notice; may 31269  
disapprove the exemption for the number of years in excess of 31270  
ten, may disapprove the exemption for the percentage of the 31271  
improvements to be exempted in excess of seventy-five per cent, 31272  
or both; or may approve the exemption on the condition that the 31273  
board of township trustees and the board of education negotiate 31274  
an agreement providing for compensation to the school district 31275  
equal in value to a percentage of the amount of taxes exempted 31276  
in the eleventh and subsequent years of the exemption period or, 31277  
in the case of exemption percentages in excess of seventy-five 31278  
per cent, compensation equal in value to a percentage of the 31279

taxes that would be payable on the portion of the improvements 31280  
in excess of seventy-five per cent were that portion to be 31281  
subject to taxation, or other mutually agreeable compensation. 31282

The board of education shall certify its resolution to the 31283  
board of township trustees not later than fourteen days prior to 31284  
the date the board of township trustees intends to adopt the 31285  
resolution as indicated in the notice. If the board of education 31286  
and the board of township trustees negotiate a mutually 31287  
acceptable compensation agreement, the resolution may declare 31288  
the improvements a public purpose for the number of years 31289  
specified in the resolution or, in the case of exemption 31290  
percentages in excess of seventy-five per cent, for the 31291  
exemption percentage specified in the resolution. In either 31292  
case, if the board of education and the board of township 31293  
trustees fail to negotiate a mutually acceptable compensation 31294  
agreement, the resolution may declare the improvements a public 31295  
purpose for not more than ten years, and shall not exempt more 31296  
than seventy-five per cent of the improvements from taxation. If 31297  
the board of education fails to certify a resolution to the 31298  
board of township trustees within the time prescribed by this 31299  
section, the board of township trustees thereupon may adopt the 31300  
resolution and may declare the improvements a public purpose for 31301  
up to thirty years or, in the case of exemption percentages 31302  
proposed in excess of seventy-five per cent, for the exemption 31303  
percentage specified in the resolution. The board of township 31304  
trustees may adopt the resolution at any time after the board of 31305  
education certifies its resolution approving the exemption to 31306  
the board of township trustees, or, if the board of education 31307  
approves the exemption on the condition that a mutually 31308  
acceptable compensation agreement be negotiated, at any time 31309  
after the compensation agreement is agreed to by the board of 31310

education and the board of township trustees. If a mutually 31311  
acceptable compensation agreement is negotiated between the 31312  
board of township trustees and the board of education, including 31313  
agreements for payments in lieu of taxes under section 5709.74 31314  
of the Revised Code, the board of township trustees shall 31315  
compensate the joint vocational school district within which the 31316  
parcel or district is located at the same rate and under the 31317  
same terms received by the city, local, or exempted village 31318  
school district. 31319

If a board of education has adopted a resolution waiving 31320  
its right to approve exemptions from taxation under this section 31321  
and the resolution remains in effect, approval of such 31322  
exemptions by the board of education is not required under 31323  
division (D) of this section. If a board of education has 31324  
adopted a resolution allowing a board of township trustees to 31325  
deliver the notice required under division (D) of this section 31326  
fewer than forty-five business days prior to adoption of the 31327  
resolution by the board of township trustees, the board of 31328  
township trustees shall deliver the notice to the board of 31329  
education not later than the number of days prior to the 31330  
adoption as prescribed by the board of education in its 31331  
resolution. If a board of education adopts a resolution waiving 31332  
its right to approve exemptions or shortening the notification 31333  
period, the board of education shall certify a copy of the 31334  
resolution to the board of township trustees. If the board of 31335  
education rescinds the resolution, it shall certify notice of 31336  
the rescission to the board of township trustees. 31337

If the board of township trustees is not required by 31338  
division (D) of this section to notify the board of education of 31339  
the board of township trustees' intent to declare improvements 31340  
to be a public purpose, the board of township trustees shall 31341

comply with the notice requirements imposed under section 31342  
5709.83 of the Revised Code before taking formal action to adopt 31343  
the resolution making that declaration, unless the board of 31344  
education has adopted a resolution under that section waiving 31345  
its right to receive the notice. 31346

Nothing in this division prohibits the board of township 31347  
trustees from amending the resolution under section 5709.51 of 31348  
the Revised Code to extend the term of the exemption. 31349

(E) (1) If a proposed resolution under division (C) (1) of 31350  
this section exempts improvements with respect to a parcel 31351  
within an incentive district for more than ten years, or the 31352  
percentage of the improvement exempted from taxation exceeds 31353  
seventy-five per cent, not later than forty-five business days 31354  
prior to adopting the resolution the board of township trustees 31355  
shall deliver to the board of county commissioners of the county 31356  
within which the incentive district is or will be located a 31357  
notice that states its intent to adopt a resolution creating an 31358  
incentive district. The notice shall include a copy of the 31359  
proposed resolution, identify the parcels for which improvements 31360  
are to be exempted from taxation, provide an estimate of the 31361  
true value in money of the improvements, specify the period of 31362  
time for which the improvements would be exempted from taxation, 31363  
specify the percentage of the improvements that would be 31364  
exempted from taxation, and indicate the date on which the board 31365  
of township trustees intends to adopt the resolution. 31366

(2) The board of county commissioners, by resolution 31367  
adopted by a majority of the board, may object to the exemption 31368  
for the number of years in excess of ten, may object to the 31369  
exemption for the percentage of the improvement to be exempted 31370  
in excess of seventy-five per cent, or both. If the board of 31371

county commissioners objects, the board may negotiate a mutually 31372  
acceptable compensation agreement with the board of township 31373  
trustees. In no case shall the compensation provided to the 31374  
board of county commissioners exceed the property taxes foregone 31375  
due to the exemption. If the board of county commissioners 31376  
objects, and the board of county commissioners and board of 31377  
township trustees fail to negotiate a mutually acceptable 31378  
compensation agreement, the resolution adopted under division 31379  
(C) (1) of this section shall provide to the board of county 31380  
commissioners compensation in the eleventh and subsequent years 31381  
of the exemption period equal in value to not more than fifty 31382  
per cent of the taxes that would be payable to the county or, if 31383  
the board of county commissioner's objection includes an 31384  
objection to an exemption percentage in excess of seventy-five 31385  
per cent, compensation equal in value to not more than fifty per 31386  
cent of the taxes that would be payable to the county, on the 31387  
portion of the improvement in excess of seventy-five per cent, 31388  
were that portion to be subject to taxation. The board of county 31389  
commissioners shall certify its resolution to the board of 31390  
township trustees not later than thirty days after receipt of 31391  
the notice. 31392

(3) If the board of county commissioners does not object 31393  
or fails to certify its resolution objecting to an exemption 31394  
within thirty days after receipt of the notice, the board of 31395  
township trustees may adopt its resolution, and no compensation 31396  
shall be provided to the board of county commissioners. If the 31397  
board of county commissioners timely certifies its resolution 31398  
objecting to the trustees' resolution, the board of township 31399  
trustees may adopt its resolution at any time after a mutually 31400  
acceptable compensation agreement is agreed to by the board of 31401  
county commissioners and the board of township trustees, or, if 31402

no compensation agreement is negotiated, at any time after the 31403  
board of township trustees agrees in the proposed resolution to 31404  
provide compensation to the board of county commissioners of 31405  
fifty per cent of the taxes that would be payable to the county 31406  
in the eleventh and subsequent years of the exemption period or 31407  
on the portion of the improvement in excess of seventy-five per 31408  
cent, were that portion to be subject to taxation. 31409

(F) Service payments in lieu of taxes that are 31410  
attributable to any amount by which the effective tax rate of 31411  
either a renewal levy with an increase or a replacement levy 31412  
exceeds the effective tax rate of the levy renewed or replaced, 31413  
or that are attributable to an additional levy, for a levy 31414  
authorized by the voters for any of the following purposes on or 31415  
after January 1, 2006, and which are provided pursuant to a 31416  
resolution creating an incentive district under division (C) (1) 31417  
of this section that is adopted on or after January 1, 2006, or 31418  
a later date as specified in this division, shall be distributed 31419  
to the appropriate taxing authority as required under division 31420  
(C) of section 5709.74 of the Revised Code in an amount equal to 31421  
the amount of taxes from that additional levy or from the 31422  
increase in the effective tax rate of such renewal or 31423  
replacement levy that would have been payable to that taxing 31424  
authority from the following levies were it not for the 31425  
exemption authorized under division (C) of this section: 31426

(1) A tax levied under division (L) of section 5705.19 or 31427  
section 5705.191 or 5705.222 of the Revised Code for community 31428  
developmental disabilities programs and services pursuant to 31429  
Chapter 5126. of the Revised Code; 31430

(2) A tax levied under division (Y) of section 5705.19 of 31431  
the Revised Code for providing or maintaining senior citizens 31432

services or facilities;	31433
(3) A tax levied under section 5705.22 of the Revised Code	31434
for county hospitals;	31435
(4) A tax levied by a joint-county district or by a county	31436
under section 5705.19, 5705.191, or 5705.221 of the Revised Code	31437
for alcohol, drug addiction, and mental health services or	31438
families;	31439
(5) A tax levied under section 5705.23 of the Revised Code	31440
for library purposes;	31441
(6) A tax levied under section 5705.24 of the Revised Code	31442
for the support of children services and the placement and care	31443
of children;	31444
(7) A tax levied under division (Z) of section 5705.19 of	31445
the Revised Code for the provision and maintenance of zoological	31446
park services and facilities under section 307.76 of the Revised	31447
Code;	31448
(8) A tax levied under section 511.27 or division (H) of	31449
section 5705.19 of the Revised Code for the support of township	31450
park districts;	31451
(9) A tax levied under division (A), (F), or (H) of	31452
section 5705.19 of the Revised Code for parks and recreational	31453
purposes of a joint recreation district organized pursuant to	31454
division (B) of section 755.14 of the Revised Code;	31455
(10) A tax levied under section 1545.20 or 1545.21 of the	31456
Revised Code for park district purposes;	31457
(11) A tax levied under section 5705.191 of the Revised	31458
Code for the purpose of making appropriations for public	31459
assistance; human or social services; public relief; public	31460

welfare; public health and hospitalization; and support of 31461  
general hospitals; 31462

(12) A tax levied under section 3709.29 of the Revised 31463  
Code for a general health district program; 31464

(13) A tax levied by a township under section 505.39, 31465  
505.51, or division (I), (J), (U), or (JJ) of section 5705.19 of 31466  
the Revised Code for the purpose of funding fire, police, 31467  
emergency medical, or ambulance services as described in those 31468  
sections. Division (F)(13) of this section applies only to 31469  
incentive districts created by a resolution adopted on or after 31470  
March 22, 2019, the effective date of the amendment of this 31471  
section by H.B. 500 of the 132nd general assembly, and only if 31472  
that resolution specifies that division (F) of this section 31473  
shall apply to such a tax. 31474

(G) An exemption from taxation granted under this section 31475  
commences with the tax year specified in the resolution so long 31476  
as the year specified in the resolution commences after the 31477  
effective date of the resolution. If the resolution specifies a 31478  
year commencing before the effective date of the resolution or 31479  
specifies no year whatsoever, the exemption commences with the 31480  
tax year in which an exempted improvement first appears on the 31481  
tax list and duplicate of real and public utility property and 31482  
that commences after the effective date of the resolution. In 31483  
lieu of stating a specific year, the resolution may provide that 31484  
the exemption commences in the tax year in which the value of an 31485  
improvement exceeds a specified amount or in which the 31486  
construction of one or more improvements is completed, provided 31487  
that such tax year commences after the effective date of the 31488  
resolution. With respect to the exemption of improvements to 31489  
parcels under division (B) of this section, the resolution may 31490

allow for the exemption to commence in different tax years on a 31491  
parcel-by-parcel basis, with a separate exemption term specified 31492  
for each parcel. 31493

Except as otherwise provided in this division and section 31494  
5709.51 of the Revised Code, the exemption ends on the date 31495  
specified in the resolution as the date the improvement ceases 31496  
to be a public purpose or the incentive district expires, or 31497  
ends on the date on which the public infrastructure improvements 31498  
and housing renovations are paid in full from the township 31499  
public improvement tax increment equivalent fund established 31500  
under section 5709.75 of the Revised Code, whichever occurs 31501  
first. The exemption of an improvement with respect to a parcel 31502  
or within an incentive district may end on a later date, as 31503  
specified in the resolution, if the board of township trustees 31504  
and the board of education of the city, local, or exempted 31505  
village school district within which the parcel or district is 31506  
located have entered into a compensation agreement under section 31507  
5709.82 of the Revised Code with respect to the improvement and 31508  
the board of education has approved the term of the exemption 31509  
under division (D) of this section, but in no case shall the 31510  
improvement be exempted from taxation for more than thirty 31511  
years. The board of township trustees may, by majority vote, 31512  
adopt a resolution permitting the township to enter into such 31513  
agreements as the board finds necessary or appropriate to 31514  
provide for the construction or undertaking of public 31515  
infrastructure improvements and housing renovations. Any 31516  
exemption shall be claimed and allowed in the same or a similar 31517  
manner as in the case of other real property exemptions. If an 31518  
exemption status changes during a tax year, the procedure for 31519  
the apportionment of the taxes for that year is the same as in 31520  
the case of other changes in tax exemption status during the 31521

year. 31522

(H) The board of township trustees may issue the notes of 31523  
the township to finance all costs pertaining to the construction 31524  
or undertaking of public infrastructure improvements and housing 31525  
renovations made pursuant to this section. The notes shall be 31526  
signed by the board and attested by the signature of the 31527  
township fiscal officer, shall bear interest not to exceed the 31528  
rate provided in section 9.95 of the Revised Code, and are not 31529  
subject to Chapter 133. of the Revised Code. The resolution 31530  
authorizing the issuance of the notes shall pledge the funds of 31531  
the township public improvement tax increment equivalent fund 31532  
established pursuant to section 5709.75 of the Revised Code to 31533  
pay the interest on and principal of the notes. The notes, which 31534  
may contain a clause permitting prepayment at the option of the 31535  
board, shall be offered for sale on the open market or given to 31536  
the vendor or contractor if no sale is made. 31537

(I) The township, not later than fifteen days after the 31538  
adoption of a resolution under this section, shall submit to the 31539  
director of housing and development a copy of the resolution. On 31540  
or before the thirty-first day of March of each year, the 31541  
township shall submit a status report to the director. The 31542  
report shall indicate, in the manner prescribed by the director, 31543  
the progress of the project during each year that the exemption 31544  
remains in effect, including a summary of the receipts from 31545  
service payments in lieu of taxes; expenditures of money from 31546  
the fund created under section 5709.75 of the Revised Code; a 31547  
description of the public infrastructure improvements and 31548  
housing renovations financed with the expenditures; and a 31549  
quantitative summary of changes in private investment resulting 31550  
from each project. 31551

(J) Nothing in this section shall be construed to prohibit 31552  
a board of township trustees from declaring to be a public 31553  
purpose improvements with respect to more than one parcel. 31554

If a parcel is located in a new community district in 31555  
which the new community authority imposes a community 31556  
development charge on the basis of rentals received from leases 31557  
of real property as described in division (L) (2) of section 31558  
349.01 of the Revised Code, the parcel may not be exempted from 31559  
taxation under this section. 31560

(K) A board of township trustees that adopted a resolution 31561  
under this section prior to July 21, 1994, may amend that 31562  
resolution to include any additional public infrastructure 31563  
improvement. A board of township trustees that seeks by the 31564  
amendment to utilize money from its township public improvement 31565  
tax increment equivalent fund for land acquisition in aid of 31566  
industry, commerce, distribution, or research, demolition on 31567  
private property, or stormwater and flood remediation projects 31568  
may do so provided that the board currently is a party to a 31569  
hold-harmless agreement with the board of education of the city, 31570  
local, or exempted village school district within the territory 31571  
of which are located the parcels that are subject to an 31572  
exemption. For the purposes of this division, a "hold-harmless 31573  
agreement" means an agreement under which the board of township 31574  
trustees agrees to compensate the school district for one 31575  
hundred per cent of the tax revenue that the school district 31576  
would have received from further improvements to parcels 31577  
designated in the resolution were it not for the exemption 31578  
granted by the resolution. 31579

(L) (1) Notwithstanding the limitation prescribed by 31580  
division (D) of this section on the number of years that 31581

improvements to a parcel or parcels may be exempted from 31582  
taxation, and subject to division (L) (3) of this section, a 31583  
board of trustees of a township with a population of fifteen 31584  
thousand or more may amend a resolution originally adopted under 31585  
this section before December 31, 1994, to extend the exemption 31586  
of improvements to the parcel or parcels included in such 31587  
resolution for an additional period not to exceed fifteen years. 31588  
The amendment shall not increase the percentage of improvements 31589  
to the parcel or parcels exempted from taxation. 31590

(2) Notwithstanding the limitations prescribed by 31591  
divisions (C) and (D) of this section on the life of an 31592  
incentive district and the number of years that improvements to 31593  
a parcel or parcels within an incentive district may be exempted 31594  
from taxation, and subject to division (L) (3) of this section, a 31595  
board of township trustees may amend a resolution originally 31596  
adopted under division (C) of this section before January 1, 31597  
2006, to extend the life of an incentive district created by 31598  
that resolution. The extension shall be for a period not to 31599  
exceed fifteen years and shall not increase the percentage of 31600  
the value of improvements exempted from taxation. 31601

(3) Before adopting an amendment authorized under division 31602  
(L) (1) or (2) of this section, the board of township trustees 31603  
shall provide notice of the amendment to each board of education 31604  
of the city, local, or exempted village school district in which 31605  
the exempted parcels or incentive district are located, in the 31606  
same manner as provided under division (D) of this section, and 31607  
shall obtain the approval of each such board of education in the 31608  
manner required under that division, except that (a) the board 31609  
of education may approve the exemption on the condition that the 31610  
board of township trustees and the board of education negotiate 31611  
an agreement providing for compensation to the school district 31612

equal in value to the amount of taxes the district forgoes in 31613  
each year the exemption is extended or any other mutually 31614  
agreeable compensation and (b) if the board of education fails 31615  
to certify a resolution approving the amendment to the board of 31616  
township trustees within the time prescribed by division (D) of 31617  
this section, the board of township trustees shall not adopt the 31618  
amendment. 31619

No approval under division (L) (3) of this section shall be 31620  
required for an amendment authorized under division (L) (2) of 31621  
this section if the amendment provides for compensation to the 31622  
city, local, or exempted village school district in which the 31623  
incentive district is located equal in value to the amount of 31624  
taxes that would be payable to the school district if the 31625  
improvements exempted from taxation had not been exempted for 31626  
the additional period. Approval is also not required for an 31627  
amendment authorized under either division (L) (1) or (2) of this 31628  
section from a board of education that has adopted a resolution 31629  
waiving its right to approve exemptions from taxation pursuant 31630  
to division (D) of this section. If the board of education has 31631  
adopted such a resolution, the board of township trustees shall 31632  
comply with the notice requirements imposed under section 31633  
5709.83 of the Revised Code before taking formal action to adopt 31634  
the amendment unless the board of education has adopted a 31635  
resolution under that section waiving its right to receive the 31636  
notice. Not later than fourteen days before adopting an 31637  
amendment authorized under division (L) (1) or (2) of this 31638  
section, the board of township trustees shall deliver a notice 31639  
identical to a notice required under section 5709.83 of the 31640  
Revised Code to the board of county commissioners of each county 31641  
in which the exempted parcels or incentive district are located. 31642

**Sec. 5709.78.** (A) A board of county commissioners may, by 31643

resolution, declare improvements to certain parcels of real 31644  
property located in the unincorporated territory of the county 31645  
to be a public purpose. Except as otherwise provided under 31646  
division (C) of this section or section 5709.51 of the Revised 31647  
Code, not more than seventy-five per cent of an improvement thus 31648  
declared to be a public purpose may be exempted from real 31649  
property taxation, for a period of not more than ten years. The 31650  
resolution shall specify the percentage of the improvement to be 31651  
exempted and the life of the exemption. 31652

A resolution adopted under this division shall designate 31653  
the specific public infrastructure improvements made, to be 31654  
made, or in the process of being made by the county that 31655  
directly benefit, or that once made will directly benefit, the 31656  
parcels for which improvements are declared to be a public 31657  
purpose. The service payments provided for in section 5709.79 of 31658  
the Revised Code shall be used to finance the public 31659  
infrastructure improvements designated in the resolution, or as 31660  
provided in section 5709.80 of the Revised Code. 31661

(B) (1) A board of county commissioners may adopt a 31662  
resolution creating an incentive district and declaring 31663  
improvements to parcels within the district to be a public 31664  
purpose and, except as provided in division (B) (2) of this 31665  
section, exempt from taxation as provided in this section, but 31666  
no board of county commissioners of a county that has a 31667  
population that exceeds twenty-five thousand, as shown by the 31668  
most recent federal decennial census, shall adopt a resolution 31669  
that creates an incentive district if the sum of the taxable 31670  
value of real property in the proposed district for the 31671  
preceding tax year and the taxable value of all real property in 31672  
the county that would have been taxable in the preceding year 31673  
were it not for the fact that the property was in an existing 31674

incentive district and therefore exempt from taxation exceeds 31675  
twenty-five per cent of the taxable value of real property in 31676  
the county for the preceding tax year. The district shall be 31677  
located within the unincorporated territory of the county and 31678  
shall not include any territory that is included within a 31679  
district created under division (C) of section 5709.73 of the 31680  
Revised Code. The resolution shall delineate the boundary of the 31681  
proposed district and specifically identify each parcel within 31682  
the district. A proposed district may not include any parcel 31683  
that is or has been exempted from taxation under division (A) of 31684  
this section or that is or has been within another district 31685  
created under this division. A resolution may create more than 31686  
one such district, and more than one resolution may be adopted 31687  
under division (B) (1) of this section. 31688

(2) (a) Not later than thirty days prior to adopting a 31689  
resolution under division (B) (1) of this section, if the county 31690  
intends to apply for exemptions from taxation under section 31691  
5709.911 of the Revised Code on behalf of owners of real 31692  
property located within the proposed incentive district, the 31693  
board of county commissioners shall conduct a public hearing on 31694  
the proposed resolution. Not later than thirty days prior to the 31695  
public hearing, the board shall give notice of the public 31696  
hearing and the proposed resolution by first class mail to every 31697  
real property owner whose property is located within the 31698  
boundaries of the proposed incentive district that is the 31699  
subject of the proposed resolution. The board also shall provide 31700  
the notice by first class mail to the clerk of each township in 31701  
which the proposed incentive district will be located. The 31702  
notice shall include a map of the proposed incentive district on 31703  
which the board of county commissioners shall have delineated an 31704  
overlay. The notice shall inform property owners of the owner's 31705

right to exclude the owner's property from the incentive 31706  
district if both of the following conditions are met: 31707

(i) The owner's entire parcel of property will not be 31708  
located within the overlay. 31709

(ii) The owner has submitted a statement to the board of 31710  
township trustees of the township in which the parcel is located 31711  
indicating the owner's intent to seek a tax exemption for 31712  
improvements to the owner's parcel under section 5709.41 or 31713  
division (B) or (C) of section 5709.73 of the Revised Code 31714  
within the next five years. 31715

When both of the preceding conditions are met, the owner 31716  
may exclude the owner's property from the incentive district by 31717  
submitting a written response in accordance with division (B) (2) 31718  
(b) of this section. The notice also shall include information 31719  
detailing the required contents of the response, the address to 31720  
which the response may be mailed, and the deadline for 31721  
submitting the response. 31722

(b) Any owner of real property located within the 31723  
boundaries of an incentive district proposed under division (B) 31724  
(1) of this section who meets the conditions specified in 31725  
divisions (B) (2) (a) (i) and (ii) of this section may exclude the 31726  
property from the proposed incentive district by submitting a 31727  
written response to the board not later than forty-five days 31728  
after the postmark date on the notice required under division 31729  
(B) (2) (a) of this section. The response shall include a copy of 31730  
the statement submitted under division (B) (2) (a) (ii) of this 31731  
section. The response shall be sent by first class mail or 31732  
delivered in person at a public hearing held by the board under 31733  
division (B) (2) (a) of this section. The response shall conform 31734  
to any content requirements that may be established by the board 31735

and included in the notice provided under division (B) (2) (a) of 31736  
this section. In the response, property owners may identify a 31737  
parcel by street address, by the manner in which it is 31738  
identified in the resolution, or by other means allowing the 31739  
identity of the parcel to be ascertained. 31740

(c) Before adopting a resolution under division (B) (1) of 31741  
this section, the board shall amend the resolution to exclude 31742  
any parcel for which a written response has been submitted under 31743  
division (B) (2) (b) of this section. A county shall not apply for 31744  
exemptions from taxation under section 5709.911 of the Revised 31745  
Code for any such parcel, and service payments may not be 31746  
required from the owner of the parcel. Improvements to a parcel 31747  
excluded from an incentive district under this division may be 31748  
exempted from taxation under division (A) of this section 31749  
pursuant to a resolution adopted under that division or under 31750  
any other section of the Revised Code under which the parcel 31751  
qualifies. 31752

(3) (a) A resolution adopted under division (B) (1) of this 31753  
section shall specify the life of the incentive district and the 31754  
percentage of the improvements to be exempted, shall designate 31755  
the public infrastructure improvements made, to be made, or in 31756  
the process of being made, that benefit or serve, or, once made, 31757  
will benefit or serve parcels in the district. The resolution 31758  
also shall identify one or more specific projects being, or to 31759  
be, undertaken in the district that place additional demand on 31760  
the public infrastructure improvements designated in the 31761  
resolution. The project identified may, but need not be, the 31762  
project under division (B) (3) (b) of this section that places 31763  
real property in use for commercial or industrial purposes. 31764

A resolution adopted under division (B) (1) of this section 31765

on or after March 30, 2006, shall not designate police or fire 31766  
equipment as public infrastructure improvements, and no service 31767  
payment provided for in section 5709.79 of the Revised Code and 31768  
received by the county under the resolution shall be used for 31769  
police or fire equipment. 31770

(b) A resolution adopted under division (B) (1) of this 31771  
section may authorize the use of service payments provided for 31772  
in section 5709.79 of the Revised Code for the purpose of 31773  
housing renovations within the incentive district, provided that 31774  
the resolution also designates public infrastructure 31775  
improvements that benefit or serve the district, and that a 31776  
project within the district places real property in use for 31777  
commercial or industrial purposes. Service payments may be used 31778  
to finance or support loans, deferred loans, and grants to 31779  
persons for the purpose of housing renovations within the 31780  
district. The resolution shall designate the parcels within the 31781  
district that are eligible for housing renovations. The 31782  
resolution shall state separately the amount or the percentages 31783  
of the expected aggregate service payments that are designated 31784  
for each public infrastructure improvement and for the purpose 31785  
of housing renovations. 31786

(4) Except with the approval of the board of education of 31787  
each city, local, or exempted village school district within the 31788  
territory of which the incentive district is or will be located, 31789  
and subject to division (D) of this section, the life of an 31790  
incentive district shall not exceed ten years, and the 31791  
percentage of improvements to be exempted shall not exceed 31792  
seventy-five per cent. With approval of the board of education, 31793  
the life of a district may be not more than thirty years, and 31794  
the percentage of improvements to be exempted may be not more 31795  
than one hundred per cent. The approval of a board of education 31796

shall be obtained in the manner provided in division (C) of this section. 31797  
31798

(C) (1) Improvements with respect to a parcel may be 31799  
exempted from taxation under division (A) of this section, and 31800  
improvements to parcels within an incentive district may be 31801  
exempted from taxation under division (B) of this section, for 31802  
up to ten years or, with the approval of the board of education 31803  
of each city, local, or exempted village school district within 31804  
which the parcel or district is located, for up to thirty years. 31805  
The percentage of the improvements exempted from taxation may, 31806  
with such approval, exceed seventy-five per cent, but shall not 31807  
exceed one hundred per cent. Not later than forty-five business 31808  
days prior to adopting a resolution under this section declaring 31809  
improvements to be a public purpose that is subject to the 31810  
approval of a board of education under this division, the board 31811  
of county commissioners shall deliver to the board of education 31812  
a notice stating its intent to adopt a resolution making that 31813  
declaration. The notice regarding improvements with respect to a 31814  
parcel under division (A) of this section shall identify the 31815  
parcels for which improvements are to be exempted from taxation, 31816  
provide an estimate of the true value in money of the 31817  
improvements, specify the period for which the improvements 31818  
would be exempted from taxation and the percentage of the 31819  
improvements that would be exempted, and indicate the date on 31820  
which the board of county commissioners intends to adopt the 31821  
resolution. The notice regarding improvements to parcels within 31822  
an incentive district under division (B) of this section shall 31823  
delineate the boundaries of the district, specifically identify 31824  
each parcel within the district, identify each anticipated 31825  
improvement in the district, provide an estimate of the true 31826  
value in money of each such improvement, specify the life of the 31827

district and the percentage of improvements that would be 31828  
exempted, and indicate the date on which the board of county 31829  
commissioners intends to adopt the resolution. The board of 31830  
education, by resolution adopted by a majority of the board, may 31831  
approve the exemption for the period or for the exemption 31832  
percentage specified in the notice; may disapprove the exemption 31833  
for the number of years in excess of ten, may disapprove the 31834  
exemption for the percentage of the improvements to be exempted 31835  
in excess of seventy-five per cent, or both; or may approve the 31836  
exemption on the condition that the board of county 31837  
commissioners and the board of education negotiate an agreement 31838  
providing for compensation to the school district equal in value 31839  
to a percentage of the amount of taxes exempted in the eleventh 31840  
and subsequent years of the exemption period or, in the case of 31841  
exemption percentages in excess of seventy-five per cent, 31842  
compensation equal in value to a percentage of the taxes that 31843  
would be payable on the portion of the improvements in excess of 31844  
seventy-five per cent were that portion to be subject to 31845  
taxation, or other mutually agreeable compensation. 31846

(2) The board of education shall certify its resolution to 31847  
the board of county commissioners not later than fourteen days 31848  
prior to the date the board of county commissioners intends to 31849  
adopt its resolution as indicated in the notice. If the board of 31850  
education and the board of county commissioners negotiate a 31851  
mutually acceptable compensation agreement, the resolution of 31852  
the board of county commissioners may declare the improvements a 31853  
public purpose for the number of years specified in that 31854  
resolution or, in the case of exemption percentages in excess of 31855  
seventy-five per cent, for the exemption percentage specified in 31856  
the resolution. In either case, if the board of education and 31857  
the board of county commissioners fail to negotiate a mutually 31858

acceptable compensation agreement, the resolution may declare 31859  
the improvements a public purpose for not more than ten years, 31860  
and shall not exempt more than seventy-five per cent of the 31861  
improvements from taxation. If the board of education fails to 31862  
certify a resolution to the board of county commissioners within 31863  
the time prescribed by this section, the board of county 31864  
commissioners thereupon may adopt the resolution and may declare 31865  
the improvements a public purpose for up to thirty years or, in 31866  
the case of exemption percentages proposed in excess of seventy- 31867  
five per cent, for the exemption percentage specified in the 31868  
resolution. The board of county commissioners may adopt the 31869  
resolution at any time after the board of education certifies 31870  
its resolution approving the exemption to the board of county 31871  
commissioners, or, if the board of education approves the 31872  
exemption on the condition that a mutually acceptable 31873  
compensation agreement be negotiated, at any time after the 31874  
compensation agreement is agreed to by the board of education 31875  
and the board of county commissioners. If a mutually acceptable 31876  
compensation agreement is negotiated between the board of county 31877  
commissioners and the board of education, including agreements 31878  
for payments in lieu of taxes under section 5709.79 of the 31879  
Revised Code, the board of county commissioners shall compensate 31880  
the joint vocational school district within which the parcel or 31881  
district is located at the same rate and under the same terms 31882  
received by the city, local, or exempted village school 31883  
district. 31884

(3) If a board of education has adopted a resolution 31885  
waiving its right to approve exemptions from taxation under this 31886  
section and the resolution remains in effect, approval of such 31887  
exemptions by the board of education is not required under 31888  
division (C) of this section. If a board of education has 31889

adopted a resolution allowing a board of county commissioners to deliver the notice required under division (C) of this section fewer than forty-five business days prior to approval of the resolution by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners.

(4) Nothing in division (C) of this section prohibits the board of county commissioners from amending the resolution under section 5709.51 of the Revised Code to extend the term of the exemption.

(D) (1) If a proposed resolution under division (B) (1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of county commissioners shall deliver to the board of township trustees of any township within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted

from taxation, specify the percentage of the improvements that 31921  
would be exempted from taxation, and indicate the date on which 31922  
the board intends to adopt the resolution. 31923

(2) The board of township trustees, by resolution adopted 31924  
by a majority of the board, may object to the exemption for the 31925  
number of years in excess of ten, may object to the exemption 31926  
for the percentage of the improvement to be exempted in excess 31927  
of seventy-five per cent, or both. If the board of township 31928  
trustees objects, the board of township trustees may negotiate a 31929  
mutually acceptable compensation agreement with the board of 31930  
county commissioners. In no case shall the compensation provided 31931  
to the board of township trustees exceed the property taxes 31932  
forgone due to the exemption. If the board of township trustees 31933  
objects, and the board of township trustees and the board of 31934  
county commissioners fail to negotiate a mutually acceptable 31935  
compensation agreement, the resolution adopted under division 31936  
(B) (1) of this section shall provide to the board of township 31937  
trustees compensation in the eleventh and subsequent years of 31938  
the exemption period equal in value to not more than fifty per 31939  
cent of the taxes that would be payable to the township or, if 31940  
the board of township trustee's objection includes an objection 31941  
to an exemption percentage in excess of seventy-five per cent, 31942  
compensation equal in value to not more than fifty per cent of 31943  
the taxes that would be payable to the township on the portion 31944  
of the improvement in excess of seventy-five per cent, were that 31945  
portion to be subject to taxation. The board of township 31946  
trustees shall certify its resolution to the board of county 31947  
commissioners not later than thirty days after receipt of the 31948  
notice. 31949

(3) If the board of township trustees does not object or 31950  
fails to certify a resolution objecting to an exemption within 31951

thirty days after receipt of the notice, the board of county 31952  
commissioners may adopt its resolution, and no compensation 31953  
shall be provided to the board of township trustees. If the 31954  
board of township trustees certifies its resolution objecting to 31955  
the commissioners' resolution, the board of county commissioners 31956  
may adopt its resolution at any time after a mutually acceptable 31957  
compensation agreement is agreed to by the board of county 31958  
commissioners and the board of township trustees. If the board 31959  
of township trustees certifies a resolution objecting to the 31960  
commissioners' resolution, the board of county commissioners may 31961  
adopt its resolution at any time after a mutually acceptable 31962  
compensation agreement is agreed to by the board of county 31963  
commissioners and the board of township trustees, or, if no 31964  
compensation agreement is negotiated, at any time after the 31965  
board of county commissioners in the proposed resolution to 31966  
provide compensation to the board of township trustees of fifty 31967  
per cent of the taxes that would be payable to the township in 31968  
the eleventh and subsequent years of the exemption period or on 31969  
the portion of the improvement in excess of seventy-five per 31970  
cent, were that portion to be subject to taxation. 31971

(E) Service payments in lieu of taxes that are 31972  
attributable to any amount by which the effective tax rate of 31973  
either a renewal levy with an increase or a replacement levy 31974  
exceeds the effective tax rate of the levy renewed or replaced, 31975  
or that are attributable to an additional levy, for a levy 31976  
authorized by the voters for any of the following purposes on or 31977  
after January 1, 2006, and which are provided pursuant to a 31978  
resolution creating an incentive district under division (B)(1) 31979  
of this section that is adopted on or after January 1, 2006, 31980  
shall be distributed to the appropriate taxing authority as 31981  
required under division (D) of section 5709.79 of the Revised 31982

Code in an amount equal to the amount of taxes from that	31983
additional levy or from the increase in the effective tax rate	31984
of such renewal or replacement levy that would have been payable	31985
to that taxing authority from the following levies were it not	31986
for the exemption authorized under division (B) of this section:	31987
(1) A tax levied under division (L) of section 5705.19 or	31988
section 5705.191 or 5705.222 of the Revised Code for community	31989
developmental disabilities programs and services pursuant to	31990
Chapter 5126. of the Revised Code;	31991
(2) A tax levied under division (Y) of section 5705.19 of	31992
the Revised Code for providing or maintaining senior citizens	31993
services or facilities;	31994
(3) A tax levied under section 5705.22 of the Revised Code	31995
for county hospitals;	31996
(4) A tax levied by a joint-county district or by a county	31997
under section 5705.19, 5705.191, or 5705.221 of the Revised Code	31998
for alcohol, drug addiction, and mental health services or	31999
facilities;	32000
(5) A tax levied under section 5705.23 of the Revised Code	32001
for library purposes;	32002
(6) A tax levied under section 5705.24 of the Revised Code	32003
for the support of children services and the placement and care	32004
of children;	32005
(7) A tax levied under division (Z) of section 5705.19 of	32006
the Revised Code for the provision and maintenance of zoological	32007
park services and facilities under section 307.76 of the Revised	32008
Code;	32009
(8) A tax levied under section 511.27 or division (H) of	32010

section 5705.19 of the Revised Code for the support of township  
park districts; 32011  
32012

(9) A tax levied under division (A), (F), or (H) of 32013  
section 5705.19 of the Revised Code for parks and recreational 32014  
purposes of a joint recreation district organized pursuant to 32015  
division (B) of section 755.14 of the Revised Code; 32016

(10) A tax levied under section 1545.20 or 1545.21 of the 32017  
Revised Code for park district purposes; 32018

(11) A tax levied under section 5705.191 of the Revised 32019  
Code for the purpose of making appropriations for public 32020  
assistance; human or social services; public relief; public 32021  
welfare; public health and hospitalization; and support of 32022  
general hospitals; 32023

(12) A tax levied under section 3709.29 of the Revised 32024  
Code for a general health district program. 32025

(F) An exemption from taxation granted under this section 32026  
commences with the tax year specified in the resolution so long 32027  
as the year specified in the resolution commences after the 32028  
effective date of the resolution. If the resolution specifies a 32029  
year commencing before the effective date of the resolution or 32030  
specifies no year whatsoever, the exemption commences with the 32031  
tax year in which an exempted improvement first appears on the 32032  
tax list and duplicate of real and public utility property and 32033  
that commences after the effective date of the resolution. In 32034  
lieu of stating a specific year, the resolution may provide that 32035  
the exemption commences in the tax year in which the value of an 32036  
improvement exceeds a specified amount or in which the 32037  
construction of one or more improvements is completed, provided 32038  
that such tax year commences after the effective date of the 32039

resolution. With respect to the exemption of improvements to 32040  
parcels under division (A) of this section, the resolution may 32041  
allow for the exemption to commence in different tax years on a 32042  
parcel-by-parcel basis, with a separate exemption term specified 32043  
for each parcel. 32044

Except as otherwise provided in this division, the 32045  
exemption ends on the date specified in the resolution as the 32046  
date the improvement ceases to be a public purpose or the 32047  
incentive district expires, or ends on the date on which the 32048  
county can no longer require annual service payments in lieu of 32049  
taxes under section 5709.79 of the Revised Code, whichever 32050  
occurs first. The exemption of an improvement with respect to a 32051  
parcel or within an incentive district may end on a later date, 32052  
as specified in the resolution, if the board of commissioners 32053  
and the board of education of the city, local, or exempted 32054  
village school district within which the parcel or district is 32055  
located have entered into a compensation agreement under section 32056  
5709.82 of the Revised Code with respect to the improvement, and 32057  
the board of education has approved the term of the exemption 32058  
under division (C) (1) of this section, but in no case shall the 32059  
improvement be exempted from taxation for more than thirty 32060  
years. Exemptions shall be claimed and allowed in the same or a 32061  
similar manner as in the case of other real property exemptions. 32062  
If an exemption status changes during a tax year, the procedure 32063  
for the apportionment of the taxes for that year is the same as 32064  
in the case of other changes in tax exemption status during the 32065  
year. 32066

(G) If the board of county commissioners is not required 32067  
by this section to notify the board of education of the board of 32068  
county commissioners' intent to declare improvements to be a 32069  
public purpose, the board of county commissioners shall comply 32070

with the notice requirements imposed under section 5709.83 of 32071  
the Revised Code before taking formal action to adopt the 32072  
resolution making that declaration, unless the board of 32073  
education has adopted a resolution under that section waiving 32074  
its right to receive such a notice. 32075

(H) The county, not later than fifteen days after the 32076  
adoption of a resolution under this section, shall submit to the 32077  
director of housing and development a copy of the resolution. On 32078  
or before the thirty-first day of March of each year, the county 32079  
shall submit a status report to the director. The report shall 32080  
indicate, in the manner prescribed by the director, the progress 32081  
of the project during each year that an exemption remains in 32082  
effect, including a summary of the receipts from service 32083  
payments in lieu of taxes; expenditures of money from the fund 32084  
created under section 5709.80 of the Revised Code; a description 32085  
of the public infrastructure improvements and housing 32086  
renovations financed with such expenditures; and a quantitative 32087  
summary of changes in employment and private investment 32088  
resulting from each project. 32089

(I) Nothing in this section shall be construed to prohibit 32090  
a board of county commissioners from declaring to be a public 32091  
purpose improvements with respect to more than one parcel. 32092

(J) If a parcel is located in a new community district in 32093  
which the new community authority imposes a community 32094  
development charge on the basis of rentals received from leases 32095  
of real property as described in division (L) (2) of section 32096  
349.01 of the Revised Code, the parcel may not be exempted from 32097  
taxation under this section. 32098

**Sec. 5709.82.** (A) As used in this section: 32099

(1) "New employee" means both of the following:	32100
(a) Persons employed in the construction of real property	32101
exempted from taxation under the chapters or sections of the	32102
Revised Code enumerated in division (B) of this section;	32103
(b) Persons not described by division (A) (1) (a) of this	32104
section who are first employed at the site of such property and	32105
who within the two previous years have not been subject, prior	32106
to being employed at that site, to income taxation by the	32107
municipal corporation within whose territory the site is located	32108
on income derived from employment for the person's current	32109
employer. "New employee" does not include any person who	32110
replaces a person who is not a new employee under division (A)	32111
(1) of this section.	32112
(2) "Infrastructure costs" means costs incurred by a	32113
municipal corporation in a calendar year to acquire, construct,	32114
reconstruct, improve, plan, or equip real or tangible personal	32115
property that directly benefits or will directly benefit the	32116
exempted property. If the municipal corporation finances the	32117
acquisition, construction, reconstruction, improvement,	32118
planning, or equipping of real or tangible personal property	32119
that directly benefits the exempted property by issuing debt,	32120
"infrastructure costs" means the annual debt charges incurred by	32121
the municipal corporation from the issuance of such debt. Real	32122
or tangible personal property directly benefits exempted	32123
property only if the exempted property places or will place	32124
direct, additional demand on the real or tangible personal	32125
property for which such costs were or will be incurred.	32126
(3) "Taxing unit" has the same meaning as in division (H)	32127
of section 5705.01 of the Revised Code.	32128

(B) (1) Except as otherwise provided under division (C) of 32129  
this section, the legislative authority of any political 32130  
subdivision that has acted under the authority of Chapter 725. 32131  
or 1728., sections 3735.65 to 3735.70, or section 5709.40, 32132  
5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, 5709.78, 32133  
5709.84, or 5709.88 of the Revised Code to grant an exemption 32134  
from taxation for real or tangible personal property may 32135  
negotiate with the board of education of each city, local, 32136  
exempted village, or joint vocational school district or other 32137  
taxing unit within the territory of which the exempted property 32138  
is located, and enter into an agreement whereby the school 32139  
district or taxing unit is compensated for tax revenue foregone 32140  
by the school district or taxing unit as a result of the 32141  
exemption. Except as otherwise provided in division (B) (1) of 32142  
this section, if a political subdivision enters into more than 32143  
one agreement under this section with respect to a tax 32144  
exemption, the political subdivision shall provide to each 32145  
school district or taxing unit with which it contracts the same 32146  
percentage of tax revenue foregone by the school district or 32147  
taxing unit, which may be based on a good faith projection made 32148  
at the time the exemption is granted. Such percentage shall be 32149  
calculated on the basis of amounts paid by the political 32150  
subdivision and any amounts paid by an owner under division (B) 32151  
(2) of this section. A political subdivision may provide a 32152  
school district or other taxing unit with a smaller percentage 32153  
of foregone tax revenue than that provided to other school 32154  
districts or taxing units only if the school district or taxing 32155  
unit expressly consents in the agreement to receiving a smaller 32156  
percentage. If a subdivision has acted under the authority of 32157  
section 3735.671, 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 32158  
5709.632, 5709.73, or 5709.78 of the Revised Code and enters 32159  
into a compensation agreement with a city, local, or exempted 32160

village school district, the subdivision shall provide 32161  
compensation to the joint vocational school district within the 32162  
territory of which the exempted property is located at the same 32163  
rate and under the same terms as received by the city, local, or 32164  
exempted village school district. 32165

(2) An owner of property exempted from taxation under the 32166  
authority described in division (B)(1) of this section may, by 32167  
becoming a party to an agreement described in division (B)(1) of 32168  
this section or by entering into a separate agreement with a 32169  
school district or other taxing unit, agree to compensate the 32170  
school district or taxing unit by paying cash or by providing 32171  
property or services by gift, loan, or otherwise. If the owner's 32172  
property is exempted under the authority of section 3735.671, 32173  
5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, 32174  
or 5709.78 of the Revised Code and the owner enters into a 32175  
compensation agreement with a city, local, or exempted village 32176  
school district, the owner shall provide compensation to the 32177  
joint vocational school district within the territory of which 32178  
the owner's property is located at the same rate and under the 32179  
same terms as received by the city, local, or exempted village 32180  
school district. 32181

(C) This division does not apply to the following: 32182

(1) The legislative authority of a municipal corporation 32183  
that has acted under the authority of division (H) of section 32184  
715.70 or division (U) of section 715.72 of the Revised Code to 32185  
consent to the granting of an exemption from taxation for real 32186  
or tangible personal property in a joint economic development 32187  
district. 32188

(2) The legislative authority of a municipal corporation 32189  
that has specified in an ordinance adopted under section 32190

5709.40, 5709.41, or 5709.45 of the Revised Code that payments 32191  
in lieu of taxes provided for under section 5709.42 or 5709.46 32192  
of the Revised Code shall be paid to the city, local, or 32193  
exempted village school district in which the improvements are 32194  
located in the amount of taxes that would have been payable to 32195  
the school district if the improvements had not been exempted 32196  
from taxation, as directed in the ordinance. 32197

If the legislative authority of any municipal corporation 32198  
has acted under the authority of Chapter 725. or 1728. or 32199  
section 3735.671, 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 32200  
5709.632, or 5709.88, or a housing officer under section 3735.67 32201  
of the Revised Code, to grant or consent to the granting of an 32202  
exemption from taxation for real or tangible personal property 32203  
on or after July 1, 1994, the municipal corporation imposes a 32204  
tax on incomes, and the payroll of new employees resulting from 32205  
the exercise of that authority equals or exceeds one million 32206  
dollars, or two million dollars, as adjusted under division (E) 32207  
of this section, in the case of the authority exercised under 32208  
section 3735.67 or 3735.671 of the Revised Code, in any tax year 32209  
for which such property is exempted, the legislative authority 32210  
and the board of education of each city, local, or exempted 32211  
village school district within the territory of which the 32212  
exempted property is located shall attempt to negotiate an 32213  
agreement providing for compensation to the school district for 32214  
all or a portion of the tax revenue the school district would 32215  
have received had the property not been exempted from taxation. 32216  
The agreement may include as a party the owner of the property 32217  
exempted or to be exempted from taxation and may include 32218  
provisions obligating the owner to compensate the school 32219  
district by paying cash or providing property or services by 32220  
gift, loan, or otherwise. Such an obligation is enforceable by 32221

the board of education of the school district pursuant to the 32222  
terms of the agreement. 32223

If the legislative authority and board of education fail 32224  
to negotiate an agreement that is mutually acceptable within six 32225  
months of formal approval by the legislative authority of the 32226  
instrument granting the exemption, the legislative authority 32227  
shall compensate the school district in the amount and manner 32228  
prescribed by division (D) of this section. 32229

(D) Annually, the legislative authority of a municipal 32230  
corporation subject to this division shall pay to the city, 32231  
local, or exempted village school district within the territory 32232  
of which the exempted property is located an amount equal to 32233  
fifty per cent of the difference between the amount of taxes 32234  
levied and collected by the municipal corporation on the incomes 32235  
of new employees in the calendar year ending on the day the 32236  
payment is required to be made, and the amount of any 32237  
infrastructure costs incurred in that calendar year. For 32238  
purposes of such computation, the amount of infrastructure costs 32239  
shall not exceed thirty-five per cent of the amount of those 32240  
taxes unless the board of education of the school district, by 32241  
resolution adopted by a majority of the board, approves an 32242  
amount in excess of that percentage. If the amount of those 32243  
taxes or infrastructure costs must be estimated at the time the 32244  
payment is made, payments in subsequent years shall be adjusted 32245  
to compensate for any departure of those estimates from the 32246  
actual amount of those taxes. 32247

A municipal corporation required to make a payment under 32248  
this section shall make the payment from its general fund or a 32249  
special fund established for the purpose. The payment is payable 32250  
on the thirty-first day of December of the tax year for or in 32251

which the exemption from taxation commences and on that day for 32252  
each subsequent tax year property is exempted and the 32253  
legislative authority and board fail to negotiate an acceptable 32254  
agreement under division (C) of this section. 32255

(E) (1) The director of housing and development shall 32256  
adjust, in September of each year, the payroll threshold 32257  
described in division (C) (2) of this section applicable to the 32258  
exercise of authority under section 3735.67 or 3735.671 of the 32259  
Revised Code by completing the following computations: 32260

(a) Determine the percentage increase in the gross 32261  
domestic product deflator determined by the bureau of economic 32262  
analysis of the United States department of commerce from the 32263  
first day of January of the preceding calendar year to the last 32264  
day of December of the preceding calendar year; 32265

(b) Multiply that percentage increase by the threshold 32266  
applicable for the current year; 32267

(c) Add the resulting product to the threshold applicable 32268  
for the current year; 32269

(d) Round the resulting sum to the nearest one thousand 32270  
dollars. 32271

(2) The director shall certify the amount of the 32272  
adjustment under division (E) (1) of this section to each 32273  
legislative authority of a municipal corporation and housing 32274  
officer designated by a municipal corporation exercising 32275  
authority under section 3735.67 or 3735.671 of the Revised Code 32276  
not later than the first day of December of the year the 32277  
director computes the adjustment. The certified amount applies 32278  
to the ensuing calendar year and each calendar year thereafter 32279  
until the director makes a new adjustment. The director shall 32280

not calculate a new adjustment in any year in which the 32281  
resulting threshold amount from the adjustment would be less 32282  
than the threshold for the current year. 32283

**Sec. 5709.87.** (A) As used in this section: 32284

(1) "Improvement," "building," "fixture," and "structure" 32285  
have the same meanings as in section 5701.02 of the Revised 32286  
Code. 32287

(2) "Property," "remedy," and "remedial activities" have 32288  
the same meanings as in section 3746.01 of the Revised Code. 32289

(B) The director of environmental protection, after 32290  
issuing a covenant not to sue for property under section 3746.12 32291  
of the Revised Code and determining that remedies or remedial 32292  
activities have commenced or been completed at that property to 32293  
the satisfaction of the director, shall certify to the tax 32294  
commissioner and to the director of housing and development 32295  
~~services~~ that such a covenant has been issued, that such 32296  
remedies or remedial activities have occurred at that property, 32297  
and the date on which those remedial activities began. The 32298  
certification shall be in such form as is agreed upon by the 32299  
~~directors~~ director of environmental protection ~~and~~, the 32300  
director of housing and development ~~services~~, and the tax 32301  
commissioner and shall include a description of the property in 32302  
sufficient detail for the tax commissioner and director of 32303  
housing and development ~~services~~ to determine the boundaries of 32304  
the property entitled to exemption from taxation under this 32305  
section. 32306

(C) (1) (a) Upon receipt by the tax commissioner of a 32307  
certification for property under division (B) of this section, 32308  
the commissioner shall issue an order granting an exemption from 32309

real property taxation of the increase in the assessed value of 32310  
land constituting property that is described in the 32311  
certification and of the increase in the assessed value of 32312  
improvements, buildings, fixtures, and structures that are 32313  
situated on that land on the tax lien date of the year in which 32314  
the remedial activities began. For each tax year of the 32315  
exemption allowed under this section, this increase in assessed 32316  
value shall equal the amount by which the assessed value of that 32317  
land or those improvements, buildings, fixtures, or structures 32318  
on the tax lien date of that year as indicated on the tax list 32319  
for that year exceeds the assessed value of that land or those 32320  
improvements, buildings, fixtures, or structures on the tax lien 32321  
date of the year in which the remedial activities began as 32322  
indicated on the tax list for that year. The exemption shall 32323  
commence on the first day of the tax year including the day on 32324  
which the order is issued and shall end on the last day of the 32325  
tenth tax year after issuance of the order. The order shall 32326  
include a description of the property and the tax years for 32327  
which the property is to be exempted from taxation. The 32328  
commissioner shall send copies of the exemption order to the 32329  
owner of record of the property to which the exemption applies 32330  
and to the county auditor of each county in which any portion of 32331  
that property is located. 32332

(b) Within sixty days after receiving the commissioner's 32333  
order, the owner of record of the property may notify the 32334  
commissioner in writing that the owner does not want the 32335  
exemption from real property taxation provided under division 32336  
(C) (1) of this section to apply. Upon receiving such a 32337  
notification from the property owner of record, the commissioner 32338  
shall issue a subsequent order rescinding the previously granted 32339  
exemption. 32340

(2) The director of housing and development services shall 32341  
maintain a record of certifications received under this section 32342  
for purposes of section 5709.88 of the Revised Code. 32343

(D) Any sale or other transfer of the property does not 32344  
affect an exemption granted under division (C) of this section. 32345  
The exemption shall continue in effect thereafter for the full 32346  
period stated in the exemption order. 32347

(E) If at any time the director revokes a covenant not to 32348  
sue under Chapter 3746. of the Revised Code and rules adopted 32349  
under it for property concerning which the commissioner has 32350  
issued an exemption order under division (C) of this section, 32351  
the director shall so notify the commissioner and the 32352  
legislative authority of the municipal corporation and county in 32353  
which the property is located. The commissioner immediately 32354  
shall rescind the exemption order and shall so notify the owner 32355  
of record of the property and the county auditor of each county 32356  
in which any portion of the property is located. 32357

Upon revocation of the covenant not to sue, the owner of 32358  
record shall pay the amount of taxes that would have been 32359  
charged against the property had the property not been exempted 32360  
from taxation for the period beginning with commencement of the 32361  
exemption and ending with the date of revocation of the covenant 32362  
not to sue. The county auditor shall return the property to the 32363  
tax list and enter on the tax list the amount so payable as 32364  
current taxes charged against the property. Taxes required to be 32365  
paid pursuant to this section are payable in full on the first 32366  
succeeding day on which the first one-half of taxes is required 32367  
to be paid under section 323.12 of the Revised Code. If such 32368  
taxes are not paid in full when due, a penalty shall be charged, 32369  
and interest shall accrue on those taxes, as provided in section 32370

323.121 of the Revised Code. In cases of underpayment or 32371  
nonpayment, the deficiency shall be collected as otherwise 32372  
provided for the collection of delinquent real property taxes. 32373

(1) "Enterprise," "expand," "renovate," "project," 32376  
"project site," "position," "full-time employee," "first used in 32377  
business," and "making retail sales" have the same meanings as 32378  
in section 5709.61 of the Revised Code. 32379

(2) "Property," "remedy," and "remedial activities" have 32380  
the same meanings as in section 3746.01 of the Revised Code. 32381

(3) "Facility" means an enterprise's place of business, 32382

Revised Code, and buildings, improvements, fixtures, structures, 32385  
machinery, equipment, and other materials, except inventory, 32386  
used in business and situated on such land. "Facility" does not 32387  
include any portion of an enterprise's place of business used 32388  
primarily for making retail sales unless the place of business 32389

the Revised Code. 32391

(4) "New employee" means a full-time employee first 32392  
employed by an enterprise at a facility that is a project site 32393  
after the enterprise enters into an agreement under division (D) 32394  
of this section. 32395

(5) "Remediate" means to make expenditures for remedies or 32396  
remedial activities equal to at least ten per cent of the true 32397

of property taxation immediately prior to formal approval of an 32400  
agreement under division (D) of this section. 32401

(6) "Occupy" means to make expenditures to alter or repair 32402  
a vacant facility equal to at least twenty per cent of the 32403  
market value of the facility prior to such expenditures, as 32404  
determined for the purposes of local property taxation. 32405

(7) "Vacant facility" means a facility that has been 32406  
vacant for at least ninety days immediately preceding the date 32407  
on which an agreement is entered into under division (D) of this 32408  
section. 32409

(B) The legislative authority of any county or municipal 32410  
corporation within which is located property that is the subject 32411  
of a certification under division (B) of section 5709.87 of the 32412  
Revised Code may enter into an agreement with an enterprise 32413  
under division (D) of this section, provided that the 32414  
legislative authority of a county may enter into such agreements 32415  
with respect only to property located within the unincorporated 32416  
territory of the county. Prior to entering into such an 32417  
agreement, the legislative authority shall petition the director 32418  
of housing and development for the director's confirmation that 32419  
the property is the subject of such a certification, and the 32420  
director, within thirty days after receipt of such a petition, 32421  
shall confirm whether such a certification has been issued. The 32422  
petition shall be accompanied by a description of the property 32423  
in the form and manner prescribed by the director. 32424

(C) Any enterprise that wishes to enter into an agreement 32425  
with a legislative authority under division (D) of this section 32426  
shall submit a proposal to the legislative authority on a form 32427  
prescribed by the director of housing and development together 32428  
with the application fee established under section 5709.882 of 32429

the Revised Code. The form shall require the following 32430  
information: 32431

(1) An estimate of the number of new employees whom the 32432  
enterprise intends to hire, or of the number of employees whom 32433  
the enterprise intends to retain, at a facility that is a 32434  
project site, and an estimate of the amount of payroll of the 32435  
enterprise attributable to these employees; 32436

(2) An estimate of the amount to be invested by the 32437

any, in a facility as of the date of the proposal's submission. 32443

The enterprise shall review and update the listings 32444  
required under this division to reflect material changes, and 32445  
any agreement entered into under division (D) of this section 32446  
shall set forth final estimates and listings as of the time the 32447  
agreement is entered into. The legislative authority, on a 32448  
separate form and at any time, may require any additional 32449  
information necessary to determine whether an enterprise is in 32450  
compliance with an agreement and to collect the information 32451  
required to be reported under section 5709.882 of the Revised 32452  
Code. 32453

(D) Upon receipt and investigation of a proposal under 32454  
division (C) of this section, if the legislative authority finds 32455  
that the enterprise submitting the proposal is qualified by 32456  
financial responsibility and business experience to create and 32457  
preserve employment opportunities at the project site and 32458

improve the economic climate of the county or municipal corporation, the legislative authority, after complying with section 5709.83 of the Revised Code, may enter into, and formally shall approve, an agreement with the enterprise under which the enterprise agrees to remediate a facility and to spend an amount equal to at least two hundred fifty per cent of the true value in money of the land, buildings, improvements, structures, and fixtures constituting the facility, as determined for purposes of property taxation immediately prior to formal approval of the agreement, to establish, expand, renovate, or occupy a facility and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the following incentives:

(1) Exemption for a specified number of years, not to exceed ten, of a specified portion, up to one hundred per cent, of the assessed value of tangible personal property first used in business at the project site as a result of the agreement. An exemption granted pursuant to division (D)(1) of this section applies to inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except that, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the effective date of the agreement, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(2) Exemption for a specified number of years, not to exceed ten, of a specified portion, up to one hundred per cent, of the increase, subsequent to formal approval of the agreement by the legislative authority, in the assessed valuation of

buildings, improvements, structures, and fixtures constituting 32490  
the project site; 32491

(3) Provision for a specified number of years, not to 32492  
exceed ten, of any optional services or assistance that the 32493  
county or municipal corporation is authorized to provide with 32494  
regard to the project site. 32495

(E) All agreements entered into under this section shall 32496  
be in the form prescribed under section 5709.881 of the Revised 32497  
Code. 32498

(F) Except as otherwise provided in this division, an 32499  
agreement entered into under this section shall require that the 32500  
enterprise pay an annual fee equal to the greater of one per 32501  
cent of the dollar value of incentives offered under the 32502  
agreement or five hundred dollars, provided that if the value of 32503  
the incentives exceeds two hundred fifty thousand dollars, the 32504  
fee shall not exceed two thousand five hundred dollars. The fee 32505  
shall be payable to the legislative authority once per year for 32506  
each year the agreement is effective on the days and in the form 32507  
specified in the agreement. Fees paid shall be deposited in a 32508  
special fund created for that purpose by the legislative 32509  
authority and shall be used by the legislative authority 32510  
exclusively for the purpose of complying with section 5709.882 32511  
of the Revised Code and by the tax incentive review council 32512  
created under section 5709.883 of the Revised Code exclusively 32513  
for the purposes of performing the duties prescribed under that 32514  
section. The legislative authority may waive or reduce the 32515  
amount of the fee charged against an enterprise, but such a 32516  
waiver or reduction does not affect the obligations of the 32517  
legislative authority or the tax incentive review council to 32518  
comply with section 5709.882 or 5709.883 of the Revised Code. 32519

(G) When an agreement is entered into under this section, 32520  
the legislative authority authorizing the agreement shall 32521  
forward a copy of the agreement to the director of housing and 32522  
development and to the tax commissioner within fifteen days 32523  
after the agreement is entered into. 32524

(H) After an agreement is entered into, the enterprise 32525  
shall file with each personal property tax return required to be 32526  
filed while the agreement is in effect, an informational return, 32527  
on a form prescribed by the tax commissioner for that purpose, 32528  
setting forth separately the property, and related costs and 32529  
values, exempted from taxation under the agreement. 32530

(I) The legislative authority may require the owner of 32531  
record to pay the amount of taxes that, during the period 32532  
beginning with the commencement of the exemption and ending with 32533  
the date of revocation of the covenant not to sue under Chapter 32534  
3746. of the Revised Code, would have been charged against the 32535  
property had the property not been exempted from taxation 32536  
pursuant to an agreement entered into under this section. In the 32537  
case of real property, the proper county auditor shall determine 32538  
the taxable value of the property for each of the tax years for 32539  
which the property had been exempted from taxation, and shall 32540  
determine the amount of taxes that would have been charged 32541  
against the property had the property been subject to taxation 32542  
each of those years. The county treasurer shall issue a tax bill 32543  
as otherwise required by law, and the taxes shall be payable in 32544  
full on the first succeeding day on which the first one-half of 32545

~~services~~ if that director's action is the subject of the appeal, 32718  
or with the director of job and family services if that 32719

(C) A notice of appeal shall contain a short and plain statement of the claimed errors in the determination or redetermination of the tax commissioner, county auditor, or director showing that the appellant is entitled to relief and a demand for the relief to which the appellant claims to be entitled. An appellant may amend the notice of appeal once as a matter of course within sixty days after the certification of the transcript. The credit shall be computed in the same manner prescribed for the computation of credits allowed under section 5725.33 of the Revised Code. 32953  
32954  
32955  
32956  
32957  
32958  
32959  
32960

By claiming a tax credit under this section, a taxpayer waives its rights under section 5726.20 of the Revised Code with respect to the time limitation for the assessment of taxes as it relates to credits claimed under this section that later become subject to recapture under division (D) of this section. 32961  
32962  
32963  
32964  
32965

A taxpayer may claim against the tax imposed by this chapter any unused portion of the credits authorized under sections 5725.33 and 5733.58 of the Revised Code, but only to the extent of the remaining carry forward period authorized by those sections. 32966  
32967  
32968  
32969  
32970

The credit shall be claimed in the order prescribed by 32971  
section 5726.98 of the Revised Code. If the amount of the credit 32972  
exceeds the amount of tax otherwise due after deducting all 32973  
other credits preceding the credit in the order prescribed in 32974  
section 5726.98 of the Revised Code, the excess may be carried 32975  
forward for not more than four ensuing tax years. 32976

(C) The total amount of qualified equity investments on 32977

sections 5725.33, 5729.16, and 5733.58 of the Revised Code is 32979  
subject to the limitation of division (C) of section 5725.33 of 32980  
the Revised Code. 32981

(D) If any amount of a federal tax credit allowed for a 32982  
qualified equity investment for which a credit was received 32983  
under this section is recaptured under section 45D of the 32984  
Internal Revenue Code, or if the director of housing and 32985  
development ~~services~~ determines that an investment for which a 32986  
tax credit is claimed under this section is not a qualified 32987  
equity investment or that the proceeds of an investment for 32988  
which a tax credit is claimed under this section are used to 32989  
make qualified low-income community investments other than in a 32990  
qualified active low-income community business in this state, 32991  
all or a portion of the credit received on account of that 32992  
investment shall be paid by the taxpayer that received the 32993  
credit to the tax commissioner. The amount to be recovered shall 32994  
be determined by the director pursuant to rules adopted under 32995  
section 5725.33 of the Revised Code. The director shall certify 32996  
any amount due under this division to the tax commissioner, and 32997  
the commissioner shall notify the taxpayer of the amount due. 32998  
The amount due is payable not later than thirty days after the 32999  
day the commissioner issues the notice. The amount due shall be 33000  
considered to be tax due under section 5726.02 of the Revised 33001

Code, and may be collected by assessment without regard to the 33002  
limitations imposed under section 5726.20 of the Revised Code 33003  
for the assessment of taxes by the commissioner. All amounts 33004  
collected under this division shall be credited as revenue from 33005  
the tax levied under section 5726.02 of the Revised Code. 33006

**Sec. 5726.55.** (A) Any term used in this section has the 33007  
same meaning as in section 122.85 of the Revised Code. 33008

(B) A taxpayer may claim a refundable credit against the 33009  
tax imposed under this chapter for each person included in the 33010  
annual report of the taxpayer that is a certificate owner of a 33011  
tax credit certificate issued under section 122.85 of the 33012  
Revised Code. The credit shall be claimed for the taxable year 33013  
in which the certificate is issued by the director of housing 33014  
and development~~services~~. The credit amount equals the amount 33015  
stated in the certificate. The credit shall be claimed in the 33016  
order required under section 5726.98 of the Revised Code. If the 33017  
credit amount exceeds the tax otherwise due under section 33018  
5726.02 of the Revised Code after deducting all other credits 33019  
preceding the credit in the order prescribed in section 5726.98 33020  
of the Revised Code, the excess shall be refunded to the 33021  
taxpayer. 33022

(C) Nothing in this section shall allow a taxpayer to 33023  
claim more than one credit per tax credit-eligible production. 33024

**Sec. 5726.59.** (A) Any term used in this section has the 33025  
same meaning as in section 122.852 of the Revised Code. 33026

(B) A taxpayer may claim a refundable credit against the 33027  
tax imposed under this chapter for each person included in the 33028  
annual report of the taxpayer that is a certificate owner of a 33029  
tax credit certificate issued under section 122.852 of the 33030

Revised Code. The credit shall be claimed for the taxable year 33031  
in which the certificate is issued by the director of housing 33032  
and development. The credit amount equals the amount stated on 33033  
the certificate or the portion of that amount owned by the 33034  
certificate owner. The credit shall be claimed in the order 33035  
required under section 5726.98 of the Revised Code. If the 33036  
credit amount exceeds the tax otherwise due under section 33037  
5726.02 of the Revised Code after deducting all other credits 33038  
preceding the credit in the order prescribed in section 5726.98 33039  
of the Revised Code, the excess shall be refunded to the 33040  
taxpayer. 33041

**Sec. 5727.75.** (A) For purposes of this section: 33042

(1) "Qualified energy project" means an energy project 33043  
certified by the director of housing and development pursuant to 33044  
this section. 33045

(2) "Energy project" means a project to provide electric 33046  
power through the construction, installation, and use of an 33047  
energy facility. 33048

(3) "Alternative energy zone" means a county declared as 33049  
such by the board of county commissioners under division (E) (1) 33050  
(b) or (c) of this section. 33051

(4) "Full-time equivalent employee" means the total number 33052  
of employee-hours for which compensation was paid to individuals 33053  
employed at a qualified energy project for services performed at 33054  
the project during the calendar year divided by two thousand 33055  
eighty hours. For the purpose of this calculation, "performed at 33056  
the project" includes only hours worked at the qualified energy 33057  
project and devoted to site preparation or protection, 33058  
construction and installation, and the unloading and 33059

distribution of materials at the project site, but does not 33060  
include hours worked by superintendents, owners, manufacturers' 33061  
representatives, persons employed in a bona fide executive, 33062  
management, supervisory, or administrative capacity, or persons 33063  
whose sole employment on the project is transporting materials 33064  
or persons to the project site. 33065

(5) "Solar energy project" means an energy project 33066  
composed of an energy facility using solar panels to generate 33067  
electricity. 33068

(6) "Internet identifier of record" has the same meaning 33069  
as in section 9.312 of the Revised Code. 33070

(7) "Applicable year" means the later of the following: 33071

(a) The tax year in which the secretary of the treasury of 33072  
the United States, or the secretary's delegate, determines, in 33073  
accordance with section 45Y of the Internal Revenue Code, that 33074  
the annual greenhouse gas emissions from the production of 33075  
electricity in the United States are equal to or less than 33076  
twenty-five per cent of the annual greenhouse gas emissions from 33077  
the production of electricity in the United States for calendar 33078  
year 2022; 33079

(b) Tax year 2029. 33080

(8) "Internal Revenue Code" means the Internal Revenue 33081  
Code as of ~~the effective date of this amendment~~ October 3, 2023. 33082

(B) (1) Tangible personal property of a qualified energy 33083  
project using renewable energy resources is exempt from taxation 33084  
for tax years 2011 through the applicable year if all of the 33085  
following conditions are satisfied: 33086

(a) On or before the last day of the tax year preceding 33087

the applicable year, the owner or a lessee pursuant to a sale 33088  
and leaseback transaction of the project submits an application 33089  
to the power siting board for a certificate under section 33090  
4906.20 of the Revised Code, or if that section does not apply, 33091  
submits an application for any approval, consent, permit, or 33092  
certificate or satisfies any condition required by a public 33093  
agency or political subdivision of this state for the 33094  
construction or initial operation of an energy project. 33095

(b) Construction or installation of the energy facility 33096  
begins on or after January 1, 2009, and before the first day of 33097  
the applicable year. For the purposes of this division, 33098  
construction begins on the earlier of the date of application 33099  
for a certificate or other approval or permit described in 33100  
division (B)(1)(a) of this section, or the date the contract for 33101  
the construction or installation of the energy facility is 33102  
entered into. 33103

(c) For a qualified energy project with a nameplate 33104  
capacity of twenty megawatts or greater, a board of county 33105  
commissioners of a county in which property of the project is 33106  
located has adopted a resolution under division (E)(1)(b) or (c) 33107  
of this section to approve the application submitted under 33108  
division (E) of this section to exempt the property located in 33109  
that county from taxation. A board's adoption of a resolution 33110  
rejecting an application or its failure to adopt a resolution 33111  
approving the application does not affect the tax-exempt status 33112  
of the qualified energy project's property that is located in 33113  
another county. 33114

(2) If tangible personal property of a qualified energy 33115  
project using renewable energy resources was exempt from 33116  
taxation under this section beginning in any of tax years 2011 33117

through the applicable year, and the certification under 33118  
division (E) (2) of this section has not been revoked, the 33119  
tangible personal property of the qualified energy project is 33120  
exempt from taxation for the tax year following the applicable 33121  
year and all ensuing tax years if the property was placed into 33122  
service before the first day of the tax year following the 33123  
applicable year, as certified in the construction progress 33124  
report required under division (F) (2) of this section. Tangible 33125  
personal property that has not been placed into service before 33126  
that date is taxable property subject to taxation. An energy 33127  
project for which certification has been revoked is ineligible 33128  
for further exemption under this section. Revocation does not 33129  
affect the tax-exempt status of the project's tangible personal 33130  
property for the tax year in which revocation occurs or any 33131  
prior tax year. 33132

(C) Tangible personal property of a qualified energy 33133  
project using clean coal technology, advanced nuclear 33134  
technology, or cogeneration technology is exempt from taxation 33135  
for the first tax year that the property would be listed for 33136  
taxation and all subsequent years if all of the following 33137  
circumstances are met: 33138

(1) The property was placed into service before January 1, 33139  
2021. Tangible personal property that has not been placed into 33140  
service before that date is taxable property subject to 33141  
taxation. 33142

(2) For such a qualified energy project with a nameplate 33143  
capacity of twenty megawatts or greater, a board of county 33144  
commissioners of a county in which property of the qualified 33145  
energy project is located has adopted a resolution under 33146  
division (E) (1) (b) or (c) of this section to approve the 33147

application submitted under division (E) of this section to 33148  
exempt the property located in that county from taxation. A 33149  
board's adoption of a resolution rejecting the application or 33150  
its failure to adopt a resolution approving the application does 33151  
not affect the tax-exempt status of the qualified energy 33152  
project's property that is located in another county. 33153

(3) The certification for the qualified energy project 33154  
issued under division (E) (2) of this section has not been 33155  
revoked. An energy project for which certification has been 33156  
revoked is ineligible for exemption under this section. 33157  
Revocation does not affect the tax-exempt status of the 33158  
project's tangible personal property for the tax year in which 33159  
revocation occurs or any prior tax year. 33160

(D) Except as otherwise provided in this section, real 33161  
property of a qualified energy project is exempt from taxation 33162  
for any tax year for which the tangible personal property of the 33163  
qualified energy project is exempted under this section. 33164

(E) (1) (a) A person may apply to the director of housing 33165  
and development for certification of an energy project as a 33166  
qualified energy project on or before the following dates: 33167

(i) The last day of the tax year preceding the applicable 33168  
year, for an energy project using renewable energy resources; 33169

(ii) December 31, 2017, for an energy project using clean 33170  
coal technology, advanced nuclear technology, or cogeneration 33171  
technology. 33172

(b) The director shall forward a copy of each application 33173  
for certification of an energy project with a nameplate capacity 33174  
of twenty megawatts or greater to the board of county 33175  
commissioners of each county in which the project is located and 33176

to each taxing unit with territory located in each of the 33177  
affected counties. Any board that receives from the director a 33178  
copy of an application submitted under this division shall adopt 33179  
a resolution approving or rejecting the application unless it 33180  
has adopted a resolution under division (E) (1) (c) of this 33181  
section. A resolution adopted under division (E) (1) (b) or (c) of 33182  
this section may require an annual service payment to be made in 33183  
addition to the service payment required under division (G) of 33184  
this section. The sum of the service payment required in the 33185  
resolution and the service payment required under division (G) 33186  
of this section shall not exceed nine thousand dollars per 33187  
megawatt of nameplate capacity located in the county. The 33188  
resolution shall specify the time and manner in which the 33189  
payments required by the resolution shall be paid to the county 33190  
treasurer. The county treasurer shall deposit the payment to the 33191  
credit of the county's general fund to be used for any purpose 33192  
for which money credited to that fund may be used. 33193

The board shall send copies of the resolution to the owner 33194  
of the facility and the director by certified mail or, if the 33195  
board has record of an internet identifier of record associated 33196  
with the owner or director, by ordinary mail and by that 33197  
internet identifier of record. The board shall send such notice 33198  
within thirty days after receipt of the application, or a longer 33199  
period of time if authorized by the director. 33200

(c) A board of county commissioners may adopt a resolution 33201  
declaring the county to be an alternative energy zone and 33202  
declaring all applications submitted to the director of housing 33203  
and development under this division after the adoption of the 33204  
resolution, and prior to its repeal, to be approved by the 33205  
board. 33206

All tangible personal property and real property of an energy project with a nameplate capacity of twenty megawatts or greater is taxable if it is located in a county in which the board of county commissioners adopted a resolution rejecting the application submitted under this division or failed to adopt a resolution approving the application under division (E) (1) (b) or (c) of this section.

(2) The director shall certify an energy project if all of the following circumstances exist:

(a) The application was timely submitted.

(b) For an energy project with a nameplate capacity of twenty megawatts or greater, a board of county commissioners of at least one county in which the project is located has adopted a resolution approving the application under division (E) (1) (b) or (c) of this section.

(c) No portion of the project's facility was used to supply electricity before December 31, 2009.

(d) For construction or installation of a qualified energy project described in division (B) (1) (b) of this section, that the project is subject to wage requirements described in section 45(b) (7) (A) of the Internal Revenue Code and apprenticeship requirements described in section 45(b) (8) (A) (i) of the Internal Revenue Code, provided both of the following apply:

(i) The person applies for such certificate after ~~the effective date of this amendment~~ October 3, 2023.

(ii) A board of commissioners of at least one county in which the project is located is required to adopt a resolution approving the application under division (E) (1) (b) or (c) of this section.

(3) The director shall deny a certification application if 33236  
the director determines the person has failed to comply with any 33237  
requirement under this section. The director may revoke a 33238  
certification if the director determines the person, or 33239  
subsequent owner or lessee pursuant to a sale and leaseback 33240  
transaction of the qualified energy project, has failed to 33241  
comply with any requirement under this section. Upon 33242  
certification or revocation, the director shall notify the 33243  
person, owner, or lessee, the tax commissioner, and the county 33244  
auditor of a county in which the project is located of the 33245  
certification or revocation. Notice shall be provided in a 33246  
manner convenient to the director. 33247

(F) The owner or a lessee pursuant to a sale and leaseback 33248  
transaction of a qualified energy project shall do each of the 33249  
following: 33250

(1) Comply with all applicable regulations; 33251

(2) File with the director of housing and development a 33252  
certified construction progress report before the first day of 33253  
March of each year during the energy facility's construction or 33254  
installation indicating the percentage of the project completed, 33255  
and the project's nameplate capacity, as of the preceding 33256  
thirty-first day of December. Unless otherwise instructed by the 33257  
director of housing and development, the owner or lessee of an 33258  
energy project shall file a report with the director on or 33259  
before the first day of March each year after completion of the 33260  
energy facility's construction or installation indicating the 33261  
project's nameplate capacity as of the preceding thirty-first 33262  
day of December. Not later than sixty days after June 17, 2010, 33263  
the owner or lessee of an energy project, the construction of 33264  
which was completed before June 17, 2010, shall file a 33265

certificate indicating the project's nameplate capacity. 33266

(3) File with the director of housing and development, in 33267  
a manner prescribed by the director, a report of the total 33268  
number of full-time equivalent employees, and the total number 33269  
of full-time equivalent employees domiciled in Ohio, who are 33270  
employed in the construction or installation of the energy 33271  
facility; 33272

(4) For energy projects with a nameplate capacity of 33273  
twenty megawatts or greater, repair all roads, bridges, and 33274  
culverts affected by construction as reasonably required to 33275  
restore them to their preconstruction condition, as determined 33276  
by the county engineer in consultation with the local 33277  
jurisdiction responsible for the roads, bridges, and culverts. 33278  
In the event that the county engineer deems any road, bridge, or 33279  
culvert to be inadequate to support the construction or 33280  
decommissioning of the energy facility, the road, bridge, or 33281  
culvert shall be rebuilt or reinforced to the specifications 33282  
established by the county engineer prior to the construction or 33283  
decommissioning of the facility. The owner or lessee of the 33284  
facility shall post a bond in an amount established by the 33285  
county engineer and to be held by the board of county 33286  
commissioners to ensure funding for repairs of roads, bridges, 33287  
and culverts affected during the construction. The bond shall be 33288  
released by the board not later than one year after the date the 33289  
repairs are completed. The energy facility owner or lessee 33290  
pursuant to a sale and leaseback transaction shall post a bond, 33291  
as may be required by the Ohio power siting board in the 33292  
certificate authorizing commencement of construction issued 33293  
pursuant to section 4906.10 of the Revised Code, to ensure 33294  
funding for repairs to roads, bridges, and culverts resulting 33295  
from decommissioning of the facility. The energy facility owner 33296

or lessee and the county engineer may enter into an agreement 33297  
regarding specific transportation plans, reinforcements, 33298  
modifications, use and repair of roads, financial security to be 33299  
provided, and any other relevant issue. 33300

(5) Provide or facilitate training for fire and emergency 33301  
responders for response to emergency situations related to the 33302  
energy project and, for energy projects with a nameplate 33303  
capacity of twenty megawatts or greater, at the person's 33304  
expense, equip the fire and emergency responders with proper 33305  
equipment as reasonably required to enable them to respond to 33306  
such emergency situations; 33307

(6) (a) Except as otherwise provided in this division, for 33308  
projects for which certification as a qualified energy project 33309  
was applied for, under division (E) of this section, before ~~the~~ 33310  
~~effective date of this amendment~~ October 3, 2023, maintain a 33311  
ratio of Ohio-domiciled full-time equivalent employees employed 33312  
in the construction or installation of the energy project to 33313  
total full-time equivalent employees employed in the 33314  
construction or installation of the energy project of not less 33315  
than eighty per cent in the case of a solar energy project, and 33316  
not less than fifty per cent in the case of any other energy 33317  
project. A person applying for such a qualified energy project 33318  
may certify to the director of housing and development that the 33319  
project will be voluntarily subject to the wage requirements 33320  
described in section 45(b) (7) (A) of the Internal Revenue Code 33321  
and apprenticeship requirements described in section 45(b) (8) (A) 33322  
(i) of the Internal Revenue Code as authorized in division (F) 33323  
(6) (b) of this section. Upon receipt of that certification, the 33324  
project shall comply with division (F) (6) (b) of this section 33325  
rather than division (F) (6) (a) of this section. 33326

(b) For projects for which certification as a qualified 33327  
energy project was applied for, under division (E) of this 33328  
section, on or after ~~the effective date of this amendment~~ 33329  
October 3, 2023, maintain a ratio of Ohio-domiciled full-time 33330  
equivalent employees employed in the construction or 33331  
installation of the energy project to total full-time equivalent 33332  
employees employed in the construction or installation of the 33333  
energy project of not less than seventy per cent in the case of 33334  
a solar energy project, and not less than fifty per cent in the 33335  
case of any other energy project. 33336

(c) For purposes of divisions (F) (6) (a) and (b) of this 33337  
section, in the case of an energy project for which 33338  
certification from the power siting board is required under 33339  
section 4906.20 of the Revised Code, the number of full-time 33340  
equivalent employees employed in the construction or 33341  
installation of the energy project equals the number actually 33342

to the director of housing and development for such a waiver in 33710  
the manner prescribed by the director, and the director may 33711  
issue such a waiver if the director determines that granting the 33712  
credit is necessary to increase or retain employees in this 33713  
state, and that the credit has not caused relocation of 33714  
manufacturing machinery and equipment among counties within this 33715  
state for the primary purpose of qualifying for the credit. 33716

(C) (1) Except as otherwise provided in division (C) (2) and 33717  
division (I) of this section, the credit amount is equal to 33718

calendar year for use in a county over the county average new 33721  
manufacturing machinery and equipment investment for that 33722  
county. 33723

(2) Subject to division (I) of this section, as used in 33724

county excess, whose purchases included purchases for use in any 33729  
eligible area in the county, the credit amount is equal to 33730  
thirteen and one-half per cent of the cost of the new 33731  
manufacturing machinery and equipment purchased during the 33732  
calendar year for use in the eligible areas in the county, 33733  
provided that the cost subject to the thirteen and one-half per 33734  
cent rate shall not exceed the county excess. If the county 33735

excess is greater than the cost of the new manufacturing 33736  
machinery and equipment purchased during the calendar year for 33737  
use in eligible areas in the county, the credit amount also 33738  
shall include an amount equal to seven and one-half per cent of 33739  
the amount of the difference. 33740

(3) If a taxpayer is allowed a credit for purchases of new 33741  
manufacturing machinery and equipment in more than one county or 33742  
eligible area, it shall aggregate the amount of those credits 33743  
each year. 33744

(4) The taxpayer shall claim one-seventh of the credit 33745  
amount for the tax year immediately following the calendar year 33746  
in which the new manufacturing machinery and equipment is 33747  
purchased for use in the county by the taxpayer or partnership. 33748  
One-seventh of the taxpayer credit amount is allowed for each of 33749  
the six ensuing tax years. Except for carried-forward amounts, 33750  
the taxpayer is not allowed any credit amount remaining if the 33751  
new manufacturing machinery and equipment is sold by the 33752  
taxpayer or partnership or is transferred by the taxpayer or 33753  
partnership out of the county before the end of the seven-year 33754  
period unless, at the time of the sale or transfer, the new 33755  
manufacturing machinery and equipment has been fully depreciated 33756  
for federal income tax purposes. 33757

(5) (a) A taxpayer that acquires manufacturing machinery 33758  
and equipment as a result of a merger with the taxpayer with 33759  
whom commenced the original use in this state of the 33760  
manufacturing machinery and equipment, or with a taxpayer that 33761  
was a partner in a partnership with whom commenced the original 33762  
use in this state of the manufacturing machinery and equipment, 33763  
is entitled to any remaining or carried-forward credit amounts 33764  
to which the taxpayer was entitled. 33765

(b) A taxpayer that enters into an agreement under 33766  
division (C) (3) of section 5709.62 of the Revised Code and that 33767  
acquires manufacturing machinery or equipment as a result of 33768  
purchasing a large manufacturing facility, as defined in section 33769  
5709.61 of the Revised Code, from another taxpayer with whom 33770  
commenced the original use in this state of the manufacturing 33771  
machinery or equipment, and that operates the large 33772  
manufacturing facility so purchased, is entitled to any 33773  
remaining or carried-forward credit amounts to which the other 33774  
taxpayer who sold the facility would have been entitled under 33775  
this section had the other taxpayer not sold the manufacturing 33776  
facility or equipment. 33777

(c) New manufacturing machinery and equipment is not 33778  
considered sold if a pass-through entity transfers to another 33779  
pass-through entity substantially all of its assets as part of a 33780  
plan of reorganization under which substantially all gain and 33781  
loss is not recognized by the pass-through entity that is 33782  
transferring the new manufacturing machinery and equipment to 33783  
the transferee and under which the transferee's basis in the new 33784  
manufacturing machinery and equipment is determined, in whole or 33785  
in part, by reference to the basis of the pass-through entity 33786  
which transferred the new manufacturing machinery and equipment 33787  
to the transferee. 33788

(d) Division (C) (5) of this section shall apply only if 33789  
the acquiring taxpayer or transferee does not sell the new 33790  
manufacturing machinery and equipment or transfer the new 33791  
manufacturing machinery and equipment out of the county before 33792  
the end of the seven-year period to which division (C) (4) of 33793  
this section refers. 33794

(e) Division (C) (5) (b) of this section applies only to the 33795

extent that the taxpayer that sold the manufacturing machinery 33796  
or equipment, upon request, timely provides to the tax 33797  
commissioner any information that the tax commissioner considers 33798  
to be necessary to ascertain any remaining or carried-forward 33799  
amounts to which the taxpayer that sold the facility would have 33800  
been entitled under this section had the taxpayer not sold the 33801  
manufacturing machinery or equipment. Nothing in division (C) (5) 33802  
(b) or (e) of this section shall be construed to allow a 33803  
taxpayer to claim any credit amount with respect to the acquired 33804  
manufacturing machinery or equipment that is greater than the 33805  
amount that would have been available to the other taxpayer that 33806  
sold the manufacturing machinery or equipment had the other 33807  
taxpayer not sold the manufacturing machinery or equipment. 33808

(D) The taxpayer shall claim the credit in the order 33809  
required under section 5733.98 of the Revised Code. Each year, 33810  
any credit amount in excess of the tax due under section 5733.06 33811  
of the Revised Code after allowing for any other credits that 33812  
precede the credit under this section in that order may be 33813  
carried forward for three tax years. 33814

(E) A taxpayer purchasing new manufacturing machinery and 33815  
equipment and intending to claim the credit shall file, with the 33816  
department of housing and development, a notice of intent to 33817  
claim the credit on a form prescribed by the department of 33818  
housing and development. The department of housing and 33819  
development shall inform the tax commissioner of the notice of 33820  
intent to claim the credit. No credit may be claimed under this 33821  
section for any manufacturing machinery and equipment with 33822  
respect to which a notice was not filed by the date of a timely 33823  
filed return, including extensions, for the taxable year that 33824  
includes September 30, 2005. 33825

(F) The director of housing and development shall annually certify, by the first day of January of each year during the qualifying period, the eligible areas for the tax credit for the calendar year that includes that first day of January. The director shall send a copy of the certification to the tax commissioner.

(G) New manufacturing machinery and equipment for which a taxpayer claims the credit under section 5733.31 or 5733.311 of the Revised Code shall not be considered new manufacturing machinery and equipment for purposes of the credit under this section.

(H) (1) Notwithstanding sections 5733.11 and 5747.13 of the Revised Code, but subject to division (H) (2) of this section, the tax commissioner may issue an assessment against a person with respect to a credit claimed under this section for new manufacturing machinery and equipment described in division (A) (1) (b) or (2) (b) of this section, if the machinery or equipment subsequently does not qualify for the credit.

(2) Division (H) (1) of this section shall not apply after the twenty-fourth month following the last day of the period described in divisions (A) (1) (b) and (2) (b) of this section.

(I) Notwithstanding any other provision of this section to the contrary, in the case of a qualifying controlled group, the credit available under this section to a taxpayer or taxpayers in the qualifying controlled group shall be computed as if all corporations in the group were a single corporation. The credit shall be allocated to such a taxpayer or taxpayers in the group in any amount elected for the taxable year by the group. Such election shall be revocable and amendable during the period described in division (B) of section 5733.12 of the Revised

Code. 33856

This division applies to all purchases of new 33857  
manufacturing machinery and equipment made on or after January 33858  
1, 2001, and to all baseline years used to compute any credit 33859  
attributable to such purchases; provided, that this division may 33860  
be applied solely at the election of the qualifying controlled 33861  
group with respect to all purchases of new manufacturing 33862  
machinery and equipment made before that date, and to all 33863  
baseline years used to compute any credit attributable to such 33864  
purchases. The qualifying controlled group at any time may elect 33865  
to apply this division to purchases made prior to January 1, 33866  
2001, subject to the following: 33867

(1) The election is irrevocable; 33868

(2) The election need not accompany a timely filed report, 33869  
but the election may accompany a subsequently filed but timely 33870  
application for refund, a subsequently filed but timely amended 33871  
report, or a subsequently filed but timely petition for 33872  
reassessment. 33873

**Sec. 5733.34.** (A) As used in this section: 33874

(1) "Partnership" includes a limited liability company if 33875  
the limited liability company is not treated as a corporation 33876  
for purposes of this chapter and is not classified as an 33877  
association taxable as a corporation for federal income tax 33878  
purposes. 33879

(2) "Partner" includes a member of a limited liability 33880  
company if the limited liability company is not treated as a 33881  
corporation for purposes of this chapter and is not classified 33882  
as an association taxable as a corporation for federal income 33883  
tax purposes. 33884

(B) (1) A nonrefundable credit is allowed against the tax 33885  
imposed by section 5733.06 of the Revised Code for a taxpayer 33886  
that has entered into an agreement with the director of housing 33887  
and development under section 122.16 of the Revised Code, or for 33888  
a taxpayer that is a partner in a partnership that has entered 33889  
into such an agreement. If a taxpayer is a partner in such a 33890  
partnership, the taxpayer shall be allowed its distributive 33891  
share of the credit available through the partnership. 33892

(2) If a taxpayer enters into more than one agreement 33893  
under section 122.16 of the Revised Code, the taxpayer may 33894  
aggregate the amount of those credits each year. 33895

(3) A taxpayer entitled to the credit allowed under this 33896  
section shall claim one-fifth of the credit amount for the tax 33897  
year immediately following the calendar year in which the 33898  
agreement is entered into, and one-fifth of the credit amount 33899  
for each of the four succeeding tax years. 33900

(4) A taxpayer shall claim the credit in the order 33901  
provided under section 5733.98 of the Revised Code. The amount 33902  
of the credit that a taxpayer may claim each year shall be the 33903  
amount indicated on the certificate issued by the director of 33904  
housing and development under section 122.16 of the Revised 33905  
Code, or the taxpayer's distributive share of that amount if the 33906  
taxpayer is entitled to the credit through a partnership. The 33907  
taxpayer shall submit the certificate with the taxpayer's annual 33908  
report filed under section 5733.02 of the Revised Code. Each tax 33909  
year, any credit amount in excess of the tax due for that year 33910  
under section 5733.06 of the Revised Code, after allowing for 33911  
all other credits preceding the credit in that order, may be 33912  
carried forward for no more than three tax years. 33913

(5) A taxpayer shall not claim any credit amount 33914

remaining, including any amounts carried forward from prior tax 33915  
years, for any tax year following the calendar year in which any 33916  
of the following events occur, except as otherwise provided 33917  
under division (B) (6) of this section: 33918

(a) The taxpayer or partnership through which the taxpayer 33919  
is entitled to the credit enters into a compliance schedule 33920  
agreement pursuant to division (B) (3) of section 3746.12 of the 33921  
Revised Code; 33922

(b) The taxpayer or partnership through which the taxpayer 33923  
is entitled to the credit has its covenant not to sue revoked 33924  
pursuant to Chapter 3746. of the Revised Code and rules adopted 33925  
under that chapter; 33926

(c) The covenant not to sue issued to the taxpayer or 33927  
partnership through which the taxpayer is entitled to the credit 33928  
is void pursuant to Chapter 3746. of the Revised Code; 33929

(d) The director of housing and development has determined 33930  
that the taxpayer, or a partnership through which the taxpayer 33931  
is entitled to the credit, has permitted the eligible site to be 33932  
used in such a manner as to cause the relocation of employment 33933  
positions from elsewhere in this state in violation of the 33934  
commitment required under division (D) of section 122.16 of the 33935  
Revised Code. 33936

If a taxpayer claims credits through more than one 33937  
partnership, division (B) (5) of this section prohibits that 33938  
taxpayer from claiming a credit through any of those 33939  
partnerships that has entered into a compliance schedule 33940  
agreement, has had its covenant not to sue revoked or voided, or 33941  
has violated the commitment required in division (D) of section 33942  
122.16 of the Revised Code. Division (B) (5) of this section does 33943

not prohibit such a taxpayer from claiming a credit through a partnership that has not entered into a compliance schedule agreement, has not had its covenant not to sue revoked or voided, or has not violated the commitment required in division (D) of section 122.16 of the Revised Code.

(6) If a taxpayer has been prohibited from claiming the credit or a portion of the credit by reason of division (B) (5) (a) of this section, and the taxpayer, or a partnership in which the taxpayer is a partner, subsequently has returned the property to compliance with applicable standards pursuant to the compliance schedule agreement, the taxpayer may claim the credit for the tax year following the calendar year in which the director of environmental protection has determined that the taxpayer or partnership has returned the property to compliance with applicable standards and for each subsequent tax year for which the taxpayer is otherwise allowed to claim the credit under division (B) (3) of this section.

**Sec. 5733.352.** (A) As used in this section:

(1) "Borrower" means any person that receives a loan from the director of housing and development under section 166.21 of the Revised Code, regardless of whether the borrower is subject to the taxes imposed by sections 5733.06, 5733.065, and 5733.066 of the Revised Code.

(2) "Related member" has the same meaning as in section 5733.042 of the Revised Code.

(3) "Qualified research and development loan payments" has the same meaning as in division (D) of section 166.21 of the Revised Code.

(B) Beginning with tax year 2004, and in the case of a

corporation subject to division (G) (2) of section 5733.01 of the Revised Code ending with tax year 2008, a nonrefundable credit is allowed against the taxes imposed by sections 5733.06, 5733.065, and 5733.066 of the Revised Code equal to a borrower's qualified research and development loan payments made during the calendar year immediately preceding the tax year for which the credit is claimed. The amount of the credit for a tax year shall not exceed one hundred fifty thousand dollars. No taxpayer is entitled to claim a credit under this section unless it has obtained a certificate issued by the director of housing and development under division (D) of section 166.21 of the Revised Code and submits a copy of the certificate with its report for the taxable year. Failure to submit a copy of the certificate with the report does not invalidate a claim for a credit if the taxpayer submits a copy of the certificate within sixty days after the tax commissioner requests it. The credit shall be claimed in the order required under section 5733.98 of the Revised Code. The credit, to the extent it exceeds the taxpayer's tax liability for the tax year after allowance for any other credits that precede the credit under this section in that order, shall be carried forward to the next succeeding tax year or years until fully used. A corporation subject to division (G) (2) of section 5733.01 of the Revised Code may carry forward any credit not fully utilized by tax year 2008 and apply it against the tax levied by Chapter 5751. of the Revised Code to the extent allowed under section 5751.52 of the Revised Code.

(C) A borrower entitled to a credit under this section may assign the credit, or a portion thereof, to any of the following:

(1) A related member of that borrower;

(2) The owner or lessee of the eligible research and development project; 34003  
34004

(3) A related member of the owner or lessee of the eligible research and development project. 34005  
34006

A borrower making an assignment under this division shall provide written notice of the assignment to the tax commissioner and the director of housing and development, in such form as the tax commissioner prescribes, before the credit that was assigned is used. The assignor may not claim the credit to the extent it was assigned to an assignee. The assignee may claim the credit only to the extent the assignor has not claimed it. 34007  
34008  
34009  
34010  
34011  
34012  
34013

(D) If any taxpayer is a partner in a partnership or a member in a limited liability company treated as a partnership for federal income tax purposes, the taxpayer shall be allowed the taxpayer's distributive or proportionate share of the credit available through the partnership or limited liability company. 34014  
34015  
34016  
34017  
34018

(E) The aggregate credit against the taxes imposed by sections 5733.06, 5733.065, 5733.066, and 5747.02 of the Revised Code that may be claimed under this section and section 5747.331 of the Revised Code by a borrower as a result of qualified research and development loan payments attributable during a calendar year to any one loan shall not exceed one hundred fifty thousand dollars. 34019  
34020  
34021  
34022  
34023  
34024  
34025

**Sec. 5733.58.** (A) Terms used in this section have the same meaning as in section 5725.33 of the Revised Code. 34026  
34027

(B) There is hereby allowed a nonrefundable credit against the tax imposed by section 5733.06 of the Revised Code for a financial institution holding a qualified equity investment on the credit allowance date occurring in the calendar year 34028  
34029  
34030  
34031

immediately preceding the tax year for which the tax is due. The 34032  
credit shall be computed in the same manner prescribed for the 34033  
computation of credits allowed under section 5725.33 of the 34034  
Revised Code. 34035

By claiming a tax credit under this section, a financial 34036  
institution waives its rights under section 5733.11 of the 34037  
Revised Code with respect to the time limitation for the 34038  
assessment of taxes as it relates to credits claimed that later 34039  
become subject to recapture under division (D) of this section. 34040

The credit shall be claimed in the order prescribed by 34041  
section 5733.98 of the Revised Code. If the amount of the credit 34042  
exceeds the amount of tax otherwise due after deducting all 34043  
other credits in that order, the excess may be carried forward 34044  
and applied to the tax due for not more than four ensuing tax 34045  
years. 34046

(C) The total amount of qualified equity investments on 34047  
the basis of which credits may be claimed under this section and 34048  
sections 5725.33 and 5729.16 of the Revised Code is subject to 34049  
the limitation of division (C) of section 5725.33 of the Revised 34050  
Code. 34051

(D) If any amount of a federal tax credit allowed for a 34052  
qualified equity investment for which a credit was received 34053  
under this section is recaptured under section 45D of the 34054  
Internal Revenue Code, or if the director of housing and 34055  
development ~~services~~ determines that an investment for which a 34056  
tax credit is claimed under this section is not a qualified 34057  
equity investment or that the proceeds of an investment for 34058  
which a tax credit is claimed under this section are used to 34059  
make qualified low-income community investments other than in a 34060  
qualified active low-income community business in this state, 34061

all or a portion of the credit received on account of that 34062  
investment shall be paid by the financial institution that 34063  
received the credit to the tax commissioner. The amount to be 34064  
recovered shall be determined by the director of housing and 34065  
~~development services~~ pursuant to rules adopted under section 34066  
5725.33 of the Revised Code. The director shall certify any 34067  
amount due under this division to the tax commissioner, and the 34068  
commissioner shall notify the financial institution of the 34069  
amount due. The amount due is payable not later than thirty days 34070  
after the day the commissioner issues the notice. The amount due 34071  
shall be considered to be tax due under section 5733.06 of the 34072  
Revised Code, and may be collected by assessment without regard 34073  
to the limitations imposed under section 5733.11 of the Revised 34074  
Code for the assessment of taxes by the commissioner. All 34075  
amounts collected under this division shall be credited as 34076  
revenue from the tax levied under section 5733.06 of the Revised 34077  
Code. 34078

**Sec. 5733.59.** (A) Any term used in this section has the 34079  
same meaning as in section 122.85 of the Revised Code. 34080

(B) There is allowed a credit against the tax imposed by 34081  
section 5733.06 of the Revised Code for any corporation that is 34082  
the certificate owner of a tax credit certificate issued under 34083  
section 122.85 of the Revised Code. The credit shall be claimed 34084  
for the taxable year in which the certificate is issued by the 34085  
director of housing and development. The credit amount equals 34086  
the amount stated in the certificate. The credit shall be 34087  
claimed in the order required under section 5733.98 of the 34088  
Revised Code. If the credit amount exceeds the tax otherwise due 34089  
under section 5733.06 of the Revised Code after deducting all 34090  
other credits in that order, the excess shall be refunded. 34091

(C) If, pursuant to division (G) of section 5733.01 of the Revised Code, the corporation is not required to pay tax under this chapter, the corporation may file an annual report under section 5733.02 of the Revised Code and claim the credit authorized by this section. Nothing in this section allows a corporation to claim more than one credit per tax credit-eligible production.

**Sec. 5747.01.** Except as otherwise expressly provided or clearly appearing from the context, any term used in this chapter that is not otherwise defined in this section has the same meaning as when used in a comparable context in the laws of the United States relating to federal income taxes or if not used in a comparable context in those laws, has the same meaning as in section 5733.40 of the Revised Code. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States relating to federal income taxes.

As used in this chapter:

(A) "Adjusted gross income" or "Ohio adjusted gross income" means federal adjusted gross income, as defined and used in the Internal Revenue Code, adjusted as provided in this section:

state income taxes.	34121
(3) Deduct interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission, or instrumentality of the United States to the extent that the interest or dividends are included in federal adjusted gross income but exempt from state income taxes under the laws of the United States.	34122 34123 34124 34125 34126 34127
(4) Deduct disability and survivor's benefits to the extent included in federal adjusted gross income.	34128 34129

(a) Benefits under Title II of the Social Security Act and tier 1 railroad retirement;	34133 34134
(b) Railroad retirement benefits, other than tier 1 railroad retirement benefits, to the extent such amounts are exempt from state taxation under federal law.	34135 34136 34137
(6) Deduct the amount of wages and salaries, if any, not otherwise allowable as a deduction but that would have been allowable as a deduction in computing federal adjusted gross income for the taxable year, had the work opportunity tax credit allowed and determined under sections 38, 51, and 52 of the Internal Revenue Code not been in effect.	34138 34139 34140 34141 34142 34143
(7) Deduct any interest or interest equivalent on public obligations and purchase obligations to the extent that the interest or interest equivalent is included in federal adjusted gross income.	34144 34145 34146 34147
(8) Add any loss or deduct any gain resulting from the	34148

(9) Deduct or add amounts, as provided under section 34152  
5747.70 of the Revised Code, related to contributions made to or 34153  
tuition units purchased under a qualified tuition program 34154  
established pursuant to section 529 of the Internal Revenue 34155

under division (A) (10) (a) of this section shall be allowed 34163  
either to any taxpayer who is eligible to participate in any 34164  
subsidized health plan maintained by any employer of the 34165  
taxpayer or of the taxpayer's spouse, or to any taxpayer who is 34166  
entitled to, or on application would be entitled to, benefits 34167  
under part A of Title XVIII of the "Social Security Act," 49 34168  
Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of 34169  
division (A) (10) (a) of this section, "subsidized health plan" 34170  
means a health plan for which the employer pays any portion of 34171  
the plan's cost. The deduction allowed under division (A) (10) (a) 34172

(b) Deduct, to the extent not otherwise deducted or 34176  
excluded in computing federal or Ohio adjusted gross income 34177  
during the taxable year, the amount the taxpayer paid during the 34178

taxable year, not compensated for by any insurance or otherwise, 34179  
for medical care of the taxpayer, the taxpayer's spouse, and 34180  
dependents, to the extent the expenses exceed seven and one-half 34181  
per cent of the taxpayer's federal adjusted gross income. 34182

(c) For purposes of division (A)(10) of this section, 34183  
"medical care" has the meaning given in section 213 of the 34184  
Internal Revenue Code, subject to the special rules, 34185  
limitations, and exclusions set forth therein, and "qualified 34186  
long-term care" has the same meaning given in section 7702B(c) 34187  
of the Internal Revenue Code. Solely for purposes of division 34188  
(A)(10)(a) of this section, "dependent" includes a person who 34189  
otherwise would be a "qualifying relative" and thus a 34190  
"dependent" under section 152 of the Internal Revenue Code but 34191  
for the fact that the person fails to meet the income and 34192  
support limitations under section 152(d)(1)(B) and (C) of the 34193  
Internal Revenue Code. 34194

(11)(a) Deduct any amount included in federal adjusted 34195  
gross income solely because the amount represents a 34196  
reimbursement or refund of expenses that in any year the 34197  
taxpayer had deducted as an itemized deduction pursuant to 34198  
section 63 of the Internal Revenue Code and applicable United 34199  
States department of the treasury regulations. The deduction 34200  
otherwise allowed under division (A)(11)(a) of this section 34201  
shall be reduced to the extent the reimbursement is attributable 34202  
to an amount the taxpayer deducted under this section in any 34203  
taxable year. 34204

(b) Add any amount not otherwise included in Ohio adjusted 34205  
gross income for any taxable year to the extent that the amount 34206  
is attributable to the recovery during the taxable year of any 34207  
amount deducted or excluded in computing federal or Ohio 34208

adjusted gross income in any taxable year.	34209
(12) Deduct any portion of the deduction described in	34210
section 1341(a)(2) of the Internal Revenue Code, for repaying	34211
previously reported income received under a claim of right, that	34212
meets both of the following requirements:	34213
(a) It is allowable for repayment of an item that was	34214
included in the taxpayer's adjusted gross income for a prior	34215
taxable year and did not qualify for a credit under division (A)	34216
or (B) of section 5747.05 of the Revised Code for that year;	34217
(b) It does not otherwise reduce the taxpayer's adjusted	34218
gross income for the current or any other taxable year.	34219
(13) Deduct an amount equal to the deposits made to, and	34220
net investment earnings of, a medical savings account during the	34221
taxable year, in accordance with section 3924.66 of the Revised	34222
Code. The deduction allowed by division (A)(13) of this section	34223
does not apply to medical savings account deposits and earnings	34224
otherwise deducted or excluded for the current or any other	34225
taxable year from the taxpayer's federal adjusted gross income.	34226
(14)(a) Add an amount equal to the funds withdrawn from a	34227
medical savings account during the taxable year, and the net	34228
investment earnings on those funds, when the funds withdrawn	34229
were used for any purpose other than to reimburse an account	34230
holder for, or to pay, eligible medical expenses, in accordance	34231
with section 3924.66 of the Revised Code;	34232
(b) Add the amounts distributed from a medical savings	34233
account under division (A)(2) of section 3924.68 of the Revised	34234
Code during the taxable year.	34235
(15) Add any amount claimed as a credit under section	34236
5747.059 of the Revised Code to the extent that such amount	34237

satisfies either of the following: 34238

(a) The amount was deducted or excluded from the 34239  
computation of the taxpayer's federal adjusted gross income as 34240  
required to be reported for the taxpayer's taxable year under 34241  
the Internal Revenue Code; 34242

(b) The amount resulted in a reduction of the taxpayer's 34243  
federal adjusted gross income as required to be reported for any 34244  
of the taxpayer's taxable years under the Internal Revenue Code. 34245

(16) Deduct the amount contributed by the taxpayer to an 34246  
individual development account program established by a county 34247  
department of job and family services pursuant to sections 34248  
329.11 to 329.14 of the Revised Code for the purpose of matching 34249  
funds deposited by program participants. On request of the tax 34250  
commissioner, the taxpayer shall provide any information that, 34251  
in the tax commissioner's opinion, is necessary to establish the 34252  
amount deducted under division (A)(16) of this section. 34253

(17)(a)(i) Subject to divisions (A)(17)(a)(iii), (iv), and 34254  
(v) of this section, add five-sixths of the amount of 34255  
depreciation expense allowed by subsection (k) of section 168 of 34256  
the Internal Revenue Code, including the taxpayer's 34257  
proportionate or distributive share of the amount of 34258  
depreciation expense allowed by that subsection to a pass- 34259  
through entity in which the taxpayer has a direct or indirect 34260  
ownership interest. 34261

(ii) Subject to divisions (A)(17)(a)(iii), (iv), and (v) 34262  
of this section, add five-sixths of the amount of qualifying 34263  
section 179 depreciation expense, including the taxpayer's 34264  
proportionate or distributive share of the amount of qualifying 34265  
section 179 depreciation expense allowed to any pass-through 34266

entity in which the taxpayer has a direct or indirect ownership interest. 34267  
34268

(iii) Subject to division (A) (17) (a) (v) of this section, 34269  
for taxable years beginning in 2012 or thereafter, if the 34270  
increase in income taxes withheld by the taxpayer is equal to or 34271  
greater than ten per cent of income taxes withheld by the 34272  
taxpayer during the taxpayer's immediately preceding taxable 34273  
year, "two-thirds" shall be substituted for "five-sixths" for 34274  
the purpose of divisions (A) (17) (a) (i) and (ii) of this section. 34275

(iv) Subject to division (A) (17) (a) (v) of this section, 34276  
for taxable years beginning in 2012 or thereafter, a taxpayer is 34277  
not required to add an amount under division (A) (17) of this 34278  
section if the increase in income taxes withheld by the taxpayer 34279  
and by any pass-through entity in which the taxpayer has a 34280  
direct or indirect ownership interest is equal to or greater 34281  
than the sum of (I) the amount of qualifying section 179 34282  
depreciation expense and (II) the amount of depreciation expense 34283  
allowed to the taxpayer by subsection (k) of section 168 of the 34284  
Internal Revenue Code, and including the taxpayer's 34285  
proportionate or distributive shares of such amounts allowed to 34286  
any such pass-through entities. 34287

(v) If a taxpayer directly or indirectly incurs a net 34288  
operating loss for the taxable year for federal income tax 34289  
purposes, to the extent such loss resulted from depreciation 34290  
expense allowed by subsection (k) of section 168 of the Internal 34291  
Revenue Code and by qualifying section 179 depreciation expense, 34292  
"the entire" shall be substituted for "five-sixths of the" for 34293  
the purpose of divisions (A) (17) (a) (i) and (ii) of this section. 34294

The tax commissioner, under procedures established by the 34295  
commissioner, may waive the add-backs related to a pass-through 34296

entity if the taxpayer owns, directly or indirectly, less than 34297  
five per cent of the pass-through entity. 34298

(b) Nothing in division (A) (17) of this section shall be 34299  
construed to adjust or modify the adjusted basis of any asset. 34300

(c) To the extent the add-back required under division (A) 34301  
(17) (a) of this section is attributable to property generating 34302  
nonbusiness income or loss allocated under section 5747.20 of 34303  
the Revised Code, the add-back shall be situated to the same 34304  
location as the nonbusiness income or loss generated by the 34305  
property for the purpose of determining the credit under 34306  
division (A) of section 5747.05 of the Revised Code. Otherwise, 34307  
the add-back shall be apportioned, subject to one or more of the 34308  
four alternative methods of apportionment enumerated in section 34309  
5747.21 of the Revised Code. 34310

(d) For the purposes of division (A) (17) (a) (v) of this 34311  
section, net operating loss carryback and carryforward shall not 34312  
include the allowance of any net operating loss deduction 34313  
carryback or carryforward to the taxable year to the extent such 34314  
loss resulted from depreciation allowed by section 168(k) of the 34315  
Internal Revenue Code and by the qualifying section 179 34316  
depreciation expense amount. 34317

(e) For the purposes of divisions (A) (17) and (18) of this 34318  
section: 34319

(i) "Income taxes withheld" means the total amount 34320  
withheld and remitted under sections 5747.06 and 5747.07 of the 34321  
Revised Code by an employer during the employer's taxable year. 34322

(ii) "Increase in income taxes withheld" means the amount 34323  
by which the amount of income taxes withheld by an employer 34324  
during the employer's current taxable year exceeds the amount of 34325

income taxes withheld by that employer during the employer's 34326  
immediately preceding taxable year. 34327

(iii) "Qualifying section 179 depreciation expense" means 34328  
the difference between (I) the amount of depreciation expense 34329  
directly or indirectly allowed to a taxpayer under section 179 34330  
of the Internal Revised Code, and (II) the amount of 34331  
depreciation expense directly or indirectly allowed to the 34332  
taxpayer under section 179 of the Internal Revenue Code as that 34333  
section existed on December 31, 2002. 34334

(18) (a) If the taxpayer was required to add an amount 34335  
under division (A) (17) (a) of this section for a taxable year, 34336  
deduct one of the following: 34337

(i) One-fifth of the amount so added for each of the five 34338  
succeeding taxable years if the amount so added was five-sixths 34339  
of qualifying section 179 depreciation expense or depreciation 34340  
expense allowed by subsection (k) of section 168 of the Internal 34341  
Revenue Code; 34342

(ii) One-half of the amount so added for each of the two 34343  
succeeding taxable years if the amount so added was two-thirds 34344  
of such depreciation expense; 34345

(iii) One-sixth of the amount so added for each of the six 34346  
succeeding taxable years if the entire amount of such 34347  
depreciation expense was so added. 34348

(b) If the amount deducted under division (A) (18) (a) of 34349  
this section is attributable to an add-back allocated under 34350  
division (A) (17) (c) of this section, the amount deducted shall 34351  
be situated to the same location. Otherwise, the add-back shall 34352  
be apportioned using the apportionment factors for the taxable 34353  
year in which the deduction is taken, subject to one or more of 34354

the four alternative methods of apportionment enumerated in 34355  
section 5747.21 of the Revised Code. 34356

(c) No deduction is available under division (A) (18) (a) of 34357  
this section with regard to any depreciation allowed by section 34358  
168(k) of the Internal Revenue Code and by the qualifying 34359  
section 179 depreciation expense amount to the extent that such 34360  
depreciation results in or increases a federal net operating 34361  
loss carryback or carryforward. If no such deduction is 34362  
available for a taxable year, the taxpayer may carry forward the 34363  
amount not deducted in such taxable year to the next taxable 34364  
year and add that amount to any deduction otherwise available 34365  
under division (A) (18) (a) of this section for that next taxable 34366  
year. The carryforward of amounts not so deducted shall continue 34367  
until the entire addition required by division (A) (17) (a) of 34368  
this section has been deducted. 34369

(19) Deduct, to the extent not otherwise deducted or 34370  
excluded in computing federal or Ohio adjusted gross income for 34371  
the taxable year, the amount the taxpayer received during the 34372  
taxable year as reimbursement for life insurance premiums under 34373  
section 5919.31 of the Revised Code. 34374

(20) Deduct, to the extent not otherwise deducted or 34375  
excluded in computing federal or Ohio adjusted gross income for 34376  
the taxable year, the amount the taxpayer received during the 34377  
taxable year as a death benefit paid by the adjutant general 34378  
under section 5919.33 of the Revised Code. 34379

(21) Deduct, to the extent included in federal adjusted 34380  
gross income and not otherwise allowable as a deduction or 34381  
exclusion in computing federal or Ohio adjusted gross income for 34382  
the taxable year, military pay and allowances received by the 34383  
taxpayer during the taxable year for active duty service in the 34384

United States army, air force, navy, marine corps, or coast 34385  
guard or reserve components thereof or the national guard. The 34386  
deduction may not be claimed for military pay and allowances 34387  
received by the taxpayer while the taxpayer is stationed in this 34388  
state. 34389

(22) Deduct, to the extent not otherwise allowable as a 34390  
deduction or exclusion in computing federal or Ohio adjusted 34391  
gross income for the taxable year and not otherwise compensated 34392  
for by any other source, the amount of qualified organ donation 34393  
expenses incurred by the taxpayer during the taxable year, not 34394  
to exceed ten thousand dollars. A taxpayer may deduct qualified 34395  
organ donation expenses only once for all taxable years 34396  
beginning with taxable years beginning in 2007. 34397

For the purposes of division (A) (22) of this section: 34398

(a) "Human organ" means all or any portion of a human 34399  
liver, pancreas, kidney, intestine, or lung, and any portion of 34400  
human bone marrow. 34401

(b) "Qualified organ donation expenses" means travel 34402  
expenses, lodging expenses, and wages and salary forgone by a 34403  
taxpayer in connection with the taxpayer's donation, while 34404  
living, of one or more of the taxpayer's human organs to another 34405  
human being. 34406

(23) Deduct, to the extent not otherwise deducted or 34407  
excluded in computing federal or Ohio adjusted gross income for 34408  
the taxable year, amounts received by the taxpayer as retired 34409  
personnel pay for service in the uniformed services or reserve 34410  
components thereof, or the national guard, or received by the 34411  
surviving spouse or former spouse of such a taxpayer under the 34412  
survivor benefit plan on account of such a taxpayer's death. If 34413

the taxpayer receives income on account of retirement paid under 34414  
the federal civil service retirement system or federal employees 34415  
retirement system, or under any successor retirement program 34416  
enacted by the congress of the United States that is established 34417  
and maintained for retired employees of the United States 34418  
government, and such retirement income is based, in whole or in 34419  
part, on credit for the taxpayer's uniformed service, the 34420  
deduction allowed under this division shall include only that 34421  
portion of such retirement income that is attributable to the 34422  
taxpayer's uniformed service, to the extent that portion of such 34423  
retirement income is otherwise included in federal adjusted 34424  
gross income and is not otherwise deducted under this section. 34425  
Any amount deducted under division (A) (23) of this section is 34426  
not included in a taxpayer's adjusted gross income for the 34427  
purposes of section 5747.055 of the Revised Code. No amount may 34428  
be deducted under division (A) (23) of this section on the basis 34429  
of which a credit was claimed under section 5747.055 of the 34430  
Revised Code. 34431

(24) Deduct, to the extent not otherwise deducted or 34432  
excluded in computing federal or Ohio adjusted gross income for 34433  
the taxable year, the amount the taxpayer received during the 34434  
taxable year from the military injury relief fund created in 34435  
section 5902.05 of the Revised Code. 34436

(25) Deduct, to the extent not otherwise deducted or 34437  
excluded in computing federal or Ohio adjusted gross income for 34438  
the taxable year, the amount the taxpayer received as a veterans 34439  
bonus during the taxable year from the Ohio department of 34440  
veterans services as authorized by Section 2r of Article VIII, 34441  
Ohio Constitution. 34442

(26) Deduct, to the extent not otherwise deducted or 34443

excluded in computing federal or Ohio adjusted gross income for 34444  
the taxable year, any income derived from a transfer agreement 34445  
or from the enterprise transferred under that agreement under 34446  
section 4313.02 of the Revised Code. 34447

(27) Deduct, to the extent not otherwise deducted or 34448  
excluded in computing federal or Ohio adjusted gross income for 34449  
the taxable year, Ohio college opportunity or federal Pell grant 34450  
amounts received by the taxpayer or the taxpayer's spouse or 34451  
dependent pursuant to section 3333.122 of the Revised Code or 20 34452  
U.S.C. 1070a, et seq., and used to pay room or board furnished 34453  
by the educational institution for which the grant was awarded 34454  
at the institution's facilities, including meal plans 34455  
administered by the institution. For the purposes of this 34456  
division, receipt of a grant includes the distribution of a 34457  
grant directly to an educational institution and the crediting 34458  
of the grant to the enrollee's account with the institution. 34459

(28) Deduct from the portion of an individual's federal 34460  
adjusted gross income that is business income, to the extent not 34461  
otherwise deducted or excluded in computing federal adjusted 34462  
gross income for the taxable year, one hundred twenty-five 34463  
thousand dollars for each spouse if spouses file separate 34464  
returns under section 5747.08 of the Revised Code or two hundred 34465  
fifty thousand dollars for all other individuals. 34466

(29) Deduct, as provided under section 5747.78 of the 34467  
Revised Code, contributions to ABLE savings accounts made in 34468  
accordance with sections 113.50 to 113.56 of the Revised Code. 34469

(30) (a) Deduct, to the extent not otherwise deducted or 34470  
excluded in computing federal or Ohio adjusted gross income 34471  
during the taxable year, all of the following: 34472

(i) Compensation paid to a qualifying employee described 34473  
in division (A) (14) (a) of section 5703.94 of the Revised Code to 34474  
the extent such compensation is for disaster work conducted in 34475  
this state during a disaster response period pursuant to a 34476  
qualifying solicitation received by the employee's employer; 34477

(ii) Compensation paid to a qualifying employee described 34478  
in division (A) (14) (b) of section 5703.94 of the Revised Code to 34479  
the extent such compensation is for disaster work conducted in 34480  
this state by the employee during the disaster response period 34481  
on critical infrastructure owned or used by the employee's 34482  
employer; 34483

(iii) Income received by an out-of-state disaster business 34484  
for disaster work conducted in this state during a disaster 34485  
response period, or, if the out-of-state disaster business is a 34486  
pass-through entity, a taxpayer's distributive share of the 34487  
pass-through entity's income from the business conducting 34488  
disaster work in this state during a disaster response period, 34489  
if, in either case, the disaster work is conducted pursuant to a 34490  
qualifying solicitation received by the business. 34491

(b) All terms used in division (A) (30) of this section 34492  
have the same meanings as in section 5703.94 of the Revised 34493  
Code. 34494

(31) For a taxpayer who is a qualifying Ohio educator, 34495  
deduct, to the extent not otherwise deducted or excluded in 34496  
computing federal or Ohio adjusted gross income for the taxable 34497  
year, the lesser of two hundred fifty dollars or the amount of 34498  
expenses described in subsections (a) (2) (D) (i) and (ii) of 34499  
section 62 of the Internal Revenue Code paid or incurred by the 34500  
taxpayer during the taxpayer's taxable year in excess of the 34501  
amount the taxpayer is authorized to deduct for that taxable 34502

year under subsection (a) (2) (D) of that section. 34503

(32) Deduct, to the extent not otherwise deducted or 34504  
excluded in computing federal or Ohio adjusted gross income for 34505  
the taxable year, amounts received by the taxpayer as a 34506

following discharge or release under honorable conditions from 34508  
the armed forces of the United States, as defined in section 34509  
5907.01 of the Revised Code. 34510

(33) Deduct, to the extent not otherwise deducted or 34511  
excluded in computing federal adjusted gross income or Ohio 34512  
adjusted gross income, amounts not subject to tax due to an 34513  
agreement entered into under division (A) (2) of section 5747.05 34514  
of the Revised Code. 34515

(34) Deduct amounts as provided under section 5747.79 of 34516  
the Revised Code related to the taxpayer's qualifying capital 34517  
gains and deductible payroll. 34518

To the extent a qualifying capital gain described under 34519  
division (A) (34) of this section is business income, the 34520  
taxpayer shall deduct those gains under this division before 34521  
deducting any such gains under division (A) (28) of this section. 34522

(35) (a) For taxable years beginning in or after 2026, 34523

year: 34526

(i) One hundred per cent of the capital gain received by 34527  
the taxpayer in the taxable year from a qualifying interest in 34528

(d) To the extent a capital gain described in division (A) (35) (a) of this section is business income, the taxpayer shall apply that division before applying division (A) (28) of this section.

(36) Add, to the extent not otherwise included in computing federal or Ohio adjusted gross income for any taxable year, the taxpayer's proportionate share of the amount of the tax levied under section 5747.38 of the Revised Code and paid by an electing pass-through entity for the taxable year.

Notwithstanding any provision of the Revised Code to the contrary, the portion of the addition required by division (A) (36) of this section related to the apportioned business income of the pass-through entity shall be considered business income under division (B) of this section. Such addition is eligible for the deduction in division (A) (28) of this section, subject to the applicable dollar limitations, and the tax rate prescribed by division (A) (4) (a) of section 5747.02 of the

the fair market value of all the trust's assets immediately 34735  
after the subsequent transfer, net of any related liabilities. 34736

(iii) Whether a transfer to the trust is by or from any of 34737

the transfer is described in any of the following: 34758

(i) The transfer is made to a trust, created by the 34759

Code. 34978

(U) As used in divisions (A) (7), (A) (8), (S) (6), and (S) 34979  
(7) of this section, "public obligations," "purchase 34980  
obligations," and "interest or interest equivalent" have the 34981  
same meanings as in section 5709.76 of the Revised Code. 34982

(V) "Limited liability company" means any limited 34983  
liability company formed under former Chapter 1705. of the 34984

Chapter 1706. of the Revised Code, or the laws of any other 34986  
state. 34987

(W) "Pass-through entity investor" means any person who, 34988  
during any portion of a taxable year of a pass-through entity, 34989  
is a partner, member, shareholder, or equity investor in that 34990  
pass-through entity. 34991

(X) "Banking day" has the same meaning as in section 34992

income included in a trust's Ohio taxable income after such 34999  
taxable income is first reduced by the qualifying trust amount, 35000  
if any. 35001

(2) "Qualifying trust amount" of a trust means capital 35002  
gains and losses from the sale, exchange, or other disposition 35003  
of equity or ownership interests in, or debt obligations of, a 35004  
qualifying investee to the extent included in the trust's Ohio 35005  
taxable income, but only if the following requirements are 35006  
satisfied: 35007

(a) The book value of the qualifying investee's physical 35008  
assets in this state and everywhere, as of the last day of the 35009  
qualifying investee's fiscal or calendar year ending immediately 35010  
prior to the date on which the trust recognizes the gain or 35011  
loss, is available to the trust. 35012

(b) The requirements of section 5747.011 of the Revised 35013  
Code are satisfied for the trust's taxable year in which the 35014  
trust recognizes the gain or loss. 35015

Any gain or loss that is not a qualifying trust amount is 35016  
modified business income, qualifying investment income, or 35017  
modified nonbusiness income, as the case may be. 35018

(3) "Modified nonbusiness income" means a trust's Ohio 35019  
taxable income other than modified business income, other than 35020  
the qualifying trust amount, and other than qualifying 35021  
investment income, as defined in section 5747.012 of the Revised 35022  
Code, to the extent such qualifying investment income is not 35023

otherwise part of modified business income. 35024

(4) "Modified Ohio taxable income" applies only to trusts, 35025  
and means the sum of the amounts described in divisions (AA) (4) 35026  
(a) to (c) of this section: 35027

(a) The fraction, calculated under section 5747.013, and 35028  
applying section 5747.231 of the Revised Code, multiplied by the 35029  
sum of the following amounts: 35030

(i) The trust's modified business income; 35031

(ii) The trust's qualifying investment income, as defined 35032  
in section 5747.012 of the Revised Code, but only to the extent 35033  
the qualifying investment income does not otherwise constitute 35034  
modified business income and does not otherwise constitute a 35035  
qualifying trust amount. 35036

(b) The qualifying trust amount multiplied by a fraction, 35037  
the numerator of which is the sum of the book value of the 35038  
qualifying investee's physical assets in this state on the last 35039  
day of the qualifying investee's fiscal or calendar year ending 35040  
immediately prior to the day on which the trust recognizes the 35041  
qualifying trust amount, and the denominator of which is the sum 35042  
of the book value of the qualifying investee's total physical 35043  
assets everywhere on the last day of the qualifying investee's 35044  
fiscal or calendar year ending immediately prior to the day on 35045  
which the trust recognizes the qualifying trust amount. If, for 35046  
a taxable year, the trust recognizes a qualifying trust amount 35047  
with respect to more than one qualifying investee, the amount 35048  
described in division (AA) (4) (b) of this section shall equal the 35049  
sum of the products so computed for each such qualifying 35050  
investee. 35051

(c) (i) With respect to a trust or portion of a trust that 35052

is a resident as ascertained in accordance with division (I) (3) 35053  
(d) of this section, its modified nonbusiness income. 35054

(ii) With respect to a trust or portion of a trust that is 35055  
not a resident as ascertained in accordance with division (I) (3) 35056  
(d) of this section, the amount of its modified nonbusiness 35057  
income satisfying the descriptions in divisions (B) (2) to (5) of 35058  
section 5747.20 of the Revised Code, except as otherwise 35059  
provided in division (AA) (4) (c) (ii) of this section. With 35060  
respect to a trust or portion of a trust that is not a resident 35061  
as ascertained in accordance with division (I) (3) (d) of this 35062  
section, the trust's portion of modified nonbusiness income 35063  
recognized from the sale, exchange, or other disposition of a 35064  
debt interest in or equity interest in a section 5747.212 35065  
entity, as defined in section 5747.212 of the Revised Code, 35066  
without regard to division (A) of that section, shall not be 35067  
allocated to this state in accordance with section 5747.20 of 35068  
the Revised Code but shall be apportioned to this state in 35069  
accordance with division (B) of section 5747.212 of the Revised 35070  
Code without regard to division (A) of that section. 35071

If the allocation and apportionment of a trust's income 35072  
under divisions (AA) (4) (a) and (c) of this section do not fairly 35073  
represent the modified Ohio taxable income of the trust in this 35074  
state, the alternative methods described in division (C) of 35075  
section 5747.21 of the Revised Code may be applied in the manner 35076  
and to the same extent provided in that section. 35077

(5) (a) Except as set forth in division (AA) (5) (b) of this 35078  
section, "qualifying investee" means a person in which a trust 35079  
has an equity or ownership interest, or a person or unit of 35080  
government the debt obligations of either of which are owned by 35081  
a trust. For the purposes of division (AA) (2) (a) of this section 35082

and for the purpose of computing the fraction described in 35083  
division (AA) (4) (b) of this section, all of the following apply: 35084

(i) If the qualifying investee is a member of a qualifying 35085  
controlled group on the last day of the qualifying investee's 35086  
fiscal or calendar year ending immediately prior to the date on 35087  
which the trust recognizes the gain or loss, then "qualifying 35088  
investee" includes all persons in the qualifying controlled 35089  
group on such last day. 35090

(ii) If the qualifying investee, or if the qualifying 35091  
investee and any members of the qualifying controlled group of 35092  
which the qualifying investee is a member on the last day of the 35093  
qualifying investee's fiscal or calendar year ending immediately 35094  
prior to the date on which the trust recognizes the gain or 35095  
loss, separately or cumulatively own, directly or indirectly, on 35096  
the last day of the qualifying investee's fiscal or calendar 35097  
year ending immediately prior to the date on which the trust 35098  
recognizes the qualifying trust amount, more than fifty per cent 35099  
of the equity of a pass-through entity, then the qualifying 35100  
investee and the other members are deemed to own the 35101  
proportionate share of the pass-through entity's physical assets 35102  
which the pass-through entity directly or indirectly owns on the 35103  
last day of the pass-through entity's calendar or fiscal year 35104  
ending within or with the last day of the qualifying investee's 35105  
fiscal or calendar year ending immediately prior to the date on 35106  
which the trust recognizes the qualifying trust amount. 35107

(iii) For the purposes of division (AA) (5) (a) (iii) of this 35108  
section, "upper level pass-through entity" means a pass-through 35109  
entity directly or indirectly owning any equity of another pass- 35110  
through entity, and "lower level pass-through entity" means that 35111  
other pass-through entity. 35112

An upper level pass-through entity, whether or not it is also a qualifying investee, is deemed to own, on the last day of the upper level pass-through entity's calendar or fiscal year, the proportionate share of the lower level pass-through entity's physical assets that the lower level pass-through entity directly or indirectly owns on the last day of the lower level pass-through entity's calendar or fiscal year ending within or with the last day of the upper level pass-through entity's fiscal or calendar year. If the upper level pass-through entity directly and indirectly owns less than fifty per cent of the equity of the lower level pass-through entity on each day of the upper level pass-through entity's calendar or fiscal year in which or with which ends the calendar or fiscal year of the lower level pass-through entity and if, based upon clear and convincing evidence, complete information about the location and cost of the physical assets of the lower pass-through entity is not available to the upper level pass-through entity, then solely for purposes of ascertaining if a gain or loss constitutes a qualifying trust amount, the upper level pass-through entity shall be deemed as owning no equity of the lower level pass-through entity for each day during the upper level pass-through entity's calendar or fiscal year in which or with which ends the lower level pass-through entity's calendar or fiscal year. Nothing in division (AA) (5) (a) (iii) of this section shall be construed to provide for any deduction or exclusion in computing any trust's Ohio taxable income.

(b) With respect to a trust that is not a resident for the taxable year and with respect to a part of a trust that is not a resident for the taxable year, "qualifying investee" for that taxable year does not include a C corporation if both of the following apply:

(i) During the taxable year the trust or part of the trust recognizes a gain or loss from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, the C corporation.	35144 35145 35146 35147
(ii) Such gain or loss constitutes nonbusiness income.	35148
(6) "Available" means information is such that a person is able to learn of the information by the due date plus extensions, if any, for filing the return for the taxable year in which the trust recognizes the gain or loss.	35149 35150 35151 35152
(BB) "Qualifying controlled group" has the same meaning as in section 5733.04 of the Revised Code.	35153 35154
(CC) "Related member" has the same meaning as in section 5733.042 of the Revised Code.	35155 35156
(DD) (1) For the purposes of division (DD) of this section:	35157
(a) "Qualifying person" means any person other than a qualifying corporation.	35158 35159
(b) "Qualifying corporation" means any person classified for federal income tax purposes as an association taxable as a corporation, except either of the following:	35160 35161 35162
(i) A corporation that has made an election under subchapter S, chapter one, subtitle A, of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year;	35163 35164 35165 35166
(ii) A subsidiary that is wholly owned by any corporation that has made an election under subchapter S, chapter one, subtitle A of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year.	35167 35168 35169 35170 35171

(2) For the purposes of this chapter, unless expressly stated otherwise, no qualifying person indirectly owns any asset directly or indirectly owned by any qualifying corporation.

(EE) For purposes of this chapter and Chapter 5751. of the Revised Code:

(1) "Trust" does not include a qualified pre-income tax trust.

(2) A "qualified pre-income tax trust" is any pre-income tax trust that makes a qualifying pre-income tax trust election as described in division (EE) (3) of this section.

(3) A "qualifying pre-income tax trust election" is an election by a pre-income tax trust to subject to the tax imposed by section 5751.02 of the Revised Code the pre-income tax trust and all pass-through entities of which the trust owns or controls, directly, indirectly, or constructively through related interests, five per cent or more of the ownership or equity interests. The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. The election, if timely made, shall be effective on and after January 1, 2006, and shall apply for all tax periods and tax years until revoked by the trustee of the trust.

(4) A "pre-income tax trust" is a trust that satisfies all of the following requirements:

the trust was created. 35200

(FF) "Uniformed services" means all of the following: 35201

(1) "Armed forces of the United States" as defined in 35202  
section 5907.01 of the Revised Code; 35203

(2) The commissioned corps of the national oceanic and 35204  
atmospheric administration; 35205

(3) The commissioned corps of the public health service. 35206

(GG) "Taxable business income" means the amount by which 35207  
an individual's business income that is included in federal 35208  
adjusted gross income exceeds the amount of business income the 35209  
individual is authorized to deduct under division (A) (28) of 35210  
this section for the taxable year. 35211

(HH) "Employer" does not include a franchisor with respect 35212  
to the franchisor's relationship with a franchisee or an 35213  
employee of a franchisee, unless the franchisor agrees to assume 35214  
that role in writing or a court of competent jurisdiction 35215  
determines that the franchisor exercises a type or degree of 35216  
control over the franchisee or the franchisee's employees that 35217  
is not customarily exercised by a franchisor for the purpose of 35218  
protecting the franchisor's trademark, brand, or both. For 35219  
purposes of this division, "franchisor" and "franchisee" have 35220  
the same meanings as in 16 C.F.R. 436.1. 35221

(II) "Modified adjusted gross income" means Ohio adjusted 35222  
gross income plus any amount deducted under divisions (A) (28) 35223  
and (34) of this section for the taxable year. 35224

(JJ) "Qualifying Ohio educator" means an individual who, 35225  
for a taxable year, qualifies as an eligible educator, as that 35226  
term is defined in section 62 of the Internal Revenue Code, and 35227

who holds a certificate, license, or permit described in Chapter 35228  
3319. or section 3301.071 of the Revised Code. 35229

**Sec. 5747.331.** (A) As used in this section: 35230

(1) "Borrower" means any person that receives a loan from 35231  
the director of housing and development under section 166.21 of 35232  
the Revised Code, regardless of whether the borrower is subject 35233  
to the tax imposed by section 5747.02 of the Revised Code. 35234

(2) "Related member" has the same meaning as in section 35235  
5733.042 of the Revised Code. 35236

(3) "Qualified research and development loan payments" has 35237  
the same meaning as in section 166.21 of the Revised Code. 35238

(B) Beginning with taxable years beginning in 2003, a 35239  
nonrefundable credit is allowed against a taxpayer's aggregate 35240  
tax liability under section 5747.02 of the Revised Code equal to 35241  
a borrower's qualified research and development loan payments 35242  
made during the calendar year that includes the last day of the 35243  
taxable year for which the credit is claimed. The amount of the 35244  
credit for a taxable year shall not exceed one hundred fifty 35245  
thousand dollars. No taxpayer is entitled to claim a credit 35246  
under this section unless it has obtained a certificate issued 35247  
by the director of housing and development under division (D) of 35248  
section 166.21 of the Revised Code and submits a copy of the 35249  
certificate with its report for the taxable year. Failure to 35250  
submit a copy of the certificate with the report does not 35251  
invalidate a claim for a credit if the taxpayer submits a copy 35252  
of the certificate within sixty days after the tax commissioner 35253  
requests it. The credit shall be claimed in the order required 35254  
under section 5747.98 of the Revised Code. No credit shall be 35255  
allowed under this section if the credit was available against 35256

the tax imposed by Chapter 5751. of the Revised Code except to 35257  
the extent the credit was not applied against that tax. The 35258  
credit, to the extent it exceeds the taxpayer's aggregate tax 35259  
liability for the taxable year after allowance for any other 35260  
credits that precede the credit under this section in that 35261  
order, shall be carried forward to the next succeeding taxable 35262  
year or years until fully used. 35263

(C) A borrower entitled to a credit under this section may 35264

(2) The owner or lessee of the eligible research and 35268  
development project; 35269

(3) A related member of the owner or lessee of the 35270  
eligible research and development project. 35271

A borrower making an assignment under this division shall 35272  
provide written notice of the assignment to the tax commissioner 35273  
and the director of housing and development, in such form as the 35274  
tax commissioner prescribes, before the credit that was assigned 35275  
is used. The assignor may not claim the credit to the extent it 35276  
was assigned to an assignee. The assignee may claim the credit 35277  
only to the extent the assignor has not claimed it. 35278

(D) If any taxpayer is a shareholder in an S corporation, 35279  
a partner in a partnership, or a member in a limited liability 35280  
company treated as a partnership for federal income tax 35281  
purposes, the taxpayer shall be allowed the taxpayer's 35282  
distributive or proportionate share of the credit available 35283  
through the S corporation, partnership, or limited liability 35284  
company. 35285

(E) The aggregate credit against the taxes imposed by 35286  
section 5747.02 and Chapter 5751. of the Revised Code that may 35287  
be claimed under this section and section 5751.52 of the Revised 35288  
Code by a borrower as a result of qualified research and 35289  
development loan payments attributable during a calendar year to 35290  
any one loan shall not exceed one hundred fifty thousand 35291  
dollars. 35292

**Sec. 5747.51.** (A) On or before the twenty-fifth day of 35293  
July of each year, the tax commissioner shall make and certify 35294  
to the county auditor of each county an estimate of the amount 35295  
of the local government fund to be allocated to the undivided 35296  
local government fund of each county for the ensuing calendar 35297  
year, adjusting the total as required to account for 35298  
subdivisions receiving local government funds under section 35299  
5747.502 of the Revised Code. 35300

(B) At each annual regular session of the county budget 35301  
commission convened pursuant to section 5705.27 of the Revised 35302  
Code, each auditor shall present to the commission the 35303  
certificate of the commissioner, the annual tax budget and 35304  
estimates, and the records showing the action of the commission 35305  
in its last preceding regular session. The commission, after 35306  
extending to the representatives of each subdivision an 35307  
opportunity to be heard, under oath administered by any member 35308  
of the commission, and considering all the facts and information 35309  
presented to it by the auditor, shall determine the amount of 35310  
the undivided local government fund needed by and to be 35311  
apportioned to each subdivision for current operating expenses, 35312  
as shown in the tax budget of the subdivision. This 35313  
determination shall be made pursuant to divisions (C) to (I) of 35314  
this section, unless the commission has provided for a formula 35315  
pursuant to section 5747.53 of the Revised Code. The 35316

commissioner shall reduce the amount of funds from the undivided 35317  
local government fund to a subdivision required to receive 35318  
reduced funds under section 5747.502 of the Revised Code. 35319

Nothing in this section prevents the budget commission, 35320  
for the purpose of apportioning the undivided local government 35321  
fund, from inquiring into the claimed needs of any subdivision 35322  
as stated in its tax budget, or from adjusting claimed needs to 35323  
reflect actual needs. For the purposes of this section, "current 35324  
operating expenses" means the lawful expenditures of a 35325  
subdivision, except those for permanent improvements and except 35326  
payments for interest, sinking fund, and retirement of bonds, 35327  
notes, and certificates of indebtedness of the subdivision. 35328

(C) The commission shall determine the combined total of 35329  
the estimated expenditures, including transfers, from the 35330  
general fund and any special funds other than special funds 35331  
established for road and bridge; street construction, 35332  
maintenance, and repair; state highway improvement; and gas, 35333  
water, sewer, and electric public utilities operated by a 35334  
subdivision, as shown in the subdivision's tax budget for the 35335  
ensuing calendar year. 35336

(D) From the combined total of expenditures calculated 35337  
pursuant to division (C) of this section, the commission shall 35338  
deduct the following expenditures, if included in these funds in 35339  
the tax budget: 35340

(1) Expenditures for permanent improvements as defined in 35341  
division (E) of section 5705.01 of the Revised Code; 35342

(2) In the case of counties and townships, transfers to 35343  
the road and bridge fund, and in the case of municipalities, 35344  
transfers to the street construction, maintenance, and repair 35345

fund and the state highway improvement fund;	35346
(3) Expenditures for the payment of debt charges;	35347
(4) Expenditures for the payment of judgments.	35348
(E) In addition to the deductions made pursuant to	35349
division (D) of this section, revenues accruing to the general	35350
fund and any special fund considered under division (C) of this	35351
section from the following sources shall be deducted from the	35352
combined total of expenditures calculated pursuant to division	35353
(C) of this section:	35354
(1) Taxes levied within the ten-mill limitation, as	35355
defined in section 5705.02 of the Revised Code;	35356
(2) The budget commission allocation of estimated county	35357
public library fund revenues to be distributed pursuant to	35358
section 5747.48 of the Revised Code;	35359
(3) Estimated unencumbered balances as shown on the tax	35360
budget as of the thirty-first day of December of the current	35361
year in the general fund, but not any estimated balance in any	35362
special fund considered in division (C) of this section;	35363
(4) Revenue, including transfers, shown in the general	35364
fund and any special funds other than special funds established	35365
for road and bridge; street construction, maintenance, and	35366
repair; state highway improvement; and gas, water, sewer, and	35367
electric public utilities, from all other sources except those	35368
that a subdivision receives from an additional tax or service	35369
charge voted by its electorate or receives from special	35370
assessment or revenue bond collection. For the purposes of this	35371
division, where the charter of a municipal corporation prohibits	35372
the levy of an income tax, an income tax levied by the	35373
legislative authority of such municipal corporation pursuant to	35374

an amendment of the charter of that municipal corporation to 35375  
authorize such a levy represents an additional tax voted by the 35376  
electorate of that municipal corporation. For the purposes of 35377  
this division, any measure adopted by a board of county 35378  
commissioners pursuant to section 322.02, 4504.02, or 5739.021 35379  
of the Revised Code, including those measures upheld by the 35380  
electorate in a referendum conducted pursuant to section 35381  
322.021, 4504.021, or 5739.022 of the Revised Code, shall not be 35382  
considered an additional tax voted by the electorate. 35383

Subject to division (F) of section 5705.29 of the Revised 35384  
Code, money in a reserve balance account established by a 35385  
county, township, or municipal corporation under section 5705.13 35386  
of the Revised Code shall not be considered an unencumbered 35387  
balance or revenue under division (E) (3) or (4) of this section. 35388  
Money in a reserve balance account established by a township 35389  
under section 5705.132 of the Revised Code shall not be 35390  
considered an unencumbered balance or revenue under division (E) 35391  
(3) or (4) of this section. 35392

If a county, township, or municipal corporation has 35393  
created and maintains a nonexpendable trust fund under section 35394  
5705.131 of the Revised Code, the principal of the fund, and any 35395  
additions to the principal arising from sources other than the 35396  
reinvestment of investment earnings arising from such a fund, 35397  
shall not be considered an unencumbered balance or revenue under 35398  
division (E) (3) or (4) of this section. Only investment earnings 35399  
arising from investment of the principal or investment of such 35400  
additions to principal may be considered an unencumbered balance 35401  
or revenue under those divisions. 35402

(F) The total expenditures calculated pursuant to division 35403  
(C) of this section, less the deductions authorized in divisions 35404

(D) and (E) of this section, shall be known as the "relative need" of the subdivision, for the purposes of this section. 35405  
35406

(G) The budget commission shall total the relative need of all participating subdivisions in the county, and shall compute a relative need factor by dividing the total estimate of the undivided local government fund by the total relative need of all participating subdivisions. 35407  
35408  
35409  
35410  
35411

(H) The relative need of each subdivision shall be multiplied by the relative need factor to determine the proportionate share of the subdivision in the undivided local government fund of the county; provided, that the maximum proportionate share of a county shall not exceed the following maximum percentages of the total estimate of the undivided local government fund governed by the relationship of the percentage of the population of the county that resides within municipal corporations within the county to the total population of the county as reported in the reports on population in Ohio by the department of housing and development as of the twentieth day of July of the year in which the tax budget is filed with the budget commission: 35412

A	Percentage of municipal population within the county:	Percentage share of the county shall not exceed:
B	Less than forty-one per cent	Sixty per cent
C	Forty-one per cent or more but less than eighty-one per cent	Fifty per cent

D      Eighty-one per cent or more                      Thirty per cent

Where the proportionate share of the county exceeds the                      35426  
limitations established in this division, the budget commission                      35427  
shall adjust the proportionate shares determined pursuant to                      35428  
this division so that the proportionate share of the county does                      35429  
not exceed these limitations, and it shall increase the                      35430  
proportionate shares of all other subdivisions on a pro rata                      35431  
basis. In counties having a population of less than one hundred                      35432  
thousand, not less than ten per cent shall be distributed to the                      35433  
townships therein.                      35434

(I) The proportionate share of each subdivision in the                      35435  
undivided local government fund determined pursuant to division                      35436  
(H) of this section for any calendar year shall not be less than                      35437  
the product of the average of the percentages of the undivided                      35438  
local government fund of the county as apportioned to that                      35439  
subdivision for the calendar years 1968, 1969, and 1970,                      35440  
multiplied by the total amount of the undivided local government                      35441  
fund of the county apportioned pursuant to former section                      35442  
5739.23 of the Revised Code for the calendar year 1970. For the                      35443  
purposes of this division, the total apportioned amount for the                      35444  
calendar year 1970 shall be the amount actually allocated to the                      35445  
county in 1970 from the state collected intangible tax as levied                      35446  
by section 5707.03 of the Revised Code and distributed pursuant                      35447  
to section 5725.24 of the Revised Code, plus the amount received                      35448  
by the county in the calendar year 1970 pursuant to division (B)                      35449  
(1) of former section 5739.21 of the Revised Code, and                      35450  
distributed pursuant to former section 5739.22 of the Revised                      35451  
Code. If the total amount of the undivided local government fund                      35452  
for any calendar year is less than the amount of the undivided                      35453  
local government fund apportioned pursuant to former section                      35454

5739.23 of the Revised Code for the calendar year 1970, the 35455  
minimum amount guaranteed to each subdivision for that calendar 35456  
year pursuant to this division shall be reduced on a basis 35457  
proportionate to the amount by which the amount of the undivided 35458  
local government fund for that calendar year is less than the 35459  
amount of the undivided local government fund apportioned for 35460  
the calendar year 1970. 35461

(J) On the basis of such apportionment, the county auditor 35462  
shall compute the percentage share of each such subdivision in 35463  
the undivided local government fund and shall at the same time 35464  
certify to the tax commissioner the percentage share of the 35465  
county as a subdivision. No payment shall be made from the 35466  
undivided local government fund, except in accordance with such 35467  
percentage shares. 35468

Within ten days after the budget commission has made its 35469  
apportionment, whether conducted pursuant to section 5747.51 or 35470  
5747.53 of the Revised Code, the auditor shall publish a list of 35471  
the subdivisions and the amount each is to receive from the 35472  
undivided local government fund and the percentage share of each 35473  
subdivision, in a newspaper or newspapers of countywide 35474  
circulation, and send a copy of such allocation to the tax 35475  
commissioner. 35476

The county auditor shall also send a copy of such 35477  
allocation by ordinary or electronic mail to the fiscal officer 35478  
of each subdivision entitled to participate in the allocation of 35479  
the undivided local government fund of the county. This copy 35480  
shall constitute the official notice of the commission action 35481  
referred to in section 5705.37 of the Revised Code. 35482

All money received into the treasury of a subdivision from 35483  
the undivided local government fund in a county treasury shall 35484

be paid into the general fund and used for the current operating 35485  
expenses of the subdivision. 35486

If a municipal corporation maintains a municipal 35487  
university, such municipal university, when the board of 35488  
trustees so requests the legislative authority of the municipal 35489  
corporation, shall participate in the money apportioned to such 35490  
municipal corporation from the total local government fund, 35491  
however created and constituted, in such amount as requested by 35492  
the board of trustees, provided such sum does not exceed nine 35493  
per cent of the total amount paid to the municipal corporation. 35494

If any public official fails to maintain the records 35495  
required by sections 5747.50 to 5747.55 of the Revised Code or 35496  
by the rules issued by the tax commissioner, the auditor of 35497  
state, or the treasurer of state pursuant to such sections, or 35498  
fails to comply with any law relating to the enforcement of such 35499  
sections, the local government fund money allocated to the 35500  
county may be withheld until such time as the public official 35501  
has complied with such sections or such law or the rules issued 35502  
pursuant thereto. 35503

**Sec. 5747.66.** (A) Any term used in this section has the 35504  
same meaning as in section 122.85 of the Revised Code. 35505

(B) There is allowed a credit against a taxpayer's 35506  
aggregate tax liability under section 5747.02 of the Revised 35507  
Code for any individual who, on the last day of the individual's 35508  
taxable year, is the certificate owner of a tax credit 35509  
certificate issued under section 122.85 of the Revised Code. The 35510  
credit shall be claimed for the taxable year that includes the 35511  
date the certificate was issued by the director of housing and 35512  
development. The credit amount equals the amount stated in the 35513  
certificate. The credit shall be claimed in the order required 35514

under section 5747.98 of the Revised Code. If the credit amount 35515  
exceeds the aggregate amount of tax otherwise due under section 35516  
5747.02 of the Revised Code after deducting all other credits in 35517  
that order, the excess shall be refunded. 35518

Nothing in this section limits or disallows pass-through 35519  
treatment of the credit. 35520

**Sec. 5747.67.** (A) Any term used in this section has the 35521  
same meaning as in section 122.852 of the Revised Code. 35522

(B) There is allowed a credit against a taxpayer's 35523  
aggregate tax liability under section 5747.02 of the Revised 35524  
Code for any taxpayer who, on the last day of the taxpayer's 35525  
taxable year, is the certificate owner of a tax credit 35526  
certificate issued under section 122.852 of the Revised Code. 35527  
The credit shall be claimed for the taxpayer's taxable year that 35528  
includes the date the certificate was issued by the director of 35529  
housing and development. The credit amount equals the amount 35530  
stated in the certificate or the portion of that amount owned by 35531  
the certificate owner. The credit shall be claimed in the order 35532  
required under section 5747.98 of the Revised Code. If the 35533  
credit amount exceeds the aggregate amount of tax otherwise due 35534  
under section 5747.02 of the Revised Code after deducting all 35535  
other credits in that order, the excess shall be refunded. 35536

(C) Nothing in this section limits or disallows pass- 35537  
through treatment of the credit. 35538

**Sec. 5751.52.** (A) As used in this section: 35539

(1) "Borrower" means any person that receives a loan from 35540  
the director of housing and development under section 166.21 of 35541  
the Revised Code, regardless of whether the borrower is subject 35542  
to the tax imposed by this chapter. 35543

(2) "Qualified research and development loan payments" has 35544  
the same meaning as in section 166.21 of the Revised Code. 35545

(3) "Related member" has the same meaning as in section 35546  
5733.042 of the Revised Code. 35547

(B) For tax periods beginning on or after January 1, 2008, 35548  
a nonrefundable credit may be claimed under this chapter equal 35549  
to a borrower's qualified research and development loan payments 35550  
made during the calendar year immediately preceding the tax 35551  
period for which the credit is claimed. The amount of the credit 35552  
for a calendar year shall not exceed one hundred fifty thousand 35553  
dollars. No taxpayer is entitled to claim a credit under this 35554  
section unless the taxpayer has obtained a certificate issued by 35555  
the director of housing and development under division (D) of 35556  
section 166.21 of the Revised Code. The credit shall be claimed 35557  
in the order required under section 5751.98 of the Revised Code. 35558  
The credit, to the extent it exceeds the taxpayer's liability 35559  
for the tax imposed under this chapter for a tax period after 35560  
allowance for any other credits that precede the credit under 35561  
this section in that order, may either be carried forward to the 35562  
next succeeding tax period or periods or be claimed against the 35563  
tax imposed under section 5747.02 as authorized under section 35564  
5747.331 of the Revised Code, but the amount of the excess 35565  
credit claimed against either tax for any tax period or taxable 35566  
year shall be deducted from the balance carried forward to the 35567  
next tax period. 35568

(C) A borrower entitled to a credit under this section may 35569  
assign the credit, or a portion thereof, to any of the 35570  
following: 35571

(1) A related member of that borrower; 35572

(2) The owner or lessee of the eligible research and development project; 35573  
35574

(3) A related member of the owner or lessee of the eligible research and development project. 35575  
35576

A borrower making an assignment under this division shall provide written notice of the assignment to the tax commissioner and the director of housing and development, in such form as the commissioner prescribes, before the credit that was assigned is used. The assignor may not claim the credit to the extent it was assigned to an assignee. The assignee may claim the credit only to the extent the assignor has not claimed it. 35577  
35578  
35579  
35580  
35581  
35582  
35583

(D) If any taxpayer is a partner in a partnership or a member in a limited liability company treated as a partnership for federal income tax purposes, the taxpayer shall be allowed the taxpayer's distributive or proportionate share of the credit available through the partnership or limited liability company. 35584  
35585  
35586  
35587  
35588

(E) The aggregate credit against the taxes imposed by this chapter and section 5747.02 of the Revised Code that may be claimed under this section and section 5747.331 of the Revised Code by a borrower as a result of qualified research and development loan payments attributable during a calendar year to any one loan shall not exceed one hundred fifty thousand dollars. 35589  
35590  
35591  
35592  
35593  
35594

**Sec. 5751.54.** (A) Any term used in this section has the same meaning as in section 122.85 of the Revised Code. 35596  
35597

(B) There is allowed a refundable credit against the tax imposed by section 5751.02 of the Revised Code for any person that is the certificate owner of a tax credit certificate issued under section 122.85 of the Revised Code. The credit shall be 35598  
35599  
35600  
35601

claimed for the tax period in which the certificate is issued by 35602  
the director of housing and development~~services~~. The credit 35603  
amount equals the amount stated in the certificate. The credit 35604  
shall be claimed in the order required under section 5751.98 of 35605  
the Revised Code. If the credit amount exceeds the tax otherwise 35606  
due under section 5751.02 of the Revised Code after deducting 35607  
all other credits in that order, the excess shall be refunded. 35608

(C) Nothing in this section allows a person to claim more 35609  
than one credit per tax credit-eligible production. 35610

**Sec. 5751.55.** (A) Any term used in this section has the 35611  
same meaning as in section 122.852 of the Revised Code. 35612

(B) There is allowed a refundable credit against the tax 35613  
imposed by section 5751.02 of the Revised Code for any person 35614  
that is the certificate owner of a tax credit certificate issued 35615  
under section 122.852 of the Revised Code. The credit shall be 35616  
claimed for the tax period in which the certificate is issued by 35617  
the director of housing and development. The credit amount 35618  
equals the amount stated in the certificate or the portion of 35619  
that amount owned by the certificate owner. The credit shall be 35620  
claimed in the order required under section 5751.98 of the 35621  
Revised Code. If the credit amount exceeds the tax otherwise due 35622  
under section 5751.02 of the Revised Code after deducting all 35623  
other credits in that order, the excess shall be refunded. 35624

**Sec. 6111.12.** (A) The director of environmental protection 35625  
shall establish an antidegradation policy applicable to surface 35626  
waters of the state pursuant to applicable federal laws and 35627  
regulations. The purpose of the policy shall be to maintain 35628  
levels of water quality that are currently better than 35629  
prescribed by applicable standards except in situations when a 35630  
need to allow a lower level of water quality is demonstrated 35631

based on technical, social, and economic criteria. Not later 35632  
than March 31, 1994, the director shall revise the existing 35633  
antidegradation policy established in rules adopted under 35634  
section 6111.041 of the Revised Code and revise any necessary 35635  
implementation procedures to conform them to the following 35636  
principles and any mandatory regulations adopted under the 35637  
Federal Water Pollution Control Act: 35638

(1) The use of existing effluent quality as a method of 35639  
calculating antidegradation-based limits shall be imposed only 35640  
to the extent that the use is explicitly required by federal law 35641  
or regulation as the only means available to implement 35642  
antidegradation. 35643

(2) No degradation shall be allowed in waters for any 35644  
pollutant that currently does not meet applicable standards. For 35645  
all remaining waters, there shall be provisions requiring 35646  
federal antidegradation requirements to be met and provisions 35647  
ensuring that waters of exceptional recreational or ecological 35648  
value are maintained as high quality resources for future 35649  
generations. There shall be at least two categories of surface 35650  
waters identified in the state for that purpose and for the 35651  
purpose of establishing priorities for the administrative and 35652  
technical resources expended on antidegradation reviews. 35653

(3) Whenever current ambient water quality is determined 35654  
to be of a higher quality than prescribed in the standards, on a 35655  
pollutant-by-pollutant basis, and the water body lacks 35656  
exceptional recreational or ecological value, the director may 35657  
allocate to existing sources eighty per cent of the pollutant 35658  
assimilative capacity as determined by appropriate total maximum 35659  
daily load procedures without further antidegradation review. 35660  
The permittee for any existing source may receive an effluent 35661

limitation based on not more than one hundred per cent of the 35662  
mass or concentration levels necessary to meet applicable water 35663  
quality in the receiving water body as determined by appropriate 35664  
total maximum daily load procedures, provided that there has 35665  
been a satisfactory demonstration of the need to allow lower 35666  
water quality based on technical, social, and economic criteria 35667  
and the action is preceded by a public notice. Sources other 35668  
than existing sources that result in ten per cent or greater 35669  
change, that is, degradation, of ambient chemical water quality 35670  
shall require a demonstration of technical, social, and economic 35671  
need and shall be the subject of a public notice. 35672

(4) Degradation of waters identified as possessing 35673  
exceptional recreational or ecological value shall be determined 35674  
through an analysis of the expected perceptible change in 35675  
ambient concentrations of pollutant or alternatively through an 35676  
analysis of the expected change in the biological condition of 35677  
the water body. Either determination shall constitute a lowering 35678  
of water quality and shall require an antidegradation review. 35679  
The director shall establish, by rules adopted in accordance 35680  
with Chapter 119. of the Revised Code, a definition of 35681  
perceptible change that shall be applicable to those waters 35682  
identified in rule as possessing exceptional recreational or 35683  
ecological value. Antidegradation reviews shall be required for 35684  
any activity resulting in a perceptible change in ambient 35685  
chemical or biological quality on waters identified as 35686  
possessing exceptional recreational or ecological value. 35687  
Allowances shall be made for existing sources to retain their 35688  
current permit limits with no requirement to demonstrate 35689  
technical, social, and economic need. 35690

(5) The director shall establish reasonable protocols for 35691  
completing technical, social, and economic need demonstrations 35692

based on existing federal guidance and on input from the 35693  
department of housing and development, the regulated community, 35694  
and the general public. 35695

(B) Effluent limitations established by the director for 35696  
any existing source in any permit issued under division (J) of 35697  
section 6111.03 of the Revised Code prior to July 1, 1993, shall 35698  
continue in effect unless the permit is modified by the 35699  
director. A discharger seeking modification of antidegradation- 35700  
based limitations that were based on existing quality of 35701  
discharge when the permit was issued shall apply to the director 35702  
for modification of the permit, consistent with rules adopted 35703  
under division (A) of this section, not later than one hundred 35704  
eighty days after July 1, 1993. If the permittee has filed such 35705  
a timely application for modification, the director shall not 35706  
pursue administrative or judicial enforcement actions for 35707  
violations of antidegradation-based limitations based on the 35708  
existing quality of effluent that occur after July 1, 1993. 35709

(C) A historically channelized watercourse provides 35710  
technical, social, and economic benefits. Therefore, with regard 35711  
to a historically channelized watercourse, the director shall 35712  
not require further antidegradation review during the review of 35713  
an application for and the issuance or denial of a permit under 35714  
this chapter or a water quality certification under section 401 35715  
of the Federal Water Pollution Control Act if the director 35716  
finds, after public notice and opportunity for comment, and a 35717  
public hearing if significant public interest is shown, that all 35718  
of the following apply: 35719

(1) Work is necessary to restore or maintain a drainage or 35720  
other improvement provided by a historically channelized 35721  
watercourse. 35722

- (2) The work is performed pursuant to section 940.06 of the Revised Code or a petition filed under section 6131.04 or 6133.02 of the Revised Code. 35723  
35724  
35725
- (3) Without the work, flooding threatens public health and safety or may result in significant damage to public or private property. 35726  
35727  
35728
- (4) The work will not result in the loss of designated or existing beneficial uses as those uses are described in rules adopted under section 6111.041 of the Revised Code. 35729  
35730  
35731
- (5) The work will not harm or interfere with the protection of federal or state designated endangered or threatened species. 35732  
35733  
35734
- (6) The historically channelized watercourse is not designated as coldwater habitat, exceptional warmwater habitat, or a state resource water in rules adopted under section 6111.041 of the Revised Code. 35735  
35736  
35737  
35738
- (7) If information is available concerning resident fishery or macroinvertebrate communities, or both, in the historically channelized watercourse, the historically channelized watercourse does not support a particularly diverse or unique warmwater habitat as that term is defined in rules adopted under section 6111.041 of the Revised Code. 35739  
35740  
35741  
35742  
35743  
35744
- (8) Plans for the work have been submitted to the applicable soil and water conservation district organized under Chapter 940. of the Revised Code. 35745

<b>Sec. 6121.02.</b> There is hereby created the Ohio water development authority. Such authority is a body both corporate and politic in this state, and the carrying out of its purposes and the exercise by it of the powers conferred by this chapter shall be held to be, and are hereby determined to be, essential governmental functions and public purposes of the state, but the authority is not immune from liability by reason thereof. The authority is subject to all provisions of law generally applicable to state agencies that do not conflict with this chapter.	35768 35769 35770 35771 35772 35773 35774 35775 35776 35777
The authority shall consist of eight members as follows: five members appointed by the governor, with the advice and	35778 35779

consent of the senate, no more than three of whom shall be 35780  
members of the same political party, and the directors of 35781  
natural resources, environmental protection, and development, 35782  
who shall be members ex officio without compensation. The 35783  
director of housing and development may designate a person in 35784  
the unclassified civil service to serve in the director's place 35785  
as a member of the authority notwithstanding section 121.05 of 35786  
the Revised Code. The appointive members shall be residents of 35787  
the state, and shall have been qualified electors therein for a 35788  
period of at least five years next preceding their appointment. 35789  
Appointed members' terms of office shall be for eight years, 35790  
commencing on the second day of July and ending on the first day 35791  
of July. Each member shall hold office from the date of 35792  
appointment until the end of the term for which the member was 35793  
appointed. Any member appointed to fill a vacancy occurring 35794  
prior to the expiration of the term for which the member's 35795  
predecessor was appointed shall hold office for the remainder of 35796  
such term. Any appointed member shall continue in office 35797  
subsequent to the expiration date of the member's term until the 35798  
member's successor takes office, or until a period of sixty days 35799  
has elapsed, whichever occurs first. A member of the authority 35800  
is eligible for reappointment. Each appointed member of the 35801  
authority, before entering upon the performance of the duties of 35802  
the office, shall take an oath as provided by Section 7 of 35803  
Article XV, Ohio Constitution. The governor may at any time 35804  
remove any member of the authority for misfeasance, nonfeasance, 35805  
or malfeasance in office. 35806

The authority shall elect one of its appointed members as 35807  
chairperson and another as vice-chairperson, and shall appoint a 35808  
secretary-treasurer who need not be a member of the authority. 35809  
Four members of the authority shall constitute a quorum, and the 35810

affirmative vote of four members shall be necessary for any 35811  
action taken by vote of the authority. No vacancy in the 35812  
membership of the authority shall impair the rights of a quorum 35813  
by such vote to exercise all the rights and perform all the 35814  
duties of the authority. 35815

Before the issuance of any water development revenue bonds 35816  
under this chapter, each appointed member of the authority shall 35817  
give a surety bond to the state in the penal sum of twenty-five 35818  
thousand dollars and the secretary-treasurer shall give such a 35819  
bond in the penal sum of fifty thousand dollars, each such 35820  
surety bond to be conditioned upon the faithful performance of 35821  
the duties of the office, to be executed by a surety company 35822  
authorized to transact business in this state, and to be 35823  
approved by the governor and filed in the office of the 35824  
secretary of state. Each appointed member of the authority shall 35825  
receive an annual salary of seven thousand five hundred dollars, 35826  
payable in monthly installments, and is entitled to health care 35827  
benefits comparable to those generally available to state 35828  
officers and employees under section 124.82 of the Revised Code. 35829  
If Section 20 of Article II, Ohio Constitution, prohibits the 35830  
Ohio water development authority from paying all or a part of 35831  
the cost of health care benefits on behalf of a member of the 35832  
authority for the remainder of an existing term, the member may 35833  
receive these benefits by paying their total cost from the 35834  
member's own financial resources, including paying by means of 35835  
deductions from the member's salary. Each member shall be 35836  
reimbursed for actual expenses necessarily incurred in the 35837  
performance of official duties. All expenses incurred in 35838  
carrying out this chapter shall be payable solely from funds 35839  
provided under this chapter, or appropriated for such purpose by 35840  
the general assembly and no liability or obligation shall be 35841

incurred by the authority beyond the extent to which moneys have 35842  
been provided under this chapter or such appropriations. 35843

**Sec. 6123.031.** To create or preserve jobs and employment 35844  
opportunities, to improve the economic welfare of the people of 35845  
the state, to control air, water, and thermal pollution, or to 35846  
dispose of solid waste, and pursuant to Section 13, Article 35847  
VIII, of the Ohio Constitution, the Ohio water development 35848  
authority may exercise the powers set forth in this chapter, 35849  
with the approval of a project by the director of housing and 35850  
development, for the purpose of constructing or providing 35851  
financial assistance for the construction of any energy resource 35852  
development facilities as defined in section 1551.01 of the 35853  
Revised Code. Determinations by resolution of the authority that 35854  
a facility is an energy resource development facility, as so 35855  
defined, and is consistent with the purposes of Section 13 of 35856  
Article VIII, Ohio Constitution and this chapter shall be 35857  
conclusive as to the validity and enforceability of the 35858  
development revenue bonds issued to finance such facility and of 35859  
the resolutions, trust agreements or indentures, leases, 35860  
subleases, sale agreements, loan agreements, and other 35861  
agreements made in connection therewith, all in accordance with 35862  
their terms. 35863
