of the Revised Code, the board may, in lieu of an adjudication 1106
hearing, enter into a consent agreement to resolve the matter. A 1107

registered nurse, licensed practical nurse, or dialysis 1627
technician fails to participate in the adjudication, the board 1628

nurse, or dialysis technician committed the act on which the 1644
original conviction, plea, or judicial finding was based. If the 1645
board determines on the basis of the adjudication that the 1646

referred to the safe haven program as described in sections 1685
4723.35 and 4723.351 of the Revised Code to submit to a mental 1686
or physical examination. 1687

Failure of any individual to submit to a mental or 1688
physical examination when directed constitutes an admission of 1689
the allegations, unless the failure is due to circumstances 1690
beyond the individual's control, and a default and final order 1691
may be entered without the taking of testimony or presentation 1692
of evidence. 1693

If the board finds that an individual is impaired, the 1694

so in writing by the board, and to have waived all objections to 1707
the admissibility of testimony or examination reports that 1708
constitute a privileged communication. 1709

(H) The board shall investigate evidence that appears to 1710
show that any person has violated any provision of this chapter 1711

or any rule of the board. Any person may report to the board any 1712
information the person may have that appears to show a violation 1713
of any provision of this chapter or rule of the board. In the 1714
absence of bad faith, any person who reports such information or 1715
who testifies before the board in any adjudication conducted 1716
under Chapter 119. of the Revised Code shall not be liable for 1717
civil damages as a result of the report or testimony. 1718

shall be considered civil actions for the purposes of section 1739

of an individual as part of or following any disciplinary action 1742
taken under this section shall be conducted in a manner that 1743
maintains the individual's confidentiality. Information received 1744
or maintained by the board with respect to the board's 1745
monitoring activities is not subject to discovery in any civil 1746
action and is confidential, except that the board may disclose 1747
information to law enforcement officers and government entities 1748
for purposes of an investigation of a licensee or certificate 1749
holder. 1750

(J) Any action taken by the board under this section 1751
resulting in a suspension from practice shall be accompanied by 1752
a written statement of the conditions under which the person may 1753
be reinstated to practice. 1754

certificate to an applicant, revokes a license or certificate, 1756

permanent action taken by the board is forever ineligible to 1759
hold a license or certificate of the type that was refused or 1760
revoked and the board shall not accept from the individual an 1761
application for reinstatement of the license or certificate or 1762
for a new license or certificate. 1763

dialysis technician certificate issued under this chapter shall 1765
be effective unless accepted by majority vote of the board. No 1766
application for a nursing license or dialysis technician 1767
certificate issued under this chapter may be withdrawn without a 1768
majority vote of the board. The board's jurisdiction to take 1769
disciplinary action under this section is not removed or limited 1770

when an individual has a license or certificate classified as 1771
inactive or fails to renew a license or certificate. 1772
