had occurred within that State. In so doing, the investigating 394  
Member State shall apply its own State laws to determine 395

Licensees of Member States to whom it grants a Compact Privilege 631  
to cover the cost of the operations and activities of the 632  
Compact Commission and its staff, which must be in a total 633

amount sufficient to cover its annual budget as approved each 634  
year for which revenue is not provided by other sources. The 635

the Member State. 643

5. The Compact Commission shall keep accurate accounts of 644  
all receipts and disbursements. The receipts and disbursements 645  
of the Compact Commission shall be subject to the financial 646  
review or audit and accounting procedures established under its 647

H. Qualified Immunity, Defense, and Indemnification: 654

1. The members, officers, executive director, employees 655  
and representatives of the Compact Commission shall be immune 656  
from suit and liability, both personally and in their official 657  
capacity, for any claim for damage to or loss of property or 658  
personal injury or other civil liability caused by or arising 659  
out of any actual or alleged act, error, or omission that 660  
occurred, or that the person against whom the claim is made had 661  
a reasonable basis for believing occurred within the scope of 662  
Compact Commission employment, duties or responsibilities; 663

provided that nothing in this paragraph shall be construed to 664  
protect any such person from suit or liability for any damage, 665  
loss, injury, or liability caused by the intentional or willful 666  
or wanton misconduct of that person. The procurement of 667  
insurance of any type by the Compact Commission shall not in any 668  
way compromise or limit the immunity granted hereunder. 669

2. The Compact Commission shall defend any member, 670  
officer, executive director, employee, and representative of the 671  
Compact Commission in any civil action seeking to impose 672  
liability arising out of any actual or alleged act, error, or 673  
omission that occurred within the scope of Compact Commission 674  
employment, duties, or responsibilities, or as determined by the 675  
Compact Commission that the person against whom the claim is 676  
made had a reasonable basis for believing occurred within the 677  
scope of Compact Commission employment, duties, or 678  
responsibilities; provided that nothing herein shall be 679  
construed to prohibit that person from retaining their own 680  
counsel at their own expense; and provided further, that the 681  
actual or alleged act, error, or omission did not result from 682  
that person's intentional or willful or wanton misconduct. 683

3. The Compact Commission shall indemnify and hold 684  
harmless any member, officer, executive director, employee, and 685  
representative of the Compact Commission for the amount of any 686  
settlement or judgment obtained against that person arising out 687  
of any actual or alleged act, error, or omission that occurred 688  
within the scope of Compact Commission employment, duties, or 689  
responsibilities, or that such person had a reasonable basis for 690  
believing occurred within the scope of Compact Commission 691  
employment, duties, or responsibilities, provided that the 692  
actual or alleged act, error, or omission did not result from 693  
the intentional or willful or wanton misconduct of that person. 694

4. Nothing herein shall be construed as a limitation on 695  
the liability of any Licensee for professional malpractice or 696  
misconduct, which shall be governed solely by any other 697  
applicable State laws. 698

5. Nothing in this compact shall be interpreted to waive 699  
or otherwise abrogate a Member State's state action immunity or 700  
state action affirmative defense with respect to antitrust 701  
claims under the Sherman Act, Clayton Act, or any other State or 702  
federal antitrust or anticompetitive law or regulation. 703

6. Nothing in this compact shall be construed to be a 704  
waiver of sovereign immunity by the Member States or by the 705  
Compact Commission. 706

SECTION 9. DATA SYSTEM 707

A. The Commission shall provide for the development, 708  
maintenance, operation, and utilization of a coordinated Data 709  
System and reporting system containing licensure, Compact 710  
Privileges, Adverse Action, and the presence of Current 711  
Significant Investigative Information on all Licensees and 712  
applicants for a License in Member States. 713

B. Notwithstanding any other provision of State law to the 714  
contrary, a Member State shall submit a uniform data set to the 715  
Data System on all Licensees, applicants, and others to whom 716  
this compact is applicable as required by the Rules of the 717  
Compact Commission, including: 718

1. Personally identifying information; 719

2. Licensure data; 720

3. Adverse Actions against a Licensee, License applicant 721  
or Compact Privilege and information related thereto; 722

4. Non-confidential information related to Alternative 723  
Program participation, the beginning and ending dates of such 724  
participation, and other information related to such 725  
participation; 726

5. Any denial of an application for licensure, and the 727  
reason(s) for such denial, (excluding the reporting of any 728  
criminal history record information where prohibited by law); 729

6. A binary determination regarding the presence of 730  
Current Significant Investigative Information; and 731

7. Other information that may facilitate the 732  
administration of this compact or the protection of the public, 733  
as determined by the Rules of the Commission. 734

C. The records and information provided to a Member State 735  
pursuant to this compact or through the Data System, when 736  
certified by the Commission or an agent thereof, shall 737  
constitute the authenticated business records of the Commission, 738  
and shall be entitled to any associated hearsay exception in any 739  
relevant judicial, quasi-judicial or administrative proceedings 740  
in a Member State. 741

D. Current Significant Investigative Information 742  
pertaining to a Licensee in any Member State will only be 743  
available to other Member States. 744

E. It is the responsibility of the Member States to 745  
monitor the Data System to determine whether Adverse Action has 746  
been taken against a Licensee or License applicant. Adverse 747  
Action information pertaining to a Licensee or License applicant 748  
in any Member State will be available to any other Member State. 749

F. Member States contributing information to the Data 750  
System may designate information that may not be shared with the 751

public without the express permission of the contributing State. 752

G. Any information submitted to the Data System that is 753  
subsequently expunged pursuant to federal law or the laws of the 754  
Member State contributing the information shall be removed from 755  
the Data System. 756

SECTION 10. RULEMAKING 757

A. The Compact Commission shall promulgate reasonable 758  
Rules in order to effectively and efficiently implement and 759  
administer the purposes and provisions of the Compact. A Rule 760  
shall be invalid and have no force or effect only if a court of 761  
competent jurisdiction holds that the Rule is invalid because 762  
the Compact Commission exercised its rulemaking authority in a 763  
manner that is beyond the scope and purposes of the Compact, or 764  
the powers granted hereunder, or based upon another applicable 765  
standard of review. 766

B. The Rules of the Compact Commission shall have the 767  
force of law in each Member State, provided however that where 768  
the Rules conflict with the laws or regulations of a Member 769  
State that relate to the Scope of Practice a Licensed Athletic 770  
Trainer is permitted to undertake in that State and the 771  
circumstances under which they may do so, as held by a court of 772  
competent jurisdiction, the Rules of the Compact Commission 773  
shall be ineffective in that State to the extent of the 774  
conflict. 775

C. The Compact Commission shall exercise its rulemaking 776  
powers pursuant to the criteria set forth in this section and 777  
the Rules adopted thereunder. Rules of this compact shall become 778  
binding on the day following adoption or as of the date 779  
specified in the Rule or amendment, whichever is later. 780

D. If a majority of the legislatures of the Member States 781  
rejects a Rule or portion of a Rule, by enactment of a statute 782  
or resolution in the same manner used to adopt the Compact 783  
within four (4) years of the date of adoption of the Rule, then 784  
such Rule shall have no further force and effect in any Member 785  
State. 786

E. Rules shall be adopted at a regular or special meeting 787  
of the Compact Commission. 788

F. Prior to adoption of a proposed Rule, the Compact 789  
Commission shall hold a public hearing and allow persons to 790  
provide oral and written comments, data, facts, opinions, and 791  
arguments. At least thirty (30) days in advance of the public 792  
hearing on the proposed Rule, the Compact Commission shall 793  
provide a notice of proposed rulemaking: 794

1. On the website of the Compact Commission or other 795  
publicly accessible platform; 796

2. To persons who have requested notice of the Compact 797  
Commission's notices of proposed rulemaking; and 798

3. In such other way(s) as the Compact Commission may by 799  
Rule specify. 800

G. The notice of proposed rulemaking shall include: 801

1. The time, date, and location of the public hearing at 802  
which the Compact Commission will hear public comments on the 803  
proposed Rule and, if different, the time, date, and location of 804  
the meeting where the Compact Commission will consider and vote 805  
on the proposed Rule; 806

2. If the hearing is held via telecommunication, video 807  
conference, or other electronic means, the Compact Commission 808

shall include the mechanism for access to the hearing in the 809  
notice of proposed rulemaking; 810

3. The text of the proposed Rule and the reason therefor; 811

4. A request for comments on the proposed Rule from any 812  
interested person; and 813

5. The manner in which interested persons may submit 814  
written comments. 815

H. All hearings will be recorded. A copy of the recording 816  
and all written comments and documents received by the Compact 817  
Commission in response to the proposed Rule shall be available 818  
to the public. 819

I. Nothing in this section shall be construed as requiring 820  
a separate hearing on each Rule. Rules may be grouped for the 821  
convenience of the Compact Commission at hearings required by 822  
this section. 823

J. The Compact Commission shall, by majority vote of all 824  
members, take final action on the proposed Rule based on the 825  
rulemaking record and the full text of the Rule. 826

1. The Compact Commission may adopt changes to the 827  
proposed Rule provided the changes do not enlarge the original 828  
purpose of the proposed Rule. 829

2. The Compact Commission shall provide an explanation of 830  
the reasons for substantive changes made to the proposed Rule as 831  
well as reasons for substantive changes not made that were 832  
recommended by commenters. 833

3. The Compact Commission shall determine a reasonable 834  
effective date for the Rule. Except for an emergency as provided 835  
in this section, the effective date of the Rule shall be no 836

sooner than 30 days after issuing the notice that it adopted or 837  
amended the Rule. 838

K. Upon determination that an emergency exists, the 839  
Compact Commission may consider and adopt an emergency Rule with 840  
24 hours' notice, with opportunity to comment, provided that the 841  
usual rulemaking procedures provided in the compact and in this 842  
section shall be retroactively applied to the Rule as soon as 843  
reasonably possible, in no event later than ninety (90) days 844  
after the effective date of the Rule. For the purposes of this 845  
provision, an emergency Rule is one that must be adopted 846  
immediately in order to: 847

1. Meet an imminent threat to public health, safety, or 848  
welfare; 849

2. Prevent a loss of Compact Commission or Member State 850  
funds; 851

3. Meet a deadline for the promulgation of a Rule that is 852  
established by federal law or rule; or 853

4. Protect public health and safety. 854

L. The Compact Commission or an authorized committee of 855  
the Compact Commission may direct revisions to a previously 856  
adopted Rule for purposes of correcting typographical errors, 857  
errors in format, errors in consistency, or grammatical errors. 858  
Public notice of any revisions shall be posted on the website of 859  
the Compact Commission. The revision shall be subject to 860  
challenge by any person for a period of thirty (30) days after 861  
posting. The revision may be challenged only on grounds that the 862  
revision results in a material change to a Rule. A challenge 863  
shall be made in writing and delivered to the Compact Commission 864  
prior to the end of the notice period. If no challenge is made, 865

the revision will take effect without further action. If the 866  
revision is challenged, the revision may not take effect without 867  
the approval of the Compact Commission. 868

M. No Member State's rulemaking requirements shall apply 869  
under this Compact. 870

SECTION 11. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT 871

A. Oversight: 872

1. The executive and judicial branches of State government 873  
in each Member State shall enforce this compact and take all 874  
actions necessary and appropriate to implement the compact. 875

2. Except as otherwise provided in this compact, venue is 876  
proper and judicial proceedings by or against the Compact 877  
Commission shall be brought solely and exclusively in a court of 878  
competent jurisdiction where the principal office of the Compact 879  
Commission is located. The Compact Commission may waive venue 880  
and jurisdictional defenses to the extent it adopts or consents 881  
to participate in alternative dispute resolution proceedings. 882  
Nothing herein shall affect or limit the selection or propriety 883  
of venue in any action against a Licensee for professional 884  
malpractice, misconduct or any such similar matter. 885

3. The Compact Commission shall be entitled to receive 886  
service of process in any proceeding regarding the enforcement 887  
or interpretation of the compact and shall have standing to 888  
intervene in such a proceeding for all purposes. Failure to 889  
provide the Compact Commission service of process shall render a 890  
judgment or order void as to the Compact Commission, this 891  
Compact, or promulgated Rules. 892

B. Default, Technical Assistance, and Termination: 893

1. If the Compact Commission determines that a Member 894  
State has defaulted in the performance of its obligations or 895  
responsibilities under this compact or the promulgated Rules, 896  
the Commission shall provide written notice to the defaulting 897  
State. The notice of default shall describe the default, the 898  
proposed means of curing the default, and any other action that 899  
the Compact Commission may take, and shall offer training and 900  
specific technical assistance regarding the default. 901

2. The Compact Commission shall provide a copy of the 902  
notice of default to the other Member States. 903

C. If a State in default fails to cure the default, the 904  
defaulting State may be terminated from the compact upon an 905  
affirmative vote of a majority of the Commissioners of the 906  
Member States, and all rights, privileges and benefits conferred 907  
on that State by this compact may be terminated on the effective 908  
date of termination. A cure of the default does not relieve the 909  
offending State of obligations or liabilities incurred during 910  
the period of default. 911

D. Termination of membership in the compact shall be 912  
imposed only after all other means of securing compliance have 913  
been exhausted. Notice of intent to suspend or terminate shall 914  
be given by the Compact Commission to the governor, the majority 915  
and minority leaders of the defaulting State's legislature, the 916  
defaulting State's Licensing Authority and each of the Member 917  
States' Licensing Authority. 918

E. A State that has been terminated is responsible for all 919  
assessments, obligations, and liabilities incurred through the 920  
effective date of termination, including obligations that extend 921  
beyond the effective date of termination. 922

F. Upon the termination of a State's membership from this compact, that State shall immediately provide notice to all Licensees within that State of such termination. The terminated State shall continue to recognize all Licenses and Compact Privileges granted pursuant to this compact for a minimum of 180 days after the date of said notice of termination.

G. The Compact Commission shall not bear any costs related to a State that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the Compact Commission and the defaulting State.

H. The defaulting State may appeal the action of the Compact Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Compact Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

I. Dispute Resolution:

1. Upon request by a Member State, the Compact Commission shall attempt to resolve disputes related to the compact that arise among Member States and between Member and non-Member States.

2. The Compact Commission shall promulgate a Rule providing for both mediation and binding dispute resolution for disputes as appropriate.

J. Enforcement:

1. By two-thirds majority (2/3) vote, the Compact Commission may initiate legal action against a Member State in default in the United States District Court for the District of Columbia or the federal district where the Compact Commission

has its principal offices to enforce compliance with the 952  
provisions of the compact and its promulgated Rules. The relief 953  
sought may include both injunctive relief and damages. In the 954  
event judicial enforcement is necessary, the prevailing party 955  
shall be awarded all costs of such litigation, including 956  
reasonable attorney's fees. The remedies herein shall not be the 957  
exclusive remedies of the Compact Commission. The Compact 958  
Commission may pursue any other remedies available under federal 959  
or the defaulting Member State's law. 960

2. A Member State may initiate legal action against the 961  
Compact Commission in the U.S. District Court for the District 962  
of Columbia or the federal district where the Compact Commission 963  
has its principal offices to enforce compliance with the 964  
provisions of the compact and its promulgated Rules. The relief 965  
sought may include both injunctive relief and damages. In the 966  
event judicial enforcement is necessary, the prevailing party 967  
shall be awarded all costs of such litigation, including 968  
reasonable attorney's fees. 969

3. No person other than a Member State shall enforce this 970  
compact against the Compact Commission. 971

SECTION 12. EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT 972

A. The Compact shall come into effect on the date on which 973  
the compact statute is enacted into law in the seventh Member 974  
State. 975

1. On or after the effective date of the compact, the 976  
Compact Commission shall convene and review the enactment of 977  
each of the first seven Member States ("Charter Member States") 978  
to determine if the statute enacted and made effective by each 979  
such Charter Member State is materially different than the model 980

compact statute. 981

a. A Charter Member State whose enactment is found to be 982  
materially different from the Model Compact Language shall be 983  
entitled to the default process set forth in Section 11. 984

b. If any Member State is later found to be in default, or 985  
is terminated or withdraws from the Compact, the Compact 986  
Commission shall remain in existence and the Compact shall 987  
remain in effect even if the number of Member States should be 988  
less than seven. 989

2. Member States enacting the compact subsequent to the 990  
seven initial Charter Member States shall be subject to the 991  
process set forth in this section to determine if their 992  
enactments are materially different from the model Compact 993  
statute and whether they qualify for participation in the 994  
Compact. 995

3. All actions taken for the benefit of the Compact 996  
Commission or in furtherance of the purposes of the 997  
administration of the compact prior to the effective date of the 998  
compact or the Compact Commission coming into existence shall be 999  
considered to be actions of the Compact Commission unless 1000  
specifically repudiated by the Compact Commission. 1001

4. Any State that joins the compact subsequent to the 1002  
Compact Commission's initial adoption of the Rules and bylaws 1003  
shall be subject to the Rules and bylaws as they exist on the 1004  
date on which the compact becomes law in that State. Any Rule 1005  
that has been previously adopted by the Compact Commission shall 1006  
have the full force and effect of law on the day the compact 1007  
becomes law in that State. 1008

B. Any Member State may withdraw from this compact by 1009

enacting a statute repealing the same. 1010

1. A Member State's withdrawal shall not take effect until 1011  
180 days after enactment of the repealing statute. 1012

2. Withdrawal shall not affect the continuing requirement 1013  
of the withdrawing State's Licensing Authority to comply with 1014  
the investigative and Adverse Action reporting requirements of 1015  
this compact prior to the effective date of withdrawal. 1016

3. Upon the enactment of a statute withdrawing from this 1017  
compact, a State shall immediately provide notice of such 1018  
withdrawal to all Licensees and privilege holders within that 1019  
State. Notwithstanding any subsequent statutory enactment to the 1020  
contrary, such withdrawing State shall continue to recognize all 1021  
Compact Privileges granted pursuant to this compact for a 1022  
minimum of 180 days after the date of such notice of withdrawal. 1023

4. Nothing contained in this compact shall be construed to 1024  
invalidate or prevent any licensure agreement or other 1025  
cooperative arrangement between a Member State and a non-Member 1026  
State that does not conflict with the provisions of this 1027  
compact. 1028

5. This compact may be amended by the Member States. No 1029  
amendment to this compact shall become effective and binding 1030  
upon any Member State until it is enacted into the laws of all 1031  
Member States. 1032

SECTION 13. CONSTRUCTION AND SEVERABILITY 1033

A. This compact and the Compact Commission's rulemaking 1034  
authority shall be liberally construed so as to effectuate the 1035  
purposes, and the implementation and administration of the 1036  
compact. Provisions of the compact expressly authorizing or 1037  
requiring the promulgation of Rules shall not be construed to 1038

limit the Compact Commission's rulemaking authority solely for 1039  
those purposes. 1040

B. The provisions of this compact shall be severable and 1041  
if any phrase, clause, sentence or provision of this compact is 1042  
held by a court of competent jurisdiction to be contrary to the 1043  
constitution of any Member State, a State seeking participation 1044  
in the compact, or of the United States, or the applicability 1045  
thereof to any government, agency, person or circumstance is 1046  
held to be unconstitutional by a court of competent 1047  
jurisdiction, the validity of the remainder of this compact and 1048  
the applicability thereof to any other government, agency, 1049  
person or circumstance shall not be affected thereby. 1050

C. Notwithstanding the foregoing, the Compact Commission 1051  
may deny a State's participation in the compact or terminate a 1052  
Member State's participation in the Compact if it determines 1053  
that a constitutional requirement of a Member State is a 1054  
material departure from the Compact. Otherwise, if this compact 1055  
shall be held to be contrary to the constitution of any Member 1056  
State, the Compact shall remain in full force and effect as to 1057  
the remaining Member States and in full force and effect as to 1058  
the Member State affected as to all severable matters. 1059

SECTION 14. CONSISTENT EFFECT AND CONFLICT WITH OTHER 1060  
STATE LAWS 1061

A. Nothing herein shall prevent or inhibit the enforcement 1062  
of any other law of a Member State that is not inconsistent with 1063  
the compact. 1064

B. Any laws, statutes, regulations, or other legal 1065  
requirements in a Member State in conflict with the compact are 1066  
superseded to the extent of the conflict. 1067

C. All permissible agreements between the Compact 1068  
Commission and the Member States are binding in accordance with 1069  
their terms. 1070
