If the board finds after receiving the report that the amount of money the district would spend on such installations, modifications, or remodeling is not likely to exceed the amount of money it would save in energy and resultant operational and maintenance costs over the ensuing fifteen years, the board may submit to the commission a copy of its findings and a request for approval to incur indebtedness to finance the making or

modification of installations or the remodeling of buildings for 197
the purpose of significantly reducing energy consumption. 198

The facilities construction commission, in consultation 199

academic distress commission has been established under section 214
3302.10 of the Revised Code shall submit a request without first 215

transportation, including facility modifications and vehicle 229
purchase costs or conversion costs. 230

If the board finds after receiving the report that the 231
amount of money the district would spend on purchasing 232
alternative fuel vehicles or vehicle conversion is not likely to 233
exceed the amount of money it would save in fuel and resultant 234
operational and maintenance costs over the ensuing five years, 235
the board may submit to the commission a copy of its findings 236
and a request for approval to incur indebtedness to finance the 237
purchase of new alternative fuel vehicles or vehicle conversions 238
for the purpose of reducing fuel costs. 239

The facilities construction commission, in consultation 240

school district. 246

No district board of education of a school district that 247
is in a state of fiscal emergency pursuant to division (B) of 248
section 3316.03 of the Revised Code shall submit a request 249

alternative fuel vehicles has been approved by the district's 251
financial planning and supervision commission established under 252
section 3316.05 of the Revised Code. 253

~~so long as such commission continues to be required for the~~ 259
~~district.~~ 260

(3) The facilities construction commission shall approve 261
the board's request provided that the following conditions are 262
satisfied: 263

(b) The request for approval is complete. 266

(c) If the request was submitted under division (G) (1) of 267
this section, the installations, modifications, or remodeling 268

or sections 3318.40 to 3318.45 of the Revised Code. 272

Upon receipt of the commission's approval, the district 273
may issue securities without a vote of the electors in a 274
principal amount not to exceed nine-tenths of one per cent of 275
its tax valuation for the purpose specified in division (G) (1) 276

of the Revised Code, shall not exceed one per cent of the 280
district's tax valuation. 281

(1) of this section remain outstanding, the board of education 283
shall monitor the energy consumption and resultant operational 284
and maintenance costs of buildings in which installations or 285

modifications have been made or remodeling has been done 286
pursuant to that division. Except as provided in division (G) (4) 287
(b) of this section, the board shall maintain and annually 288
update a report in a form and manner prescribed by the 289
facilities construction commission documenting the reductions in 290
energy consumption and resultant operational and maintenance 291
cost savings attributable to such installations, modifications, 292
or remodeling. The resultant operational and maintenance cost 293
savings shall be certified by the school district treasurer. The 294
report shall be submitted annually to the commission. 295

(b) If the facilities construction commission verifies 296

monitor the purchase of new alternative fuel vehicles or vehicle 305
conversions pursuant to that division. The board shall maintain 306
and annually update a report in a form and manner prescribed by 307
the facilities construction commission documenting the purchase 308
of new alternative fuel vehicles or vehicle conversions, the 309
associated environmental impact, and return on investment. The 310
resultant fuel and operational and maintenance cost savings 311
shall be certified by the school district treasurer. The report 312
shall be submitted annually to the commission. 313

and the taxing authority of the district confirms, that the 336
district, at the time of the certification and confirmation, 337
reasonably expects to have sufficient revenue available for the 338
purpose of operating such permanent improvements for their 339
intended purpose upon acquisition or completion thereof, and the 340
director of education and workforce approves the taxing 341
authority's confirmation. 342
