

As Introduced

136th General Assembly

Regular Session

2025-2026

S. B. No. 352

Senators Weinstein, Timken

To enact sections 3702.41, 3902.65, and 5119.171 of
the Revised Code regarding behavioral health
screenings in the perinatal period and to make
an appropriation.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3702.41, 3902.65, and 5119.171 of
the Revised Code be enacted to read as follows:

Sec. 3702.41. (A) As used in this section:

(1) "Health care professional" means an individual who is
licensed or certified under the Revised Code, or otherwise
authorized in this state, to provide specified medical services
within the scope of the individual's license, certification, or
other authorization.

(2) "Behavioral health professional" means an individual
who is licensed or certified under the Revised Code, or
otherwise authorized in this state, to provide specified
behavioral health services within the scope of the individual's
license, certification, or other authorization.

(3) "Perinatal" means the period of time beginning at the
start of a woman's pregnancy and ending one year after the woman
gives birth.

(B) Subject to division (C) of this section, a health care professional or behavioral health professional may screen a woman or mother for one or more behavioral health disorders in either of the following circumstances:

(1) As part of any perinatal care the professional provides to the woman;

(2) As part of any pediatric care the professional provides to an infant within a year of birth when the infant's mother is present for such care.

(C) A health care professional or behavioral health professional may perform the screening described in division (B) of this section during the perinatal period as part of the perinatal care or pediatric care described in division (B) of this section if the woman or mother consents to the screening.

(D) (1) If a screening performed under this section indicates that a woman or mother may be at risk for a behavioral health disorder or may be experiencing such a disorder and the professional is not a provider of specialized perinatal behavioral health services, the professional shall offer the woman or mother a referral, either in person or via telehealth, that is either:

(a) Directly to a provider of specialized perinatal behavioral health services for further assessment and treatment;

(b) Directly to a program designated by the department of behavioral health under section 5119.171 of the Revised Code.

(2) If a screening performed under this section indicates that a woman or mother is at risk of immediate harm to self or others, the professional shall notify emergency personnel or follow any emergency protocol governing such a circumstance

established by the setting in which the professional practices. 50

(E) When a health care professional or behavioral health 51
professional makes a referral pursuant to division (D) of this 52
section, the professional also shall ensure that the woman or 53
mother receives timely and accessible information about the 54
specialized perinatal behavioral health service provider or 55
program to which the woman or mother was referred. 56

Sec. 3902.65. (A) Notwithstanding section 3901.71 of the 57
Revised Code, a health benefit plan issued, renewed, or amended 58
on or after the effective date of this section, may provide 59
coverage for behavioral health screenings permitted under 60
section 3702.41 of the Revised Code. 61

(B) Nothing in this section shall be construed as 62
prohibiting a health benefit plan from imposing a cost sharing 63
requirement in relation to the coverage provided under this 64
section. 65

Sec. 5119.171. (A) As used in this section, "health care 66
professional" and "behavioral health professional" have the same 67
meanings as in section 3702.41 of the Revised Code. 68

(B) The department of behavioral health shall designate 69
one or more specialized perinatal behavioral health programs to 70
serve as statewide referral resources under section 3702.41 of 71
the Revised Code. Designated programs shall demonstrate the 72
capacity to provide or coordinate access to peer support, 73
behavioral health care navigation, and other resources for 74
individuals identified through screening. 75

(C) The department shall ensure that any program 76
designated under this section is accessible to patients and that 77
health care professionals, behavioral health professionals, and 78

the following facilities are notified of how to make direct 79
referrals to the program: 80

(1) Hospitals licensed under Chapter 3722. of the Revised 81
Code that operate a maternity unit or newborn care nursery; 82

(2) Maternity homes licensed under Chapter 3711. of the 83
Revised Code; 84

(3) Freestanding birthing centers licensed under section 85
3702.30 of the Revised Code. 86

Section 2. All items in this act are hereby appropriated 87
as designated out of any moneys in the state treasury to the 88
credit of the designated fund. For all operating appropriations 89
made in this act, those in the first column are for fiscal year 90
2026 and those in the second column are for fiscal year 2027. 91
The operating appropriations made in this act are in addition to 92
any other operating appropriations made for these fiscal years. 93

Section 3. 94
