Sec. 4731.224. (A) As used in this section: 633

(1) "Criminal conduct" means any conduct that would 634
constitute a felony, a misdemeanor committed in the course of 635
medical practice, an offense of violence, or a sexually oriented 636
offense, as defined in section 2950.01 of the Revised Code, 637
regardless of whether a criminal charge has been filed or the 638
location in this state where the conduct occurred. 639

(2) "Sexual misconduct" means conduct that exploits the 640
licensee-patient relationship in a sexual way, whether verbal or 641
physical, and may include the expression of thoughts, feelings, 642

impropriety, sexual contact, and sexual interaction as defined 645
by the state medical board in rules adopted in accordance with 646
Chapter 119. of the Revised Code. 647

board shall be provided certified copies of the patient records 658
that were the basis for the facility's action. Prior to release 659

action being taken or in return for not being investigated or 671
having proceedings held. "Formal disciplinary action" does not 672
include any action taken for the sole reason of failure to 673
maintain records on a timely basis or failure to attend staff or 674
section meetings. 675

The filing or nonfiling of a report with the board, 676

clinical privileges. 680

In the absence of fraud or bad faith, no individual or 681
entity that provides patient records to the board shall be 682

4730., 4759., 4760., 4761., 4762., 4772., 4774., ~~or 4778.~~, or 699

occurred, the individual, association, or society shall report 701
to the board the information upon which the belief is based. 702

(2) If any individual authorized to practice under this 703
chapter or any professional association or society of such 704

monitoring organization unless the board is aware that the 712
individual who is the subject of the report does not meet the 713
program eligibility requirements of section 4731.252 of the 714
Revised Code. 715

(3) If any individual authorized to practice under this 716
chapter or any professional association or society of such 717
individuals knows or has reasonable cause to suspect based on 718
facts that would cause a reasonable person in a similar position 719
to suspect that an individual authorized to practice under this 720
chapter has committed or participated in criminal conduct or 721
sexual misconduct, the information upon which the belief is 722
based shall be reported to the board within thirty days. 723

This division does not apply to a professional association 724
or society whose staff interacts with members of the association 725
or society only in advocacy, governance, or educational 726

violations of professional ethics, or for reasons of 745

professional incompetence or professional malpractice, within 746
thirty days after a final decision shall report to the board, on 747
forms prescribed and provided by the board, the name of the 748
individual, the action taken by the professional organization, 749
and a summary of the underlying facts leading to the action 750
taken. 751

The filing of a report with the board or decision not to 752
file a report, investigation by the board, or any disciplinary 753
action taken by the board, does not preclude a professional 754
organization from taking disciplinary action against an 755
individual. 756

(E) Any insurer providing professional liability insurance 757
to an individual authorized to practice under this chapter, or 758
any other entity that seeks to indemnify the professional 759

a possible violation involves repeated malpractice. As used in 777
this division, "repeated malpractice" means three or more claims 778
for medical malpractice within the previous five-year period, 779
each resulting in a judgment or settlement in excess of twenty- 780

this chapter who for more than two years has not been engaged in 1479
the practice of naturopathic medicine. 1480

(B) Before issuing a license to an applicant subject to 1481
this section, or before restoring a license to good standing for 1482
an applicant subject to this section, the state medical board 1483
may impose terms and conditions including any one or more of the 1484
following: 1485

(1) Requiring the applicant to pass an oral or written 1486

examination, or both, to determine the applicant's present 1487
fitness to resume practice; 1488

(2) Requiring the applicant to obtain additional training 1489
and to pass an examination upon completion of such training; 1490

(3) Requiring an assessment of the applicant's physical 1491

the minimal standards of care; 1495

(4) Requiring an assessment of the applicant's skills in 1496
recognizing and understanding diseases and conditions; 1497

(5) Requiring the applicant to undergo a comprehensive 1498

physical abilities, evaluation of sensory capabilities, or 1500
screening for the presence of neurological disorders; 1501

(6) Restricting or limiting the extent, scope, or type of 1502
practice of the applicant. 1503

The board shall consider the moral background and the 1504
activities of the applicant during the period of suspension, 1505
inactivity, or retirement. The board shall not issue, restore, 1506
or reactivate a license under this section unless the applicant 1507
complies with sections 4776.01 to 4776.04 of the Revised Code. 1508

- Sec. 4789.10.** (A) The state medical board, by an 1577
affirmative vote of not fewer than six members, may refuse to 1578
grant a license to practice naturopathic medicine to, or may 1579
revoke the license held by, an individual found by the board to 1580
have committed fraud during the administration of the 1581
examination to be licensed as a naturopath or to have committed 1582
fraud, misrepresentation, or deception in applying for or 1583
securing the license. 1584
- (B) Except as provided in division (C) of this section, 1585
the board, by an affirmative vote of not fewer than six members, 1586
shall, to the extent permitted by law, limit, revoke, or suspend 1587
an individual's license to practice naturopathic medicine, 1588
refuse to issue a license to an applicant, refuse to renew a 1589
license, refuse to reinstate a license, or reprimand or place on 1590
probation the holder of a license for any of the following 1591
reasons: 1592
- (1) Failure to comply with the requirements of this 1593

<u>of the practice of naturopathic medicine;</u>	1620
<u>(10) A plea of guilty to, a judicial finding of guilt of,</u>	1621

or a judicial finding of eligibility for intervention in lieu of 1622
conviction for a felony; 1623

(11) Commission of an act that constitutes a felony in 1624
this state, regardless of the jurisdiction in which the act was 1625
committed; 1626

(12) A plea of guilty to, a judicial finding of guilt of, 1627
or a judicial finding of eligibility for intervention in lieu of 1628
conviction for a misdemeanor committed in the course of the 1629
practice of naturopathic medicine; 1630

(13) Commission of an act in the course of the practice of 1631
naturopathic medicine that constitutes a misdemeanor in this 1632
state, regardless of the jurisdiction in which the act was 1633
committed; 1634

(14) A plea of guilty to, a judicial finding of guilt of, 1635
or a judicial finding of eligibility for intervention in lieu of 1636
conviction for a misdemeanor involving moral turpitude; 1637

(15) Commission of an act involving moral turpitude that 1638
constitutes a misdemeanor in this state, regardless of the 1639
jurisdiction in which the act was committed; 1640

(16) Violation of the conditions of limitation placed by 1641
the board on a license to practice naturopathic medicine; 1642

(17) Failure to pay license renewal fees required by this 1643
chapter; 1644

(18) Inability to practice naturopathic medicine according 1645
to acceptable and prevailing standards of care by reason of 1646
mental illness or physical illness, including physical 1647
deterioration that adversely affects cognitive, motor, or 1648
perceptive skills; 1649

(19) Impairment of ability to practice naturopathic 1650
medicine according to acceptable and prevailing standards of 1651
care because of habitual or excessive use or abuse of drugs, 1652
alcohol, or other substances that impair the ability to 1653
practice; 1654

(20) Failure to maintain the confidentiality of privileged 1655
communications without the written consent of a patient or a 1656
patient's parent or guardian, as applicable, unless otherwise 1657
required by law, court order, or necessity to protect public 1658
health and safety; 1659

(21) Failure to comply with the continuing education 1660
requirements necessary to renew a license to practice 1661
naturopathic medicine; 1662

(22) Failure to comply with any standards for the ethical 1663
practice of naturopathic medicine that the board adopts; 1664

(23) Failure to cooperate in an investigation conducted by 1665
the board under division (E) of this section, including failure 1666
to comply with a subpoena or order issued by the board or 1667
failure to answer truthfully a question presented by the board 1668
in an investigative interview. 1669

(C) The board shall not refuse to issue a license to an 1670
applicant because of a plea of guilty to, a judicial finding of 1671
guilt of, or a judicial finding of eligibility for intervention 1672
in lieu of conviction for an offense unless the refusal is in 1673
accordance with section 9.79 of the Revised Code. 1674

(D) Disciplinary actions taken by the board under 1675
divisions (A) and (B) of this section shall be taken pursuant to 1676
an adjudication under Chapter 119. of the Revised Code, except 1677
that in lieu of an adjudication, the board may enter into a 1678

consent agreement with a naturopath or applicant to resolve an 1679
allegation of a violation of this chapter or any rule adopted 1680
under it. A consent agreement, when ratified by an affirmative 1681
vote of not fewer than six members of the board, shall 1682
constitute the findings and order of the board with respect to 1683
the matter addressed in the agreement. If the board refuses to 1684
ratify a consent agreement, the admissions and findings 1685
contained in the consent agreement shall be of no force or 1686
effect. 1687

A telephone conference call may be utilized for 1688
ratification of a consent agreement that revokes or suspends an 1689
individual's license. The telephone conference call shall be 1690
considered a special meeting under division (F) of section 1691
121.22 of the Revised Code. 1692

(E) For purposes of divisions (B) (11), (13), and (15) of 1693
this section, the commission of the act may be established by a 1694
finding by the board, pursuant to an adjudication under Chapter 1695
119. of the Revised Code, that the applicant or license holder 1696
committed the act in question. The board does not have 1697
jurisdiction under those divisions if the trial court renders a 1698
final judgment in the license holder's favor and that judgment 1699
is based upon an adjudication on the merits. The board has 1700
jurisdiction under those divisions if the trial court issues an 1701
order of dismissal on technical or procedural grounds. 1702

(F) The sealing or expungement of conviction records by 1703
any court shall have no effect on a prior board order entered 1704
under the provisions of this section or on the board's 1705
jurisdiction to take action under the provisions of this section 1706
if, based upon a plea of guilty, a judicial finding of guilt, or 1707
a judicial finding of eligibility for intervention in lieu of 1708

conviction, the board issued a notice of opportunity for a 1709
hearing or took other formal action under Chapter 119. of the 1710
Revised Code prior to the court's order to seal or expunge the 1711
records. The board shall not be required to seal, destroy, 1712
redact, or otherwise modify its records to reflect the court's 1713
sealing or expungement of conviction records. 1714

(G) For purposes of this division, any individual who 1715
holds a license to practice naturopathic medicine, or applies 1716
for a license, shall be deemed to have given consent to submit 1717
to a mental or physical examination when directed to do so in 1718
writing by the board and to have waived all objections to the 1719
admissibility of testimony or examination reports that 1720
constitute a privileged communication. 1721

(1) In enforcing division (B) (5) of this section, the 1722
board, on a showing of a possible violation, shall refer any 1723
individual who holds, or has applied for, a license issued under 1724
this chapter to the monitoring organization that conducts the 1725
program established by the board under section 4731.25 of the 1726
Revised Code. The board also may compel the individual to submit 1727
to a mental or physical examination, or both. A physical 1728
examination may include an HIV test. The expense of the 1729
examination is the responsibility of the individual compelled to 1730
be examined. Failure to submit to a mental or physical 1731
examination or consent to an HIV test ordered by the board 1732
constitutes an admission of the allegations against the 1733
individual unless the failure is due to circumstances beyond the 1734
individual's control, and a default and final order may be 1735
entered without the taking of testimony or presentation of 1736
evidence. If the board finds a naturopath unable to practice 1737
because of the reasons set forth in division (B) (5) of this 1738
section, the board shall require the naturopath to submit to 1739

care, counseling, or treatment by physicians approved or 1740
designated by the board, as a condition for an initial, 1741
continued, reinstated, or renewed license to practice. An 1742
individual affected by this division shall be afforded an 1743
opportunity to demonstrate to the board the ability to resume 1744
practicing in compliance with acceptable and prevailing 1745
standards of care. 1746

(2) For purposes of division (B)(19) of this section, if 1747
the board has reason to believe that any individual who holds a 1748
license to practice naturopathic medicine or any applicant for a 1749
license suffers such impairment, the board shall refer the 1750
individual to the monitoring organization that conducts the 1751
program established by the board under section 4731.25 of the 1752
Revised Code. The board also may compel the individual to submit 1753
to a mental or physical examination, or both. The expense of the 1754
examination is the responsibility of the individual compelled to 1755
be examined. Any mental or physical examination required under 1756
this division shall be undertaken by a treatment provider or 1757
physician qualified to conduct such examination and approved 1758
under section 4731.251 of the Revised Code. 1759

Failure to submit to a mental or physical examination 1760
ordered by the board constitutes an admission of the allegations 1761
against the individual unless the failure is due to 1762
circumstances beyond the individual's control, and a default and 1763
final order may be entered without the taking of testimony or 1764
presentation of evidence. If the board determines that the 1765
individual's ability to practice is impaired, the board shall 1766
suspend the individual's license or deny the individual's 1767
application and shall require the individual, as a condition for 1768
an initial, continued, reinstated, or renewed license, to submit 1769
to treatment. 1770

Before being eligible to apply for reinstatement of a 1771
license suspended under this division, the naturopath shall 1772
demonstrate to the board the ability to resume practice in 1773
compliance with acceptable and prevailing standards of care. The 1774
demonstration shall include the following: 1775

(a) Certification from a treatment provider approved under 1776
section 4731.251 of the Revised Code that the individual has 1777
successfully completed any required inpatient treatment; 1778

(b) Evidence of continuing full compliance with an 1779
aftercare contract or consent agreement; 1780

(c) Two written reports indicating that the individual's 1781
ability to practice has been assessed and that the individual 1782
has been found capable of practicing according to acceptable and 1783
prevailing standards of care. The reports shall be made by 1784
individuals or providers approved by the board for making such 1785
assessments and shall describe the basis for their 1786
determination. 1787

The board may reinstate a license suspended under this 1788
division after such demonstration and after the individual has 1789
entered into a written consent agreement. 1790

When the impaired naturopath resumes practice, the board 1791
shall require continued monitoring of the naturopath. The 1792
monitoring shall include monitoring of compliance with the 1793
written consent agreement entered into before reinstatement or 1794
with conditions imposed by board order after a hearing, and, on 1795
termination of the consent agreement, submission to the board 1796
for at least two years of annual written progress reports made 1797
under penalty of falsification stating whether the naturopath 1798
has maintained sobriety. 1799

(H) (1) If either of the following circumstances occur, the 1800
secretary and supervising member may recommend that the board 1801
suspend an individual's license to practice without a prior 1802
hearing: 1803

(a) The secretary and supervising member determine both of 1804
the following: 1805

(i) That there is clear and convincing evidence that a 1806
naturopath has violated division (B) of this section; 1807

(ii) That the individual's continued practice presents a 1808
danger of immediate and serious harm to the public. 1809

(b) The board receives verifiable information that a 1810
license holder has been charged in any state or federal court 1811
for a crime classified as a felony under the charging court's 1812
law and the conduct charged constitutes a violation of division 1813
(B) of this section. 1814

(2) If a recommendation is made to suspend without a prior 1815
hearing pursuant to division (H) (1) of this section, written 1816
allegations shall be prepared for consideration by the board. 1817

The board, on review of the allegations and by an 1818
affirmative vote of not fewer than six of its members, excluding 1819
the secretary and supervising member, may suspend a license 1820
without a prior hearing. A telephone conference call may be 1821
utilized for reviewing the allegations and taking the vote on 1822
the summary suspension. 1823

The board shall serve a written order of suspension in 1824
accordance with sections 119.05 and 119.07 of the Revised Code. 1825
If the naturopath requests an adjudicatory hearing by the board, 1826
the date set for the hearing shall be within fifteen days, but 1827
not earlier than seven days, after the naturopath requests the 1828

hearing, unless otherwise agreed to by both the board and the 1829
naturopath. 1830

(3) Any summary suspension imposed under division (H) (2) 1831
of this section is not a final appealable order and is not an 1832
adjudication that may be appealed under section 119.12 of the 1833
Revised Code. The summary suspension shall remain in effect 1834
until a final adjudicative order issued by the board pursuant to 1835
this section and Chapter 119. of the Revised Code becomes 1836
effective. Once a final adjudicative order has been issued by 1837
the board, any party adversely affected by it may file an appeal 1838
in accordance with the requirements of Chapter 119. of the 1839
Revised Code. 1840

The board shall issue its final adjudicative order within 1841
seventy-five days after completion of its hearing. Failure to 1842
issue the order within seventy-five days shall result in 1843
dissolution of the summary suspension order, but shall not 1844
invalidate any subsequent, final adjudicative order. 1845

(I) If the board takes action under division (B) (10), 1846
(12), or (14) of this section, and the judicial finding of 1847
guilt, guilty plea, or judicial finding of eligibility for 1848
intervention in lieu of conviction is overturned on appeal, on 1849
exhaustion of the criminal appeal, a petition for 1850
reconsideration of the order may be filed with the board along 1851
with appropriate court documents. On receipt of a petition and 1852
supporting court documents, the board shall reinstate the 1853
license to practice naturopathic medicine. The board may then 1854
hold an adjudication under Chapter 119. of the Revised Code to 1855
determine whether the individual committed the act in question. 1856
Notice of opportunity for hearing shall be given in accordance 1857
with Chapter 119. of the Revised Code. If the board finds, 1858

pursuant to an adjudication held under this division, that the 1859
individual committed the act, or if no hearing is requested, it 1860
may order any of the sanctions specified in division (B) of this 1861
section. 1862

(J) The license to practice naturopathic medicine and the 1863
naturopath's practice in this state are automatically suspended 1864
as of the date the naturopath pleads guilty to, is found by a 1865
judge or jury to be guilty of, or is subject to a judicial 1866
finding of eligibility for intervention in lieu of conviction in 1867
this state or treatment or intervention in lieu of conviction in 1868
another jurisdiction for any of the following criminal offenses 1869
in this state or a substantially equivalent criminal offense in 1870
another jurisdiction: aggravated murder, murder, voluntary 1871
manslaughter, felonious assault, trafficking in persons, 1872
kidnapping, rape, sexual battery, gross sexual imposition, 1873
aggravated arson, aggravated robbery, or aggravated burglary. 1874
Continued practice after the suspension shall be considered 1875
practicing without a license. 1876

The board shall serve the individual subject to the 1877
suspension in accordance with sections 119.05 and 119.07 of the 1878
Revised Code. If an individual whose license is suspended under 1879
this division fails to make a timely request for an adjudication 1880
under Chapter 119. of the Revised Code, the board shall enter a 1881
final order permanently revoking the individual's license to 1882
practice. 1883

(K) In any instance in which the board is required by 1884
Chapter 119. of the Revised Code to give notice of opportunity 1885
for hearing and the individual subject to the notice does not 1886
timely request a hearing in accordance with section 119.07 of 1887
the Revised Code, the board is not required to hold a hearing, 1888

but may adopt, by an affirmative vote of not fewer than six of 1889
its members, a final order that contains the board's findings. 1890
In the final order, the board may order any of the sanctions 1891
identified under division (A) or (B) of this section. 1892

(L) Any action taken by the board under division (B) of 1893
this section resulting in a suspension shall be accompanied by a 1894
written statement of the conditions under which the license of 1895
the naturopath may be reinstated. The board shall adopt rules in 1896
accordance with Chapter 119. of the Revised Code governing 1897
conditions to be imposed for reinstatement. Reinstatement of a 1898
license suspended pursuant to division (B) of this section 1899
requires an affirmative vote of not fewer than six members of 1900
the board. 1901

(M) When the board refuses to grant or issue a license to 1902
practice naturopathic medicine to an applicant, revokes an 1903
individual's license, refuses to renew an individual's license, 1904
or refuses to reinstate an individual's license, the board may 1905
specify that its action is permanent. An individual subject to a 1906
permanent action taken by the board is forever thereafter 1907
ineligible to hold a license to practice naturopathic medicine, 1908
and the board shall not accept an application for reinstatement 1909
of the license or for issuance of a new license. 1910

(N) Notwithstanding any other provision of the Revised 1911
Code, all of the following apply: 1912

(1) The surrender of a license to practice naturopathic 1913
medicine is not effective unless or until accepted by the board. 1914
A telephone conference call may be utilized for acceptance of 1915
the surrender of an individual's license. The telephone 1916
conference call shall be considered a special meeting under 1917
division (F) of section 121.22 of the Revised Code. 1918

Reinstatement of a license surrendered to the board requires an 1919
affirmative vote of not fewer than six members of the board. 1920

(2) An application made under this chapter for a license 1921
to practice may not be withdrawn without approval of the board. 1922

(3) Failure by an individual to renew a license in 1923
accordance with section 4787.06 of the Revised Code does not 1924
remove or limit the board's jurisdiction to take disciplinary 1925
