restored over the course of more than four decades, and it now stands
as an example of the rich heritage of bygone days; and

in, its exciting and colorful past, and the memorializing of
significant landmarks and artifacts is vital to the preservation of
America's unique heritage. Indeed, the continued longevity of Hotel

reflection on the many people who have supported its refurbishing,
including its board of trustees and the Friends of Hotel Lakeside, and
on the entire community; and

attributed to the vision and foresight of a host of innovative
individuals, and all those who have been involved with the

rededication are to be applauded on their tremendous efforts. Indeed, 27
the preservation of this one-of-a-kind edifice convincingly 28
demonstrates how very much can be accomplished by a group of 29
conscientious people with clear objectives and firm resolve, and it is 30
through the work of citizens such as these that Ohio continues to be a 31
pleasant place in which to live; therefore be it 32
