As Introduced

136th General Assembly
Regular Session
2025-2026

S. R. No. 330

Senator Hicks-Hudson

A R E S O L U T I O N

Honoring Jones and Henry Engineers on its One Hundredth Anniversary.

WHEREAS, The members of the Senate of the 136th General Assembly of Ohio are pleased to commend Jones and Henry Engineers on the auspicious occasion of its One Hundredth Anniversary; and

WHEREAS, Recognition of this prestigious milestone is a fitting tribute to Jones and Henry Engineers, for over the past one hundred years, this fine business has attained a remarkable record of service. Since its founding in 1926, this fine civil engineering firm has continually demonstrated its exemplary commitment to the highest industry standards and customer satisfaction. Indeed, its dedication to offering premium consulting services for the advancement of water and sanitation infrastructure across the Great Lakes region has been evident in all of its transactions; and

WHEREAS, The success of Jones and Henry Engineers is a justifiable source of pride and an outstanding reflection not only on the business itself but also on its astute management and hard-working employees. Their vision and initiative have earned this respected institution the gratitude and respect of many appreciative clients, and they are truly deserving of high praise; and

WHEREAS, Over the years, Jones and Henry Engineers has enhanced the quality of life within the surrounding community and has contributed greatly to the area’s well-being. We are certain that as this worthy enterprise maintains its focus on service and achievement, it will continue to prosper and will uphold the tradition of excellence that has long been its hallmark; therefore be it

RESOLVED, That we, the members of the Senate of the 136th General

Assembly of Ohio, in adopting this Resolution, congratulate Jones and Henry Engineers on its Centennial and extend best wishes for the future; and be it further

RESOLVED, That the Clerk of the Senate transmit a duly authenticated copy of this Resolution to Jones and Henry Engineers.
