Subject: Sunset Review legislation

Recently you asked for a bill draft to implement the anticipated recommendations of the Sunset Review Committee with respect to agencies¹ subject to its purview. Also, I noticed that two agencies, the Ohio Casino Control Commission and the Ohio Peace Officer Training Commission, which testified before the Committee, are not subject to the Sunset Review Law. So, the attached bill does all of the following:

- (1) Clarifies that the Ohio Casino Control Commission and the Ohio Peace Officer Training Commission are not subject to Sunset Review Law;
- (2) Amends Sunset Review Law, as necessary; and
- (3) Implements the anticipated recommendations of the Sunset Review Committee with respect to agencies subject to its purview.

Amendment to Sunset Review Law

The bill amends Sunset Review Law to specify that a Sunset Review Committee must be convened and function during each odd-numbered General Assembly. Any agency in existence on January 1 of the first year of that General Assembly expires on December 31 of the second year of the General Assembly, unless it is renewed as specified in the Sunset Review Law. So, any agency created during an even-numbered

¹ Under Sunset Review Law, with certain specified exceptions, "agency" means any board, commission, committee, or council, or any other similar state public body required to be established pursuant to state statutes for the exercise of any function of state government and to which members are appointed or elected (R.C. 101.82).

General Assembly expires on December 31 at the end of the next odd-numbered General Assembly, unless renewed. And, any agency created during an odd-numbered General Assembly expires on December 31 at the end of the next odd-numbered General Assembly, unless renewed.²

Agencies to be renewed

The bill retains, until December 31, 2020, the following agencies:³

Agencies to be renewed by amendment

The bill renews, through amendment of sections of law, the following agencies:

Advisory Board of the Governor's Office of Faith-Based and Community Initiatives

The bill modifies the composition of the Board and reduces to eight the number of persons on the Board. Under the bill, the Board consists of four individuals appointed by the Governor, one member of the House of Representatives appointed by the Speaker, one member of the Senate appointed by the President, and two individuals to represent the faith-based and other nonprofit community, one appointed by the Speaker and one appointed by the Senate President.

The terms of office for all members of the Advisory Board of the Governor's Office of Faith-Based and Community Initiatives appointed before the bill's effective

date, expire on its effective date. The Governor, the Speaker of the House of Representatives, and the President of the Senate, not later than 60 days after the bill's effective date, must appoint members to the Board. The bill specifies that a person who is serving, or has served, on the Board before the bill's effective date may be appointed to the newly constituted Board provided that the person is eligible for appointment under R.C. 107.12, as amended in the bill.⁵

Housing Trust Fund Advisory Committee

The bill modifies the composition of the Housing Trust Fund Advisory Committee and reduces the number of members on the Committee. Under the bill, the Committee consists of seven members appointed by the Governor, who possess knowledge and experience with respect to the housing needs of low and moderate income persons.

The terms of office for all members of the Committee, appointed before the bill's effective date, expire 90 days after its effective date. The Governor must appoint seven members to the Committee to serve terms of office beginning on that date. The Governor may appoint to the Committee a person who is serving, or has served, on the Committee before the bill's effective date provided that the person is eligible for appointment under the law as amended in the bill.⁶

Maternity and Newborn Advisory Council

The bill modifies the requirements for six nurses who serve on the Maternity and Newborn Advisory Council. Under current law, these nurses must be nurse managers or administrators serving in facilities of specified service level designations. The bill requires only that three nurses must be registered nurses who provide newborn care and three nurses must be registered nurses who provide obstetric care.⁷

Mine Subsidence Insurance Governing Board

The bill removes the Superintendent of Insurance from the Mine Subsidence Insurance Governing Board.⁸

Ohio Tuition Trust Authority Board

This Board is re-designated in the bill as the "Ohio Tuition Trust Authority Investment Board." The bill also modifies the qualifications for members to be appointed by the Governor. Under the bill, these members must have significant experience in finance, accounting, or investment management. Current members of the

Board, who do not meet the bill's new qualification, may continue to serve until the end of their current term.⁹

Operating Committee of the Oil and Gas Marketing Program

The bill revises the law governing the oil and natural gas marketing program. Specifically, the bill allows oil and gas producers to present the operating committee of an oil and natural gas marketing program with a petition to amend the program. Under current law, the producers must present the petition to the Technical Advisory Council, which is within the Department of Natural Resources and oversees oil and gas marketing programs. The bill also allows the Council to request the operating committee to perform any administrative duty during the amendment process. If the Council requests the operating committee to perform such duties, the committee is required to do so.¹⁰

The bill authorizes the operating committee of a marketing program to allow the producer of a horizontal well to directly pay assessments to the operating committee for purposes of operating the marketing program. The bill authorizes the operating committee to allow the producer to pay assessments only if an amendment to the marketing program is approved via a referendum that grants such authority to the operating committee. Under current law, the person who first purchases oil and gas from the producer must pay such an assessment when required by the Technical Advisory Council.

With regard to any refunds of an assessment, the bill specifies that any additional information to support a refund request provided to the operating committee by a producer is not a public record and is confidential.¹¹

The bill requires the Technical Advisory Council to appoint six additional members to an operating committee. Thus, the operating committee will now consist of 13 members. The new members appointed under the bill are required to be primarily horizontal well operators. Under current law, an operating committee consists of seven members. Six of those members must be independent oil or gas producers and one must be a member of an organization that represents farmers.

The bill also adds that an employee of an operating committee, in addition to members of the operating committee as under current law, is exempt from liability in a civil action for any actions taken in good faith as an employee of the committee.¹²

Technical Advisory Committee to Assist Director of the Ohio Coal Development Office

The bill reduces by two the membership of the Committee. Under the bill, a representative of manufacturers that use Ohio coal, and a representative of environmental organizations will no longer serve on the committee.¹³

Wild, Scenic, or Recreational River Advisory Council

The bill abolishes the requirement to establish numerous river advisory councils and instead establishes a single Wild, Scenic, or Recreational River Advisory Council to consist of one person to represent each wild, scenic, or recreational river area that has been designated by the Director of Natural Resources.

The term for a person who is serving on an advisory council for a wild, scenic, or recreational river area, appointed before the bill's effective date, expires on its effective date. Any such person is eligible for appointment to the Wild, Scenic, or Recreational River Advisory Council created by the bill.¹⁴

Agencies abolished

The bill abolishes the following agencies:

- Coastal Resources Advisory Council (R.C. 1506.12)
- Committee to Evaluate the Implementation of TANF Youth Diversion Programs (Section 5 of Sub. H.B. 57, 124th G.A.)

Armory Boards of Control

The bill requires that the Adjutant General appoint a control officer for each armory instead of a Board of Control.¹⁹

Exempt from Sunset Review Law

Ohio Casino Control Commission

The bill clarifies that the Ohio Casino Control Commission is not subject to review by the Sunset Review Committee because the Commission is created directly pursuant to the Ohio Constitution, and because the Commission issues final adjudicatory orders subject to appeal by a court of common pleas.²⁰

Ohio Peace Officer Training Commission

The bill clarifies that the Ohio Peace Officer Training Commission is not subject to review by the Sunset Review Committee because the Commission issues final adjudicatory orders subject to appeal by a court of common pleas.²¹
