

Chairman Tim Derickson
Community and Family Advancement Committee
Ohio House of Representatives
77 South High Street
Columbus, OH 43215

Dear Chairman Derickson and members of the committee:

My name is Andy Udovich and I would like to express my support to defund Planned Parenthood in Ohio. I am a student at the University of Akron, and I am involved with our Students for Life organization on campus. I believe that abortion is wrong, and since Planned Parenthood provides so many abortion procedures, I believe that defunding Planned Parenthood is a step in the right direction. A society in which our youngest members do not have the right to life is not a healthy society for any of us to live in. We must work to ensure that every human being in our society has the right to life. I believe that that will lead to a happier and more fulfilling life for all of us.

Thank you for taking the time to read this letter. Please work to defund Planned Parenthood in Ohio.

Sincerely,

Andy Udovich
