RE: Senate Bill 153 – SUPPORT

Dear Legislators:

On behalf of the Cleveland Indians, I am writing to express our support for Senate Bill 153.

The future of fantasy sports is important to the Cleveland Indians. In 2015, the Indians organization entered into a marketing partnership with DraftKings. Our relationship with DraftKings allows us to engage our fans at another level and increase their knowledge and interest in both the Indians and Major League Baseball in general.

Senate Bill 153 will ensure that the millions of Ohioans who enjoy fantasy sports can continue to participate in this popular and accepted form of entertainment with confidence that the state has adopted a regulatory structure to better protect consumers.

The Cleveland Indians support Senate Bill 153 and request your support for this important legislation that will protect Ohio consumers.

Sincerely,

Paul J. Dolan
Chairman and Chief Executive Officer
