

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

I am writing to urge the committee to vote YES on HB 311. It is vitally important that the governors emergency powers be reigned in for the health and futures of all Ohioans. Ohio Businesses are crumbling under his nonsensical orders. Children are being subjected to astronomical trauma under the guise of a virus that for the most part does not effect them. The Governor isn't listening to the people of Ohio. I urge you to act on our behalf by voting YES on HB 311.
