

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

I am testifying in favor of SB 311 today as an Ohio resident. I am extremely concerned about the unlimited power of the Executive Branch under the current emergency powers and the negative effects it is having on all Ohioans. I have spoken to many Ohio residents that have lost their jobs or are having extreme mental health effects from this.

Please restore the balance of power to where it should be, between the three equal branches of government. One person should not have this much unchecked power over this many people, for this quantity of time.

Thank you,
Devon Horsman
