

To everyone involved with this process,

I, Justin Bilyj, a citizen of the state of Ohio, am testifying in favor of SB 311 as I'm deeply concerned about courses of action being taken under the current emergency powers and how they violate the state's constitution and imposes more harm against us than the good it does or is intended.

SB311 restores the balance of power between the three COEQUAL branches of government and RE-OPENS Ohio.

Our businesses, our economy, our social and emotional well-being and the future of our children is on the line - getting this wrong will impoverish millions of Ohioans for generations to come.

Our state cannot thrive under the continued oppressive orders of our over-reaching Governor.

Please stand up and protect our personal liberties and the future of our state by voting YES on SB 311!

Warmest Regards,
