

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

I am testifying in favor of SB 311 today as a Patriot, Mom of 4 children and an Ohio resident. I am deeply concerned about the courses of action being taken under the current emergency powers and the dire effects it is having on all of us.

This bill restores the balance of power to where it should be, between the three COEQUAL branches of government and RE-OPEN Ohio.

Our businesses, large and small, our economy, our social and emotional well-being and the future of my 4 children is on the line. Our state cannot thrive under the continued oppressive orders or our over-reaching Governor.

Ladies and Gentlemen of the Committee, I implore you, please be the voice of those who elected you to your positions of authority. Take a stand and protect our personal liberties and the future of our state by voting Yes on SB 311.

Thank you,
Maggie Hamilton
