

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelley, and members of the State and Local Government Committee: I am testifying in favor of SB 311 today as an Ohio resident deeply concerned about courses of action being taken under the current emergency powers and the dire affects it is having on all of us. This bill restores the balance of power to where it should be, between the three COEQUAL branches of government and RE-OPENS Ohio. Our businesses, our economy, our social and emotional well-being, and the future of our children is on the line. Our state cannot thrive under the continued oppressive orders of our overreaching governor. Please stand up and protect our personal liberties and the future of our state by voting YES on SB 311.
