Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

I am testifying in favor of SB 311 today as an Ohio resident deeply concerned about courses of action being taken under the current emergency powers and the dire effects it is having on all of us.

This bill restores the balance of power to where it should be, between the three COEQUAL branches of government and RE-OPENS Ohio.

Our businesses, our economy, our social and emotional well-being and the future of our children is on the line. Our state cannot thrive under the continued oppressive orders of our over-reaching Governor.

I have a child and husband who both suffer with anxiety and depression and the prolonged oppression worries me greatly. I work in a business that is running at half capacity at best we can not continue on this path and keep our doors open. We need an end to this!

Please stand up and protect our personal liberties and the future of our state by voting YES on SB 311!

Thank you,
