

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

I am testifying in favor of SB 311 today as an Ohio resident and parent extremely concerned about courses of action being taken under the current "emergency" powers and the dire effects it is having on all of us.

SB 311 restores the balance of power to where it should be, between the three coequal branches of government and re-opens Ohio.

Our businesses, our economy, our social and emotional well-being and the future of our children is on the line. We cannot thrive under the continued oppressive orders of the over-reaching Governor and whatever he decides he personally "believes".

Please do the right thing of standing up and protecting our personal liberties, God-given freedom, and the future of our state by voting YES on SB 311!

Blessings,

Ahloria Spring
