Chairman Burke, Vice Chair Huffman, Ranking Member Antonio and honorable members of the Health, Human Services and Medicaid Committee and Senator Bob Hackett of Ohio's 10th district, My name is Christi Burden. As a concerned Ohioan who supports greater checks and balances when it comes to government or government agencies, I urge you to vote "yes" on SB311.

Our freedoms have and are being infringed and our economy is being decimated due to the restrictive orders of an unelected health official. Return the authority and responsibility for emergency actions to the legislature as duly elected representatives of "we the people".

Christi Burden
