

\_\_\_\_\_ moved to amend as follows:

In line 348, delete ", subject to the customer's written consent  
and" 1 2

In line 349, delete "verification of the customer's identity" and 3  
insert "if all of the following are true:" 4

(A) The electric services company has obtained the 5  
customer's written consent. 6

(B) The electric services company has verified the 7  
customer's identity by providing the customer's electric 8  
distribution utility account number. 9

(C) The electric services company has explained how the 10  
incentive being conveyed meets the energy savings program 11  
eligibility requirements. 12

(D) The electric services company produces evidence that 13  
the customer completed the program. This evidence may be in the 14  
form of a product identification code, product serial number, or 15  
similar evidence that proves installation or delivery of an 16  
eligible product under the energy savings program" 17

<u>SYNOPSIS</u>	18
<b>Energy savings incentive conveyance</b>	19
<b>R.C. 4928.6660</b>	20
Requires the following, in addition to the bill's customer consent and verification requirements, for an electric services company (ESC) to take conveyance of a customer's energy savings incentive under an electric distribution utility (EDU) energy savings program:	21
--Verification using the customer's EDU account number;	22
--Explanation of how the conveyed incentive meets the program eligibility requirements;	23
--Evidence of a customer's program completion.	24
