The board shall enter

into an agreement with the person that complies with all of the 1134
following requirements: 1135

(1) The agreement shall identify the person's real 1136
property for which the erosion control structure is being 1137
constructed and shall include a legal description of that 1138
property and a reference to the volume and page of the deed 1139
record in which the title of that person to that property is 1140
recorded. 1141

(2) In accordance with rules adopted by the Ohio water 1142
development authority under division (V) of section 6121.04 of 1143
the Revised Code for the purposes of division (C) of this 1144
section and pursuant to an agreement between the board and the 1145
authority under that division, the board shall agree to cause 1146
payments to be made by the authority to the contractor hired by 1147
the person to construct an erosion control structure in amounts 1148
not to exceed the total amount specified in the agreement 1149
between the board and the person. 1150

(3) The person shall agree to pay to the board, or to the 1151
authority as the assignee pursuant to division (C) of this 1152
section, the total amount of the payments plus administrative or 1153
other costs of the board or the authority at times, in 1154
installments, and bearing interest as specified in the 1155
agreement. 1156

The agreement may contain additional provisions that the 1157
board determines necessary to safeguard the interests of the 1158
county or to comply with an agreement entered into under 1159
division (C) of this section. 1160

(B) Upon entering into an agreement under division (A) of 1161
this section, the board shall do all of the following: 1162

(1) Cause the agreement to be recorded in the county deed 1163
records in the office of the county recorder of the county in 1164
which the real property is situated. Failure to record the 1165
agreement does not affect the validity of the agreement or the 1166
collection of any amounts due under the agreement. 1167

(2) Establish by resolution an erosion control repayment 1168
fund into which shall be deposited all amounts collected under 1169
division (B)(3) of this section. Moneys in that fund shall be 1170
used by the board for the repayment of the loan and for 1171
administrative or other costs of the board or the authority as 1172
specified in an agreement entered into under division (C) of 1173
this section. If the amount of money in the fund is inadequate 1174
to repay the loan when due, the board of county commissioners, 1175
by resolution, may advance money from any other fund in order to 1176
repay the loan if that use of the money from the other fund is 1177
not in conflict with law. If the board so advances money in 1178
order to repay the loan, the board subsequently shall reimburse 1179
each fund from which the board advances money with moneys from 1180
the erosion control repayment fund. 1181

(3) Bill and collect all amounts when due under the 1182
agreement entered into under division (A) of this section. The 1183
board shall certify amounts not paid when due to the county 1184
auditor, who shall enter the amounts on the real property tax 1185
list and duplicate against the property identified under 1186
division (A)(1) of this section. The amounts not paid when due 1187
shall be a lien on that property from the date on which the 1188
amounts are placed on the tax list and duplicate and shall be 1189
collected in the same manner as other taxes. 1190

(C) A board may apply to the authority for a loan for the 1191
purpose of entering into agreements under division (A) of this 1192

section. The loan shall be for an amount and on the terms 1193
established in an agreement between the board and the authority. 1194
The board may assign any agreements entered into under division 1195
(A) of this section to the authority in order to provide for the 1196
repayment of the loan and may pledge any lawfully available 1197
revenues to the repayment of the loan, provided that no moneys 1198
raised by taxation shall be obligated or pledged by the board 1199
for the repayment of the loan. Any agreement with the authority 1200
pursuant to this division is not subject to Chapter 133. of the 1201
Revised Code or any requirements or limitations established in 1202
that chapter. 1203

(D) The authority, as assignee of any agreement pursuant 1204
to division (C) of this section, may enforce and compel the 1205
board and the county auditor by mandamus pursuant to Chapter 1206
2731. of the Revised Code to comply with division (B) of this 1207
section in a timely manner. 1208

(E) The construction of an erosion control structure by a 1209
contractor hired by an individual homeowner, group of individual 1210
homeowners, or homeowners association that enters into an 1211
agreement with a board under division (A) of this section ~~is not~~ 1212
~~a public improvement, as defined in section 4115.03 of the~~ 1213
~~Revised Code, and~~ is not subject to competitive bidding or 1214
public bond laws. 1215

Sec. 1710.02. (A) A special improvement district may be 1216
created within the boundaries of any one municipal corporation, 1217
any one township, or any combination of municipal corporations 1218
and townships within a single county, or counties that adjoin 1219
one another, for the purpose of developing and implementing 1220
plans for public improvements and public services that benefit 1221
the district. A district may be created by petition of the 1222

owners of real property within the proposed district, or by an 1223
existing qualified nonprofit corporation. If the district is 1224
created by an existing qualified nonprofit corporation, the 1225
purposes for which the district is created may be supplemental 1226
to the other purposes for which the corporation is organized. 1227
All territory in a special improvement district shall be 1228
contiguous; except that the territory in a special improvement 1229
district may be noncontiguous if at least one special energy 1230
improvement project or shoreline improvement project is 1231
designated for each parcel of real property included within the 1232
special improvement district. Additional territory may be added 1233
to a special improvement district created under this chapter for 1234
the purpose of developing and implementing plans for special 1235
energy improvement projects or shoreline improvement projects if 1236
at least one special energy improvement project or shoreline 1237
improvement project, respectively, is designated for each parcel 1238
of real property included within such additional territory and 1239
the addition of territory is authorized by the initial plan 1240
proposed under division (F) of this section or a plan adopted by 1241
the board of directors of the special improvement district under 1242
section 1710.06 of the Revised Code. 1243

The district shall be governed by the board of trustees of 1244
a nonprofit corporation. This board shall be known as the board 1245
of directors of the special improvement district. No special 1246
improvement district shall include any church property, or 1247
property of the federal or state government or a county, 1248
township, or municipal corporation, unless the church or the 1249
county, township, or municipal corporation specifically requests 1250
in writing that the property be included within the district, or 1251
unless the church is a member of the existing qualified 1252
nonprofit corporation creating the district at the time the 1253

district is created. A shoreline improvement project may extend 1254
into the territory of Lake Erie as described in sections 1506.10 1255
and 1506.11 of the Revised Code. However, the state shall remain 1256
exempt from any special assessment that may be levied against 1257
that territory under section 1710.06 and Chapter 727. of the 1258
Revised Code. More than one district may be created within a 1259
participating political subdivision, but no real property may be 1260
included within more than one district unless the owner of the 1261
property files a written consent with the clerk of the 1262
legislative authority, the township fiscal officer, or the 1263
village clerk, as appropriate. The area of each district shall 1264
be contiguous; except that the area of a special improvement 1265
district may be noncontiguous if all parcels of real property 1266
included within such area contain at least one special energy 1267
improvement or shoreline improvement thereon. 1268

(B) Except as provided in division (C) of this section, a 1269
district created under this chapter is not a political 1270
subdivision. A district created under this chapter shall be 1271
considered a public agency under section 102.01 ~~and a public~~ 1272
~~authority under section 4115.03~~ of the Revised Code. Each member 1273
of the board of directors of a district, each member's designee 1274
or proxy, and each officer and employee of a district shall be 1275
considered a public official or employee under section 102.01 of 1276
the Revised Code and a public official and public servant under 1277
section 2921.42 of the Revised Code. Districts created under 1278
this chapter are not subject to sections 121.81 to 121.83 of the 1279
Revised Code. Districts created under this chapter are subject 1280
to sections 121.22 and 121.23 of the Revised Code. 1281

(C) Each district created under this chapter shall be 1282
considered a political subdivision for purposes of section 1283
4905.34 of the Revised Code. 1284

Membership on the board of directors of the district shall 1285
not be considered as holding a public office. Directors and 1286
their designees shall be entitled to the immunities provided by 1287
Chapter 1702. and to the same immunity as an employee under 1288
division (A) (6) of section 2744.03 of the Revised Code, except 1289
that directors and their designees shall not be entitled to the 1290
indemnification provided in section 2744.07 of the Revised Code 1291
unless the director or designee is an employee or official of a 1292
participating political subdivision of the district and is 1293
acting within the scope of the director's or designee's 1294
employment or official responsibilities. 1295

District officers and district members and directors and 1296
their designees or proxies shall not be required to file a 1297
statement with the Ohio ethics commission under section 102.02 1298
of the Revised Code. All records of the district shall be 1299
treated as public records under section 149.43 of the Revised 1300
Code, except that records of organizations contracting with a 1301
district shall not be considered to be public records under 1302
section 149.43 or section 149.431 of the Revised Code solely by 1303
reason of any contract with a district. 1304

(D) Except as otherwise provided in this section, the 1305
nonprofit corporation that governs a district shall be organized 1306
in the manner described in Chapter 1702. of the Revised Code. 1307
Except in the case of a district created by an existing 1308
qualified nonprofit corporation, the corporation's articles of 1309
incorporation are required to be approved, as provided in 1310
division (E) of this section, by resolution of the legislative 1311
authority of each participating political subdivision of the 1312
district. A copy of that resolution shall be filed along with 1313
the articles of incorporation in the secretary of state's 1314
office. 1315

In addition to meeting the requirements for articles of incorporation set forth in Chapter 1702. of the Revised Code, the articles of incorporation for the nonprofit corporation governing a district formed under this chapter shall provide all the following:

(1) The name for the district, which shall include the name of each participating political subdivision of the district;

(2) A description of the territory within the district, which may be all or part of each participating political subdivision. The description shall be specific enough to enable real property owners to determine if their property is located within the district.

(3) A description of the procedure by which the articles of incorporation may be amended. The procedure shall include receiving approval of the amendment, by resolution, from the legislative authority of each participating political subdivision and filing the approved amendment and resolution with the secretary of state.

(4) The reasons for creating the district, plus an explanation of how the district will be conducive to the public health, safety, peace, convenience, and welfare of the district.

(E) The articles of incorporation for a nonprofit corporation governing a district created under this chapter and amendments to them shall be submitted to the municipal executive, if any, and the legislative authority of each municipal corporation or township in which the proposed district is to be located. Except in the case of a district created by an existing qualified nonprofit corporation, the articles or

amendments shall be accompanied by a petition signed either by 1345
the owners of at least sixty per cent of the front footage of 1346
all real property located in the proposed district that abuts 1347
upon any street, alley, public road, place, boulevard, parkway, 1348
park entrance, easement, or other existing public improvement 1349
within the proposed district, excluding church property or 1350
property owned by the state, county, township, municipal, or 1351
federal government, unless a church, county, township, or 1352
municipal corporation has specifically requested in writing that 1353
the property be included in the district, or by the owners of at 1354
least seventy-five per cent of the area of all real property 1355
located within the proposed district, excluding church property 1356
or property owned by the state, county, township, municipal, or 1357
federal government, unless a church, county, township, or 1358
municipal corporation has specifically requested in writing that 1359
the property be included in the district. Pursuant to Section 2o 1360
of Article VIII, Ohio Constitution, the petition required under 1361
this division may be for the purpose of developing and 1362
implementing plans for special energy improvement projects or 1363
shoreline improvement projects, and, in such case, is determined 1364
to be in furtherance of the purposes set forth in Section 2o of 1365
Article VIII, Ohio Constitution. Except as provided in division 1366
(H) of this section, if a special improvement district is being 1367
created under this chapter for the purpose of developing and 1368
implementing plans for special energy improvement projects or 1369
shoreline improvement projects, the petition required under this 1370
division shall be signed by one hundred per cent of the owners 1371
of the area of all real property located within the proposed 1372
special improvement district, at least one special energy 1373
improvement project or shoreline improvement project shall be 1374
designated for each parcel of real property within the special 1375
improvement district, and the special improvement district may 1376

include any number of parcels of real property as determined by 1377
the legislative authority of each participating political 1378
subdivision in which the proposed special improvement district 1379
is to be located. For purposes of determining compliance with 1380
these requirements, the area of the district, or the front 1381
footage and ownership of property, shall be as shown in the most 1382
current records available at the county recorder's office and 1383
the county engineer's office sixty days prior to the date on 1384
which the petition is filed. 1385

Each municipal corporation or township with which the 1386
petition is filed has sixty days to approve or disapprove, by 1387
resolution, the petition, including the articles of 1388
incorporation. In the case of a district created by an existing 1389
qualified nonprofit corporation, each municipal corporation or 1390
township has sixty days to approve or disapprove the creation of 1391
the district after the corporation submits the articles of 1392
incorporation or amendments thereto. This chapter does not 1393
prohibit or restrict the rights of municipal corporations under 1394
Article XVIII of the Ohio Constitution or the right of the 1395
municipal legislative authority to impose reasonable conditions 1396
in a resolution of approval. The acquisition, installation, 1397
equipping, and improvement of a special energy improvement 1398
project under this chapter shall not supersede any local zoning, 1399
environmental, or similar law or regulation. In addition, all 1400
activities associated with a shoreline improvement project that 1401
is implemented under this chapter shall comply with all 1402
applicable local zoning requirements, all local, state, and 1403
federal environmental laws and regulations, and all applicable 1404
requirements established in Chapter 1506. of the Revised Code 1405
and rules adopted under it. 1406

(F) Persons proposing creation and operation of the 1407

district may propose an initial plan for public services or 1408
public improvements that benefit all or any part of the 1409
district. Any initial plan shall be submitted as part of the 1410
petition proposing creation of the district or, in the case of a 1411
district created by an existing qualified nonprofit corporation, 1412
shall be submitted with the articles of incorporation or 1413
amendments thereto. 1414

An initial plan may include provisions for the following: 1415

(1) Creation and operation of the district and of the 1416
nonprofit corporation to govern the district under this chapter; 1417

(2) Hiring employees and professional services; 1418

(3) Contracting for insurance; 1419

(4) Purchasing or leasing office space and office 1420
equipment; 1421

(5) Other actions necessary initially to form, operate, or 1422
organize the district and the nonprofit corporation to govern 1423
the district; 1424

(6) A plan for public improvements or public services that 1425
benefit all or part of the district, which plan shall comply 1426
with the requirements of division (A) of section 1710.06 of the 1427
Revised Code and may include, but is not limited to, any of the 1428
permissive provisions described in the fourth sentence of that 1429
division or listed in divisions (A)(1) to (7) of that section; 1430

(7) If the special improvement district is being created 1431
under this chapter for the purpose of developing and 1432
implementing plans for special energy improvement projects or 1433
shoreline improvement projects, provision for the addition of 1434
territory to the special improvement district. 1435

After the initial plan is approved by all municipal 1436

county has received from the property owner a statement 1918
releasing the county from all liability in connection with the 1919
disconnections, reconnections, relocations, combined sewer 1920
overflow prevention, or sewer back-up prevention. 1921
