Proponent Testimony HB 352

Prohibit blindness from denying or limiting care of minors

Dear Chair, Brett Hudson Hillyer, Vice Chair, Diane V. Grendell, and Ranking Member, Tavi Galonski,

My name is Lillian and I would like to urge you to please support HB352 and vote this bill out of committee into the House.

I believe that removal and refusing the right to parent is not fair to persons with disabilities. Therefore, I am asking you and your committee to vote yes and move this bill to the house for a constructive and favorable vote.

We are so grateful for you representing the blind community in this endeavor. I am hopeful that in 2021 we will have a law implemented in Ohio.

Sincerely,

Lillian Brown
