PREVIOUS REPORTS TO LAW

In several of the fatal cases, a violent DV episode immediately or recently preceded the event, was reported, and offered an opportunity for a stronger and more timely criminal justice response.

PETS AND DOMESTIC VIOLENCE

Pets are not immune to domestic violence. Along with the human victims in two incidents, two dogs were killed by perpetrators.

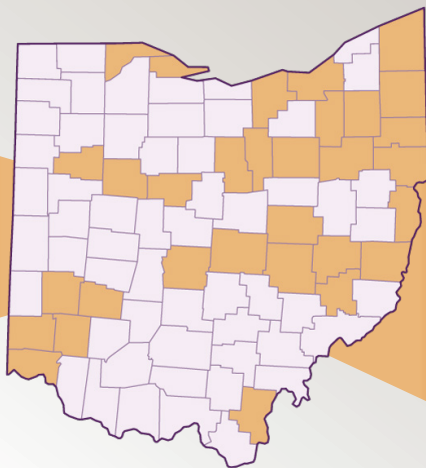

In three separate cases, a father shot and killed his wife and all of their children in their family home.

Parks and campgrounds were the setting for five fatalities. Other fatalities occurred in hotels and workplaces and on highways, posing serious risk to the public.
