Re: Vaccine Choice and Anti-Discrimination Act

To:
Chairman Lipps, Vice Chair Holmes, Ranking Member Russo, and Members of the
House Health Committee,

I am providing proponent testimony on House Bill 248.

I am the mother of 4 sons ranging in age from 20 to 29 and I support HB 248 because my sons and I should not be discriminated against because we do not want to have inoculations against certain conditions. Agents of pharmaceutical companies or other profiteers should not be empowered to tell the rest of us what to put inside our bodies.

Sincerely,
Marie C. Macfarlane
