Sponsor Testimony HB 94: House State & Local Government Committee

Chair Wiggam, Vice Chair John, Ranking Member Kelly, and members of the House State and Local Government Committee. Thank you for the opportunity to testify as a Sponsor of HB 94.

Former President Donald J. Trump was our 45th President of the United States and against great odds, accomplished many things that have led our nation to unparalleled prosperity.

Among those accomplishments are historic tax cuts, criminal justice reform, record-low unemployment, an all-time high stock market, no new wars, peace deals in the Middle East, the relocation of the U.S. embassy in Israel to Jerusalem, the USMCA trade deal, a fixed veterans' healthcare system, three Supreme Court appointments, and the protection of freedoms and rights preordained within our U.S. Constitution.

Donald Trump made promises while running for office, and unlike many of his predecessors, Donald Trump followed through on his promises. That is why 3,154,834 Ohio voters (a record and historic number of votes received for President in Ohio) cast their ballot to re-elect Donald J. Trump as president. This bill will show that we as a legislature recognize the accomplishments of his administration, and that the Ohio House believes it is imperative we set aside a day to celebrate one of the greatest presidents in American history.

President Donald J. Trump personified the emotions of millions of Ohioans who for too long have felt marginalized by our government and the American political system. While the media has tarnished his achievements and his legacy, this legislation will help ensure that for one day each year the voices of millions of people from all corners of our state will be commemorated.

Chair Wiggam, Vice Chair John, Ranking Member Kelly, and members of the House State and Local Government Committee. Thanks again for the opportunity to testify today. I am happy to answer any questions you may have.
