State and Local Government Committee  
Opposition Testimony for SB 62

Dear Chair Wiggam, Vice Chair John, Ranking Member Kelly and members of the State and Local Government Committee, thank you for allowing me the opportunity to offer written testimony in opposition to SB 62.

My name is Shannon Gallagher and I am testifying as a private citizen of Dublin, Ohio. I am a former teacher, mother of four and a member of a gun-owning household. Do to the last minute notice of this hearing, I am not able to testify in person or offer a more in-depth written testimony but I wanted to make sure that my opposition to SB 62 was still noted. I find this bill to be an incredibly poorly written piece of legislation, that seems to be unconstitutional. I support 2A and do not want my guns taken away, but SB 62 is not the way to go. This bill will only create more headaches for responsible gun owners and law enforcement. Please vote Nay on SB 62.

With gratitude,

Shannon Gallagher

Dublin, OH
