**Date**

Chairman Wiggam, Vice Chairwoman John, Ranking Member Representative Kelly,  
and Members of the State and Local Government Committee,

Thank you for allowing me to testify today. My name is Terence Williams. I am an  
Attorney and Parent. I strongly oppose HB 322 or HB 327.

As an Attorney and Parent I oppose these bills because the material sought to be  
excluded from the educational platform by imposing a singular State viewpoint  
over teaching sensitive issues. By imposing the exceedingly restrictive  
environmental educational opportunity to students. These bills undermine the  
very nature of education by removing a student's ability to learn and analyze  
complex and sometimes conflicting ideas. Moreover, it prohibits collaboration  
and creates disharmony among families, educators and school districts entrusted  
to shape their educational environment.

As an Attorney and Parent, I ask you to strongly consider my testimony opposing  
or supporting [HB 322 OR HB 327] and vote NO on this bill.

Thank you, again, for the opportunity to testify. I would be happy to answer any  
additional questions or provide input as needed. You may reach me at  
[williamstl826@gmail.com](mailto:williamstl826@gmail.com).

Respectfully submitted,  
Terence L. Williams
