Former State Representative

HD-52 (2011-2017)

To the Honorable Chairman Baldrige, Vice Chair McClain, Ranking member Sheehy and the esteemed members of the Ohio House Transportation and Public Safety Committee, thank you for the opportunity to submit proponent written testimony for HB-220 in favor of the University of Alabama license plate.

As a proud alumna of the University of Alabama and as a member of a highly active CrimsonAti UA alumni association, I urge you to consider the merits of this proposed license plate.

- There are many Alabama alums, Bama parents, friends and fans living in the State of Ohio as evidenced by 2 UA alumni groups, i.e., “CrimsonAti” of Greater Cincinnati and “Roll Tide Ohio” of Central/Northern Ohio. These groups provide opportunities for our Bama families to network, stay connected to campus & make new friends.
- Profits of the sale of this license plate will be used to provide scholarships for Ohio students to attend the University of Alabama. CrimsonAti currently keeps in touch with our students from Ohio during their years at the University of Alabama and encourages them to return to Ohio with a network of employers who give serious consideration to their resumes.
- The State of Alabama already has 5 out-of-state university license plates and, importantly, has a very, simple procedure for reciprocity with any Ohio university (OSU, OU, Miami U, UC, BGSU, Case, etc.) that seeks a similar AL license plate for their school.

Thank you again for your consideration of HB-220 and I respectfully request your approval of this bill.

Blessings to you!
