RE: Ohio Real Estate Commission Position

Marlin Palich has over forty years of real estate experience in the State of Ohio. His experience includes roles as a salesperson, Broker/Owner and Principal Broker/General Manager. His experience crosses over ML Palich & Associates, CW Banker Brokers Realty, Howard Hanna, Century 21 Prestige, Berkshire Hathaway HomeServices Northwood Realty Services and most recently Berkshire Hathaway HomeServices Stouffer Realty.

Marlin's deep knowledge and real estate perspective is driven by his:

- desire to continuously learn and change to keep up with changing rules, laws, technology, online technologies and changing legal implications.
- local and state community engagement including OAR, Boards of Realtors, and Chairman of the YES MLS/MLS NOW
- experience in mergers and acquisitions
- have reviewed and updated rules and regulations for Trumbull County Land Bank, Septic Regulations for the County Health Department, Trumbull County Transit Board, CRIS MLS, MLS Now and for the newly formed Stark Trumbull County Association of Realtors (STAR)
- handle all our legal matters and grievance and arbitration matters for our company. This has provided me the understanding of rules, regulations, Ohio Revised Code, and Realtor Code of Ethics. Previous liaison for the Ohio Realtors Professional Standards Committee to the Ohio Realtors Executive Committee

I bring to the Commission 40+ years of real estate experience and understanding in all facets of the real estate industry. As you can see, I have filled many local, state, and national positions and have worked in my local community to bring new and innovative ideas to local government commissions. I believe I can bring to the Real Estate Commission new ideas and trends to better assist the commission on current matters in the real industry and trends as I work in the real estate industry daily and understand what has happened, is currently happening, and have insight on what other states and real estate industry leaders are doing and discussing, for future consideration and trends emerging in the real estate industry. The company I work for is a division of the Berkshire Hathaway HomeServices the Preferred which is the #1 real estate company in Pittsburgh and Northwestern Pennsylvania. In total, we have over 50+ offices in Ohio and Pennsylvania and over 2,000 real estate agents. I hope this adds clarity to "why" I am seeking this appointment. I thank you in advance for your consideration for a position on the Ohio Real Estate Commission.

Sincerely,
