Proponent Testimony S.B. 202

Prohibit blindness from denying or limiting care of minors

Dear Chair, Manning, Vice Chair, McColley, and Ranking Member, Thomas,

My name is Billie Graham, I am requesting that you support "S.B. 202" which is the Parental Rights Bill.

I have personally raised three productive now adult children as a blind parent. I am asking you to support and vote to move the bill out of committee for a vote.

Everyone has a right to be a parent if they so choose. Therefore protecting disabled parents is a motion that hopefully has a prompt and necessary favorable decision by the House. We all must do the right thing and keep children in the loving arms of their parents and guardians. I had that right and will fight for those to whom is hindered by those who do not understand that we; as blind parents do caringly, productively and safely raise children.

Thank you for representing this important issue.

Billie Graham
