To whom it may concern,

My name is Evelyn Badeas and I have to kids that go to Metro Catholic School and I am also really involved with my kids' education. To me the scholarship program is important because we are able to give the kids better education and also able to work with great teachers you are willing to help. I have a 20 year old son who I want to have best education that I can gave him he want from Our Lady Mount Carmel to St. Ignatius High School and without help of the scholarship program I don't think my son could have done it. That why I love the scholarship program and I hope it does the same for my other two kids and the impact on are family is great because we see how it helps our family. Please continue offering the fully fund scholarship program expand it and increase the value of the scholarship as well. Thank you to the Chair and members of the committee for the opportunity and that you have giving to give my kids the education I can.

Thank you,
Evelyn Badeas
