George,

Wanted to follow up with you regarding our conversation re: Penn last week. I spoke with my contacts at Penn and while they indeed will be neutral on your legislation, they will not be expressing that neutrality in any official letter.

On the charitable front, I would like to facilitate a meeting with you and Ameet Patel, the General Manager of Hollywood Casino Columbus. I think there are some real opportunities for the organizations to work together on. I will reach out to him and get some dates. Please let me know if there are times that are bad for you over the next couple weeks.

Thanks. Look forward to working together with you.

Brandon
