Ohio Senate Transportation And Public Safety Committee

Written Testimony on of H.B. 338

Chairwoman Kunze, Vice Chair Reineke, Ranking Member Antonio, and Members of the Senate Transportation and Public Safety Committee:

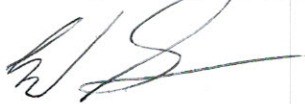

ABATE of Ohio, Inc. (American Bikers Aimed Toward Education) is a State Motorcycle Rights Organization (SMRO) that has been forwarding the rights and safety of Ohio's 500,000 motorcyclist since 1978. We keep an eye on state and local issues as well as team with the Motorcycle Riders Foundation (MRF), the American Motorcyclist Association (AMA), and the National Coalition Of Motorcycles (NCOM) on national issues.

We were prepared to stand in opposition to HB 338. We are in favor of the amendments to HB 338 and with them added we will no longer stand in opposition to this bill.

We would like to thank this committee, Rep. Hoops, the ODPS, Motorcycle Ohio, and anyone else involved in working this bill into something all involved parties could agree on.

I wish I could be there to thank you myself but I am currently returning from Washington DC and the "Bikers Inside the Beltway" National Lobby Day.

Thank you for your time and consideration on this issue,

Ed Schetter
Executive Director
ABATE of Ohio, Inc.
