Please provide a brief statement on your position:

I thoroughly oppose SB 168. There is no evidence that armed guards reduce school shootings. Even thoroughly trained police sometimes make poor decisions or shoot inaccurately in stressful situations. This bill does not make it clear how much training these School Designees would receive. We cannot be confident that these designees will be able to make life and death decisions about our children or accurately shoot into a crowd of children. Many innocent lives

will be lost. The emotional trauma for students and staff in these instances will be enormous.
Vote NO on SB 168.
