Chairman Blessing, Ranking Member Williams, Vice Chair Roegner and Members of the Senate Ways and Means Committee.

The Ohio Land Title Association (OLTA) is a trade association representing licensed title insurance agents, underwriters, abstractors and real estate / title attorneys operating in all 88 Ohio counties. Our members conduct examinations of recorded documents and insure title to real property.

OLTA supports the passage of Senate Bill 24, the First-Time Buyer Savings Act, as it provides tax incentives to first-time home buyers as well as creates additional opportunities for home ownership.

Please let us know if we can be of further assistance.

Sincerely,

Dione Joseph
President
Ohio Land Title Association
