under section 3505.20 of the Revised Code. 1896

(C) (1) If an individual declares that the individual is 1897
eligible to vote in a precinct other than the precinct in which 1898
the individual desires to vote, or if, upon review of the 1899
precinct voting location guide using the residential street 1900

the individual is not eligible to vote in that precinct, the 1903
election official shall direct the individual to the precinct 1904
and polling place in which the individual appears to be eligible 1905
to vote, explain that the individual may cast a provisional 1906

(E) As used in this section and sections 3505.182 and 3505.183 of the Revised Code:	1936 1937

in the county.	1948
(2) "Voting information" means all of the following:	1949

(e) General information on voting rights under applicable	1958
federal and state laws, including information on the right of an	1959

(F) Nothing in this section or section 3505.183 of the	1966
Revised Code is in derogation of section 3505.24 of the Revised	1967
Code, which permits a blind, disabled, or illiterate elector to	1968
receive assistance in the marking of the elector's ballot by two	1969
precinct election officials of different political parties. A	1970
blind, disabled, or illiterate elector may receive assistance in	1971
marking that elector's provisional ballot and in completing the	1972
required affirmation in the same manner as an elector may	1973
receive assistance on the day of an election under that section.	1974

Sec. 3505.183. (A) When the ballot boxes are delivered to 1975
the board of elections from the precincts, the board shall 1976
separate the provisional ballot envelopes from the rest of the 1977
ballots. Teams of employees of the board consisting of one 1978
member of each major political party shall place the sealed 1979
provisional ballot envelopes in a secure location within the 1980
office of the board. The sealed provisional ballot envelopes 1981
shall remain in that secure location until the validity of those 1982
ballots is determined under division (B) of this section. While 1983
the provisional ballot is stored in that secure location, and 1984
prior to the counting of the provisional ballots, if the board 1985
receives information regarding the validity of a specific 1986
provisional ballot under division (B) of this section, the board 1987
may note, on the sealed provisional ballot envelope for that 1988
ballot, whether the ballot is valid and entitled to be counted. 1989

(B) (1) To determine whether a provisional ballot is valid 1990
and entitled to be counted, the board shall examine its records 1991
and determine whether the individual who cast the provisional 1992
ballot is registered and eligible to vote in the applicable 1993
election. The board shall examine the information contained in 1994
the written affirmation executed by the individual who cast the 1995
provisional ballot under division (B) (2) of section 3505.181 of 1996
the Revised Code. The following information shall be included in 1997
the written affirmation in order for the provisional ballot to 1998
be eligible to be counted: 1999

(a) The individual's printed name, signature, date of 2000
birth, and current address; 2001

(b) A statement that the individual is a registered voter 2002
in the precinct in which the provisional ballot is being voted; 2003

(c) A statement that the individual is eligible to vote in 2004

the election in which the provisional ballot is being voted. 2005

(2) In addition to the information required to be included 2006
in an affirmation under division (B)(1) of this section, in 2007
determining whether a provisional ballot is valid and entitled 2008
to be counted, the board also shall examine any additional 2009
information for determining ballot validity provided by the 2010
provisional voter on the affirmation, provided by the 2011
provisional voter to an election official under section 3505.182 2012
of the Revised Code, or provided to the board of elections 2013
during the seven days after the day of the election under 2014
division (B)(7) of section 3505.181 of the Revised Code, to 2015
assist the board in determining the individual's eligibility to 2016
vote. 2017

(3) If, in examining a provisional ballot affirmation and 2018
additional information under divisions (B)(1) and (2) of this 2019
section and comparing the information required under division 2020
(B)(1) of this section with the elector's information in the 2021
statewide voter registration database, the board determines that 2022
all of the following apply, the provisional ballot envelope 2023
shall be opened, and the ballot shall be placed in a ballot box 2024
to be counted: 2025

(a) The individual named on the affirmation is properly 2026
registered to vote. 2027

(b) The individual named on the affirmation is eligible to 2028
cast a ballot in the precinct and for the election in which the 2029
individual cast the provisional ballot. 2030

(c) The individual provided all of the information 2031
required under division (B)(1) of this section in the 2032
affirmation that the individual executed at the time the 2033

individual cast the provisional ballot. 2034

(d) The last four digits of the elector's social security 2035
number or the elector's driver's license number or state 2036
identification card number are not different from the last four 2037
digits of the elector's social security number or the elector's 2038
driver's license number or state identification card number 2039
contained in the statewide voter registration database. 2040

(e) Except as otherwise provided in this division, the 2041
month and day of the elector's date of birth are not different 2042
from the day and month of the elector's date of birth contained 2043
in the statewide voter registration database. 2044

This division does not apply to an elector's provisional 2045
ballot if either of the following is true: 2046

(i) The elector's date of birth contained in the statewide 2047
voter registration database is January 1, 1800. 2048

(ii) The board of elections has found, by a vote of at 2049
least three of its members, that the elector has met all other 2050
requirements of division (B) (3) of this section. 2051

(f) The elector's current address is not different from 2052
the elector's address contained in the statewide voter 2053
registration database, unless the elector indicated that the 2054
elector is casting a provisional ballot because the elector has 2055
moved and has not submitted a notice of change of address, as 2056
described in division (A) (6) of section 3505.181 of the Revised 2057
Code. 2058

(g) If applicable, the individual provided any additional 2059
information required under division (B) (7) of section 3505.181 2060
of the Revised Code within seven days after the day of the 2061
election. 2062

(h) If applicable, the hearing conducted under division 2063
(B) of section 3503.24 of the Revised Code after the day of the 2064
election resulted in the individual's inclusion in the official 2065
registration list. 2066

(4) (a) Except as otherwise provided in division (D) of 2067
this section, if, in examining a provisional ballot affirmation 2068
and additional information under divisions (B) (1) and (2) of 2069
this section and comparing the information required under 2070
division (B) (1) of this section with the elector's information 2071
in the statewide voter registration database, the board 2072
determines that any of the following applies, the provisional 2073
ballot envelope shall not be opened, and the ballot shall not be 2074
counted: 2075

(i) The individual named on the affirmation is not 2076
qualified or is not properly registered to vote. 2077

(ii) The individual named on the affirmation is not 2078
eligible to cast a ballot in the precinct or for the election in 2079
which the individual cast the provisional ballot. 2080

(iii) The individual did not provide all of the 2081
information required under division (B) (1) of this section in 2082
the affirmation that the individual executed at the time the 2083
individual cast the provisional ballot. 2084

(iv) The individual has already cast a ballot for the 2085
election in which the individual cast the provisional ballot. 2086

(v) If applicable, the individual did not provide any 2087
additional information required under division (B) (7) of section 2088
3505.181 of the Revised Code within seven days after the day of 2089
the election. 2090

(vi) If applicable, the hearing conducted under division 2091

(B) of section 3503.24 of the Revised Code after the day of the election did not result in the individual's inclusion in the official registration list.

(vii) The individual failed to provide a current and valid photo identification, a military identification, a copy of a current utility bill, bank statement, government check, paycheck, or other government document, other than a notice of voter registration mailed by a board of elections ~~under section 3503.19 of the Revised Code~~, with the voter's name and current address, the individual's driver's license or state identification card number, or the last four digits of the individual's social security number or to execute an affirmation under division (B) of section 3505.181 of the Revised Code.

(viii) The last four digits of the elector's social security number or the elector's driver's license number or state identification card number are different from the last four digits of the elector's social security number or the elector's driver's license number or state identification card number contained in the statewide voter registration database.

(ix) Except as otherwise provided in this division, the month and day of the elector's date of birth are different from the day and month of the elector's date of birth contained in the statewide voter registration database.

This division does not apply to an elector's provisional ballot if either of the following is true:

(I) The elector's date of birth contained in the statewide voter registration database is January 1, 1800.

(II) The board of elections has found, by a vote of at least three of its members, that the elector has met all of the

requirements of division (B) (3) of this section, other than the 2121
requirements of division (B) (3) (e) of this section. 2122

(x) The elector's current address is different from the 2123
elector's address contained in the statewide voter registration 2124
database, unless the elector indicated that the elector is 2125
casting a provisional ballot because the elector has moved and 2126
has not submitted a notice of change of address, as described in 2127
division (A) (6) of section 3505.181 of the Revised Code. 2128

(b) If, in examining a provisional ballot affirmation and 2129
additional information under divisions (B) (1) and (2) of this 2130
section and comparing the information required under division 2131
(B) (1) of this section with the elector's information in the 2132
statewide voter registration database, the board is unable to 2133
determine either of the following, the provisional ballot 2134
envelope shall not be opened, and the ballot shall not be 2135
counted: 2136

(i) Whether the individual named on the affirmation is 2137
qualified or properly registered to vote; 2138

(ii) Whether the individual named on the affirmation is 2139
eligible to cast a ballot in the precinct or for the election in 2140
which the individual cast the provisional ballot. 2141

(C) For each provisional ballot rejected under division 2142
(B) (4) of this section, the board shall record the name of the 2143
provisional voter who cast the ballot, the identification number 2144
of the provisional ballot envelope, the names of the election 2145
officials who determined the validity of that ballot, the date 2146
and time that the determination was made, and the reason that 2147
the ballot was not counted, unless the board has already 2148
recorded that information in another database. 2149

(D) (1) If an individual cast a provisional ballot in a precinct in which the individual is not registered and eligible to vote, but in the correct polling location for the precinct in which the individual is registered and eligible to vote, and the election official failed to direct the individual to the correct precinct, the individual's ballot shall be remade under division (D) (2) of this section. The election official shall be deemed to have directed the individual to the correct precinct if the election official correctly completed the form described in division (C) (2) of section 3505.181 of the Revised Code.

(2) A board of elections that remakes a provisional ballot under division (D) (1) of this section shall remake the provisional ballot on a ballot for the appropriate precinct to reflect the offices, questions, and issues for which the individual was eligible to cast a ballot and for which the individual attempted to cast a provisional ballot. The remade ballot shall be counted for each office, question, and issue for which the individual was eligible to vote.

(3) If an individual cast a provisional ballot in a precinct in which the individual is not registered and eligible to vote and in the incorrect polling location for the precinct in which the individual is registered and eligible to vote, the provisional ballot envelope shall not be opened, and the ballot shall not be counted.

(E) Provisional ballots that are rejected under division (B) (4) of this section shall not be counted but shall be preserved in their provisional ballot envelopes unopened until the time provided by section 3505.31 of the Revised Code for the destruction of all other ballots used at the election for which ballots were provided, at which time they shall be destroyed.

(F) Provisional ballots that the board determines are 2180
eligible to be counted under division (B) (3) or (D) of this 2181
section shall be counted in the same manner as provided for 2182
other ballots under section 3505.27 of the Revised Code. No 2183
provisional ballots shall be counted in a particular county 2184
until the board determines the eligibility to be counted of all 2185
provisional ballots cast in that county under division (B) of 2186
this section for that election. Observers, as provided in 2187
section 3505.21 of the Revised Code, may be present at all times 2188
that the board is determining the eligibility of provisional 2189
ballots to be counted and counting those provisional ballots 2190
determined to be eligible. No person shall recklessly disclose 2191
the count or any portion of the count of provisional ballots in 2192
such a manner as to jeopardize the secrecy of any individual 2193
ballot. 2194

(G) (1) Except as otherwise provided in division (G) (2) of 2195
this section, nothing in this section shall prevent a board of 2196
elections from examining provisional ballot affirmations and 2197
additional information under divisions (B) (1) and (2) of this 2198
section to determine the eligibility of provisional ballots to 2199
be counted during the ten days after the day of an election. 2200

(2) A board of elections shall not examine the provisional 2201
ballot affirmation and additional information under divisions 2202
(B) (1) and (2) of this section of any provisional ballot cast by 2203
an individual who must provide additional information to the 2204
board of elections under division (B) (7) of section 3505.181 of 2205
the Revised Code for the board to determine the individual's 2206
eligibility until the individual provides that information, 2207
until any hearing required to be conducted under section 3503.24 2208
of the Revised Code with regard to the provisional voter is 2209
held, or until the eleventh day after the day of the election, 2210

whichever is earlier. 2211

Sec. 3509.03. Except as provided in division (B) of 2212
section 3509.08 of the Revised Code, any qualified elector 2213
desiring to vote absent voter's ballots at an election shall 2214
make written application for those ballots to the director of 2215
elections of the county in which the elector's voting residence 2216
is located. The application need not be in any particular form 2217
but shall contain all of the following: 2218

(A) The elector's name; 2219

(B) The elector's signature; 2220

(C) The address at which the elector is registered to 2221
vote; 2222

(D) The elector's date of birth; 2223

number; 2227

(3) A copy of the elector's current and valid photo 2228
identification, a copy of a military identification, or a copy 2229
of a current utility bill, bank statement, government check, 2230
paycheck, or other government document, other than a notice of 2231
voter registration mailed by a board of elections ~~under section~~ 2232
~~3503.19 of the Revised Code~~, that shows the name and address of 2233
the elector. 2234

(F) A statement identifying the election for which absent 2235
voter's ballots are requested; 2236

(G) A statement that the person requesting the ballots is 2237

a qualified elector; 2238

(H) If the request is for primary election ballots, the 2239
elector's party affiliation; 2240

(I) If the elector desires ballots to be mailed to the 2241
elector, the address to which those ballots shall be mailed. 2242

Each application for absent voter's ballots shall be 2243
delivered to the director not earlier than the first day of 2244
January of the year of the elections for which the absent 2245
voter's ballots are requested or not earlier than ninety days 2246
before the day of the election at which the ballots are to be 2247
voted, whichever is earlier, and not later than twelve noon of 2248
the third day before the day of the election at which the 2249
ballots are to be voted, or not later than six p.m. on the last 2250
Friday before the day of the election at which the ballots are 2251
to be voted if the application is delivered in person to the 2252
office of the board. 2253

A board of elections that mails an absent voter's ballot 2254
application to an elector under this section shall not prepay 2255
the return postage for that application. 2256

Except as otherwise provided in this section and in 2257
sections 3505.24 and 3509.08 of the Revised Code, an election 2258
official shall not fill out any portion of an application for 2259
absent voter's ballots on behalf of an applicant. The secretary 2260
of state or a board of elections may preprint only an 2261
applicant's name and address on an application for absent 2262
voter's ballots before mailing that application to the 2263
applicant. 2264

Sec. 3509.05. (A) When an elector receives an absent 2265
voter's ballot pursuant to the elector's application or request, 2266

the elector shall, before placing any marks on the ballot, note 2267
whether there are any voting marks on it. If there are any 2268
voting marks, the ballot shall be returned immediately to the 2269
board of elections; otherwise, the elector shall cause the 2270
ballot to be marked, folded in a manner that the stub on it and 2271
the indorsements and facsimile signatures of the members of the 2272
board of elections on the back of it are visible, and placed and 2273
sealed within the identification envelope received from the 2274
director of elections for that purpose. Then, the elector shall 2275
cause the statement of voter on the outside of the 2276
identification envelope to be completed and signed, under 2277
penalty of election falsification. 2278

If the elector does not provide the elector's driver's 2279
license number or the last four digits of the elector's social 2280
security number on the statement of voter on the identification 2281
envelope, the elector also shall include in the return envelope 2282
with the identification envelope a copy of the elector's current 2283
valid photo identification, a copy of a military identification, 2284
or a copy of a current utility bill, bank statement, government 2285
check, paycheck, or other government document, other than a 2286
notice of voter registration mailed by a board of elections 2287
~~under section 3503.19 of the Revised Code~~, that shows the name 2288
and address of the elector. 2289

The elector shall mail the identification envelope to the 2290
director from whom it was received in the return envelope, 2291
postage prepaid, or the elector may personally deliver it to the 2292
director, or the spouse of the elector, the father, mother, 2293
father-in-law, mother-in-law, grandfather, grandmother, brother, 2294
or sister of the whole or half blood, or the son, daughter, 2295
adopting parent, adopted child, stepparent, stepchild, uncle, 2296
aunt, nephew, or niece of the elector may deliver it to the 2297

director. The return envelope shall be transmitted to the 2298
director in no other manner, except as provided in section 2299
3509.08 of the Revised Code. 2300

When absent voter's ballots are delivered to an elector at 2301
the office of the board, the elector may retire to a voting 2302
compartment provided by the board and there mark the ballots. 2303
Thereupon, the elector shall fold them, place them in the 2304
identification envelope provided, seal the envelope, fill in and 2305
sign the statement on the envelope under penalty of election 2306
falsification, and deliver the envelope to the director of the 2307
board. 2308

Except as otherwise provided in division (B) of this 2309
section, all other envelopes containing marked absent voter's 2310
ballots shall be delivered to the director not later than the 2311
close of the polls on the day of an election. Absent voter's 2312
ballots delivered to the director later than the times specified 2313
shall not be counted, but shall be kept by the board in the 2314
sealed identification envelopes in which they are delivered to 2315
the director, until the time provided by section 3505.31 of the 2316
Revised Code for the destruction of all other ballots used at 2317
the election for which ballots were provided, at which time they 2318
shall be destroyed. 2319

(B) (1) Except as otherwise provided in division (B) (2) of 2320
this section, any return envelope that is postmarked prior to 2321
the day of the election shall be delivered to the director prior 2322
to the eleventh day after the election. Ballots delivered in 2323
envelopes postmarked prior to the day of the election that are 2324
received after the close of the polls on election day through 2325
the tenth day thereafter shall be counted on the eleventh day at 2326
the board of elections in the manner provided in divisions (C) 2327

and (D) of section 3509.06 of the Revised Code. Any such ballots 2328
that are received by the director later than the tenth day 2329
following the election shall not be counted, but shall be kept 2330
by the board in the sealed identification envelopes as provided 2331
in division (A) of this section. 2332

(2) Division (B)(1) of this section shall not apply to any 2333
mail that is postmarked using a postage evidencing system, 2334
including a postage meter, as defined in 39 C.F.R. 501.1. 2335

Sec. 3511.02. Notwithstanding any section of the Revised 2336
Code to the contrary, whenever any person applies for 2337
registration as a voter on a form adopted in accordance with 2338
federal regulations relating to the "Uniformed and Overseas 2339
Citizens Absentee Voting Act," 100 Stat. 924, 42 U.S.C.A. 1973ff 2340
(1986), this application shall be sufficient for voter 2341
registration and as a request for an absent voter's ballot. 2342
Uniformed services or overseas absent voter's ballots may be 2343
obtained by any person meeting the requirements of section 2344
3511.011 of the Revised Code by applying electronically to the 2345
