As Introduced

(A) (1) The tax shall be collected as provided in section 19 5739.025 of the Revised Code. The rate of the tax shall be five 20 and three-fourths per cent. The tax applies and is collectible 21 when the sale is made, regardless of the time when the price is 22 paid or delivered. 23

(2) In the case of the lease or rental, with a fixed term 24 of more than thirty days or an indefinite term with a minimum 25 period of more than thirty days, of any motor vehicles designed 26 by the manufacturer to carry a load of not more than one ton, 27 watercraft, outboard motor, or aircraft, or of any tangible 28 29 personal property, other than motor vehicles designed by the manufacturer to carry a load of more than one ton, to be used by 30 the lessee or renter primarily for business purposes, the tax 31 shall be collected by the vendor at the time the lease or rental 32 is consummated and shall be calculated by the vendor on the 33 basis of the total amount to be paid by the lessee or renter 34 under the lease agreement. If the total amount of the 35 consideration for the lease or rental includes amounts that are 36 not calculated at the time the lease or rental is executed, the 37 tax shall be calculated and collected by the vendor at the time 38 such amounts are billed to the lessee or renter. In the case of 39 an open-end lease or rental, the tax shall be calculated by the 40 vendor on the basis of the total amount to be paid during the 41 initial fixed term of the lease or rental, and for each 42 subsequent renewal period as it comes due. As used in this 43 division, "motor vehicle" has the same meaning as in section 44 4501.01 of the Revised Code, and "watercraft" includes an 45 outdrive unit attached to the watercraft. 46

A lease with a renewal clause and a termination penalty or

48
exercised is presumed to be a sham transaction. In such a case,
49

the tax shall be calculated and paid on the basis of the entire	50
length of the lease period, including any renewal periods, until	51
the termination penalty or similar provision no longer applies.	52
The taxpayer shall bear the burden, by a preponderance of the	53
evidence, that the transaction or series of transactions is not	54
a sham transaction.	55
(3) Except as provided in division (A)(2) of this section,	56
in the case of a sale, the price of which consists in whole or	57
in part of the lease or rental of tangible personal property,	58
the tax shall be measured by the installments of that lease or	59
rental.	60
(4) In the case of a sale of a physical fitness facility	61
service or recreation and sports club service, the price of	62
which consists in whole or in part of a membership for the	63

sale shall be measured by the installments thereof.	65

(C) For the purpose of the proper administration of this	723
chapter, and to prevent the evasion of the tax, it is presumed	724
that all sales made in this state are subject to the tax until	725
the contrary is established.	726
(D) The levy of this tax on retail sales of recreation and	727

sports club service shall not prevent a municipal corporation 728 from levying any tax on recreation and sports club dues or on 729 any income generated by recreation and sports club dues. 730

- (E) The tax collected by the vendor from the consumer 731 under this chapter is not part of the price, but is a tax 732 collection for the benefit of the state, and of counties levying 733 an additional sales tax pursuant to section 5739.021 or 5739.026 734 of the Revised Code and of transit authorities levying an 735 additional sales tax pursuant to section 5739.023 of the Revised 736 Code. Except for the discount authorized under section 5739.12 737 of the Revised Code and the effects of any rounding pursuant to 738 section 5703.055 of the Revised Code, no person other than the 739 state or such a county or transit authority shall derive any 740 benefit from the collection or payment of the tax levied by this 741 section or section 5739.021, 5739.023, or 5739.026 of the 742 Revised Code. 743
- Sec. 5739.03. (A) Except as provided in section 5739.05 or 744 section 5739.051 of the Revised Code, the tax imposed by or 745 pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of 746 747 the Revised Code shall be paid by the consumer to the vendor, and each vendor shall collect from the consumer, as a trustee 748 for the state of Ohio, the full and exact amount of the tax 749 payable on each taxable sale, in the manner and at the times 750 provided as follows: 751
- (1) If the price is, at or prior to the provision of the 752 service or the delivery of possession of the thing sold to the 753 consumer, paid in currency passed from hand to hand by the 754 consumer or the consumer's agent to the vendor or the vendor's 755 agent, the vendor or the vendor's agent shall collect the tax 756 with and at the same time as the price; 757

(2) If the price is otherwise paid or to be paid, the	758
vendor or the vendor's agent shall, at or prior to the provision	759
of the service or the delivery of possession of the thing sold	760
to the consumer, charge the tax imposed by or pursuant to	761
section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised	762
Code to the account of the consumer, which amount shall be	763
collected by the vendor from the consumer in addition to the	764
price. Such sale shall be reported on and the amount of the tax	765
applicable thereto shall be remitted with the return for the	766
period in which the sale is made, and the amount of the tax	767
shall become a legal charge in favor of the vendor and against	768
the consumer.	769

- (B) (1) (a) If any sale is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B) (1) to (11)—or, (28), or (56) of section 5739.02 of the Revised Code, or if the consumer claims the transaction is not a taxable sale due to one or more of the exclusions provided under divisions (JJ) (1) to (5) of section 5739.01 of the Revised Code, the consumer must provide to the vendor, and the vendor must obtain from the consumer, a certificate specifying the reason that the sale is not legally subject to the tax. The certificate shall be in such form, and shall be provided either in a hard copy form or electronic form, as the tax commissioner prescribes.
- (b) A vendor that obtains a fully completed exemption 783 certificate from a consumer is relieved of liability for 784 collecting and remitting tax on any sale covered by that 785 certificate. If it is determined the exemption was improperly 786 claimed, the consumer shall be liable for any tax due on that 787 sale under section 5739.02, 5739.021, 5739.023, or 5739.026 or 788

Chapter 5741. of the Revised Code. Relief under this division	789
from liability does not apply to any of the following:	790
(i) A vendor that fraudulently fails to collect tax;	791
(ii) A vendor that solicits consumers to participate in	792
the unlawful claim of an exemption;	793
(iii) A vendor that accepts an exemption certificate from	794
a consumer that claims an exemption based on who purchases or	795
who sells property or a service, when the subject of the	796
transaction sought to be covered by the exemption certificate is	797
actually received by the consumer at a location operated by the	798
vendor in this state, and this state has posted to its web site	799
an exemption certificate form that clearly and affirmatively	800
indicates that the claimed exemption is not available in this	801
state;	802
(iv) A vendor that accepts an exemption certificate from a	803
consumer who claims a multiple points of use exemption under	804
division (D) of section 5739.033 of the Revised Code, if the	805
item purchased is tangible personal property, other than	806
prewritten computer software.	807
(2) The vendor shall maintain records, including exemption	808
certificates, of all sales on which a consumer has claimed an	809
exemption, and provide them to the tax commissioner on request.	810
(3) The tax commissioner may establish an identification	811
system whereby the commissioner issues an identification number	812
to a consumer that is exempt from payment of the tax. The	813
consumer must present the number to the vendor, if any sale is	814
claimed to be exempt as provided in this section.	815
(4) If no certificate is provided or obtained within	816
ninety days after the date on which such sale is consummated, it	817

shall be presumed that the tax applies. Failure to have so	818
provided or obtained a certificate shall not preclude a vendor,	819
within one hundred twenty days after the tax commissioner gives	820
written notice of intent to levy an assessment, from either	821
establishing that the sale is not subject to the tax, or	822
obtaining, in good faith, a fully completed exemption	823
certificate.	824
(5) Certificates need not be obtained nor provided where	825
the identity of the consumer is such that the transaction is	826
never subject to the tax imposed or where the item of tangible	827
personal property sold or the service provided is never subject	828
to the tax imposed, regardless of use, or when the sale is in	829
interstate commerce.	830
(6) If a transaction is claimed to be exempt under	831
division (B)(13) of section 5739.02 of the Revised Code, the	832
contractor shall obtain certification of the claimed exemption	833
from the contractee. This certification shall be in addition to	834
an exemption certificate provided by the contractor to the	835
vendor. A contractee that provides a certification under this	836
division shall be deemed to be the consumer of all items	837
purchased by the contractor under the claim of exemption, if it	838
is subsequently determined that the exemption is not properly	839
claimed. The certification shall be in such form as the tax	840
commissioner prescribes.	841
(C) As used in this division, "contractee" means a person	842
who seeks to enter or enters into a contract or agreement with a	843
contractor or vendor for the construction of real property or	844
for the sale and installation onto real property of tangible	845
personal property.	846

Any contractor or vendor may request from any contractee a

certification of what portion of the property to be transferred	848
under such contract or agreement is to be incorporated into the	849
realty and what portion will retain its status as tangible	850
personal property after installation is completed. The	851
contractor or vendor shall request the certification by	852
certified mail delivered to the contractee, return receipt	853
requested. Upon receipt of such request and prior to entering	854
into the contract or agreement, the contractee shall provide to	855
the contractor or vendor a certification sufficiently detailed	856
to enable the contractor or vendor to ascertain the resulting	857
classification of all materials purchased or fabricated by the	858
contractor or vendor and transferred to the contractee. This	859
requirement applies to a contractee regardless of whether the	860
contractee holds a direct payment permit under section 5739.031	861
of the Revised Code or provides to the contractor or vendor an	862
exemption certificate as provided under this section.	863

For the purposes of the taxes levied by this chapter and 864 Chapter 5741. of the Revised Code, the contractor or vendor may 865 in good faith rely on the contractee's certification. 866 Notwithstanding division (B) of section 5739.01 of the Revised 867 Code, if the tax commissioner determines that certain property 868 certified by the contractee as tangible personal property 869 pursuant to this division is, in fact, real property, the 870 contractee shall be considered to be the consumer of all 871 materials so incorporated into that real property and shall be 872 liable for the applicable tax, and the contractor or vendor 873 shall be excused from any liability on those materials. 874

If a contractee fails to provide such certification upon

875
the request of the contractor or vendor, the contractor or

vendor shall comply with the provisions of this chapter and

Chapter 5741. of the Revised Code without the certification. If

878

the tax commissioner determines that such compliance has been 879 performed in good faith and that certain property treated as 880 tangible personal property by the contractor or vendor is, in 881 fact, real property, the contractee shall be considered to be 882 the consumer of all materials so incorporated into that real 883 property and shall be liable for the applicable tax, and the 884 885 construction contractor or vendor shall be excused from any liability on those materials. 886

This division does not apply to any contract or agreement

where the tax commissioner determines as a fact that a

certification under this division was made solely on the

decision or advice of the contractor or vendor.

887

- (D) Notwithstanding division (B) of section 5739.01 of the 891
 Revised Code, whenever the total rate of tax imposed under this 892
 chapter is increased after the date after a construction 893
 contract is entered into, the contractee shall reimburse the 894
 construction contractor for any additional tax paid on tangible 895
 property consumed or services received pursuant to the contract. 896
- (E) A vendor who files a petition for reassessment 897 contesting the assessment of tax on sales for which the vendor 898 obtained no valid exemption certificates and for which the 899 vendor failed to establish that the sales were properly not 900 subject to the tax during the one-hundred-twenty-day period 901 allowed under division (B) of this section, may present to the 902 tax commissioner additional evidence to prove that the sales 903 were properly subject to a claim of exception or exemption. The 904 vendor shall file such evidence within ninety days of the 905 receipt by the vendor of the notice of assessment, except that, 906 upon application and for reasonable cause, the period for 907 submitting such evidence shall be extended thirty days. 908

The commissioner shall consider such additional evidence	909
in reaching the final determination on the assessment and	910
petition for reassessment.	911
(F) Whenever a vendor refunds the price, minus any	912
separately stated delivery charge, of an item of tangible	913
personal property on which the tax imposed under this chapter	914
has been paid, the vendor shall also refund the amount of tax	915
paid, minus the amount of tax attributable to the delivery	916
charge.	917
Sec. 5739.05. (A) $\underline{(1)}$ The tax commissioner shall enforce	918
and administer sections 5739.01 to 5739.31 of the Revised Code,	919
which are hereby declared to be sections which the commissioner	920
is required to administer within the meaning of sections 5703.17	921
to 5703.37, 5703.39, 5703.41, and 5703.45 of the Revised Code.	922
The commissioner may adopt and promulgate, in accordance with	923
sections 119.01 to 119.13 of the Revised Code, such rules as the	924
commissioner deems necessary to administer sections 5739.01 to	925
5739.31 of the Revised Code.	926
(2) On or before the first day of May of each year, the	927
commissioner shall make available to vendors a notice explaining	928
the three-day exemption period required under division (B) (56)	929
of section 5739.02 of the Revised Code.	930
(B) Upon application, the commissioner may authorize a	931
vendor to pay on a predetermined basis the tax levied by or	932
pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of	933
the Revised Code upon sales of things produced or distributed or	934
services provided by such vendor, and the commissioner may waive	935
the collection of the tax from the consumer. The commissioner	936
shall not grant such authority unless the commissioner finds	937

that the granting of the authority would improve compliance and

S. B. No. 226 Page 33
As Introduced

increase the efficiency of the administration of the tax. The	939
person to whom such authority is granted shall post a notice, if	940
required by the commissioner, at the location where the product	941
is offered for sale that the tax is included in the selling	942
price. The commissioner may adopt rules to administer this	943
division.	944

(C) Upon application, the commissioner may authorize a 945 vendor to remit, on the basis of a prearranged agreement under 946 this division, the tax levied by section 5739.02 or pursuant to 947 section 5739.021, 5739.023, or 5739.026 of the Revised Code. The 948 proportions and ratios in a prearranged agreement shall be 949 determined either by a test check conducted by the commissioner 950 under terms and conditions agreed to by the commissioner and the 951 vendor or by any other method agreed upon by the vendor and the 952 commissioner. If the parties are unable to agree to the terms 953 and conditions of the test check or other method, the 954 application shall be denied. 955

If used, the test check shall determine the proportion 956 that taxable retail sales bear to all of the vendor's retail 957 sales and the ratio which the tax required to be collected under 958 sections 5739.02, 5739.021, 5739.023, and 5739.026 of the 959 Revised Code bears to the receipts from the vendor's taxable 960 retail sales.

The vendor's liability for remitting the tax shall be

962

based solely upon the proportions and ratios established in the

agreement until such time that the vendor or the commissioner

964

believes that the nature of the vendor's business has so changed

965

as to make the agreement no longer representative. The

966

commissioner may give notice to the vendor at any time that the

967

authorization is revoked or the vendor may notify the

S. B. No. 226 As Introduced	Page 34
commissioner that the vendor no longer elects to report under	969
the authorization. Such notice shall be delivered to the other	970
party personally or by registered mail. The revocation or	971
cancellation is effective the last day of the month in which the	972
vendor or the commissioner receives the notice.	973
Section 2. That existing sections 5739.02, 5739.03, and	974
5739.05 of the Revised Code are hereby repealed.	975
