**Sponsor Testimony**  
**House Bill 328**  
**Transportation and Public Safety Committee**

Chairman Green, Vice Chair Greenspan, Ranking Member Sheehy, and members of the Transportation and Public Safety Committee, thank you for the opportunity to provide sponsor testimony on House Bill 328. This bill will create the Cincinnati Public Schools license plate, recognizing the importance and history of Cincinnati Public Schools.

The almost 200-year-old Cincinnati Public Schools district is the third-largest school district in Ohio serving 35,000 Cincinnati area students. The Cincinnati Public Schools district is also home to the first free public high school west of the Allegheny Mountains.

A specialized license plate designed by the district and for the district, is a commonsense way to celebrate this storied institution. The ten-dollar license plate fee associated with the Cincinnati Public Schools District license plate is on the lower end of license plate fees, and will be distributed to CPS to be deposited into its general fund.

Chairman Green, Vice Chair Greenspan, Ranking Member Sheehy, and members of the Transportation & Public Safety Committee, I thank you for your time, and I hope that you will join Representative Kelly and me in support of House Bill 328. I will be happy to answer any questions at this time.
