

Kathy Catazaro-Perry, Mayor

Massillon

City of Champions

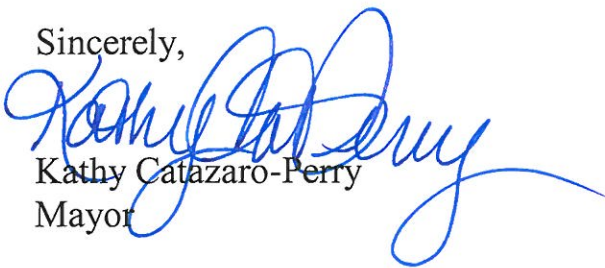

February 14, 2018

Chairman Green, Vice Chair Greenspan, Ranking Member Sheehy, and the members of the Transportation and Public Safety Committee.

On behalf of the City of Massillon, I am writing in support of House Bill 346, designating a portion of State Route 172 in Stark County as the “Football Heritage Corridor.” As you know, our city has a rich heritage of football including the legendary Paul Brown. Renaming this portion of the highway would be a wonderful tribute to all the past, present and future gridiron greats from our community.

I respectfully ask that this committee adopt House Bill 346 to celebrate the rich tradition of football in the *City of Champions*.

Sincerely,

Kathy Catazaro-Perry
Mayor
